August 6, 1970

To the Honorable Josh Gates, County Judge

Honorable Commissioner's Court, Fort Bend County, Texas

This letter will serve as notice of my formal resignation from the position of Justice of the Peace, Precinct #1 Fort Bend County, Texas, to become effective August 15, 1970. I feel honored that the people of Precinct #1 placed their trust in me as their Justice of the Peace. It has proved to be a most satisfying and rewarding experience to serve the people of my county in this capacity.

I now find that I am presented with an opportunity to meet a new challenge in the field of law enforcement. As the old saying goes "opportunity knocks only once" and I cannot refuse the appointment as Chief of Police for the city of Rosenberg. This new appointment imposes a forceful demand on my abilities and I feel that it will be quite a challenge to me. I have enjoyed working with the employees here in the court house and I will be saddened to leave their company.

Respectfully submitted,

H. E. "Bert" Gubbels

HIGHWAY U.S 59
ACCT. NO. 8012-1-13

WHEREAS, the State of Texas, hereinafter called the "State", acting by and through the Texas Highway Department, proposes to make certain highway improvements on that section of the above indicated highway generally located as follows: At its intersection with State Highway #36 at Engineers' Station 175 + 31.76

WHEREAS, it is understood the Houston Lighting & Power Company, a Corporation hereinafter, whether one or more, called the "Owner", acting by and through C B Sherman, its President, is in possession of, and will retain possession of, certain properties that the State must cross and encroach upon in the construction and maintenance of these improvements, and such crossings or encroachments being as detailed and to the extent as shown and described on the sketch sheet or sheets which are attached hereto and made a part hereof. Locations and elevations shown, in respect to Owner's facilities, are those which will exist after adjustments contemplated by agreement, of even date herewith.

NOW, THEREFORE, formal permission is hereby granted to the State to cross and encroach upon Owner's said properties for the purposes set forth herein and as detailed and to the extent as shown and described on the attached sketch sheet or sheets.

It is hereby agreed that in the event of future construction, reconstruction, expansion, relocation, rehabilitation, maintenance, or other work on facilities owned and operated by either the State or the Owner in the area jointly occupied by this permit, where such work will disturb, detrimentally affect, interfere with or be inconvenient to the facilities or responsibilities of either party written notice will be given the other party and agreement will be reached in writing by the parties hereto before such work is undertaken if further agreement be necessary. The authority granted the State under this permit is based upon proposed construction plans with elevations as delineated on the attached sketch sheet or sheets. Any future construction, reconstruction, expansion or other work which would serve to raise the elevation of any roadway constructed within the limits of the property covered by this Permit in excess of one (1.0) foot above that shown, or otherwise require the adjustment of Owner's facilities, shall be deemed to be outside the scope of this Permit and will require a new written permit. However, in the event of an emergency, it being evident that immediate action is necessary for protection of the public and to minimize property damage and loss of investment, either party hereto may at their own responsibility and risk make necessary emergency repairs, notifying the other party hereto of this action as soon as is practical.

OWNER hereby agrees that pedestrian and vehicular access for servicing its facilities normally will be limited to (a) Frontage roads where provided (b) Nearby or adjacent public roads and streets (c) Trails along or near the highway right of way lines, connected only to an intersecting road, from any one or all of which entry may be made to the outer portion of the right of way. If an emergency situation occurs and the usual means of access for service operations as herein provided will not permit the immediate action required by the Owner in making emergency repairs as required for the safety and welfare of the public, the Owner shall take access to and from the through traffic roadways and ramps as necessary to accomplish the required emergency repairs. Owner agrees that to the extent possible, the required emergency repairs will be accomplished giving due consideration to the paramount interest of the traveling public to the use of the highway facility.

Honorable Judge and Commissioner's Court

Gentlemen:

1. For your consideration, we submit this Proposal to act as your fiscal agent in connection with the authorization, issuance and sale of such Bonds or Warrants as you may direct.

2. By this Proposal, we offer our facilities and agree to perform the following duties normally performed by such advisors, and to perform such other duties as, in our judgment, may be necessary or advisable:

a. To make a study of the debt structure of your County, the trend of its assessed valuation, its taxing power and the present and estimated future taxing requirements, and on the basis of such study to devise and recommend for your approval a plan of financing to cover the proposed Bonds or Warrants. Such plan shall include a maturity schedule and other terms and conditions, such as options of prior payment and the like, as will, in our opinion, result in the issuance of the Bonds or Warrants under terms and conditions most advantageous to your County consistent with a minimum effective interest rate.

b. We understand that you have retained or expect to retain Vinson, Elkins, Searls and Connally, a firm of recognized Municipal Bond attorneys, who will prepare the proceedings and advise the steps necessary to be taken in the Bond election, the legal issuance of the Bonds or Warrants and the final delivery of the Bonds or Warrants, and who will issue an Opinion approving the legality of the Bonds. All financial services rendered pursuant to this Contract will be performed in such manner, and will include assembling and accumulating such financial facts, information and data, as will be necessary or appropriate to obtain the unqualified approving legal Opinion of said attorneys. The fee of said attorneys will be paid by us.

UNDERWOOD NEUHAUS & Co.

HOUSTON, TEXAS

c. At such time as it shall be decided to order a Bond election or authorize the issuance of Time Warrants, we will assemble and transmit to the Bond attorneys such data as may be required in the preparation of the necessary Petitions, Orders, Resolutions, Notices and Certificates; and will assist your governing body in the expeditious handling thereof.

d. We will procure and deliver to such official as you may designate such sets of election supplies, including ballots (but excluding voting machines and voting booths) as are required for each polling place.

e. To advise you of current Bond market conditions, forthcoming Bond issues and other general information and economic data which might normally be expected to influence interest rates or bidding conditions so that the date for the sale of the Bonds can be set at a time which, in our opinion, will be favorable.

f. To compile from your official records for submission to and approval by your governing body an Official Statement or Prospectus, if required, containing official data and other information of the nature and to the extent ordinarily required in bidding on Bonds of this type, all of which we are to furnish in a sufficient number of copies to permit mailing to prospective bidders, a list of which we agree to provide.

g. To attend to and pay for the printing of the Bonds.

h. To pay the necessary expenses in obtaining the approving Opinion of the Attorney General of the State of Texas and the registration of the Bonds by the Comptroller of Public Accounts, and the delivery of the Bonds to the purchaser at a bank in Austin, Texas.

i. If the Bonds are eligible under Texas laws for purchase by the State Board of Education, to assist in the preparation and timely submission of an Application for Waiver to said Board.

3. We agree to direct and coordinate the entire program of financing herein contemplated and to assume and pay the expenses above enumerated. It is specifically understood and agreed, however, that this obligation on our part shall not cover payment of any local election expenses (except that we will furnish election supplies to the extent hereinabove provided; nor shall it cover the cost of publication of notices in newspapers, or other publication costs, or the expense of any litigation.

UNDERWOOD NEUHAUS & Co.

4. As consideration for the services rendered by us and as reimbursement for the expenses which we are to incur, it is understood and agreed that your County is to pay and we are to accept a cash fee to be computed as follows:

The minimum fee of the Municipal Advisory Council of Texas for fiscal services.

Such fee shall become due and payable simultaneously with delivery of the Bonds or Warrants to the purchaser.

5. In the event the Bond election contemplated by this Proposal should fail, then the fee due us shall be none.

6. It is further understood and agreed that we reserve the right to submit a bid for Bonds offered for sale.

7. This agreement shall be terminated on December 31, 1974.

8. This Proposal is submitted in duplicate originals. When accepted by you, it will constitute the entire agreement between your County and the undersigned for the purpose and considerations herein specified. Your acceptance will be indicated by the signature of your County Judge, attested by your County Clerk, on both copies and returning one executed copy to us.

Respectfully submitted,

WHEREAS, After making an investigation into the competency, experience and ability of Jack McCreary a licensed attorney under the laws of this State, whose post office address is Austin, Texas as to his fitness for said work, and after considering the same, are of the opinion that he is a proper party to take such steps as may be necessary to enforce or assist in the enforcement of the collection of such delinquent taxes by the preparation, filing and pushing to a speedy conclusion all suits for the collection thereof; and that he has no official connection with any county office within said county; and that he is not related within the second degree of affinity or within the third degree of consanguinity to any member of the Commissioners

Court, the Tax Collector, or County or District Attorney now holding office in said county.

NOW, THEREFORE, THIS CONTRACT, made and entered into by and between the County of Fort Bend, Texas, a body politic and corporate, acting herein, and by and through the Commissioners Court, joined by the Comptroller of Public Accounts of the State of Texas, hereinafter styled First Party, and Jack McCreary of the County of Travis, State of Texas, hereinafter styled Second Party:

W I T N E S S E T H

1.

First Party agrees to employ and does hereby employ Second Party to enforce by suit or otherwise, and to aid and assist the local officers in the enforcement of the collection of all delinquent State and county ad valorem taxes, penalty and interest, and all delinquent taxes, penalty and interest (except taxes of independent school districts and incorporated cities and towns) due any and all political subdivisions or defined districts of said county and State which the County Tax Collector receives and receipts for, under the provisions of Article 7254, Revised Statutes, 1925, and shown to be delinquent upon the delinquent tax records of said county from 1939 to the date of the termination of this contract as fixed in Section IX hereof (including such personal property or insolvent taxes as the Commissioners Court and Second Party mutually deem collectible.)

11.

Taxes which become delinquent during the term of this contract shall become subject to the terms of this contract on September 1st of the year in which the same shall become delinquent. And further, with reference to taxes not now delinquent, but which become delinquent during the term hereof, or taxes which may have fallen delinquent on February 1st or subsequent thereto next preceding the date of this contract, it is agreed that where suit is or has been brought on any property for prior years delinquent taxes, Second Party shall include in his action all taxes on the property involved, delinquent before trial, whether before or after September 1st of such year; and where the State and County or impleaded or intervene in a suit brought by another taxing unit, it shall be Second Party's duty to include in his answer or intervention all taxes

delinquent before trial on the property involved, whether such taxes fall delinquent before or after September 1st of such year; and in all such cases Second Party shall be entitled to the commission herein provided for collecting delinquent taxes.

III.

Second Party is to call to the attention of the County Tax Collector or other officials any errors, double assessments, or other discrepancies coming under his observation during the progress of the work, and all charges on the tax rolls that show from 1939 to the date of the termination of this contract to be delinquent, which are caused through error, conflicts, double renditions, illegal assessments, etc. A cancellation certificate shall be prepared on forms furnished by the State Comptroller of Public Accounts, Austin, Texas, showing how such errors came about, and which shall be sufficiently full and complete as to justify the Commissioners Court in ordering a cancellation certificate issued, and that will meet with the approval of the Comptroller of Public Accounts, Austin, Texas.

IV.

Second Party hereby agrees and obligates himself to communicate with each and every person, firm, association or corporation owing any of such taxes, with a view of collecting same; and shall, before filing suits for the recovery of delinquent taxes for any year or years prepare, in triplicate, delinquent tax notices, and shall mail one of such notices to the owner or owners of said property at their last known address, covering all delinquent taxes shown to be due on the tax rolls of said county, as provided for in Article 7324, Revised Civil Statutes, 1925, as amended by Chapter 117, page 196, Acts of the 42nd Legislature, Regular Session, and file one copy of such notice with the Tax Assessor-Collector. In the event that the taxes, together with penalty and interest, are not paid within thirty (30) days from the date such statements and notices are mailed, then Second Party shall prepare, file and institute, as soon as practical thereafter, a suit for the collection of said taxes, penalty and interest, which suit shall include all past due taxes for all previous years on such tract or tracts; and where there are several lots in the same addition or subdivision delinquent, belonging to the same owner or owners, all said delinquent lots shall be made the subject of a single suit, and which suit shall be prosecuted with dispatch to final judgment and sale unless said taxes are sooner collected.

V.

Second Party, where it is necessary to prepare and file suits for the enforced collection of delinquent taxes on real property, shall make and furnish an abstract of the property which shall show the amount of delinquent taxes due against each and every tract, lot or parcel of land, and shall show the number of acres so delinquent and a correct description of the property, the year delinquent, how it was charged upon the tax rolls, the correct name of owner or owners of the property at the time it became delinquent, the person from whom and the date that he or they derived title to said property, the Volume and page of public records that his or their deed or other title evidence is of record, and the date that each subsequent change of ownership occured down to the present ownership. It shall further show the name of any and all outstanding lien holders and lease-hold interests of record, and all other information necessary for the proper preparation and filing of suit or suits for the collection of delinquent taxes. Second Party shall perform these services at his own cost and expense. And in case such abstract is not placed with the papers in a court proceeding, it shall be filed with the Tax Collector for the purpose of maintaining its preservation until such time as all of the taxes to which it pertains, or such part thereof as are held to be due, are paid.

VI.

Second Party shall prepare, or aid and assist the County or District Attorney in preparing, all petitions, citations, notices by publication, personal service citations, notices by posting, judgments, notices of sale, orders of sale and any and all other things necessary or required to be done for the collection of all delinquent taxes, and shall render all necessary and proper assistance to each of the other officers to the end that all taxes assessed or unknown and unrendered now delinquent, or that may become delinquent during the life of this contract and be so reported on Comptroller's forms provided therefor, may be collected; and when collections are not made, to assist in reducing same to final judgment and sale.

VII.

It is further agreed and understood that Second Party shall furnish, at his own expense, all stationery, legal blanks or forms, stamps, envelopes and

printing, together with all labor necessary to complete said contract including labor and expense incurred in procuring date and information as to the name, identity and location of necessary parties, and in procuring necessary legal descriptions of the property as provided in Paragraph V, and the expenses incurred in citing the defendants by publication in all cases where such expenses are not collected as costs against the defendant or defendants in the tax suit, but in no event shall such cost be paid to Second Party; and Second Party shall pay off and discharge any and all bills for any other expenses incurred in the prosecution of said work, and it is hereby understood and agreed that said First Party shall not be responsible for the payment of such expense or any part thereof.

VIII.

First Party agrees to pay to Second Party as compensation for the services hereunder required 15 per cent (Not to exceed fifteen (15) per cent) of the amount collected of all delinquent taxes, penalty and interest of the years covered hereby, actually collected and paid to the Collector of Taxes during the term of his contract, which Second Party is instrumental in collecting as evidenced by copies of communication, tax notices or abstracts filed with the Tax Collector prior to the payment of such tax, including collection of taxes on property not appearing on the assessment rolls nor shown delinquent, but which would have been so shown had it been properly assessed, discovered by said Second Party, as and when collected, following the end of each month within the period of this contract, accordingly as the Collector makes up his monthly reports. The per cent of compensation here referred to shall be contingent upon the collection of such taxes as by Act of the Legislature are required to be collected. Should any remission of penalty and interest on taxes appearing on the delinquent records be made by legislative enactment effective during the period of this contract, the same shall not be collected nor commission allowed thereon. Also, ad valorem taxes, delinquent, levied against State-owned property for county and district purposes, the payment of which is to be taken care of by legislative appropriation provided for by Statute, are excluded from the provisions of this contract. Second Party shall not receive or collect any taxes, penalty or interest under this contract, but the same shall be paid to the Tax Assessor-Collector as other delinquent taxes.

IX.

This contract shall be in force from February 15 19 71, to December 31 19 72, both dates inclusive, (not to extend beyond December 31, 19 72, the end of the present administration of the Commissioner's Court), and at the expiration of said period this contract shall terminate, except the contractor shall be allowed six (6) months in which to prosecute to trial court judgment suits filed prior to December 31, 19 72, terminating date of this contract provided, and shall handle to conclusion all suits in which trial court judgments are obtained during the period of this contract and which are appealed by any party. The Commissioners Court and the State Comptroller shall have the right to sooner terminate this contract for cause, giving thirty (30) days written notice of such intention, with a statement of the cause or reasons for such termination, after giving Second Party a reasonable opportunity of explaining or rectifying the same. In case of such termination, Second Party shall be entitled to receive and retain all compensation due up to the date of said termination.

X.

Before any commissions are paid out under the terms of this contract, Second Party shall furnish a good and sufficient bond, payable to the County Judge and to his successors in office, in the sum of 1,000.00 Dollars, (not to be less then $1,000.00 accordingly as the Commissioners Court deems just and proper) to be executed by a solvent surety company; or if executed by private parties, the bond shall be signed by at least three good and sufficient sureties owning unincumbered real estate subject to execution, of value equal to the amount of bond and conditioned upon the specific performance of the terms hereof, including the making of reports, provided for in Section XI of this contract, and further conditioned that he shall forthwith pay over to the Tax-Collector, or other persons justly entitled thereto, any money or commissions paid him by mistake, through error, or otherwise. Said bond shall be approved in open Commissioners Court, signed by the Couty Judge, filed and recorded in the County Clerk's office, and a certified copy of same furnished to the State Comptroller.

XI.

At the end of each month, or as soon thereafter as the Tax Assessor-Collector shall have made up his report showing collections made for such month, said Second Party shall have access to said report and shall by comparison of the same with his own files or records of service, copies of which he has filed with the Tax Assessor-Collector, make up in triplicate a report of collections out of which he is entitled to commission under the terms of this contract. Second Party shall also have access to the Collector's receipts for such collections and shall, in his reports to be made on forms furnished by the Comptroller, show each year and the taxes collected therefor on a separate line. Also, where collections are made after suit has been filed and commission allowed at a greater or different rate under the terms of this contract Second Party, being guided by the file docket of the Clerk of the Court, shall prepare and attach to his reports to be filed with the Tax Assessor-Collector a list showing number of suit and date filed; but in no event shall Second Party receive compensation in excess of fifteen (15) per cent as herein provided. After the report has been signed and sworn to by Second Party, two copies of the same shall be delivered to the Tax Assessor-Collector, one to be attached to and sent with the Collector's montly report to the Comptroller, the other to be filed in the Collector's office, and the third copy to be retained by Second Party.

XII.

Each month, after having received copies of the contractor's report as provided for in the preceding Section, and after having checked the list of taxes shown therein with his own report and with copies of communications filed with him, as provided for in Section XIII of this contract, and after having verified the correctness of commissions claimed, the County Tax Assessor-Collector is hereby authorized, ordered and directed to deduct the above specified per cent of said taxes, penalty and interest, or such amount as can be allowed under the penalty and interest restriction, to which Second Party is entitled, and to pay the same to him unless otherwise herein directed, and to take his receipt as provided for on Form 107, Contractor's Report, which when received in the Comptroller's office will be the Comptroller's authority to allow the said Tax Assessor-Collector credit for the amount so paid. The Tax Assessor-Collector,

before complying with the provisions of this Section, shall first satisfy himself that the bond required of Second Party under the provisions of Section 10 of this contract has been approved and placed on record in the office of the County Clerk; and it is hereby further provided, that should any question arise regarding commission claimed, the Tax Assessor-Collector shall withhold the payment of such commission or an amount equal thereto, placing the same in escrow, and apply to the State and county, accordingly as they may be affected, for information and direction as to the proper amount of commission due to be allowed under the terms of this contract.

NOTE:

Should the Commissioners Court and the contracting party elect that the commissions withheld be placed in an escrow fund and paid to the Second Party otherwise than as provided in Section XII of this contract, another Section setting forth the method of payment to the contracting party should be added to and inserted in this contract preceding the last page prepared for the signatures of the contracting parties.

XIII.

In order that the Tax Assessor-Collector may be able to verify and attest the correctness of commissions claimed by Second Party, as evidence of service and to entitle him to the commissions provided for in this contract, Second Party shall file with the Tax Assessor-Collector prior to time of payment, copies of such communications, tax notices or abstracts which shall be preserved by the Tax Assessor-Collector in some systematical order as will make them easily accessible for the purpose of verification or for such other value as the same may have in case it becomes necessary for the county and State to buy in such properties at tax sales. Said copy or copies shall also contain such information or reference as will enable the Tax Assessor-Collector to readily locate the tax as it appears on his delinquent forms and delinquent records.

XIV.

It is further agreed and understood that this contract is for personal services and is not transferable or assignable without the written consent and approval of First Party. It is also agreed that the Commissioners Court of said county shall furnish suitable space in or near the courthouse, as convenient to the records of said county as may be, for the purpose of carrying out the obligations of this contract by Second Party, all of which shall be performed by him in Fort Bend County, Texas.

II. (a)

Section II is herein amended where it provides that taxes which are not now delinquent, but which shall become delinquent during the term of this contract shall come under the terms thereof on July 1 of the year in which they shall become delinquent and shall be included in suits to be filed or already filed, whether before or after such date.

V. (a)

Section V is herein amended to provide where it is necessary to file suit for the enforced collection of delinquent taxes on real property, Second Party shall have the authority to procure the necessary data and information as to the name, identity and location of necessary parties and in the procuring of necessary legal descriptions of the property and may sue for the recovery of the actual costs of this information as court costs, as authorized by Article 7345b, Section 6, Vernon's Annotated Civil Statutes. It is agreed and understood that First Party will not be liable for any of the above mentioned costs.

XV.

It shall be the duty of the Commissioners Court and of all other officials of said county to cooperate with and render such reasonable assistance to said Second Party as the circumstances may require. Said assistance, however, is not to include the actual performance of the work herein designated to be performed by Second Party; and it being the duty of the County Attorney or of the District Attorney (where there is no County Attorney) to actively assist Second Party in the filing and pushing to a speedy conclusion all suits for the collection of delinquent taxes, it is hereby provided that where the County Attorney or District Attorney (where there is no County Attorney) shall fail or refuse to file and prosecute such suits in good faith, the Attorney prosecuting suits under this contract is here fully empowered and authorized to proceed with such suits without the joinder and assistance of said Courty or District Attorney. Second Party shall not become the purchaser of any property at tax sales under this contract, but may bid in the property for the State or county at such sales.

Revised - 1952.

IN CONSIDERATION of the terms and compensation herein stated, the Second Party hereby accepts said employment and undertakes the performance of said contract as above written.

WITNESS the signatures of all parties hereto in triplicate originals, this the 15th day of February, A.D. 1971, Richmond, Fort Bend County, State of Texas.

Dear Sir:

Reference is made to your letter of March 8, whereby you requested information about the land in question adjacent to the Brazos River and land owned by Lane Aviation, Inc. on F.M. Highway 723.

In checking our files and records, it has been determined that in July, 1948, 0.684 acres of land were purchased from Mr. S. M. Rineer, the easement for which was recorded in Vol. 258, Page 411, Deed Records. On November 17, 1958, a Release of Easement was given to Mr. Rineer by the State covering 0.601 acres of the original 0.684 acres which is crosshatched on the sketch you furnished us. This instrument was recorded in Vol. 385, Page 539, Deed Records. That portion indicated in red on the sketch was never purchased by the State. The State; therefore, holds no record title to it and, consequently, if there is any title to it in some name other than Mr. Rineer, then, of necessity, this title would be in Fort Bend County.

We; therefore, suggest that you contact Fort Bend County in regard to this section of land since the State of Texas has returned to the original grantor all of that which we were able to return and the State has no further interest or title into any land in this area which could be returned to Lane Aviation, Inc.

If we can be of any further assistance, please advise.

Sincerely,

William A. Clark
Supervising Resident Engineer

RE: APPLICATION FOR DISCONTINUING AND CLOSING OF A PORTION OF MCKINNON ROAD, NOTICE, AND ORDER CLOSING ROAD:

PETITION FOR DISCONTINUING AND CLOSING OF A PORTION OF McKINNON ROAD

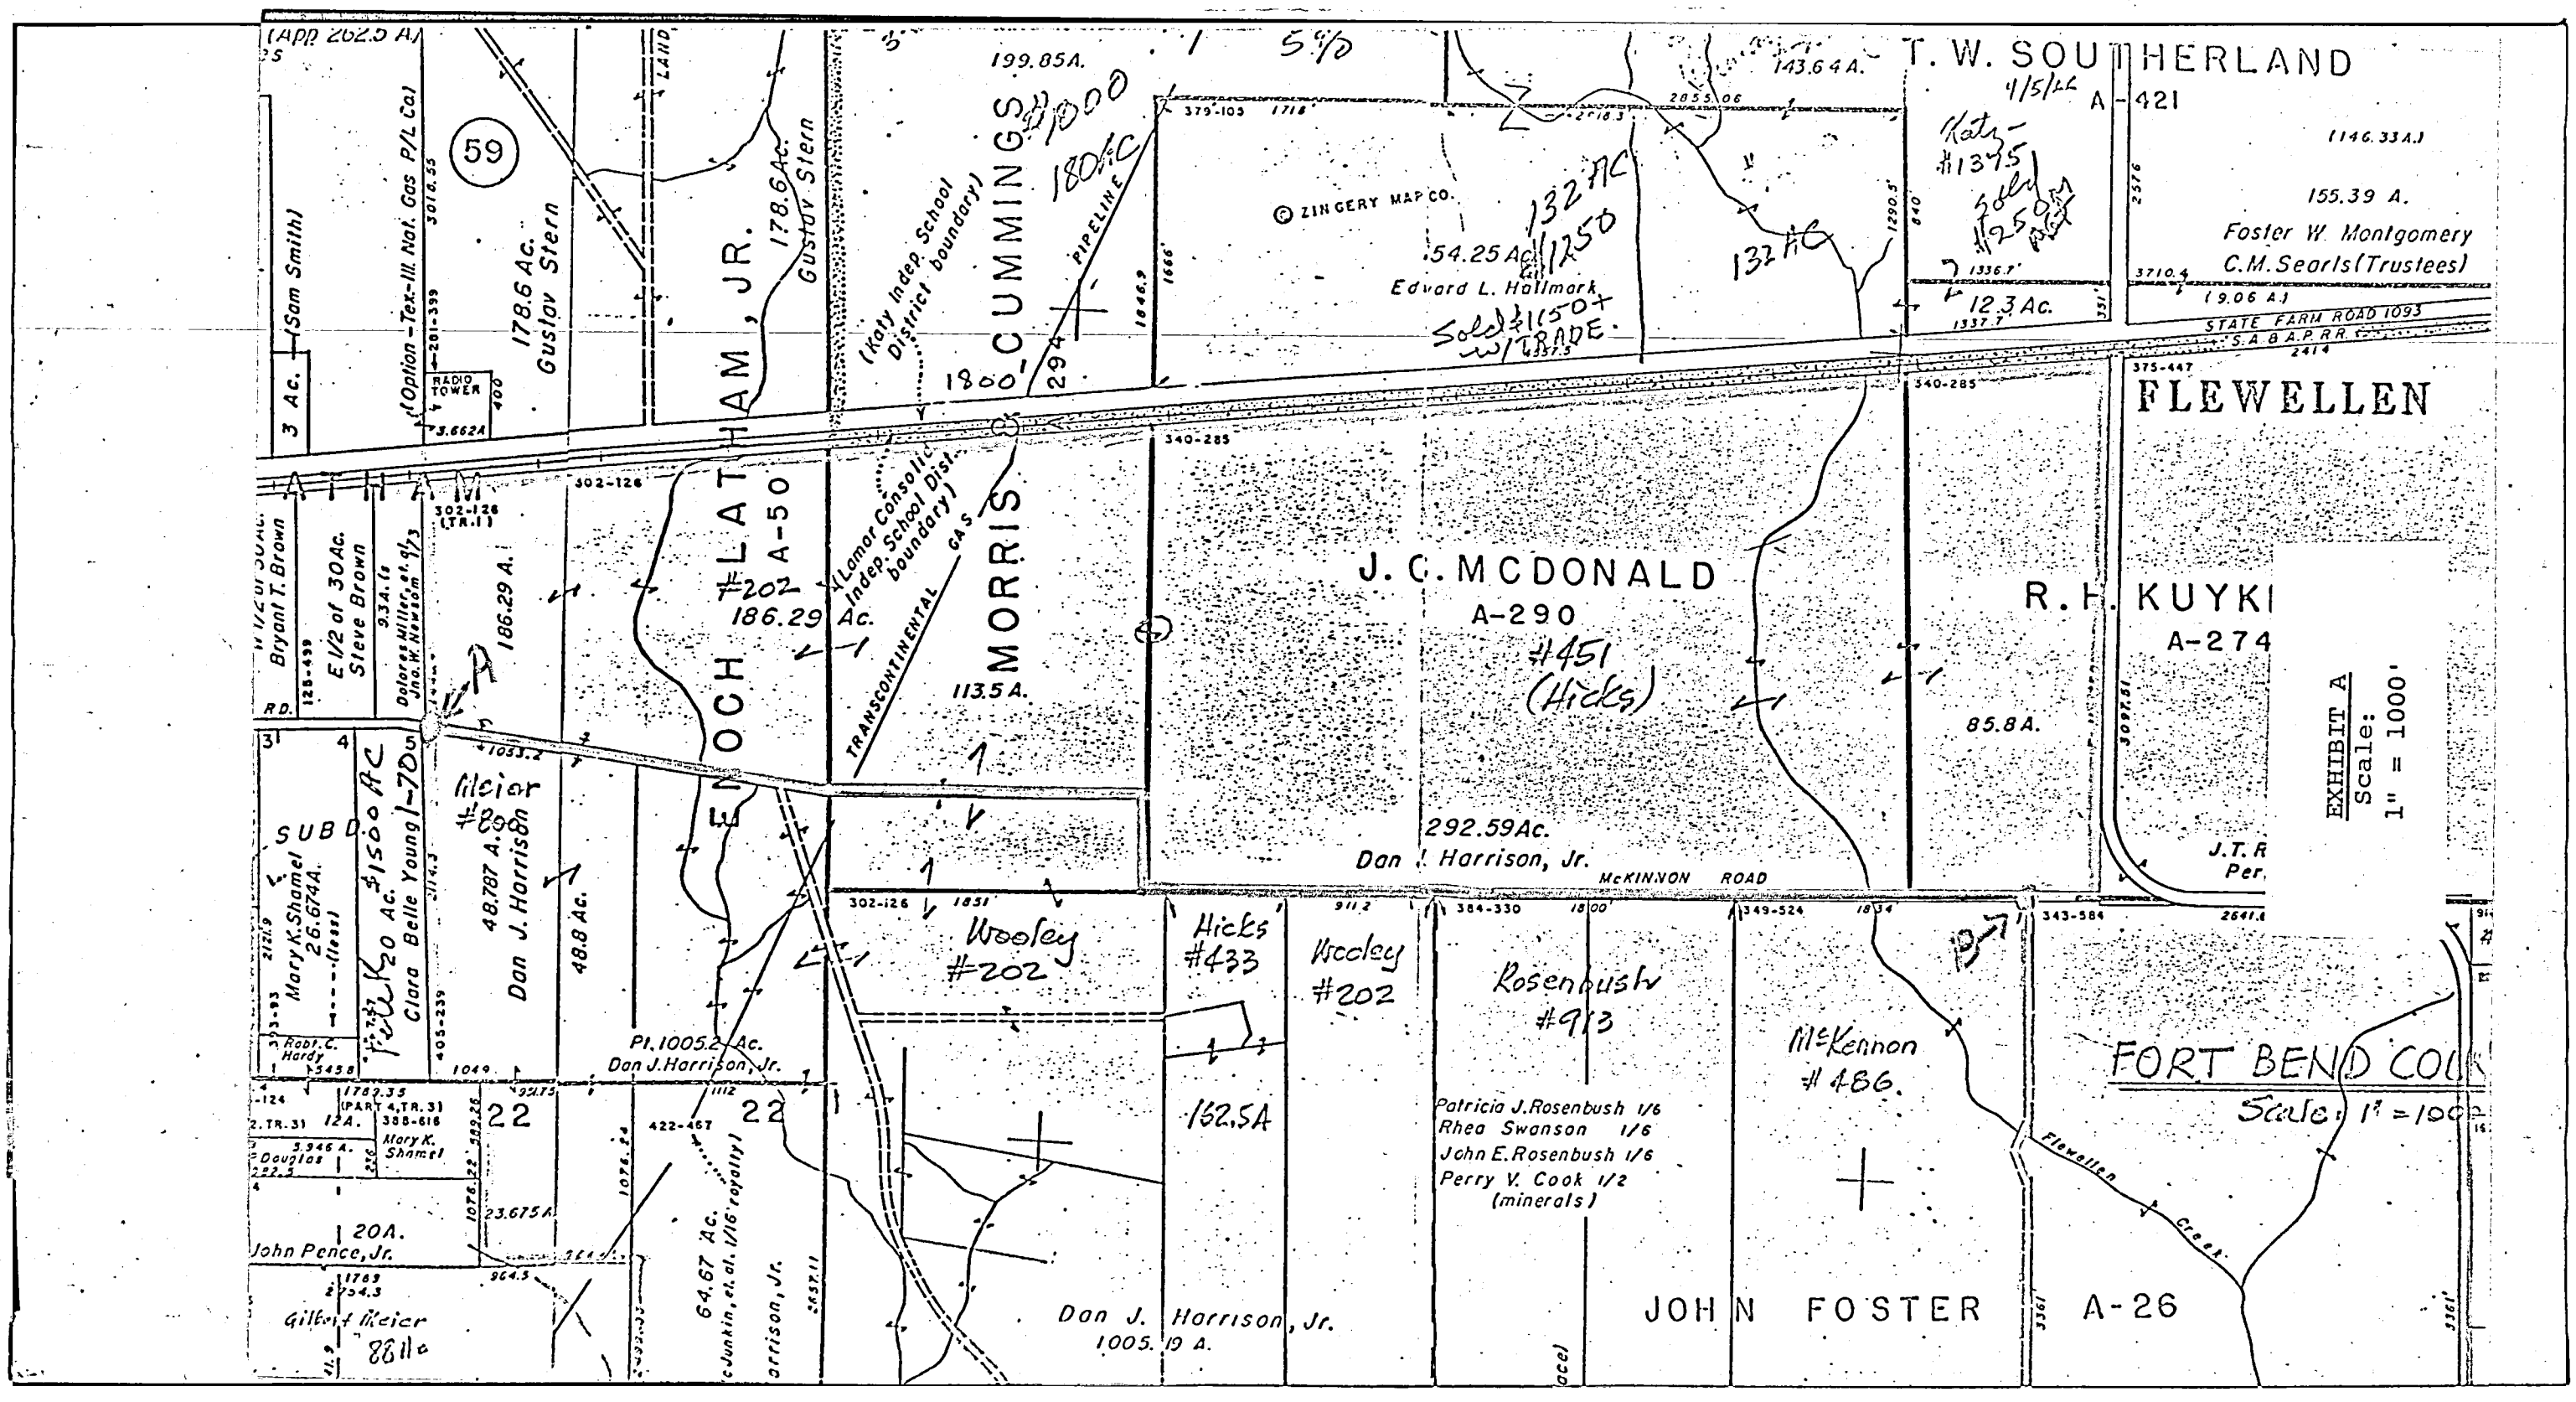

TO THE HONORABLE COMMISSIONERS COURT
OF FT. BEND COUNTY, TEXAS:

The undersigned (freeholders of Precinct No. 4 in Ft. Bend County, Texas, herein called "Applicants") hereby petition the Court to discontinue and close that portion of McKinnon Road in Precinct No. 4 in Ft. Bend County, Texas, shown in red on the plat attached to this petition as Exhibit "A" hereof, being that portion of McKinnon Road running from Point A on the plat to Point B on the plat, Point A being located at the point of intersection of said road with the West line of a tract of 48.787 acres, more or less, out of the Enoch Latham, Jr. Survey, Abstract 50, Ft. Bend County, Texas, described as Tract 2 in deed recorded in Volume 405, Page 239, Deed Records of Ft. Bend County, Texas, and Point B being located at the point of intersection of said road with the Northeast corner of a tract of 339.60 acres, more or less, out of the John Foster Survey, Abstract 26, Ft. Bend County, Texas, described in deed recorded in Volume 349, Page 524, Deed Records of Ft. Bend County, Texas.

In connection with this petition, Applicants would show to the Court that on June 23, 1971, Applicants caused a notice (a true and correct copy of which is attached hereto as Exhibit "B") to be posted up at the Courthouse door of Ft. Bend County, Texas, and at two other public places in the vicinity of the route of the aforesaid road; that Dan J. Harrison, Jr., one of the Applicants, is the owner of the land outlined in yellow on Exhibit "A", which constitutes all of the land on both sides of that portion of McKinnon Road which Applicants seek to have discontinued and closed; that public roads, built after McKinnon Road was built, presently exist which connect the parts of McKinnon Road which Applicants do not seek to have discontinued; that the discontinuing and closing of the above described portion of McKinnon Road will not deprive any party of ingress to or egress from their lands located West of Point A and East of Point B; and that the portion of McKinnon Road proposed to be discontinued and closed is not being used by the public, as there are other and better roads available in the vicinity which are used by the public generally and by landowners located East of Point B and West of Point A, with the result that the existence of the above described portion of McKinnon Road and the obligation of the County to maintain same is a burden upon the County and the taxpayers therein and, therefore, the public interest will be served by discontinuing and closing the aforesaid portion of McKinnon Road.

Respectfully submitted,

Dan J. Harrison, Jr.

DAN J. HARRISON, ET AL, APPLICANTS

EXHIBIT "B"

There came on to be heard the Petition of Dan J. Harrison, Jr., et al, for the discontinuance and closing of a portion of McKinnon Road in Precinct No. 4 and the Court considered such Petition and heard all evidence offered in connection therewith. Thereupon, upon motion made by Commissioner Ed.H.Helwig and seconded by Commissioner J.M.Davis, the following resolutions and orders were unanimously [redacted] adopted and entered on July 19, 1971:

BE IT RESOLVED, ORDERED and FOUND that the Petition of Dan J. Harrison, Jr., et al, to discontinue and close a portion of McKinnon Road in Precinct No. 4 in Ft. Bend County, Texas, was signed by at least eight freeholders in Precinct No. 4; that the Petition specified the beginning and termination of such portion of the road; that on June 23, 1971, Applicants gave written advertisement of their intended application by posting up a due and proper notice at the Courthouse door of Ft. Bend County, Texas, and at two other public places in the vicinity of the route of McKinnon Road; that the Court has made a full investigation of the proposed closing and finds that the public interest will be better served by making the change; that since the portion of the McKinnon Road to be closed was built, a new road has been built which connects the parts of McKinnon Road not being discontinued; that only a part of McKinnon

Road is being discontinued; that Applicant Dan J. Harrison, Jr., owns all of the land located on both sides of that portion of McKinnon Road which Applicants seek to have discontinued and closed and that the discontinuance and closing will not deprive any parties of ingress to or egress from their lands located West and East of the portion of McKinnon Road being discontinued and closed; that the portion of McKinnon Road being discontinued and closed is not generally used by the public, as there are other and better roads available in the vicinity which are used by the public generally; that the maintenance of the portion of the road to be discontinued and closed constitutes an unnecessary burden upon the County and its taxpayers; and that the public interest will be served by discontinuing and closing a portion of McKinnon Road; and

BE IT FURTHER RESOLVED and ORDERED that there be and there is hereby discontinued, closed and abandoned all that portion of McKinnon Road in Precinct No. 4 in Ft. Bend County, Texas, described in deed recorded in Volume 349, Page 524, Deed Records of Ft. RE: MINUTE ORDER OF THE COMMISSIONER'S COURT OF FORT BEND COUNTY : IN REFERENCE TO PORTION OF U. S. HIGHWAY 59

MINUTE ORDER OF THE COMMISSIONER'S
COURT OF FORT BEND COUNTY

Moved by Commissioner Johnnie Pustka,
seconded by Commissioner Ed.H.Helwig, duly put and carried unanimously, it is ordered that the following Order be entered in the Minutes of the Commissioner's Court:

ORDER DIRECTING THAT THE COUNTY JUDGE AND COMMISSIONER'S COURT IN BEHALF OF FORT BEND COUNTY URGE AND RECOMMEND TO THE STATE HIGHWAY COMMISSION THAT THE PORTION OF U.S. HIGHWAY 59 BETWEEN FM 2218 AND STATE HIGHWAY 36 BE CONSTRUCTED WITH FRONTAGE ROADS AND AN INTERCHANGE AT LOUISE ROAD IN ACCORDANCE WITH A DESIGN PREPARED FOR AN SUBMITTED TO THE COURT ENTITLED "PROPOSED GRADE SEPARATION OF LOUISE ROAD" BEND COUNTY, TEXAS, DATED JUNE, 1971."

THE STATE OF TEXAS §
§
COUNTY OF FORT BEND §

WHEREAS, the County of Fort Bend has participated with the State Highway Department in acquiring right-of-way for U.S. Highway 59 from the east line to the west line of Fort Bend County, including the right-of-way between FM 2218 and State Highway 36;

WHEREAS, the County Judge and the Commissioner's Court are convinced that the construction plans of the State Highway Department for that portion of such highway are inadequate to serve the present and future needs of the City of Richmond, the City of Rosenberg and the rural areas of Fort Bend County and will, in the immediate future, require acquisition of additional right-of-way and construction of new facilities which will be unduly expensive to the County of Fort Bend and the State of Texas;

WHEREAS, the County Judge and Commissioner's have acquired the right-of-way for Louise Road extending such road from within the City of Rosenberg southerly to a point south of U.S. Highway 59 and will acquire, at no expense to the State Highway Department, the additional right-of-way needed for frontage roads on U.S. Highway 59 between FM Road 2218 and U.S. Highway 36;

WHEREAS, such frontage roads and an interchange at Louise Road are necessary now to provide proper traffic circulation in the County and proper access to and from the City of Rosenberg;

WHEREAS, the population of Fort Bend County has increased from 40,527 in 1960 to ~~41,410~~ 52,314 in 1970 and the population will continue to increase at a greater rate, and the increased population will make construction of such frontage roads and interchange imperative;

WHEREAS, the Master Plan of the City of Rosenberg and the plan for major throughfares of all planning agencies in this area have been shown Louise Road as a major throughfare and contemplate an interchange at it's intersection with U.S. Highway 59, and the Planning Commission and the City Council of the City of Rosenberg have unequivocally recommended the construction of such frontage roads and intersection interchange; and

WHEREAS, at the request of the County Judge and the Commissioner's Court, consulting engineers and traffic planners have prepared and submitted to the Court a plan for U.S. Highway 59 between FM 2218 and State Highway, such plan being entitled "Proposed Grade Separation For Louise Road, Fort Bend County, Texas" and dated June 1971; and

WHEREAS, the Court finds that this plan of construction is essential to the growth and expansion of the City of Rosenberg, the City of Richmond, and the County of Fort Bend and access to and from these areas and points in the County of Harris County and other adjoining Counties;

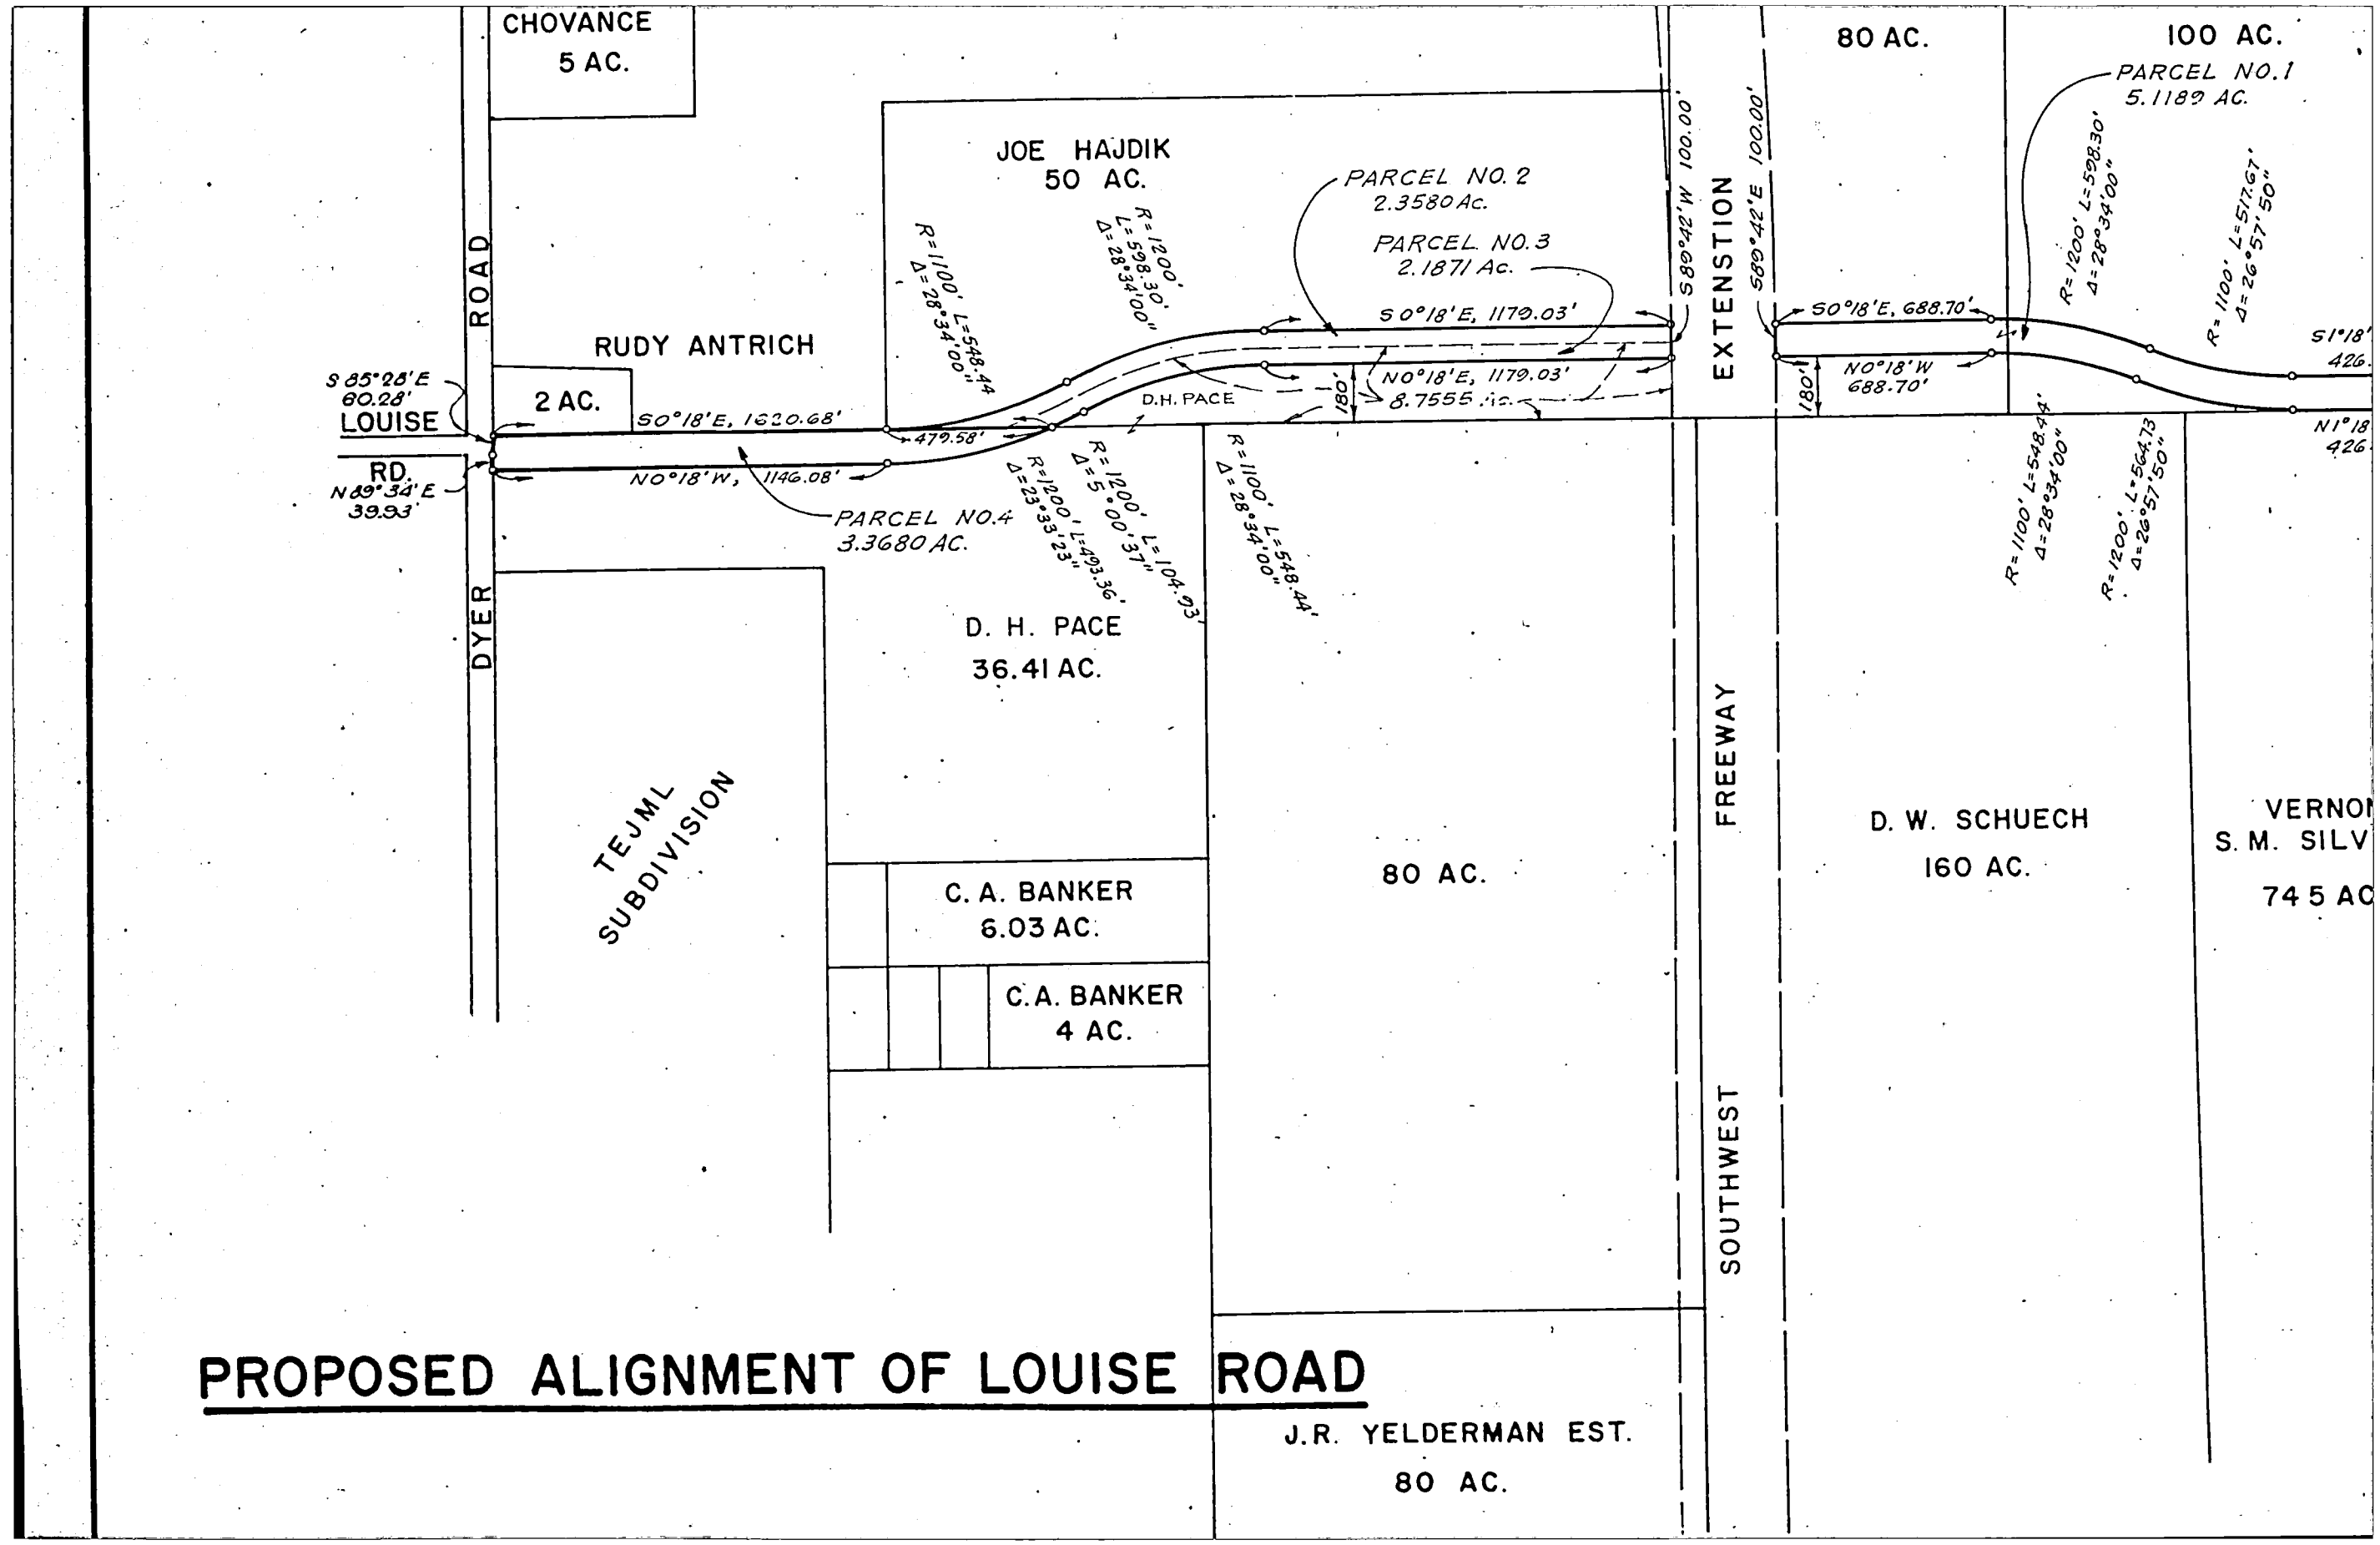

NOW, THEREFORE, IT IS ORDERED, ADJUDGED AND DECREED by this Court:

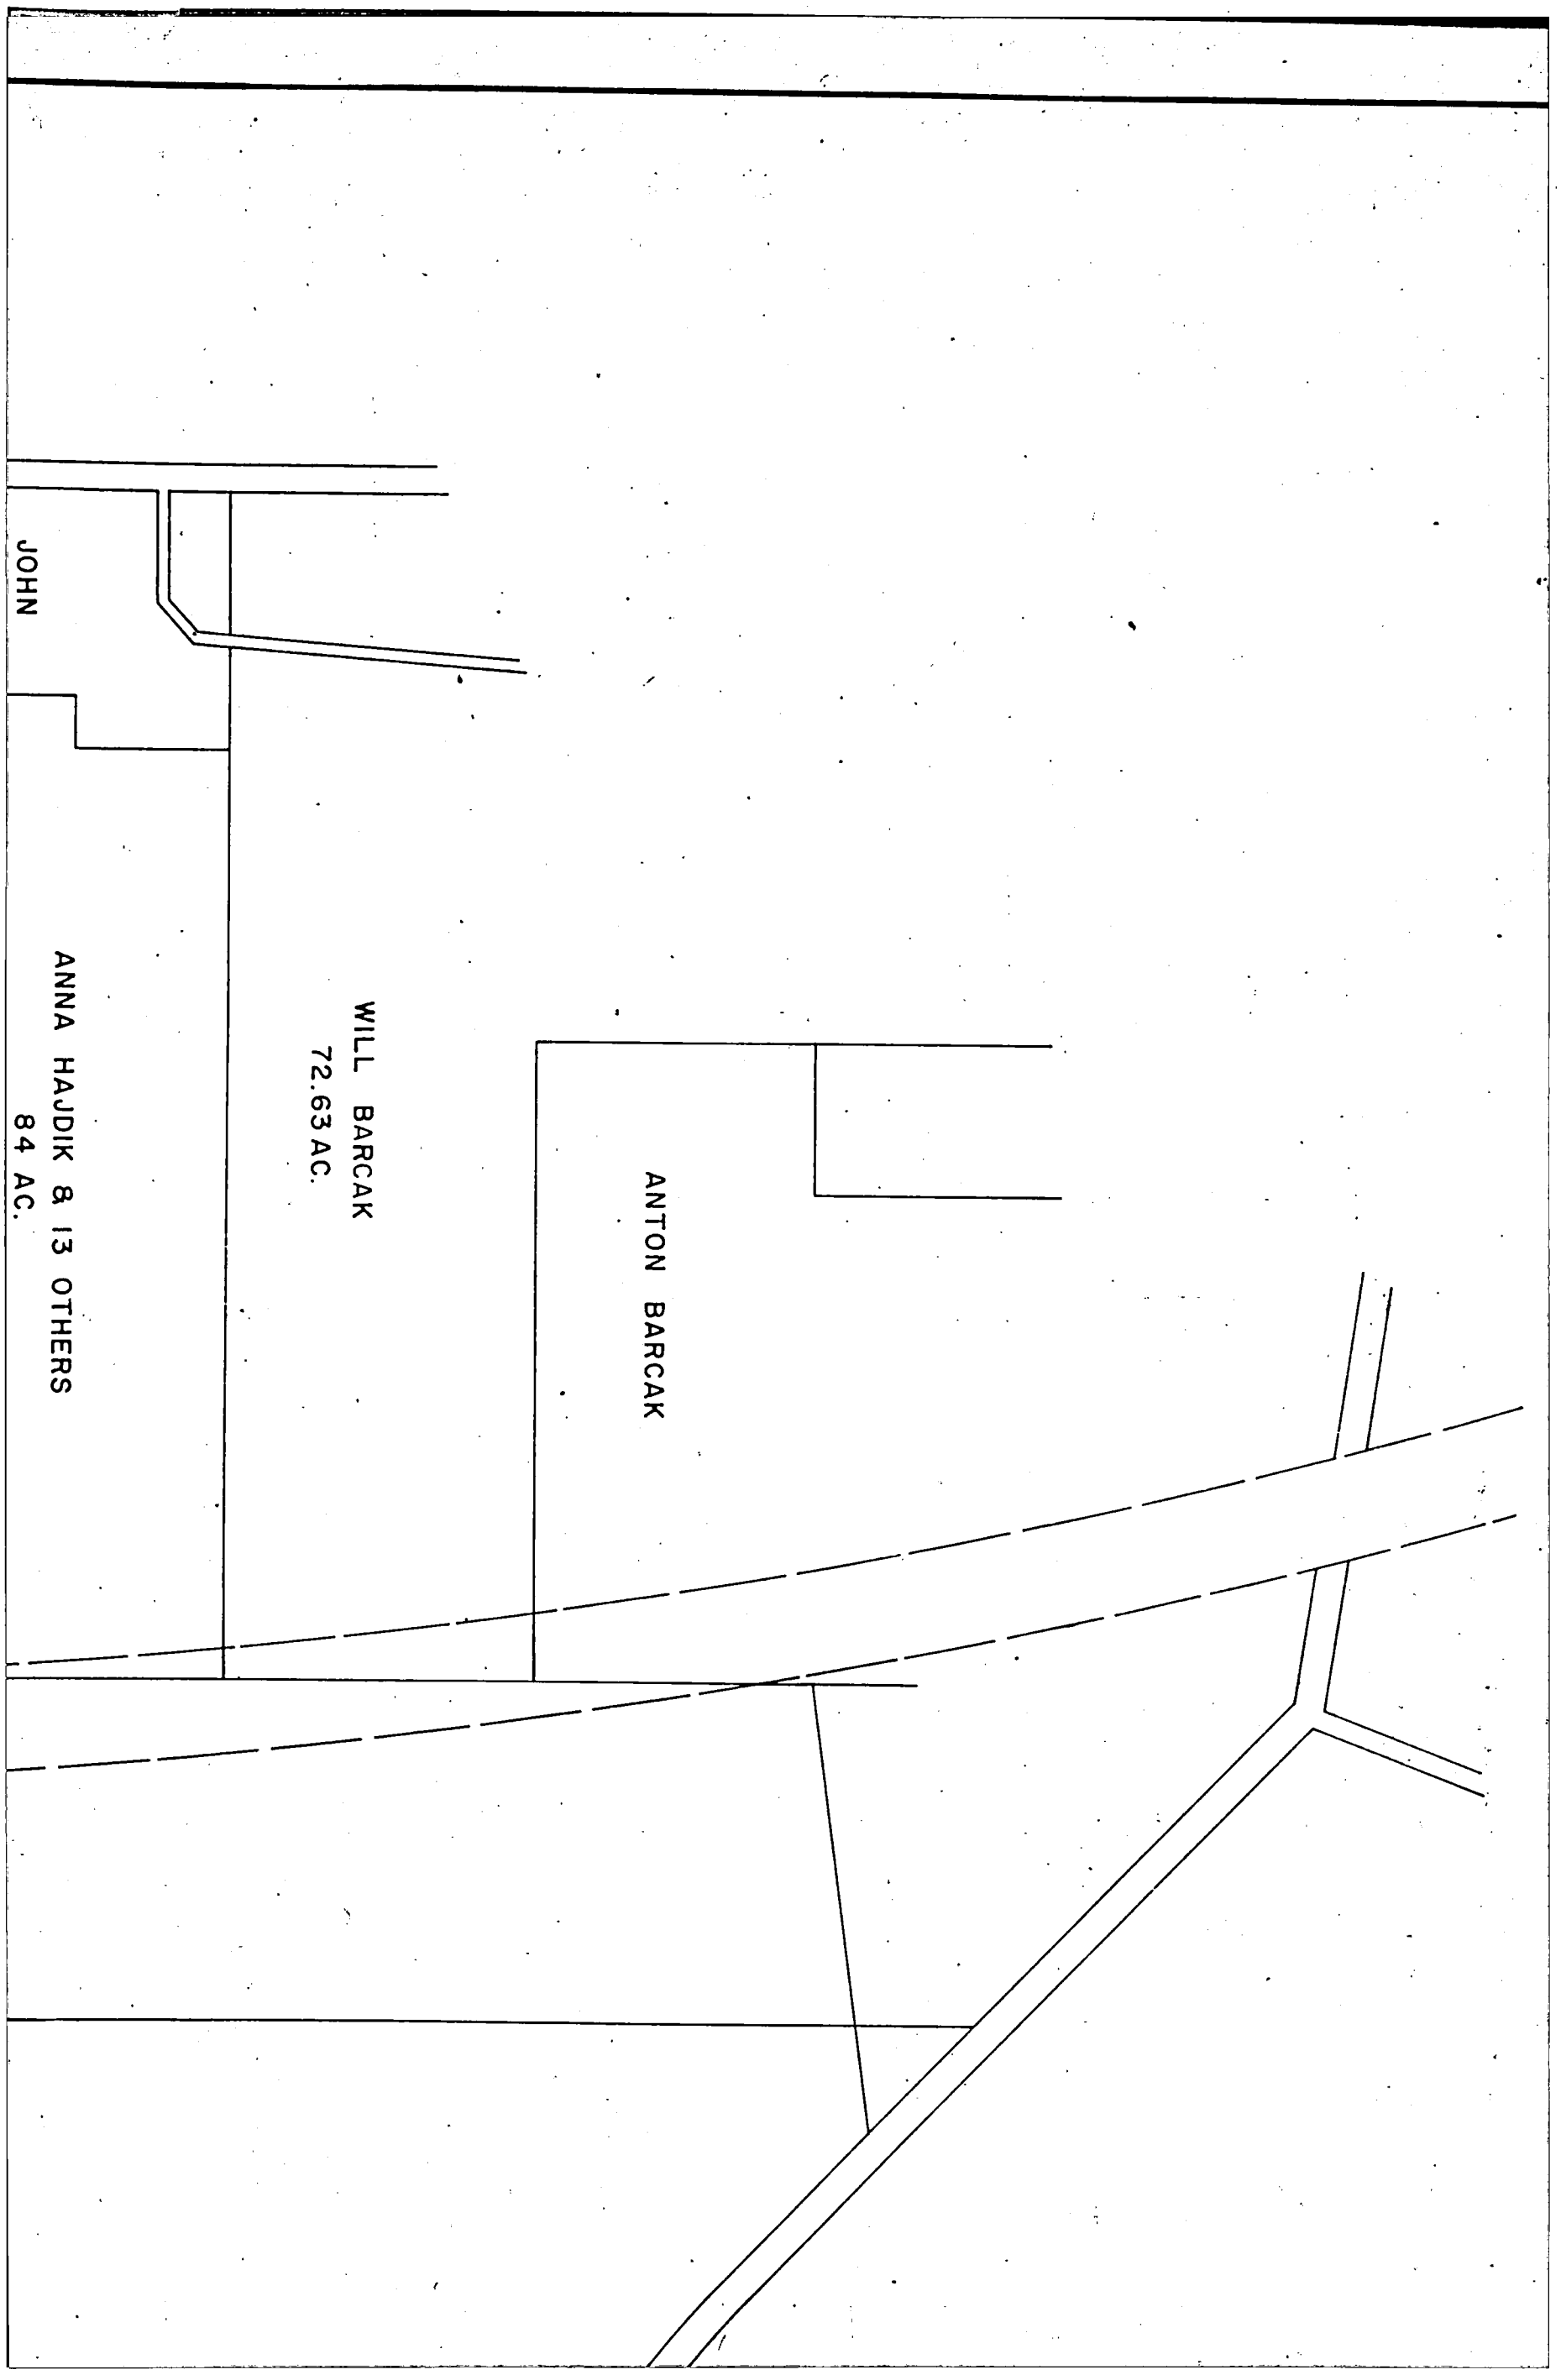

(1) That, in accordance with the foregoing findings of fact, the public interest and necessity require the construction of frontage roads and an interchange at Louise Road on U.S. Highway 59 between FM 2218 and the State Highway 36;

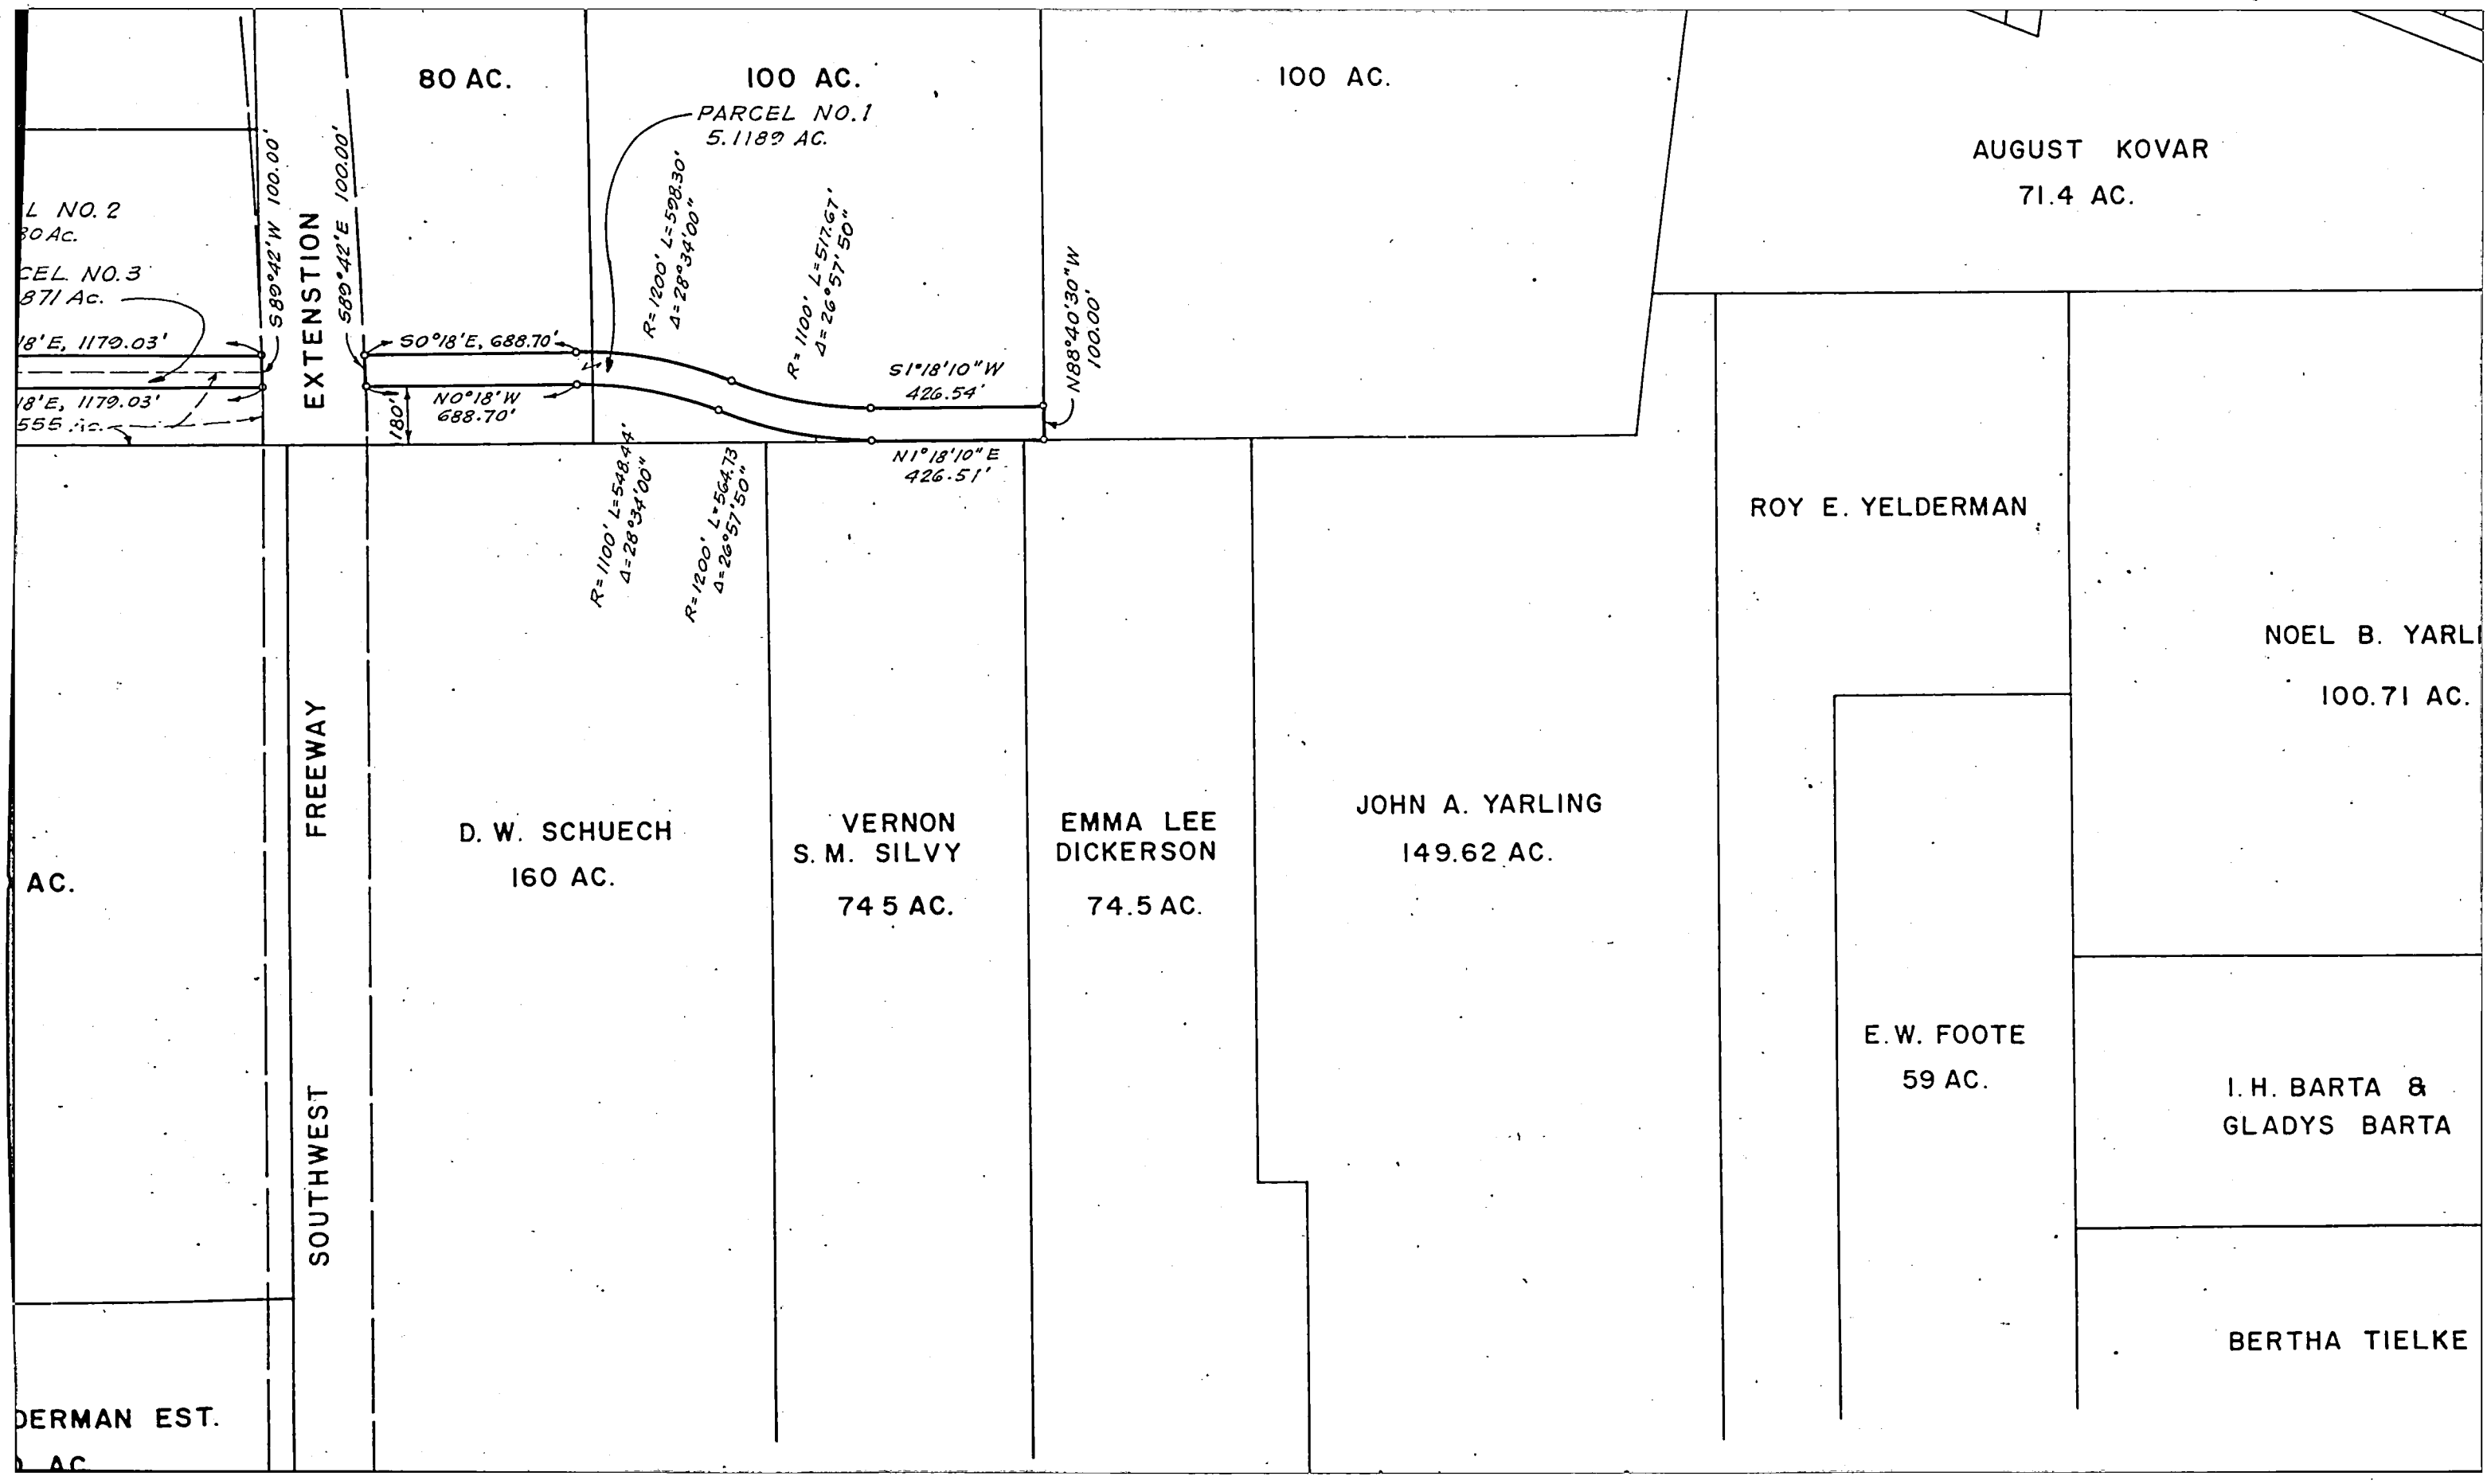

(2) That the County Judge and Commissioners petition the State Highway Commission to construct this portion of U.S. Highway 59 in accordance the plan labeled "Proposed Grade Separation for Louise Road, Fort Bend County, Texas," dated June 1971;

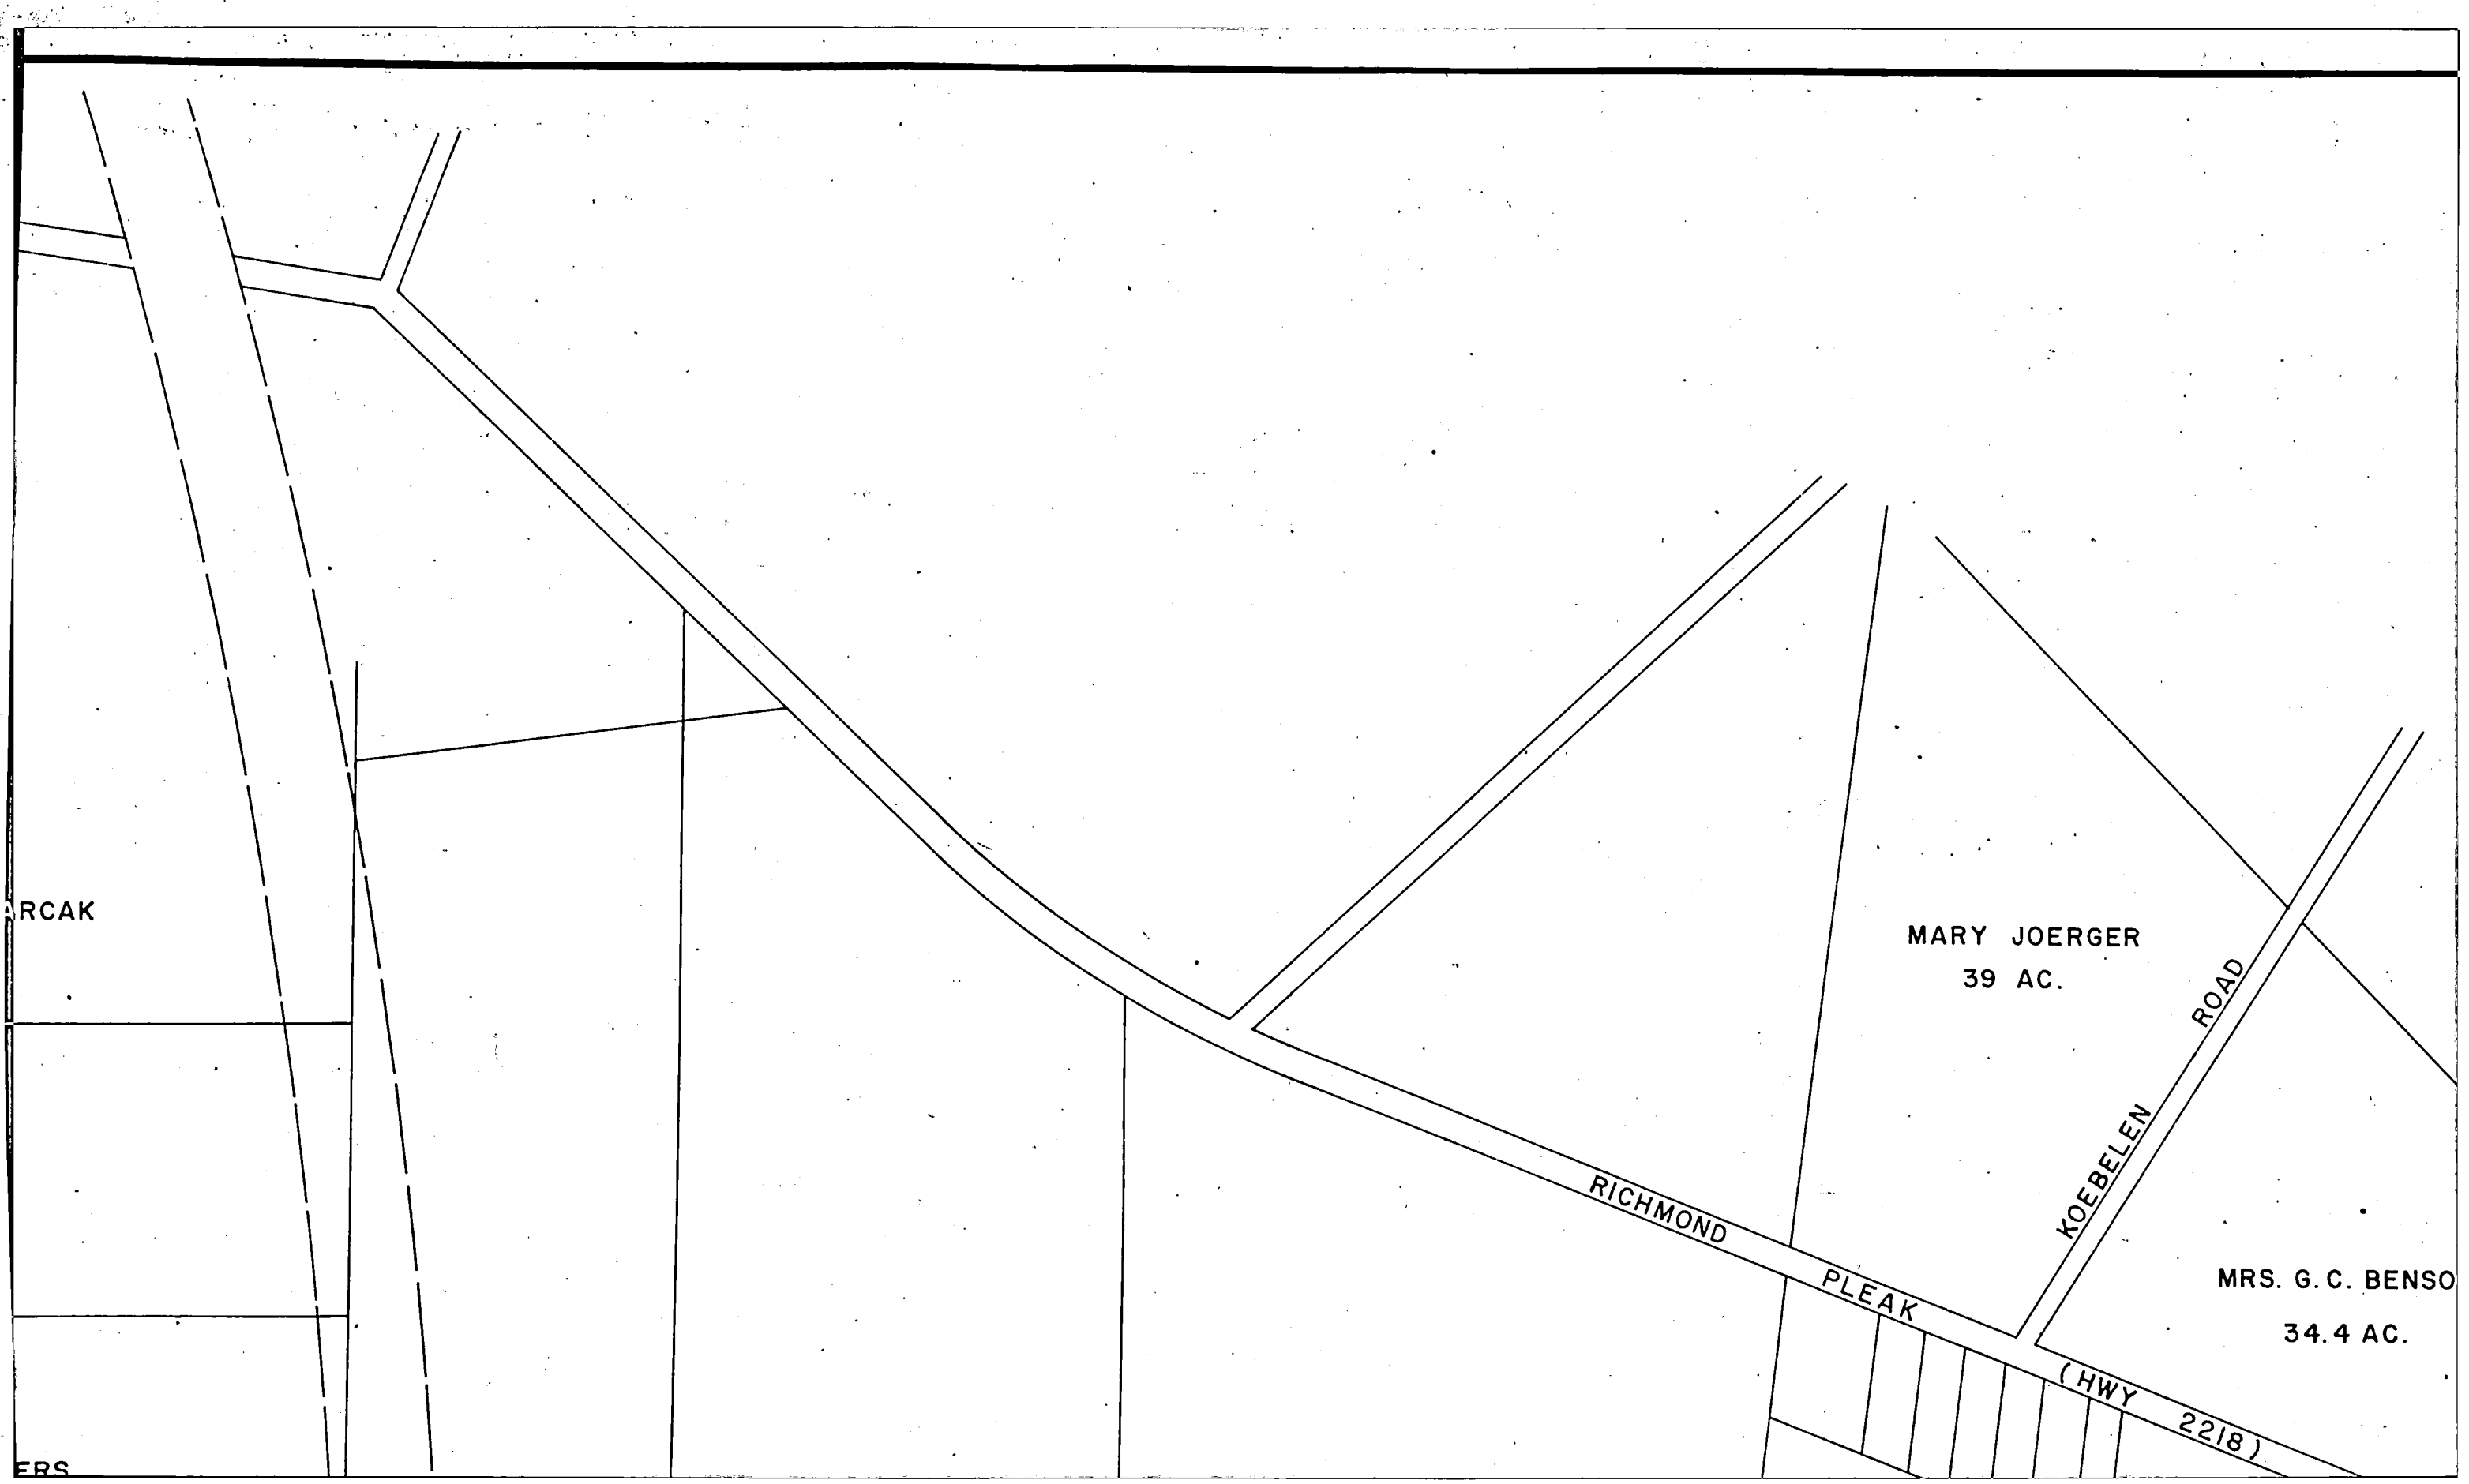

(3) That the Right-of-way Department be and it hereby is directed to acquire the additional right-of-way needed for such frontage roads; and,

(4) That the County Judge and Commissioners Court be and they hereby are directed to present this Order to the State Highway Commission and officials of the State Highway Department and to take such action as in their judgment is necessary to effect construction of U.S. Highway 59 in accordance with the terms of this Order.
