7 RE: MRS. ERCEL MCCARTY AND MRS. AGNES TERRY, RE: REQUEST FOR ADDITIONAL FUNDS FOR UTILITIES AT THE FORT BEND COUNTY MUSEUM:

Mrs. Ercel McCarty and Mrs. Agnes Terry appeared before the court to request an additional $1500.00 for utilites at the Fort Bend County Museum for the rest of year. The County Auditor will check out other funds for the possibility finding extra funds for this purpose, and to be put on the agenda for next monday meeting.

The Museum also requested that their fund be raised to $3500.00 for the year 1980.

8 RE: ACT ON REQUIREMENTS FOR UTILITY COMPANY LINES AND CABLES ON COUNTY RIGHT-OF-WAY:

On Motion of Commissioner Tony Jebbia, seconded by Commissioner Ed. H. Helwig, and duly passed, the court ordered the requirements that all county roads be bored for the purpose of laying cables and lines, instead of being cut.

The Commissioner Court discussed with a representative from the Southwestern Bell Telephone Company and warned them about messes the telephone company has left on County roads. Mr. Phil Zorn, manager of engineering for the telephone company, said he had not been notified about the problems. He told the court that he was responsible for handling complaints and would be willing to help in the future. The telephone company was told about burying cables and leaving big trenches along county roads and are failing to clear piles of dirt that obstruct drainage in ditches. The Court informed the telephone company that this causes huge maintenance problems, especially when they are mowing roads and ditches.

9 RE: APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING TO SOUTHWESTERN BELL TELEPHONE COMPANY ON CLAYHEAD MANOR ROAD, SKINNER LANE AND HACKAMORE AND LONGHORN ROAD IN PRECINCT #4:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Tony Jebbia. Commissioner Johnnie Pustka, voted no and duly passed, the court approved the Application for and permit granting telephone Cable Crossing to Southwestern Bell Telephone Company on Clayhead Manor Road, Skinner Lane and Hackamore and Longhorn Road, subject to changes made in the application. Permits as follows:

9

APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS
% County Courthouse
Richmond, Texas 77469

COMES NOW Southwestern Bell Telephone Company

acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

SEE ATTACHED SKETCH

EST. 7800

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make any changes in said cable and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

11

Petitioner further agrees to obey all rules of the County Commissioners' and its Engineer in the construction and installation, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 30th day of August 19 79.

11

Dear Sirs:

This report summarizes our review of the data processing activities of Fort Bend County, Texas (the "County") and gives our recommendations concerning the County's continued development of in-house data processing capabilities.

The report is divided into three sections

. General findings

. Interim recommendations

. Long-range EDP Plan.

The scope of our engagement changed at your request several times during the course of our review and, accordingly, we modified the direction of our investigation. During the course of the engagement we have continued to assist the County in all matters related to the continued operation of property tax and payroll/personnel activities. The rapidly changing environment of the County's data processing activities has made it necessary to react positively and quickly to ensure the orderly and timely continuance of County activities; therefore, some of our recommendations already have been discussed, reviewed, and acted upon by the County.

We will continue to assist the County in any manner required and requested so as to ensure the continuity necessary to maintain the County's data processing activities.

We appreciate the opportunity to serve the County and look forward to working with you in the future.

Very truly yours,

DELOITTE HASKINS & SELLS

I. GENERAL FINDINGS

On April 16, 1979 we were engaged by the Fort Bend County Commissioners Court to review the County's current data processing activities and to update a 1974 report we had issued concerning a long-range data processing plan for the County. We initiated the study by reviewing the computer hardware, a Microdata Royale; the software, a payroll system and a property tax system; and the personnel from The System Works involved with the daily operation of the computer system.

On August 21, 1978 the County had contracted with The System Works Leasing Services, Inc. (System Works) to establish a service bureau within the courthouse to perform data processing functions for the County. Under the terms of the contract, as specified in Exhibit "A" to the contract, System Works was obligated to provide the following computer equipment:

- Microdata 64 Kb Royale System
- 40 Mb Disk Storage
- 6 CRT Terminals
- 1 300 LPM Printer
- 2 Serial Printers
- 1 800 BPI Tape Drive

11

An inventory of system hardware located in the courthouse was conducted on April 26, 1979. At that time it appeared that, with two exceptions, the hardware specified in the contract was in place and operational. The two exceptions we noted were

- One more CRT than specified in the contract was present
- One less serial printer than specified in the contract (apparently originally intended for use in the County Treasurer's office) was present.

In connection with operation of a service bureau within the courthouse, System Works also specifically assumed responsibility for

- Loading of all machine readable service bureau data files
- Customization of programs to process County data
- Training of input operators

- Design and supply of required forms

- Placement of an on-site Information Processing Coordinator.

It appears that the loading of data files and the supply of required forms was accomplished.

Customization of programs to process County data was not completed. As an example, we observed several instances of "Johnson County" appearing in terminal screen formats. We also noted instances of non-operational options appearing both in the property tax and payroll applications.

It is our understanding that input operators did not receive adequate training, and that written operator instructions were not provided by System Works. Furthermore, we observed that the only documentation approaching the definition of operator instructions was prepared by a County employee in the Tax Assessor and Collector's office. It also was our observation that employees in the County Auditor's office apparently had never been informed of some options available in the payroll application.

An on-site Information Processing Coordinator was provided for a brief period during the system development period. Inasmuch as the Information Processing Coordinator was no longer present when we conducted our review, we could not assess that person's professional qualities or contributions. We noted, however, that many of the problems being caused by misinformation and lack of information about the applications should have been corrected by the presence of a qualified person in a coordination role.

11

Review of the Property Tax System

The System Works approach to installing the tax application was to transfer existing software from a site where the system was operational. Where practical, this is a very efficient approach to applications development.

In the case of the County, however, software evidently was transferred from Johnson County, Texas, where it was not fully operational at the time of the transfer. The state of development of the property tax application software at the time it was transferred, together with the level of technical support System Works was able to provide during and after implementation, caused numerous and severe problems in the Tax Assessor and Collector's office. During this period there apparently were serious communications problems between the Tax Assessor and Collector's office and System Works personnel located in Dallas.

These problems experienced during the property tax application implementation caused County personnel to have little or no confidence in a system that was not documented, and for which adequate user training was not available.

Review of the Payroll System

The County payroll application currently is being used to produce payroll checks for the County's payrolls. As with the property tax application, the payroll application software was transferred to the County from another System Works client site and, as with the property tax application, the payroll application was not fully operational at the time of its transfer to the County.

In our review of the payroll application, we noted that processing options existed on the terminal screen "menu" which, when executed, did not appear to be operational. We also noted that the County Auditor's personnel responsible for operation of the application possessed no documentation of the system, although apparently there was payroll documentation in the possession of System Works personnel during the system implementation.

By far the most serious of the problems we noted in our review of the payroll application involved the accuracy of year-to-date data stored in the master file. These data apparently were manipulated in the process of correcting some problems with quarterly reporting, which caused erroneous year-to-date data in the payroll master file. As far as we were able to determine, the errors in the master file have not yet been corrected.

Our review indicated that the systems were not functioning properly, were incomplete, and were not documented. Our review also indicated that County personnel did not understand why the systems were not operating, and that their attempts to reconcile the problems with System Works personnel had been futile. The second phase of our review involved a visit to System Works offices in Dallas, Texas where at this time we learned that System Works was involved in bankruptcy proceedings, and would no longer be able to serve its clients. Our review of current systems and associated problems was discontined, although we had already spent considerable time and effort in making the above-mentioned evaluations. 11

We changed the scope of our review in order to devote our attention to assisting the County in maintaining its current EDP operations through the development of an immediate interim solution. This process included a review of services and software packages available for processing and maintaining property tax and payroll information, a review of the hardware capable of supporting the required software, and an evaluation of the time frame required to implement a replacement data processing system for the County.

II. INTERIM RECOMMENDATIONS

Upon the declaration of bankruptcy by System Works, it became

12

imperative that the County quickly develop a contingency plan to ensure the orderly continuation of its data processing activities. We assisted in this planning effort and, as an interim solution to the County's increasingly unstable data processing situation, recommended that the following approaches be undertaken:

- Temporarily transfer the County's payroll processing to a reputable outside service bureau

- Temporarily transfer the County's property tax work back to Thomas Y. Pickett Company, the County's former property tax service bureau.

In order for the above recommendations to be implemented, we expended substantial effort both in the Tax Assessor and Collector's office and in the County Auditor's office. Specifically, the Tax Assessor and Collector's office, with our assistance, is undertaking a major program of data conversion in order to prepare property tax roll data in a suitable format for processing by Thomas Y. Pickett Company. The County Auditor's office, with our assistance, has begun an evaluation of service bureaus that are available to perform the County's payroll work.

The status of the progress to date in the implementation of our interim recommendations is as follows:

11

- The county has contracted with Thomas Y. Pickett Company for processing of the 1980 property tax rolls, and has begun work on preparing the data for Thomas Y. Pickett Company's use in this effort. We provided some personnel for several days to assist in this effort.

- At the request of the County, we have reviewed the capabilities of service bureaus to provide payroll services for the County. Of the service bureaus reviewed, only Systems Communication Corporation in Houston is able to comply with the County's requirement for on-line data entry. System Communication Corporation could provide payroll services within two weeks after a request for such services, but would prefer notification thirty days in advance of the need for payroll services.

III. LONG-RANGE EDP PLAN

As we stated in our 1974 report to the Commissioners Court, the County must, if it intends to manage the inevitable growth in its data processing activities property, prepare and implement a long-range data processing plan. We prepared such a plan in 1974 and, although five years have elapsed since its preparation, we still believe it to be essentially sound for the County's continuing growth.

Conditions and events which may impact the County's priorities and judgement in re-evaluating and perhaps revising the original Three-Year Plan in that report might include

- Level of satisfaction with interim service bureau services
- Changing costs of computer hardware and software development
- Changing priorities in scheduling application development.

Regardless of what approach the County ultimately pursues in applications development, we still strongly recommend that the County's first priority should be the establishment of a County Data Processing Department. This department would be responsible for developing and implementing the data processing systems required to satisfy the County's needs. The first step in establishing this department is to hire a qualified systems analyst as Manager of Data Processing. It will be this individual's responsibility to

- Act as the County's data processing specialist
- Hire other data processing personnel as necessary
- Design, implement, and document systems in accordance with the revised three-year plan
- Order and install computer related equipment as needed
- Arrange for computer time as required.

11

This position should be filled as soon as possible. The analyst should be instructed to implement a revised three-year plan. It should be his responsibility to revise the plan annually and to report to the Commissioners Court on the progress of the Data Processing Department.

In addition, we recommend that the County immediately develop a request for proposal ("RFP") for long-term computer hardware and software services.

We would be available to assist the County in selecting this individual, and would be pleased to work with him in establishing the County's Data Processing Department.

There being no further business, the court adjourned at 11:00 o'clock A.M.

Re: Fort Bend County Courthouse, Richmond, Fort Bend County

Dear Ladies/Gentlemen:

The above named structure(s) will be considered by the Board of Review for the State of Texas for nomination to the National Register of Historic Places. This review is pursuant to the National Historic Preservation Act of 1966, P.L. 89-665. The Review Board meets in Austin, Texas at Gethsemane Church, W. 16th and Congress, at 1:30 p.m., October 23, 1979.

The National Register, established by P.L. 89-665, was created to record the heritage of the nation as reflected in its architecture, archeological sites, and other historic places. The inclusion of an historic property on the National Register is primarily an inventory listing that in no way infringes upon the private property rights of the owners. National Register properties may or may not be open to the public, at the discretion of the owner. In addition, the property's inclusion on the Register qualifies it to receive a matching grant-in-aid for preservation or restoration through the Department of the Interior. The inclusion also gives it a measure of protection from destruction by any federally funded or licensed project, such as highway or reservoir construction.

2

With the passage of the Tax Reform Act of 1976, certain Federal tax consequences may result from listing in the National Register. Please refer to Section 2124 of that act concerning depreciation, demolition, deduction for charitable contributions, etc.

Your interest in this program is greatly appreciated. If you have any questions or comments on this selection process, please write to the Texas Historical Commission, National Register Department.

Sincerely,

Joe Williams

WHEREAS, the Fort Bend County Drainage District has permanently ceased to use said right-of-way easement; and

WHEREAS, the right-of-way easement by its own terms and conditions provides that it will terminate when it is no longer needed for the purposes for which it was granted; and

WHEREAS, SLOCO, Inc. has dedicated an alternate right-of-way which exceeds in size and value the above described right-of-way easement; and

WHEREAS, the public interest will be served by the abandonment of the right-of-way easement;

THEREFORE, BE IT ORDERED, ADJUDGED AND DECREED BY THE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS, ACTING FOR AND IN BEHALF OF THE FORT BEND COUNTY DRAINAGE DISTRICT:

Section 1: That the matters and facts recited in the preamble of this Order are hereby found and declared to be true and correct.

Section 2: That the above described right-of-way easement be and is hereby abandoned and all interest in said right-of-way easement is hereby relinquished to SLOCO, Inc.

COUNTY CLERK, FORT BEND COUNTY, TEX.

12 RE: DISCUSS DEVELOPMENT CORPORATION ACT OF 1979:

The court discussed with the Attorneys from Vinson & Elkins, the Development Corporation Act of 1979. The Texas Industrial Commission proposes to adopt Rules 103.03.001-.003 for approval of lease, sale, and loan agreements for industrial projects made under the Development Corporation Act of 1979. Section 24 of the Act requires that the Commission approve the contents of any lease, sale, or loan agreement made under the Act and the commission prescribe rules and regulations setting forth minimum standards for such agreements and guidelines with respect to financial responsibilities of the lessee, purchaser, or borrower under any such agreement. The Act also requires that the commission affirmatively find that the lessee, purchaser, or borrower has the business experience, financial resources, and responsibility to provide reasonable assurance that all bonds (including interest thereon) issued under the Act and payable from or by reason of a lease, sale, or loan agreement will be paid as the bonds and interest payments become due. The act also provides that the Commission may delegate to its executive director the authority to approve any documents submitted to the Commission.

After discussion, the court agreed to study the Development Corporation Act of 1979 and to be put back on the agenda for the next court meeting.

FORT BEND COUNTY, TEXAS

Request for Proposal

Fort Bend County, Texas desires to upgrade its present data processing capability. The primary motivation for improving the data processing capability is the County's recognition of the need to store, retrieve, and process information in a timely and efficient manner. Also, as the County experiences the growth expected in the next several years, the increase in the volume of transactions and information requirements will further emphasize the need for improved data processing.

11

You are one of the vendors from whom we are requesting proposals. This document contains the basic information necessary for proposal preparation. However, should questions arise or additional information be necessary, Judge Jodie E. Stavinoha (713-342-2896), Fort Bend County, or Messrs. Richard Sterbanz or Michael Queen (713-651-1700), Deloitte Haskins & Sells should be contacted. This document as well as all information contained within, is considered confidential and its disclosure beyond the vendor's organization is prohibited.

Due Date and Addressee

We intend to use the following schedule in proceeding with the evaluation of proposals.

Request for proposal available to vendors	Oct. 1, 1979
Pre-bid conference at County Court House, 1-3 p.m.	Oct. 8, 1979
Completed proposals due from vendors, 9 a.m.	Oct. 22, 1979
Opening of proposals, 9 a.m.	Oct. 22, 1979
Selected vendor interviews	Oct. 22 - Oct. 31, 1979
Selection and notification of vendor	Nov. 2, 1979
Target date for implementation of initial system	Jan. 2, 1980

All proposals should be addressed and delivered to:

Judge Jodie E. Stavinoha
Fort Bend County, Texas
County Court House
Richmond, Texas 77469
(713-342-2896)

11

Eight complete copies of the proposal should be provided.

Proposal Contents - General

Copies of all documents pertaining to the rental, lease, lease/purchase or purchase agreement for both hardware and software into which Fort Bend County would be expected to enter, also should be provided.

Each vendor responding to the proposal should provide a statement regarding the relationship between itself and all third parties whose participation is an integral part

of the proposed system. Also, the specific responsibilities of the vendor and all third parties should be described. In addition, statements providing a brief financial history of all third parties should be included.

Proposal Contents - Hardware Description

The description of the hardware configuration should include the following for the initial system proposed:

- Hardware configuration, including all peripherals
- Description and performance specificiations (speeds, capacities, etc.) for each major component of the configuration
- Delivery schedule
- Equipment purchase cost and the monthly amounts of any available lease or rental options
- Equipment maintenance support description including monthly cost

In addition, the following information should be included for possible future expansion of the configuration as described under hardware requirements.

- The additional hardware and cost to add CRT's. Required core expansion and any other necessary hardware attachments should be included in the proposal.
- Product line expandibility. Include such items as maximum core, disk storage, CRT's, etc. If other models within the product line quoted are compatible, detail the growth capabilities through these models.

Proposal Contents - Software Description

The application software is of primary concern. The cost of each software application should be quoted separately along with an indication of whether the application to be provided is a package, a modification of a package, or software which will be custom developed. The implementation assistance to be provided should also be described together with any separate cost for training. Application software sources should be clearly identified, including any sub-contract programming or purchased software sources. If the requirements for an application package cannot be met, the proposal should identify the application.

11

The recommended operating system and related core and disk requirements should be provided. Information also should be provided regarding utilities which are available, together with any related cost. A generalized report writer and print spooling are desirable and should be included if available.

In addition, any special communication software necessary to support the future use of the terminals should be indicated.

Also, examples of systems, program, operator, and user documentation should be supplied. The systems documentation should provide sufficient detail to trace accounting data from the original entry to the reports. The program

documentation should provide sufficient detail to allow an analyst to revise the programs. The operator documentation should provide sufficient detail to permit designated personnel to operate the equipment and safeguard computer records in the event of system failure or disaster. The user documentation should provide sufficient detail to enable personnel to perform assigned tasks using the data processing system, and to define the flow of information.

The County is cognizant of the need for all of the software systems to have sufficient controls for ensuring the integrity of data, limiting access to confidential information and assisting the auditor in the internal control evaluation of the system. Therefore, all controls included in the systems software, should be described.

11

Selection Procedure

We plan to review all proposals submitted and then meet with selected vendors. We then will reduce to two the number of vendors being considered. It should be noted however, that only vendors capable of providing local (within a one hundred mile radius) training and maintenance support will be considered. Further meetings and demonstrations with these two vendors then will be scheduled prior to selection of a single vendor. All vendors will be notified concerning the final selection.

Hardware Requirements - Present Needs

The hardware initially installed will require only local processing capability within the County office. We anticipate the configuration will be approximately as follows:

- Eight CRT's (approximately 1,900 characters) located in various departments within the County office
- Sufficient disk capacity to allow for simultaneous processing of all applications
- One character printer (approximately 120 cps bi-directional)

- One CPU with multiprocessing capability
- One medium speed printer (approximately 300 lpm)

Hardware Requirements - Possible Future Needs

Based upon the factors of an anticipated increase in the volume of transactions and obtaining operational experience in the use of the system, the County may require the following hardware in the future:

- Four CRT's (approximately 1900 characters)
- One character printer (approximately 120 cps bi-directional)

Software Requirements - General

The County initially requires four application software systems. These systems, listed in descending order in relation to their relative importance, are as follows:

- Ad Valorem Property Tax System
- Personnel/Payroll System
- Voter Registration System
- Microfilm Indexing System

We anticipate package software, with possible modifications, is available to meet the County's requirements. All data entry will be through CRT's on an interactive or conversational basis.

Once the initial four systems are implemented and operating, the County desires to investigate the possibility of implementing additional systems. These systems are as follows:

- Financial Management System
- Case Status System for the Courts
- Auto License and Registration
- Land Record System
- Capital Asset Inventory
- Project Control System
- Purchasing
- Roads and Engineering System
- Public Works

In your proposals, you are requested to describe how the systems listed above will interface with one another and the systems required initially.

The County desires the capability of on-line inquiry for the initial three systems. However, the County also desires to limit access of the information to only authorized personnel. Therefore a method for controlling access must be coupled with the applications.

The software requirements set forth in the following sections provide a basic description of each application. These requirements do not include all of the reports (e.g., master file listings, transaction listings) or inquiries which will be required. These will be determined during the development of functional specificiations by the software vendor selected.

13

Software Requirements - Ad Valorem Tax System

System Description

The County presently uses a service bureau to provide the computer processing required by the Tax Assessor and Collector. The computer system maintains information on approximately 80,000 parcels presently on the tax rolls and provides the statements of taxes due for mailing to the taxpayers.

The in-house Ad Valorem Tax System will employ programming techniques which will require information pertaining to a piece of property to be entered into the system only one time.

Features Required

11

- Ability to edit input to ensure that each transaction contains sufficient information in the proper sequence.
- On-line inquiry capability so that clerks can give immediate answers to property owners requesting information.
- Ability to calculate tax amount based on the assessed value and a given tax rate.
- Ability to reflect payment of tax amount due
- Ability to determine a discount is allowable

.. Ability to reflect partial and over-payment and to indicate the difference between the tax amount due and the actual payment

- Ability to calculate interest on delinquent tax amounts

- Limit access to the System so that only authorized personnel may make the following entries

  .. Record payment of taxes

  .. Changes to the system master file, e.g., change of name, change of tax amount due, etc.

- Ability to "flag" duplicate tax payments

- At the time a payment is made, a receipt will be printed which will list

  .. Name of property owner

  .. Description of the property

  .. Tax amount due

  .. Discount (if applicable)

  .. Interest (if applicable)

  .. Total amount due

  .. Payment received

  .. Difference (if applicable) between total amount due and payment received

Volumes

Ad valorem tax computations per year	80,000
Reassessments of property value per year	15,000
Sales and purchases of property per year	10,000

Reports

- Annual Tax Roll - printed upon request. The report will be printed in alphabetical order by owner's last name. The roll will list the current status of taxpayer's listing
  - .. Current tax
  - .. Tax credit (if applicable)
  - .. Delinquent tax (if applicable)
  - .. Interest penalty on delinquent tax (if applicable

- .. Discount (if applicable)
- .. Total tax due
- .. Assessed property value
  - Indication that the assessed value was changed during the year
- .. Property location

- Tax statements - printed upon request. The statements will include the information listed above plus the owner's address. The statements will be printed in zip code sequence for mailing.

- Delinquent Taxes - printed at month-end. The report will list the taxpayer, the amount delinquent at the beginning of the month, payments received, interest penalty, amount delinquent at month-end.

- Various reports to local, state, and local governmental units.

Interface to Other Systems

- Financial Management System - the total tax amount due and the associated revenue will be posted to the appropriate subsystems, i.e., General Ledger, Revenue Accounting and Budgeting. Initially, the postings to the ledgers will be done manually. However, once the automated Financial Management System is implemented, the postings will be performed automatically.

Software Requirements - Personnel/Payroll System

System Description

The System will perform two functions for the County. The first function will maintain personnel records on a continual basis. The second function will calculate payroll amounts, retain year-to-date amounts and produce payroll checks.

Features Required

. The following information must be maintained for individual employees
  .. Name
  .. Address
  .. Social Security number
  .. Dependents/exemptions
  .. Hourly or salaried employees
  .. Hourly or monthly pay rate
  .. Employee class (for workers compensation purposes)
  .. Deductions specified (savings bonds, insurance, etc.)
  .. Year-to-date (and calendar quarter for 941's) summarization of
    - Gross wages
    - Taxes paid
    - Other deductions
  .. Date of birth
  .. Employee number (5 digit)

.. Ability to indicate in an employee's master file record, to which department the employee's gross wages are to be charged

- Ability to override the automatic distribution of an employee's wages to a specific department

.. Ability to accommodate the following deduction types

- Required federal and state deductions
- Voluntary deductions at a fixed amount each pay period for United Fund, laundry charges, car lease payments, advances, etc. (approximately six fields in total). Provisions should be made for "zero" tax withholdings

11

.. Ability to compute overtime premium (1.5) x (base rate)

.. Ability to compute the workmen's compensation insurance premium based on employee class and gross wages, exclusive of overtime premium

.. Ability to accumulate unemployment insurance

.. Ability to accept the amounts from a handwritten check to update the cumulative earnings record for an employee

.. Ability to accumulate the hours taken by each employee since the last anniversary date for

- Sick pay
- Vacation pay
- Holiday
- Other excused absences

.. Ability to restrict access to the employee master file (for additions and deletions of employees) by the use of passwords or other identifying information

.. Ability to compute the employers FICA and assign the expense to general ledger accounts

.. Ability to enter random bonus amounts

.. Ability to produce an exception list for checks and pay rates over a pre-determined amount

.. Ability to suppress a check from printing

.. Ability to "flag" an employee number for a terminated employee

. The system must have the ability to compute the Earned Income Credit as prescribed by the Federal Government.

11

Volumes

Monthly Payroll ..... 250 Employees

Semi-Monthly Payroll ..... 500 Employees

Reports

. Checks - prepared each pay period

. Periodic Payroll Register - prepared each pay period. The report will list personnel by Fund, by Department, by employee number. The report will also list the following

.. Gross pay

.. Deductions

.. Net pay

.. Year to date pay totals

.. Check number

.. Termination code (if applicable)

The report will also provide a second listing of the information however, the listing will be in check number sequence.

- W-2 Forms - prepared annually
- 941's - prepared quarterly
- Unemployment, Insurance and Workman's Compensation Reports - prepared upon request

Interface to Other Systems

- Financial Management System - wage and salary expenses and the associated cash for payment of the expenses will be posted to the appropriate subsystems, i.e., General Ledger, Expenditure Accounting, and Budgeting. Initially, the postings to the ledgers will be done manually. However, once the automated Financial Management System is implemented, the postings will be performed automatically.

11

Software Requirements - Voter Registration System

System Description

The System will provide listings of all registered voters. The System will also generate an automatic jury selection.

Features Required

- Ability to "flag" any duplicate entries into the System, i.e., a person attempts to register more than once
- Ability to "flag" a voter's record each time he or she is selected for jury duty
- Print voter registration cards
- Print jury duty notices
- On-line inquiry capability
- Limit access to the System so that only authorized personnel have the capability to update, add or delete information to the system
  - Print the changes, i.e., updates, additions or deletions to the Systems; the changes will be printed on a daily basis.

Reports

- Registered Voters - printed for each polling location for each election. The reports will be sequenced in alphabetical order of last names of people registered within each precinct.

- Summary of Changes - printed monthly. The report will list the names, by district, of voters added or deleted within the month. The report will also list those voters who notified the County of a change in their registration, e.g., change of name, address change, etc.

11

- Demographic Data Report - printed as required. The report will list persons selected by the system for jury duty. The report will group the persons selected by certain common characteristics, i.e., profession, ethnic background, age or sex.

Software Requirements - Microfilm Indexing System

System Description

The County Clerk's office presently uses the services of a microfilm company. These services include

- a listing of instruments filed in the Clerk's office
- an alphabetical listing of the instruments filed
- a monthly summary.

Listing the instruments on the in-house system and generating an index will provide for both identifying and locating the instruments in an efficient and timely manner.

Features Required

- Ability to provide a listing, on a daily basis, of instruments filed
- Ability to sort and produce a listing of the instruments by
  - instrument number
  - location of instrument, i.e., file in which the instrument is located
  - type of instrument (e.g., deed, easement, lien, etc.)
  - alphabetic order of the persons filing
- Ability to flag an instrument number which has already been entered into the System.
- Limit access to the records for purposes of updating information already entered into the System.

13

- Ability to edit input data to ensure that each instrument contains the appropriate information, e.g., instrument number, description, name(s) of person(s) filing, etc.

The DISTRICT is given the right from time to time to cut and remove all trees, undergrowth, and abate other obstruction, upon said canal right of way, that may injure, endanger, or interfere with the construction, operation, maintenance and repair of said drainage canal.

The DISTRICT agrees during the life of this easement to repair at its own expense all damage to roads, passageways and fences resulting from the DISTRICT'S use in going to and from said easement and right of way, and to restore the same to the previously existing condition. ~~as nearly as possible.~~

GRANTOR reserves the right to use the facilities offered by the drainage canal for the disposal of surface waters, rain, or any excess waters collecting upon his land, and in such connection GRANTOR has the right in the manner provided by law and at his own expense to construct and provide ditches, drains and laterals connecting his said land or portions thereof with the drainage canal.

GRANTOR reserves the oil, gas and sulphur in and under the land covered by this easement, provided however, that during the life of this easement no mining or drilling operations shall be conducted upon the surface of the area included in the easement right of way above described.

It is agreed that if at a future time the DISTRICT, its successors or assigns, shall permanently cease to use said drainage canal right of way for the purposes herein contained, and shall permanently abandon the same, then and in such event the said right of way above described, together with all rights and interests held by the DISTRICT by reason of this instrument, shall revert, pass to and vest in the said GRANTOR, his heirs, legal representatives, successors or assigns.

For the remaining provisions of this Easement, please see the Addendum which is attached hereto and made a part hereof for all purposes.

TO HAVE AND TO HOLD said right of way and easement herein granted, unto the said DISTRICT, its successors or assigns. Notwithstanding anything contained herein to the contrary, this conveyance is made without warranty of any kind, either express, implied or statutory.

EXECUTED by the parties on the dates set forth in their respective acknowledgments of this instrument, but effective as of September 5, 1979.

ADDENDUM TO FORT BEND COUNTY DRAINAGE DISTRICT
RIGHT OF WAY EASEMENT

1. The District agrees that the drainage canal to be constructed hereunder shall be constructed in a good and workmanlike manner, and in accordance with plans and specifications approved by Grantor. Without limiting the foregoing, the District agrees that said canal shall be constructed in a manner insuring sufficient erosion control, and lateral support for the adjacent property.

2. The District agrees that construction of said drainage canal shall be commenced and completed in a reasonable amount of time. No later than thirty (30) days after the completion of such construction (barring weather delays), the District shall, at its own expense remove (a) any and all rocks, trees, brush or other debris from the easement and the adjacent property resulting from or arising out of the acts, activities or operations thereon of the District, its employees or any other persons acting under its direction or pursuant to any contract with it; and (b) any and all of the District's property located on said easement. In the event that the District fails to remove such debris and property within the thirty (30) day period referred to above, then, in addition to any other remedy available to Grantor at law or in equity, Grantor shall have the right to remove or cause to be removed said debris and property, at the District's expense.

11

3. Without limiting or modifying any other provision of this conveyance, all fill dirt and other excavated material removed from the easement by the District in connection with its construction of the drainage canal referred to above shall be the property of Grantor, and Grantor may elect to have the District load said fill dirt and excavated material upon Grantor's truck or trucks. or have the fill dirt spread at the districts expense if he so elects. R.H.L.

4. Any provision of this conveyance to the contrary notwithstanding, and without limiting any of Grantor's rights hereunder, Grantor expressly reserves rights of ingress and egress over the easement granted herein, provided, however, that Grantor does not unreasonably interfere with the District's use of said easement. In addition, Grantor hereby expressly reserves the right to construct or have constructed one or more bridges or crossings over the easement herein granted to the District. Any such bridge or crossing constructed by Grantor pursuant to this paragraph shall be in such location, and shall be constructed in such fashion and manner, as Grantor in its sole discretion deems advisable, provided, however, that such construction shall not unreasonably interfere with the District's use of the easement granted herein.

5. The District agrees to indemnify, protect and hold harmless Grantor of and from any and all claims (including but not limited to any and all liens filed in connection with the District's construction activities on the easement), demands, costs (including but not limited to attorneys' fees), expenses, damages, losses and causes or suits for damage because of injury to a person or persons (including death), resulting from the use or occupancy of the easement by the District, its employees or any other persons acting under its direction or pursuant to contract with the District, and the operations or activities of any such persons thereon (excepting from this indemnity all claims, demands, costs, expenses, damages, or injuries, to the extent that they are caused by the negligence of Grantor).

11

6. The District shall not have and does not hereby acquire any rights of any kind or character whatsoever in or to or with respect to any lands or rights of Grantor to lands outside the boundaries of the easement, and neither the grant made hereby nor the District's use of the easement or of the District's facilities in the easement shall in any manner be or constitute any limitation, burden, restriction or servitude of any kind or

character upon or with respect to Grantor's title, ownership or rights with respect to the lands or improvements thereon outside the easement.

7. Without modifying or limiting any other provision of this instrument, it is expressly understood that Grantor shall not be obligated in any manner to improve or to maintain the easement granted herein, such obligation belonging to the District.

8. This conveyance is made by Grantor and accepted by the District subject to all valid and subsisting easements, restrictions, reservations and covenants relating to the Property, to the extent (i) same are valid and enforceable against the Property, as same are reflected by instruments recorded in the Office of the County Clerk, Fort Bend County, Texas and (ii) same are not inconsistent with the use of the Property by the District for drainage purposes only, as contemplated herein.

9. The parties to this conveyance understand and agree that the covenants contained herein are binding upon and shall inure to the benefit of the parties' respective successors, assigns, heirs and legal representatives. It is expressly understood and agreed by the parties, however, that the District's rights hereunder may not be assigned without the prior written consent of Grantor.

Re: Fort Bend County Library

Dear Judge Stavinoha:

Attached hereto you will find a check payable to Fort Bend County for $25,000.00, which is a grant to be used for planning expenses relative to a proposed new Fort Bend County central library to be built on the tract of land on Thompsons Road, recently conveyed by the Foundation to the County.

2

We appreciate the fact that in order to plan precisely the type of facility which the County needs, that it may very well be that either some of the County personnel, in the library or otherwise, as well as those citizens serving on such quasi-public bodies as the Friends of the Fort Bend County Library and others, will possibly need to do some traveling to look at facilities presently in use in other counties and in other locations, which might serve as a pattern to some degree for what will ultimately be constructed in Fort Bend County.

It would likewise seem appropriate that the staff of the library and other appropriate County officials and friends of the library might want to visit with the architects who will ultimately plan the building to be constructed, in order to have appropriate input.

We have recently visited with Messrs. Ron Wedemeyer and Paul Martin of Urban Architecture, Inc. (which firm has designed the T. W. Davis Memorial Field House at the T. W. Davis Memorial Park on Thompsons Road, presently under construction there in the City of Richmond), and with Mr. Ray Bailey of Ray Bailey and Associates (whose firm is presently involved with the County in the restoration of the historic courthouse), and they have each indicated the willingness of their firms to visit with the staff of the library and other appropriate County officials in order to come to some recommendation as to the needs of the County as to the size of the new proposed central library facility and then to submit to the County schematic plans, leaving the final decision, of course, to the County as to which architectural firm to select for the proposed new job.

11

Since it will take some time to gain proper input along this line, if satisfactory to you and to the Commissioner's Court and to the library staff, we would like to put Messrs. Wedemeyer and Martin, as well as Mr. Bailey and possibly Mr. Merriman or others of his firm directly with the County librarian and other members of her staff, as well as with you and the Commissioner's Court, in order that they may begin assembling the necessary information for their ultimate proposals to the County, as to its needs and as to a schematic plan for the new proposed central library facility.

Of course, if either you or any of the Commissioners have any questions or suggestions in connection with this proposal, we would be glad to meet with you or to visit with any member of the Court individually. We can be reached here in Houston at 651-2162.

Sincerely,

John G Heard

10 RE: ABANDONMENT OF PUBLIC ROADS IN FORT BEND COUNTY: IN PRECINCT #3:

84

On Motion of Commissioner Tony Jebbia, seconded by Commissioner Ed. H. Helwig, and duly passed, the court authorized the discontinuing portions of easements for public road purposes in the Cochran & McCluer Subdivision and abandoning the use of said portions for public road purposes in Precinct #3. Order as follows:

ORDER OF COMMISSIONER'S COURT DISCONTINUING PORTIONS OF EASEMENTS FOR PUBLIC ROAD PURPOSES IN THE COCHRAN & McCLUER SUBDIVISION AND ABANDONING THE USE OF SAID PORTIONS FOR PUBLIC ROAD PURPOSES

THE STATE OF TEXAS X

COUNTY OF FORT BEND X

This, the 8TH day of October, 1979, in regular order and at a regular meeting of the Commissioner's Court of Fort Bend County, Texas, came on to be heard and considered the matter of discontinuing the strips of land hereinbelow described in Fort Bend County, Texas, as public roads and abandoning their use for public road purposes, and

It appears to the Court, and the Court so affirmatively finds, by unanimous affirmative vote of all elected Commissioners that said petition presented to this Court on October 8, 1979, requesting such action was signed by at least eight (8) freeholders in the precinct in which such roads are desired to be discontinued, that said applicants have given at least twenty (20) days notice by written advertisement of their intended application posted up at the Courthouse door of Fort Bend County, TExas, and at two (2) other public places in the vicinity of the route of said roads, that the public interest will be better served in closing and discontinuing said roads and by abandoning the use of same for public road purposes, that said request is proper and should be approved, it is, therefore, upon motion made by Commisioner Tony Jebbia and seconded by Commissioner Ed. H. Helwig and duly passed by unanimous affirmative vote of all elected Commissioners,

11

ORDERED AND DECREED by said Commissioner's Court of Fort Bend County, Texas, that said strips of land located in Fort Bend County, Texas, described as follows:

BEING easements along all sides of all tracts in the Cochran & McCluer Subdivision for roads as reserved in deeds from William B. McCluer and included within the 871.47 acres in the Elijah Roark League, Abstract 77 and Moses Shipman League, Abstract 86, Fort Bend County, Texas, described in deed from J. Brown Cutbirth et al to Teal Run, Ltd. dated October 15, 1971, recorded in Volume 553, Page 438 of the Deed Records of Fort Bend County, Texas; EXCEPT Rabb Road and Trammell-Fresno Road which are not affected hereby;

are hereby discontinued as public roads and their use for public road purposes is hereby abandoned.

IN WITNESS WHEREOF, said Commissioner's Court of Fort Bend County, Texas, has caused this Order to be entered on its minutes and to be hereby executed by

Jodie Stavinoha, County Judge of Fort Bend County, Texas, this 8 day of October, 1979.

MRS. PEARL ELLETT	County Clerk and Ex-Officio Clerk of the Board of Equalization

11

constituting the entire membership of such Board when among other proceedings of the Board was the following:

Commissioner Tony Jebbia introduced a proposed order and made a motion that it be passed.

The motion was seconded by Commissioner Ed. H. Helwig.

The motion carrying with it the passage of the order prevailed by the following votes:

AYES: Commissioner Johnnie Pustka, Commissioner W. Lee Schmidt, Commissioner Tony Jebbia, Commissioner Ed. H. Helwig.

NOES: None

The order as finally adopted is as follows.

AN ORDER BY THE BOARD OF EQUALIZATION OF FORT BEND COUNTY FINALLY APPROVING THE TAX LISTS OF FORT BEND COUNTY FOR THE YEAR 1979 AND DIRECTING THE TAX ASSESSOR-COLLECTOR TO PLACE THE SAME ON THE TAX ROLLS OF SAID COUNTY.

WHEREAS, heretofore the Tax Assessor-Collector has presented to this Board of Equalization the assessment lists prepared by such Tax Assessor-Collector, together with all his books, records, et cetera, for the inspection of this Board of Equalization; and

WHEREAS, this Board of Equalization has heretofore determined the necessity of raising or lowering the values placed on certain properties as shown by the

lists so presented to this Board of Equalization by the Tax Assessor-Collector, and have heretofore ordered the County Clerk to give written notice to the owner of such properties that this Board of Equalization desires to raise the value of their properties and has directed the County Clerk to give ten days written notice of such meeting of the Board of Equalization by publication in a newspaper published in the County; and

WHEREAS, the County Clerk has heretofore caused notice of such meeting to be published in The Herald-Coaster, a newspaper of general circulation in Fort Bend County on the 30th day of May, 1979, such date being more than ten days prior to the date fixed for such meeting; and

WHEREAS, this Board of Equalization convened on the 12th. day of June, 1979, et seq., pursuant to such publication and heard the evidence of all persons who appeared before such Board pursuant to such notice and publication pertaining to the value of their properties; and

11

WHEREAS, this Board of Equalization, after hearing the evidence presented pertaining to the value of each separate item of property and after having given careful consideration to such evidence and after having equalized, as nearly as possible, the value of each separate item of property with every other item of property on the lists submitted by the Tax Assessor-Collector, the values were fixed on the items of property of each separate owner as reflected by assessment inventories on file in the office of the Tax Assessor-Collector and as reflected by his tax roll, to which reference is here made for complete description of such properties for all purposes as if copies herein haec verbim.

E REGULAR ROLL	1,394,080.
H REGULAR ROLL	121,339,420.
GRAND TOTAL	$275,778,610.

WHEREAS, this Board of Equalization has heretofore returned the lists submitted by the Tax Assessor-Collector with instructions to correct such lists in accordance with the values as found and fixed by this Board of Equalization; and

WHEREAS, the Tax Assessor-Collector has returned such lists with the corrections made thereon for the inspection, examination and approval of this Board of Equalization; and

WHEREAS, this Board of Equalization has inspected, examined and found the corrected lists so submitted by the Tax Assessor-Collector to be in strict conformity with the values heretofore fixed by this Board of Equalization.

THEREFORE, BE IT ORDERED, ADJUDGED AND DECREED BY THE BOARD OF EQUALIZATION OF FORT BEND COUNTY, TEXAS:

(1) That the corrected lists so submitted by the Tax Assessor-Collector hereinabove copied and tabulated be and the same are hereby approved and said values are here and now fixed and made final for purposes of taxation in Fort Bend County for the year 19 79.

(2) That the Board of Equalization of said County has carefully examined and equalized, from evidence heard and considered as nearly as possible, the value on each and every item of property rendered and unrendered and liable for taxation in said County for the year 19 79.

(3) That the Tax Assessor-Collector of said County is hereby ordered and directed to place said properties on the tax rolls of the County at the value so fixed upon each item of property belonging to each owner of property, respectively, as shown by the list so approved and hereinabove recited in this order.

APPLICATION FOR AND PERMIT

GRANTING PIPE LINE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW United Gas Pipe Line Company acting herein by and through its duly authorized representative, and hereby petitions your Honorable Court for the right to lay a pipeline under and across the right of way of Coon Creek (Fort Bend County Drainage District) as shown by the plat UA 231-V attached to the executed copy hereof on file in the County Judges' Office and the Drainage District Engineers' Office of Fort Bend County.

Petitioners agree to bury 4 1/2" O.D. steel pipeline for the transportation of natural gas below grade as per plat attached and keep said pipeline in good condition at all times and to relocate said pipeline at Petitioners' expense when ordered to do so by the County or its Engineer when it is necessary for the deepening or widening of said drainage easement.

Petitioner further agrees to obey all rules of the County Commissioners and its Engineer in the construction, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of laying, maintenance or operation of said pipeline.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 17th day of September, 1979.

1 RE: ORDER ABANDONING A PORTION OF SKINNER LANE IN PRECINCT #4:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Tony Jebbia, and duly passed, the court approved the order abandoning a portion of Skinner Lane in Precinct #4, as follows:

ORDER ALTERING PUBLIC ROAD

THE STATE OF TEXAS §
COUNTY OF FORT BEND §

KNOW ALL MEN BY THESE PRESENTS:

At regular session of the Commissioner's Court of Fort Bend County, Texas, held on the 15th day of October, 1979, Commissioners Johnnie Pustka, Tony Jebbia, Ed Helwig, Dub Schmidt, and County Judge Jodie Stavinoha were present, the following proceedings were had:

"WHEREAS, a public road right-of-way knows as "Skinner Lane" has previously been used by the general public as a prescriptive road easement; and,

WHEREAS, a Petition has been presented to said Court by Ward K. Onstad, Trustee, a freeholder in Fort Bend County, Texas, for the abandonment of a portion of said Skinner Lane, said portion being more particularly described in Exhibit "A", attached hereto and made a part hereof, and for the substitution therefor the tract of land described in Exhibit "B", attached hereto and made a part hereof, said tract of land described in Exhibit "B", attached hereto being the identical tract of land described in right-of-way dated November 30, 1976 from Ward K. Onstad, Trustee to the County of Fort Bend and the State of Texas, recorded in Volume 704, Page 865, Deed Records, Fort Bend County, Texas, to which reference is here made; and,

WHEREAS, it appearing to the Commissioner's Court that a new road has been constructed on the property described in Exhibit "B" attached hereto and that such abandonment and substitution are in the best interests of the general public:

NOW, THEREFORE, upon Motion of Commissioner HELWIG _____, seconded by Commissioner JEBBIA _____, duly carried;

It is ORDERED that:

(1) The portion of Skinner Lane which is described in Exhibit "A" is hereby abandoned and all right of Fort Bend County and the public therein are hereby abandoned to the said Ward K. Onstad,

Trustee SAVE AND EXCEPT the Southerly one-half (S/2) of the portion of the property described in in Exhibit "A" attached hereto which adjoins the property of Bert F. Winston, which portion is hereby abandoned to the said Bert F. Winston, the said Ward K. Onstad, Trustee and Bert F. Winston being the adjacent landholders; and,

(2) That the Court accept the above described right-of-way from Ward K. Onstad, Trustee of the property described in Exhibit "B" in substitution for the abandoned portion; and,

(3) That the County Judge and County Clerk be authorized and directed to execute such instruments as may be necessary to accomplish the objectives of these Orders."

IN WITNESS WHEREOF, the undersigned have executed this instrument this the 15 day of October, 1979.

15 RE: ACT ON FORMATION OF FORT BEND COUNTY INDUSTRIAL DEVELOPMENT BOARD:

On Motion of Commissioner Tony Jebbia, seconded by Commissioner Ed. H. Helwig, and duly passed, the court ordered that the revised Resolution as presented to the court setting up the Industrial Development Corporation be adopted with the Mayors and 4 Commissioners serving the original board of directors, being the governing body and the County Judge being the Resident Agent.

RESOLUTION AUTHORIZING THE CREATION OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION AS AN INSTRUMENTALITY OF FORT BEND COUNTY; AND CONTAINING OTHER PROVISIONS RELATING TO THE SUBJECT

WHEREAS, the Development Corporation Act of 1979, 1979 Tex. Gen. Laws, Ch. 700, § 1, at 1675 (the "Act"), authorizes the creation and administration of industrial development corporations to act on behalf of cities, counties and conservation and reclamation districts in the promotion and development of commercial, industrial and manufacturing enterprises to promote and encourage employment and the public welfare; and

WHEREAS, the Act authorizes cities, counties and conservation and reclamation districts to utilize an industrial development corporation to issue obligations and bonds on behalf of the sponsoring city, county or conservation and reclamation district to finance projects promoting and developing commercial, industrial and manufacturing enterprises; and

WHEREAS, three natural persons, each of whom is at least eighteen years of age and a qualified elector of Fort Bend County (the "Unit"), have filed with the Commissioners Court (the "Governing Body") of the Unit a written application (the "Petition") requesting that the Unit authorize and approve the creation of FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION (the "Corporation") and approve the Articles of Incorporation to be used in creating the Corporation; and

WHEREAS, the Corporation has been or will be created and organized as a Texas non-profit corporation, pursuant to the provisions of the Act, for such limited purposes; and

WHEREAS, the Governing Body of the Unit has reviewed and approved the Petition and the Articles of Incorporation and has determined to authorize and approve the creation of the Corporation, a not-for-profit entity, as its constituted authority and instrumentality to accomplish the specific public purpose of the promotion and development of commercial, industrial and manufacturing enterprises to promote and encourage employment and the public welfare; NOW, THEREFORE;

BE IT RESOLVED BY THE COMMISSIONERS COURT OF FORT BEND COUNTY:

Section 1: That the Corporation is hereby authorized and approved for creation as an industrial development corporation under the provisions of the Act.

Section 2: That the Corporation is hereby designated as the duly constituted authority and instrumentality of the Unit (within the meaning of those terms in the regulations of the Treasury and the rulings of the Internal Revenue Service prescribed and promulgated pursuant to Section 103 of the Internal Revenue Code of 1954, as amended) and shall be authorized to act on behalf of the Unit for the specific public purpose of the promotion and development of commercial, industrial and manufacturing enterprises to promote and encourage employment and the public welfare; but the Corporation is not intended to be and shall not be a political subdivision or a political corporation within the meaning of the Constitution and the laws of the State of Texas (the "State"), including without limitation Article III, Section 52 of the State Constitution, and the Unit does not delegate to the Corporation any of its attributes of sovereignty, including the power to tax, the power of eminent domain and the police power.

Section 3: That the Corporation may, under the conditions set forth in this Resolution, issue obligations on behalf of the Unit, acquire, lease, sell or convey certain properties and make loans for the promotion and development of commercial, industrial and manufacturing enterprises to promote and encourage employment and the public welfare. The Unit shall not lend its credit or grant any public money or thing of value in aid of the Corporation. Furthermore, obligations issued by the Corporation with the approval of the Unit shall be deemed not to constitute a debt of the State, of the Unit or of any other political corporation, subdivision or agency of the State or a pledge of the faith and credit of any of them, but such obligations shall be payable solely from the funds herein provided. The Corporation shall not be authorized to incur financial obligations which cannot be paid from proceeds of the obligations or from revenues realized from the lease or sale of a project or realized from a loan made by the Corporation to finance or refinance in whole or in part a project. "Project" shall mean the land, buildings, equipment, facilities and improvements (one or more) found by the Board of Directors of the Corporation (the "Board of Directors") to be required or

11

suitable for the promotion of commercial or industrial development and expansion, the promotion of employment or for use by commercial, manufacturing or industrial enterprises, irrespective of whether in existence or required to be acquired or constructed after the making of such findings by the Board of Directors.

Section 4: That the Articles of Incorporation of the Corporation in the form attached hereto, is hereby approved for use and adoption by the Corporation; provided, however, that any amendments to the Articles of Incorporation shall be subject to the further approval of the Governing Body.

Section 5: That the Governing Body shall approve by written resolution any agreement to issue bonds, including refunding bonds, adopted by the Corporation, which agreement and resolution shall set out the amount and purpose of the bonds. Furthermore, no issue of bonds, including refunding bonds, shall be sold and delivered by the Corporation without a written resolution of the Governing Body adopted no more than 60 days prior to the date of the sale of the bonds specifically approving the resolution of the Corporation providing for the issuance of the bonds.

Section 6: That, upon dissolution of the Corporation, the Unit shall accept title to or other interests in any real or personal property owned by the Corporation at such time.

Section 7: That the Governing Body has considered evidence of the posting of notice of this meeting and officially finds, determines, recites and declares that a sufficient written notice of the date, hour, and place of this meeting and of the subject of this resolution was posted on a bulletin board located at a place convenient to the public in the County Courthouse of the Unit for at least 72 hours preceding the scheduled time of such meeting; and that such place of posting was readily accessible to the general public at all times from such time of posting until the scheduled time of such meeting; and that such meeting was open to the public as required by law at all times during which the Resolution and the subject matter thereof was discussed, considered and formally acted upon, all as required by the Open Meetings Law, Article 6252-17, Vernon's

11

Texas Civil Statutes, as amended. The Governing Body further ratifies, approves and confirms such written notice and the contents and posting thereof.

RESOLUTION AMENDING ARTICLES OF INCORPORATION

WHEREAS, at a meeting held on October 15, 1979, the Commissioners Court of Fort Bend County, Texas (the "Unit") approved the Articles of Incorporation of Fort Bend County Industrial Development Corporation (the "Corporation"); and

WHEREAS, the Articles of Incorporation (the "Articles") were filed with the Secretary of State of Texas and approved by the Secretary of State through the issuance of his Certificate of Incorporation on October 16, 1979; and

WHEREAS, the Board of Directors of the Corporation adopted the Articles as approved by the Unit and the Secretary of State at an organizational meeting of the Board held on November 14, 1979; and

WHEREAS, the first paragraph of the Articles contained an error in reference to the Development Corporation Act of 1979; and

WHEREAS, Article VI of the Articles incorrectly stated that the Bylaws of the Corporation had been approved by the Commissioners Court of the Unit; and

WHEREAS, Article VII of the Articles contained an error in the street address of the initial registered office of the Corporation; and

WHEREAS, Article VIII of the Articles contained an error in the spelling of the names of two members of the Board of Directors, incorrectly showing the name of Florian Sliva, Jr. as "Florian Silva, Jr." and the name of Benjamin Babovec as "Benjamin Babovek"; and

11

WHEREAS, Article IX of the Articles contained errors in the addresses shown for James C. Plato and Bob C. Dare, incorporators of the Corporation; and

WHEREAS, it is the desire of the Board of Directors of the Corporation that the Articles be amended to correct the errors stated above; NOW, THEREFORE,

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION THAT:

Section 1: The Articles of Incorporation shall be amended as shown in the attached "Articles of Amendment to Articles of Incorporation of Fort Bend County Industrial Development Corporation".

Section 2: This Resolution shall constitute a written application to the Unit requesting approval of the Articles of Amendment.

Section 3: Upon approval by the Unit, the Articles of Amendment shall be filed in the office of the Secretary of State in accordance with the requirements of Article 5190.6, Vernon's Annotated Texas Civil Statutes.

PASSED AND APPROVED this 14th day of November, 1979.

ARTICLES OF AMENDMENT TO ARTICLES OF INCORPORATION OF FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION

RE: LETTER FROM SOUTHWEST TEXAS STATE UNIVERITY, TEXAS JUSTICE OF THE PEACE TRAINING CENTER OF SAN MARCOS, TEXAS READ INTO THE MINUTES:

Judge Jodie E. Stavinoha read into the minutes a letter from the Southwest Texas State University, Texas Justice of the Peace Training Center of San Marcos, Texas concerning the completion of twenty hour course by Judge L. E. Equia, Justice of peace of precinct #3. Letter as follows:

Southwest Texas State University

Texas Justice of the Peace Training Center

San Marcos, Texas 78666

(512) 245-2349

October 17, 1979

Hon. Jodie E. Stavinoha
Fort Bend County
Courthouse
Richmond, Texas 77469

Dear Judge Stavinoha:

During the week of October 9-12, 1979, Judge L. E. Eguia successfully completed a twenty hour course in the responsibilities of the office of Justice of the Peace. Article 5972 of the Texas Revised Civil Statutes requires each newly elected/appointed Justice of the Peace to complete a forty hour course in the responsibilities of the J.P. office and additionally to complete a twenty hour course each year thereafter. This article encompasses all justices who took office since August 30, 1963 and are not licensed attorneys. The funding of this program, which provides free room and board for the judges at the seminar, is made possible through a grant from the Governor's Office, Criminal Justice Division.

We at the Training Center realize how important it is to you and the people you serve to insure that your county Justices of the Peace are properly trained and equipped to carry out the duties and obligations of the office. As ninety to ninety-five percent of our citizenry have their one and only contact with a lower court judge, it is imperative that this contact be as judicious as possible.

You may wish to enter this letter in the minutes of your next commissioners court meeting in order that it may become a permanent record. If we at the Training Center can ever be of assistance, please do not hesitate to call.

Sincerely,

Ronald D. Champion
Executive Director

12 RE: LINDA BIBLE, OFFICE OF EARLY CHILDHOOD DEVELOPMENT - REQUEST APPROVAL TO APPLY FOR GRANT FROM TEXAS DEPARTMENT OF COMMUNITY AFFAIRS:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner Ed. H. Helwig, and duly passed, the court authorized to support request to apply for grant from Texas Department of Community Affiars for the Early Childhoold Development, Inc. as follows:

October 24, 1979

Mr. Omar Harvey
Executive Director
Texas Department of Community Affairs
P. O. Box 13166, Capitol Station
Austin, Texas 78711

Dear Mr. Harvey:

The Fort Bend Office of Early Childhood Development, Inc. has demonstrated its ability to act as an advocate for the children and families of Fort Bend County. This agency is submitting a proposal entitled Coordinated Community Resource Planning to the Texas Department of Community Affairs for a grant. This grant would allow O.E.C.D. to find Title XX eligible children and coordinate county resources to serve them.

We support this agency in its efforts and believe that it is the proper entity to implement this project.

Thank you for your consideration.

Yours very truly,

STATE OF TEXAS I

COUNTY OF TRAVIS I

C O N T R A C T

The Texas Youth Council, hereinafter called TYC, and the Juvenile Board and Commissioners' Court of Fort Bend County, hereinafter called the Contract Agency, by this agreement and in consideration of the mutual promises set forth below, have agreed as follows:

I. OBJECTIVE: By entry into this contract with TYC, the Contract Agency agrees to work toward attainment of the objective of the Texas Youth Council Community Assistance Program. The objective of that program is to reduce the number of children committed by juvenile courts to the Texas Youth Council through the purchase or direct provision by contract agencies of programs and/or services in the community which enable an alternative disposition to TYC commitment for children adjudged to have engaged in delinquent conduct.

II. CONTRACT AGENCY PERFORMANCE: Performance of the Contract Agency in meeting the objective of the Community Assistance Program is measured by computing the difference between the projected TYC commitment rates in the Contracting Agency's jurisdiction indicated below for the fiscal year 1980 and the actual commitment rates for that same period computed monthly and at the end of the contract period. Performance is indicated by actual monthly and annual commitment rates lower than the ones predicted.

During fiscal year 1980 (September, 1979 through August, 1980), 10.032 youth or an average of .836 youth per month would be expected to be committed from the Contracting Agency's jurisdiction.

III. UTILIZATION OF FUNDS: Funds paid to the Contract Agency by the TYC pursuant to this contract shall not be utilized to supplant funds for basic juvenile probation services which are presently being provided by county government. While these Community Assistance Program funds may be utilized to enrich, supplement and otherwise support basic juvenile probation services, it is the intent of the Community Assistance Program that they be used primarily for the provision of community-based alternate care programs and services not formerly financed by county government. More specifically, the

4

TYC Community Assistance Program is intended to support the development of program service alternatives coming between the judicial dispositions of probation supervision and TYC commitment.

These alternatives may include but are not limited to the following:

A. Residential Programs:
   1. Halfway Houses
   2. Residential Treatment Centers
   3. Foster/Group Home Care

B. Non-Residential Services:
   1. Intensive Supervision Units
   2. Psychological/Psychiatric Counseling
   3. Day Care Programs

C. Individual Program Planning (Diagnosis, Assessment, and Post Disposition Plan)

Community Assistance Program funds may be expended in the following manner:

1. Salary plus fringe benefits for persons who provide direct services to youth being referred to the county juvenile probation agency and were hired because of the increased need. Fringe benefits should be consistent with those paid for all county employees.
2. Travel reimbursement for those employees whose travel is directly related to this program.
3. Professional fees which are necessary for the placement of children in residential programs.
4. Contract services which may include purchase of residential and non-residential services from public or private non-profit agencies.
5. Direct purchases for youth, such as clothing, food, school supplies, vocational training, medical, dental and psychological services, etc. when no alternative source of funding is available.
6. Any other expenses not falling into the above categories, but used in the area of child care services may be allowable subject to prior TYC approval of the contractual application detailing such expenditures or by written authorization of the Administrator of the Community Assistance Program.

By entry into this contract with the TYC, the Contract Agency agrees to assist the TYC in the development and use of alternative programs for youthful offenders not requiring institutionalization. In no

event will these funds be used outside the area of child care services.

IV. PAYMENT: For the consideration herein recited, the Texas Youth Council shall pay the Contract Agency during the term of this contract a sum of money determined by multiplying $4,500.00 by the number of commitments to the Texas Youth Council less than 10.032, subject to the terms and conditions hereinafter set out.

In the event that commitments from courts within the geographical limits of the Contract Agency exceed its cumulative monthly base rate during its Fiscal Year 1980 contract with TYC, such excess commitments shall be carried forward into the term of this contract. Any such excess commitments shall be included in the computation of payment due under this contract as if the said commitments occurred during the first month of the term of this contract.

Computation of payment due the Contract Agency shall be made according to the following formula:

Cumulative monthly base rate - cumulative commitments = cumulative diversion;

Cumulative diversion x $4,500.00 = total earned to date of computation;

Total earned to date - total of previous payments = monthly earnings.

The Contract Agency agrees that any and all payments hereunder are subject to the continuing availability of funds appropriated by the Legislature for the Texas Youth Council Community Assistance Program. In the event that such funds are not available for any portion of the term of this contract, the Contract Agency agrees to maintain its efforts as described in Paragraphs I and II hereof, in consideration for continued eligibility for funding under any future Community Assistance Contract.

V. FISCAL RULES AND REGULATIONS:

1. MAINTENANCE OF EFFORT: Maintenance of local fiscal effort is required. Reduction in local fiscal support of a program violates the maintenance of local fiscal effort requirement and shall result in termination of TYC funding.
2. SEPARATE ACCOUNTABILITY: Contract Agency agrees to establish and maintain separate accountability for all contract funds, including a separate recording of contract expenditures.
3. FISCAL REGULATIONS: The fiscal administration of contracts shall be subject to the rules, regulations, policies and procedures of the TYC Community Assistance Program Diversion Contracts, Manual (August, 1978).
4. REPORTS: The Contract Agency shall submit, at such time and in such forms as may be prescribed, monthly and final financial

reports. Failure to submit required reports within the prescribed time constraints may result in unnecessary delays or in the termination of funding for the program.

A. Monthly Reports - Monthly expenditure reports shall be submitted to TYC no later than the 10th day of the month following the month being reported. Reports should summarize program expenditures under the six categories in which program funds may be utilized. These categories are:

1. Personnel
2. Travel
3. Professional fees
4. Contract services
5. Direct purchase
6. Other

Monthly reports will be used in conjunction with other reports to review and monitor contract programs and also assist the Contract Agency in measuring program progress.

B. Final Report - A final report will consist of a summary of all expenditures in the six categories in each of the treatment programs listed in Section III, Utilization of Funds, above. The final report is due thirty (30) days after all funds have been expended or at the end of the one year continuance period if used. Forms for both the quarterly and final reports will be provided by TYC.

5. OBLIGATION OF CONTRACT FUNDS: Contract funds may be obligated only for expenditures for personnel cost or for direct services as long as such services are received during the contract period. In no case may contract funds be expended for services received prior to the contract period. At the close of the contract period, an additional 1 year period will be allowed for the expenditure of all funds received under this contract. At the end of that time, any funds that have not been spent will be returned to TYC.
6. PROJECT COMPLETION: The Contract Agency agrees to file a final report thirty (30) days after expenditure of contract funds.
7. EXPENSES NOT ALLOWABLE: Contract funds may not be expended for (a) items not part of the contractual services, personnel cost, travel or supplies and direct operating expense as stated in the contract application and Section III of Contract; (b) purchase of land and construction of buildings or implementation of improvements thereon, or payment of real estate mortgages or taxes; (c) purchase of equipment or other capital expenditures without prior TYC approval in written form.

8. MAINTENANCE OF RECORDS: Financial records and supporting documents generated by this contract shall be retained, with the oversight of the County Auditor, in compliance with Article 1651, V.A.T.S. Statistical records, required reports and all other records pertinent to the program or any component part thereof shall be retained by the Contract Agency for three (3) years from the date of the Contract Agency's submission of the final expenditure report. The records must be retained beyond the three-year period if audit findings have not been resolved. Provisions to this effect must be included in all contracts, subcontracts, or other arrangements for implementation of this program or any component thereof.

9. INSPECTION AND AUDIT: The State of Texas, Texas Youth Council, or any of their duly authorized representatives shall have access to any books, documents, papers, and records pertinent to this program for the purpose of making audits, examinations, excerpts, and transcripts. A provision to this effect shall be included in all contracts, subcontracts or other arrangements for implementation of the program or any component thereof.

10. CONTRACT AGENCY AGREEMENT: It is understood and agreed by the Contract Agency that any funds received pursuant to this contract shall be subject to the above standard conditions, special items, and other policies and rules issued by the Texas Youth Council for administration of TYC programs. 11

VI. PROGRAM STANDARDS:

1. The Contract Agency agrees to adhere to the TYC Community Assistance Program Diversion Contracts Manual (August, 1978) where these are not in conflict with the provisions of this contract, in which case the contractual provisions will be adhered to.
2. Residential Programs shall be licensed by the Texas Department of Human Resources for those programs which are under the licensing authority of the Department of Human Resources.
3. Residential Programs shall comply with all state licensing laws which apply to the Agency and with applicable local ordinances and building codes regarding fire, safety and health requirements.
4. TYC shall make periodic onsite visitations and reviews of Contract Agencies to assure the provision of quality services, to ascertain compliance with the TYC Rules, Regulations and Standards governing this program and to ensure that the program is providing the quantity and mode of services for which TYC funding is being provided.

   These visits may include examination of client records, observation of programs in operation, interviews and meetings with

program staff, client and family interviews and meetings with appropriate community officials, agencies and organizations.

5. The Contract Agency shall provide services in compliance with all applicable provisions of the Civil Rights Act of 1964, the Education Amendments of 1972, and the Rehabilitation Act of 1973.

VII. This contract may be terminated by either party giving 30 days written notice to the other party hereto of the intention to terminate.

VIII. The Contract period will begin on _____ and terminate on August 31, 1980.

IX. A resolution by the County Commissioners approving this contract shall be attached to the contract.

October 24, 1979

The Honorable Jodie E. Stavinoha
County Judge, Fort Bend County
P.O. Box 368
Richmond, Texas 77469

Dear Judge Stavinoha:

It was a pleasure having the opportunity of meeting with you, Ms. Stavinoha, Librarian of the Fort Bend County Library, and members of the Library Board. Submitted herein is my proposal for my services as a Library Consultant for the proposed new Fort Bend County Library building. My consultation services will include the following:

1. The preparation of a Library Building Program. This document would designate the size of the building, the spaces required for the various library functions, the relationships among the various spaces, as well as any special needs with regard to lighting, humidity, serving the handicapped, etc. Time needed to prepare this document--2 to 3 months.

   Fee $2,000

2. Reviewing the plans developed by the architect, including the schematics and preliminary plans and specifications, developing with the architect and library staff a functional furniture layout, reviewing the final plans and specifications.

   Fee $1,000
   Total Fee $3,000

In addition, trips to Richmond or other locations by me for meetings with the architect, library staff, etc., as required to be billed at 17¢ per mile.

Sincerely,

Len Radoff

15 RE: JAIL COMMISSION REPORT:

Mr. Maurice G. Wood, Supervising Inspector, with the Texas Commission on Jail Standards gave the following report on the Fort Bend County Jail.

11

Fort Bend COUNTY
Richmond, Texas

SUBJECT: COUNTY JAIL INSPECTION REPORT

State Law requires periodic inspections of county jails facilities (Arts. 5115, 5115.1, V.A.T.Civ.S.; Rule 217.25, Tex. Com. Jail Stds.). This facility was inspected on the date indicated below, and the inspection indicates that the facility fails to comply with the minimum standards set forth on the enclosed attachment. You are urged: (1) to give these areas of noncompliance your serious and immediate consideration; and (2) to promptly initiate and complete appropriate corrective measures. The Commission and its staff is available to discuss or assist you with the appropriate corrective measures required.

Maurice G. Wood
Supervising Inspector

Date of inspection: 10-30-79

NOTE: Upon review of this report by the Texas Commission on Jail Standards, a Notice of Noncompliance to the responsible sheriff and the commissioners' court will be issued. Failure to initiate and complete corrective measures following receipt of the Notice of Noncompliance may result in the issuance of a Remedial Order (Rule 217.25, et seq.).

Re: Fort Bend County Courthouse
Richmond, Fort Bend County, Texas

Dear County Commissioners:

I am pleased to inform you that the State Board of Review approved the above referenced site or structure(s) for nomination to the National Register of Historic Places at its meeting October 23.

The next step is to complete the National Register form for final submittal to the Washington office. If you like, you may leave the nomination with the Register staff and we will finish this process. However, we labor under a constant backlog and are comitted to finish the nominations approved earlier in 1979 before we concentrate on these most recent ones. Therefore, I strongly recommend that you consider hiring an individual with special training in writing nominations. Recently, the Historical Commission conducted seminars that addressed specific points of nominations writing and compiled a list

2

of persons that attended those seminars, have undergone one-on-one instruction, or have proven their ability by writing several successful nominations for the Commission. Enclosed is a copy of that list. If the file already contains substantial information, the cost to you will be quite low. Again, if you are not particularly concerned with timing, we will be glad to write the final version in-house.

If you sent slides for use at the Board meeting, thank you very much. We would like to retain them for our files, unless you want them returned. I look forward to working with you toward the eventual listing of your property on the National Register of Historic Places.

Sincerely,

Lissa Anderson

7 RE: DISCUSS CIRCLE "C" LANDFILL APPLICATION IN PRECINCT #3:

The Court discussed the Circle "C" Landfill.

Members of Missouri City Council and the Meadowcreek Homeowners' Association appeared before the Court to solicit the courts' aid in opposing the proposed Circle "C" landfill near FM 2234 and Court Road.

Bill Marshall, Missouri City Councilman, told Commissioners' that residents of the City are fighting the approval of a state permit for the private landfill because

they fear it will increase health, safety and traffic problems and lower land values in the area.

Mr. Ken Valka, Attorney for the Circle "C" landfill argued the site would help the city by filling two dangerous pits.

Mr. Ron Quiggins, President of the Meadowcreek Homeonwers' Association, also, expressed his opposition to the proposed Circle "C" Landfill.

Missouri City Councilwoman, Carol Eguia said she opposes the private operation of a landfill at that site, but believes the sand pits should be reclaimed.

Commissioners' took no action on the matter, after Assistant District Attorney Timothy Slaon, advised that the county is not in the position at this time to make a decision until both sides have been heard.

The following is a letter presented to the court by the City of Missouri City, Councilwoman Carol Eguia.

Dear Jodie:

I believe that the private operation of the Circle "C" landfill is not in the best interest of Missouri City at this time, but I must disagree with Councilman Bill Marshall that "Missouri City is opposed to any landfill operating in close proximity to our City." I've talked to a number of people including ones in adjoining Meadowcreek and they would like something done about the sandpits in their area which even now contain trash, water, snakes and rats and to which many heavy trucks travel daily.

I for one am not willing to turn my back on the citizens of that area and leave them with nothing but large, dangerous, unsightly holes to view from their windows while their property devaluates and the roads in the area erode into the pits. I am also not willing to leave a hundred or so blighted acres in the center of our City.

The proposed Circle "C" landfill is located in the County at this time, but in our ETJ and will directly concern our City. Our City is also located in the County at this time and thus will directly concern you. There is no doubt that something corrective and productive needs to be done here but I, as well as others, think that the private operation of the landfill will neither be controlled or policed properly.

Enclosed is a copy of my recent memo to Missouri City Council which so far has generated little interest, but I believe is still appropriate. It is one thing to stop something you deem bad; it is another thing to start something you consider good.

Sincerely,

Carol Eguia

TO: Mayor, City Council, City Manager and Parks Director

FROM: Councilwoman Eguia

SUBJECT: Large Centralized Park for Missouri City

DATE: August 9, 1979

It occurs to me that the City may want to look into the possibility of purchasing the one-hundred or so acres just north of Meadowcreek that contain a number of large sand pits. That area could become, with a certain amount of reclamation, the "large centralized park" that has been mentioned so much lately, and for which we have been saving our money.

Those pits will one day have to be filled, and to do so under the supervision and control of the City may be more acceptable to the citizens than if it's done by private parties.

It's really a two-way street. The City wants a park; when FM 2234, 1092 and Cartwright Road are widened there will be a great amount of debris that will need dumping close by. The City may qualify for matching funds or funds for reclamation and should be able to at least break even on operating the landfill, maybe even make money.

The folks in Meadowcreek and the others that live close by would at least have something to look forward to in regard to the views from their windows and increased value of their land, albeit that we are talking several years. It is an option that they have not had before, and as far as the snakes and rats go, they're already there, with no plan, that I know of, for their eradication.

11

As far as the destruction of the roads is concerned, all three major roads in the area are going to be redone anyway. With strict rules and enforcement on overloading and hours of operation, the City could control most damage and littering, even if police officers were assigned to the landfills for the several years it will take. Their additional salaries can be paid by the landfill profit funds.

On the plus side there are a number of beautiful trees; native pecan, persimmon, etc. and muscadine vines as big as my arm in the areas that have not been dug. Stafford Run runs through the area and the banks could be cleaned, widened and beautified and that could be a help to the drainage. From the aerial photo I've seen, it looks like there could be access from Cartwright Road along Stafford Run which would then give access from all directions.

The land in that area should be less expensive than land in other areas of the City.

The use of reclaimed landfills is limited, I understand, to things like parks and I feel that there will also be a limit to how long we will be able to sell the general public on the idea that "we are going to use the Revenue Sharing Funds for a large park," unless we can someday give a definite, "where."

I've visited with several folks on this idea and the pros are definitely ahead. I haven't been able to categorize Ken Valka's reaction yet. I think it was "pure shock."

The most important thing at this point is a study of the problems to be encountered. First of all, I'm not sure the people, or enough of them, would be willing to sell. I don't even know who owns all of the land. After the sand is dug out there is very little the land or hole is good for and yet the taxes must still be paid. Sooner or later if something's not done to fill those pits, we will have someone else drown and one day the City may have to condemn them and not allow any more to be dug within the City limits.

I think it would be nice if Missouri City could eventually end up with three nice wide roads, most of the dangerous holes filled, and a nice large park in the almost geographical center of town. Even though we're talking in years, it could, with planning, all come out even like syrup and biscuits. Then we could have room for everything; ball fields, tennis courts, jogging trails, fountains, picnic tables, swimming pool, fishing lake, landscapped stream, maybe even a waterfall; and how about a public golf course?

I feel that all of these things are just down the road for Missouri City--certainly not out of our reach.

15 RE: APPLICATION FOR AND PERMIT TO SOUTHWESTERN BELL TELEPHONE COMPANY, REQUEST FOR PERMIT TO LAY BURIED CABLE UNDER FM-1489 AND ALONG BUCKSTEIN ROAD NEAR VALLEY LODGE IN PRECINCT #4:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Tony Jebbia, and duly passed, the court approved the application for and permit to Southwestern Bell Telephone Company for request for permit to lay buried cable under FM-1489 and along Buckstein Road near Valley Lodge in Precinct #4, as follows:

APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS
% County Courthouse
Richmond, Texas 77469

COMES NOW Southwestern Bell Telephone Company

acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

SEE ATTACHED SKETCH

R.O. 85106

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make any changes in said cable and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners' and its Engineer in the construction and installation, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 15 day of October 19 79.

10 RE: AUDIT REPORT OF THE FUNDS OF ~~THE~~ FORT BEND COUNTY AND FORT BEND COUNTY DRAINAGE DISTRICT FOR THE YEAR ENDING DECEMBER 31, 1978: BY DELOITTE HASKINS & SELLS:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner Tony Jebbia, and duly passed, the court authorized to enter into the minutes the Audit Report presented the court by Deloitte Haskins & Sells, report of the funds of Fort Bend County and Fort Bend County Drainage District for the year ending December 31, 1978, as follows:

(Recorded in the minutes in full)

AUDITORS' OPINION

Honorable Jodie Stavinoha, County Judge,
and Members of the Commissioners Court
of Fort Bend County, Texas:

We have examined the statements of cash receipts and disbursements of the various funds of Fort Bend County, Texas (Exhibits I through VIII) and of Fort Bend County Drainage District (Exhibits IX and X) for the year ended December 31, 1978. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The statements of cash receipts and disbursements are summaries of the cash activities of the funds of the County and the District and do not include certain transactions that would be included if the County and the District prepared their financial statements on the accrual basis, as contemplated by generally accepted accounting principles. Accordingly, the accompanying statements are not intended to present results of operations in conformity with generally accepted accounting principles.

11

In our opinion, the accompanying statements present fairly the cash receipts and disbursements of the various funds of Fort Bend County, Texas and of Fort Bend County Drainage District for the year ended December 31, 1978, on the basis of accounting described in note 1, which basis has been applied in a manner consistent with that of the preceding year.

FORT BEND COUNTY, TEXAS

NOTES TO STATEMENTS
OF CASH RECEIPTS AND DISBURSEMENTS
FOR THE YEAR ENDED DECEMBER 31, 1978

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by Fort Bend County, Texas (the "County") are as follows:

Basis of Accounting

The accounts of the County are maintained and the accompanying statements have been prepared on the cash basis.

Ad Valorem Tax Collections

For budgetary control purposes ad valorem tax collections based on the current year's tax levy are not made available for expenditure until the following year. Such collections are held in the Tax Collector's Fund until January of the following year when they are distributed to appropriate County and Fort Bend County Drainage District (the "District") funds. At December 31, 1978 such collections were held for distribution in the following amounts:

11

Fort Bend County Funds:	
General	$ 77,986
Road and bridge	54,590
Farm to market and lateral roads	45,855
Fort Bend County Drainage District Funds - Maintenance available	31,403
Total	$209,834

Temporary Cash Investments

Temporary cash investments of U. S. Treasury bills are stated at cost, which approximates market.

Escrow Moneys

The financial statements do not include certain escrow moneys held in trust by the District Clerk and County Clerk of Fort Bend County, subject to judicial order, for the account of designated parties.

Vacation Pay and Sick Leave

Employees are paid by prescribed formula for absence due to vacation or sickness. The eligibility for each benefit lapses at year end; accordingly, the County had no liability for vacation or sick leave at December 31, 1978.

(Continued) - 1.

10

2. RETIREMENT PLAN

All officials and full-time employees of the County are members of the Texas County and District Retirement System, under which the member and the County each contribute an amount equal to 7% of the member's earnings. These amounts include amortization of prior service cost over an 11 year period. The County's policy is to fund all retirement plan costs as they accrue.

Based on the latest actuarial valuation, which was made as of December 31, 1977, the excess of the actuarially computed value of vested benefits over the net assets of the retirement plan fund for both County and District employees, who are considered as one group for this purpose, was about $1,217,000. Total contributions to the system by the County for 1978 were as follows:

General fund	$138,810
Road and bridge fund	71,490
Special revenue funds - other	6,329
Total	$216,629

3. LONG-TERM DEBT

Long-term debt at December 31, 1978 consists of the following:

Name of Issue	Interest Rates	Bonds and Warrants Issued	Retired	Outstanding
Unlimited Tax Road Bonds, Series 1962 - issued August 1, 1962	4.50%	$ 25,000	$ 25,000	
	3.00%	120,000	120,000	
	3.25%	95,000	60,000	$35,000
	3.30%	75,000	75,000	
Total		$315,000	$280,000	35,000
Time Warrants, Series 1969 - issued August 15, 1969	6.00%	$ 88,000	$ 78,000	10,000
Total				45,000
Note payable dated May 3, 1977 original amount of $39,000 payable in 28 monthly instalments of $1,500 and one instalment of $150, including interest at 7.00%; collateralized by security interest in road construction equipment				13,257
Total long-term debt				$58,257

All of the remaining long-term debt will mature during the year ending December 31, 1979.

11

4. CONTINGENT LIABILITIES

The County is contingently liable in respect of lawsuits and other claims in the ordinary course of its operations. The settlement of such contingencies under the budgetary process would require appropriation of revenues yet to be realized and would not materially affect the financial position of the County at December 31, 1978.

5. SUBSEQUENT EVENT

In February 1979 the County sold $3,500,000 in general obligation bonds for the construction of a new County jail and renovation of the current facility. The bonds mature over a fifteen year period beginning March 1, 1980 with interest payable semi-annually beginning September 1, 1979.

FORT BEND COUNTY DRAINAGE DISTRICT

NOTES TO STATEMENTS OF CASH RECEIPTS AND DISBURSEMENTS FOR THE YEAR ENDED DECEMBER 31, 1978

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by Fort Bend County Drainage District (the "District") are as follows:

Basis of Accounting

The accounts of the District are maintained and the accompanying statements have been prepared on the cash basis.

Ad Valorem Tax Collections

For budgetary control purposes ad valorem tax collections based on the current year's tax levy are not made available for expenditure until the following year. Such collections are held in the Fort Bend County, Texas (the "County") Tax Collector's Fund until January of the following year when they are distributed to appropriate County and District funds. At December 31, 1978, $31,403 of such collections was held for distribution for the District.

Temporary Cash Investments

Temporary cash investments of U. S. Treasury bills are stated at cost, which approximates market.

Vacation Pay and Sick Leave

11

Employees are paid by prescribed formula for absence due to vacation or sickness. The eligibility for each benefit lapses at year end; accordingly, the District had no liability for vacation or sick leave at December 31, 1978.

2. GENERAL

Fort Bend County Drainage District was created in 1949 by the Texas Legislature "for the purpose of reclamation and drainage of its overflowed lands and other lands needing drainage." The boundaries of the District are the same as those of the County, and the Commissioners Court of the County is the governing body and the agency through which the management and control of the District is administered.

3. RETIREMENT PLAN

All officials and full-time employees of the District are members of the Texas County and District Retirement System, under which the member and the District each contribute an amount equal to 7% of the member's earnings. Total expenditures for the year for contributions to the System from the Maintenance Available Fund were $25,431, which includes amortization of prior service cost over an 11 year period. The District's policy is to fund all retirement plan costs as they accrue.

Based on the latest actuarial valuation, which was made as of December 31, 1977, the excess of the actuarially computed value of vested benefits over the net assets of the retirement plan fund for both County and District employees, who are considered as one group for this purpose, was about $1,217,000.

The court recessed at 4:55 o'clock P.M. until November 15, 1979 at 1:30 o'clock P.M.

The Court re-convened on November 15, 1979 at 1:30 o'clock P.M. when the following order was had.

RE: APPROVE BILLS:

All accounts shown in minutes of Accounts in Payroll Journal and Warrant Register, in the County Auditors' Office, as approved by the Commissioners' Court in person in November (said sheets in said books being individually certified by each Commissioner as to his bills and by the County Auditor and CountyJudge on other Bills) are hereby approved as to the official action of the Commissioners' Court on Motion of Commissioner Johnnie Pustka, seconded by Commissioner Tony Jebbia and duly passed and approved.

There being no further business the court adjourned at 3:20 o'clock P.M.

2 RE: LETTER FROM THE CITY OF BELLAIRE MUNICIPAL COURT ENTERED INTO THE MINUTES:

County Judge Jodie E. Stavinoha read the following letter, into the minutes, from the City of Bellaire Municipal Court, concerning the meeting of November 30th of the Gulf Coast Chapter of the Texas Court Clerks Association in Sealy, Texas.

City of Bellaire

MUNICIPAL COURT

5110 JESSAMINE BELLAIRE, TEXAS 77401

Attention: Municipal And Justice Court Clerks

Host City for the November 30th meeting of the Gulf Coast Chapter of the Texas Court Clerks Association is Sealy, Texas. Our guest speaker will be Bob Logan of the Texas Judicial Council. His topic will concern the changes in the forms we use to report the activities of our Courts, both Justice and Municipal. Effective January of 1980, ALL Courts will be required to complete them. In the past they have applied only to Courts where the population exceeded 5,000 within the Court's jurisdiction.

For those who have not had to complete these reports, they can be quite confusing. For those who have reported in the past, the changes are complicated. The statistics they provide are used by our Legislators to increase the effectiveness of our Courts in the Criminal Justice System, so it is to our benefit to do them and do them correctly. If you are interested in doing your job as Clerk of the Court in your city or precinct this meeting is a MUST!!!!

Lunch is $5.00 and will be 11:30 a.m. at McCollister's Family Restaurant, 615 Highway 90 West, with the workshop in Council Chambers at City Hall. To make reservations call either Berthie Peikert at 471-2171 or me.

Hope to see you there!

On October 29, 1979 The Supreme Court of the United States denied our motion for a writ of certiorari. Effectively, this means the Court declined to hear our case and let the lower court ruling stand.

The Court decision is by now widely known, and we will shortly be getting formal written notification to all Coalition members. However, since the Flood Insurance Litigation Coalition had its beginning in Fort Bend County, and the heaviest support for the Coalition lawsuit came from Fort Bend County and adjoining Brazoria County, we felt it appropriate to make an appearance before the Fort Bend County Commissioner's Court and personally bring you up to date on the current status of the Coalition and on what has transpired. It is physically impossible to personally appear before every municipality and group that has supported the Coalition; therefore, since the Commissioner's Court represents the entire county, we will take this opportunity to express, on behalf of the Coalition, our appreciation for all the support we have received, both financial and otherwise, from the citizens, municipalities and other groups throughout Fort Bend County. We plan to make a similar appearance before the Brazoria County Commissioner's Court next week.

We are still awaiting a more detailed explanation from our attorneys, along with a final accounting. As that information becomes available, it will be passed along to Coalition members. However, based on all the information available to us at this time, it appears the lawsuit is at an end. It appears there are no further legal options available to us.

As we understand it, the Supreme Court is asked to hear some 4,000 cases each year. Of these 4,000 cases, the Court chooses to hear some 150 cases. Our case was not one of those 150 they chose to hear. Nevertheless, we are disappointed by the Court's action. We sincerely felt the issues involved were important enough to warrant the attention of the Court. The Court apparently felt otherwise.

However, we do not feel our efforts have been in vain. It might be in order to look back at the issues involved and at the reasons we filed the suit in the beginning. Most of those issues have not changed. Most of the objectionable features associated with the Federal Flood Insurance Program still exist. Some of the problems with which we were confronted at that time were:

(1) Inaccurate maps prepared without any effective input from local officials.

(2) Absence of due process procedure for both local governments and individual property owners.

(3) The problem of drastically lowered property values (along with the accompanying erosion of the tax base) in those federally designated flood prone areas.

(4) The mandatory aspect of the program; at that time a local community really had no choice but to join the program. Otherwise, all mortgage loans, including conventional private mortgage loans from local banks and savings and loan institutions would be prohibited in the flood-prone area (some 40% in Fort Bend County.

(5) The seizure by the Federal Bureaucracy of powers that traditionally (and constitutionally) have belonged to local and state governments.

(6) The undeniable fact that the flood insurance program is an acknowledged federal land use control program. Under the program the private property rights of a large, large number of Fort Bend County property owners would be taken in away order to make federally subsidized flood insurance available (at tax payer expense) to a relatively small number of homeowners.

(7) The large cost to the county of administering the program.

(8) The contention that the restrictive land use regulations of the program amounted to the taking of property without compensation.

11

(9) The concern of local officials that they might incur liability in the inverse condemnation question.

(10) The drastic detrimental economic impact the program would have in Fort Bend County.

In view of the above listed reasons, we had no choice but to file the lawsuit, in hopes of correcting some of the objectionable features of the flood insurance program. The objective of our lawsuit was not (in spite of what some people insist) to destroy the program - merely to correct some of the more objectionable features.

Most of the previously mentioned problems still exist. In our opinion, Fort Bend County would still suffer all the problems referred to, if it were to enter the flood insurance program.

However, Fort Bend County is not in the program. Therein lies the major positive accomplishment of our lawsuit. The Eagleton Amendment was passed in 1977, thereby freeing banks and savings and loan institutions from the lending restrictions previously imposed and enabling them to use their own judgment in making mortgage loans, just as they had done for many years, previous to the federally mandated restrictions.

There is little doubt that without the passage of the Eagleton Amendment, Fort Bend County would have been forced to enter the flood insurance program, along with all its accompanying problems. There is also little doubt the Eagleton Amendment, which had failed miserably a year earlier, would not have been passed had it not been for the threat of our pending lawsuit. The feds recognized that the mortgage loan sanction was constitutionally vulnerable and simply could not withstand a court challenge.

If for nothing else, this one change makes all our efforts wothwhile. We can now only hope that further legislative changes will be forthcoming in the future. Again, on behalf of the entire Coalition, we are grateful for and appreciate the support that has been provided by this Court and by other organizations and citizens in Fort Bend County.

INCLUDE MILESTONE SCHEDULE AND METHOD OF EVALUATION

I. BACKGROUND

A traffic engineering study is being conducted for the County of Fort Bend in cooperation with the Traffic Safety Section of the State Department of Highways and Public Transportation (D-18TS). One of the study's recommendations is to update the County's traffic control devices. A sign inventory was prepared and it was used as a basis for determining those signs to be included in this Sign Replacement Program.

Satisfactory completion of this project will bring most signs into compliance with the Texas Manual on Uniform Traffic Control Devices.

II. HSP AUTHORIZATION

The Program Module (PM) for this SRP is 80-02. Its Problem Solution Plan (PSP) is 80-02-02.

III. THE COUNTY OF FORT BEND SHALL:

The County of Fort Bend in exchange for consideration offered by the Traffic Safety Section, and in the interest of improving traffic safety, hereby agrees to perform the following tasks:

A. Prepare an inventory, listing the location, type and condition of all existing traffic signs within its jurisdiction.

B. Determine where new or replacement regulatory and warning signs are required (a) to reduce potential hazards to the motorist within its jurisdiction, and (b) to increase the degree of compliance of regulatory and warning signs with the Texas Manual on Uniform Traffic Control Devices for Streets and Highways, 1973 (TMUTCD) published by the State Department of Highways and Public Transportation (SDHPT).

A traffic and engineering study should be performed to verify the need for each regulatory and warning sign. The well-intended, but improper, and/or the excessive use of regulatory and warning signs can create hazardous conditions for the motoring public. Therefore, in the interest of the public safety and welfare, the following criteria are established for signs to be purchased under this contract:

1. Each sign shall be determined to be necessary based on an engineering and traffic safety study performed by a Registered Professional Engineer (see VCS 3271a, Section 19) using contemporary engineering standards, or

2. Each sign shall be determined to be necessary, using the specific criteria set forth in the TMUTCD.

(Tasks A and B were accomplished as described in the Traffic Engineering Survey currently underway.)

STATEMENT OF WORK

III. THE COUNTY OF FORT BEND SHALL: (continued)

C. Insure that all proposed signs are properly authorized by local ordinances, resolution, or other appropriate action. Regulatory signs shall be installed only where such regulations are legal and enforceable (i.e., where such regulations have been enacted by ordinance, or equivalent, in accordance with state law). Signs purchased through this contract shall not be installed in a position to control motorists driving on any street, road, or highway which is part of the Federal-aid System. Signs may be installed on Non-Federal-aid highways maintained by the State Department of Highways and Public Transportation if, and only if, written approval has been granted by the District Engineer.

D. If the number, size and/or type of signs found to be needed differs from the list shown in Section VI of this Statement of Work, submit a revised list in writing to D-18TS for approval. Upon approval of this list by D-18TS a Contract Change Notice (CCN) will be prepared authorizing purchase of the revised list of signs.

E. Order regulatory and warning signs. All signs purchased must comply with the requirements specified in Attachment 4. The contracting jurisdiction's purchasing department (which must meet all requirements of General Provisions XXX, (Attachment 2) shall purchase the signs through advertised procurement from the lowest qualified bidder.

11

F. Upon receipt of the signs, inspect them in accordance with the requirements of Attachment 4. Assign inventory numbers to each sign and create a permanent inventory list showing the sign number, type, date, time of installation, location and final disposition (include date, if known, the sign is damaged, destroyed, stolen, or removed).

G. Install the signs at the previously determined locations in accordance with the requirements and standards of the TMUTCD. All signs must be installed in a workman-like manner and must meet the requirements of the TMUTCD concerning placement, height, offset, method of maintaining, etc.

H. Complete the Inventory and Maintenance Agreement for Traffic Signs, Attachment 5.

I. Notify D-18TS when the signs have been correctly installed in accordance with the TMUTCD, the sign inventory is complete, the maintenance agreement has been signed, and the contracting jurisdiction is fully prepared for the inspection described in item J below.

SRP - COUNTY OF FORT BEND

ATTACHMENT 1
STATEMENT OF WORK

III. THE COUNTY OF FORT BEND SHALL: (continued)

J. Provide assistance to D-18TS and the Federal Highway Administration (FHWA) in performing an on-site inspection of the signs. The inspection will include (but not be limited to) verification that:

1. all signs comply with the TMUTCD.
2. all signs have been properly installed in accordance with the TMUTCD.
3. all signs have been duly authorized by local ordinance (or equivalent).
4. the sign inventory is complete and correct.
5. the maintenance agreement has been signed.

K. Upon receipt of written notification from D-18TS that all inspected items are satisfactory, submit a claim to D-18TS for the cost, using Form PR-1 (see Attachment 6).

IV. THE TRAFFIC SAFETY SECTION (D-18TS) SHALL:

A. Provide reasonable consultative assistance to the community in accomplishing the tasks cited above.

B. Upon completion of tasks A through K, above, reimburse the contracting jurisdiction for the full purchase cost of the authorized signs, (VI. List of Authorized Signs) including the cost of shipping (see General Provisions XIII AND XXVII in Attachment 2), and one copy of the MUTCD, in the amount of $19,107.00, Other Direct Cost.

C. Assist the FHWA in its on-site inspection, described in Item III (J) above.

V. MILESTONE SCHEDULE

SPECIAL PROVISIONS

1. The cost of the following items shall not be eligible for reimbursement under this contract:

   (a) signs designed to promote traffic circulation (for example: 2 hour parking),
   (b) signs purchased as spares or otherwise reserved for later use,
   (c) signs purchased to replace damaged or lost signs which previously complied with the TMUTCD.

2. The size, shape, color, design, location and method of installation of all signs shall be in strict compliance with the requirements of the TMUTCD. Final reimbursement of costs shall not be made unless the installed signs pass inspection by the Federal Highway Administration.

3. If the contracting jurisdiction finds it necessary to order quantities, types or sizes of signs different than those shown in the Statement of Work, the revised list must be submitted to D-18TS for approval before the signs are ordered.

4. The contracting jurisdiction shall establish and administer a system to control, protect, preserve and maintain the signs until they are properly installed.

5. Total cost reimbursement by D-18TS shall not exceed the amount shown on the approved contract.

6. Unless prior approval in writing is granted from D-18TS, no costs incurred after the end of the project period specified in the contract shall be eligible for reimbursement.

7. All costs are subject to verification by SDHPT auditors. Documentation by source document must be provided for all expenditures.

8. Upon completion of the D-18TS/FHWA inspection and receipt of approval by D-18TS as described in the Statement of Work, the signs shall become the property of the contracting jurisdiction.

REQUIREMENTS FOR REGULATORY AND WARNING SIGNS PURCHASED BY LOCAL JURISDICTIONS PARTICIPATING IN THE TEXAS TRAFFIC SAFETY PROGRAM

General:

The following documents are referenced herein:

1. American Nation Standards Institute
   Manual on Uniform Traffic Control Devices for Streets and Highways
2. U.S. Department of Transportation, Federal Highway Administration
   (A) Standard Highway Signs, 1972
   (B) Standard Specifications for Construction of Roads and Bridges on Federal Highway Projects, (FP-74 and FP-74-77(1))
   (The above documents are available from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.)
3. American Society for Testing Materials (ASTM)
   Specification for Sign Blank Materials
   (Applications for copies should be addressed to: American Society for Testing Materials, 1916 Racy Street, Philadelphia, Pennsylvania 19103.)
4. Texas State Department of Highways and Public Transportation
   Texas Manual on Uniform Traffic Control Devices for Streets and Highways (MUTCD).
   (Contact the responsible OTS manager for information concerning the availability of this document.)

PURCHASING REQUIREMENTS:

1. Configuration - The design, shape, colors, dimensions, symbol(s), word message, lettering, borders, and reflective intensity of each sign/barricade panel shall be as specified in the Statement of Work, and shall comply with all applicable requirements of the MUTCD.
2. Materials - All purchased materials shall meet the requirements of Section 633 of Specification FP-74-77 (1).
   Unless otherwise specified in the Statement of Work, aluminum sign panels may be 6061-T6 or 5052-H38, not less than 0.08 inch thick.
   Unless otherwise specified, all sign faces shall be Type II sheeting, as described in Section 633 of Specification FP-74-77 (1).

3. Durability - The manufacturer shall certify that the reflective sheeting, when processed and applied in accordance with the recommended procedures, shall be weather resistant and, following cleaning in accordance with manufacturer's recommendations, shall show no appreciable discolorations, cracking, blistering or dimensional change. It shall have no less than the percentage of the minimum reflective intensity values as specified in the table below:

Type of material	Years in service	*Minimum reflective intensity values
II	5	50% of Table III
III	10	70% of Table IV

*Tables III & IV can be found in the Standard Specifications for Construction of Roads and Bridges on Federal Highway Projects (FP-74), Supplemental Specification FP-74-77(1), Section 633 Traffic Control Signs.

4. Receiving Inspection - The contracting jurisdiction shall perform the following inspection on the signs/barricade panels:

(A) General: Each sign shall be visually inspected. If more than one sign of the same type and size is ordered, the signs of the same type and size shall be visually compared for consistency in design, shape, colors, dimensions, symbol(s), word message, lettering, borders, and reflectivity. Similarly, all signs of the same basic color shall be compared for consistency of color. If all signs appear to be generally consistent in each of the above features, one sign of each configeration shall be selected at random for further inspection as described below. If readily indentifiable variations are observed, samples representing each degree of variation shall be subjected to the inspections described below.

11

(B) Configuration: Each sign selected shall be inspected as follows: It shall be accepted if all of the following inspections are passed; if one or more inspections are not passed, the signs will be subject to detailed inspection.

(1) Design -

(a) General Shape - The general shape of the sign shall be compared to the shape shown in the MUTCD. If the general shape does not agree with the MUTCD, see Paragraph F below.

No. _____ Attachment 4 (Page 3 of 3)

(b) Overall Dimensions - The overall dimensions of the sign shall be measured and compared to the nominal dimensions shown in the MUTCD. The sign is acceptable if the measured dimensions fall within ± ½" of the nominal and the general shape matches the MUTCD. If it does not, see Paragraph F below.

(2) Symbol(s), Word Message, Lettering and Borders - The symbol(s), word message, lettering and borders (as applicable) shall be compared to the examples in the MUTCD. If the sign legend substancially complies with the MUTCD, it will be acceptable; if it does not, see Paragraph F below.

(C) Color: The colors on the sign shall be compared to the colors specified in the MUTCD. If the colors appear to be correct and cannot readily be confused with any other color shown in the MUTCD, and if the variation in color from sign-to-sign is not readily apparent, the signs are acceptable; if not, see Paragraph F below.

(D) Reflectivity: Reflectivity shall be field tested by direct visual inspection using a low beam vehicle headlight. The sign shall be reflectorized to show the same shape and color both day and night. If a change in basic shape or color is detected, see Paragraph F below.

(E) Workmanship: The sign shall be inspected for evidence of unbonded areas, delamination, peeling, gouges, scars, or other defects. If any defects are detected which may degrade the legibility, reflectivity or service life of the sign, it shall be rejected and all other signs shall be similarly inspected.

(F) Supplementary Inspection: If any signs are found not to be acceptable as a result of one or more of the inspections described above, the signs shall be rejected unless the manufacturer, at his own expense, can provide proof that the signs meet or exceed the federal specifications. The tests shall be performed by an independent testing laboratory according to procedures outlined in Sections 633 and 718 of Standard Specifications for Construction of Roads and Bridges on Federal Highway Projects; FP-74-77(1).

INVENTORY AND MAINTENANCE AGREEMENT FOR TRAFFIC SIGNS

It is hereby understood and agreed that the COUNTY OF FORT BEND will provide an inventory and continuing maintenance of all signs procured under Traffic Safety Section Contract Number _____.

A complete inventory shall be maintained of all county maintained warning and regulatory signs showing, as minimum (1) the location of all signs, (2) the date and time of installation, removal and/or replacement subsequent to this contract.

Continuing maintenance is intended to mean that in the event of normal wear, vandalism, traffic accidents, or any other reasons which would render the signs useless, it shall be the responsibility of the COUNTY OF FORT BEND to, at its expense, repair or replace the signs with signs of equivalent quality. The signs shall be kept clean, legible and unobstructed by any permanent or temporary object.

Serviceable signs made obsolete for their original locations by changes in local or State traffic codes may be reinstated at other sites, placed in warehouse stock or made available to another community having a need for said signs.

APPLICATION FOR AND PERMIT
GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW FORT BEND TELEPHONE COMPANY acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make changes in said cable and relocate same when ordered to do so by the County of its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioner's and its Engineer in the construction and installation, and to notify the County Commissioner in the Precincts, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still available for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

A Bond is required to be in force during the construction period and for one year thereafter to assure that the area is returned to and remains in its

28

previously existing condition.

The undersigned officer of said Company has full authority to bind said Company hereto.

SUGGESTED FORM OF COMMISSIONER'S COURT ORDER SELECTING INCREASES IN BENEFITS THERETOFORE GRANTED, CREDITS FOR FUTURE RETIREMENTS OR ADDITIONAL COVERAGES ALLOWABLE UNDER SUBSECTION 11 OF SECTION VI.

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

On this the 3rd day of December, 1979, the Commissioners Court of Fort Bend County, Texas, was convened in Special session at a Regular Term of said Court, with the following members present, to wit:

John E. Stavinoha, County Judge

John Pustka, Commissioner, Precinct No. 1

W. Lee Schmidt, Commissioner, Precinct No. 2

[illegible], Commissioner, Precinct No. 3

Elliott Levy, Commissioner, Precinct No. 4

Pearl Elliott, County Clerk;

and at such session, among other proceedings, the following order was passed; 11

"WHEREAS, by virtue of an order of the Commissioners Court of Fort Bend County, Texas, adopted on the 3rd day of December, 1979, said County became a participating subdivision in the Texas County and District Retirement System; and

"WHEREAS, the Actuary for said System has determined and certified that the increases in benefits, credits and additional coverages hereinbelow selected, can be amortized by the County within the time and under the terms prescribed by Subsection 11, Section VI of Article 6228g, Vernon's Texas Civil Statutes, as amended; it is accordingly,

"ORDERED BY THE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

"1. Effective January 1, 1980:

"(a) Allocated (Special) Prior Service Credits heretofore allowed by said County and now in effect shall be increased from the present 95 % of the Maximum (Special) Prior Service Credit of each member affected to 125 % of said amount.

"(b) Credit for Current Service allowable to TCDRS members for service performed for said County shall be increased from the present factor of 100 % of the deposits of each member (1 . 0 :1 matching ratio) to a factor of 170 % (1 . 7 :1 matching ratio) of said amount.

"(c) Monthly payments as to annuities for prior service arising from prior service credits allowed by said County and in effect December 31, 1979 shall be increased as to payments for January, 1980 and thereafter by 31.58 % of the monthly benefit paid to such annuitant for the month of December, 1979 (excluding any amounts paid as distributive benefits).

"(d) Annuities for current service attributable to said subdivision and in effect December 31, 1979, shall be increased as to monthly benefits payable for January, 1980 and thereafter by 35.00 % of the monthly benefit paid to such annuitant for the month of December, 1979 (excluding any amounts paid as distributive benefits). 11

"2. Any person who is a TCDRS member of this County on or after January 1, 1980 and who shall have accumulated twenty (20) or more years of creditable service, or who shall have accumulated twelve (12) or more years of creditable service and has attained the age of sixty (60) shall have the right of "deferred service retirement" under the terms and conditions prescribed in Subsection 11 of Section VI of Article 6228g, Vernon's Texas Civil Statutes as amended.

"3. Any person who is a TCDRS member of this County on or after January 1, 1980, and who has accumulated at least twelve (12) years of creditable service with this and other participating subdivisions which have adopted twelve-year vesting, shall have the right, despite withdrawal from service prior to attainment of age sixty (60), to remain a member and to retire at or after age sixty (60), conditioned that he lives to date of retirement and that he shall not have withdrawn his accumulated deposits with the System.

"4. Prior service credit (not exceeding 36 months total) shall be, and is hereby allowed (effective January 1, 1980) for active service in the armed forces of the United States performed by a TCDRS member of this County under the following conditions, viz.:

"(a) Such service was performed prior to date of the County's participation in Texas County and District Retirement System.

"(b) Such service was performed during a time that the United States was involved in organized conflict with foreign forces, whether in a formal state of war or police action;

"(c) Such person was an employee of said County immediately prior to the beginning of such service in the armed forces, entered such military service without intervening employment, and returned to employment of said County within one hundred eighty (180) days following his discharge or release from active duty with the armed forces; and

"(d) Such person has not heretofore been allowed credit for any part of such military service."

"5. Any person who is a TCDRS member of this County on or after January 1, 1980, and who was a member of the military service of the United States during the period from April 6, 1917 to November 11, 1919, or from October 16, 1940 to October 31, 1974, and who otherwise qualifies under the requirements of paragraph (d)(9) of Subsection 11, Section VI of Article 6228g, Vernon's Texas Civil Statutes, shall be granted current service credit for each month of such military service (not exceeding the limits prescribed in said Act) for which such member makes application and makes deposits within the time and manner as required by said Act. Any prior service allowed such member pursuant to paragraph 4, above, of this order shall be included in determining the maximum credit which may be allowed such member for military service.

The above order being read, it was moved and seconded that the same do pass and be adopted. Thereupon, the question being called for, the following members voted Aye: Commissioner Pustka, Commissioner Schmidt, Commissioner Jebbia, Commissioner Helwig, _____; and the following voted No: None.

9 RE: APPROVE AGREEMENT WITH W. H. BLACK D/B/A BLACK RANCH, TO REMOVE GRAVEL AND SAND FROM BRAZOS RIVER IN PRECINCT #1:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved the agreement made and entered into by and between W. H. Black, D/B/A BLACK RANCH and FORT BEND COUNTY PRECINCT #1 to remove gravel and sand from the Brazos River, as follows:

9

SAND & GRAVEL LEASE AGREEMENT

This agreement made and entered into by & between W. H. BLACK, D/B/A BLACK RANCH, as Lessor, and FORT BEND COUNTY, PRECINCT #1, COMMISSIONER JOHN PUTSKA, hereinafter called Lessee,

W I T N E S S E T H :

Lessor, the owner of the hereinafter described property, does hereby lease the following described property situated in Fort Bend County, Texas.

> A sand and gravel bar on the West Bank of the Brazos River, located in the Edward Robertson #A-80 Survey, and being on the Easterly end of a 1,582 acre subdivision called "Pecan Bend." Being further described as being The Texas Parks and Wildlife Department's Sand & Gravel Permit #78-029, as granted to W. H. Black D/B/A Black Ranch on October 5, 1978. Also, Department of the Army Corps of Engineers permit to the same party; being permit #12911, dated November 22, 1978, copies of both herewith attached.

Subject to the Following Provisions:

1. Fort Bend County, Precinct #1, shall have the exclusive right to dredge & remove all the sand and gravel obtainable on the abovedescribed Gravel Bar; so long as the provisions of the (2) two above mentioned permittee's are met.

11

2. The term of this lease shall be for a period of six (6) months with the option to renew for another six (6) months.

3. Lessee agrees to pay the 20¢ per yard royalty to the Texas Parks & Wildlife Department each month and handle all the paper work required by that or any other agency involved.

4. Lessee agrees to protect and indemnify W. H. Black, Black Ranch, Cochran Development Corp., and any and all owners in Pecan Bend Subdivision while operating machinery of any and all types required for the dredging and removing of gravel and/or similar materials.

5. It is agreed by the parties that for each 10 loads of gravel removed from the bar, that 1 load belongs to Black Ranch and 9 loads belong to Fort Bend County. The one (1) load belonging to Black Ranch shall be deposited (by county truck) on a site designated by W. H. Black within 6 miles of the dredge site. Black Ranch shall also have the right to operate its own 6 yd. dump truck at odd & various times during dredging operations. If this should occur, Black Ranch shall be responsible for its own insurance, etc., involving the Black Ranch truck, operator, etc., etc.

11

6. Fort Bend County agrees to maintain the roads and property used in Pecan Bend Subdivision while dredging and operating, etc.; and to restore each and all to its original condition when operations terminate. Special emphasis shall be given to restoration of the high bank of the river so as

to prevent any undue washing from rain, sluffing, and/or caving of the bank. (Restoration of the lip to its original height so as to prevent the above.)

7. Lessor agrees to defend the title to said property and the rights herein granted to Lessee. Lessee shall protect, indemnify and hold harmless the Lessor from any and all claims for damages or liability arising from injuries to persons or damage to property occurring on the leased land during the term hereof, and resulting from negligence of Lessee, or its employees.

11

8. This lease shall be binding upon Lessor, Lessee and their heirs, devisees, executors, administrators, and successors of such parties; however, Lessee shall not have the right to assign or sublease hereunder without the prior written consent of the Lessor.

IN TESTIMONY WHEREOF, this lease agreement is executed by the parties hereto on this 3 day of December, A.D. 1979.

APPLICATION FOR AND PERMIT GRANTING PIPELINE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW THE DOW CHEMICAL COMPANY, a Texas corporation with an office at 400 West Belt South, P. O. Box 4286, Houston, Texas, 77210, acting herein by and through its duly authorized representative, and hereby petitions your Honorable Court for the right to replace, repair, lower and case an existing pipe line under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judges' office and the Drainage District Engineers' office of Fort Bend County.

Petitioner agrees to bury pipe line below grade and keep said pipe line in good condition at all times, and to case same in the places where required as indicated on the attached plats and that it will, at petitioners' expense, make changes in said pipe line and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or construction of public roads or highways, or the deepening of drainage ditches along said roads or highways or any drainage construction of the Fort Bend County Drainage District.

11

Petitioner further agrees to obey all rules of the County Commissioners and its Engineer in the construction, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still available for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said pipe line.

A Bond is required to be in force during the construction period and for one year thereafter to assure that the area is returned to and remains in its previously existing condition.

The undersigned representative of said Company has full authority to bind said Company hereto.

RE: MR. RICHARD SELLEH GRANT COORDINATOR - REPORT ON VANDALISM CONNECTED WITH THE ARCOLA SCHOOL BUILDING:

Mr. Richard Selleh, Grant Coordinator discussed with the court on vandalism at the Arcola School Building which portion will be used for the senior citizens' group and portion for the Fort Bend County Ambulance Service. Brooken windows and other evidence of vandalism and several of the recently installed fixtures being removed from the building. A request for installation of Burglar bars was requested in this discussion. The Fort Bend County Sheriff's Department has agreed to increase patrol in the area as well as citizens in the area have volunteered to keep an eye on the facility until construction is completed.

12 RE: MR. CECIL WILLIS, CITY OF STAFFORD - USE OF COUNTY DOG POUND:

Mr. Cecil Willis, City of Stafford discussed with the court, the citys lack of facilities to house stray dogs. He asked that Commissioners consider a contract between Stafford and the county to assist them with this problem. The Commissioners took no action at this time and tabled the request until their next meeting so the County's animal control officer, Martha Rochester, could be present to assure them that such an agreement would not put a hardship on the county facilities.

The court recessed at 12:15 o'clock P.M.

The Court re-convened at 1:15 o'clock P.M. when the following orders were had.

November 24, 1979

Commissioners Court
Fort Bend County
Richmond, Texas

Dear Sirs:

We are pleased to submit our bid for providing ambulance equipment to Fort Bend County. As Fort Bend Counties only ambulance dealer and one of the few full line sales and service shops for emergency products in the Southwest, we look forward to serving your needs.

We are forced to take exception to certain portions of your specifications which relate to equipment which is only provided by one manufacturer and that is propriatary in nature. We therefore feel that these items were specified for purposes of providing examples only and not to eliminate other qualified bidders. Our bids address the general intent of the bid and not the descriminatory details. Our exceptions are outlined in an attachment to the bid and/or opposite the excepted item.

We offer several models which meet the specifications as excepted.

11

These models are listed below. They are described in detail on the individual bid forms.

1979 Ford Prestige III Ambulance	$24,295.00	
(1 available immediately) plus options	1,200.00	$25,495.00
1979 Chevrolet Prestige III Ambulance w/1980 All Aluminum Module (See 15 year Aluminum Body Warranty)		$25,998.00
1980 Ford Prestige III Ambulance w/1980 All Aluminum Module (See 15 year Aluminum Body Warranty)		$26,995.00
1979 Chevrolet Prestige IE Ambulance (This Ambulance is of Cab/Chassis Design instead of Cutaway Van)		$24,997.00

We also have the following Type II Van Ambulances in stock for immediate delivery. While these ambulances do not meet the specifications as outlined, they are certified to meet KKK-A-1822 for Type II Ambulances. Fort Bend County currently has two of this type ambulance in service. A bid sheet is provided.

1979 Dodge Prestige II Ambulance	$19,997.00

Em-Quip, Inc. is now able to offer remount service for your present modular ambulances if desired. For that reason we are offering our alternate bid as follows for your consideration:

Remount and Refurbish Customer Owned Ambulance Module Body on New 1980 Chevrolet or GMC Cab and Chassis including the following:

1 Ton rated cab/chassis
159" wheel base 9000 GVWR
350 CID Engine
Automatic Transmission
Power Steering
Air Conditioning
Front Stabilizer Bar
H.D. Shocks
Below Eye Level Mirror
Transmission Cooler
Bucket Seats
Custom Cab
Oil & Temperature Guages
Extra Capacity Fuel Tank
Tinted Glass
H.D. Rear Springs/w/Auxiliary overload leaf
Power Commander II Charging System
Electrical Console in Cab
Spare Tire

Refurbish of Module includes the following:

Remove, Test & Reinstall all Cab Mounted Emergency Equipment
Repair and Repaint Ambulance Module,
Adjust Doors (Repair and Replace components as needed)
Replace Weather Stripping
ReUpolster Seat & Squad Bench
Replace Floor Covering
Replace or Repair Lights
Repair Cabinets as needed
Repair or Replace Cabinet Doors

ATTACHMENT

Exceptions to Bid - General

11

1. The Generating Systems described is one that is currently offered by only one ambulance manufacturer. It has proven to be less than reliable inservice and is not recommended. We offer the improved Dynamote Power Commander II Charging System with automatic throttle control. This system is reliable and now offers all the necessary charging capacity for the ambulance as specified.

2. The demensions and descriptions of compartments and cabinets describe those of one manufacturer. We have enclosed complete specifications for our ambulance design which meet and exceed those specified in all cases.

3. Locking Hand Throttle is not compatable with the automatic throttle control of the Power Commander II.

Refurbish of Module continued

Replace Lettering on Ambulance Box
Repair or Replace Wiring
Repair or Replace Rear Air Conditioning.
Inspect, Repair and Test Oxygen & Suction Systems.

Cost of Chassis Remount and Refurbish (Trade in of old chassis included) $16,500.00 Each

We offer complete service facilities for all types of emergency vehicles and communication systems at our shop in Stafford. We stock parts and offer service on our products as well as most other brands.

Thank you for the opportunity to provide our bid. We look forward to serving your needs again.

Sincerely,

EM-QUIP, INC.

Robert A. Barnwell
President

9 RE: SUGARLAND PROPERTIES INC. - ABANDONMENT OF EASEMENTS IN COLONY BEND SUBDIVISION SECTION I:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Tony Jebbia, and duly passed, the court approved the application of Sugarland Properties Incorporated for an order to terminate and abandon an eight foot utility easement, and impose in lieu thereof a five foot building line in Colony Bend Subdivision Section I, as follows:

IN THE MATTER OF TERMINATION	X	IN THE COMMISSIONERS
AND ABANDONMENT OF AN EIGHT	X	COURT OF FORT BEND
(8) FOOT UTILITY EASEMENT	X	COUNTY, TEXAS

O R D E R

On this 10 day of December, 1979, came to be heard by the Commissioners Court of Fort Bend County, Texas, the Application of Sugarland Properties Incorporated, a Texas corporation ("Applicant") for an Order of this Court to terminate and abandon the following described eight (8) foot utility easement, and impose in lieu thereof a five (5) foot building line, to wit:

11

Being an eight (8) foot wide utility easement situated in Colony Bend Section One, Fort Bend County, Texas, and being more particularly described on Exhibit "A" hereto.

Applicant has requested the complete abandonment of the subject easement, all as more particularly set forth in said Application, and said Application and the evidence submitted in support thereof having been fully heard and considered by the Court, the Court finds:

1. That no person, firm, corporation, or other entity has objected to, or would be adversely affected by the termination and abandonment of the Subject Easement nor would any established rights of any such person, firm, corporation, or other entity be interfered with by such termination and abandonment of the Subject Easement.

14

2. That the termination and abandonment of the Subject Easement will not thwart or otherwise impede any rights of access for utility purposes currently available because there are adequate dedicated utility easements platted to serve Colony Bend Section One, and that

the Subject Easement will not be required to serve future adjacent sections;

3. That such termination and abandonment, as requested by Applicant, is reasonable, proper, and necessary;

4. There is hereby imposed a five (5) foot building line side lot restriction, prohibiting the construction of permanent improvements, except for paved driveways, within five (5) feet of the side lot line.

11

And the Court being of the opinion that the Subject Easement should be terminated and abandoned as applied for, and the Application should be granted it is accordingly

ORDERED, ADJUDGED and DECREED by the Court the Eight (8) foot wide easement hereinabove described is hereby TERMINATED and ABANDONED, and applicant is hereby authorized to file for record in the office of the Couny Clerk of Fort Bend County, Texas, this order evidencing said termination and abandonment.

3 RE: MR. CHUCK DOYLE, PRESIDENT AND MR. JACK STEELE, EXECUTIVE DIRECTOR OF THE HOUSTON-GLAVESTON AREA COUNCIL - HGAC REPORT:

Mr. Chuck Doyle, Presidnet and Mr. Jack Steele, Executive Director of the Houston-Galveston Area Council appeared before the court to give their report. The following is the Position Paper presented by Charles T. Doyle, President of the Houston-Galveston Area Council.

POSITION PAPER PRESENTED BY

CHARLES T. DOYLE - PRESIDENT OF THE

HOUSTON-GALVESTON AREA COUNCIL

The Houston-Galveston Area Council of Governments is a voluntary association of cities, counties, school districts, and special districts located within the thirteen-county Texas Gulf Coast Region. It was established thirteen years ago on September 6, 1966 as eight counties to assist local governments in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development.

The Council of Governments is an organization of ... by ... and for local governments. Its purpose is to strengthen the individual and collective power of local governments -- to recognize regional opportunities -- to help local governments resolve regional problems and make joint decisions, and -- to develop the means to assist local governments in the implementation of those decisions.

Local governments of Texas Gulf Coast Region created H-GAC under authority provided by the State enabling legislation (Article 1011m). This enabling legislation makes it very clear that Councils of Governments are to be created by ... controlled by ... and exist to serve the local governments of their respective regions. This concept of local control has been re-emphasized by the H-GAC By-Laws and Policies and Objectives, which were adopted by the participating member governments.

One of the founders, former Mayor Eddie Schrieber of Galveston, stated definition well when he said, "A system by which all member units of government could successfully tackle areawide problems while preserving ... even strengthening ... local units of government." In a word, the H-GAC is "planning."

11

The structure of H-GAC is relatively simple: a General Membership composed of two voting representatives from each county; two voting representatives from each city over 100,000 population; one voting representative from each city with over 5,000 population; one voting representative from each county for cities under 5,000 in population; one representative for each county for ISDs; one representative for HISD; and one representative for Soil & Water Conservation Districts.

The Executive Board is composed of 27 local elected officials. The General Membership studies regional issues, amends the By-Laws if necessary, and elects members of the Executive Board. The Executive Board is the policy approval board for all activities undertaken by the Council of Governments, including program activities and decisions, regional plans, and fiscal and budgetary policies. The Executive Board is supported by study committees, technical advisory committees, policy development committees, and a professional staff. Through this process, hundreds of citizens and local officials are involved in formulating the regional policies which assist the sound and orderly growth and development of the Texas Gulf Coast Region.

The 13 counties of Waller, Montgomery, Liberty, Walker, Austin, Chambers, Colorado, Fort Bend, Wharton, Matagorda, Brazoria, Galveston, and Harris contain 12,500 square miles with over 2.5 million people. There are approximately 1,500 new residents arriving each week with an estimated population of 5 million by the year 2000.

3

Through the years of its existence, H-GAC has established a strong record of regional cooperation and coordination among its member local governments. Our success has been due in a large measure to the close cooperation among units of local government and between the public and private sectors. Business working hand-in-hand with government through the free enterprise system. Growth brings with it new needs for our citizens involving transportation, schools, streets, sewers, hospitals, drainage, water supply, fire, police, housing, parks, libraries, recreation, environmental protection, etc. These are some of the many problems of growth ... how do we handle it individually and collectively is what H-GAC is all about!

** FINANCIAL SUPPORT **

H-GAC opposes having taxing authority.

State enabling legislation (Article 1011m) and the Houston-Galveston Area Council's By-Laws prohibit taxing authority. The Council of Governments does not need ..nor seek.. taxing authority. The local governments of the Texas Gulf Coast Region support the work program of H-GAC through voluntary local dues and fees supplemented by financial support from appropriate State and Federal programs. Since the creation of H-GAC in 1966, no Board member, staff member, or representative of any member government has ever advocated taxing authority for the Houston-Galveston Area Council of Governments. The Executive Board emphatically endorses the existing intergovernmental mechanisms for financing regional planning activities.

11

H-GAC 1979 BUDGET

Federal	$11,473,737	Local Dues . .	$181,024
State	1,310,525	State/Texas. .	$253,000

** REGIONAL COOPERATION **

H-GAC opposes a metropolitan government for the Texas Gulf Coast Region.

The basic purpose of H-GAC is to address regional problems on a voluntary basis -- allowing local governments to retain their autonomy, identity, and authority, while working together to maximize economy and efficiency. Metro-government, whether defined as the involuntary unification of local governments (a new layer of government) or the involuntary transfer of functions and operational authority to a "supergovern-

mental" structure is the direct opposite of the Council of Governments' approach. The Council of Governments is clearly a desirable alternative to, rather than a step toward, metro-government.

Our challenge is to restore and maintain the vitality of our local institutions. Local government provides the basic services that give people a sense that their government is effective and responsive.

In the beginning, States created our National Government and Local Governments; States were the fountain source of all government powers, but money modified that legal concept. States today seem less "sovereign" with so much revenue flowing from the Federal Government.

In 1975, Federal assistance to State and Local Governments was greater than all the expenditures of the 50 States in the year 1966. Government spending totalled 18% of the GNP in 1954 and 32% of the GNP in 1974. The question is: "How much can a free people expect its Government to accomplish in its name and still remain free?"

11

** SELECTION OF EXECUTIVE BOARD **

H-GAC supports an Executive Board by appointed local member governments.

As a voluntary organization responsible to local governments, it is appropriate that the Executive Board is elected or appointed by the General Membership and the Officers are elected by a majority of its member governments. Any system of direct election by the general populace would tend to undermine H-GAC's direct accountability to local governments and would be a step toward metro-government.

PAST PRESIDENTS OF H-GAC:

1966....Judge Bill Elliott
1967....Commissioner Dixie Brown
1968....Mayor Eddie Schreiber
1969....Councilman Lee McLemore
1970....Judge Bill Elliott

1971....Judge Oscar F. Nelson, Jr.
1972....Mayor Emmett F. Lowry
1973....Trustee Leonard R. Robbins, MD.
1974....Judge Ray Holbrook
1975....Judge Lester J. Cranek
1976....Councilman Homer L. Ford
1977....Mayor Benny Howard
1978....Commissioner Tom Bass
1979....Commissioner Chuck Doyle

** STATE AND LOCAL REGULATORY POWERS **

H-GAC does not seek any regulatory powers.

Neither State enabling legislation nor the By-Laws of H-GAC provide a basis for the exercise of any regulatory powers. The Executive Board supports the exercise of regulatory power by State and local governments as authorized by State law. To the extent possible, regulatory powers should be exercised by local governments in preference to the State and Federal Government.

** OPERATIONAL ACTIVITIES **

H-GAC does not intend to be an operating agency delivering services directly to the general public.

It is the intent of the Executive Board that H-GAC not seek operational authority which is in conflict with the operational authority of any local government. When called upon by local officials as the most appropriate mechanism, H-GAC will deliver services such as the operation of training programs and technical assistance to local governments. The Council of Governments is not now, and should never be, an operating agency delivering services or operating facilities at the expense of local government control.

11

** LOCAL GOVERNMENT IMPLEMENTATION **

H-GAC does not seek to be the implementing agency for regional plans.

It is very clear that lacking taxing authority, regulatory powers, and operational authority, H-GAC will not be the implementing agency for regional plans. H-GAC's regional planning responsibility must, however, include assistance to local officials as they determine the most appropriate means for plan implementation. The planning process should help the local governments of the region find a means by which regional plans can be put into action.

** REVIEW AND COMMENT **

H-GAC does not seek to expand its role in review and comment (A-95).

Since its inception, the Houston-Galveston Area Council of Governments has provided review and comment on applications for State and Federal financial assistance as provided by Federal law and State enabling legislation. This process of communication and coordination provides input from local government officials to the State and Federal agencies who must make the funding decisions. Furthermore, it provides an appropriate mechanism to monitor major regional developments, to point-

out duplication, and to encourage the cost effectiveness of implementation of regional growth. The Executive Board endorses the current review and comment process which does not include veto power. Our objective is to provide effective communication regarding various State and Federal programs from the local level ... their good and bad points.

In addition, the Executive Board does not endorse the involuntary review of locally-funded projects.

1978 Projects Review Committee Activity: 587 projects reviewed. Total project costs - $309,977,105; Federal Funds $191,825,989. Government projects - 246; costs $187,267,417; Federal Funds $107,956,191. Private projects - 341; costs $122,709,688; Federal Funds $83,869,798.

** EXECUTIVE BOARD COMPOSITION **

The H-GAC Executive Board must be composed of local elected officials. 11

Locally elected officials have agreed that H-GAC's Executive Board should be composed solely of elected officials, rather than any other alternate composition. In order to provide a beneficial mix for regional policy-making, the Board is composed of 27 local elected officials: 14 members representing counties ... 10 members representing cities ... 2 members representing school districts ... and 1 member representing soil and water conservation districts. Control of the policy-making process is clearly in the hands of local elected officials. At the same time, the mechanism provides direct input by private citizens who have legitimate concerns in the regional decision-making process through their participation in study committees, technical committees, and policy development committees.

** PROFESSIONAL STAFF SUPPORT **

The Executive Board is the policy-making body for H-GAC with appropriate support from a professional staff.

The Executive Board is the policy-making body for all activities undertaken by H-GAC -- and is empowered by the By-Laws to appoint an Executive Director who is responsible for the administration and execution of policies adopted by the Board. He is also responsible for the recruitment of a professional staff to carry-out the budget and work programs as approved by the Board. The Executive Board intends to maintain clear control over all policies and activities undertaken by H-GAC. At the same time, they intend to authorize the recruitment and development of a highly-qualified professional staff to carry-out these policies in behalf of the local governments.

3

** VOLUNTARY MEMBERSHIP **

H-GAC should continue to be a voluntary association of local governments.

The Council of Governments is based on the willing cooperation of local governments -- working together voluntarily to identify regional opportunities and to resolve mutual problems. Local officials in a few other parts of the nation have felt they could join together more effectively for regional policy-making under a mandatory membership arrangement. The Executive Board strongly prefers voluntary membership -- allowing any local government to join or withdraw from H-GAC at will. The fine record of achievement by this Council of Governments is due to the voluntary willingness of member governments to work together without outside coercion or control.

11

The ability of the local governments to choose their own techniques and structure for areawide problem-solving is one of the most important strengths of the Council of Governments' concept. This flexibility is supported by Texas' enabling legislation (Article 1011m) which allows local governments to respond to the needs of their region without undue restriction and direction from another level of government. Houston-Galveston Area Council of Governments will continue to respond to the needs and desires of the local governments of our area within the limitations of State law and available fiscal resources.

Aristotle stated, "The State comes into existence that men may live. It continues that man may live well. The good life, in all its rich and noble expression, is the aim and objective of the State."

H-GAC is an extension of and supplement to local government. The local governments of the Texas Gulf Coast Region "working together" will achieve a stronger sense of community, and a better appreciation of the problems of growth and development before the local units of government in the region. We are helping to determine the future quality of life that will exist in the Gulf Coast Region.

All local governments in the H-GAC, our private citizens, as well as State and Federal officials, are encouraged to support the continued operation of the H-GAC as the most effective mechanism for local government coordination in regional problem-solving.

Our opportunities are many, and as Alexis de Tocqueville stated after visiting this country many years ago, "The greatness of America lies not in being more elightened than any other nation, but rather in her ability to repair her faults." As local units of government working within the H-GAC, we are trying to maintain this great tradition.

10 RE: DISCUSS CHARGES BY FUNERAL HOMES FOR PAUPER FUNERALS:

Hopie Solomon, with the County Welfare Department discussed with the court, that the county has only $400 budgeted to pay for burials for indigent county residents. Mrs. Solomon complained to the court that the District Attorney's Office and the Justice of the Peace of Precinct 1 were authorizing bills for pauper burials when only the County Welfare Office is allowed to do so. County Judge Jodie E. Stavinoha told the Court that he would notify the two departments advising them not to authorize the bills. The court will also, decide on the fees for service at a later date, when the court was told by Mrs. Solomon, that the Funeral Homes were charging different prices for the funerals, which is over the allowable charge.

CERTIFICATE FOR ORDER

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

We, the undersigned officers of the Commissioners Court (the "Court") of Fort Bend County, Texas (the "County"), hereby certify as follows:

1. The Court convened in regular session at a special term of said Court, on the 17th day of December, 1979, at its regular meeting place thereof, within said County, and the roll was called of the duly constituted officers and members of the Court, to-wit:

Jodie E. Stavinoha	County Judge
Johnnie Pustka	Commissioner, Precinct 1
W. Lee Schmidt	Commissioner, Precinct 2
Tony Jebbia	Commissioner, Precinct 3
Ed Helwig	Commissioner, Precinct 4

and all of said persons were present, except the following absentees: none, thus constituting a quorum. Whereupon, among other business, the following was transacted at said meeting: a written

ORDER AUTHORIZING PUBLICATION OF NOTICE TO BIDDERS AND NOTICE OF INTENTION TO ISSUE CERTIFICATES OF OBLIGATION

(the "Order") was duly introduced for the consideration of the Court and read in full. It was then duly moved and seconded that the Order be adopted; and, after due discussion, said motion, carrying with it the adoption of the Order, prevailed and carried by the following vote:

2D

AYES: Commissioners Pustka, Schmidt, Jebbia and Helwig.
NAYS: None.

2. ORDER AUTHORIZING PUBLICATION OF
NOTICE TO BIDDERS AND NOTICE OF INTENTION
TO ISSUE CERTIFICATES OF OBLIGATION

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

WHEREAS, the Commissioners Court of FORT BEND COUNTY, TEXAS (the "County"), deems it advisable to issue Certificates of Obligation of the County in accordance with the notice hereinafter set forth;

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS COURT OF THE COUNTY OF FORT BEND, TEXAS THAT:

Section 1. The facts and recitations contained in the preamble of this order are hereby found and declared to be true and correct.

Section 2. The County Clerk is hereby authorized and directed to cause to be published in the manner required by law a notice to bidders and notice of intention to issue Certificates of Obligation in substantially the following form:

20

NOTICE TO BIDDERS AND NOTICE OF INTENTION TO ISSUE CERTIFICATES OF OBLIGATION

NOTICE IS HEREBY GIVEN that sealed proposals (hereinafter sometimes called "bids") addressed to the Commissioners Court of Fort Bend County, Texas (the "County"), will be received at a meeting of the Commissioners Court in the County Courthouse, City of Richmond, Texas, until 9:00 a.m., on the 23rd day of January, 1980, at which time and place they will be publicly opened and read aloud, for furnishing all labor, materials, supplies, machinery, equipment, insurance, tools and superintendence for constructing permanent improvements for the County, to-wit: improvements to the County Courthouse; and the Commissioners Court tentatively proposes to let a contract, or contracts, for such construction and to authorize issuance of Certificates of Obligation, in accordance with the terms and provisions of this Notice, at such meeting or at a subsequent meeting of the Commissioners Court in said Courthouse.

Bids received after said closing time will be returned unopened. A cashier's check or certified check, drawn on a bank acceptable to the County and made payable to the County, or a bidder's bond issued by a surety company duly licensed in the State of Texas, in an amount equal to not less than five percent (5%) of the largest possible total of the bids submitted, including alternates, must accompany each bid, as a guaranty that the successful bidder will enter into a contract and execute bonds and guaranties on the terms provided herein, and in the contract documents, plans and specifications, within ten (10) days after notice of award of contract. Such checks or bidder's bonds will be returned to bidders within five (5) days after opening of bids, except that such checks or bidder's bonds of the acceptable bidders submitting the three lowest bids will be returned to said bidders within twenty-four (24) hours after final execution of contract.

The successful bidder must furnish performance bond and payment bond on the forms furnished with such contract documents, each in the full amount of the contract price and issued by a surety company authorized to do business in this State in accordance with the provisions of Article 5160, Revised Civil Statutes of Texas, 1925, as amended.

In conformity with applicable law, the general prevailing wage rates in the locality in which the work is to be performed have been ascertained and such rates shall be the minimum paid for labor employed on this project.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Copies of contract documents, plans and specifications are on file at the office of Mr. Stanley Kucherka, County Engineer, 3403 Avenue F, Rosenberg, Texas 77471, and may be examined there without charge, or may be obtained there by prospective bidders or suppliers upon payment of Ten Dollars ($10.00) for each set thereof, checks to be made payable to the County. Such payments will be refunded to actual bidders upon the return of such materials in good condition within five (5) days after opening of bids.

This Notice shall be and constitute a part of the said contract documents, plans and specifications.

20

No such bids may be withdrawn after the scheduled closing time for receipt of bids and for thirty (30) days thereafter. The County reserves the right to accept any bid deemed most advantageous to it, including alternates, to reject any and all bids, and to waive any informality. In case of ambiguity or lack of clearness in the statement of prices in each proposal, the County reserves the right to adopt prices written in words, or to reject the proposal.

It is the intention of the County to pay all or any part of any contractual obligations to be incurred for such construction, including contractual obligations for professional services in connection therewith, by the issuance of Certificates of Obligation of the County, payable from County ad valorem taxes, in the maximum aggregate principal amount of $1,250,000, bearing interest at a rate not in excess of that prescribed by Article 717k-2, V.T.C.S., as amended, and maturing over a period of years not to exceed 30 years from the date thereof, for the purpose of evidencing the indebtedness of the County for all or any part of the cost of such construction, including the cost of professional services incurred in connection therewith, and the successful bidder or bidders will be required to accept such Certificates in payment of all or any portion of the contract price, or prices.

11

The Commissioners Court has made provision for each contractor (successful bidder) to sell and assign such Certificates of Obligation to another at par and without discount, and with no exchange or collection charges to such contractor, and each bidder is required (at the time of the receipt of bids by the Commissioners Court) to elect whether he will accept such Certificates in payment of all or a part of the contract price, or prices, or assign such Certificates in accordance with such arrangements.

WITNESS MY HAND AND THE OFFICIAL SEAL OF THE COMMISSIONERS COURT, this 17th day of December, 1979.

Section 3. The notice set forth in Section 2 above shall be published once a week for two (2) consecutive weeks in a newspaper which is of general circulation in the County, the date of the first publication to be not less than fourteen (14) days prior to the date tentatively set in said notice for the passage of the order authorizing the issuance of such Certificates of Obligation.

Section 4. The County Judge, County Clerk, and other officers of the County are hereby authorized and directed to do any and all things necessary or desirable to carry out the provisions of this order.

Section 5. It is hereby officially found and determined that the need of the County for such financing creates an emergency and an urgent public necessity for the holding, at the scheduled time, of the meeting of the Commissioners Court at which this order is adopted and for the adoption of this order; and the NOTICE OF MEETING relating to said meeting and heretofore posted by the County Clerk, and the posting thereof, are hereby authorized, approved, and ratified.

3

Dear Judge Stavinoha:

During the week of December 4-7, 1979, Judges Calvin B. Watson and Carl Bentley successfully completed a twenty hour course in the responsibilities of the office of Justice of the Peace. Article 5972 of the Texas Revised Civil Statutes requires each newly elected/appointed Justice of the Peace to complete a forty hour course in the responsibilities of the J.P. office and additionally to complete a twenty hour course each year thereafter. This article encompasses all justices who took office since August 30, 1963 and are not licensed attorneys. The funding of this program, which provides free room and board for the judges at the seminar, is made possible through a grant from the Governor's Office, Criminal Justice Division.

We at the Training Center realize how important it is to you and the people you serve to insure that your county Justices of the Peace are properly trained and equipped to carry out the duties and obligations of the office. As ninety to ninety-five percent of our citizenry have their one and only contact with a lower court judge, it is imperative that this contact be as judicious as possible.

You may wish to enter this letter in the minutes of your next commissioners court meeting in order that it may become a permanent record. If we at the Training Center can ever be of assistance, please do not hesitate to call.

Sincerely,

Ronald D. Champion
Executive Director

Honorable Jodie E. Stavinoha
County Judge - Fort Bend County
P. O. Box 368
Richmond, Texas 77469

Dear Judge Stavinoha:

Continuing the interest of the George Foundation in the construction of a new central library facility on the land previously given by the Foundation to the County for that purpose, you will find attached hereto a check for $1 million to fund, in part, the construction of an appropriate new library.

11

We are delighted to know that the architects are already considering this matter, as well as the library consultant retained by the County for that purpose and that sometime, hopefully, by early or middle 1980, we will have plans which will give some more concrete idea as to the ultimate cost of the structure.

Albert and Mamie George always had a strong interest in a first-class library for Fort Bend County. The Foundation has attempted to do what we feel that Albert and Mamie George would do in this connection.

When final plans are available and estimated costs of construction are in hand, of course, we will visit with you further in connection with the funding and sources thereof for the proposed new structure.

We are excited that Fort Bend County will soon have a new facility that not only will house its central library, but also will be set up to become the cultural and civic focal point for many activities of the people of Fort Bend County.

We commend the vision and the hard work and the integrity of you and the members of the Commissioner's Court in handling the County's business at a time of unprecedented growth and urbanization in a part of the County, as well as during a time of what seems to be unprecedented inflation. In any event, on behalf of the trustees of the George Foundation, we wish to extend to you, and to each member of the Commissioner's Court, our commendation for a job well done.

Sincerely,

John G Heard

9 RE: ACT ON RECOMMENDATION BY THE GRIEVANCE COMMITTEE REGARDING JUSTICES OF THE PEACE SALARIES:

On motion of Commissioner Tony Jebbia, seconded by Commissioner Ed. H. Helwig, and duly passed, the court tables the salary increases for the Justice of Peace until additional studies can be made of the financial situation.

The following is a report of the Grievance Committee.

December 21, 1979

Commissioners Court of
Fort Bend County
Courthouse Annex
Richmond, Texas 77469

Dear Sirs:

On Thursday, December 20 the Grievance Committee of Fort Bend County heard a request from the Justices of the Peace of Fort Bend County that their salaries be raised to the same level as other elected officials in the County, or to at least a minimum of $21,588.87.

A motion was made and seconded that the Justices of the Peace salaries be raised to $17,500.00 a year beginning January 1, 1980 and that their travel allowance be increased to a maximum of $3,000 annually and the mileage rate be increased to 20¢ per mile.

The vote of the Grievance Committee was 7 to 2 in favor of the proposal and since the vote was not unanimous, this matter is now being referred to the Commissioners Court for consideration.

9

Very truly yours,

Jodie E. Stavinoha,
County Judge

Dear Judge Stavinoha:

Last evening our Board of Directors again considered the Country Welfare O.B. situation.

We understand that two staff physicians have agreed to handle the medical care of these cases; that these cases will be approved prior to referral to the physician or hospital; that all approved cases will be referred to the physician approximately two months prior to delivery date.

It makes no difference to us as to the total number of cases the county approves. You may limit the number of cases to 15 or you may approve more. This is your decision. We agree to furnish hospital and nursery care on normal deliveries for a flat fee of $700 per case. On those cases that have to be delivered by Caesarean section (surgery), we agree to a flat fee of $1400 per case. The percentage of Caesarean section cases should be very small and maybe none at all. You never know until the mother is near term unless she has had previous Caesarean sections. The physicians can give you more information along this line.

10

If this proposal meets the approval of the Commissioners, please let us know.

Sincerely,

H. E. Pinnell

COUNTY OF TRAVIS §

THIS AGREEMENT, made this 7th day of January , 1980, by and between Fort Bend County, Texas, hereinafter called the "County", Party of the First Part, acting by and through its Commissioners Court and the State of Texas, hereinafter called the "State", Party of the Second Part, acting by and through its State Highway and Public Transportation Commission.

WHEREAS, the County desires the widening of Farm to Market Road 1092 and curb and gutter installation through that stretch of road along the Clark Development Plaza, and the County has requested the State to construct or have constructed this work. The State will construct or have constructed this work for and on behalf of the County and at the County's sole expense, excluding preliminary engineering. The estimated construction cost of curb and gutter installation is One Hundred Four Thousand and No/100 Dollars (104,000), including contingencies and construction engineering.

11

NOW THEREFORE, it is understood that this proposed work will be constructed by the State and the County will transmit to the State with the return of this agreement, executed by the County, a warrant or check made payable to the State Treasurer, Account of Trust Fund No. in the amount of One Hundred Four Thousand and No/100 Dollars ($104,000), to be used in paying for the proposed work required by the County. It is further understood that the State will construct only those items for the County, that being the installation of curb and gutter, as requested and required by the County and the entire cost of such items, excluding preliminary engineering, will be borne by the County. If the State elects to receive bids and if upon receipt of bids by the State and/or the actual construction and/or approved changes in the contemplated improvements it is found that this amount is insufficient to pay the County's portion, then the County upon request of the State will forthwith supplement this amount by an amount equal to the County's full estimated or actual share of the cost of this work less the amount previously paid into Trust Fund No. . In the event the amount as paid is

15

more than the actual cost, then the excess amount will be returned to the County. It is further understood that the work to be done on behalf of the County, as herein provided, will include the cost of contingencies and construction engineering.

IN TESTIMONY WHEREOF, the parties hereto have caused these presents to be executed in duplicate on the day above stated.

28 RE: SOUTHWESTERN BELL TELEPHONE COMPANY - REQUEST FOR PERMIT TO LAY BURIED CABLE ALONG PITTS ROAD IN PRECINCT #4:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Tony Jebbia, and duly passed, the court approved the application for and permit granting Telephone cable crossing to Southwestern Bell Telephone Company to lay buried cable along Pitts Road in Precinct #4, as follows:

28

APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS
% County Courthouse
Richmond, Texas 77469

COMES NOW Southwestern Bell Telephone Company

acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

SEE ATTACHED SKETCH

R. O. 84861

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make any changes in said cable and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners' and its Engineer in the construction and installation, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 13 day of December 19 79.

7 RE: MR. RICHARD MARTIN, PARTIAL CANCELLATION OF PLAT FOR SILAS WELCH SUBDIVISION:

On Motion of Commissioner Tony Jebbia, seconded by Commissioner Johnnie Pustka, and duly passed, the court approved the partial abandonment of subdivision plat of the Silas Welch Subdivison, as follows:

APPLICATION FOR PARTIAL CANCELLATION OF A SUBDIVISION

IN THE MATTER OF PARTIAL ABANDONMENT OF PLAT KNOWN AS THE SILAS WELCH SUBDIVISION, RECORDED THE 30TH DAY OF JULY, 1903, IN VOLUME 1, PAGE 4 OF THE MAP RECORDS OF FORT BEND COUNTY, TEXAS	§ § § § § § § §	IN THE COMMISSIONERS' COURT OF FORT BEND COUNTY, TEXAS

11

TO SAID HONORABLE COURT:

NOW COMES VULCAN PROPERTIES, INC., TRUSTEE, (hereinafter referred to as "Applicant"), who would respectively show unto this Honorable Court the following, to-wit:

I.

Applicant is the owner of that certain tract of land containing 48.3496 acres (said 48.3496 acres being hereinafter referred to as the "Subject Parcel"), as same is more particularly described by metes and bounds in the attached Exhibit "A" which is made a part hereof for all purposes. A portion of said Subject Parcel is out of the Silas Welch Subdivision, according to the plat thereof (hereinafter referred to as the "Subdivision Plat") recorded the 30th day of July, 1903, in Volume 1, Page 4 of the Map Records of Fort Bend County, Texas, said portion being more fully described as all of Lots 69, 135 through 139 and a portion of Lots 67, 70, 71, 133, 134 and 140 (said portion being hereinafter referred to as the "Subject Property").

II.

Said Subdivision Plat contains certain easements of ingress and egress (hereinafter collectively referred to as the "Easements") which were granted and dedicated over and across and affect portions of the Subject Property. Said Easements are ten (10) feet in width and have never been improved, opened to or used by the public or the owners of the remaining properties in the said Silas Welch Subdivision.

III.

Applicant desires this Honorable Court, acting under the power and authority granted to it by Article 7227 of the Texas Revised Civil Statutes, to abandon, on behalf of Fort Bend County, for public use, and for any other purposes whatsoever, the said Silas Welch Subdivision, as it pertains to, and only as it pertains to, the Subject Property, with the exception that the portion of the Easements located along and affecting the southern boundary line of Lot 67 contained in the Subject Property shall not be abandoned (said portion of the Silas Welch Subdivision being requested to be abandoned hereinafter referred to as the "Abandoned Area"), in order to provide for the adequate development of the Subject Property and the Subject Parcel in accordance with the needs and desires of the Applicant.

IV.

The abandonment of that portion of the Silas Welch Subdivision hereinabove referred to as the Abandoned Area will have no adverse effect on the owners of the remaining portions of the said Silas Welch Subdivision for the following particular reasons:

(a) The Easements contained within the Abandoned Area are not needed for ingress and egress by the owners of the remaining portions of the said Silas Welch Subdivision as a sixty (60) foot public road dedication exists on the eastern boundary of the Subject Parcel, as recorded in Volume 630, Page 153 of the Fort Bend County Deed Records which allows access to said Easements as they affect the remaining portion of the Silas Welch Subdivision; and

(b) The public nor the owners of the remaining property in the Silas Welch Subdivision have ever used the Easements for any purpose, and the public road referred to hereinabove will fully serve any and all necessary access of ingress and egress pertaining to said remaining properties.

V.

That all of the prerequisites of law for issuance of the order and decree below prayed for, have been or shall be duly complied with.

WHEREFORE, PREMISES CONSIDERED, Applicant prays that upon final hearing hereof, Applicant be granted and the Court order: that the Silas Welch Subdivision Plat be abandoned for all intents and purposes and that any dedications contained within said Subdivision Plat of the Silas Welch Subdivision shall be of no further force or effect as pertaining to and only pertaining to the Abandoned Area.

Respectfully Submitted,

VULCAN PROPERTIES, INC., TRUSTEE

ORDER

IN THE MATTER OF VULCAN PROPERTIES, INC., TRUSTEE REQUESTED PARTIAL ABANDONMENT OF SUBDIVISION PLAT KNOWN AS THE SILAS WELCH SUBDIVISION, RECORDED THE 30TH DAY OF JULY, 1903, IN VOLUME 1, PAGE 4 OF THE MAP RECORDS OF FORT BEND COUNTY, TEXAS	§ § § § § § § § § §	IN THE COMMISSIONERS' COURT OF FORT BEND COUNTY, TEXAS

ORDER AUTHORIZING THE PARTIAL ABANDONMENT OF THAT CERTAIN SUBDIVISION PLAT KNOWN AS THE SILAS WELCH SUBDIVISION, RECORDED THE 30TH DAY OF JULY, 1903, IN VOLUME 1, PAGE 4 OF THE MAP RECORDS OF FORT BEND COUNTY, TEXAS

On this the 14 day of January, 1980, at a regular term of the Commissioner's Court of Fort Bend County, Texas, there came to be heard the Application of Vulcan Properties, Inc., Trustee for the partial abandonment of the Subdivision Plat (hereinafter referred to as the "Subdivision Plat") of that Subdivision known as the Silas Welch Subdivision, recorded the 30th day of July, 1903, in Volume 1, Page 4 of the Map Records of Fort Bend County, Texas, as same pertains to, and only as same pertains to that portion of a 48.3496 acre tract of land owned by Applicant (said 48.3496 acres being hereinafter referred to as the "Subject Parcel", as same is more particularly described by metes and bounds in the attached Exhibit "A" which is made a part hereof for all purposes) which is out of the said Silas Welch Subdivision and being more fully described as all of Lots 69, 135 through 139 and a portion of Lots 67, 70, 71, 133, 134 and 140 (said portion being out of the Silas Welch Subdivision being hereinafter referred to as the "Subject Property") with the exception that the portion of the Subdivision Plat affecting the southern boundary line of Lot 67 not be abandoned (said portion of the Silas Welch Subdivision being requested to be abandoned hereinafter referred to as the "Abandoned Area").

11

Said Application specifically prayed that Applicant be granted and the Court order: That the Silas Welch Subdivision Plat be abandoned for all intents and purposes and that any dedications contained within said Subdivision Plat shall be of no

7

further force and effect as pertaining to and only pertaining to the Abandoned Area.

And it appearing to the Court that the requested partial abandonment of the Subdivision Plat will affect only the Abandoned Area; that the Applicant is the sole owner of the Abandoned Area; that none of the easements of ingress and egress within the Abandoned Area created and dedicated by the Subdivision Plat affect any current or future thoroughfares; that no owners of any remaining property in the Silas Welch Subdivision would be affected by such partial abandonment of the Subdivision Plat; that access to and from the easements of ingress and egress located within the remaining properties in the Silas Welch Subdivision are adequately served by that certain sixty foot (60') public road dedication existing on the eastern boundary of the Subject Parcel as recorded in Volume 630, Page 153 of the Fort Bend County Deed Records; that the partial abandonment of the Subdivision Plat will not adversely affect the established rights of any purchaser or owner of any of the properties affected thereby or any other properties remaining in the Silas Welch Subdivision; that all of the prerequisites of law for the issuance of this Decree have been duly complied with; and that the partial abandonment will in no manner affect or contravene any rights or needs of the public.

NOW, THEREFORE, the Fort Bend County Commissioner's Court acting in accordance with the power and authority grantted to it by Article 7227 Texas Revised Civil Statutes does hereby ORDER, ADJUDGE and DECREE by the Court that: the Subdivision Plat of the Silas Welch Subdivision be and is hereby abandoned by Fort Bend County as same pertains to and only as same pertains to the Abandoned Area, and the Subdivision Plat as pertaining to the Abandoned Area is and shall hereafter be deemed to be of no further force or effect.

This decree passed and granted this the 14th day of January, 1980 by the Commissioners' Court of Fort Bend County, Texas, in witness whereof the Commissioners hereto set their signatures.

18 RE: APPROVAL OF EQUAL COMPENSATION FOR ALL MEMBERS OF THE FORT BEND COUNTY JUVENILE BOARD: AMENDMENT OF BUDGET OF THE COUNTY JUVENILE BOARD:

On Motion of Commissioner Tony Jebbia, seconded by Commissioner Ed. H. Helwig, and duly passed, the court authorized the amendment of the budget of the Fort Bend County Juvenile Board in the amount of $3,531.00 so that all members of the Fort Bend County Juvenile Board be paid the same amount of $300.00 per month. Ruling of Article 1926a of R.C.S. of Texas effective September 1, 1977, known as Family District Court Act, is as follows:

COMPENSATION FOR MEMBERS
OF FORT BEND COUNTY JUVENILE BOARD

Whereas, Article 1926a of R.C.S. of Texas, effective September 1, 1977, known as Family District Court Act, provides the composition of County Juvenile Board; and it shall include the County Judge of Fort Bend County, the four District Judges having jurisdiction in Fort Bend County, Texas, and the County Court-at-Law Judge; since he is a Judge, who has jurisdiction over juvenile matters in this County. 11

Whereas, the four District Judges have been compensated in the amount of $300.00 per month as a supplement to their state salary under Article 5142c-1, Article 5139 and Article 6819a of R.C.S. The County Judge and County Court-at-Law Judge have not been receiving the $300.00 per month, but a lessor amount because the provisions of the three old statutes did not include all of the judges for additional compensation.

Therefore, it is only fair that all six judges on County Juvenile Board be compensated the same, which would be in an amount not to exceed $300.00 per month. Payment can be made under the provisions of Article 1926a of R.C.S. Section 1.07 (c) "The commissioners court may compensate juvenile board members for their duties performed on the juvenile board beyond such compensation as is otherwise provided for by law, and this compensation is in addition to all other compensation paid by the state or county to district, family district, and county judges." It is recommended that the Commissioners Court of Fort Bend County pay the County Judge and County Court-at-Law Judge the same amount of $300.00 per month for their services as members of Juvenile Board of Fort Bend County. The Commissioners Court is requested to amend their budgets and start these payments as soon as possible.

20 RE: APPROVAL OF SUBDIVISION BOND FORM:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner Tony Jebbia, and duly passed, the court approved the following bond form for subdivisions;

BOND

STATE OF TEXAS §
COUNTY OF FORT BEND §

KNOW ALL MEN BY THESE PRESENTS:

THAT _____ of _____ County, Texas, hereinafter called the Principal, and _____, a Corporation existing under and by virtue of the laws of the State of _____ and authorized to do an indemnifying business in the State of Texas, and whose principal office is located in the City of _____, State of _____, whose officer residing in the State of Texas, Authorized to accept service in all suits and actions brought within said State is _____, residing in the City of _____ hereinafter called the Surety, are held and firmly bound unto, _____ County Judge of Fort Bend County, Texas, in the full sum of _____ Dollars ($_____) current, lawful money of the United States of America, to be paid to _____, County Judge of Fort Bend County, or his successors in office, to which payment well and truly to be made and done, we, the undersigned, bind ourselves and each of us, our heirs, executors, administrators, successors, assigns, and legal representatives, jointly and severally, by these presents.

WHEREAS, the said Principal is the owner of the following Subdivision (s):

located in Fort Bend County, Texas, as per Volume(s) _____ Page(s) _____, Map Records of Fort Bend County, Texas; and

WHEREAS, the Commissioners Court of Fort Bend County, Texas, has promulgated certain rules, regulations and requirements relating to Subdivisions in Fort Bend County, Texas, as more specifically set out in Section 1 of the policies for approval of plats in Fort Bend County; same being made a part hereof for all purposes, as though fully set out herein; wherein it is provided, among other things, that the owner of a Subdivision will construct the roads and streets therein shown, in accordance with the specifications set out therein, and maintain such roads and streets until such time as roads and streets have been accepted and for maintenance by the Commissioners Court of the County of Fort Bend, Texas.

20

It is further stipulated and understood that the approval of the map or plat of the above Subdivision(s) is conditioned upon and subject to the strict compliance by the Principal herein with the aforesaid specifications, and that the terms of said specifications, including all deletions, additions, changes or modifications of any kind or character, constitute a contract between the County of Fort Bend and Principal; and it is understood by the Principal that the approval of said map or plat of the above Subdivision(s) was obtained only by the undertaking of the Principal to so comply with the said regulations and specifications, and that without such undertaking such approval would have not been granted.

NOW THE CONDITION OF THIS OBLIGATION IS SUCH, that if the above bounded Principal, his, their, or its heirs, executors, administrators, successors, assigns, and legal representatives, and each and every one of them to do in all things well and truly observe, perform, fulfill, keep and comply with all and singular the rules, regulations, requirements and specifications above referred to, including any deletions, additions, changes or modifications of any kind or character, in the construction and maintenance of all roads and streets in the above named Subdivision(s) and that upon approval of the construction of said roads or streets by the County Engineer, and upon the approval of such maintenance by the County Engineer, then this obligation to be void and of no force and effect.

The Principal and Surety hereon each agree, bind and obligate himself and themselves to pay to the County Judge of Fort Bend County, State of Texas, for the use and benefit of Fort Bend County, all loss or damages to it occasioned by reason of failure of the Principal to comply strictly with each and every provision contained in the rules, regulations, requirements and specifications above referred to relating to the construction and maintenance of roads and streets in the above named Subdivision(s), and further agree, bind and obligate themselves to save and keep harmless the County of Fort Bend from any and all damages, expenses, and claims of every kind and character which the County of Fort Bend may suffer, directly or indirectly, as a result of the Principals's failure to comply with the rules, regulations and specifications relating to the construction and maintenance of the roads and streets in the above named Subdivision(s). 11

The word Principal when used herein means Principal or Principals whether an individual, individuals, partnership, corporations, or other legal entity having the capacity to contract. The words Roads or Streets used herein mean each and every road or street in said Subdivision(s). The word Maintenance as used herein means all needful, necessary and proper care and repair from completion of the roads or streets and approval thereof by the County Engineer until acceptance of the roads and streets by the Commissioners Court. The word Surety when used herein means Surety or Sureties, and it is understood by the parties that any and all liabilities of any kind or character assumed or imposed upon the Principal by the terms hereof extends in full force and vigor to each and every Surety jointly and severally.

21 RE: APOTION OF REVISED ORDER REGULATING THE LAYING, CONSTRUCTION, MAINTENANCE AND REPAIR OF CABLES, CONDUITS, AND POLE LINES, IN, UNDER, ACROSS OR ALONG ROADS, STREETS AND HIGHWAYS IN FORT BEND COUNTY, TEXAS, UNDER THE JURISDICTION OF THE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS.

On Motion of Commissioner Tony Jebbia, seconded by Commissioner Johnnie Pustka, and duly passed, the court ordered the adoption of revised order regulating the laying, construction, maintenance and repair of cables, conduits, and pole lines, in, under, across or along roads, streets and highways in Fort Bend County, Texas, under the jurisdiction of the Commissioners Court of Fort Bend County, Texas, as follows:

A REVISED ORDER REGULATING THE LAYING, CONSTRUCTION, MAINTENANCE AND REPAIR OF CABLES, CONDUITS, AND POLE LINES, IN, UNDER, ACROSS OR ALONG ROADS, STREETS AND HIGHWAYS IN FORT BEND COUNTY, TEXAS, UNDER THE JURISDICTION OF THE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS

THE STATE OF TEXAS)
(
COUNTY OF FORT BEND)

On this the 14th day of January, 19 80, upon motion of Commissioner Tony Jebbia, seconded by Commissioner Johnnie Pustka, duly put and carried,

11

IT IS ORDERED that all cables, conduits and pole lines, in, under, across or along all County roads, streets and/or highways in Fort Bend County, Texas under the jurisdiction of the Commissioners Court of Fort Bend County, Texas, owned and/or operated by any person, firm, limited partnership, joint stock association, or corporation claiming the right to make use of certain lands for the laying, construction, maintenance and/or repair of cables, conduits and/or pole lines, shall henceforth be laid and/or constructed and/or maintained and/or repaired under the following regulations and provisions.

I.

That said cable, conduit or pole line shall not be laid, constructed, maintained and/or repaired in, under, across or along such County roads, streets and/or highways in any manner which involves disturbing the soil prior to:

(1) payment of Twenty-Five Dollars (25.00) inspection fee for each application, an example of which is attached hereto. Payment should be made as follows: Fort Bend County.

(2) furnishing to the County Engineer of Fort Bend County, Texas, upon the application form herein adopted by the Commissioners Court, an example of which is attached hereto, which when completed shall show the following information:

a. The name of the County road, street and/or highway which will be affected by such cable, conduit and/or pole line laying, construction, maintenance and/or repair.

21

b. Map or plat reflecting the course and direction of such cable, conduit and/or pole line, through Fort Bend County, Texas, as it affects the County roads, streets and highways of Fort Bend County, Texas.

c. Detailed plans and specifications for the construction, maintenance and/or repair of such cable, conduit and/or pole line, in, under, across or along any County road right of way, such plans and specifications to reflect, the depth at which such facilities are to be laid, constructed, maintained and/or repaired along and/or across such County road right of way and other information necessary to reflect accurately the manner in which such facilities will be constructed, maintained and/or repaired in, under, across or along such County road right of way.

11

d. An affidavit executed by the person, or by a partner or officer of the firm, limited partnership, joint stock association or corporation claiming the right to lay its cables, conduits and/or pole lines, through, under, along, across and over County roads, streets and/or highways, stating the statute or statutes by article number as they appear in Vernon's Texas Civil Statutes, under which he or it has the right to lay its cables, conduits and/or pole lines through, under along, across and/or over County roads, streets and/or highways. Only one such affidavit is necessary and it shall be filed in the office of the County Clerk of Fort Bend County and Ex Officio Clerk of the Commissioners Court of Fort Bend County.

(3) A separate application must be filed for each work site.

II.

Property hereby affected shall not be entered upon for the purpose of laying, construction, maintenance and/or repair of any cable, conduit or pole line which involves the disturbance of the soil, until detailed plans describing such laying, construction, maintenance and/or repair have been submitted and reviewed by the County Engineer and Commissioners Court on the said prescribed form.

24

III.

No cable, conduit and/or pole line shall be laid, constructed, maintained and/or repaired in such a manner as to interfere with the construction, maintenance and/or repair of the County road, roadbed, ditches or right of way in, over, across or along which such cable, conduit and/or pole line is laid, constructed and/or maintained and in the event it shall develop that any such cable, conduit or pole line interferes in any manner with the construction, maintenance and/or repair of any County road, in, under, across or along which it is laid, constructed and/or maintained because of the depth or location at which such cable, conduit and/or pole line has been laid, constructed or maintained because of the widening, improving, maintaining and/or repairing of such County road, roadbed, or ditches, for reasons of public safety and welfare, upon request of the County Engineer such cable, conduit and/or pole line shall be changed or altered promptly within the existing right of way by the owner and/or operator of such cable, conduit and/or pole line in such a manner as to interfere no longer with such construction, maintenance, repair or the safety of the traveling public, and the owner and/or operator of such cable, conduit and/or pole line shall, if demand therefor is made by the Commissioners Court of Fort Bend County, bear all the cost and expense of such change or alteration.

11

IV.

No cable, conduit and or pole line shall be laid, constructed, maintained and/or repaired in such a manner as to interfere with the use of, or obstruct, any County road for the purpose of vehicular and pedestrian traffic, or so as to interfere with or obstruct any drainage on or along such road, and no such cable, conduit and/or pole line shall be laid, constructed, maintained and/or repaired in such a manner as to constitute a danger or hazard of any kind to persons or vehicles using such road, or shall any cable, conduit and/or pole line be laid, constructed, maintained and/or repaired so as to constitute a danger or hazard to the public property within the boundaries of the right of way of said County road, or to the maintenance thereof by County employees. Owner and/or operator of such cable, conduit and/or pole line must provide flagmen, signs, signals or devices necessary to provide complete safety to the public.

21

V.

Any damage whatsoever to any County road, roadbed, ditches or other structures on or in the County road right of way casued by reason of the laying, construction, maintenance and/or repair of any cable, conduit and/or pole line, in, under, across or along any such County road right of way shall be repaired immediately and restored to the condition that such County road, roadbed, ditches or other structutes on or in such right of way was in before the damage took place, such repairing and restoration to be at the sole cost and expense of the owner of operator of such cable, conduit and/or pole line.

VI.

All underground cables and/or conduits that cross improved County roads shall be either jacked, tunneled, bored or driven under the road for full width of the road. County roads, as herein used, are defined as that portion of the road and shoulder lying between the front slope of each ditch, or on curb and gutter sections, the area lying between the back of each curb and includes all roads within Fort Bend County except State and federal roads.

11

All underground cables and/or conduits that cross County roads shall be installed at the greater of two following depths: At least four (4) feet below the crown of the road or two (2) feet below the bottom of the ditches on each side of such County road; such distances to be measured from the top of such cable or conduit to the bottom of the road ditches or the crown of the road as the case may be; provided, however, in particular instances where it is determined by the County Engineer that a greater depth for a particular cable or conduit should be required due to the location or size of same, or other reason of public safety or necessity, such cable or conduit shall be laid at such greater depth as may be required by the County Engineer.

On curb and gutter sections, all underground cables and/or conduits that cross County roads shall be installed at a minimum of two (2) feet below the bottom of the slab at the gutter; such distance to be measured from the top of such cable or conduit to the bottom of the slab at the gutter; provided however, in particular instances where it is determined by the County Engineer that a greater depth is required, such cable or

21

conduit shall be installed at the depth required by the County Engineer.

VII.

All underground cables and/or conduits laid, constructed, maintained and/or repaired parallel to and within the right of way of any County road shall be laid, constructed, maintained and repaired at a distance of not less than four (4) feet from the edge of the portion of road considered as normal traveling surface, to the nearest side of such cable or conduit; and when possible all underground cables and/or conduits shall be laid, constructed, maintained and repaired in the area considered as the front slope of the ditch. These underground installations shall be at such depth so as to provide a minimum of two (2) feet of cover above the top of the buried structure.

On curb and gutter sections, all facilities paralleling the road shall be behind the curb and gutter.

11

VIII.

In all cases where dirt is piled along side of a trench cut for laying, construction, maintenance and/or repair of cables, conduits and/or pole lines parallel with a County road, weep holes shall be dug through such piles of dirt in order that water may drain from the roadbed and shoulders to the road ditches. Such weep holes shall be dug through such piles of dirt at intervals not to exceed two hundred (200) feet along such parallel construction, and at all swags or low places in the roadbed of such County road. Such weep holes shall be dug to a depth of six (6) inches below the shoulder of such County road and shall be dug for a width of twelve (12) inches, and such weep holes shall be dug through the piles of dirt, or to such an elevation that the bottom of the weep holes will discharge its water into the road ditch. Such weep holes must be maintained free of obstructions until construction is completed and the trench back-filled, tamped and leveled true to the original grade. If weep holes have not been properly constructed or maintained, operations shall cease until same are corrected.

IX.

When installation of any cable or conduit within County right of way requires the digging of pits or trenching to such depth that the repose angle created with respect to the edge of the traveling surface of the

21

road exceeds 33 deg. 41 min. 24 sec. (1-½: 1 slope), the owner and/or operator shall at its own expense furnish the County Engineer with soil testing laboratory reports indicating if sheeting is required to safely preserve the road. If reports indicate sheeting is required at various areas or for the entire length of a trench, it shall be installed by owner and/or operator at no expense to Fort Bend County.

Spacing for soil tests shall be at one thousand (1000) feet intervals unless soil indicates tests should be made at shorter intervals or as directed by the County Engineer.

X.

At least forty-eight (48) hours before commencing laying, construction, maintenance and/or repair of any cable, conduit and/or pole line, in, under, across or along any County road which involves disturbance of the soil, written notice of the time such laying, construction, maintenance and/or repair shall commence shall be given to the County Engineer of Fort Bend County and to the appropriate Commissioner in order that he might supervise and inspect such laying, construction, maintenance and/or repair; provided however, that in cases of emergency requiring immediate maintenance or repair of any cable, conduit and/or pole line, such notice may be given to the County Engineer orally prior to any such emergency maintenance and/or repair.

11

XI.

Escavated spaces shall be backfilled within forty-eight hours of completion of work. All excess excavation material shall be removed from the work site at the end of each day. Open trench area shall be confined to no more than can be backfilled and compacted in ten (10) inch lifts at the end of each work day. No trench shall be left open overnight. Backfill material shall be free from large or frozen lumps, wood or other extraneous material. The backfill shall be placed in uniform layers not to exceed ten (10) inches depth (loose measurement) and each layer thoroughly compacted to the comparable density of the surrounding area and to the satisfaction of the County Engineer.

XII.

Any pole line parallel to the road shall be constructed with the poles set no further than one (1) foot from the right of way line. Any

21

deviation must have the written approval of the County Engineer.

XIII.

All overhead road crossings shall be constructed and maintained in accordance with applicable provisions of the National Electrical Safety Code (NESC).

XIV.

Maintenance and/or repair (other than emergency) on existing or hereafter existing cables, conduits and/or pole lines that lie within County right of way, and which requires disturbance of the soil, shall not be performed until plans describing such maintenance and/or repair have been approved by the County Engineer.

XV.

All existing and hereafter existing underground road crossings shall be clearly and permanently marked on each side of the right of way, with warning signs indicating owner and type of installations, where practicable.

11

XVI.

Any person, firm, limited partnership, joint stock association or corporation claiming the right to make use of certain Fort Bend County lands and/or road right of ways for the laying, construction, maintenance and/or repair of cables, conduits and/or pole lines as used herein, any officer, agent, employee or contractor of any such person, firm, limited partnership, joint stock association or corporation, or any officer, agent or employee of any such contractor, violating any one or more of the above regulations and provisions set forth herein shall be deemed to be in contempt of this Court, and shall be called to show cause before this Court why he or it should not be held in and punished for contempt for his or its conduct in violation of this order and regulations of this Court.

XVII.

If any provision, section, subsection, sentence, clause or phrase of this order, or the application of same to any person, firm, limited partnership, joint stock association, or corporation, or set of circumstances is for any reason held to be unconstitutional, void or invalid

21

(or for any reason unenforceable), the validity of the remaining portions of this order or their application to other persons, firms, limited partnerships, joint stock associations, or corporations, or set of circumstances, shall not be affected thereby, it being the intent of the Commissioners Court of Fort Bend County, Texas, in ordering these regulations and provisions that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality or invalidity of any other portion, provision or regulation, and to this end, all provisions of this order are declared to be separable.

XVIII.

Operation of construction and/or maintenance equipment on the traveled surface of any improved County road will not be permitted, except in an instance whereby the laying, construction, maintainence and/or repair of cables, conduits and/or pole lines cannot be accomplished by any other method, and in this event all such equipment shall be of the rubber tire variety.

11

XIX.

Evidence of review by the Commissioners Court should be kept on the jobsite at all times and failure to do so constitutes grounds for job shutdown.

XX.

A bond payable to Fort Bend County, as provided in subparagraphs (1) or (2), shall accompany "Notice of Proposed Cable, Conduit and/or Pole Line Activity within Fort Bend County Road Right of Way" unless one perpetual bond is executed as provided for in subparagraph (3).

(1) A bond with two good and sufficient personal sureties, a corporate surety bond, or a personal bond, if acceptable to the Commissioners Court of Fort Bend County, Texas, acting in its sole discretion upon proof being furnished to the satisfaction of said Court as to the financial responsibility of the owner or operator desiring to make such crossing and/or crossings, for each crossing of such cable, conduit and/or pole line over a County road right

21

of way or for each one mile or part of one mile such cable, conduit and/or pole line runs parallel with and within the boundaries of such County road right of way.

(2) In the event the laying, construction, maintenance and/or repair of one continuous cable, conduit and/or pole line is to be made in, over, across and along several County road rights of way, one such bond covering all laying, construction, maintenance and/or repair of such cable, conduit and/or pole line in, under, across, or along the several County road rights of way affected by such continuous cable, conduit and/or pole line laying, construction, maintenance, and/or repairs.

(3) One perpetual bond, executed solely by such authorized owner or operator, if acceptable to the Commissioners Court of Fort Bend County, Texas, acting in its sole discretion upon proof being furnished to the satisfaction of said Court as to the financial responsibility of such authorized owner or operator; such perpetual bond to cover all cables, conduits and/or pole lines thereafter laid, constructed, maintained and/or repaired by such authorized owner or operator in, under, across or along any County road in Fort Bend County, Texas, under the jurisdiction of the Commissioners Court of Fort Bend County, Texas.

The amount and terms of each of the above bonds to be determined by the Commissioners Court of Fort Bend County, Texas, or the County Engineer of Fort Bend County, Texas, and each of the bonds to be conditioned that the cables, conduits and/or pole lines covered thereby be laid, constructed, maintained and repaired so as to comply with the herein established minimum requirements and conditions for such laying, construction, maintainence and repair of such cables, conduits and/or pole lines, in, under, across, and along such County road right of way.

22 RE: ADOPTION OF FORM FOR NOTICE OF PROPOSED CABLE, CONDUIT AND/OR POLE LINE ACTIVITY IN FORT BEND COUNTY ROAD RIGHT OF WAY:

Ricmond, Texas

Your Honor:

I am writing this in hopes that some one else can be as fortunate and happy as I am.

I want to say one thing and maybe you can help me say it in a way that will help every one.

I want to say thank you to the best and most caring group of young men and women in our county. The E.M.T. of our ambulance crew. Due to their dedication, training, and love for their fellow person they gave me back the most precious thing in my life, my wife.

On December the 20th at about 1:45 my wife had a heart attack and a cardiac arrest. The following people came to her aid and with God's help they brought her back to life and now she is at home and doing better, thanks to them,
Wanda Schimcek and Linda Nichols 1st on the scene
Daniel Kosler, Roger Hill, Dan Zimmerman, Ken Rosenbaum, Don Kacal, Ronnie Conn and Donna Strickland.

I would like to add that to my way of thinking they are the best in the world and every one in Fort Bend County should be proud of them. I say thank you to them and I am proud to know them and to call them friends.

Sincerely
Jim Bishop

THE HARTFORD

October 3, 1979

Mr. Stanley Kucherka
County Engineer
P. O. Box 1028
Rosenburg, Texas 77471

Re: Hartford Loss Control Service Activities

Dear Mr. Kucherka:

This letter is a confirmation of my contact with you and with Mr. David Jalowy, Assistant to the Engineer, on September 25, 1979. The purpose of the visit was to offer assistance to you and Ft. Bend County in your Safety and Loss Control activities.

I left with you the most recent copy of your LARS Loss Records for the current policy year. We briefly reviewed additional losses, since the last report. We discussed, in detail, one specific loss, which was believed to be questionable in nature, because it precipitated a call from the State, indicating the claimant had made similar claims from separate employers on at least three previous occasions. This lead to the conclusion, the money is paid out and held on a reserve may not be entirely justified. At your request, I contacted the Hartford Claims Manager so additional investigation could be done. In the future, if any question arises as to the authenticity of a claim, simply attach a brief note along with the first report of injury so the claim will be more closely scrutinized.

Because of your concern, and the express concern of the County Commissioners over the increased cost of losses and because of the rapid growth of the County and its services rendered, it is strongly recommended, the County establish a formal comprehensive policy and procedure program designed to reduce the potential for loss and to maximize the efficiency of all services rendered. Such a program would include, but not be restricted to, the following:

1.) Employment hiring policies and procedures.

2.) New employee orientation policies and procedures.

3.) Continuous employee training policies and procedures.

4.) Equipment maintenance policies and procedures.

5.) Automobile and truck maintenance policies and procedures.

6.) Establish a policy of holding line supervisory personnel formerly accountable for losses which occur under their jurisdiction.

Each of these factors, and others, should be designed in an overall general County plan and subsequently detailed into specific departmental needs.

Attached to the letter, is a more detailed discussion, including: Definition of terms, basic principals of Loss Control, and County Management's role in a good program.

3

After you have had an opportunity to read, distribute and digest the recommendations, please feel free to contact me, if there are any questions. Also, if you want me to appear before the Commissioner's Court to answer questions or give more detailed explanations on the development of the Loss Control Program, please set up an appointment sometime before December 15, 1979 and notify me of the time and date.

Thank you for your interest and I am looking forward to working with you.

Sincerely,

For the context of this discussion, losses are defined as - any interruption or interference with the orderly process of the job.

BASIC PRINCIPALS OF LOSS CONTROL

A sound Loss Control (Operations Control) Program is designed around four basic time proven fundamentals principals.

1. An accident resulting in injury, fire or other damage to property is a significant clue to the fact that something has gone wrong in the operational process.

2. The conditions that are responsible for accidents and fires are normally the same conditions that are responsible for other operating and related economic losses.

3. Effective control of losses is obtained through effective control of all operations.

4. The line supervisor is the key to effective control of operations, because he is normally in the best position to detect and correct the conditions responsible for losses. Therefore, good control of losses is attained by effective management through good supervision of equipment, material, and all other people involved in the progress.

The basic goal, is to reduce operational henderances and operation costs by minimizing losses and maximizing efficiency of operations.

COUNTY COMMISSIONERS ROLE:

The Loss Control concept requires top management's interest, leadership and continuing support. The success of the program depends largely on the degree to which top management will do the following:

1. Adopt a policy of looking at accidents, fires, and other losses (as defined) as operating problems. It requires treating them in the same manner as any other operating type problem.

2. Deligate responsibility to line supervision for identifying and controlling the conditions that cause losses. This involves providing motivation and training to make sure responsibility is understood and accepted.

3. Establish a systematic method to determine and eliminate loss producing conditions, both actual and potential. Also, it involves establishing systematic procedures to monitor performance, making sure the procedures reinforce the supervisors responsibility for loss control.

THE HARTFORD ROLE:

It is the Hartford's desire to assist you in establishing and/or improving a sound Loss Control Program. This can be accomplished through consulting and possibly through offering supervisor training courses in supervisor investigation of losses.

3

Once it is established, a Loss Control Program will be developed, it would be necessary to deligate an individual as a Loss Control Director. The Director would be responsible for organizing, developing and coordinating efforts among Departments after initial General Policies and Procedures have been written. The Loss Control Director would ideally answer the Board of Commissioners. His position is not to be one of policing violators of established policy and procedure, instead it is one of monitoring and reporting to the Commissioners.

The next step would be to require formal line supervisor accountability through establishing a policy and procedure of their reporting of losses which occur under their jurisdiction. It would be necessary to specifically define the types of losses to be reported. For example, a definition might include four factors:

1) Any employee who misses one hour or more due to accidental illness or injury.

2) Any work delay of more than one hour due to equipment failure or material damage.

3) Any damage to County owned equipment or material in excess of $50.00.

4) Any damage to others or property of others in excess of $50.00.

If a loss occurs, which is defined in any or all of the above, then a formal written report should be made answering the following questions:

1) What happened?
2) Why did it happen?
3) What should be done about it?
4) What has been done about it?
5) How will this improve operations?

These supervisors reports should be reviewed and reports made, periodically to the Commissioner's Court. Supervisor reports can be used to evaluate and update policies and procedures. They can be used to evaluate effectiveness of supervisors. They can be used to feed back to supervisors necessary changes. In essence, they are the core and backbone of an effective Loss Control Program. 11

12 RE: MR. ROBERT SPANGENBERGER - MISSION BEND SUBDIVISION:

Mr. Robert Spangenberger gave the court a review of the faulty workmanship on streets and sidewalks, being done by developer Fox & Jacobs, on his street and other streets in the Mission Bend Subdivision. Mr. Spangenberger made the following suggestion to the court.

1. That the county to continue a vigorous inspection program of all installation, core test and other test.

2. Notify the developer that if some of the mistakes are not corrected they will not be taken under the Countys' maintenance.

3. Place developer with sufficient records of violations on list for future development in the County,

4. Investigate what legal steps can be taken to insure all such standard installations be corrected or brought to respectable standards by the developer, if possible.

District Attorney William Meitzen said that his office has received complaints about the streets and about the developer's promise to construct recreational facilities which have not been built.

District Attorney suggested that Commissioners refuse to allow further development by this builder until specification requirements are met.

20 RE:ACT ON RESOLUTION TO URGE CONGRESS TO CONTINUE REVENUE SHARING FUNDS:

ON motion of Commissioner Tony Jebbia, seconded by Commissioner W. Lee Schmidt, and duly passed, the court authorized to pass the following resolution, hereby strongly urges the 96th Congress to reenact without change the General Revenue Sharing program, as follows:

R E S O L U T I O N

W H E R E A S, Congress will soon consider renewal of the General Revenue Sharing Act, which returns to state and local governments $6.8 billion annually, barely 1 percent of federal outlays; and,

W H E R E A S, two-thirds of General Revenue Sharing is passed directly to local governments; and,

W H E R E A S, Fort Bend County will receive nearly $598,000, and cities and counties in Texas will receive approximately $220 million in direct entitlements from General Revenue Sharing funds in 1980; and,

W H E R E A S, General Revenue Sharing is one of the few means for Fort Bend County and other local governments to recover part of the unreimbursed costs of administering programs and requirements mandated by the federal government; and,

W H E R E A S, demands on county government are increasing at a time when inflation makes it ever more costly and difficult to maintain existing services; and,

W H E R E A S, no other federal program provides flexibility to meet the most urgent needs of local citizens, which may vary significantly between states and within their counties and cities; and,

W H E R E A S, counties have limited revenues that are limited to property taxes; and,

W H E R E A S, termination of General Revenue Sharing would impose severe economic hardship on county government resulting in either a reduction in services or an increase in the already heavy burden of property taxes on local citizens; and,

W H E R E A S, the formula used for General Revenue Sharing provides a per capita distribution of funds weighted toward those local governments most in need; and,

W H E R E A S, General Revenue Sharing is but a small return of the federal taxes imposed upon the citizens in every county; and,

W H E R E A S, the General Revenue Sharing program is administered at a cost of only one-tenth of 1 percent, while other federal aid programs cost 5-10 percent or more;

NOW, THEREFORE, BE IT RESOLVED that the Commissioners Court of Fort Bend County, Texas, hereby strongly urges the 96th Congress to reenact without change the General Revenue Sharing program.

IT IS HEREBY ORDERED that this resolution be spread upon the minutes of the Court this 21st day of January A.D., 1980.

10 RE: RON POPE, FORT BEND COUNTY CHILDRENS PROTECTIVE SERVICES - AMENDMENT TO THE STATE/COUNTY CONTRACT:

On Motion of Commissioner Tony Jebbia, seconded by Commissioner W. Lee Schmidt, and duly passed, the court authorized that the Amendment to the Child Welfare Contract be approved as follows:

STATE OF TEXAS |

COUNTY OF TRAVIS |

AMENDMENT
To The
CHILD WELFARE CONTRACT
IN Fort Bend COUNTY, TEXAS

Whereas, the Texas Department of Human Resources, formerly named the State Department of Public Welfare, and hereinafter referred to as the Department, and the above referenced County previously entered into a Child Welfare Contract effective _____ for the creation of a Child Welfare
date
Board and for a jointly financed Aid to Families with Dependent Children Foster Care program; and

Whereas, Section 41.022 Human Resources Code authorized the Department to entre into contracts with counties for the extension of the foster care program to certain children ineligible for AFDC foster care; and

Whereas, the parties desire to so extend foster care services, the parties mutually agree to amend the Child Welfare Contract as set forth below;

1.

The Department agrees to reimburse the County for the cost of protective foster care that is provided by the County to any child:

1) For whom the Department after January 1, 1980 has
   (a) initiated a suit under Section 15.02 of the Texas Family Code and;
   (b) made the initial placement of such child into a licensed 24 hour child care facility and;
2) For whom the Department has been named managing conservator by a court order in that suit, and
3) Who is ineligible for foster care under the Aid to Families with Dependent Children program;

10

4) Who meets the Department's financial requirements for eligibility;

PROVIDED, however, that the Department will not reimburse the County for the cost of protective foster care for a child for whom the Department has been named managing conservator by a court order issued solely under TEX. FAMILY CODE Section 15.02(1) (J), as amended.

II.

The Department agrees to provide Medicaid coverage with the amount and scope of the Medicaid program, as defined by the Department, for any child eligible for protective foster care under Article I of this amendment and who is eligible for Medicaid benefits.

III.

The Department agrees that reimbursements to the County for protective foster care provided to children eligible under Article I to this amendment cannot be less than payment made for similar care for a child who is eligible for the Aid to Families with Dependent Children Foster Care program. The County agrees that expenditures made by the County for foster care for children who are not eligible under Article I to this amendment and for medical care payments made by the County for children who are ineligible for Medicaid cannot be less than expenditures made for similar care for a child who is eligible for the Aid to Families with Dependent Children Foster Care program and the Medicaid Program.

11

IV.

The County agrees that payments provided by this amendment do not abrogate the responsibility of the County to provide child welfare services, which include protective foster care payments for children who prior to January 1, 1980, were ineligible for AFDC foster care. The County further agrees to pay for medical care for children who are ineligible for the Medicaid program, and for medical services not covered by the Medicaid program. After the effective date of this amendment the County agrees to maintain its 1979 fiscal year expenditures for child welfare services. However, the County's annual ob-

10

ligation for expenditures for child welfare services after the effective date of this Amendment may be reduced in an amount equal to the annual amount expended by the Department under Articles I and II to this amendment.

V.

The performance of the provisions of the Child Welfare Contract added by this amendment is subject to the availability of appropriated funds. If such funds become unavailable, this portion of the contract added by this amendment shall be suspended and/or terminated, however, the remainder of the contract shall remain in full force and effect.

VI.

The parties agree that all terms and conditions of the Child Welfare Contract not in conflict with this amendment shall remain in full force and effect. 11

In their capacities as stated, the parties bind themselves and affix their signatures effective this the 28th day of January, 1980.

RE: MS KIM SOWELL, COUNTY SANITARIAN - GIVE COMMITTEE REPORT ON SEPTIC TANK MAINTENANCE ORDER:

On Motion of Commissioner Tony Jebbia, seconded by Commissioner Ed. H. Helwig, Commissioner W. Lee Schmidt opposed, and duly passed the court authorized the adoption of the recommendations of the Committee as set out in the Committee Report and further that a public hearing on the Septic Tank Ordinance will be held on March 5, 1980 at 7:00 o'clock P.M. at the Courthouse Annex. Committee Report as follows:

COMMITTEE REPORT

At 1:30 P. M. on Thursday, January 17, 1980, the committee appointed by County Judge Jodie Stavinoha met to draft a proposed septic tank order. Several county orders from Harris, Gillespie, Walker and the tenative draft from Fort Bend County were considered.

Committee members, Tony Jebbia, Ed Helwig, Stanley Kucherka, and Kim Sowell were present. The committee recommendations are as follows:

1. That the proposed draft written by Harold Gumm not be adopted (three pro, one con) no vote.

2. That the Harris County order be adopted with certain modifications. (four pro)

3. That section seven from the Gillespie County order concerning complaints be added to section eleven in Harris County's order. That section reads "Upon the receipt of a complaint that an existing private sewage facility, licensed or not is endangering public health or polluting water, the Licensing Authority (County Engineer) shall immediately inspect the facility. If the County Engineer finds that the complaint is valid and that the private sewage facility is endangering public health or polluting water, the County Engineer shall notify the owner of the facility in writing of such fact and the action necessary to comply with - this order, and a reasonable amount of time in which to comply.

At the expiration of the alloted time, the County Engineer shall reinspect the private sewage facility. Upon reinspection, if the facility is in compliance with the requirements - a license shall be issued the facility upon payment of the license fee.

If the facility is not in such compliance, the Licensing County Engineer shall take action to enforce compliance." Four pro.

It was generally agreed that on licensing authority should be responsible for all septic system inspections and nuisance complaints.

That the County Engineer shall administer the order. (One con)

That the licensing authority shall charge an inspection fee set by Commissioner's Court.

It was pointed out during the meeting by Kim Sowell that the county is not following the prescribed legal formula set up by the State for adoption.

19 RE: SELECT CONTRACTOR FOR COURTHOUSE RENOVATION:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner W. Lee Schmidt, and duly passed, the court accepted the Low Base Bid of Meyerson Construction Company of Houston, Texas, as the Contractor for the Courthouse Renovation Project. Low Base bid of $1,729,000.00 plus Alternates 1, 5 & 6 making a bid of $1,811,000.00. Letter of recommendation from Ray B. Bailey Architects, Inc. as follows:

11

January 28, 1980

Judge Jodie Stavinoha
P.O. Box 368
Richmond, Texas 77469

Judge, after reviewing the bids, resumes and experience records submitted by the contractors bidding on the Fort Bend County Courthouse Renovation on January 23, 1980, we recommend that the Commissioners' Court accept the low base bid of $1,729,000 submitted by Meyerson Construction Company.

We would also recommend the inclusion of Alternates No. 1, 5, and 6 in the contract. The wood venetian blinds, the light fixture reproductions of the original light fixtures, and the Judge's bench and jury box in the large District Courtroom are very important as to an authentic restoration of the Courthouse. With the acceptance of these three Alternates, the total construction cost will be $1,811,000.00.

Our office is very excited about the start of the construction phase and look forward to all the hard work, both past and future, paying off in the creation of a National Historic Landmark.

Best regards,

Dan Holt

COUNTY OF FORT BEND

FORT BEND COUNTY, TEXAS
CERTIFICATE OF OBLIGATION
SERIES 1980

11

ON MARCH 1, 19___, the COUNTY OF FORT BEND (hereinafter called the "County"), in the State of Texas, promises to pay to bearer or, if this Certificate is registered, to the registered owner hereof, the principal amount of

FIVE THOUSAND DOLLARS

and to pay interest thereon, FROM THE DATE OF INITIAL DELIVERY SHOWN ON THE FACE HEREOF, to bearer or, if this Certificate is registered, to the registered owner hereof, at the rate of 6.00% per annum, interest payable September 1, 1980, and semiannually thereafter on each March 1 and September 1 while this Certificate is outstanding. Both the principal of and interest on this Certificate shall be payable, without exchange or collection charges to the owners or holders, upon presentation and, in the case of the principal when due, surrender of this Certificate at the FIRST CITY NATIONAL BANK OF HOUSTON, Houston, Texas, which shall be the paying agent for this series of Certificates.

20

THIS CERTIFICATE is one of a series of negotiable, registrable Certificates of Obligation, dated March 1, 1980, numbered from 1 through 250, in the denomination of $5,000 each, aggregating $1,250,000, issued in accordance with the Constitution and laws of the State of Texas, particularly Article 2368a.1, Vernon's Texas Civil Statutes, as amended, for the purpose of evidencing the indebtedness of the County for all or any part of the cost of constructing permanent improvements for the County, to-wit: improvements to the County Courthouse, including the cost of professional services in connection therewith, and pursuant to an order adopted by the Commissioners Court of the County on the 28th day of January, 1980.

IT IS HEREBY certified, recited, and covenanted that this Certificate has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the issuance and delivery of this Certificate, have been performed, existed, and been done in accordance with law; that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Certificate, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in the County and have been pledged for such payment within the limits prescribed by law; that this Certificate shall be a debt of the County within the meaning of Article XI, Sections 5 and 7 of the Constitution of Texas; and that, when delivered, this Certificate shall be deemed and construed (i) to be a "Security" within the meaning of Chapter 8, Investment Securities, Uniform Commercial Code (Chapter 785, Acts of the 60th Legislature, Regular Session, 1967), and (ii) to be a general obligation of the County within the meaning of Chapter 784, Acts of the 61st Legislature of Texas, Regular Session, 1969.

//

THIS CERTIFICATE shall be transferable by delivery unless registered as to principal in the owner's name upon books of the County Treasurer to be kept for that purpose at the office of the County Treasurer of the County, the registrar, such registration to be noted hereon. After such registration, no transfer of this Certificate shall be valid unless made on said books at the request of the registered owner hereof, or his duly authorized agent, and similarly noted hereon; but this Certificate may be discharged from registration by being in like manner transferred to bearer, whereupon transferability by delivery shall be restored; and this Certificate may again and from time to time be registered or made payable to bearer as before.

IN WITNESS WHEREOF, the Commissioners Court has caused this Certificate of Obligation to be signed by the County Judge, countersigned by the County Clerk, and registered by the County Treasurer, and the official seal of said Court to be impressed, or placed in facsimile hereon. 11

Section 8. A special fund or account, to be designated the "Fort Bend County, Texas, Certificates of Obligation, Series 1980, Interest and Sinking Fund" (hereinafter called the "Interest and Sinking Fund"), is hereby created and shall be established and maintained by the County at an official depository bank of the County. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the County and shall be used only for paying the interest on and principal of the Certificates. All ad valorem taxes levied and collected for and on account of the Certificates shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the Certificates are outstanding and unpaid, the Commissioners Court of the County shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient to raise and produce the money required to pay the interest on the Certificates as such interest comes due and to provide and maintain a sinking fund adequate to pay the principal of the Certificates as such principal matures but

20

never less than 2% of the original principal amount of the Certificates as a sinking fund each year; and said tax shall be based on the latest approved tax rolls of the County, with full allowance being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax are hereby levied, and are hereby ordered to be levied, against all taxable property in the County for each year while any of the Certificates are outstanding and unpaid; and said tax shall be assessed and collected each such year and deposited to the credit of the Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Certificates, as such interest comes due and such principal matures, are hereby pledged for such payment within the limits prescribed by law.

11

Section 9. Claims incurred for the purposes set forth in Section 3 hereof may be funded and exchanged for a like total principal amount of Certificates, and any amount in excess of the principal amount of Certificates delivered at any one time may be paid in cash or carried forward to a subsequent exchange, or exchanges, of claims for Certificates. However, none of the Certificates authorized by this order shall be delivered except pursuant to a further order, or orders, to be adopted by this Commissioners Court.

Section 10. The County Judge and all other appropriate officers of the County are hereby authorized and directed to do any and all things necessary or convenient to carry out the provisions of this order.

Section 11. It is hereby officially found and determined that the need of the County for such financing creates an emergency and an urgent public necessity for the holding, at the scheduled time, of the meeting of the Commissioners Court at which this order is adopted and for the adoption of this order; and the NOTICE OF MEETING relating to said meeting and heretofore

20

posted by the County Clerk, and the posting thereof, are hereby approved, adopted and ratified.

PASSED AND APPROVED this 28th day of January, 1980.

Judge Jodie Stavinoha & Commissioners
of Fort Bend County
County Courthouse
Richmond, Texas 77469

January 29, 1980

Dear Judge Stavinoha & Commissioners:

On January 6, 1980 I became ill and it became necessary for me to use the services of the Fort Bend Co. Ambulance to pick me up at my home in Valley Lodge and be taken to the Polly Ryon Hospital.

I would like to take this opportunity to thank the Commissioners for having this service available and to tell you what a wonderful job the two attendants, Don Kacal and Roger Hill, did for me.

They were very courteous to me and my family and even more important they were highly skilled and very professional in their care and treatment of me on the way to the hospital.

It is re-assuring to me knowing that we have this kind of service in the county that I live in. It makes me very proud to be a part of this community.

Again, may I thank you and the ambulance service. Please accept my check as a small donation.

Yours truly,

Earl L. Browning

Hon. Roy L. Cordes
Mayor, City of Sugar Land
P. O. Box 110
Sugar Land, Texas 77478

Dear Sir:

We acknowledge receipt of your letter dated December 12, 1979, requesting our assistance in the improvement of FM 1876 at the above location.

11

Your proposal has been carefully considered by this office. We do agree that the proposed improvement would improve the traffic circulation in this area and is a worthy project.

In order to finance this project with Federal-Aid Urban System Program funds, Fort Bend County would have to furnish this office a letter requesting this project to be included in our next Urban System Program. Therefore, we suggest that you convince Fort Bend County that yours is a worthy project and furnish us this letter. Please coordinate your work, right of way determination as well as preparing construction plans with Mr. William Clark, Resident Engineer at Rt. 1, Box 43A, Rosenberg, Texas 77471, Telephone No. 342-5449.

Thank you for your continuous concern and interest in our highway system. If further information is needed, please advise.

Very truly yours,

Omer F. Poorman

Re: Eldridge Road (FM 1876)
Thoroughfare Improvements

Dear Mayor Cordes:

As a response to your letter requesting us to advance funds for engineering fees related to the referenced project, it is my pleasure to inform you that Genstar will assist the City of Sugar Land in providing up to $100,000.00 for this project. We hope that you may now proceed to obtain State and Federal funding for its construction.

4

12

I do wish to state that our present ability to provide these funds had not been budgeted and the sale of the commercial tract (8.6 acres on Eldridge Rd.) will allow us to expedite not only this funding but also the installation of the East-West thoroughfare and the Bournewood Drive connection between Seventh Street and Covington Woods in a timely fashion.

Please have Mr. Bruce Byron advise me of the procedure which the City of Sugar Land wishes Genstar to provide the funds for this project, i.e., direct payment to Lichliter or to the City.

I look forward to working with you and the City Council during the coming new year.

Sincerely,

John E. Carr

4 RE: MAYOR JOHN MORRISON, CITY OF KATY - REQUEST FOR RESOLUTION OF SUPPORT FOR KEEPING POST OFFICE IN THE CITY OF KATY:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Tony Jebbia, and duly passed, the court authorized the passage of the resolution to support for keeping the Post Office in the City of Katy. Resolution as follows:

IN THE COMMISSIONERS COURT

OF

FORT BEND COUNTY, TEXAS

WHEREAS, the City of Katy, Texas, is recognized as an important part of one of the fastest growing areas of the United States, and

WHEREAS, the prestige and integrity of Katy is an important factor in the continued growth of the area and of Fort Bend County, and

WHEREAS, the City of Katy has a long and distinguished history as a contributor to the early growth of Texas as a stage stop on the run from San Felipe, and

WHEREAS, the importance of Katy's past, present and future contributions are being challenged by proposals of the United States Postal Service to remove from the City of Katy, the post office and locate such post office outside the corporate limit jurisdiction of Katy, and

WHEREAS, if such proposals are finally adopted the effect would be adverse to the City of Katy and would be an unreasonable discrimination against the mail patrons of the City of Katy,

NOW, THEREFORE, be it RESOLVED that the Commissioners Court of Fort Bend County, Texas, by these presents urges the United States Postal Service to resist any plan whereby the post office would be removed from the corporate limits of the City of Katy, and, further, to commence a course of action whereby any new postal facility to be constructed by the Untied States Postal Service to serve the rapid development in the Katy area be constructed on land located within the limits of the City of Katy, Texas.

PASSED AND APPROVED by the Commissioners Court of Fort Bend County, Texas, this 11 day of February, 1980.

AUDITORS' REPORT

Honorable Jodie Stavinoha, County Judge,
and Members of the Commissioners Court
of Fort Bend County, Texas:

We have examined the statements of cash receipts and disbursements of the various funds of Fort Bend County, Texas and Fort Bend County Drainage District for the year ended December 31, 1978, and have issued our report thereon dated May 31, 1979. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We have also made a similar examination of the statements of cash receipts and disbursements of the various funds of Fort Bend County, Texas and Fort Bend County Drainage District for the year ended December 31, 1977.

In connection with our examinations for the year ended December 31, 1978, we also (1) performed tests of compliance with the Revenue Sharing and Antirecession Fiscal Assistance Acts and regulations as required by Sections II.C.3. and III.C.3. of the "Audit Guide and Standards for Revenue Sharing and Antirecession Fiscal Assistance Recipients" (the "Guide") issued by the Office of Revenue Sharing, U. S. Department of the Treasury, and (2) compared the data on Bureau of Census Form RS-9 with the audited financial statements of Fort Bend County, Texas and Fort Bend County Drainage District for the year ended December 31, 1977 as required by Sections II.C.4. of the Guide.

Based on these procedures, we noted no instance of noncompliance with the regulations but did note the following differences between certain amounts on Bureau of Census Form RS-9 and in the audited financial statements of Fort Bend County, Texas and Fort Bend County Drainage District for the year ended December 31, 1977:

	Financial Statements	Form RS-9	Financial Statements Over (Under) Form RS-9
Part I - Tax Revenues			
1. Property taxes	$4,933,039	$5,004,949	$(71,910)

AUDITORS' OPINION

Honorable Jodie E. Stavinoha, County Judge,
and Members of the Commissioners Court
of Fort Bend County, Texas:

We have examined the statement of cash receipts and disbursements of the Youth Conservation Corps Grant Fund of Fort Bend County, Texas for the period June 1, 1979 through November 30, 1979. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The statement of cash receipts and disbursements is a summary of the cash activity of the Youth Conservation Corps Grant Fund of Fort Bend County, Texas and does not include certain transactions that would be included if the County prepared its financial statements on the accrual basis, as contemplated by generally accepted accounting principles. Accordingly, the accompanying statement is not intended to present financial position or results of operations in conformity with generally accepted accounting principles.

As more fully described in note 3, disbursements of $702.05 are deemed to be questioned costs in accordance with the provisions of the grant agreement and do not appear to be reimbursable. The final determination of whether such costs are allowable under the terms of the grant agreement will be made by the Texas Department of Community Affairs.

In our opinion, subject to the effects of such adjustments, if any, as might have been required had the outcome of the uncertainty referred to in the preceding paragraph been known, the accompanying statement presents fairly the cash receipts and disbursements of the Youth Conservation Corps Grant Fund of Fort Bend County, Texas for the period June 1, 1979 through November 30, 1979, classified on a basis consistent with that of the preceding program period.

FORT BEND COUNTY, TEXAS

YOUTH CONSERVATION CORPS GRANT FUND
NOTES TO STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS
FOR THE PERIOD JUNE 1, 1979 THROUGH NOVEMBER 30, 1979

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounts of Fort Bend County, Texas (the "County") are maintained, and the accompanying statement has been prepared, on the cash basis.

Purpose of Fund

The Youth Conservation Corps Grant Fund is used to account for monies received under a grant from the Texas Department of Community Affairs, Youth Services Division (the "TDCA").

In-Kind Contributions

In-kind contributions of costs incurred by the County in support of the grant program are accounted for in other funds of the County and are, therefore, not included in the accompanying statement.

2. GRANT AGREEMENT

The County entered into an agreement with the TDCA dated June 1, 1979 to operate a Youth Conservation Corps project. The purpose of the project was the employment of youth during the summer of 1979 to aid in the conservation of County property and to participate in environmental awareness studies.

The agreement sets a project cost budget totaling $30,464.00. The agreement also provides for reimbursement to the County of up to 80% of the eligible costs (as defined in the grant agreement) of the project, with a maximum reimbursement of $22,848.00. The County has incurred its required share of project costs in the form of in-kind contributions consisting of the cost of time spent by the County's Grant Coordinator and park officials on the grant program, and the cost of County supplies and equipment used in the grant program. These costs are summarized as follows:

Personnel salaries.....	$4,449.85
Travel.....	2,863.23
Supplies.....	883.30
Total.....	$8,196.38

Any unexpended grant proceeds remaining at the end of the grant program must be refunded to the TDCA.

3. QUESTIONED COSTS

Under the grant agreement, costs for workmen's compensation expense (fringe benefits expense) and travel expense are reimbursable only when incurred by staff leaders of the program. Questioned costs totaling $702.05 represent disbursements for workmen's compensation expense ($543.97) and travel expense ($158.08) for enrollees in the program. Final determination of whether such costs are allowable will be made by the TDCA.

AUDITORS' OPINION

Honorable Jodie E. Stavinoha, County Judge,
and Members of the Commissioners Court
of Fort Bend County, Texas:

We have examined the statements of cash receipts and disbursements, and encumbrances outstanding of the Library Grant Funds - Contract 76A and Contract 76C of Fort Bend County, Texas for the year ended August 31, 1979. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The statements of cash receipts and disbursements, and encumbrances outstanding are summaries of the cash activity, plus encumbrances outstanding, of the Library Grant Funds of Fort Bend County, Texas and do not include certain transactions that would be included if the County prepared its financial statements on the accrual basis, as contemplated by generally accepted accounting principles. Accordingly, the accompanying statements are not intended to present financial position or results of operations in conformity with generally accepted accounting principles.

In our opinion, the accompanying statements present fairly the cash receipts and disbursements, and encumbrances outstanding of the above-mentioned Library Grant Funds of Fort Bend County, Texas for the year ended August 31, 1979, classified on a basis consistent with that of the preceding year.

FORT BEND COUNTY, TEXAS

LIBRARY GRANT FUNDS
NOTES TO STATEMENTS OF CASH RECEIPTS AND DISBURSEMENTS,
AND ENCUMBRANCES OUTSTANDING
FOR THE YEAR ENDED AUGUST 31, 1979

1. ACCOUNTING POLICY

The accounts of Fort Bend County, Texas (the "County") are maintained and the accompanying statements have been prepared on the cash basis. In addition, the statements include the amounts of encumbrances outstanding at year-end as required by the grants.

2. PURPOSE OF THE LIBRARY GRANT FUNDS

The Library Grant Funds are used to account for monies the County receives from the Texas State Library under the Library Systems Act and Titles I and III of the Library Services and Construction Act. The grants provide that monies are to be used for the purchase of library materials and the payment of library operating expenses.

3. SUBSEQUENT EVENT

The encumbrances outstanding as of August 31, 1979 were liquidated by cash disbursements within 90 days after the end of the grant contract year.

and, subject to authorized adjustments, Substantial Completion shall be achieved not later than April 12, 1981.

(Here insert any special provisions for liquidated damages relating to failure to complete on time.)

If the work is not Substantially Complete within the Contract Time, as adjusted by extensions of time approved by the Architect, the Owner will deduct (from the final payment, as liquidated damages), the sum of $400.00 dollars per calendar day the Work remains not Substantially Completed, which sum is agreed upon as a reasonable and proper measure of damages which the Owner will sustain per diem beyond Contract Time. It is understood that the said sum shall be considered as liquidated damages and shall in no sense be considered as a penalty against the Contractor.

15

ARTICLE 4

CONTRACT SUM

The Owner shall pay the Contractor in current funds for the performance of the Work, subject to additions and deductions by Change Order as provided in the Contract Documents, the Contract Sum of

ONE MILLION EIGHT HUNDRED ELEVEN THOUSAND DOLLARS AND 00/100 CENTS ($1,811,000.00)

The Contract Sum is determined as follows:
(State here the base bid or other lump sum amount, accepted alternates, and unit prices, as applicable.)

ARTICLE 5

PROGRESS PAYMENTS

Based upon Applications for Payment submitted to the Architect by the Contractor and Certificates for Payment issued by the Architect, the Owner shall make progress payments on account of the Contract Sum to the Contractor as provided in the Contract Documents for the period ending the last day of the month as follows:

Not later than fifteen days following the end of the period covered by the Application for Payment ninety percent (90 %) of the portion of the Contract Sum properly allocable to labor, materials and equipment incorporated in the Work and ninety percent (90 %) of the portion of the Contract Sum properly allocable to materials and equipment suitably stored at the site or at some other location agreed upon in writing, for the period covered by the Application for Payment, less the aggregate of previous payments made by the Owner; and upon Substantial Completion of the entire Work, a sum sufficient to increase the total payments to ninety percent (90 %) of the Contract Sum, less such amounts as the Architect shall determine for all incomplete Work and unsettled claims as provided in the Contract Documents.

(If not covered elsewhere in the Contract Documents, here insert any provision for limiting or reducing the amount retained after the Work reaches a certain stage of completion.)

A retainage of 10% of the amount due to the Contractor will be held by the Owner until thirty (30) days after Substantial Completion.

Payments due and unpaid under the Contract Documents shall bear interest from the date payment is due at the rate entered below, or in the absence thereof, at the legal rate prevailing at the place of the Project.
(Here insert any rate of interest agreed upon.)

Usury laws and requirements under the Federal Truth in Lending Act, similar state and local consumer credit laws and other regulations at the Owner's and Contractor's principal places of business, the location of the Project and elsewhere may affect the validity of this provision. Specific legal advice should be obtained with respect to deletion, modification, or other requirements such as written disclosures or waivers.)

TO WHOM IT MAY CONCERN:

THERE ARE SEVERAL REASONS WHY JUSTICE OF THE PEACE PRECINCT # ONE MONTHLY REPORTS FOR JANUARY AND DECEMBER ARE NOT CHECKED AND APPROVED AT THIS TIME. ONE FACTOR WAS THE TIME THEY WERE SUBMITTED TO THE AUDITOR'S OFFICE WAS NOT ON SCHEDULE AND THERE HAVE BEEN ERRORS/

1. THE MANNER IN WHICH THE COMPLAINT AND WARRANTS ARE ISSUED
2. THE AMOUNTS PAID AND THE RECEIPT AMOUNT DO NOT MATCH
3. THERE HAS BEEN A QUESTION ABOUT SOME OF THE PROCEDURES IN DOCKETING THE CASES
4. THE DOCKETED AMOUNT AND THE REPORTED AMOUNT DO NO MATCH
5. ISSUANCE OF BAD CHECK CASES THE AMOUNT TO BE PAID TO THE COUNTY IN FINE IS NOT CORRECT

INFORMATION CONCERNING COUNTY ROAD BOND ISSUE

1. The amount of the Bond Issue is $1,165,000.00

2. The election date is November 4, 1961

3. The Commissioners Court anticipates no need for an increase of the present Tax rate in order to pay for the Bond Issue

4. The Bonds will be issued only as the need for Right-of-Way exists. The full $1,165,000.00 will not be issued at one time

5. Issuance of the Bonds will enable the County to provide Right-of-Way for approximately $25,000,000.00 worth of Highway construction by the State Highway Department, in all sections of Fort Bend County.

6. The County must provide 100% of the cost of Right-of-Way on Farm to Market Roads. The State participates 50-50 on Right-of-Way aquisition for State and Federal Highways.

7. Projects which will be built are:

   A. Farm to Market Road 1092 will be continued from its present terminus at Stafford to the Harris County line. This section is now known as Murphy Road. It will be widened, re-constructed and become part of the State Farm to Market System. Future maintenance will be done by the State.

   B. Farm to Market Road 1960 will be extended from the Harris County line to an intersection with U. S. 59 State 6 in Sugarland. In general terms this is from Addicks through the Prison Farm to Sugarland. This will be new construction and will become a part of the State Farm to Market Road System.

   C. Another Farm to Market Road will be constructed from Farm to Market 1093 at Simonton to Farm to Market 1952 South of State Highway 36. In general terms this is from Simonton through Orchard to Tavener. This project will also include a new Brazos River Bridge

   D. State Highway 36 will be improved from Rosenberg to Needville as traffic requires. This will provide a four lane connection between Needville and the Freeway.

   E. State Highway 36 will be widened and re-constructed from Rosenberg to the Austin County line.

   F. Farm to Market Road 762 will be continued from the Woodrow School area to Rosharon to connect with State 288, This project will also include a new Brazos River Bridge.

   G. Heavy duty improvements will be made to the 4.8 miles of Highway 59-90-A through Rosenberg and Richmond. An additional bridge will be constructed at Richmond.

   H. The existing County Road extending from Farm Market 762 to Thompsons will be rehabilitated and taken into the Farm to Market Road System.

   I. Farm to Market Road 359 will be widened and improved from U. S. 59-90-A East of Richmond to a point North of Fulshear.

   J. A new 29 mile multi lane expressway will be constructed from the existing U. S. 59 (Southwest Freeway) in Sugarland to the Wharton County line. A new four lane bridge over the Brazos River will be constructed in connection with this project.

PLAT GIVEN TO

APPLICATION FOR ABANDONMENT OF UNACCEPTED ROAD DEDICATION

TO: Commissioner's Court, Fort Bend County, Texas

RE: Application of M. L. Scott

Now comes M. L. Scott, an individual and resident of Fort Bend County, Texas (the "Applicant"), and files this, his application for abandonment of a certain road situated within Fort Bend County, Texas:

WHEREAS, Applicant is the fee owner of that certain real property being 32.082 acres of land in the John McKnight Survey, Abstract 292 Fort Bend County, Texas as set forth and described as Tracts I and II respectively, in Exhibit "A" attached hereto and made a part hereof, and outlined in red on the plat attached hereto as Exhibit "B" and made a part hereof (collectively called the "Subject Tracts"); and

11

WHEREAS, the undersigned Pin Oak Properties Venture, a joint venture, and the Kinkaid School Endowment Trust Fund, as fee owners of the real property described as Tract III in Exhibit "A" attached hereto, and outlined in blue on Exhibit "B" attached hereto (the "Pin Oak-Kinkaid Tract") which said property abuts the "road" (as hereinafter defined), and as holders of certain liens affecting the Subject Tracts, join in the execution hereof solely to evidence their consent to the abandonment requested hereunder; and

WHEREAS, pursuant to instrument filed for record in Volume 708, Page 644 of the Deed Records of Fort Bend County, Texas, the then-existing owners of the Subject Tracts dedicated to the public and to the County of Fort Bend a "Road", extending in a southwesterly direction through the approximate center of the Subject Tracts, such

"Road" covers the property described in Exhibit "C", attached hereto and made a part hereof, and outlined in yellow on Exhibit "B" attached hereto; and

WHEREAS, said "Road" has never been paved, opened to the public or used as a road and there is no evidence on the ground of such "Road"; and

WHEREAS, there are no existing utility facilities located within the "Road"; and

11

WHEREAS, to the best of Applicant's knowledge, said "Road" does not form a part of any major thoroughfare or street plan of Fort Bend County, Texas; and

WHEREAS, to the best of Applicant's knowledge, the abandonment of said "Road" would not interfere with the established rights of any lienholder or person owning any property or interest in property abutting thereupon who are not joined in this application; and

WHEREAS, the Applicant intends to sell the Subject Tracts to a purchaser who is considering construction of a hospital thereon to serve the medical needs of the community, and the consummation of such sale is unlikely due to the existence of the "Road", in that it would be difficult and burdensome for the Applicant or his successors to utilize the Subject Tracts to the fullest extent, thereby rendering such property less valuable; and

WHEREAS, attached hereto as Exhibit "D" and made a part hereof, is an instrument of dedication, under which Applicant shall dedicate a public right-of-way across the tract of land therein described, which tract is outlined in green on Exhibit "E" attached hereto, if, as and when the abandonment herein requested is granted, and

WHEREFORE, PREMISES CONSIDERED, Applicant submits this Application and respectfully requests that the above-described "Road" be abandoned and quitclaimed to Applicant, such that the property affected thereby shall be owned by Applicant free and clear of the burdens imposed by such prior dedication.

U. S. HOME CORPORATION, a Delaware Corporation (hereinafter referred to as "Petitioner") respectfully shows the following:

I.

That HOMECRAFT LAND DEVELOPMENT, INC., a Texas Corporation on the 1 day of July, 1978 dedicated to the public Mission Bend South, Section Four (4) by a plat recorded in Volume 22, Page 22 of the Map Records of Fort Bend County, Texas.

II.

The Plat and Dedication of Mission Bend South, Section Four dedicated to the public a storm sewer easement ten feet (10') wide off the West side of Lot Three (3) in Block Six (6), and ten feet (10') wide off the East side of Lot Four (4), in Block Six (6) of Mission Bend South Section Four (4) according to the Map thereof recorded in Volume 22, Page 22 of the Map Records of Fort Bend County, Texas. 11

III.

The Petitioner on or about October 1, 1979 purchased from HOMECRAFT LAND DEVELOPMENT, INC., a Texas Corporation, Lots No. Three (3) and Four (4) in Block Six (6), of said Mission Bend South, Section Four (4).

IV.

The Petitioner on or about January 31, 1980 completed a single family residence on Lot Three (3), Block Six (6). Said house encroaches five feet (5') into the ten foot (10') wide storm sewer easement off the West side of Lot Three (3) in Block Six (6).

V.

Lot Four (4), in Block No. Six (6) of said subdivision is located West of and is contigious to Lot Three (3), in Block Six (6). The Plat and dedication established a ten foot (10') storm sewer easement ten feet (10') wide off the East side of said Lot No. Four (4), in Block No. Six (6).

VI.

The Petitioner has agreed with STANLEY KUCHERKA, Fort Bend County Engineer, that the Petitioner will grant an additional easement two feet (2') wide off of the Easterly side of lot Four in Block Six (6), said two feet (2') being adjacent and contigious to the ten foot (10') storm sewer easement off the East side of Lot Four (4), in Block Six (6) which was heretofore dedicated to the public by HOMECRAFT LAND DEVELOPMENT, INC., a Texas Corporation.

9

VII.

The Petitioner has determined that the physical location of the storm sewer lines lie solely within the Westerly fifteen feet (W. 15') of the twenty foot (20') storm sewer easement (ten feet (10') off the East side of Lot Four (4), Block Six (6) and ten feet (10') off of the West side of Lot Three (3), in Block Six (6)).

VIII.

The Petitioner on the 1st day of February, 1980, posted Notice for request for a hearing before the Commissioners Court of Fort Bend County, Texas in connection with the Petition for Abandonment of the subject easement. Said Notices were posted at the Fort Bend County Courthouse and within the subject subdivision, said date being more than 21 days prior to the 25th day of February, 1980.

IX.

The Petitioner respectfully requests that the Commissioners Court of Fort Bend County, Texas authorize that abandonment of East five feet (E. 5') of the ten foot (10') easement off the West side of Lot Three (3), in Block Six (6) of MISSION BEND SOUTH, SECTION FOUR (4).

ORDER FOR PARTIAL ABANDONMENT OF STORM SEWER EASEMENT

On 26th day of February, 1980, the Commissioners Court of Fort Bend County, Texas considered the Petition of U. S. Home Corporation, a Delaware Corporation petitioning for the abandonment of the East five feet (E.5') of the ten foot (10') wide storm sewer easement off the West side of Lot Three (3) in Block Six (6) in MISSION BEND SOUTH, SECTION FOUR (4) according to the Plat thereof recorded in Volume 22, Page 22 of the Map Records of Fort Bend County, Texas.

It is therefore ORDERED, ADJUDGED AND DECREED that the East five feet (E. 5') of the ten foot (10') storm sewer hereinabove described be abandoned and revert back to the owners of Lot Three (3), in Block Six (6) of MISSION BEND SOUTH, SECTION FOUR (4).

SIGNED On this 26th day of February, 1980.

Dear Sirs:

I purchased the house which is located at 16510 Sinaloa Drive, Lot 3, Block 6, Mission Bend South, Section IV. I am aware that the house was built on a storm sewer easement. I have seen a copy of the petition for abandonment and I agree with what is stated within.

Thank you for your attention to this matter.

Sincerely,

ORDER OF COMMISSIONER'S COURT DISCONTINUING PORTION OF JASMINE STREET IN MAGNOLIA PLACE SUBDIVISION AND ABANDONING THE USE OF SAID PORTION FOR PUBLIC ROAD PURPOSES

THE STATE OF TEXAS X

COUNTY OF FORT BEND X

This, the _____ day of _____, 1980, in regular order and at a regular meeting of the Commissioner's Court of Fort Bend County, Texas, came on to be heard and considered the matter of discontinuing the portion of Jasmine Street hereinbelow described in Fort Bend County, Texas, as a public road and abandoning its use for public road purposes, and

It appears to the Court, and the Court so affirmatively finds, by unanimous affirmative vote of all elected Commissioners that said petition presented to this Court on _____, 1980, requesting such action was signed by at least eight (8) freeholders in the precinct in which such portion of road is desired to be discontinued, that said applicants have given at least twenty (20) days notice by written advertisement of their intended application posted up at the Courthouse door of Fort Bend County, Texas, and at two (2) other public places in the vicinity of the route of said road, that the public interest will be better served in closing and discontinuing said road and by abandoning the use of it for public road purposes, that said request is proper and should be approved, it is, therefore, upon motion made by Commissioner _____ and seconded by Commissioner _____ and duly passed by unanimous affirmative vote of all elected Commissioners,

11

ORDERED AND DECREED by said Commissioner's Court of Fort Bend County, Texas, said that portion of Jasmine Street located in Fort Bend County, Texas, described as follows:

10

Being a portion of Jasmine Street in Magnolia Place Subdivision in Fort Bend County, Texas, according to the plat thereof recorded in Volume 2, Page 6 of the Map Records of Fort Bend County, Texas, and described as follows:

BEGINNING at the Southwest corner of Tract 414 of Magnolia Place for the Northwest corner of this portion of Jasmine Street;

THENCE South 40 feet to the Northwest corner of Tract 581 of Magnolia Place in the South line of Jasmine Street for the Southwest corner of this portion of Jasmine Street;

THENCE East along the South line of Jasmine Street at 346 feet pass the Northeast corner of Tract 581 and the Northwest corner of Tract 580 of Magnolia Place and continuing an additional 246.6 feet for a total distance of 592.6 feet to the East corner of .922 acre tract described in deed recorded in Volume 869, Page 784 of the Deed Records of Fort Bend County, Texas, on the center line of a bayou for the Southeast corner of this portion of Jasmine Street;

11

THENCE in a Northeasterly direction along the center line of said bayou 60 feet, more or less, to a point in North line of Jasmine Street in the South line of Tract 395 of Magnolia Place for the Northeast corner of this portion of Jasmine Street;

THENCE West along the North line of Jasmine Street at 286.6 feet, more or less, pass the Southwest corner of Tract 395 and Southeast corner of Tract 414 of Magnolia Place and continuing along the North line of Jasmine Street to the PLACE OF BEGINNING.

is hereby discontinued as a public road and its use for public road purposes is hereby abandoned.

IN WITNESS WHEREOF, said Commissioner's Court of Fort Bend County, Texas, has caused this Order to be entered on its minutes and to be hereby executed by Jodie Stavinoha, County Judge of Fort Bend County, Texas, this _____ day of _____, 1980.

RE: MR. JOHNNIE POKLUDA AND MR. BRUCE MYRON - SUGAR LAND FIRE DEPARTMENT PROBLEMS:

The Court heard from Mr. Johnnie Pokluda, Fire Chief with the Sugar Land Fire Department and Mr. Bruce Byron, concerning the increasing amount of calls made by their department, in the county. The Department is requesting for some assistnace in the medical service on a per call basis. The following is a report to the court as the number of calls, type and if county or city.

January 11, 1980

Mr. Ed H. Helwig, Commissioner
Precinct #4
Richmond, Texas 77469

Dear Sir:

11

Enclosed is a study of what Sugar Land Department has done in the year of 1979. This study came as a result of our phone conversation in December.

In 1979, Sugar Land answered to 348 calls. Below is a list of calls, type and if County or City.

214 fire and major accident calls involving trucks and other equipment.
134 were County calls - 80 in the City of Sugar Land
134 emergency medical services calls. Render aid to sick and injured.
50 of above 134 calls were in the County
84 of above 134 calls were in the City of Sugar Land
60 of above 84 calls in our City were at the request of Fort Bend County Ambulance Service
63% of our fire calls are in the County
37% of our Emergency Medical Calls are in the County. Counting the requests of Fort Bend County Ambulance Service in our City it increases this percentage to 80%

An overall average indicates that 50% of all calls in 1979 were in the County. Counting the request, it indicates an average of 71%.

All of above calls came to our department from Sheriff's Department, other law enforcement agencies, Fort Bend Ambulance Service and property owners or residents.

Several years ago the County increased the fire call payments from $100 to $150. Currently fire calls are costing us over $450. Due to ever increasing cost of equipment, fuel and operations, I am requesting an increase in the fire call payments. Because of our extensive service area, I feel we are probably being effected more by out of city calls than many of the other departments, but it is something that is effecting all departments.

Our Emergency Medical Services went into operation in September of 1977. At that time we had seven men trained in these services. Today we have increased to 20 trained firemen in emergency medical services. In 1977, our City purchased $5000 in equipment and medical supplies to be able to render aid to the sick and injured. Additional supplies were purchased yearly, including $668 in 1979.

We, with our East End and in some cases working with West End Fort Bend County Ambulance Service, have saved lives and in most cases aided victims from longer pain and suffering.

I agree that our ambulance service is doing a very outstanding job, but I also know with our population growth that more ambulances are needed in our County.

Since January 1, 1980, I was forced to operate on a duty roster to cut expenses and have firemen to respond on these emergency medical calls. We have 5 on duty 24 hours a day including weekends.

I am asking you, Commissioner, to study this report and a request for some assistance in our medical service on a per call basis. If your study proves to be desirable, please submit to Commissioners Court for further action.

Please give your full consideration on my requests, so our residents, County and City, may receive the help they need to protect and save the most precious one life.

11

If more information or assistance is needed please call on me.

Sincerely,

CITY OF SUGAR LAND

interest payable on the dates indicated in the FORM OF CERTIFICATE set forth in this order.

"Section 6. The Certificates, and the interest coupons appertaining thereto, shall be payable, shall have the characteristics, and shall be signed and executed (and the Certificates shall be sealed), all as provided and in the manner indicated in the FORM OF CERTIFICATE set forth in this order.

"Section 7. The form of Certificates and the form of the aforesaid interest coupons which shall appertain and be attached initially to each of the Certificates, shall be, respectively, substantially as follows:

11

FORM OF CERTIFICATE:

NO. _____ $5,000

UNITED STATES OF AMERICA
STATE OF TEXAS
COUNTY OF FORT BEND

FORT BEND COUNTY, TEXAS
CERTIFICATE OF OBLIGATION
SERIES 1980

ON MARCH 1, 19___, the COUNTY OF FORT BEND (hereinafter called the "County"), in the State of Texas, promises to pay to bearer the principal amount of

FIVE THOUSAND DOLLARS

and to pay interest thereon, from the date hereof, at the rate of _____% per annum, evidenced by interest coupons payable September 1, 1980, and semiannually thereafter on each March 1 and September 1 while this Certificate is outstanding. The principal of this Certificate and the interest coupons appertaining hereto shall be payable to bearer, without exchange or collection charges to the bearer, upon presentation and surrender of this Certificate or proper interest coupon at the FIRST CITY NATIONAL BANK OF HOUSTON, Houston, Texas, which shall be the paying agent for this series of Certificates.

12

THIS CERTIFICATE is one of a series of negotiable, coupon Certificates of Obligation, dated March 1, 1980, numbered from 1 through 250, in the denomination of $5,000 each, aggregating $1,250,000, issued in accordance with the Constitution and laws of the State of Texas, particularly Article 2368a.1, Vernon's Texas Civil Statutes, as amended, for the purpose of evidencing the indebtedness of the County for all or any part of the cost of constructing permanent improvements for the County, to-wit: improvements to the County Courthouse, including the cost of professional services in connection therewith, and pursuant to an order adopted by the Commissioners Court of the County on the 28th day of January, 1980, amended on the 25th day of February, 1980, and of record in the official minutes of the Commissioners Court of the County.

ON ANY INTEREST PAYMENT DATE the outstanding Certificates of this series may be redeemed prior to their scheduled maturities, at the option of the County, IN WHOLE, OR IN PART IN INVERSE NUMERICAL ORDER, for the principal amount thereof and accrued interest thereon to the date fixed for any such redemption. At least thirty days prior to the date fixed for any such redemption, the County shall cause a written notice of such redemption to be mailed to the bank at which the Certificates are payable and published at least once in a financial publication published in the City of Austin, Texas. By the date fixed for any such redemption, due provision shall be made with the paying agent for the payment of the required redemption price. If such written notice of redemption is published and if due provision for such payment is made, all as provided above, the Certificates which are to be so redeemed thereby automatically shall be redeemed prior to their scheduled maturities; and they shall not be regarded as being outstanding except for the purpose of being paid by the paying agent with the funds so provided for such payment.

11

IT IS HEREBY certified, recited, and covenanted that this Certificate has been duly and validly authorized, issued, and

12

delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the issuance and delivery of this Certificate, have been performed, existed, and been done in accordance with law; that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Certificate, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in the County and have been pledged for such payment within the limits prescribed by law; that this Certificate shall be a debt of the County within the meaning of Article XI, Sections 5 and 7 of the Constitution of Texas; and that, when delivered, this Certificate shall be deemed and construed (i) to be a "Security" within the meaning of Chapter 8, Investment Securities, Uniform Commercial Code (Chapter 785, Acts of the 60th Legislature, Regular Session, 1967), and (ii) to be a general obligation of the County within the meaning of Chapter 784, Acts of the 61st Legislature of Texas, Regular Session, 1969.

11

IN WITNESS WHEREOF, the Commissioners Court of the County has caused the official seal of said Commissioners Court to be impressed, or placed in facsimile hereon, this Certificate to be signed by the County Judge, countersigned by the County Clerk, and registered by the County Treasurer, and the interest coupons hereto attached to be signed by the facsimile signatures of the County Judge and County Clerk.

18 RE: DISCUSS TAX EXEMPT BONDS USED TO PROVIDE MORTGAGE FUNDS:

Mr. Chris Baker, with Underwood, Neuhaus & Co. discussed with the court about tax exempt bonds used to provide mortgage funds. A recently enacted state law makes it possible to provide tax-exempt financing for such a project. The following is an outline of the program.

The project would be developed under the provisions of Section 221(d)(4) of the National Housing Act of 1934, as amended. This program is not a rent subsidy program, but instead provides for mortgage insurance through the Federal Housing Administration (the "FHA") for multi-family rental housing designed for persons of low- and moderate-income. The project would be designed and constructed to meet FHA minimum property standards and the rent level would be regulated by the FHA. The FHA contract of mortgage insurance provides that in the event of a default by the project owner on the mortgage payments, the FHA will pay 99% of the outstanding principal balance of the mortgage plus interest to the date of payment.

A recently enacted state law makes it possible to provide tax-exempt financing for such a project. Under the Texas Housing Finance Corporations Act (the "Act"), Article 12691-7, Vernon's Annotated Texas Civil Statues, as amended, a city or county may approve the creation of a public nonprofit corporation having the power to carry out certain housing finance activities. Such a corporation would be a wholly-controlled instrumentality of the city or county in that the city or county would have the power to appoint and remove the corporation's directors and to approve the terms and conditions of any obligations issued by the corporation. The corporation's debts, however, would not be debts of the city or county and, in fact, the Act prohibits the city or county from making any payments on the corporation's obligations.

11

In the event that Fort Bend County approved the creation of such a corporation, it is proposed that the corporation would issue bonds in an amount sufficient to make a mortgage loan to the owner of the project described above, to establish certain reserve funds and to pay bond issuance costs. Since the mortgage loan would be insured by the FHA, the corporation's bonds would be regarded as highly secure bonds and would probably receive an AA rating. The bonds would sell at tax-exempt rates, enabling the corporation to pass the interest savings through to the project owner.

Under the Act, the nonprofit corporation would have the responsibility for determining the income level that constitutes moderate income within Fort Bend County. The financing documents would require the owner to rent project units only to persons meeting the corporation's income guidelines.

It is important to note that such a corporation would not be restricted to a single project, but could issue separate series of bonds to provide financing for one or more additional projects. Each project, however, would have to be approved by the county and the corporation.

18

Corporations created under the Act may also issue bonds to obtain funds to make home mortage loans to low- and moderate-income homeowners. As you know, the tax-exempt status of such single-family bonds is currently clouded by legislation pending in the United States Congress. Such legislation, however, would not preclude the proposed multi-family financing from going forward at this time. If Fort Bend County chose to approve such a corporation, it could be utilitized in the future for single-family mortgage loan financing, assuming that the Congress decides to allow such financing programs to continue. In the alternative, the County would have the option to preclude the corporation from carrying out any single-family financings and reserve the right to create another corporation for that purpose in the future.

RE: MR. HENRY TAYLOR, HOUSTON LIGHTING & POWER COMPANY - CLOSING OF A PORTION AND REROUTING OF LOCKWOOD ROAD IN PRECINCT #1:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner Tony Jebbia, and duly passed, the court set the date for a public hearing on April 7, 1980 at 9:00 o'clock A. M. on the petition of Houston Lighting & Power Company to Alter and Change the Course of a County Road in Fort Bend County, Texas, known as Lockwood Road and on Proposal by Fort Bend County to lay out and open a new county road connecting any re-routed portion of Lockwood Road with Y. U. Jones Road. Order calling Public hearing as follows:

THE STATE OF TEXAS §
§
COUNTY OF FORT BEND §

ORDER CALLING PUBLIC HEARING

On Petition of Houston Lighting & Power Company to Alter and Change the Course of a County Road in Fort Bend County, Texas, Known as Lockwood Road and on Proposal by Fort Bend County to Lay Out and Open a New County Road Connecting Any Re-routed Portion of Lockwood Road with Y. U. Jones Road

11

WHEREAS, on this the 12 day of March, 1980, at a regular meeting of the Commissioners Court of Fort Bend County, Texas, sitting as the governing body of Fort Bend County, Texas, Houston Lighting & Power Company filed with and presented to the Commissioners Court a petition requesting that the Commissioners Court of Fort Bend County, Texas, alter and change the course of a portion of Lockwood Road, a County road located in Precinct No. 1 of Fort Bend County, Texas, a copy of which petition is on file with the Clerk of said Commissioners Court and which is referred to and made a part of this Order as if set out in full herein; and

WHEREAS, the Commissioners Court has received and reviewed the aforesaid petition of Houston Lighting & Power Company and finds (A) that such petition conforms to and has been filed with the Commissioners Court in accordance with all applicable laws and (B) that a public hearing should be called for the purpose of receiving testimony and other relevant evidence concerning such petition and the action and relief requested therein; and

7

WHEREAS, after reviewing the aforesaid petition of Houston Lighting & Power Company, the Commissioners Court also finds (A) that if such petition is granted, it may be in the public interest for the Commissioners Court, on its own motion, to lay out and open a new County road along the tract of land described on Exhibit "A", attached hereto and made a part hereof, in order to connect the re-routed portion of Lockwood Road with Y. U. Jones Road in Fort Bend County, Texas, and (B) that the public hearing should therefore include consideration of such proposal by the Commissioners Court of Fort Bend County, Texas;

NOW, THEREFORE, upon motion of Commissioner Johnnie Pustka, seconded by Commissioner Tony Jebbia, duly made and carried:

IT IS ORDERED by the Commissioners Court of Fort Bend County, Texas, that a public hearing shall be held by and before the Commissioners Court of Fort Bend County, Texas at 9:00 A.M. on April 7, 1980, at the County Courthouse Annex of Fort Bend County, Texas, for the purpose of receiving testimony and other relevant evidence from all interested persons concerning (1) the aforesaid petition of Houston Lighting & Power Company requesting that the Commissioners Court of Fort Bend County, Texas, alter and change the course of a portion of Lockwood Road, a County road in Precinct No. 1 of Fort Bend County, and (2) the aforesaid proposal by Fort Bend County to lay out and open a new road upon and along the tract of land described on Exhibit "A" hereto in order to connect any re-routed portion of Lockwood Road with Y. U. Jones Road in Fort Bend County, Texas.

11

AND IT IS FURTHER ORDERED that Houston Lighting & Power Company shall post written notice of such public hearing, at least twenty (20) days prior to the date of such hearing, up at the door of the County Courthouse of Fort Bend County, Texas, at _____ and at _____.

Honorable Jodie Stavinoha
County Judge
Commissioners Court Fort Bend County
Fort Bend County Courthouse
Richmond, Texas 77077

Dear Judge Stavinoha:

Houston Lighting and Power Company has discussed with Commissioner Pustka and Mr. Kurcherka, County Engineer, the potential for the increased volume of water within Lower Dry Creek during the operations of our W. A. Parrish power plant. In view of the increased water directed in these areas, it appears the existing low water crossings will become inundated a majority of the time.

In order to eliminate any inconvenience to the landowners utilizing the existing low water crossings, it has been determined that approximately 105-foot long by 16-foot wide, timber bridges will be constructed at nine separate locations. These locations are illustrated on the enclosed map. Mr. Kurcherka has provided our Company with an estimated cost per bridge. This estimate includes material, labor and equipment costs based on the County performing all the work and obtaining all material. A copy of Mr. Kurcherkas' estimate is also enclosed fo r your ready reference.

The proposed bridge construction will be performed by the Fort Bend County Drainage District. All costs incurred for the subject bridge construction will be borne by Houston Lighting and Power Company. It is mutually agreed that the estimated funds for the project will be deposited in a special account prior to the Drainage District commencing construction of the bridges.

Houston Lighting and Power Company will present to the County a check in the amount of $276,221.43, made payable to, Fort Bend County Drainage District Dry Creek Bridge Account. This amount being the estimated cost of the nine bridges to be constructed.

Houston Lighting & Power Company

Upon completion of the construction of the bridges, the County will furnish Houston Lighting and Power Company an itemized statement of the construction costs. Should the actual cost be greater than the estimated cost, the Company will pay the difference as shown by the County's itemized statement. Should the actual cost be less than the estimated construction cost, the County will refund Houston Lighting and Power Company the difference.

Should the foregoing proposal be acceptable to Fort Bend County, please acknowledge by executing this letter in the space provided.

Upon receipt of the executed letter by this office, we will prepare and forward a check in the amount of $276,221.43 to the County along with our request to commence construction on the bridges.

Your continued excellent cooperation in these matters is greatly appreciated. Should we be of any assistance in this matter, please do not hesitate to contact us.

Yours very truly,

9 RE: MR. DONALD FERGUSON - USE OF COUNTY EQUIPMENT:

Mr. Donald Ferguons asked the court about using county equipment on private property for cleaning ditches. The Court informed Mr. Ferguson that County euqipment and funds can not be used for private use, unless used for Soil Conservation Work.

Mr. Ferguson, also, discussed with the Drainage Engineer about some drainage problem on his farm on Hand road.

Mr. Ferguson questioned the court about the use of County equipment being used on private property at Pleak. Commissioner Johnnie Pustka advised Mr. Ferguson that he was advised by the District Attorneys' Office that the County could use County Equipment to build a park and ride lot for the Village of Pleak to be used by the residents of Fort Bend County for a Parking Log, which lies within the Incorporated limits of the Village of Pleak.

ORDER APPROVING CLAIM AND AUTHORIZING THE
ISSUANCE AND DELIVERY OF CERTIFICATES OF OBLIGATION

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

WHEREAS, the Commissioners Court (the "Court") of Fort Bend County, Texas (the "County"), by order adopted December 17, 1979, affirmed the intention of the County to issue Certificates of Obligation for the purpose of evidencing the indebtedness of the County for all or any part of the cost of constructing permanent improvements for the County, to-wit: improvements to the County Courthouse; and

WHEREAS, the Court gave due and proper notice of the time and place when and where a contract, or contracts, for such construction would be let, and gave due and proper notice of its intention to issue such Certificates of Obligation; and

11

WHEREAS, the Court thereafter awarded a contract to the Meyerson Construction Company (the "Contractor") in the amount of $1,811,000 as the lowest and best bid for such construction and the Contractor, at the time of making such bid, elected to assign such Certificates of Obligation in accordance with arrangements made by the Court; and

WHEREAS, the Contractor, as shown on a true copy of its Claim No. 1 in the net amount of $46,080.00, attached hereto as Exhibit "A" and made a part hereof for all purposes as if fully written herein, has submitted its claim; and

WHEREAS, the County has received the full benefits of such contract represented by said claim to the full extent thereof and to the full extent of the Certificates of Obligation hereinafter authorized to be delivered; and no person, corporation or trust estate has given notice in writing or otherwise to the County, or to any official thereof, of any liens for any materials, apparatus, fixtures, machinery or labor furnished to the Contractor as provided by Chapter 17, Acts of the Legislature

16

of Texas, 1925 (Article 5472-a, Vernon's Texas Civil Statutes), or any other provision of law; and

WHEREAS, the County does not hold a claim of any kind or character which might be properly charged or interposed as an offset or counterclaim to the payment of the aforesaid claim; and

WHEREAS, said claim has been assigned, as shown thereon, to the FIRST NATIONAL BANK OF RICHMOND, Richmond, Texas, and the ROSENBERG BANK & TRUST, Rosenberg, Texas, respectively, without discount, and the said banks are now the legal owners and holders thereof; and

WHEREAS, the Court wishes to approve said claim and authorize the payment thereof by the issuance and delivery of certain of said Certificates of Obligation, all as shown on said Exhibit "A" and as hereinafter set out; therefore

11

BE IT ORDERED BY THE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

Section 1. The matters and facts contained in the preamble of this order are hereby found and declared to be true and correct.

Section 2. The claim described in the preamble of this order and fully set forth in Exhibit "A", mentioned in said preamble, shall be, and the same is hereby, approved and allowed, and the County hereby acknowledges receipt of the full benefits represented by said claim to the full extent thereof and to the full extent of the Certificates of Obligation herein authorized to be issued and delivered; and the County hereby recognizes and approves the transfer and assignment of a portion of said claim, as shown thereon, to the FIRST NATIONAL BANK OF RICHMOND, Richmond, Texas, and the ROSENBERG BANK & TRUST, Rosenberg, Texas, respectively.

Section 3. There is now due and owing to said banks the following sums:

First National Bank of Richmond Richmond, Texas	$25,000
Rosenberg Bank & Trust Rosenberg, Texas	20,000

16

Section 4. There shall be executed and delivered to FIRST NATIONAL BANK OF RICHMOND, Richmond, Texas, Certificates Nos. 1 through 5, both inclusive, and to ROSENBERG BANK & TRUST, Rosenberg, Texas, Certificates Nos. 6 through 9, both inclusive, aggregating $45,000, of the FORT BEND COUNTY, TEXAS, CERTIFICATES OF OBLIGATION, SERIES 1980, dated March 1, 1980, and the sum of $1,080.00 shall be carried forward and later paid either in cash or by issuance of Certificates of Obligation.

Section 5. It is hereby officially found and determined that the need of the County for such financing creates an emergency and an urgent public necessity for the holding, at the scheduled time, of the meeting at which this order is adopted and for the adoption of this order; and the NOTICE OF MEETING relating to said meeting and heretofore posted, and the posting thereof, are hereby authorized, approved, adopted and ratified.

RE: MR. PAUL SCHERER, ATTORNEY AT LAW, - PRESENTATION OF AN AGREEMENT BETWEEN SUGAR CREEK HOMES ASSOCIATION AND FORT BEND COUNY:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Tony Jebbia,and duly passed, the court accepted and approved the agreement between Sugar Creek Homes Association and Fort Bend County to authorize the Sheriff of Fort Bend County to appoint or continue to keep five additional deputies, effective January 1,1980, to devote substantially all their working time to the area known as Sugar Creek in Fort Bend County, Texas, to be paid for by Sugar Creek Homes Association. Agreement as follows:

AGREEMENT

THE STATE OF TEXAS :

COUNTY OF FORT BEND :

THIS AGREEMENT, made and entered into by and between Sugar Creek Homes Association, a corporation duly organized and existing under the laws of the State of Texas, and Fort Bend County, a body corporate and politic under the laws of the State of Texas.

11

W I T N E S S E T H

WHEREAS, the Sugar Creek Homes Association desires to have five (5) Deputies of the Sheriff devote substantially all of their working time to the area known as Sugar Creek in Fort Bend County, Texas; and

WHEREAS, the Sheriff of Fort Bend County does not have a sufficient number of deputies, nor an adequate budget, to enable him to permit or require a deputy to devote substantially all his working time to said area; and

WHEREAS, the Sugar Creek Homes Association is willing to pay Fort Bend County an amount equal to the salary and expenses of five (5) deputies of the Sheriff so as to enable the Sheriff to appoint five (5) deputies for such purpose;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That in consideration of the mutual covenants, agreements and benefits to both parties, it is AGREED as follows:

I.

Fort Bend County agrees to authorize the Sheriff of Fort Bend County to appoint or continue to keep five (5) additional deputies effective January 1, 1980 so as to enable (but not require) the Sheriff to appoint or continue to keep five (5) deputies to devote substantially all their working time to the area known as Sugar Creek in Fort Bend County, Texas, so as to permit 24-hour daily duty in the area known as Sugar Creek.

b

II.

Sugar Creek Homes Association agrees to pay Fort Bend County Two Hundred Nine Thousand Seven Hundred Eighty-two and 32/100 ($209,782.32) Dollars to be used by Fort Bend County for the purpose of paying the salary and expenses of said deputies of the Sheriff for a period of two years beginning January 1, 1980 and ending December 31, 1981. The said sum of $209,782.32 shall be due and payable in twenty-four equal installments of $8,740.93. The first monthly installment shall be due and payable on or before the 1st day of January, 1980; the second installment shall be due and payable on or before the 1st day of February, 1980; and one additional installment shall be due and payable on or before the 1st day of each succeeding month thereafter until twenty-four installments are paid.

III.

It is expressly understood and agreed that such deputies (if such deputies are employed by the Sheriff) shall be subject to the control and supervision of the Sheriff to the same extent as other deputies, and that such deputies, if any, shall have no duty or obligation to the Sugar Creek Homes Association or Sugar Creek other than those duties and obligations which they have to the public generally.

11

IV.

It is further understood and agreed that this agreement is not intended (nor shall it be construed) to obligate the Sheriff of Fort Bend County in any manner whatsoever, and that Fort Bend County shall have no liability whatsoever to Sugar Creek Homes Association other than to refund the money paid by Sugar Creek Homes Association to Fort Bend County pursuant to this agreement, if the Sheriff does not assign five (5) deputies of the Sheriff to devote substantially all their working time to said area. If one or more deputies are removed from such assignment or if for some other reason five deputies do not devote substantially all their working time to said area for the said entire two year term, then and in that event, Sugar Creek Homes Association shall be obligated to pay Fort Bend County only that proportionate part of this total contract consideration that is equal to that portion of the two year period that five deputies devoted substantially all their working

6

time to said area, or the proportionate amount thereof based upon the number of said deputies which do devote substantially all of their working time to said Sugar Creek area, and if the amount paid by Sugar Creek Homes Association to Fort Bend County exceeds said amount, then Sugar Creek Homes Association shall be entitled to a refund from Fort Bend County of the excess amount paid for the preceding month.

V.

Sugar Creek Homes Association will furnish Fort Bend County the use of an auxillary office which is the existing entry gatehouse building located at 1540 Parkway Boulevard in the esplanade at the Searls Boulevard entry to Sugar Creek for the exclusive use of the Fort Bend County Sheriff deputies during the effective term of this agreement. The Sheriff of Fort Bend County will furnish Sugar Creek Homes Association a monthly report of the activities of his deputies in Sugar Creek during the preceding month, with the form and details of such monthly report to be at the Sheriff's discretion. Said monthly report will also advise the approximate per cent of working time the five deputies devoted to the Sugar Creek area during such preceding month, and Sugar Creek Homes Association will remit its contract monthly installment payment for the current month in the same proportion to agree with the same per cent of such working time for the prior month. The consideration in this contract is based upon 100% of such estimated service cost to Fort Bend County and the parties desire that the five deputies will be able to devote substantially all their working time to the Sugar Creek area but realize that such may not be possible and have therefore so provided for such payment adjustment when required by such facts.

11

VI.

It is expressly provided that either party to this Agreement shall have the option to terminate same at the end of the first year of the term hereof by giving the other party thirty (30) days written notice of its election to so terminate prior to the expiration of said first year of the term hereof.

VII.

It is further agreed and provided that in the event the salary cost per sheriff deputy paid by Fort Bend County should be increased during the term of this Agreement, then the amount of consideration to be paid by Sugar Creek

6

Homes Association to Fort Bend County monthly under the terms hereof shall be increased by the amount of said salary increase for the remainder of the term of this Agreement beginning at the effective date of said salary increase. Said salary cost per sheriff deputy shall include the monthly salary paid the deputy, plus cost of his retirement, social security, and insurance benefit that is paid by Fort Bend County. In the event of such increase then Fort Bend County shall notify Sugar Creek Homes Association as to the amount and effective date thereof.

EXECUTED in duplicate originals, this 24 day of [illegible], 1980, but effective as of January 1, 1980.

8 RE: DELOITTE, HASKINS & SELLS - 1979 COUNTY AUDIT:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner W. Lee Schmidt, and duly passed, the court authorized, due to the time element, to employ Deloitte Haskins and Sell to conduct the 1979 County Audit in the amount not to exceed $30,000.00.

The Court will consider going out of proposals for the 1980 County Audit.

Proposal by Deloitte Haskins & Sells as follows:

Deloitte Haskins + Sells

Telex 762840

Mrs. Joyce Tompkins, County Auditor
P. O. Drawer 549
Richmond, Texas 77469

February 22, 1980

Dear Mrs. Tompkins:

In response to your request, we are pleased to submit our proposal to serve as the independent auditors for Fort Bend County, Texas for the year ended December 31, 1979, and as such to provide the following services:

- Examination of the financial statements of both Fort Bend County and Fort Bend County Drainage District for the year ended December 31, 1979.
- Examination of the financial statements of the Fort Bend County Youth Conservation Corps Grant Fund in compliance with State and Federal regulations for the grant period ending August 31, 1980.
- Examination of the financial statements of the Fort Bend County Library Grant Funds in compliance with State Library regulations for the year ending August 31, 1980.

As your independent auditors, our examination of these financial statements will be made in accordance with generally accepted auditing standards and would include such tests of the accounting records and such other auditing procedures as we consider necessary in the circumstances. Also, we will give appropriate consideration to the specialized accounting and reporting requirements as codified by the Municipal Finance Officers Association, the National Council on Governmental Accounting, and the American Institute of Certified Public Accountants in their authoritative books on governmental accounting and reporting.

Although the primary objective of our examination will be the expression of our opinion on your financial statements, we also expect to develop and report significant constructive suggestions concerning matters of internal control and accounting procedures. These suggestions are intended to assist the County in increasing the efficiency and effectiveness of its operations, controls, and accounting organization. We will also continue to consult with you throughout the year on accounting, auditing, and financial reporting matters.

Our fee is based on the time spent on your engagement at standard hourly rates related to the level of experience of the individual assigned. Our practice is to bill, at our cost, for any out-of-pocket expenses, including postage, typing, and report processing.

We estimate that our fee, including any out-of-pocket expenses, would not exceed $30,000.

As in prior years, we would expect to render progress billings, usually at bi-weekly intervals, as the professional services are rendered. We believe that this is the best way for you to be kept apprised of the current status of our services.

In keeping with our Firm policy, the work will be supervised by a Houston office audit partner, James L. Williams, who has in-depth knowledge of the County's operations and significant experience in the conduct of governmental audits. He will be assisted by H. E. (Buddy) Yeary, an audit manager, who is familiar with Texas county operations and has similar experience in governmental auditing. In addition, we plan to assign an in-charge accountant who has experience in auditing Texas county government. 11

We appreciate this opportunity to serve Fort Bend County, and we shall be pleased to furnish any additional information you desire.

Sincerely yours,

DELOITTE HASKINS & SELLS

4 RE: LETTER READ INTO THE MINUTES FROM THE SOUTHWEST TEXAS STATE UNIVERSITY - TEXAS JUSTICE OF THE PEACE TRAINING CENTER:

County Judge Jodie E. Stavinoha read into the minutes of the court from the Southwest Texas State University - Texas Justice of the Peace Training Center San Marcos, Texas, concerning Judge Oliver W. Kunkel successfully completion of a Twenty hour course in the responsibilities of the office of Justice of the Peace. Letter as follows:

Southwest Texas State University

Hon. Jodie E. Stavinoha
Fort Bend County
Courthouse
Richmond, Texas 77469

4

Dear Judge Stavinoha:

During the week of March 11-14, 1980, Judge Oliver W. Kunkel successfully completed a twenty hour course in the responsibilities of the office of Justice of the Peace. Article 5972 of the Texas Revised Civil Statutes requires each newly elected/appointed Justice of the Peace to complete a forty hour course in the responsibilities of the J.P. office and additionally to complete a twenty hour course each year thereafter. This article encompasses all justices who took office since August 30, 1963 and are not licensed attorneys. The funding of this program, which provides free room and board for the judges at the seminar, is made possible through a grant from the Governor's Office, Criminal Justice Division.

We at the Training Center realize how important it is to you and the people you serve to insure that your county Justices of the Peace are properly trained and equipped to carry out the duties and obligations of the office. As ninety to ninety-five percent of our citizenry have their one and only contact with a lower court judge, it is imperative that this contact be as judicious as possible.

You may wish to enter this letter in the minutes of your next commissioners court meeting in order that it may become a permanent record. If we at the Training Center can ever be of assistance, please do not hesitate to call.

Sincerely,

Ronald D. Champion
Executive Director

7 RE: MR. R. WILLIAM WARREN, MEMORIAL HOSPITAL SYSTEM - DISCUSSION OF FORT BEND COUNTY COMMUNITY HEALTH CENTER:

The Commissioners Court was briefed on tentative plans for a Community Health Center near Sugar Land. R. William Warren, Executive Vice-President of Houston's Memorial Hospital System spoke to the County Officials. The court also heard from a physician, Dr. Charles A. Berry, a system consultant.

Dr. Berry explained that the proposal, still in the talk stage, is a new concept, not only for emergency services, but also for other types of health care. The planned facility, to be on Highway 6 near Spur 58 just south of Sugar Land, would not involve any provisions for overnight stays, but would be equipped to handle minor operations on an out-patient basis.

The facility would also, be used for pre-operation tests, the kind which usually call for a patient to have to be admitted to a regular hospital the day before an operation is to be performed.

They informed the court that the program as one which would cut down on hospital costs and ease the demand for often scare hospital beds. The hospital representatives stressed that the proposed health care facility was in no way a fore-runner of a regular hospital installation. 11

COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS

WHEREAS, on this the 7 day of April, 1980, at a regular meeting of the Commissioners Court of Fort Bend County, Texas, sitting as the governing body of Fort Bend County, Texas, there came on to be heard by the Commissioners Court of Fort Bend County, Texas, (1) the petition of Houston Lighting & Power Company to alter and change the course of a portion of Lockwood Road, a County road located in Precinct No. 1 of Fort Bend County, Texas, and (2) the proposal of Fort Bend County to lay out and open a new road connecting the re-routed portion of Lockwood Road with Y. U. Jones Road; and

WHEREAS, on March 12, 1980, Houston Lighting & Power Company filed a petition with the Commissioners Court of Fort Bend County, Texas (a copy of which petition is on file with the Clerk of said Commissioners Court and which is referred to and made a part of this Order as if set out in full herein), requesting that this Commissioners Court alter and change the course of a portion of Lockwood Road in Precinct No. 1 of Fort Bend County by discontinuing, closing, vacating and abandoning that portion of Lockwood Road which is located on the tract of land described on Exhibit A to said petition and re-routing Lockwood Road over, across, upon and along the tracts of land described on Exhibit B to said petition; and

11

WHEREAS, on March 12, 1980, the Commissioners Court of Fort Bend County, Texas, passed and adopted an Order calling a public hearing for this date on the aforesaid petition of Houston Lighting & Power Company and finding and determining that such hearing should include consideration of whether or not the Commissioners Court should, on its own motion, lay out and open a new road over, across, upon and along those lands described on Exhibit "A" to said Order in order to connect the re-routed

12

portion of Lockwood Road with Y. U. Jones Road in Fort Bend County, Texas; and

WHEREAS, on March 12, 1980, Houston Lighting & Power Company duly posted notices of its petition and of the hearing referred to above; and

WHEREAS, after hearing and receiving all testimony and other evidence adduced and presented at the hearing held this date, the Commissioners Court of Fort Bend County, Texas, finds that Houston Lighting & Power Company has satisfied all requirements of law applicable to its petition and the action requested therein and that all facts alleged in its petition are true and correct; and

WHEREAS, the Commissioners Court also finds that after due notice and hearing, there were no public objections to the petition of Houston Lighting & Power Company, to the alteration and change in the course of Lockwood Road requested therein, or to the proposal by the Commissioners Court to lay out and open the aforesaid new road connecting the re-routed portion of Lockwood Road and Y. U. Jones Road in Fort Bend County, Texas; and

WHEREAS, after due notice and hearing, and upon a full investigation thereof, the Commissioners Court of Fort Bend County, Texas, also finds that the public interest will be better served by making the change and alteration in the course of Lockwood Road requested by Houston Lighting & Power Company in its petition; and

WHEREAS, the Commissioners Court also deems it expedient and finds that it is in the best interests of the public to grant the petition of Houston Lighting & Power Company, to lay out and open the proposed new road referred to above and to enter into an agreement respecting same with Houston Lighting & Power Company; and

WHEREAS, the Commissioners Court also finds that the Board of Aldermen of the Town of Thompsons, Texas, has approved the proposed lay out and locations of the re-routed portion of Lockwood

12

Road and the proposed new road within its boundaries and has consented to the acquisition by Fort Bend County of the necessary lands and rights of way therefor by purchase or through the exercise of the right of eminent domain; and

WHEREAS, the Board of Aldermen of the Town of Thompsons, Texas, has approved and authorized, and the Mayor thereof has executed and delivered to Fort Bend County, a proposed agreement between the Town of Thompsons and Fort Bend County relating to the construction of the re-routed portion of Lockwood Road and the proposed new road and the acquisition by the County of the necessary lands and rights of way therefor, a copy of said agreement being on file with the Clerk of the Commissioners Court, and which agreement is incorporated herein by reference as though set out in full herein; and

11

WHEREAS, the Commissioners Court of Fort Bend County, Texas, also finds that Lockwood Road, as it now exists and as its course is to be changed and altered pursuant to this Order, and the proposed new road referred to herein form and will form connecting links in the County road system of Fort Bend County, Texas, and that in its judgment, the lands and rights of way to be acquired therefor are necessary and convenient to such roads;

NOW, THEREFORE, upon motion of Commissioner Johnnie Pustka, seconded by Commissioner W. Lee Schmidt, duly made, carried and adopted on the date first hereinabove written by the unanimous vote, consent and approval of all members of the Commissioners Court of Fort Bend County, Texas:

IT IS ORDERED by the Commissioners Court of Fort Bend County, Texas, that the petition of Houston Lighting & Power Company referred to hereinabove is hereby granted, subject to its entering into, and performing the obligations imposed upon it by the agreement with Fort Bend County referred to in the succeeding paragraph of this Order.

12

IT IS FURTHER ORDERED that the proposed agreement between Fort Bend County and Houston Lighting & Power Company, a copy of which is on file with the Clerk of the Commissioners Court and which is referred to and made a part of this Order as if set out in full herein, be and it is hereby approved, and the County Judge is hereby authorized and directed, on behalf of Fort Bend County, Texas, to execute, deliver and enter into such agreement with Houston Lighting & Power Company.

IT IS FURTHER ORDERED that the County Judge of Fort Bend County be and he is hereby also authorized and directed, on behalf of Fort Bend County, Texas, to execute and deliver the aforesaid agreement with the Town of Thompsons, Texas.

IT IS FURTHER ORDERED that the course of Lockwood Road is hereby changed and altered, the re-routed portion thereof shall be and is hereby laid out and opened upon and along the tract of land described on Exhibit B to the aforesaid petition of Houston Lighting & Power Company, and upon the completion of the construction of said re-routed portion of Lockwood Road, the existing portion of Lockwood Road located on the tract of land described on Exhibit A to said petition shall be discontinued, closed, vacated and abandoned.

11

IT IS FURTHER ORDERED that the aforesaid new road connecting the re-routed portion of Lockwood Road and Y. U. Jones Road shall be and is hereby laid out and opened upon and along those lands described on Exhibit "A" to the aforesaid Order calling the public hearing.

IT IS FURTHER ORDERED that Tom A. Graham, Robert Azios, Aisha Currie, and Allen Hague, all of whom are employees of Houston Lighting & Power Company, are hereby designated and appointed agents of Fort Bend County, Texas, for the purposes of purchasing and acquiring the necessary lands and rights of way for the re-routed portion of Lockwood Road and for the proposed new road referred to hereinabove.

12

IT IS FURTHER ORDERED that Charles R. Slone, a duly licensed attorney of Richmond, Texas, is hereby designated and appointed Special Counsel of Fort Bend County, Texas, for the purposes of filing, prosecuting and otherwise handling on behalf of Fort Bend County, Texas, any and all condemnation proceedings which become necessary or desirable in order to acquire the necessary lands and rights of way for the re-routed portion of Lockwood Road and for the proposed new road referred to hereinabove.

THE STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF FORT BEND §

THIS AGREEMENT made and entered into this the 7 day of April, 1980, by and between the COUNTY OF FORT BEND, TEXAS, a body corporate and politic (hereinafter sometimes called the "County"), and HOUSTON LIGHTING & POWER COMPANY, a Texas corporation with its principal place of business located in Houston, Harris County, Texas (hereinafter called the "Light Company");

W I T N E S S E T H:

THAT, WHEREAS, the Light Company has filed a petition with the Commissioners Court of Fort Bend County, Texas, requesting, among other things, that the County alter and change the course of a portion of Lockwood Road, a County road located in Precinct No. 1 of Fort Bend County, Texas; and

WHEREAS, the Commissioners Court of the County has granted the Light Company's petition subject to certain conditions; and

WHEREAS, the Light Company is willing to agree to those conditions; and

12

WHEREAS, the County and the Light Company desire to enter into this agreement setting forth their respective rights and obligations with respect to the proposed re-routing of a portion of Lockwood Road and certain matters relating thereto;

NOW, THEREFORE, for and in consideration of the premises and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the County and the Light Company hereby agree as follows:

I.

Acquisition of Road Rights of Way

A. The locations of the proposed rights of way for the re-routed portion of Lockwood Road and for the new road connecting said portion of Lockwood Road with Y. U. Jones Road are shown on the drawing attached hereto and made a part hereof as Exhibit A.

B. The Light Company agrees to convey to the County, without charge, right of way for the re-routed portion of Lockwood Road over, across and upon the lands which the Light Company owns within the proposed new route of said portion of Lockwood Road. Such conveyance shall be accomplished by the Light Company's execution and delivery to the County of an instrument in the form attached hereto and made a part hereof as Exhibit B.

11

C. The County will use its best efforts to acquire as promptly as possible (1) the remaining right of way for the re-routed portion of Lockwood Road from the other landowners involved (including the Atchison, Topeka & Santa Fe Railway Company) and (2) the right of way for the new road connecting said portion of Lockwood Road with Y. U. Jones Road. The County may, in its discretion, acquire such rights of way in fee or easement and otherwise in a form acceptable thereto; provided, however, that the monetary consideration to be paid by the County to each landowner involved shall be subject to prior approval by the Light Company. The County may acquire such rights of way with its own personnel, or it may designate an agent to do so on its behalf. In the event that it becomes necessary for the County to condemn any portion or portions of such rights of way, the County may designate an attorney to serve as Special

12

Counsel for the County in filing and prosecuting any such condemnation proceedings. Should the County so desire, the Light Company will arrange for one of its own right-of-way agents and/or attorneys to serve as agent and Special Counsel, respectively, for the County to acquire the necessary rights of way as expeditiously as possible.

D. The Light Company agrees to reimburse the County for all costs incurred by it in acquiring the aforesaid road rights of way, including, but not limited to, the monetary consideration paid by the County to the landowners (if approved by the Light Company in advance), any fees or commissions paid to an independent agent and any court costs and attorneys' fees incurred by the County in connection with any condemnation proceeding.

II.

Roadway Construction

A. The Light Company agrees to construct, at its expense, (1) the re-routed portion of Lockwood Road and (2) the new road connecting said portion of Lockwood Road with Y. U. Jones Road in accordance with the plans and specifications attached hereto and made a part hereof as Exhibit C; provided, however, that the Light Company shall have no obligation to install the asphalt paving thereon.

B. The County agrees to install the asphalt paving on (1) the re-routed portion of Lockwood Road and (2) the new road connecting said portion of Lockwood Road with Y. U. Jones Road. The Light Company agrees to reimburse the County for the cost of the asphalt paving materials utilized by the County in paving such roads, but the Light Company shall have no obligation to reimburse the County for any other costs incurred by it in the installation of asphalt paving on said roads.

12

C. The Light Company agrees, at its expense, to purchase the roadway signs and barricades shown on the plans and specifications attached hereto and made a part hereof as Exhibit D and to install the same in accordance with such plans and specifications.

III.

Closing of Portion of Lockwood Road and Conveyance of Real Property Interests in Abandoned Right of Way

A. The County agrees to discontinue, close, vacate and abandon the portion of Lockwood Road located on the tract of land described on Exhibit E attached hereto and made a part hereof; provided, however, that the County shall have no obligation to discontinue, close, vacate and abandon said portion of Lockwood Road until after the Light Company has (1) executed and delivered to the County the instrument referred to in Section I.B. of this Agreement and (2) completed its construction of (a) the re-routed portion of Lockwood Road and (b) the new road connecting said portion of Lockwood Road with Y. U. Jones Road in accordance with Section II.A. of this Agreement. In this connection, it is expressly understood and agreed (1) that the County will open the re-routed portion of Lockwood Road and said new road, and (2) discontinue and close the portion of Lockwood Road described on Exhibit E hereto, promptly upon satisfaction of the conditions contained in the preceding sentence and without regard to whether or not the County has completed the installation of the asphalt paving on the re-routed portion of Lockwood Road or on said new road.

11

B. Upon the discontinuance and closing by the County of the portion of Lockwood Road located on the tract of land described on Exhibit E hereto, the County agrees to

12

promptly convey to the Light Company, without charge, whatever real property interest or interests the County owns in said tract of land.

IN WITNESS WHEREOF, the County and the Light Company have executed this Agreement as of the date hereinabove first written.

Exhibit B

THE STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS THAT:
COUNTY OF FORT BEND §

WHEREAS, Houston Lighting & Power Company, a Texas corporation with its principal place of business located in Houston, Harris County, Texas, hereinafter sometimes called "Grantor", is the owner of the following described tracts of land and easements in the Samuel Kennedy Survey, Abstract No. 44, in Fort Bend County, Texas, to-wit:

1. A 1.00-acre tract of land described in deed from Annie Mae Giuhas Hearld, et al. to Houston Lighting & Power Company, dated January 2, 1963, and recorded in Volume 439, page 602 of the Deed Records of Fort Bend County, Texas;

2. A 5.00-acre tract of land described in (A) deed from Beatrice & Willa Jones to Houston Lighting & Power Company, dated July 10, 1962, and recorded in Volume 428, page 351 of the Deed Records of Fort Bend County, Texas, and (B) deed from Maynard and John Spears to Houston Lighting & Power Company, dated October 28, 1969, and recorded in 521, page 364 of the Deed Records of Fort Bend County, Texas;

3. A 4.666-acre tract of land described in deed from Hulon E. Hall, et ux. to Houston Lighting & Power Company, dated June 9, 1976, and recorded in Volume 687, page 434 of the Deed Records of Fort Bend County, Texas;

4. An easement over, across and upon a 0.188-acre tract of land as described in instrument from James M. Eller to Houston Lighting & Power Company, dated August 29, 1975, and recorded in Volume 659, page 77 of the Deed Records of Fort Bend County, Texas; and

11

12

5. An easement over, across and upon a 6.874-acre tract of land as described in instrument from R. E. Smith to Houston Lighting & Power Company, dated August 10, 1967, and recorded in Volume 490, page 840 of the Deed Records of Fort Bend County, Texas;

said tracts of land and said easements being hereinafter sometimes collectively referred to as "Grantor's property"; and

WHEREAS, the County of Fort Bend, a body corporate and politic, hereinafter called "Grantee", desires to use and occupy certain portions of Grantor's property for street, road and highway purposes;

NOW, THEREFORE, for and in consideration of One and No/100 Dollars ($1.00) paid to Grantor by Grantee, the receipt of which is hereby acknowledged, Grantor hereby grants permission, subject to the conditions and limitations contained hereinafter, to Grantee to use and occupy for street, road and highway purposes those portions of Grantor's property which are designated as Tracts 1, 2 and 3, respectively, and which are located within the metes and bounds set forth on Exhibit "A", attached hereto and made a part hereof; the term of such permission to continue so long as no assessment is made against Grantor as a result of paving or other improvement costs of any construction on said portions of Grantor's property.

The conditions and limitations of this grant are (1) that Grantor may maintain and operate any and all electrical transmission or distribution lines or other facilities owned by Grantor which are now located on, over or under the above-described portions of Grantor's property, (2) that Grantor shall retain title to such presently existing facilities, (3) that Grantor shall, on, over and under the above-described portions of Grantor's property, forever have

11

12

the right to construct, own, operate, inspect, maintain, repair, extend, adjust, modify, add to (either by the enlargement of existing facilities or by the construction of new or additional facilities), relocate, or remove, in whole or in part, at its expense, Grantor's existing facilities, or other facilities which the Grantor may hereafter require in the operation of Grantor's business, in such manner as does not interfere with the facilities of Grantee which are located and installed within the above-described portions of Grantor's property at the time of any such construction or other work by Grantor, but otherwise in such manner as may be deemed by Grantor to be desirable in the operation of Grantor's business, (4) that Grantor shall comply with the minimum clearances required by the National Electric Safety Code (American National Standard ANSI C2 1977) and amendments thereto, in Grantor's future construction of electrical conductors on, over or under the above-described portions of Grantor's property, (5) that Grantee's rights herein granted shall not include the right to construct any structure (including guard rails, signs, lighting standards, traffic control facilities, pedestrian walkways, and all utility facilities) at an elevation greater than an elevation of 73.97 feet on Tract 1, an elevation of 73.26 feet on Tract 2, and an elevation of 73.26 feet on Tract 3, all such elevations being based on National Geodetic Survey (formerly U.S.C. & G.S.) datum, 1973 Adjustment, and (6) that if Grantee, on the above-described portions of Grantor's property, digs any roadside ditches, or erects any roadside fences or makes any other improvements which would hinder or prevent Grantor's access to and from other portions of Grantor's property abutting on the portions of Grantor's property affected by this instrument, then Grantee will install such culverts or other drainage structures on said ditches, and such gates in said fences, and such curb openings for driveways, and otherwise

11

12

make such provision with respect to said improvements, as are necessary in order to maintain Grantor's access to and from said other portions of Grantor's property.

By acceptance of this instrument, Grantee manifests its understanding that the term of the permission herein granted shall continue for so long as, and only for so long as, no assessment is made against Grantor as a result of paving or other improvement costs of any construction on the portions of Grantor's property affected by this instrument, and that in the event such an assessment is made or attempted, the permission herein granted shall immediately terminate and be forever at an end without the necessity of any re-entry or other action by Grantor; provided, however, that in the event of such termination, a new permission similar thereto may be sought through proper proceedings by the exercise of the power of eminent domain; and provided further, however, that all improvements placed on said portions of Grantor's property by Grantee, its successors and assigns, shall remain the personal property of Grantee, its successors and assigns, and that in the event of such termination, Grantee, its successors and assigns, shall have the right to remove such improvements.

11

This grant is made subject to all instruments of record affecting the portions of Grantor's property hereinabove described and to the rights of the owners of the fee titles to the lands upon which Grantor only owns easements as described above.

Grantor, by execution of this instrument, does not waive any of the rights, except those hereinabove specifically waived, that Grantor may legally have within the limits of the laws of the State of Texas.

13 RE: ORDER OF COMMISSIONERS' COURT DISCONTINUING PORTIONS OF EASEMENTS FOR PUBLIC ROAD PURPOSES IN THE COCHRAN & McCLUER SUBDIVISION AND ABANDONING THE USE OF SAID PORTIONS FOR PUBLIC ROAD PURPOSES: PRECINCT #3:

On Motion of Commissioner Ed. H.Helwig, seconded by Commissioner W. Lee Schmidt, and duly passed, the court passed and ordered discontinuing portions of easements for public road purposes in the Cochran & McCluer Subdivision and abandoning the use of said portions for public road purposes.

Ordered by said Commissioners's Court of Fort Bend County, Texas, that said strips of land located in Fort end County, Texas, described as follows:

BEING easements for roads along all sides of Lot three (3), Block Twenty Four (24) and Block Thirty Two (32) of the Cochran & McCluer Subdivision in the Moses Shipman League, Abstract 86, Fort Bend County, Texas, as shown by the Deed Records of Fort Bend County, Texas; Except Westenfeld Road along the West Side of said Block Thirty Two (32) and Rabb Road Along the South Side of said Lot three (3) Block Twenty Four (24) and along the North side of said Block Thirty Two (32) and along the East side of said Block Thirty Two (32) from its Northeast corner approximately 500 feet in a Southerly direction of its intersection with Sycamore Road, which portions of Westenfeld Road and Rabb Road are not to be effected hereby.

Order of the Commissioner's court and Affidavits of Petitioners as follows:

11

ORDER OF COMMISSIONER'S COURT DISCONTINUING PORTIONS OF EASEMENTS FOR PUBLIC ROAD PURPOSES IN THE COCHRAN & McCLUER SUBDIVISION AND ABANDONING THE USE OF SAID PORTIONS FOR PUBLIC ROAD PURPOSES

THE STATE OF TEXAS I

COUNTY OF FORT BEND I

This, the 7th day of APRIL, 1980, in regular order and at a regular meeting of the Commissioner's Court of Fort Bend County, Texas, came on to be heard and considered the matter of discontinuing the strips of land hereinbelow described in Fort Bend County, Texas, as public roads and abandoning their use for public road purposes, and

It appears to the Court, and the Court so affirmatively finds, by unanimous affirmative vote of all elected Commissioners that said petition presented to this Court on APRIL 7, 1980, requesting such action was signed by at least eight (8) freeholders in the precinct in which such roads are desired to be discontinued, that said applicants have given at least twenty (20) days notice by written advertisement of their intended application posted up at the Courthouse door of Fort Bend County, TExas, and at two (2) other public places in the vicinity of the route of said roads, that the public interest will be better served in closing and discontinuing said roads and by abandoning the use of same for public road purposes, that said request is proper and should be approved, it is, therefore, upon motion made by Commisioner Ed. H. Helwig and seconded by Commissioner W. Lee Schmidt and duly passed by unanimous

13

affirmative vote of all elected Commissioners,

ORDERED AND DECREED by said Commissioner's Court of Fort Bend County, Texas, that said strips of land located in Fort Bend County, Texas, described as follows:

> BEING easements for roads along all sides of Lot Three (3), Block Twenty Four (24) and Block Thirty Two (32) of the Cochran & McCluer Subdivision in the Moses Shipman League, Abstract 86, Fort Bend County, Texas, as shown by the Deed Records of Fort Bend County, Texas; EXCEPT Westenfeld Road along the West side of said Block Thirty Two (32) and Rabb Road along the South side of said Lot Three (3), Block Twenty Four (24) and along the North side of said Block Thirty Two (32) from its Northeast corner approximately 500 feet in a Southerly direction to its intersection with Sycamore Road, which portions of Westenfeld Road and Rabb Road are not to be effected hereby,

are hereby discontinued as public roads and their use for public road purposes is hereby abandoned. 11

IN WITNESS WHEREOF, said Commissioner's Court of Fort Bend County, Texas, has caused this Order to be entered on its minutes and to be hereby executed by Jodie Stavinoha, County Judge of Fort Bend County, Texas, this 7th day of April, 1980.

Re: Fort Bend County Abandonment of 2.447 Acre
Settlers Park and Sugarland Properties
Incorporated Dedication of same to the
Settlers Park Homeowners Association

11

Dear Mr. Helwig:

Pursuant to our meeting of January 22, 1980, please find enclosed a copy of the Notice of Abandonment, the Application (Petition) to Commissioners Court, and the Fort Bend County Commissioners Court Order to abandon the 2.447 acre public park located within the plat of Settlers Park Section One, and a copy of the Special Warranty Deed, dedicating said park from Sugarland Properties Incorporated to the Settlers Park Homeowners Association.

I have also enclosed a letter from Mr. Dave Stone, President of the Settlers Park Homeowners Association, which states that the Association is willing to assume responsibility for the development and maintenance of the 2.447 acre Settlers Park, if ownership is transferred to the Association.

I have discussed this abandonment and dedication procedure with Mr. Bill Meitzen, Fort Bend County District Attorney, and have received his approval on same.

Thank you for your time and consideration of this matter, and I would appreciate your reviewing the above-mentioned documents, so I may be placed upon the Commissioners Court agenda at the earliest date possible.

Please call if you should have any questions, or need additional information.

Sincerely,

Rick Davis

WARRANTY DEED

THE STATE OF TEXAS

COUNTY OF FORT BEND KNOW ALL MEN BY THESE PRESENTS:

That SUGARLAND PROPERTIES INCORPORATED, for and in consideration of the sum of One and No/100 Dollars ($1.00) and other good and valuable consideration to it in hand paid by SETTLERS PARK HOMEOWNERS ASSOCIATION, a Texas non-profit corporation, (Grantee) have Granted, Sold and Conveyed, and by these presents do Grant, Sell and Convey unto the said Grantee all that certain tract or parcel of land situated in Fort Bend County, Texas, to-wit:

Being the 2.447 acre Settlers Park situated in Settlers Park, Section One, Fort Bend County, Texas, recorded in Volume 20, Page 12, Fort Bend County Plat Records.

11

This conveyance is made and accepted subject to all easements right-of-ways, building lines, and reservations (including mineral and royalty reservations) effecting said property and of record in the office of the County Clerk of Fort Bend County, Texas.

It is specifically agreed that part of the consideration for this conveyance is the covenant and the agreement by Grantee that the property hereby conveyed shall henceforth be burdened with, and held by Grantee, its successors and assigns, subject to, the following restrictive covenant on the use of said property, to-wit:

"The property hereby conveyed shall be used only for such purposes and in such manner as is necessary and incidental to the discharge by Grantee of its functions as contemplated and limited by its corporate charter and By-Laws. No business, commercial, residential, or other use or activities shall ever be made of, or conducted on, said property, it being intended that said property shall be used solely for the conduct of civic and social activities for the benefit of the residents and property owners of the various sections of Settlers Park, a residential development in Fort Bend County, Texas."

14

The foregoing covenant and agreement shall be in the nature of a covenant running with the land and binding upon Grantee and its successors and assigns, and in the event of any breach of, or failure to faithfully keep and comply, said covenant, Grantor shall have the right to prosecute any proceeding at law or in equity against Grantee or its successors and assigns to correct and eliminate any such breach or failure and to enforce observance of, and compliance with said covenant and agreement.

TO HAVE AND TO HOLD the above described premises, together with all and singular, the rights and appurtenances thereto in anywise belonging unto the said Grantee, its successors and assigns forever; and Grantor does hereby bind itself and its successors to Warrant and Forever Defend all and singular the title to said premises unto the said Grantee, its successors and assigns, against every person whomsoever lawfully claiming, or to claim the same or any part thereof, by through or under it but not otherwise.

Re: Transfer of a Two and One-Half Acre Park
to the Settlers Park Homeowners Association

Gentlemen:

I am writing on behalf of the residents and members of the Settlers Park Homeowners Association to request that the Fort Bend County Commissioners approve the transfer of a two and one-half acre park site, located on Mesquite in Section 1 of the Settlers Park subdivision, to the Settlers Park Homeowners Association.

The Association is willing to assume responsibility for development and maintenance of the park, if ownership of the two and one-half acre site is transferred to the Association. In the event that our request is approved, capital improvements to the park would be for the purpose of providing recreational facilities for the use and enjoyment of all residents of Settlers Park and would be financed by funds provided by the annual maintenance assessment and any special assessment approved by the members of the Association.

11

In a meeting held on December 7, 1979, at which a quorum was present and voting throughout, the homeowners unanimously approved a proposal to proceed with efforts by the legal representatives of the Association to acquire this park site and to appear before the appropriate authorities of Fort Bend County and the City of Sugar Land to make this request on behalf of the Association. This proposal was also discussed in detail and unanimously approved by the Association's Board of Directors in a meeting held on January 11, 1980, at which four of the five directors were present.

Your favorable consideration of this request will be appreciated by the residents of Settlers Park. If further information in regard to this matter is needed, I will be happy to appear before the Commission.

Yours very truly,

SETTLERS PARK HOMEOWNERS ASSOCIATION

RE: INTERLOCAL AGREEMENT (ATTACHED)

11

The TAC Unemployment Fund attorney has prepared the enclosed Interlocal Agreement which replaces the previous one. This agreement only differs from the first one on technical matters and does not make substitutive changes in the way the Fund is operated and managed.

The Interlocal Agreement does call for a penalty to be assessed if the report is not postmarked by the 10th of the month in which the report is due. This is to enable our office to have time to prepare the report for the Texas Employment Commission. The report when compiled is over 1,000 pages in length, therefore, you understand our need for prompt filing by each participant. The penalty amounts to 5% of the contribution due, or $25.00, whichever is more.

The Interlocal Agreement is a continuous agreement, however, the Fund member or the TAC Fund may cancel the contract upon 60 days written notice.

PLEASE SIGN AGREEMENT ON LAST PAGE, KEEP ONE COPY FOR YOUR FILES, AND RETURN THE OTHER COPY TO:

PARTICIPATION AGREEMENT

for

TEXAS ASSOCIATION OF COUNTIES UNEMPLOYMENT FUND

This Agreement, entered into by and between the Texas Association of Counties Unemployment Fund (hereinafter called "Fund") and FT. BEND COUNTY (hereinafter called "Fund Member") shall be effective as of the date hereinafter shown.

R E C I T A L S:

WHEREAS, the Fund was established by the Texas Association of Counties (hereinafter called "TAC") as a means of providing a single vehicle for the payment of contributions to the Texas Employment Commission (hereinafter called "TEC") required under art. 5221b-5b, V.A.T.S.; and

WHEREAS, Fund Member, a political subdivision, desires to take advantage of the benefits made available through the Fund;

NOW, THEREFORE, It is Agreed and Understood among the Parties as follows:

ARTICLE I
APPOINTMENT OF FUND

1.01. Appointment

Fund is hereby appointed Agent of the Fund Member and authorized to represent Fund Member before the TEC.

1.02. Length of Appointment

Fund shall continue to serve as Agent of Fund Member for purposes of this Agreement until such time as this Agreement is terminated in accordance with its terms.

ARTICLE II
ELECTION OF PARTICIPATION

2.01. Election

Fund Member hereby elects to become a member of and participate in the Fund.

2.02 Length of Election

Fund Member's election under paragraph 2.01 of this Agreement shall be effective until terminated in accordance with the terms of this Agreement.

2.03. Nature of Election

By its election under paragraph 2.01 of this Agreement, Fund Member elects to join and participate in the TAC Group Account maintained by TEC under Account Number 991,884. The Group Account is maintained for the purpose of receiving contributions required under art. 5221b-5b, V.A.T.S. and paid by the Fund.

ARTICLE III
POWER AND DUTIES OF FUND

3.01. Authority to Act as Agent

Fund Member hereby confers upon Fund all authority necessary to carry out the purposes of this Agreement. Fund shall have the authority to construe the provisions of this Agreement and the rules, regulations, contribution schedules and Bylaws of the Fund. Any construction of the above named items by the Fund shall be binding on all Fund Members and their employees.

3.02. Powers of Fund

Fund shall have any power necessary to carry out the purposes of this Agreement which may be conferred by this Agreement and the rules, regulations, contribution schedules and Bylaws of the Fund including, without limitation, the following:

11

19

a. The power to collect and retain all monies required from Fund Member;
b. The power to establish a Contribution Rate for Fund Member;
c. The power to require and accept from Fund Member reports of wages paid to non-elective employees of Fund Member;
d. The power to require and accept from Fund Member unemployment reports with respect to employees of Fund Member leaving the employ of Fund Member;
e. The power to require the appointment by Fund Member of an Unemployment Coordinator;
f. The power to delegate any power or duty conferred by this Agreement to an independent contractor;
g. The power to develop and establish unemployment cost control services;
h. The power to maintain a separate account or accounts for Fund Member;
i. To the extent permitted by the Unemployment Compensation Act of Texas, the power to review claims, determine their validity, and dispose of claims coming to the Fund;
j. The power to appoint legal counsel to handle the legal affairs of the Fund;
k. The power to open and maintain bank accounts in the name of the Fund; and
l. The power to perform any act whether or not expressly authorized herein, which Fund deems necessary to accomplish the general objectives of the Fund.

3.03. Signature of Fund

Fund is hereby authorized to execute any notice or other instrument in writing required to carry out the purposes of this Agreement and all persons, partnerships, Political Subdivisions, corporations or associations may rely thereupon that such notice or instrument is duly authorized and is binding on Fund and Fund Member.

11

3.04. Liability of Fund

Fund shall be responsible for monies solely when, as, and if received by it from Fund Member, and Fund shall not be liable to anyone if for any reason whatsoever this Agreement is terminated.

3.05. Duty to Act

Fund shall be under no duty to take any action, except as specifically provided for in this Agreement and except as it shall hereinafter agree in writing to take.

ARTICLE IV
FUND MEMBER ACCOUNT

4.01. Retention of Monies

Fund shall retain all monies paid to Fund by Fund Member until such time as Fund ceases to be liable to TEC for any charges incurred by Fund Member during the period Fund Member participated in TEC Group Account Number 991,884. Should the monies retained by Fund be insufficient to pay charges attributable to Fund Member, the charges in excess of the monies retained by Fund shall be paid by Fund Member to Fund within ten days of written notice of such charges. The above is understood and agreed to even in the event of termination of this Agreement. In the event of termination of this Agreement and subsequent to determination that Fund is no longer liable for any of the above outlined charges to TEC, Fund shall remit to Fund Member any remaining balance in Fund Member's account.

4.02. Maintenance of Separate Account

Fund shall maintain a separate account for Fund Member. Fund may maintain more than one separate account for Fund Member and treat each such account as a separate entity. The maintenance by Fund of more than one account for Fund Member does not serve to relieve Fund Member of responsibility for the account if more than one separate account is maintained by Fund for Fund Member, each such separate account represents an activity of Fund Member. Any determination with respect to the activity within any of the above mentioned separate accounts by TEC shall be binding on Fund Member.

ARTICLE V
CONTRIBUTION RATE

5.01. Responsibility to Contribute

Fund Member shall pay to Fund a percentage of its preceding quarter's payroll

of all non-elective employees (full-time, part-time and temporary). The above percentage shall be known as the Contribution Rate. In calculating the Contribution Rate with respect to an individual employee, only the first $6,000.00 in wages paid to such employee shall be subject to the Contribution Rate.

5.02. Calculation of Contribution Rate

Fund shall calculate Fund Member's Contribution Rate based on Fund Member's actual experience in Fund; provided however, in no event shall the Contribution Rate be less than 1/20 of one percent of Fund Member's payroll. It is further agreed and understood that until Fund Member has been included in the TAC Group Account with TEC for six (6) calendar quarters, Fund Member's Contribution Rate shall be 8/10 of one percent of Fund Member's payroll. Fund shall determine the Contribution Rate for Fund Member subsequent to the above mentioned six (6) calendar quarter period during the first quarter of each calendar year, and the Contribution Rate shall apply to all payments predicated on the year's payrolls.

5.03. Contribution Payments and Reports

Fund Member agrees to promptly make all payments required by this Agreement to Fund. Fund Member agrees to furnish reports of wages paid to non-elective employees and other necessary information to Fund in a manner acceptable to TEC and Fund.

5.04. Due Date of Contributions and Reports

Quarterly Unemployment Reports and Contributions shall be due and payable no later than the 10th day of each new quarter. For purposes of this Agreement, quarters will commence on the first day of January, April, July and October of every year. Reports or Contributions postmarked after the 10th day of a new quarter shall be subject to a late penalty equal to the greater of $25.00 or 5% of Fund Member's contribution for the quarter.

11

ARTICLE VI
UNEMPLOYMENT COORDINATOR

6.01. Appointment

Fund Member shall by written instrument appoint an Unemployment Coordinator. The Unemployment Coordinator shall be responsible to Fund for the timely and accurate completion of the quarterly unemployment report, and for promptly providing Fund or its contractor any required information.

6.02. Change of Unemployment Coordinator

Fund Member may change its Unemployment Coordinator by giving written notice to Fund of such change prior to the effective date of the change.

6.03. Responsibility of Unemployment Coordinator

Any failure or omission of the Unemployment Coordinator shall be deemed a failure or omission of Fund Member. Fund or its contractor are not required to contact any other individual with respect to Fund Member's business except the named Unemployment Coordinator. Any notice given the Unemployment Coordinator by Fund or its contractor shall be deemed notice to Fund Member.

ARTICLE VII
TERMINATION

7.01. Notice

This Agreement may be terminated by either party by giving sixty (60) days written notice of intent to terminate the Agreement to the other party. Any notice of intent to terminate must be delivered by deposit in the U.S. Mails Certified Return Receipt Requested.

7.02. Liability Subsequent to Termination

Termination of this Agreement shall not serve to relieve Fund Member of any obligation or liability to Fund for any obligation or liability Fund may have to TEC as a result of Fund Member's inclusion in the TAC Group Account with TEC.

ARTICLE VIII
MISCELLANEOUS

8.01. Unemployment Cost Control Services

19

Fund Member shall be furnished with periodic statements of claims activity and the status of claims by Fund or its contractor pursuant to Fund's contract for unemployment cost control services.

8.02. Eligibility of Fund Member

Fund Member is a member in good standing or located within a county that is a member in good standing of TAC.

8.03. Agreement to Comply with Bylaws

Fund Member agrees to comply with the Bylaws of Fund as adopted by Fund's Board of Trustees.

8.04. Amendment

This Agreement may be amended or modified at any time by the parties hereto; any such amendment or modification shall be evidenced by a written instrument attached to and made a part of this Agreement.

8.05. Applicable Law

This Agreement is entered into and executed in the State of Texas, and all questions pertaining to its validity or construction shall be determined in accordance with the laws of the State of Texas.

8.06 Acts of Forebearance

No act of forebearance on the part of either party to enforce any of the provisions of this Agreement shall be construed as a modification of this Agreement nor shall the failure of any party to exercise any right or privilege herein granted be considered as a waiver of such right or privilege.

11

8.07. Effect of Partial Invalidity

In case any provision of this Agreement is held illegal or invalid for any reason, said illegality or invalidity shall not affect the remaining provisions of this Agreement.

8.08. Headings and Captions

The headings and captions in this Agreement are inserted for the purpose of convenience only and shall not be considered in the construction of any provision.

8.09. Notices

Any notice required to be given or payment required to be made to Fund shall be deemed properly sent if addressed to:

2 RE: APPROVE CHANGES IN DEPOSITORY PLEDGE CONTRACTS:

There were no changes in depository pledge contracts.

---

3 RE: OPEN BIDS OF VEHICLE MAINTENANCE BUILINDG AT NEW JAIL:

The bids for a vehicle maintenance building at new jail were opened. No action taken. Bids to be studied and accepted at another court meeting.

---

4 RE: U. S. HOME CORPORATION - FINAL PLAT APPROVAL FOR PHEASANT CREEK, SECTION II.:

Cancelled. No action taken.

---

5 RE: MR. GORVER HAYTON, ORCHARD FIRE DEPARTMENT - REVOLVING FUND MONIES ALLOCATED FOR ORCHARD FIRE DEPARTMENT:

Cancelled. No action taken.

---

6 RE: MR. GERALD MATHEAUS AND MR. GEORGE DELMAR - COMMUNICATION EQUIPMENT FOR FORT BEND COUNTY FIREFIGHTERS:

The Court heard from Mr. Gerald Matheaus with the Rosenberg Fire Department and Mr. George Delmar with the Missouri City Fire Department concerning communication equipment for Fort Bend County Firefighters. The court agreed that there was a definite need for communication assistance thoroughout the county.

The court was told that the equipment needed would cost in the range of $200,000.00. The court asked that they get a brake down on the cost for equipment needed by each fire department and report back to the court at another time.

---

7 RE: MR. TODD LONERGAN, SOUTHWESTERN BELL TELEPHONE COMPANY - DISCUSSION OF PERMIT APPLICATIONS FOR CONSTRUCTION WORK:

The Court heard from Mr. Todd Lonergan, Attorney representing Southwestern Bell Telephone Company, complaining about the requirement of having to put up a $100,000.00 bond and $25.00 per application for work to be done in Fort Bend County.

The Company questions the legality of a court order requiring the bond. Mr. Lonergan was told by the court to consult with Timothy Sloan, Assistant District Attorney, who acts as the courts legal advisor, about the legality of the bond requirement.

---

8 RE: MR. DAN LYNCH, TRAFFIC ENGINEERS INC.- STATUS REPORT AND APPROVAL OF COUNTY ROAD MAPS:

ON Motion of Commissioner Tony Jebbia, seconded by Commissioner Johnnie Pustka, and duly passed, the court approved the Bridge Data, as presented to the court by the Traffic Engineers Inc., subject to minor changes. 11

The Court did not approve the County Road Map due to several changes to be made. This is to be presented to the court at a later meeting.

---

9 RE: MR. DON KNOBLOCH, ATTORNEY AT LAW - ACCEPTING A PORTION OF PULTAR ROAD INTO THE COUNTY ROAD SYSTEM:

No action taken. Did not appear.

---

10 RE: MR. RICHARD SELLEH, GRANT COORDINATOR - YOUTH COMMUNITY CONSERVATION IMPROVEMENT PROJECT:

ON Motion of Commissioner Tony Jebbia, seconded by Commissioner Johnnie Pustka, and duly passed, the court authorized Richard Selleh, Grant Coordinator to make application for a Youth Community Conservation Improvement Project for workers to be used at the County Fairgrounds. Application will be made if funds are available.

---

11 RE: MR. RICHARD SELLEH, GRANT COORDINATOR - RESOLUTION SUPPORTING L.E.A.A. FUNDS:

On Motion of Commissioner Tony Jebbia, seconded by Commissioner W. Lee Schmidt, and duly passed, the court authorized the County Judge to draw up Resolution to support(L. E. A. A.) Law Enforcement Assistance Administration funding.

Resoluion as follows to be sent to all appropriate officials.

R E S O L U T I O N

W H E R E A S, Fort Bend County, Texas has participated and is participating in Law Enforcement Assistance Administration programs; and,

W H E R E A S, Fort Bend County, Texas has completed numerous grant programs, which proved to be efficient and necessary and which are now totally funded by Fort Bend County, Texas; and,

W H E R E A S, Fort Bend County, Texas would not have financially been able to implement said programs without funding from the Law Enforcement Assistance Administration; and,

W H E R E A S, Fort Bend County, Texas is geographically situated in an area adjacent to Harris County, Texas, and includes within the boundaries of Fort Bend County, Texas, portions of the City of Houston, Texas, and being so situated is experiencing a population increase which ranks the County among the most rapidly growing counties in the Nation; and,

W H E R E A S, said population growth is increasing to a degree far in excess of the ability of the County of Fort Bend, Texas to maintain sufficient law enforcement and prosecutorial personnel with which to pursue the efficient administration of criminal justice; and,

W H E R E A S, the crime rate in Fort Bend County, Texas has increased to a degree even in excess of the per capita increase in population as exhibited by the fact that three years ago the Fort Bend County Grand Jury met every three months and were presented approximately sixty felony cases for consideration and presently the Fort Bend County Grand Jury meets twice monthly and considers on the average 65 cases per month; and,

W H E R E A S, increased inflation contributes to an increased crime rate which impacts most heavily on the poor and elderly; and,

W H E R E A S, without the continued support of the Law Enforcement Assistance Administration Fort Bend County, Texas will not be able to continue the programs already funded and instituted; and,

W H E R E A S, law enforcement in Fort Bend County, Texas will be hindered in its first line of defense against the increased crime rate in the County and the ability of law enforcement to protect the citizens of the County will be severely diminished; and,

W H E R E A S, action by the Budget Committee will terminate all funding as of September 30, 1980:

BE IT THEREFORE RESOLVED that it is the recommendation of the Commissioners Court of Fort Bend County, Texas, that:

(1) Law Enforcement Assistance Administration funding already allocated to Fort Bend County, Texas, be continued; and

(2) Law Enforcement Assistance Administration funding be considered as a single issue in budget debates and voting; and

(3) The congressional representatives of Fort Bend County, Texas to wit: Senator John Tower and Senator Lloyd Bentsen and Congressman Ron Paul are hereby requested to utilize all necessary and advisable steps necessary to insure that the Law Enforcement Assistance Administration funding in at least the amount presently allocated is continued, and furthermore to give their assistance to the Law Enforcement Assistance Administration in order that the best interests of Law Enforcement in Fort Bend County and our nation might be served.

FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION

BYLAWS

ARTICLE I

POWERS AND PURPOSES

SECTION 1.01. Financing of Industrial Development Projects. In order to implement the purposes for which the Corporation was formed as set forth in the Articles of Incorporation, the Corporation shall issue obligations to finance all or part of the cost of one or more commercial, industrial or manufacturing projects to promote and develop commercial, industrial and manufacturing enterprises to promote and encourage employment and the public welfare, pursuant to the provisions of the Development Corporation Act of 1979, 1979 Tex. Gen. Laws, Ch. 700, §1, at 1675 (the "Act").

SECTION 1.02. Conditions Precedent to Issuance of Obligations. The Corporation shall not issue any obligations unless:

a. The Board of Directors has recommended, and the Commissioners' Court (the "Governing Body") of Fort Bend County (the "Unit") has approved by written resolution an agreement to issue obligations adopted by the Corporation, which agreement and resolution shall set out the amount and purpose of the obligations. No issue of obligations, including refunding bonds, shall be sold and delivered by the Corporation without a written resolution of the Governing Body adopted no more than sixty (60) days prior to the date of sale of the obligations specifically approving the resolution of the Corporation providing for the issuance of the obligations, and

b. The Texas Industrial Commission, or the executive director thereof, has approved the contents of any lease, sale or loan agreement made by the Corporation under the Act in connection with the issuance of obligations by affirmatively finding that the lessee, purchaser or borrower has the business experience, financial resources and responsibility to provide reasonable assurance that all obligations and interest thereon to be paid from or by reason of such agreement will be paid as the same become due.

SECTION 1.03. Audits. The Corporation shall provide for an annual financial audit of all its books and records by an independent certified public accountant. The Corporation shall

submit or provide for the submittal of a copy of each such audit to the Unit.

SECTION 1.04. Access to Books and Records. The Corporation shall provide any authorized representative or representatives of the Unit with the right of access, at any reasonable time, to all books and records of the Corporation.

SECTION 1.05. Net Earnings. The Corporation shall conduct its affairs and activities so as to assure that no part of the net earnings of the Corporation inures to the benefit of any private individual or private entity (except that reasonable compensation may be paid to others for services rendered to or for the Corporation affecting its purposes); it being intended that the net earnings of the Corporation (beyond those necessary for retirement of indebtedness or to carry out or assist in carrying out an industrial development project or projects) shall inure only to the benefit of the Unit.

SECTION 1.06. Political Activities. The Corporation shall not carry on propaganda or otherwise attempt to influence legislation and shall not participate in or intervene in (including the publication or distribution of statements) any political campaign on behalf of any candidate for public office.

SECTION 1.07. Compensation. The Corporation shall conduct its affairs and activities so as to assure that neither the Corporation nor any of its officers or directors receive any compensation in connection with the financing of any industrial development project, except reasonable expenses approved by the Board of Directors of the Corporation.

SECTION 1.08. Disposition of Assets. Subject to any valid liens, charges or encumbrances and the prior rights of the holders of any obligations of the Corporation and any creditors of the Corporation, in the event of dissolution of the Corporation, at any time or for any reason, all of the funds, properties and assets of the Corporation shall be conveyed to the Unit or to another public body or not-for-profit entity as determined and approved by the Unit, to be used only for purposes approved by the Unit; it being intended that no officer or director of the Corporation or any other private person or entity shall ever derive or receive any financial or pecuniary gain or profit from the Corporation on dissolution, liquidation or winding up.

ARTICLE II

BOARD OF DIRECTORS

SECTION 2.01. Powers, Number And Term of Office.

a. The property and affairs of the Corporation shall be managed and controlled by the Board of Directors and, subject to the restrictions imposed by law, the Articles of Incorporation and these Bylaws, the Board of Directors shall exercise all of the powers of the Corporation.

b. The Board of Directors shall consist of each Mayor, or his designated representative; of each of those duly incorporated cities, towns and villages lying totally or partially within Fort Bend County, Texas, and the Commissioner of each Precinct on the Commissioners' Court of Fort Bend County, Texas. A director shall hold office for the term of the elected office which is the basis of his being a member of the Board of Directors, or until his successor is appointed.

c. 1. A director who is a Mayor, or his designated representative, may grant a proxy to any individual who is a citizen of the City from which he is elected or designated to represent him, in person, but not otherwise, at any meeting of the Board of Directors.

2. A director who is a Commissioner may grant a proxy to any individual who is a resident of the Precinct from which the Commissioner is elected to represent him, in person, but not otherwise, at any meeting of the Board of Directors.

SECTION 2.02. Meetings of Board of Directors. The Board of Directors may hold its meetings within Fort Bend County, Texas, or otherwise, as the Board of Directors may from time to time determine; provided, however, in the absence of any such determination by the Board of Directors, the meetings shall be held at the registered office of the Corporation.

SECTION 2.03. Annual Meetings. Annual Meetings of the Board of Directors shall be held on the fourth Thursday of April of each year at 7:30 p.m. at Commissioners' Court Chambers at the Fort Bend County Courthouse Annex, or at such time and place as shall be designated by resolution of the Board of Directors.

14

SECTION 2.04. Regular Meetings. Regular Meetings of the Board of Directors shall be held at such times and places as shall be designated, from time to time, by resolution of the Board of Directors.

SECTION 2.05. Special Meetings. Special Meetings of the Board of Directors shall be held whenever called by the president, by the secretary, or by a majority of the directors or upon advice of or request by the Unit.

SECTION 2.06. Notice to Public of Meetings. Public notice of all meetings of the Board of Directors shall be given by posting a written notice of the date, time, place, and subject of the meeting on a bulletin board located at a place convenient to the public in the Fort Bend County Courthouse at least seventy-two (72) hours preceding the scheduled time of the meeting. However, in the event of an emergency or urgent necessity, which shall be expressed in the notice, additional subjects may be added to the notice described above or notice of a meeting may be posted at any time at least two (2) hours preceding the scheduled time of the meeting.

SECTION 2.07. Quorum. A majority of the Board of Directors shall constitute a quorum for the consideration of matters pertaining to the purposes of the Corporation. The act of a majority of the directors present at a meeting at which a quorum is in attendance shall constitute the act of the Board of Directors, unless the act of a greater number is required by law or by these Bylaws.

SECTION 2.08. Conduct of Business. At the meetings of the Board of Directors, matters pertaining to the purposes of the Corporation shall be considered in such order as from time to time the Board of Directors may determine.

At all meetings of the Board of Directors, the president shall preside, and in the absence of the president, the vice president shall exercise the powers of the president.

The secretary of the Corporation shall act as secretary of all meetings of the Board of Directors, but in the absence of the secretary, the presiding officer may appoint any person to act as secretary of the meeting.

ARTICLE III

OFFICERS

SECTION 3.01. Titles and Terms of Office. The officers of the Corporation shall be a president, a vice president, a secretary and a treasurer and such other officers as the Board of Directors may from time to time elect or appoint. One person may not hold more than one office. The term of office of each officer shall commence with the Annual Meeting and, if not sooner terminated, conclude at the next Annual Meeting.

All officers shall be subject to removal from office, with or without cause, at any time by vote of a 4/5ths majority of the entire Board of Directors.

A vacancy in the office of any officer shall be filled by a vote of a majority of the directors.

All officers shall be members of the Board of Directors.

SECTION 3.02. Powers and Duties of the President. The president shall be a member of the Board of Directors of the Corporation; the president shall preside at all meetings of the Board of Directors; in furtherance of the purposes of this Corporation, he may sign and execute all contracts, conveyances, franchises, bonds, deeds, assignments, mortgages, notes and other instruments in the name of the Corporation.

SECTION 3.03. Vice President. The vice president shall be a member of the Board of Directors of the Corporation; the vice president shall have such powers and duties as may be assigned to him by the Board of Directors and shall exercise the powers of the president during that officer's absence or inability to act. Any action taken by the vice president in performance of the duties of the president shall be conclusive evidence of the absence or inability to act of the president at the time such action was taken.

SECTION 3.04. Treasurer. The treasurer shall have custody of all the funds and securities of the Corporation which come into his hands. When necessary or proper; he may endorse, on behalf of the Corporation, for collection, checks, notes and other obligations and shall deposit the same to the credit of the Corporation in such bank or banks or depositories as shall be designated in the manner prescribed by the Board of Directors;

he may sign all receipts and vouchers for payment made to the Corporation, either alone or jointly with such other officer as is designated by the Board of Directors; whenever required by the Board of Directors, he shall render a statement of his cash account; he shall enter or cause to be entered regularly in the books of the Corporation to be kept by him for that purpose full and accurate accounts of all monies received and paid out on account of the Corporation; he shall perform all acts incident to the position of treasurer subject to the control of the Board of Directors; he shall, if required by the Board of Directors, give such bond for the faithful discharge of his duties in such form and amount as the Board of Directors may require. All checks issued by the Corporation shall be signed by the treasurer and one other officer of the Board. All officers of the Board of Directors shall, if required by such Board, give such bonds for the faithful discharge of their duties in such form and amount as the Board of Directors may require.

SECTION 3.05. Secretary. The secretary shall keep the minutes of all meetings of the Board of Directors in books provided for that purpose; he shall attend to the giving and serving of all notices; in furtherance of the purposes of this Corporation, he may sign with the president in the name of the Corporation, and/or attest the signature thereto, all contracts, conveyances, franchises, bonds, deeds, assignments, mortgages, notes and other instruments of the Corporation; he shall have charge of the corporate books, records, documents and instruments, except the books of account and financial records and securities of which the treasurer shall have custody and charge, and such other books and papers as the Board of Directors may direct, all of which shall at all reasonable times be open to inspection upon application at the office of the Corporation during business hours, and he shall in general perform all duties incident to the office of secretary subject to the control of the Board of Directors.

ARTICLE IV

PROVISIONS REGARDING ARTICLES OF INCORPORATION AND BYLAWS

SECTION 4.01. Effective Date. These Bylaws shall become effective only upon the occurrence of the following events:

a. the adoption of these Bylaws by the Board of Directors; and

b. the approval of these Bylaws by the Unit.

14

SECTION 4.02. Amendments to Articles of Incorporation and Bylaws. The Articles of Incorporation may at any time and from time to time be amended, provided that the Board of Directors files with the Unit a written application requesting that the Unit approve such amendment to the Articles of Incorporation, specifying in such application the amendment or amendments proposed to be made. If the Unit by appropriate resolution finds and determines that it is advisable that the proposed amendment be made, authorizes the same to be made and approves the form of the proposed amendment, the Unit shall proceed to amend the Articles as provided in the Act.

These Bylaws may be amended by a two-third (2/3) majority vote of the Board of Directors.

SECTION 4.03. Interpretation of Bylaws. These Bylaws and all the terms and provisions hereof shall be liberally construed to effectuate the purposes set forth herein. If any word, phrase, clause, sentence, paragraph, section or other part of these Bylaws, or the application thereof to any person or circumstance, shall ever be held to be invalid or unconstitutional by any court of competent jurisdiction, the remainder of these Bylaws and the application of such word, phrase, clause, sentence, paragraph, section or other part of these Bylaws to any other person or circumstance shall not be affected thereby.

11

ARTICLE V

GENERAL PROVISIONS

SECTION 5.01. Principal Office. The principal office of the Corporation shall be located in Richmond, Texas.

The Corporation shall have and continuously maintain in the State of Texas (the "State") a registered office, and a registered agent whose business office is identical with such registered office, as required by the Act. The registered office may be, but need not be, identical with the principal office in the State, and the address of the registered office may be changed from time to time by the Board of Directors, pursuant to the requirements of the Act.

SECTION 5.02. Fiscal Year. The fiscal year of the Corporation shall be as determined by the Board of Directors.

SECTION 5.03. Seal. The seal of the Corporation shall be as determined by the Board of Directors.

14

SECTION 5.04. Notice and Waiver of Notice. Except as to the public notice of meetings required by Section 2.06 hereof, whenever any notice whatsoever is required to be given under the provisions of the Act, the Articles of Incorporation or these Bylaws, said notice shall be deemed to be sufficient if given by depositing the same in a post office box in a sealed postpaid wrapper addressed to the person entitled thereto at his post office address, as it appears on the books of the Corporation, and such notice shall be deemed to have been given on the day of such mailing. Attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called or convened. The business to be transacted or the purpose of any Regular or Special Meeting of the Board of Directors shall be specified in the notice or waiver of notice of such meeting, unless the Board of Directors specifically provides in writing to the contrary. A waiver of notice in writing, signed by the person or persons entitled to said notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

11

SECTION 5.05. Resignations. An officer may resign at any time. Such resignation shall be made in writing and shall take effect at the time specified therein, or, if no time be specified, at the time of its receipt by the president or secretary. The acceptance of a resignation shall not be necessary to make it effective, unless expressly so provided in the resignation.

SECTION 5.06. Approval or Advice and Consent of the Governing Body. To the extent that these Bylaws refer to any approval by the Unit or refer to advice and consent by the Unit, such advice and consent shall be evidenced by a certified copy of a resolution, ordinance or motion duly adopted by the Governing Body.

15 RE: APPROVE PERPETUAL BOND AND APPLICATONS FOR COLUMBIA COMMUNICATIONS CORP. FOR LAYING CABLE TO MISSION BEND SUBD.IN PREC. #4 AND TOWNEWEST SUBD.PRECINCT #3:

On Motion of Commissioner Tony Jebbia, seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved the perpetual bond and applications FOR Mission Bend Subdivison in Precinct #4 and Townewest Subdivision in Precinct #3, as follows:

PERPETUAL BOND COVERING ALL CABLE, CONDUIT AND/OR POLE LINE ACTIVITY IN, UNDER, ACROSS OR ALONG FORT BEND COUNTY ROADS

THE STATE OF TEXAS

COUNTY OF FORT BEND

KNOW ALL MEN BY THESE PRESENTS, that we Columbia Communications Corporation, as principal, and Reliance Insurance Company as surety, are held and firmly bound unto Fort Bend County, a body corporate and politic under the laws of the State of Texas, in the penal sum of One Hundred Fifty Thousand and No/100----- Dollars ($ 150,000.00), lawful currency of the United States of America, for the payment of which, well and truly to be made, we do hereby bind ourselves, our heirs, executors, administrators and successors, jointly and severally and firmly by these presents:

THE CONDITION OF THIS BOND IS SUCH THAT, WHEREAS, the above bounden principal contemplates laying, constructing, maintaining and/or repairing one or more cables, conduits and/or pole lines in, under, across and/or along roads, streets and highways in the County of Fort Bend, and the State of Texas, under the jurisdiction of the Commissioners Court of Fort Bend County, Texas, pursuant to the Commissioners Court order, regulating same, which Commissioners Court order is hereby referred to and made a part hereof for all purposes as though fully set out herein;

AND WHEREAS, the principal desires to provide Fort Bend County with a perpetual bond covering all such cable, conduit and/or pole line activity;

NOW, THEREFORE, if the above bounden principal shall faithfully perform all its cable, conduit and/or pole line activity (including, but not limited to, the laying, construction, maintainence and/or repair of cables, conduits and/or pole lines) in, under, across and/or along roads, streets and highways in the County of Fort Bend, and State of Texas, under the jurisdiction of the Commissioners Court of Fort Bend County, Texas, pursuant to and in accordance

15

with the minimum requirements and conditions of the above mentioned Commissioners Court order set forth and specified to be by said principal done and performed, at the time and in the manner therein specified, and shall pay over and make good and reimburse Fort Bend County, all loss and damages which Fort Bend County may sustain by reason of any failure or default on the part of said principal, then this obligation shall be null and void; otherwise to remain in full force and effect.

This bond is payable at the County Courthouse in the County of Fort Bend and State of Texas.

It is understood that at any time Fort Bend County deems itself insecure under this bond, it may require further and/or additional bonds of the principal.

EXECUTED this 11th day of February, 1980.

RELIANCE INSURANCE COMPANY

HEAD OFFICE, PHILADELPHIA, PENNSYLVANIA

POWER OF ATTORNEY

KNOW ALL MEN BY THESE PRESENTS, That the RELIANCE INSURANCE COMPANY, a corporation duly organized under the laws of the State of Pennsylvania, does hereby make, constitute and appoint Oved S. Essary, Don R. Hart, James D. MacWilliam, Roy S. Turkington, Marvin M. Durrenberger and Nancy Coile, individually, of Houston, Texas

its true and lawful Attorney-in-Fact, to make, execute, seal and deliver for and on its behalf, and as its act and deed any and all bonds and undertakings of Suretyship,

and to bind the RELIANCE INSURANCE COMPANY thereby as fully and to the same extent as if such bonds and undertakings and other writings obligatory in the nature thereof were signed by an Executive Officer of the RELIANCE INSURANCE COMPANY and sealed and attested by one other of such officers, and hereby ratifies and confirms all that its said Attorney(s)-in-Fact may do in pursuance hereof.

This Power of Attorney is granted under and by authority of Article VII of the By-Laws of RELIANCE INSURANCE COMPANY which became effective September 7, 1978, which provisions are now in full force and effect, reading as follows:

ARTICLE VII – EXECUTION OF BONDS AND UNDERTAKINGS

1. The Board of Directors, the President, the Chairman of the Board, any Senior Vice President, any Vice President or Assistant Vice President or other officer designated by the Board of Directors shall have power and authority to (a) appoint Attorneys-in-Fact and to authorize them to execute on behalf of the Company, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof, and (b) to remove any such Attorney-in-Fact at any time and revoke the power and authority given to him.

2. Attorneys-in-Fact shall have power and authority, subject to the terms and limitations of the power of attorney issued to them, to execute and deliver on behalf of the Company, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof. The corporate seal is not necessary for the validity of any bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof.

3. Attorneys-in-Fact shall have power and authority to execute affidavits required to be attached to bonds, recognizances, contracts of indemnity or other conditional or obligatory undertakings and they shall also have power and authority to certify the financial statement of the Company and to copies of the By-Laws of the Company or any article or section thereof.

This power of attorney is signed and sealed by facsimile under and by authority of the following Resolution adopted by the Board of Directors of RELIANCE INSURANCE COMPANY at a meeting held on the 5th day of June, 1979, at which a quorum was present, and said Resolution has not been amended or repealed:

"Resolved, that the signatures of such directors and officers and the seal of the Company may be affixed to any such power of attorney or any certificate relating thereto by facsimile, and any such power of attorney or certificate bearing such facsimile signatures or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by facsimile signatures and facsimile seal shall be valid and binding upon the Company in the future with respect to any bond or undertaking to which it is attached."

IN WITNESS WHEREOF, the RELIANCE INSURANCE COMPANY has caused these presents to be signed by its Asst. Vice President, and its corporate seal to be hereto affixed, this 20th day of September 1979.

BID TRAFFIC POSTS

Fort Bend County
Office of the County Judge
Judge Jodie E. Stavinoha
P. O. Box 1028
Rosenberg, Texas 77471

Gentlemen:

Southwestern Pipe, Inc. of Houston, Texas offers the following bids for traffic posts:

The traffic posts shall be ordered in the quantity of 1,221 posts in bundles of 37 posts each for one delivery. The posts shall be 2-3/8" outside diameter (2 inch nominal pipe size) with a wall thickness of .065 (which is 1.604 lbs. per foot). This is the same size used by the City of Houston and Harris County. Meets State of Texas requirements for wind load. We bid .68 per foot F.O.B. Rosenberg, Texas.

2-3/8" x .065 x 10' length = $6.80
11' length = $7.48
12' length = $8.16

11

If various lengths are ordered, they must be ordered in bundles of 37 posts.

Less than 1,221 posts ordered -- add a service charge of 10%.

You may order the traffic posts in a pre-punched eleven hole pattern which allows sign attachment with nuts, bolts and washers. This hole pattern fits all traffic sign hole specifications, saving on the cost of clamps and brackets. The cost of posts pre-punched would be .76 per foot. (SEE ATTACHED SPECIFICATIONS)

2-3/8" x .065 x 10' = $7.60
11' = $8.36
12' = $9.12

At the above price of .76 per foot, we will also furnish the traffic posts in "High Visibility Yellow" color coating, used by Houston and Harris County.

Thank you for the opportunity to bid.

Warmest regards,

SOUTHWESTERN PIPE, INC.
