(Recorded in the minutes in full)

APPLICATION FOR AND PERMIT
GRANTING PIPE LINE CROSSING

TO THE HONORABLE COMMISSIONERS'COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW BOSTON OIL LIMITED 1974, A LIMITED PARTNERSHIP, with an office at 501 Southwest Tower, Houston, Texas 77002, acting herein by and through its duly authorized representative, and hereby petitions your Honorable Court for the right to lay a pipe line under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judges' office and the Drainage District Engineers' office of Fort Bend County.

Petitioner agrees to bore under road crossings and to bury pipe line below grade and keep said pipe line in good condition at all times, and to case same in the places where required as indicated on the attached plats and that it will, at petitioners' expense, make changes in said pipe line and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or construction of public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners and its Engineer in the construction, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still on the

job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of laying, maintenance or operation of said pipe line.

The undersigned officer of said Company has full authority to bind said Company hereto.

EXECUTED in quadruplicate originals this 18th day of March, 1975.

RE: APPROVE RESOLUTION AUTHORIZING A PAVEMENT MARKING DEMONSTRATION PROJECT BETWEEN FORT BEND COUNTY AND THE TEXAS HIGHWAY DEPT.:

On Motion of Commissioner Paul R. Wenzel, Jr, seconded by Commissioner Ed. H. Helwig, Commissioner Johnnie Pustka, abstained, and duly passed, the court approved the resolution authorizing a pavement marking demonstration project between Fort Bend County and the Texas Highway Department, as follows:

STATE OF TEXAS

COUNTY OF FORT BEND

A RESOLUTION

Authorizing a Pavement Marking Demonstration Project Between Fort Bend County and the Texas Highway Department.

WHEREAS, the Texas Highway Department and the Governor's Office of Traffic Safety has requested the participation of Fort Bend County Commissioners Court to join in a program to promote better traffic safety on the county's roads, and;

WHEREAS, the Federal government has made funds available through the Federal Highway Administration to finance cooperative efforts between local and state governments for the purpose of developing and implementing projects which will aid in the better control of vehicular traffic on county roads, and;

WHEREAS, the Governor's Office of Traffic Safety, in conjunction with the Texas Highway Department has ascertained that there is a need to develop a demonstration program in the state in the area of pavement marking for traffic safety and control, and;

WHEREAS, the Commissioners Court of Fort Bend County is in agreement with the Governor's Office of Traffic Safety that development and implementation of a Pavement Marking Demonstration Program in the county would be beneficial and an improvement of the safety of county roads for its citizens through extensive striping, and;

WHEREAS, the Texas Highway Department agrees to finance a Pavement Marking Program for Fort Bend County from Federal Highway Administration funds received by the Governor's Office of Traffic Safety.

THEREFORE, be it resolved that the Commissioners Court of Fort Bend County agrees to join with the Texas Highway Department in developing and implementing a Pavement Marking Demonstration Program for the purpose of applying control safety striping on county roads.

Approved by vote on this 24th day of March, 1975.

RE: ENDORSE RESOLUTION ON STATE OFFICE BUILDING:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner J. M. Davis, and duly passed, the court authorized to endorse the resolution on State office building as follows:

RESOLUTIONS ON STATE OFFICE BUILDING

Fort Bend County does not have the facilities to adequately house representative of the Alcoholic Beverage Commission, Texas Parks and Wildlife, and the various functions of the Department of Public Safety. We are now in the process of attempting to find adequate space for our Courts and the other fast growing offices in Fort Bend County.

With the tremendous growth of the Fort Bend County Area, we feel it will be necessary for the State to provide office space here for the many agencies it has. Please be assured we will help any way possible to see a much needed State Office Building in this area.

Due to the limited space available we would endorse the building of a State Building in this county and will assist in finding land for the building

On Motion of Commissioner J. M. Davis, seconded by Commissioner Paul R. Wenzel, Jr., and duly passed, the court approved the contract for compiling a delinquent tax record, supplement for Fort Bend County, Texas; for the years 1972 to 1974, both inclusive, with C. R. Law Tax Records, Inc.

RE: DESIGNATION OF COUNTY DEPOSITORIES FIRST CONTRACTS FOR

CONTRACT FOR COMPILING A DELINQUENT TAX RECORD

SUPPLEMENT FOR FORT BEND COUNTY, TEXAS

THE STATE OF TEXAS
COUNTY OF FORT BEND } KNOW ALL MEN BY THESE PRESENTS:

WHEREAS, Article 7336f, Vernon's Revised Civil Statutes of Texas as amended HB 302 Acts of 62nd Legislature regular session 1971, requires that the Assessor-Collector of Taxes shall cause to be compiled a delinquent tax record; and,

WHEREAS, Article 7336f as amended HB 302 Acts of 62nd Legislature regular session 1971, further requires that the Assessor-Collector of Taxes shall cause to be prepared a two year supplement, or a recompilation, when as many as two years taxes have become delinquent which are not shown on the delinquent tax record of his county; and,

WHEREAS, the Assessor-Collector of Taxes for Fort Bend County, Texas deems it necessary and expedient to contract with a competent firm to compile said delinquent tax record supplement under his supervision; and,

WHEREAS, C. R. Law Tax Records, Inc., with its principal office in Austin, Travis County, Texas is engaged in and now does such work and represents that it is fully equipped, competent and capable of performing the above desired work and is willing and ready to perform said work in accordance with the provisions of law, rulings of the Comptroller of Public Accounts, Austin, Texas and suggestions of the Assessor-Collector of Taxes for Fort Bend County, Texas; and,

WHEREAS, after having made careful investigation of C. R. Law Tax Records, Inc. and after having considered the same, the Assessor-Collector of Taxes for Fort Bend County, Texas desires to enter into contract with the said C. R. Law Tax Records, Inc., for compiling a delinquent tax record supplement for the years 1972 to 1974, both inclusive.

NOW THEREFORE, this contract made and entered into by and between Betty J. Hanzelka Assessor-Collector of Taxes for Fort Bend County, Texas hereinafter called "Collector" and C. R. Law Tax Records, Inc., hereinafter called "Contractor."

WITNESSETH:

- 1 -

Collector agrees to employ and does hereby employ Contractor to compile a delinquent tax record supplement for Fort Bend County, Texas for the years 1972 to 1974, both inclusive, showing all the unredeemed, uncancelled delinquent taxes remaining charged on the official delinquent tax records and delinquent lists of Fort Bend County, Texas for said years.

-2-

The general arrangement and set up of the record shall be made as required by law, rulings of the Comptroller of Public Accounts, Austin, Texas and suggestions of Collector. The record shall be written on the paper and form prescribed by the Comptroller of Public Accounts. The record shall be bound as directed by Collector. The expense for binding the two copies of the record to be delivered to Fort Bend County shall be paid by Fort Bend County in addition to the compensation paid to Contractor for compiling the record.

-3-

Contractor shall compare the credits shown on the copy of the delinquent tax records and delinquent lists of Fort Bend County on file in the office of the Comptroller of Public Accounts, Austin, Texas with the credits shown on the original copy of said records in the office of Collector. Contractor shall report all errors in credits to Collector. Contractor shall also report any errors in description, or other discrepancies discovered during the compilation of the record to Collector.

-4-

Collector agrees and binds himself to give to Contractor full and complete cooperation during the progress of the work contemplated herein and to make available to Contractor such data and information concerning the records of his office as may be found necessary, and to allow Contractor full and free access to the records of the tax office.

-5-

Collector agrees to furnish contractor satisfactory space for the performance of that portion of the work contemplated under this contract which must be performed in the office of Collector.

-6-

This contract shall apply to and bind Collector and his successors in office and shall apply to and bind Contractor, its successors, assigns and legal representatives.

-7-

Collector agrees and binds himself and his successors in office to give expeditious attention to examination and approval of the record and to pay to Contractor upon completion, delivery and approval of the delinquent tax record supplement herein provided for and approval of the account for compiling the record the total sum for said record; to-wit: Twenty (20) cents per item or written line, including lines of footings and recapitulation, shown on the original copy of the record. Said payment to be made in the manner and as is provided by Article 7336f, Vernon's Revised Civil Statutes of Texas, as amended HB 302 Acts of 62nd Legislature Regular Session 1971.

-7a-

This contract includes the year 1974 for which taxes are not now delinquent. It is agreed and understood that the compilation will not be completed until after the 1974 taxes are reported delinquent as of June 30, 1975.

-8-

Contractor agrees and binds, itself that for and in consideration of the price stated herein to do, at its own proper cost and expense, all the work necessary, to furnish all the supplies, materials and equipment required to compile the delinquent tax record supplement for Fort Bend County, Texas for the years 1972 to 1974 both inclusive.

IN TESTIMONY WHEREOF, this contract is executed in QUADRUPLICATE ORIGINALS this the 7 day of April, A.D. 1975.

RE: ORDER APPROVING LIMITATION OF DRAINAGE EASEMENT:

On Motion of Commissioner J. M. Davis, seconded by Commissioner Johnnie Pustka, and duly passed, the court authorized to approve the limitation of Drainage Easement from the Fort Bend County Drainage District to Geo. G. Roane, et al, subject to approval by County Attorney, as follows:

LIMITATION OF DRAINAGE EASEMENT

THE STATE OF TEXAS X

COUNTY OF FORT BEND X

HERETOFORE the FORT BEND COUNTY DRAINAGE DISTRICT, a corporation created and existing by virtue of an act passed by the Texas Legislature, acquired a right of way and drainage easement from Peter Carr and wife, Annie B. Carr, dated 19 May, 1955, and recorded in Vol. 337, Page 61, et seq of Fort Bend County Deed Records (to which refer in aid hereof), across a tract of land situated in the David Bright League, Ab. 13, in Fort Bend County, Texas; and

WHEREAS, said land was acquired by Geo. G. Roane who in turn, conveyed a tract of about 2 acres off of the Easterly end of said Roane tract, and bordering on Oyster Creek, to his daughter, Barbara Roane Bleil; and said land owners contend that the said Peter Carr, at most, only had a life estate in said land, and that he died more than five years ago, and that the said Drainage District, in fact, does not have any easement at all; but on the other hand, said Fort Bend County Drainage District has cleaned out Oyster Creek, and has been, and is now operating the same as a natural drainage channel, and needs to and desires to retain its rights in so far as said drainage channel is concerned, and has agreed to execute a release unto the said Geo. G. Roane, (and his daughter, Barbara Roane Bleil), accordingly.

THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That in consideration of the premises, that the Fort Bend County Drainage District, acting by and through the County Judge and Commissioners Court of Fort Bend County, Texas, (as the lawful operators, and directors, of said Drainage District) have Bargained, Released and Conveyed, and by these presents, do hereby Bargain, Release and Convey unto the said Geo. G. Roane, and his daughter, Barbara Roane Bleil, (as their interest may appear therein), the aforementioned right of way and drainage easement, excepting that said Fort Bend County Drainage District Reserves and retains:

(a) The right to maintain and use the drainage channel, which is known as Oyster Creek, for all general drainage purposes; and,

RE: APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING TO SUGAR LAND TELEPHONE COMPANY - FLORENCE ROAD:

On Motion of Commissioner J. M. Davis, seconded by Commissioner Paul R. Wenzel, Jr., and duly passed, the court approved the Application for and Permit granting Telephone Cable Crossing to Sugar Land Telephone Company - Florence Road, as follows:

APPLICATION FOR AND PERMIT
GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW SUGAR LAND TELEPHONE COMPANY acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make changes in said cable and relocate same when ordered to do so by the County of its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioner's and its Engineer in the construction and installation, and to notify the County Commissioner in the Precincts, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still on the job for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

A Bond is required to be in force during the construction period and for one year thereafter to assure that the area is returned to and remains in its previously existing condition.

The undersigned officer of said Company has full authority to bind said Company hereto.

STATE OF TEXAS §
COUNTY OF Fort Bend §

COUNTY Fort Bend
PROJECT 8012-1-12
HIGHWAY US. 59
AGREEMENT NO.
H.L. & P. NO. 157
4-a328

This agreement entered into this 14th day of April 19 75, by and between Fort Bend County, Texas, acting by and through its duly authorized official under Commissioners' Court Order dated the 14th day of April 19 75 hereinafter called the County, and Houston Lighting & Power Company acting by and through its duly authorized representative, hereinafter called the Owner, witnesseth:

WHEREAS, the State of Texas, acting by and through the Texas Highway Department, hereinafter called the State, and the County have previous to this date entered into a contract agreeing that the State will reimburse the County 50% of the eligible cost of the adjustment, removal or relocation of certain utility facilities necessitated as a result of highway improvements on the subject project;

WHEREAS, the Owner, in an affidavit dated _____, 19 _____, has asserted an interest in certain lands and that this proposed highway improvement will necessitate the adjustment, removal or relocation of certain facilities of the Owner now located upon such lands as indicated in the following statement of work:

Install, remove or relocate distribution poles, guys, conductors and line equipment as required to provide clearance for highway construction.

WHEREAS, the County desires to accomplish the adjustment, removal or relocation of the Owner's utility facilities by entering into an agreement with the Owner;

NOW, THEREFORE, be it mutually agreed that this contract entered into this date between the parties hereto is intended to implement and effectuate the terms and provisions of that contract of February 12, 19 68, entered into between the State and the County, as it pertains to right of way utility adjustments and as it affects the utility facilities of the Owner.

Upon execution of this agreement by the parties hereto, and upon approval by the State of the Plans, Estimate of Costs, Affidavit of Property Ownership, and other instruments attached hereto, the County will, by written notice, to which shall be attached (1) a copy of the State's letter approving said attachments hereto and (2) a copy of the Commissioner's Court Order authorizing execution of this agreement, authorize the Owner to proceed with the necessary adjustment, removal or relocation; and the Owner agrees to prosecute such work diligently to completion in such manner as will not result in avoidable interference or delay in either the State's Highway construction or in said work.

The Owner will carry out said adjustments, removals or relocations in accordance with the plans attached hereto, and the costs paid by the County pursuant to this contract shall be full compensation to the Owner for the costs incurred in making said adjustments, removals, or relocations. Final bills for work hereunder shall be submitted to the County not later than ninety (90) days after completion of the work.

The County agrees to pay the Owner and the Owner agrees to accept the total actual, and related indirect, costs, provided, however, that the County shall in no event be liable under this agreement for more than $ 43,500.00 (hereinafter called the "ceiling cost"), as full reimbursement for work covered by this contract, said reimbursement in full to be forthcoming only after receipt of final billing and a certificate of the Texas Highway Department to the effect that such work has been fully accomplished. The County further agrees that if the final billing is accompanied by a letter from the District 12 or Houston Urban Project office (as appropriate) of the Texas Highway Department stating that the final billing has been examined by said office and is tentatively approved, subject to final approval by the Austin Office of the Texas Highway Department, then the County will, within 60 days of receipt of said final billing and letter, make payment to the Owner in the amount of 90% of the cost tentatively approved; provided, however, that said payment shall not exceed 90% of the ceiling cost. Owner's interests in the land within the right of way will be released by instruments to be executed and delivered in the form attached hereto and made a part hereof as Exhibits 1A, 1B, 1C, upon reimbursement by the County to the Owner of the full amount owed under this contract. The Owner shall have no obligation to execute any other form of instrument in connection with this contract.

The instruments attached to and made a part of this agreement are:

1. Copy of easement releases
2. Form D-15-U1 Affidavit of Ownership
3. Houston Lighting & Power Company Estimate No. 42560
4. Houston Lighting & Power Company Estimate No. 42560 Map
5.
6.
7.

It is expressly understood that this contract is subject to cancellation by the County at any time up to the date that work under this contract has been authorized and that such cancellation will not create any liability on the part of the County.

NOTES:

1. Material prices are based on latest available lists and will vary from time to time.

2. No plant betterment is involved since no improvement is made in the type of plant and no additional plant is added for growth.

3. Labor and transportation rates shown are those currently in effect. Final billing will be based on actual rates accumulated during the period of construction and actually charged to the job.

4. All work is to be done by Houston Lighting & Power Company forces except tree trimming. Tree trimming is done under an existing and continuing contract whereby there is developed the lowest available cost commensurate with the service required.

5. Houston Lighting & Power Company percentage of eligible reimbursement is shown in the estimate. Final billing will be on the basis of 96.1791% of the total actual cost of the job.

There came on to be considered the reconvening of a hearing on a petition for creation, establishment and organization of a levee improvement district to be known as Fort Bend County Levee Improvement District No. 4, of Fort Bend County, Texas. Whereupon, pursuant to a motion duly made, seconded and adopted, said Court passed and adopted the following order:

ORDER UPON HEARING OF PETITION TO CREATE FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 4; MAKING FINDINGS AND DETERMINATIONS IN CONNECTION THEREWITH; ESTABLISHING FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 4 AND DEFINING THE BOUNDARIES THEREOF; AND CONTAINING OTHER PROVISIONS RELATING TO THE SUBJECT

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

WHEREAS, on the 10th day of March, 1975, there was presented to the County Judge and Commissioners' Court of Fort Bend County, Texas, a petition (hereinafter sometimes referred to as the "Petition") requesting creation of a levee improvement district to be known as Fort Bend County Levee Improvement District No. 4, of Fort Bend County, Texas, under the authority of Article XVI, Section 59, Texas Constitution and Title 4, Chapter 57, Texas Water Code, as amended, a copy of which Petition is attached hereto as Exhibit "1" and made a part hereof for all purposes; and

WHEREAS, by Order duly adopted by the Court on the 10th day of March, 1975, a hearing before the Court on the Petition was set for 7:30 o'clock p.m. on the 7th day of April, 1975, such date being less than thirty (30) but more than fifteen (15) days from the date of presentation of the Petition and adoption of such Order setting hearing; and

WHEREAS, upon such hearing being convened there was presented proper proof and evidence that notice of such hearing had been posted and had been mailed to the Texas Water Development Board in accordance with the provisions of Chapter 57, Section 57.015, Texas Water Code, as amended; and

WHEREAS, the Court at such hearing invited any interested person, or his attorney, to appear and contend for or contest the creation of the district and to offer testimony pertinent to any items presented, and the Court heard evidence on the Petition and all issues with respect to the creation of the district, including evidence on whether the district and the proposed improvements are or are not necessary, would or would not be desirable, feasible, and practicable, would or would not be a public utility and a public benefit and conducive to public health, and whether or not the Petition has been signed by the owners of a majority of the acreage in the proposed district; and

WHEREAS, the proponents of the district, offered evidence, both oral and documentary, in favor of all of the foregoing matters and the allegations in the Petition and the creation of the district, and the opponents of the district appeared to contest creation of the district; and

WHEREAS, a representative of the Texas Water Development Board appeared at such hearing and filed a written report with this Court on the matters which have been investigated by such agency, including an examination of the proposed district and of the necessity, feasibility and probable costs of reclaiming the land of the district from overflow and of draining it properly and a determination of the costs of organizing the district and maintaining it for two years; and

WHEREAS, this Court, after conducting such hearing and having heard such evidence and testimony, adjourned the hearing to this the 21st day of April, 1975, at 11:00 o'clock a.m.; and

WHEREAS, such hearing has been properly reconvened and based upon the evidence and testimony presented this Court finds as follows:

(a) That the Petition is in proper form and has been properly executed by the owners of a majority of the acreage in the proposed district and is accompanied by a deposit of Fifty Dollars ($50.00) and has been properly presented to this Court;

(b) That the hearing upon such Petition has been properly called, held and conducted and that notice of such hearing has been posted and mailed to the Texas Water Development Board as required by law; and

(c) That this Court has jurisdiction to entertain such Petition and to hold and conduct hearings thereon and to enter upon the record and minutes of this Court its findings relative to such hearing under the provisions of Title 4, Chapter 57, Texas Water Code, as amended;

(d) That the allegations contained in such Petition are true and correct and the relief sought in such Petition should in all respects be granted; and

(e) That creation of the proposed district as prayed for in the Petition and that the proposed improvements are desirable, feasible, and practicable and are needed and would be conducive to public health and would be a public benefit and public utility; and

(f) That this meeting of the Commissioner's Court of Fort Bend County, Texas, is open to the public and that notice hereof has been given as required by law.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED by the Commissioner's Court of Fort Bend County, Texas:

Section 1: That the foregoing findings and judgments of this Court are hereby determined to be true, correct and complete and are hereby approved and adopted.

Section 2: That the Petition be and the same is hereby in all respects granted.

Section 3: That Fort Bend County Levee Improvement District No. 4, of Fort Bend County, Texas, is hereby created and established, and the boundaries of such district are hereby defined as containing 1243.117 acres out of the William Morton League, Abstract 62, Fort Bend County, Texas, as more particularly described by metes and bounds in Exhibit "A" to the Petition, which description is hereby incorporated by reference for all purposes as if set forth in full therein.

Section 4: That a copy of this Order and the findings and judgments of this Court relative to the hearing on the Petition to create Fort Bend County Levee Improvement District No. 4, of Fort Bend County, Texas, shall be recorded in the minutes of this Court and shall be recorded in the Deed Records of Fort Bend County, Texas.

EXHIBIT "1"

PETITION FOR CREATION, ORGANIZATION AND ESTABLISHMENT OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 4

PETITION FOR CREATION, ORGANIZATION AND ESTABLISHMENT OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 4

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

TO THE HONORABLE COUNTY JUDGE AND COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

The undersigned, the owners of a majority of the acreage in the territory hereinafter described (herein the "Petitioners"), acting pursuant to the provisions of Chapter 57, Texas Water Code, as amended, and in keeping with the provisions of Article XVI, Section 59, of the Constitution of Texas, respectfully petition for the organization of a levee improvement district and would show as follows:

I.

The name of the proposed levee improvement district shall be Fort Bend County Levee Improvement District No. 4 (herein the "District").

II.

The District shall contain an area of approximately 1243.117 acres of land situated wholly within Fort Bend County, Texas, described by metes and bounds in Exhibit "A" attached hereto and made a part hereof for all purposes.

III.

The District shall be organized for the following purposes:

1. to construct and maintain levees and other improvements on, along, and contiguous to rivers, creeks, and streams within and adjacent to the District;

2. to reclaim lands within the District from overflow from these streams;

3. to control and distribute the waters of rivers and streams within and adjacent to the District by straightening and otherwise improving them; and

4. to provide for the proper drainage and other improvement of the reclaimed land within the District;

all as contemplated by Chapter 57, Texas Water Code, as amended, and Article XVI, Section 59, of the Constitution of Texas.

IV.

The general nature of the work proposed to be done at this time by the District is the building, acquisition, construction, completion, carrying out, maintaining, protection, and, in case of necessity, the addition to and rebuilding of all works and improvements within the District necessary or proper to fully accomplish a reclamation plan for draining land, constructing levees on land, and reclaiming land of the District from overflow or damage by waters from streams inside or adjacent to the District which may affect land in the District and, where necessary, the straightening of streams which may injure the land of the District.

V.

There is a necessity for the organization of the District and the proposed improvements for the reason that the territory to be included in the District is being or will be developed

for residential, commercial, and/or industrial purposes, and the health and welfare of the present and future residents of the District and the protection of lands, property, residences, and commercial and industrial establishments within the District requires the construction of such proposed improvements.

VI.

The proposed improvements are feasible in that the necessary levees, bridges, drains, and other reclamation improvements can be acquired or constructed at reasonable costs, and taxes at reasonable rates can be levied within the District which will be sufficient to amortize all debt incurred by the District for the purpose of acquiring or constructing the needed improvements and to provide for the payment of all costs of proper maintenance, upkeep, and repair, and additions to the levees and other improvements in the District, and other costs or improvements authorized by Chapter 57, Texas Water Code, as amended.

VII.

The Petitioners propose that taxes to be levied by the District be levied on the benefit basis; provided, however, such proposal shall not be considered as limiting the authority of the Commissioners Court or the Board of Directors of the District from assessing, levying, and collecting taxes on the ad valorem basis, or a combination of ad valorem and benefit basis or in such other manner as may now or hereafter be authorized by law.

VIII.

The sum of Fifty Dollars ($50.00) has been deposited with the County Clerk of Fort Bend County as Ex Officio Clerk of the Commissioners Court to cover expenses incident to the hearing on this petition.

WHEREFORE, the undersigned respectfully pray: that this petition be properly filed as provided by law; that upon filing of this petition, the Honorable Commissioners Court of Fort Bend County, Texas, if it be in session, and if not, then the Honorable County Judge of Fort Bend County, Texas, order that a hearing be set on this petition before said Commissioners Court or County Judge during the period beginning with the fifteenth (15th) day and ending with the thirtieth (30th) day after the date of such order; that the County Clerk be ordered to issue notice informing all persons concerned of the time and place of such hearing and of their right to appear at the hearing and contend for or contest the creation of the District; that such notice be given and posted as required by law by posting notice of such hearing at the courthouse door and at four (4) different places inside the proposed District for at least ten (10) days before the date of the hearing; that the County Clerk be ordered to mail notice of the hearing to the Texas Water Development Board, Austin, Texas, stating that this petition has been filed and including a statement of its general purpose and the time and place of the hearing; that said hearing be held and conducted as required by law and, if upon such hearing it be found that this petition sets forth and conforms to the requirements of law and is signed by the

owners of a majority of the acreage in the proposed District, that notice of the hearing was given, that the proposed improvements are desirable, feasible, and practicable and would be a public utility and public benefit and conducive to public health, and that the District should be created, that the Commissioners Court so find and render its judgment reciting such findings and creating and establishing the District; that the Commissioners Court appoint three (3) persons to serve as directors of the District in the manner provided by law; and for such other proceedings and orders as are proper and necessary and appropriate to the organization of said District and to the execution of the purposes for which said District shall be organized.

RESPECTFULLY SUBMITTED this 21st day of February, 1975.

RE: ADOPT RESOLUTION ON MILLICAN LAKE PROJECT:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Johnnie Pustka and duly passed the court adopted the following resolution:

RESOLUTION ON MILLICAN LAKE PROJECT

The Fort Bend County Commissioners' Court has long felt that the proposed dams on the Navasota River would be of major benefit to the people of the entire Brazos River Basin below Waco. Flood Control is vital to our county since indications are that 39.6% of our area will be in the 100 year flood plain. This has and will be disastrous to the economy of Fort Bend County and also to surrounding counties that have the same problems. Millican Reservoir would contribute greatly to the reduction of flood potential and resulting damage.

Therefore we respectfully urge the appropration of the amount necessary to continue the planning and ultimate construction of Millican Reservoir . A major part of the estimated $74,000,000.00 damage due to the flood of record occurring again would be in Fort Bend County.

There will also be a need for water supplies in the Coastal areas, and with the serious land subsidence in various areas additional surface waters will be needed to meet the needs of this fast developing area.

Considering the above benefits we would ask Congress to appropriate the $810,000.00 the Corps of Engineers can effectively use to continue the planning on the Millican Project.

Respectfully Submitted

Beginning at the intersection of Zunker Road and Blaze Road within 3 feet of the west right-of-way line, thence proceeding in a southerly direction for a distance of 3700 feet, then east for a distance of 60 feet under Blaze Road to the east right-of-way line.

All cable shall be buried at a minimum of 24 inches, and road crossing shall be by bore method. RO 89334
Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make any changes in said cable and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners' and its Engineer in the construction and installation, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

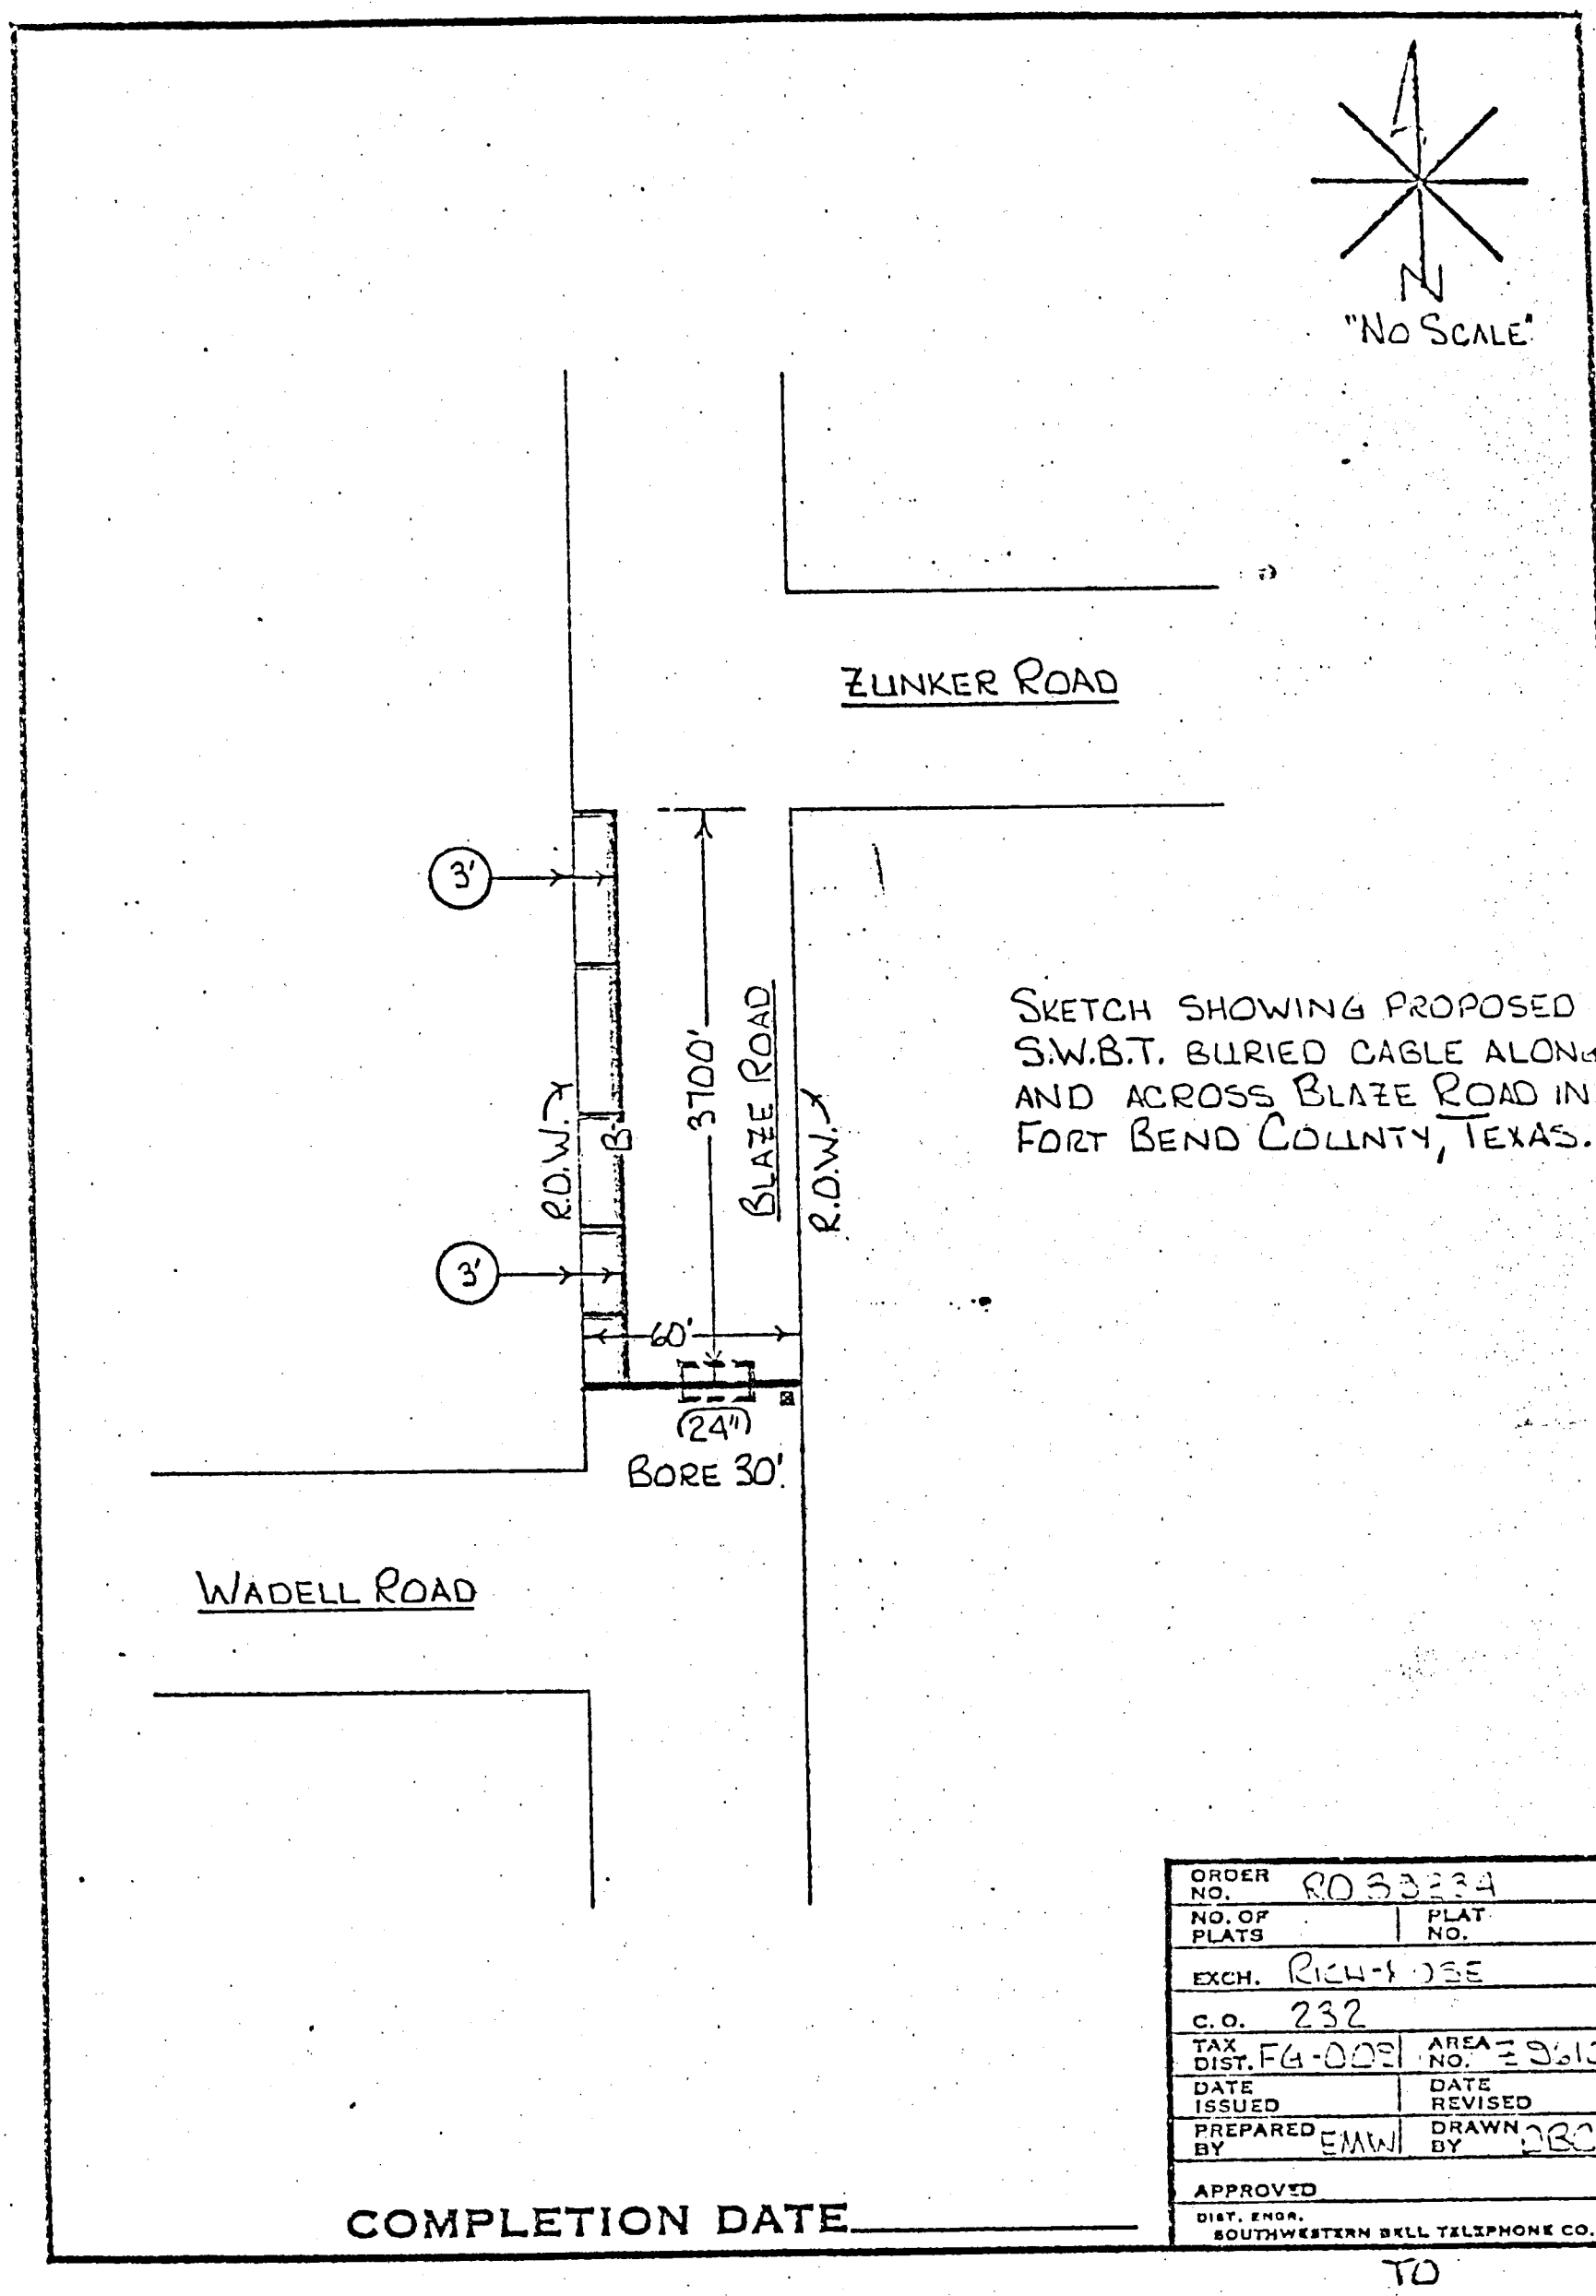

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 11th day of April 19 75.

PETITION FOR APPOINTMENT
OF DIRECTORS FOR
FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 2
OF FORT BEND COUNTY, TEXAS

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

TO THE HONORABLE COUNTY JUDGE AND COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

The undersigned, the owner of a majority of the acreage situated within Fort Bend County Levee Improvement District No. 2 of Fort Bend County, Texas (the "District") respectfully petitions the Honorable County Judge and Commissioners Court of Fort Bend County, Texas, to exercise the powers conferred by statute hereinafter cited and appoint Hugh L. Rouse, Logene L. Foster, and A. G. Starr as directors to constitute the Board of Directors of the District and would respectfully show the following:

I.

Fort Bend County Levee Improvement District No. 2 of Fort Bend County, Texas, was created on February 10, 1975 by Order of the Commissioners Court of Fort Bend County, Texas, acting under the authority of Article XVI, Section 59, Texas Constitution and Title 4, Chapter 57, Texas Water Code, as amended, a copy of which Order and the Minutes of Regular Meeting of February 10, 1975, Commissioners Court of Fort Bend County, Texas, are collectively attached hereto as Exhibit "A."

II.

Section 57.051 of the Texas Water Code provides as follows:

> The commissioners court which creates a levee improvement district under this chapter, by majority vote, shall appoint three directors for the district.

III.

ORDER UPON HEARING OF PETITION TO CREATE FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 2; MAKING FINDINGS AND DETERMINATIONS IN CONNECTION THEREWITH; ESTABLISHING FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 2 AND DEFINING THE BOUNDARIES THEREOF; AND CONTAINING OTHER PROVISIONS RELATING TO THE SUBJECT

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

WHEREAS, on the 11th day of November, 1974, there was presented to the County Judge and Commissioners' Court of Fort Bend County, Texas, a petition (hereinafter sometimes referred to as the "Petition") requesting creation of a levee improvement district to be known as Fort Bend County Levee Improvement District No. 2, of Fort Bend County, Texas, under the authority of Article XVI, Section 59, Texas Constitution and Title 4, Chapter 57, Texas Water Code, as amended, a copy of which Petition is attached hereto as Exhibit "1" and made a part hereof for all purposes; and

WHEREAS, by Order duly adopted by the Court on the 11th day of November, 1974, a hearing before the Court on the Petition was set for 7:00 o'clock p.m. on the 9th day of December, 1974, such date being less than thirty (30) but more than fifteen (15) days from the date of presentation of the Petition and adoption of such Order setting hearing; and

WHEREAS, upon such hearing being convened there was presented proper proof and evidence that notice of such hearing had been posted and had been mailed to the Texas Water Development Board in accordance with the provisions of Chapter 57, Section 57.015, Texas Water Code, as amended, and such hearing was thereupon duly adjourned to 7:00 p.m. on the 16th day of December, 1974; and

WHEREAS, the Court at such reconvened hearing invited any interested person, or his attorney, to appear and contend for or contest the creation of the district and to offer testimony pertinent to any items presented, and the Court heard evidence on the Petition and all issues with respect to the creation of the district, including evidence on whether the district and the proposed improvements are or are not necessary, would or would not be desirable, feasible, and practicable, would or would not be a public utility and a public benefit and conducive to public health, and whether or not the Petition has been signed by the owners of a majority of the acreage in the proposed district; and

WHEREAS, the proponents of the district, offered evidence, both oral and documentary, in favor of all of the foregoing matters and the allegations in the Petition and the creation of the district, and the opponents of the district appeared to contest creation of the district; and

WHEREAS, a representative of the Texas Water Development Board appeared at such hearing and filed a written report with this Court on the matters which have been investigated by such agency, including an examination of the proposed district and of the necessity, feasibility and probable costs of reclaiming the land of the district from overflow and of draining it properly and a determination of the costs of organizing the district and maintaining it for two years; and

WHEREAS, this Court, after conducting such hearing and having heard such evidence and testimony, adjourned the hearing from time to time until this the 10th day of February, 1975, at 10:00 o'clock a.m.; and

WHEREAS, such hearing has been properly reconvened and based upon the evidence and testimony presented this Court finds as follows:

(a) That the Petition is in proper form and has been properly executed by the owners of a majority of the acreage in the proposed district and is accompanied by a deposit of Fifty Dollars ($50.00) and has been properly presented to this Court;

(b) That the hearing upon such Petition has been properly called, held and conducted and that notice of such hearing has been posted and mailed to the Texas Water Development Board as required by law; and

(c) That this Court has jurisdiction to entertain such Petition and to hold and conduct hearings thereon and to enter upon the record and minutes of this Court its findings relative to such hearing under the provisions of Title 4, Chapter 57, Texas Water Code, as amended;

(d) That the allegations contained in such Petition are true and correct and the relief sought in such Petition should in all respects be granted; and

(e) That creation of the proposed district as prayed for in the Petition and that the proposed improvements are desirable, feasible, and practicable and are needed and would be conducive to public health and would be a public benefit and public utility; and

(f) That this meeting of the Commissioner's Court of Fort Bend County, Texas, is open to the public and that notice hereof has been given as required by law.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED by the Commissioner's Court of Fort Bend County, Texas:

Section 1: That the foregoing findings and judgments of this Court are hereby determined to be true, correct and complete and are hereby approved and adopted.

Section 2: That the Petition be and the same is hereby in all respects granted.

Section 3: That Fort Bend County Levee Improvement District No. 2, of Fort Bend County, Texas, is hereby created and established, and the boundaries of such district are hereby defined as containing 5313 acres of land more or less out of the Alexander Hodge League, Abstract 32, the S. M. Williams League, Abstract 47, the Elijah Alcorn League, Abstract 1, the Brown and Belknap League, Abstract 15, and the William Stafford League, Abstract 89, Fort Bend County, Texas, as more particularly described by metes and bounds in Exhibit "A" to the Petition, which description is hereby incorporated by reference for all purposes as if set forth in full herein.

Section 4: That a copy of this Order and the findings and judgments of this Court relative to the hearing on the Petition to create Fort Bend County Levee Improvement District No. 2, of Fort Bend County, Texas, shall be recorded in the minutes of this Court and shall be recorded in the Deed Records of Fort Bend County, Texas.

PETITION FOR CREATION, ORGANIZATION AND ESTABLISHMENT OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 2

PETITION FOR CREATION, ORGANIZATION AND ESTABLISHMENT OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 2

THE STATE OF TEXAS §
§
COUNTY OF FORT BEND §

TO THE HONORABLE COUNTY JUDGE AND COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

The undersigned, the owners of a majority of the acreage in the territory hereinafter described (herein the "Petitioners"), acting pursuant to the provisions of Chapter 57, Texas Water Code, as amended, and in keeping with the provisions of Article XVI, Section 59, of the Constitution of Texas, respectfully petition for the organization of a levee improvement district and would show as follows:

I.

The name of the proposed levee improvement district shall be Fort Bend County Levee Improvement District No. 2 (herein the "District").

II.

The District shall contain an area of approximately 5313 acres of land situated wholly within Fort Bend County, Texas, described by metes and bounds in Exhibit "A" attached hereto and made a part hereof for all purposes.

III.

The District shall be organized for the following purposes:

1. to construct and maintain levees and other improvements on, along, and contiguous to rivers, creeks, and streams within and adjacent to the District;

2. to reclaim lands within the District from overflow from these streams;

3. to control and distribute the waters of rivers and streams within and adjacent to the District by straightening and otherwise improving them; and

4. to provide for the proper drainage and other improvement of the reclaimed land within the District;

all as contemplated by Chapter 57, Texas Water Code, as amended, and Article XVI, Section 59, of the Constitution of Texas.

IV.

The general nature of the work proposed to be done at this time by the District is the building, acquisition, construction, completion, carrying out, maintaining, protection, and, in case of necessity, the addition to and rebuilding of all works and improvements within the District necessary or proper to fully accomplish a reclamation plan for draining land, constructing levees on land, and reclaiming land of the District from overflow or damage by waters from streams inside or adjacent to the District which may affect land in the District and, where necessary, the straightening of streams which may injure the land of the District.

V.

There is a necessity for the organization of the District and the proposed improvements for the reason that the territory to be included in the District is being or will be developed for residential, commercial, and/or industrial purposes, and the health and welfare of the present and future residents of the District and the protection of lands, property, residences, and commercial and industrial establishments within the District requires the construction of such proposed improvements.

VI.

The proposed improvements are feasible in that the necessary levees, bridges, drains, and other reclamation improvements can be acquired or constructed at reasonable costs, and taxes at reasonable rates can be levied within the District which will be sufficient to amortize all debt incurred by the District for the purpose of acquiring or constructing the needed improvements and to provide for the payment of all costs of proper maintenance, upkeep, and repair, and additions to the levees and other improvements in the District, and other costs or improvements authorized by Chapter 57, Texas Water Code, as amended.

VII.

The Petitioners propose that taxes to be levied by the District be levied on the benefit basis; provided, however, such proposal shall not be considered as limiting the authority of the Commissioners Court or the Board of Directors of the District from assessing, levying, and collecting taxes on the ad valorem basis, or a combination of ad valorem and benefit basis or in such other manner as may now or hereafter be authorized by law.

VIII.

The sum of Fifty Dollars ($50) has been deposited with the County Clerk of Fort Bend County as Ex Officio Clerk of the Commissioners Court to cover expenses incident to the hearing on this petition.

WHEREFORE, the undersigned respectfully pray: that this petition be properly filed as provided by law; that upon filing of this petition, the Honorable Commissioners Court

of Fort Bend County, Texas, if it be in session, and if not, then the Honorable County Judge of Fort Bend County, Texas, order that a hearing be set on this petition before said Commissioners Court or County Judge during the period beginning with the fifteenth (15th) day and ending with the thirtieth (30th) day after the date of such order; that the County Clerk be ordered to issue notice informing all persons concerned of the time and place of such hearing and of their right to appear at the hearing and contend for or contest the creation of the District; that such notice be given and posted as required by law by posting notice of such hearing at the courthouse door and at four (4) different places inside the proposed District for at least ten (10) days before the date of the hearing; that the County Clerk be ordered to mail notice of the hearing to the Texas Water Development Board, Austin, Texas, stating that this petition has been filed and including a statement of its general purpose and the time and place of the hearing; that said hearing be held and conducted as required by law and, if upon such hearing it be found that this petition sets forth and conforms to the requirements of law and is signed by the owners of a majority of the acreage in the proposed District, that notice of the hearing was given, that the proposed improvements are desirable, feasible, and practicable and would be a public utility and public benefit and conducive to public health, and that the District should be created, that the Commissioners Court so find and render its judgment reciting such findings and creating and establishing the District; that the Commissioners Court appoint three (3) persons to serve as directors of the

District in the manner provided by law; and for such other proceedings and orders as are proper and necessary and appropriate to the organization of said District and to the execution of the purposes for which said District shall be organized.

WHEREAS, on the 11th day of November, 1974, there was presented to the County Judge and Commissioners' Court of Fort Bend County, Texas, a petition (hereinafter sometimes referred to as the "Petition") requesting creation of a levee improvement district to be known as Fort Bend County Levee Improvement District No. 2, of Fort Bend County, Texas, under the authority of Article XVI, Section 59, Texas Constitution and Title 4, Chapter 57, Texas Water Code, as amended, a copy of which Petition is attached hereto as Exhibit "1" and made a part hereof for all purposes; and

WHEREAS, by Order duly adopted by the Court on the 11th day of November, 1974, a hearing before the Court on the Petition was set for 7:00 o'clock p.m. on the 9th day of December, 1974, such date being less than thirty (30) but more than fifteen (15) days from the date of presentation of the Petition and adoption of such Order setting hearing; and

WHEREAS, upon such hearing being convened there was presented proper proof and evidence that notice of such hearing had been posted and had been mailed to the Texas Water Development Board in accordance with the provisions of Chapter 57, Section 57.015, Texas Water Code, as amended, and such hearing was thereupon duly adjourned to 7:00 p.m. on the 16th day of December, 1974; and

WHEREAS, the Court at such reconvened hearing invited any interested person, or his attorney, to appear and contend for or contest the creation of the district and to offer testimony pertinent to any items presented, and the Court heard evidence on the Petition and all issues with respect to the creation of the district, including evidence on whether the district and the proposed improvements are or are not necessary, would or would not be desirable, feasible, and practicable, would or would not be a public utility and a public benefit and conducive to public health, and whether or not the Petition has been signed by the owners of a majority of the acreage in the proposed district; and

WHEREAS, the proponents of the district, offered evi-

7 dence, both oral and documentary, in favor of all of the foregoing matters and the allegations in the Petition and the creation of the district, and the opponents of the district appeared to contest creation of the district; and

WHEREAS, a representative of the Texas Water Development Board appeared at such hearing and filed a written report with this Court on the matters which have been investigated by such agency, including an examination of the proposed district and of the necessity, feasibility and probable costs of reclaiming the land of the district from overflow and of draining it properly and a determination of the costs of organizing the district and maintaining it for two years; and

WHEREAS, this Court, after conducting such hearing and having heard such evidence and testimony, adjourned the hearing from time to time until this the 10th day of Februar., 1975, at 10:00 o'clock a.m.; and

WHEREAS, such hearing has been properly reconvened and based upon the evidence and testimony presented this Court finds as follows:

(a) That the Petition is in proper form and has been properly executed by the owners of a majority of the acreage in the proposed district and is accompanied by a deposit of Fifty Dollars ($50.00) and has been properly presented to this Court;

(b) That the hearing upon such Petition has been properly called, held and conducted and that notice of such hearing has been posted and mailed to the Texas Water Development Board as required by law; and

(c) That this Court has jurisdiction to entertain such Petition and to hold and conduct hearings thereon and to enter upon the record and minutes of this Court its findings relative to such hearing under the provisions of Title 4, Chapter 57, Texas Water Code, as amended;

(d) That the allegations contained in such Petition are true and correct and the relief sought in such Petition should in all respects be granted; and

(e) That creation of the proposed district as prayed for in the Petition and that the proposed improvements are desirable, feasible, and practicable and are needed and would be conducive to public health and would be a public benefit and public utility; and

(f) That this meeting of the Commissioner's Court of Fort Bend County, Texas, is open to the public and that notice hereof has been given as required by law.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED by the Commissioner's Court of Fort Bend County, Texas:

Section 1: That the foregoing findings and judgments of this Court are hereby determined to be true, correct and complete and are hereby approved and adopted.

Section 2: That the Petition be and the same is hereby in all respects granted.

Section 3: That Fort Bend County Levee Improvement District No. 2, of Fort Bend County, Texas, is hereby created and established, and the boundaries of such district are hereby defined as containing 5313 acres of land more or less out of the Alexander Hodge League, Abstract 32, the S. M. Williams League, Abstract 47, the Elijah Alcorn League, Abstract 1, the Brown and Belknap League, Abstract 15, and the William Stafford League, Abstract 89, Fort Bend County, Texas, as more particularly described by metes and bounds in Exhibit "A" to the Petition, which description is hereby incorporated by reference for all purposes as if set forth in full herein.

Section 4: That a copy of this Order and the findings and judgments of this Court relative to the hearing on the Petition to create Fort Bend County Levee Improvement District No. 2, of Fort Bend County, Texas, shall be recorded in the minutes of this Court and shall be recorded in the Deed Records of Fort Bend County, Texas.

PETITION FOR CREATION, ORGANIZATION AND ESTABLISHMENT OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 2

PETITION FOR CREATION, ORGANIZATION AND ESTABLISHMENT OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 2

THE STATE OF TEXAS §
§
COUNTY OF FORT BEND §

TO THE HONORABLE COUNTY JUDGE AND COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

The undersigned, the owners of a majority of the acreage in the territory hereinafter described (herein the "Petitioners"), acting pursuant to the provisions of Chapter 57, Texas Water Code, as amended, and in keeping with the provisions of Article XVI, Section 59, of the Constitution of Texas, respectfully petition for the organization of a levee improvement district and would show as follows:

I.

The name of the proposed levee improvement district shall be Fort Bend County Levee Improvement District No. 2 (herein the "District").

II.

The District shall contain an area of approximately 5313 acres of land situated wholly within Fort Bend County, Texas, described by metes and bounds in Exhibit "A" attached hereto and made a part hereof for all purposes.

III.

The District shall be organized for the following purposes:

1. to construct and maintain levees and other improvements on, along, and contiguous to rivers, creeks, and streams within and adjacent to the District;

2. to reclaim lands within the District from overflow from these streams;

3. to control and distribute the waters of rivers and streams within and adjacent to the District by straightening and otherwise improving them; and

4. to provide for the proper drainage and other improvement of the reclaimed land within the District;

all as contemplated by Chapter 57, Texas Water Code, as amended, and Article XVI, Section 59, of the Constitution of Texas.

IV.

The general nature of the work proposed to be done at this time by the District is the building, acquisition, construction, completion, carrying out, maintaining, protection, and, in case of necessity, the addition to and rebuilding of all works and improvements within the District necessary or proper to fully accomplish a reclamation plan for draining land, constructing levees on land, and reclaiming land of the District from overflow or damage by waters from streams inside or adjacent to the District which may affect land in the District and, where necessary, the straightening of streams which may injure the land of the District.

V.

There is a necessity for the organization of the District and the proposed improvements for the reason that the territory to be included in the District is being or will be developed for residential, commercial, and/or industrial purposes, and the health and welfare of the present and future residents of the District and the protection of lands, property, residences, and commercial and industrial establishments within the District requires the construction of such proposed improvements.

VI.

The proposed improvements are feasible in that the necessary levees, bridges, drains, and other reclamation improvements can be acquired or constructed at reasonable costs, and taxes at reasonable rates can be levied within the District which will be sufficient to amortize all debt incurred by the District for the purpose of acquiring or constructing the needed improvements and to provide for the payment of all costs of proper maintenance, upkeep, and repair, and additions to the levees and other improvements in the District, and other costs or improvements authorized by Chapter 57, Texas Water Code, as amended.

VII.

The Petitioners propose that taxes to be levied by the District be levied on the benefit basis; provided, however, such proposal shall not be considered as limiting the authority of the Commissioners Court or the Board of Directors of the District from assessing, levying, and collecting taxes on the ad valorem basis, or a combination of ad valorem and benefit basis or in such other manner as may now or hereafter be authorized by law.

VIII.

The sum of Fifty Dollars ($50) has been deposited with the County Clerk of Fort Bend County as Ex Officio Clerk of the Commissioners Court to cover expenses incident to the hearing on this petition.

WHEREFORE, the undersigned respectfully pray: that this petition be properly filed as provided by law; that upon filing of this petition, the Honorable Commissioners Court

of Fort Bend County, Texas, if it be in session, and if not, then the Honorable County Judge of Fort Bend County, Texas, order that a hearing be set on this petition before said Commissioners Court or County Judge during the period beginning with the fifteenth (15th) day and ending with the thirtieth (30th) day after the date of such order; that the County Clerk be ordered to issue notice informing all persons concerned of the time and place of such hearing and of their right to appear at the hearing and contend for or contest the creation of the District; that such notice be given and posted as required by law by posting notice of such hearing at the courthouse door and at four (4) different places inside the proposed District for at least ten (10) days before the date of the hearing; that the County Clerk be ordered to mail notice of the hearing to the Texas Water Development Board, Austin, Texas, stating that this petition has been filed and including a statement of its general purpose and the time and place of the hearing; that said hearing be held and conducted as required by law and, if upon such hearing it be found that this petition sets forth and conforms to the requirements of law and is signed by the owners of a majority of the acreage in the proposed District, that notice of the hearing was given, that the proposed improvements are desirable, feasible, and practicable and would be a public utility and public benefit and conducive to public health, and that the District should be created, that the Commissioners Court so find and render its judgment reciting such findings and creating and establishing the District; that the Commissioners Court appoint three (3) persons to serve as directors of the

District in the manner provided by law; and for such other proceedings and orders as are proper and necessary and appropriate to the organization of said District and to the execution of the purposes for which said District shall be organized.

RESPECTFULLY SUBMITTED this 17th day of July, 1974.

APPLICATION FOR AND PERMIT
GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW FORT BEND TELEPHONE COMPANY acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make changes in said cable and relocate same when ordered to do so by the County of its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioner's and its Engineer in the construction and installation, and to notify the County Commissioner in the Precincts, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still available for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising

out of the laying, maintenance or operation of said cable.

A Bond is required to be in force during the construction period and for one year thereafter to assure that the area is returned to and remains in its previously existing condition.

The undersigned officer of said Company has full authority to bind said Company hereto.

RE: APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING TO FORT BEND TELEPHONE COMPANY - BAREK ROAD - JOHN MILLER ROAD - FOSTER SCHOOL ROAD:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Johnnie Pustka, and duly passed, the court approved the Application for and Permit granting telephone cable crossing to Fort Bend Telephone Company on Barek Road, John Miller Road and Foster School Road as follows:

APPLICATION FOR AND PERMIT
GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW FORT BEND TELEPHONE COMPANY acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make changes in said cable and relocate same when ordered to do so by the County of its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioner's and its Engineer in the construction and installation, and to notify the County Commissioner in the Precincts, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still available for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

A Bond is required to be in force during the construction period and for one year thereafter to assure that the area is returned to and remains in its previously existing condition.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate orginals this 27th day of May 1975

COMES NOW United Salt Corporation

acting herein by and through its duly authorized representative, and hereby petitions your Honorable Court for the right to lay a pipe line along and within the right-of-way of Blue Ridge Road and also under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judges' office and the Drainage District Engineers' office of Fort Bend County.

Petitioner agrees to bury 2" PVC force main for domestic sewage below grade and keep said pipe line in good condition at all times, and to case same in the places where required as indicated on the attached plats and that it will, at petitioners' expense, make changes in said pipe line and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or construction of public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners and its Engineer in the construction, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of laying, maintenance or operation of said pipe line.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 22 day of May 19 75.

AUDITORS' REPORT

Honorable Josh Gates, County Judge,
and Members of the Commissioners'
Court of Fort Bend County, Texas:

We have examined the statement of cash receipts and disbursements of the Revenue Sharing Trust Fund of Fort Bend County, Texas for the year ended December 31, 1974. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures, including those prescribed in the "Audit Guide and Standards for Revenue Sharing Recipients" (the "Guide") issued by the Office of Revenue Sharing, U. S. Department of the Treasury, as we considered necessary in the circumstances.

In our opinion, the accompanying statement presents fairly the cash receipts and disbursements of the Revenue Sharing Trust Fund of Fort Bend County, Texas for the year ended December 31, 1974.

In the course of our examination, nothing came to our attention which causes us to believe that there has been any lack of compliance with the requirements as set forth in Section V. D. of the Guide. We have, however, not been furnished certain payroll information from a company constructing two projects being financed with monies in the Revenue Sharing Trust Fund and are, therefore, unable to ascertain if wages paid by the company on these projects are in compliance with certain standards described in Section V. D. of the Guide.

The accompanying supplemental schedule of data submitted to the Bureau of the Census for the year ended December 31, 1972 is not necessary for a fair presentation of the financial statement. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statement mentioned above and, in our opinion, is fairly stated in all material respects in relation to the financial statement taken as a whole.

FORT BEND COUNTY, TEXAS

REVENUE SHARING TRUST FUND
NOTES TO STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS
FOR THE YEAR ENDED DECEMBER 31, 1974

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounts of Fort Bend County, Texas (the "County") are maintained and the accompanying statement has been prepared on the cash basis.

Temporary Cash Investments

Temporary cash investments are stated at cost.

2. PURPOSE

The Revenue Sharing Trust Fund is used to account for funds the County receives from the U. S. Department of the Treasury under Title I of the State and Local Fiscal Assistance Act of 1972 (Public Law 92-512). This Act provides for payments to be made to the County from seven entitlements during the period January 1, 1972 to December 31, 1976. The County is required by the Act to use these funds generally within 24 months from the end of the entitlement period during which they were received and only for eight specified categories of maintenance and operating activities, capital outlays without regard to category, and debt retirement within certain limitations.

3. TEMPORARY CASH INVESTMENTS

At December 31, 1974 temporary cash investments of the Revenue Sharing Trust Fund consist of:

	Maturity Value	Cost
U. S. Treasury bills, due January 16, 1975	$360,000	$357,237
10% Certificate of deposit, due January 14, 1975	100,000	100,000
Total	$460,000	$457,237

AUDITORS' OPINION

Honorable Josh Gates, County Judge,
And Members of the Commissioners'
Court of Fort Bend County, Texas:

We have examined the statements of cash receipts and disbursements of the various funds of Fort Bend County, Texas (Exhibits I through IX) and of Fort Bend County Drainage District (Exhibits X and XI) for the year ended December 31, 1974. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements present fairly the cash receipts and disbursements of the various funds of Fort Bend County, Texas and of Fort Bend County Drainage District for the year ended December 31, 1974.

FORT BEND COUNTY, TEXAS

NOTES TO STATEMENTS OF CASH RECEIPTS AND DISBURSEMENTS FOR THE YEAR ENDED DECEMBER 31, 1974

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by Fort Bend County, Texas (the "County") are as follows:

Basis of Accounting

The accounts of the County are maintained and the accompanying statements have been prepared on the cash basis.

Ad Valorem Tax Collections

For budgetary control purposes ad valorem taxes collected during the last quarter of the year are not made available for expenditure until the following year. Such collections are held in the Tax Collector's Fund until January of the following year when they are distributed to appropriate County and Fort Bend County Drainage District (the "District") funds.

Temporary Cash Investments

Temporary cash investments are stated at cost.

2. RETIREMENT PLAN

All officials and full-time employees of the County are members of the Texas County and District Retirement System, under which the member and the County each contribute an amount equal to 7% of the member's earnings. Total expenditures for the year for contributions to the System from various funds of the County were as follows: General Fund, $15,989; Jury Fund, $224; Road and Bridge Fund, $44,284; Officers' Salary Fund, $37,207; Library Fund, $3,990; and Revenue Sharing Trust Fund, $1,337. These amounts include amortization of prior service cost over an 11 year period. The County's policy is to fund all retirement plan costs as they accrue.

Based on the latest actuarial valuation, which was made as of December 31, 1973, the excess of the actuarially computed value of vested benefits over the total of the retirement plan fund for both County and District employees, who are considered as one group for this purpose, was about $410,000.

(Continued) - 1.

3. TEMPORARY CASH INVESTMENTS

At December 31, 1974 temporary cash investments of the various funds consist of:

	Maturity Value	Cost
General Fund - U. S. Treasury bill, due January 16, 1975	$200,000	$199,220

	Total long-term debt					$150,000

In February 1974 the Commissioners' Court approved an order authorizing the issuance of $300,000 of Certificates of Obligation, Series 1974. The proceeds of this issue were to be used for the improvement of lands, buildings, or historically significant objects for park purposes. In October 1974 the Commissioners' Court rescinded this order and the related projects were funded from current revenues.

FORT BEND COUNTY DRAINAGE DISTRICT

NOTES TO STATEMENTS OF CASH RECEIPTS AND DISBURSEMENTS FOR THE YEAR ENDED DECEMBER 31, 1974

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by Fort Bend County Drainage District (the "District") are as follows:

Basis of Accounting

The accounts of the District are maintained and the accompanying statements have been prepared on the cash basis.

Ad Valorem Tax Collections

For budgetary control purposes ad valorem taxes collected during the last quarter of the year are not made available for expenditure until the following year. Such collections are held in the Fort Bend County, Texas (the "County") Tax Collector's Fund until January of the following year when they are distributed to appropriate County and District funds.

7

Temporary Cash Investments

Temporary cash investments are stated at cost.

2. GENERAL

Fort Bend County Drainage District was created in 1949 by the Texas Legislature "for the purpose of reclamation and drainage of its overflowed lands and other lands needing drainage." The boundaries of the District are the same as those of the County, and the Commissioners' Court of the County is the governing body and the agency through which the management and control of the District is administered.

3. RETIREMENT PLAN

All officials and full-time employees of the District are members of the Texas County and District Retirement System, under which the member and the District each contribute an amount equal to 7% of the member's earnings. Total expenditures for the year for contributions to the System from the Maintenance Available Fund were $16,282, which includes amortization of prior service cost over an 11 year period. The District's policy is to fund all retirement plan costs as they accrue. Information as to the excess, if any, of the actuarially computed value of vested benefits over the total of the retirement plan fund is not available.

(Continued) - 1.

4. TEMPORARY CASH INVESTMENTS

At December 31, 1974 temporary cash investments of the two funds consist of:

KNOW ALL MEN BY THESE PRESENTS:

That we, FRANK L. BARAK and wife, VERNA BARAK, of Fort Bend County, Texas, (herein called "Grantor") does hereby dedicate, grant and convey unto the Public, as an easement for roadway purposes, only, the free and uninterrupted use, privilege and right of passage, for vehicular and other traffic, in and along the following described tract of land in Fort Bend County, Texas:

BEING a 60 ft. wide access road easement for purposes of ingress and egress to various tracts of land conveyed out of a called 84 acre tract of land lying and being situated in Fort Bend County, Texas, out of the H&TC RRY Co. Survey, the Western quarter of Section 41, Abstract 225 and being the same 84 acres described in Volume 81, Page 433 and again in Volume 328, Pages 349-50-51 of the Fort Bend County Deed Records, to which refer in aid hereof; subject 60 ft. wide access easement being more particularly described as follows, to-wit:

FOR CONNECTION COMMENCE at the common corner between Sections 35, 34, 40 and 41 as indicated in a survey and plat executed during 1958 by Henry Steinkamp, a Professional Engineer;

THENCE N 45° 00' E with the common line between aforesaid Sections 34 and 41 being 31.06 ft. from the Northwest R/W line and 47.94 ft. fron the Southeast R/W line of the Needville-Fairchilds Road, 970.0 ft. to a point;

THENCE S 45° 00' E across a portion of said Needville-Fairchilds Road, 47.94 ft. to an iron rod set in an existing barbwire fence in said R/W line for the TRUE POINT OF BEGINNING of this access road survey;

THENCE N 45° 00' E along said R/W line and existing barbwire fence 60 ft. to an iron rod for corner of this access easement;

THENCE S 45° 00' E at 92.31 ft. pass an iron rod marking the Northwest line of a 3.5 acre tract previously conveyed, at 473.46 ft. pass an iron rod marking the Southeast line of the 3.5 acre and the Northwest line of a 5.0 acre tract, in all, 1017.72 ft. to an iron rod set in the Northwest line of a previously conveyed 15.0 acre tract for the Southernmost extremity of the Northeast R/W line of this access easement;

THENCE S 44° 58' 06" W with said 15 acre tract's line, 60.0 ft. to an iron rod marking the Southmost extremity of the Southwest R/W line of this access easement;

THENCE N 45° 00' W at 87.12 ft. pass an iron rod and at 174.24 ft. pass an iron rod marking the Northwest line of a previously conveyed 2.0 acre tract, in all, 1017.74 ft. to the TRUE POINT OF BEGINNING of this access survey containing 1.4018 acres.

for so long as same shall be used by the public for roadway purposes; upon the cessation of such use all rights herein granted shall cease and terminate and revert to Grantor herein, their heirs and assigns.

Grantor herein reserves all rights not inconsistent with the rights herein expressly granted unto the public, including, but not limited to, full and unrestricted rights of ingress to and egress from Grantor's lands adjoining or abutting said 1.4018 acre tract hereinabove described, and this easement is granted upon the condition that any governmental authority constructing or maintaining a roadway upon the easement herein dedicated shall at all times permit such ingress and egress, without limitation, and in this connection shall, upon the request of Grantor, their heirs and assigns, provide a reasonable number of openings in any esplanade in such roadway so as to facilitate vehicular access to and egress from Grantor's said adjoining or abutting lands, and shall without expense to Grantor, their heirs and assigns, provide culverts across any drainage ditches along any such roadway in such a manner that so such ditch shall prevent or interfere with ingress and egress to and from Grantor's adjoining or abutting lands.

Neither Grantor nor Grantor's heirs or assigns shall have any duty to construct or maintain any roadway upon the said 1.4018 acres upon which said easement is herein donated or any liability for any share of the cost of construction or maintenance for any such roadway or any associated curbs, gutters, drains, ditches or other installations or any part of the cost of relocating or lowering any pipelines.

This instrument shall not be construed to permit use of said 1.4018 acre tract, or any portion thereof, including air space above such tract, for installation of public or private utilities, or for any purpose other than roadway purposes, without express written authorization of and from Grantor herein, their heirs or assigns.

RE: APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING TO FORT BEND TELEPHONE COMPANY - BOHACEK ROAD:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved the Application for and Permit granting telephone cable crossing to Fort Bend Telephone Company on Bohacek Road, as follows:

APPLICATION FOR AND PERMIT
GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW FORT BEND TELEPHONE COMPANY acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make changes in said cable and relocate same when ordered to do so by the County of its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioner's and its Engineer in the construction and installation, and to notify the County Commissioner in the Precincts, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still available for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

A Bond is required to be in force during the construction period and for one year thereafter to assure that the area is returned to and remains in its previously existing condition.

The undersigned officer of said Company has full authority to bind said Company hereto.

RE: APPROVE CONTRACT WITH THOS. Y. PICKETT & COMPANY, INC.:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner J. M. Davis, and duly passed the court approved the contract with Thos. Y. Pickett & Company, Inc. as follows:

THE STATE OF TEXAS :

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF Fort Bend :

THAT WHEREAS, the Commissioners' Court of Fort Bend County, Texas, sitting as a Board of Equalization, as required by law, has heretofore and will in the future have submitted to it, by the Tax Assessor and Collector of said County, for inspection, correction or equalization and approval, renditions of or assessment against oil and gas properties, other mineral properties, public utilities, railroads and other industrial properties, and in the performance of the duties imposed by law upon such Board in the inspection, correction, equalization and approval of such renditions or assessments, will have need for technical data and testimony pertaining to such properties requiring scientific knowledge, technical skill and experience in analysis and appraisal of such properties; and

WHEREAS, the Commissioners' Court of said County has determined the need and advisability of employing experts skilled in the matter of analysis and appraisal of such properties to furnish information to the Board of Equalization for its use in inspecting, correcting, equalizing and approving the renditions of or assessments against such properties duly submitted to it by the Tax Assessor and Collector, as compared with valuations of all other properties rendered or assessed in said County; and

WHEREAS, it is ascertained and determined that Thos. Y. Pickett and Company, Inc., of Dallas, Texas, are experts with many years experience in such matters and employ professional engineers, registered in this State, who have scientific and technical knowledge; and

WHEREAS, it is found and determined to be to the advantage of the County that said County employ the services of Thos. Y. Pickett and Company, Inc., for said purposes;

IT IS THEREFORE AGREED BY AND BETWEEN Fort Bend County, Texas, acting herein by and through its Commissioners' Court, Party of the First Part, and Thos. Y. Pickett & Company, Inc., of Dallas, Dallas County, Texas, Party of the Second Part, as follows:

1.

PARTY OF THE SECOND PART agrees and obligates itself to make such analysis and survey as of January 1, 19 76 and January 1, 19 77 respectively, which shall include all of the information which Second Party is able to procure pertaining to the character, quality and quantity, as well as the value of any and all oil, gas, minerals, public utilities, railroads and industrial properties within said County, so as to enable Party of the Second Part to prepare and file with the Board of Equalization, as hereinafter provided, a complete tabulation of technical data and appraised values pertaining to such properties as are duly rendered to or assessed by the Tax Assessor and Collector, for such Board's use in reviewing and equalizing the renditions of and assessments against such properties submitted to it by the Tax Assessor and Collector for said Board's approval, and for the further purpose of furnishing the testimony as hereinafter specified.

7 It is expressly agreed and understood that "OIL, MINERAL, UTILITY, AND INDUSTRIAL PROPERTIES", as such term is used herein, shall include:

> All proven oil and gas leases and other developed mineral leases wherever situated in said County, oil and gas pipe lines, compressor facilities and systems, refineries, oil and gas processing plants and all other industrial plants of whatever character, storage oil, and personal property used in the exploration, development and production of oil and gas and other minerals, railroads and all public utilities, including electrical generating facilities.

2.

PARTY OF THE SECOND PART further agrees to compile all information procured during its investigation, analysis and survey, in such a manner as to facilitate and expedite the introduction of such expert testimony as requested by the Commissioners' Court, sitting as a Board of Equalization, based on such information and presented in concise and intelligent form.

3.

PARTY OF THE SECOND PART agrees to prepare, on the basis of the information thus procured for use as evidence in determining the taxable value

of such properties as herein defined, a tabulation of technical data and appraised values pertaining to any and all such properties duly rendered to or assessed by the Tax Assessor and Collector, for the use of said Board in reviewing and equalizing such renditions and assessments as submitted by the Tax Assessor and Collector for said Board's approval, as provided by Articles 7145, 7206, 7212, 7215 and 7216 of the Revised Civil Statutes of the State of Texas.

PARTY OF THE SECOND PART further agrees to make available, at stated sessions of the Board of Equalization, such qualified, competent, technical personnel as may be required and to furnish for the benefit of the Commissioners' Court, sitting as a Board of Equalization, such expert testimony as may be deemed advisable by said Board pertaining to the estimated valuation of all oil, gas, minerals, public utilities, railroads and industrial properties as of January 1, 1976 and January 1, 1977, respectively, as shown on tabulations herein provided to be prepared.

4.

FOR AND IN CONSIDERATION of the skilled services, technical knowledge and experience of Second Party, in performance of the obligations herein agreed to be performed by Second Party, Party of the First Part agrees and obligates itself to pay Second Party out of the General Funds of said County, as provided by Article 7212, R.S., a sum equal to Four Cents (4 ¢) on each One Hundred ($100.00) Dollars of valuation of oil, mineral, utility and industrial properties, as determined by the Board of Equalization, for the year 1976 and a sum equal to Four Cents (4 ¢) on each One Hundred ($100.00) Dollars valuation of oil, mineral, utility and industrial properties, as determined by the Board of Equalization, for the year 1977, as full compensation for the services rendered Fort Bend County under the terms of this agreement.

5.

Recognizing that the cooperation of the parties hereto is of special importance in agreements of this character, the County, acting by and through its Commissioners' Court, as a further consideration, expressly agrees that it will use all of its lawful powers in carrying out the purposes of this agreement and particularly the powers of entry, subpoena, summons, etc.

6.

Payments in the form of warrants legally drawn against the General Funds of said County shall be made on this contract from time to time as the work progresses, as follows: Two Thousand Five Hundred ($ 2,500.00) Dollars on the first day of January, February, March, April, May and June, 19 76, and the balance shall be paid upon the completion of the work, and after final action has been taken by the Commissioners' Court, sitting as a Board of Equalization in and for Fort Bend County, Texas, for the year 19 76; Two Thousand Five Hundred ($ 2,500.00) on the first day of January, February, March, April, May, and June, 19 77, and the balance shall be paid upon the completion of the work, and after final action has been taken by the Commissioners' Court, sitting as a Board of Equalization in and for Fort Bend County, Texas for the year 19 77.

And the Commissioners' Court of Fort Bend County, Texas, does hereby order and direct the County Auditor, County Clerk and County Treasurer of said County, to make such payments at the time and in the sums and manner provided herein. All said warrants to be payable out of the receipts and anticipated receipts from taxes levied for General County purposes, and out of the receipts from other sources coming to the General County funds for the year 19 76 and the year 19 77, and to provide for the payment of said warrants, such an amount of money as is necessary for said purpose is hereby set aside and appropriated out of the monies in, or which shall come into, said General Funds for the year 19 76 and the year 19 77. And Party of the First Part hereby specifically contracts and obligates itself to provide for payments as detailed herein, and at any time same may become necessary, pass and enter of record such orders as may be proper and necessary to legalize and facilitate the payment of all sums due Party of the Second Part for work performed under this contract.

262

7.

The said Thos. Y. Pickett & Company, Inc., further agrees that in no way will the said Fort Bend County be obligated to Thos. Y. Pickett and Company, Inc., or their assistants, for salaries, expenses or materials except as above stated.

BY ORDER OF THE COMMISSIONERS' COURT OF Fort Bend COUNTY, TEXAS.

RE: APPLICATION FOR AND PERMIT GRANTING PIPE LINE CROSSING - CADDO OIL COMPANY, INC. - HILLTOP ROAD:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved the application for and permit granting pipe line corssing to Caddo Oil Company, Inc. - Hilltop Road, as follows:

APPLICATION FOR AND PERMIT GRANTING PIPE LINE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW CADDO OIL COMPANY, INC., P. O. Box 800, Shreveport, Louisiana 71162

acting herein by and through its duly authorized representative, and hereby petitions your Honorable Court for the right to lay a pipe line under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judges' office and the Drainage District Engineers' office of Fort Bend County.

Petitioner agrees to bury pipe line below grade and keep said pipe line in good condition at all times, and to case same in the places where required as indicated on the attached plats and that it will, at petitioners' expense, make changes in said pipe line and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or construction of public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners and its Engineer in the construction, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of laying, maintenance or operation of said pipe line.

The undersigned officer of said Company has full authority to bind said Company hereto.

RE: ORDER TO SEND LETTER TO THE FEDERAL INSURANCE ADMINISTRATION: CONCERNING PREPARING FLOOD HAZARD MAPS:

On Motion of Commissioner J. M. Davis, seconded by Commissioner Ed. H. Helwig, and duly passed, the court agreed to send the following letter to the Department of Housing and Urban Development, Federal Insurance Administration in Washington, D. C. concerning preparing flood hazard maps for the areas of Fort Bend County outside the incorporated cities.

June 20, 1975

Department of Housing and Urban Development
Federal Insurance Administration
Washington, D. C. 20410

Gentlemen:

We were notified by the Michael Baker Company that they were in the process of preparing flood hazard maps for the areas of Fort Bend County outside the incorporated cities. This County for many years has had a program of plat approval taking into consideration the areas that were subject to flooding. There has also been a study made by an Engineering Firm using backwater information and actual "on the ground" river cross sections that is considerably more detailed than any prior studies.

Due to what we feel is more complete and factual data than was previously submitted to you, we would request you give us an opportunity to assemble our data and present it to you before any additional maps are finished. We can have this information within sixty (60) days.

The Michael Baker Company has agreed to this delay provided we make this written request. They have also agreed to have a representative meet in this area to discuss our situation.

If there is any additional information you need please let us know.

Yours very truly,

RE: ABANDONMENT OF EXISTING STREET EASEMENT (CHIMNEY ROCK ROAD CONTINUATION):

On Motion of Commissioner J. M. Davis, seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved the abandonment of existing street easement and granted for relocation of Chimney Rock Road continuation, as follows:

Fort Bend County Commissioner's Court
TO:
The Public

ABANDONMENT OF EXISTING STREET EASEMENT
(Chimney Rock Road Continuation)

THE STATE OF TEXAS

COUNTY OF FORT BEND

WHEREAS, by instrument recorded in Volume 619, page 39, of the Deed Records of Fort Bend County, Texas, a street easement, containing 2.8730 acres, for right-of-way of street and roadway purposes of Chimney Rock Road continuation, further described in Exhibit "A" attached hereto, over and across certain property as described in said instrument was granted and dedicated; and

WHEREAS, said easement runs over and across, and affects and benefits certain property, the title to which is in Blue Ridge Associates, a joint venture composed of J-L-R Company, a Delaware corporation, and Kevaland Texas Corporation, a Texas corporation (hereinafter referred to as "the Owners"), and on which property Charlestown Savings Bank, and First City National Bank of Houston, a national banking association, of the County of Harris, State of Texas (hereinafter referred to as "The Lienholders") hold liens; and

WHEREAS, the Fort Bend County Commissioner's Court joins in the execution hereof to evidence their abandonment of a portion of the old easement containing 2.8730 acres described in Exhibit "A" attached hereto and made a part hereof, to the extent that the street easement and street right-of-way has been relocated by the easement granted and recorded in Volume 633, page 613, Fort Bend County Deed Records (designated street easement - Chimney Rock Road continuation), and the easement as recorded in Volume 619, page 39, of the Fort Bend County Deed Records are no longer necessary and in fact impede the location of a Houston Lighting & Power Company tower to be located on a major power transmission line crossing Blue Ridge Associates property north of McHard Road.

The County Commissioner's Court does hereby ABANDON and QUIT-CLAIM unto the said Owners that portion of the easement set out above, to the extent that the easement granted for relocation of Chimney Rock Road continuation recorded in Volume 633, page 613, Fort Bend County Deed Records, realigns and redefines a portion of the right-of-way for said street easement.

RE: RECOMMENDATION MADE BY JUVENILE BOARD ON CHILD SUPPORT TO DETERMINE COUNTY'S PARTICIPATION:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved the recommendation made by Juvenile Board of Fort Bend County, county's participation in the Child Support Division to be taken care of in 1976 budget, recommendation as follows:

Motion by Sidney J Brown seconded by Josh Gates.

That additional salaries for employees and expenses of office were incurred during years 1969 through 1974 by Matagorda County in maintaining and operating the Juvenile Office as a child support office at Bay City, Texas for the four counties of Brazoria, Fort Bend, Matagorda and Wharton. The amounts due and unpaid to Matagorda County for these services by Fort Bend County seem to be just, reasonable, and proper and were incurred with knowledge of District Judges of 23rd and 130th Judicial Districts under provisions of Article 5142C-1 of Revised Civil States of Texas.

The Juvenile Board of Fort Bend County determines that these expenses in Juvenile Office were necessary for years 1969 through 1974, and it recommends to Commissioner's Court of Fort Bend County that the total amount of $10,643.40 be paid to Matagorda County, after the Commissioner's Court determines for itself what amount can be lawfully paid.

Agreement as follows:

(Recorded in the minutes in full)

THE STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF FORT BEND §

WHEREAS, on this 21 day of July, 1975, at a regular meeting of the Commissioners Court of Fort Bend County, Texas, Sitting as the governing body of Fort Bend County, Texas, upon motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Ed. H. Helwig, duly put and carried:

IT IS ORDERED that the County Judge be and is hereby authorized to execute on behalf of the Commissioners Court that certain contractual agreement respecting the repair and covering of a drainage ditch located on the County's drainage easement in the City of Rosenberg, Fort Bend County, Texas, to-wit:

The installation of two (2) six foot diameter 14 guage coated corrugated metal pipes at the location as shown on Exhibit A, the necessary backfilling to the natural ground level of the surrounding area and the placement of an adequate cover over said ditch,

a copy of which agreement is on file with the Clerk of the Commissioners Court and which is referred to and made a part of this order as if set out in full herein. In this connection, and as a part of this order, the Commissioners Court notes for the record that the agreement in question obligates the County to furnish all labor, machinery and equipment required in the course of such work, but that the actual costs of materials used in such work are to be paid for by Houston Lighting & Power Company and C & W Manhattan Associates. Further in this connection, and as a part of this order, the Commissioners Court notes for the record

that such agreement obligates the County to grant permission to C & W Manhattan Associates, its agents, employees, contractors and customers to use the covered area of said ditch for parking of motor vehicles without the payment of any further compensation as long as the use does not interfere with the operation of the easement for drainage purposes. However, parking shall not be permitted during periods of construction, repair and maintenance. County shall not be liable for any damage or damages arising out of its construction, repair, and maintenance of said drainage facilities.

THE STATE OF TEXAS I
I KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF FORT BEND I

This instrument, executed this 21 day of July, 1975, by and between the County of Fort Bend, Texas, hereafter called "County", Houston Lighting & Power Company, a Texas Corporation, hereafter called "Company" and C & W Manhattan Associates, a Texas limited partnership, hereafter called "Associates".

W I T N E S S E T H:

WHEREAS, County owns an easement for drainage purposes and presently maintains a drainage ditch across those certain lands in the City of Rosenberg, Fort Bend County, Texas, described in that certain easement instrument, dated January 27, 1941, recorded Volume 194, Page 277, Deed Records of Fort Bend County, Texas, same being an easement over and across a tract or a parcel of land containing 1.01 acres in the J. W. Moore One-Fourth League, Abstract 61, Fort Bend County, Texas; and

WHEREAS, Company owns the tract of land lying Easterly from and abutting said drainage ditch under a deed dated June 10, 1947, executed by W. W. Ward and wife, Jane B. Ward, et al, recorded Volume 246, Page 119, Deed Records of Fort Bend County, Texas; and

WHEREAS, Associates owns the fee to the tract of land which is subject to the above described drainage easement owned by County as well as the land lying Westerly from said drainage ditch under a deed, dated October 20, 1975, executed by Charles R. Sloan, Commissioner of Fort Bend County, Texas recorded Volume 603, Page 665, Deed Records of Fort Bend County, Texas; and

WHEREAS, the aforesaid drainage ditch is in a bad state of repair in that it has deteriorated through slope failure to the extent that further slope failure promises to damage the adjoining lands owned by Company and Associates;

NOW, THEREFORE, County, Company and Associates agree as follows:

(1) County agrees to furnish all labor, machinery and equipment necessary to perform, and to perform, the work required to remedy the condition of the aforesaid drainage ditch, including the installation of two (2) six foot diameter 14 guage Coated Corrugated metal pipes at the location as shown on Exhibit A attached hereto, necessary backfilling to the natural ground level of the surrounding area.

(2) Company agrees to pay seventy-five percent (75%) and Associates agrees to pay twenty-five percent (25%) of the actual costs of the two (2) six foot diameter 14 gauge Coated Corrugated metal pipes to be used in the aforesaid project, which costs have been estimated by the parties at $68,720.72, according to Exhibit B attached hereto, and further agrees to pay said costs by advancing the monies necessary to defray the same to County pursuant to its order or request at the time such materials are ordered by County and verification of purchase price.

(3) County agrees to commence work on the project upon receipt of payment for materials purchased by them as above set out.

(4) Company agrees to pay seventy-five percent (75%) and Associates agrees to pay twenty-five percent (25%) of the actual costs of the 12,910.4 cubic yards of fill dirt to be used in the aforesaid project, which costs have been estimated by the parties at $35,750.00, according to Exhibit B attached hereto, and further Company agrees to pay its share of said costs of said fill materials to Associates upon delivery of the fill materials to the ditch site and verification of purchase price.

(5) Associates liability under this agreement shall be limited to twenty-five percent (25%) of the actual costs but said liabiltiy in no event shall exceed $26,125.00.

(6) In the event that the actual cost exceeds the estimated cost by 10% as shown on Exhibit B, Company may terminate this agreement.

(7) County further agrees that when the cover has been placed over the aforesaid ditch as contemplated by this agreement, Associates, its employees, agents, contractors and customers shall be entitled to use the covered area for parking of motor vehicles without the payment of any further compensation as long as the use does not interfere with the operation of the easement for drainage purposes. However, parking shall not be permitted during periods of construction, repair and maintenance. County shall not be liable for any damage or damages arising out of its construction, repair, and maintenance of said drainage facilities.

EXECUTED This 11 day of July, 1975.

RE: LATERAL ROAD ACCOUNT APPROVED:

On Motion of Commissioner J. M. Davis, seconded by Commissioner Paul R. Wenzel, Jr., and duly passed, the court is requesting that the Board of County & District Road Indebtedness return the amount of $47,517.92 to Fort Bend County to be used for improving Lateral Roads in Fort Bend County.

RE: SOIL CONSERVATION WORK APPROVED:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner Paul R. Wenzel, Jr., and duly passed, the court approved the application for Soil Conservation Work for Everitt Miller and Albert McConnell.

RE: AGREEMENT TO CONTINUE SUPPORT TO FORT BEND COUNTY/MAJOR CRIME TASK FORCE:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Paul R. Wenzel, Jr. and duly passed, the court upon the opinion ruled by the County Attorney, agreed to continue their support to the Fort Bend County Major Crime Task Force, Inc. on a month to month basis, until a legal ruling has been received from the Attorney Generals office.

The County Auditor makes this statement, "that if the County Commissioners' Court agreed to accept the opinion of the County Attorney, in lieu of the Attorney Generals opinion, it will be their responsibility and not the County Auditor."

County Attorneys opinion is as follows:

To The Honorable Commissioners Court of Fort Bend County, Texas:

In response to your inquiry of July 14, 1975, I herewith submit your specific question, as I understand it, together with the law applicable to said question:

Whether the Commissioners Court of Fort Bend County, Texas, can contract without bids or notice as required in Article 2368a (2) V.C.S., with Fort Bend County Major Crime Task Force, Inc. for the performance of certain law-enforcement services for a period of one year, for the total consideration of $4,639.04 payable in twelve (12) equal monthly installments of $469.92 each.

The Fort Bend County Major Crime Task Force, Inc. is a non-profit corporation heretofore funded principally by the Texas Criminal Justice Council for the general purpose of aiding in the investigation of major crimes in Fort Bend County, Texas. The T.C.J.C. funding has been terminated and now the Board of Directors of said corporation has offered to contract for their services with the County and participating municipalities.

Your question involves the applicability of Article 2368a (2), V.C.S. That Article provides, in pertinent part, as follows:

"No county, acting through its Commissioners Court, and no city in this state shall hereafter make any contract calling for or requiring the expenditure of payment of Three Thousand Dollars ($3,000.00) or more out of any fund or funds of any city or county...or imposing an obligation or liability of any nature or character upon such county... or upon such city, without first submitting such proposed contract to competitive bids. ...Provided, that in case of public calamity, where it becomes necessary to act at once to appropriate money to relieve the necessity of the citizens, or to preserve the property of such county or city, or when it is necessary to preserve or protect the public health ....; and provided further, as to contracts for personal or professional services....the provisions hereof...shall not apply"...

In construing the underscored portion of Article 2368a(2), supra, the Commission of Appeals, in an opinion adopted by the Supreme Court of Texas, held that a county could validly expend funds to protect the public health without the necessity of requiring the competitive bids otherwise required by that Article, and that the public health exception to the competitive bid requirement was operative at all times, whether or not there was "a case of public calamity." Hoffman v. City of Mt. Pleasant, 126 Tex. 632, 89 S.W.2d 193 (1936). Therefore, it would only logically follow, that such competitive bidding procedure for personal or professional services, which wording is even further removed by thought and punctuation than the public health exemption discussed in the Hoffman Case, would not be required in the instant matter.

The term "personal service" has been constured to mean an act or acts done for the benefit of another by another person or in this case, a specific intity.

SUMMARY

Pursuant to the personal and professional exception of Article 2368a(2), V.C.S., a county is not required to follow competitive bidding procedures to contract with the Fort Bend County Major Crime Task Force, Inc., a non-profit corporation, for the personal and professional services of aiding in the investigation of major crimes in Fort Bend County, Texas.

Respectfully submitted,

C. A. Dickerson
County Attorney

RE: ORDER OF ABANDONMENT OF STREET AND ALLEY IN FRESNO, TEXAS:

On Motion of Commissioner J. M. Davis, seconded by Commissioner Johnnie Pustka, and duly passed, the court approved the order abandoning street and alley for public use in the town of Fresno, Texas, as follows:

(Recorded in the minutes in full)

THE STATE OF TEXAS

COUNTY OF FORT BEND

On this the 25th day of August, 1975, the Commissioner's Court of Fort Bend County, Texas, convened in regular session at the regular term of said Court, at the Courthouse of the City of Richmond, Texas, with the following members present, to-wit:

JOSH GATES, County Judge
JOHNNIE PUSTKA, County Commissioner, Precinct No. 1
PAUL R. WENZEL, JR., County Commissioner, Precinct No. 2
J.M. DAVIS, County Commissioner, Precinct No. 3
ED H. HELWIG, County Commissioner, Precinct No. 4

And, among other proceedings, had the following order passed;

Whereas, a petition filed with this Court on the 28th day of JULY, 1975, was this date presented to this Court requesting the discontinuing, as a public road or street, those tracts of land described below, which petition was signed by at least eight (8) freeholders in the precinct in which such road or street is desired to be disontinued who gave at least twenty (20) days notice by written advertisement of their intended presentation to this Court of said petition posted up on the Courthouse door of Fort Bend County, Texas, and at two (2) other public places in the vicinity of said strip of land, and which strip of land this Court finds has not been used as a public road and has been fenced off from public access for more than twenty (20) years, and this Court further finds that the public interest will be better served in closing and discontinuing said road and by abandoning any use of same for public road purposes and that said petition is proper; and,

Whereas, the Commissioner's Court of Fort Bend County, Texas, has considered the matter and deemed it appropriate to close, discontinue and abandon said strip of land as a public road or street;

Now, Therefore,

Be it Ordered, Adjudged and Decreed by the Commissioner's Court of Fort Bend County, Texas: That

TRACT ONE:

That portion of Harrison Avenue lying South of Main Street, between Main Street and Galveston Street, as shown on the plat of Fresno, Fort Bend County, Texas, as recorded in Volume 2, page 5, of the Plat Records of Fort Bend County, Texas.

TRACT TWO:

That portion of a twenty (20) foot alley lying East of State Highway 288, between State Highway 288 and Cleveland Avenue, said alley being in Block 15 and Block 16, Town of Fresno, Fort Bend County, Texas, as shown on the plat recorded in Volume 2, page 5, of the Plat Records of Fort Bend County, Texas.

be closed, discontinued and abandoned as to any use as a public road or street.

The above order being read, it was moved and seconded that same pass. Thereupon, the question being called for, the following members of the Court voted AYE:

ORDER OF COMMISSIONERS COURT RELEASING CERTAIN PROPERTY AND RIGHTS OF FORT BEND COUNTY DRAINAGE DISTRICT PERTAINING TO MIDDLE BAYOU

THE STATE OF TEXAS :
*
COUNTY OF FORT BEND :

This the 8th day of September, 1975, in Regular Order and at a Regular Meeting of the Commissioners Court of Fort Bend County, Texas, came on to be heard and considered the matter of releasing certain property and rights of Fort Bend County Drainage District pertaining to Middle Bayou, and

It appears to the Court, and the Court so affirmatively finds, that said property and rights are no longer needed for the purposes for which the Fort Bend County Drainage District was created, and should be released, it is THEREFORE, upon motion made by Commissioner Johnnie Pustka and seconded by Commissioner J.M.Davis, and duly passed by the Commissioners Court, it is hereby ORDERED and DECREED that the proposed partial release attached hereto is hereby approved and the County Judge, Josh Gates, and the Fort Bend County Drainage District Engineer, Stanley L. Kucherka, Jr., are hereby authorized to execute and deliver on behalf of Fort Bend

County Drainage District, a partial release of said property and rights in accordance with the attached form.

IN WITNESS WHEREOF, the Commissioners Court of Fort Bend County, Texas has caused this order to be entered in its minutes and to be hereby executed by Josh Gates, County Judge of Fort Bend County, Texas, this 8th day of September 1975.

KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF FORT BEND }

WHEREAS, by instrument recorded in Volume 604, page 87, of the Deed Records of Fort Bend County, Texas, a Drainage Easement, containing 0.9950 acres, for right-of-way for drainage purposes, further described in Exhibit "A", attached hereto, over and across certain property as described in said instrument was granted and dedicated; and

WHEREAS, said easement runs over and across, and affects and benefits certain property, the title to which is in Blue Ridge Associates, a joint venture composed of J-L-R Company, a Delaware corporation, and Kevaland Texas Corporation, a Texas corporation (hereinafter referred to as the "Owners"), and on which property Charlestown Savings Bank, Suffolk Franklin Savings Bank, and First City National Bank of Houston, a national banking association, of the County of Harris, State of Texas (hereinafter referred to as the "Lienholders") hold liens; and

WHEREAS, the Fort Bend County Commissioners Court joins in the

execution hereof to evidence their abandonment of a portion of the old easement containing 0.9950 acres described in Exhibit "A", attached hereto and made a part hereof, to the extent that the Drainage Easement has been realigned by the easement granted and recorded in Volume 649, page 701, Fort Bend County Deed Records (designated Realignment of 150-foot Drainage Easement, Edward Drew Survey), and the easement as recorded in Volume 604, page 587 of the Fort Bend County Deed Records are no longer necessary due to the Realignment of 150-foot Drainage Easement right-of-way to provide better hydraulic flow.

The County Commissioners Court does hereby ABANDON and QUIT-CLAIM unto the said Owners that portion of the easement set out above, to the extent that the easement granted for Realignment of Drainage Easement, Edward Drew Survey recorded in Volume 649, page 701, Fort Bend County Deed Records, realigns and redefines a portion of the right-of-way for said Drainage Easement.

COMES NOW FORT BEND TELEPHONE COMPANY acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make changes in said cable and relocate same when ordered to do so by the County of its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioner's and its Engineer in the construction and installation, and to notify the County Commissioner in the Precincts, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still available for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

A Bond is required to be in force during the construction period and for one year thereafter to assure that the area is returned to and remains in its previously existing condition.

The undersigned officer of said Company has full authority to bind said Company hereto.

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved the application for and permit granting telephone cable crossing to Southwestern Bell Telephone Company on Robinson Road in Keeling Subdivision, as follows:

APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS
% County Courthouse
Richmond, Texas 77469

COMES NOW Southwestern Bell Telephone Company
acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

Beginning at the southwest corner of Holmes Road and Robinson Road, thence proceeding in a westerly direction for a distance of 1262 feet within 3 feet of the south right-of-way line.

All cable shall be buried at a minimum of 24 inches.

RO 89345

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make any changes in said cable and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners' and its Engineer in the construction and installation, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

The undersigned officer of said Company has full authority to bind said Company hereto.

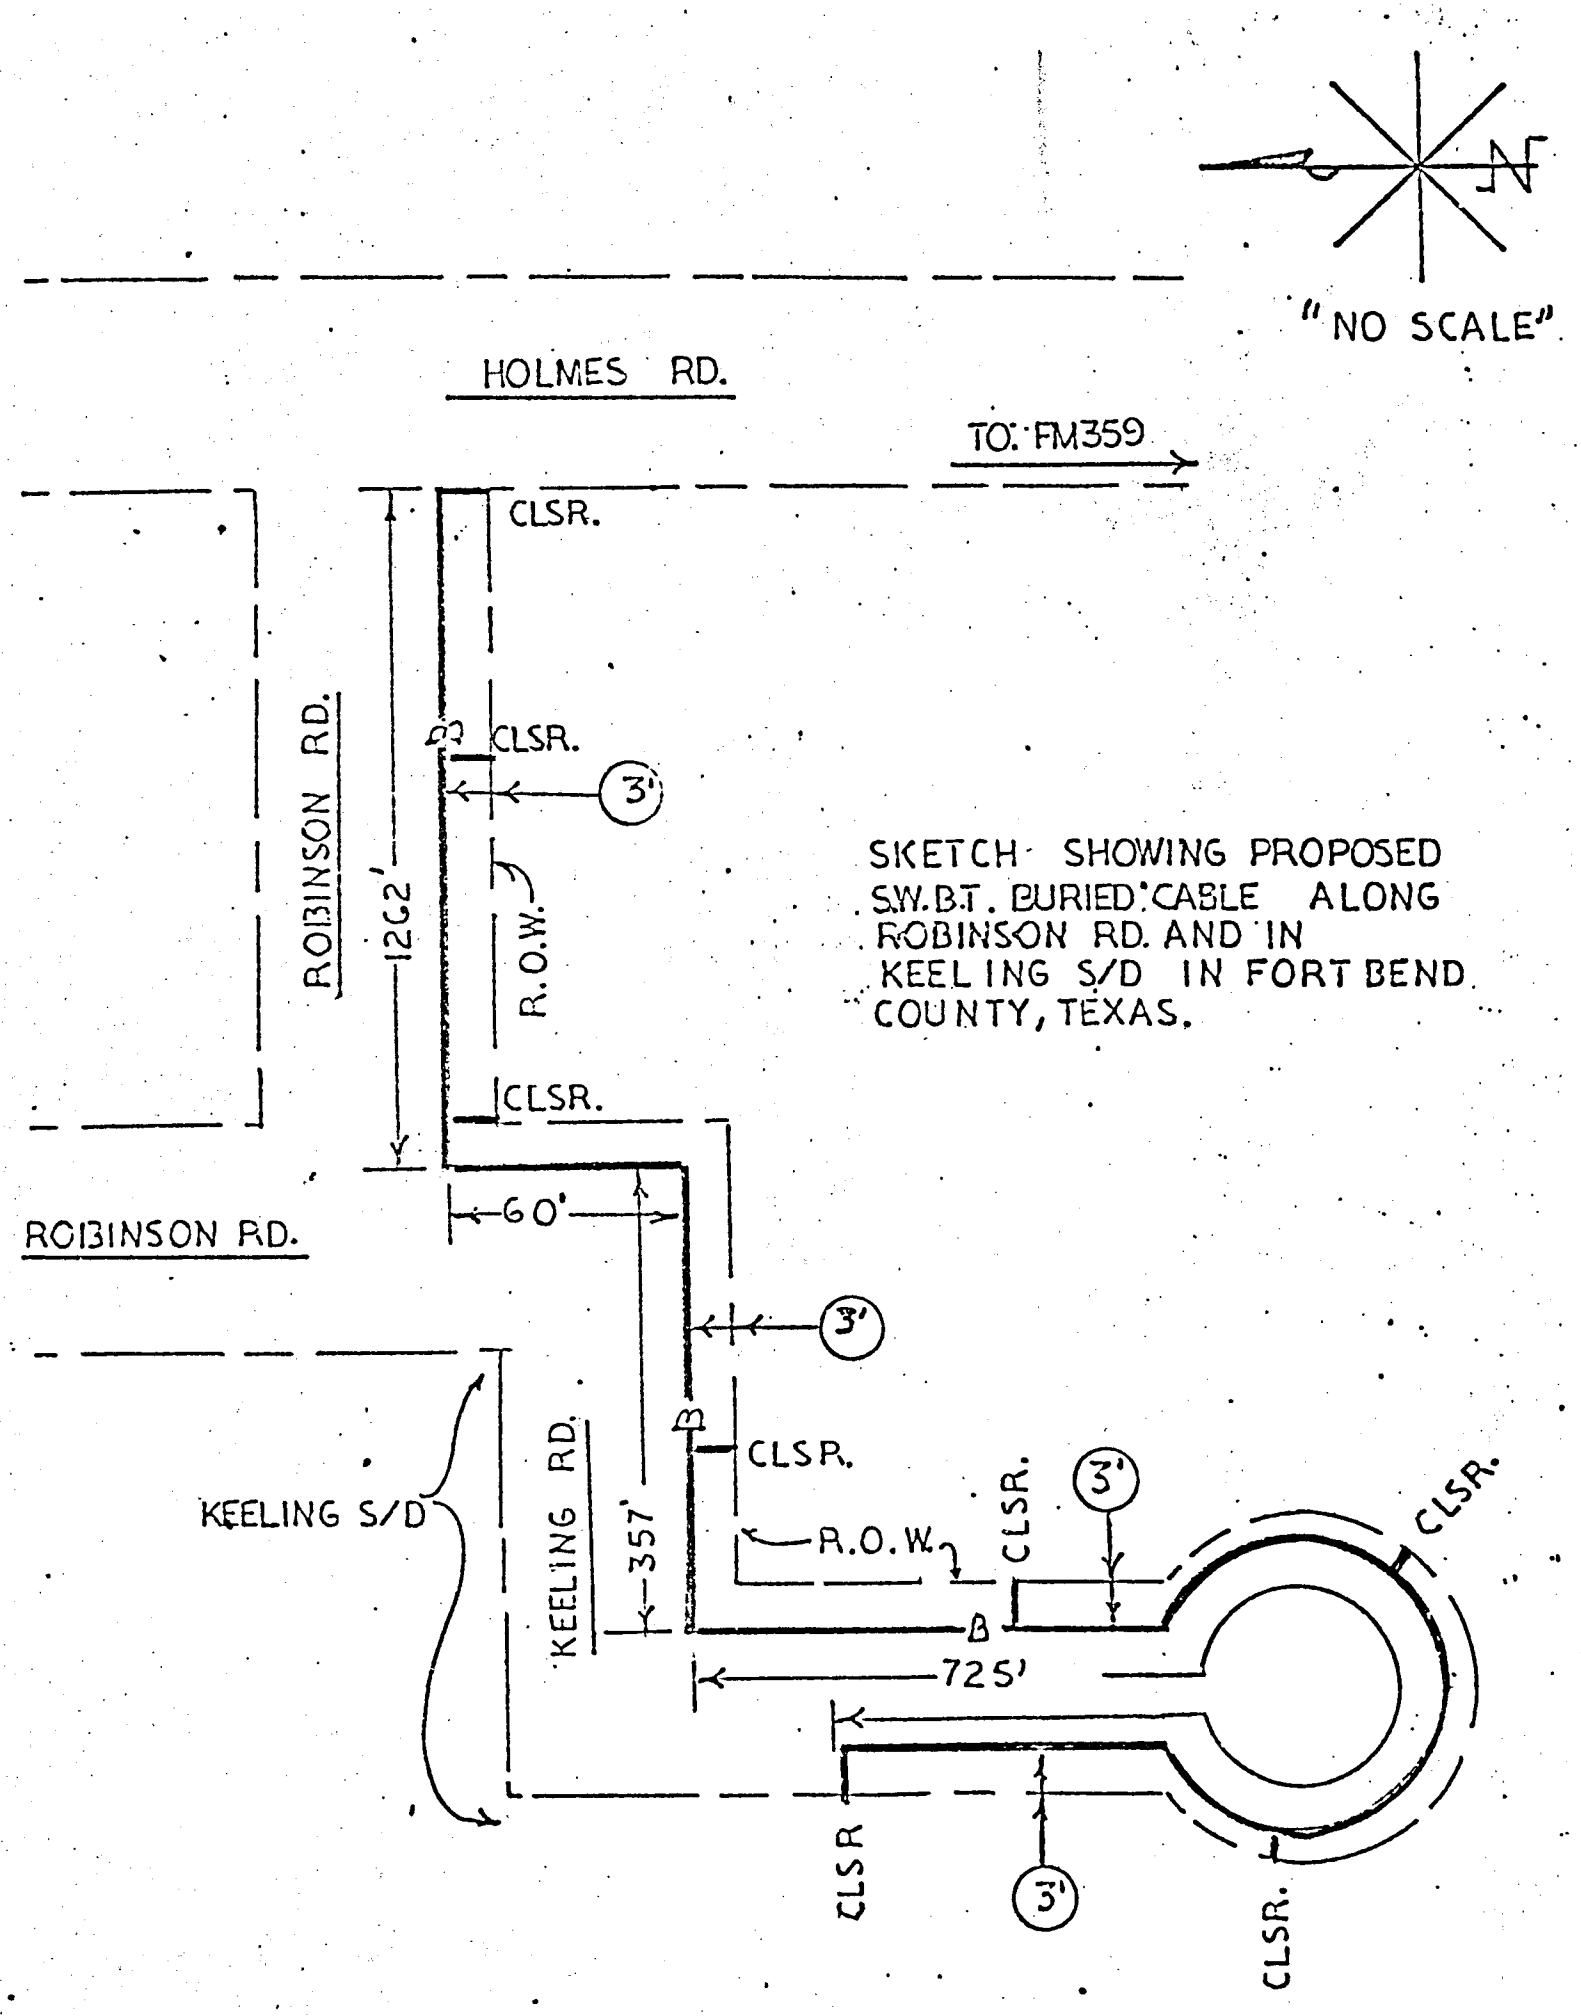

Executed in quadruplicate originals this 22nd day of September 19 75.

This agreement entered into this _____ day of _____, 19 ___, by and between the State of Texas, acting by and through the Texas Highway Department, hereinafter called the State, and Ft. Bend County, Texas, acting by and through its duly authorized official under Commissioners' Court Order dated _____ day of _____ 19 75, hereinafter called the County, and Houston Lighting & Power Company, acting by and through its duly authorized representative, hereinafter called the Owner.

WHEREAS, the State and County have previous to this date entered into a contract agreeing to handle by separate contract the adjustment, removal or relocation of certain utility facilities necessitated as a result of highway improvements on the subject project on the basis of a predetermined firm commitment for right of way reimbursement approved by the State;

WHEREAS, the Owner, in an affidavit dated _____, 19 ___, has asserted an interest in certain lands and that this proposed highway improvement will necessitate the adjustment, removal or relocation of certain facilities of the Owner now located upon such lands as indicated in the following statement of work:

Adjust distribution facilities to provide clearance for highway construction on US Highway 59 at various locations between the Cities of Beasley and kendleton, Fort Bend County, Texas.

WHEREAS, the State and the County desire to accomplish the adjustment, removal or relocation of the Owner's utility facilities by entering into an agreement with the Owner;

NOW, THEREFORE, be it mutually agreed that this contract entered into this date between the parties hereto is intended to implement and effectuate the terms and provisions of that contract of February 12, 19 ~~68~~ 63, entered into between the State and the County, as it pertains to right of way utility adjustments and as it effects the utility facilities of the Owner.

Upon execution of this agreement by the parties hereto the County will, by written notice, authorize the Owner to proceed with the necessary adjustment, removal or relocation, to which notice shall be attached a copy of the Commissioners' Court Order authorizing execution of this agreement; and the Owner agrees to prosecute such work diligently to completion in such manner as will not result in avoidable interference or delay in either the State's highway construction or in said work.

The Owner will carry out said adjustments, removals or relocations in accordance with the plans attached hereto, and the costs paid by the County pursuant to this contract shall be full compensation to the Owner for the costs incurred in making such adjustments, removals or relocations. Bills for work hereunder shall be submitted to the County not later than ninety (90) days after completion of the work.

RE: APPROVE RESOLUTION AUTHORIZING A PAVEMENT MARKING DEMONSTRATION BETWEEN FORT BEND COUNTY AND THE TEXAS HIGHWAY DEPT.

RE: APPROVE RESOLUTION AUTHORIZING A PAVEMENT MARKING DEMONSTRATION BETWEEN FORT BEND COUNTY AND THE TEXAS HIGHWAY DEPT.:

On motion of Commissioner Johnnie Pustka, seconded by Commissioner Paul Wenzel, and duly passed, the court approved the resolution authorizing a pavement marking demonstration project between Fort Bend County and the Texas Highway Department, as follows:

STATE OF TEXAS

COUNTY OF FORT BEND

A RESOLUTION

Authorizing a Pavement Marking Demonstration Project Between Fort Bend County and the Texas Highway Department.

WHEREAS, the Texas Highway Department and the Governor's Office of Traffic Safety has requested the participation of Fort Bend County Commissioners Court to join in a program to promote better traffic safety on the county's roads, and;

WHEREAS, the Federal government has made funds available through the Federal Highway Administration to finance cooperative efforts between local and state governments for the purpose of developing and implementing projects which will aid in the better control of vehicular traffic on county roads, and;

WHEREAS, the Governor's Office of Traffic Safety, in conjunction with the Texas Highway Department has ascertained that there is a need to develop a demonstration program in the state in the area of pavement marking for traffic safety and control, and;

WHEREAS, the Commissioners Court of Fort Bend County is in agreement with the Governor's Office of Traffic Safety that development and implementation of a Pavement Marking Demonstration Program in the county would be beneficial and an improvement of the safety of county roads for its citizens through extensive striping, and;

WHEREAS, the Texas Highway Department agrees to finance a Pavement Marking Program for Fort Bend County from Federal Highway Administration funds received by the Governor's Office of Traffic Safety.

THEREFORE, be it resolved that the Commissioners Court of Fort Bend County agrees to join with the Texas Highway Department in developing and implementing a Pavement Marking Demonstration Program for the purpose of applying control safety striping on county roads.

APPLICATION FOR AND PERMIT
GRANTING PIPE LINE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW Goldston Oil Corporation

P. O. Box 22568, Houston, Texas 77027

acting herein by and through its duly authorized representative, and hereby petitions your Honorable Court for the right to lay a pipe line under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judges' office and the Drainage District Engineers' office

of Fort Bend County.

Petitioner agrees to bury pipe line below grade and keep said pipe line in good condition at all times, and to case same in the places where required as indicated on the attached plats and that it will, at petitioners' expense, make changes in said pipe line and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or construction of public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners and its Engineer in the construction, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of laying, maintenance or operation of said pipe line.

The undersigned officer of said Company has full authority to bind said Company hereto.

THE STATE OF TEXAS §
§
COUNTY OF FORT BEND §

WHEREAS, the Commissioner's Court of Fort Bend County, Texas, on its own motion and order, is desirous of abandoning and exchanging an existing drainage easement belonging to the County, which drainage easement is more particularly described on Exhibit "A" attached hereto and made a part hereof for all purposes (said easement being hereafter called the "Existing Easement"); and

WHEREAS, Commissioner's Court is also desirous of accepting in exchange for the Existing Easement a replacement drainage easement as more particularly described on Exhibit "B" attached hereto and made a part hereof for all purposes (hereinafter called the "Replacement Easement"); and

WHEREAS, the Existing Easement is not needed by the citizens of the County for road purposes; and

WHEREAS, Section 2(d) of Article 5421c-12, Vernon's Texas Civil Statutes, provides that the bid procedures and publication requirements set forth in Section 1 of said Article are not applicable in the sale or disposal of real property interests belonging to a political subdivision when such land or interest therein was originally acquired for the purpose of streets, rights-of-way or easements which the political subdivision chooses to trade or exchange as consideration for other land acquired for streets, rights-of-way or easements, including transactions which may be partly for cash and partly by trade or exchange; and

WHEREAS, the exchange and abandonment described herein falls within the exemption set forth in Section 2(d) of Article 5421c-12, Vernon's Texas Civil Statutes; and

WHEREAS, it has been determined by appraisal that the Existing Easement and Replacement Easement are of equal fair market value;

NOW, THEREFORE, be it RESOLVED, ADJUDGED AND DECREED by the Commissioner's Court of Fort Bend County, Texas:

Section 1: It is hereby found, determined and declared that the matters and facts set out in the above preamble of this resolution are true and correct.

Section 2: That the abandonment of the Existing Easement and the acceptance in replacement thereof of the Replacement Easement be, and the same hereby is, approved.

RE: APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING TO SOUTHWESTERN BELL TELEPHONE COMPANY - POOL HILL ROAD:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner J. M. Davis, and duly passed, the court approved the Application for and Permit granting Telephone Cable Crossing to Southwestern Bell Telephone Company on Pool Hill Road, as follows:

APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS
% County Courthouse
Richmond, Texas 77469

COMES NOW Southwestern Bell Telephone Company

acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

See attached plat.

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make any changes in said cable and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners' and its Engineer in the construction and installation, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 20th day of October 1975.

RE: NOTICE OF PROPOSED INSTALLATION OF BURIED CABLE AND/OR CONDUIT SOUTHWESTERN BELL TELEPHONE COMPANY - BLUE RIDGE ROAD:

On Motion of Commissioner J. M. Davis, seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved the notice of proposed installation of buried cable and/or conduit for Southwestern Bell Telephone Company on Blue Ridge Road, as follows:

NOTICE OF PROPOSED INSTALLATION
OF BURIED CABLE AND/OR CONDUIT

TO THE HONORABLE COMMISSIONERS COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

On this, the 26 day of August ,197 , the undersigned Southwestern Bell Telephone Company, a corporation, does hereby notify you of its intention to use the hereinafter described public roads rights-of-way in Fort Bend County for the purpose of constructing, maintaining, and repairing cable and/or conduits, as described below and as shown on the attached prints, for the distribution of telephone service to citizens generally living in the area traversed.

Request permission to attach a Telephone Cable to the new bridge structure at Blue Ridge Road over Ditch B-1 per the attached drawing.

Petitioner further agrees to obey all rules of the County Commissioners' and its Engineer in the construction and installation, and to notify the County Commissioner in the precincts 48 hours before beginning work under the permit and when work is completed, to notify the Commissioner sc he can inspect the work while construction equipment is still available for any necessary additional work.

The undersigned agrees to bury said cable and/or conduit below grade and keep said buried cable and/or conduit in good condition at all times and that it will make changes in said cable and/or conduit and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or construction of public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

The undersigned further agrees to obey all rules of the County Commissioners' and its Engineer in the construction of said installation and save the County harmless from any action arising out of the laying, maintenance, or operation of said cable and/or conduit.

The undersigned representative of said Company has full authority to bind said Company hereto.

Place a buried cable 24-inches deep beginning at a point 70 feet south of the intersection of Surrey Lane and Fort Bend Road, then burying along the south side of Surrey Lane for a distance of 2100 feet.

RO 89319

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make any changes in said cable and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners' and its Engineer in the construction and installation, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

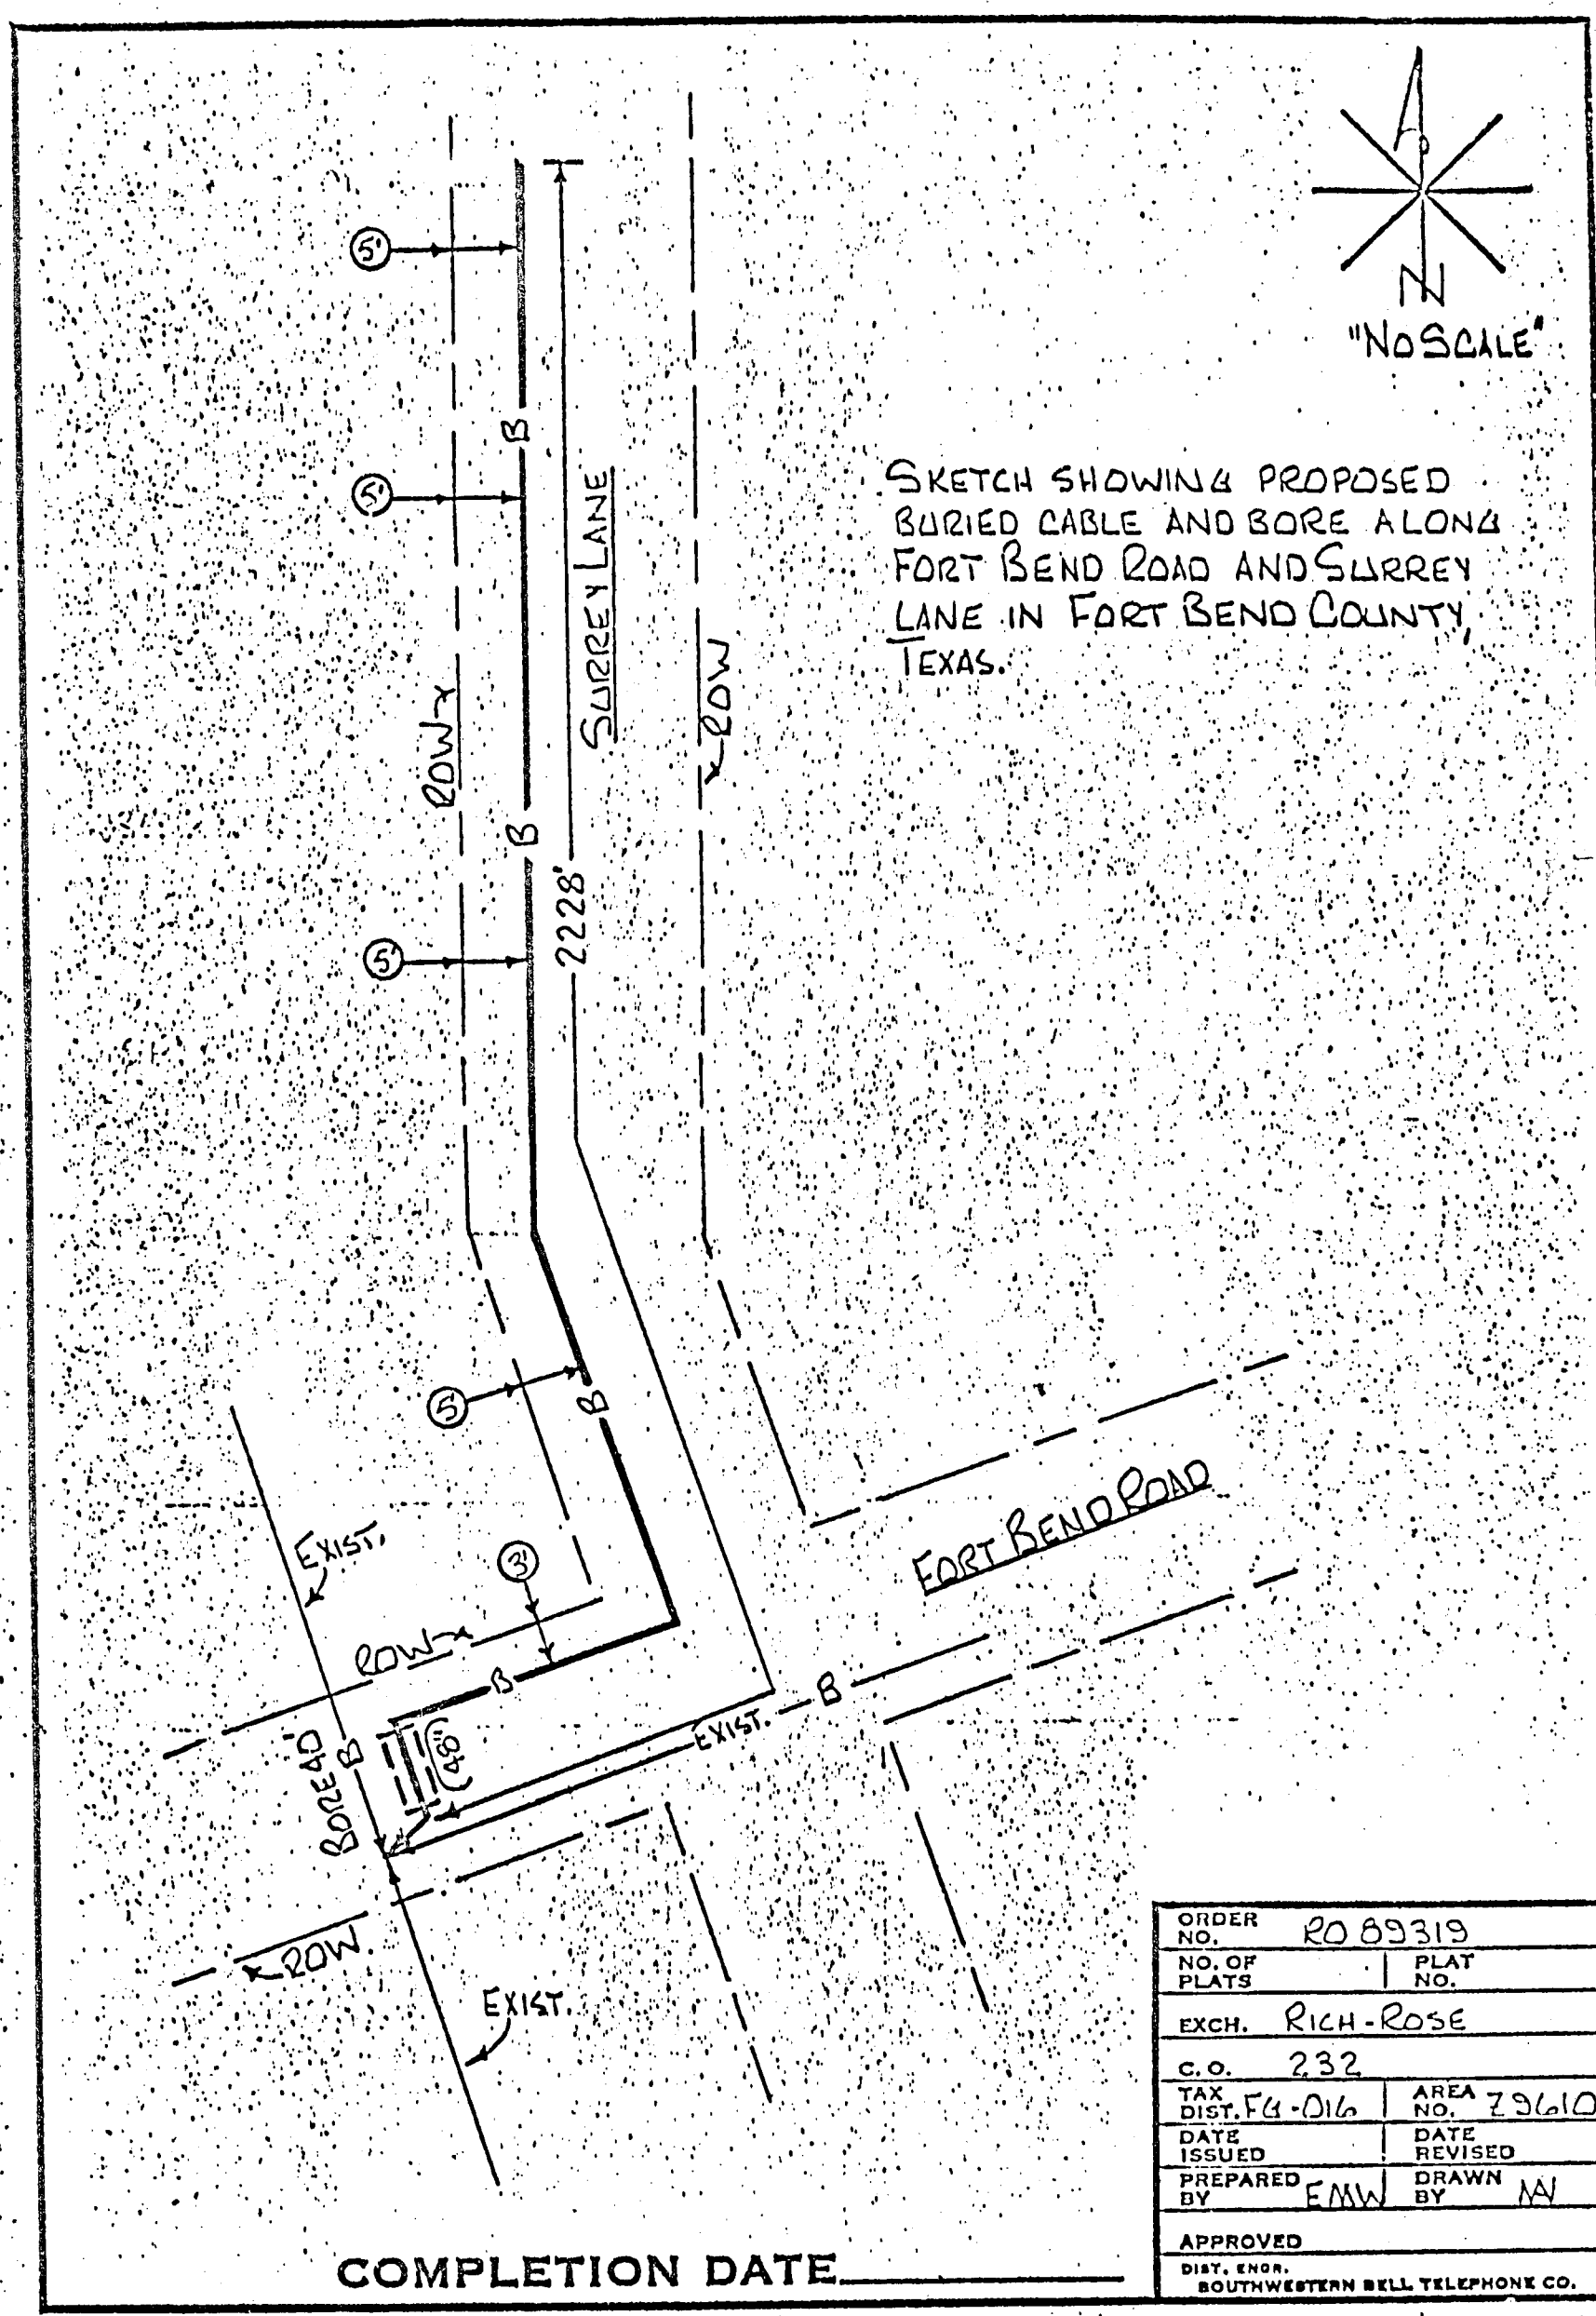

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 19th day of November 1975.

AUDITORS' OPINION

Honorable Josh Gates, County Judge,
and Members of the Commissioners'
Court of Fort Bend County, Texas:

We have examined the statement of cash receipts and disbursements, and encumbrances outstanding of the Texas State Library (Project 5) Grant Fund of Fort Bend County, Texas for the fourteen months ended August 31, 1975, and the statement of cash receipts and disbursements, and encumbrances outstanding of the Texas State Library (Contract 15) Grant Fund of Fort Bend County, Texas for the year ended August 31, 1975. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements present fairly the cash receipts and disbursements, and encumbrances outstanding of the Texas State Library (Project 5) Grant Fund of Fort Bend County, Texas for the fourteen months ended August 31, 1975, and of the Texas State Library (Contract 15) Grant Fund of Fort Bend County, Texas for the year ended August 31, 1975.

TEXAS STATE LIBRARY (PROJECT 5) GRANT FUND
AND
TEXAS STATE LIBRARY (CONTRACT 15) GRANT FUND
NOTES TO STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS,
AND ENCUMBRANCES OUTSTANDING

1. ACCOUNTING POLICY

The accounts of Fort Bend County, Texas (the "County") are maintained and the accompanying statements, except for the inclusion of encumbrances outstanding, have been prepared on the cash basis.

2. PURPOSE OF GRANT FUNDS

The Texas State Library (Project 5) Grant Fund was used to account for monies the County received during the year ended June 30, 1974 from the Texas State Library under Title I of the Library Services and Construction Act. This Act provides that the grant monies are to be used exclusively for the purchase of library materials, and that any unexpended or unobligated monies remaining at June 30, 1975 be refunded to the Texas State Library.

The Texas State Library (Contract 15) Grant Fund is used to account for monies the County received during the year ended August 31, 1975 from the Texas State Library under Title I of the Library Services and Construction Act. The grant provides that monies are to be used for the purchase of library materials and the payment of library operating expenses, and that any unexpended or unobligated monies remaining at August 31, 1975 must be refunded to the Texas State Library.

3. ENCUMBRANCES OUTSTANDING

Due to the uncertain availability of books and publications, the County has encumbered an amount in excess of the cash balance at August 31, 1975. When all grant funds have been disbursed against these encumbrances, any remaining encumbrances will either be canceled or be paid out of the County library's operating budget.

4. SUBSEQUENT EVENT

As of November 1975, $3,804.24 of grant monies have been expended in payment of the encumbrances outstanding at August 31, 1975.

RE: APPROVE APPLICATION FOR SOIL CONSERVATION WORK:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner Paul R. Wenzel, Jr. and duly passed, the court approved the application for Soil Conservation work for the following:

1. Leonard Lefler

The court recessed at 9:30 o'clock to approve bills.

The court re-convened and the following order was passed.

RE: BILLS APPROVED:

All accounts shown in Minutes of Accounts allowed in Payroll Journal and Warrant Register, in the County Auditors office, as approved by the Commissioners' Court in person in December (Said sheets in said books being individually certified by each Commissioner as to his bills and by the County Auditor and County Judge on other bills) are hereby approved as to the official

Action of the Commissioners' Court, On Motion of Commissioner J. M. Davis, seconded by Commissioner Johnnie Pustka, and duly passed and approved.

WHEREAS, the State of Texas, hereinafter called the State, acting by and through the Texas Highway Department, proposes to make certain highway improvements on that section of the above indicated highway.

WHEREAS, the EXXON PIPELINE COMPANY, hereinafter called the Owner, proposes to retain, locate or relocate certain of its facilities and retain title to any property rights it may have on, along or across, and within or over such limits of the highway right of way as indicated on the plans attached to Utility Agreement ~~as executed by Owner on the 6th day of September 19 74, or on occasion sketched attached hereto except as provided below.~~ EXCEPT AS PROVIDED BELOW.

Exxon Pipeline Company Drawing No. E-9464, dated May 14, 1974

NOW, THEREFORE, it is hereby mutually agreed that joint usage for both highway and utility purposes will be made of the area within the highway right of way limits as such area is defined and to the extent indicated on the aforementioned plans or sketches. Where Owner by reason of ownership of an easement or fee title or otherwise under law has the right to alter, modify or add to facilities presently located within the area above described or construct additional facilities therein, such right is hereby retained, provided, however, if existing facilities are to be altered or modified or new facilities constructed within said area the Owner agrees to notify the Texas Highway Department prior thereto, to furnish necessary sketches showing location, type of construction, and methods to be used for protection of traffic, and if, in the opinion of the Texas Highway Department, such alteration, modification, or new construction will injure the highway or endanger the traveling public using said highway, the Texas Highway Department shall have the right, within 30 days after the receipt of such notice, to prescribe such regulations as necessary for the protection of the highway facility and the traveling public using said highway; provided further, however, that such regulations shall not extend to the requiring of the placement of intended overhead lines underground or the routing of any lines outside of the area of joint usage above described.

OWNER hereby agrees that access for servicing its facilities normally will be limited to access via (a) Frontage roads where provided (b) Nearby or adjacent public roads and streets, or (c) Trails along or near the highway right of way lines, connecting only to an intersecting road; from any one or all of which entry may be made to the outer portion of the highway right of way. Where supports, manholes, or other appurtenances of the Owner's facilities are located in medians or interchange areas, access to them from the through-traffic roadways or ramps

will be permitted but only by permits issued by the State to the Owner setting forth the conditions for policing and other controls to protect highway users. If an emergency situation occurs, and the usual means of access for service operations as herein provided will not permit the immediate action required by the Owner in making emergency repairs as required for the safety and welfare of the public, the Owner shall have a temporary right of access to and from the through-traffic roadways and ramp as necessary to accomplish the required emergency repairs.

Participation in actual costs incurred by the Owner for any future relocation or adjustment of utility facilities required by highway construction shall be in accordance with and to the extent possible under applicable laws of the State of Texas. Except as expressly provided herein, (1) The Owner's rights of access to the through-traffic roadways and/or ramps shall be subject to the same rules and regulations as apply to the general public, and (2) The Owner and the State, by the execution of this agreement, do not waive or relinquish any right which they may have under the law or Constitution, State or Federal.

In the event the Owner fails to comply with the requirements as set out herein, the State may take such action as it deems appropriate to compel compliance.

COUNTY Fort Bend
PROJECT
ACCT. NO. 8012-1-13 U-9297
HIGHWAY U. S. Highway 59
LIMITS: From the present road West of Rosenberg
To the existing facility near Stafford

WHEREAS, the State of Texas, hereinafter called the State, acting by and through the Texas Highway Department, proposes to make certain highway improvements on that section of the above indicated highway.

WHEREAS, the Gulf Refining Company, hereinafter called the Owner, proposes to retain, locate or relocate certain of its facilities and retain title to any property rights it may have on, along or across, and within or over such limits of the highway right of way as indicated on the plans attached to Utility ~~Agreement as executed by Owner on the _____ day of _____, 19____, or on location sketches attached hereto~~ except as provided below.

ADJ- U-9297

NOW, THEREFORE, it is hereby mutually agreed that joint usage for both highway and utility purposes will be made of the area within the highway right of way limits as such area is defined and to the extent indicated on the aforementioned plans or sketches. Where Owner by reason of ownership of an easement or fee title or otherwise under law has the right to alter, modify or add to facilities presently located within the area above described or construct additional facilities therein, such right is hereby retained, provided, however, if existing facilities are to be altered or modified or new facilities constructed within said area the Owner agrees to notify the Texas Highway Department prior thereto, to furnish necessary sketches showing location, type of construction, and methods to be used for protection of traffic, and if, in the opinion of the Texas Highway Department, such alteration, modification, or new construction will injure the highway or endanger the traveling public using said highway, the Texas Highway Department shall have the right, within 30 days after the receipt of such notice, to prescribe such regulations as necessary for the protection of the highway facility and the traveling public using said highway; provided further, however, that such regulations shall not extend to the requiring of the placement of intended overhead lines underground or the routing of any lines outside of the area of joint usage above described.

OWNER hereby agrees that access for servicing its facilities normally will be limited to access via (a) Frontage roads where provided (b) Nearby or adjacent public roads and streets, or (c) Trails along or near the highway right of way lines, connecting only to an intersecting road; from any one or all of which entry may be made to the outer portion of the highway right of way. Where supports, manholes, or other appurtenances of the Owner's facilities are located in medians or interchange areas, access to them from the through-traffic roadways or ramps

will be permitted but only by permits issued by the State to the Owner setting forth the conditions for policing and other controls to protect highway users. If an emergency situation occurs, and the usual means of access for service operations as herein provided will not permit the immediate action required by the Owner in making emergency repairs as required for the safety and welfare of the public, the Owner shall have a temporary right of access to and from the through-traffic roadways and ramp as necessary to accomplish the required emergency repairs.

Participation in actual costs incurred by the Owner for any future relocation or adjustment of utility facilities required by highway construction shall be in accordance with and to the extent possible under applicable laws of the State of Texas. Except as expressly provided herein, (1) The Owner's rights of access to the through-traffic roadways and/or ramps shall be subject to the same rules and regulations as apply to the general public, and (2) The Owner and the State, by the execution of this agreement, do not waive or relinquish any right which they may have under the law or Constitution, State or Federal.

In the event the Owner fails to comply with the requirements as set out herein, the State may take such action as it deems appropriate to compel compliance.

IN WITNESS HEREOF, the parties hereto have affixed their signatures.

On this the 5th day of January, 19 76, the Commissioners Court of Fort Bend County, Texas, was convened in Special session at a Regular Term of said Court, with the following members present, to-wit:

Josh Gates, County Judge,

Johnnie Pustka, Commissioner, Precinct No. 1,

Paul R. Wenzel Jr., Commissioner, Precinct No. 2,

Not Present, Commissioner, Precinct No. 3,

Ed H. Helwig, Commissioner, Precinct No. 4,

Pearl Ellett, County Clerk;

and at such session, among other proceedings, the following order was passed:

"WHEREAS, by virtue of an order of the Commissioners Court of Fort Bend County, Texas, adopted on the 5th day of January, 19 76, said County became a participating subdivision in the Texas County and District Retirement System; and

"WHEREAS, the Actuary for said System has determined and certified that the increases in benefits, credits and additional coverages hereinbelow selected, can be amortized by the County within the time and under the terms prescribed by Subsection 11, Section VI of Article 6228g, Vernon's Texas Civil Statutes, as amended; it is accordingly,

"ORDERED BY THE COMMISSIONERS COURT OF Fort Bend COUNTY, TEXAS:

"1. Effective January 1, 1976 :

"(a) Current Service Credits allowable to employees of said County for service performed thereafter shall be increased from the present factor of 100 % of the deposits of each member (1. 0 :1 matching ratio) to a factor of 100 % (1. 0 :1 matching ratio) of said amount.

"(b) Current Service Credits allowed for service performed for said County subsequent to date of participation in the System and prior to January 1, 1976 shall be increased from a factor of 100 % of the deposits of each member during said period to a factor of 100 % (1. 0 :1 matching ratio) of said amount.

"(c) Allocated [Special] Prior Service Credits heretofore allowed by said County and now in effect shall be increased from the present 45 % of the Maximum [Special] Prior Service Credit of each member affected to 95 % of said amount.

"(d) Current service annuities attributable to said subdivision and in effect December 31, 1975, shall be increased as to monthly benefits payable for January, 1976 and thereafter by 0 % of the monthly benefit paid to such annuitant for the month of December, 1975 (excluding any amounts paid as distributive benefits).

"(e) Monthly payments as to prior service annuities arising from prior service credits allowed by said County and in effect December 31, 1975 shall be increased by 111.1% of the monthly benefit paid to such annuitant for the month of December, 1975 (excluding any amounts paid as distributive benefits).

"2. Any person who is an employee of this County on or after January 1, 197(6) and who shall have accumulated twenty (20) or more years of creditable service, or who shall have accumulated twelve (12) or more years of creditable service and has attained age sixty (60) shall have the right of "deferred service retirement" under the terms and conditions prescribed in Subsection 11 of Section VI of Article 6228g, Vernon's Texas Civil Statutes as amended.

"3. Any person who is an employee of this County on or after January 1, 1976, and who has accumulated at least twelve years of creditable service with this and other participating subdivisions which have adopted twelve-year vesting, shall have the right, despite withdrawal from service prior to attainment of age 60, to remain a member and to retire at or after age 60, conditioned that he lives to date of retirement and that he shall not have withdrawn his accumulated deposits with the System.

"4. Prior service credit (not exceeding 36 months total) shall be, and is hereby allowed (effective January 1, 1976) for active service in the armed forces of the United States performed by an employee of this County under the following conditions, viz.:

"(a) Such service was performed prior to date of the County's participation in Texas County and District Retirement System.

"(b) Such service was performed during a time that the United States was involved in organized conflict with foreign forces, whether in a formal state of war or police action;

"(c) Such person was an employee of said County immediately prior to the beginning of such service in the armed forces, entered such military service without intervening employment, and returned to employment of said County within one hundred eighty (180) days following his discharge or release from active duty with the armed forces; and

"(d) Such person has not heretofore been allowed credit for any part of such military service."

5. Any person who is an employee of this County on or after January 1, 1976, and who was a member of the military service of the United States during the period from April 6, 1917 to November 11, 1919, or from October 16, 1940 to October 31, 1974, and who otherwise qualifies under the requirements of paragraph (d)(10) of Subsection 11, Section VI of Article 6228g, Vernon's Texas Civil Statutes, shall be granted current service credit for each month of such military service (not exceeding the limits prescribed in said Act) for which such member makes application

and makes deposits within the time and manner as required by said Act. Any prior service allowed such member pursuant to paragraph 4, above, of this order shall be included in determining the maximum credit which may be allowed such member for military service.

The above order being read, it was moved and seconded that the same do pass and be adopted. Thereupon, the question being called for, the following members voted Aye: Josh Gates, Johnnie Pustka, Paul R. Wenzel Jr., Ed H. Helwig, ; and the following voted No: .

This proposal is presented to you as an offer to act as your Fiscal Agent in the authorization and issuance of interest bearing securities during the period from this date to December 31, 1979. This proposal carries with it an agreement that should the County desire to issue securities requiring an election and the election should fail, then there would be no fee due us for our services.

In the issuance of securities either long or short, it would be our responsibility to provide you with information indicating the adequacy of the loan to be made, assurance that the funds would be available when needed, that the arrangement of the loan would best satisfy the overall existing debt structure of the County taking into account future needs to be financed through the issuance of additional securities. All of this is related to the financial and legal ability of the County to meet the requirements of such financing.

We would assume all expenses (as outlined in the Municipal Advisory Pamphlet setting forth the responsibilities of the Fiscal Agent) in connection with the issuance of the bonds including reimbursement to the County for the fee of an approved qualified bond attorney whose approving opinion is nationally accepted.

The only expenses for which we would not be liable would be those that might arise from litigation or the expense of holding the election.

For our fee, the County would agree to pay us upon delivery and payment for the securities a fee outlined in the accompanying exhibit.

Respectfully submitted,

R. N. Eddleman,
Vice President

ACCEPTED by the Order of the Commissioners Court this 12th day of January, 1976.

Schedule of Fees:

$ 50,000	$ 2,000
150,000	3,350
250,000	4,350
350,000	5,250
500,000	6,150
700,000	7,180
1,000,000	8,635
1,500,000	10,835
2,500,000	13,835
5,000,000	18,868
10,000,000	27,710
20,000,000	42,710

For amounts of bonds not shown on this schedule, the fee will be the percentage of the difference between the higher and lower fee added to the lower fee.

If bonds are sold in an amount covered by this schedule, the fee will be as indicated. If an amount of securities is authorized that requires that the bonds be sold in several installments then the fee for each installment will be 125% of the percentage that the current sale is of the total amount.

This provision applies to securities sold in an amount in excess of $350,000. For sales of $350,000 or less, the fee as indicated will be as shown on the schedule.

Should it become necessary to issue Revenue Bonds or Certificates of Obligations not sold for cash, the fee will be 125% of the schedule as shown. Also, if Certificates of Obligations are issued in installments for goods or services, there would be a charge of $25.00 per delivery. These charges are added because of the increase in the legal fees imposed by the Bond Attornies for their additional time required in the preparation of the additional necessary instruments.

FINANCIAL ADVISORY CONTRACT

(General Obligation Bonds)

(M.A.C. Form C-1. Standard Form of Agreement between Municipal Subdivision and Municipal Bond Dealer Covering GENERAL OBLIGATION BONDS. Form Approved by the Municipal Advisory Council for Use of Members Only.)

Date January 12, 1976

To: Honorable County Judge and Commissioners' Court

Ft. Bend County, Texas

Courthouse, Richmond, Texas 77469

Gentlemen:

1. We understand that you contemplate ordering an election within your County at which there will be submitted to its qualified voters the proposition(s) of authorizing the issuance of certain bonds in the following amount(s) and for the purpose(s) indicated:

To be determined

and that in connection with the authorization, issuance, sale and delivery of such bonds you desire this proposal from us to perform professional services in the capacity of Financial Advisors for your County.

2. By this proposal we offer our professional services and our facilities as Financial Advisors and agree to perform the following duties normally performed by such advisors, and to perform such other duties as, in our judgment, may be necessary or advisable:

a. To make a study of the debt structure of your County, the trend of its assessed valuation, its taxing power and the present and estimated future taxing requirements, and on the basis of such study to devise and recommend for your approval a plan of financing to cover the proposed bonds. Such plan shall include a maturity schedule and other terms and conditions, such as options of prior payment and the like, as will, in our opinion, result in the issuance of the bonds under terms and conditions most advantageous to your County consistent with a minimum effective interest rate.

b. We understand that you have retained or expect to retain Vinson, Elkins, Searls, Connally & Smith, a firm of recognized municipal bond attorneys, who will prepare the proceedings and advise the steps necessary to be taken in the bond election, the legal issuance of the bonds and the final delivery of the bonds and who will issue an opinion approving the legality of the bonds. All financial services rendered pursuant to this contract will be performed in such manner, and will include assembling and accumulating such financial facts, information and data, as will be necessary or appropriate to obtain the unqualified approving legal opinion of said attorneys. The fee of said attorneys will be paid by us.

c. At such time as it shall be decided to order a bond election, we will assemble and transmit to the bond attorneys such data as may be required in the preparation of the necessary petitions, orders, resolutions, notices and certificates; and will assist your governing body in the expeditious handling thereof.

d. We will procure and deliver to such official as you may designate such sets of election supplies, including ballots (but excluding voting machines and voting booths) as are required for each polling place.

e. To advise you of current bond market conditions, forthcoming bond issues and other general information and economic data which might normally be expected to influence interest rates or bidding conditions so that the date for the sale of the bonds can be set at a time which, in our opinion, will be favorable.

f. To compile from your official records for submission to and approval by your governing body an Official Statement or Prospectus, if required, containing official data and other information of the nature and to the extent ordinarily required in bidding on bonds of this type, all of which we are to furnish in a sufficient number of copies to permit mailing to prospective bidders, a list of which we agree to provide.

g. To attend to and pay for the printing of the bonds.

h. To pay the necessary expenses in obtaining the approving opinion of the Attorney General of the State of Texas and the registration of the bonds by the Comptroller of Public Accounts, and the delivery of the bonds to the purchaser at a bank in Austin, Texas.

i. If the bonds are eligible under Texas laws for purchase by the State Board of Education, to assist in the preparation and timely submission of an Application for Waiver to said Board.

3. We agree to direct and coordinate the entire program of financing herein contemplated and to assume and pay the expenses above enumerated. It is specifically understood and agreed, however, that this obligation on our part shall not cover payment of any local election expenses (except that we will furnish election supplies to the extent hereinabove provided); nor shall it cover the cost of publication of notices in newspapers, or other publication costs, or the expenses of any litigation.

4. As consideration for the services rendered by us and as reimbursement for the expenses which we are to incur, it is understood and agreed that your County is to pay and we are to accept a cash fee to be computed as follows:

See attached schedule

7

Such fee shall become due and payable simultaneously with delivery of the bonds to the purchaser.

5. In the event the bond election contemplated by this proposal should fail, then the fee due us shall be none; however, should the same or similar proposition(s) again be submitted at an election held within * months from date hereof, then at our option the agreement covered by this proposal shall apply to any bonds authorized at such election.

6. It is further understood and agreed that we reserve the right to submit a bid for the bonds when offered for sale.

7. This agreement shall be terminated on December 31, 1979 ~~xxxx

RE: APPLICATION FOR AND PERMIT GRANTING PIPE LINE CROSSING CORONADO TRANSMISSION COMPANY - SCOTT ROAD:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Johnnie Pustka, and duly passed, the court approved the Application for and permit granting Pipe Line Crossing to Coronado Transmission Company on Scott Road, as follows;

APPLICATION FOR AND PERMIT
GRANTING PIPE LINE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW Coronado Transmission Company, P. O. Box 165, Corpus Christi, Texas 78403

acting herein by and through its duly authorized representative, and hereby petitions your Honorable Court for the right to lay a pipe line under and across ~~certain~~ along roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judges' office and the Drainage District Engineers' office of Fort Bend County.

Petitioner agrees to bury pipe line below grade and keep said pipe line in good condition at all times, and to case same in the places where required as indicated on the attached plats and that it will, at petitioners' expense, make changes in said pipe line and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or construction of public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners and its Engineer in the construction, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of laying, maintenance or operation of said pipe line.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 26th day of November 19 75.

RE: ACTIVITY REPORT OF FORT BEND COUNTY HISTORICAL COMMISSION FOR THE YEAR 1975:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Ed. H. Helwig, and duly passed, the court accepted the Activity report of Fort Bend County Historical Commission for the year 1975 into the minutes, as follows:

7

ACTIVITY REPORT OF FORT BEND COUNTY HISTORICAL COMMISSION

FOR THE YEAR 1975

I am Mrs. R. L. Wallace, County Chairman of the Fort Bend County Historical Commission and wish to submit the following report of our activities for the year 1975.

I want first of all to thank Judge Josh Gates, Commissioners Johnnie Fustka, Ed Helwig, Johnny Davis and Paul Wenzel for their interest and support of our commission. Because of their assistance we have completed another successful year receiving the Distinguished Service award given by the Texas Historical Commission for executing a well rounded program of historical work in the county.

Our slide program designed to publicize and promote interest in the historical background of Fort Bend County has been presented on 30 occasions to over 1500 students and approximately 500 adults. In addition to the tour of the museum 14 of these groups were given a guided tour of historical markers and sites in the area. The attendance at the museum is steadily increasing and there were 10,000 visitors last year.

We have researched the history and made application for the following official State Historical Markers; Hodges Bend Cemetery in Sugar Land, Site of Jane Long's Boarding House, Pearson-Winston House and Darst house in Richmond and Stafford's Point.

With the assistance of girl and boy scouts, the Hodge's Bend Cemetery has been cleaned up. This is the burial place of Alexander Hodge, Fort Bend County's only American Revolutionary veteran. Funds have been contributed for memorial iron gates, a flagpole donated with plans for a dedication ceremony of these and the historical marker this bi-centennial year.

We have conducted workshops for several groups coming from over Texas wanting help in planning their museum. and for the Univ. of Texas-Winedale seminar for museum personnel.

Have worked with the Chamber of Commerce to publish a new historical brochure in the near future and also have a representative on the tourism committee of the Chamber to coordinate our efforts on tourism.

We have had delegates attending the Regional and annual meeting of the Texas Historical Commission and their museum workshops.

Have cooperated with the Houston-Galveston area council compiling historical sites and buildings throughout Fort Bend County, and with Texas Tech University on their project of cataloguing historic engineering sites in this area.

Made a survey of county cemeteries showing their location on a county map and have record of grave stones in each of 21 cemeteries.

Our oral history project was taping some 25 hours with the late John M. Moore, Jr. as he recalled the activities of his father, Congressman John M. Moore, of his own involvement in the county affairs, visitors and activitbes in the home, all information that will aid in the proper protrayal of the Moorefamily when the home is opened as a historical house museum. This is being transcribed and indexed.

I have worked almost full time the past two years editing the 30 year collection of Ft. Bend County historical material of the late Frank L. Heard. This is being typed for the museum archives to be used by researchers and hopefully used for an updated County History.

We have worked with the editor and photographers of the widely distributed Texas Highway magazine resulting in a 6 page article on this area and also cooperated with the Bi-centennial committees working in the east end of the county.

Our members continue to assist in the work of the museum and with restoration of properties given the Museum Assn. There are also day-to-day requests from over the nation for information on early family biographies and information needed by individuals publishing books.

This is a report I am proud to submit and with the continued support of the Commissioners Court look forward to another successful year.

Respectfully submitted - Mrs. R.L.Wallace,County Chrmn.

RE: ACCEPT REPLACEMENT ON THE FORT BEND COUNTY LIBRARY BOARD:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Johnnie Pustka, and duly passed, the court approved that Mrs. William L. Miller of Simonton, Texas replace Mrs. Mary Fikes on the Fort Bend County Library Board.

RE: APPROVE WAGES FOR THE SECRETARIES FOR JUSTICE OF PEACE PRECINCT #2, #3 and #4:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved the following wages for Secretary help for the following Justice of Peace office.

Justice of Peace Precinct #2, Marvin J. Geick
$2.20 per hour up to 40 hours, per week.

Justice of Peace Precinct #3, M. J. Zak
$2.20 per hour up to 20 hours,

Justice of Peace Precinct #4, Carl B. Bentley
$2.20 per hour not to exceed $75.00 per month.

There being no further business, the court adjourned at 11:00 o'clock P.M.

RE: MOTION TO SEND LETTER TO FEDERAL INSURANCE ADMINISTRATOR AND MICHAEL BAKER, JR., INCORPORATED CONCERNING SPECIAL FLOOD HAZARD AREA MAPS OF FORT BEND COUNTY:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Johnnie Pustka, and duly passed, the court authorized that the following letter be mailed to Federal Insurance Administrator and Michael Baker, Jr., Incorporated concerning Special Flood Hazard Areas of Fort Bend County

Gentlemen:

Since the Michael Baker, Jr. Company and the Federal Insurance Administration has not seen fit to consider the latest technical and historical information submitted by Fort Bend County in determining the Special Flood Hazard Areas of Fort Bend County, the Commissioners' Court of Fort Bend County requests that the Michael Baker, Jr. Company and Federal Insurance Administration furnish us the complete engineering data that was used in determining the Special Flood Hazard Areas of Fort Bend County so we can evaluate this information. We also ask that we have sufficient time to present our views before Special Flood Hazard Area Maps of Fort Bend County are published.

We are deeply disturbed that despite assurance that local imput would be utilized the latest and most up to date information that we went to considerable expense to furnish several months ago was disregarded.

Fort Bend County has for many years had a program to prevent building in areas having flood potential, and we have not had flood damage as other areas have. Now the information we have gathered over the years that has

successfully prevented losses is ignored and maps are being published with multiple errors in location and including areas that have never flooded in Flood Hazard Areas.

We respectfully request that we be notified why this information we have gathered and submitted has not been utilized.

CONDITIONS

1. PRICES - Notwithstanding any other provision contained herein, SELLER reserves the right, at any time, without notice to PURCHASER to increase immediately the prices for the products covered by this agreement, and PURCHASER agrees to pay such increased prices.

   This contract is subject to cancellation by either party upon thirty-days written notice to the other party. Under no circumstances will SELLER be obligated to supply PURCHASER beyond the thirty-day notice period in the event PURCHASER cancels this agreement.

2. TAXES - In addition to quoted prices, PURCHASER shall pay SELLER the amount of any and all taxes now or hereafter assessed or imposed by any Municipal, State or United States Government on the products or contract covered by or resulting from this quotation, or the manufacture, use or sale of said products, unless PURCHASER shall be entitled by law to an exemption from said tax and shall furnish seller with proper exemption certificate when shipping instructions are given.

3. SHIPMENTS - Claims regarding shortage in quantity shall be made at the time of delivery. Any claims regarding variance in quality of products delivered by SELLER shall be made within fifteen (15) days after date of delivery.

   Should transportation equipment furnished by the SELLER be in bad order or leaking, the PURCHASER shall notify the carrier and secure examination by the authorized agent of the carrier as to the condition of the equipment before same is unloaded.

   It is understood that in the event of any claims asserted by the PURCHASER hereunder the SELLER shall be given an opportunity to promptly inspect the products or goods delivered and failure of the PURCHASER to comply with these requirements shall operate as a waiver of any and all claims by the PURCHASER.

4. LIABILITY - When shipment is made by public carrier and sale is f.o.b. shipping point title and risk of loss shall pass from SELLER to PURCHASER when loading has been completed. When sale is made on a delivered price basis in SELLERS equipment or when freight is prepaid by SELLER, title shall pass to PURCHASER upon arrival of shipment at destination specified in PURCHASER'S order.

5. DELIVERIES DELAYED OR PREVENTED - PURCHASER and SELLER shall be absolved from their respective obligations to deliver or accept delivery of products under this quotation when and to the extent that performance thereof is delayed or prevented by any cause reasonably beyond the control of PURCHASER or SELLER. If SELLER believes in its reasonable opinion there may be a shortage of supply and that SELLER is or may be unable to meet its obligations to its customers, SELLER may allocate among such customers its available supply in such reasonable manner as it may determine. SELLER shall not be required to make up deliveries omitted due to any of the causes referred to herein, and the total quantity required under this quotation shall be reduced by the amount not delivered, computed on the basis of the average monthly quantity.

6. Unless otherwise specified all shipments are to be made in approximately equal monthly quantities.

7. If shipped in returnable drums, deposit charge shall be made as indicated in this quotation, and credit for deposit shall be allowed if empty drums are returned within a reasonable time in good condition to the proper Gulf terminal or bulk plant.

8. All credit terms are subject to the approval of SELLER'S Credit Department, and shall be subject to change from time to time upon notice of same.

9. NOTICES–Any notice to be given hereunder shall be in writing and shall be deemed to have been duly given if and when deposited in the United States mail, properly stamped and addressed to the party for whom intended at the address of such party herein specified, or when delivered personally to such address.

RE: APPLICATION FOR AND PERMIT GRANTING SANITARY SEWER AND WATER LINES UNDER COUNTY ROADS TO J. KEN LEAMAN AND LEE LEAMAN:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved application for and permit granting sanitary sewer and water lines under county road near Needville, Texas, to J. Ken Leaman and Lee Leaman, as follows:

(Recorded in the minutes in full)

APPLICATION FOR AND PERMIT
GRANTING SANITARY SEWER AND WATER LINES
UNDER COUNTY ROADS

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW J. Ken Leaman

acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried sew & water lines under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

Petitioner agrees to bury lines as indicated on the attached plat and keep said lines in good condition at all times, and that it will, at petitioner's expense, make any changes in said lines and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners' and its Engineer in the construction and installation, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 29TH day of January 19 76.

RE: APPROVE APPLICATION FOR AND PERMIT GRANTING PIPE LINE CROSSING SPERRY MAC OIL COMPANY AT BIG CREEK:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner J. M. Davis, and duly passed, the court approved the application for and permit granting pipe line crossing to Sperry Mac Oil Company at Big Creek, as follows;

(Recorded in the minutes in full)

APPLICATION FOR AND PERMIT
GRANTING PIPE LINE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW Sperry Mac Oil Co.

acting herein by and through its duly authorized representative, and hereby petitions your Honorable Court for the right to lay a pipe line under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judges' office and the Drainage District Engineers' office of Fort Bend County.

7 Petitioner agrees to bury pipe line below grade and keep said pipe line in good condition at all times, and to case same in the places where required as indicated on the attached plats and that it will, at petitioners' expense, make changes in said pipe line and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or construction of public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners and its Engineer in the construction, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of laying, maintenance or operation of said pipe line.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 3rd day of February 19 76.

RESOLUTION

WHEREAS, the Commissioner's Court of Fort Bend County, Texas, on its own motion and order, on Feb 16, 1976, adopted a resolution approving the abandoning and exchanging an existing drainage easement belonging to the State of Texas, which drainage easement is more particular described in Exhibit "A" for an easement across a tract of land presently owned by Sugar Creek Corporation, said easement being described in Exhibit "B" with both exhibits being attached hereto and made a part hereof for all pertinent purposes; and

WHEREAS, the Fort Bend County Drainage District, acting by and through its duly authorized and elected Board of Directors desires to consent to and approve of said abandonment and exchange of easements;

NOW, THEREFORE, be it RESOLVED, by the Board of Directors of the Fort Bend County Drainage District:

That the exchange of the easement owned by the State of Texas for an easement across a tract of land owned by Sugar Creek Corporation be, and the same hereby is, approved.

ADOPTED this 16 day of February, 1976.

STATE OF TEXAS) IN THE COMMISSIONERS' COURT
) OF FORT BEND COUNTY, TEXAS
COUNTY OF FORT BEND) AT THE Jan.-March TERM A.D. 1976

RESOLUTION AND ORDER

BE IT REMEMBERED that on this the 16th day of February A.D. 1976, the Commissioners' Court of Fort Bend County Texas, convened in Special session, at a Meeting of such Court in the County Courthouse in the City of Richmond, Texas, with the following members present: Josh Gates, County Judge; Johnny Pustka, Paul R. Wenzel, Jr., J. M. Davis, and Ed H. Helwig; Commissioners.

There came on for consideration before the County the matter of the exchange of the surplus right of way easement presently owned by the State of Texas, said easement being described in Exhibit "A" for an easement across a tract of land presently owned by Sugar Creek Corporation, said easement being described in Exhibit "B" with both Exhibits being attached hereto and made a part hereof for all pertinent purposes, and the following Resolution and Order were adopted and enacted by the Commissioners' Court of Fort Bend County, Texas:

RESOLUTION

WHEREAS, the State of Texas by and through the District Engineer of District No. 12 of the State Department of Highways and Public Transportation has determined that the road right of way easement presently owned by the State of Texas, said property being described in Exhibit "A" attached hereto and made a part hereof for all pertinent purposes, is now surplus property, is no longer needed by the State Department of Highways and Public Transportation and has recommended that said surplus road right of way easement be exchanged with the Sugar Creek Corporation for a road right of way easement; and

WHEREAS, the Commissioners' Court of Fort Bend County, Texas, has also determined that said property is not needed by the citizens of the County for road purposes; and

WHEREAS, the Commissioners' Court of Fort Bend County, Texas, fully concur with the said District Engineer that said property should be exchanged with the Sugar Creek Corporation for road right of way easement purposes:

NOW THEREFORE, BE IT RESOLVED that Fort Bend County, Texas, acting by and through its Commissioners' Court unanimously concur with the District Engineer of the State Department of Highways and Public Transportation that the hereinabove described property should be exchanged with Sugar Creek Corporation for road right of way easement purposes; and

BE IT FURTHER RESOLVED, that Fort Bend County, Texas, does not need any part or parcel of said easement for any purpose; and

BE IT FURTHER RESOLVED, that the Commissioners' Court of Fort Bend County, Texas, agrees and consents, that the State of Texas may dispose of said easement by conveying same to the Sugar Creek Corporation for road right of way purposes.

ORDER

IT IS FURTHER ORDERED by the Commissioners' Court of Fort Bend County, Texas, that the easement described in Exhibits "A" and "B" attached hereto and made a part hereof for all pertinent purposes be disposed of in accordance with the hereinabove Resolution.

The above Resolution and order having been read in its entirety, and upon motion of Commissioner Ed. H. Helwig, seconded by Commissioner Paul R. Wenzel, Jr., said Motion and Order being duly put and having carried by the following vote:

Voting "Aye": Commissioners — Johnnie Pustka; Paul R. Wenzel, Jr.; J. M. Davis; Ed. H. Helwig

Voting "No": Commissioners — None

Attention of Mrs. Joyce Tompkins,
County Auditor

Dear Sirs:

In response to a request by Mrs. Tompkins, I estimate that our fee (including expenses, if any) for the audit of the various funds of Fort Bend County, Texas for the year ended December 31, 1975 should not exceed $25,000.

This fee estimate includes the preparation of the regular short-form report, the related comment letter report, and the separate reports on your library grants and federal revenue sharing funds, and assumes a scope of work similar to that we performed in 1974.

If I can be of further service on this matter, please do not hesitate to ask.

Sincerely,

James L. Williams

RE: APPROVE APPLICATION FOR AND PERMIT GRANTING PIPE LINE CROSSING TO SEAWAY PIPELINE INC. - FORT BEND COUNTY ROADS:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Paul R. Wenzel, Jr., and duly passed, the court approved the Application for and permit granting pipe line crossing to Seaway Pipeline Inc., crossing Roads in Fort Bend County, as follows:

(Recorded in the minutes in full)

APPLICATION FOR AND PERMIT
GRANTING PIPE LINE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW SEAWAY PIPELINE INC.

acting herein by and through its duly authorized representative, and hereby petitions your Honorable Court for the right to lay a pipe line under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judges' office and the Drainage District Engineers' office of Fort Bend County.

Petitioner agrees to bury pipe line below grade and keep said pipe line in good condition at all times, and to case same in the places where required as indicated on the attached plats and that it will, at petitioners' expense, make changes in said pipe line and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or construction of public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners and its Engineer in the construction, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of laying, maintenance or operation of said pipe line.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate originals this 16th day of

FEBRUARY 1976.

Resolution of Fort Bend County Commissioners' Court on Flood Hazard Designations to Federal Insurance Administration.

The Fort Bend County Commissioners' Court asks that no Flood Hazard Maps be published for Fort Bend County unless adequate and complete scientific and technical data is used in the determination. The so called technical data presented to the Fort Bend County Drainage District with the preliminary maps is a combination of some technical data with some questionable variables, some starting assumed elevations, and in the majority of the county only an average of two actual floods and the greater of those was based on only one known elevation in Fort Bend County and the frequency has never been determined.

The flood hazard maps have a tremendous economic effect on an area and in most cases will be used for several years. Until there is information to substantiate the many varied and differing estimates of the flood plain we insist that you either put off publishing an inaccurate map or at least use the historical data and the results of 25 years of experience of the Fort Bend County Drainage District Engineer in determining the area to be included in this first Flood Hazard Map for Fort Bend County.

We insist that the information furnished us to date is not adequate to make an accurate designation, and that if you do not agree with our views you notify us in time so we can take whatever action we feel necessary to prevent causing unjust economic chaos by publishing inaccurate maps.

We would be glad to discuss this matter with you in detail at any time.

Yours very truly,

RE: APPROVE APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING TO FORT BEND TELEPHONE COMPANY IN PRECINCT #2:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner J. M. Davis, and duly passed, the court approved the application for and permit granting telephone cable crossing to Fort Bend Telephone Company in Precinct #3 on Foster-School Road, Vincik Road, Snake Creek Road and Ehlert Road to service new Customers.

(Recorded in the minutes in full)

APPLICATION FOR AND PERMIT
GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW FORT BEND TELEPHONE COMPANY acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make changes in said cable and relocate same when ordered to do so by the County of its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioner's and its Engineer in the construction and installation, and to notify the County Commissioner in the Precincts, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still available for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

A Bond is required to be in force during the construction period and for one year thereafter to assure that the area is returned to and remains in its previously existing condition.

The undersigned officer of said Company has full authority to bind said Company hereto.

Executed in quadruplicate orginals this 8th day of MARCH 1976

RE: APPROVE RESOLUTION OF FORT BEND COUNTY COMMISSIONERS' COURT ON MILLICAN LAKE PROJECT:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner J. M. Davis, and duly passed, the court approved the Resolution of Fort Bend County Commissioners' Court on Millican Lake Project, as follows:

/R

JAMES H. "JIM" HUDNALL

RESOLUTION OF FORT BEND COUNTY COMMISSIONERS' COURT ON

MILLICAN LAKE PROJECT

The Fort Bend County Commissioners' Court reaffirms its' stand on the proposed dams in the Brazos River Basin as a major benefit to the people of the entire Brazos River below Waco.

Flood Control is vital to our county since approximately 40% of our area will be in the 100 year Flood Plain. This has and will be disastrous to the economy of Fort Bend County and surrounding counties in the Brazos River Basin. Millican would contribute greatly to the reduction of flood potential and resulting damage.

The 100 year flood flow rate in Richmond under present conditions is 210,000 cfs. With the completion of Laneport and North Fork Reservoirs the 100 year flow rate will be 173,000 cfs. This is a reduction in elevation of flood waters of two (2) feet. With the Millican Reservoir and the Aquilla Reservoir completed the elevation will be reduced by another two and one half feet (2 1/2) and the flow rate will be reduced to 138,000 cfs.

These reductions in elevations take many acres of land out of the Flood Plain returning it to usable productive and more valuable land which is necessary for a healthy local economy.

A major portion of the estimated $74,000,000. in damages to property from flood waters without the Millican Reservoir will occur in Fort Bend County. This is only a portion of the losses when considering the losses in tax revenue to cities, schools and the county when values of land decrease because it is flood prone.

There will also be a need for water supplies in the Coastal areas and with the serious land subsidence in various areas, additional surface water will be needed to meet the needs of this fast developing area.

Considering the above benefits we would ask Congress to appropriate the $435,000. the Corps of Engineers can effectively use to continue the planning on the Millican Project.

Respectfully submitted:

RE: APPROVE RESOLUTION ON BIG CREEK WATERSHED PROJECT:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved the Resolution on Big Creek Watershed Project, as follows:

RESOLUTION ON BIG CREEK WATERSHED PROJECT

Fort Bend County Commissioners'Court urges the approval of the Big Creek Watershed as a Department of Agriculture Public Law 566 Planning Project.

The approximately 151,000 acre watershed is the major drainage system for agricultural and urban runoff in Fort Bend County.

At present the watershed is serving mainly agricultural lands with the cities of Rosenberg and Beasley on the upper end of the watershed. Urban development will be rapid on the watershed since approximately 30% of the county will be within the flood plain of the Brazos River. The urban development will increase runoff and will cause more serious flooding in the watershed. The lower end of the watershed will remain in agricultural use for many years and for good agricultural production adequate drainage will be necessary.

At present there are drainage channel construction easements along the entire stream and the majority of these easements are adequate for any expansion.

Fort Bend County has been preparing for this project and since it is so vital the county will provide all the required local participation to complete the project.

Respectfully submitted:

RE: ORDER CHANGING RECENTLY APPROVED SUBDIVISION REGULATIONS ON 50' RIGHT OF WAY ON INTERIOR STREETS AND REQUIRING SIDEWALKS IN ALL SUBDIVISIONS:

On Motion of Commissioner J. M. Davis, seconded by Commissioner Ed. H. Helwig, and duly passed, the court ordered changing recently approved subdivison regulations on 50' right of way on interior streets and requiring sidewalks in all subdivisions, as follows:

On motion of Commissioner J. M. Davis, seconded by Commissioner Ed. Helwig and duly passed, the Court ordered that the following provisions be added and changed in the "Policies for the Approval of Subdivision Plats in Fort Bend County."

The Commissioners' Court of Fort Bend County, after complete evaluation of information sets the following additional requirements for the 50 foot street Right-of-Way and side walk requirements.

A. Fort Bend County Commissioners' Court through the Fort Bend County Drainage District Engineer will determine the interior streets that will be eligible for approval as 50 foot right-of-way.

B. Fort Bend County Commissioners' Court requires that side walks will be built within all right-of-way dedicated to the Public. The side walks will be within the road right-of-way, four (4) feet in width, four and one half (4 1/2) inch thickness, constructed with five (5) sack steel reinforced concrete. All side walks will have a slope toward the street of 1/4 inch to 1/2 inch per foot.

Dear Judge Gates:

This letter is to request that the study leave granted to Mrs. Dorothy Tompkins, County Extension Agent, from May 17, 1976 to November 17, 1976 be changed to June 1, 1976 through December 1, 1976. We are requesting this change because Sam Houston University has notified Mrs. Tompkins of a change in the class schedule and in order to take the required courses on her degree plan, she will need to attend classes during the period of June 1, 1976 to December 1, 1976.

We would also like to request that this six-month period be granted to Mrs. Tompkins as leave without pay. We are requesting this for several reasons. We have been able to locate a source of funds to pay Mrs. Tompkins' salary while she is on study leave. Secondly, we have become aware of the fact that the county Extension office is having a difficult time staying within the budget for supplies and telephone expenses. We would, therefore, like to request that the money budgeted for Mrs. Tompkins' salary and travel for the six-month period from June 1 to December 1, 1976 be used by the county Extension office for supplies and telephone expenses, to the extent needed to maintain an effective Extension program in Fort Bend County.

A copy of this letter is being sent to each Commissioner and the County Auditor for their information.

We would like to take this opportunity to thank the Commissioners Court for their continued support of the county Extension program and for their granting Mrs. Tompkins full-time study leave.

Sincerely,

Judy Sanders

669 RE: APPROVE APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING ON INSURANCE ROAD:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner Paul R. Wenzel, Jr., and duly passed, the court approved the Application for and Permit Granting Telephone Cable Crossing on Insurance Road, as follows:

APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS
% County Courthouse
Richmond, Texas 77469

COMES NOW Southwestern Bell Telephone Company acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

Beginning at the northwest corner at the intersection of FM 2759 and Insurance Road, then proceeding north for a distance of 7442 feet within 5 feet of the west right-of-way line of Insurance Road.

Cable shall be placed at a minimum depth of 24 inches.

RO 89845

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make any changes in said cable and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners' ... its Engineer in the construction and installation, and to notify the Count Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

The undersigned officer of said Company has full authority to bind said Company hereto.

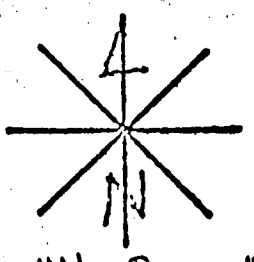

Executed in quadruplicate originals this 5th day of April 19 76.

RE: RESOLUTION TO OBTAIN RIGHT OF WAY ON HIGHWAY 36, CRABB RIVER ROAD AND FARM TO MARKET ROAD #1092 AND DULLES AVENUE:

On motion of Commissioner Ed. H. Helwig, seconded by Commissioner Johnnie Pustka, and duly passed the Fort Bend County Commissioners' Court, again affirms its agreement to furnish the necessary county portion of right-of-way expenses for Highway #36 from the Austin County line to Rosenberg and or to Highway #59, FM #1092 from Highway #59/90A to Highway #6, Dulles Avenue from Highway #59/90A to Avenue E, and Crabb River Road from the Freeway to FM #762. The Court asks that an immediate investigation be made to determine whether Highway #36 could be connected with Highway #59 West of Rosenberg and thus require less right-of-way on present #36 immediately West of Rosenberg.

The Court recessed at 10:00 o'clock to approve bills.

The Court re-convened on Thursday April 15, 1976 and the following order was passed.

RE: APPROVE BILLS:

All accounts shown in Minutes of Accounts allowed in Payroll Journal and Warrant Register, in the County Auditors office, as approved by the Commissioners' Court in person in April (Said sheets in said books being individually certified by each Commissioner as to his bills and by the County Auditor and County Judge on other bills) as hereby approved as to the official Action of the Commissioners' Court, on Motion of Commissioner Johnnie Pustka, seconded by Commissioner Paul R. On Motion of Commissioner J. M. Davis, seconded by Commissioner Johnnie Pustka, and duly passed, the court authorized Stanley Kucherka, Drainage District Engineer to attend the Federal Flood Insurance Program meeting in Washington, D. C.

RE: APPROVE APPLICATION - ECONOMIC ACTION COMMITTEE TO OBTAIN FUNDS FOR RURAL TRANSPORATION SERVICE:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner J. M. Davis, and duly passed, the court approved the support for an application for funds for Rural Transporation. The funds for the application will be made available under 16 b (2) Grant, due July 1, 1976, in the near future. The application for financial support for funds is with no obligation for funds from the county.

The Commissioners Court of Fort Bend County is aware of the efforts of the Economic Action Committee of Matagorda County to obtain funds for rural transporation service for the elderly, poor, handicapped and blind. We understand that Fort Bend County would be included in the service area. We support the application for these funds and the development of a rural transportation system in coordination with the social service agencies of this County.

RE: APPROVE PAYMENT OF BILL FOR WORKMEN'S COMPENSATION TO LEO H. DANIELS INSURANCE AGENCY:

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner Paul R. Wenzel, Jr., and duly passed, the court approved the payment of bill for Workmen's Compensation to Leo H. Daniels Insurance Agency in the amount of $7,859.00.

RE: APPROVE PAYMENT OF $4500.00 TO NEEDVILLE FIRE DEPARTMENT:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner Ed. H. Helwig, and duly passed, the court approved the payment of $4500.00 to Needville Fire Department for the purchase of equipment and accessories for fire truck. The payment of $4500.00 will be the counties portion out of $10,687.55 toward the purchase of the equipment and accessories for fire truck.

COUNTY OF FORT BEND §

IN THE COMMISSIONER'S COURT

ORDER

WHEREAS, on the ~~26th~~ 25th day of ~~April~~ March, 1976, RAYMOND M. HARTFIEL and wife, HELEN HARTFIEL filed an ~~amended~~ application to cancel a portion of HARTFIEL SUBDIVISIONS, SECTION ONE (1): the portion to be cancelled being described as follows, to-wit:

> All of Hartfiel Road and all of that portion of Ray Allen Road, which lies Northeast of a straight line from the East corner of Lot 2, Block 3, Hartfiel Subdivision, Section One, to the North corner of Lot 12, Block 1, Hartfiel Subdivision, Section One, as shown on the map or plat of said subdivision recorded in Volume 8, Page 16, Map Records, Fort Bend County, Texas.

this court filed said application and set a hearing and ordered publication of said hearing for the 26th day of April, 1976.

After publication of notice and the proper time having elapsed, the hearing was held at 9 o'clock A m, on the 26th day of April, 1976, by the Commissioner's Court. Upon hearing of evidence that RAYMOND M. HARTFIEL and wife, HELEN HARTFIEL are the record owners of the subject property; that no roads have been maintained on said property; nor had the property been sold by lots; and further, that the adjoining landowners will not be affected; nor will established rights of owners be interferred with by cancelling subject property within said subdivision, the Court is of the opinion that the following order is proper, just, and correct.

IT IS, THEREFORE, ORDERED, DECREED, and ADJUDGED that the portion of HARTFIEL SUBDIVISION, SECTION ONE (1), as shown on map or plat recorded in Volume 8, Page 16, Map Records, Fort Bend County, Texas, described as:

> All of Hartfiel Road and all of that portion of Ray Allen Road, which lies Northeast of a straight line from the East corner of Lot 2, Block 3, Hartfiel Subdivision, Section One, to the North corner of Lot 12, Block 1, Hartfiel Subdivision, Section One, as shown on the map or plat of said subdivision recorded in Volume 8, Page 16, Map Records, Fort Bend County, Texas:

is hereby cancelled and said subdivision is hereby declared null and void as to that portion.

SIGNED AND ENTERED this 26th day of April, 1976.

RE: ORDER REQUESTING THE DISTRICT ATTORNEY TO REQUEST A LEGAL OPINION FROM THE ATTORNEY GENERAL AS TO LEGALITY OF THE COUNTY ENTERING INTO A LAW SUIT CHALLENGING THE CONSTITUTIONALITY OF THE ENFORCEMENT OF THE FEDERAL DISASTER PROTECTION ACT OF 1973:

On Motion of Commissioner Paul R. Wenzel, Jr., seconded by Commissioner J. M. Davis, and duly passed, the following was presented to the court.

RESOLUTION BY THE

ROSENBERG-RICHMOND AREA CHAMBER OF COMMERCE

ON THE

FEDERAL FLOOD DISASTER PROTECTION ACT OF 1973

It is the studied opinion of the Rosenberg-Richmond Area Chamber of Commerce that the Federal Flood Disaster Protection Act of 1973 is an unfair and arbitrary law that will be detrimental to the orderly growth and development of Fort Bend County.

Further, it is the opinion of this Chamber of Commerce that measures should be taken to prevent the Federal Government, acting through the Flood Insurance Administration, from any further action towards enforcement of this law.

It is the attitude of this organization that the Federal Flood Disaster Protection Act of 1973 is ill-conceived, inflexible and poorly administered. In our view, the Flood Disaster Protection Act represents an insidious threat to all of the property owners of this nation and is, in fact, a land-control bill conceived by its authors as a means of wresting property rights from the individual.

If, as the FIA contends, the law is not a land-control measure, we feel entrance into the flood insurance program by governmental entities should be done on a voluntary basis rather than by the mandatory Gestapo tactics being employed by the FIA.

By means of this resolution the Rosenberg-Richmond Area Chamber of Commerce urges the Fort Bend County Commissioners' Court to join and support pending litigation by private citizens' groups and other governmental bodies to combat this threat to our constitutional right of private ownership, control and use of the land.

We would further urge that the Michael Baker Jr. Engineering Company and FIA acting administrator J. Robert Hunter be named as co-defendants with the Flood Insurance Administration in any lawsuits filed.

This resolution was approved by the Board of Directors of the Rosenberg-Richmond Area Chamber of Commerce on May 20, 1976.

Respectfully submitted:

"Your Land – Or Is It?"

May 24, 1976

Commissioners Court of Fort Bend County

I'm Terry Keeling, president of the Texas Landowners Rights Association. We are appearing before you today to ask your help and support on a matter of vital importance to every citizen, every voter, every property owner, and every tax payer in Fort Bend County.

As you know, our organization has been actively involved for some 18 months in the struggle against The Flood Disaster Protection Act of 1973. We worked for a year trying to get the law changed, Throughout that struggle, we received invaluable help and support from Fort Bend County officials. We have been and are very appreciative of that support. You are to be commended for having the courage, character, and integrity to stand up to the federal bureaucrats. Not all communities are blessed with officials who are willing to take such a stand.

Our efforts to change the law have been in vain. In view of the attitude of our present Congress, there is no realistic hope of obtaining legislative relief. In our opinion, the only remaining alternative is to intiate litigation aimed at overturning the law. We think the law is unconstitutional and must be tested in court. It is in this respect that we once again need to call on you for your help.

Our organization is firmly committed to such a lawsuit. We will go it alone if we have to. However, our chances of success will be greatly enhanced if we can put together a strong coalition of co-plaintiffs. We are very optomistic about the chances of putting together such a coalition. I attended the April 28 meeting in Washington, as did Stanley Kucherka, with that objective in mind. We now have several organizations and governmental entities from various parts of the nation, that have committed themselves to such litigation. We are hopeful that Fort Bend County will join with us in this effort and become a plaintiff in this suit.

Gentlemen, this is a suit that must be filed. This is an issue that goes far beyond the question of flood plain elevations or flood protection. The questions raised here are vital to our very way of life. The answers we come up with may very well affect the future course of our nation. The basic issue here is simply this - will we as individuals and as communities, be allowed to control our own destiny in the future, or will our future destiny be controlled by a non-elected federal bureaucratic agency in Washington?

The Flood Disaster Protection Act of 1973 is without a question a federal land use control law. It was imposed upon us by the "back door" or "indirect"method. The precedent set by this law is frightning indeed, and in our opinion, threatens our entire system of government. "Big Brother" is using the banking regulations to enforce a totally unrelated program. If we do not enter the flood insurance program like good little children, "Big Brother" will prohibit our banks and savings and loan institutions from making loans in the so-called "flood-prone" areas and thereby force us into the program.

The precedent set her is horrifying. We know that the advocates of big government are intrigued by the use of the banking regulations to enforce The Flood Disaster Protection Act. If this method of enforcement can be used here it can be used to enforce anything else.

You can rest assured that the next time "Big Brother" wants to shove some other grand scheme down our throats, this same enforcement procedure will be utilized. Gentlemen, we must not allow this despicable action to stand unchallenged.

I can not think of a better place to invest County funds than in a law suit of this type. The cost of such a suit will be a mere drop in the bucket compared to the loss of tax revenue that will be experienced as a result of the implementation of The Flood Disaster Protection Act. We should keep in mind that this issue affects every citizen of Fort Bend County, both in and out of the flood plain. As property values go down in the "flood-prone" areas, taxes will have to be reduced to only a fraction of their previous level. To offset this loss of tax revenue, taxes outside the flood plain will have to be increased manyfold.

The cost of this proposed suit also pales into insignifigance when compared to the future expenses the County will have to incur in defending itself against the multitude of damage suits that undoubtedly will be filed by individual landowners in which the County (either with or without justification) will probably be listed as a co-defendant along with the FIA and the Michael Baker Co.

In view of all these facts, we respectfully request the Commissioners Court of Fort Bend County to agree to become a co-plaintiff in a lawsuit designed to overturn the Flood Disaster Protection Act of 1973, subject of course, to your approval of the final makeup and ground rules of such a coalition, and subject to your approval of the finacial obligation incurred.

Gentlemen, the time for debate and rhetoric is over. The time has now come to stand up and be counted. It is time for all of us to stand up to the bureaucrats and tell them,"This time, "Big Brother", you have gone too far and we are going to fight you every step of the way."

Thank you for your time and attention.

Texas Landowners Rights Association

Terry Keeling, President

After the presentations of the above resolutions by Joe Clyde Wessendorff and Terry Keeling, the Commissioners' Court asked the District Attorney for an opinion on whether Fort Bend County could join with other governmental units and interested citizens groups in filing a lawsuit against the Federal Government, the Federal Insurance Administration, the acting Administrator of the Federal Insurance Administration and the Michael Baker, Jr., Company, the firm doing the mapping for the Federal Insurance Administration, to determine the constitutionality of the Flood Disaster Protection Act of 1973. Also to determine whether Fort Bend County can expend County Tax funds for the above purpose.

There being no further business the court adjourned at 9:50 o'clock A.M.

PETITION TO ALTER OR CHANGE COURSE
OF SMITHER'S LAKE ROAD

On application and notice of Houston Lighting and Power Company, the Court took under consideration the Petition of Houston Lighting and Power Company to alter or change the course of a portion of a County Road known as Smither's Lake Road as set out and described in said Applicant's Petition, attached hereto and to which refer in aid hereof; and,

After finding the Applicant has satisfied all requirements of law, that after due notice, there were no public objections to the Petition and the Court finds that it would be in the best interest of the public for said Applicant's Petition to be granted; now therefore,

The Commissioner's Court on motion of Commissioner Johnnie Pustka, seconded by Commissioner J. M. Davis, and unanimously passed, does hereby approve and grant Applicant's Petition in part, in that this Court will order the alteration and change of the course of Smither's Lake Road as described and set out in Exhibit #____, attached hereto, done at the sole expense of Houston Lighting and Power Company, in the exact manner set out in the specifications for building the new roadway in Exhibit #____, attached hereto, on acceptance after examination of such construction by the County Commissioner of Precinct #1, and on such acceptance the Court will abandon and vacate that portion of said Smither's Lake Road described in Exhibit #____, and execute and exchange all instruments necessary to effect such.

COUNTY Fort Bend
PROJECT
HIGHWAY S. H. 36

This agreement entered into this _____ day of _____, 19____, by and between the State of Texas, acting by and through the State Department of Highways and Public Transportation, hereinafter called the State, and Fort Bend County, Texas, acting by and through its duly authorized official under Commissioners Court Order dated 12th day of July, 19 76, hereinafter called the County.

WHEREAS, the State has deemed it necessary to make certain highway improvements on Highway No. S.H. 36 from U.S. 90A in Rosenberg to the Fort Bend-Austin County Line, and which section of highway improvements will necessitate the acquisition of certain right of way and

WHEREAS, it is agreed that such right of way purchase shall be by joint effort of the State and the County:

NOW, THEREFORE be it agreed that acquisition of such right of way shall be in accordance with the terms of this contract and in accordance with applicable Federal and State laws governing the acquisition policies for acquiring real property. The State hereby authorizes and requests the County to proceed with acquisition and the State agrees to reimburse the County for its share of the cost of such right of way providing such acquisition and reimbursement are accomplished according to the provisions outlined herein and agreed to by both parties hereto.

LOCATION SURVEYS AND PREPARATION OF RIGHT OF WAY DATA: The State, without cost to the County, will do the necessary preliminary engineering and title investigation in order to supply to the County the data and instruments necessary to obtain acceptable title to the desired right of way.

DETERMINATION OF RIGHT OF WAY VALUES: The County agrees to make a determination of property values for each right of way parcel by methods acceptable to the County and to submit to the State's District Office a tabulation of the values so determined, signed by the appropriate County Representative. Such tabulations shall list the parcel numbers, ownership, acreage, and recommended compensation. Compensation shall be shown in the component parts of land taken, itemization of improvements taken, damages, if any (offset by enhancements, if any,) to the remainder, if any, and the amounts the total compensation will be reduced if the owner retains improvements. This tabulation shall be accompanied by an explanation to support the determined values, together with a copy of information or reports used in arriving at all determined values. Such work will be performed by the County at its expense without cost participation by the State. The State will review the data submitted and may base its reimbursement on the values as determined by this review. The State, however, reserves the right to perform at its own expense any additional investigation deemed necessary, including supplemental appraisal work by State employees or by employment of fee appraisers, all as may be necessary for determination of values to constitute the basis for State reimbursement.

will be limited to the property needed for right of way purposes. If the County elects to acquire the entire property, including the excess taking, by a single instrument of conveyance or in one eminent domain proceeding, the property involved will be acquired in the name of the County and that portion requested by the State for right of way will be conveyed to the State. When acquired by negotiation, the State's participation will be based on the State's approved value of that part requested for right of way purposes, providing such approved value does not exceed actual payment made by the County. When acquired by condemnation, the State's participation will be in the proportionate part of the final judgment amount computed on the basis of the relationship of the State's approved value to the State's predetermined value for the whole property.

IMPROVEMENTS: Property owners will be afforded an opportunity in the negotiations to retain any or all of their improvements in the right of way taking. In anticipation of the owner desiring to retain his improvements, the State's approved value will include the amounts by which the upper limit of State participation will be reduced for the retention. It is further agreed that the upper limit for the State's participation in the County's cost for an improved parcel will be reduced as shown in the State's approved value where the owner retains an improvement which is to be moved by either the County or the owner. In the event the improvements which are, in whole or part, a part of the right of way taking are not retained by the owner, title is to be secured in the name of the State. The State will participate in the acquisition of a structure severed by the right of way line if the part of the house, building or similar structure outside the right of way cannot be reconstructed adequately or there is nothing but salvage left, provided the State's value is established on this basis and provided title to the entire structure is taken in the name of the State. The State shall dispose of all improvements acquired. The net revenue derived by the State from the disposition of any improvements sold through the Board of Control will be credited to the cost of the right of way procured and shared with the County.

RELOCATION OF UTILITIES: If the required right of way encroaches upon an existing utility located on its own right of way and the proposed highway construction requires the adjustment, removal or relocation of the utility facility, the State will establish the necessity for the utility work. State participation in the cost of making the necessary change, less any resulting increase in the value to the utility and less any salvage value obtainable, may be obtained by either the "actual cost" or "lump sum" procedures. Reimbursement under "actual cost" will be made subsequent to the County's certification that the work has been completed and will be made in an amount equal to 50 per cent of the eligible items of cost as paid to the utility owner. The "lump sum" procedure requires that the State establish the eligibility of the utility work and enter into a three party agreement with the owners of the utility facilities and the County which sets forth the exact lump sum amount of reimbursement based on a prior appraisal. The utility will be reimbursed by the County after proper certification by the utility that the work has been done, said reimbursement to be on the basis of the prior lump sum agreement. The State will reimburse the County in an amount equal to 50 per cent of the firm commitment as paid to the utility owner. The foregoing is subject to the provision that the individual lump sum approved value shall not exceed $20,000, except as specifically approved by the State. In those cases where a single operation is estimated to exceed $20,000, the transaction will be brought to the attention of the State for determination of proper handling based upon the circumstances involved. Such utility firm commitment will be an appropriate item of right of way. The adjustment, removal or relocation of any utility line on publicly owned right of way by sufferance or permit will not be eligible for State reimbursement. The term "utility" under this contract shall include publicly, privately, and cooperatively owned utilities.

not previously acquired and to eligible utility adjustments not previously made, as authorized and requested by the State Department of Highways and Public Transportation.

It is understood that this contract shall be effective from and after the date of full execution by the State of Texas.

It is further understood that if unusual circumstances develop in the right of way acquisition which are not clearly covered by the terms of this agreement, such unusual circumstances or problems will be resolved by mutual agreement between the State and the County.

On Motion of Commissioner Johnnie Pustka, seconded by Commissioner J. M. Davis and duly passed, the court approved the Application for and Permit granting telephone cable crossing to Southwestern Telephone Company on Macek and Psencik Road in Precinct #1.

APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS
% County Courthouse
Richmond, Texas 77469

COMES NOW Southwestern Bell Telephone Company

acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

See attached sketch.

RO 89379

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make any changes in said cable and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners' and its Engineer in the construction and installation, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

FIELD AGREEMENT

Agreement No._____

Bureau of Sport Fisheries and Wildlife
cooperating with
TEXAS AGRICULTURAL EXTENSION SERVICE
TEXAS ANIMAL DAMAGE CONTROL ASSOCIATION, INC.
and

FORT BEND COUNTY
Cooperator

In accordance with the terms of a Master Project Agreement between the United States Department of the Interior, Bureau of Sport Fisheries and Wildlife, the Texas Agricultural Extension Service and the Texas Animal Damage Control Association, approved August 20, 1964 (hereinafter known as the Control Agencies) a copy of which is on file at the State Office, Bureau of Sport Fisheries and Wildlife, San Antonio, Texas, this field agreement is made to augment the predatory animal and injurious rodent control program in Texas.
THEREFORE, it is mutually agreed that:

1. The predatory animal control program conducted under the terms of this agreement shall be under direct supervision of the Bureau of Sport Fisheries and Wildlife, and its local representative will consult frequently with the Cooperator relative to the extent of the Control Agencies participation and plans and procedures necessary to best serve the interests of the parties hereto.

2. The Cooperator will provide funds to the Texas Cooperative Trapping Fund for the employment of personnel and payment of mileage necessary to conduct official duties. The Control Agencies will pay the balance of the salary and travel costs and all other necessary expenses to effectively carry out the program.

3. The State Supervisor of the Bureau or his designated Assistant will certify, as to correctness, all claims to be paid by any party to this agreement and shall perform such other administrative functions as are agreed upon from time to time; provided, that no funds of the Cooperator will be transferred to any such employee working under the terms of this agreement.

4. Statement of Assurance in compliance with 43CFR 17 of the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252) is hereby mutually agreed to by all parties.

5. Furs or other parts of monetary value taken from wild animals will be handled in accordance with the provision of Section 12 of the Master Project Agreement.

6. This agreement and any continuation thereof shall be contingent upon availability of funds. It is understood and agreed that any monies allocated for the purpose of this agreement shall be expended in accordance with its terms and in the manner prescribed by the fiscal regulations and/or administrative policies of the control agency making the funds available.

7. This agreement shall continue in force and effect until superseded or terminated. Terms and financing may be reviewed and revised periodically and confirmed by correspondence. It may be amended by mutual agreement and may be terminated by either party upon fifteen (15) days written notice.

NOW, THEREFORE, pursuant to Section 2 above, it is mutually agreed that:

1. The Control Agencies shall furnish supervision of the project and shall provide equipment and other supplies required in the operation of the project.

2. The Cooperator shall pay toward the expense of the Texas Animal Damage Control Association in providing the necessary services for this project in the amount of $ 425.00 monthly for the period: Sept. 1, 19 76 to termination 19____ to be spent for the purposes outlined: for the protection of livestock, poultry and game from wild animal damage

The Cooperator further agrees to make this deposit to the Texas Cooperative Trapping Fund promptly after the end of each month upon receipt of a statement from the Agencies setting forth the cost of the work for the preceding month and the Cooperator's share thereof. Failure of the Cooperator to make this contribution within ten (10) days after receipt of this statement – thirty (30) days in the case of County Commissioners Courts – will, at the option of the Agencies, terminate the agreement.

IN WITNESS WHEREOF, the duly authorized officers of the parties hereto have executed this agreement on the dates opposite their respective signatures,

Dear Commissioner Helwig:

Due to our recent surveillance of moving traffic on Fairway Drive, we request a two-way Stop sign on Fairway Drive at Tiffany Lane. We are concerned and believe that this will keep traffic moving at a safe rate of speed in this area.

Your consideration will be appreciated.

Dear Commissioner Helwig:

As you are well aware, the School Board of the Fort Bend Independent School District has recently taken action that will discontinue bus service to much of Sugar Creek.

Even though we feel that this is a poor decision by the School Board and one that was made without a complete and thorough study of the consequences, we at Sugar Creek are going to do whatever possible to see that our children get to and from school safely.

The Sugar Creek Homes Association Board has studied the problem and part of the solution will require your assistance as follows:

1. Prohibit parking on Fairway Drive on both sides of the street during school hours.
2. Prohibit parking on Merrick Drive between Longview and David Searls Park during school hours.
3. Permission to create a bike and pedestrian pathway along one side of Longview Drive. This area would be protected by either the metal "Armadillos", traffic lane buttons or painted stripes.

As you know, Sugar Creek has its own security personnel and wants to do everything possible to provide safe access for our children to school, but we must have your complete understanding of the situation so you can recommend approval of these traffic and safety control measures to Commissioner's Court.

Commissioner Helwig, we recognize that you have many people with serious problems in your Precinct and that this may not be as serious as some others, but we are very concerned and are asking your assistance.

Very truly yours,

RE: NOTICE AND PERMIT OF PROPOSED INSTALLATION OF BURIED CABLE AND/OR CONDUIT FOR SOUTHWESTERN BELL TELEPHONE COMPANY ON GAINES AND ENNIS ROAD:

On Motion of Commissioner Ed. H. Helwig, seconded by Commissioner Johnnie Pustka, and duly passed, the court approved the Notice and Permit of proposed installation of buried cable and/or conduit for Southwestern Bell Telephone Company on Gaines and Ennis Road as follows:

NOTICE OF PROPOSED INSTALLATION OF BURIED CABLE AND/OR CONDUIT

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

On this the 8th day of July, 1976, the undersigned Southwestern Bell Telephone Company, a corporation, does hereby notify you of its intention to use the hereinafter described public roads right-of-way in Fort Bend County for the purposes of constructing, maintaining, and repairing cables and/or conduits, as described below and as shown on the attached prints, for the distribution of Telephone Service to citizens generally living in the area traversed.

Install a buried telephone cable beginning at existing facilities located adjacent to the Northwest corner of Gaines and Boss Gaston Roads and continuing Northward 670 feet to the Southwest corner of Ennis Road, thence Westward 1120 feet along the South right-of-way line of Ennis Road to a point of ending at an existing pole, for an overall distance of 1790 feet.

7

The undersigned agrees to bury said cable and/or conduit below grade and keep said buried cable and/or conduit in good condition at all times and that it will make changes in said cable and/or conduit and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or construction of public roads or highways, or the deeping of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

The undersigned further agrees to obey all rules of the County Commissioners and its Engineer in the construction of said installation and save the County harmless from any action arising out of the laying, maintenance or operation of said cable and/or conduit.

The undersigned representative of said company has full authority to bind said Company hereto.

AUDITORS' OPINION

Honorable Josh Gates, County Judge,
And Members of the Commissioners'
Court of Fort Bend County, Texas:

We have examined the statements of cash receipts and disbursements of the various funds of Fort Bend County, Texas (Exhibits I through IX) and of Fort Bend County Drainage District (Exhibits X and XI) for the year ended December 31, 1975. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements present fairly the cash receipts and disbursements of the various funds of Fort Bend County, Texas and of Fort Bend County Drainage District for the year ended December 31, 1975.

FORT BEND COUNTY, TEXAS

NOTES TO STATEMENTS OF CASH RECEIPTS AND DISBURSEMENTS FOR THE YEAR ENDED DECEMBER 31, 1975

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by Fort Bend County, Texas (the "County") are as follows:

Basis of Accounting

The accounts of the County are maintained and the accompanying statements have been prepared on the cash basis.

Ad Valorem Tax Collections

For budgetary control purposes ad valorem taxes collected during the last quarter of the year are not made available for expenditure until the following year. Such collections are held in the Tax Collector's Fund until January of the following year when they are distributed to appropriate County and Fort Bend County Drainage District (the "District") funds.

Temporary Cash Investments

Temporary cash investments are stated at cost, which approximates market.

2. RETIREMENT PLAN

All officials and full-time employees of the County are members of the Texas County and District Retirement System, under which the member and the County each contribute an amount equal to 7% of the member's earnings. Total expenditures for the year for contributions to the System from various funds of the County were as follows: General Fund, $22,435; Jury Fund, $320; Road and Bridge Fund, $49,192; Officers' Salary Fund, $47,843; and Library Fund, $6,640. These amounts include amortization of prior service cost over a 9 year period. The County's policy is to fund all retirement plan costs as they accrue.

Based on the latest actuarial valuation, which was made as of December 31, 1974, the excess of the actuarially computed value of vested benefits over the total of the retirement plan fund for both County and District employees, who are considered as one group for this purpose, was about $338,000.

FORT BEND COUNTY DRAINAGE DISTRICT

NOTES TO STATEMENTS OF CASH RECEIPTS AND DISBURSEMENTS FOR THE YEAR ENDED DECEMBER 31, 1975

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by Fort Bend County Drainage District (the "District") are as follows:

Basis of Accounting

The accounts of the District are maintained and the accompanying statements have been prepared on the cash basis.

Ad Valorem Tax Collections

For budgetary control purposes ad valorem taxes collected during the last quarter of the year are not made available for expenditure until the following year. Such collections are held in the Fort Bend County, Texas (the "County") Tax Collector's Fund until January of the following year when they are distributed to appropriate County and District funds.

Temporary Cash Investments

Temporary cash investments are stated at cost, which approximates market.

2. GENERAL

Fort Bend County Drainage District was created in 1949 by the Texas Legislature "for the purpose of reclamation and drainage of its overflowed lands and other lands needing drainage." The boundaries of the District are the same as those of the County, and the Commissioners' Court of the County is the governing body and the agency through which the management and control of the District is administered.

3. RETIREMENT PLAN

All officials and full-time employees of the District are members of the Texas County and District Retirement System, under which the member and the District each contribute an amount equal to 7% of the member's earnings. Total expenditures for the year for contributions to the System from the Maintenance Available Fund were $17,921, which includes amortization of prior service cost over a 9 year period. The District's policy is to fund all retirement plan costs as they accrue.

(Continued) - 1.

Based on the latest actuarial valuation, which was made as of December 31, 1974, the excess of the actuarially computed value of vested benefits over the total of the retirement plan fund for both County and District employees, who are considered as one group for this purpose, was about $338,000.

4. TEMPORARY CASH INVESTMENTS

AUDITORS' REPORT

Honorable Josh Gates, County Judge,
and Members of the Commissioners'
Court of Fort Bend County, Texas:

We have examined the statement of cash receipts and disbursements of the Revenue-Sharing Trust Fund of Fort Bend County, Texas for the year ended December 31, 1975. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures, including those prescribed in the "Audit Guide and Standards for Revenue Sharing Recipients" (the "Guide") issued by the Office of Revenue Sharing, U. S. Department of the Treasury, as we considered necessary in the circumstances.

In our opinion, the accompanying statement presents fairly the cash receipts and disbursements of the Revenue Sharing Trust Fund of Fort Bend County, Texas for the year ended December 31, 1975.

The accompanying supplemental schedule of data submitted to the Bureau of the Census for the year ended December 31, 1973 is not necessary for a fair presentation of the financial statement. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statement mentioned above and, in our opinion, is fairly stated in all material respects in relation to the financial statement taken as a whole.

In the course of our examination, nothing came to our attention which causes us to believe that there has been any lack of compliance with the requirements as set forth in Section V. D. of the Guide.

APPLICATION FOR AND PERMIT
GRANTING PIPE LINE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS

COMES NOW DAVIS OIL COMPANY
527 Entex Building
Houston, Texas 77002

acting herein by and through its duly authorized representative, and hereby petitions your Honorable Court for the right to lay a pipe line under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judges' office and the Drainage District Engineers' office of Fort Bend County.

Petitioner agrees to bury pipe line below grade and keep said pipe line in good condition at all times, and to case same in the places where required as indicated on the attached plats and that it will, at petitioners' expense, within thirty (30) days, make changes in said pipe line and relocate same when ordered to do so by the County or its' Engineer when it is necessary for the widening or construction of public roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners and its' Engineer in the construction, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify the Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of laying, maintenance or operation of said pipe line.

The undersigned officer of said Company has full authority to bind said Company hereto.

APPLICATION FOR AND PERMIT GRANTING TELEPHONE CABLE CROSSING

TO THE HONORABLE COMMISSIONERS' COURT
AND COUNTY JUDGE, FORT BEND COUNTY, TEXAS
% County Courthouse
Richmond, Texas 77469

COMES NOW Southwestern Bell Telephone Company

acting herein by and through its duly authorized representative and hereby petitions your Honorable Court for the right to lay a buried telephone cable under and across certain roads, ditches, drainage canals or highways as shown by the plats attached to the executed copy hereof on file in the County Judge's office of Fort Bend County.

Beginning at a point on the northeast corner of the intersection of Hughes Road and Pitts Road, then boring across to the west side of Pitts Road then proceeding in a southerly direction within 8 feet of the west right-of-way line for a distance of 2832 feet.

Cable shall be buried at a minimum of 24 inches.

RO 90214

Petitioner agrees to bury cable as indicated on the attached plat and keep said cable in good condition at all times, and that it will, at petitioner's expense, make any changes in said cable and relocate same when ordered to do so by the County or its Engineer when it is necessary for the widening or any construction on public roads or highways, or the deepening of drainage ditches along said roads or highways, or any drainage ditch construction of the Fort Bend County Drainage District.

Petitioner further agrees to obey all rules of the County Commissioners' and its Engineer in the construction and installation, and to notify the County Commissioner in the Precinct, 48 hours before beginning work under the permit and when work is completed to notify Commissioner so he can inspect the work while construction equipment is still on the job site for any necessary additional work.

Petitioner further agrees to save the County harmless from any action arising out of the laying, maintenance or operation of said cable.

The undersigned officer of said Company has full authority to bind said Company hereto.

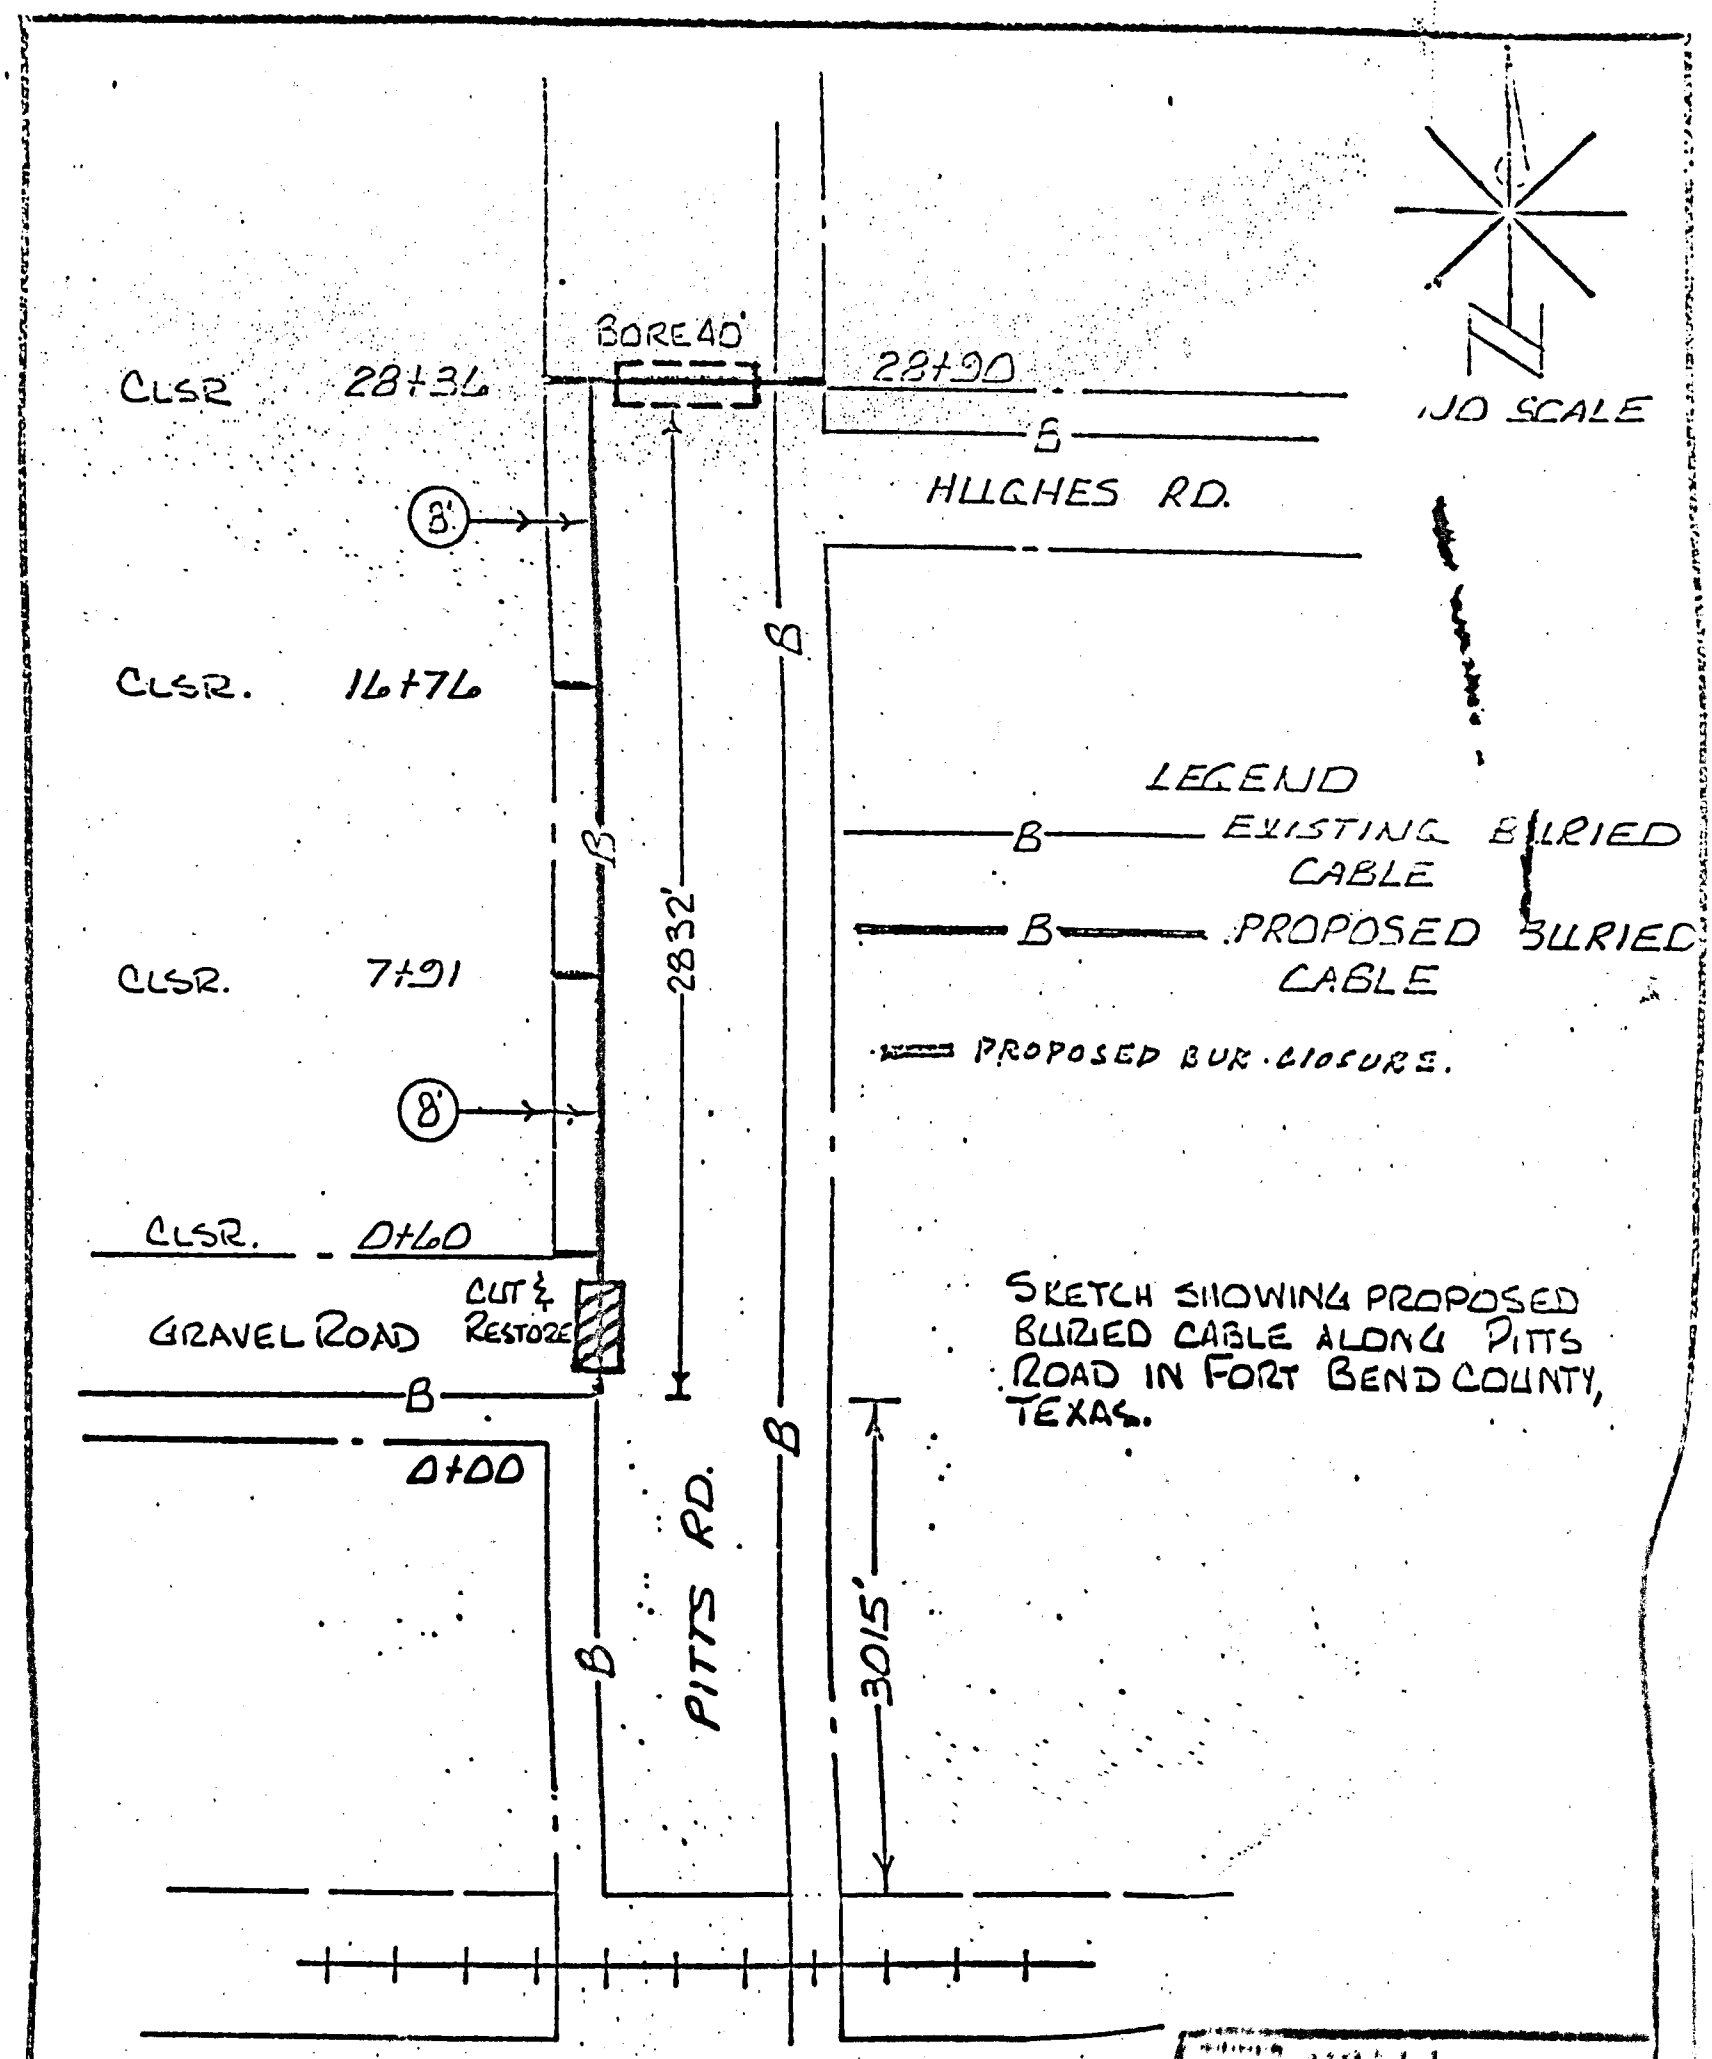

Executed in quadruplicate originals this 2nd day of August, 19 74.
