Value of 30 foot wide strip of land taken for road across Jackson Tract	$200.00
Value of one large tree in strip of road taken, which tree will be destroyed and lost to said Jackson Tract	100.00
Value of fence necessary to be rebuilt along boundary of 30 foot strip of land taken across Jackson Tract	85.00
Damages to remainder of Jackson Tract resulting from taking of this 30 foot wide strip of land across Jackson Tract and building of road thereon	400.00

Said Jackson also has leased approximately 12 acres on the East of the Jackson Tract which he also uses as pasture together with the Jackson Tract and Kirby Tract. This road will cut the Kirby Tract off from the Jackson and George land and thus deprive Jackson from operating same as a common pasture and since the water is on the Kirby land such - - - - - - - - Part Ommitted - - - - - - - - the new road was built, for which road they took part of his land, then the opening of the new road could not be considered by the jury in awarding damages, as conferring a benefit upon said landowner.

RE: WAIVER OF COUNTY ATTORNEY

THE STATE OF TEXAS
COUNTY OF FORT BEND

I, the undersigned County Attorney of Fort Bend County, Texas, do hereby acknowledge that the Commissioners' Court of the said County has notified me to file suit for the collection of delinquent taxes in said county; however, due to the fact that it would be physically impossible for me to personally file and handle such suits, and at the same time to properly discharge the other duties of my office, and to the further fact that the statutes do not provide adequate compensation for a County Attorney to file and to prosecute suits for delinquent taxes, but do make adequate provisions for other attorneys to handle the same, I do hereby decline to file such suits and do hereby waive the thirty days written notice provided in Article 7335, Revised Civil Statutes, and do hereby agree that the Commissioners' Court of said County may contract

with some other competent attorney to enforce or assist in the enforcement of the collection of delinquent State and County taxes.

Witness my hand this, the 2nd day of January A.D. 1959.

RE: CONTRACT FOR COLLECTION OF DELINQUENT TAXES

THE STATE OF TEXAS
COUNTY OF FORT BEND

KNOW ALL MEN BY THESE PR ESENTS:

WHEREAS, The Commissioners Court, after having given to the County Attorney of Fort Bend County thirty days written notice to file delinquent tax suits, and

(2) having received from him a written statement declining the request of this Court to file delinquent tax suits, for reasons therein stated, and waiving his right to the 30 day period and consenting to the Court's entering into a contract with others for the collection of delinquent taxes, without awaiting the 30-day period, and a record thereof having been made in the Minutes of said Court; and

WHEREAS, The Commissioners Court of Fort Bend County, Texas, joined by the Comptroller of Public Accounts of the State of Texas, deem it necessary and expedient to contract with some competent attorney to enforce the collection of all delinquent State and County taxes for a per cent of said taxes, penalties and interest actually collected and paid to the Collector of Taxes, as provided in Chapter 21, Acts of the Third Called Session of the 38th Legislature, Article 7335, Revised Civil Statutes, 1925, Chapter 8, Acts of the Fourth Called Session of the 41st Legislature, Article 7335a, Vernon's Annotated Civil Statutes; and Chapter 229, Acts of the 42nd Legislature, Article 7264a, Vernon's Annotated Civil Statutes; and

WHEREAS, After making an investigation into the competency, experience and ability of Edward Risinger a licensed attorney under the laws of this State, whose post office address is Rosenberg, Texas, as to his fitness for said work, and after considering the same, are of the opinion that he is a proper party to take such steps as may be necessary to enforce or assist in the enforcement of the collection of such delinquent taxes by the preparation, filing and pushing to a speedy conclusion all suits for the collection thereof; and that he has no official connection with any county office within said county; and that he is not related within the second degree of affinity or within the third degree of consanguinity to any member of the Commissioners Court, the Tax Collector, or County or District Attorney now holding office in said county.

NOW, THEREFORE, THIS CONTRACT, made and entered into by and between the County of Fort Bend, Texas, a body politic and corporate, acting herein, and by and through the Commissioners Court, joined by the Comptroller of Public Accounts of the State of Texas, hereinafter styled First Party, and Edward Risinger of the County of Fort Bend, State of Texas,

hereinafter styled Second Party:

W I T N E S S E T H

I.

First Party agrees to employ and does hereby employ Second Party to enforce by suit or otherwise, and to aid and assist the local officers in the enforcement of the collection of all delinquent State and county ad valorem taxes, penalty and interest, and all delinquent taxes, penalty and interest (except taxes of independent school districts and incorporated cities and towns) due any and all political subdivisions or defined districts of said county and State which the County Tax Collector receives and receipts for, under the provisions of Article 7254, Revised Statutes, 1925, and shown to be delinquent upon the delinquent tax records of said county from 1919 to the date of the termination of this contract as fixed in Section IX hereof (including such personal property or insolvent taxes as the Commissioners Court and Second Party mutually deem collectible).

II.

Taxes which are not now delinquent, but which hereafter during the term of this contract are allowed to fall delinquent, shall become subject to the terms of this contract on September 1st of the year in which the same shall become delinquent. And further, with reference to taxes not now delinquent, but which become delinquent during the term hereof, or taxes which may have fallen delinquent on February 1st or subsequent thereto next preceding the date of this contract, it is agreed that where suit is or has been brought on any property for prior years delinquent taxes, Second Party shall include in his action all taxes on the property involved, delinquent before trial, whether before or after September 1st of such year; and where the State and county or impleaded or intervene in a suit brought by another taxing unit, it shall be Second Party's duty to include in his answer or intervention all taxes delinquent before trial on the property involved, whether such taxes shall fall delinquent before or after September 1st of such year; and in all such cases Second Party shall be entitled to the commission herein provided for collecting delinquent taxes.

III.

Second Party is to call to the attention of the County Tax Collector or other officials any errors, double assessments, or other discrepancies coming under his observation during the progress of the work, and all charges on the tax rolls that show from 1919 to the date of the termination of this contract to be delinquent, which are caused through error, conflicts, double renditions, illegal assessments, etc. A cancellation certificate shall be prepared on forms furnished by the State Comptroller of Public Accounts, Austin, Texas, showing how such errors came about, and which shall be sufficiently full and complete as to justify the

Commissioners Court in ordering a cancellation certificate issued, and that will meet with the approval of the Comptroller of Public Accounts, Austin, Texas.

IV.

Second Party hereby agrees and obligates himself to communicate with each and every person, firm, association or corporation owing any of such taxes, with a view of collecting same; and shall, before filing suits for the recovery of delinquent taxes for any year or years prepare, in triplicate, delinquent tax notices, and shall mail one of such notices to the owner or owners of said property at their last known address, covering all delinquent taxes shown to be due on the tax rolls of said county, as provided for in Article 7324, Revised Civil Statutes, 1925, as amended by Chapter 117, page 196, Acts of the 42nd Legislature, Regular Session, and file one copy of such notice with the Tax Assessor-Collector. In the event that the taxes, together with penalty and interest, are not paid within thirty (30) days from the date such statements and notices are mailed, then Second Party shall prepare, file and institute, as soon as practical thereafter, a suit for the collection of said taxes, penalty and interest, which suit shall include all past due taxes for all previous years on such tract or tracts; and where there are several lots in the same addition or subdivision delinquent, belonging to the same owner or owners, all said delinquent lots shall be made the subject of a single suit, and which suit shall be prosecuted with dispatch to final judgment and sale unless said taxes are sooner collected.

V.

SECOND PARTY, where it is necessary to prepare and file suits for the enforced collection of delinquent taxes on real property, shall make and furnish an abstract of the property which shall show the amount of delinquent taxes due against each and every tract, lot or parcel of land, and shall show the number of acres so delinquent and a correct description of the property, the year delinquent, how it was charged upon the tax rolls, the correct name of owner or owners of the property at the time it became delinquent, the person from whom and the date that he or they derived title to said property, the Volume and page of public records that his or their deed or other title evidence is of record, and the date that each subsequent change of ownership occurred down to the present ownership. It shall further show the name of any and all outstanding lien holders and lease-hold interests of record, and all other information necessary for the proper preparation and filing of suit or suits for the collection of delinquent taxes. Second Party shall perform these services at his own cost and expense. And in case such abstract is not placed with the papers in a court proceeding, it shall be filed with the Tax Collector for the purpose of maintaining its preservation until such time as all of the taxes to which it pertains, or such part thereof as are

held to be due, are paid.

VI.

Second Party shall prepare, or aid and assist the County or District Attorney in preparing, all petitions, citations, notices by publication, personal service citations, notices by posting, judgments, notices of sale, orders of sale and any and all other things necessary or required to be done for the collection of all delinquent taxes, and shall render all necessary and proper assistance to each of the other officers to the end that all taxes assessed or unknown and unrendered now delinquent, or that may become delinquent during the life of this contract and be so reported on Comptroller's forms provided therefor, may be collected; and when collections are not made, to assist in reducing same to final judgment and sale.

VII.

It is further agreed and understood that Second Party shall furnish, at his own expense, all stationery, legal blanks or forms, stamps, envelopes and printing, together with all labor necessary to complete said contract including labor and expense incurred in procuring data and information as to the name, identity and location of necessary parties, and in procuring necessary legal descriptions of the property as provided in Paragraph V, and the expenses incurred in citing the defendants by publication in all cases where such expenses are not collected as costs against the defendant or defendants in the tax suit, but in no event shall such cost be paid to Second Party; and Second Party shall pay off and discharge any and all bills for any other expenses incurred in the prosecution of said work, and it is hereby understood and agreed that said First Party shall not be responsible for the payment of such expense or any part thereof.

VIII.

First Party agrees to pay to Second Party as compensation for the services hereunder required 15 per cent (not to exceed Fifteen (15) per cent) of the amount collected of all delinquent taxes, penalty and interest of the years covered hereby, actually collected and paid to the Collector of Taxes during the term of this contract, which Second Party is instrumental in collecting as evidenced by copies of communications, tax notices or abstracts filed with the Tax Collector prior to the payment of such tax, including collection of taxes on property not appearing on the assessment rolls nor shown delinquent, but which would have been so shown had it been properly assessed, discovered by said Second Party, as and when collected, following the end of each month within the period of this contract, accordingly as the Collector makes up his monthly reports. The per cent of compensation here referred to shall be contingent upon the collection of such taxes as by Act of the Legislature are required to be collected. Should any remission of penalty and interest on taxes appear-

ing on the delinquent records be made by legislative enactment effective during the period of this contract, the same shall not be collected nor commission allowed thereon. Also, ad valorem, delinquent, levied against State-owned property for county and district purposes, the payment of which is to be taken care of by legislative appropriation provided for by Statute, are excluded from the provisions of this contract. Second party shall not receive or collect any taxes, penalty or interest under this contract, but the same shall be paid to the Tax Assessor-Collector as other delinquent taxes.

IX

This contract shall be in force from January 2, 1959, to December 31, 1960, both dates inclusive, (not to extend beyond December 31, 1960, the end of the present administration of the Commissioners Court), and at the expiration of said period this contract shall terminate, except the contractor shall be allowed six (6) months in which to prosecute to trial court judgment suits filed prior to December 31, 1960, terminating date of this contract provided, and shall handle to conclusion all suits in which trial court judgments are obtained during the period of this contract and which are appealed by any party. The Commissioners Court and the State Comptroller shall have the right to sooner terminate this contract for cause, giving thirty (30) days written notice of such intention, with a statement of the cause or reasons for such termination, after giving Second Party a reasonable opportunity of explaining or rectifying the same. In case of such termination, Second Party shall be entitled to receive and retain all compenation due up to the date of said termination.

X.

Before any commissions are paid out under the terms of this contract, Second Party shall furnish a good and sufficient bond, payable to the County Judge and to his successors in office, in the sum of Five Thousand Dollars, (not to be less than $5,000.00 accordingly as the Commissioners Court deems just and proper) to be executed by a solvent surety company; or if executed by private parties, the bond shall be signed by at least three good and sufficient sureties owning unincumbered real estate subject to execution, of value equal to the amount of bond and conditioned upon the specific performance of the terms hereof, including the making of reports, provided for in Section XI of this contract, and further conditioned that he shall forthwith pay over to the Tax-Collector, or other persons justly entitled thereto, any money or commissions paid him by mistake, through error, or otherwise. Said bond shall be approved in open Commissioners Court, signed by the County Judge, filed and recorded in the County Clerk's office, and a certified copy of same furnished to the State Comptroller.

XI.

At the end of each month, or as soon thereafter as the Tax Assessor-Collector shall have made up his report showing collections made

for such month, said Second Party shall have access to said report and shall by comparison of the same with his own files or records of service, copies of which he has filed with the Tax Assessor-Collector, make up in triplicate a report of collections out of which is he entitled to commission under the terms of this contract. Second Party shall also have access to the Collector's receipts for such collections and shall, in his reports to be made on forms furnished by the Comptroller, show each year and the taxes collected therefor on a separate line. Also, where collections are made after suit has been filed and commission allowed at a greater or different rate under the terms of this contract Second Party, being guided by the file docket of the Clerk of the Court, shall prepare and attach to his reports to be filed with the Tax Assessor-Collector a list showing number of suit and date filed; but in no event shall Second Party receive compensation in excess of fifteen (15) per cent as herein provided. After the report has been signed and sworn to by Second Party, two copies of the same shall be delivered to the Tax Assessor-Collector, one to be attached to and sent with the Collector's monthly report to the Comptroller, the other to be filed in the Collector's office, and the third copy to be retained by Second Party.

XII.

Each month, after having received copies of the contractor's report as provided for in the preceding Section, and after having checked the list of taxes shown therein with his own report and with copies of communications filed with him, as provided for in Section XIII of this Contract, and after having verified the correctness of commissions claimed, the County Tax Assessor-Collector is hereby authorized, ordered and directed to deduct the above specified per cent of said taxes, penalty and interest, or such amount as can be allowed under the penalty and interest restriction, to which Second Party is entitled, and to pay the same to him unless otherwise herein directed, and to take his receipt as provided for on Form 107, Contractor's Report, which when received in the Comptroller's office will be the Comptroller's authority to allow the said Tax Assessor-Collector credit for the amount so paid. The Tax Assessor-Collector, before complying with the provisions of this Section, shall first satisfy himself that the bond required of Second Party under the provisions of Section 10 of this contract has been approved and placed on record in the office of the County Clerk; and it is hereby further provided, that should any question arise regarding commission claimed, the Tax Assessor-Collector shall withhold the payment of such commission or an amount equal thereto, placing the same in escrow, and apply to the State and county, accordingly as they may be affected, for information and direction as to the proper amount of commission due to be allowed under the terms of this contract.

NOTE:

Should the Commissioners Court and the contracting party elect

that the commissions withheld be placed in an escrow fund and paid to the Second Party otherwise than as provided in Section XII of this Contract, another section setting forth the method of payment to the contracting party should be added to and inserted in this contract preceding the last page prepared for the signatures of the contracting parties.

XIII.

In order that the Tax Assessor-Collector may be able to verify and attest the correctness of commissions claimed by Second Party, as evidence of service and to entitle him to the commissions provided for in this contract, Second Party shall file with the Tax Assessor-Collector prior to time of payment, copies of such communications, tax notices or abstracts which shall be preserved by the Tax Assessor-Collector in some systematical order as will make them easily accessible for the purpose of verifiation or for such other value as the same may have in case it becomes necessary for the county and State to buy in such properties at tax sales. Said copy or copies shall also contain such information or reference as will enable the Tax Assessor-Collector to readily locate the tax as it appears on his delinquent forms and delinquent records.

XIV.

It is further agreed and understood that this contract is for personal services and is not transferable or assignable without the written consent and approval of First Party. It is also agreed that the Commissioners Court of said county shall furnish suitable space in or near the courthouse, as convenient to the records of said county as may be, for the purpose of carrying out the obligations of this contract by Second Party, all of which shall be performed by him in Fort Bend County, Texas.

XV.

It shall be the duty of the Commissioners Court and of all other officials of said county to cooperate with and render such reasonable assistance to said Second Party as the circumstances may require, said assistance, however, is not to include the actual performance of the work herein designated to be performed by Second Party; and it being the duty of the County Attorney or of the District Attorney (where there is no County Attorney) to actively assist Second Party in the filing and pushing to a speedy conclusion all suits for the collection of delinquent taxes, it is hereby provided that where the County Attorney or District Attorney (where there is no County Attorney) shall fail or refuse to file and prosecute such suits in good faith, the Attorney prosecuting suits under this contract is here fully empowered and authorized to proceed with such suits without the joinder and assistance of said County or District Attorney. Second party shall not become the purchaser of any property at tax sales under this contract, but may bid in the property for the State or county at such sales.

Revised - 1952

IN CONSIDERATION of the terms and compensation herein stated, the Second Party hereby accepts said employment and undertakes the performance of said contract as above written.

WITNESS the signatures of all parties hereto in triplicate originals, this the 2 day of January, A.D. 1959, Fort Bend County, State of Texas.

WHEREAS, no petition requesting that the issuance of such bonds be submitted to a referendum vote has been filed, and no protest against the issuance of such refunding bonds (written or otherwise) has been made; and

WHEREAS, this Court has determined it should proceed with the authorization and issuance of said refunding bonds;

IT IS, THEREFORE, ORDERED, ADJUDGED, AND DECREED BY THE COMMISSIONERS' COURT OF FORT BEND COUNTY, TEXAS:

I.

That it is hereby found that the notice of intention to issue the hereinafter described refunding bonds has been given for the time and in the manner provided by law, and that no petition has been filed in the office of the County Clerk of Fort Bend County, Texas, or with any other County officer praying or requesting that the Commissioners' Court of said County order an election for the purpose of submitting the proposition to issue such bonds to a vote of the qualified property tax-paying voters of said County, and that no petition or protest of any kind or character has been filed with or presented to said Court or any County officer, and that the said Court is now authorized to issue the hereinafter described bonds.

II.

That the bonds of Fort Bend County, Texas, to be called "FORT BEND COUNTY PERMANENT IMPROVEMENT REFUNDING BONDS, SERIES 1959", be issued in the principal amount of $40,000 for the purpose of refunding, canceling, and in lieu of a like principal amount of the time warrants described in the preamble to this order, as provided by the Constitution and laws of the State of Texas, particularly Chapter 163, Acts of the 42nd Legislature of Texas, 1931, together with all amendments thereof and additions thereto (Article 2368a, Vernon's Texas Civil Statutes, 1925, as amended).

Wood, a resident of Harris County, Texas and presents this his application for permission of the Court to cancel a certain subdivision of lands situated in the Manuel Escalera Survey, Abstract 169, in Fort Bend County, Texas, hereinafter more particularly described, and respectfully represents unto the Court the following, to-wit:

1. That your applicant, Owen B. Wood, is the owner of two tracts of land designated reserved, and adjoining the subdivisions namely, Golden Highway Properties and Fresno Dome Addition, and which said reserved tracts and other subdivisions are set forth upon that certain subdivisional plat dated June 2, 1945, recorded in Volume 232, page 346, of the Deed Records of Fort Bend County, Texas, and which said subdivisional plat was by this Court approved and ordered filed for record, as appears of record in Volume U, page 51, of the Minutes of this Court, and to the record of which plat and Court order reference is here made. That said reserved tract adjoining Fresno Dome Addition is the property referred to as GROUP NO. II in that deed from Owen A. Wood et ux to Owen B. Wood, dated April 15, 1948, recorded in Volume 343, page 171, Deed Records of Fort Bend County, Texas, and that said reserved tract adjoining Golden Highway Properties is the property referred to as GROUP NO. II in the deed from Owen A. Wood et ux to Owen B. Wood, dated April 15, 1948, recorded in Volume 343, page 177, Deed Records of Fort Bend County, Texas, and to which instruments as recorded reference is made. That said reserved tracts and all other lands shown on said subdivisional plat are located outside the corporate limits of any city or town.

2. Applicant further shown that the then owner at the time of the platting left an access passage or roadway or easement strip running easterly and westerly and lying between said two reserved tracts above mentioned, said passage, roadway or easement being shown as having a width of 32 feet and having an outlet at its westerly terminus into State Highway No. 288, and reference is made to said subdivisional plat recorded as aforesaid for a particular description of said 32 foot wide area. Your applicant shows that said 32 foot wide passage, roadway or easement has never at any time been improved for or used as a roadway or for any access or easement purposes, that no road, highway, street or alleyway or easement was ever constructed or located thereon or has ever existed, and that no public or private user for roadway, access or easement purposes has ever been made, and said 32 foot wide strip has never been accepted by any governmental or public utility agency by entry, use, improvement, maintenance or otherwise.

3. That said 32 foot wide strip above mentioned operated to subdivide the areas shown on said plat as reserved and that it is desired to cancel said platting insofar as said separate reserved tracts exist, so as to throw said reserved tracts back into a single tract of acreage as same existed before such subdivision was made.

4. Applicant would further show unto the Court that cancellation of such subdivision as herein requested will not interfere with the established rights of any purchaser owning property in said Golden Highway Properties and Fresno Dome Addition Subdivision, all of which lies easterly of the reserved tracts above mentioned.

WHEREFORE, premises considered, the Applicant, Owen B. Wood, prays that notice of this application be given in the manner provided by law, and that after such notice and hearing hereon, that this Court by its Order permit and authorize the applicant to cancel such subdivision as herein requested, and for such other and further relief to which Applicant may be justly entitled.

RE: WAIVER OF COUNTY ATTORNEY

WAIVER

STATE OF TEXAS

COUNTY OF FORT BEND

I, the undersigned County Attorney of Fort Bend County, Texas, do hereby acknowledge that the Commissioners' Court of the said County has notified me to file suit for the collection of delinquent taxes in said county; however, due to the fact that it would be physically impossible for me to personally file and handle such suits, and at the same time to properly discharge the other duties of my office, and to the further fact that the statutes do not provide adequate compensation for a County Attorney to file and to prosecute suits for delinquent taxes, but do make adequate provisions for other attorneys to handle the same, I do hereby decline to file such suits and do hereby waive the thirty days written notice provided in Article 7335, Revised Civil Statutes, and do hereby agree that the Commissioners' Court of said County may contract with some other competent attorney to enforce or assist in the enforcement of the collection of delinquent State and County taxes.

Witness my hand this, the 2nd day of January A.D. 1961.

RE: ORDER AUTHORIZING CANCELLATION OF SUBDIVISION OF EAST RICHMOND

Upon motion of Commissioner M. F. Mensik, seconded by Commissioner Johnnie Philipp and duly passed, the following order was approved and passed:

ORDER OF THE COMMISSIONERS' COURT OF FORT BEND COUNTY, TEXAS, AUTHORIZING CANCELATION OF SUBDIVISION OF EAST RICHMOND

On this the 9th day of January, 1961, came on to be heard by the Commissioners' Court of Fort Bend County, Texas, at a regular meeting of such Court, the application of Mamie E. George, Wharton Weems and J. A. Elkins, Sr., as Trustees of The George Foundation, as petitioners, to cancel a purported subdivision known as East Richmond and shown of record in Volume C, page 501 of the Deed Records of Fort Bend County, Texas, insofar as such purported East Richmond Subdivision applies to the following described real property, to-wit:

> Being 60.53 acres of land in the William Morton League Abstract No. 62, Fort Bend County, Texas, known as the A. P. George tract located on the East bank of the Brazos River at Richmond, Texas; Southeast of the G.H. and S.A. Railroad; Southwest of a Texas State Highway Park; and Northwest of U.S. Highway 59 and 90-A; which 60.53 acre tract is more particularly described in field notes contained in the Application of petitioners filed herein on the 5th day of December, 1960, to which reference is here made for all purposes. Said 60.53 acre tract is the same tract shown on Plat prepared by Henry Steinkamp, Jr., a registered professional engineer, dated June, 1958, and is also the same tract of land described as Tract No. 1 in deed from Mamie

E. George to The George Foundation dated 2nd of December, 1960, and filed in the office of the County Clerk of Fort Bend County, Texas, under Clerk's File No. 124985, to which deed reference is here made for all purposes;

and it appearing to the Commissioners' Court that notice of such application has been duly published in The Herald Coaster for three (3) weeks prior to this date as required by law; that such notice contained a copy of the Application filed herein on the 5th day of December, 1960; that such notice commanded any person interested in such 60.53 acre tract to appear in the Commissioners' Courtroom in the Fort Bend County Courthouse in Richmond, Texas, at 2:00 P.M. on this date to protest if desired against cancelling said purported subdivision of East Richmond; that Affidavit of publisher filed herein shows that such notice was duly published in The Herald Coaster in the issues dated 8th of December, 1960, 15th of December, 1960, and 22nd of December, 1960;

And it further appearing to the Commissioners' Court that a cancellation of such purported subdivision of East Richmond as to such 60.53 acre tract will not interfere with the established rights of any purchaser owning property covered by said original purported subdivision of East Richmond and that an Order should be issued authorizing said petitioners, or their assigns, to cancel said purported subdivision of East Richmond by written instrument recorded in the Deed Records of Fort Bend County, Texas.

It is therefore ordered and decreed by the Commissioners' Court of Fort Bend County, Texas, acting on a motion made by Commissioner Mensik and seconded by Commissioner Philipp, that Mamie E. RE: ORDER APPOINTING SPECIAL COMMISSIONER

Upon motion of Commissioner Johnnie Philipp, seconded by Commissioner J. M. Davis and duly passed, the appointment of S. O. Morrow, as Special Commissioner, was approved as follows:

THE STATE OF TEXAS §
§
COUNTY OF FORT BEND §

WHEREAS, on the 16 day of January A.D. 1961, the Commissioners' Court of Fort Bend County, Texas, met in regular session, with all members present, and among other matters the following order was passed and entered, to-wit:

It is ordered by the Commissioners' Court of Fort Bend County, Texas, that S. O. O. Morrow is hereby authorized and empowered to sell at public auction, to the highest bidder, after due notice, the following described real estate belonging to Fort Bend County, Texas, to-wit:

"The road strip extending from the South line of the C.M. Frost 71.9 acre tract (said C.M. Frost 71.9 acre tract being situated in the Randolph Foster Survey, Abstract No. 28 in Fort Bend County, Texas; and being the same land described in deed dated November 15, 1924, from W. S. Cochran to John Emerson, recorded in Volume 110, Page 489 of the Fort Bend County Deed Records; and being the same land conveyed by the heirs of said John Emerson to C. M. Frost by deed duly recorded in the deed records of Fort Bend County, Texas, to which refer in aid hereof) and extending in a general northerly direction across the said C.M. Frost 71.9 acre tract to the intersection of said road strip with the South line of an East-West public road running along the North line of said C. M. Frost 71.9 acre tract. The road strip herein conveyed is the area where the former abandoned and vacated road is situated, and which road strip crossed said 71.9 acre tract; it being intended herein to describe any road or road strip that crosses said 71.9 acre tract as fully and effectively as if such abandoned road strip was herein described by metes and bounds."

And it is further ordered by the Commissioners' Court that the said S. O. Morrow, as Special Commissioner aforesaid, be and is hereby empowered and authorized to execute a deed to the highest bidder at said Public Auction for said land and insert in said deed a covenant of general warranty.

The above order was introduced in the Commissioners' Court of Fort Bend County, Texas, on the motion of Commissioner Philipp, seconded by Commissioner Davis, and was unanimously adopted and passed by all of the Commissioners on the 11 day of January, 1961.

The reason for the abandonment of the above strip is because of the relocation of road by the C. M. Frost land, and he cooperated in furnishing the necessary right of way for the new road, and the above strip is merely an abandoned road and has been discontinued and not in use for more than six years, and such above road strip has been abandoned and vacated, and the purpose of the conveyance from the County is merely to have the county release any interest it might have in and to said abandoned roadway strip.
