OFFICE OF THE EXECUTIVE DIRECTOR

June 17, 1987

The Honorable Jodie Stavinoha
Fort Bend County Judge
500 Jackson
Richmond, TX 77469

Dear Judge Stavinoha:

Fort Bend Senior Citizens, Inc. will have a budget shortfall of \$ 63,000 for the fiscal year of 1987-88. This is the result of the loss of \$ 50,000 in Revenue Sharing funds and the utilization of the monies that Tri Cities Volunteers, Inc. provided at the time of the merger. I am requesting an opportunity to appear before the Fort Bend County Commissioners Court for the purpose of requesting financial assistance.

The senior citizens of Fort Bend County are currently receiving 350 meals a day for a total of 7,700 meals a month. In addition to the meals other services that are provided include transportation, telephone reassurance, information and referral, nutrition and adult education, health screening and others.

Transportation - 5 vans and a station wagon - 88,543 miles last year with 2,913 trips monthly.

Information and Referral 2,000 units last year with 166 services monthly.

Senior Center operations include six centers providing services in Fort Bend County.

Judge Jodie Stavinoha

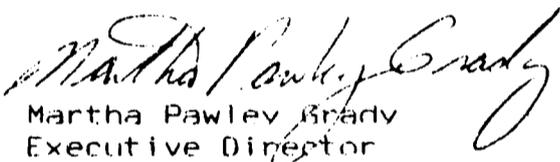

In the next two weeks meal service will begin at Fort Bend Gardens. This food will be funded through the Federal Emergency Management Agency dollars that are available until September 15, 1987. All parties understand that these will be short term meals as this agency is providing in Needville. One of the residents will volunteer as site manager.

If this agency is unable to make up the shortfall the services currently provided will have to be reduced. The option to accomplish this, that the Board is studying, is shutting down service one day a week for this year. This particular action will result in saving the \$ 63,000.

Fort Bend Senior Citizens, Inc. appreciates the support of Fort Bend County. Judge, you and the commissioners have always supported this program to the maximum. This support is what has made Fort Bend County's senior citizen program one of the finest. Your county seniors need your help again.

Thank you for your time and support.

Very sincerely yours,

Martha Pawley Brady

SECTION C

Financial Information

Funding Sources

United Way of the Texas Gulf Coast currently funds this organization at \$199,120. This represents a stable funding level from 1985.

Houston-Galveston Area Council Area Agency on Aging monies are provided by the Older Americans Act of 1965, as amended. The regulations for this act define the majority of the services provided by Fort Bend Senior Citizens.

United States Department of Agriculture (U.S.D.A.) Cash. All meals that are purchased with Federal Dollars and meet 1/3 the minimum daily requirement are eligible for U.S.D.A. Cash. This money comes at \$.56 per meal served. These funds must be spent on food. U.S.D.A. Cash is a very valuable source of funding for this program.

Federal Emergency Management Agency (FEMA). These funds come through the United Way. The amounts are determined by the local FEMA Board. These funds are for the expansion of existing services. These are the funds that will be used to feed the people in Needville from March 1 - September 15 1987. Meals purchased with FEMA funds are eligible for U.S.D.A. Cash reimbursement.

Omnibus Hunger Act monies are State of Texas funds designated for Home Delivered Meals. The criteria to receive these meals are that the participant is on an existing waiting list or a hospital discharge and homebound. These funds may be done away with during this legislative session.

Revenue Sharing Funds have been provided to this program for 13 years by the Fort Bend County Commissioners. These funds are no longer available.

Urban Mass Transit Administration funds have been used to assist in the purchase of vans. One is located in the Tri-Cities area and one will be located in the Rosenberg/Richmond area.

In-Kind Support comes from Fort Bend County, City of Rosenberg, City of Kendleton, and New Hope Lutheran Church. The sites and main office are in donated space. All maintenance on the vans is done by the County Barn. The program pays for parts.

Tri-Cities Volunteers, Inc. had \$13,074.87 that was provided to Fort Bend Senior Citizens to support that site. This money will be completely expended at the end of this year.

PROPOSAL FOR FUNDING

TO

COMMISSIONERS COURT, FT. BEND COUNTY

FOR

ALCOHOLISM/DRUG ABUSE SERVICES

Jan. 1, 1987 through Dec. 31, 1987

to be rendered by

FT. BEND REGIONAL COUNCIL ON ALCOHOLISM/DRUG ABUSE, INC.

ATTENTION: Honorable Judge Jodie Stavinoha
Honorable Commissioners - Johnnie Pustka,
Ben Dunham, Alton Pressley, Bob Lutts

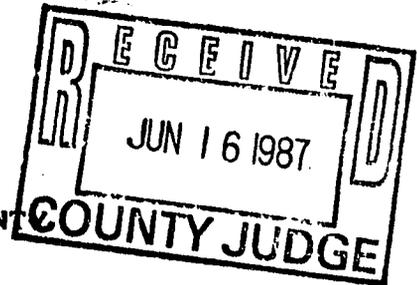

Gentlemen:

Attached is a list of proposed services to be rendered to the residents of Ft. Bend County for 1987, as well as, a progress report of these same services which were rendered during the agency's past FY (7/1/86-6/30/87). In order to provide for these services the agency is in need of \$50,000. This amount represents a decrease over previous years funding of \$5,818 (12%).

A level of services similar to that of 1986 is again projected for 1987. Careful evaluation and planning has resulted in rearrangement of staff and programs to maximize available services, retain their quality and effectiveness while reducing the expense of rendering them.

Our revised programming offers both more and new group services which allows us to move clients faster from the more costly and time consuming one to one setting into that of less costly group which is providing equally effective.

4203 Avenue H. #16 • Rosenberg, Texas 77171 • (713) 342-8828

This move has allowed us to reduce staff by substituting two part time employees for one full time position. This, in turn, has lowered expenses considerably, in particular, in the area of benefits.

An additional change related to staff and program rearrangement is our expansion this past August to the United Way Service Center in Stafford.

The rotation of staff and services from the Rosenberg Center (Chamber Plaza) to the Stafford Center has made increased space available for evening programs without the increased cost. The move has been particularly well received by residents in the east end of our county.

Being aware of the discontinuation of Revenue Sharing, the depressed economy and the many strains on whatever county funding resources might be available, it still remains necessary for us to turn to you for this financial assistance we need to continue the alcohol/drug abuse services. An extremely high percentage of these services are to county residents who are in the lower to indigent income brackets. There is no other existing agency, facility or group that can or does meet the needs of this mass of needy individuals.

This past year we rendered services to 29,913 individuals on a total operating budget of \$272,520 resulting in a per person cost of \$9.11. Where else could the needs of so many be met for so little.

While the majority of our funding resources are on most unpredictable and shaky grounds, at least the fees for "Offender Services" are playing a positive role in our being able to service so many for so little. The increase in offender clients, relating to the county's growth, has been responsible for increased revenues. With large enough numbers, income from these programs are in excess of the expense. This, in turn, off-sets the expense incurred by clients who have either very little or no income. It most certainly lessens the amount we need to request from the County and United Way.

We are constantly looking for ways to reduce expenses, and have successfully put many of these new ways into effect. At the same time we are looking for ways to increase our funding base, but unfortunately, in this area we have not been as equally successful, as of this date.

TO WHOM IT MAY CONCERN:

FROM: Richard Selleh - Personnel Director

SUBJECT: Fort Bend County and the use of the Fort Bend Regional Council on Alcoholism & Drug Abuse, Inc. providing help for county employees.

The Regional Council has provided confidential individual counseling for Fort Bend County employees and their families for the last four years. This counseling covers not only drug and alcoholism problems but other areas such as family relationships, stress management, and budgeting.

Recently, the Vehicle Maintenance Department came to me and said they were having a lot of stress in their department. I put them in touch with the Regional Council and they sent a person out to the Vehicle Maintenance to counsel our employees. The session lasted from 4:30 P.M. to after 6:00 P.M. and the employee I talked with said it was a very valuable workshop for them. At least one of your employees scheduled a individual session with the counselor for more help.

In the past, the Personnel Department scheduled a brown bag lunch during the noon hour and had the Regional Council speak to our employees on drugs and alcoholism. This workshop was well received by our employees and we plan to have another one in the fall.

From working with the organization and its Executive Director, Kay Tripicchio - I can say they care about people and do an excellent job in our community.

Dear Kay,

Please allow me the opportunity to thank you, your staff and community for the excellent work the Council has done. As you are aware my responsibilities as District V Director for the Commission requires monitoring and evaluation of over 60 alcohol and drug abuse programs throughout the Upper Gulf Coast region of Texas. I have likewise had similar responsibilities in the past for all of East and North Central Texas. Clearly your record indicates that the Fort Bend Regional Council is one of the strongest organizations in the state.

No two programs can be completely compared. With each I must look at issues like the particular populations served and historically issues that make that program unique. What works in the city, for example, may not work in the countryside or even in the suburbs. But there are however common factors such as expanding community support, balanced budgets, and staff expertise that are consistent factors in strong organizations.

You can take particular pride in your work at the Council, your record speaks for itself. Let's continue the valiant struggle against chemical abuse.

Cordially,

Arthur Jones

DATE: June 17, 1987

TO: Commissioners Court, Fort Bend County

FROM: Joyce Tompkins, County Auditor

RE: Tax Refund Check

To approve a refund for overpayment of taxes, my tax audit department requires proper documentation from the Tax Office of such over payment of taxes. This procedure is followed on a daily basis. With this documentation in hand I have approved the following accounts for payment:

MEMORANDUM

June 17, 1987

TO: Judge Jodie Stavinoha
 FROM: Marsha P. Gaines
 SUBJECT: Auto Dealer Bonds

Please place the following items on the agenda for Commissioner's Court, Monday June 22, 1987.

1. Auto Dealer Bond Number 18001701 (61027) in the amount of \$40,000.00 showing Joe R. Denton, Jr. dba Joe Denton Buick Company as the principal.
2. Auto Dealer Bond Number BN-36593 in the amount of \$20,000.00 showing Temple Ashcraft/Ashcraft Lincoln-Mercury, Inc. as the principal.

Each \$20,000.00 of the bond covers:

- | | |
|---|------------------|
| 1. 1 book of 50 validation stickers valued at | \$ 3,000.00 |
| 2. County Road & Bridge fee for 50 vehicles | 250.00 |
| 3. Title fee for 25 vehicles | 250.00 |
| 4. 25 receipts for sales tax & title | 16,500.00 |
| | <u>20,000.00</u> |

Joe Denton Buick Company sells enough vehicles that by having a bond in the amount of \$40,000.00 they are able to sign out twice the number of supplies listed above and come in for a report once a week instead of more often.

I, the undersigned, Secretary of JOHN DEERE INSURANCE COMPANY, hereby certify that the following is a true and exact copy of two resolutions passed by the Board of Directors of JOHN DEERE INSURANCE COMPANY at meetings held by the Board of said Company, a quorum being present and voting, on the dates specified below, which resolutions are still in effect:

RESOLVED, that the President or Vice President in conjunction with any Secretary or Assistant Secretary, be and they are hereby authorized and empowered to appoint Attorneys-in-Fact of the Company, in its name and as its acts, to execute and acknowledge for and on its behalf as Surety any and all bonds, recognizances, contracts of indemnity, waivers of citation and all other writings obligatory in the nature thereof, with power to attach thereto the seal of the Company. Any such writings so executed by such Attorneys-in-Fact shall be as binding upon the Company as if they had been executed and acknowledged by the regularly elected officers of the Company in their own proper persons (adopted September 11, 1969).

RESOLVED, that the signature of any Officer authorized by the Bylaws and the Company seal may be affixed by facsimile to any power of attorney or special power of attorney or certification of either given for the execution of any bond, undertaking, recognizance or other written obligation in the nature thereof, such signature and seal when so used hereby adopted by the Company as the original signature of such Officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed (adopted April 29, 1971).

I further certify that the foregoing Power of Attorney is a correct and a true copy of the original Power of Attorney and that said Power of Attorney has not been revoked.

I further certify that said JOHN DEERE INSURANCE COMPANY is duly licensed to transact fidelity and surety business in each of the States of the United States.

Given under my hand and seal at Moline, Illinois, this 15th day of June, 1987.

STATE OF TEXAS
COUNTY OF FORT BEND

KNOW ALL MEN BY THESE PRESENTS: That _____

Temple-Ashcraft/Ashcraft Lincoln-Mercury, Inc.
(hereinafter call the PRINCIPAL), and John Deere Insurance Company
a corporation created and existing under the laws of the State of
TEXAS, and whose principal office is located in Moline, IL (herein-
after called the SURETY), are held and firmly bound unto the TAX
ASSESSOR AND COLLECTOR, FORT BEND COUNTY, TEXAS (hereinafter called
the OBLIGEE), in the full and just sum of TWENTY THOUSAND AND NO/100
(\$20,000.00) Dollars, good and lawful money of
the United States of American, to the payment of which said sum of
money, well and truly to be made and done, the said PRINCIPAL binds
himself, his heirs, executors, administrators, successors and assigns,
and the said SURETY binds itself, its successors, and assigns, joint-
ly and severally, firmly by these presents.

Whereas the Obligee at the request of the Principal, has, or
will enter into a contract with the Principal to take possession
of motor vehicle license plates for the State of Texas for the pur-
pose of selling said license plates to customers of the Principal,
which contract further requires the Principal to collect, when
applicable, the Motor Vehicle Sales Tax due to the State of Texas;
said contract becoming a part of this bond as fully as if recited
at length herein.

NOW, THEREFORE, the condition of the obligation is such that
if the Principal shall well and truly pay over and deliver all
amounts due to the Obligee from sale of Texas Motor Vehicle Plates
and from collection of the Motor Vehicle Sales Tax, and shall re-
turn any unsold license plates to the Obligee, then this obligation
shall be null and void, otherwise to remain in full force and
effect during the term of this bond.

This bond shall become effective on June 15
19 87, and shall remain in full force and effect until
June 15 19 88, except that the Surety may cancel this bond by
giving thirty (30) days written notice addressed to Fort Bend
County Tax Assessor and Collector, P O Box 399, Richmond, Tx 77469,
the Surety, however, remaining liable for any defaults under this
bond committed prior to the expiration of such thirty-day period.

RE: SUMMARY OF BIDS FOR FORT BEND COUNTY COURTHOUSE ANNEX II

Gentlemen:

The following is a summary of the three (3) low bidders out of the twelve (12) general contractors who submitted bids.

*Approved
9/2/87
CC*

| | <u>BASE BID</u> | <u>CALENDAR DAYS</u> |
|----------------------------|-----------------|----------------------|
| 1. Lebcu Constructors | \$5,265,000 | 450 |
| 2. Gene D. Liggin, Inc. | 5,290,000 | 425 |
| 3. E. E. Reed Construction | 5,336,000 | 365 |

All three Contractors have submitted a list of subcontractors each used in preparing their bids, and in our opinion, have bid the job in accordance with Plans and Specifications. A list of subcontractors submitted by each of the Generals is attached.

This project is well within the budget and for the records, you have 108,321 S.F. at \$5,265,600 = \$48.61 S.F. This price is an exceptionally good bid for the quality building you will be getting.

Sincerely,

Christopher DiStefano

- W H E R E A S, Fort Bend County supports the Grand Parkway Association (GPA), the State's first non-profit transportation corporation created in 1984 by the Texas Highway Commission (THC) to direct all activities related to building the proposed 170-mile Grand Parkway, of which approximately 37 miles will run through Fort Bend County; and
- W H E R E A S, the Grand Parkway will provide a controlled access freeway forming an outer loop around the major metropolitan areas of Harris County and provide a major transportation artery connecting population centers of a seven-county region, such as Galveston, League City, Alvin, Houston, Katy, Tomball, Conroe, Kingwood, Friendswood, The Woodlands, Mont Belvieu, Baytown, Richmond and Rosenberg; and
- W H E R E A S, the GPA has received commitments from hundreds of landowners along the proposed route to donate over 5,000 acres of right-of-way along with cash to help reduce the State's cost and accelerate the much needed facility; and
- W H E R E A S, we are confident that the Grand Parkway will provide numerous benefits including that it will reduce travel time between towns in the seven-county area, and
- W H E R E A S, Grand Parkway will provide effective hurricane evacuation for residents in the seven-county area, particularly for those in Galveston, Brazoria and Chambers Counties; and
- W H E R E A S, the Grand Parkway will open up the following areas for economic growth: northern Galveston, Brazoria and Fort Bend Counties; southern Montgomery County; western, northern and eastern Harris County; and western Liberty and Chambers Counties; and
- W H E R E A S, construction of the \$1.5 billion Grand Parkway and attendant economic growth will provide thousands of new jobs and significant increases to the tax base in the seven-county area.

BE IT RESOLVED, that the elected officials of Fort Bend County hereby pledge the continued support by the members of the Fort Bend County Commissioners' Court and ask that the State Department of Highways & Public Transportation make every effort available to apply their resources enabling construction of the Grand Parkway in a reasonable time period.

RE: Monthly reports of Fee Officers

Gentlemen:

We have examined the monthly reports of certain Fee Officers identified below for the month of May 1987. We maintain certain records relating to financial transactions of these officers and accordingly, our examination included such auditing procedures as we considered appropriate in the circumstances.

Justice of the Peace Pct 3, Robert Stahl did not submit a report for the month of May due to his illness.

The following is the criminal case report for the JPs for the month of May, 1987:

Table with 7 columns: JP, # New Cases, # Old Cases, # Dismissed, # Cases Paid, \$ Amount, # Open Cases. Rows include JP 1 Geick, JP2-1 Molina, JP2-2 Fredrickson, JP3 Stahl, and JP4 Adolphus.

The following is a breakdown of the fees paid by the Tax Collector in May:

Table listing fee categories and amounts: Commissions - Mar 1987 (13,658.80), Commissions - Apr 1987 (2,535.82), Commissions - May 1987 (336.03), Title - Motor Vehicles (11,895.00), Beer & Liquor (3,722.75), Interest Earned (6,498.86), TOTAL FEES (\$ 38,647.26).

We recommend that these reports be approved subject to completions of our examination of reports of such officers for the year ending December 31, 1987.

If the Court concurs, the following order might be adopted:

Moved be Commissioner____, seconded by Commissioner____, duly put and carried, it is ordered that the monthly reports of fees collected by Fee Officers identified below, for the month of May, 1987 be approved as recommended by the County Auditor in her letter of June 22, 1987.

MEMO TO ALL DEPARTMENTS

SUBJECT: Typewriter Maintenance

Fort Bend County will enter into a new typewriter maintenance contract on July 1, 1987. The new contractor is obligated to chemically clean up to three (3) typewriters at no charge; you are therefore requested to delay all requests for chemical cleaning until after 1 July.

The new contractor is All American Typewriter of Stafford, Texas and their representative will inspect each typewriter in the County and affix a decal indicating their telephone number.

DO NOT CALL R & M BUSINESS MACHINES AFTER JULY 1, 1987. You may call All American Typewriter at 713-499-4226.

A telephone call to the contractor is sufficient for normal service; however, a requisition must be submitted ahead of time for chemically cleaning.

AGREEMENT

THE STATE OF TEXAS §
 §
COUNTY OF FORT BEND §

THIS AGREEMENT is made and entered into by and between the County of Fort Bend, hereinafter referred to as "County" and by and through Brentwood Development Company, a Texas joint venture, hereinafter referred to as "Brentwood Development Company"; Big Bucks, Ltd., a Texas limited partnership, hereinafter referred to as "Big Bucks"; R.H. Skinner, J.T. Trotter, R.A. Seale, Jr. as Testamentary Trustees under the last will of R.E. Smith, deceased; and Vivian L. Smith; (R.H. Skinner, et al, and Vivian L. Smith hereinafter referred to as the "Smith Estate").

WHEREAS, Brentwood Development Company desires to dedicate to the County the Drainage Easement as set forth in Exhibit "A" attached hereto; and

WHEREAS, the Smith Estate desires to dedicate to the County the Temporary Drainage Easement as set forth in Exhibit "B" attached hereto, with the understanding that the final location of the drainage easement on the Smith tract will ultimately be decided when development occurs on the Smith tract pursuant to all proper approvals from the County; and

WHEREAS, Brentwood Development Company desires to construct drainage improvements within the Drainage Easement and the Temporary Drainage Easement for the purposes of draining the Smith Estate property (comprised of approximately _____ acres located to the south and adjacent to Brentwood Development Company's property) as it is currently being drained and facilitating the abandonment by the County of drainage right-of-way across Brentwood Development Company and Big Bucks Property; and

WHEREAS, upon completion of the drainage improvements by Brentwood Development Company, the County desires to abandon the drainage right-of-way over and across the land described in Exhibits "C" and "D" attached hereto (the "Existing Drainage

Easement") and recorded in the Fort Bend County Deed Records, ⁰⁰¹⁰⁵
Page 210, Volume 290; ₀₀₃₃

WHEREAS, it is the desire of the County, Brentwood Development Company, Big Bucks, and the Smith Estate that, this agreement is subject to the terms, conditions, and requirements of Article 5421c-12, Vernon's Texas Civil Statutes;

WHEREAS, the County, Brentwood Development Company, Big Bucks, and the Smith Estate agree that, the property to be exchanged described in Exhibits "A" and "B" is equal to or greater than the fair market value of the property described in Exhibits "C" and "D".

NOW, THEREFORE, in consideration of the mutual understandings and agreements set forth herein, the County, Brentwood Development Company, Big Bucks and the Smith Estate agree as follows:

1. Brentwood Development Company shall dedicate to the County the Drainage Easement attached hereto as Exhibit "A", and the Smith Estate shall dedicate to the County the Temporary Drainage Easement attached hereto as Exhibit "B".
2. Brentwood Development Company shall construct drainage improvements on the land described in Exhibits "A" and "B", as approved by the County.
3. County shall, after the construction of the drainage improvements on the land described in Exhibits "A" and "B" has been completed and the same has been certified by the County Engineer to meet county standards, accept said drainage improvements into the County System for maintenance.
4. After the County has accepted the drainage improvements for maintenance, the County will then abandon and exchange the Existing Drainage Easement as set forth in Exhibits "C" and "D" attached hereto in consideration of the dedication of the property described in Exhibits "A" and "B";

AS PER ORIGINAL

provided, however, the terms and conditions of this exchange are subject to the terms and conditions of Article 5421c-12, Vernon's Texas Civil Statutes.

5. Once the drainage improvements are completed and the dedication has been accepted by the County, the County will maintain said improvements at its own cost and expense.
6. County, Brentwood Development Company, Big Bucks and the Smith Estate agree to execute and deliver all further instruments and documents, and to take all further action that may be necessary or desirable, in order to properly dedicate the drainage right-of-way described in Exhibits "A" and "B" and to abandon the Existing Drainage Easement described in Exhibits "C" and "D".

IN WITNESS WHEREOF, the parties have hereunto set their hands as of the date written below.

KNOW ALL MEN BY THESE PRESENTS:

That I, Vivian L. Smith, of Harris County, Texas, have made, constituted and appointed, and by these presents do make, constitute and appoint R. A. Seale, Jr., of Harris County, Texas, my true and lawful attorney, for me and in my name, place and stead:

(a) To ask, demand, sue for, collect, recover and receive all and any sum or sums of money, debts, rights, property, effects or demands whatsoever due, payable or belonging or which may at any time hereafter be or become due, payable or belonging to me from any person or persons whatsoever and to execute any and all necessary or proper receipts, releases and discharges therefor;

(b) To deposit in any national or state bank or any loan association or other depository deemed proper by said attorney all moneys which shall come to his hands as such attorney, and all bills of exchange, drafts, checks, promissory notes and other securities for money payable or belonging to me, and for that purpose to sign my name and endorse the same, either for deposit or for collection, and to at any time or times withdraw from any bank, loan association or other depository any and all moneys now or hereafter belonging or payable to me, as well as all bills of exchange, drafts, checks, promissory notes and other securities, and for that purpose to draw checks in my name;

(c) To invest all moneys which shall come to his hands as such attorney in such manner as he may deem proper, including, but not limited to, the purchase of government securities secured by my separate credit;

(d) To sell, assign and transfer all or any portion of the shares of stock (whether common, preferred or otherwise) now standing in my name or which I may hereafter acquire or own in any corporation domiciled or doing business in the United States of America, and for that purpose to make and execute all necessary acts of assignment and transfer, including the power and duty to deliver the certificates representing such shares, to endorse thereon the assignment of such shares, which endorsement may be in blank or otherwise, and/or contemporaneously to deliver this power of attorney, and to transfer and do all acts proper to accomplish the transfer of such shares on the books of any such corporation;

(e) To give notice, make proofs of loss, demand and collect money, sue, compromise, arbitrate, carry on or consummate any other negotiation whatever with any insurance company and do everything else necessary or proper in connection with the collection of the amount in whole or in part due upon any insurance policy or policies, by reason of fire or damage or destruction by fire of any

property belonging to me, empowering my said attorney in fact in my name, place and stead, to execute any papers that are proper in the premises and particularly to receive, receipt for and release any insurance company from further liability for any amounts due upon any policy or policies upon or covering any such property;

(f) To effect insurance on all or any portion of the property, real, personal or mixed, now owned or hereafter owned by me in such amounts and to cover such risks as said attorney considers proper;

(g) To loan or borrow money on my behalf in any manner (including by joint and several obligations) with or without security, and to pledge or encumber in any manner (including with purchase money mortgages) securities or any other property, real, personal or mixed, now owned or hereafter owned by me;

(h) To order, purchase and contract for such materials and labor as shall be reasonably necessary for the purpose of making needed repairs on my residence located in Harris County, Texas, or any other properties located in Harris County, Texas, or elsewhere which I now own or might hereafter acquire;

(i) To execute and file tax returns, closing agreements, compromises, and other settlements with the Internal Revenue Service and to defend in my name any actions, suits or legal proceedings that may be instituted against me, and for that purpose, my said attorney is authorized to employ counsel to arbitrate, compromise, to submit to judgment, or to prosecute an appeal;

(j) To manage and control all property, real, personal and mixed, now owned or hereafter owned by me, to contract to lease, sell or otherwise dispose of said property, or any part thereof, to any person or persons whomsoever for such sum, on such terms and with such agreements as to said attorney shall seem proper; to execute, acknowledge and deliver good and sufficient instruments of lease, conveyance or other instruments of sale or disposition for the same upon any such consideration and with any such clauses, covenants and agreements to be therein contained as said attorney shall consider proper; to demand, recover, collect and receive all sums of money which shall be due and owing by reason of any such lease, sale, conveyance or other disposition, and to execute and deliver sufficient releases therefor;

(k) To execute and deliver on my behalf a qualified disclaimer within the meaning of section 2518 of the Internal Revenue Code of 1954 or the corresponding provisions of any subsequently enacted federal tax law (the "Code");

(l) To make gifts outright to or in trust for the benefit of the natural or known objects of my bounty and to or for any one or more organizations to which contributions are then deductible under sections 170(c) and 2522(a) of the Code.

All moneys, shares of stock and other property, real, personal and mixed, or any portion thereof, referred to in this instrument as owned or belonging to me, or which might hereafter be owned or belong to me, shall not be limited to that which is classified or presumed to be my separate property but shall also include all rights, titles and interests of every nature now or hereafter owned or belonging to me.

The undersigned, Vivian L. Smith, recognizes that powers of attorney are sometimes strictly construed and it is not the intention of the undersigned by enumerating the above powers to in any manner limit the power and authority of the above named attorney, R. A. Seale, Jr., and in addition to the above enumerated powers, said attorney is authorized and empowered, for me and in my name, place and stead, to do any and every act and exercise any and every power that I might or could do or exercise through any other person and that he shall deem proper or advisable, intending hereby to vest in said attorney a full and universal power of attorney.

This power of attorney shall not terminate on disability of the principal.

The validity of this power of attorney shall not be affected in any manner by reason of the execution, at any time, of powers of attorney by the undersigned in favor of persons other than those named herein.

The undersigned agrees and represents to those dealing with my said attorney-in-fact that this power of attorney may be voluntarily revoked only by revocation entered of record in the office of the County Clerk of Harris County, Texas.

WITNESS THE EXECUTION HEREOF this, the 27th day of August, 1985.

BEFORE ME, the undersigned authority, on this day personally appeared R.H. Skinner, J.T. Trotter, and R.A. Seale, Jr., as Testamentary Trustees under the last will of R.E. Smith, deceased; and Vivian L. Smith, who being by me first duly sworn, deposed and said:

Our names are R.H. Skinner, J.T. Trotter, R.A. Seale, Jr., Testamentary Trustees under the last will of R.E. Smith, deceased; and Vivian L. Smith. We are all the owners of an approximately 392.2764 tract of land located to the south of and adjacent to Brentwood Development Company's ("Brentwood") property along Bellaire Boulevard ("West Oaks Village"). I (we) have been informed and understand that Brentwood has proposed, as part of its development plan for West Oaks Village, a drainage plan which will include the construction of an open channel system designed to convey the existing storm water flow along a course different from what currently exists. The existing storm water flow is currently conveyed within the existing drainage channel in the 85' Fort Bend County Drainage District Easement set forth in Volume 290, page 210 of the Fort Bend County Deed Records.

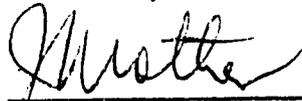

The course which Brentwood has proposed begins at the intersection of the existing channel with the proposed south fifty foot (50 ft.) of the proposed Bellaire Boulevard. The channel would run west within the fifty foot right-of-way to the western boundary of Brentwood's tract. The channel would turn and proceed north to its intersection with the existing channel. Exhibit "A" attached hereto graphically represents the proposed course described herein.

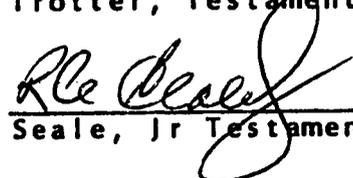

1955 2316⁰⁰¹²⁹
0033

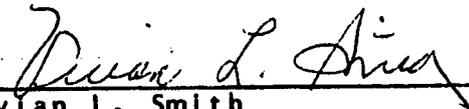

I (we) understand, acknowledge and concur that Brentwood has agreed to undertake, and the Fort Bend County Drainage District has indicated its intent to approve, the construction of the channel system as described with the sizing being based on flow capacity within the existing channel and based on the design calculations set forth in Exhibit "B" attached hereto and made a part hereof.

HYDRAULIC DESIGN FOR
RELOCATION OF FORT BEND COUNTY DRAINAGE DISTRICT

LINE OF THE DISTRICT (BELLAIRE BLVD.) TO THE S.P.R.R.
AT FM 1093 (WESTHIMER ROAD) PER THE ATTACHED
EXHIBIT "A".

The proposed channel is designed to carry the runoff capable of being conveyed by the existing ditch. The existing section at Bellaire Blvd. is estimated to be approximately 53.3 sq. ft. as computed on sheet 3. The approach slope to Bellaire Blvd. is about 0.10% and the typical section appears to be a "V" shape. The ditch has berms on each side which make it difficult for runoff to enter the channel. For purposes of estimated full flow water surfaces, we have assumed that surface to be the lowest natural ground elevation outside the berm. The existing ditch has a capacity of approximately 77 cfs. The estimated runoff determined by the Fort Bend County Drainage District for the 392 acre contributing runoff is 1/8 cfs per acre for a total of 49 cfs.

The proposed channel relocation from the intercepting point at Bellaire Blvd. to the existing channel at the S.P.R.R. allows for a maximum slope of 0.08%. The proposed section at the intercepting point is shown on sheet 3 and has a capacity of 78 cfs. The proposed section is enlarged from the southwest corner of Big Oaks M.U.D. to the S.P.R.R. to drain a small portion of the District not planned to drain immediately into the proposed Westmar Drive Storm Sewer.

The channel located in the future south fifty (50) feet of Bellaire Blvd. is temporary. Excavation from this portion will be cast along the south line of the temporary drainage easement to be used for fill when Bellaire Blvd. is to be paved. Sufficient openings in the stockpile will be provided so runoff can enter the new channel.

AS PER ORIGINAL

WHEREAS, the City and the Participating Agency, pursuant to the provisions of the Interlocal Cooperation Act, TEX. REV. CIV. STAT. ANN. art. 4413(32c) (Vernon Supp. 1984), have determined that it would be in the best interest of the City, and the Participating Agency and the citizens and inhabitants thereof, for the Participating Agency's Law Enforcement Branch to use the Criminal Justice System for the purpose of retrieving Information; and,

NOW, THEREFORE, in consideration of the mutual covenants, agreements and benefits to both parties it is agreed as follows:

ARTICLE I

DEFINITIONS

As used in this Agreement, the following words and phrases shall have the meanings set out below unless a different meaning clearly appears from the context in which the terms appears:

"City" is identified in the Preamble and includes its successors and assigns.

"Chief of Police" means the Chief of Police, City of Houston.

"Countersignature Date" means the date on which this Agreement is signed by the Controller of the City of Houston.

"Criminal Justice System" means the law enforcement information contained therein and made available to the Participating Agency in accordance with the terms and conditions of this Agreement.

"Information" means proprietary and confidential data disclosed by the Houston Police Department to the Participating Agency, and by the Participating Agency to the Houston Police Department, if any, in connection with and during the term of this Agreement. Such law enforcement information, applicable to this Agreement, is as follows:

- On-Line Offense System (OLO)
- Identification System
- General Persons System

"Inquiry-Only Participant" means the Participating Agency who has the right, in accordance with the terms and conditions of this Agreement, to only retrieve Information.

"Law Enforcement Branch" means the office of the Fort Bend County Sheriff, and the office of the Fort Bend County Criminal District Attorney.

"Participating Agency" is identified in the Preamble and includes its successors and assigns.

"System" means the Houston Police Department's host computer system located at 61 Riesner Street, 2nd Floor, Houston, Texas 77002.

ARTICLE II

The City agrees to provide, in accordance with the terms and conditions of this Agreement, the Participating Agency's Law Enforcement Branch with access to and use of the Information maintained by the Houston Police Department as an Inquiry-Only Participant.

ARTICLE III

The Participating Agency agrees to do the following:

- A. Work in concert with the Houston Police Department in all matters of mutual concern.
- B. Abide by those rules, regulations, policies and procedures, attached hereto and incorporated herein as Exhibit "A," which apply to an Inquiry-Only Participant;
- C. Work in concert with the Houston Police Department by obtaining written approval from the Chief of Police prior to the acquisition and/or implementation of any equipment, goods, and services applicable to the services offered by this Agreement. Equipment interfacing with the System is under management control of the Participating Agency's Law Enforcement Branch, subject to inspection by the Chief of Police at any reasonable time.
- D. Provide the necessary hardware and software, if applicable, to cause its terminal(s) to communicate with the City via the protocol required by the City; and
- E. Provide the telephone circuit(s) and funding, and modems to communicate with the City's System for accessing the Criminal Justice System.

ARTICLE IV

Upon execution of this Agreement, the City shall furnish the Participating Agency's Law Enforcement Branch a list of transaction codes and/or system message key mnemonics to enable authorized employees and agents of the Participating Agency's Law Enforcement Branch to obtain access, for inquiry purposes only, to the Information. The Participating Agency shall provide the City with a list of names and business addresses of all authorized terminal operators, administrative staff and any other applicable personnel who may or may not be employees who shall have access to the Information for inquiry purposes only. Access shall be granted, for inquiry purposes only, to said authorized persons upon certification of satisfactory completion of terminal training by the Houston Police Department's Computer Services Division.

Use of a password for access to the Information by any person other than by the use of his/her own password shall be grounds for terminating this Agreement.

ARTICLE V

It is expressly understood and agreed that the Participating Agency's Law Enforcement Branch shall have access only to the Information available to them through the transaction codes and/or system message key mnemonics provided to them by the City, for law enforcement purposes only, and to no other computer data without the written consent of the Chief of Police. Further, the Participating Agency expressly acknowledges, understands, and agrees the Information is proprietary and confidential to the Houston Police Department, and agrees not to allow any such Information to be disclosed, reproduced or released in any form to any law enforcement agency, peace officer or individual outside their Law Enforcement Branch without prior written consent of the Chief of Police. This Agreement shall be governed by local, state and/or federal rules, regulations, statutes, or judicial decisions, and any violation thereof shall be grounds for terminating this Agreement.

ARTICLE VI.

The Participating Agency shall have access to the Information twenty-four (24) hours a day, each and every day of the week. The City shall not be liable for any temporary inability of the Participating Agency's Law Enforcement Branch to obtain access due to maintenance, break downs, and other causes beyond the control of the City. In the event that the capacity of the System is inadequate to meet the needs of the Participating Agency and the City, the rights of the City shall prevail.

ARTICLE VII

The City does not guarantee the accuracy or timeliness of the Information, and in the event of inaccuracies, the City shall bear no liability. Further, the Participating Agency agrees to verify the accuracy of the Information with the office of the appropriate law enforcement agency which has in its possession the original Information. FAILURE TO VERIFY WITH EACH LAW ENFORCEMENT AGENCY THE ACCURACY OF THE INFORMATION, PRIOR TO THE EXECUTION OF THE INFORMATION, MAY BE GROUNDS FOR TERMINATION OF THIS AGREEMENT. Further, such failure shall relieve the City of any and all liability which may arise as the result of an inaccurate and/or incomplete record.

ARTICLE VIII

The Participating Agency agrees to keep the Participating Agency's terminal(s) and printer(s) functioning at an acceptable level so as not to interfere with the System. Failure to do so may be grounds for termination of this Agreement.

ARTICLE IX

In addition to any other rights of termination granted herein, the City reserves the right to terminate this Agreement immediately in the event of any or all of the following:

- A. Use of the Participating Agency's terminal(s) to obtain Information by any person who has not been assigned a password, or otherwise authorized, by the Chief of Police;

- B. Any attempt to gain access to information other than that authorized by the Chief of Police;
- C. The event that the System capacity is inadequate to meet the needs of the City and the Participating Agency;
- D. Failure by the Participating Agency to reimburse the City for all telephone circuit(s) charges for accessing the City's Criminal Justice System; or
- E. Violation of any of the terms of this Agreement or rules, regulations, policies and procedures, attached hereto and incorporated herein as Exhibit "A".

ARTICLE X

The City reserves the right to modify or delete City Information contained in the Criminal Justice System and that which is available to the Participating Agency and/or to change the transaction codes and programs from time to time.

ARTICLE XI

All notices and communications under this Agreement may be mailed by certified mail, return receipt requested, or hand delivered, to the Participating Agency at the following address:

ATTENTION: Honorable Jodie Stavinoha
County Judge
P.O. Box 368
Richmond, Texas 77469

All notices and communications under this Agreement may be mailed by certified mail, return receipt requested, or hand delivered to the City at the following address:

City of Houston
Houston Police Department
61 Riesner, 3rd Floor
Houston, Texas 77002
ATTENTION: Chief of Police

Notices mailed as above shall be deemed given and completed on the day of deposit in the United States mail.

ARTICLE XII

The term of this Agreement shall be for three (3) years beginning on the Countersignature Date with automatic one (1) year renewable terms each contingent upon the availability of funds. This Agreement shall remain in force until either party gives thirty (30) days written termination notice to the other party specifying the default complained of.

ARTICLE XIII

This instrument contains the entire Agreement between the parties relating to the rights herein granted and the obligations herein assumed. Any oral representations or modifications concerning this Agreement shall be of no force or effect excepting a subsequent modification in writing signed by all parties hereto.

IN WITNESS HEREOF, the City and the Participating Agency have made and executed this Agreement in multiple copies, each of which is an original.

CRIMINAL JUSTICE SYSTEM AGREEMENT

AS PER ORIGINAL 0033

EXHIBIT "A"

1. TCIC Policies and Procedures.

Information received through the General Persons inquiry may contain data from the Texas Crime Information Center (TCIC) files. The Houston Police Department is a participant in a user's contract with the Texas Crime Information Center. This contract governs the manner and conditions under which Criminal Justice Information may be obtained from the State of Texas data files and the conditions for the use and disclosure of that information. The Agreement to which this Exhibit is attached reflects those conditions.

2. Bimonthly User Certification.

On a bimonthly schedule, the Computer Services Division, Houston Police Department, shall provide the Participating Agency with a listing of their employees authorized to access the Criminal Justice System. Within ten (10) days of receipt of this listing, the Participating Agency shall certify the information as correct or provide changes as required and return to:

Computer Services Division
61 Riesner, Room C114
Houston, Texas 77002

As part of this certification, the "Site Coordinator" and "Key Operators" shall also be identified.

3. Immediate Notification of Employee Status Change.

It shall be the responsibility of the Participating Agency to immediately notify, by telephone, the Division Commander of the Computer Services Division of any change in active status of an authorized user resulting from termination, retirement, suspension, investigation, or leaving from his employment. Such initial notification shall be followed by written notification to:

Computer Services Division
Division Commander
61 Riesner Room C114
Houston, Texas 77002

4. Use Limited Specific Terminals.

All authorized users from the Participating Agency are to limit their terminal usage to the terminal(s) located within the agency's facility.

5. Supplies.

It shall be the responsibility of the Participating Agency to provide for any and all supplies necessary to operate their terminal(s) and printer(s).

6. Charge for Service.

At this time, no transaction or service charge will be imposed for access to the Criminal Justice System except for communications line charge(s).

7. Site Coordinator/Key Operator.

The Houston Police Department's Computer Services Division shall provide training on the proper use and access methods of the Criminal Justice System. The Participating Agency shall identify a "Site Coordinator" and a "Key Operator" per shift available to assist their users in the proper operation of that site's computer equipment.

8. Trouble Procedures.

Should there be any difficulty gaining access or retrieving authorized information from the Criminal Justice System, the following procedure shall be initiated:

. During regular business hours, 0700 and 1630 hours, Monday through Friday (excluding City holidays), contact the Computer Services Division. During all other times, contact the Computer Operation Center, Houston Police Department.

. The equipment located at the Participating Agency is the property of that agency. The maintenance and the subsequent servicing of the terminal(s), printer(s) and modem(s) is the responsibility of the Participating Agency and not that of the Houston Police Department. Contact the Key Operator at your agency to determine the exact procedure to follow.

. The Computer Services Division and the Computer Operations Center personnel will make every effort to determine the exact cause of any service interruption each time they occur. Prior to contacting the Computer Services Division or the Computer Operations Center, please contact the "Site Coordinator" or "Key Operator" within your agency and attempt to resolve the problem at your site.

9. Authorized Inquiry Transactions.

AS PER ORIGINAL

0033

Access to all authorized inquiry transactions shall be through the transaction, "HPD."

Authorized users of the Participating Agency are expressly forbidden to enter, modify or in any way change the data contained within the Houston Police Department's Criminal Justice System or that of the Texas Crime Information Center. Every attempt has been made by the Computer Services Division to insure that an "Inquiry Only" security has been implemented for both the personnel and terminal security of the Participating Agency.

The Computer Services Division shall train each user in the proper methods for accessing data within the Criminal Justice System and the Texas Crime Information Center System. Only those inquiry transactions may be used. All attempted and successful inquiries into these systems are logged.

RELEASE OF EASEMENT

STATE OF TEXAS ↓
COUNTY OF FORT BEND ↓

00158

0033

WHEREAS, by instrument dated February 9, 1977 and recorded in Volume 720 Page 541, Deed Records of Fort Bend County, Texas, Virgil V. Mott and Amos Watkins granted and conveyed unto Houston Lighting & Power Company an easement for electrical power lines and appurtenances located on, over, under and across a sixty (60) foot wide private road known as Empress Lane in Royal Estates, an unrecorded subdivision in the Knight & White League, Abstract No. 46, situated in said county; and

WHEREAS, the present owners of said private road, acting by and through the Homeowners Association of Royal Estates, have petitioned Fort Bend County to accept said private road (Empress Lane) into the county road system, which Fort Bend County would be willing to do provided Houston Lighting & Power Company agrees to release its rights in and to said 60-foot wide easement; and

WHEREAS, Houston Lighting & Power Company is willing and agreeable to releasing its 60 foot wide easement but only with the understanding and agreement that Houston Lighting & Power Company shall continue to be able to extend, operate and maintain (by replacement, reconstruction and repairing) its power lines and appurtenances in accordance with its rights under State law with regards to operating power lines on county roads.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That in consideration of the premises, Houston Lighting & Power Company, a Texas Corporation (P. O. Box 1700, Houston, Texas 77001) has RELEASED and does, by these presents, FOREVER RELEASE all of its rights in and to said sixty (60) foot wide easement, such release to become effective WHEN AND ONLY WHEN Fort Bend County accepts said private road (Empress Lane) as a "County Road" within the meaning of the term "COUNTY ROAD" as used in Article 1436A of Vernon's annotated Texas Civil Statute.

It is expressly stipulated that said 60-foot wide easement shall remain in full force and affect until such time as Fort Bend County does accept said private road as a "County Road" under the conditions aforesaid.

ROAD DEDICATION

STATE OF TEXAS §
 § KNOW ALL MEN BY THESE PRESENTS, THAT:
COUNTY OF FORT BEND §

0033

Reference is hereby made to those Reservations, Exceptions, Dedication and Restrictions filed in Book 739 at Page 522ff of the Deed Records of Fort Bend County, Texas and particularly to the Dedication provision which reads as follows:

"Owners hereby grant and dedicate to the public, an easement and right-of-way for public road purposes over, along and across a 60 foot wide tract of land situated in Fort Bend County, Texas, the center line of said 60 foot wide tract being described by metes and bounds in Exhibit "A" attached hereto and made a part hereof for all purposes.

This is a grant and dedication of right-of-way and easement for public road purposes and not a conveyance of title to the land or of minerals under the lands described in said Exhibit "A".

Owners hereby expressly except and reserve from this grant and dedication the right to negotiate and convey utility easements for the benefit of the hereinbefore described 31.105 acre tract and also for the benefit of any and all lands which Owners now own or hereafter acquire title to, provided that such utility easements shall not prevent the use of said 60 foot wide road easement tract for road purposes, said utilities to be placed in, on, over and along said 60 foot wide road easement tract, subject to the aforesaid provision that such utilities shall not prevent the use of said 60 foot wide road easement tract for road purposes."

Some question has been raised by Fort Bend County as to the sufficiency of the above mentioned Dedication for purposes of acceptance of said Dedication by Fort Bend County so that said 60 foot wide road easement described by metes and bounds in Exhibit "A" attached hereto and hereby made a part hereof and described further by plat attached hereto as Exhibit "B" and hereby made a part hereof for all purposes (presently referred to as "Empress Lane") will be accepted by Fort Bend County as a county road.

NOW THEREFORE, for and in consideration of the premises the undersigned, being all of the owners of lots adjacent to and including said road in an unrecorded subdivision named Royal Estates, Section One, of the North 31.105 acres of land, more or less,

This instrument is being re-recorded to reflect the missing notarizations and the printed names of all of the Grantees, (owners).

Commissioner Alton B. Pressley
County Precinct #3
1809 Eldridge Rd.
Sugarland, Texas 77478

RE: Empress Lane/Royal Oak Estates

Dear Commissioner Pressley,

An inspection has been made on Empress Lane in the Royal Oak Estates Subdivision and the findings are reflected in the attached inspection log. The widths and depths of the aggregate roadbed from McCrary Rd. to Jones Creek meet or exceed Fort Bend County Minimum Requirements.

The existing combination stop/street sign at McCrary Rd. needs to be straightened but the placement is acceptable. The posted 20 MPH speed limit signs however do not meet Texas MUTCD in regards to placement and ratings and need to be replaced.

The roadside ditches and driveway culverts are all being maintained and appear to be functioning (i.e. - no standing water).

In general this roadway meets Fort Bend County Standards for acceptance into the County System.

If you need additional information. Please do not hesitate to contact this office.

Sincerely,

Charles Glen Crocker
Assistant Engineer

RE: Empress Lane/Royal Oak Estates

Dear Commissioner Pressley,

An inspection has been made on Empress Lane in the Royal Oak Estates Subdivision and the findings are reflected in the attached inspection log. The widths and depths of the aggregate roadbed from McCrary Rd. to Jones Creek meet or exceed Fort Bend County Minimum Requirements.

The existing combination stop/street sign at McCrary Rd. needs to be straightened but the placement is acceptable. The posted 20 MPH speed limit signs however do not meet Texas MUTCD in regards to placement and ratings and need to be replaced.

The roadside ditches and driveway culverts are all being maintained and appear to be functioning (i.e. - no standing water).

In general this roadway meets Fort Bend County Standards for acceptance into the County System.

If you need additional information. Please do not hesitate to contact this office.

Sincerely,

Charles Glen Crocker
Assistant Engineer

STATE OF TEXAS §

COUNTY OF FORT BEND §

WHEREAS, by instrument dated February 9, 1977 and recorded in Volume 720 Page 541, Deed Records of Fort Bend County, Texas, Virgil V. Mott and Amos Watkins granted and conveyed unto Houston Lighting & Power Company an easement for electrical power lines and appurtenances located on, over, under and across a sixty (60) foot wide private road known as Empress Lane in Royal Estates, an unrecorded subdivision in the Knight & White League, Abstract No. 46, situated in said county; and

WHEREAS, the present owners of said private road, acting by and through the Homeowners Association of Royal Estates, have petitioned Fort Bend County to accept said private road (Empress Lane) into the county road system, which Fort Bend County would be willing to do provided Houston Lighting & Power Company agrees to release its rights in and to said 60-foot wide easement; and

WHEREAS, Houston Lighting & Power Company is willing and agreeable to releasing its 60 foot wide easement but only with the understanding and agreement that Houston Lighting & Power Company shall continue to be able to extend, operate and maintain (by replacement, reconstruction and repairing) its power lines and appurtenances in accordance with its rights under State law with regards to operating power lines on county roads.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That in consideration of the premises, Houston Lighting & Power Company, a Texas Corporation (P. O. Box 1700, Houston, Texas 77001) has RELEASED and does, by these presents, FOREVER RELEASE all of its rights in and to said sixty (60) foot wide easement, such release to become effective WHEN AND ONLY WHEN Fort Bend County accepts said private road (Empress Lane) as a "County Road" within the meaning of the term "COUNTY ROAD" as used in Article 1436A of Vernon's annotated Texas Civil Statute.

It is expressly stipulated that said 60-foot wide easement shall remain in full force and affect until such time as Fort Bend County does accept said private road as a "County Road" under the conditions aforesaid.

Dear Commissioner Pressley,

Fort Bend County Drainage District inspected the Empress Lane drainage system during recent heavy rainfall occurring during the week of June 8.

At the time of the inspection the system appeared to function with little or no flooding occurring.

I must state that it is possible during higher frequency storms that some flooding may occur.

Re: Servisco Contract with
Fort Bend County

Dear Ms. Tompkins:

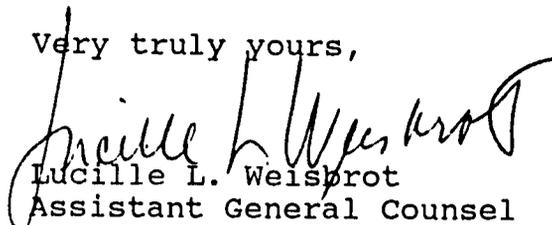

I am Assistant General Counsel for ARA Services, Inc. and Aratex Services, Inc. Pursuant to our telephone conversation of June 19, 1987, I am writing to confirm that Aratex Services, Inc., a wholly-owned subsidiary of ARA Services, Inc. is the entity which has succeeded to the rights and assumed the obligations of Servisco under the contract with Fort Bend County for textile rental services in the following manner.

Through a tender offer and merger in November of 1986, all of the stock of Servisco was acquired by a wholly-owned subsidiary of ARA Services, Inc. ("SAC of Delaware, Inc."), Servisco was merged into SAC of Delaware, Inc. and SAC of Delaware, Inc. became the surviving corporation. SAC of Delaware, Inc. was subsequently liquidated and all of its assets (including the assets of the former Servisco) were distributed to a number of other wholly-owned subsidiaries of ARA Services, Inc.

Aratex Services, Inc., which is likewise wholly-owned by ARA Services, Inc., operates all of the textile rental business of ARA Services, Inc., including all of the textile rental business of the former Servisco. Aratex Services, Inc. is fully authorized to perform the Servisco contract and entitled to payment thereunder.

I understand that this is somewhat complicated, but it is perfectly legal and proper. Please feel free to call me if you have any questions.

Very truly yours,

Lucille L. Weisprot
Assistant General Counsel

Ms. Kathy Hynson,
Treasurer
Fort Bend County
P. O. Box 1202
Richmond, Texas 77469

Dear Kathy,

Thank you for allowing me the opportunity to discuss our Public Funds program. Merrill Lynch is pleased to announce the Company's involvement in the Public Funds market. We are ready to offer Fort Bend County competitive quotes on investments in accordance with Articles 2549, 2547 and 1488 of the Texas Revised Statutes, and the County's Investment policy. In addition, our internal policy is to waive all administrative charges to Governmental Entities.

We understand the uniqueness of PUBLIC FUNDS and want to assist you in improving the yield performance within your restrictive industry; however, SAFETY and LIQUIDITY of PUBLIC FUNDS will always be a first priority and foremost to yield maximization. All purchases are processed using delivery versus payment instructions, meaning you will not release funds until the securities are delivered. Safekeeping will be held at a third party, (Bank of your choice). Possession is the key to maximizing safety and happens to be a requested guideline of the County Treasurers' Association of Texas as well as the Governmental Finance Officers Association.

Our work in this area has shown that the spread between the rates that we pay versus the rates paid by banks can often times be substantial. We are currently paying an average of .50 basis points to one percentage point greater than rates on collateralized CD's. Expressed in dollars, \$10 million, earning an additional .75 basis points during the year would mean an extra \$75,000.00 to your program and the taxpayers of Fort Bend County.

We encourage you to consider us as an alternative to investing in CD's and call for a rate comparison. The County will benefit from the increased yield and safety as a result of doing business directly with the market and holding securities backed by the full faith and credit of the U.S. Government.

Call me at (713) 795-8405 to proceed or with any questions you may have about our Public Funds program.

Sincerely,

Jerome Senegal

AGREEMENT TO PROVIDE INVESTMENT SERVICES

We, Merrill Lynch, Pierce Fenner & Smith at Houston, Texas
Harris County, Texas do hereby agree to provide investment
services to Fort Bend County, Texas if chosen by the Commissioner's Court of
Fort Bend County, Texas as the Managing Bank or a Participating Bank for the
two year period from 60 days after February 9, 1987, up to and including 60
days after the selection of the new depository, based upon our understanding
the following:

1) as either the Managing Bank or a Participating Bank, we are authorized to
hold secured time deposits (non-negotiable certificates of deposit) of County
funds. The amount of time deposits at the Managing Bank or any Participating
Bank is to be determined by the County based upon the highest interest rate
solicited from respected banks.

2) in accordance with Article 2547c, Vernon's Civil Statutes, as amended,
collateral equal to County time deposits maintained at the Managing Bank or
at a Participating Bank will be pledged by Date of Investment Purchase.
Additional collateral may be pledged in advance or collateral may be pledged
on the date of deposit. In either case, a depository safekeeping
certificate evidencing the pledged securities will be in the County's hands
on the date of a deposit. Each Participating Bank may withdraw collateral when
the market value of pledged securities exceeds the amount of deposits, provided
that collateral must be increased when market value is less than deposits.

EXAMINING TRIAL

I.

On the 8th day of June, 1987, at 10:00 A. M., certain items of personal property were ordered seized by this court and held pending a determination of which party has the right to possession of a said property. The property is described as follows: One (1) 23 foot Chris Craft Inboard/Outboard boat, serial #TXZ42037E585. This property was seized at 11500 W. Bellfort, in Harris County, Texas.

II.

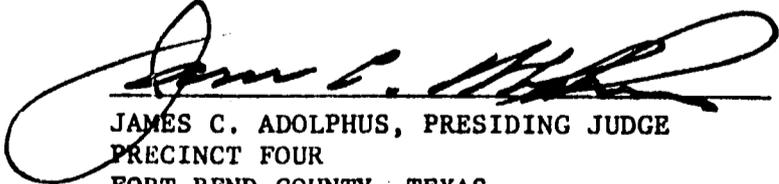

An examining trial was held at 10:00 A. M. on the first of July, 1987, at 939 Eldridge, Sugar Land, Texas. This trial was held to determine the claim to possession of the above described property. This court would note that an attempt to notify Stephen Scarbrough of 6319 Trebor, Pasadena, Texas 77505, by certified mail, return receipt requested, was unsuccessful.

III.

The court will presume that any parties notified do not have a valid claim to possession or that the parties have abandoned their claim to possession or that they do not wish to assert such claim.

IV.

Therefore, the court has awarded ownership of said boat to the Fort Bend County Sheriff's Department.

OPERATING DOCUMENT

BOARD OF REGIONAL JUDGES FOR TITLE IV D ACCOUNT

0033

Pursuant to Rule 6, Organizational Rules of January 29, 1987, adopted by the Board of Regional Presiding Judges for the Title IV D Account, the following Operating Document is adopted:

SECTION 1. MASTERS

- (a). Qualified Masters may be appointed for full-time or part-time service. Twenty one work days per calendar month (or more) shall be considered full-time, and eleven days shall be considered part-time.
- (b). Masters may serve in one County only or serve in multi-county assignments. Interlocal contracts may be made for service in more than one County, with one serving as Host County and the others joining in the contract as participants.
- (c). In multi-county assignments, the Master, Court Reporter and any other employee, whether full or part-time, will be County employees of the Host County, by Interlocal Contract, with the same privileges and duties of any such employee. The Host County will be reimbursed all expenses of these employees, in accordance with law.
- (d). The Regional Presiding Judge, in consultation with the Local Administrative Judge of the County (or Counties) will allocate the work load and assist in scheduling the work of the Master.

SECTION 2: COURT REPORTER

- (a). An Official Court Reporter shall be appointed to serve each Master (or combination of part-time Masters). The Reporter shall be paid the same salary as those regularly serving the County of the Master's assignment, and, in multi-county assignments, the same salary paid by the Host County.
- (b). In addition to making the record in the Master's hearings the Reporter will schedule the Master's work-load and prepare all reports of the work required by law, unless another employee is charged with those duties.

SECTION 3: APPLICATION FOR FUNDS

0033

- (a). The following provisions apply for funds from Child Support and Court Management Account (Section 21.007, Texas Government Code), appropriated for the State fiscal year beginning Set. 1, 1987, et seq.:
1. On or before July 1st, each year, applicants authorized by Section 21.007, Government Code, may apply for following year funds by submitting requests on prescribed forms to the Regional Presiding Judge, with copies to the Office of the Attorney General and the Office of Court Administration.
 2. On or before August 1st, each year, the Attorney General will submit a list to each Regional Presiding Judge showing those Counties within the Region in which an exemption was not granted from expedited process requirement and no application for funds has been filed; those for which an application for exemption has been filed, and recommendations on the allocation of funds to best use all funds available for child support enforcement. The Attorney General may suggest a plan for allocation of all such funds.
 3. On or before September 1st, each year, The Chief Justice shall call and convene a meeting of the Regional Presiding Judges to act on all applications and allocate available funds for the ensuing year.

SECTION 4: CERTIFICATION OF APPROVED APPLICATIONS

- (a). The Regional Presiding Judges shall certify the approval of applications for funds of the Child Support and Court Management Account to the Comptroller of Public Accounts, authorizing direct reimbursement as provided by Section 21.007 (f), Texas Government Code.

SECTION 5: REQUESTS FOR REIMBURSEMENT

- (a). Requests for reimbursement shall be submitted by the County or other authorized official to the Office of Attorney General, on forms prescribed pursuant to Section 14.86, Texas Family Code. Upon approval, the Attorney General will forward the request to the Comptroller for payment.

- (b). The Office of the Attorney General will report on reimbursements to the Regional Presiding Judges and the Office of Court Administration by the 20th day of the month following the end of each quarter. The report will include total allocations and reimbursements by budget category and unexpended allocations for each application awarded funds.

SECTION 6: MATCHING FEDERAL FUNDS

The Office of the Attorney General shall allocate all reimbursement requests against federal funds to the maximum extent possible, prior to utilizing the Child Support and Court Management Account.

SECTION 7: TEMPORARY PROVISIONS

This Section applies to funds available for the State fiscal year ending August 31, 1987, and for this purpose supplant Section 3, above.

- (a). Funds to employ a Master (full or part-time), Court Reporter or other employee, or equipment necessary to comply with State or Federal law will be awarded without application by a County or other applicant upon approval by the Council of Regional Presiding Judges of Contracts between the Attorney General and Counties or other applicants.
- (b). On or about April 10, 1987, the Chief Justice will call and convene a meeting of the Council of Presiding Judges as provided by Section 21.007 (b) to approve the Operating Document and forms for the Contracts for expenditure of fiscal 1987 funds.
- (c). Application forms for fiscal 1988, et seq., funds, as well as any funds for Non-Title IV D funds, whether fiscal 1987 or following years, will also be approved at this meeting.
- (d). On or about May 15, 1987, the Chief Justice will call and convene a meeting of the Council of Presiding Judges to act on all applications for Non-Title IV D funds available in fiscal 1987, with preference being given purchases of equipment and other one-time expenditures.

RESOLUTION OF COMMISSIONERS' COURT AGREEING
FORT BEND COUNTY BE TITLE IV-D HOST
COUNTY IN THE SECOND ADMINISTRATIVE
JUDICIAL REGION OF TEXAS

On the 20th day of July, 1987, at a regular meeting of the Commissioners' Court of Fort Bend County, Texas, acting as the governing body of Fort Bend County, Texas, upon motion of Commissioner DENHAM, seconded by Commissioner PRESSLEY, duly put and carried:

WHEREAS, Section 14.80 thru Section 14.86, Texas Family Code provides for the creation of a Master for Title IV-D cases; and,

WHEREAS, Fort Bend County desires to be the Host County for the said Master, who will be appointed by the presiding judge of the Second Administrative Judicial Region of Texas; and,

WHEREAS, Fort Bend County desires to enter into a cooperative agreement with the Office of the Texas Attorney General to perfect the creation of said Master;

NOW THEREFORE, BE IT RESOLVED, that the Commissioners' Court of Fort Bend County, Texas, does hereby agree to be the Host County for the Title IV-D Master in the Second Administrative Judicial Region of Texas, and be it FURTHER RESOLVED that Fort Bend County enter into such necessary agreements with the Office of the Texas Attorney General to perfect same.

PASSED AND APPROVED this the 20th day of July, 1987.

Re: Title IV D, Host County Contract

Dear Judge Stavinoha:

Let me thank you and the Commissioners of Fort Bend County for your action today in authorizing a Contract as host County for the Title IV D Activity. Your courtesy in taking me and Judge Stansbury on your Agenda is appreciated.

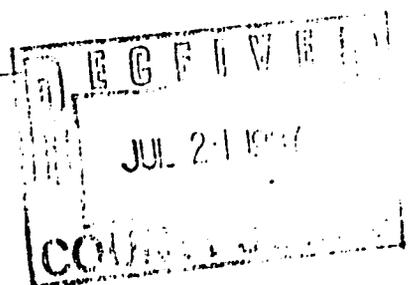

Ms. Raine Lee, the Assistant Attorney General in charge of all Title IV D matters, will draft a formal Contract for your inspection and approval. Her phone number is (512) 463-2181, or #2013. She has the information needed to complete the attachment, setting the allowable salaries for the Master (or two, if divided) and the Court Reporter. We anticipate that the starting date will be probably September 1, 1987, since I have to complete interviews with several applicants, before appointing the Masters. As I mentioned, there will probably be two part-time Masters appointed, each carrying one-half the load. We will determine whether one or two half-time Reporters will be needed.

As soon as the Contract has been signed and the Masters appointed a meeting will be arranged with your County Auditor and others to complete employment contracts and set up the bookkeeping accounts, as well as establish docket systems and a telephone connection. These matters will probably take us up to the September 1st date.

Thanks again for your assistance. Please thank the Commissioners for me. Call, if you have any questions.

Very truly yours,

Thomas J. Stovall, Jr.

Re: Re-appointment of Sienna Plantation Levee
Improvement District Directors

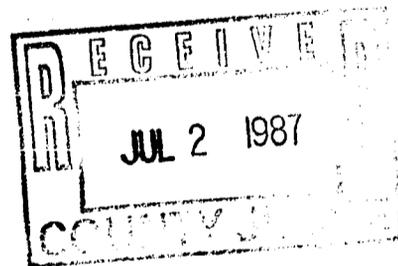

Dear Judge Stavinoha:

Enclosed for your review and possible action by the Fort Bend County Commissioners' Court is the proposed Order Appointing Directors for Sienna Plantation Levee Improvement District of Fort Bend County, Texas. We are requesting the re-appointment of the three current directors. In addition, I am enclosing copies of the Official Bonds and Oaths of Office which will be executed by the three Directors if they are appointed by the Commissioners' Court.

I have attached to this letter some background information on the directors, Robert L. Bradley, Floyd L. Dellinger, and Michael B. O'Connell, concerning their qualifications to serve on the Board.

We would like to officially request that this matter be put on the Commissioners' Court Agenda for Monday, July 13, 1987. *July 20,*

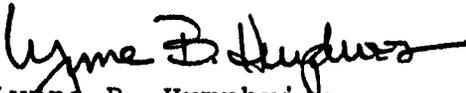

Currently the only residents of the District include Colonel Price, who manages the cattle leasing, and a few farm hands. In addition, it is anticipated by The Johnson Corporation, the developer of the land within the District, that development will not commence for a few years. In light of these circumstances, we respectfully request that the Directors be appointed to the Board for four year terms. Your assistance with approval of this matter will be greatly appreciated. Please call me at 651-3856 or Doug Konopka at

RE: Traffic Study at Dulles Ave. and Lexington Blvd. November 1985.

Dear Sir,

Attached please find a layout of the above subject with the traffic counts shown for 24 hour period. As you can see the study was made in November 1985 before Dulles Ave. was closed for new construction. Outside of the 8000 cars per day on Dulles (north side) the traffic is fairly uniform on both roads. From these facts it is concluded that a 4 way stop sign system should be installed on reopening Dulles Ave. from Lexington to Highway 6.

Austin Parkway has been completed south of Highway 6 and when opened up should add more flow and a more uniform count north and south of Lexington. Cartwright Road also will be opened up from FM 1092 to Dulles Ave. which will alter the traffic count but with no major consequences anticipated.

If you have any questions please call.

The Owner shall pay the Contractor in current funds for the performance of the Work, subject to additions and deductions by Change Order as provided in the Contract Documents, the Contract Sum of

FIVE MILLION TWO HUNDRED SIXTY FIVE THOUSAND SIX HUNDRED DOLLARS (\$5,265,600)

The Contract Sum is determined as follows:

(State here the base bid or other lump sum amount, accepted alternates, and unit prices, as applicable.)

Base Bid: \$5,265,600

ARTICLE 5
PROGRESS PAYMENTS

Based upon Applications for Payment submitted to the Architect by the Contractor and Certificates for Payment issued by the Architect, the Owner shall make progress payments on account of the Contract Sum to the Contractor as provided in the Contract Documents for the period ending the **last** day of the month as follows:

Not later than **twenty (20)** days following the end of the period covered by the Application for Payment **ninety-five** percent (95 %) of the portion of the Contract Sum properly allocable to labor, materials and equipment incorporated in the Work and **ninety-five** percent (95 %) of the portion of the Contract Sum properly allocable to materials and equipment suitably stored at the site or at some other location agreed upon in writing, for the period covered by the Application for Payment, less the aggregate of previous payments made by the Owner; and upon Substantial Completion of the entire Work, a sum sufficient to increase the total payments to **ninety-five** percent (95 %) of the Contract Sum, less such amounts as the Architect shall determine for all incomplete Work and unsettled claims as provided in the Contract Documents.

(If not covered elsewhere in the Contract Documents, here insert any provision for limiting or reducing the amount retained after the Work reaches a certain stage of completion.)

Payments due and unpaid under the Contract Documents shall bear interest from the date payment is due at the rate entered below, or in the absence thereof, at the legal rate prevailing at the place of the Project.

(Here insert any rate of interest agreed upon.)

(Usury laws and requirements under the Federal Truth in Lending Act, similar state and local consumer credit laws and other regulations at the Owner's and Contractor's principal places of business, the location of the Project and elsewhere may affect the validity of this provision. Specific legal advice should be obtained with respect to deletion, modification, or other requirements such as written disclosures or waivers.)

ARTICLE 6
FINAL PAYMENT

Final payment, constituting the entire unpaid balance of the Contract Sum, shall be paid by the Owner to the Contractor when the Work has been completed, the Contract fully performed, and a final Certificate for Payment has been issued by the Architect. 0033

ARTICLE 7
MISCELLANEOUS PROVISIONS

7.1 Terms used in this Agreement which are defined in the Conditions of the Contract shall have the meanings designated in those Conditions.

7.2 The Contract Documents, which constitute the entire agreement between the Owner and the Contractor, are listed in Article 1 and, except for Modifications issued after execution of this Agreement, are enumerated as follows:

COMPLIANCE ACKNOWLEDGEMENT: The undersigned acknowledges this Proposal is based on strict compliance with the Plans and Specifications, as to items, materials, methods, etc., or prior approved equals.

CHANGES IN WORK: When changes in the Work are ordered involving extra cost over and above the Contract Sum, the cost of such extra work shall be stated as a lump sum to be added to the Contract Sum before the extra work is begun, in which event the lump sum shall represent the actual cost of labor and material plus 10 percent overhead, plus 15 percent profit for work performed by the General Contractor, and 15 percent profit on the subcontract work performed by a subcontractor.

BID SECURITY: Bid Security in the sum of FIVE PERCENT OF GREATEST AMOUNT BID DOLLARS (\$ 5% G.A.B.) in the form of BID BOND is submitted herewith as a guarantee that the undersigned will, if this Proposal is accepted and the undersigned be notified of such acceptance, enter into a Contract and furnish acceptable Performance and Payment bond within ten (10) days after the prescribed forms of Agreement and bond are presented to the undersigned for execution and that no bid made hereby will be withdrawn within thirty (30) days after the date set for opening of bids for this work without your consent.

TIME FOR COMPLETION: If awarded a Contract for this project, the undersigned agrees to Substantially Complete the Work within 450 calendar days from date of Contract and further agrees, subsequent to issuance of the Substantial Completion Certificate, to fully complete the Work within thirty (30) days or such approved extension of time thereafter.

ADDENDA: The undersigned acknowledges receipt of Addendum number(s) 1, 2 issued during the time for bidding and has included the several changes therein in this Proposal.

GENERAL:

It is understood that if accepted by Owner, this Proposal becomes a part of the Contract Documents upon the signing of the Agreement, and failing to comply with any part of this Proposal will be taken as failure of the bidder to comply with the Contract Agreement and will be just cause for rejection of the Work.

It is also understood that Owner reserves the right to reject any or all bids; to accept or reject any or all Alternates, or to accept any combination of Alternates considered advantageous; to accept any bid considered advantageous; and to waive any formality or irregularity in any bid which, in his judgement, is in his own best interests. In determining the best bid, in addition to lowest price, Owner may consider length of days bid for construction completion.

The undersigned agrees that he will not withdraw this Proposal for a period of thirty (30) days from the date hereof: June 3, 1987

If awarded the Contract for this Project, the undersigned shall submit to the Architect, for approval, a list of subcontractors he proposes to employ, PRIOR to executing the subcontracts.

The undersigned certifies that the amounts contained in this Proposal have been carefully checked and are submitted as correct and final.

GENERAL CONDITIONS OF THE CONTRACT FOR CONSTRUCTION

0033

ARTICLE 1**CONTRACT DOCUMENTS****1.1 DEFINITIONS****1.1.1 THE CONTRACT DOCUMENTS**

The Contract Documents consist of the Owner-Contractor Agreement, the Conditions of the Contract (General, Supplementary and other Conditions), the Drawings, the Specifications, and all Addenda issued prior to and all Modifications issued after execution of the Contract. A Modification is (1) a written amendment to the Contract signed by both parties, (2) a Change Order, (3) a written interpretation issued by the Architect pursuant to Subparagraph 2.2.8, or (4) a written order for a minor change in the Work issued by the Architect pursuant to Paragraph 12.4. The Contract Documents do not include Bidding Documents such as the Advertisement or Invitation to Bid, the Instructions to Bidders, sample forms, the Contractor's Bid or portions of Addenda relating to any of these, or any other documents, unless specifically enumerated in the Owner-Contractor Agreement.

1.1.2 THE CONTRACT

The Contract Documents form the Contract for Construction. This Contract represents the entire and integrated agreement between the parties hereto and supersedes all prior negotiations, representations, or agreements, either written or oral. The Contract may be amended or modified only by a Modification as defined in Subparagraph 1.1.1. The Contract Documents shall not be construed to create any contractual relationship of any kind between the Architect and the Contractor, but the Architect shall be entitled to performance of obligations intended for his benefit, and to enforcement thereof. Nothing contained in the Contract Documents shall create any contractual relationship between the Owner or the Architect and any Subcontractor or Sub-subcontractor.

1.1.3 THE WORK

The Work comprises the completed construction required by the Contract Documents and includes all labor necessary to produce such construction, and all materials and equipment incorporated or to be incorporated in such construction.

1.1.4 THE PROJECT

The Project is the total construction of which the Work performed under the Contract Documents may be the whole or a part.

1.2 EXECUTION, CORRELATION AND INTENT

1.2.1 The Contract Documents shall be signed in not less than triplicate by the Owner and Contractor. If either the Owner or the Contractor or both do not sign the Conditions of the Contract, Drawings, Specifications, or any of the other Contract Documents, the Architect shall identify such Documents.

1.2.2 By executing the Contract, the Contractor represents that he has visited the site, familiarized himself with the local conditions under which the Work is to be performed, and correlated his observations with the requirements of the Contract Documents.

1.2.3 The intent of the Contract Documents is to include all items necessary for the proper execution and completion of the Work. The Contract Documents are complementary, and what is required by any one shall be as binding as if required by all. Work not covered in the Contract Documents will not be required unless it is consistent therewith and is reasonably inferable therefrom as being necessary to produce the intended results. Words and abbreviations which have well-known technical or trade meanings are used in the Contract Documents in accordance with such recognized meanings.

1.2.4 The organization of the Specifications into divisions, sections and articles, and the arrangement of Drawings shall not control the Contractor in dividing the Work among Subcontractors or in establishing the extent of Work to be performed by any trade.

1.3 OWNERSHIP AND USE OF DOCUMENTS

1.3.1 All Drawings, Specifications and copies thereof furnished by the Architect are and shall remain his property. They are to be used only with respect to this Project and are not to be used on any other project. With the exception of one contract set for each party to the Contract, such documents are to be returned or suitably accounted for to the Architect on request at the completion of the Work. Submission or distribution to meet official regulatory requirements or for other purposes in connection with the Project is not to be construed as publication in derogation of the Architect's common law copyright or other reserved rights.

ARTICLE 2**ARCHITECT****2.1 DEFINITION**

2.1.1 The Architect is the person lawfully licensed to practice architecture, or an entity lawfully practicing architecture identified as such in the Owner-Contractor Agreement, and is referred to throughout the Contract Documents as if singular in number and masculine in gender. The term Architect means the Architect or his authorized representative.

2.2 ADMINISTRATION OF THE CONTRACT

2.2.1 The Architect will provide administration of the Contract as hereinafter described.

2.2.2 The Architect will be the Owner's representative during construction and until final payment is due. The Architect will advise and consult with the Owner. The Owner's instructions to the Contractor shall be forwarded

through the Architect. The Architect will have authority to act on behalf of the Owner only to the extent provided in the Contract Documents, unless otherwise modified by written instrument in accordance with Subparagraph 2.2.18.

2.2.3 The Architect will visit the site at intervals appropriate to the stage of construction to familiarize himself generally with the progress and quality of the Work and to determine in general if the Work is proceeding in accordance with the Contract Documents. However, the Architect will not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of his on-site observations as an architect, he will keep the Owner informed of the progress of the Work, and will endeavor to guard the Owner against defects and deficiencies in the Work of the Contractor.

2.2.4 The Architect will not be responsible for and will not have control or charge of construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, and he will not be responsible for the Contractor's failure to carry out the Work in accordance with the Contract Documents. The Architect will not be responsible for or have control or charge over the acts or omissions of the Contractor, Subcontractors, or any of their agents or employees, or any other persons performing any of the Work.

2.2.5 The Architect shall at all times have access to the Work wherever it is in preparation and progress. The Contractor shall provide facilities for such access so the Architect may perform his functions under the Contract Documents.

2.2.6 Based on the Architect's observations and an evaluation of the Contractor's Applications for Payment, the Architect will determine the amounts owing to the Contractor and will issue Certificates for Payment in such amounts, as provided in Paragraph 9.4.

2.2.7 The Architect will be the interpreter of the requirements of the Contract Documents and the judge of the performance thereunder by both the Owner and Contractor.

2.2.8 The Architect will render interpretations necessary for the proper execution or progress of the Work, with reasonable promptness and in accordance with any time limit agreed upon. Either party to the Contract may make written request to the Architect for such interpretations.

2.2.9 Claims, disputes and other matters in question between the Contractor and the Owner relating to the execution or progress of the Work or the interpretation of the Contract Documents shall be referred initially to the Architect for decision which he will render in writing within a reasonable time.

2.2.10 All interpretations and decisions of the Architect shall be consistent with the intent of and reasonably inferable from the Contract Documents and will be in writing or in the form of drawings. In his capacity as interpreter and judge, he will endeavor to secure faithful performance by both the Owner and the Contractor, will not

show partiality to either, and will not be liable for the result of any interpretation or decision rendered in good faith in such capacity.

2.2.11 The Architect's decisions in matters relating to artistic effect will be final if consistent with the intent of the Contract Documents.

2.2.12 Any claim, dispute or other matter in question between the Contractor and the Owner referred to the Architect, except those relating to artistic effect as provided in Subparagraph 2.2.11 and except those which have been waived by the making or acceptance of final payment as provided in Subparagraphs 9.9.4 and 9.9.5, shall be subject to arbitration upon the written demand of either party. However, no demand for arbitration of any such claim, dispute or other matter may be made until the earlier of (1) the date on which the Architect has rendered a written decision, or (2) the tenth day after the parties have presented their evidence to the Architect or have been given a reasonable opportunity to do so, if the Architect has not rendered his written decision by that date. When such a written decision of the Architect states (1) that the decision is final but subject to appeal, and (2) that any demand for arbitration of a claim, dispute or other matter covered by such decision must be made within thirty days after the date on which the party making the demand receives the written decision, failure to demand arbitration within said thirty days' period will result in the Architect's decision becoming final and binding upon the Owner and the Contractor. If the Architect renders a decision after arbitration proceedings have been initiated, such decision may be entered as evidence but will not supersede any arbitration proceedings unless the decision is acceptable to all parties concerned.

2.2.13 The Architect will have authority to reject Work which does not conform to the Contract Documents. Whenever, in his opinion, he considers it necessary or advisable for the implementation of the intent of the Contract Documents, he will have authority to require special inspection or testing of the Work in accordance with Subparagraph 7.7.2 whether or not such Work be then fabricated, installed or completed. However, neither the Architect's authority to act under this Subparagraph 2.2.13, nor any decision made by him in good faith either to exercise or not to exercise such authority, shall give rise to any duty or responsibility of the Architect to the Contractor, any Subcontractor, any of their agents or employees, or any other person performing any of the Work.

2.2.14 The Architect will review and approve or take other appropriate action upon Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for conformance with the design concept of the Work and with the information given in the Contract Documents. Such action shall be taken with reasonable promptness so as to cause no delay. The Architect's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

2.2.15 The Architect will prepare Change Orders in accordance with Article 12, and will have authority to order minor changes in the Work as provided in Subparagraph 12.4.1.

2.2.16 The Architect will conduct inspections to determine the dates of Substantial Completion and final completion, will receive and forward to the Owner for the Owner's review written warranties and related documents required by the Contract and assembled by the Contractor, and will issue a final Certificate for Payment upon compliance with the requirements of Paragraph 9.9.

2.2.17 If the Owner and Architect agree, the Architect will provide one or more Project Representatives to assist the Architect in carrying out his responsibilities at the site. The duties, responsibilities and limitations of authority of any such Project Representative shall be as set forth in an exhibit to be incorporated in the Contract Documents.

2.2.18 The duties, responsibilities and limitations of authority of the Architect as the Owner's representative during construction as set forth in the Contract Documents will not be modified or extended without written consent of the Owner, the Contractor and the Architect.

2.2.19 In case of the termination of the employment of the Architect, the Owner shall appoint an architect against whom the Contractor makes no reasonable objection whose status under the Contract Documents shall be that of the former architect. Any dispute in connection with such appointment shall be subject to arbitration.

ARTICLE 3

OWNER

3.1 DEFINITION

3.1.1 The Owner is the person or entity identified as such in the Owner-Contractor Agreement and is referred to throughout the Contract Documents as if singular in number and masculine in gender. The term Owner means the Owner or his authorized representative.

3.2 INFORMATION AND SERVICES REQUIRED OF THE OWNER

3.2.1 The Owner shall, at the request of the Contractor, at the time of execution of the Owner-Contractor Agreement, furnish to the Contractor reasonable evidence that he has made financial arrangements to fulfill his obligations under the Contract. Unless such reasonable evidence is furnished, the Contractor is not required to execute the Owner-Contractor Agreement or to commence the Work.

3.2.2 The Owner shall furnish all surveys describing the physical characteristics, legal limitations and utility locations for the site of the Project, and a legal description of the site.

3.2.3 Except as provided in Subparagraph 4.7.1, the Owner shall secure and pay for necessary approvals, easements, assessments and charges required for the construction, use or occupancy of permanent structures or for permanent changes in existing facilities.

3.2.4 Information or services under the Owner's control shall be furnished by the Owner with reasonable promptness to avoid delay in the orderly progress of the Work.

3.2.5 Unless otherwise provided in the Contract Documents, the Contractor will be furnished, free of charge, all copies of Drawings and Specifications reasonably necessary for the execution of the Work.

3.2.6 The Owner shall forward all instructions to the Contractor through the Architect.

3.2.7 The foregoing are in addition to other duties and responsibilities of the Owner enumerated herein and especially those in respect to Work by Owner or by Separate Contractors, Payments and Completion, and Insurance in Articles 6, 9 and 11 respectively.

3.3 OWNER'S RIGHT TO STOP THE WORK

3.3.1 If the Contractor fails to correct defective Work as required by Paragraph 13.2 or persistently fails to carry out the Work in accordance with the Contract Documents, the Owner, by a written order signed personally or by an agent specifically so empowered by the Owner in writing, may order the Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of the Owner to stop the Work shall not give rise to any duty on the part of the Owner to exercise this right for the benefit of the Contractor or any other person or entity, except to the extent required by Subparagraph 6.1.3.

3.4 OWNER'S RIGHT TO CARRY OUT THE WORK

3.4.1 If the Contractor defaults or neglects to carry out the Work in accordance with the Contract Documents and fails within seven days after receipt of written notice from the Owner to commence and continue correction of such default or neglect with diligence and promptness, the Owner may, after seven days following receipt by the Contractor of an additional written notice and without prejudice to any other remedy he may have, make good such deficiencies. In such case an appropriate Change Order shall be issued deducting from the payments then or thereafter due the Contractor the cost of correcting such deficiencies, including compensation for the Architect's additional services made necessary by such default, neglect or failure. Such action by the Owner and the amount charged to the Contractor are both subject to the prior approval of the Architect. If the payments then or thereafter due the Contractor are not sufficient to cover such amount, the Contractor shall pay the difference to the Owner.

ARTICLE 4

CONTRACTOR

4.1 DEFINITION

4.1.1 The Contractor is the person or entity identified as such in the Owner-Contractor Agreement and is referred to throughout the Contract Documents as if singular in number and masculine in gender. The term Contractor means the Contractor or his authorized representative.

4.2 REVIEW OF CONTRACT DOCUMENTS

4.2.1 The Contractor shall carefully study and compare the Contract Documents and shall at once report to the Architect any error, inconsistency or omission he may discover. The Contractor shall not be liable to the Owner or

the Architect for any damage resulting from any such errors, inconsistencies or omissions in the Contract Documents. The Contractor shall perform no portion of the Work at any time without Contract Documents or, where required, approved Shop Drawings, Product Data or Samples for such portion of the Work.

4.3 SUPERVISION AND CONSTRUCTION PROCEDURES

4.3.1 The Contractor shall supervise and direct the Work, using his best skill and attention. He shall be solely responsible for all construction means, methods, techniques, sequences and procedures and for coordinating all portions of the Work under the Contract.

4.3.2 The Contractor shall be responsible to the Owner for the acts and omissions of his employees, Subcontractors and their agents and employees, and other persons performing any of the Work under a contract with the Contractor.

4.3.3 The Contractor shall not be relieved from his obligations to perform the Work in accordance with the Contract Documents either by the activities or duties of the Architect in his administration of the Contract, or by inspections, tests or approvals required or performed under Paragraph 7.7 by persons other than the Contractor.

4.4 LABOR AND MATERIALS

4.4.1 Unless otherwise provided in the Contract Documents, the Contractor shall provide and pay for all labor, materials, equipment, tools, construction equipment and machinery, water, heat, utilities, transportation, and other facilities and services necessary for the proper execution and completion of the Work, whether temporary or permanent and whether or not incorporated or to be incorporated in the Work.

4.4.2 The Contractor shall at all times enforce strict discipline and good order among his employees and shall not employ on the Work any unfit person or anyone not skilled in the task assigned to him.

4.5 WARRANTY

4.5.1 The Contractor warrants to the Owner and the Architect that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all Work will be of good quality, free from faults and defects and in conformance with the Contract Documents. All Work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective. If required by the Architect, the Contractor shall furnish satisfactory evidence as to the kind and quality of materials and equipment. This warranty is not limited by the provisions of Paragraph 13.2.

4.6 TAXES

4.6.1 The Contractor shall pay all sales, consumer, use and other similar taxes for the Work or portions thereof provided by the Contractor which are legally enacted at the time bids are received, whether or not yet effective.

4.7 PERMITS, FEES AND NOTICES

4.7.1 Unless otherwise provided in the Contract Documents, the Contractor shall secure and pay for the building permit and for all other permits and governmental

fees, licenses and inspections necessary for the proper execution and completion of the Work which are customarily secured after execution of the Contract and which are legally required at the time the bids are received.

4.7.2 The Contractor shall give all notices and comply with all laws, ordinances, rules, regulations and lawful orders of any public authority bearing on the performance of the Work.

4.7.3 It is not the responsibility of the Contractor to make certain that the Contract Documents are in accordance with applicable laws, statutes, building codes and regulations. If the Contractor observes that any of the Contract Documents are at variance therewith in any respect, he shall promptly notify the Architect in writing, and any necessary changes shall be accomplished by appropriate Modification.

4.7.4 If the Contractor performs any Work knowing it to be contrary to such laws, ordinances, rules and regulations, and without such notice to the Architect, he shall assume full responsibility therefor and shall bear all costs attributable thereto.

4.8 ALLOWANCES

4.8.1 The Contractor shall include in the Contract Sum all allowances stated in the Contract Documents. Items covered by these allowances shall be supplied for such amounts and by such persons as the Owner may direct, but the Contractor will not be required to employ persons against whom he makes a reasonable objection.

4.8.2 Unless otherwise provided in the Contract Documents:

- .1 these allowances shall cover the cost to the Contractor, less any applicable trade discount, of the materials and equipment required by the allowance delivered at the site, and all applicable taxes;
- .2 the Contractor's costs for unloading and handling on the site, labor, installation costs, overhead, profit and other expenses contemplated for the original allowance shall be included in the Contract Sum and not in the allowance;
- .3 whenever the cost is more than or less than the allowance, the Contract Sum shall be adjusted accordingly by Change Order, the amount of which will recognize changes, if any, in handling costs on the site, labor, installation costs, overhead, profit and other expenses.

4.9 SUPERINTENDENT

4.9.1 The Contractor shall employ a competent superintendent and necessary assistants who shall be in attendance at the Project site during the progress of the Work. The superintendent shall represent the Contractor and all communications given to the superintendent shall be as binding as if given to the Contractor. Important communications shall be confirmed in writing. Other communications shall be so confirmed on written request in each case.

4.10 PROGRESS SCHEDULE

4.10.1 The Contractor, immediately after being awarded the Contract, shall prepare and submit for the Owner's and Architect's information an estimated progress sched-

ule for the Work. The progress schedule shall be related to the entire Project to the extent required by the Contract Documents, and shall provide for expeditious and practicable execution of the Work.

4.11 DOCUMENTS AND SAMPLES AT THE SITE

4.11.1 The Contractor shall maintain at the site for the Owner one record copy of all Drawings, Specifications, Addenda, Change Orders and other Modifications, in good order and marked currently to record all changes made during construction, and approved Shop Drawings, Product Data and Samples. These shall be available to the Architect and shall be delivered to him for the Owner upon completion of the Work.

4.12 SHOP DRAWINGS, PRODUCT DATA AND SAMPLES

4.12.1 Shop Drawings are drawings, diagrams, schedules and other data specially prepared for the Work by the Contractor or any Subcontractor, manufacturer, supplier or distributor to illustrate some portion of the Work.

4.12.2 Product Data are illustrations, standard schedules, performance charts, instructions, brochures, diagrams and other information furnished by the Contractor to illustrate a material, product or system for some portion of the Work.

4.12.3 Samples are physical examples which illustrate materials, equipment or workmanship and establish standards by which the Work will be judged.

4.12.4 The Contractor shall review, approve and submit, with reasonable promptness and in such sequence as to cause no delay in the Work or in the work of the Owner or any separate contractor, all Shop Drawings, Product Data and Samples required by the Contract Documents.

4.12.5 By approving and submitting Shop Drawings, Product Data and Samples, the Contractor represents that he has determined and verified all materials, field measurements, and field construction criteria related thereto, or will do so, and that he has checked and coordinated the information contained within such submittals with the requirements of the Work and of the Contract Documents.

4.12.6 The Contractor shall not be relieved of responsibility for any deviation from the requirements of the Contract Documents by the Architect's approval of Shop Drawings, Product Data or Samples under Subparagraph 2.2.14 unless the Contractor has specifically informed the Architect in writing of such deviation at the time of submission and the Architect has given written approval to the specific deviation. The Contractor shall not be relieved from responsibility for errors or omissions in the Shop Drawings, Product Data or Samples by the Architect's approval thereof.

4.12.7 The Contractor shall direct specific attention, in writing or on resubmitted Shop Drawings, Product Data or Samples, to revisions other than those requested by the Architect on previous submittals.

4.12.8 No portion of the Work requiring submission of a Shop Drawing, Product Data or Sample shall be commenced until the submittal has been approved by the Architect as provided in Subparagraph 2.2.14. All such

portions of the Work shall be in accordance with approved submittals.

4.13 USE OF SITE

4.13.1 The Contractor shall confine operations at the site to areas permitted by law, ordinances, permits and the Contract Documents and shall not unreasonably encumber the site with any materials or equipment.

4.14 CUTTING AND PATCHING OF WORK

4.14.1 The Contractor shall be responsible for all cutting, fitting or patching that may be required to complete the Work or to make its several parts fit together properly.

4.14.2 The Contractor shall not damage or endanger any portion of the Work or the work of the Owner or any separate contractors by cutting, patching or otherwise altering any work, or by excavation. The Contractor shall not cut or otherwise alter the work of the Owner or any separate contractor except with the written consent of the Owner and of such separate contractor. The Contractor shall not unreasonably withhold from the Owner or any separate contractor his consent to cutting or otherwise altering the Work.

4.15 CLEANING UP

4.15.1 The Contractor at all times shall keep the premises free from accumulation of waste materials or rubbish caused by his operations. At the completion of the Work he shall remove all his waste materials and rubbish from and about the Project as well as all his tools, construction equipment, machinery and surplus materials.

4.15.2 If the Contractor fails to clean up at the completion of the Work, the Owner may do so as provided in Paragraph 3.4 and the cost thereof shall be charged to the Contractor.

4.16 COMMUNICATIONS

4.16.1 The Contractor shall forward all communications to the Owner through the Architect.

4.17 ROYALTIES AND PATENTS

4.17.1 The Contractor shall pay all royalties and license fees. He shall defend all suits or claims for infringement of any patent rights and shall save the Owner harmless from loss on account thereof, except that the Owner shall be responsible for all such loss when a particular design, process or the product of a particular manufacturer or manufacturer is specified, but if the Contractor has reason to believe that the design, process or product specified is an infringement of a patent, he shall be responsible for such loss unless he promptly gives such information to the Architect.

4.18 INDEMNIFICATION

4.18.1 To the fullest extent permitted by law, the Contractor shall indemnify and hold harmless the Owner and the Architect and their agents and employees from and against all claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from the performance of the Work, provided that any such claim, damage, loss or expense (1) is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Work itself) including the loss of use resulting therefrom,

and (2) is caused in whole or in part by any negligent act or omission of the Contractor, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Paragraph 4.18.

4.18.2 In any and all claims against the Owner or the Architect or any of their agents or employees by any employee of the Contractor, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation under this Paragraph 4.18 shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or any Subcontractor under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts.

4.18.3 The obligations of the Contractor under this Paragraph 4.18 shall not extend to the liability of the Architect, his agents or employees, arising out of (1) the preparation or approval of maps, drawings, opinions, reports, surveys, change orders, designs or specifications, or (2) the giving of or the failure to give directions or instructions by the Architect, his agents or employees provided such giving or failure to give is the primary cause of the injury or damage.

ARTICLE 5

SUBCONTRACTORS

5.1 DEFINITION

5.1.1 A Subcontractor is a person or entity who has a direct contract with the Contractor to perform any of the Work at the site. The term Subcontractor is referred to throughout the Contract Documents as if singular in number and masculine in gender and means a Subcontractor or his authorized representative. The term Subcontractor does not include any separate contractor or his subcontractors.

5.1.2 A Sub-subcontractor is a person or entity who has a direct or indirect contract with a Subcontractor to perform any of the Work at the site. The term Sub-subcontractor is referred to throughout the Contract Documents as if singular in number and masculine in gender and means a Sub-subcontractor or an authorized representative thereof.

5.2 AWARD OF SUBCONTRACTS AND OTHER CONTRACTS FOR PORTIONS OF THE WORK

5.2.1 Unless otherwise required by the Contract Documents or the Bidding Documents, the Contractor, as soon as practicable after the award of the Contract, shall furnish to the Owner and the Architect in writing the names of the persons or entities (including those who are to furnish materials or equipment fabricated to a special design) proposed for each of the principal portions of the Work. The Architect will promptly reply to the Contractor in writing stating whether or not the Owner or the Architect, after due investigation, has reasonable objection to any

such proposed person or entity. Failure of the Owner or Architect to reply promptly shall constitute notice of reasonable objection. 00254

5.2.2 The Contractor shall not contract with any such proposed person or entity to whom the Owner or the Architect has made reasonable objection under the provisions of Subparagraph 5.2.1. The Contractor shall not be required to contract with anyone to whom he has a reasonable objection. 0033

5.2.3 If the Owner or the Architect has reasonable objection to any such proposed person or entity, the Contractor shall submit a substitute to whom the Owner or the Architect has no reasonable objection, and the Contract Sum shall be increased or decreased by the difference in cost occasioned by such substitution and an appropriate Change Order shall be issued; however, no increase in the Contract Sum shall be allowed for any such substitution unless the Contractor has acted promptly and responsibly in submitting names as required by Subparagraph 5.2.1.

5.2.4 The Contractor shall make no substitution for any Subcontractor, person or entity previously selected if the Owner or Architect makes reasonable objection to such substitution.

5.3 SUBCONTRACTUAL RELATIONS

5.3.1 By an appropriate agreement, written where legally required for validity, the Contractor shall require each Subcontractor, to the extent of the Work to be performed by the Subcontractor, to be bound to the Contractor by the terms of the Contract Documents, and to assume toward the Contractor all the obligations and responsibilities which the Contractor, by these Documents, assumes toward the Owner and the Architect. Said agreement shall preserve and protect the rights of the Owner and the Architect under the Contract Documents with respect to the Work to be performed by the Subcontractor so that the subcontracting thereof will not prejudice such rights, and shall allow to the Subcontractor, unless specifically provided otherwise in the Contractor-Subcontractor agreement, the benefit of all rights, remedies and redress against the Contractor that the Contractor, by these Documents, has against the Owner. Where appropriate, the Contractor shall require each Subcontractor to enter into similar agreements with his Sub-subcontractors. The Contractor shall make available to each proposed Subcontractor, prior to the execution of the Subcontract, copies of the Contract Documents to which the Subcontractor will be bound by this Paragraph 5.3, and identify to the Subcontractor any terms and conditions of the proposed Subcontract which may be at variance with the Contract Documents. Each Subcontractor shall similarly make copies of such Documents available to his Sub-subcontractors.

ARTICLE 6

WORK BY OWNER OR BY SEPARATE CONTRACTORS

6.1 OWNER'S RIGHT TO PERFORM WORK AND TO AWARD SEPARATE CONTRACTS

6.1.1 The Owner reserves the right to perform work related to the Project with his own forces, and to award

separate contracts in connection with other portions of the Project or other work on the site under these or similar Conditions of the Contract. If the Contractor claims that delay or additional cost is involved because of such action by the Owner, he shall make such claim as provided elsewhere in the Contract Documents.

6.1.2 When separate contracts are awarded for different portions of the Project or other work on the site, the term Contractor in the Contract Documents in each case shall mean the Contractor who executes each separate Owner-Contractor Agreement.

6.1.3 The Owner will provide for the coordination of the work of his own forces and of each separate contractor with the Work of the Contractor, who shall cooperate therewith as provided in Paragraph 6.2.

6.2 MUTUAL RESPONSIBILITY

6.2.1 The Contractor shall afford the Owner and separate contractors reasonable opportunity for the introduction and storage of their materials and equipment and the execution of their work, and shall connect and coordinate his Work with theirs as required by the Contract Documents.

6.2.2 If any part of the Contractor's Work depends for proper execution or results upon the work of the Owner or any separate contractor, the Contractor shall, prior to proceeding with the Work, promptly report to the Architect any apparent discrepancies or defects in such other work that render it unsuitable for such proper execution and results. Failure of the Contractor so to report shall constitute an acceptance of the Owner's or separate contractors' work as fit and proper to receive his Work, except as to defects which may subsequently become apparent in such work by others.

6.2.3 Any costs caused by defective or ill-timed work shall be borne by the party responsible therefor.

6.2.4 Should the Contractor wrongfully cause damage to the work or property of the Owner, or to other work on the site, the Contractor shall promptly remedy such damage as provided in Subparagraph 10.2.5.

6.2.5 Should the Contractor wrongfully cause damage to the work or property of any separate contractor, the Contractor shall upon due notice promptly attempt to settle with such other contractor by agreement, or otherwise to resolve the dispute. If such separate contractor sues or initiates an arbitration proceeding against the Owner on account of any damage alleged to have been caused by the Contractor, the Owner shall notify the Contractor who shall defend such proceedings at the Owner's expense, and if any judgment or award against the Owner arises therefrom the Contractor shall pay or satisfy it and shall reimburse the Owner for all attorneys' fees and court or arbitration costs which the Owner has incurred.

6.3 OWNER'S RIGHT TO CLEAN UP

6.3.1 If a dispute arises between the Contractor and separate contractors as to their responsibility for cleaning up as required by Paragraph 4.15, the Owner may clean up

and charge the cost thereof to the contractors responsible therefor as the Architect shall determine to be just. 00295

ARTICLE 7

0033

MISCELLANEOUS PROVISIONS

7.1 GOVERNING LAW

7.1.1 The Contract shall be governed by the law of the place where the Project is located.

7.2 SUCCESSORS AND ASSIGNS

7.2.1 The Owner and the Contractor each binds himself, his partners, successors, assigns and legal representatives to the other party hereto and to the partners, successors, assigns and legal representatives of such other party with respect to all covenants, agreements and obligations contained in the Contract Documents. Neither party to the Contract shall assign the Contract or sublet it as a whole without the written consent of the other, nor shall the Contractor assign any moneys due or to become due to him hereunder, without the previous written consent of the Owner.

7.3 WRITTEN NOTICE

7.3.1 Written notice shall be deemed to have been duly served if delivered in person to the individual or member of the firm or entity or to an officer of the corporation for whom it was intended, or if delivered at or sent by registered or certified mail to the last business address known to him who gives the notice.

7.4 CLAIMS FOR DAMAGES

7.4.1 Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the other party or of any of his employees, agents or others for whose acts he is legally liable, claim shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

7.5 PERFORMANCE BOND AND LABOR AND MATERIAL PAYMENT BOND

7.5.1 The Owner shall have the right to require the Contractor to furnish bonds covering the faithful performance of the Contract and the payment of all obligations arising thereunder if and as required in the Bidding Documents or in the Contract Documents.

7.6 RIGHTS AND REMEDIES

7.6.1 The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

7.6.2 No action or failure to act by the Owner, Architect or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

7.7 TESTS

7.7.1 If the Contract Documents, laws, ordinances, rules, regulations or orders of any public authority having jurisdiction require any portion of the Work to be inspected, tested or approved, the Contractor shall give the Architect timely notice of its readiness so the Architect may observe such inspection, testing or approval. The Contractor shall bear all costs of such inspections, tests or approvals conducted by public authorities. Unless otherwise provided, the Owner shall bear all costs of other inspections, tests or approvals.

7.7.2 If the Architect determines that any Work requires special inspection, testing, or approval which Subparagraph 7.7.1 does not include, he will, upon written authorization from the Owner, instruct the Contractor to order such special inspection, testing or approval, and the Contractor shall give notice as provided in Subparagraph 7.7.1. If such special inspection or testing reveals a failure of the Work to comply with the requirements of the Contract Documents, the Contractor shall bear all costs thereof, including compensation for the Architect's additional services made necessary by such failure; otherwise the Owner shall bear such costs, and an appropriate Change Order shall be issued.

7.7.3 Required certificates of inspection, testing or approval shall be secured by the Contractor and promptly delivered by him to the Architect.

7.7.4 If the Architect is to observe the inspections, tests or approvals required by the Contract Documents, he will do so promptly and, where practicable, at the source of supply.

7.8 INTEREST

7.8.1 Payments due and unpaid under the Contract Documents shall bear interest from the date payment is due at such rate as the parties may agree upon in writing or, in the absence thereof, at the legal rate prevailing at the place of the Project.

7.9 ARBITRATION

7.9.1 All claims, disputes and other matters in question between the Contractor and the Owner arising out of, or relating to, the Contract Documents or the breach thereof, except as provided in Subparagraph 2.2.11 with respect to the Architect's decisions on matters relating to artistic effect, and except for claims which have been waived by the making or acceptance of final payment as provided by Subparagraphs 9.9.4 and 9.9.5, shall be decided by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then obtaining unless the parties mutually agree otherwise. No arbitration arising out of or relating to the Contract Documents shall include, by consolidation, joinder or in any other manner, the Architect, his employees or consultants except by written consent containing a specific reference to the Owner-Contractor Agreement and signed by the Architect, the Owner, the Contractor and any other person sought to be joined. No arbitration shall include by consolidation, joinder or in any other manner, parties other than the Owner, the Contractor and any other persons substantially involved in a common question of fact or law, whose presence is

required if complete relief is to be accorded in the arbitration. No person other than the Owner or Contractor shall be included as an original third party or additional third party to an arbitration whose interest or responsibility is insubstantial. Any consent to arbitration involving an additional person or persons shall not constitute consent to arbitration of any dispute not described therein or with any person not named or described therein. The foregoing agreement to arbitrate and any other agreement to arbitrate with an additional person or persons duly consented to by the parties to the Owner-Contractor Agreement shall be specifically enforceable under the prevailing arbitration law. The award rendered by the arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

7.9.2 Notice of the demand for arbitration shall be filed in writing with the other party to the Owner-Contractor Agreement and with the American Arbitration Association, and a copy shall be filed with the Architect. The demand for arbitration shall be made within the time limits specified in Subparagraph 2.2.12 where applicable, and in all other cases within a reasonable time after the claim, dispute or other matter in question has arisen, and in no event shall it be made after the date when institution of legal or equitable proceedings based on such claim, dispute or other matter in question would be barred by the applicable statute of limitations.

7.9.3 Unless otherwise agreed in writing, the Contractor shall carry on the Work and maintain its progress during any arbitration proceedings, and the Owner shall continue to make payments to the Contractor in accordance with the Contract Documents.

ARTICLE 8**TIME****8.1 DEFINITIONS**

8.1.1 Unless otherwise provided, the Contract Time is the period of time allotted in the Contract Documents for Substantial Completion of the Work as defined in Subparagraph 8.1.3, including authorized adjustments thereto.

8.1.2 The date of commencement of the Work is the date established in a notice to proceed. If there is no notice to proceed, it shall be the date of the Owner-Contractor Agreement or such other date as may be established therein.

8.1.3 The Date of Substantial Completion of the Work or designated portion thereof is the Date certified by the Architect when construction is sufficiently complete, in accordance with the Contract Documents, so the Owner can occupy or utilize the Work or designated portion thereof for the use for which it is intended.

8.1.4 The term day as used in the Contract Documents shall mean calendar day unless otherwise specifically designated.

8.2 PROGRESS AND COMPLETION

8.2.1 All time limits stated in the Contract Documents are of the essence of the Contract.

8.2.2 The Contractor shall begin the Work on the date of commencement as defined in Subparagraph 8.1.2. He shall carry the Work forward expeditiously with adequate forces and shall achieve Substantial Completion within the Contract Time.

8.3 DELAYS AND EXTENSIONS OF TIME

8.3.1 If the Contractor is delayed at any time in the progress of the Work by any act or neglect of the Owner or the Architect, or by any employee of either, or by any separate contractor employed by the Owner, or by changes ordered in the Work, or by labor disputes, fire, unusual delay in transportation, adverse weather conditions not reasonably anticipatable, unavoidable casualties, or any causes beyond the Contractor's control, or by delay authorized by the Owner pending arbitration, or by any other cause which the Architect determines may justify the delay, then the Contract Time shall be extended by Change Order for such reasonable time as the Architect may determine.

8.3.2 Any claim for extension of time shall be made in writing to the Architect not more than twenty days after the commencement of the delay; otherwise it shall be waived. In the case of a continuing delay only one claim is necessary. The Contractor shall provide an estimate of the probable effect of such delay on the progress of the Work.

8.3.3 If no agreement is made stating the dates upon which interpretations as provided in Subparagraph 2.2.8 shall be furnished, then no claim for delay shall be allowed on account of failure to furnish such interpretations until fifteen days after written request is made for them, and not then unless such claim is reasonable.

8.3.4 This Paragraph 8.3 does not exclude the recovery of damages for delay by either party under other provisions of the Contract Documents.

ARTICLE 9

PAYMENTS AND COMPLETION

9.1 CONTRACT SUM

9.1.1 The Contract Sum is stated in the Owner-Contractor Agreement and, including authorized adjustments thereto, is the total amount payable by the Owner to the Contractor for the performance of the Work under the Contract Documents.

9.2 SCHEDULE OF VALUES

9.2.1 Before the first Application for Payment, the Contractor shall submit to the Architect a schedule of values allocated to the various portions of the Work, prepared in such form and supported by such data to substantiate its accuracy as the Architect may require. This schedule, unless objected to by the Architect, shall be used only as a basis for the Contractor's Applications for Payment.

9.3 APPLICATIONS FOR PAYMENT

9.3.1 At least ten days before the date for each progress payment established in the Owner-Contractor Agreement, the Contractor shall submit to the Architect an itemized Application for Payment, notarized if required, supported

by such data substantiating the Contractor's right to payment as the Owner or the Architect may require, and reflecting retainage, if any, as provided elsewhere in the Contract Documents. 0033

9.3.2 Unless otherwise provided in the Contract Documents, payments will be made on account of materials or equipment not incorporated in the Work but delivered and suitably stored at the site and, if approved in advance by the Owner, payments may similarly be made for materials or equipment suitably stored at some other location agreed upon in writing. Payments for materials or equipment stored on or off the site shall be conditioned upon submission by the Contractor of bills of sale or such other procedures satisfactory to the Owner to establish the Owner's title to such materials or equipment or otherwise protect the Owner's interest, including applicable insurance and transportation to the site for those materials and equipment stored off the site.

9.3.3 The Contractor warrants that title to all Work, materials and equipment covered by an Application for Payment will pass to the Owner either by incorporation in the construction or upon the receipt of payment by the Contractor, whichever occurs first, free and clear of all liens, claims, security interests or encumbrances, hereinafter referred to in this Article 9 as "liens"; and that no Work, materials or equipment covered by an Application for Payment will have been acquired by the Contractor, or by any other person performing Work at the site or furnishing materials and equipment for the Project, subject to an agreement under which an interest therein or an encumbrance thereon is retained by the seller or otherwise imposed by the Contractor or such other person.

9.4 CERTIFICATES FOR PAYMENT

9.4.1 The Architect will, within seven days after the receipt of the Contractor's Application for Payment, either issue a Certificate for Payment to the Owner, with a copy to the Contractor, for such amount as the Architect determines is properly due, or notify the Contractor in writing his reasons for withholding a Certificate as provided in Subparagraph 9.6.1.

9.4.2 The issuance of a Certificate for Payment will constitute a representation by the Architect to the Owner, based on his observations at the site as provided in Subparagraph 2.2.3 and the data comprising the Application for Payment, that the Work has progressed to the point indicated; that, to the best of his knowledge, information and belief, the quality of the Work is in accordance with the Contract Documents (subject to an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, to the results of any subsequent tests required by or performed under the Contract Documents, to minor deviations from the Contract Documents correctable prior to completion, and to any specific qualifications stated in his Certificate); and that the Contractor is entitled to payment in the amount certified. However, by issuing a Certificate for Payment, the Architect shall not thereby be deemed to represent that he has made exhaustive or continuous on-site inspections to check the quality or quantity of the Work or that he has reviewed the construction means, methods, techniques,

sequences or procedures, or that he has made any examination to ascertain how or for what purpose the Contractor has used the moneys previously paid on account of the Contract Sum.

9.5 PROGRESS PAYMENTS

9.5.1 After the Architect has issued a Certificate for Payment, the Owner shall make payment in the manner and within the time provided in the Contract Documents.

9.5.2 The Contractor shall promptly pay each Subcontractor, upon receipt of payment from the Owner, out of the amount paid to the Contractor on account of such Subcontractor's Work, the amount to which said Subcontractor is entitled, reflecting the percentage actually retained, if any, from payments to the Contractor on account of such Subcontractor's Work. The Contractor shall, by an appropriate agreement with each Subcontractor, require each Subcontractor to make payments to his Subcontractors in similar manner.

9.5.3 The Architect may, on request and at his discretion, furnish to any Subcontractor, if practicable, information regarding the percentages of completion or the amounts applied for by the Contractor and the action taken thereon by the Architect on account of Work done by such Subcontractor.

9.5.4 Neither the Owner nor the Architect shall have any obligation to pay or to see to the payment of any moneys to any Subcontractor except as may otherwise be required by law.

9.5.5 No Certificate for a progress payment, nor any progress payment, nor any partial or entire use or occupancy of the Project by the Owner, shall constitute an acceptance of any Work not in accordance with the Contract Documents.

9.6 PAYMENTS WITHHELD

9.6.1 The Architect may decline to certify payment and may withhold his Certificate in whole or in part, to the extent necessary reasonably to protect the Owner, if in his opinion he is unable to make representations to the Owner as provided in Subparagraph 9.4.2. If the Architect is unable to make representations to the Owner as provided in Subparagraph 9.4.2 and to certify payment in the amount of the Application, he will notify the Contractor as provided in Subparagraph 9.4.1. If the Contractor and the Architect cannot agree on a revised amount, the Architect will promptly issue a Certificate for Payment for the amount for which he is able to make such representations to the Owner. The Architect may also decline to certify payment or, because of subsequently discovered evidence or subsequent observations, he may nullify the whole or any part of any Certificate for Payment previously issued, to such extent as may be necessary in his opinion to protect the Owner from loss because of:

- .1 defective Work not remedied,
- .2 third party claims filed or reasonable evidence indicating probable filing of such claims,
- .3 failure of the Contractor to make payments properly to Subcontractors or for labor, materials or equipment,

- .4 reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Sum,
- .5 damage to the Owner or another contractor,
- .6 reasonable evidence that the Work will not be completed within the Contract Time, or
- .7 persistent failure to carry out the Work in accordance with the Contract Documents.

9.6.2 When the above grounds in Subparagraph 9.6.1 are removed, payment shall be made for amounts withheld because of them.

9.7 FAILURE OF PAYMENT

9.7.1 If the Architect does not issue a Certificate for Payment, through no fault of the Contractor, within seven days after receipt of the Contractor's Application for Payment, or if the Owner does not pay the Contractor within seven days after the date established in the Contract Documents any amount certified by the Architect or awarded by arbitration, then the Contractor may, upon seven additional days' written notice to the Owner and the Architect, stop the Work until payment of the amount owing has been received. The Contract Sum shall be increased by the amount of the Contractor's reasonable costs of shut-down, delay and start-up, which shall be effected by appropriate Change Order in accordance with Paragraph 12.3.

9.8 SUBSTANTIAL COMPLETION

9.8.1 When the Contractor considers that the Work, or a designated portion thereof which is acceptable to the Owner, is substantially complete as defined in Subparagraph 8.1.3, the Contractor shall prepare for submission to the Architect a list of items to be completed or corrected. The failure to include any items on such list does not alter the responsibility of the Contractor to complete all Work in accordance with the Contract Documents. When the Architect on the basis of an inspection determines that the Work or designated portion thereof is substantially complete, he will then prepare a Certificate of Substantial Completion which shall establish the Date of Substantial Completion, shall state the responsibilities of the Owner and the Contractor for security, maintenance, heat, utilities, damage to the Work, and insurance, and shall fix the time within which the Contractor shall complete the items listed therein. Warranties required by the Contract Documents shall commence on the Date of Substantial Completion of the Work or designated portion thereof unless otherwise provided in the Certificate of Substantial Completion. The Certificate of Substantial Completion shall be submitted to the Owner and the Contractor for their written acceptance of the responsibilities assigned to them in such Certificate.

9.8.2 Upon Substantial Completion of the Work or designated portion thereof and upon application by the Contractor and certification by the Architect, the Owner shall make payment, reflecting adjustment in retainage, if any, for such Work or portion thereof, as provided in the Contract Documents.

9.9 FINAL COMPLETION AND FINAL PAYMENT

9.9.1 Upon receipt of written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the Architect will

promptly make such inspection and, when he finds the Work acceptable under the Contract Documents and the Contract fully performed, he will promptly issue a final Certificate for Payment stating that to the best of his knowledge, information and belief, and on the basis of his observations and inspections, the Work has been completed in accordance with the terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor, and noted in said final Certificate, is due and payable. The Architect's final Certificate for Payment will constitute a further representation that the conditions precedent to the Contractor's being entitled to final payment as set forth in Subparagraph 9.9.2 have been fulfilled.

9.9.2 Neither the final payment nor the remaining retained percentage shall become due until the Contractor submits to the Architect (1) an affidavit that all payrolls, bills for materials and equipment, and other indebtedness connected with the Work for which the Owner or his property might in any way be responsible, have been paid or otherwise satisfied, (2) consent of surety, if any, to final payment and (3), if required by the Owner, other data establishing payment or satisfaction of all such obligations, such as receipts, releases and waivers of liens arising out of the Contract, to the extent and in such form as may be designated by the Owner. If any Subcontractor refuses to furnish a release or waiver required by the Owner, the Contractor may furnish a bond satisfactory to the Owner to indemnify him against any such lien. If any such lien remains unsatisfied after all payments are made, the Contractor shall refund to the Owner all moneys that the latter may be compelled to pay in discharging such lien, including all costs and reasonable attorneys' fees.

9.9.3 If, after Substantial Completion of the Work, final completion thereof is materially delayed through no fault of the Contractor or by the issuance of Change Orders affecting final completion, and the Architect so confirms, the Owner shall, upon application by the Contractor and certification by the Architect, and without terminating the Contract, make payment of the balance due for that portion of the Work fully completed and accepted. If the remaining balance for Work not fully completed or corrected is less than the retainage stipulated in the Contract Documents, and if bonds have been furnished as provided in Paragraph 7.5, the written consent of the surety to the payment of the balance due for that portion of the Work fully completed and accepted shall be submitted by the Contractor to the Architect prior to certification of such payment. Such payment shall be made under the terms and conditions governing final payment, except that it shall not constitute a waiver of claims.

9.9.4 The making of final payment shall constitute a waiver of all claims by the Owner except those arising from:

- .1 unsettled liens,
- .2 faulty or defective Work appearing after Substantial Completion,
- .3 failure of the Work to comply with the requirements of the Contract Documents, or
- .4 terms of any special warranties required by the Contract Documents.

9.9.5 The acceptance of final payment shall constitute a waiver of all claims by the Contractor except those previously made in writing and identified by the Contractor as unsettled at the time of the final Application for Payment. 0033

ARTICLE 10

PROTECTION OF PERSONS AND PROPERTY

10.1 SAFETY PRECAUTIONS AND PROGRAMS

10.1.1 The Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work.

10.2 SAFETY OF PERSONS AND PROPERTY

10.2.1 The Contractor shall take all reasonable precautions for the safety of, and shall provide all reasonable protection to prevent damage, injury or loss to:

- .1 all employees on the Work and all other persons who may be affected thereby;
- .2 all the Work and all materials and equipment to be incorporated therein, whether in storage on or off the site, under the care, custody or control of the Contractor or any of his Subcontractors or Sub-subcontractors; and
- .3 other property at the site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of construction.

10.2.2 The Contractor shall give all notices and comply with all applicable laws, ordinances, rules, regulations and lawful orders of any public authority bearing on the safety of persons or property or their protection from damage, injury or loss.

10.2.3 The Contractor shall erect and maintain, as required by existing conditions and progress of the Work, all reasonable safeguards for safety and protection, including posting danger signs and other warnings against hazards, promulgating safety regulations and notifying owners and users of adjacent utilities.

10.2.4 When the use or storage of explosives or other hazardous materials or equipment is necessary for the execution of the Work, the Contractor shall exercise the utmost care and shall carry on such activities under the supervision of properly qualified personnel.

10.2.5 The Contractor shall promptly remedy all damage or loss (other than damage or loss insured under Paragraph 11.3) to any property referred to in Clauses 10.2.1.2 and 10.2.1.3 caused in whole or in part by the Contractor, any Subcontractor, any Sub-subcontractor, or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable and for which the Contractor is responsible under Clauses 10.2.1.2 and 10.2.1.3, except damage or loss attributable to the acts or omissions of the Owner or Architect or anyone directly or indirectly employed by either of them, or by anyone for whose acts either of them may be liable, and not attributable to the fault or negligence of the Contractor. The foregoing obligations of the Contractor are in addition to his obligations under Paragraph 4.18.

10.2.6 The Contractor shall designate a responsible member of his organization at the site whose duty shall be the prevention of accidents. This person shall be the Contractor's superintendent unless otherwise designated by the Contractor in writing to the Owner and the Architect.

10.2.7 The Contractor shall not load or permit any part of the Work to be loaded so as to endanger its safety.

10.3 EMERGENCIES

10.3.1 In any emergency affecting the safety of persons or property, the Contractor shall act, at his discretion, to prevent threatened damage, injury or loss. Any additional compensation or extension of time claimed by the Contractor on account of emergency work shall be determined as provided in Article 12 for Changes in the Work.

ARTICLE 11

INSURANCE

11.1 CONTRACTOR'S LIABILITY INSURANCE

11.1.1 The Contractor shall purchase and maintain such insurance as will protect him from claims set forth below which may arise out of or result from the Contractor's operations under the Contract, whether such operations be by himself or by any Subcontractor or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable:

- .1 claims under workers' or workmen's compensation, disability benefit and other similar employee benefit acts;
- .2 claims for damages because of bodily injury, occupational sickness or disease, or death of his employees;
- .3 claims for damages because of bodily injury, sickness or disease, or death of any person other than his employees;
- .4 claims for damages insured by usual personal injury liability coverage which are sustained (1) by any person as a result of an offense directly or indirectly related to the employment of such person by the Contractor, or (2) by any other person;
- .5 claims for damages, other than to the Work itself, because of injury to or destruction of tangible property, including loss of use resulting therefrom; and
- .6 claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of any motor vehicle.

11.1.2 The insurance required by Subparagraph 11.1.1 shall be written for not less than any limits of liability specified in the Contract Documents, or required by law, whichever is greater.

11.1.3 The insurance required by Subparagraph 11.1.1 shall include contractual liability insurance applicable to the Contractor's obligations under Paragraph 4.18.

11.1.4 Certificates of Insurance acceptable to the Owner shall be filed with the Owner prior to commencement of the Work. These Certificates shall contain a provision that

coverages afforded under the policies will not be cancelled until at least thirty days' prior written notice has been given to the Owner.

11.2 OWNER'S LIABILITY INSURANCE

11.2.1 The Owner shall be responsible for purchasing and maintaining his own liability insurance and, at his option, may purchase and maintain such insurance as will protect him against claims which may arise from operations under the Contract.

11.3 PROPERTY INSURANCE

11.3.1 Unless otherwise provided, the Owner shall purchase and maintain property insurance upon the entire Work at the site to the full insurable value thereof. This insurance shall include the interests of the Owner, the Contractor, Subcontractors and Sub-subcontractors in the Work and shall insure against the perils of fire and extended coverage and shall include "all risk" insurance for physical loss or damage including, without duplication of coverage, theft, vandalism and malicious mischief. If the Owner does not intend to purchase such insurance for the full insurable value of the entire Work, he shall inform the Contractor in writing prior to commencement of the Work. The Contractor may then effect insurance which will protect the interests of himself, his Subcontractors and the Sub-subcontractors in the Work, and by appropriate Change Order the cost thereof shall be charged to the Owner. If the Contractor is damaged by failure of the Owner to purchase or maintain such insurance and to so notify the Contractor, then the Owner shall bear all reasonable costs properly attributable thereto. If not covered under the all risk insurance or otherwise provided in the Contract Documents, the Contractor shall effect and maintain similar property insurance on portions of the Work stored off the site or in transit when such portions of the Work are to be included in an Application for Payment under Subparagraph 9.3.2.

11.3.2 The Owner shall purchase and maintain such boiler and machinery insurance as may be required by the Contract Documents or by law. This insurance shall include the interests of the Owner, the Contractor, Subcontractors and Sub-subcontractors in the Work.

11.3.3 Any loss insured under Subparagraph 11.3.1 is to be adjusted with the Owner and made payable to the Owner as trustee for the insureds, as their interests may appear, subject to the requirements of any applicable mortgagee clause and of Subparagraph 11.3.8. The Contractor shall pay each Subcontractor a just share of any insurance moneys received by the Contractor, and by appropriate agreement, written where legally required for validity, shall require each Subcontractor to make payments to his Sub-subcontractors in similar manner.

11.3.4 The Owner shall file a copy of all policies with the Contractor before an exposure to loss may occur.

11.3.5 If the Contractor requests in writing that insurance for risks other than those described in Subparagraphs 11.3.1 and 11.3.2 or other special hazards be included in the property insurance policy, the Owner shall, if possible, include such insurance, and the cost thereof shall be charged to the Contractor by appropriate Change Order.

ARTICLE 12

0033

CHANGES IN THE WORK**12.1 CHANGE ORDERS**

12.1.1 A Change Order is a written order to the Contractor signed by the Owner and the Architect, issued after execution of the Contract, authorizing a change in the Work or an adjustment in the Contract Sum or the Contract Time. The Contract Sum and the Contract Time may be changed only by Change Order. A Change Order signed by the Contractor indicates his agreement therewith, including the adjustment in the Contract Sum or the Contract Time.

12.1.2 The Owner, without invalidating the Contract, may order changes in the Work within the general scope of the Contract consisting of additions, deletions or other revisions, the Contract Sum and the Contract Time being adjusted accordingly. All such changes in the Work shall be authorized by Change Order, and shall be performed under the applicable conditions of the Contract Documents.

12.1.3 The cost or credit to the Owner resulting from a change in the Work shall be determined in one or more of the following ways:

- .1 by mutual acceptance of a lump sum properly itemized and supported by sufficient substantiating data to permit evaluation;
- .2 by unit prices stated in the Contract Documents or subsequently agreed upon;
- .3 by cost to be determined in a manner agreed upon by the parties and a mutually acceptable fixed or percentage fee; or
- .4 by the method provided in Subparagraph 12.1.4.

12.1.4 If none of the methods set forth in Clauses 12.1.3.1, 12.1.3.2 or 12.1.3.3 is agreed upon, the Contractor, provided he receives a written order signed by the Owner, shall promptly proceed with the Work involved. The cost of such Work shall then be determined by the Architect on the basis of the reasonable expenditures and savings of those performing the Work attributable to the change, including, in the case of an increase in the Contract Sum, a reasonable allowance for overhead and profit. In such case, and also under Clauses 12.1.3.3 and 12.1.3.4 above, the Contractor shall keep and present, in such form as the Architect may prescribe, an itemized accounting together with appropriate supporting data for inclusion in a Change Order. Unless otherwise provided in the Contract Documents, cost shall be limited to the following: cost of materials, including sales tax and cost of delivery; cost of labor, including social security, old age and unemployment insurance, and fringe benefits required by agreement or custom; workers' or workmen's compensation insurance; bond premiums; rental value of equipment and machinery; and the additional costs of supervision and field office personnel directly attributable to the change. Pending final determination of cost to the Owner, payments on account shall be made on the Architect's Certificate for Payment. The amount of credit to be allowed by the Contractor to the Owner for any deletion

11.3.6 The Owner and Contractor waive all rights against (1) each other and the Subcontractors, Sub-subcontractors, agents and employees each of the other, and (2) the Architect and separate contractors, if any, and their subcontractors, sub-subcontractors, agents and employees, for damages caused by fire or other perils to the extent covered by insurance obtained pursuant to this Paragraph 11.3 or any other property insurance applicable to the Work, except such rights as they may have to the proceeds of such insurance held by the Owner as trustee. The foregoing waiver afforded the Architect, his agents and employees shall not extend to the liability imposed by Subparagraph 4.18.3. The Owner or the Contractor, as appropriate, shall require of the Architect, separate contractors, Subcontractors and Sub-subcontractors by appropriate agreements, written where legally required for validity, similar waivers each in favor of all other parties enumerated in this Subparagraph 11.3.6.

11.3.7 If required in writing by any party in interest, the Owner as trustee shall, upon the occurrence of an insured loss, give bond for the proper performance of his duties. He shall deposit in a separate account any money so received, and he shall distribute it in accordance with such agreement as the parties in interest may reach, or in accordance with an award by arbitration in which case the procedure shall be as provided in Paragraph 7.9. If after such loss no other special agreement is made, replacement of damaged work shall be covered by an appropriate Change Order.

11.3.8 The Owner as trustee shall have power to adjust and settle any loss with the insurers unless one of the parties in interest shall object in writing within five days after the occurrence of loss to the Owner's exercise of this power, and if such objection be made, arbitrators shall be chosen as provided in Paragraph 7.9. The Owner as trustee shall, in that case, make settlement with the insurers in accordance with the directions of such arbitrators. If distribution of the insurance proceeds by arbitration is required, the arbitrators will direct such distribution.

11.3.9 If the Owner finds it necessary to occupy or use a portion or portions of the Work prior to Substantial Completion thereof, such occupancy or use shall not commence prior to a time mutually agreed to by the Owner and Contractor and to which the insurance company or companies providing the property insurance have consented by endorsement to the policy or policies. This insurance shall not be cancelled or lapsed on account of such partial occupancy or use. Consent of the Contractor and of the insurance company or companies to such occupancy or use shall not be unreasonably withheld.

11.4 LOSS OF USE INSURANCE

11.4.1 The Owner, at his option, may purchase and maintain such insurance as will insure him against loss of use of his property due to fire or other hazards, however caused. The Owner waives all rights of action against the Contractor for loss of use of his property, including consequential losses due to fire or other hazards however caused, to the extent covered by insurance under this Paragraph 11.4.

or change which results in a net decrease in the Contract Sum will be the amount of the actual net cost as confirmed by the Architect. When both additions and credits covering related Work or substitutions are involved in any one change, the allowance for overhead and profit shall be figured on the basis of the net increase, if any, with respect to that change.

12.1.5 If unit prices are stated in the Contract Documents or subsequently agreed upon, and if the quantities originally contemplated are so changed in a proposed Change Order that application of the agreed unit prices to the quantities of Work proposed will cause substantial inequity to the Owner or the Contractor, the applicable unit prices shall be equitably adjusted.

12.2 CONCEALED CONDITIONS

12.2.1 Should concealed conditions encountered in the performance of the Work below the surface of the ground or should concealed or unknown conditions in an existing structure be at variance with the conditions indicated by the Contract Documents, or should unknown physical conditions below the surface of the ground or should concealed or unknown conditions in an existing structure of an unusual nature, differing materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in this Contract, be encountered, the Contract Sum shall be equitably adjusted by Change Order upon claim by either party made within twenty days after the first observance of the conditions.

12.3 CLAIMS FOR ADDITIONAL COST

12.3.1 If the Contractor wishes to make a claim for an increase in the Contract Sum, he shall give the Architect written notice thereof within twenty days after the occurrence of the event giving rise to such claim. This notice shall be given by the Contractor before proceeding to execute the Work, except in an emergency endangering life or property in which case the Contractor shall proceed in accordance with Paragraph 10.3. No such claim shall be valid unless so made. If the Owner and the Contractor cannot agree on the amount of the adjustment in the Contract Sum, it shall be determined by the Architect. Any change in the Contract Sum resulting from such claim shall be authorized by Change Order.

12.3.2 If the Contractor claims that additional cost is involved because of, but not limited to, (1) any written interpretation pursuant to Subparagraph 2.2.8, (2) any order by the Owner to stop the Work pursuant to Paragraph 3.3 where the Contractor was not at fault, (3) any written order for a minor change in the Work issued pursuant to Paragraph 12.4, or (4) failure of payment by the Owner pursuant to Paragraph 9.7, the Contractor shall make such claim as provided in Subparagraph 12.3.1.

12.4 MINOR CHANGES IN THE WORK

12.4.1 The Architect will have authority to order minor changes in the Work not involving an adjustment in the Contract Sum or an extension of the Contract Time and not inconsistent with the intent of the Contract Documents. Such changes shall be effected by written order, and shall be binding on the Owner and the Contractor.

The Contractor shall carry out such written orders promptly.

ARTICLE 13

UNCOVERING AND CORRECTION OF WORK

13.1 UNCOVERING OF WORK

13.1.1 If any portion of the Work should be covered contrary to the request of the Architect or to requirements specifically expressed in the Contract Documents, it must, if required in writing by the Architect, be uncovered for his observation and shall be replaced at the Contractor's expense.

13.1.2 If any other portion of the Work has been covered which the Architect has not specifically requested to observe prior to being covered, the Architect may request to see such Work and it shall be uncovered by the Contractor. If such Work be found in accordance with the Contract Documents, the cost of uncovering and replacement shall, by appropriate Change Order, be charged to the Owner. If such Work be found not in accordance with the Contract Documents, the Contractor shall pay such costs unless it be found that this condition was caused by the Owner or a separate contractor as provided in Article 6, in which event the Owner shall be responsible for the payment of such costs.

13.2 CORRECTION OF WORK

13.2.1 The Contractor shall promptly correct all Work rejected by the Architect as defective or as failing to conform to the Contract Documents whether observed before or after Substantial Completion and whether or not fabricated, installed or completed. The Contractor shall bear all costs of correcting such rejected Work, including compensation for the Architect's additional services made necessary thereby.

13.2.2 If, within one year after the Date of Substantial Completion of the Work or designated portion thereof or within one year after acceptance by the Owner of designated equipment or within such longer period of time as may be prescribed by law or by the terms of any applicable special warranty required by the Contract Documents, any of the Work is found to be defective or not in accordance with the Contract Documents, the Contractor shall correct it promptly after receipt of a written notice from the Owner to do so unless the Owner has previously given the Contractor a written acceptance of such condition. This obligation shall survive termination of the Contract. The Owner shall give such notice promptly after discovery of the condition.

13.2.3 The Contractor shall remove from the site all portions of the Work which are defective or non-conforming and which have not been corrected under Subparagraphs 4.5.1, 13.2.1 and 13.2.2, unless removal is waived by the Owner.

13.2.4 If the Contractor fails to correct defective or non-conforming Work as provided in Subparagraphs 4.5.1, 13.2.1 and 13.2.2, the Owner may correct it in accordance with Paragraph 3.4.

13.2.5 If the Contractor does not proceed with the correction of such defective or non-conforming Work within a reasonable time fixed by written notice from the Architect, the Owner may remove it and may store the materials or equipment at the expense of the Contractor. If the Contractor does not pay the cost of such removal and storage within ten days thereafter, the Owner may upon ten additional days' written notice sell such Work at auction or at private sale and shall account for the net proceeds thereof, after deducting all the costs that should have been borne by the Contractor, including compensation for the Architect's additional services made necessary thereby. If such proceeds of sale do not cover all costs which the Contractor should have borne, the difference shall be charged to the Contractor and an appropriate Change Order shall be issued. If the payments then or thereafter due the Contractor are not sufficient to cover such amount, the Contractor shall pay the difference to the Owner.

13.2.6 The Contractor shall bear the cost of making good all work of the Owner or separate contractors destroyed or damaged by such correction or removal.

13.2.7 Nothing contained in this Paragraph 13.2 shall be construed to establish a period of limitation with respect to any other obligation which the Contractor might have under the Contract Documents, including Paragraph 4.5 hereof. The establishment of the time period of one year after the Date of Substantial Completion or such longer period of time as may be prescribed by law or by the terms of any warranty required by the Contract Documents relates only to the specific obligation of the Contractor to correct the Work, and has no relationship to the time within which his obligation to comply with the Contract Documents may be sought to be enforced, nor to the time within which proceedings may be commenced to establish the Contractor's liability with respect to his obligations other than specifically to correct the Work.

13.3 ACCEPTANCE OF DEFECTIVE OR NON-CONFORMING WORK

13.3.1 If the Owner prefers to accept defective or non-conforming Work, he may do so instead of requiring its removal and correction, in which case a Change Order will be issued to reflect a reduction in the Contract Sum where appropriate and equitable. Such adjustment shall be effected whether or not final payment has been made.

ARTICLE 14

TERMINATION OF THE CONTRACT

14.1 TERMINATION BY THE CONTRACTOR

14.1.1 If the Work is stopped for a period of thirty days under an order of any court or other public authority

having jurisdiction, or as a result of an act of government, such as a declaration of a national emergency making materials unavailable, through no act or fault of the Contractor or a Subcontractor or their agents or employees or any other persons performing any of the Work under a contract with the Contractor, or if the Work should be stopped for a period of thirty days by the Contractor because the Architect has not issued a Certificate for Payment as provided in Paragraph 9.7 or because the Owner has not made payment thereon as provided in Paragraph 9.7, then the Contractor may, upon seven additional days' written notice to the Owner and the Architect, terminate the Contract and recover from the Owner payment for all Work executed and for any proven loss sustained upon any materials, equipment, tools, construction equipment and machinery, including reasonable profit and damages.

14.2 TERMINATION BY THE OWNER

14.2.1 If the Contractor is adjudged a bankrupt, or if he makes a general assignment for the benefit of his creditors, or if a receiver is appointed on account of his insolvency, or if he persistently or repeatedly refuses or fails, except in cases for which extension of time is provided, to supply enough properly skilled workmen or proper materials, or if he fails to make prompt payment to Subcontractors or for materials or labor, or persistently disregards laws, ordinances, rules, regulations or orders of any public authority having jurisdiction, or otherwise is guilty of a substantial violation of a provision of the Contract Documents, then the Owner, upon certification by the Architect that sufficient cause exists to justify such action, may, without prejudice to any right or remedy and after giving the Contractor and his surety, if any, seven days' written notice, terminate the employment of the Contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon owned by the Contractor and may finish the Work by whatever method he may deem expedient. In such case the Contractor shall not be entitled to receive any further payment until the Work is finished.

14.2.2 If the unpaid balance of the Contract Sum exceeds the costs of finishing the Work, including compensation for the Architect's additional services made necessary thereby, such excess shall be paid to the Contractor. If such costs exceed the unpaid balance, the Contractor shall pay the difference to the Owner. The amount to be paid to the Contractor or to the Owner, as the case may be, shall be certified by the Architect, upon application, in the manner provided in Paragraph 9.4, and this obligation for payment shall survive the termination of the Contract.

Re: Consent to Encroachment and Indemnity Agreement in
Tara, Section 3

Dear Commissioner Pustka:

Reference is made to a consent to encroach and indemnity agreement forwarded to this office for review.

This office has reviewed same and is of the opinion if the matter will not interfere with County drainage and use of said easement, there is no legal reason that this agreement could not be entered into by Fort Bend County. I am forwarding a copy of same to Mr. Dan Gerken, Drainage Engineer, for his review and comment.

CONSENT TO ENCROACHMENT
AND INDEMNITY AGREEMENT

0033

THE STATE OF TEXAS §
 §
COUNTY OF FORT BEND §

THIS AGREEMENT is made this 20 day of July, 1987, by and between FORT BEND COUNTY, TEXAS, a body politic existing under the laws of the State of Texas (the "County") and TARA ASSOCIATION, a nonprofit corporation existing under the laws of the State of Texas (the "Association").

WITNESSETH:

WHEREAS, the County is the owner of that certain drainage easement in and across a portion of the tract of land platted as Tara, Section Three (3), which easement is set forth in the map or plat for Tara, Section Three (3), recorded in Volume , Page , of the Map Records of Fort Bend County, Texas, and which easement is more particularly described by metes and bounds in Exhibit "A" attached hereto and incorporated herein for all purposes; and

WHEREAS, TARA desires to construct a playground encroaching upon a portion of the easement owned by the County, in particular, the west end of the easement from Willoughby Drive eastward a distance of approximately ninety-five feet (95'); and

WHEREAS, TARA has requested that the County give its consent for said encroachment, and the County is willing to do so on the terms and conditions hereinafter set forth;

NOW, THEREFORE, in consideration of the mutual covenants herein set forth, the parties hereby agree as follows:

1. The County hereby grants to the Association its consent to encroach upon the portion of the easement described above and to use said portion of the easement for a playground.
2. The Association hereby binds itself, its successors and assigns, to jointly and severally indemnify and hold the County harmless from all claims for injury to or death of any person or for damage to property arising out of or in any way connected with the construction and use of any playground equipment or structures on said portion of the easement, or which injuries, death or damages would not have occurred but for the presence of said equipment or structures within the easement, except where such injuries, death or damages are caused solely by the negligence of the County, its agents or employees.

The Association agrees for itself, its successors and assigns, that if the County shall at any time in its sole discretion determine that it is necessary to do so for the purpose of properly maintaining its drainage easement, it shall be privileged to remove or alter temporarily, during the course of any such maintenance, any playground equipment or structures erected or placed on the easement by the Association, and the County shall not be obligated in any manner to restore the equipment or structures so altered or

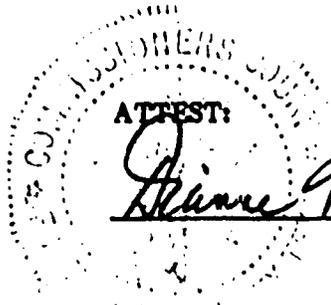

removed, but that any restoration shall be made by the Association at its sole cost and expense; and the Association further agrees to pay and indemnify the County from the cost of all additional expenses incurred by the County in the proper maintenance and repair of its facilities which additional expenses, it is hereby agreed, would not have occurred but for the presence of said equipment or structures within the easement. The Association for itself, its successors, and assigns, hereby releases the County from any and all liability for damage caused to the above mentioned equipment or structures by any such removal or alteration and further agrees to pay the County the cost of removing or altering such structures promptly upon receipt of its billing therefor. The Association for itself, its successors and assigns, hereby further releases the County from any and all liability for loss of or damage to such equipment or structures which may be caused by, result from, or be related to water and storm drainage, regardless of whether its negligence may contribute to such loss or damage.

This Consent to encroachment shall not inure to the benefit of any person other than the above named parties, their successors and assigns, or to the benefit of any property other than the above described property.

WITNESS the execution hereof as of the 13 day of July, 1987

JULY 20 AGENDA

RE: Setting a fee for handling trust funds

I am recommending to the Commissioners Court that the County retain the current fee of \$50.00 (Art.2558a) for handling the County Clerk's Trust Fund Accounts.

Attached you will find several references to this fee and the newest law (SB 584) which states that the fee is no longer fixed and Commissioners Court now sets the fee, not to exceed \$50.00.

Your decision will be effective September 1,1987.

Sincerely,
Dianne Wilson
Dianne Wilson

70th LEGISLATURE—REGULAR SESSION

Ch. 91, § 2

CLERKS—COUNTY AND DISTRICT TRUST FUNDS—
HANDLING FEE

CHAPTER 91

S.B. No. 584

AN ACT

relating to the imposition of certain handling charges involving district clerk and county clerk trust funds.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subsection (a), Section 4c, Chapter 14, General Laws, Acts of the 41st Legislature, 4th Called Session, 1930, as amended (Article 2558a, Vernon's Texas Civil Statutes), is amended⁵⁵ to read as follows:

(a) To offset the expense of handling District Clerk and County Clerk Trust Funds for the benefit of litigants in civil proceedings, a county may collect from the nonprevailing party in the litigation or from the party the court shall designate a fee in an amount set by the Commissioners Court, but not to exceed [ef] \$50.

SECTION 2. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and this rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

Passed the Senate on March 26, 1987: Yeas 30, Nays 0; passed the House on April 30, 1987, by a non-record vote.

Approved May 14, 1987.

Effective 90 days after date of adjournment.

authorized to place in the proper General Fund of the county any accumulated interest derived from trust funds in the possession of County and District Clerks of such county prior to the enactment of Chapter 270, Acts of the 56th Legislature, Regular Session, 1959, to offset the expenses of handling such trust funds for the benefit of litigants. Sec. 4b added by Acts 1969, 61st Leg., p. 1961, ch. 660, § 1, eff. Sept. 1, 1969.

Collection of fees from litigants

Sec. 4c. (a) To offset the expense of handling District Clerk and County Clerk Trust Funds for the benefit of litigants in civil proceedings, a county may collect from the nonprevailing party in the litigation or from the party the court shall designate a fee of \$50.

(b) Funds collected under this section shall be deposited by the County Treasurer in the General Fund of the county.

Sec. 4c added by Acts 1985, 69th Leg., ch. 145, § 5, eff. Aug. 26, 1985.

Clerk's failure to perform duties; penalty

Sec. 15. Any county or district clerk who fails to perform any duty required by this Act, or shall do or perform any act prohibited by the provisions of this Act shall be punished by fine of not exceeding Five Thousand Dollars (\$5,000.00), or by imprisonment in jail not exceeding two years, or by both such fine and imprisonment, and in addition thereto may be punished for contempt.

Section 15 of this article was transferred from Vernon's Ann.P.C. art. 383a by authority of § 5 of Acts 1973, 63rd Leg., p. 995, ch. 399, enacting the new Texas Penal Code.

1. Construction and application

Section 4 of this article, providing that where trust funds are deposited in county depository bank, commissioners court may receive interest earned and place interest in general fund of county did not apply where district court created special trust, and funds were placed in bank other than county depository bank. *McLennan County v. American Nat. Ins. Co.* (Civ.App.1970) 457 S.W.2d 597, ref. n.r.e.

Interest earned by deposit of money owned by parties to lawsuit is increment that accrues to that money and to its owners. *Sellers v. Harris County* (Sup.1972) 488 S.W.2d 242.

Interest on amount deposited in court in interpleader action was property of owner of principal and not of county. *Id.*

Even though the county was justified in not keeping separate records as to each trust it held because it relied upon art. 1656a and § 4a of this article, which allowed it to retain all the interest earned, the county could not retain the interest earnings of the judgment creditors' money or relieve itself of burden of showing the amount of interest created by the fund. *Harris County v. Wilkinson* (Civ.App.1974) 507 S.W.2d 548, ref. n.r.e. appeal after remand 540 S.W.2d 541, ref. n.r.e.

Notes of Decisions

Summary judgment 2
Validity 1/2

1/2. Validity

Provision of § 4a of this article entitling county to interest on funds deposited in court in interpleader action, without regard to relationship to value of county services in safeguarding and investing sum., was violative of due process clauses of Const. Art. 1, § 19 and U.S.C.A. Const. Amend. 14. *Sellers v. Harris County* (Sup.1972) 488 S.W.2d 242.

Supreme Court's determination that provisions of art. 1656a and § 4a of this article permitting a county to keep all interests earned on funds deposited with court, were unconstitutional is to be applied retrospectively. *Harris County v. Wilkinson* (Civ.App.1974) 507 S.W.2d 548, ref. n.r.e. appeal after remand 540 S.W.2d 541, ref. n.r.e.

Thus, the legislature has determined that this fee is reasonably related to the value of the services; and, therefore, no additional fee may be assessed.

Finally, you ask whether a county clerk is entitled to collect a reasonable fee for holding trust funds in probate matters. Section 12(a) of the Probate Code provides:

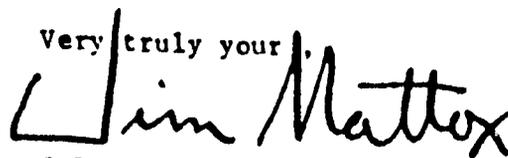

The provisions of law regulating cost in ordinary civil cases shall apply to all matters in probate when not expressly provided for in this Code. (Emphasis added).

Section 4c(a) of article 2558a, V.T.C.S., applies to all "civil proceedings," and we are unaware of any express provision in the Probate Code relating to the expense of handling district clerk and county clerk trust funds for the benefit of the litigants. Therefore, section 4c(a) is applicable to probate proceedings. For the reasons specified above, the county or district clerk is entitled only to a fixed fee of \$50 for handling the trust fund in probate matters.

S U M M A R Y

Before a district or county clerk may collect a \$50 fee pursuant to section 4c(a) of article 2558a, V.T.C.S., the expense of the district or county clerk for handling the trust fund must have been incurred, and there must have been a designation of a responsible party by the court. Article 3930(10), V.T.C.S., requires the county clerk to institute this collection of the fixed fee of \$50 authorized by section 4c(a). Section 4c(a) of article 2558a, V.T.C.S., requires that the county receive a reasonable fee of \$50. No other fee is contemplated by the provision. Finally section 4c(a) is read together with section 12(a) of the Probate Code, the county clerk may collect the \$50 fee in probate proceedings.

Very truly yours,

SECTION 2
CONSIDERATION AND LIABILITIES

2.01 Lessee agrees as consideration of this agreement to be responsible for the operation, maintenance, repair, and supervision of the said water distribution system at no cost to the County.

2.02 It is understood and agreed between the parties that the County will not be liable or responsible for any cost or expenses whatsoever in regard to the operation of said water distribution system during the term of this agreement.

SECTION 3
LENGTH OF TERM

3.01 The term of this lease is for TEN (10) years, commencing on the 20 day of July, 1987 and terminating on the 19 day of July, 1997 and the lease shall automatically be renewed for additional ten (10) year periods thereafter, unless terminated by agreement of both parties.

3.02 At the expiration or termination of the term of this lease, Lessee shall quit and peacefully surrender to County the leased premises made the subject of this agreement.

SECTION 4
USE OF PREMISES AND INSPECTION BY COUNTY

4.01 The leased premises shall be used solely and exclusively for a water distribution system for the above stated Fifth Street area.

4.02 Lessee shall comply with all laws, ordinances and governmental regulations and with any direction of any public officer, pursuant to law, which imposes any duty on Lessee with respect to the leased premises.

4.03 Lessee shall permit County and County's duly authorized agents to enter the leased premises at all reasonable times for the purpose of inspecting the same and further, shall allow County, or its duly authorized agents, access to such of the Lessee's records as are pertinent to the operations of the water distribution system.

4.04 It is understood and agreed between the parties that Lessee may enter into an agreement with WCID #2 to supply water and such other services as may be needed to the said distribution system made the subject of this agreement and Lessee shall furnish a copy of said agreement to County upon request.

SECTION 5
INDEMNIFICATION

5.01 The Lessee agrees to hold harmless, indemnify, and defend the County of Fort Bend, its commissioners, officers, employees, and agents against any and all claims, losses, damages, or lawsuits for damages, arising from, allegedly rising from, or related to the provision of services in this agreement by the Lessee.

SECTION 6
NECESSARY LICENSES

6.01 Lessee warrants and represents that it will obtain any and all necessary licenses and certifications from all necessary governmental entities to operate the said water distribution system.

SECTION 7
DEFAULT PROVISION

7.01 The failure of the Lessee (including the failure of any employee provided by the Lessee) to abide by any of the terms, conditions, or requirements expressed in this Agreement shall constitute a default if not promptly corrected by the Lessee upon receipt of a notice of deficiency and request for compliance from the County. In the event of a default by the Lessee, the County may cancel this Agreement by sending written notice of cancellation to the Lessee at its address provided hereinafter.

SECTION 8
ASSIGNMENT

8.01 Neither party to this contract shall assign the contract, nor any interest arising herein, without the written consent of the other, provided however, Lessee may enter into an

agreement with WCID #2 as set forth in paragraph 4.04 hereinabove.

SECTION 9
INDEPENDENT CONTRACTOR

9.01 It is agreed by the parties that at all times and for all purposes hereunder, the Lessee is an independent contractor and not an employee of the County. No statement contained in this agreement shall be construed so as to find the Lessee an employee of the County, and the Lessee shall be entitled to none of the rights, privileges, or benefits of County employees except as otherwise may be stated herein.

SECTION 10
SEVERABILITY

10.01 The provisions of this Agreement are severable. If any paragraph, section, subdivision, sentence, clause, or phrase of this Agreement is for any reason held to be contrary to law, or contrary to any rule or regulation having the force and effect of law, such decision shall not affect the remaining portions of the Agreement. However, upon the occurrence of such event, either party may terminate this Agreement forthwith upon the delivery of written notice of termination to the other party.

SECTION 11
ENTIRE AGREEMENT; REQUIREMENT OF A WRITING

11.01 It is understood and agreed that the entire agreement of the parties is contained herein and that this Agreement supersedes all oral agreements and negotiations between the parties relating to the subject matter hereof as well as any previous agreements presently in effect between the parties relating to the subject matter hereof.

Any alterations, amendments, deletions, or waivers of the provisions of this Agreement shall be valid only when expressed in writing and duly signed by the parties.

SECTION 12
WAIVER OF BREACH OR DEFAULT

12.01 Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver of breach of any

provision of this Contract shall not be construed to be modification of the terms of this Contract unless stated to be such in writing, signed by an authorized representative of the County.

SECTION 13

CHANGES IN RULES, REGULATIONS OR STATUTES

13.01 In the event that there is a revision of any state or federal regulations, rules or statutes which might make this Contract ineligible for state, federal financial participation, the parties hereto will review the Contract and make a good faith effort to renegotiate those terms necessary to bring the Contract into compliance with the new state, federal regulations, rules or statutes. If the parties are unable to agree on the new terms, this Contract may be terminated at the option of either party in accordance with the provisions for termination stated in this Contract.

SECTION 14

COMPLIANCE WITH LAWS AND REGULATIONS

14.01 In providing all services pursuant to this contract, the Lessee shall abide by all statutes, ordinances, rules, and regulations pertaining to, or regulating the provision of, such services, including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules, or regulations shall constitute a material breach of this contract, and shall entitle the County to terminate this contract immediately upon delivery of written notice of termination to the Lessee.

14.02 The Lessee's use of the County's water distribution system pursuant to this contract shall at all times be in accord with all statutes, rules, regulations, and ordinances, including those now in effect and hereafter adopted, which govern the use of such water distribution system. Any violation of said statutes, rules, regulations, or ordinances shall constitute a material breach of this contract, and shall entitle the County to terminate this contract immediately upon delivery of written notice of termination to the Lessee.

SECTION 15

15.01 The address for notice for County under this agreement is:

MONTHLY REPORT
JUNE, 1987

David W. Jalowy
Construction / Maintenance

The removal of vegetation from ditches was accomplished by both shredding and herbicide applications during June, 1987.

Shredding was done on a total of seventeen (17) channels. Some of these included Buffalo Creek, Duvall Ditch, Red Gully and Ditch "A". A complete list of all ditches that were worked is included later in this report.

Herbicides were applied to twenty-two (22) channels with tractor mounted applicators. The two (2) herbicides used were Roundup and Dowpon M. Some of the channels that received treatments were Coon Creek, Brays Bayou, Stafford Run Creek and Snake Creek and several of its laterals. In addition to tractor mounted applications, two (2) crews worked on applying herbicides with handheld applicators. Velpar and Arsenal were used on targeted pests of Willow trees and Disbania bushes. Ditches treated by this method included Ditch "H", Fairchilds Creek, Coon Creek and Deer Creek. A list of all channels that received treatment with tractor mounted applications is included later in this report.

The bridge crew worked on bridges across Rabbs Bayou, as well as the Avenue M storm sewer.

The Buffalo Creek project continued during June. The Northwest 41 dragline and Caterpillar D-6 bulldozer worked here and excavated ten thousand two hundred fifty (10,250) cubic yards of dirt.

The Boston Bucyrus RB-22 dragline began the excavation of Snake Creek Lateral 1-C-4 on June 17 and dug four thousand nine hundred (4,900) cubic yards of material.

The excavation of Dry Creek continued with the Linkbelt LS-127 dragline. Five thousand (5,000) cubic yards of spoil dirt were removed.

The Radler MC-305 dragline began dredging Turkey Creek Lateral 1-C-2 on June 18. One thousand five hundred (1,500) cubic yards were dug on this project during June.

The Northwest 3574 dragline dug on Turkey Creek 11-A-3 and moved ten thousand, two hundred (10,200) cubic yards of spoil dirt.

The following charts show where each machine worked during June, 1987.

RE: Monthly reports of Fee Officers

Gentlemen:

We have examined the monthly reports of certain Fee Officers identified below for the month of June 1987. We maintain certain records relating to financial transactions of these officers and accordingly, our examination included such auditing procedures as we considered appropriate in the circumstances.

The following is a breakdown of the fees paid by the Tax Collector in June:

| | | | |
|------------------------|---------------|----------------------------|------------------|
| Commissions - Apr 1987 | 1,091.51 | Highway Fees - Apr, 1987 | 49,139.19 |
| Commissions - May 1987 | 3,317.74 | Highway Fees - May, 1987 | <u>54,230.02</u> |
| Commissions - Jun 1987 | <u>286.48</u> | Total Highway Fees..... | 103,369.21 |
| Total Commissions..... | 4,695.73 | | |
| Beer & Liquor..... | 5,774.25 | Title - Motor Vehicles.... | 5,245.00 |
| Interest Earned..... | 2,790.28 | Road & Bridge - Apr 1987 | 58,859.60 |
| | | Road & Bridge - May 1987 | <u>62,451.75</u> |
| | | Total Road & Bridge..... | 121,311.35 |
| | | TOTAL FEES | \$ 243,185.62 |
| | | | ===== |

Justice of the Peace Pct 3, Robert Stahl did not submit a report for the month of June on time to be included with this report because the clerks were placed on a special assignment by the Judge, on which they did not elaborate. The May report was submitted and audited and is being reported at this time:

Gross receipts: \$5,484.10 General Fund: \$4,747.70 Misc. & Refunds: \$139.40

The shortage in Justice of the Peace Pct 4, Judge Adolphus has not yet been resolved and the Fee Officer Account is still due \$645.25.

The following is the criminal case report for the JPs for the month of June, 1987:

| JP | # New Cases | # Old Cases | # Dismissed | # Cases Paid | \$ Amount | # Open Cases |
|-------------------|-------------|-------------|-------------|--------------|-----------|--------------|
| JP 1 Geick | 451 | 2,741 | 490 | 321 | 15,848.76 | 2,381 |
| JP2-1 Molina | 217 | 560 | 42 | 81 | 5,035.00 | 745 |
| JP2-2 Fredrickson | 293 | 630 | 111 | 231 | 11,096.50 | 581 |
| JP3 Stahl | 305 | 1,864 | 15 | 92 | 4,399.46 | 2,062 |
| JP4 Adolphus | 341 | 2,305 | 111 | 210 | 8,057.00 | 2,325 |

We have been concerned about the large number of open cases. We made a analytical study of this situation based on figures reported by the JP's from January through June 1987.

JUSTICE OF THE PEACE CASE LOAD ANALYSIS

| ALL JP's | Beginning Open Cases | New Cases | Sub Total All Cases | Cases Dismissed | Cases Paid | Total Cases Disposed | Ending Open Cases | Case Turn-over Ratio |
|----------|----------------------|-----------|---------------------|-----------------|------------|----------------------|-------------------|----------------------|
| Jan | 7,961 | 1,841 | 9,802 | 752 | 898 | 1,650 | 8,152 | 16.8% |
| Feb | 8,152 | 1,740 | 9,892 | 1,933 | 977 | 2,910 | 6,982 | 29.4% |
| Mar | 6,982 | 2,048 | 9,030 | 464 | 1,013 | 1,477 | 7,553 | 16.4% |
| Apr | 7,553 | 1,608 | 9,161 | 420 | 1,034 | 1,454 | 7,707 | 15.9% |
| May | 7,707 | 1,745 | 9,452 | 365 | 987 | 1,352 | 8,100 | 14.3% |
| Jun | 8,100 | 1,698 | 9,798 | 769 | 935 | 1,704 | 8,094 | 17.4% |
| | 7,961 | 10,680 | 18,641 | 4,703 | 5,844 | 10,547 | 8,094 | 56.6% |

This is not necessarily an indication of poor performance, but may be indicative of understaffed offices. Since the number of open cases has remained basically unchanged since January 1st it appears that they are keeping up with current cases, but not chipping away at the huge number of old cases. If only one in five (20%) of these cases were collected on with a \$200.00 fine for failure to appear, then we would have a \$323,760.00 cash influx!

The following table shows the potential collections based on a variety of situations:

| FINE COLLECTED | PERCENT OF OPEN CASES PAID | | | | |
|----------------|----------------------------|---------|---------|---------|-----------|
| | 10% | 20% | 30% | 40% | 50% |
| \$20 | 16,188 | 32,376 | 48,564 | 64,752 | 80,940 |
| \$40 | 32,376 | 64,752 | 97,128 | 129,504 | 161,880 |
| \$80 | 64,752 | 129,504 | 194,256 | 259,008 | 323,760 |
| \$100 | 80,940 | 161,880 | 242,820 | 323,760 | 404,700 |
| \$200 | 161,880 | 323,760 | 485,640 | 647,520 | 809,400 |
| \$250 | 202,350 | 404,700 | 607,050 | 809,400 | 1,011,750 |

Additional statistical information is available upon request.

Quarterly Audits and cash counts were conducted on the Tax Collector, County Treasurer, County and District Clerks, Justices of the Peace and Constables. In the course of our examinations we found nothing that would lead us to believe that the reports or cash counts are not, in all material respects, a fair presentation of cash transactions in the above mentioned departments with the exception of Constable's Department Pct. 1.

It was discovered that Constable Pct 1. was collecting 3.00 warrant fees in cash from out of county warrants, however the fees were not being deposited into the Fee Officer Account, nor were they reported. The money was kept in the safe and was used as a petty cash or slush fund account. These funds were receipted and were all accounted for. There was one expense for flowers for the slain Sugar Land Police Officers' funeral. The funds totalling to \$52.00 have been deposited and correct collection and reporting procedures will be adhered to.

The other constables are not collecting these arrest fees except through the JP's offices as part of the fine.

Also included in this month's report is a summary of our examination of the County Treasurer's Office and Tax Office. (See attached).

We recommend that these reports be approved subject to completions of our examination of reports of such officers for the year ending December 31, 1987.

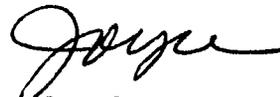

If the Court concurs, the following order might be adopted:

Moved be Commissioner____, seconded by Commissioner____, duly put and carried, it is ordered that the monthly reports of fees collected by Fee Officers identified below, for the month of June, 1987 be approved as recommended by the County Auditor in her letter of July 27, 1987.

Fort Bend County, Texas

June 17, 1987

In accordance with Articles 1654 and 1655 of V.A.C.S., we recently conducted an examination of various transactions carried out by the County Treasurer's Office. The following report summarizes the results of our examination:

INTERNAL CONTROL

An internal control evaluation was made and it appears that a conscientious effort is made to segregate the duties of receiving cash and other items for deposit from the actual preparation of the deposit. The County has numerous bank accounts which need to be reconciled monthly. We determined that the person who routinely receives money and prepares the receipt for a particular bank account does not reconcile that same account but instead reconciles a different account. This is a good internal control procedure and we are pleased to see that this is being done.

Funds brought into the Treasurer's Office from various fee officers or certain non-fee officers are not always counted and receipted in the presence of the bearer. This should always be done so any discrepancy that may exist can be resolved at once in the presence of all parties involved.

Cash and other items for deposit are kept in a locked safe overnight. We suggest that, once an employee knowing how to get into the safe has been terminated, the safe combination and key should be changed.

INVESTMENTS

The County has no true investment policy that has been reduced to writing, approved and adopted by Commissioners Court. Investment transactions do however appear to be carried out in a responsible and prudent manner for

INVESTMENTS (CONTINUED)

the most part. A written policy is being drafted at this time that will be presented to the Commissioners Court for its review and approval. In the recent past, the County Tax Collector has invested a portion of tax collections made by her office. Except for the court orders allowing the County and District Clerks to invest trust funds, no other County official is authorized to invest County funds besides the County Treasurer.

PLEGGED COLLATERAL BALANCES

In accordance with our depository contract, County funds are kept at the managing bank (Republic, now First Republic) and various participating banks. In two of these participating banks, the County had investments at May 31, 1987 that were under-collateralized by the amount of \$2,045,000. One of those banks was also under-collateralized at the end of April by \$2,400,000.

The Treasurer has begun to provide the Auditor with current pledged collateral worksheets shortly after the end of each month. These worksheets do not show a total balance however, and if they did then perhaps this pledge deficiency would have been detected much earlier, or even completely prevented. The Treasurer is now providing us with pledge changes as they occur so we can maintain current pledge balance information.

PAYROLL PROCESSING

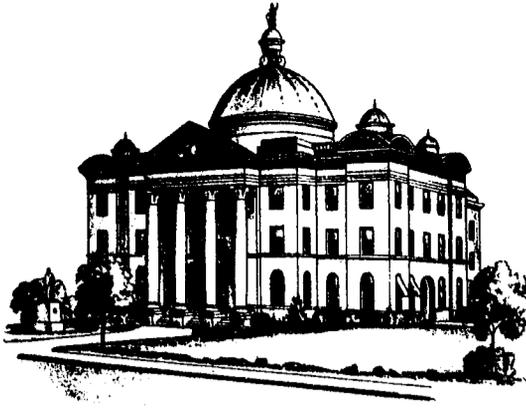

The processing of payroll transactions was turned over to the Treasurer's Office at the end of the first quarter of 1987. An acceptable schedule was prepared to allow for both the processing and auditing of these transactions. Training in the quarterly and annual procedures continues at this time, however no significant problems have been observed so far.

Respectfully,

Joyce Tompkins

In accordance with Articles 1654 and 1655 of V.A.C.S., we recently conducted a cash count in the County Tax Assessor/Collector's office. The following is a report of our cash count:

CASH COUNT - TAX OFFICE

On July 7, 1987, a cash count was conducted in the three departments in the tax office which are property taxes, highway, and beer and liquor. All of the money counted has been verified to deposits.

The highway department has implemented the Auditor's suggested procedures in regards to establishing accountability in the auto dealers over and under accounts. We are pleased to see that this is being done.

Property taxes have several areas that need immediate attention. An internal control evaluation has been finalized and you will be receiving a comprehensive audit report and prescribed procedures this week. Many suggestions are offered for the purpose of greater internal control, accountability, accuracy, and more efficient methods of posting, paying, and reporting property taxes.

The 1986 tax year is in the process of being finalized. The accounts left unpaid on the 1986 tax roll are rolling over to the delinquent roll this week.

Respectfully,

Joyce Tompkins

RE: Monthly reports of Non-Fee Officers

Gentlemen:

We have examined the monthly reports of certain Non-Fee Officers identified below for the month of June, 1987. We maintain certain records relating to financial transactions of these officers and accordingly, our examination included such auditing procedures as we considered appropriate in the circumstances.

A comprehensive inventory of the County Engineering and Drainage District was completed on July 2, 1987. Stanley Kucherka signed off and Daniel Gerken signed on accepting the inventory and responsibilities as the Manager/Engineer of the Drainage District, and Ronald D. Drachenberg signed on accepting the inventory and responsibilities as Interim County Engineer, thereby officially separating the two departments.

We recommend that these reports be approved subject to completions of our examination of reports of such officers for the year ending December 31, 1987.

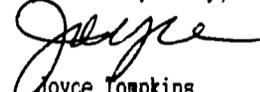

If the Court concurs, the following order might be adopted:

Moved by Commissioner, seconded by Commissioner, duly put and carried, it is ordered that the monthly reports of fees collected by Non-Fee Officers identified below, for the month of June 1987 be approved as recommended by the County Auditor in her letter of July 27, 1987.

Honorable Jodie E. Stavinoha, County Judge

 Commissioner Alton Pressley, Precinct 3
 Commissioner Bob Lutts, Precinct 4

Gentlemen:

We request the following item be included on the Commissioners' Court Agenda for Monday, July 27, 1987.

In the past, Fort Bend County has contributed to the expense of the Fort Bend Independent School District School Crossing Guards through Revenue Sharing Funds. The Fort Bend County Sheriff Department has been delegated the responsibility of preparing payroll and for the preparation of billing the Fort Bend Independent School District for their contribution to the salaries of the School Crossing Guards.

The Fort Bend County Sheriff Department has requested in the 1988 Budget \$35,568.10 for School Crossing Guards. The Fort Bend Independent School District, under the present system, would contribute to the Fort Bend County General Fund approximately one-half (1/2) of the above amount; \$18,000.00. This request, if approved, would maintain the School Crossing Guard Program at its present level from January 1, 1988 through December 31, 1988.

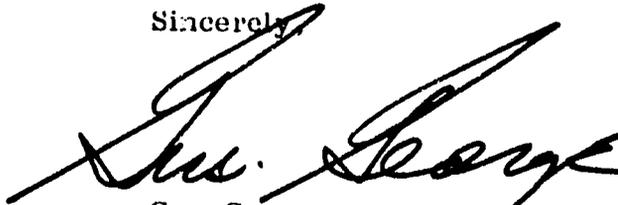

The Sheriff Department is aware that the 1988 request is not to be considered until the 1988 Budget Hearing, however, we have been notified that all Revenue Sharing Funds have been expended that were budgeted for the School Crossing Guards for the 1986-1987 school year. This requires that a decision be made prior to the start of the 1987-1988 school year in September as to the County's funding of the School Crossing Guard Program from the beginning of school through December 31, 1987.

To maintain the School Crossing Guard Program at its present level from the beginning of the 1987-1988 school year through December 31, 1987 will require an additional funding by the County of \$16,561.81. Under the present system, the Fort Bend Independent School District will be required to contribute approximately one-half (1/2) of the \$16,561.81 to the Fort Bend County General Fund; \$8,000.00.

Funds are available in the 1987 Sheriff Department Budget to continue this program at its present level for the period September 1, 1987 through December 31, 1987.

Your favorable consideration of this request will be most appreciated.

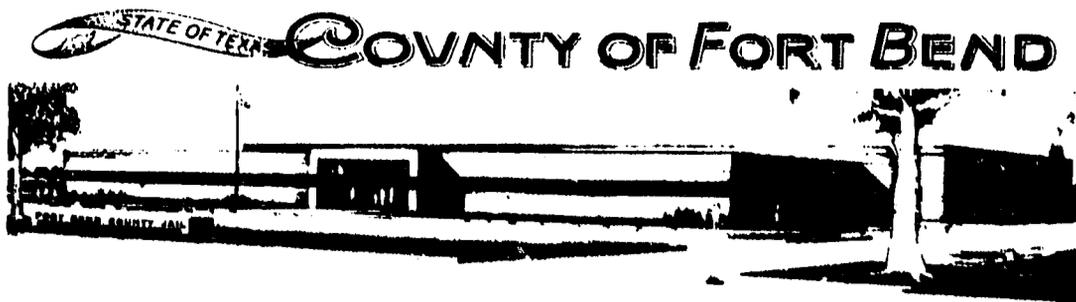

Sincerely,

Gus George

We request the following item be included on the Commissioners' Court Agenda for Monday, July 27, 1987.

Approve appointments of Bradley F. Brady, Henry F. Font, and Ronald N. Otto as Reserve Deputies with the Fort Bend County Sheriff Department.

This office has completed an extensive background check on the above individuals and recommends appointment. Mr. Richard Selleh, Personnel Director has also completed a check on these individuals and concurs with our recommendation.

Your favorable consideration of this request will be most appreciated.

Sincerely,

Gus George
Sheriff

REGIONAL HISTORICAL RESOURCE DEPOSITORY AGREEMENT

To encourage historical research and enrich the resources for such research in the Central Gulf Coast Plains area by providing more adequately for the collection, preservation and administration of such resources, the Fort Bend County Library System and the Texas State Library hereby agree to establish a Regional Historical Resource Depository at the George Memorial Library, to be operated under the supervision of the Texas State Library as provided in the Texas Revised Civil Statutes, Article 5442b, and under such Rules and Regulations as may be adopted by the Texas Library and Archives Commission.

I. THE RESPONSIBILITIES OF THE TEXAS STATE LIBRARY

The Texas State Library agrees:

- A. To determine the geographical area assigned to the depository.
- B. To place in the depository:
 1. State records which are primarily of interest only in the geographical area assigned to the depository.
 2. County and local public records, originating in the area assigned to the depository, with the exception of records which it determines are of statewide significance or so closely related to collections already in the Texas State Library that the needs of research would best be served by placing them in the Texas State Library.
 3. Non-public records which are primarily of interest in the geographical area assigned to the depository.
- C. To supervise the collecting of all materials for the depository, to process them, and to provide record containers and labels.
- D. To maintain a central catalog in the Texas State Library of all record and manuscript series in the Regional Historical Resource Depositories, and to provide the depository at the George Memorial Library with a copy of all finding aids produced for collections in that depository.
- E. To make available, by temporary transfer to the depository for scholarly research, such materials in the Texas State Library as may prudently be transferred, having proper regard for statutory limitations, donor restrictions, resolutions of the Texas Library and Archives Commission, and other considerations relative to the safety and most effective scholarly use of the materials. Transfers shall be for an initial period of up to 60 days, and may be renewed

for one additional period of up to 30 days. Materials specifically excluded from such transfer are:

1. Maps, broadsides, pictures, relics, and books in the Archives Division.
 2. Unprocessed holdings.
- F. To administer funds appropriated by the Legislature, or funds from other sources, for the development of the depositories.
- G. To transport under supervision of State Library staff members, any archives or manuscripts, the custody of which is being temporarily transferred from the Library to the depository, from the depository to the Library, or from the depository to any other depository.

II. RESPONSIBILITIES OF A REGIONAL HISTORICAL RESOURCE DEPOSITORY

The Fort Bend County Library System agrees:

- A. To provide adequate supervision and enforce such regulations for the use of manuscript materials in the depository or on temporary transfer to the depository, as are in the effect for the use of similar materials in the Texas State Library, and/or such other regulations as shall be mutually agreed upon by the depository and the Texas State Library.
- B. To assist the Texas State Library in the collection and processing of public records [and manuscript collections] relating to the geographical area assigned to the depository, provided that no such materials will be accepted and placed in the depository or processed in any manner whatsoever without prior approval of the Texas State Library.
- C. To provide suitable research space, tables, and chairs for the convenience of researchers, and to make the materials placed in the depository available to the public at such hours as the depository may establish.
- D. To provide a fireproof stack area, shelving, air conditioning, janitorial service, and professional supervision for the storage, protection, and servicing of all materials placed in the depository. The stack area shall be a locked room or cage closed to non-staff members.
- E. To fulfill all reasonable requests for reference service on the materials placed in the depository, and to maintain records of such service.
- F. To make available, by temporary transfer of custody to the Texas State Library or to another Regional Historical Resource Depository, such materials in the depository as may prudently be transferred, having proper regard for the safety and most effective scholarly use of the materials. Transfers shall be for an initial period of up to 60 days, and may be renewed for one additional period of 30 days.
- G. To make an annual report on activities of the depository to the Texas State Library in such form as may be determined by the State Library.

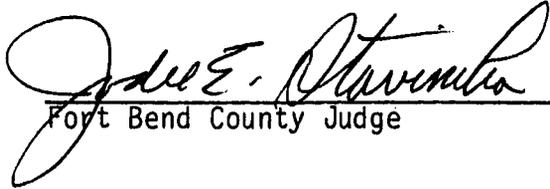

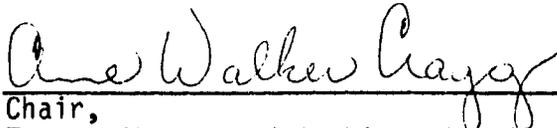

III. TITLE TO MATERIALS

It is mutually agreed that, in accordance with state statutes concerning public records, to guarantee continuity of responsibility for the materials in the depository and to provide statewide uniformity in their administration, title of all archives and manuscripts placed in the depository shall reside in the Texas State Library.

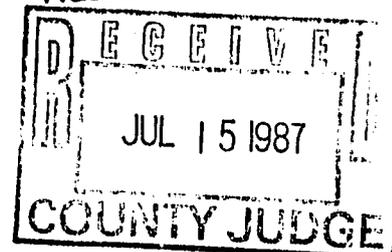

IV. TERMINATION OF REGIONAL HISTORICAL RESOURCE DEPOSITORY STATUS

Depository status may be terminated by either the Texas State Library or the Fort Bend County Library System on one year's notice in writing to the other party. In the event of termination, title of all materials placed in the depository shall remain with the Texas State Library.

A Personnel Management Service

May 28, 1987

Honorable Jodie Stavinoha
County Judge
Fort Bend County
P.O. Box 368
Richmond, Texas 77469

Dear Jodie,

It was a pleasure to talk with you this week regarding the subjects of Trace Consultants conducting (1) an audit of the County's personnel function and (2) a search for the new County Engineer to replace Stanley. I agree that thirty-five years of experience and knowledge of Fort Bend County will be tough to replace.

As we discussed, it has been several years since you and the Commissioners formally created the personnel department. Not unlike the finance and accounting areas, which are audited annually, the personnel function should be audited periodically as well. The resulting report would lay a foundation for the personnel department and the Court to address, and plans could then be developed for any corrective action needed. The audit would, in essence, provide to you, the Commissioners and Richard a "snap shot" of where the County's personnel programs are now and allow the Court to make some sound business decisions based on findings and recommendations.

Judge Stavinoha, we have an excellent understanding of county government operations and organization. In the past, we have done work for the County, to your credit, and, as you know, last year we were engaged by both Victoria and Goliad Counties to develop formal pay classification plans for their employees. Your kind words of recommendation tipped the scales in our favor to receive the Victoria project.

Additionally, we recently completed an engagement with the City of Stafford, performing job analyses and developing job descriptions for its employees. We are presently developing and upgrading personnel programs found needed in an audit conducted for Baytank (Houston) in Seabrook, and are implementing a personnel function with accompanying policies and programs for American Savings and Loan Association of Lake Jackson.

AS PER ORIGINAL

We would be pleased to visit with you and the Court, if you deem it appropriate, to discuss the personnel audit, the time frame, and fee considerations. However, because of our knowledge of the County, we believe we can complete the audit in less than 100 hours, with approximately 72 hours on site and three days for report preparation. The estimated fee would not exceed \$5000.00.

Regarding the search for a County Engineer to replace Stanley, I want only to inform you that, if the County does decide to "go outside" for a heavily-experienced engineer, I personally have an excellent search record in the engineering area. In the past, I have successfully completed engineering searches for Dannenbaum Engineering, Lichliter/Jameson & Associates, and Vansickle-Mickelson & Klein, in Houston, Austin and Dallas. As part of the search assignment, I would meet with you and the Commissioners, as well as any others involved in the selection process, to build a profile of the ideal candidate you need and want. The search "package" would also include periodic progress reports. To complete a successful search could take from 30 to 90 days. Fee considerations can be discussed if you and the Court decide on this option.

If you have any questions regarding either of these matters, or would like me to meet with you and/or the Court to discuss them further, please call and I will be happy to accommodate you.

Sincerely,

Clyde E. Jacks, Jr.
President

 RE: Tax Refund Check

To approve a refund for overpayment of taxes, my tax audit department requires proper documentation from the Tax Office of such over payment of taxes. This procedure is followed on a daily basis. With this documentation in hand I have approved the following amounts for payment:

EXISTING
DESCRIPTION OF THE BOUNDARY LINE FOR COMMISSIONER'S
PRECINCT NUMBER THREE IN FORT BEND COUNTY

0033

Beginning for connection at the point where the centerline of Willow Fork of Buffalo Bayou intersects the Fort Bend County boundary line, being the point of beginning;

Thence proceed downstream along the centerline of Willow Fork to intersect the Fort Bend County boundary line, being the point of beginning;

Thence proceed downstream along the centerline of Willow Fork to intersect the South boundary line of the Day Land and Cattle Co. Survey, Abstract 448 of Fort Bend County;

Thence Easterly along said South boundary line to intersect the centerline of F.M. 1463;

Thence Southerly along the centerline of State F.M. 1463 to intersect the centerline of State F.M. 1093;

Thence Westerly along the centerline of State F.M. Road 1093 to intersect the Easterly league line of the Enoch Latham, Jr. Survey, Abstract 50;

Thence Southerly leaving Farm to Market Roads 1093 and 359 following the said Easterly league line to a point of concurrence of alignment of the Easterly league line of the David Randon & I. Pennington League, Abstract 75 and continuing to intersect the Northerly right-of-way line of Winner Foster Road;

Thence Westerly crossing Bois D'Arc Lane and following the projection of the Northerly right-of-way line of Pumping Plant Road with concurrence of alignment, said Winner Foster Road becomes Pumping Plant Road at the centerline of Bois D'Arc, to intersect the Northerly concurrent right-of-way line and the centerline of the Brazos River;

Thence proceeding downstream following the various meanders of the centerline of the Brazos River to intersect the projected Easterly right-of-way line of Hartledge Road;

Thence Northerly along the projected Easterly right-of-way line of Hartledge Road to intersect the Southerly right-of-way line of Beadle Road;

Thence Easterly along the Southerly right-of-way line of Beadle Road to intersect the Westerly right-of-way line of State Farm to Market Road 723;

Thence Northerly along the Westerly right-of-way line of State Farm to Market Road 723 crossing State Farm to Market Road 359 to intersect the Northerly right-of-way line of State Farm to Market Road 359;

Thence Easterly along the projection of the Northerly right-of-way line of State Farm to Market Road 359 to a point of concurrence of alignment of said line and continuing along said line to intersect the Easterly right-of-way line of Skinner Road;

Thence Northerly along the Easterly right-of-way line of Skinner Road, which becomes Farmer Road at the centerline of McCrary Road, to intersect the Southerly right-of-way line of Timothy Road;

Thence Easterly with the Southerly right-of-way line of Timothy Road to intersect the Westerly right-of-way line of Harlem Road;

Thence Southerly down the Westerly right-of-way line of Harlem Road to intersect the centerline of Oyster Creek;

Thence downstream following the meanders of Oyster Creek to intersect the Easterly right-of-way line of State Farm to Market Road 1464;

Thence Northerly with the Easterly right-of-way line of State Farm to Market Road 1464 to intersect the Southeasterly right-of-way line of Old Richmond Road;

Thence Northeasterly along the Southeasterly right-of-way line of Old Richmond Road to intersect the Southerly right-of-way line of Voss Road;

Thence Easterly along the Southerly right-of-way line of Voss Road crossing Burney Road to intersect the Easterly right-of-way line of Burney Road;

Thence Northerly along the Easterly right-of-way line of Burney Road to intersect the Northerly city limit line of the City of Sugar Land;

Thence Easterly along the Northerly city limit line of the City of Sugar Land to intersect the Westerly right-of-way line of State Farm to Market Road 1876 (Eldridge Road);

Thence Southerly along the Westerly right-of-way line of State Farm to Market Road 1876 (Eldridge Road) to intersect the Southerly right-of-way line of Greenway Drive;

Thence Westerly along the Southerly right-of-way line of Greenway Drive to intersect the Westerly property line of a tract or parcel of land described in deed and recorded in Volume 704, Page 391, Fort Bend County Deed Records;

Thence Southerly along said Westerly property line to intersect the Northerly property line of a tract or parcel of land described in deed and recorded in Volume 265, page 262, Fort Bend County Deed Records;

Thence Westerly along said Northerly property line to intersect the Westerly property line of said tract;

Thence Southerly along the Westerly property line of said tract to intersect the Southerly property line of said tract;

Thence Easterly along the Southerly property line of said tract to intersect the Westerly right-of-way line of State Farm to Market Road 1876 (Eldridge Road);

Thence Southerly along the Westerly right-of-way line of State Farm to Market Road 1876 to intersect the Southerly right-of-way line of United States Highway 90A;

Thence Easterly along the Southerly right-of-way line of United States Highway 90A to intersect the Northwesterly right-of-way line of United States Highway 59;

Thence Southwesterly along the Northwesterly right-of-way line of United States Highway 59 to intersect the projection of the Northeasterly right-of-way line of Williams Trace Boulevard;

Thence Southeasterly along the projection of the Northeasterly right-of-way line of Williams Trace Boulevard to a point of concurrence of alignment of the Northeasterly right-of-way line of Williams Trace Boulevard and continuing Southeasterly to intersect the Northeasterly right-of-way line of State Highway 6;

Thence Southeasterly along the Northeasterly right-of-way line of State Highway 6 to intersect the Easterly right-of-way line of Dulles Avenue;

Thence Northerly along the Easterly right-of-way line of Dulles Avenue to intersect the projected Northerly right-of-way line of Cartwright Road;

Thence Easterly along the projection of the Northerly right-of-way line of Cartwright Road crossing State Farm to market Road 1092 to a point of concurrence of alignment with the Northerly right-of-way line of Cartwright Road and continuing Easterly to intersect the Westerly right-of-way line of State Farm to Market Road 2234;

Thence Southerly and Easterly along the Westerly and Southerly right-of-way line of F.M. 2234 to intersect the Easterly city limit line of the City of Missouri City;

Thence Northerly along the Easterly city limit line of the City of Missouri City to a point of concurrent alignment with the Westerly league line of the John Lafayette League, Abstract 280, said line also being the Easterly city limit line of the City of Missouri City;

Thence Northerly and Westerly along the Easterly city limit line of the City of Missouri City to intersect the Northerly Fort Bend County line;

Thence counterclockwise along said County Line to intersect the centerline of Willow Fork of Buffalo Bayou.

RE: Creekshire, Sections 1 & 2

Dear Commissioner Pressley,

A final inspection has been performed on the repair items outlined on the punchlists generated for Creekshire, Sections 1 & 2. The deficiencies have been addressed and repairs are acceptable to the Fort Bend County Engineering Department.

One item does need to be given consideration, and that is the drainage situation in the Creekshire/Settlers Way Blvd. area. As you know in the past few weeks, many streets in this area have been under water, some for several days. In the Creekshire area, Oyster Creek had a surface elevation of 70.6 while the top of Settlers Way Blvd. and other interior streets is only in the 69 to 70 range.

These developers, MUDDS & LIDS need to seriously give consideration to these problems and the work needed on Oyster Creek.

If you need additional information, please do not hesitate to contact this office.

Sincerely,

Charles Glen Crocker
Assistant Engineer

AGREEMENT

THE STATE OF TEXAS *
COUNTY OF FORT BEND *

THIS AGREEMENT, made and entered into by and between the County of Fort Bend, hereinafter referred to as "COUNTY" and by and through Sugarland Properties, Incorporated, a Texas corporation, hereinafter referred to as "SPI" and Larry J. Schulgen, Trustee, hereinafter referred to as "SCHULGEN".

WHEREAS, Schulgen desires to dedicate a portion of land, described in Exhibit "A" attached hereto, to the County, and SPI further desires to construct all improvements thereon for Dulles Avenue;

WHEREAS, upon completion of the improvements by SPI, the County desires to abandon the land described in Exhibit "B" attached hereto ("Lester Road");

WHEREAS, it is the desire of the County, Schulgen and SPI that this agreement is subject to the terms, conditions, and requirements of Article 5421c-12, Vernon's Texas Civil Statutes; and,

WHEREAS, Schulgen agrees that the property to be exchanged described in Exhibit "A" is equal to or greater than the fair maret value of the property described in Exhibit "B".

NOW, THEREFORE, in consideration of mutual understandings and agreements set forth herein, the County, Schulgen and SPI agree as follows:

1. SPI shall construct improvements on the land described in Exhibit "A" attached hereto and prior to or upon completion of said construction, Schulgen shall dedicate said land to County as part of Dulles Avenue.

2. County shall, after the construction of the improvements on the land described in Exhibit "A" attached hereto has been completed and the same has been certified by the County Engineer to meet county standards, accept said improvements into the County Road Maintenance System.

3. After the County has accepted the hereinbefore described property into the County Road Maintenance System, the County then will abandon and exchange the property described in Exhibit "B" attached hereto in consideration of the exchange, provided, however, the terms and conditions of this exchange are subject to the terms and conditions of Article 5421c-12, Vernon's Texas Civil Statutes.

4. Once the improvements to Dulles Avenue are completed and the dedication has been accepted by the County, the County will maintain said improvements at its own cost and expense.

5. County, Schulgen and SPI agree to execute and deliver all further instruments and documents, and to take all further action that may be necessary or desirable, in order to properly dedicate Dulles Avenue and abandon Lester Road.

IN WITNESS WHEREOF, the parties have hereunto set their hands as of the date written below.

WORK PROGRAM

0033

FORT BEND COUNTY AIRPORT FEASIBILITY STUDY

The purpose of the study will be to determine the feasibility of Fort Bend County acquiring Hull Airport for operation as a publicly owned, general aviation airport serving Fort Bend County and adjacent areas. The study will be planned, organized and managed to accomplish the following objectives:

1. Review the issues, concerns, goals and objectives relating to the study. Refine the scope of work for the study including coordination with representatives of Fort Bend County, City of Sugar Land, Hull Airport, and the Federal Aviation Administration.
2. Review available information on existing and planned airport facilities and operations, historic and forecast aeronautical activity, airspace structure, existing and proposed land use in the vicinity of Hull Airport, Airport environs zoning, socio-economic data, and other relevant information.
3. Estimate the economic value and financial performance of Hull Airport, based on financial information to be provided by the current Airport owner, including analyses of the Airport's operating revenues and expenditures, estimated value of Airport assets, and tax revenue implications of ownership by Fort Bend County of the Airport.
4. Determine the estimated economic impact of Hull Airport on Fort Bend County, in terms of the net annual contribution to the local economy in the form of direct and indirect tax payments, direct and indirect employment, area economic development attractiveness, and other economic impacts of the Airport's operation under both public and private ownership.
5. Prepare a study report documenting the findings of the economic and financial feasibility analyses of potential ownership of Hull Airport by Fort Bend County.

Dear Judge Stavinoha:

Grant Offer, Hull Field Airport, Sugar Land, TX
AIP Project No. 3-48-0113-01

The Administrator has authorized the issuance of a Grant Offer under the Airport Improvement Program for development described on page one of the Offer. Enclosed are the original and one copy of such Offer in the amount shown on page two of the Offer.

By the enclosed Offer, the United States proposes to commit itself to participate in the allowable cost of the project not to exceed the specified maximum amount. Your acceptance of this Offer will constitute a Grant Agreement obligating the Sponsor of the project to accomplish the development described therein. We suggest you review all special conditions contained in the Offer and the Assurances contained in the project application. You may also wish to have your legal representative review the Offer. If you have any questions, please contact this office. The obligations evidenced by the Grant Agreement may not be changed without the written consent of the Federal Aviation Administration.

If the United States' share, as stated in the Offer, and all other terms are satisfactory, the Offer should be accepted and executed by officials duly designated to take such action by the governing body of the Sponsor. After execution on the part of the Sponsor and certification of Sponsor's Attorney, the ORIGINAL of the Grant Agreement should be delivered to this office.

Please ensure that attorney reviews and dates his certification after Sponsor's acceptance. Please note this Offer must be accepted or rejected on or before sixty days of the above date.

Sincerely,

Stan Lou

GRANT AGREEMENT

Part 1 - Offer

Approved: OMB No. 2120-0065

Date of Offer July 17, 1987

Hull Field Airport

Project Number: 3-48-0113-01

Contract Number: DOT-FA-87SW-8166

To: Fort Bend County
(herein called the "Sponsor")

From: The United States of America (acting through the Federal Aviation Administration, herein called the "FAA")

Whereas, the Sponsor has submitted to the FAA a Project Application dated April 13, 1987, for a grant of Federal funds for a project at or associated with the Hull Field Airport, which Project Application, as approved by the FAA, is hereby incorporated herein and made a part hereof; and

Whereas, the FAA has approved a project for the Airport or Planning Area (herein called the "Project") consisting of the following:

Conduct a feasibility study for the purchase
of Hull Field by Fort Bend County

all as more particularly described in the Project Application.

NOW THEREFORE, pursuant to and for the purpose of carrying out the provisions of the Airport and Airway Improvement Act of 1982, herein called the "Act," and/or the Aviation Safety and Noise Abatement Act of 1979, and in consideration of (a) the Sponsor's adoption and ratification of the representations and assurances contained in said Project Application and its acceptance of this Offer as hereinafter provided, and (b) the benefits to accrue to the United States and the public from the accomplishment of the Project and compliance with the assurances and conditions as herein provided, The Federal Aviation Administration, for and on Behalf of the United States, hereby offers and agrees to pay, as the United States share of the allowable costs incurred in accomplishing the Project,

Ninety (90) per centum.

This Offer is made on and subject to the following terms and conditions:

Conditions

1. The maximum obligation of the United States payable under this offer shall be \$27,000

\$27,000 for planning.

2. The allowable costs of the project shall not include any costs determined by the FAA to be ineligible for consideration as to allowability under the Act.
3. Payment of the United States share of the allowable project costs will be made pursuant to and in accordance with the provisions of such regulations and procedures as the Secretary shall prescribe. Unless otherwise stated in this grant agreement, any program income earned by the sponsor during the grant period shall be deducted from the total allowable project costs prior to making the final determination of the United States share. Final determination of the United States share will be based upon the final audit of the total amount of allowable project costs and settlement will be made for any upward or downward adjustments to the Federal share of costs.
4. The sponsor shall carry out and complete the Project without undue delays and in accordance with the terms hereof, and such regulations and procedures as the Secretary shall prescribe, and agrees to comply with the assurances which were made part of the project application.

5. The FAA reserves the right to amend or withdraw this offer at any time prior to its acceptance by the sponsor.
6. This offer shall expire and the United States shall not be obligated to pay any part of the costs of the project unless this offer has been accepted by the sponsor on or before 60 days of the above date or such subsequent date as may be prescribed in writing by the FAA.
7. The Sponsor shall take all steps, including litigation if necessary, to recover Federal funds spent fraudulently, wastefully, or in violation of Federal antitrust statutes, or misused in any other manner in any project upon which Federal funds have been expended. For the purposes of this grant agreement, the term "Federal funds" means funds however used or disbursed by the Sponsor that were originally paid pursuant to this or any other Federal grant agreement. It shall obtain the approval of the Secretary as to any determination of the amount of the Federal share of such funds. It shall return the recovered Federal share, including funds recovered by settlement, order, or judgment, to the Secretary. It shall furnish to the Secretary, upon request, all documents and records pertaining to the determination of the amount of the Federal share or to any settlement, litigation, negotiation, or other efforts taken to recover such funds. All settlements or other final positions of the Sponsor, in court or otherwise, involving the recovery of such Federal share shall be approved in advance by the Secretary.
8. The United States shall not be responsible or liable for damage to property or injury to persons which may arise from, or be incident to, compliance with this grant agreement.
9. The Sponsor and its consultant will meet with the FAA to refine the scope of work which will be approved by the FAA prior to issuance of the Notice to Proceed.
10. If a letter of credit will be used to make Grant payments, the Sponsor agrees to request cash drawdowns on the authorized letter of credit only as and when actually needed for its disbursements and to timely reporting of such disbursements as required. It is understood that failure to adhere to this provision may cause the letter of credit to be revoked.

The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinafter provided, and this Offer and Acceptance shall comprise a Grant Agreement, as provided by the Act, constituting the contractual obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and compliance with the assurances and conditions as provided herein. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer.

CERTIFICATE OF SPONSOR'S ATTORNEY

I, _____, acting as Attorney for the Sponsor do hereby certify:

That in my opinion the Sponsor is empowered to enter into the foregoing Grant Agreement under the laws of the State of Texas. Further, I have examined the foregoing Grant Agreement and the actions taken by said Sponsor relating thereto, and find that the acceptance thereof by said Sponsor and Sponsor's official representative has been duly authorized and that the execution thereof is in all respects due and proper and in accordance with the laws of the said State and the Act. In addition, for grants involving projects to be carried out on property not owned by the Sponsor, there are no legal impediments that will prevent full performance by the Sponsor. Further, it is my opinion that the said Grant Agreement constitutes a legal and binding obligation of the Sponsor in accordance with the terms thereof.

PART V - ASSURANCES
AIRPORT AND PLANNING AGENCY SPONSORS

Approved: OMB No. 2120-0065

A. GENERAL.

1. These assurances shall be complied with in the performance of the following grant agreements:
 - a. Airport planning.
 - b. Integrated airport system planning grants to planning agencies.
2. These assurances are required to be submitted as part of the project application by sponsors requesting funds under the provisions of the Airport and Airway Improvement Act of 1982 or the Aviation Safety and Noise Abatement Act of 1979. This set of assurances includes only those assurances which are applicable to a sponsor who is a public agency with control of a public-use airport.
3. These assurances also are required to be submitted as part of the project application by a sponsor which is both a public agency and a planning agency requesting funds for integrated airport system planning under the provisions of the Airport and Airway Improvement Act of 1982.
4. Upon acceptance of the grant offer by the sponsor, these assurances are incorporated in and become part of the grant agreement.

B. DURATION AND APPLICABILITY.

Airport Planning Undertaken by a Sponsor. The terms, conditions and assurances of the grant agreement shall remain in full force and effect during the life of the project.

C. SPONSOR CERTIFICATION. The sponsor hereby assures and certifies with respect to this grant that:

1. General Federal Requirements. It will comply with all applicable Federal laws, regulations, executive orders, policies, guidelines, and requirements as they relate to the application, acceptance, and use of Federal funds for this project, including, but not limited to, the following:

OFFICE OF MANAGEMENT AND BUDGET CIRCULARS

- a. A-87 - Cost Principles Applicable to Grants and Contracts with State and Local Governments.*
- b. A-102 - Uniform Requirements for Assistance to State and Local Governments.*
- c. A-128 - Audits of State and Local Governments.

* OMB Circulars A-87 and A-102 contain requirements for state and local governments receiving Federal assistance. Any requirement levied upon state and local governments by these two circulars shall also be applicable to private sponsors receiving Federal assistance under the Airport and Airway Improvement Act of 1982. Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in the grant agreement.

2. Responsibility and Authority of the Sponsor.

- a. **Public Agency Sponsor:** It has legal authority to apply for the grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.
- b. **Private Sponsor:** It has legal authority to apply for the grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this grant agreement. It shall designate an official representative, and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with the application; and to provide such additional information as may be required.

3. Sponsor Fund Availability. It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under the grant agreement which it will own or control.
4. Preserving Rights and Powers.
- a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in the grant agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.
 - b. It will not sell, lease, encumber or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise program implementation project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in the grant agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under the Airport and Airway Improvement Act of 1982 to assume the obligations of the grant agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee, all of the terms, conditions, and assurances contained in this grant agreement.
 - c. For all noise program implementation projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise program implementation project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.
 - d. For noise program implementation projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.

- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
 - f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance with the Airport and Airway Improvement Act of 1982, the regulations and the terms, conditions and assurances in the grant agreement and shall insure that such arrangement also requires compliance therewith.
5. Consistency with Local Plans. The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport. For noise program implementation projects, other than land acquisition, to be carried out on property not owned by the airport and over which property another public agency has land use control or authority, the sponsor shall obtain from each such agency a written declaration that such agency supports the project and the project is reasonably consistent with the agency's plans regarding the property.
6. Accounting System, Audit, and Recordkeeping Requirements.
- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of the grant, the total cost of the project in connection with which the grant is given or used, and the amount and nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the U.S. General Accounting Office publication entitled Guidelines for Financial and Compliance Audits of Federally Assisted Programs.
 - b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to the grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which the grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than 6 months following the close of the fiscal year for which the audit was made.

7. Planning Projects. In carrying out planning projects:

- a. It will execute the project in accordance with the approved program narrative contained in the project application or with modifications similarly approved.
- b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
- c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.
- d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.
- e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.
- f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.
- g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.
- h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

8. Civil Rights. It will comply with such rules as are promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefiting from funds received from this grant. This assurance obligates the sponsor for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of personal property or real property or interest therein or structures or improvements thereon, in which case the assurance obligates the sponsor or any transferee for the longer of the following periods: (1) the period during which the property is used for a purpose for which Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits or (2) the period during which the sponsor retains ownership or possession of the property.

GRANT AGREEMENT

Part 1 - Offer

Approved: OMB No. 2120-0065

Date of Offer July 17, 1987

Hull Field Airport

Project Number: 3-48-0113-01

Contract Number: DOT-FA-87SW-8166

To: Fort Bend County
(herein called the "Sponsor")

From: The United States of America (acting through the Federal Aviation Administration, herein called the "FAA")

Whereas, the Sponsor has submitted to the FAA a Project Application dated April 13, 1987, for a grant of Federal funds for a project at or associated with the Hull Field Airport, which Project Application, as approved by the FAA, is hereby incorporated herein and made a part hereof; and

Whereas, the FAA has approved a project for the Airport or Planning Area (herein called the "Project") consisting of the following:

Conduct a feasibility study for the purchase
of Hull Field by Fort Bend County

all as more particularly described in the Project Application.

NOW THEREFORE, pursuant to and for the purpose of carrying out the provisions of the Airport and Airway Improvement Act of 1982, herein called the "Act," and/or the Aviation Safety and Noise Abatement Act of 1979, and in consideration of (a) the Sponsor's adoption and ratification of the representations and assurances contained in said Project Application and its acceptance of this Offer as hereinafter provided, and (b) the benefits to accrue to the United States and the public from the accomplishment of the Project and compliance with the assurances and conditions as herein provided, The Federal Aviation Administration, for and on Behalf of the United States, hereby offers and agrees to pay, as the United States share of the allowable costs incurred in accomplishing the Project,

Ninety (90) per centum.

This Offer is made on and subject to the following terms and conditions:

Conditions

1. The maximum obligation of the United States payable under this offer shall be \$27,000

\$27,000 for planning.

2. The allowable costs of the project shall not include any costs determined by the FAA to be ineligible for consideration as to allowability under the Act.
3. Payment of the United States share of the allowable project costs will be made pursuant to and in accordance with the provisions of such regulations and procedures as the Secretary shall prescribe. Unless otherwise stated in this grant agreement, any program income earned by the sponsor during the grant period shall be deducted from the total allowable project costs prior to making the final determination of the United States share. Final determination of the United States share will be based upon the final audit of the total amount of allowable project costs and settlement will be made for any upward or downward adjustments to the Federal share of costs.
4. The sponsor shall carry out and complete the Project without undue delays and in accordance with the terms hereof, and such regulations and procedures as the Secretary shall prescribe, and agrees to comply with the assurances which were made part of the project application.

5. The FAA reserves the right to amend or withdraw this offer at any time prior to its acceptance by the sponsor.
6. This offer shall expire and the United States shall not be obligated to pay any part of the costs of the project unless this offer has been accepted by the sponsor on or before 60 days of the above date or such subsequent date as may be prescribed in writing by the FAA.
7. The Sponsor shall take all steps, including litigation if necessary, to recover Federal funds spent fraudulently, wastefully, or in violation of Federal antitrust statutes, or misused in any other manner in any project upon which Federal funds have been expended. For the purposes of this grant agreement, the term "Federal funds" means funds however used or disbursed by the Sponsor that were originally paid pursuant to this or any other Federal grant agreement. It shall obtain the approval of the Secretary as to any determination of the amount of the Federal share of such funds. It shall return the recovered Federal share, including funds recovered by settlement, order, or judgment, to the Secretary. It shall furnish to the Secretary, upon request, all documents and records pertaining to the determination of the amount of the Federal share or to any settlement, litigation, negotiation, or other efforts taken to recover such funds. All settlements or other final positions of the Sponsor, in court or otherwise, involving the recovery of such Federal share shall be approved in advance by the Secretary.
8. The United States shall not be responsible or liable for damage to property or injury to persons which may arise from, or be incident to, compliance with this grant agreement.
9. The Sponsor and its consultant will meet with the FAA to refine the scope of work which will be approved by the FAA prior to issuance of the Notice to Proceed.
10. If a letter of credit will be used to make Grant payments, the Sponsor agrees to request cash drawdowns on the authorized letter of credit only as and when actually needed for its disbursements and to timely reporting of such disbursements as required. It is understood that failure to adhere to this provision may cause the letter of credit to be revoked.

The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinafter provided, and this Offer and Acceptance shall comprise a Grant Agreement, as provided by the Act, constituting the contractual obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and compliance with the assurances and conditions as provided herein. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer.

AIRPORT AND PLANNING AGENCY SPONSORS

Approved: OMB No. 2120-0065

A. GENERAL.

1. These assurances shall be complied with in the performance of the following grant agreements:
 - a. Airport planning.
 - b. Integrated airport system planning grants to planning agencies.
2. These assurances are required to be submitted as part of the project application by sponsors requesting funds under the provisions of the Airport and Airway Improvement Act of 1982 or the Aviation Safety and Noise Abatement Act of 1979. This set of assurances includes only those assurances which are applicable to a sponsor who is a public agency with control of a public-use airport.
3. These assurances also are required to be submitted as part of the project application by a sponsor which is both a public agency and a planning agency requesting funds for integrated airport system planning under the provisions of the Airport and Airway Improvement Act of 1982.
4. Upon acceptance of the grant offer by the sponsor, these assurances are incorporated in and become part of the grant agreement.

B. DURATION AND APPLICABILITY.

Airport Planning Undertaken by a Sponsor. The terms, conditions and assurances of the grant agreement shall remain in full force and effect during the life of the project.

C. SPONSOR CERTIFICATION. The sponsor hereby assures and certifies with respect to this grant that:

1. General Federal Requirements. It will comply with all applicable Federal laws, regulations, executive orders, policies, guidelines, and requirements as they relate to the application, acceptance, and use of Federal funds for this project, including, but not limited to, the following:

OFFICE OF MANAGEMENT AND BUDGET CIRCULARS

- a. A-87 - Cost Principles Applicable to Grants and Contracts with State and Local Governments.*
- b. A-102 - Uniform Requirements for Assistance to State and Local Governments.*
- c. A-128 - Audits of State and Local Governments.

* OMB Circulars A-87 and A-102 contain requirements for state and local governments receiving Federal assistance. Any requirement levied upon state and local governments by these two circulars shall also be applicable to private sponsors receiving Federal assistance under the Airport and Airway Improvement Act of 1982. Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in the grant agreement.

2. Responsibility and Authority of the Sponsor.

- a. Public Agency Sponsor: It has legal authority to apply for the grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.
- b. Private Sponsor: It has legal authority to apply for the grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this grant agreement. It shall designate an official representative, and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with the application; and to provide such additional information as may be required.

3. Sponsor Fund Availability. It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under the grant agreement which it will own or control.
4. Preserving Rights and Powers.
 - a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in the grant agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.
 - b. It will not sell, lease, encumber or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise program implementation project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in the grant agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under the Airport and Airway Improvement Act of 1982 to assume the obligations of the grant agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee, all of the terms, conditions, and assurances contained in this grant agreement.
 - c. For all noise program implementation projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise program implementation project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.
 - d. For noise program implementation projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.

- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
- f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance with the Airport and Airway Improvement Act of 1982, the regulations and the terms, conditions and assurances in the grant agreement and shall insure that such arrangement also requires compliance therewith.
5. Consistency with Local Plans. The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport. For noise program implementation projects, other than land acquisition, to be carried out on property not owned by the airport and over which property another public agency has land use control or authority, the sponsor shall obtain from each such agency a written declaration that such agency supports the project and the project is reasonably consistent with the agency's plans regarding the property.
6. Accounting System, Audit, and Recordkeeping Requirements.
- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of the grant, the total cost of the project in connection with which the grant is given or used, and the amount and nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the U.S. General Accounting Office publication entitled Guidelines for Financial and Compliance Audits of Federally Assisted Programs.
- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to the grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which the grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than 6 months following the close of the fiscal year for which the audit was made.

7. Planning Projects. In carrying out planning projects:
- a. It will execute the project in accordance with the approved program narrative contained in the project application or with modifications similarly approved.
 - b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
 - c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.
 - d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.
 - e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.
 - f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.
 - g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.
 - h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.
8. Civil Rights. It will comply with such rules as are promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefiting from funds received from this grant. This assurance obligates the sponsor for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of personal property or real property or interest therein or structures or improvements thereon, in which case the assurance obligates the sponsor or any transferee for the longer of the following periods: (1) the period during which the property is used for a purpose for which Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits or (2) the period during which the sponsor retains ownership or possession of the property.

 Commissioner Bob Lutts, Precinct 4

Gentlemen:

We request the following item be included on the Commissioners' Court Agenda for Monday, August 3, 1987.

Request to authorize the County Purchasing Agent to advertise for bids for 54 units of body armor. Suggested specifications are attached for your approval. Also attached are results of a study conducted by Deputies of the Fort Bend County Sheriff Department recommending the specific body armor in which they have absolute confidence, "Armitron" Side Coverage Style Type IIIA, custom fitted, with Super Shok Plate and spinal/kidney protector. Funds are available in the Fort Bend County Sheriff Department 1987 Budget.

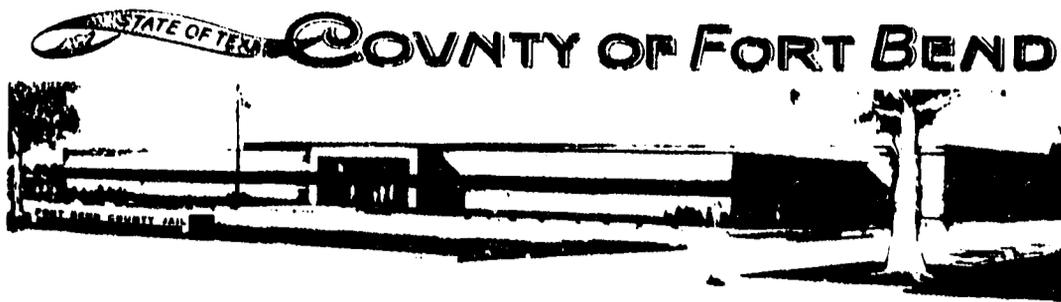

Your favorable consideration of this request will be most appreciated.

Sincerely,

Gus George

Subject: Body Armor

The committee whose purpose was to study the issue of body armor for the uniformed deputies assigned to field operations, has been established. The committee consists of the following deputies, Sgt Mike Patton, Sgt Mike Lorenz, Deputy Juan Delgado, and Deputy Scott Gill.

As you know, a survey was conducted among those deputies who would be affected by the issuance of body armor, and a vast majority indicated they would wear the vests routinely, provided the equipment was of "quality" manufacture. The committee has discussed this issue of quality at length with members of their respective bureaus and among ourselves. The only vest on the market today in which the deputies have absolute confidence is manufactured by American Body Armor. Almost all of the deputies who currently wear vests are wearing an American Body Armor product which tends to support this feeling of confidence.

Since all too many officers are shot with their own service weapons or weapons carried by a partner or fellow officer, it is strongly recommended that the officers wear a vest which is capable of defeating ammunition used in their own weapons. The committee concurs with this reasoning.

Sgt Lorenz was present during recent testing of several different types of body armor. The American Body armor product was the only vest which consistently defeated the different types of service ammunition fired into it. This vest further withstood multiple shots and angle shots which tend to be weaknesses in other types of vests. A video tape of these tests are in possession of the committee should you wish to review it.

The committee is unanimous in recommending the below specified body armor: American Body Armor "Armitron" Side Coverage Style Type IIIA, custom fitted, with Super Shok Plate, and spinal/kidney protector. Please find the attached brochure and specifications which may be of assistance to you.

CONCEALABLE
BODY ARMOR SPECIFICATIONS

Armitron IIIA

1.0 SCOPE

This product specification details the style and quality of concealable soft body armor vests intended for use by members of this law enforcement agency. The vests shall be worn comfortably while being concealed under a lightweight shirt. All vests shall supply maximum protection against projectile penetration while reducing the resultant blunt trauma and vest distortion to acceptable levels. The successful vendor shall be required to supply the individually fitted vests, with applicable options and color(s) as ordered for all male and female personnel.

This agency reserves the right at any time during the procurement process to request documentation from vendor proving compliance with any or all of the terms of this specification. Order may not be placed, or payment for delivered product made until this agency is assured that product complies in full with this specification for concealable body armor.

2.0 SPECIFICATIONS AND STANDARDS

The following minimum specifications and standards are listed for the purpose of establishing a level of construction quality and ballistic performance that will be expected in the bid sample and subsequent product delivery;

Areal Density of Ballistic Configuration, 20.5 ounces per square foot plus or minus 2%.

Federal Standard NIJ-STD-0101.02 dated July, 1984 for Threat Level Type IIIA ballistic and backface performance.

Federal Standard No. 751, Stitches, Seams, and Stitchings.

Military Specification, Mil-C-19377, Nylon, High Tenacity Yarn, 100 Denier.

Military Specification, Mil-C-44050, Kevlar Cloth, Ballistic Aramid.

Military Specification, Mil-F-21840, Fastener Tapes, Hook and Pile, Synthetic.

Military Specification, Mil-T-43548, Thread, Cotton Polyester Core.

Military Specification, Mil-T-44100, Kevlar Thread, Aramid, Tex-105.

3.0 DESIGN REQUIREMENTS

The vests are intended to be standard issue equipment to each member of this agency for daily wear as an undergarment. Therefore, vests shall be designed and constructed to provide; (1) a high degree of concealment, durability and comfort, (2) ease of cleaning, (3) no restrictions of motion or mobility, (4) the greatest amount of ballistic coverage consistent with comfort and concealment.

The general configuration shall be the slip-over vest type, which covers the majority of the upper torso. Six elastic straps with hook and pile fasteners shall provide for proper positioning and comfort. The entire vest perimeter must be curved. No corners or straight edges are allowable.

The contoured front ballistic panel shall cover the chest approximately up to the collar bone, have a scoop neck sufficient to maintain concealability with an open shirt collar, extend downward towards the waist but not far enough to "push up into the neck" when the wearer is seated, and extend around the sides to provide some side protection. The bicep/chest region shall be cut with sufficient space to prevent irritation and restriction of arm movement during common duties such as the operation of motor vehicles.

The front ballistic panels on vests to be issued to females shall have a raised shape that closely follows the curvature of each individual female's chest. The shape of the vest front for the female breast must be constructed from multiple folds of Kevlar fabric secured with Kevlar thread. No seams will be allowable in the construction of the female front ballistic panel.

The rear ballistic panel shall cover the back torso from just above the shoulder blades down vertically to end at a position immediately above the highest pants belt. The lower portion of the rear panel must extend horizontally around the kidney area to a position approximately halfway around the side torso. No corners or straight edges will be acceptable.

3.1 VEST FIT

Individual measurements must be taken by an authorized and trained representative of the manufacturer. Each delivered vest must fit in accordance with stringent guidelines.

Vest fit guidelines are as follows; (1) The bottom edge of front ballistic panel must be within 1/2" of the highest waist belt when the wearer is in the relaxed seated position, (2) The bottom edge of the rear ballistic panel must be within 3/4" of the highest waist belt when the wearer is in the normal standing position, (3) The side edges of the front and rear ballistic panels will not be more than 1" apart while the vest is being worn with normal strap tension.

4.0 MATERIALS

All materials shall be new, unused and without flaws which affect appearance, durability and function. Materials will conform to the appropriate specification as listed in section 2.0 of this document.

4.1 LABELS

The label shall remain legible during the estimated life of the vest and will contain at least the following information;

- a. Date of Manufacture
- b. Name of Manufacturer
- c. Ballistic Standard & Threat Level Rating
- d. Washing Instructions
- e. Size
- f. Serial Number

4.2 BALLISTIC PANEL MATERIAL

Both ballistic panels shall be constructed of E.I. Dupont De Nemours and Company first quality Kevlar fiber woven fabric. The maximum amount of Kevlar fabric layers permissible within each (front and rear) ballistic panel is twenty total layers per panel.

Each ballistic panel must have a minimum of five individual layers of Kevlar fabric impregnated with a proven liquid stabilizer which; (1) reduces backface deformation trauma levels, (2) reduces vest distortion and possible loss of perimeter protection during multiple impacts, (3) increases the molding of the vest to the wearer's shape, (4) increases vest projectile resistance during angled and multiple impacts.

Each individual vest panel shall be cross stitched in a 1 1/2" diamond pattern with Kevlar thread (Mil-T-44100) to further increase the vests projectile resistance during angled and multiple impacts.

Test reports from an accredited ballistic laboratory may be requested prior to purchase, or before payment is made for delivered vests. Test reports shall document the ballistic integrity and performance of the armor to all specifications as requested.

4.3 VEST COVERING MATERIAL

The cover shall be a permanent part of the vest so that each member of this agency will utilize their own undershirt as vest undergarment.

The vest cover shall be comprised of 100% nylon, Zepal treated fabric (Mil-C-19377) backed with Tricot for durability, ease of cleaning and comfort. This Nylon fabric (without tricot) shall weigh a maximum of 3 ounces per square yard. No visible fabric or color flaws will be allowed.

The center of vest front panel cover shall contain a vertical pocket constructed of the specified nylon fabric (section 4.3) to accommodate a 5"X 8" or 6"X 8" ballistic insert.

4.4 ELASTIC WEBBING STRAPS

The adjustable polyester elastic straps shall be of high quality, cut neatly and squarely from roll stock.

4.5 HOOK AND PILE FASTENER TAPE

Hook and pile tape strips (Mil-F-21840) will be neatly and squarely cut in long enough lengths to assure a wide range of vest adjustments to accommodate wearer weight fluctuations.

5.0 VEST OPTIONS

This agency desires that options be made available by the successful vendor to each member of this agency who will be issued a vest. At time of fitting the color of each individual vest and options desired shall be determined by the type of usage and assignment anticipated for each agency member.

5.1 COLOR(S)

Each vest shall be made available to members of this agency in at least the following standard colors; Navy Blue, Light Blue, Black, Sage, Camouflage, Tan, Grey, and White.

5.2 BALLISTIC INSERT MATERIALS

All vests shall be designed to accommodate two types of ballistic steel inserts as follows; (1) a 5"X 8" ballistic steel plate (maximum weight 9 ounces) for bullet trauma reduction and knife/icepick protection which shall alone be capable of defeating 9mm Remington 124 grain Full Metal Case ammunition when fired from a handgun with a 4" barrel. (2) a 6"X 8" ballistic steel plate (maximum weight 15 ounces) for trauma and sharp instrument protection and must provide the capability of allowing the plate area of the specified vest to defeat 9mm KTW Teflon coated ammunition when fired from a handgun with a 4" barrel at the plate, with the vest behind it.

Both types of ballistic inserts shall be surfaced with a permanent protective thermoplastic high impact spall shield that is at least 1/16" thick. This protective surface must effectively contain all projectile fragments and deflections and may not degrade from repeated bending or the aging process.

The selection of which one of the two types of ballistic inserts will be provided with each delivered vest shall be determined at time of fitting.

6.0 WARRANTY

Vest manufacturer shall agree to provide a minimum of \$1,000,000.00 product liability insurance coverage on delivered vests.

The ballistic panels shall be warranted against defects in workmanship for a period of five years following the date of purchase.

All vest covers shall be warranted against defects in material, straps, fasteners and workmanship for a period of eighteen months following purchase. Any vest exhibiting such defects must be repaired or replaced without cost, including freight, by the vendor with a vest manufactured to this specification.

Gentlemen:

In accordance with your verbal authorization, H.P. White Laboratory, Inc. conducted Ballistic Resistance testing of four samples of your **ARMITRON MODEL** of body armor delivered by your representative on 13 June 1986.

Testing was conducted in accordance with the requirements of NIJ-STD-0101.02, **BALLISTIC RESISTANCE TESTING OF POLICE BODY ARMOR**, dated March 1985. The panels were mounted on an indoor range at 16.5 feet to produce the required impact obliquities. Lumiline screens were positioned at 6.5 and 9.5 feet which, in conjunction with an elapsed time counter (Chronograph), were used to determine velocities a 8.0 feet. Table is a summary of the attached data records of these tests.

TABLE I. SUMMARY OF RESULTS (ARMITRON MODEL)

(a) NIJ-STD-0101.02.
(b) Two shots of each group at 30° obliquity.
(c) Depth of deformation of clay backing.
(d) Shots in excess of 6 UNFAIR - high velocity. Data for six FAIR shots only.
(e) NO TEST. Number of impacts exceeds requirements of NIJ-STD-0101.02.

Our review of the labels revealed no labelling deficiencies and H.P. White Laboratory, Inc. therefore certifies the compliance of the **ARMITRON MODEL** of armor with the ballistic and labelling requirements of NIJ-STD-0101.02.

IN REPLY REFER TO
D12-1

Dear Judge Stavinoha:

Attached is a copy of House Bill 327, as enacted by the 70th Texas Legislature, Regular Session, 1987, which becomes effective August 31, 1987. This bill amends the Registration Law by providing counties with the option of imposing or removing the \$5.00 optional County Road and Bridge Fee on an annual basis.

Counties which choose to collect or remove this fee are statutorily required to notify the Department by commissioners court order of their intent on or before September 1 of the year preceding the year in which the fee takes effect. We respectfully request that we be notified in writing as soon as possible whether your county commissioners court elects to impose or remove the \$5.00 optional fee; however, notification is not necessary if your county currently has a commissioners court order on file with this Department which previously established the collection of the \$5.00 fee and you do not wish to rescind this order.

Sincerely,

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

5 SECTION 1. Section 9a(b), Chapter 88, General Laws, Acts of
6 the 41st Legislature, 2nd Called Session, 1929 (Article 6675a-9a,
7 Vernon's Texas Civil Statutes), is amended to read as follows:

8 (b) A county may impose a fee under this section [only] to
9 take effect beginning January 1 of a year. [ending-in-a-"5"--or--a-
10 "0-"] The county shall adopt the order and notify the Department
11 on or before September 1 of the year preceding the year in which
12 the fee takes effect. Imposition of the fee may be removed but the
13 removal may only become effective beginning January 1. [ef-a-year
14 ending-in-a-"5"-or-a-"0-"] A county may remove the fee only by:

- 15 (1) rescinding the order imposing the fee; and
16 (2) notifying the Department on or before September 1 of the

MEMORANDUM

0033

July 27, 1987.

TO: County Judge Jodie Stavinoha
FROM: Marsha P. Gaines
SUBJECT: Agenda Item for August 3, 1987 session of Commissioner's Court
\$5.00 County Road and Bridge Fund Fee

According to new legislation, passed during the Legislature's Regular Session, counties may now decide whether or not to charge the optional \$5.00 County Road and Bridge Fund Fee on an annual basis.

This decision must be made and the State Department of Highways and Public Transportation notified no later than September 1.

Below is a list of collections for the fund since Fort Bend County began collecting the fee in 1985.

| <u>Year Collected</u> | <u># of Vehicles</u> | <u>County 97%</u> | <u>State 3%</u> | <u>Total Collections</u> |
|-----------------------|----------------------|-----------------------|---------------------|--------------------------|
| 1985 | 125,954 | \$ 610,876.90 | \$ 18,893.10 | \$ 629,770.00 |
| 1986 | 127,052 | 616,202.20 | 19,057.80 | 635,260.00 |
| 1987 (6 months) | 66,458 | 322,321.30 | 9,968.70 | 332,290.00 |
| Total | 319,464 | \$1,549,400.40 | \$ 47,919.60 | \$1,597,320.00 |

These fees are collected in addition to the \$350,000.00 the State contributes to the Road and Bridge Fund from registration fees collected at the beginning of the year.

Attached is information from the State.

**SUBJECT: HOUSE BILL 327 - IMPOSITION OR REMOVAL
OF THE OPTIONAL \$5 COUNTY FEE ON AN
ANNUAL BASIS**

TO: ALL COUNTY TAX ASSESSOR-COLLECTORS

Ladies and Gentlemen:

Attached hereto is a copy of House Bill 327, Acts of the 70th Texas Legislature, Regular Session, 1987.

This bill amends the Registration Law by providing counties with the option of imposing or removing the Five Dollar (\$5) optional County Road and Bridge Fee on an annual basis. The effective date of this bill is August 31, 1987.

If your county is not currently imposing the Five Dollar (\$5) fee and you wish to do so, the county commissioners court must issue an order and notify the Department on or before September 1 of the year preceding the year in which the fee takes effect. Likewise, if your county chose to impose this extra fee during its inception on January 1, 1985, and you now wish to remove it, the county commissioners court must rescind the original order imposing the fee; and the Department must be notified of this action on or before September 1.

In accordance with Attorney General's Opinion No. JM-281, counties, when implementing the first year's collection of the \$5.00 fee, are not authorized to collect the additional fee on January renewals until after January 31st. (Refer to Motor Vehicle Information Circular No. 1-85.) However, on and after January 1 of the effective year, the \$5.00 fee is due in all other situations, including February renewals, new and out-of-state vehicles, etc.

Honorable Jodie E. Stavinoha
County Judge, Fort Bend County
P. O. Box 368
Richmond, Texas 77469-0368

Dear Sir:

You will recall in December, 1985, Fort Bend County provided \$109,000 as it's estimated 10% share of the cost of surplus railroad right of way. Subsequently, Missouri City likewise provided their estimated share for that segment within Missouri City's limits.

By way of explanation, efforts to complete the acquisition on numerous occasions have been side tracked. Reasons include sales of several small tracts by the railroad and lawsuits involving portions of other segments of the surplus right of ways. Recently, these issues have been resolved; now the department and railroad being in a position to consummate the transaction. Recent appraisals value that portion within Missouri City at \$2,022,251; for the segment in Fort Bend County at \$1,672,704. As you can see, to meet the 10% County obligation (\$167,270.40) we are in need of another \$58,500.

Since further efforts to complete this acquisition are being deferred pending action on this request, your prompt attention will be greatly appreciated.

If additional information is needed, please advise.

Sincerely,

Milton M. Dietert

**COOPERATIVE AGREEMENT
 FOR TITLE IV-D EXPEDITED PROCESS PROGRAM
 BETWEEN
 THE OFFICE OF THE TEXAS ATTORNEY GENERAL
 AND
 FORT BEND COUNTY, TEXAS**

STATE OF TEXAS |

|

COUNTY OF TRAVIS |

SECTION 1. PARTIES

This contract and agreement is made and entered into by and between the Office of the Attorney General of the State of Texas, hereinafter referred to as "Attorney General", and the County of Fort Bend, Texas hereinafter referred to as "County". The parties hereto have severally and collectively agreed and by the execution hereof are bound to the mutual obligations and to performance and accomplishment of the tasks hereinafter described.

SECTION 2. CONTRACT PERIOD

This contract shall commence September 1, 1987, and shall terminate August 31, 1988, unless terminated at an earlier date pursuant to the provisions of Section 15 of this contract.

SECTION 3. ATTENDANT CIRCUMSTANCES

The parties hereto understand and agree that the Comptroller of Public Accounts of the State of Texas, referred to hereinafter as "Comptroller", has been appropriated funds by the Legislature of the State of Texas which may be expended by Comptroller, with the administration of the presiding judges of the administrative judicial regions, for the performances contemplated of County by this contract. Attorney General, as the state agency designated by

Chapter 76 of the Texas Human Resources Code to administer a statewide plan for child support enforcement in compliance with Title IV, Part D, of the Federal Social Security Act and the regulations promulgated thereunder, is interested in obtaining the performances contemplated of County by this contract as a means of meeting certain requirements of federal law pertaining to the administration of such child support enforcement program. County is required by state law to implement certain measures relating to the use of masters in the adjudication of legal actions for child support and may partially satisfy such requirements by rendering the performances contemplated of County by this contract. Attorney General and Comptroller have entered an agreement whereby Comptroller has agreed to reimburse counties for costs properly incurred under the terms of contracts such as this contract provided such costs are in accordance with budgets approved by the presiding judges and are certified to Comptroller by Attorney General as allowable costs pursuant to such contracts.

It is therefore understood and agreed between the parties hereto that Attorney General's obligations hereunder extend only to those obligations expressly and specifically set forth herein, and in no event shall such obligations of Attorney General extend to, or include, the actual reimbursement of County's costs incurred pursuant to the terms of this contract.

SECTION 4. COUNTY PERFORMANCE

A. GENERAL

County, in compliance with Subchapter D of Chapter 14 of Texas Family Code, shall employ masters and other personnel as may be required and shall provide services necessary to assure the timely disposition of cases involving child support obligations the enforcement of which is being conducted pursuant to Title IV, Part D, of the Federal Social Security Act.

B. FEDERAL LAW

It is expressly understood and agreed by the parties hereto that the performances rendered by County hereunder are for the purpose of affecting full compliance by the State of Texas with requirements for expedited processes required by Title IV, Part D, of the Federal Social Security Act and the regulations promulgated thereunder. All performances by County hereunder shall be rendered so as to affect full compliance with the requirements for expedited process contained in Title IV, Part D of the Social Security Act and the rules and regulations promulgated thereunder.

The parties understand and agree that the presiding judge of the administrative judicial region may appoint a master pursuant to subchapter D of Chapter 14, Texas Family Code to serve more than one county. County agrees that it shall be the employer of any and all masters, and any and all personnel, employed to carry out the terms of this contract for the following jurisdictions: Second Administrative Judicial Region.

C. ENUMERATED FUNCTIONS

County shall perform such functions as may be necessary and appropriate to fulfill its obligations pursuant to Subsection A of this section including, but not limited to, the following enumerated functions with respect to the Expedited Process Program rendered hereunder:

- (1) paying the salaries and direct costs of masters who are appointed by the presiding judge of the administrative judicial region pursuant to Subchapter D of Chapter 14, Texas Family Code;
- (2) providing office space, supplies, equipment and personnel as may be required by master to perform his official duties;
- (3) preparing, maintaining and transmitting forms, records, reports and correspondence essential to the effective operation of this contract.

SECTION 5. ATTORNEY GENERAL OBLIGATIONS**A. CERTIFICATION OF ALLOWABLE COSTS**

In consideration of full and satisfactory performance hereunder, Attorney General shall certify to the Comptroller the allowable expenses of County as identified under Attachment A, subject to the limitations set forth in Paragraphs 1 through 8 of Subsection B of this Section 5.

B. LIMITATIONS ON CERTIFICATION

1. It is expressly understood and agreed by the parties hereto that any and all of Attorney General's obligations hereunder are contingent upon the existence of a State Plan for Child Support Enforcement approved by the Federal Office of Child Support Enforcement providing for the statewide program of child support enforcement. In the event that such a State Plan should lapse or otherwise terminate, Attorney General shall promptly notify County of such fact in writing and Attorney General shall discontinue certification hereunder subsequent to County's receipt of such written notification.

2. Attorney General shall not be required to certify costs pursuant to Subsection A of this Section incurred before commencement of this contract or after termination of this contract. Additionally, Attorney General shall not be required to certify any salary or costs of a master or other personnel which is incurred before or after the term of appointment of master by the judge of the administrative judicial region.

3. Attorney General shall not be required to certify costs pursuant to Subsection A of this Section incurred by County of a type not described by, or in excess of the total amounts identified for, the respective categories of cost specified by Attachment A to this contract, except as provided by the remainder of this Paragraph 3. County may transfer amounts between

individual line items of Attachment A provided such transfers do not result in a cumulative increase or decrease from the beginning of this contract in any such line item of more than three thousand dollars (\$3,000.00) and provided further that county notifies Attorney General in the manner specified by Attorney General of such transfer prior to such transfer. The authority for the County to make budget transfers as provided by the preceding sentence shall not be construed as authorizing any increase whatsoever in the total of all line items of Attachment A. Any change in Attachment A other than those provided by the second sentence of this Paragraph 3 shall be made pursuant to Section 16 of this contract.

4. Attorney General shall not be required to certify any costs incurred or performances rendered unless such costs are incurred and such performances are rendered strictly in accordance with the terms of this contract.

5. Attorney General shall not be liable pursuant to Subsection A of this Section for costs associated with travel and related expenses except as provided by Section 8 of this contract.

6. It is expressly understood and agreed by parties hereto that the financial obligations of the Attorney General are limited to and include no actions other than certification of County's allowable expenses to Comptroller as described in paragraph C below.

7. Attorney General has the right to decline to certify any and all reports requesting reimbursement of costs which are submitted more than 90 days after the calendar month for which such costs are incurred.

8. The purpose of this contract is to increase the funds of County available for the collection and enforcement of child support, and County shall not reduce the amount of funds provided for these purposes because of the availability of funds from this contract. In no case may funds reimbursed under this contract be used to pay the salary of a district or statutory county court judge.

C. METHOD FOR PRESENTING REQUESTS FOR CERTIFICATION OF ALLOWABLE COSTS

1. For each calendar month during the period of performance of this contract, County shall report to Attorney General costs incurred by County in accordance with the provisions of this contract not previously reported by County and unreimbursed by Comptroller which have accrued pursuant to Subsection A of this Section 5. County shall report to Attorney General in the manner and/or on the forms specified by Attorney General and shall provide such information and documentation as Attorney General may reasonably require.

2. County shall keep records as provided pursuant to Section 7 and 11 of this contract in substantiation of such reports.

3. Attorney General agrees that reports received by Attorney General within fifteen (15) days after the end of the calendar month for which such reports are made shall be reviewed and either returned to County for

correction or further information within ten (10) working days of receipt of such reports or processed and submitted to Comptroller for reimbursement within fifteen (15) working days of receipt of such reports.

4. County shall refund within thirty (30) days to Attorney General, on behalf of Comptroller, any sum of money which has been paid to County by Comptroller which Attorney General determines has resulted in an overpayment to County. County shall be solely responsible and liable for settlement of all audit exceptions which may be taken by the United States Department of Health and Human Services (hereafter DHHS). In the event that the Attorney General makes a settlement with DHHS pursuant to a determination by DHHS that certain of County's expenses are not allowable under this contract or federal regulations, County will pay to Attorney General the amounts so determined, provided that the Attorney General shall give County timely notice of any such audit exceptions. Attorney General may deduct amounts payable by County to Attorney General pursuant to this Subsection D from amounts certifiable by Attorney General to County pursuant to Subsection C of this Section 5.

5. Notwithstanding any other provision of this contract, it is expressly understood and agreed by the parties hereto that the Attorney General may, at its sole option and in its sole discretion, offset any amounts not certified or otherwise owing to County hereunder against any amount owing but unpaid by County to Attorney General arising from this or any other obligation between Attorney General and County.

SECTION 6. ATTORNEY GENERAL OBLIGATION

Attorney General agrees to keep County informed in a timely manner of all changes or amendments to Attorney General policy or procedure, federal policy or procedure and changes or amendments to the Federal Regulations which might effect the Expedited Process Program.

SECTION 7. REPORTING AND RECORD-KEEPING

A. TIME RECORDS

For all court masters and County personnel, not devoted one hundred percent (100%) to the functions required under this contract, the County is required to keep continuous daily time records to be adequate to reflect the amount of time spent in processing cases reimbursable under this contract. The County is also required to maintain other records required by State and federal laws and regulations.

B. RECORD RETENTION

County shall maintain and retain for a period of three years after the submission of the final expenditure report, or until all audit or litigation matters are resolved, whichever time period is longer, such records as are

necessary to fully disclose the extent of services provided under this contract, including records which will show the basis of the indirect cost allocation and the direct cost charges made.

SECTION 8. TRAVEL

LIMITATION

The costs incurred for travel and related expenses shall not exceed the amount computed for such travel at the rates established by law for State of Texas employees in classified positions. Such costs also shall not exceed amounts equivalent to County reimbursements for other County employees similarly situated.

SECTION 9. MONITORING AND AUDITING

The Attorney General will monitor and conduct fiscal and/or program audits at reasonable times and provide consultative and technical assistance for the continuous development of the services contemplated by this agreement. The County will grant access at reasonable times to all books and records to representatives of the United States Department of Health and Human Services, the Comptroller General of the United States, the State Comptroller of Public Accounts, and/or the Attorney General for purposes of inspection, monitoring, auditing or evaluating said materials.

SECTION 10. ACKNOWLEDGMENT OF FUNDING

County agrees to place in all literature describing its services covered under this contract prominent notices acknowledging the funding provided by the State of Texas and the Federal Office of Child Support Enforcement to the County and such notice shall also be placed in County's annual reports.

SECTION 11. COMPLIANCE WITH OTHER REQUIREMENTS

LAW

County shall perform its obligations hereunder in such manner so as to assure its compliance with law and so as to assure, with respect to county's performances hereunder, that Attorney General is fully and completely meeting obligations imposed by rules, regulations and law upon Attorney General in carrying out the program of child support enforcement pursuant to Subchapter D of Chapter 14 of the Texas Family Code and Title IV, Part D, of the Federal Social Security Act.

SECTION 12. EQUAL OPPORTUNITY

County agrees that no person shall on the ground of race, color, religion, sex, national origin, age, handicap, political affiliation or belief excluded from participation in, be denied the benefits of, be subjected to discrimination under, or be denied employment in the administration of or in connection with any program or activity funded in whole or in part with funds made available under this contract.

SECTION 13. LIABILITY

It is expressly understood and agreed by both parties hereto that County agrees to hold Attorney General harmless and to indemnify Attorney General from and against any and all claims, demands, and causes of action of every kind and character which may be asserted by any third party occurring or in any incident to, arising out of, or in connection with the services to be performed by County, or its employees, under this contract.

It is further expressly understood and agreed that any master, and any other personnel, employed to carry out the terms of this contract are deemed to be employees of County for purposes of retirement benefits, health insurance, and any and all other purposes.

SECTION 14. ATTACHMENT

An attachment, entitled "Attachment A, Budget", is attached hereto and is hereby made a part of this contract.

SECTION 15. TERMINATION**A. DISCRETIONARY TERMINATION**

Either of the parties to this contract shall have the right, in such party's sole discretion and at its sole option, to terminate this contract by notifying the other party hereto in writing of such termination at least thirty (30) days prior to the effective date of such termination. Such notification of termination shall state the effective date of such termination.

B. REQUIREMENT CHANGES

In the event that State or Federal law or other requirements as specified in Section 11 of this contract should be amended, judicially interpreted, or otherwise changed so as to render the terms of this contract, on the part of either party hereto, substantially unreasonable or impossible, or if the parties should be unable to agree upon modifying amendments which

would be needed because of such amendments, judicial interpretations, or other changes to enable the substantial continuation of the services contemplated herein, then and in that event the parties shall be discharged from further obligation under the terms of this contract, except for the equitable settlement of the respective accrued interests or obligations incurred up to the date of termination.

C. REJECTION CHANGE

Upon notification by County to Attorney General of County's rejection of a change pursuant to the provisions of Subsection B of Section 16 of this contract, this contract shall terminate without further action by either party, such termination to be effective as of the date County sends its written rejection.

D. NONEXCLUSIVE REMEDY

Notwithstanding any exercise by Attorney General of its rights or early termination pursuant to this Section 15, County shall not be relieved of any liability to Attorney General for damages due to Attorney General by virtue of any breach of this contract by County, or for amounts otherwise due Attorney General by County. Attorney General may withhold any payment to County until such time as the exact amount due to Attorney General from County is agreed upon or is otherwise determined.

SECTION 16. CHANGES AND AMENDMENTS

A. CHANGES IN LAW

Any alterations, additions, or deletions to the terms of this contract, which are required by changes in State or Federal law are automatically incorporated into this contract without written amendment hereto, and shall be effective on the date designated by such State or Federal law or other requirement, unless this contract has been terminated prior to such date through operation of Subsection B of Section 15 of this contract or has been otherwise terminated.

B. CHANGES BY ATTORNEY GENERAL

It is understood and agreed by the parties hereto that this contract must at all times be in compliance with State and Federal law and that changes, interpretations and clarifications of such State and Federal law and other requirements made by the United States Department of Health and Human Services during the contract period will have the effect of qualifying the terms of this contract. Based on these considerations, and in order to ensure the legal and effective performance of this contract by both parties, it is agreed by the parties hereto that this contract may be amended in the following manner. Attorney General shall have the right to propose

amendments hereto from Attorney General to County. Attorney General must furnish County written notification of all amendments made pursuant to this Subsection B. Upon such notification by Attorney General of County, an amendment proposed pursuant to this Subsection B shall be deemed accepted and effective immediately upon receipt by County, unless County notifies Attorney General within two weeks of such receipt of its rejection of the proposed amendment, in which case this contract will terminate in accordance with the provisions of Subsection C of Section 15 of this contract. Upon County's acceptance of the proposed amendment, such amendment becomes binding upon County and Attorney General as if written in this contract.

C. CONVENTIONAL AMENDMENT

Except as specifically provided otherwise by this Section 16, any alterations, additions, or deletions to the terms of this contract shall be by amendment hereto in writing and executed by both parties to this contract.

SECTION 17. ORAL AND WRITTEN AGREEMENTS

All oral and written agreements between the parties to this contract relating to the subject matter of this contract that were made prior to the execution of this contract have been reduced to writing and are contained in this contract.

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

AGREEMENT BETWEEN FORT BEND COUNTY
AND NEVILLE J. LANCASTER

THIS AGREEMENT, made and entered into by and between the COUNTY OF FORT BEND (hereinafter referred to as "County") and NEVILLE J. LANCASTER (hereinafter referred to as "Consultant").

WHEREAS, Fort Bend County, Texas and Lebco Constructors, Inc. have entered into an agreement for the construction of the County Courthouse Annex II, and Christopher Di Stefano & Associates, Inc. is named therein as the Architect; and,

WHEREAS, Neville J. Lancaster desires to become scheduling, planning and control consultant to Fort Bend County, Texas for the construction of the County Courthouse Annex II; and,

WHEREAS, on the 8th day of June, 1987, Commissioners' Court of Fort Bend County, Texas, at its regular meeting appointed Neville J. Lancaster as such Consultant to Fort Bend County, Texas during the construction of the County Courthouse Annex II;

NOW, THEREFORE, in consideration of the mutual understandings and agreements set forth, the County and Consultant agree as follows:

SECTION 1
TERM

1.01 Term of this contract is from the 1 day of July, 1987 through the final completion and acceptance of the Fort Bend County Courthouse Annex II, unless earlier terminated as provided herein.

1.02 This agreement may be terminated by either party at any time, with or without cause, upon thirty (30) days written notice delivered by mail or in person to the other party.

1966 2559

SECTION 2
BILLING AND PAYMENT

2.01 As compensation for all services provided hereunder for the period from 1 day of July, 1987 through the final completion of the Fort Bend County Courthouse Annex II, County shall pay Consultant the sum of THREE THOUSAND AND NO/100 DOLLARS (\$3,000.00) per month.

2.02 The Consultant shall submit his bill for services provided to the County on a monthly basis on or before the first Monday of each month to the Office of County Treasurer.

2.03 Upon receipt of the bill the County shall pay for the services on or before the 15th day of the month immediately following the month same accrued.

SECTION 3
SERVICES

3.01 Parties agree that Consultant shall become scheduling, planning and control consultant for the County Courthouse Annex II.

3.02 It is understood and agreed that Consultant shall create a Critical Path Method (CPM) Schedule, with well defined activities and agreed upon milestones, showing all known significant activity interfaces. The CPM Schedule shall be agreed upon by the Contractor prior to construction commencing.

3.03 Consultant will monitor the performance of the construction to the CPM Schedule on a daily basis in order to effectively gain control over unauthorized changes to the work.

3.04 Consultant will monitor the performance of the construction to the CPM Schedule on a daily basis to insure that milestones are met and to keep activities on schedule.

3.05 Consultant will review all invoices of Contractor during the life of the construction. The CPM Schedule will show work completion and will almost entirely negate the necessity of further installed quantity verifications. This will insure that the County receives value for program payments.

3.06 Consultant shall make written reports at least monthly to the Commissioners' Court of Fort Bend County, Texas, detailing the activities of the construction of the said

1966 2560

003:

Courthouse Annex II, recommendations when needed and any and all other details to keep Commissioners' Court apprised of the construction of said annex.

SECTION 4

DEFAULT AND REMEDY

4.01 The failure of the Consultant (including the failure of any employee provided by the Consultant) to abide by any of the terms, conditions, or requirements expressed in this Agreement shall constitute a default if not promptly corrected by the Consultant upon receipt of a notice of deficiency and request for compliance from the County. In the event of a default by the Consultant, the County may cancel this Agreement by sending written notice of cancellation to the Consultant at the address provided herein.

SECTION 5

ASSIGNMENTS

5.01 Neither party to this contract shall assign the contract, nor any interest arising herein, without the written consent of the other.

SECTION 6

SEVERABILITY

6.01 The provisions of this Agreement are severable. If any paragraph, section, subdivision, sentence, clause, or phrase of this Agreement is for any reason held to be contrary to law, or contrary to any rule or regulation having the force and effect of law, such decision shall not affect the remaining portions of the Agreement. However, upon the occurrence of such event, either party may terminate this Agreement forthwith upon the delivery of written notice of termination to the other party.

SECTION 7

WAIVER OF BREACH OR DEFAULT

7.01 Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver of breach of any provision of this Contract shall not be construed to be modification of the terms of this Contract unless stated to be such in writing, signed by an authorized representative of the County.

A REVISED ORDER REGULATING THE LAYING, CONSTRUCTION, MAINTENANCE
AND REPAIR OF CABLES, CONDUITS, AND POLE LINES IN
UNDER, ACROSS OR ALONG ROADS, STREETS, HIGHWAYS AND DRAINAGE DITCHES
IN FORT BEND COUNTY, TEXAS, UNDER THE JURISDICTION OF THE COMMISSIONERS COURT
OF FORT BEND COUNTY, TEXAS

THE STATE OF TEXAS |

COUNTY OF FORT BEND |

On this the 3rd day of August, 19 87 upon motion of
Commissioner Lutts, seconded by Commissioner
Pressley, duly put and carried.

IT IS ORDERED that all cables, conduits and pole lines, in, under, across or along all County roads, streets, highways and/or drainage ditches in Fort Bend County Texas owned and/or operated by any person, firm, limited partnership, joint stock association or corporation claiming the right to make use of certain lands for the laying, construction, maintenance and/or repair of cables, conduits and/or pole lines shall henceforth be laid and/or constructed and/or maintained and/or repaired under the following regulations and provisions.

I

That said cable, conduit or pole line shall not be laid, constructed, Maintained and/or repaired in, under, across or along such County roads, streets, highways and/or drainage ditches in any manner which involves disturbing the soil prior to:

- (1) furnishing to the County Engineer of Fort Bend County, Texas, upon the application form herein adopted by the Commissioners Court, an example of which is attached hereto, which when completed shall show the following information:
 - a. The name of the County road, street, highway and/or drainage ditch which will be affected by such cable, conduit and/or pole line laying, construction, maintenance and/or repair.
 - b. Map or plat reflecting the course and direction of such cable conduit and/or pole line, through Fort Bend County, Texas as it affects the County roads, streets, highways and/or drainage ditches of Fort Bend County.
 - c. Detailed plans and specifications for the construction, maintenance and/or repair of such cable, conduit and/or pole line, in, under, across or along any County road or ditch right of way, such plans and specifications are to reflect the depth at which such facilities will be constructed, maintained and/or repaired in, under, across or along such County road or ditch right of way.
 - d. An affidavit executed by the person, or by a partner or officer of the firm, limited partnership, joint stock association or corporation claiming the right to lay its cables, conduits and/or pole lines in, under, across or along County roads, streets, highways and/or drainage ditches, stating the statute or statutes by article number as they appear in Vernon's Texas Civil Statutes, under which he or it has the right to lay its cables, conduit and/or pole lines in, under, across or along County roads, streets, highways and/or drainage ditches. Only one such affidavit is necessary and it shall be filed in the office of the County Clerk of Fort Bend County and Ex Official Clerk of the Commissioners Court of Fort Bend County.
- (2) A separate application must be filed for each work site.

II

Property hereby affected shall not be entered upon for the purpose of laying, construction, maintenance and/or repair of any cable, conduit or pole line which involves the disturbance of the soil, until detailed plans describing such laying, construction, maintenance and/or repair have been submitted and reviewed by the County Engineer and Commissioners Court on the said prescribed form.

III

No cable, conduit and/or pole line shall be laid, constructed, maintained and/or repaired in such a manner as to interfere with the construction and/or repair of the County road, roadbed, ditches or right of way in, under, across or along which such cable, conduit and/or pole line is laid, constructed and/or maintained and in the event it shall develop that any such cable, conduit or pole line interferes in any manner with the construction, maintenance and/or repair of any County road or ditch; in, under, across or along which it is laid, constructed and/or maintained because of the depth or location at which such cable, conduit and/or pole line has been laid, constructed or maintained because of the widening, improving, maintaining and/or repairing of such County road, roadbed, or ditches, for reasons of public safety and welfare, upon request of the County Engineer such cable, conduit and/or pole line shall be changed or altered promptly within the existing right of way by the owner and/or operator of such cable, conduit and/or pole line shall, if demand therefore is made by the Commissioners Court of Fort Bend County, bear all the cost and expense of such change or alteration.

IV

No cable, conduit and/or pole line shall be laid, constructed, maintained and/or repaired in such a manner as to interfere with use of, or obstruct, any County road for the purpose of vehicular and pedestrian traffic, or so as to interfere with or obstruct any drainage on or along such road and no such cable, conduit and/or pole line shall be laid, constructed, maintained and/or repaired in such a manner as to constitute a danger or hazard of any kind to persons or vehicles using such road, or shall any cable, conduit and/or pole line be laid, constructed, maintained and/or repaired so as to constitute a danger or hazard to the public property within the boundaries of the right of way of said County road, or to the maintenance thereof by County employees. Owner and/or operator of such cable, conduit and/or pole line must provide flagmen, signs, signals or devices necessary to provide complete safety to the public.

V

Any damage whatsoever to any County road, roadbed, ditches or other structures on or in the County road or ditch right of way caused by reason of the laying, construction, maintenance and/or repair of any cable, conduit and/or pole line, in, under, across or along any such County road or ditch right of way shall be repaired immediately and restored to the condition that such County road, roadbed, ditches or other structures on or in such right of way was in before the damage took place, such repairing and restoration to be at the sole cost and expense of the owner or operator of such cable, conduit and/or pole line.

VI

All underground cables and/or conduits that cross improved County roads shall be either jacked, tunneled, bored or driven under the road for full

width of the road. County roads, as herein used, are defined as that portion of the road and shoulder lying between the front slope of each curb and includes all roads within Fort Bend County except State and Federal roads. All conduits shall be encased for full width of the County road right of way. In the event that the County road right of way is widened at this location the existing conduit laid under the provisions of the application shall be encased for the total additional right of way width at the sole cost and expense of the owner or operator of such conduit. A separate application must be filed for this additional casing work.

All underground cables and/or conduits that cross County roads shall be installed at the greater of two following depths: At least four (4) feet below the crown of the road or two (2) feet below the bottom of the ditches on each side of such County road; such distances to be measured from the top of such cable or conduit to the bottom of the road ditches or the crown of the road as the case may be; if, however, in particular instances where it is determined by the County Engineer that a greater depth for a particular cable or conduit should be required due to the location or size of same, or for reason of public safety or necessity, such cable or conduit shall be laid at such greater depth as may be required by the County Engineer.

On curb and gutter sections, all underground cables and/or conduits that cross County roads shall be installed at a minimum of two (2) feet below the bottom of the slab at the gutter; such distance to be measured from the top of such cable or conduit to the bottom of the slab at the gutter, however, in particular instances where it is determined by the County Engineer that a greater depth is required, such conduit shall be installed at the depth required by the County Engineer.

VII

All underground cables and/or conduits laid, constructed, maintained and/or repaired parallel to and within the right of way of any County road shall be laid, constructed, maintained and repaired at a distance of not less than four (4) feet from the edge of the portion of road considered as normal traveling surface, to the nearest side of such cable or conduit; and when possible all underground cables and/or conduits shall be laid, constructed, maintained and repaired in the area considered as the front slope of the ditch. These underground installations shall be at such depth so as to provide a minimum of two (2) feet of cover above the top of the buried structure.

On curb and gutter sections, all facilities paralleling the road shall be behind the curb and gutter.

VIII

In all cases where dirt is piled along side of a trench cut for laying, construction, maintenance and/or repair of cables, conduits and/or pole lines parallel with a County road, weep holes shall be dug through such piles of dirt in order that water may drain from the roadbed and shoulders to the road ditches. Such weep holes shall be dug through such piles of dirt at intervals not exceeding two hundred (200) feet along such parallel construction and at all swags or low places in the roadbed of such County road. Such weep holes shall be dug to a depth of six (6) inches below the shoulder of such County road and shall be dug for a width of twelve (12) inches and such weep holes shall be dug through the piles of dirt, or to such an elevation that the bottom of the weep holes will discharge its water into road ditch. Such weep holes must be maintained free of obstructions until construction is completed and trench backfilled, tamped and leveled true to the original grade. If weep holes have not been properly constructed or maintained, operations shall cease until some are corrected.

IX

When installation of any cable or conduit within County right of way requires the digging of pits or trenching to such depth that the repose angle created with respect to the edge of the traveling surface of the road exceeds 33 deg. 41 min. 24 sec. (1-1/2: 1 slope), the owner and/or operator shall at his own expense furnish the County Engineer with soil testing laboratory reports indicating if sheeting is required to safely preserve the road. If reports indicate sheeting is required at various areas or for the entire length of trench, it shall be installed by owner and/or operator at no expense to Fort Bend County.

Spacing for soil tests shall be at one thousand (1000) feet intervals unless soil indicates tests should be made at shorter intervals or as directed by the County Engineer.

X

At least forty-eight (48) hours before commencing: laying, construction, maintenance and/or repair of any cable, conduit and/or pole line, in, under, across or along any County road or ditch which involves disturbance of the soil, written notice of the time such laying, construction, maintenance and/or repair shall commence, shall be given to the County Engineer of Fort Bend County and to the appropriate Commissioner in order that he might supervise and inspect such laying, construction, maintenance and/or repair; however, in cases of emergency requiring immediate maintenance or repair of any cable conduit and/or pole line, such notice may be given to the County Engineer orally prior to any such emergency maintenance and/or repair.

XI

Excavated spaces shall be backfilled within forty-eight hours of completion of work. All excess excavation material shall be removed from the work site at the end of each day. Open trench area shall be confined to no more than can be backfilled and compacted in ten (10) inch lifts at the end of each work day. No trench shall be left open overnight. Backfill material shall be free from large or frozen lumps, wood or other extraneous material. The backfill shall be placed in uniform layers not to exceed ten (10) inches depth (loose measurement) and each layer thoroughly compacted to the comparable density of the surrounding area and to the satisfaction of the County Engineer.

XII

Any pole line parallel to the road shall be constructed with the poles set no further than one (1) foot from the right of way line. Any deviation must have the written approval of the County Engineer.

XIII

All overhead road crossings shall be constructed and maintained in accordance with applicable provisions for the National Electrical Safety Code (NESC).

XIV

Maintenance and/or repair (other than emergency) on existing or hereafter existing cables, conduits and/or pole lines that lie within County right of way and which requires disturbance of the soil, shall not be performed until plans describing such maintenance and/or repair have been approved by the County Engineer.

XV

All existing and hereafter existing underground road crossings shall be clearly and permanently marked on each side of the right of way, with warning signs indicating owner and type of installations, where practicable.

XVI

Any person, firm, limited partnership, joint stock association or corporation claiming the right to make use of certain Fort Bend County lands and/or road or ditch right of ways for the laying, construction, maintenance and/or repair of cables, conduits and/or pole lines as used herein, any officer, agent, employee or contractor of any such person, firm, limited partnership, joint stock association or corporation, or any officer agent or employee of any such contractor, violating any one or more of the above regulation and provisions set forth herein shall be deemed to be in contempt of this Court and shall be called to show cause before this Court why he or it should not be held in and punished for contempt for his or its conduct in violation of this order and regulations of this Court.

Upon receipt of a legitimate complaint that any one or more of the above regulations and provisions has been violated the County Engineer must inspect the site of the alleged violation.

XVII

If any provision, section, subsection, sentence, clause or phrase of this order or the application of same to any person, firm, limited partnership, joint stock association, or corporation, or set of circumstances is for any reason held to be unconstitutional, void or invalid (or for any reason unenforceable), the validity of the remaining portions of this order or their application to other persons, firms, limited partnerships, joint stock associations, or corporations, or set of circumstances shall not be affected thereby, it being the intent of the Commissioners Court of Fort Bend County, Texas, in ordering these regulations and provisions that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality or invalidity of any other portion, provision or regulation and to this end, all provisions of this order are declared to be separable.

XVIII

Operation of construction and/or maintenance equipment on the traveled surface of any improved County road will not be permitted, except in an instance whereby the laying, construction, maintenance and/or repair of cables, conduits and/or pole lines cannot be accomplished by any other method and in this event all such equipment shall be of the rubber tire variety.

XIX

Evidence of review by the Commissioners Court should be kept on the jobsite at all times and failure to do so constitutes grounds for job shutdown.

XX

A bond payable to Fort Bend County, as provided in subparagraphs (1) or (2), shall accompany "Notice of Proposed Cable, Conduit and/or Pole Line Activity within Fort Bend County Road or Ditch Right of Way" unless one perpetual bond is executed as provided for in subparagraph (3).

- (1) A bond with two good and sufficient personal sureties, a corporate surety bond or a personal bond, if acceptable to the Commissioners Court of Fort Bend County, Texas, acting in its sole discretion upon proof being furnished to the satisfaction of said Court as to the financial responsibility of the owner or operator desiring to make such crossing and/or crossings, for each crossing of such cable conduit and/or pole line across a County road or ditch right of way or for each one mile or part of one mile, such cable, conduit and/or pole line runs parallel with and within the boundaries of such County road or ditch right of way.
- (2) In the event the laying, construction, maintenance and/or repair of one continuous cable, conduit and/or pole line is to be made in, under, across or along several County road or ditch rights of way, one such bond covering all laying, construction, maintenance and/or repair of such cable, conduit and/or pole line in, under, across, or along the several County road or ditch rights of way affected by such continuous cable, conduit and/or pole line laying, construction, maintenance, and/or repairs will be acceptable.
- (3) One perpetual bond, executed solely by such authorized owner or operator, if acceptable to the Commissioners Court of Fort Bend County, Texas, acting in its sole discretion upon proof being furnished to the satisfaction of said Court as to the financial responsibility of such authorized owner or operator; such perpetual bond to cover all cables, conduits and/or pole lines thereafter laid constructed, maintained and/or repaired by such authorized owner or operator in, under, across or along any County road or ditch in Fort Bend County, Texas, under the jurisdiction of the Commissioners Court of Fort Bend County, Texas.

The amount and terms of each of the above bonds to be determined by the Commissioners Court of Fort Bend County, Texas, or the County Engineer of Fort Bend County, Texas, and each of the bonds to be conditioned that the cables, conduits and/or pole lines covered thereby be laid, constructed, maintained and repaired so as to comply with construction, maintenance and repair of such cable, conduits and/or pole lines, in, under, across, and/or along such County road or ditch right of way.

XXI

Exemptions from having an individual permit: will be previously issued permits and construction previously included in plans that have been reviewed and approved by the County Engineer's Office. Any repairs to existing facilities will not require a permit unless major alterations are made to either the original plans on file in the County Engineer's Office or an existing permit, however in every instance notification is to be made in adequate time to the County Engineer's Office.

Gentlemen:

I request that the following item be included on the Commissioners Court agenda on Monday, August 10, 1987:

To authorize the County Purchasing Agent, Mr. John Hammett, to advertise for bids to install a wooden floor on the stage of the George Memorial Library's amphitheater.

We estimate that this project will cost between \$16 and \$18,000 and take 40 days to complete. The funds for this project will come from the bequest of \$25,000 from the estate of Marjorie Winston Bailey, received by the County in December, 1986.

The installation of a stage floor, together with several other less costly improvements, will complete the amphitheater facility and allow us to arrange performing arts programs of all kinds, without limitation. The stage as it now exists limits us severely in our choices of activities.

I hope you approve of going out for bid for this very fine project.

Sincerely,

Roman S. Bohachevsky

Gentlemen:

I would like to place the following item on the Commissioners Court agenda for Monday, August 10, 1987:

An agreement for computerized library services for FY 1988 (September 1987 - August 1988) with the City of Houston for automation services for the county library system, costing \$22,860.

The Houston Area Library System - Computer Access Network (HALS-CAN) has changed it's name to the Houston Area Library Automated Network (HALAN). Also changed is the form of governance and the fee structure for membership.

In past years the HALS-CAN was a fully-funded state/federal demonstration project governed by the State of Texas, the director of the Houston Public Library, and by elected lay representatives. Because of the withdrawal of state funds and the need to end demonstration and get on with practical applications, the HALS-CAN this year voted to form a board of directors and to contract with the City of Houston (the public library) for all automated services.

This new organizational form gives all of its members better representation, allows accumulated funds to carry over from year to year, and, because of the loss of State funds, will now cost more as each member shares the full costs of this project.

Our contribution of \$22,860 represents the full weight of our participation in the network (9 computer terminals, 42,330 patron records, 202,000 library item records and miscellaneous peripheral and communications equipment). It continues to be a most reasonable cost when compared to other choices.

In recent years our cost (distributed mostly in utilities, fees and services, rentals, and office supplies) was approximately \$7,000 annually. The rest was taken care of by the State. With State funding cut, we have to make up the difference between the partial, subsidized cost (\$7,000) and

Subject: 1987-1990 Federal-Aid Off-State System Bridge
Replacement and Rehabilitation Program (BRRP)

Hon. Jodie E. Stavinhoa
County Judge, Fort Bend County
P. O. Box 368
Richmond, Texas 77469-0368

Dear Judge Stavinhoa:

The 1987-88 Off-State System Federal-Aid BRRP has been expanded into a 4-year 1987-90 program and we have a listing of projects tentatively selected. We require confirmation that the two local governments will be able to provide the 20 percent matching funding for the attached structure. If the local governments cannot provide the matching funding for the selected structure the bridge will be deleted from the selection list. Any deleted structures may be considered for inclusion in a later program.

Please respond by letter no later than August 11, 1987, so that a final program may be compiled and submitted for Commission action as soon as practical. If we receive no answer on or before August 11, we will assume that the projects in question are to be deleted.

In closing, we wish to emphasize that these selections are tentative and are not final at this time. If you have any questions pertaining to this Bridge Replacement Program, please call Mr. James Grayson or Ms. Lisa Thomas at 869-4571, extension 747.

Sincerely,

DATA PROCESSING

REBUDGET OF REFUND

Shortly after Fort Bend County purchased various pieces of IBM equipment, the IBM corporation announced price reductions on the equipment. Feeling that it was unfair that Fort Bend County had paid the higher price, IBM has sent us a check for \$12,978.69 to give the County some of the benefit of the price reduction.

I ask that this money be rebudgeted into the Data Processing Property and Equipment, (Line item #1010), as we can certainly use the money for new equipment.

Bond No. 400HN 6623

THE STATE OF TEXAS)
(
COUNTY OF FORT BEND)

KNOW ALL MEN BY THESE PRESENTS, that we TEXAS EASTERN TRANSMISSION
CORPORATION

, as principal,
and ST. PAUL FIRE AND MARINE INSURANCE COMPANY

as surety, are held and firmly bound unto FORT BEND COUNTY, a body
corporate and politic under the laws of the State of Texas, in the penal
sum of Six Thousand and No/100

----- DOLLARS (\$ 6,000.00), lawful currency of the United

States of America, for the payment of which, well and truly to be made,
we do hereby bind ourselves, our heirs, executors, administrators and
successors, jointly and severally and firmly by these presents:

THE CONDITION OF THIS BOND IS SUCH THAT, WHEREAS, the above
bounden principal contemplates laying, constructing, maintaining and/or
repairing one or more cables, conduits and/or pole lines in, under,
across and/or along roads, streets and highways in the County of Fort
Bend, and the State of Texas, under the jurisdiction of the Commissioners
Court of Fort Bend County, Texas, pursuant to the Commissioners Court
order adopted on the 1st day of December, A.D. 19 80,
recorded in Volume -----, at Page -----, of the Commissioners Court
Minutes of Fort Bend County, Texas, regulating same, which Commissioners
Court order is hereby referred to and made a part hereof for all purposes
as though fully set out herein;

AND WHEREAS, the principal desires to provide Fort Bend County
with a perpetual bond covering all such cable, conduit and/or pole line
activity;

NOW, THEREFORE, if the above bounden principal shall faithfully
perform all its cable, conduit and/or pole line activity (including, but
not limited to, the laying, construction, maintenance and/or repair of
cables, conduits and/or pole lines) in, under, across and/or along roads,
streets and highways in the County of Fort Bend, and State of Texas, under

orig. in bond file

the jurisdiction of the Commissioners Court of Fort Bend County, Texas, pursuant to and in accordance with the minimum requirements and conditions of the above mentioned Commissioners Court order set forth and specified to be by said principal done and performed, at the time and in the manner therein specified, and shall pay over and make good and reimburse Fort Bend County, all loss and damages which Fort Bend County may sustain by reason of any failure or default on the part of said principal, then this obligation shall be null and void; otherwise to remain in full force and effect.

This bond is payable at the County Courthouse in the County of Fort Bend and State of Texas.

It is understood that at any time Fort Bend County deems itself insecure under this bond, it may require further and/or additional bonds of the principal.

EXECUTED this 22nd day of July, 19 87.

GENERAL POWER OF ATTORNEY - CERTIFIED COPY
(Original on File at Home Office of Company. See Certification.)

KNOW ALL MEN BY THESE PRESENTS: That St. Paul Fire and Marine Insurance Company, a corporation organized and existing under the laws of the State of Minnesota, having its principal office in the City of St. Paul, Minnesota, does hereby constitute and appoint:

Albert W. Smith, N. Carothers, Charles F. Layton, Jr.,
Phyllis Ramirez, Janie Cantu, Philip N. Bair,
Lynn B. Mathes, Margaret Buboltz, individually,
Houston, Texas

its true and lawful attorney(s)-in-fact to execute, seal and deliver for and on its behalf as surety, any and all bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof, which are or may be allowed, required or permitted by law, statute, rule, regulation, contract or otherwise,

NOT TO EXCEED IN PENALTY THE SUM OF FIFTY MILLION
(\$50,000,000) EACH

and the execution of all such instrument(s) in pursuance of these presents, shall be as binding upon said St. Paul Fire and Marine Insurance Company, as fully and amply, to all intents and purposes, as if the same had been duly executed and acknowledged by its regularly elected officers at its principal office.

This Power of Attorney is executed, and may be certified to and may be revoked, pursuant to and by authority of Article V, Section 6(C), of the By-Laws adopted by the Board of Directors of ST. PAUL FIRE AND MARINE INSURANCE COMPANY at a meeting called and held on the 23rd day of January, 1970, of which the following is a true transcript of said Section 6(C):

- "The President or any Vice President, Assistant Vice President, Secretary or Resident Secretary shall have power and authority
- (1) To appoint Attorneys-in-fact, and to authorize them to execute on behalf of the Company, and attach the Seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof, and
 - (2) To appoint special Attorneys-in-fact, who are hereby authorized to certify to copies of any power-of-attorney issued in pursuance of this section and/or any of the By-Laws of the Company, and
 - (3) To remove, at any time, any such Attorney-in-fact or Special Attorney-in-fact and revoke the authority given him."

Further, this Power of Attorney is signed and sealed by facsimile pursuant to resolution of the Board of Directors of said Company adopted at a meeting duly called and held on the 6th day of May, 1959, of which the following is a true excerpt:

"Now therefore the signatures of such officers and the seal of the Company may be affixed to any such power of attorney or any certificate relating thereto by facsimile, and any such power of attorney or certificate bearing such facsimile signatures or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by facsimile signatures and facsimile seal shall be valid and binding upon the Company in the future with respect to any bond or undertaking to which it is attached."

IN TESTIMONY WHEREOF, St. Paul Fire and Marine Insurance Company has caused this instrument to be signed and its corporate seal to be affixed by its authorized officer, this 1st day of March, A.D. 1984.

Honorable Alton Pressley
Commissioner, Precinct 3
Fort Bend County
Richmond, Texas 77469

Dear Alton:

I enjoyed meeting with you, Mayor Duggan, and Mayor Scarcella last Tuesday. The variety of topics discussed demonstrated the need for more similar meetings.

You can count on Missouri City to lend support to the widening of the last 2 lane section of Dulles Avenue near Riverbend Country Club. It will be the last link to another badly needed North-South route for Stafford, Sugar Land, and Missouri City.

We appreciate your role in the completion of the widening to four lanes of the south end of Dulles. We do think, that the current posted speed limit of 35 mph is unreasonably slow for this type of road. We would like to suggest that a speed of 45 mph would be more appropriate and would safely allow motorists to better utilize the new road.

Thank you for your help and consideration of this matter.

Sincerely,

John B. Knox, Mayor

MONTHLY REPORT

JULY, 1987

The removal of vegetation from channels during July, 1987 was accomplished by both shredding and herbicide applications, with an emphasis on the herbicide applications.

A total of sixty-one (61) streams received herbicide applications of Roundup, MSMA, Arsenal or Dowpon. Some of these included Snake Creek and several of its laterals, Turkey Creek I-D and many of its laterals, several Sims Bayou laterals, and Keegans Bayou. A complete list of channels sprayed is included later in this report.

Shredding was done on a total of twenty-one (21) streams. Some of these included Rabbs Bayou II-D-3, Buffalo Creek I-B-3, Mustang Creek IV and Willow Fork of Buffalo Bayou V-A. A complete list of all streams worked is included later in this report.

The District's bridge crews worked on a variety of projects. The laying of pipe for the Avenue N storm sewer project continued the entire month. A bridge was completed across Rabbs Bayou and some fence rebuilding was also done on the project. The crew also helped replace two (2) drop inlet pipes and repaired a low water crossing on Big Creek.

The excavation of Buffalo Creek continued with the Northwest 41 dragline digging thirteen thousand, three hundred (13,300) cubic yards and Caterpillar D-6 bulldozer spreading.

The Ruston Bucyrus RB-22 dug approximately nine thousand (9,000) cubic yards of material from Snake Creek I-C-4 during July. This project consists of removing high areas and re-shaping sideslopes of the existing channel.

The Rapier NCK-305 dragline finished the excavation of Turkey Creek I-D-2 on July 17. This machine dug five thousand, seven hundred (5,700) cubic yards during July.

Work continued on Stafford Run Creek and the Missouri City detention facilities near Packer Lane. The Fiat Allis FD-20 bulldozer, Dresser TD-25 bulldozer and Rapier NCK-305 dragline worked on the project. This work consists of renovating several existing sandpit areas for use as detention facilities in the Stafford Run watershed. The project is being done as a cooperative effort with machinery and personnel from Missouri City.

Excavation also continued on Turkey Creek II-A-2 with the Northwest 9570 dragline. Approximately forty-four thousand, five hundred (44,500) cubic yards were dug.

The following charts show where each piece of machinery worked during July, 1987.

RESOLUTION AND ORDER FOR A LOCAL OPTION
ELECTION TO APPROVE THE LEGALIZATION OF
PARI-MUTUAL WAGERING ON HORSE RACING

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

On the 17th day of August, 1987, at a regular meeting of the Commissioners' Court of Fort Bend County, Texas, acting as the governing body of Fort Bend County, Texas, upon motion of Commissioner LUTTS, seconded by Commissioner PUSTKA, duly put and carried:

WHEREAS, Article 179e, Vernon's Texas Civil Statutes, provides that before an issuance of a racetrack license or acceptance of an application for a license for a racetrack to be located in a county, the qualified voters of the county must approve the legalization of pari-mutual wagering on horse races at a proper election; and

WHEREAS, the Commissioners' Court of Fort Bend County, Texas, on its own motion desires that an election be held whether to approve the legalization of pari-mutual wagering on horse racing.

NOW, THEREFORE, BE IT RESOLVED that the Commissioners' Court of Fort Bend County, Texas, hereby ORDERS an election whether to approve the legalization of pari-mutual wagering on horse races within Fort Bend County for the November 3, 1987 election, and it is further ORDERED that the County Clerk cause the ballot to be printed to permit voting for or against the proposition:

"Legalizing pari-mutual wagering on horse
races in Fort Bend County"

PASSED AND APPROVED this 17 day of August, 1987.

The Honorable Jodie E. Stavinoha
Fort Bend County Judge
P. O. Box 368
Richmond, Texas 77469

Dear Judge Stavinoha:

Wilbur Smith Associates is pleased to submit this proposal to provide professional services for a Feasibility Study evaluating the benefits of the possible purchase of Hull Airport by Fort Bend County. This submittal is in response to Fort Bend County's letter of request dated July 27, 1987.

Based in Houston since 1963, our firm provides a comprehensive range of airport planning and engineering services, particularly in the area of airport financial/feasibility studies. We perform economic feasibility analyses of programs and facilities, analyze funding arrangements and prepare innovative financial planning strategies to respond to new challenges in the growth and expansion of facilities to meet future activity demands.

We have proposed a study team with extensive experience in evaluating airport operations and finances. Our proposal describes the work program to accomplish the stated objectives within a defined time period, and outlines our team's related qualifications and experience.

Wilbur Smith Associates appreciates the opportunity to be considered for this important assignment for Fort Bend County and trusts that our proposal merits your favorable consideration.

Respectfully submitted,

E. L. Walker, Jr., P.E.

Introduction

Introduction

Wilbur Smith Associates proposes to perform a study to determine the feasibility of Fort Bend County acquiring Hull Airport for operation as a publicly-owned, general aviation airport. Future commuter airline use will also be addressed. The study will be planned, organized and managed to accomplish the following objectives.

- Review pertinent issues, concerns, goals and objectives;
- Review available relevant information;
- Estimate Hull Airport's economic value and financial performance;
- Determine the economic impact of a publicly-owned airport;
- Develop a recommended plan for the course of action by Fort Bend County based on consideration of the financial viability, economic impacts and ownership options; and
- Prepare a documented study report and assist the County in reviewing the recommendations.

Financial and Economic Assessment

The feasibility study will assess the viability of Fort Bend County's purchasing Hull Airport and provide the data needed for a series of decisions to be made by the County Commissioner's Court and the Federal Aviation Administration (FAA). The feasibility of Fort Bend County acquiring Hull Airport is affected by airport user demands, activity levels, user fees, construction and operating costs, inflation levels, legislative and regulatory requirements, and a variety of other factors that determine the financial performance and economic value of the airport.

Projections of airport revenues and expenses including debt service and operating costs will be prepared. Economic impacts of

Hull Airport will be estimated with regard to the benefits derived from potential new or expanded business and/or industry, increased retail sales, and aviation-related taxes. The major benefit of a community general aviation and commuter airport lies in the realm of business and industry attraction. Time savings accruing to businesses and the general public who would otherwise have to travel by ground transportation and use other airports will also be addressed.

Ownership and Management Considerations

Part of the study will deal with the airport ownership and management options available to Fort Bend County. The study will set out the airport options available to the County, evaluate them, present their pros and cons, and allow the County Commissioners Court to make a series of decisions regarding appropriate action to be taken.

Wilbur Smith Associates will develop what it believes to be the key options that should be considered by the County. These ownership and management options entail airport ownership (who), operator (who and how), and organizational issues. Each will be assessed, and the result will be a thorough discussion of these matters.

Ownership Options - General aviation airports are owned by a variety of entities (private owners, cities, counties, semi-autonomous airport authorities, etc.), and all such options should be reviewed.

The options will be delineated, and the Consultant will evaluate the advantages and disadvantages of each. The evaluation would include guidance concerning what might happen regarding airport operation and future expansion under each of the types of airport ownership -- and what that ownership might mean to the County, its fiscal situation, and its developmental prospects.

Operator Options - If Fort Bend County were to obtain ownership of Hull Airport, there would be a variety of mechanisms whereby the airport could be managed and operated. The County could retain the existing operator, operate it itself, or lease out the operations to other private operators. Each of these will be explored and explained.

Study Approach⁰⁰³³

A highly experienced professional staff is proposed for assignment to the Fort Bend County Airport Feasibility Study. The study will be performed by Wilbur Smith Associates' Houston office, established as the firm's regional headquarters since 1963. The proposed key staff members are engineers, planners and economists with extensive experience in their area of responsibility. Their cumulative experience includes dozens of airport projects, and they are supported by a organization that has completed more than 150 airport projects.

Project Organization

Key staff proposed for the Feasibility Study are shown in Figure 1. Resumes for these individuals are provided in the final section of this proposal entitled "Consultant Personnel". Personnel assigned to the project are under the administrative and technical direction of the Principal-in-Charge and the Project Manager.

Principal-in-Charge - The senior officer of our firm responsible for supporting WSA's total commitment to the project will be E. L. "Spur" Walker, Jr., P.E.. His responsibilities include contract management, personnel assignment, support staff and resources, financial management, and overall review of the technical services performed according to the firm's high standards and the County's equally high expectations and requirements.

Project Manager - This key position will be assigned to Michael D. McAnelly, AICP, a Senior Associate with 13 years of airport planning and project management experience. He will manage all aspects of project performance and coordination with Fort Bend County officials. He will have a major participation in project

performance and will have a substantial time commitment to the study. Among his previous airport planning experience are the following projects:

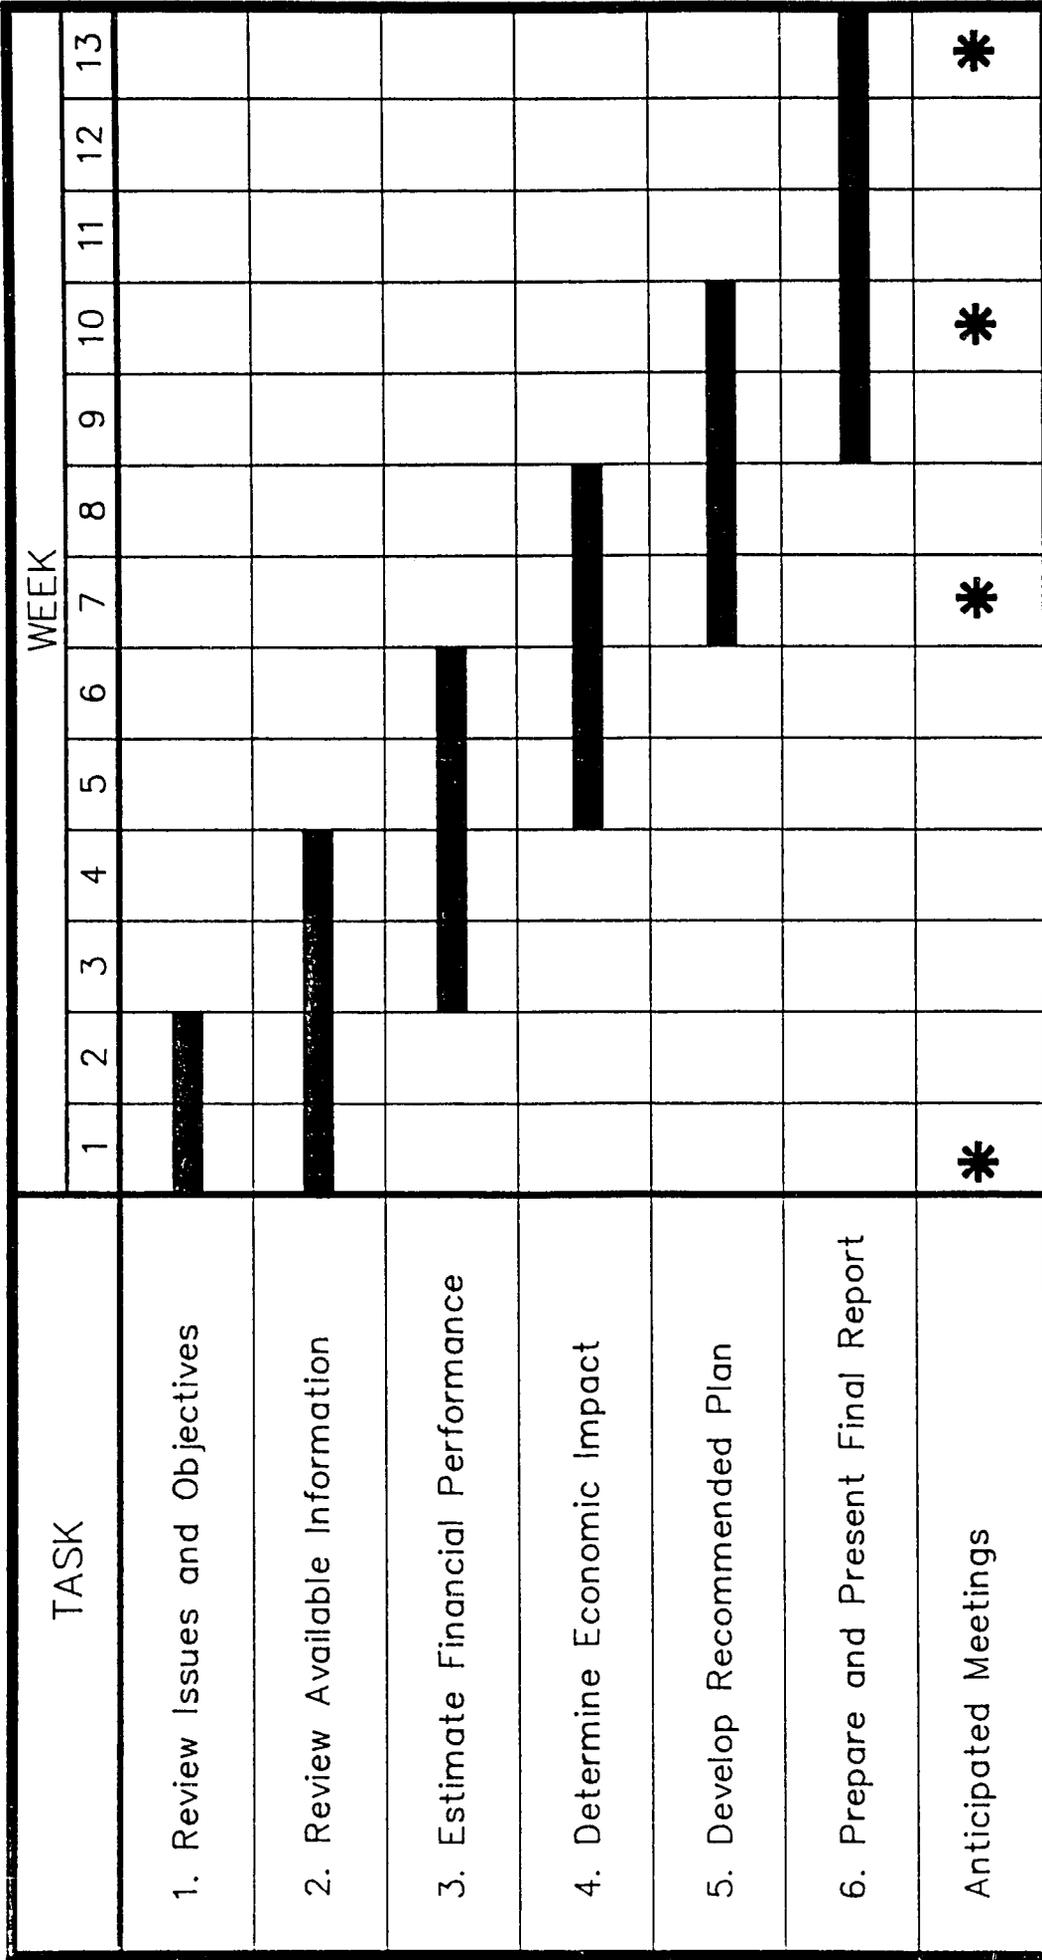

- Regional Airport-Airspace System Plan, Houston-Galveston Area Council, Houston, Texas;
- Master plan environmental assessments for Fort Collins/Loveland and Aspen Sardy Field Municipal Airports, Colorado; and
- New Orleans Airports Transportation Plan for the 1984 Louisiana World Exposition.

Other Key Staff - WSA staff members who will make major contributions to the study include R. C. Mobley II, ASLA, AICP, Feasibility Planner, whose experience includes numerous financial and economic feasibility studies and operational analysis projects including the New Orleans Airports Transportation Study; M. S. Smith, P.E. Airport Engineer, who has performed airport planning and design for more than 15 major airport projects; G. D. Logston, AICP, Airport Planner, experienced in all aspects of airport master planning and environmental studies including financing and economic impacts; and G. A. Varga, Airport Planner, whose involvement in over 100 airport planning projects includes particular experience in leasing and management arrangements.

WSA intends to arrange for the services of an MAI-certified appraiser as a sub-consultant to assist in establishing the estimated value of the airport. This selection, of course, will be made with the approval of the Fort Bend County Commissioners Court.

Project Schedule

Recognizing that Fort Bend County desires the study to be accomplished in the most reasonable time period consistent with competent execution, WSA has proposed a compact time schedule to deliver the final study report in 13 weeks (90 days). As shown in Figure 2, this includes four formal meetings with the County,

FAA and other interested groups, and assumes that required available information will be furnished on a timely basis. We feel that the proposed project time schedule is realistic and affords the opportunity to review draft results as the study progresses, to ensure that the final study report will accomplish the stated goals and objectives of Fort Bend County.

Professional Fee

The proposed work program was designed to correspond to the anticipated funding level for the study which has been established by the Fort Bend County Commissioners Court and the FAA. The amount of the professional fee will be determined by the County in negotiation with its Consultant. The proposed work program can be adjusted to reflect any desired modifications including additional services requested by the County, or refinement of the work program to correspond to a change in the level of funding budgeted for the study.

Work Program

A systematic work program has been developed to accomplish the Fort Bend County Airport Feasibility Study. The technical scope is organized as six tasks as described in this section. The study design emphasizes the efficient use of available information, a conservative approach to the development of basic assumptions and projections of future conditions and performances, and a high level of coordination with Fort Bend County representatives during the performance of the study.

Task 1: Review Issues and Options Concerning the Airport

Objective - Review the issues, concerns, goals and objectives relating to the study. Refine the scope of work for the study including coordination with representatives of Fort Bend County, Hull Airport, the Federal Aviation Administration (FAA), and the Texas Aeronautics Commission.

This study has very definitive purposes. It is important that the County and its Consultant mutually understand precisely what is to be accomplished. The County certainly has insights not yet available to the Consultant; similarly, Wilbur Smith Associates certainly has experience and insights that could be useful to the County.

As a result, the first task is to review the entire study with representatives of the County, Hull Airport, the FAA, and others as required. This open and candid discussion early in the study should focus on the issues and concerns of all parties.

This task will include the review of the detailed scope of work for the study with the FAA, as required by the grant agreement between Fort Bend County and FAA.

Wilbur Smith Associates will present its understanding of the study to ensure that the results respond to the objectives of the County concerning the feasibility of acquiring Hull Airport.

Task 2: Review and Collect Relevant Data

Objective - Review available information on existing and planned airport facilities and operations, historic and forecast aeronautical activity, airspace structure, existing and proposed land use in the vicinity of Hull Airport, airport environs zoning, socio-economic data, and other relevant information.

This task will be expedited by availability of the information that was already compiled and analyzed by WSA in relation to the Regional Aviation Plan recently completed for the Houston-Galveston Area Council.

A. **Socio-economic Information** - Historic and projected socio-economic data that is relevant to the study will be analyzed. This information should be generally recognized by the County as the data to be utilized for planning purposes. Prior airport planning studies will also be reviewed in detail. Specific information for the study should include:

- Population statistics;
- Employment data by standard industrial classification;
- Per capita income; and
- Comprehensive plans and zoning.

B. **Aeronautical Activity** - Information concerning historical activity at Hull Airport was assembled and tabulated by Wilbur Smith Associates for the H-GAC Regional Aviation Plan. Activity since the completion of this prior study in 1986 will be obtained and added to the existing data base.

C. **Existing Studies** - Copies of existing plans and studies for Hull Airport and the airport environs will be reviewed, as well as any proposed development plans near the airport.

D. Airfield Inventory - Airport drawings depicting existing conditions will be reviewed, and on-site observations conducted to supplement such drawings and identify any facilities not shown. In summary, this task will include the following:

- Airport Property - Existing maps identifying airport property will be assembled and compared to existing plats.
- Airport Facilities - Descriptions of existing airfield facilities (runway, taxiway, apron space, lighting, etc.) will be assembled. Also, the hangars, terminal and other building facilities will be inventoried in terms of configuration, use of areas, size, condition, and lease limits, if applicable.
- Aviation Activity - Data concerning past and present aviation activity will be gathered. Items of special interest will include the number of based aircraft by engine type, number of engines, and capacity. An estimate of current and historical operations and passengers will be compiled. Historic data concerning fuel consumption, storage areas, and supplies will also be compiled, if available.
- Airspace Structure - Available data concerning the airspace, air navigation aids, communication facilities, and existing airspace obstructions in the immediate airport area will be reviewed. The configuration of existing approach and clear zones will also be examined.
- Land Use - An inventory of present and proposed future land use in the vicinity of the airport will be made. Of importance will be the consideration of impacts of estimated noise exposure levels on surrounding property, and identification of property proposed to be utilized for industrial or other non-aviation related development.
- Socio-economic Data - Past, present and future socio-economic data will be obtained from local, areawide, state, and private planning agencies. Included in this effort will be the compilation of available data concerning population, employment, income, economic activity, industrial growth, alternate means of transportation, new developments, and other pertinent factors affecting airport development and aeronautical activity.

Task 3: Estimate Value of Existing Airport

Objective - Estimate economic value and financial performance of Hull Airport, based on financial information to be provided by the current airport owner or the owner's Certified Public Accountant, including analyses of airport operating revenues and expenditures, estimated value of airport assets, and tax revenue implications of ownership by Fort Bend County of the airport. Audited financial statements for Hull Airport's existing operation should be utilized for this analysis and will be requested from the airport owner. Wilbur Smith Associates will review the current airport's revenue and expenditure history by item to determine the relevance of that history to both airport value and County ownership implications.

Revenues - The Consultant will investigate the airport's operating revenue situation. This would include receipts by type (tie-down fees, fuel sales, hangar rental, etc.), unit charges for each of these, dependability of such receipts, etc. Ultimately, the financial analysis would determine the viability of using the net operating revenues to pay for the local portion of the airport acquisition cost without requiring additional County investment. Furthermore, the revenue study would seek to estimate the County's revenue risk, if any, associated with the acquisition of the airport and to see if any unit charges should be revised in the County's best interests.

Expenditures - Similarly, the airport's expenses will be examined to determine what the County's expenses might be and to isolate items that might be of relevance to the possible acquisition.

Taxes - Tax revenues accruing to local governmental jurisdictions from Hull Airport will be examined to determine tax revenues from the private airport versus tax revenues if the County owns the airport. This would include, for example, personal property taxes on the aircraft based at the airport. Again, the reason is to define implications associated with County ownership.

Airport Financial Value - An estimated value of the airport will be determined utilizing several items of information:

- Replacement Cost (an estimate of what it would cost the County to build another airport);
- Original Cost (amounts currently invested in the airport, based on the available information); and
- Depreciated Value (value remaining from original cost, given normal lifespan of each asset item).

Wilbur Smith Associates will review airport assets, and intends to arrange for the services of an MAI appraiser to assist in estimating the value of items such as those listed above. This estimate is not intended to replace the potential need for a formal appraisal report that the County or FAA might also require in conjunction with the potential purchase of the airport. The preparation of a formal appraisal report, if needed, would typically be included in the subsequent grant for acquisition of the airport.

Task 4: Determine Airport's Economic Impact

Objective - Determine the estimated economic impact of Hull Airport in terms of net annual contribution to the local economy in the form of direct and indirect tax payments, direct and indirect employment, area economic development attractiveness, and other economic impacts of the airport's operation under either public or private ownership.

To determine whether or not the ownership value of the airport is beneficial to the County, it is necessary to establish the estimated economic value of the airport to the County. If the economic value of County ownership is greater than the economic value of private ownership, or if the economic value exceeds the financial value and continued private ownership is difficult or impossible, then County ownership is viable from a fiscal standpoint.

To determine this type of feasibility, Wilbur Smith Associates will estimate the net annual contribution that the airport makes to area's economy. Such a contribution is in the form of direct and indirect tax payments, direct and indirect employment, area industrial development attractiveness, and other economic impacts. Wilbur Smith Associates' economists are well versed in developing economic value estimates such as these.

To develop these impacts, selected users of the airport will be analyzed to determine why they use the airport, the extent of use, their relative dependence on it, etc. This will enable a determination of not only total beneficial impact, but also who benefits from the airport. While many studies have shown that the entire community (all residents) benefits from a general aviation airport, there are many people who believe that such airports are for the benefit of only the business aircraft owners and private plane owners who directly use the airport. This notion can be clarified in this study -- to estimate the extent to which the airport is of economic value to all County residents.

A financial analysis will also be performed to encompass the fiscal implications of the County's ownership of the airport. This analysis will examine the financial situation from the perspective of the County and its taxpayers. That is, what will the airport cost in terms of ownership and operation, and will tax receipts be increased or decreased and by what amounts.

Task 5: Develop A Recommended Plan for a Course of Action

A plan for the transfer of the airport from private ownership to the County's ownership will also be prepared. The ownership and management options will be addressed in this task. Proper organization and administration of an airport planning project is essential to a successful study effort. The following steps will be undertaken to insure that the study is completed in a well coordinated, open and participatory manner.

- The Consultant will coordinate efforts with the County's designated representative throughout the study

effort. This coordination will include review of work completed, reporting on work in progress, special problems encountered (if any), etc.

- It is estimated that this study effort will include a total of four (4) formal meetings with County officials and other interested parties. The meetings are anticipated to include the following:
 1. Meeting with County, Hull Airport and FAA Houston Airport District Office officials to review the detailed work program prior to notice to proceed;
 2. Presentation of preliminary analysis of airport economic impact financial value, and ownership options to County Commissioners Court;
 3. Meeting with County officials to discuss in detail the study results and the appropriate course of action; and
 4. Presentation of final study report to Commissioners Court.

The Consultant will prepare for, attend, make presentations, and answer questions at each of these meetings.

Task 6: Present Study Findings and Final Report

Objective - Prepare a study report documenting the findings of the economic and financial feasibility analyses of potential ownership of Hull Airport by Fort Bend County.

This will include:

- Operating Costs - To the extent that implementation of the program will affect airport operating costs, e.g., maintenance, utilities, such estimated effects will be quantified on an annual basis;
- Operating Revenues - To the extent that implementation of the program will affect estimated airport revenues, e.g., parking, landing, hangar space, fuel flowage, leases, or other fees, such effects will be quantified on an annual basis;
- Capital Income - Possible income to the County will be estimated for aviation-related activity or other development as identified feasible in this plan;

- Capital Investment Sources - In the event that the airport might not solely use operating funds or capital income as identified above to pay for all of the local acquisition cost, analyses will be undertaken to determine appropriate methods for funding. The expected federal and local shares will be specified and sources of the necessary local shares will be explored. Such funding sources could include revised fee and lease arrangements, debt financing, and other sources of income or grants.
- Pro Forma Statement - Utilizing reasonable methods of financing, a pro forma income statement will be prepared for selected years. These will superimpose the estimated costs and revenues associated with the airport operation over the existing airport financial statements. Pro forma financial statements are estimated financial statements provided in advance of actual observation. In the case of this study, the estimated income statements that will gauge the airport's capacity and method of paying for the proposed capital acquisition program. Such accounting procedures require considerable calculations in order to be realistic -- since it is these statements that depict the financial viability of the overall airport program.

At this stage, the Consultant will determine the recommended course of action that the County should take. The Consultant will prepare the necessary feasibility and impact calculations and will be prepared to explain what it believes to be the best approach to the studied issues.

The Consultant will meet with the County to discuss in detail the various options and approaches. The County will be asked to comment on the options and the Consultant's conclusions. While a final conclusion will not necessarily be reached by the County at this point, some guidance would be desired so that the remainder of the Consultant's work is in fact tailored to the County's thinking and desires.

The Consultant will provide twenty-five (25) copies of the final "Fort Bend County Airport Feasibility Study". Additional copies of the study documentation would be provided to the County upon request for the cost of providing them.

Experience and Qualifications

Wilbur Smith Associates (WSA) is pleased to submit its professional qualifications and experience to provide consulting engineering services to Fort Bend County for airport planning and development. WSA has completed numerous projects at general aviation airports similar to these professional services proposed for Fort Bend County, and we are extremely interested in providing professional services to you.

Our nominated Study Team is well qualified to undertake this project, for the following reasons:

1. WSA has conducted similar projects, such as the following:

- Houston-Galveston Regional Aviation Plan - WSA in association with Bovay Engineers and Nathelyne Kennedy & Associates, addressed the 13-county H-GAC region's unique aviation issues and needs, including that of adding Ellington Field to the regional aviation system; development of new system airports; economic benefits of airports to communities and the region; on-going airport system planning capability; protection from land-use conflicts; and a five-year program in airport facility improvements. Forecasts of aviation activity were developed for the 25 system airports that serve the major air transport needs of the region.
- Feasibility Study, Dallas-Fort Worth Regional Airport (D/FW) - Serving as airport feasibility consultant, WSA performed a feasibility study concerning expansion of D/FW Airport by construction of major terminal and support facility improvements. The study involved financial analyses (including an energy contingency analysis) of a proposed \$112-million joint revenue bond issue.
- Economic Value and Impact of Jackson, Michigan Airport - WSA analyzed the net economic contribution that this airport makes to the local economy. The purpose was to depict the quantitative value to allow decision makers to understand the need for funding several planning studies and airport projects.

- Flagler County Airport, Florida - WSA accomplished a comprehensive Airport Master Plan Study that involved developing a comprehensive management and operations plan, and analysis of potential industrial/commercial development on land adjacent to the airport and "best use" land planning, and comprehensive financial projections of capital/operating expenses and revenue potentials.
 - Financial Support for General Aviation Airports in West Virginia - In 1984, WSA completed a study of general aviation airports in West Virginia, the airports' economic contribution to their respective communities, funding levels required, and a funds distribution system for State financial assistance to airports. The funds distribution system included safety-related development issues as well as economic development, essential service requirements, and management/administrative assistance.
 - New Air Carrier Airport to Replace Stapleton International Airport, Denver, Colorado - The City of Denver has selected WSA to participate as a member of the Consultant Team to develop the Master Plan and Environmental Assessment for its planned new air carrier airport, responsible for airport ground access, parking and passenger movement planning.
 - 1984 Airports Revenue Bond Issue, Hawaii State Airports System - In connection with the sale of \$65 million revenue bonds to fund improvements and new facilities at 15 airports operated by the Airports Division of the Hawaii Department of Transportation, WSA estimated the air traffic, airport revenues, aviation fuel tax receipts, and funds available for debt service for outstanding bonds and the proposed new issue.
 - Peachtree City Airport Feasibility Study, Georgia - WSA provided consulting engineering to study the feasibility of public acquisition and improvement of a privately owned airport. The Final Report reviewed pertinent issues, estimated market value, economic impact, financial performance, and a recommended course of action for the Peachtree City Airport Authority to proceed with acquisition of the airport. WSA also prepared the Airport Master Plan, Environmental Assessment, and Manual of Airport Rules, Regulations and Commercial Operation Standards.
2. Three types of experience are necessary to conduct this work--legitimate and experienced economists, land use planners, and airport planners and engineers who understand

general aviation. WSA has these resources in-house, as supplied by three of our operating divisions:

- Airport Services Division, specializing in airport planning and engineering;
- Economics Division, specializing in economic studies--both economic impact and economic feasibility; and
- Planning Division, specializing in environmental planning, transportation planning, market feasibility analyses, and land use planning for the public and private sector.

3. For this project to be successful, it must be credible. To achieve credibility, the following requirements are necessary:

- Objectivity;
- Adherence to engineering, planning, and economic principles;
- Proper conceptual framework;
- Use of substantiated facts rather than generalizations and opinions;
- An understandable and well written product; and
- Common sense.

We believe that Fort Bend County County will find that our firm adheres to these principles. Our manpower strengths and experience, professional diversification, and strong desire to provide you with professional-quality product will allow us to provide the consulting engineering planning and economic services required on the reasonable schedule that is prescribed for this study.

The following pages list additional WSA airport-related projects that demonstrate our broad capability and experience.

Wilbur Smith and Associates recognizes air transportation is crucial to economic growth in today's rapidly changing world. Aviation Services of the Firm encompass a comprehensive range of airport and air system services designed to satisfy the needs of worldwide clientele in the public and private sectors. Clients include Air Carrier Airports; General Aviation Airports; Military Air Bases; and Federal, State, Regional and Foreign Governments.

In executing airport planning and design projects, the Firm can assemble teams comprised of all the special disciplines necessary to complete specific projects on time and within budget. The multi-disciplined professional staff includes Airport Engineers and Planners; Environmental Specialists; Civil, Structural, Mechanical, and Electrical Engineers; Architects and Space Planning/Interior Design Specialists; Land Use Planners; Economists; and Transportation Engineers.

The project teams have the capability to study the requirements of conventional and advanced aircrafts along with factors of access, parking, contiguous land use, noise, urbanization, connecting ground transportation, and other special features. Airport facilities are carefully planned to allow for future expansion and to relate overall to the economic benefits of development.

ACCESS AND PARKING

The Firm has an extensive record of experience in planning and design of airport access and parking facilities. Groundside transportation improvement plans have been prepared for some of the world's largest airports. A unique method for data collection has been developed to facilitate the planning and needs analysis studies to describe user characteristics and system inventories at airports and other large multi-modal transportation activities.

Specific services include:

- Airport Roadways and Access Interchanges
- Bridge Access Planning and Design
- Pedestrian Facilities Planning and Design
- Parking Studies
- Airport Passenger Information Systems
- Curbside Planning
- People-Mover Systems
- Facility Designs and Construction Services
- Internal Circulation and Traffic Operations
- Public Transportation Requirements

AIRPORT FINANCIAL / FEASIBILITY STUDIES

In the area of airport development, Wilbur Smith and Associates can perform economic feasibility analyses of programs and facilities, analyze funding arrangements, and prepare innovative financial planning strategies to respond to new challenges in the growth and expansion of facilities to meet future activity demands.

Typical services include:

- Reports on airport revenue for financing in suitable formats for inclusion in Official Statements for Bond Issues;
- Preparation of consulting engineer certificates for special facilities financing;
- Inspections and reporting on operations and adequacy of revenues;
- Evaluations and justification of fees, rates and other airport user charges;
- Airport concession revenue investigations and recommendations;
- Airport maintenance and operating expense investigations; and
- Airport ground transportation and parking financial management investigations.

MASTER PLANNING

Wilbur Smith and Associates closely evaluates the needs assessment for an airport in the master planning process. This process, which includes all aspects of aviation, including both physical elements (inventories, site selections, airport plans, supply/demand, equipment) and policy elements (legislative, regulatory, fiscal), is vital to a carefully planned airport. Every effort in the process is made to identify unique elements considered pertinent to an airport environment. The master plan is viewed as a document with broad implications for the community it affects; and, as such, it is not a static document. Services include:

- Air Carrier/Commuter Airports Planning
- General Aviation Airports Planning
- Citizen Participation Process/Strategy Planning
- Land Use Planning
- Financial Planning
- Computerized Aviation Activity and Noise Forecasting
- Airport Operation Manuals Planning

SYSTEMS PLANNING

Airports, aircrafts, and navigational aids are all significant components of an air system. Aviation systems must be examined as a dynamic, functional part of demographic and economic activities. New facilities must constantly be planned, expanded, deleted and altered. The process of assessing the efforts of these changes is challenging. It often involves vigorous pursuit of alternatives and compromises with coordinating agencies. Typical services include:

- Regional System Plans
- Intermodal Plans
- Enroute Navigational Aids Studies
- Facilities/Activity Forecasts
- Implementation and Continuing Planning Programs
- Computer Modeling
- Innovative Approaches to Problem-Solving

AIR TRANSPORTATION

Airport Financial and Economic Analysis

The air transportation industry faced new challenges and directions in growth as a result of the de-regulation of air travel activities, high fuel costs, and the 1981 air controllers strike. In areas of airport development, general aviation and commercial aviation, renewed emphasis has been placed on providing needed services for local, state or regional jurisdictions in economic and financial feasibility analysis of programs and facilities, funding arrangements, and innovative financial planning. To respond to these new challenges, Wilbur Smith Associates has the capability to provide the following specific services in airport financial planning and feasibility studies:

- Feasibility Reports for airport revenue bond financing which include descriptions of existing and proposed facilities, the airport service area and its economy, historic and forecast air travel demands (i.e., passengers, cargo, mail and express), scheduled and non-scheduled airline services, commuter and general aviation aircraft operations, sources of airport revenues and expenses, capital improvement programs and estimates of future traffic, revenues, expenses and net revenues available for debt service. Such reports are often included in the Official Statement of the bond issue;
- Airport Economic Assessments of benefits accruing to the community as primary and secondary impacts of an airport, including tax implications and attractiveness to new business and industries;
- Making inspections and reporting on an airport's operating physical condition and adequacy or revenues;
- Development of fair and reasonable schedules of fees, rates and charges for airport facilities and the justification for these fees to airport users and the public;
- Airport management studies, operating plans, and concession investigations directed toward improving revenues; and
- Physical planning of airport facilities including airport layout plans, terminal area plans, airport land use plans, and ground transportation and parking.

AIR TRANSPORTATION Airport Feasibility Studies

Wilbur Smith Associates has performed planning and feasibility investigation for many airports. The firm has completed financial or operational feasibility studies and net operating revenue studies for the following airports:

- Dallas, Fort Worth Regional Airport;
- Chicago O'Hare International Airport;
- Hawaii's airport system of 15 airports including Honolulu International Airport;
- Puerto Rico's airport system of 12 airports including San Juan International Airport;
- Denver's Stapleton Field, Denver, Colorado;
- Norfolk International Airport, Norfolk, Virginia;
- Lawrenceville-Vincennes Air Cargo Hub Airport;
- Four-Corners Regional Airport, Colorado, Arizona, New Mexico and Utah;
- Falcon Field-Preachtree City Airport, Georgia;
- Atlanta's Hartsfield International Airport; and
- McGhee-Tyson Airport, Knoxville, Tennessee.

Airport master planning studies including financial planning and feasibility experience have been completed for:

- Palm Beach County, Florida;
- Boston Logan Airport, Massachusetts;
- Auburn-Lewiston Municipal Airport, Maine;
- Columbia Metropolitan Airport, South Carolina;
- West Richmond Airport, Virginia; and
- Kent County General Aviation Airport, Maryland.

AIR TRANSPORTATION Airport Feasibility Studies

Financial feasibility studies are conducted to project the patronage, sales and revenues; prepare the location and design; and estimate the financial performance of a given airport project. Then, considering the relationship of estimated income and costs, the financial feasibility and implementation strategy for the proposed project is determined. This may include preparation and evaluation of the reliability of financial projections for the project.

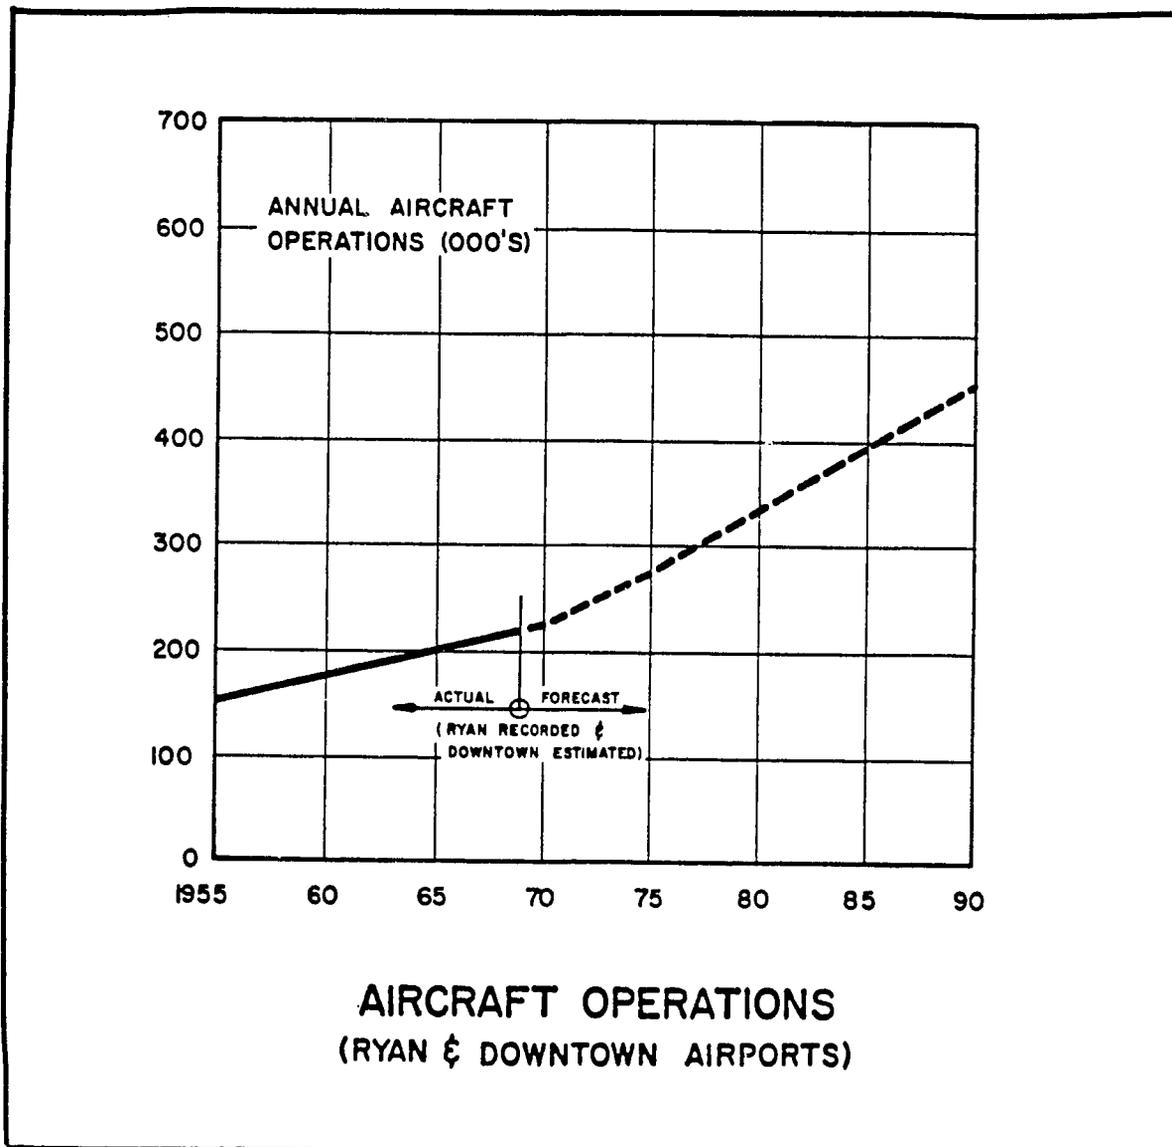

Since its inception, the firm has specialized in financial feasibility studies for user-fee facilities such as airports, tollways, civic centers, stadiums, waterports, parking structures, and numerous other projects. An excellent rapport has been achieved with the investment community and rating agencies.

Dallas-Fort Worth International Airport - The firm served as Airport Consultant for the feasibility study to construct major terminal and support facility improvements as part of expansion of D/FW Airport. A \$112-million joint revenue bond issue was proposed for development of airport improvements. The firm performed financial analysis, including an energy contingency analysis, for assessing feasibility of the revenue bonds. The bond issue was ultimately deferred as a result of litigation arising from a dispute over the method of allocating terminal costs to users under the Airport's Use Agreements.

SURTRAN (Surface Transportation) System, Dallas/Fort Worth International Airport - A study was conducted for the Cities of Dallas and Fort Worth for development of the SURTRAN System -- a fleet of 45 luxury buses and 100 special taxicabs, linking Dallas, Fort Worth and Arlington with Dallas-Fort Worth International Airport. The study involved fare structure, detailed recommendations on routes, development of the five present off-airport park-and-ride terminals, special buses, cost-revenue estimates, and financing methods. The SURTRAN System operated from 1976 to 1985, when the service was replaced by a private operator.

AIR TRANSPORTATION Feasibility Studies

Regional Aviation Study for the Greater Baton Rouge Airport District, Baton Rouge, Louisiana - Wilbur Smith and Associates in association with two other firms completed this comprehensive study for airport requirements through the year 1990. The study evaluated future capacity of Ryan Airport to serve air carrier needs of the area, and the disposition of the Downtown Airport. Based on growth of the Baton Rouge area, it was determined that Ryan Airport was not suitable for long-range development as an air carrier airport. It was recommended that Ryan Airport continue to be used and developed for general aviation needs, and that the Downtown Airport be phased out when the new facility was operational.

Wilbur Smith and Associates

AIR TRANSPORTATION
Feasibility Studies

McGhee Tyson Airport Feasibility Study - A feasibility study was prepared relative to financing of the new terminal complex at the McGhee Tyson Airport. The report was based on an extensive study of aviation trends and increases in air travel. Annual estimates of revenues and expenses were prepared assuming the terminal would open in July, 1973. Recommended interim rates were presented for the assumed 18-month construction period; a new rate schedule was prepared for operation with the new terminal.

Significantly actual and bond financing for the project was arranged. The study also included negotiation for landing fees and leases.

Lawrenceville-Vincennes Air Cargo Hub-Exploratory Feasibility - A total of four basic airport layout plans were developed, providing different mixes of air cargo and industrial development. A three-stage implementation program, including initial, short-range, and ultimate, was delineated for each alternative. Estimates were made of project development costs. Those elements which may be eligible for federal and state funding were identified. Projections of annual net revenue were derived and an assessment of financial feasibility was made for each scenario.

Financial Feasibility Study, Norfolk International Airport - The firm developed an objective assessment of future airport revenue and expenses to evaluate various financial options for implementing the initial long-term parking expansion program, defined as the Phase I Parking-Deck.

An overview of economic growth activity within the Norfolk International Airport air service area and projections of certificated air carrier enplanements was undertaken to establish the future operating viability of the Airport.

A definite financial evaluation including pro-forma statements of future airport income and expenses recognizing the impact of the Phase I Plan implementation was completed. This evaluation served as the basis for analyzing several financing alternatives to arrive at a recommended financing program.

AIR TRANSPORTATION Air Transport Systems Planning

Houston-Galveston Regional Airport/Airspace System Plan - Wilbur Smith and Associates in association with Bovay Engineers is performing the 1986 Update of the H-GAC Regional Airport/Airspace System Plan (RAASP).

The plan addresses the region's unique aviation issues and needs: (1) adding Ellington Field to the general aviation system; (2) development of new system airports; (3) airport economic benefits to communities and the region; (4) ongoing planning capability to adjust the RAASP for future changing conditions and needs; (5) airport protection from encroaching land use conflicts; and (6) a new 5-year program of airport facility improvements.

The 13-county Houston-Galveston Area Council region is a high growth area with increasing population projections through the year 2000, and with aviation activity increasing to 300 percent of current levels. Commercial aviation activity centers at Houston Intercontinental Airport, with William P. Hobby Airport as the secondary center. Galveston, Brazoria and Conroe Airports are next level activity centers serving the concentrated population areas of Galveston, Brazoria, and Montgomery Counties.

The Regional Airport/Airspace System Plan is based on recognition of the need for air transportation planning encompassing the Gulf Coast State Planning Region, where the inter-relationships between all airports, heliports and other transportation modes will be identified and improved or expanded to facilitate a balanced multimodal transportation system.

The RAASP represents the aviation facilities system required to meet the immediate and future air transportation needs of the region. Of extreme importance is the relationship of timing and estimated development costs to the policies and coordinated planning efforts of all governmental entities and private airport owners involved.

AIR TRANSPORTATION Air Transport System Planning

Four Corners Regional Jet Airport Study (Colorado, Arizona, New Mexico, and Utah) - This feasibility study analyzed the development of a regional jetport to serve the San Juan River Basin Area of the four-state region. The airport objective was to centralize airline service for the region at one location and replace the existing airports.

From 30 potential sites, two were found to be economically feasible and could be developed by a combination of local sponsor bond programs, FAA participation, and Four Corners Regional Commission participation. Several options for administering construction and operation of the airport were detailed. The study also examined the feasibility of new types of regional air cargo services, an origin-destination analysis, passenger trip purposes, the impact of new air technology, and a cost/benefit analysis of the existence of such a facility, as well as its inter-operations between different sites. Of particular importance was the analysis of impact of the proposed regional airport on regional development.

AIR PASSENGER TRENDS - ENPLANEMENTS AND DEPLANEMENTS

AIR TRANSPORTATION Airport Planning

The firm has undertaken studies and developed plans to provide physical facilities required to meet the projected needs of air service. These physical facilities include runways, taxiways and aprons; passenger terminals; cargo facilities; ground transportation; and vehicle circulation and parking facilities. The work of the firm also extends to the detailed design and preparation of plans and specifications for recommended facilities and supervision of their construction.

Aviation planning services of the firm include the full range of capabilities to meet requirements for air carrier and general aviation airports, and military air bases. These include the following types of services:

- Master Planning
 - Aviation Forecasts,
 - Demand/Capacity Analysis,
 - Airspace Studies,
 - Site Selection,
 - Environmental Analysis,
 - Facilities Needs,
 - Land Use Compatibility Planning,
 - Management/Operations, and
 - Citizen Participation;
- Financial/Feasibility
 - Airport Economic Impact,
 - Benefit/Cost Analysis, and
 - Economic and Financial Feasibility.
- Airport System Planning
 - Statewide and Region Systems,
 - Intermodal Plans,
 - Activity Forecasts/Facility Needs, and
 - Implementation and Continuing Planning;
- Special Projects
 - Environmental Impact Studies,
 - FAA Part 150 Noise Studies,
 - Industrial Park Planning,
 - Marketing and Design, and
 - Land Use/Zoning.

Knowledge of Federal Aviation Administration guidelines, operating procedures, and personnel along with state-of-the-art planning and engineering practices, government financing, and the money market makes the firm uniquely qualified to undertake air transportation planning and design.

The following are descriptions of some of the firm's major airport and aviation project experience.

New Orleans International and Lakefront Airports Public Transportation Plan, New Orleans, Louisiana - The Office of Aviation and Public Transportation, Louisiana Department of Transportation and Development, commissioned the firm to conduct an evaluation of public transportation demands and needs for travel from New Orleans International and Lakefront Airports to downtown New Orleans for the 1984 Louisiana World Exposition.

This study addressed the need for additional ground transportation services provided at the two airports serving New Orleans, due to added Louisiana World Exposition travel demand. The study evaluated ground transportation demands and estimated usage of public transportation at each airport; identified specific needs for improvements in ground transportation services; and, through an evaluation of alternatives, developed an implementation plan for recommended actions.

Louisiana Capital Region Aviation Study, Baton Rouge, Louisiana - Wilbur Smith and Associates, in association with Arnold Thompson Associates, conducted the Greater Baton Rouge Airport study to determine facility requirements to meet the aviation needs of the Capital Region of Louisiana. A study was conducted of air passengers from the Capital Region to determine their origins and destinations, purpose for travel, and the extent to which Capital Region residents used the New Orleans Airport. Studies were conducted relative to access and travel time to potential sites for a new Greater Baton Rouge Airport, including recommendations as to transportation facilities required to provide access to alternative sites.

A definitive location for a new airport facility was recommended in the study, and this site was selected for development by the Airport Board. Ground transportation requirements were related to the estimated air passenger traffic, and ground transportation requirements were projected to meet future needs.

Baton Rouge Airport Requirements Study--Baton Rouge, Louisiana

- In association with Arnold Thompson Associates, a study was conducted to evaluate the future of Ryan Airport to serve the air carrier needs, the disposition of Downtown Airport, and the location of a proposed new airport. The scope of the study also included the review of previous reports and analysis of the impact of the New Orleans airport development program. Liaison was maintained with the airlines, other airport users, the Federal Aviation Administration, the Capital Region Planning Commission, and other local, state and federal agencies. All airports in the region were inventoried and potential sites overflowed and inspected. Current socioeconomic data was utilized to provide forecasted levels of aviation demand.

Lexington Area Airport Study--Lexington, Kentucky - An appraisal of total air transportation needs of the Lexington-Fayette County area was made to develop a master plan for future air transportation development in the area. The extent of new airport facility requirements, improvements to existing facilities, and projections of air carrier service needs were developed from the study. Recommendations were made concerning needed improvements in airline service frequency, routes and schedules. Evaluation of the impact of proposed improved airline service, on-terminal requirements and public benefits was also undertaken.

Central Midlands Regional Airport Plan--South Carolina - A study of aviation requirements for a four-county area of South Carolina centered about the metropolitan area of Columbia was undertaken. Principal consideration in this study was given to the necessity for creating a system of general aviation airports to serve the region. Development of these facilities is of prime importance in order to preserve the capacity of the area's major airport for accommodating airline service demands in the future.

The Lambert-St. Louis 2000 Plan--St. Louis, Missouri - This plan envisaged a major expansion of the existing Lambert-St. Louis International Airport. An appraisal of total air transportation needs was made to meet the forecasted enplanements for the year 2000. The study looked into economic development trends, air traffic forecasts, engineering and environmental feasibilities. Noise exposure levels in terms of NEF contours and number of impacted residents were determined based upon critical aircraft and future activity levels. Ground access systems and passenger terminal facilities were studied. The extent of new airport facility requirements and improvements to present facilities were developed from the study.

Denver-Stapleton International Airport Traffic Study--Denver, Colorado - A detailed study of ground traffic at Stapleton International Airport was conducted to analyze existing airport traffic generation, project future vehicle traffic, and determine future ground transportation facility requirements in terms of external access roadways, internal circulation roadways, public transit service, and vehicular parking facilities.

Airport Access/Egress Systems Study - This study, conducted for the U.S. Department of Transportation, is a comprehensive inventory and evaluation of ground access/egress systems at large hub airports throughout the United States. The tasks accomplished included review of airport plans as related to vehicular access/egress consideration; establishment of criteria for and recommendation of candidate demonstration projects of access/egress improvements; development of implementation plans for selected demonstration projects; and suggestion for allied research to be performed in consonance with the demonstration projects. Liaison was established with appropriate local, state and federal government staffs, as well as airport management to explore all aspects relating to cost, impact and community acceptance of proposed demonstration projects.

Statewide Airport System Plan--South Carolina - Completed for the South Carolina Aeronautics Commission, this plan recommended development of a system of airports to serve the future aviation needs of the state. This comprehensive system plan involved preliminary engineering and recommendations for improvement or initial development of 63 airports in the state. New major air carrier airports were recommended for construction along with extensive improvements to three existing airline service facilities. Substantial development of general aviation airports was detailed in the report, including initial construction of four new major facilities and conversion of two former Air Force bases. Estimated development costs totaled \$41 million.

St. Louis New Regional Airport Site Selection--St. Louis, Missouri - In association with Northrop Airport Development Division, a study to evaluate alternative airport sites was undertaken. Analyses were made of regional economic development trends, air traffic forecasts, airspace allocations, engineering and environmental feasibilities, and ground access systems. Airport economic benefits related to employment and construction activities benefit-cost tradeoffs were examined.

Four Corners Jet Airport Site Selection Study--Four Corners Economic Development Region - Performed in association with Isbill Associates, this study ascertained the economic feasibility of constructing a regional jetport to serve the San Juan River Basin area of the Four Corners Economic Development Region (States of Arizona, Colorado, New Mexico and Utah). Such an airport facility was intended to centralize the airline service provided the area at one location and replace existing airports at Durango, Farmington and Cortez. The study involved the analysis of numerous potential airport sites and the selection of a primary and an alternate site for the new jetport considering accessibility, service area, physical and aircraft operational factors, and construction costs.

Consultant Personnel

E. L. WALKER, JR.

Qualifications

B.S., Civil Engineering, Texas A&M University.
Certificate, Transportation Studies, Yale University.
Graduate Studies, Management, Pennsylvania State University.
Registered Professional Engineer.
National Council of Engineering Examiners, Certificate No. 4324.

Experience

Regional Vice President and Senior Executive of the firm's Central Region. His 33 years of professional experience includes numerous technical assignments, with responsibilities including program organization, technical direction, staff management, financial accountability, citizen and client review, project documentation, and project acceptance.

Regional Airport-Airspace System Plan, Houston-Galveston Area Council - Responsibility for program management of update and inventory of all airports within the 13 county study area.

Dallas/Fort Worth Airport Revenue Bond of Feasibility Study, Texas - Managed study involving financial analysis (including an energy contingency analysis) of a proposed \$112-million joint revenue bond issue for expansion of D/FW airport by construction of major terminal and support facility improvements.

New Orleans International and Lakefront Airports Plan, Louisiana - Managed feasibility study addressing the need for additional ground transportation services provided at the two airports serving New Orleans, due to added travel demand for the Louisiana World Exposition.

Denver-Stapleton International Airport Traffic Study, Colorado - Detailed study analyzed existing airport traffic generation, projected future vehicle traffic and determined future transportation facility requirements.

Airport Systems and Ground Transportation Access Planning for the Baton Rouge Airport District, Louisiana - Responsibility for program management of regional airport system study involving the existing Ryan and Downtown Airports, and a proposed new air carrier airport, including site location studies and ground transportation access planning.

Technical specializations include airport and aviation system planning, environmental studies, airport noise, airport land use planning and zoning, airport feasibility studies, and airport ground transportation and parking. Related experience includes following projects:

Regional Aviation Plan, Houston-Galveston Area Council - Project Manager for updating airport system plan for 13-county H-GAC region, including 165 existing airports. Updated airport inventory, developed aviation activity forecasts of based aircraft and operations for 19 service areas and 25 system airports, analyzed airport capacity and needs, and prepared system plan alternatives.

Sardy Field Airport Master Plan, Aspen, Colorado - Land use study, socio-economic analysis, and environmental assessment were prepared in conjunction with master plan for municipal airport serving both commercial and general aviation.

Fort Collins-Loveland Airport Master Plan, Larimer County, Colorado - Environmental assessment included land use, noise, air quality, critical environmental areas, and community and natural resources concerns related to Airport Master Plan for future improvement of municipal airport.

Moissant Field and Lakefront Airports, New Orleans, Louisiana - Planning study of increased travel demands projected to occur during 1984 Louisiana Exposition identified requirements for accommodating air passengers traveling to World's Fair through New Orleans International and Lakefront Airports.

Feasibility Studies for Public Facilities - Performed economic and financial studies of revenues, expenditures, and economic impacts of major public facilities and improvements including San Antonio Hemisfair Plaza, Harris County Astrodome, and Dallas Farmers Market.

Senior Airport Planner, Wilbur Smith and Associates, with extensive background in aviation systems analysis and planning. His experience includes managing over 100 planning projects, ranging from basic feasibility studies to complex site selections, master plans, environmental studies, and noise analysis. Previous work includes the following projects:

Falcon Field-Preachtree City Airport, Georgia - Performed feasibility study for public acquisition of privately-owned airport by Peachtree City Airport Authority. Developed Manual of Airport Rules and Regulations and Minimum Commercial Operator Standards.

Dane County Regional Airport, North Carolina - Prepared the master plan for the airport including a comprehensive set of Airport Rules and Regulations. The lease package, Rules and Regulations and Master Plan were adopted by the Airport Authority.

Pitt County-City of Greenville Airport Authority, North Carolina - Rules and regulations, minimum standards and lease package were prepared for the airport and were fully coordinated with the Airport Authority, tenants, and County Attorney. They were subsequently adopted and are currently in use.

City of Hartsville Airport, South Carolina - During the course of the Master Plan, a set of leases were prepared and coordinated with the City Attorney and City Manager. The lease agreements were unique in that the FBO acted as Airport Manager. The agreements were subsequently adopted executed with the FBO.

Gary has participated in numerous studies involving preparation and provision of lease agreements for airports. Each lease is prepared according to local conditions and has been successfully implemented. Lease agreements provided include:

- Standard commercial operator lease agreements;
- Hangar lease agreements;
- Property lease, corporate/private hangar erection permits;
- Tie-down space lease agreements; and
- Property lease and fuel facility installation agreements.

Dear Judge Stavinoha:

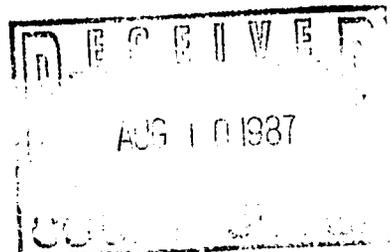

As representatives for a county that borders on the Gulf of Mexico, the issue of damage done by garbage thrown into the Gulf waters by commercial users is of great concern to the Commissioners' Court of Jefferson County. As County Judge for a county that has an equally great interest in preserving our coastal waters, I felt that you would share our concern.

I have enclosed a copy of a resolution recently passed by Commissioners' Court in support of efforts currently being considered to help expedite a solution to this problem. I feel that a united effort on the part of all counties involved would help us resolve this problem, and therefore thought that you might want to consider passage of a similar resolution.

Sincerely,

RE: Monthly reports of Fee Officers

Gentlemen:

We have examined the monthly reports of certain Fee Officers identified below for the month of July 1987. We maintain certain records relating to financial transactions of these officers and accordingly, our examination included such auditing procedures as we considered appropriate in the circumstances.

The following is a breakdown of the fees paid by the Tax Collector in June:

| | | | |
|-------------------------------|-----------|------------------------------|---------------|
| Commissions - Apr 1987 | (2.31) | Highway Fees - Jun, 1987... | 52,350.35 |
| Commissions - May 1987 | 1,249.96 | Title - Motor Vehicles..... | 14,500.00 |
| Commissions - Jun 1987 | 5,687.55 | Road & Bridge - June 1987... | 49,877.40 |
| Commissions - July 1987 | 79.20 | Beer & Liquor..... | 3,897.50 |
| June ACC & Attorney Fees | 9,978.55 | | |
| Total Commissions..... | 16,913.95 | | |
| Interest Earned June 1987.... | 3,231.83 | | |
| Interest Earned on T-Bill.... | 1,753.01 | | |
| Total Interest..... | 4,984.84 | TOTAL FEES | \$ 142,523.84 |

The shortage in Justice of the Peace Pct 4, Judge Adolphus has not yet been resolved and the Fee Officer Account is still due \$645.25.

The following is the criminal case report for the JPs for the month of July, 1987:

| JP | | # New Cases | # Old Cases | # Dismissed | # Cases Paid | \$ Amount | # Open Cases |
|-------|-------------|-------------|-------------|-------------|--------------|-----------|--------------|

To: Commissioners Court
From: Joyce Tompkins
Date: February 16, 1987

This morning the office of JP-4, Jim Adolphus notified us that they had been robbed over the weekend. Two assistant auditors then visited the site and submitted the following report:

There were no signs indicating forced entry into either the building or the safe, where money is normally locked up. The cash and money orders representing one day's business (Friday Feb. 13th) was stolen as well as cash kept for the purpose of making change. The amount of cash taken was \$214.00 fees & fines plus \$50.00 change fund, totaling \$264.00 and the money orders which were already marked "for deposit only FBC" totaled \$314.00.

All previous days business had been deposited with the County Treasurer and we traced those receipts from the JP's receipt books to the Treasurer's deposit receipt records.

No vandalism occurred and no office equipment was removed.

The office personnel claim that the safe is normally locked every night, but they can't say for sure that it was locked Friday at the close of business.

We recommended that they get the door locks re-keyed and get the combination for the safe changed.

The Sugar Land police were contacted as well as the County Sheriff department.

Dear Mr. Sellah:

I am requesting the following item be included on the Commissioners' Court agenda for Monday, August 24, 1987:

Extension of Sick Leave Benefits for Marilyn Nord.

Mrs. Nord has been a loyal employee of our county since April 1, 1979. Recently, she had unexpected major surgery that has required follow-up treatment. She was released to return to work July 28, 1987 but complications in getting her chemotherapy treatments started caused her to miss additional time.

The necessary funds are in the budget and I am hereby requesting she be paid for the following time:

July 17, 20, 21, 22, 23, 24, 29, 30, 31 and August 3, 4, 5, 6, 7, 10, 14 and 1/2 day August 12, for a total of 16 1/2 days.

Sincerely,

MENTAL or NERVOUS DISORDERS BENEFIT

After reviewing the claims experience for the group over the last sixteen months, as well as having numerous conversations with healthcare professionals, claims specialist with various insurance carriers, and the professionals at Orchard Creek and Charter Sugar Land, it is our recommendation that the current "Mental or Nervous Disorder Benefit" be revised to read:

Lifetime Benefit: \$50,000 per insured for both Inpatient and Outpatient Treatment

For Hospital Inpatient Treatment: The plan will pay for insured expenses after the deductible has been met, subject to the co-insurance percentage (80%), with the following limitations in a calendar year:

- Acute Care Hospital Confinement: \$400 per diem maximum
- Maximum Confinement for Adults or Adolescents: 30 days

In order to encourage recovery from an acute care confinement to a less expensive environment, the plan will provide benefits subject to the deductible and co-insurance levels previously mentioned with the following limitations:

- Residential Treatment Center: \$250 per diem maximum
- Day Treatment: \$200 per diem maximum
- Maximum Allowable days for Adults and Adolescents for combination of Residential and Day Treatment: 60 days

American MedCap will continue to monitor the claims and interface with the Hospital's In-House Utilization Review.

The Out-Patient Benefit will remain the same.

AS PER ORIGINAL

PREFERRED PROVIDER ARRANGEMENTS

In addition to the proposed changes, we have discussd with Orchard Creek Hospital and Charter Hospital of Sugar Land their willingness to provide Fort Bend County employees and their dependents a Preferred Provider Arrangement for the treatment of Mental or Nervous Disorders.

Both facilities have expressed a desire to enter into such an arrangement. It is our recommendation that the County enter into a Preferred Provider Arrangement to encourage the use of these facilities since they have expressed a desire to provide cost effective services.

RETIREE HEALTH INSURANCE

At the present time the County pays the entire cost of coverage for both the retired employee and his/her dependents, who have qualified for the benefit, based on current guidelines established by the County.

Several articles regarding the growing cost of providing retiree benefits were provided previously. These articles detailed the facts that our population is aging, that the cost of providing retiree benefits was increasing at a much higher percentage rate than for active employees, and last, that it is highly probable that employers who provide and pay for retiree benefits will be required to pre-fund the future cost of such benefits based on actuarial determinations of such future liability.

It is our recommendation that the County pass the cost of the retiree benefit in full to future retirees. This would affect only those employees who have not qualified under current County guidelines. The existing class of retirees would be "closed" and exempt from this change. The benefit will continue to provide retirees who are under age 65 the same benefits as the active employees, and be revised to provide a "Medicare Carve-Out" plan in which the retirees over age 65 receive the same medical coverage as active employees after the Medicare payments are subtracted out.

RE: Recording Equipment (Bid Number 87-31) Received/Installed on
July 17th Not Meeting Written Specification

Dear Sirs:

I first would like to apologize for the delay in delivering a report to you concerning this matter, however being unfamiliar with the process of reporting equipment not meeting specifications, and thus finding someone who could deliver an unbiased assessment of the equipment has taken the majority of my time.

You probably are asking yourselves--Why do we need someone to review the equipment, especially when we wrote the specifications? The equipment is obviously high technology. Not having the background nor the personnel with the technical background, i.e. electrical engineer, etc., it would almost be impossible to contest the deficiencies intelligently. Furthermore, after several meetings with Mr. John Hammett concerning the recording equipment, it became obvious that he wanted to separate himself from this matter, leaving only Mr. Wagenbach, Mr. Murphy from Harris-Lanier, and myself to find a resolution.

With my only objective--to see that the county purchases the equipment that best fits its needs--I contacted Mr. Bill Kennedy, a consultant with a Third Opinion, to provide a preliminary report which would reflect, if any, deviation from the written specifications. With no contractual agreement nor obligations with the county, he has reviewed the equipment and specifications and has submitted his report that cites various deficiencies. I would like to request that we be allowed to enter into contract with Mr. Kennedy for a final report which would be provided no later than August 31.

In today's depressed economy and also in good times, I do not feel that the county should tolerate any imcompliances from specifications, especially where the consequence would be additional disbursement of money just to bring the equipment up to the original written specifications.

Should this vendor not be able to provide the equipment as per specifications, then I suggest that the county take the proper steps to accept the equipment that does.

I thank you for your time, and I hope you will agree with this request.

Sincerely,

Daniel Kosler

Re: Proposal for Bid Specification Variations on Communication
Equipment

Mr. Kossler,

Thank you for allowing A Third Opinion to furnish a preliminary report to assist your organization in obtaining corrective action of variations from Bid Specifications on a Multi-Channel Logging Recorder and Digital Emergency Message Repeater. We will establish factual differences in a detailed report showing Mechanical and Electrical variations of the received recording equipment and the Bid Specifications.

I am sure you will find the report to be beneficial in assuring that corrective action can occur. As per our conversations it is the intent of A Third Opinion to furnish you with the detailed Report and needed testimony before any governing bodies. The Report will follow on a line item basis your specifications for ease of referral to the original Bid Specifications. Detailed findings will be furnished in terms which should be clear to most anyone reading the report. The final report will include a comparison of other manufactures equipment on the market and show their abilities and inabilities to meet the Bid Specifications.

If we can be of further assistance before the final report is submitted please feel free to call on me at 713/320-8117.

Respectfully submitted,

Bill Kennedy, Consultant

- b. A side or end load cassette mechanism will be mounted in the panel, accessible from the front of the machine. All electrical and power connections will be internal.

The cassette machine is not mounted in the panel. The electrical and audio connections are located externally and in a manner that over the life of the machine could create a failure. A rack mount cassette recorder is available from Magnasync/Moviola Corporation for this equipment.

PRELIMINARY REPORT

Variation from General Specifications on Digital Emergency
Message Repeater

Page 7

Section 1

- a. The equipment shall be designed to continuous duty operations, provide solid state storage, and the ability to simultaneously play back a message through the playback channel and record an incoming message through the record channel.

The equipment is not capable of simultaneous playback and record. The dispatcher(s) do not have the ability to record an incoming call while another message is being played back.

- e. Battery back-up shall be provided that allows full operational abilities of the digital message repeater for a minimum of ten minutes after complete loss of the main A/C power source.

There is no battery back-up. The equipment will lose all data stored in memory with a primary power source failure.

Re: Percentage Variance from Bid Specifications

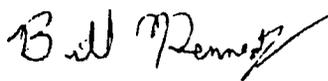

Dear Daniel,

Of the total subsections from the Bid Specifications there are approximately twenty (20) percent which the delivered Logging Track Recorder fail to meet, either partially or entirely.

Of the total subsections on the Digital Message Repeater approximately sixty-two (62) percent of those specifications are not met by the delivered equipment.

These percentages will be further explained in the Report. Please feel free to call if you have any further questions.

Dear Judge Stavinoha:

We are pleased to submit the proposed professional services agreement between Fort Bend County and our firm to perform the feasibility study of the possible purchase of Hull Airport. This agreement incorporates the work program, schedule and professional fee as described in our proposal dated August 5, 1987.

The scope of services was reviewed with the Houston Airports District Office of the Federal Aviation Administration in a meeting on August 18, 1987. The FAA's concurrence with the work program was stated verbally by Ms. Bonnie Baskin during the meeting, and a letter approving the work program has been sent to you by the FAA.

If any changes in the agreement are needed, please call me or Mike McAnelly. Please return one original copy of the signed agreement for our files.

We appreciate the opportunity to perform this important study for Fort Bend County.

Sincerely,

STATE OF TEXAS X

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF FORT BEND X

This Contract is entered in this _____ day of _____, 1987, by and between the PARTIES hereto, Fort Bend County, Texas, hereinafter referred to as the "COUNTY", and Wilbur Smith Associates, Inc., a Delaware Corporation, hereinafter referred to as the "CONSULTANT". In accordance with the terms and conditions set forth herein, the PARTIES hereto agree as follows:

ARTICLE I. COVENANT

The CONSULTANT agrees to perform the technical and professional services for a feasibility study of the potential acquisition of Hull Airport by Fort Bend County. The services to be performed are described in the Scope of Services in Article II of this Contract. Such services shall be performed in accordance with the terms of this Contract and for the consideration stated herein. The CONSULTANT agrees to furnish and supervise personnel with professional qualifications, skills and expertise required to perform the scope of services.

ARTICLE II. SCOPE OF SERVICES

The CONSULTANT shall perform and carry out in a manner satisfactory to the COUNTY the services necessary to accomplish the work and submit the reports described in the Scope of Services in Appendix A, which is incorporated herein by reference and is hereby made a part of this contract.

ARTICLE III. TIME OF PERFORMANCE

0033

The CONSULTANT agrees to commence work on this project within five (5) days after receipt of written Notice to Proceed from the COUNTY. All services under the Contract shall be completed within ninety (90) days thereafter, unless modified in accordance with Article IV.

ARTICLE IV. TIME EXTENSIONS

The CONSULTANT may request in writing an extension of the time of completion beyond the time of performance specified in Article III, and the COUNTY may extend the contract time if it so warrants. The COUNTY shall promptly process all such time extension requests and advise the CONSULTANT within fifteen (15) days of its decision.

ARTICLE V. COMPENSATION

The COUNTY agrees to compensate the CONSULTANT for professional services performed under the terms of this contract by the payment of a total fee of Thirty Thousand (\$30,000) Dollars.

The CONSULTANT shall submit invoices to the COUNTY as the work is completed. The feasibility study report shall be submitted in accord with the project schedule. Following submittal of the report to the COUNTY, a payment request of 90 percent or \$27,000 shall be invoiced by the CONSULTANT for payment by the COUNTY. Final payment of the remaining 10 percent or \$3,000 shall be invoiced by the CONSULTANT and paid by the COUNTY following written acceptance of the report by the COUNTY.

ARTICLE VI. OWNERSHIP OF MATERIALS

All maps, data, reports, research, and graphic presentation materials prepared by the CONSULTANT as part of the services under

AS PER ORIGINAL

this Contract shall become the property of the COUNTY upon the completion of this Contract.

ARTICLE VII. FUNDING

Funding for this project has been provided by a planning grant from the Federal Aviation Administration under the Airport Improvement Program, Airport and Airways Improvement Act of 1982.

All reports, maps and other documents completed as a part of the Contract shall carry the following notation on the front cover or a title block on the face of maps:

Preparation of this report has been financed in part by a grant from the Federal Aviation Administration of the U.S. Department of Transportation under the Airport Improvement Program, Airport and Airways Improvement Act of 1982.

ARTICLE VIII. GENERAL REQUIREMENTS

- A. Equal Employment Opportunity In connection with the execution of this Contract, the CONSULTANT shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, or national origin. The CONSULTANT shall take affirmative actions to ensure that applicants are employed, and that employees are treated, during their employment, without regard to their race, religion, color, sex, age, or national origin. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONSULTANT further agrees to insert a similar provision in all subcontracts, except subcontracts for standard commercial supplies or raw materials.

AS PER ORIGINAL

- B. Interest of Members of Congress. No member of or delegate to the Congress of the United States shall be admitted to any share or part of this Contract or to any benefit arising therefrom.
- C. Interest of Public Officials. No member, officer, or employee of the public body or of a local public body during his tenure or for one year thereafter shall have any interest, direct or indirect, in this Contract or the proceeds thereof.
- D. Compliance With Regulations. During the performance of this Contract, the CONSULTANT, for itself, its assignees, and successors agrees to comply with the Regulations relative to nondiscrimination in federally assisted programs of the U.S. Department of Transportation, Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.

ARTICLE XI. THE CONTRACT

- A. Changes. It is agreed that either party to this Contract may change the scope of services, time of performance, compensation, or any other provision of this Contract only in writing and approved by both the COUNTY and the CONSULTANT.
- B. Termination. It is agreed that either party to this Contract may cancel or terminate this Contract at any time by written notice by certified mail with the understanding that, after five (5) working days following receipt of written notice of termination, all work hereunder of the CONSULTANT and its employees shall cease. In the event of such termination prior to completion of the Scope of Services provided for herein, the COUNTY agrees to pay the CONSULTANT on a prorated basis for work actually performed and invoiced in accordance with the terms of this contract, less payment of any compensation previously paid.

- C. Nonassignability. The CONSULTANT shall not assign any interest in the contract nor delegate the performance of any of its duties hereunder without the written consent of the COUNTY.

- D. Venue. Venue and jurisdiction of any suit, right, or cause of action arising under or in connection with this contract shall lie exclusively in Fort Bend County, Texas.

- E. Successors and Assigns. This Contract shall apply to, be binding upon, and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

- F. Counterparts. This Contract may be executed in several counterparts, each of which shall be deemed as original.

* * * * *

IN WITNESS HEREOF, the parties hereto have executed this Contract in duplicate original at Richmond, Fort Bend County, Texas, the 24 day of August, 1987.

APPENDIX A

SCOPE OF SERVICES

AS PER ORIGINAL

A systematic work program has been developed to accomplish the Fort Bend County Airport Feasibility Study. The technical scope is organized as six tasks as described in this section. The study design emphasizes the efficient use of available information, a conservative approach to the development of basic assumptions and projections of future conditions and performances, and a high level of coordination with Fort Bend County representatives during the performance of the study.

Task 1: Review Issues and Options Concerning the Airport

Objective - Review the issues, concerns, goals and objectives relating to the study. Refine the scope of work for the study including coordination with representatives of Fort Bend County, Hull Airport, the Federal Aviation Administration (FAA), and the Texas Aeronautics Commission.

This study has very definitive purposes. It is important that the County and its Consultant mutually understand precisely what is to be accomplished. The County certainly has insights not yet available to the Consultant; similarly, Wilbur Smith Associates certainly has experience and insights that could be useful to the County.

As a result, the first task is to review the entire study with representatives of the County, Hull Airport, the FAA, and others as required. This open and candid discussion early in the study should focus on the issues and concerns of all parties.

This task will include the review of the detailed scope of work for the study with the FAA, as required by the grant agreement between Fort Bend County and FAA.

Wilbur Smith Associates will present its understanding of the study to ensure that the results respond to the objectives of the County concerning the feasibility of acquiring Hull Airport.

Task 2: Review and Collect Relevant Data

Objective - Review available information on existing and planned airport facilities and operations, historic and forecast aeronautical activity, airspace structure, existing and proposed land use in the vicinity of Hull Airport, airport environs zoning, socio-economic data, and other relevant information.

This task will be expedited by availability of the information that was already compiled and analyzed by WSA in relation to the Regional Aviation Plan recently completed for the Houston-Galveston Area Council.

- A. **Socio-economic Information** - Historic and projected socio-economic data that is relevant to the study will be analyzed. This information should be generally recognized by the County as the data to be utilized for planning purposes. Prior airport planning studies will also be reviewed in detail. Specific information for the study should include:
- Population statistics;
 - Employment data by standard industrial classification;
 - Per capita income; and
 - Comprehensive plans and zoning.
- B. **Aeronautical Activity** - Information concerning historical activity at Hull Airport was assembled and tabulated by Wilbur Smith Associates for the H-GAC Regional Aviation Plan. Activity since the completion of this prior study in 1986 will be obtained and added to the existing data base.
- C. **Existing Studies** - Copies of existing plans and studies for Hull Airport and the airport environs will be reviewed, as well as any proposed development plans near the airport.

D. Airfield Inventory - Airport drawings depicting existing conditions will be reviewed, and on-site observations conducted to supplement such drawings and identify any facilities not shown. In summary, this task will include the following:

- Airport Property - Existing maps identifying airport property will be assembled and compared to existing plats.
- Airport Facilities - Descriptions of existing airfield facilities (runway, taxiway, apron space, lighting, etc.) will be assembled. Also, the hangars, terminal and other building facilities will be inventoried in terms of configuration, use of areas, size, condition, and lease limits, if applicable.
- Aviation Activity - Data concerning past and present aviation activity will be gathered. Items of special interest will include the number of based aircraft by engine type, number of engines, and capacity. An estimate of current and historical operations and passengers will be compiled. Historic data concerning fuel consumption, storage areas, and supplies will also be compiled, if available.
- Airspace Structure - Available data concerning the airspace, air navigation aids, communication facilities, and existing airspace obstructions in the immediate airport area will be reviewed. The configuration of existing approach and clear zones will also be examined.
- Land Use - An inventory of present and proposed future land use in the vicinity of the airport will be made. Of importance will be the consideration of impacts of estimated noise exposure levels on surrounding property, and identification of property proposed to be utilized for industrial or other non-aviation related development.
- Socio-economic Data - Past, present and future socio-economic data will be obtained from local, areawide, state, and private planning agencies. Included in this effort will be the compilation of available data concerning population, employment, income, economic activity, industrial growth, alternate means of transportation, new developments, and other pertinent factors affecting airport development and aeronautical activity.

Task 3: Estimate Value of Existing Airport

0033

Objective - Estimate economic value and financial performance of Hull Airport, based on financial information to be provided by the current airport owner or the owner's Certified Public Accountant, including analyses of airport operating revenues and expenditures, estimated value of airport assets, and tax revenue implications of ownership by Fort Bend County of the airport. Audited financial statements for Hull Airport's existing operation should be utilized for this analysis and will be requested from the airport owner. Wilbur Smith Associates will review the current airport's revenue and expenditure history by item to determine the relevance of that history to both airport value and County ownership implications.

Revenues - The Consultant will investigate the airport's operating revenue situation. This would include receipts by type (tie-down fees, fuel sales, hangar rental, etc.), unit charges for each of these, dependability of such receipts, etc. Ultimately, the financial analysis would determine the viability of using the net operating revenues to pay for the local portion of the airport acquisition cost without requiring additional County investment. Furthermore, the revenue study would seek to estimate the County's revenue risk, if any, associated with the acquisition of the airport and to see if any unit charges should be revised in the County's best interests.

Expenditures - Similarly, the airport's expenses will be examined to determine what the County's expenses might be and to isolate items that might be of relevance to the possible acquisition.

Taxes - Tax revenues accruing to local governmental jurisdictions from Hull Airport will be examined to determine tax revenues from the private airport versus tax revenues if the County owns the airport. This would include, for example, personal property taxes on the aircraft based at the airport. Again, the reason is to define implications associated with County ownership.

Airport Financial Value - An estimated value of the airport will be determined utilizing several items of information:

0033

- Replacement Cost (an estimate of what it would cost the County to build another airport);
- Original Cost (amounts currently invested in the airport, based on the available information); and
- Depreciated Value (value remaining from original cost, given normal lifespan of each asset item).

Wilbur Smith Associates will review airport assets, and intends to arrange for the services of an appraiser as necessary to assist in estimating the value of items such as those listed above. This estimate is not intended to replace the potential need for a formal appraisal report that the County or FAA might also require in conjunction with the potential purchase of the airport. The preparation of a formal appraisal report, if needed, could be included in a subsequent action by Fort Bend County.

Task 4: Determine Airport's Economic Impact

Objective - Determine the estimated economic impact of Hull Airport in terms of net annual contribution to the local economy in the form of direct and indirect tax payments, direct and indirect employment, area economic development attractiveness, and other economic impacts of the airport's operation under either public or private ownership.

To determine whether or not the ownership value of the airport is beneficial to the County, it is necessary to establish the estimated economic value of the airport to the County. If the economic value of County ownership is greater than the economic value of private ownership, or if the economic value exceeds the financial value and continued private ownership is difficult or impossible, then County ownership is viable from a fiscal standpoint.

To determine this type of feasibility, Wilbur Smith Associates will estimate the net annual contribution that the airport makes to 0033 area's economy. Such a contribution is in the form of direct and indirect tax payments, direct and indirect employment, area industrial development attractiveness, and other economic impacts. Wilbur Smith Associates' economists are well versed in developing economic value estimates such as these.

To develop these impacts, selected users of the airport will be analyzed to determine why they use the airport, the extent of use, their relative dependence on it, etc. This will enable a determination of not only total beneficial impact, but also who benefits from the airport. While many studies have shown that the entire community (all residents) benefits from a general aviation airport, there are many people who believe that such airports are for the benefit of only the business aircraft owners and private plane owners who directly use the airport. This notion can be clarified in this study -- to estimate the extent to which the airport is of economic value to all County residents.

A financial analysis will also be performed to encompass the fiscal implications of the County's ownership of the airport. This analysis will examine the financial situation from the perspective of the County and its taxpayers. That is, what will the airport cost in terms of ownership and operation, and will tax receipts be increased or decreased and by what amounts.

Task 5: Develop A Recommended Plan for a Course of Action

A plan for the transfer of the airport from private ownership to the County's ownership will also be prepared. The ownership and management options will be addressed in this task. Proper organization and administration of an airport planning project is essential to a successful study effort. The following steps will be undertaken to insure that the study is completed in a well coordinated, open and participatory manner.

- The Consultant will coordinate efforts with the County's designated representative throughout the study

effort. This coordination will include review of work completed, reporting on work in progress, special problems encountered (if any), etc. 0033

- It is estimated that this study effort will include a total of four (4) formal meetings with County officials and other interested parties. The meetings are anticipated to include the following:
 1. Meeting with County, Hull Airport and FAA Houston Airport District Office officials to review the detailed work program prior to notice to proceed;
 2. Presentation of preliminary analysis of airport economic impact financial value, and ownership options to County Commissioners Court;
 3. Meeting with County officials to discuss in detail the study results and the appropriate course of action; and
 4. Presentation of final study report to Commissioners Court.

The Consultant will prepare for, attend, make presentations, and answer questions at each of these meetings.

Task 6: Present Study Findings and Final Report

Objective - Prepare a study report documenting the findings of the economic and financial feasibility analyses of potential ownership of Hull Airport by Fort Bend County.

This will include:

- Operating Costs - To the extent that implementation of the program will affect airport operating costs, e.g., maintenance, utilities, such estimated effects will be quantified on an annual basis;
- Operating Revenues - To the extent that implementation of the program will affect estimated airport revenues, e.g., parking, landing, hangar space, fuel flowage, leases, or other fees, such effects will be quantified on an annual basis;
- Capital Income - Possible income to the County will be estimated for aviation-related activity or other development as identified feasible in this plan;

- Capital Investment Sources - In the event that the airport might not solely use operating funds or capital income as identified above to pay for all of the local acquisition cost, analyses will be undertaken to determine appropriate methods for funding. The expected federal and local shares will be specified and sources of the necessary local shares will be explored. Such funding sources could include revised fee and lease arrangements, debt financing, and other sources of income or grants.
- Pro Forma Statement - Utilizing reasonable methods of financing, a pro forma income statement will be prepared for selected years. These will superimpose the estimated costs and revenues associated with the airport operation over the existing airport financial statements. Pro forma financial statements are estimated financial statements provided in advance of actual observation. In the case of this study, the estimated income statements that will gauge the airport's capacity and method of paying for the proposed capital acquisition program. Such accounting procedures require considerable calculations in order to be realistic -- since it is these statements that depict the financial viability of the overall airport program.

At this stage, the Consultant will determine the recommended course of action that the County should take. The Consultant will prepare the necessary feasibility and impact calculations and will be prepared to explain what it believes to be the best approach to the studied issues.

The Consultant will meet with the County to discuss in detail the various options and approaches. The County will be asked to comment on the options and the Consultant's conclusions. While a final conclusion will not necessarily be reached by the County at this point, some guidance would be desired so that the remainder of the Consultant's work is in fact tailored to the County's thinking and desires.

The Consultant will provide twenty-five (25) copies of the final "Fort Bend County Airport Feasibility Study". Additional copies of the study documentation would be provided to the County upon request for the cost of providing them.

Re: S.B. 320

Dear Dianne:

Under the above Statute, I believe you are correct that the minimum County Law Library Fee should be \$10.00. I support raising our current fees from \$4.00 to the minimum statutory amount of \$10.00, but no further. I do not believe that it is necessary or wise to increase the fees simply to create a surplus. The fees that will be generated by the minimum statutory amount should be sufficient for the next calendar year.

Thank you very much for bringing this to my attention.

Very truly yours,

INTERLOCAL AGREEMENT BETWEEN
THE COUNTY OF FORT BEND AND
THE COUNTY OF MATAGORDA

This interlocal agreement is entered into between the County of Fort Bend, hereinafter referred to as "Fort Bend", and the County of Matagorda, hereinafter referred to as Matagorda County.

WHEREAS, Matagorda County desires Fort Bend assistance in housing of juveniles at the Fort Bend County Juvenile Detention Center;

WHEREAS, the governing body of Matagorda Co. has duly authorized this agreement;

WHEREAS, Fort Bend desires to assist/ Matagorda County in the housing of juveniles in the Fort Bend County Juvenile Detention Center;

WHEREAS, the governing body of Fort Bend has duly authorized this agreement; and,

WHEREAS, this agreement is made pursuant to and under the provisions of Article 4413 (32c), Vernon's Texas Civil Statutes.

NOW, THEREFORE, the County of Fort Bend and the County of Matagorda mutually agree as follows:

1. The cost of housing juveniles in the Fort Bend County Juvenile Detention Center will be \$55.00 per day per person, which will include three meals per day and one snack. Fort Bend will bill Matagorda County monthly for the payment of said housing and any other costs incurred, pursuant to this interlocal agreement, and said bill will be paid by Matagorda County to Fort Bend within (30) days of receipt of same.
2. It is understood and agreed between the parties hereto that Fort Bend County Juvenile Department will not accept any first or second time runaways nor truants.
3. All cost of transportation shall be paid by the transferring agency and/or Matagorda Co., which includes, but is not limited to, all transportation to doctors, medical clinics, and court. Provided, however, in the event of any emergency medical assistance, a juvenile housed by Fort Bend, pursuant to this agreement, may be transferred by Fort Bend for doctor, medical treatment, and/or court appearances, with Matagorda County being responsible for any and all medical, hospital, emergency room, and drug costs pertaining to same.
4. Under no instance will Fort Bend be responsible for any cost, whatsoever, incurred by a juvenile housed pursuant to this agreement, or in behalf of such juvenile, at any time such juvenile, is housed in the Fort Bend County Juvenile Detention Center.
5. At the time the juvenile is transferred to Fort Bend, pursuant to this agreement, an authorization for emergency medical care must be forwarded with such juvenile, signed, witnessed, and notarized by the parents and/or guardians, and in addition thereto, the placing agency.

6. It is understood and agreed between the parties that it will be the responsibility of Matagorda Co. (and not Fort Bend) to pick up and transfer any and all juveniles under their jurisdiction being held in Fort Bend County Juvenile Detention Center, pursuant to this agreement, for any adjudication hearing, detention hearing, or any other Court appearance.
7. It is understood and agreed between the parties that Fort Bend is not, and will not be, responsible for keeping track of any court appearances of the juveniles from Matagorda County being held, pursuant to this agreement.
8. The visitation of juveniles in Fort Bend County Juvenile Detention Center is Tuesdays and Thursdays between 2 and 4 p. m., with no visitation on week-ends nor visitation on holidays.
9. It is understood and agreed between the parties that Fort Bend County retains the absolute right to refuse to accept any juvenile, with or without reason, and it is further understood and agreed, that Fort Bend has a right to request that any juvenile detained, pursuant to this agreement, be removed by Matagorda Co. upon ten (10) hours notice.
10. It is further understood and agreed that any officer who brings a juvenile to Fort Bend County Juvenile Detention Center must stay with such juvenile until the juveniles has been processed into said center.
11. It is understood and agreed that this agreement may be terminated by either party at any time.
12. It is understood and agreed that this agreement automatically terminates on _____.

COUNTY OF FORT BEND

A G R E E M E N T

Pursuant to authority contained in Sections 2.13 and 2.17, Article 5547-202, Vernon's Texas Civil Statutes, the Austin State Hospital, a facility of the Texas Department of Mental Health and Mental Retardation, hereinafter called HOSPITAL, acting by and through its Superintendent, and the Fort Bend County, Texas, hereinafter called FORT BEND COUNTY, acting by and through its Commissioners' Court, jointly agree to provide mental health services to residents of Fort Bend County, Texas, in conformity with the following terms and conditions:

I

FORT BEND COUNTY agrees to employ one full-time Deputy Sheriff who will be a Mental Health Deputy. FORT BEND COUNTY further agrees that the Sheriff's Department budget and Personal Services Schedule shall reflect that this contract increases the total number of deputies by one (1) full-time position.

Selection of the Mental Health Deputy for this contract shall be by mutual agreement between HOSPITAL and FORT BEND COUNTY, with either party having the right to reject any candidate. The Mental Health Deputy, shall be an employee of FORT BEND COUNTY and will be governed by the personnel policies of FORT BEND COUNTY.

A detailed job description with performance measures shall be designed by FORT BEND COUNTY with consultation from HOSPITAL and performance evaluations will be made in the same manner at three (3) months, six (6) months, one (1) year, and annually thereafter.

Training in law enforcement shall be the responsibility of FORT BEND COUNTY. Initial training and ongoing inservice training in the Mental Health field shall be the responsibility of HOSPITAL. Each of the parties shall cooperate to facilitate the required training.

I (cont.)

0033

While on duty, the Mental Health Deputy shall be assigned all calls involving known patients and/or former patients of HOSPITAL, or of the Fort Bend Mental Health Center. In addition, the Mental Health Deputy shall be assigned to those calls which by their nature appear to involve a mentally ill person. Except in emergency situations, the Mental Health Deputy shall not be assigned the duty of transporting patients to HOSPITAL. The Mental Health Deputy shall be provided the opportunity to train and to impart his/her knowledge to other officers of the Sheriff's Department, the various City Police Departments, Magistrates, and others in FORT BEND COUNTY.

The Mental Health Deputy shall work closely with the Director and staff of the Fort Bend County Mental Health Center, and the staff of HOSPITAL with a view toward preventing unnecessary hospitalizations and utilizing other appropriate alternatives.

II

HOSPITAL agrees to pay FORT BEND COUNTY for the services described above an amount not to exceed \$31,209 for any Fiscal Year. Payment under this agreement shall be made quarterly and in advance by HOSPITAL to FORT BEND COUNTY upon submission by FORT BEND COUNTY of a State of Texas Purchase Voucher. Payment shall be at the rate of \$2,028.00 per month or \$24,336.00 per year for salary, and allowance for fringe benefits of \$572.75 per month, or \$6,873.00 per year.

III

The AGREEMENT is in effect from September 1, 1987 through August 1, 1989, unless terminated by either party.

Payment under this AGREEMENT is contingent upon the availability of **0033** appropriated funds.

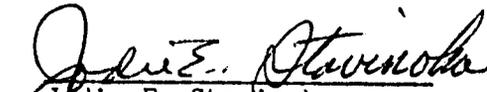

Either party may terminate this AGREEMENT after giving thirty (30) days written notice of the intent to terminate to the other party.

payment of which, well and truly to be made, we do hereby bind ourselves, our heirs
executors, administrators and successors, jointly and severally and firmly by these
presents:

THE CONDITION OF THIS BOND IS SUCH THAT, WHEREAS, the above bounden principal
contemplates laying, constructing, maintaining and/or repairing one or more cables,
conduits and/or pole lines in, under, across and/or along roads, streets and highways
in the County of Fort Bend, and the State of Texas, under the jurisdiction of the
Commissioners Court of Fort Bend County, Texas, pursuant to the Commissioners Court
order adopted on the 1st day of December, A.D., 1980, recorded in Volume 13, of the
Commissioners Court Minutes of Fort Bend County, Texas, regulating same, which
Commissioners Court order is hereby referred to and made a part hereof for all
purposes as though fully set out herein;

AND WHEREAS, the principal desires to provide Fort Bend County with a perfor-
mance bond covering all such cable, conduit and/or pole line activity.

NOW, THEREFORE, if the above bounden principal shall faithfully perform all
its cable, conduit and/or pole line activity (including, but not limited to, the
laying construction, maintenance and/or repair of cables, conduits and/or pole lines)
in, under, across and/or along roads, streets and highways in the County of Fort Bend
and State of Texas, under the jurisdiction of the Commissioners Court of Fort Bend
County, Texas, pursuant to and in accordance with the minimum requirements and con-
ditions of the above mentioned Commissioners Court order set forth and specified

§

COMPROMISE SETTLEMENT AGREEMENT

THIS AGREEMENT IS by and between the ESTATE OF SYLVESTER LEE, DECEASED, CAROLYN ANN LEE, individually and as representative of the Estate of Sylvester Lee, Deceased, who resides at 1000 Ferry Street, City of Richmond, County of Fort Bend, State of Texas, and KATHERINE M. LEE, individually and as representative of the Estate of Sylvester Lee, Deceased, who resides at 1800 F.M. 1640, Apt. 1106, City of Richmond, County of Fort Bend, State of Texas (hereinafter referred to as Plaintiff) and the COUNTY OF FORT BEND, TEXAS, GUS GEORGE, ROGER S. PAVELKA, LESTER PHIPPS, JOHN FONT, and DORA GRAY, L.V.N. (hereinafter referred to as Defendant).

WHEREAS, SYLVESTER LEE was a prisoner on or about January 28, 1984 at the Fort Bend County Jail at which time he was injected with librium and thereafter he became semi-conscious and was transported to Polly Ryon Memorial Hospital, and shortly thereafter, he was transported by Life Flight to Hermann Hospital, where he remained in a comatose condition until his death on June 30, 1984; and,

WHEREAS, Plaintiff has heretofore caused to be filed a lawsuit entitled Carolyn Ann Lee, et al vs. Fort Bend County, Texas, et al, Civil Action No. H-86-2563 in the United States District Court for the Southern District of Texas, Houston Division; and,

WHEREAS, Plaintiff has heretofore caused to be filed a lawsuit entitled Estate of Sylvester Lee, et al vs. County of Fort Bend, Texas, et al, Cause No. 52,041 in the 240th Judicial District Court of Fort Bend County, Texas; and,

WHEREAS, bona fide disputes and controversies exist between the parties, both as to liability and the amount thereof, if any, and by reason of such disputes and controversies the parties hereto desire to compromise and settle all claims and causes of

action of any kind whatsoever which Plaintiff has or may have in the future arising out of such occurrence and intend that the full terms and conditions of the compromise and settlement be set forth in this compromise settlement agreement; and

NOW, THEREFORE, for and in consideration of the recitals set forth above, the sum of Thirty Thousand and No/100 Dollars (\$30,000.00), the receipt and sufficiency of which is hereby acknowledged, Plaintiff has this day released and by these presents does release, acquit, and forever discharge the County of Fort Bend, Texas, Gus George, Roger S. Pavelka, Lester Phipps, John Font and Dora Gray, their agents, servants, and employees, and all persons, natural or corporate, in privity with them or any of them, from any and all claims or causes of action of any kind whatsoever, at common law, statutory or otherwise, which Plaintiffs have or might have, known or unknown, now existing or that might arise hereafter, directly or indirectly attributable to the above-described occurrence, it being intended to release all claims of any kind which Plaintiff might have against those hereby released, whether asserted in the above-captioned suit or not.

It is expressly understood and agreed that the terms hereof are contractual and not merely recitals and that the agreements herein contained and the consideration transferred is to compromise doubtful and disputed claims, avoid litigation, and buy peace, and that no payments made nor releases or other consideration given shall be construed as an admission of liability, all liability being expressly denied.

It is further understood and agreed that the Plaintiff will present to the 240th Judicial District Court above designated an agreed order in the form attached hereto and labeled Exhibit A, dismissing such Cause No. 52,041 in all respects and with prejudice to the rights of Plaintiff to refile same or any part thereof, and that all costs of suit are to be taxed against party incurring same, and it is further understood and agreed that Plaintiff will present to the United States District Court for the southern District (Houston Division) above designated an agreed order dismissing Cause No. H-86-2563 in all respects and with prejudice to the rights of Plaintiff to refile same or any part thereof, and that all costs of suit are to be taxed against party incurring same.

It is further understood and agreed that Plaintiff has read this agreement and fully understands it to be a compromise and settlement and release of all claims, known or unknown, present or future, that they have or may have against the party or parties released, arising out of the matters described. Plaintiff warrants that they are of legal age and legally competent to execute this agreement, and that they do so of their own free will and accord without reliance on any representation of any kind or character not expressly set forth herein.

IN WITNESS WHEREOF, the parties have executed this agreement on the 21st day of August, 1987.

Fort Bend County Commissioners' Court

Dear Commissioners and Judge Stavinoha:

The amount remaining in my fees and services line item is approximately \$3,000.00 as of this date. I am holding requests totaling nearly \$8,000.00 to be paid from that line item. As we discussed in the budget hearing several weeks ago, I only budgeted for 1987 50 percent of the 1986 fees and services line item with the other 50 percent then being available for County Court At Law No. 2. Apparently, a greater number of indigent cases in 1987 have ended up in my court than I had anticipated when I presented the 1987 budget. For that reason, I have requested a budget amendment to add \$15,000.00 to my fees and services line item, which I am hopeful will allow me to finish the year.

As you know, my only control is over each individual request for indigent attorneys' fees. I have little control over the total number of indigents who ultimately appear in court.

Thank you for your consideration.

Very truly yours,

A handwritten signature in cursive script that reads "Thomas R. Culver, III".

Re: Department of Human Resources Agreement with
Fort Bend County

Gentlemen:

By this letter of explanation of the above referenced agreement, I request same be placed on Commissioners' Court agenda for Monday, August 31, 1987 for formal approval.

Attached is an agreement with the Texas Department of Human Resources whereby they will pay the county for "welfare fraud" cases presented by the Criminal District Attorney's office.

This office has presented these cases in the past without reimbursement. The reimbursement will be deposited into the general fund of the county. At this time, we handle only about 10 cases a year. I anticipate with this agreement, the case-load will increase slightly.

Sincerely,

A handwritten signature in black ink, appearing to read "Sam W. Dick".

AGREEMENT WITH
FORT BEND COUNTY

The Texas Department of Human Resources, hereinafter referred to as the Department, Fort Bend County, Texas, hereinafter referred to as the county, and Sam W. Dick, hereinafter referred to as the Prosecuting Authority, hereby enter into this agreement for the mutual consideration set forth below.

I

THE TEXAS DEPARTMENT OF HUMAN RESOURCES AGREES:

- A. To conduct investigations into allegations of food stamp fraud/theft and other food stamp violations.
- B. To submit written documented case reports in the format required for making prosecutorial decisions to the Prosecuting Authority.
- C. To provide the necessary Texas Department of Human Resources records and appropriate staff as witnesses in court when referred cases are being prosecuted.
- D. To notify the Prosecuting Authority of any case in which court ordered restitution payments are 60 days delinquent or have not been made.
- E. To pay the County in the following amounts for prosecutorial activities involving food stamp fraud/theft cases referred by the Department to the Prosecuting Authority whether the case is a felony or misdemeanor.
 1. Two hundred seventy-seven dollars and fifty cents (\$277.50) for each case in which a defendant who is prosecuted under this contract is sentenced following an uncontested, nolo contendere or guilty plea before a court of appropriate jurisdiction; and
 2. Six hundred forty-five dollars (\$645.00) for each case in which a defendant is prosecuted under this contract pursuant to a contested trial before a court of appropriate jurisdiction.

II

THE PROSECUTING AUTHORITY AGREES:

- A. To review and evaluate cases referred by the Department for appropriate judicial action.
- B. To prepare complaints, informations and/or indictments and present for trial cases which are in his judgement suitable for prosecution.
- C. To recommend to the court if probation is to be granted, that the following actions be taken in addition to other recommendations considered appropriate by the Prosecuting Authority.

1. The individual be ordered to make restitution to the Texas Department of Human Resources, Office of the Inspector General for the amount of food stamp benefits unlawfully obtained.
 2. To take appropriate action against individuals who fail to comply with court ordered restitution upon notification from the Department.
 3. To request payment for services on the form provided by the Department and to identify each charge by use of the case name and case number provided by the Department. The date the disposition was obtained will be identified for each defendant.
- D. To make available at reasonable times and for reasonable periods, books, records, and supporting documents kept current by the Prosecuting Authority, pertaining to this agreement for purposes of inspecting, monitoring, auditing, or evaluating by the Department personnel, its representatives, or the United States Department of Agriculture.
- E. To be responsible for any audit exception or other payment deficiency under Paragraph I (E) for which the Prosecuting Authority is legally responsible under this agreement which is found to exist after monitoring or auditing by the Department, or the United States Department of Agriculture, and to be responsible for the collection and proper reimbursement of any amount paid in excess of the proper billing amount under Paragraph I (E).
- F. To comply with the Civil Rights Act of 1964, as amended, in giving equal opportunity without regard to race, color, creed, sex, or national origin. The prosecuting Authority further agrees not to discriminate against any qualified handicapped person seeking employment or services.

III

The county agrees to make available to the Prosecuting Authority resources sufficient to enable the Prosecuting Authority to carry out the terms of this agreement.

IV

The parties mutually agree to the following general terms and conditions:

- A. Payment in the amounts specified in Article I, Paragraph E, is due the Prosecuting Authority under this agreement when a defendant receives a deferred adjudication of guilt from the court or straight probation or on final conviction.
- B. The rates listed in Article I, Paragraph E, subparagraphs 1 and 2, are statewide rates set by the Board of Human Resources and shall be in effect until amended by the Board of Human Resources, in which event the Department shall notify the County and the Prosecuting Authority of such statewide rates and the County and the Prosecuting Authority shall have thirty days in which to agree to the new rates or terminate this agreement.

- C. This agreement is subject to the availability of state and/or federal funds and if such funds become unavailable, or if the total amount of funds allocated for this agreement should become depleted during any budget period and the Department is unable to obtain additional funds for such purposes, then by written notice the agreement will be terminated, or payment will be suspended, or funding will be reduced, as specified in the written notice.
- D. If the federal or state laws or other requirements are amended or judicially interpreted so as to render continued fulfillment of this agreement, on the part of either party, substantially unreasonable or impossible, or if the parties are unable to agree upon any amendment which would therefore be needed to enable the substantial continuation of the services contemplated herein, the parties shall be discharged from any further obligations created under the terms of this agreement except for the equitable settlement of the respective accrued interests or obligations incurred up to the date of termination.
- E. This agreement may be cancelled by mutual consent; however, if such mutual consent cannot be attained, either party to this agreement may consider it to be cancelled by the giving of thirty (30) days notice in writing to the other party and this agreement shall thereupon be cancelled upon the expiration of such thirty (30) day period. However, should the Department elect to cancel this agreement, the County will be paid in accordance with this agreement upon completion of any outstanding cases.

This agreement is effective on _____ and shall continue indefinitely subject to termination as outlined above.

AMENDMENT TO THE
AGREEMENT FOR
FOOD STAMP VIOLATION PROSECUTION

I.

The Texas Department of Human Resources, hereinafter called the Department, the undersigned County (hereinafter called the County), and the undersigned Prosecuting Authority, entered into an agreement for funding of prosecution of food stamp violations. The Department and the County hereby agree to amend such agreement to add one item for which funding is available.

II.

A. Article I is amended by adding the following new Paragraph F:

F. To pay the county the amounts specified in Article I, Paragraph E above for prosecution of AFDC fraud/theft cases when such cases are prepared separately from a food stamp case for the same defendant. However, when an AFDC case is prepared in conjunction with a companion Food Stamp case, the county shall be paid only the amount specified in Paragraph E, subparagraphs 1 or 2, as appropriate.

B. Article II, Paragraph C, subparagraphs 1 and 2, are amended to read as follows:

1. The individual be disqualified from participation in the Food Stamp Program as provided in Section 6(b) of the Food Stamp Act for violations of that Act.
2. The individual be ordered to make restitution to the Texas Department of Human Resources, Office of the Inspector General, for the amount of Food Stamp or AFDC benefits unlawfully received.

C. Article II, Paragraph D, is amended to read as follows:

To make available at reasonable times and for reasonable periods, books, records, and supporting documents kept current by the Prosecuting Authority, pertaining to this agreement for purposes of inspecting, monitoring, auditing, or evaluating by the Department personnel, its representatives, the United States Department of Agriculture, or the United States Department of Health and Human Services, not including the case file. This in no way gives either Department the authority to direct or supervise the prosecution of the case.

D. Article II, Paragraph E, is amended to read as follows:

To be responsible for any audit exception or other payment deficiency under Paragraph I (E) for which the Prosecuting Authority is legally responsible under this agreement which is found to exist after monitoring or auditing by the Department, the United States Department of Agriculture, or the United States Department of Health and Human Services, and to be responsible for the collection and proper reimbursement of any amount paid in excess of the proper billing amount under Paragraph I (E).

All terms and conditions not specifically amended are continued in full force and effect.

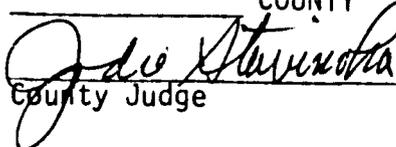

This amendment shall be effective on _____, 19____.

Please find enclosed the above stated report for your review.

Following the consultant's report are the bid specifications, highlighted are the items which show some, if not total deviation.

I would like to suggest, after much consideration, that the County reject this equipment because of default, and award the bid to the bidder who can meet the specifications. The Harris Lanier Corporation has had the specifications for a few months now and have failed to meet the black on white specifications. Any additional time would only benefit them, not the taxpayers of the county.

A copy will be forwarded to Mr. Wagenbach, Mr. Hammett, and the Lanier Corporation for their review.

As a matter of information, I will be out of the county Thursday, Friday, Saturday, and Sunday. Should you have any questions pertaining to this topic, please contact Mr. Rick Robertson, Communications and Inventory Control Supervisor.

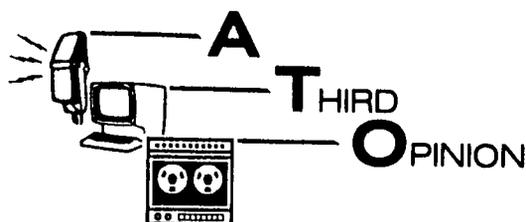

Sincerely,

Daniel Kosler

Dear Mr. Kosler:

Please find enclosed our report on the Harris/Lanier multi-channel logging recorder and digital emergency message repeater.

As a brief summary, we have found after a very careful comparison of the bid document requirements and the specifications of the equipment installed, several significant differences. We have stated these in the form of percentages for easy reference.

On the multi-channel logging recorder, there were 46 bid items and 10 of these were not met, a 20% difference.

On the digital emergency message repeater, there were 29 bid items and 19 of these were not met, a 65% difference.

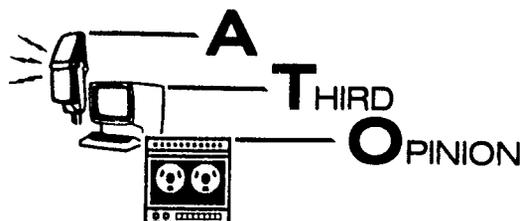

We reviewed the other products available on the market and found that only one meets the entire bid specification for the multi-channel logging recorder or the digital emergency message repeater, however there are several that better meet the bid requirements for the digital emergency message repeater.

Thank you very much for utilizing one of the many services available from *A Third Opinion*. Our invoice is enclosed for processing. We look forward to assisting you again.

Respectfully submitted,

William O. Kennedy,

PROJECT OVERVIEW AND STATEMENT

A *Third Opinion* (ATO) has been retained by The County of Fort Bend, Texas to determine the compliance of a vendor, Harris/Lanier, with the bid specifications concerning the installation of voice logging equipment for the EMS. ATO is not prepared to recommend any vendors equipment over another. We are a neutral third party who is examining the vendors equipment for compliance only, not the merits of the equipment.

ATO representatives, *William Kennedy* and *Mark Allen* have personally visited the installation site and examined the equipment in question. The results contained herein are those obtained from the following sources, personal inspection, manufactures' supplied manuals, interviews with EMS personnel, Fort Bend County bid documents, and sales information.

QUALIFICATIONS OF THE EXAMINERS

Mark S. Allen

Mr. Allen has been in the communications industry since 1969. He is a well known author of articles for trade publications and public speaker. Mr. Allen has two Bachelors of Science degrees. One in communications and one in electrical engineering. In addition he holds an FCC first class license and engineering license #E000263.

Mr. Allen has testified on numerous occasions as an expert witness in both local and federal courts, he has submitted many documents and studies to the FCC and his qualifications as an engineer are a matter of record with the Commission.

Mr. Allen has personally installed on several occasions the same general type of equipment in question

William O. Kennedy

Mr. Kennedy has been involved with various aspects of the communications and EMS field since 1976 and is currently active in same. He has designed and overseen installation of seven major communications centers in the Texas area, including, FM 1960 Area Emergency Communications Center, Cy - Fair Fire Department, and North Harris County Fire and EMS Dispatch Center.

Mr. Kennedy enjoys an excellent reputation with many major equipment manufacturers, and EMS departments throughout the country. He has been employed by various communications companies as a Technician and Installation Foreman. He in addition, has been the Communications Director for the FM 1960 Area Comm. Center.

VARIATIONS FROM GENERAL SPECIFICATIONS
FOR
MULTI-CHANNEL LOGGING RECORDER
COUNTY OF FORT BEND TEXAS
EMERGENCY MEDICAL SERVICE

0033

In the general bid specifications, there are 46 line specified items called for. Our analysis indicates some degree of variation on 10 of the 46 items. These vary from minor to major. This number represents approximately a 20% total variation.

We will outline here a point by point discrepancy between the Harris/Lanier(HL) unit installed presently and the called for specifications.

Bid Spec # 2/2/h....Format=Page 2/ Section 2/ Item h

Variation: No "CUE" control button as called for.

Bid Spec # 3/2/k

Variation: Exceeds the 1.5 watt requirement. HL unit provides 4 watt output.

Bid Spec # 3/2/l

Variation: A/B play switch does not operate in conjunction with a linear fluorescent meter as called for.

Bid Spec # 3/2/m

Variation: No monitor meter, as required by specification.

Bid Spec # 3/2/n

Variation: No linear fluorescent meter to display record bias level.

Bid Spec # 4/4/b

Variation: No accessory storage cabinet provided.

Bid Spec # 4/7/a

Variation: Cassette recorder provided is not "built-in" as called for in the specifications.(See Engineers comments at conclusion)

Bid Spec # 4/7/b

Variation: Cassette mechanism is not mounted "in" the panel and the electrical connections are not internal.

Bid Spec # 4/7/c

Variation: Only audio sources from the lower tape unit may be recorded on the cassette deck, not "all" audio as specified.

Bid Spec # 5/7/i

Variation: The eject process for the cassette deck causes the cassette tape to completely separate from the mechanism and falls to the floor. The specification calls for the cassette tape to not exit the mechanism.

EXAMINING ENGINEERS COMMENTS AND OPINIONS

1. Cassette deck mounted on the front of the unit is attached by means of adhesive tape. The associated wiring is routed between two seams in the front of the deck. One side of the seam is the bottom tape unit which is designed by H/L to be pivoted out. This action over a period of time will cause chafing of the wires and failure of the unit. Additional damage could occur if said wires were to come into contact with other electronic devices in the cabinet. It is our knowledge that several cassette decks of the "rack mount" variety designed for this purpose are readily available. The wires once inside the cabinet are attached by means of black electrical tape rather than by mechanical means. The adhesive tape used will probably fail to secure the unit with the onset of age and heat.
2. Metering devices as called for but not provided are available, as we understand, from several sources.
3. Wires within the cabinet are improperly routed. Audio level lines, even though shielded, should never be run parallel with and on top of AC electrical service lines. This practice tends to cause AC hum on audio level circuits.
4. The manufacturer has suggested in writing, that the space in the bottom of the cabinet may be utilized as storage. We feel due to the presence at that location of batteries and transformers, any tape placed in that area, may be subject to damage from stray magnetic fields and/or heat generated by the transformers.

VARIATIONS FROM GENERAL SPECIFICATIONS
FOR
DIGITAL EMERGENCY MESSAGE REPEATER
COUNTY OF FORT BEND TEXAS
EMERGENCY MEDICAL SERVICE

0033

In the general bid specifications, there are 29 line specified items called for. Our analysis indicates some degree of variation on 19 of the 29 items. These vary from minor to major. This number represents approximately a 65% total variation.

We will outline here a point by point discrepancy between the Harris/Lanier(HL) unit installed presently and the called for specifications.

Bid Spec # 7/1/a Format = Page 7/ Section 1/ Item a

Variation: Unit as installed will not simultaneously play back a stored message and record an incoming message.

Bid Spec # 7/1/b

Variation: Unit does not consist of two separate parts as called for.

Bid Spec # 7/1/c

Variation: Maximum configurable record time is 16 minutes not 20 as called for in the specifications.

Bid Spec # 7/1/d

Variation: Unit will not assign priority to incoming messages and automatically start when audio is present as called for.

Bid Spec # 7/1/e

Variation: No battery back-up is installed.(Verified by physical inspection and test)

Bid Spec # 7/1/f

Variation: Unit does not contain diagnostic software and circuitry.

Bid Spec # 7/1/g

Variation: Unit is presently not suitable for mounting in a standard EIA rack.

Bid Spec # 7/1/h

Variation: The unit does not contain an "LCD" display to provide the required information as called for.

Bid Spec # 8/1/i

Variation: No display provided to be backlighted.

Bid Spec # 8/1/j

Variation: Unit does not contain control buttons "set" and "time".

Bid Spec # 8/1/l

Variation: Unit does not provide a display of time as associated with the playback message.

Bid Spec # 8/1/n

Variation: There is no message index time line displayed as called for.

Bid Spec # 8/1/o

Variation: There is no playback index time line display as called for.

Bid Spec # 9/1/r

Variation: No feature provided to allow saving of a message for future referral without the loss of it by being recorded over by another message.

Bid Spec # 9/1/s

Variation: Unit not so equipped.

Bid Spec # 9/1/u

Variation: No internal clock as called for.

Bid Spec # 9/2/d

Variation: Called for feature not equipped.

Bid Spec # 10/2/e

Variation: Called for feature not equipped.

Bid Spec # 10/2/f

Variation: Unit does not provide the called for number of cassette output jacks.

EXAMINING ENGINEERS COMMENTS AND OPINIONS

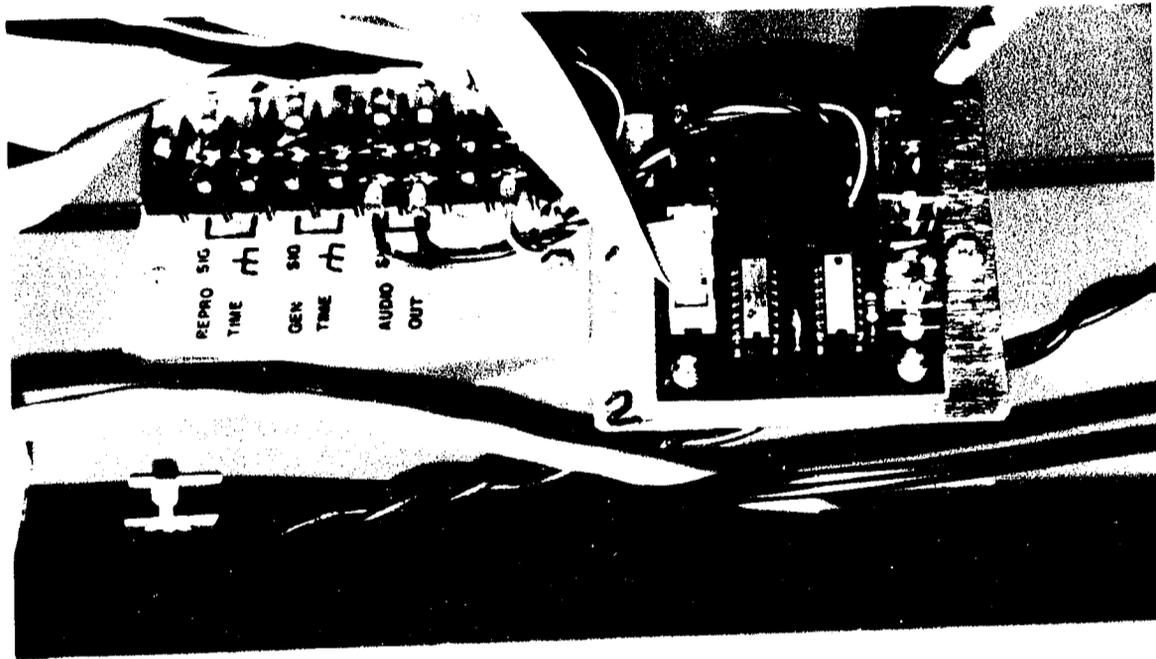

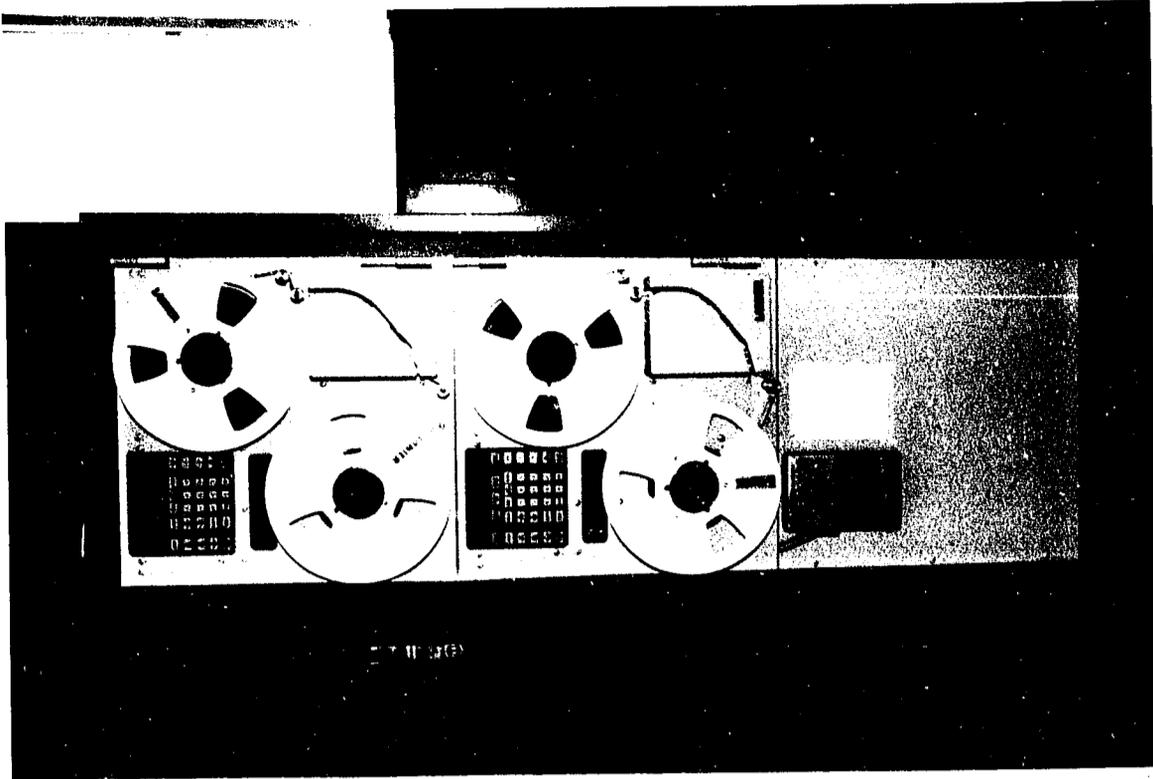

1. The delivered and installed unit grossly fails to meet the required specifications as set for in the official bid documents provided by the County of Fort Bend.

0033

GENERAL SPECIFICATIONS MULTI-CHANNEL LOGGING RECORDER:

1. Vendor shall install a multi-channel logging system at the Fort Bend County Emergency Medical Service Central Station. Located at 4336 Highway 36, Rosenberg, Texas.
2. System shall be a logging tape recorder/reproducer designed to record forty (40) channels plus the time and date signal when initially installed. The equipment furnished shall be designed for continuous operation, 24 hours per day, 365 days per year.

The system shall consist of two (2) tape transports, they shall be identical and inter-changeable. Each transport shall function as a standby for the other in the event of a tape run-out, breakage, or any other failure leading to the interruption of the recording function. The transfer from one transport to another shall be automatic, with manual override. A visual and audible alarm shall indicate such failure and/or transfer.

- a. Each transport shall be designed to record forty (40) channels on 1" tape.
- b. It shall be possible for either transport to be rewound or played back without effecting the other in any way.
- c. It shall also be possible for simultaneous recording, without need of additional equipment.
- d. Each transport shall provide at least 25 hours of continuous recording time, using 3600 feet of 1.0 Mil tape, at a speed of 15/32 inch per second.
- e. One (1) take up reel shall be supplied with each transport.
- f. Each tape transport will be capable of accepting 10 1/2, N.A.B. reels without auxiliary hub adapters being required.
- g. Dual transports systems when equipped with time/date system will perform an automatic transfer of the transport, in record mode on a daily basis at any selectable time. Manual override for this feature will be possible.
- h. The following control buttons shall be provided on each transport. Ready, record, stop play, fast forward, rewind, cue. Each shall be of non-locking design. Circuitry shall be provided with memory logic to allow entry of two control commands without waiting for the transport to "catch up" with the first command.
- i. Controls are to be provided to allow selection of those channels for playback through a self-contained playback amplifier/speaker. Any number of channels can be so selected from simultaneous playback.

AS PER ORIGINAL

- k. A playback amplifier, with a 1.5 watt output shall be provided, along with an associated speaker and volume control. An output jack shall also be provided, cutting out the internal speaker when a headset or external speaker is used.
- l. Monitor select switches shall be provided, operating in conjunction with a linear florescent meter, with the following positions:
- Play - A
 - Play - B
 - Record
- Each switch shall have a LED indicator showing which mode is selected.
- m. The electronics chassis shall contain primary power supply, optional back-up power supply, record amplifiers, playback amplifiers, speaker, volume control, audio output jacks, monitor select switch, monitor meter, power ON/OFF switch, power on indicator, power supply in use indicators and monitor select switch indicators.
- n. The lower segment of the linear flourescent meter shall constantly display the record bias level.
3. The electrical system shall consist of the following:
- a. Commercial power requirments shall be 117 VAC, +/-10%, 60 HZ, single phase.
 - b. The entire system shall be designed to minimize heat dissipation. Maximum power consumption, exclusive of options, shall be less than 300 watts.
 - c. The self-contained power supply shall provide all required normal voltages and bias levels.
 - d. The self-contained power supply shall be adequately fused and shall incorporate a hi-lo sensing circuit for supply voltages and bias levels. In the event that the circuit parameters are exceeded, power supply will "shut down" and visual indication of failure shall be provided. If an optional back-up power supply is provided, automatic transfer shall be accomplished and the back-up power supply in use LED indicator will light.
 - d. The electrical system shall be UL approved and UL labeled.
4. All system elements shall be arranged for rack mounting or shall be housed in a cabinet not to exceed the following dimensions:
- 72" height
 - 36" width
 - 25" depth

- a. An optional transparent full length plastic door, equipped with lock, shall be provided.
 - b. The cabinet shall be capable of housing two (2) transport units, one (1) electronics panel, one (1) time/date generator/reader unit, and shall also provide an accessory storage cabinet.
 - c. The weight of the full cabinet, excluding stored tape, shall not exceed 300 pounds.
5. System shall contain fail safe as follows:
- a. Operating in conjunction with the time/date encoding system, the fail safe electronic monitoring feature shall be provided to monitor all channels to determine recording integrity. Upon detection of loss of recording or playback capability on any channel, a digital display indicate the number of the failed channel and an audible alarm shall be provided. In dual transport systems, if the second transport is in ready mode, it shall be activated for parallel recording.
 - b. Under normal conditions when the recording function goes from one tape transport to the other the fail safe function must also be transferred to the tape transport which is in the record mode. This is to be accomplished electronically and not rely on any manual switch. The fail safe function must automatically be in operation when the tape transport is engaged in the record mode.
 - c. It must not take more than 6 seconds to check all channels regardless of the number of channels in the system.
6. System shall be supplied with the following supplies:
- a. 60 reels of 1", 3600 feet, 1.0 Mil base. Low noise recording tape shall be provided. The use of .5 Mil base tape is unacceptable.
7. System shall contain a built-in cassette rerecord panel as follows:
- a. System to permit automatic duplication of messages recorded on the logger onto a built-in cassette recorder.
 - b. A side or end load cassette mechanism will be mounted in the panel, accessible from the front of the machine. All electrical and power connections will be internal.
 - c. All audio played through the logger speaker or headphones will be recorded onto cassette, as long as a cassette is present. Recording will be "VOX", to the extent that cassette recording will occur as long as audio is present.
 - d. Recording will be monaural, audio only. The cassette can be turned over to utilize full cassette capacity. While the use of 90 minute cassettes is desirable, a maximum of 30 minutes per side in acceptance.

- e. Visual indication will be provided when a cassette is present in the mechanism.
- f. Visual indication will be provided when a recording is in process.
- g. Visual indication will be provided when a cassette is present and recording should be in process, but is not, such as on reaching end of tape, tape jam, tape break, cassette improperly positioned, etc.
- h. Visual indications may be mechanical or electrical.
- i. Means will be provided to eject the cassette for removal. This control desirable will be inoperative while cassette recording is in process. The eject process should not cause the cassette to completely exit the mechanism.
- j. Means will be provided to cause the cassette to continuously record or to record only when audio is present ("VOX operation"). The selected mode of operation will be visually indicated and changeable whether or not recording is in process.

ENVIRONMENTAL SPECIFICATIONS, MULTI-CHANNEL LOGGING RECORDER:

1. The storage temperature shall be -10 to 70 degrees C.
2. The operating temperature shall be 0 degrees C to 50 degrees C.
3. The operating relative humidity shall not exceed 95% non-condensing.
4. The average BTU's generated by a fully operating recorder/reproducer shall not exceed 1,000 BTU's per hour.

HIGH SPEED TIME/DATE GENERATOR/READER:

1. The Time/Date system shall be solid state design and have an LED (light emitting diode) display.
2. The Time/Date system must display the month, day, hour, minute and second of each recording or day/month.
3. The Time system must be multiplexed to permit all channels to be used for recording audio input (i.e. it must have a full 40 channels for audio use, not 39).
4. The Time/Date system must permit programming of the tape transport transfer function when two transports are in use, (this must be accomplished electronically and not rely on tape sensors or mechanical time clocks).
5. The Time/Date system shall employ a self contained power supply with input requirements of 117 volts A/C 60 Hz single phase.
6. Power consumption shall not exceed 20 watts.
7. A back-up battery shall be provided with the crystal controlled time base oscillator which will continue the timing circuits of the time generator/reader for a minimum of eight (8) hours during an external power failure. Upon restoration of external power, real Time/Date shall be generated and displayed.
8. An auto search feature shall be provided which will allow the completely automatic time addressing pre-recorded tapes. This feature shall allow search at fast forward or rewind speeds. When the desired address has been reached, the transport shall automatically engage in the play mode. This must search automatically to day, hour and minute.

GENERAL SPECIFICATONS, DIGITAL EMERGENCY MESSAGE REPEATER:

1. The equipment shall be digital emergency message repeater designed to automatically record and playback recent emergency telephone or radio calls instantly.
 - a. The equipment shall be designed to continuous duty operations, provide solid state storage, and the ability to simultaneously playback a message through the playback channel and record an incoming message through the record channel.
 - b. The digital message repeater system shall consist of two (2) separate parts, the memory hardware and the control console. These parts can be up to 300 feet apart. No larger than 12 conductor cable shall be used to connect these parts.
 - c. The memory hardware shall provide for a minimum of 10 minutes of incoming message storage with the option of an additional 10 minutes with another memory module. This memory must be solid state and the use of magnetic tape disks, etc. where moving parts are necessary is unacceptable.
 - d. The recording of incoming messages shall take priority and will begin automatically whenever audio signal is present at the record input. The memory will always contain the most recent 10 minutes of incoming messages (or option for 20 minutes) and will continuously record over the oldest previous messages.
 - e. Battery back-up shall be provided that allows full operational abilities of the digital message repeater for a minimum of 10 minutes after complete loss of the main A/c power source.
 - f. The memory hardware shall contain built in diagnostic circuitry and software to monitor the recording of audio and indicate to an operator any malfunction in the record/playback system.
 - g. All digital message repeater system functions, with the exception of record, shall be initiated from the control console. This console shall be a standard EIA Panel for console rack mount. The console mount panel shall be no larger than 4" high and 11" wide.
 - h. The control console shall contain an LCD Display that provides the following visual information:
 1. Clock Display
 2. Message Index Time Line
 3. Playback Index Time Line
 4. Save Indicator
 5. Pause Indicator
 6. Record Indicator
 7. Service Required Indicator

- i. The LCD shall be back-lit to allow easy reading in dimlylit environments.
- j. The console shall contain the following control buttons:
 1. Reverse/Recall
 2. Forward/Recall
 3. Pause
 4. Restore
 5. Save Message
 6. Clear Message
 7. Set
 8. Time
 9. Volume Control
- k. The reverse/recall function shall - cause the playback of the latest complete message when the push button is depressed for less than 1 second. Subsequent depressions will set the playback to the beginning of the next oldest message and begin playback. Pressing and holding for 1 second or more the reverse/recall button will cause the system to go into fast reverse until the control is released. When in fast reverse, an audible tone will sound as each message boundary is passed.
- l. During playback of message, the time associated with the message shall be displayed. The non-blinking colon will flag that the time displayed is not current time but the time the message was recorded.
- m. Pressing and releasing the forward/recall button for less than one second shall cause the playback of the next most recent message. Pressing and holding the forward button shall cause the system to go into fast forward until the control is released. When in fast forward, and audible tone will sound as each message boundary is passed.
- n. A message index time line shall be provided on the LCD Display in the control console. A visual boundary marker shall be present on this time line indicating the beginning and end of each message in memory.
- o. A playback index time line shall be provided on the LCD Display in the control console. This time line shall visually show the position in memory that is currently being played back.
- p. A momentary activation of the pause control button shall stop playback of the accessed message. Activation of the control for the second time will allow playback to continue.
- q. The restore button shall reset the system so that any current playback will be stopped and the playback index will be set to the farthest advance point.

- r. Depressing the save button when playing back a message shall cause the system to write protect the DRAM in which that entire message resides. This will allow an operator to save a message for future referral without losing it due to it being recorded over. Initiation of the save function shall cause all the boundary markers within the saved message to light indicating visually which message is saved. If a message is already saved, subsequent pressing of the save button shall cause the automatic access of and playback of the saved message.
 - s. Depressing the clear button for more than one second shall remove the write protect of a saved message so that the RAM is available for record. The boundary markers that indicate a saved message shall also disappear when that section of memory is recorded over.
 - t. A volume control shall be provided that sets the audio level heard through the built-in loud speaker or earphones.
 - u. The internal clock of the digital message repeater shall have the ability to be synchronized and slaved to the time/date generator/reader of a Master Logging System.
2. The digital message repeater shall have the following:
- a. The digital message repeater shall have a built-in start/stop control inputs and be field selectable:
 - 1. Voltage sensing telephone coupler (FCC approved).
 - 2. Current sensing telephone coupler (FCC approved).
 - 3. External switch closure.
 - 4. VOX
 - b. The analog to digital conversion shall use a sample rate of not less than 28K bytes/seconds to provide natural sounding voice quality.
 - c. Three audio output jacks shall be provided as described below:
 - 1. Headphone jack for private listening.
 - 2. Cassette output jacks for re-recording.
 - 3. Parallel record jack for back-up recording.
 - d. To minimize loss of recording, the digital message repeater system shall perform safe scans continuously during any and all idle periods. During the safe scan, the record and play channels are enabled and a 80Hz signal is injected into the front end of the record circuitries. This guard tone is encoded by the CVSD chip and the encoded data is immediately output to the CVSD chip for playback. This playback is routed to a detector. The presence of this 80Hz is monitored and the absence of it for more than two seconds shall cause the "Service Required" indicator to light.

AS PER ORIGINAL

- e. In conjunction with the safe scan function, a separate check on the integrity of the memory shall be run while scans are performed. Any memory failure detected shall be reported by turning on the service required indicator with the letter "R" appearing on the right of the display indentifying RAM failure.
- f. The digital message repeater shall have Audio outputs as follows:
 - Internal speaker - 2 watts
 - Headphone - 0dBm with 30 ohm load
 - 2 cassette jacks - 50 dB
- g. Power requirement shall be 117VAC \pm 10% 60Hz.
- h. The unit shall withstand a direct discharge of 20KV of static electricity to any user exposed parts without failure.

MAINTENANCE TERMS AND CONDITIONS:

1. The first year of maintenance repair and parts replacement for the proposed system will be covered by warranty. This warranty must cover all system components, parts, software and cabling.
 - a. Vendor to state, if any equipment is excluded from the maintenance contract.
2. Manufacturer must guarantee vendor service and spare parts availability for ten (10) years.
3. Maintenance and repair response time shall be specifically promised and stated in the proposal. Failure to perform within the time specified will be cause for the contract cancellation. Separate times for Major and Minor outages will be considered.
4. Vendor must identify nearest service location to Fort Bend County Annex.
5. Vendor MUST provide assurance of emergency back-up support from his company staff and/or management.
6. Vendor must indicate location and availability of equipment manufacturers engineering support. State name, address and telephone number.
7. Is a Maintenance Contract, equal in coverage to the first years warranty, available after expiration of warranty?

xxx YES NO

For how many years? up to 10 yrs.

State cost per year. approximately \$1,739.00/year

- a. In lieu of Maintenance Contract, what are your per hour cost for repair and what are, if any, your minimum hours billed per call? \$82.00/hr.
8. The vendor shall supply a comprehensive technical manual, complete with all schematic and wiring diagrams, illustrated printed circuit board drawings and parts listing.

TRADE IN INFORMATION:

Vendors must give trade in allowance on the following equipment:

1. Multi-Channel Logging System manufactured by Dictaphone.
2. Digital Emergency Message Repeater manufactured by Dictaphone.

Vendors may inspect equipment at 4336 Hwy 36, Rosenberg, Texas by appointment. Contact Mr. Rick Robertson at 713-342-7233.

INSTALLATION

1. The vendor must fully describe the installation procedure necessary for utilization of this proposed equipment.
2. The contractor shall furnish all labor and materials for the successful completion of installation and operation of the system.
3. All equipment shall be delivered to the customer not later than forty-five (45) days, after award of proposal by the Fort Bend County Commissioners Court. All equipment and installation shall be F.O.B. Fort Bend County Emergency Medical Service, 4336 Hwy 36, Rosenberg, Texas.
4. The vendor shall provide on-site training and instruction for the customer's operators, covering all equipment supplied.

THIS AGREEMENT made and entered into by and between the COUNTY OF FORT BEND, hereinafter referred to as the "County", by and through the Commissioners' Court, and the CITY OF RICHMOND, hereinafter referred to as "City", by and through the City Commission:

WHEREAS, the City is the owner of Fourth Street between Jackson Street and Liberty Street within the corporate limits of the City of Richmond, hereinafter referred to as "Subject Street"; and,

WHEREAS, the County is in the process of constructing a County Courthouse Annex on the city block of land abutting Jackson Street, between Third Street and Fourth Street; and,

WHEREAS, the County desires that the above described Subject Street be temporarily closed during the construction of the said annex; and,

WHEREAS, the City finds that public safety and necessity requires that the above stated portion of Fourth Street be temporarily closed during the construction of the said annex.

NOW, THEREFORE, it is agreed as follows:

1. The City hereby agrees to temporarily close that portion of Fourth Street between Jackson Street and Liberty Street during the period of construction of the Fort Bend County Annex II.
2. The effective date of the closing of said Subject Street will be upon the completion of the Courthouse Complex parking lot between Third Street and Second Street. At such time the County will then be authorized to barricade and close the above stated portion of Fourth Street only as provided herein below.
3. The term of this agreement shall be from the effective date of the closing until the final acceptance of the Courthouse Annex II by the County.

4. The barricading and closing of that part of Fourth Street between Jackson Street and Liberty Street shall be perfected by placing barriers in the street area only that will not interfere with pedestrian traffic at the Fort Bend County Courthouse, nor interfere with utilities located within the area closed, nor interfere with fire hydrants located on Subject Street. All barriers shall have blinking warning lights operating at nighttime periods and at such other times as required by the City. The County further agrees to furnish any and all other necessary signs and traffic control devices requested by the City concerning the above closed portion of Fourth Street. All signs, barriers and warning devices must meet with City's specifications and approval. The County agrees to provide City with keys to any locks securing any gates on Subject Street.

6. The County agrees to hold harmless indemnify, and defend the City of Richmond, its Mayor or Commissioners, officers, employees, and agents against any and all claims, losses, damages, or lawsuits for damages, arising from, allegedly arising from, or related to the temporary closing of that portion of Fourth Street provided herein, or the use of that portion of Fourth Street by the County during the term of this agreement.

7. The County agrees at the end of this agreement to restore that portion of Fourth Street provided herein in as good or better condition as of the date this agreement was executed by the City.

IN WITNESS WHEREOF, the parties hereto have executed this agreement on the day and year provided below.

THE STATE OF TEXAS

§

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF FORT BEND

§

THIS AGREEMENT made and entered into by and between the COUNTY OF FORT BEND, hereinafter referred to as the "County", by and through the Commissioners' Court, and the CITY OF RICHMOND, hereinafter referred to as "City", by and through the City Commission:

WHEREAS, the City is the owner of Fourth Street between Jackson Street and Liberty Street within the corporate limits of the City of Richmond, hereinafter referred to as "Subject Street"; and,

WHEREAS, the County is in the process of constructing a County Courthouse Annex on the city block of land abutting Jackson Street, between Third Street and Fourth Street; and,

WHEREAS, the County desires that the above described Subject Street be temporarily closed during the construction of the said annex; and,

WHEREAS, the City finds that public safety and necessity requires that the above stated portion of Fourth Street be temporarily closed during the construction of the said annex.

NOW, THEREFORE, it is agreed as follows:

1. The City hereby agrees to temporarily close that portion of Fourth Street between Jackson Street and Liberty Street during the period of construction of the Fort Bend County Annex II.
2. The effective date of the closing of said Subject Street will be upon the completion of the Courthouse Complex parking lot between Third Street and Second Street. At such time the County will then be authorized to barricade and close the above stated portion of Fourth Street only as provided herein below.
3. The term of this agreement shall be from the effective date of the closing until the final acceptance of the Courthouse Annex II by the County.

4. The barricading and closing of that part of Fourth Street between Jackson Street and Liberty Street shall be perfected by placing barriers in the street area only that will not interfere with pedestrian traffic at the Fort Bend County Courthouse, nor interfere with utilities located within the area closed, nor interfere with fire hydrants located on Subject Street. All barriers shall have blinking warning lights operating at nighttime periods and at such other times as required by the City. The County further agrees to furnish any and all other necessary signs and traffic control devices requested by the City concerning the above closed portion of Fourth Street. All signs, barriers and warning devices must meet with City's specifications and approval. The County agrees to provide City with keys to any locks securing any gates on Subject Street.

6. The County agrees to hold harmless indemnify, and defend the City of Richmond, its Mayor or Commissioners, officers, employees, and agents against any and all claims, losses, damages, or lawsuits for damages, arising from, allegedly arising from, or related to the temporary closing of that portion of Fourth Street provided herein, or the use of that portion of Fourth Street by the County during the term of this agreement.

7. The County agrees at the end of this agreement to restore that portion of Fourth Street provided herein in as good or better condition as of the date this agreement was executed by the City.

IN WITNESS WHEREOF, the parties hereto have executed this agreement on the day and year provided below.

re: TDH Document No. C8000528
Attachment No(s). 1-2

Dear Doctor Culpepper:

The 1988 local health services contract is submitted for signature. Please complete and return both copies as soon as possible, but not later than 45 days after receipt. Final signature will be obtained and a fully executed copy filed with your agency within 30 days of return to this department.

This year's contract format provides a two-page cover section. Page 1 contains all of the information blanks which you will need to complete except for those identified on the signature page. The name and title of the authorized person signing the contract must be provided and the signature date entered. You are requested to sign the contracts on the appropriate line if someone else signs for the authorized contracting entity. The complete address of your agency also is required.

Page 2 lists program data by attachment and is intended as a reference to the activities funded through this contract. The information includes identification of the source of funds, which is a new feature.

If you have any questions regarding the program scope of work or expenditures within the individual attachment budgets, please contact the appropriate program here at the Texas Department of Health. The budgets contain all direct cost categories authorized in the Uniform Grant and Contract Management Standards (UGCMS) manual; however, funds may not be allocated to each category. In some cases, categories may be excluded if not allowable for a specific grant.

Financial procedures as referenced in Article 9 have been distributed to you for use in preparing vouchers and reports. The procedure packet is updated and distributed as needed and should be maintained by your agency and the finance official responsible for accounting, billing, and reporting. Use of these procedures will facilitate claims processing and help avoid delay in your receiving reimbursements. Separate transmittals are provided as needed regarding required personnel, payroll, time, and leave records. These are based on state law. Compliance with these instructions is an integral part of contract requirements.

Please ensure both copies have been signed by you and the authorized contracting entity and that all blanks have been completed. Both copies are to be returned to this office for further processing.

If you have any questions, please contact me at 512 458-7470 or the Community and Rural Health staff at 512 458-7770.

Sincerely,

Walter Tibbitts, Director
Grants Management Division

ASSURANCES

PERFORMING AGENCY hereby assures and certifies that it will comply with the regulations, policies, guidelines, and requirements, including OMB Circulars Nos. A-87 and A-102, Executive Order 12372, and the Uniform Grant and Contract Management Standards (UGCMS), as they relate to the application, acceptance, and use of Federal/State funds for this project. In addition, PERFORMING AGENCY assures and certifies with respect to the contract that:

1. It possesses legal authority to apply for the contract: that a resolution, motion, or similar action has been duly adopted or passed as an official act of PERFORMING AGENCY'S governing body, authorizing the filing of the contract, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of PERFORMING AGENCY to act in connection with the contract to provide such additional information as may be required.
2. It will comply with Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and, in accordance with Title VI of that Act, no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which PERFORMING AGENCY receives Federal/State financial assistance and will immediately take any measures necessary to effectuate this agreement.
3. It will comply with Title VI of the Civil Rights Act of 1964 (42 USC 2000d) prohibiting employment discrimination where (a) the primary purpose of a contract is to provide employment or (b) discriminatory employment practices will result in unequal treatment of persons who are or should be benefitting from the contract-aided activity.
4. It will comply with requirements of Title II and Title III of the Uniform Relocation Assistance and Real Property Acquisitions Act of 1970 (P.L. 91-646) which provides for fair and equitable treatment of persons displaced as a result of Federal and federally assisted programs.
5. It will comply with the provisions of the Hatch Act which limit the political activity of employees.
6. It will comply with the minimum wage and maximum hours provisions of the Federal Fair Labor Standards Act as they apply to hospital and educational institution employees of State and local governments.
7. It will establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties.
8. It will give RECEIVING AGENCY or the Comptroller General through any authorized representative the access to and the right to examine all records, books, papers, or documents related to the contract.
9. It will comply with all requirements imposed by RECEIVING AGENCY concerning special requirements of law, program requirements, and other administrative requirements approved in accordance with UGCMS.
10. It will ensure that the facilities under its ownership, lease, or supervision which shall be utilized in the accomplishment of the project are not listed on the Environmental Protection Agency's (EPA) list of Violating Facilities and that it will notify RECEIVING AGENCY of the receipt of any communication from the Director of the EPA Office of Federal Activities indicating that a facility to be used in the project is under consideration for listing by the EPA.
11. It will comply with the flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973, P.L. 93-234, 87 Stat. 975, approved December 31, 1976. Section 102(a) requires, on and after March 2, 1975, the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area that has been identified by the Secretary of the Department of Housing and Urban Development as an area having special flood hazards. The phrase "Federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance.
12. It will assist RECEIVING AGENCY in its compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 USC 470), Executive Order 11593, and the Archeological and Historic Preservation Act of 1966 (16 USC 469a-1 et seq.) by (a) consulting with the State Historic Preservation Officer on the conduct of investigations, as necessary, to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 CFR Part 800.0) by the activity, and notifying RECEIVING AGENCY of the existence of such properties, and by (b) complying with all requirements established by RECEIVING AGENCY to avoid or mitigate adverse effects upon such properties.
13. It will comply with the requirements of the Immigration Reform and Control Act of 1986 regarding employment verification and retention of verification forms for any individuals hired on or after November 5, 1986, who will perform any labor or services under this contract.
14. It will comply with Texas Civil Statutes, Article 5996a, by ensuring that no officer, employee, or member of PERFORMING AGENCY'S governing body or of PERFORMING AGENCY'S contractor shall vote or confirm the employment of any person related within the second degree by affinity or third degree by consanguinity to any member of the governing body or to any other officer or employee authorized to employ or supervise such person. This prohibition shall not prohibit the employment of a person who shall have been continuously employed for a period of two years prior to the election or appointment of the officer, employee, or governing body member related to such person in the prohibited degree.
15. It will ensure that all information collected, assembled, or maintained by PERFORMING AGENCY relative to this project shall be available to the public during normal business hours in compliance with Texas Civil Statutes, Article 6252-17a, unless otherwise expressly provided by law.
16. It will comply with Texas Civil Statutes, Article 6252-17, which requires all regular, special, or called meetings of governmental bodies to be open to the public, except as otherwise provided by law or specifically permitted in the Texas constitution.
17. It will maintain an appropriate contract administration system to ensure that all terms, conditions, and specifications contained in this contract are met.

GENERAL TERMS

0033

ARTICLE 1. Scope and Term of Contract

No prior agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this contract.

PERFORMING AGENCY shall perform the work outlined in the Scope(s) of Work which is/are referenced in the Details of Attachments and hereby incorporated and made a part of this contract, plus amendments which may be added by additional Attachment(s) from time to time as hereinafter provided.

This contract may be amended 1) as necessary by monthly payroll affidavit(s) for state budgeted position(s) as originally set forth in Attachment(s) hereto, or 2) as provided in Article 4, or 3) by the addition of Attachment(s) containing additional Scope(s) of Work and/or Budget(s) related to same, or 4) by revision of existing Attachment(s) and the Scope(s) of Work and/or Budget(s). Such amendment(s) shall be in writing and duly executed by the parties hereto.

The term of this contract shall be governed by the time period(s) on the Attachment(s). No commitment of contract funds is permitted prior to the first day nor subsequent to the last day of the term. The term may be extended by amendment(s).

If any provision(s) of this contract shall be construed to be illegal or invalid, it shall not affect the legality or validity of any of the other provisions hereof, and the illegal or invalid provision(s) shall be deemed stricken and deleted herefrom to the same extent and effect as if never incorporated herein, but all other provisions shall continue.

ARTICLE 2. Applicable Laws and Standards

Parties agree this contract shall be governed by the laws of the State of Texas and enabling Federal regulations, including Treasury Circular 1075 (31 CFR Part 205) and grant requirements applicable to funding sources as set out in Attachment(s) hereto.

PERFORMING AGENCY agrees that Article 4413, Section 32g, V.T.C.S. [Uniform Grant and Contract Management Standards Manual (UGCMS)], will apply as terms and conditions of this contract, and the standards are adopted by reference in their entirety with the exception of Attachment P, A-102, Audit Requirements. Audits shall be in compliance with OMB Circular A-128, "Audits of State and Local Governments." If there is a conflict between the provisions of this contract and UGCMS, the provisions of UGCMS will prevail unless expressly stated otherwise. A copy of this manual and its references are provided to PERFORMING AGENCY by RECEIVING AGENCY upon request.

UGCMS contains requirements in OMB Circular Nos. A-87 and A-102 that pass through with State and Federal monies which are hereby adopted when applicable, including but not limited to:

1. allowable costs in applicable Cost Principles, A-87;
2. financial management standards, A-102, Attachment G; and
3. procurement, A-102, Attachment O.

In addition, A-102, Attachment O, sets out provisions that must be in all contracts. Those provisions are hereby adopted when applicable.

ARTICLE 3. Personnel

All personnel funded by Attachment(s) to this contract are employees of PERFORMING AGENCY which shall be responsible for their direction and control and liable for any of their acts or omissions. PERFORMING AGENCY agrees to defend and indemnify RECEIVING AGENCY for any and all claims and/or judgements taken against any employees, state or local, or against said RECEIVING AGENCY, arising out of any claims or cause of action against any such employees, except to the extent that employees on state budgeted positions may be indemnified and the state may be liable for certain acts pursuant to Chapter 104 of the Civil Practice and Remedies Code of Texas and any other applicable law.

PERFORMING AGENCY shall have in place legally sufficient Due Process Hearing Procedures for all of its employees filling state budgeted positions.

The Director of PERFORMING AGENCY shall have full authority to employ, promote, suspend, demote, discharge, and transfer any and all state budgeted personnel funded by Attachment(s) to this contract; provided, however, that any demotion, suspension, or discharge of such state budgeted employees shall be in accordance with the Due Process Hearing Procedures as set out above. The only distinction between state budgeted and local paid employees is that employees on state budgeted positions receive state benefits and are subject to certain duties, obligations, and restrictions as state employees as contained in state law. One such restriction, as contained in the State Appropriations Act, is that no employee paid on a state budgeted position may receive a salary supplement from any source unless specifically authorized in the Appropriations Act or other state law. This prohibition includes, but is not limited to, the payment to such employee of a so-called "flat rate" car allowance or travel allowance. Any such travel or per diem to these employees must be on a reimbursement basis, supported by appropriate records, and may not exceed the reimbursement for mileage and/or per diem allowed under the Appropriations Act and current state travel regulations. This restriction shall apply whether travel funds are provided in Attachment(s) under this contract or from any other source.

Unless specifically authorized by Attachment(s) to this contract, none of the funds provided by Attachment(s) shall be used to pay overtime to employees on state budgeted positions. PERFORMING AGENCY shall be responsible for any obligations for overtime pay due such employees which are not so authorized by RECEIVING AGENCY.

PERFORMING AGENCY will utilize RECEIVING AGENCY policies and procedures for hiring and promoting individuals into state budgeted positions funded by Attachment(s) to this contract. Qualifications of any individuals filling these positions will be subject to approval of RECEIVING AGENCY Bureau of Personnel Management. The purpose of the approval is to insure that individuals occupying these positions meet minimum educational and experience requirements.

ARTICLE 4. Funding

PERFORMING AGENCY shall use funds from this contract to supplement its budget. These funds will in no event supplant funds from other sources currently available to PERFORMING AGENCY.

PERFORMING AGENCY may be reimbursed for local personnel costs or other categories of expense used to fulfill the scope of work of Attachment(s) in lieu of being furnished state payroll warrants after a state budgeted position becomes vacant. Reimbursement shall not exceed the balance of funds on the state budgeted position after all benefits, obligations, and/or other entitlements are met. PERFORMING AGENCY Director or other person(s) authorized elsewhere in this contract, shall submit request for conversion. RECEIVING AGENCY shall transmit formal approval and revised budget to PERFORMING AGENCY to complete the conversion.

PERFORMING AGENCY shall develop a fee for service system and a schedule of fees for personal health services in accordance with the provisions of Article 4414c, V.T.C.S., and the Texas Board of Health rules covering Fees for Clinical Health Services (25 TAC, Sec. 1.91) and other applicable laws; provided, however, that a patient may not be denied a service due to inability to pay.

In compliance with Article 6252-13e, V.T.C.S., PERFORMING AGENCY shall provide RECEIVING AGENCY with evidence that a public meeting or hearing was held to seek public comment on the needs and uses of federal block grant funds received by PERFORMING AGENCY under this contract. Record of public participation efforts undertaken must be filed with RECEIVING AGENCY.

PERFORMING AGENCY agrees to and by executing this contract assigns to RECEIVING AGENCY uncommitted expenditures of local funds for public health services as matching for Federal funds. Assigned local funds shall be reported to RECEIVING AGENCY on the annual/final report Form 270. In the event such assigned funds are required by PERFORMING AGENCY to match other Federal funds, prior written approval may be requested of RECEIVING AGENCY.

This contract is contingent upon funding being available for the term of the Attachment(s) and PERFORMING AGENCY shall have no right of action against RECEIVING AGENCY in the event that RECEIVING AGENCY is unable to perform its obligations under this contract as a result of the suspension, termination, withdrawal, or failure of funding to RECEIVING AGENCY or lack of sufficient funding of RECEIVING AGENCY for any Attachment(s) to this contract. If funds become unavailable, provisions of the Termination Article shall apply.

ARTICLE 5. Program Income

All revenues received from the delivery of contract services shall be identified and reported and shall be utilized as provided in this article. Such program income shall be retained by PERFORMING AGENCY and: (1) be used by PERFORMING AGENCY for any purposes which further the objectives of the program and the Scope of Work for the Attachment(s) and be deducted from total project costs, or (2) be deducted from total project costs.

This is according to RECEIVING AGENCY policy interpreting UGCMS, a copy of policy is provided on request, and is incorporated by reference as a condition of this contract. 0033

ARTICLE 6. Subcontracting

PERFORMING AGENCY may enter into agreements with subcontractors unless restricted or otherwise prohibited in specific Attachment(s). Subcontracts, if any, entered into by PERFORMING AGENCY shall be subject to the requirements of this contract. PERFORMING AGENCY agrees that it shall be responsible to RECEIVING AGENCY for the performance of any subcontractor.

ARTICLE 7. Compensation and Payment

The following provisions establish responsibilities, uniform procedures and standard form for billing and forfeitures for noncompliance. Compensation and/or reimbursement shall be contingent on a signed contract.

For services satisfactorily performed pursuant to the Scope(s) of Work, PERFORMING AGENCY shall have furnished state warrants for salary compensation or travel reimbursement for employees on state budgeted positions or reimbursement warrants for allowable costs. Combined compensation payments and reimbursements shall not exceed the total of all Attachment(s) hereto.

Allowable costs shall be as outlined in Attachment(s) and must be substantiated by source documentation. Advance payment may be requested in accordance with the applicable provisions of this contract.

Claims for compensation or reimbursement shall be on the forms and in the format prescribed by RECEIVING AGENCY.

Compensation

PERFORMING AGENCY shall maintain required records and submit documents necessary to processing personnel, payroll, leave and time records and travel claims on state budgeted positions and shall receive state warrants for issuance to employees on state budgeted positions.

Reimbursements

Claims shall be made on State of Texas Purchase Voucher (TDH Form #AG-37). Vouchers for reimbursement of actual expenses shall be submitted monthly within 20 days following the end of the month covered by the bill. A makeup claim may be submitted as a final closeout bill not later than 45 days following the end of Attachment term(s).

Payments made for approved claims or notice of denial of claims submitted against Attachment(s) to this contract shall be mailed no later than 60 days after receipt of monthly vouchers. Payment may be denied if required financial reports are not on file for previous quarters or for the final period, or if program requirements are not met as specified in Scope(s) of Work. Payment is considered mailed on the date postmarked. Any reimbursements made by PERFORMING AGENCY to subcontractors shall be made in accordance with Article 601f, V.T.C.S.

Advance Payment

PERFORMING AGENCY may request in writing a one time advance with proper justification and concurrence of RECEIVING AGENCY. Amount of advance shall be determined by amount and term of the Attachment(s); however, for each Attachment, amount of the advance shall not exceed one-sixth (1/6th) of a twelve month Attachment. Advance shall be requested on State of Texas Purchase Voucher at the beginning of Attachment period or at a single later time in Attachment period if circumstances so warrant and the request is approved. Advance funds will be liquidated in the final months of the Attachment period so that, after final monthly billing, PERFORMING AGENCY will not have advance funds on hand. Advance funds may be drawn only to meet immediate cash needs for disbursement (UGCMS and Federal Circulars).

Amendments to this contract may require an upward or downward adjustment to the allowable advance until it equates 1/6th of a twelve month attachment or approximates two months operating costs. In the case of a downward adjustment, PERFORMING AGENCY and RECEIVING AGENCY shall agree on the amount of adjustment to the advance. RECEIVING AGENCY retains the option to reduce the next claim(s) by the required amount. In the case of an upward adjustment and PERFORMING AGENCY needs additional funds to meet immediate operating expenses, PERFORMING AGENCY may submit to RECEIVING AGENCY a written justification and State of Texas Purchase Voucher in the amount necessary to correct the ratio. PERFORMING AGENCY shall annotate such adjustments on the next applicable quarterly financial report, Form 269a.

ARTICLE 8. Financial Reports

Financial reports are required as provided in UGCMS and shall be filed regardless of whether or not expenses have been incurred. Instructions for the completion of reports are provided by RECEIVING AGENCY and are incorporated by reference as a condition of this contract.

Quarterly

Financial Status Report, State of Texas Supplemental Form 269a (TDH Form GC 4), shall be submitted within 20 days following the end of each quarter or as stated in Attachment(s).

Annual/Final

A final report, Request for Advance or Reimbursement, Form 270 (TDH Form GC-10) shall be submitted not later than 45 days following the end of Attachment term(s) or as specified in Attachment(s). An amended Form 269a shall be submitted if the amount of expenditures reported in the last quarter changed. If necessary, a State of Texas Purchase Voucher will be submitted if all costs have not been recovered or a refund will be made of excess monies if costs incurred were less than funds received.

Annual audit reports are required of local expenditures funded through Attachment(s) to this contract. Within 30 days of receipt of audit report, PERFORMING AGENCY shall submit a copy to RECEIVING AGENCY, Internal Audit Division.

ARTICLE 9. Reports and Inspections

PERFORMING AGENCY shall make financial, program, progress, and other reports as requested by RECEIVING AGENCY in the format agreed to by the parties hereto and will arrange for onsite inspections by RECEIVING AGENCY within normal working hours. PERFORMING AGENCY shall participate fully in any required evaluation study.

0033

PERFORMING AGENCY shall furnish RECEIVING AGENCY an annual budget report on forms provided by RECEIVING AGENCY. The budget shall be for PERFORMING AGENCY current fiscal year ending date as stated on the cover page of this contract.

ARTICLE 10. Records

PERFORMING AGENCY will have a system in effect to protect from inappropriate disclosure of patient records and all other documents deemed confidential by law which are maintained in connection with the activities funded under this contract. Any disclosure of confidential patient information by PERFORMING AGENCY as required by this contract, including without limitation information required by the Reports and Inspections Article, shall be in accordance with applicable law.

ARTICLE 11. Property and Supplies

Subject to the obligations and conditions set forth in UGCMS and Section 8.02(c) of Article 601b, V.T.C.S., title to all property purchased from funds provided herein shall be in the name of PERFORMING AGENCY throughout the term of the contract. This also includes acquisitions through lease-purchase agreements paid with funds provided under this contract or with funds provided by program income attributable to the programs provided for under this contract.

PERFORMING AGENCY shall maintain a property and supplies inventory and administer a program of maintenance, repair, and protection of assets provided under this contract so as to assure their full availability and usefulness for performance under this contract. PERFORMING AGENCY shall submit an annual report of nonexpendable personal property (unit cost \$250.00 or more and useful life of more than one year) as of August 31st of each year under contract. A format based on UGCMS, A-102, Att. N, is provided by RECEIVING AGENCY on request.

In the event PERFORMING AGENCY is indemnified, reimbursed, or otherwise compensated for any loss of, destruction of, or damage to, the assets provided under this contract, it shall use the proceeds to repair or replace said assets.

In the event any motor vehicle belonging to RECEIVING AGENCY is provided to PERFORMING AGENCY pursuant to any Attachment hereto to be used within the performance of the Scope of Work set out in such Attachment, and title to such motor vehicle is retained by RECEIVING AGENCY, PERFORMING AGENCY agrees to utilize such motor vehicle only within the parameters of such Scope of Work and to permit the operation of such motor vehicle only by licensed, qualified drivers.

RECEIVING AGENCY retains the option to recover all unused supplies and useable equipment purchased under this contract upon the termination of the contract. 0033

ARTICLE 12. Termination

This contract or any Attachment(s) hereto may be terminated by either of the parties hereto for noncompliance by the other party. A party intending to terminate for noncompliance by the other party shall provide written notice to the other party at least thirty (30) days prior to the intended date of termination. Such notice shall include the reasons for the termination and shall provide the other party an opportunity to rebut the reasons in writing. A hearing may be requested on the proposed termination if such request is made in writing within ten (10) days from any final notification of termination. By such termination, neither party may nullify obligations already incurred for performance or failure to perform prior to the date of termination. Such termination shall not be an exclusive remedy but shall be in addition to any other rights and remedies provided by law or under this contract.

This contract or any Attachment(s) hereto may be terminated in whole, or in part, when both parties agree that continuation would not produce results commensurate with further expenditure of funds. Both parties shall agree on the effective date and, in the case of partial termination, the portion to be terminated. RECEIVING AGENCY shall immediately send PERFORMING AGENCY written notice of the terms agreed to and such notice shall become a part of the contract. PERFORMING AGENCY shall not incur new obligations for the terminated portion after the effective date and shall cancel as many outstanding obligations as possible. RECEIVING AGENCY shall allow full credit to PERFORMING AGENCY for noncancelable obligations which were properly incurred prior to the termination date.

This contract or any Attachment(s) hereto may be terminated if funds allocated for any Attachment(s) hereto should become reduced, depleted, or unavailable during any Attachment(s) budget period, and RECEIVING AGENCY is unable to obtain additional funds for such purposes. RECEIVING AGENCY shall immediately provide written notification to PERFORMING AGENCY of such fact and such Attachment(s) to this contract is/are terminated upon receipt of that notification. PERFORMING AGENCY shall not incur new obligations after the effective date and shall cancel as many outstanding obligations as possible. RECEIVING AGENCY shall allow full credit to PERFORMING AGENCY for noncancelable obligations which were properly incurred prior to the termination date.

This contract or any Attachment(s) hereto may be terminated in the event that Federal or state laws or other requirements should be amended or judicially interpreted so as to render continued fulfillment of this contract, on the part of either party, unreasonable or impossible. If the parties should be unable to agree upon amendment which would therefore be needed to enable the substantial continuation of the services contemplated herein, then, upon written notification by RECEIVING AGENCY to PERFORMING AGENCY, the parties shall be discharged from any further obligations created under the terms of this contract, except for the equitable settlement of the respective accrued interests or obligations as of the date of termination.

This contract, assurances, general and/or special conditions, and Attachment(s), with detailed scope(s) of work and budget(s), as applicable, incorporate all covenants and agreements pertaining hereto.

RE: November 3 Election

After serious consideration, I would recommend the following locations as ABSENTEE polling places for the November 3 election:

- 1) Courthouse Annex
"Breakroom" in basement

and

- 2) Briargate Elementary School
15817 Blue Ridge Rd.
Missouri City

These locations would be used from October 14 to October 30, Monday - Friday, 8:00 a.m. to 5:00 p.m. and one weekend, from 10:00 a.m. - 2:00 p.m.

Please review the space situation for the Presidential Primary. I need a room for each primary. Several suggestions would be the George Memorial Library, the McFarlane House or a rented office space in Richmond. The primary absentee polling place MUST be located at the county seat. The City Hall in Missouri City would be a good location on the east end.

[Faint, illegible markings or stamps]

If you have any suggestions, please call me. A decision must be made by January 11, 1988.

Sincerely,

Dianne Wilson

Re: Premium status for Reserve Deputies

Fort Bend County presently has 90 reserve deputies working for the Sheriff's Department and the four Constables.

Our insurance carrier, Texas Association of Counties, has informed us the premium must be paid for the reserves at this time instead of audit time of the policy. The total for each reserve annually is \$155.20. The total for the 90 reserves now employed with the County will be \$13,968.00

This will be a Commissioners Court agenda item for September 14, 1987.

STATE OF TEXAS

COUNTY OF FORT BEND

BE IT REMEMBERED AT A MEETING OF Commissioners' Court of Fort Bend County, Texas, held on the 14 day of September, 1987, on motion made by Commissioner Pressley, Commissioner of Precinct No. 3, and seconded by Commissioner Lutts, Commissioner No. 4, the following Order was adopted:

WHEREAS, the Commissioners' Court of Fort Bend County, Texas desires the establishment of prudent investment policies; and

WHEREAS, the Commissioners' Court has reviewed the following investment policy and believes its enactment would be to the financial benefit of Fort Bend County, Texas;

NOW, THEREFORE, it is hereby ADJUDGED and DECREED that the Fort Bend County Treasurer implement the following investment policy:

OBJECTIVES AND PRIORITIES

The investment objectives of the Fort Bend County Treasurer shall be as follows:

To insure the safety of the Fort Bend County funds and to avoid speculative investing.

To provide funds to meet the cash needs of Fort Bend County, Texas.

To earn the maximum interest rate allowed through prudent and legal investing of county funds consistent with the current Bank Depository Contract.

The most important priority shall be to provide for the safety of capital, securities, and collateral.

INVESTMENT METHODS

The Fort Bend County Treasurer shall use any or all of the types of investments consistent with federal and state law and the current Bank Depository Contract.

The County shall require delivery of all securities or shall have these securities held in the County's name by an independent third party prior to payment being made by the County for the investment.

INVESTMENT INSTITUTIONS

The Fort Bend County Treasurer shall invest county funds with any or all of the institutions or groups consistent with federal and state law and the current Bank Depository Contract.

INVESTMENT COLLATERAL

The Fort Bend County Treasurer shall insure that invested county funds are fully collateralized consistent with federal and state law and the current Bank Depository Contract, without exception, in one or more of the following manners:

1. United States Government Bonds, Notes and Bills
2. Federal Housing Authority Bonds
3. Farmer's Home Administration Notes
4. Municipal Securities Bearing Moody's A or Better Rating

Such securities pledged as collateral shall be deposited in trust with the Federal Reserve Bank or an independent investment institution under an appropriate legal contract. The amount of securities so pledged shall be determined by their market value.

MATURITY AND DIVERSIFICATION

The Treasurer of Fort Bend County shall strive to retain enough liquidity in investments to cover the cash needs of the county and shall strive to diversify the investments consistent with the objectives of this policy.

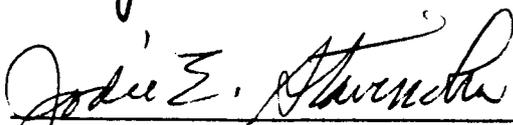

LIABILITY

The County Treasurer shall not be responsible for any loss of the county funds through the failure or negligence of any depository; but nothing in this shall release any County Treasurer for any loss resulting from any official misconduct or negligence on his part nor from any responsibility for the funds of the county until a depository shall be selected and the funds deposited therein, nor for any misappropriations of such funds by him.

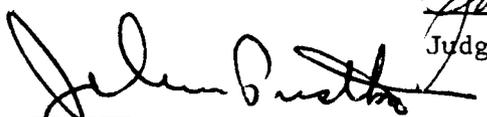

REPORTING

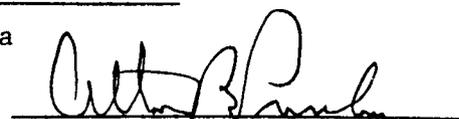

It shall be the duty of the Treasurer of Fort Bend County, Texas to notify the Commissioners' Court of any significant changes in current investment methods and procedures prior to their implementation.

Date: February 16, 1987

This morning the office of JP-4, Jim Adolphus notified us that they had been robbed over the weekend. Two assistant auditors then visited the site and submitted the following report:

There were no signs indicating forced entry into either the building or the safe, where money is normally locked up. The cash and money orders representing one day's business (Friday Feb. 13th) was stolen as well as cash kept for the purpose of making change. The amount of cash taken was \$214.00 fees & fines plus \$50.00 change fund, totaling \$264.00 and the money orders which were already marked "for deposit only FBC" totaled \$314.00.

All previous days business had been deposited with the County Treasurer and we traced those receipts from the JP's receipt books to the Treasurer's deposit receipt records.

No vandalism occurred and no office equipment was removed.

The office personnel claim that the safe is normally locked every night, but they can't say for sure that it was locked Friday at the close of business.

We recommended that they get the door locks re-keyed and get the combination for the safe changed.

The Sugar Land police were contacted as well as the County Sheriff department.

AT 0856 HOURS, MONDAY FEBRUARY 16, 1987 I, OFFICER JOHN PLACETTE, 8047 WAS DISPATCHED TO THE FORT BEND COUNTY JUSTICE OF THE PEACE PRECINCT FOUR OFFICE AT 939 ELDRIDGE ROAD IN REFERENCE TO A THEFT. I WAS DISPATCHED BY DISPATCHER J. DOOLEY.

AT THE TIME I WAS DISPATCHED, I WAS INVESTIGATING A BURGLARY OF A VEHICLE AT STEWART TAE KWON DO, 951 ELDRIDGE ROAD.

I ARRIVED AT THE JUSTICE OF PEACE #4 OFFICE AT 0859 HOURS. I MET WITH THE JUSTICE OF THE PEACE PRECINCT #4 JAMES C. ADOLPHUS WHO ADVISED THAT SOMETIMES BETWEEN FRIDAY AFTERNOON (FEBRUARY 13, 1987) AND MONDAY (FEBRUARY 16, 1987) UNKNOWN SUSPECT(S) STOLE A CASH BOX FROM A SAFE. THE BOX CONTAINED APPROXIMATELY \$150.00 CASH AND 500 IN MONEY ORDERS ISSUED TO JUDGE ADOLPHUS' OFFICE. THE MONEY WAS FINE AND BOND RECEIPTS.

JUDGE ADOLPHUS ADVISED THAT HE BELIEVED THAT HIS OFFICE HAD BEEN BURGLARIZED; HOWEVER, NO FORCED ENTRY WAS FOUND.

JUDGE ADOLPHUS DIRECTED ME TO THE OFFICE SAFE. THE SAFE WAS LOCATED IN A FILE ROOM ON THE SOUTH SIDE OF THE OFFICE. THE SAFE WAS POSITIONED NEAR THE NORTH WALL OF THE ROOM. THE SAFE WAS APPROXIMATELY 3'X 21/2'X 21/2'.

THE CASH BOX HAD BEEN PLACED IN THE SAFE ON FRIDAY, FEBRUARY 13, 1987.

WHILE EXAMINING THE SAFE JUDGE ADOLPHUS NOTICED A CEILING TILE THAT WAS OUT OF PLACE ABOVE THE SAFE.

UPON REQUEST THE SUGAR LAND FIRE DEPARTMENT RESPONDED TO THE SCENE WITH A LADDER TRUCK FOR THIS OFFICER TO GAIN ACCESS TO THE ROOF.

I INSPECTED THE ROOF FOR ENTRY. THE ROOF WAS INTACT.

A VACANT OFFICE SPACE ON THE NORTH SIDE OF THE JP OFFICE WAS INSPECTED. THE SPACE IS AN OPEN UNPARTICIANED INTERIOR BUILDING IN THE STRIP CENTER. THE FRONT HAS GLASS WINDOWS ALONG ITS LENGTH. THE DOORS WERE LOCKED (FRONT AND REAR). BY LOOKING THROUGH THE FRONT WINDOWS I WAS ABLE TO DETERMINE THAT NO ENTRY WAS GAINED THROUGH THE OFFICE SPACE.

THERE IS A FIRE WALL THAT DIVIDES THE SPACE FROM THE JUSTICE OFFICE.

I THEN COMPLETED THE INTERVIEW OF JUDGE ADOLPHUS AND HIS EMPLOYEES.

THE FOLLOWING IS A COMPLETE LIST OF THE EMPLOYEES (WITH ACCESS TO THE SAFE).

(1) JAMES C. ADOLPHUS W/M 10/10/29 OF 914 BERT CREEK, RICHMOND, TEXAS 342-7396.

(2) FAKHREZAMAN (FAY) LINDSAY W/F 04/15/45 OF 11910 PLUM BROOK, HOUSTON, TEXAS 879-6801.

(3) LISA SHENEE BERRY B/F 07/09/65 OF 2715 GARFIELD, HOUSTON, TEXAS 447-6709.

(4) HORTENCIA A. GARCIA W/F 08/20/47 OF 14118 LOU ANN, CT, SUGAR LAND, TEXAS 242-7758.

FROM THE INTERVIEW OF THE EMPLOYEES, I LEARNED THE FOLLOWING:

THE CASH BOX IS USED DURING THE DAY BY THE THREE CLERKS, LINDSAY, BERRY AND GARCIA.

IT IS NOT KEPT IN A SPECIFIC LOCATION DURING THE DAY.

AT NIGHT THE CASH BOX IS PLACED IN THE COMBINATION SAFE AND THE SAFE IS LOCKED.

ALL FOUR EMPLOYEES HAVE THE SAFE COMBINATION THERE IS A POSSIBILITY THAT THE FORMER JUSTICE OF THE PEACE #4 JAMES SCOTT HAS THE COMBINATION.

THE COMBINATION WAS NOT CHANGED WHEN JUDGE ADOLPHUS TOOK OFFICE.

THE CASH BOX WAS PLACED IN THE SAFE ON FRIDAY, FEBRUARY 13, 1987

AT APPROXIMATELY 5:00 P.M. LINDSAY LEFT THE OFFICE AT ABOUT

5:00 P.M. FOLLOWED BY GARCIA. BERRY WAS THE LAST TO LEAVE AT ABOUT 5:15 P.M., JUDGE ADOLPHUS HAD LEFT THE OFFICE EARLIER IN THE DAY.

THE EMPLOYEES USUALLY LEAVE THROUGH THE FRONT DOOR WHICH THEY DID ON FRIDAY.

ALL EMPLOYEES HAVE KEYS TO THE OFFICE.

ON MONDAY MORNING (02/16/87) BERRY WAS THE FIRST TO ARRIVE FOR WORK. SHE DISCOVERED THE CASH BOX MISSING FROM THE SAFE WHEN SHE WENT TO RETRIEVE IT.

THE ONLY OTHER PARTIES WITH ACCESS TO THE OFFICE ARE EMPLOYEES OF THE C & C CLEANING SERVICE. THE CLEANING SERVICE CLEANS THE OFFICE ON WEEKENDS.

GARCIA ADVISED ME THAT SHE HAD CALLED THE CLEANING SERVICE TO ASCERTAIN WHO HAD BEEN AT THE OFFICE THE PAST WEEKEND.

SHE STATED IT WAS AN EMPLOYEE NAMED TONY.

WHILE I WAS TALKING WITH THE CLERKS TIRSO (TONY) A. RODRIQUEZ

W/M 06/29/48 OF 1923 OAKLAWN 494-9356, (B)499-2115 ARRIVED.

HE ADVISED THAT HIS WIFE HAD CONTACTED HIM AFTER GARCIA HAD TALKED WITH HER, (THE BUSINESS IS FAMILY OWNED).

I INTERVIEWED MR. GARCIA WHO ADVISED THAT HE CLEANED THE OFFICE ON SUNDAY BFEbruary 16, 1987. HE ENTERED THE OFFICE THROUGH THE REAR (WEST) DOOR. HE LATER LEFT THROUGH THE REAR DOOR. HE REOPENED THE FRONT DOOR CLEANED THE GLASS OF THE DOOR THEN RELOCKED IT.

HE ONLY OPENED THE FRONT DOOR ONCE.

RODRIQUEZ ENTERED THE FILE ROOM TO GET GARBAGE BAGS WHICH ARE STORED IN THE ROOM.

THE DOOR TO THE ROOM WAS PARTIALLY OPEN. RODRIQUEZ LEFT THE DOOR TO THE ROOM OPEN.

MR. RODRIQUEZ ADVISED THAT THE ONLY THING OUT OF ORDER IN THE OFFICE WAS A FILE CABINET IN THE FRONT (CLERK'S) OFFICE.

THE BLACK METAL CABINET HAD THE TOP DRAWER OPEN AND A DOOR AJAR.

THE METAL CABINET CONTAINS COPIES OF TICKETS, (CITATIONS).

WHEN BERRY ARRIVED FOR WORK (FEBRUARY 16, 1987) THE DOOR TO THE FILE ROOM WAS CLOSED. THE DOOR TO THE ROOM LOCKS WHEN THE DOOR IS CLOSED.

THE DOOR IS USUALLY LEFT PARTIALLY OPEN. WHEN SOMEONE HAS CLOSED IT IN THE PAST, THE DOOR HAS BEEN OPENED BY THE CLERKS BY MANIPULATING THE BOLT OF THE LOCK FROM THE HASP USING A FORK OR KNIFE.

THE DOOR WAS OPENED BY BERRY WHO USED A FORK TO GAIN ENTRY.

WHEN EXAMINED BY THIS OFFICER, THE DOOR FRAME AND DOOR HAD FRESH PRY MARKS AND THERE WERE WOOD SHAVINGS ON THE FLOOR BELOW THE LOCK HASP.

THE DOOR TO THE ROOM IS USUALLY LEFT OPEN ONLY A FEW INCHES OPEN. THERE IS A TABLE JUST INSIDE THE ROOM TO THE RIGHT. THE DOOR WHEN CLOSING HITS THE TABLE. TO PROPERLY CLOSE THE DOOR A PERSON MUST PUSH THE TABLE BACK AS FAR AS POSSIBLE AND SLAM THE DOOR.

THE ONLY PROPERTY IN THE OFFICE DISTURBED WAS THE SAFE. THE ONLY PROPERTY TAKEN WAS THE CASH BOX AND ITS CONTENTS.

THE SUSPECT(S) HAD WRITTEN "THANK YOU!! HA! HA!" ON THE FRONT DOOR OF THE SAFE IN REDISH PINK COLORED INK (OR SIMILAR WRITING FLUID).

AT THE REQUEST OF THIS OFFICER, DETECTIVE JOE HOLLINGSWORTH OF THE IDENTIFICATION DIVISION MADE THE SCENE. HE FINGERPRINTED THE SAFE AND LATER PHOTOGRAPHED THE HAND WRITING ON THE SAFE. DETECTIVE HOLLINGSWORTH WAS UNABLE TO OBTAIN ANY IDENTIFIABLE LATENT PRINTS FROM THE SAFE.

JUDGE ADOLPHUS ADVISED ME THAT HE WOULD TAKE AND ENCOURAGE HIS EMPLOYEES TO TAKE A POLYGRAPH TEST, IF NECESSARY.

NO FURTHER INFORMATION OBTAINED AT THE SCENE. I RETURNED TO SERVICE AT 1036 HOURS.

AT 1545 HOURS, DETECTIVE HOLLINGSWORTH ADVISED ME THAT HG REYNOLDS OF HG REYNOLDS LOCKS (5176 AVE H, ROSENBERG, 342-5328) HAD CHANGED THE LOCKS ON JUDGE ADOLPHUS' OFFICE AND HAD REQUESTED I CALL HIM.

JUDGE ADOLPHUS OFFICE HAD CALLED DETECTIVE HOLLINGSWORTH.

I TELEPHONED MR. REYNOLDS HE ADVISED ME THAT WHEN CHANGING THE FRONT DOOR LOCK, HE DISCOVERED METAL SHAVINGS IN THE LOCK CYLINDER.

MR. REYNOLDS ADVISED THAT THE LOCK WAS OF CONSTRUCTION QUALITY AND THAT ANOTHER KEY OR A SIMILAR KEY IF MANIPULATED COULD UNLOCK THE DOOR.

HE ADVISED THAT THE METAL SHAVINGS IN THE CYLINDER WOULD BE CONSISTANT WITH THIS.

THE REAR DOOR LOCK (ALSO A DOUBLE CYLINDER DEADBOLT HAD NO ABNORMALITIES.

MR. REYNOLDS ALSO CHANGED THE COMBINATION OF THE SAFE. THE SAFE WAS NORMAL.

FORT BEND COUNTY DRAINAGE DISTRICT

RIGHT OF WAY EASEMENT

THE STATE OF TEXAS,
COUNTY OF FORT BEND,

KNOW ALL MEN BY THESE PRESENTS: That the undersigned:

Alan W. Vencil and Rosalea, husband and wife.

Route 1, Box 41-A, Damon, Texas 77430

whose address is as shown above (hereinafter called GRANTOR, whether one or more) for and in consideration of the benefits to be derived on account of and from the construction, operation and maintenance by Fort Bend County Drainage District, of the drainage canal and system upon and through the land hereafter described, the sufficiency of which is hereby acknowledged and confessed, has granted, bargained, sold and conveyed, and by these presents hereby grants, bargains, sells and conveys unto said Fort Bend County Drainage District, a corporation (hereinafter called the DISTRICT), of Fort Bend County, Texas, a right of way and easement for the purpose of constructing, maintaining, operating, repairing and re-constructing a drainage canal, including drains, ditches, laterals and levees, upon, over, through and across the land of GRANTOR along the route hereinafter designated, and said land being situated in Fort Bend County, Texas, to-wit:

The DISTRICT shall have an easement of an aggregate width of 60 feet, being ³⁰ feet, extending at right angles, on each side of the following line and course across said land, to-wit:

Beginning at the intersection of the centerline of Hoggs Bayou and the North property line of Alan W. Vencil's 264.528 acre tract of land in the Edward Robertson Survey, Abstract 80, in Fort Bend County, Texas;

Thence in a Southerly direction along the centerline or thread of Hoggs Bayou to the intersection of the South property line of said 264.528 acre tract;

The District shall pile and burn any trees and or brush which it may remove from within the above easement;

The District, during channel construction and maintenance is authorized to spread spoil dirt upon the premises of Grantor on each side of and immediately adjoining the described easement, but not outside of 150' from centerline.

The District agrees to construct a low water crossing within the drainage channel and at a location designated by Grantor.

The District agrees to construct two (2) water gates; one on the North and one on the South fence lines.

The DISTRICT shall have all rights and benefits necessary or convenient for the full enjoyment or use of the rights herein granted, with the right of ingress and egress to and from said drainage canal right of way, provided, however, that after construction of said drainage canal, said right of ingress and egress of the DISTRICT shall be limited to the said right of way and to existing roads and passageways. The DISTRICT is given the right from time to time to cut and remove all trees, undergrowth, and abate other obstruction, upon said canal right of way, that may injure, endanger, or interfere with the construction, operation, maintenance and repair of said drainage canal.

The DISTRICT agrees during the life of this easement to repair all damage to roads, passageways and fences resulting from the DISTRICT'S use in going to and from said easement and right of way, and to restore the same to the previously existing condition as near as possible.

GRANTOR reserves the right to use the facilities offered by the drainage canal for the disposal of surface waters, rain, or any excess waters collecting upon his land, and in such connection GRANTOR has the right in the manner provided by law and at his own expense to construct and provide ditches, drains and laterals connecting his said land or portions thereof with the drainage canal.

GRANTOR reserves the oil, gas and sulphur in and under the land covered by this easement, provided however, that during the life of this easement no mining or drilling operations shall be conducted upon the surface of the area included in the easement right of way above described.

It is agreed that if at a future time the DISTRICT, its successors or assigns, shall permanently cease to use said drainage canal right of way for the purposes herein contained, and shall permanently abandon the same, then and in such event the said right of way above described, together with all rights and interests held by the DISTRICT by reason of this instrument, shall revert, pass to and vest in the said GRANTOR, his heirs or assigns.

TO HAVE AND TO HOLD said right of way and easement herein granted, unto the said DISTRICT, its successors or assigns.

RE: Cost Sharing and Financing Agreement for Railroad
Bridge Construction at Sienna Plantation Levee
Improvement District

Dear Larry:

Enclosed are six (6) originals of the agreement related to the construction and financing of the above-captioned railroad bridge, proposed to be executed by Fort Bend County Drainage District. As you can see from the date on this agreement, it has been in circulation for quite some time and all of the parties are anxious to finalize it as soon as possible.

Negotiations for this agreement began approximately two years ago. Stanley Kucherka was involved in the negotiations and stated that the Drainage District would be a party to the agreement to ensure that the upstream landowners, Homecraft (now United Savings), Natchez (Gemcraft) and Peter Tsou, pay their pro rata shares of the cost to construct the bridge before the Drainage District allows them to drain into the external drainage channel. As you may know, the County is constructing the external drainage channel with contributions from Homecraft (United Savings), Natchez and Tsou.

If you have any questions regarding the substance of this agreement, please contact Stanley Kucherka or Dan Gerken; both know the substance of the deal between the parties and the Drainage District. If you have any other questions, please call me at 651-3856.

Dan Gerken thought that the execution of this agreement by the Drainage District might occur at its September 14, 1987 meeting. Please let me know at your earliest convenience if this matter can be placed on that agenda. We are anxious to finalize it since it has been pending for so long.

Thank you for your assistance with this matter.

Sincerely,

Lynne B. Humphries

COST SHARING AND FINANCING AGREEMENT
FOR RAILROAD BRIDGE CONSTRUCTION

0033

AS PER ORIGINAL

This Cost Sharing and Financing Agreement made and entered into as of the _____ day of January, 1987, by and between Sienna Plantation Levee Improvement District of Fort Bend County, Texas, a political subdivision of the State of Texas, created and operating under the provisions of Article XVI, Section 59 of the Texas Constitution and Chapter 57, Texas Water Code, as amended ("Sienna"); The Johnson Corporation, a Texas corporation ("TJC"), the principal developer of land within the boundaries of Sienna; ~~Homecraft Assets Corporation, a Texas corporation ("Homecraft");~~ Natchez Joint Venture, a Texas joint venture ("Natchez"); and Peter Tsou ("Tsou") (collectively the "Parties"); and, for limited purposes, the Fort Bend County Drainage District (the "District").

RECITALS

The land within Sienna and the lands owned by ~~Homecraft~~, Natchez and Tsou are located within Fort Bend County and lie within the Long Point Creek and Oyster Creek watersheds. Proper drainage of the above-described lands requires improvements to the external drainage channel initially constructed by Sienna and now owned by the District (the "Drainage Channel"), which channel and lands are further identified on attached Exhibit "A". The Atchison, Topeka and Sante Fe Railroad Company (the "Railroad") owns fee title to a strip of property which crosses the Drainage Channel. In order to complete the previous improvements initially constructed by Sienna and to construct the additional improvements to the Drainage Channel necessary to drain the lands owned by ~~Homecraft~~, Natchez and Tsou, the Parties are required to construct a railroad bridge across the land owned by the Railroad. Sienna entered into an agreement with the Railroad dated February 5, 1986, whereby the Railroad will design, construct and maintain the required bridge for a cost of \$341,583. The Parties have determined that it is to their mutual advantage to share the cost of the Railroad bridge construction across the Drainage Channel; however, ~~Homecraft~~, Natchez and Tsou do not have sufficient funds to finance their pro rata shares of the construction and have requested Sienna or TJC to finance their pro rata shares of the construction to ensure that the land owned by it will be allowed to drain into the Drainage Channel. TJC has agreed to pay their pro rata shares of the construction on the condition that it will be reimbursed by such parties prior to the time that the land owned by ~~Homecraft~~ or Natchez or Tsou is allowed to drain into the Drainage Channel, except as provided herein.

AGREEMENT

For and in consideration of the mutual promises, obligations and benefits contained in this Agreement, Sienna, TJC, ~~Homecraft~~, Natchez and Tsou ~~do~~ hereby contract and agree as follows: *United (me)*

ARTICLE I
DEFINITIONS

Section 1.01. Bridge. The term "Bridge" shall mean a 6-span, 168-foot, prestressed, box beam bridge on collared steel shell piles designed and constructed by the Atchison, Topeka and Sante Fe Railroad Company, a Delaware corporation, as is more fully depicted on attached Exhibit "A".

Section 1.02. Construction Costs. The term "Construction Costs" shall mean only the \$341,583 that Sienna has been or will be required to pay to the Railroad for the design and construction of the Bridge.

ARTICLE II
CONSTRUCTION COSTS

Section 2.01. Design and Construction. The Railroad will design and construct the Bridge and the Parties recognize that they have no control over the plans and specifications for the Bridge. The Parties further recognize that under the terms of its agreement with the Railroad, Sienna is required to pay the Railroad for the design and construction of the Bridge prior to the Railroad commencing work. Because Sienna did not have sufficient funds to pay its pro rata share of the Construction Costs to the Railroad, TJC advanced funds to Sienna to pay its share, plus the other Parties' shares, to the Railroad. Payment was made by Sienna to the Railroad on July 24, 1986. TJC will be reimbursed by Sienna in accordance with a separate financing agreement; ~~Homecraft~~, Natchez and Tsou will reimburse Sienna, which will reimburse TJC in accordance with Section 2.03 of this Agreement. *United (me)*
DSW

Section 2.02. Construction Costs. The Construction Costs of the Bridge shall be shared as follows:

| | | |
|------------------------------------|-------------|----------------------|
| Sienna | <i>(me)</i> | \$ 135,642.61 |
| Homecraft <i>United</i> | <i>(me)</i> | 101,590.39 |
| Natchez | <i>(me)</i> | 103,793.96 |
| Tsou | <i>(me)</i> | 556.04 |
| | | <u>\$ 341,583.00</u> |

The pro rata shares of Construction Costs to be borne by the Parties have been determined by considering the following factors: (1) amount of acreage to be drained by each party,

and (2) amount of cfs flow to be contributed by each party into the Drainage Channel. By execution of this Agreement, the Parties agree that the determination of the pro rata shares and the resulting percentages, as shown on attached Exhibit "B", is a fair and equitable allocation of the Construction Costs. None of the Parties shall be liable for amounts in excess of the amounts set forth herein; provided, however, if Sienna receives any of the \$341,583 as a refund from the Railroad, Sienna shall share such refund with the Parties in proportionate amounts.

Section 2.03. Reimbursement of Construction Costs.

~~Homecraft~~, Natchez and Tsou each hereby agree to reimburse Sienna for its pro rata share of the Construction Costs, plus interest calculated at the prime interest rate of Mellon Bank N.A., Pittsburgh, Pennsylvania, plus two percent (2%), per annum, computed from the date of payment by Sienna to the Railroad to the date of reimbursement, prior to draining into or otherwise using the Drainage Channel (except as provided in Section 2.04 of this Agreement).

Upon receipt of any reimbursement (either partial or full) from ~~Homecraft~~, Natchez or Tsou, or from any other person or persons making such reimbursement on their behalf, Sienna will notify TJC in writing of the amount received and will, within thirty (30) days thereafter, reimburse TJC the full amount received by Sienna. If, prior to receiving full reimbursement from ~~Homecraft~~, Natchez or Tsou and making full reimbursement to TJC, Sienna receives bond funds or other sums of money legally available to finance ~~Homecraft's~~, Natchez's or Tsou's pro rata shares of the Construction Costs, Sienna will, to the maximum extent permitted by law, reimburse TJC. If such reimbursement to TJC is less than the full amount to which TJC is entitled hereunder, Sienna agrees to reimburse TJC the balance to which it is entitled hereunder out of the first available funds received by Sienna from or on the account of ~~Homecraft~~, Natchez or Tsou. In the event of any partial reimbursement to Sienna from ~~Homecraft~~, Natchez or Tsou, the amount reimbursed shall include the principal amount plus accrued interest thereon.

Section 2.04. Drainage Rights. The District agrees

that it will not allow any of the land owned by ~~Homecraft~~, Natchez or Tsou to drain or otherwise use the Drainage Channel until such Parties have reimbursed Sienna in full in accordance with the terms and conditions of this Agreement; provided, however, ~~Homecraft~~ shall be entitled to drain the land identified on the attached Exhibit "C" upon execution of this Agreement. Upon full or partial reimbursement by ~~Homecraft~~, Natchez or Tsou to Sienna, Sienna will notify in writing the District that it has been reimbursed and that party shall be entitled to drain a proportionate number of acres into the Drainage Channel.

ARTICLE III
GENERAL AND MISCELLANEOUS PROVISIONS

Section 3.01. Legal Fees. The Parties agree that each party shall be responsible for payment of any legal fees incurred on its behalf in the preparation, negotiation, or administration of this Agreement, and that there shall be no pro rata determination of such fees.

Section 3.02. Term and Expiration. This Agreement shall be in force and effect (i) for a term of 40 years, or (ii) until all sums due hereunder are received by Sienna or TJC, whichever occurs first; provided, however, if the District has not executed this Agreement within one hundred and eighty (180) days from its date, the Agreement shall be considered null and void.

Section 3.03. Regulatory Requirements. This Agreement and the obligations of the Parties hereunder are subject to all rules, regulations, laws and ordinances which may be applicable by the United States, the State of Texas, and Fort Bend County or any regulatory agency having jurisdiction.

Section 3.04. Assignment. This Agreement may be assigned by ~~Homecraft, Natchez or Tsou~~ to their heirs, successors or assigns without the written consent of the other Parties; provided, however, upon any such assignment, notice shall be given to Sienna.

Section 3.05. Implied Waiver. The failure of the Parties to insist, in any one or more instances, upon performance of any of the terms, covenants or conditions of this Agreement, shall not be construed as a waiver or relinquishment of the future performance of any such term, covenant or condition by any other party hereto, but the obligation of such other parties with respect to such future performance shall continue in full force and effect.

Section 3.06. Addresses and Notices. The Parties shall pay to Sienna the sums due under Section 2.02 of this Agreement at the address shown below:

Sienna Plantation Levee Improvement District
of Fort Bend County, Texas
2800 First City Tower
1001 Fannin Street
Houston, Texas 77002-6760

Section 3.07. Parties in Interest. While the provisions of this Agreement are, in part, intended to establish as between the Parties an acceptable manner of

providing proper drainage flow to the residents of the land being developed by the Parties, this Agreement shall be for the sole and exclusive benefit of the Parties and shall not be construed to confer any benefit or right upon any other party.

Section 3.08. Severability. The provisions of this Agreement are severable, and if any word, phrase, clause, sentence, paragraph, section or other part of this contract or the application thereof to any person or circumstance shall ever be held by any court of competent jurisdiction to be invalid or unconstitutional for any reason, the remainder of this Agreement and the application of such word, phrase, clause, sentence, paragraph, section or other part of this contract to the other persons or circumstances shall not be affected thereby.

Section 3.09. Merger. This Agreement, together with such descriptions, terms and conditions as may be included in Exhibits "A" and "B" attached hereto, constitute the entire agreement between the Parties relative to the subject matter hereof. There have been and are no agreements, covenants, representations or warranties between the Parties other than those expressly stated or provided for herein.

Section 3.10. Cooperation. Each party hereby agrees that it will take all actions and execute all documents necessary to fully carry out the purposes and intent of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement in multiple copies and several counterparts, each of equal force, each of which shall be deemed an original as of the date and year first written above.

DRAINAGE AGREEMENT

This Drainage Agreement is made and entered into by and between Plantation Municipal Utility District ("Plantation"), Fort Bend County Drainage District ("FBCDD") and General Homes Corporation ("General").

WHEREAS, Plantation requires drainage for Tara, Section 5, totaling 40.969 acres, ("the Property") which is located within the boundaries of Plantation; and

WHEREAS, FBCDD has determined that Rabbs Bayou must be improved to handle storm water from the Property in lieu of on-site detention or other drainage facilities on the Property to serve the same purpose; and

WHEREAS, FBCDD has jurisdiction over drainage into the Rabbs Bayou watershed and, based upon engineering studies performed by the County Engineer, has determined to require a regional approach to provide drainage from the impact of development in the watershed; and

WHEREAS, FBCDD has established a cost of \$600.00 per acre as a fair and uniform method of distributing the cost of improvements within the Rabbs Bayou watershed and has determined that this per acre cost is an effective and equitable way to provide drainage capacity for the Property; and

LD 9/14/87

WHEREAS, FBCDD required Plantation to pay the \$600.00 per acre to drain the Property and General, as the then-owner of the Property, paid to FBCDD \$24,582.00 (\$600 per acre) on behalf of Plantation because Plantation did not have bond funds legally available; and

WHEREAS, FBCDD made certain improvements within the Rabbs Bayou watershed using funds contributed from General and others to provide drainage capacity for the Property, as well as other property located within Rabbs Bayou watershed; and

WHEREAS, FBCDD has allocated capacity in the Rabbs Bayou watershed to the Property;

NOW, THEREFORE, for and in consideration of the good and valuable consideration hereinafter described, the receipt and sufficiency of which is hereby acknowledged, the parties hereby contract, covenant, and agree as follows:

FBCDD hereby allocates drainage capacity in the Rabbs Bayou watershed to Plantation, Section 5 (totaling 40.969 acres) within Plantation in return for the \$24,582.00 paid on behalf of Plantation by General and agrees that such capacity will not be reduced nor will on-site detention or additional drainage facilities or charges be required to fully develop the Property.

IN WITNESS WHEREOF, the parties have executed this agreement to be effective as of the later of the dates shown below.

MONTHLY REPORT

AUGUST, 1987

Emphasis was switched from herbicide applications to shredding operations for the control of vegetation in channels during the first week of August. The two (2) reasons for the change were the mature stage of growth most species had reached, as well as the near drought conditions experienced in many areas of the county. Both of these conditions cause a reduction in the plant's food intake and therefore greatly reduce the ability of chemicals to effectively control the plant.

A total of thirty (30) streams including Aylor Ditch II-NN, Cottonwood Creek II-B-24, Buffalo Creek I-B-3 and Keegan's Bayou and several of its tributaries were shredded during August.

Several streams did receive herbicide treatments during the first two (2) weeks of the month where it was felt targeted species could be affected. This amounted to nothing more than spot treatments of many of the streams.

A complete list of all streams that were sprayed or shredded is included later in this report.

The laying of the Avenue N storm sewer was completed on August¹⁷ 17. The Link Belt LS-2800 excavator and the District's bridge crew worked on this project which involved the setting of approximately three thousand (3,000) lineal feet of reinforced concrete pipe ranging in size from 18" diameter to 42" diameter.

Excavation continued on Buffalo Creek with the Northwest 41 dragline. A total of fourteen thousand (14,000) cubic yards of spoil material were removed.

Work also continued on Dry Creek with a variety of activities including the spreading of spoil dirt, the seeding of sideslopes and the setting of drop inlet pipes.

The cooperative effort between the District and Missouri City on Stafford Run Creek and several adjacent detention facilities continued during August with a dragline and two (2) bulldozers.

The International TD-25 bulldozer continued to spread spoil dirt on Rabbs Bayou.

The Ruston Bucyrus dragline dug on Snake Creek I-C-4 and cast five thousand (5,000) cubic yards of spoil material.

The Turkey Creek II-A project continued with the Northwest 9570 dragline which dug approximately fourteen thousand (14,000) cubic yards of dirt.

Work was completed on the Waters Lake Bayou drop structure at the Brazos River. The structure consists of two (2) one hundred ninety (190) feet runs of seventy-two (72) inch diameter asphalt coated corrugated pipe. This structure was designed for a dual purpose by acting as an oil trap to prevent any possible spills in the oilfield upstream from entering the Brazos River.

The following charts show each project worked during August and which equipment was used.

DEFAULT ORDER OF FORFEITURE

On this the 14th day of September, A.D., 1987, came on to be heard and considered the petition for Forfeiture in the above styled and numbered cause filed heretofore on the 24th day of July, 1987, and after due notice to the party herein, it now appears that no answer or appearance has been filed by any party claiming an interest in the property which is the subject matter of this forfeiture, and came the Plaintiff, the State of Texas, by and through Sam W. Dick, District Attorney of Fort Bend County, Texas; and the Plaintiff presented prima facie evidence through her Notice of Seizure and Intended Forfeiture, a part of the record in this cause pursuant to Article 4476-15, "The Controlled Substances Act", Section 5.07(b), V.A.C.S. that on the 13th day of July, 1987, in Fort Bend County, Texas, the said 1977 Mercury Motorcar involved herein was used and intended for the purpose of transportation for delivery, of a controlled substance as described in Paragraph (a) of Section 5.03 of Article 4476-15, V.A.C.S., to-wit: over 50 lbs. of marijuana and that Larry Davis aka Franklin Davis was the owner and operator of the vehicle and having been timely served, and the Court after duly considering the same, as well as the law involved herein, finds that the said 1977 Mercury Motorcar should be forfeited to the State of Texas as prayed.

It is accordingly ORDERED, ADJUDGED and DECREED that the said 1977 Mercury Motorcar, vehicle identification number 7Z60A559651 bearing ~~Texas~~ ^{Tennessee} license number 1ERT53, is found to have been illegally used for the purpose of transporting for delivery and facilitation the transportation for delivery of a controlled substance, to-wit: over 50 lbs. of marijuana on the 13th day of July, 1987, when the said vehicle was traveling in Fort Bend County, Texas, to-wit: in or near the area of Stafford, Fort Bend County, Texas, and that the said 1977 Mercury Motorcar is hereby forfeited to the State of Texas.

It is further ORDERED, ADJUDGED and DECREED that pursuant to Section 5.08 of Article 4476-15, V.A.C.S. Fort Bend County ^(Sheriff's Office) is hereby authorized to use, maintain, repair and operate the said 1977 Mercury Motorcar after it has paid all storage charges and liens, if any, which may have accrued against said vehicle and that said 1977 Mercury Motorcar be transferred to Fort Bend County for its use and benefit after payment of said storage charges and liens and that the State of Texas is hereby authorized and directed to issue good and sufficient title to said motor vehicle that will perfect clear title on said motor vehicle to Fort Bend County; and that all costs of Court be assessed against the Defendant for which let execution lie.

AREA CODE 713
342-3411

TO: Jodie E. Stavinoha, County Judge
FROM: Walter S. McMeans, Judge, County Court at Law No. 2
RE: 1987 Budget Amendment

I propose to amend the County Court at Law No. 2 1987 Budget to add \$10,000.00 to Fees and Services #4010 in order to increase the budgeted amount of \$26,000.00 to \$36,000.00.

This amendment has become necessary because of the work load of this Court including unexpected certification of three juveniles as adults. It is anticipated that the additional \$10,000.00 will be sufficient assuming there is not a sudden rash of activities necessitating appointments in order to provide legal representation to indigent defendants or for psychological examinations.

Please be advised that I spoke to Mr. Robert Grayless about this matter and he assures me that the funds are available.

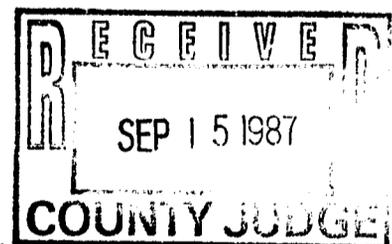

Please enter this subject on the agenda of the County Commissioners Court as soon as possible and let me know if I should be available to make a presentation to the Commissioners.

Thank you for your assistance.

Yours truly,

Walter S. McMeans

The Honorable County Judge

Fort Bend County, Texas

RE: Filing Fees for Mental Commitment

Gentlemen:

It has come to the attention of this office that Harris County charges a filing fee for filing an application for commitment. They currently charge \$130.00 for an application for commitment, \$40.00 to offset the County Clerk, \$35.00 to offset the Constable as a process fee, and the remainder goes to the court in which the application is heard. Also \$130.00 is charged for an application for emergency warrant (generally processed by the Justice of the Peace) which if not followed up by a filing of application for commitment goes into the county general fund. If the application for emergency warrant is followed up by an application for commitment this money is allocated to the County Clerk, Constable, and the Court as stated above.

This office can find no prohibition in the Mental Health Code that prohibits the charging of filing fee and cost to those making applications for commitment. Article 3930(b)B.(1)(V.) of Vernon's Civil Statutes specifically authorizes the County Clerk to charge Forty Dollars (\$40.00) for costs and reads as follows:

For mentally ill: Total costs for all services listed in Article 5547-13, Article 5547-14, and Article 5547-15, Vernon's Civil Statutes, shall be in the amount of\$40.00.

Applicants who cannot afford to pay could file a pauper's oath and the application handled in the usual manner. About one half of the applicants that come through this office are able to pay a fee. While the money that is received from applications would not come close to paying for the county's cost, it would help defray expenses. From information given by the Fort Bend County Mental Outreach Clinic there has been a three-fold increase in mental commitments in Fort Bend County over the past year.

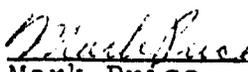

AS PER ORIGINAL

Based upon the foregoing, this letter is written to advise Commissioners' Court of the possibility of assessing fees in mental committments.

Should you have any questions please advise.

Very truly yours,

MEMORANDUM

TO: County Clerks
FROM: Sam E. Clonts, Executive Director
DATE: August 25, 1987
RE: REQUEST FOR FEES REQUIRED BY S.B. 715

As you may know, the Texas Legislature passed Senate Bill 715 last session amending Article 3926a Revised Statutes that mandates your county commissioners court must not set fees pursuant to this Article more than once per year. Additionally, the court must set these fees before October 1 of each year to be effective January 1 of the following year.

Senate Bill 715 also requires that your county provide written notice of these fees not later than October 15 of each year to the commissioners court of each Texas county, as well as the State Bar of Texas.

The Texas Association of Counties would like to assist you in fulfilling these requirements by providing written notice of your county's fee changes pursuant to this bill to all other counties and the State Bar.

If you will complete the enclosed form, T.A.C. will be happy to notify all other counties and the State Bar of your county fee charges. I hope that you will complete this for us as soon as possible so that we may assist you in expediting this important notification procedure.

If you have any questions about this matter please feel free to call on me at any time.

 SECTION 2. The changes made by this Act to Article 3926a, Revised Statutes, apply only to fees set on or after the effective date of this Act. Fees set before the effective date are governed by the law in effect at the time the fees were set, and the former law is continued in effect for this purpose.

SECTION 3. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and this rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

Passed the Senate on April 24, 1987: Yeas 30, Nays 0; passed the House on May 14, 1987: Yeas 136, Nays 0, two present not voting.

Approved May 21, 1987.

Effective May 21, 1987.

Re: Falcon Point Subdivision

Dear Commissioner Pressley:

Because of numerous instances of vandalism, reckless driving, the owners' concern of additional property damage and to prevent personal injury, the undersigned feel a need to better secure the Falcon Point Subdivision. We feel an effective solution would be to temporarily close the rear entrance into the subdivision at Roesner Road.

The undersigned represent in excess of 95% of the property owners in the Falcon Point Subdivision. We would appreciate your assistance in helping us obtain approval for this temporary closing. Should you require additional information, please contact Ross Massengill at 531-5311.

Sincerely,

Re: Application for Public Hearing
Market at First Colony
Commercial Reserves C, C-3, L, M, P, and P-1

Dear Commissioner Pressley:

In accordance with Article 6626e, V.T.C.S. and on behalf of our client, Vantage Properties, Inc., I would like to submit this letter as a formal application to establish a public hearing to be held by Commissioner's Court of Fort Bend County.

The purpose of this replat is to resubdivide Commercial Reserves "C" and "P" and adjust Reserve "M" to accurately describe these individual parcels to be sold to the end user in fee simple title. This plat lies within the extraterritorial jurisdiction of the City of Sugar Land and has been granted final plat approval by said City.

I would appreciate your assistance in establishing the public hearing on this replat for Monday, October 26, 1987 with the Fort Bend County Commissioner's Court.

If you should need further information, please do not hesitate to call me at your convenience.

Very truly yours,

Randall L. Riley
Director of Planning

GENERAL CERTIFICATE OF THE COUNTY

0033

I, the undersigned, County Judge of Fort Bend County (the "County"), make this certification for the benefit of all persons interested in the issuance by the Fort Bend County Industrial Development Corporation (the "Issuer") of its \$1,000,000 Industrial Development Revenue Refunding Bonds (Frito-Lay, Inc. Project) Series 1987 (the "Bonds") to refund the Issuer's \$1,000,000 Industrial Development Revenue Bonds, Series 1982 (Frito-Lay Inc. Project) and to refinance the costs of acquiring and constructing certain machinery and equipment used in connection with a snack food manufacturing facility (the "Project"), operated by Frito-Lay Inc., a Delaware corporation. I hereby certify that:

1. The Issuer was created and authorized to act on behalf of the County, and the Articles of Incorporation and Bylaws of the Issuer were approved by the County Commissioners (the "Governing Body") of the County.

2. The following persons are the duly constituted Board of Directors (the "Board") and officers of the Issuer:

| <u>Name</u> | <u>Office</u> |
|-----------------------|--------------------|
| John P. Knox | President |
| Alton B. Pressley | Vice President |
| Maurice Berkman | Treasurer |
| Ben Denham | Secretary |
| Barbara Pickthall | Executive Director |
| Mike Saenz | Director |
| Ervin Randermann, Jr. | Director |
| C.B. Bentley | Director |
| Johnny Nelson | Director |
| Ernest Zomalt | Director |
| Sue Tryan | Director |
| Eugene Demney | Director |
| Willie Poncik | Director |
| Jack Tyler | Director |
| Henry A. Wertheimer | Director |
| Leonard Scarcella | Director |
| Lee Duggan | Director |
| G.W. Longserre | Director |
| John Stern | Director |
| Johnnie Pustka | Director |
| Bob Lutts | Director |
| Jodie Stavinoha | Director |

3. The Governing Body, by written resolution dated September 21, 1987, has approved the issuance of the Bonds and the documents relating thereto in the amount and for the purpose set forth therein and such resolution has not been amended, annulled, rescinded or revoked and remains in full force and effect on the date hereof.

4. The Governing Body conducted a public hearing on the proposed issuance of the Bonds and the refinancing of the Project on September 21, 1987. Notice of such public hearing, setting forth the time and the place of the hearing, setting forth a general functional description of the type and use of the Project to be refinanced, the maximum aggregate face amount of the Bonds, the initial owner, manager or operator of the Project and the location thereof, was published on September 7, 1987, in The Herald-Coaster, a newspaper of general circulation in Fort Bend County. Attached as Exhibit "A" hereto is a true, correct and complete copy of the Affidavit of Publication of such notice from The Herald-Coaster. On September 21, 1987, the Commissioners' Court conducted such public hearing, at which time the facts concerning the Bonds were presented and a reasonable opportunity was afforded to all interested persons to express their views, both orally and in writing, on the proposed issuance of the Bonds and the Project to be refinanced.

5. The County has approved all programs and expenditures of the Issuer in connection with the issuance of the Bonds and the transactions contemplated thereby.

6. No litigation is pending against the County or, to the best of my knowledge after reasonable investigation, threatened against the County:

(i) to restrain or enjoin the issuance or delivery of the Bonds; or

(ii) in any way contesting (a) the right and power of the County in connection with any action taken by it towards the creation of the Issuer or the issuance of the Bonds or (b) the titles of the current Commissioners or officers of the County to their respective offices.

7. On JAN 1, 1983, and at all times since that date, DIANNE WILSON has been the duly selected, qualified and acting County Clerk of the Governing Body and such person's signature appearing on the following certificate is true and genuine.

NOTICE OF PUBLIC HEARING
NOTICE IS HEREBY GIVEN that the Board of Directors of Fort Bend County Industrial Development Corporation (the "Corporation") will hold a public hearing at Fort Bend County Courthouse Annex, 500 Jackson Street, Richmond, Texas on Monday, the 21st day of September, 1987, at the hour of 9:00 A.M., or as soon thereafter as possible, on the proposed issuance by the Corporation of its Industrial Development Revenue Refunding Bonds in the aggregate principal amount of \$1,000,000 for the purpose of refunding the Corporation's Industrial Development Revenue Bonds, Series 1982 (Frito-Lay, Inc. Project), currently outstanding in the amount of \$1,000,000 (the "1982 Bonds"). The proceeds from the sale of the 1982 Bonds were used to finance the acquisition, construction and installation of certain machinery and equipment used in connection with the snack foods manufacturing facilities located on the north side of Highway 26, 2.7 miles west of Rosenberg, Texas, by Frito-Lay, Inc., a Delaware corporation and a wholly owned subsidiary of PepsiCo, Inc. The Industrial Development Revenue Refunding Bonds will not constitute a debt of the Corporation but will be payable solely from payments to be made by Frito-Lay, Inc. pursuant to a loan agreement with the Corporation and by payments, if any, made by PepsiCo, Inc. pursuant to a guaranty agreement.
Interested persons are invited to attend the public hearing which will be the only public hearing held prior to the issuance of the Bonds by the Corporation.

RESOLUTION APPROVING THE RESOLUTION OF THE FORT BEND
COUNTY INDUSTRIAL DEVELOPMENT CORPORATION PROVIDING
FOR THE ISSUANCE OF FORT BEND COUNTY INDUSTRIAL DEVELOPMENT
CORPORATION INDUSTRIAL DEVELOPMENT REVENUE REFUNDING BONDS
(FRITO-LAY, INC. PROJECT), SERIES 1987

WHEREAS, the Fort Bend County Industrial Development Corporation (the "Issuer") was created under the auspices of the Commissioners Court of Fort Bend County, Texas (the "Unit") pursuant to the Development Corporation Act of 1979, Article 5190.6, Vernon's Texas Civil Statutes, as amended (the "Act"); and

WHEREAS, the Issuer has previously issued its Fort Bend County Industrial Development Corporation Industrial Development Revenue Bonds (Frito-Lay, Inc. Project), Series 1982 in the initial aggregate principal amount of \$1,000,000 (the "Prior Bonds"), in order to provide financing for the acquisition, construction and equipping of machinery and equipment used in connection with the manufacturing of snack foods by Frito-Lay, Inc., located on the north side of Highway 36, 2.7 miles west of Rosenberg, Texas (the "Project"); and

WHEREAS, pursuant to Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code"), the Issuer has conducted a public hearing following reasonable public notice (which notice and affidavit of publication thereof is attached hereto as Exhibit A) with respect to that issue of "Fort Bend County Industrial Development Corporation Industrial Development Revenue Refunding Bonds (Frito-Lay, Inc. Project), Series 1987", in the original principal amount of \$1,000,000, (the "Bonds"); and

WHEREAS, the Issuer will lend the proceeds of the Bonds to Frito-Lay, Inc., a Delaware corporation (the "User"), to provide funds to refund the Prior Bonds; and

WHEREAS, in order to satisfy the requirements of Section 147(f) of the Code, it is necessary for the Unit to approve the Bonds and the Project after the public hearing has been held; and

WHEREAS, the board of directors (the "Board") of the Issuer has adopted A RESOLUTION AUTHORIZING THE ISSUANCE OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION INDUSTRIAL DEVELOPMENT REVENUE REFUNDING BONDS (FRITO-LAY, INC. PROJECT),

SERIES 1987, IN THE AGGREGATE PRINCIPAL AMOUNT OF \$1,000,000 TO FINANCE THE REFUNDING OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION INDUSTRIAL DEVELOPMENT REVENUE BONDS, SERIES 1982 (FRITO-LAY PROJECT), CURRENTLY OUTSTANDING IN THE AGGREGATE PRINCIPAL AMOUNT OF \$1,000,000; APPROVING THE FORM AND AUTHORIZING THE EXECUTION OF THE BONDS, AND A LOAN AGREEMENT, NOTE, TRUST INDENTURE, REFUNDING AGREEMENT, BOND PURCHASE AGREEMENT, GUARANTY, AND PRELIMINARY OFFICIAL STATEMENT RELATING THERETO; APPROVING THE ISSUANCE AND SALE OF THE BONDS; MAKING CERTAIN DETERMINATIONS WITH RESPECT THERETO; PROVIDING FOR THE PRINCIPAL AMOUNT, MATURITY OF, INTEREST RATE, MAXIMUM EFFECTIVE INTEREST RATE AND CERTAIN OTHER TERMS OF THE BONDS; REQUESTING THE TRUSTEE TO AUTHENTICATE THE BONDS; AUTHORIZING INVESTMENTS; AND REPEALING INCONSISTENT ACTIONS (the "Resolution"), on September 17, 1987, a copy of which is attached hereto as Exhibit B and made a part hereof for all purposes; and

WHEREAS, Section 25(f) of the Act requires that the governing body of the Unit approve the Resolution and the Supplemental Resolution of the Issuer providing for the issuance of the Bonds no more than 60 days prior to the delivery of the Bonds; and

WHEREAS, the Unit finds and declares that the actions of the Board adopting the Resolution should be approved and are in the best interests of the inhabitants of Fort Bend County, Texas, for the reasons therein set forth; and

WHEREAS, it is deemed necessary and advisable that this resolution be adopted;

THEREFORE, BE IT RESOLVED BY THE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS, THAT:

Section 1. The Resolution, as adopted by the Board, is hereby specifically approved.

Section 2. The issue of bonds styled "Fort Bend County Industrial Development Corporation Industrial Development Revenue Refunding Bonds (Frito-Lay, Inc. Project), Series 1987" to be issued in the aggregate principal amount of \$1,000,000 is hereby approved pursuant to Section 147(f) of the Code. The proceeds of the Bonds will be used to redeem and refund the Prior Bonds, the proceeds of which were used to provide financing for the acquisition, renovation and expansion of the Project. The Project is to be located on a site on the north side of Highway 36, 2.7 miles west of Rosenberg, Texas, for Frito-Lay, Inc., a Delaware

corporation and a wholly-owned subsidiary of PepsiCo, Inc. The Project is hereby approved pursuant to Section 147(f) of the Code.

Section 3. The Commissioners Court of Fort Bend County hereby finds, determines, recites and declares that the Project (1) meets the statutory requirements of the Act, (2) is in compliance with the rules of the Texas Economic Development Commission, now a part of the Texas Department of Commerce, for issuing industrial revenue bonds, and (3) does not pose a danger to the health, morals or safety of the community involved.

Section 4. The approval herein given is in accordance with the provisions of Section 25(f) of the Act and Section 147(f) of the Code and is not to be construed as any undertaking by the Unit, and the Bonds shall never constitute an indebtedness or pledge of the Unit or the State of Texas, within the meaning of any constitutional or statutory provision, and the owners of the Bonds shall never be paid in whole or in part out of any funds raised or to be raised by taxation or any other revenues of the Issuer, the Unit or the State of Texas except those revenues assigned and pledged by the Resolution.

Section 5. The programs and expenditures authorized and contemplated by the aforesaid documents are hereby in all respects approved.

Section 6. The County Judge and County Clerk of the Unit and the other officials of the Unit are hereby authorized, jointly and severally, to take any and all actions and to execute and deliver any and all documents, including notices relating to the issuance of the Bonds, which may be required or deemed necessary pursuant to any Executive Order of the Governor of the State of Texas, any state or federal legislation or any rule or regulation published in connection with the Code in order to cause the Bonds to comply with Section 147(f) of the Code.

Section 7. The County Judge and County Clerk of the Unit and the other officials of the Unit are hereby authorized, jointly and severally, to execute and deliver such endorsements, instruments, certificates, documents, or papers necessary and advisable to carry out the intent and purposes of this resolution.

(f) a Guaranty Agreement, to be dated as of October 1, 1987 (the "Guaranty") delivered by the Guarantor to the Trustee; and

(g) a Preliminary Official Statement dated September 9, 1987 (the "Preliminary Official Statement") pertaining to the Bonds hereinafter defined; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION THAT:

Section 1. Approvals and Authorizations. The forms of the Loan Agreement, the Note, the Indenture (including the form of Bonds), the Refunding Agreement, the Bond Purchase Agreement, the Guaranty and the Preliminary Official Statement are hereby

approved. The President or any Vice President of the Board of the Issuer (the "President") and the Secretary or any Assistant Secretary of the Board of the Issuer (the "Secretary") are hereby authorized and directed to execute the Loan Agreement, the Indenture, the Refunding Agreement, the Bond Purchase Agreement and the Official Statement in final form and affix the seal of the Issuer thereto and the President and the Secretary are further authorized and directed to execute and authenticate such other documents, instruments or certificates as are deemed necessary or desirable by bond counsel in order to issue and secure the Bonds. Such documents are to be executed in substantially the form hereinabove approved, provided that such documents may be completed, corrected or revised as deemed necessary by the parties thereto in order to carry out the purposes of this Resolution. Copies of all of the documents shall be delivered, recorded, and filed as provided therein. When executed, the right, title and interest of the Issuer in, to and under the Loan Agreement as described in the Indenture, shall have been assigned to the Trustee.

The use, distribution and circulation of the Preliminary Official Statement by the Underwriter are hereby approved, ratified, confirmed and authorized, subject further to such amendments or additions thereto as may be required by the Bond Purchase Agreement, and the Underwriter is hereby authorized to use, distribute and circulate a Final Official Statement in connection with the marketing of the Bonds.

Section 2. Issuance of Bonds. The issuance of the Bonds is hereby authorized and the sale thereof to the Underwriter pursuant to the Bond Purchase Agreement is hereby approved. The form of Bonds set forth in the Indenture is hereby approved; the Bonds shall be executed with the manual or facsimile signature of the President of the Issuer on the face of the Bonds in substantially such form with appropriate insertions and variations, and the seal of the Issuer or a facsimile thereof is hereby adopted and authorized to be affixed or imprinted thereon to be attested by the manual or facsimile signature of the Secretary; and the President or the Secretary is authorized and directed to deliver the Bonds to the Trustee for authentication under the Indenture and, when they have been authenticated, to deliver them or cause them to be delivered to the Underwriter pursuant to the Bond Purchase Agreement against receipt of the purchase price as specified therein, plus any accrued interest due, and to deposit the amount so received with the Trustee as provided in the Indenture.

Section 3. Terms of Bonds. The Bonds shall be in the aggregate principal amount of \$1,000,000, shall be dated October 1, 1987, or as otherwise provided in the Indenture, and shall be issued as fully registered bonds without coupons in the

denomination of \$5,000 or any integral multiple thereof, shall be fully negotiable, shall mature, subject to prior redemption, on October 1, 2011, and shall bear semiannual interest payable on April 1 and October 1 of each year commencing April 1, 1988, at the rate or rates which shall be determined as provided below and in the form of Bonds and Indenture. The maximum effective interest rate authorized for the Bonds is 15% per annum. The numbers and provisions for redemption of the Bonds, the registration and exchangeability privileges, the medium and place of payment, the provisions pertaining to mutilated, lost, destroyed or stolen Bonds, the provisions pertaining to the payment of costs or expenses incident to the issuance of the Bonds, and the priorities in revenues under the Indenture, shall be as set forth (a) in the aforesaid form of such Bonds which form is hereby approved and incorporated by reference as if set forth in full, and (b) in the form of the Indenture hereinbefore approved and so incorporated.

The Bonds shall bear interest from October 1, 1987 through September 30, 1990 at an interest rate of 6 1/4% per annum. Thereafter, unless and until the Company elects a different period as provided below, the interest rate on the Bonds shall be adjusted for each rate period commencing on October 1, 1990 and October 1 of any year thereafter, to be the rate established as described below. The interest rate so determined is referred to hereinafter as the "Adjusted Interest Rate." The three-year or other period during which any Adjusted Interest Rate shall be effective is referred to hereinafter as a "Rate Period."

On or before the August 15 immediately preceding the beginning of any new Rate Period, the Company may, by written notice to the Trustee, adjust the length of such new Rate Period to any period which is an integral multiple of one year; provided, that the Company provides to the Trustee an opinion of nationally recognized bond counsel to the effect that the change in the Rate Period will not have an adverse effect on the federal income tax exemption of interest on the Bonds. If no such election and opinion are received, the term of each new Rate Period will be equal to the term of the preceding Rate Period.

Interest on the Bonds shall be set for each Rate Period beginning on October 1. For the first Rate Period commencing October 1, 1987, interest shall be payable at the rate of 6 1/4% per annum. For the second Rate Period beginning on October 1, 1990 and each Rate Period thereafter, the interest rate on the Bonds shall be determined as follows:

(a) on or before the September 1 (the "Preliminary Calculation Date") next preceding the first day of such Rate Period, or the next succeeding business day if

the Preliminary Calculation Date is not a business day, the Company shall, in consultation with Goldman, Sachs & Co., or such other evaluation service designated by the Company, establish a minimum adjusted interest rate (the "Minimum Adjusted Interest Rate"). Such Minimum Adjusted Interest Rate will be the minimum interest rate in the opinion of the Company and Goldman, Sachs & Co., or such other evaluation service designated by the Company, which is required on the Preliminary Calculation Date to remarket the Bonds; and

(b) on or before the September 26 next preceding the first day of each Rate Period, or, if such date is not a business day, the business day next preceding such day (the "Final Calculation Date"), the Company shall, in consultation with Goldman, Sachs & Co., or such other evaluation service designated by the Company, establish the Adjusted Interest Rate for the Bonds during the next Rate Period. Such Adjusted Interest Rate will be the minimum interest rate in the opinion of the Company and Goldman, Sachs & Co., or such other evaluation service designated by the Company, which is required on the Final Calculation Date to remarket the Bonds at par; provided, however, that in determining the Adjusted Interest Rate for each Rate Period Goldman, Sachs & Co., or such other evaluation service designated by the Company, shall take into account, to the extent applicable: (a) market interest rates for comparable securities (including outstanding tax-exempt notes and bonds) held by tax-exempt open-end municipal bond funds or other institutional or private investors with substantial portfolios (i) with interest periods and demand purchase options substantially identical to the Bonds with the applicable maturities, (ii) bearing interest at a variable rate intended to maintain par value, and (iii) rated by a national credit rating agency in the same category as the Bonds; (b) other financial market rates and indices which may have a bearing on the interest rate of the Bonds (including rates borne by Treasury Bills and bonds of comparable maturities, commercial bank prime rates, certificate of deposit rates, federal funds rates, indices maintained by the Bond Buyer and other publicly available tax-exempt interest rate indices); (c) general financial market conditions; and (d) factors particular to the credit rating of the Company. In the event that the Bonds are rated by neither Moody's nor S&P, or in the event that Goldman, Sachs & Co. is no longer available and no other evaluation service can be appointed, the Adjusted Interest Rate during each Rate Period shall be at least 60% of an evaluation at par of United States Treasury obligations with a maturity approximately equal to the Rate Period as conclusively determined by the Company, with notice thereof given to the Trustee in the same manner as required for the

Minimum Adjusted Interest Rate. The Adjusted Interest Rate shall not be less than the Minimum Adjusted Interest Rate nor more than 15% per annum. The computation of the Adjusted Interest Rate by the Company in consultation with Goldman, Sachs & Co., or such other evaluation service designated by the Company (including the Minimum Adjusted Interest Rate) shall be conclusive and binding upon the Issuer, the Trustee, the Company, the Guarantor and the owners of the Bonds. Notwithstanding anything herein or in the Indenture to the contrary, however, in no event shall the aggregate of the interest on the Bonds plus any other amounts paid in connection therewith which are deemed "interest" under the laws of the State of Texas (the "State") and the United States of America in effect on the date of issuance of the Bonds specified above permitting the charging and collecting of the highest non-usurious interest rate on the Bonds (hereinafter referred to as "Applicable Law") ever exceed the maximum amount of interest which could be lawfully charged and paid on the Bonds under Applicable Law, and if any amount of interest taken or received by the Bondholder thereof shall be in excess of the maximum amount of interest which, under Applicable Law, could lawfully have been collected and paid hereon, then the excess shall be deemed to have been the result of a mathematical error by the Issuer and such Bondholder and shall be refunded promptly to the Trustee for the account of the Issuer. All amounts paid or agreed to be paid in connection with the indebtedness evidenced by the Bonds which under Applicable Law would be deemed "interest" shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated, and spread throughout the full term of the Bonds.

Section 4. Determinations. It is hereby found, determined and declared that:

(a) the issuance of the Bonds, the refinancing of the Project and the refunding of the 1982 Bonds will promote the public purposes of the Act; and

(b) the Project has and will continue to contribute to the economic growth or stability of the Unit by (i) increasing employment opportunity, (ii) significantly increasing or stabilizing the property tax base, and (iii) promoting commerce within the Unit and the State.

Section 5. Authentication of Bonds. The Trustee is hereby requested to authenticate the Bonds and to deliver them to, or upon the order of, the President or the Secretary.

Section 6. Investment of Funds. The Trustee shall be, by virtue of this Resolution and without further authorization

from the Issuer, authorized, directed and requested to invest and reinvest all moneys available therefor held by it pursuant to the Indenture which by the terms of the Indenture may be invested, or to deposit and redeposit such moneys in such accounts as may be permitted by the Indenture, at the direction of the Company and subject to the terms and limitations contained in the Indenture.

Section 7. Incidental Action. The proper officers of the Issuer are hereby authorized and directed to prepare and furnish to bond counsel certified copies of all proceedings and records of the Issuer relating to the Bonds and to execute and deliver such other documents, and to take such other action as may be necessary or appropriate in order to effectuate the delivery of the Loan Agreement, Indenture, Refunding Agreement and Bond Purchase Agreement, the performance of the Issuer's obligations thereunder, and the issuance and sale of the Bonds.

The approval hereby given to the various documents referred to above includes the approval of such additional details and revisions therein as may be necessary or convenient to carry out the purposes of this Resolution, and as may be approved by bond counsel prior to the execution of the documents. The execution of any instrument by the appropriate officers of the Issuer herein authorized shall be conclusive evidence of the approval by the Issuer of such instrument in accordance with the terms hereof.

Section 8. Nature of Obligation. The issuance of the Bonds shall not obligate, directly or indirectly or contingently, the State or any political subdivision thereof, including the Unit, to levy any form of taxation therefor or to make any appropriation for their payment. Nothing in the Bonds, the Indenture, the Note, the Agreement, the proceedings of the Issuer authorizing the Bonds or the Act shall be construed to authorize the Issuer to create a debt of the State or any political subdivision thereof, including the Unit, within the meaning of any constitutional or statutory provision of the State. The principal of, premium, if any, and interest on the Bonds shall be payable solely from the funds pledged for their payment in accordance with the Indenture. The State or any political subdivision thereof, including the Unit, shall not in any event be liable for the payment of the principal of, premium, if any, or interest on the bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by the Issuer. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, including the Unit, or any charge upon the general credit or against the taxing power of the State or any political subdivision thereof, including the Unit.

Section 9. Compliance with Open Meeting Requirements. It is hereby found and determined that all formal actions of the Issuer concerning and relating to the passage of this Resolution were adopted, and that all deliberations of the Board and of any of its committees that resulted in such formal action, were carried out in meetings open to the public, in compliance with all legal requirements of the Issuer and the State.

Section 10. Transcripts. The Issuer authorizes and directs the Company to prepare a final transcript of the proceedings relating to the authorization, issuance, sale, and delivery of the Bonds, which transcript shall be submitted to the Texas Department of Commerce within 60 days after the closing date for the Bonds.

Section 11. Resolution Irrepealable. After the Bonds are issued, this Resolution shall constitute an irrevocable contract between the Issuer and the owners of the Bonds and shall be and remain irrepealable until the Bonds, both principal and interest, shall be fully paid, cancelled and discharged.

Section 12. Ratification. All action heretofore taken by the Issuer and by the officers thereof, including the Prior Resolution, not inconsistent herewith directed toward the refinancing of the Project, the refunding of the 1982 Bonds and the issuance and sale of the Bonds is hereby ratified, approved and confirmed.

Section 13. Repealer. All acts, orders, resolutions, ordinances, or parts thereof, taken by the Issuer and in conflict with this Resolution are hereby repealed, except that this repealer shall not be construed so as to revive any act, order, resolution or part thereof, heretofore repealed.

Section 14. Severability. If any paragraph, clause or provision of this Resolution except Section 8 hereof, is judicially adjudged invalid or unenforceable, such judgment shall not affect, impair or invalidate the remaining paragraphs, clauses or provisions hereof.

Section 15. Effective Date. This Resolution shall be effective upon and after its passage.

RESOLUTION APPROVING THE RESOLUTION OF THE FORT BEND
COUNTY INDUSTRIAL DEVELOPMENT CORPORATION PROVIDING
FOR THE ISSUANCE OF FORT BEND COUNTY INDUSTRIAL DEVELOPMENT
CORPORATION POLLUTION CONTROL REVENUE REFUNDING BONDS
(FRITO-LAY, INC. PROJECT), SERIES 1987

WHEREAS, the Fort Bend County Industrial Development Corporation (the "Issuer") was created under the auspices of the Commissioners Court of Fort Bend County, Texas (the "Unit") pursuant to the Development Corporation Act of 1979, Article 5190.6, Vernon's Texas Civil Statutes, as amended (the "Act"); and

WHEREAS, the Issuer has previously issued its Fort Bend County Industrial Development Corporation Pollution Control Revenue Bonds (Frito-Lay, Inc. Project), Series 1982 in the initial aggregate principal amount of \$4,000,000 (the "Prior Bonds"), in order to provide financing for the acquisition, construction and equipping of certain pollution control facilities located on the north side of Highway 36, 2.7 miles west of Rosenberg, Texas used in connection with the manufacturing facilities for Frito-Lay, Inc. (the "Project"); and

WHEREAS, pursuant to Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code"), the Issuer has conducted a public hearing following reasonable public notice (which notice and affidavit of publication thereof is attached hereto as Exhibit A) with respect to that issue of "Fort Bend County Industrial Development Corporation Pollution Control Revenue Refunding Bonds (Frito-Lay, Inc. Project), Series 1987", in the original principal amount of \$4,000,000, (the "Bonds"); and

WHEREAS, the Issuer will lend the proceeds of the Bonds to Frito-Lay, Inc., a Delaware corporation (the "User"), to provide funds to refund the Prior Bonds; and

WHEREAS, in order to satisfy the requirements of Section 147(f) of the Code, it is necessary for the Unit to approve the Bonds and the Project after the public hearing has been held; and

WHEREAS, the board of directors (the "Board") of the Issuer has adopted A RESOLUTION AUTHORIZING THE ISSUANCE OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION POLLUTION CONTROL REVENUE REFUNDING BONDS (FRITO-LAY, INC. PROJECT), SERIES 1987, IN THE AGGREGATE PRINCIPAL AMOUNT OF \$4,000,000 TO FINANCE THE REFUNDING OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT

CORPORATION, POLLUTION CONTROL REVENUE BONDS, SERIES 1982 (FRITO-LAY PROJECT), CURRENTLY OUTSTANDING IN THE AGGREGATE PRINCIPAL AMOUNT OF \$4,000,000; APPROVING THE FORM AND AUTHORIZING THE EXECUTION OF THE BONDS, AND A LOAN AGREEMENT, NOTE, TRUST INDENTURE, REFUNDING AGREEMENT, BOND PURCHASE AGREEMENT, GUARANTY, AND PRELIMINARY OFFICIAL STATEMENT RELATING THERETO; APPROVING THE ISSUANCE AND SALE OF THE BONDS; MAKING CERTAIN DETERMINATIONS WITH RESPECT THERETO; PROVIDING FOR THE PRINCIPAL AMOUNT, MATURITY OF, INTEREST RATE, MAXIMUM EFFECTIVE INTEREST RATE AND CERTAIN OTHER TERMS OF THE BONDS; REQUESTING THE TRUSTEE TO AUTHENTICATE THE BONDS; AUTHORIZING INVESTMENTS; AND REPEALING INCONSISTENT ACTIONS (the "Resolution"), on September 3, 1987, a copy of which is attached hereto as Exhibit B and made a part hereof for all purposes; and

WHEREAS, the Board has adopted a RESOLUTION APPROVING AND ADOPTING THE INTEREST RATE FOR FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION POLLUTION CONTROL REVENUE REFUNDING BONDS (FRITO-LAY, INC. PROJECT), SERIES 1987; AFFIRMING A PRIOR RESOLUTION: AND TAKING OTHER ACTIONS IN CONNECTION THEREWITH (the "Supplemental Resolution"), on September 17, 1987, a copy of which is attached hereto as Exhibit C and made a part hereof for all purposes; and

WHEREAS, Section 25(f) of the Act requires that the governing body of the Unit approve the Resolution and the Supplemental Resolution of the Issuer providing for the issuance of the Bonds no more than 60 days prior to the delivery of the Bonds; and

WHEREAS, the Unit finds and declares that the actions of the Board adopting the Resolution and the Supplemental Resolution should be approved and are in the best interests of the inhabitants of Fort Bend County, Texas, for the reasons therein set forth; and

WHEREAS, it is deemed necessary and advisable that this resolution be adopted;

THEREFORE, BE IT RESOLVED BY THE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS, THAT:

Section 1. The Resolution and the Supplemental Resolution, each as adopted by the Board, are each hereby specifically approved.

Section 2. The issue of bonds styled "Fort Bend County Industrial Development Corporation Pollution Control Revenue Refunding Bonds (Frito-Lay, Inc. Project), Series 1987" to be

issued in the aggregate principal amount of \$4,000,000 is hereby approved pursuant to Section 147(f) of the Code. The proceeds of the Bonds will be used to redeem and refund the Prior Bonds, the proceeds of which were used to provide financing for the acquisition, renovation and expansion of the Project. The Project is to be located on a site on the north side of Highway 36, 2.7 miles west of Rosenberg, Texas, for Frito-Lay, Inc., a Delaware corporation and a wholly-owned subsidiary of PepsiCo, Inc. The Project is hereby approved pursuant to Section 147(f) of the Code.

Section 3. The Commissioners Court of Fort Bend County hereby finds, determines, recites and declares that the Project (1) meets the statutory requirements of the Act, (2) is in compliance with the rules of the Texas Economic Development Commission, now a part of the Texas Department of Commerce, for issuing industrial revenue bonds, and (3) does not pose a danger to the health, morals or safety of the community involved.

Section 4. The approval herein given is in accordance with the provisions of Section 25(f) of the Act and Section 147(f) of the Code and is not to be construed as any undertaking by the Unit, and the Bonds shall never constitute an indebtedness or pledge of the Unit or the State of Texas, within the meaning of any constitutional or statutory provision, and the owners of the Bonds shall never be paid in whole or in part out of any funds raised or to be raised by taxation or any other revenues of the Issuer, the Unit or the State of Texas except those revenues assigned and pledged by the Resolution and the Supplemental Resolution.

Section 5. The programs and expenditures authorized and contemplated by the aforesaid documents are hereby in all respects approved.

Section 6. The County Judge and County Clerk of the Unit and the other officials of the Unit are hereby authorized, jointly and severally, to take any and all actions and to execute and deliver any and all documents, including notices relating to the issuance of the Bonds, which may be required or deemed necessary pursuant to any Executive Order of the Governor of the State of Texas, any state or federal legislation or any rule or regulation published in connection with the Code in order to cause the Bonds to comply with Section 147(f) of the Code.

Section 7. The County Judge and County Clerk of the Unit and the other officials of the Unit are hereby authorized, jointly and severally, to execute and deliver such endorsements,

instruments, certificates, documents, or papers necessary and advisable to carry out the intent and purposes of this resolution.

Fort Bend County, Texas

NOTICE OF PUBLIC HEARING
NOTICE IS HEREBY GIVEN that the Board of Directors of Fort Bend County Industrial Development Corporation (the "Corporation") will hold a public hearing at Fort Bend County Courthouse Annex, 500 Jackson Street, Richmond, Texas on Monday, the 21st day of September, 1987, at the hour of 9:00 A.M., or as soon thereafter as possible, on the proposed issuance by the Corporation of its Pollution Control Revenue Refunding Bonds in the aggregate principal amount of \$4,000,000 for the purpose of refunding the Corporation's Pollution Control Revenue Bonds, Series 1982 (Frito-Lay, Inc. Project), currently outstanding in the amount of \$4,000,000 (the "1982 Bonds"). The proceeds from the sale of the 1982 Bonds were used to finance the acquisition, construction and installation of certain air and water pollution control equipment and related improvements used in connection with the manufacturing facilities located on the north side of Highway 36, 2.7 miles west of Rosenberg, Texas, for Frito-Lay, Inc., a Delaware corporation and a wholly owned subsidiary of PepsiCo, Inc. The Pollution Control Revenue Refunding Bonds will not constitute a debt of the Corporation but will be payable solely from payments to be made by Frito-Lay, Inc. pursuant to a loan agreement with the Corporation and by payments, if any, made by PepsiCo, Inc. pursuant to a guaranty agreement.
All interested persons are invited to attend the public hearing, which will be the only public hearing held prior to the issuance of the Bonds by the Corporation.
Dated this 7th day of September, 1987.

RESOLUTION

A RESOLUTION AUTHORIZING THE ISSUANCE OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION, POLLUTION CONTROL REVENUE REFUNDING BONDS (FRITO-LAY, INC. PROJECT), SERIES 1987, IN THE AGGREGATE PRINCIPAL AMOUNT OF \$4,000,000 TO FINANCE THE REFUNDING OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION, POLLUTION CONTROL REVENUE BONDS, SERIES 1982 (FRITO-LAY PROJECT), CURRENTLY OUTSTANDING IN THE AGGREGATE PRINCIPAL AMOUNT OF \$4,000,000; APPROVING THE FORM AND AUTHORIZING THE EXECUTION OF THE BONDS, AND A LOAN AGREEMENT, NOTE, TRUST INDENTURE, REFUNDING AGREEMENT, BOND PURCHASE AGREEMENT, GUARANTY, AND PRELIMINARY OFFICIAL STATEMENT RELATING THERETO; APPROVING THE ISSUANCE AND SALE OF THE BONDS; MAKING CERTAIN DETERMINATIONS WITH RESPECT THERETO; PROVIDING FOR THE PRINCIPAL AMOUNT, MATURITY OF, INTEREST RATE, MAXIMUM EFFECTIVE INTEREST RATE AND CERTAIN OTHER TERMS OF THE BONDS; REQUESTING THE TRUSTEE TO AUTHENTICATE THE BONDS; AUTHORIZING INVESTMENTS; AND REPEALING INCONSISTENT ACTIONS.

WHEREAS, the Development Corporation Act of 1979, Article 5190.6, Vernon's Annotated Texas Civil Statutes, as amended (the "Act"), authorizes and empowers the Fort Bend County Industrial Development Corporation (the "Issuer") to issue revenue bonds on behalf of Fort Bend County (the "Unit"), to finance the cost of projects comprising land, buildings, equipment, facilities and improvements, found by the Board of Directors of the Issuer (the "Board") to be required or suitable for the promotion of the industrial development and expansion of air and water pollution control facilities and for the promotion of manufacturing development and expansion and for the industrial development and expansion of industrial facilities and in furtherance of the public purposes of the Act; and

WHEREAS, pursuant to the terms of the Act, a Resolution passed and adopted by the Board on April 22, 1982 (the "Prior Resolution"), and a Loan Agreement dated as of April 1, 1982, between Frito-Lay, Inc., a Delaware corporation (the "Company") and the Issuer, the Issuer issued its Pollution Control Revenue Bonds, Series 1982 (Frito-Lay, Inc. Project), in the aggregate principal amount of \$4,000,000 (the "1982 Bonds") and loaned the proceeds of the 1982 Bonds to the Company to finance the acquisition and construction of certain pollution control equipment and related improvements used in connection with the Company's manufacturing facilities located in the City of Rosenberg, Fort Bend County, Texas (the "Project"); and

WHEREAS, the Issuer is authorized pursuant to the Act to issue refunding bonds in such amount as the Board may determine to refund the 1982 Bonds; and

0033

WHEREAS, the Company has requested the Issuer to issue pollution control revenue refunding bonds in the aggregate principal amount of \$4,000,000 in accordance with the provisions of the Act for the purpose of refunding the outstanding principal of the 1982 Bonds; and

WHEREAS, the following documents have been submitted to the Board and filed in the official records of the Issuer and are there available for public examination upon request:

(a) a Loan Agreement, to be dated as of October 1, 1987 (the "Loan Agreement") between the Issuer and the Company;

(b) a Promissory Note, to be dated as of October 1, 1987 (the "Note") from the Company to First RepublicBank Dallas, National Association, as trustee (the "Trustee");

(c) a Trust Indenture, to be dated as of October 1, 1987 (the "Indenture") between the Issuer and the Trustee;

(d) a Refunding Agreement, to be dated as of October 1, 1987 (the "Refunding Agreement") between and among the Issuer, the Company, PepsiCo, Inc. (the "Guarantor") and First RepublicBank Dallas, National Association (formerly, First National Bank in Dallas), as trustee for the 1982 Bonds;

(e) a Bond Purchase Agreement, to be dated its date of execution and delivery (the "Bond Purchase Agreement") between and among the Issuer, Goldman, Sachs & Co. (the "Underwriter"), the Guarantor and the Company;

(f) a Guaranty Agreement, to be dated as of October 1, 1987 (the "Guaranty") delivered by the Guarantor to the Trustee; and

(g) a Preliminary Official Statement dated August 26, 1987 (the "Preliminary Official Statement") pertaining to the Bonds hereinafter defined; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION THAT:

Section 1. Approvals and Authorizations. The forms of the Loan Agreement, the Note, the Indenture (including the form of Bonds), the Refunding Agreement, the Bond Purchase Agreement, the Guaranty and the Preliminary Official Statement are hereby approved. The President or any Vice President of the Board of the Issuer (the "President") and the Secretary or any Assistant Secretary of the Board of the Issuer (the "Secretary") are hereby authorized and directed to execute the Loan Agreement, the Indenture, the Refunding Agreement, the Bond Purchase Agreement and the Official Statement in final form and affix the seal of the Issuer thereto and the President and the Secretary are further authorized and directed to execute and authenticate such other documents, instruments or certificates as are deemed necessary or desirable by bond counsel in order to issue and secure the Bonds. Such documents are to be executed in substantially the form hereinabove approved, provided that such documents may be completed, corrected or revised as deemed necessary by the parties thereto in order to carry out the purposes of this Resolution. Copies of all of the documents shall be delivered, recorded, and filed as provided therein. When executed, the right, title and interest of the Issuer in, to and under the Loan Agreement as described in the Indenture, shall have been assigned to the Trustee.

The use, distribution and circulation of the Preliminary Official Statement by the Underwriter are hereby approved, ratified, confirmed and authorized, subject further to such amendments or additions thereto as may be required by the Bond Purchase Agreement, and the Underwriter is hereby authorized to use, distribute and circulate a Final Official Statement in connection with the marketing of the Bonds.

Section 2. Issuance of Bonds. The issuance of the Bonds is hereby authorized and the sale thereof to the Underwriter pursuant to the Bond Purchase Agreement is hereby approved. The form of Bonds set forth in the Indenture is hereby approved; the Bonds shall be executed with the manual or facsimile signature of the President of the Issuer on the face of the Bonds in substantially such form with appropriate insertions and variations, and the seal of the Issuer or a facsimile thereof is hereby adopted and authorized to be affixed or imprinted thereon to be attested by the manual or facsimile signature of the Secretary; and the President or the Secretary is authorized and directed to deliver the Bonds to the Trustee for authentication under the Indenture and, when they have been authenticated, to deliver them or cause them to be delivered to the Underwriter pursuant to the Bond Purchase Agreement against receipt of the purchase price as specified therein, plus any accrued interest due, and to deposit the amount so received with the Trustee as provided in the Indenture.

Section 3. Terms of Bonds. The Bonds shall be in the aggregate principal amount of \$4,000,000, shall be dated October 1, 1987, or as otherwise provided in the Indenture, and shall be issued as fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof, shall be fully negotiable, shall mature, subject to prior redemption, on October 1, 2011, and shall bear semiannual interest payable on April 1 and October 1 of each year commencing April 1, 1988, at the rate or rates which shall be determined as provided below and in the form of Bonds and Indenture. The maximum effective interest rate authorized for the Bonds is 15% per annum. The numbers and provisions for redemption of the Bonds, the registration and exchangeability privileges, the medium and place of payment, the provisions pertaining to mutilated, lost, destroyed or stolen Bonds, the provisions pertaining to the payment of costs or expenses incident to the issuance of the Bonds, and the priorities in revenues under the Indenture, shall be as set forth (a) in the aforesaid form of such Bonds which form is hereby approved and incorporated by reference as if set forth in full, and (b) in the form of the Indenture hereinbefore approved and so incorporated.

The Bonds shall bear interest from October 1, 1987 through September 30, 1990 at an adjusted interest rate to be determined as provided below. Thereafter, unless and until the Company elects a different period as provided below, the interest rate on the Bonds shall be adjusted for each rate period commencing on October 1, 1990 and October 1 of any year thereafter, to be the rate established as described below. The interest rate so determined is referred to hereinafter as the "Adjusted Interest Rate." The period during which any Adjusted Interest Rate shall be effective is referred to hereinafter as a "Rate Period."

On or before the August 15 immediately preceding the beginning of any new Rate Period, the Company may, by written notice to the Trustee, adjust the length of such new Rate Period to any period which is an integral multiple of one year; provided, that the Company provides to the Trustee an opinion of nationally recognized bond counsel to the effect that the change in the Rate Period will not have an adverse effect on the federal income tax exemption of interest on the Bonds. If no such election and opinion are received, the term of each new Rate Period will be equal to the term of the preceding Rate Period.

Interest on the Bonds shall be set for each Rate Period beginning on October 1. For the first Rate Period commencing October 1, 1987, interest shall be determined in accordance with the requirements set forth in paragraph (b) below but shall be determined no later than September 10, 1987. For the second Rate Period beginning on October 1, 1990 and each Rate Period

thereafter, the interest rate on the Bonds shall be determined as follows:

(a) on or before the September 1 (the "Preliminary Calculation Date") next preceding the first day of such Rate Period, or the next succeeding business day if the Preliminary Calculation Date is not a business day, the Company shall, in consultation with Goldman, Sachs & Co., or such other evaluation service designated by the Company, establish a minimum adjusted interest rate (the "Minimum Adjusted Interest Rate"). Such Minimum Adjusted Interest Rate will be the minimum interest rate in the opinion of the Company and Goldman, Sachs & Co., or such other evaluation service designated by the Company, which is required on the Preliminary Calculation Date to remarket the Bonds; and

(b) on or before the September 26 next preceding the first day of each Rate Period, or, if such date is not a business day, the business day next preceding such day (the "Final Calculation Date"), the Company shall, in consultation with Goldman, Sachs & Co., or such other evaluation service designated by the Company, establish the Adjusted Interest Rate for the Bonds during the next Rate Period. Such Adjusted Interest Rate will be the minimum interest rate in the opinion of the Company and Goldman, Sachs & Co., or such other evaluation service designated by the Company, which is required on the Final Calculation Date to remarket the Bonds at par; provided, however, that in determining the Adjusted Interest Rate for each Rate Period Goldman, Sachs & Co., or such other evaluation service designated by the Company, shall take into account, to the extent applicable: (a) market interest rates for comparable securities (including outstanding tax-exempt notes and bonds) held by tax-exempt open-end municipal bond funds or other institutional or private investors with substantial portfolios (i) with interest periods and demand purchase options substantially identical to the Bonds with the applicable maturities, (ii) bearing interest at a variable rate intended to maintain par value, and (iii) rated by a national credit rating agency in the same category as the Bonds; (b) other financial market rates and indices which may have a bearing on the interest rate of the Bonds (including rates borne by Treasury Bills and bonds of comparable maturities, commercial bank prime rates, certificate of deposit rates, federal funds rates, indices maintained by the Bond Buyer and other publicly available tax-exempt interest rate indices); (c) general financial market conditions; and (d) factors particular to the credit rating of the Company. In the event that the Bonds are rated by neither Moody's nor S&P, or in the event that Goldman, Sachs & Co. is no longer available and no other

evaluation service can be appointed, the Adjusted Interest Rate during each Rate Period shall be at least 60% of an evaluation at par of United States Treasury obligations with a maturity approximately equal to the Rate Period as conclusively determined by the Company, with notice thereof given to the Trustee in the same manner as required for the Minimum Adjusted Interest Rate. The Adjusted Interest Rate shall not be less than the Minimum Adjusted Interest Rate nor more than 15% per annum. The computation of the Adjusted Interest Rate by the Company in consultation with Goldman, Sachs & Co., or such other evaluation service designated by the Company (including the Minimum Adjusted Interest Rate) shall be conclusive and binding upon the Issuer, the Trustee, the Company, the Guarantor and the owners of the Bonds. Notwithstanding anything herein or in the Indenture to the contrary, however, in no event shall the aggregate of the interest on the Bonds plus any other amounts paid in connection therewith which are deemed "interest" under the laws of the State of Texas (the "State") and the United States of America in effect on the date of issuance of the Bonds specified above permitting the charging and collecting of the highest non-usurious interest rate on the Bonds (hereinafter referred to as "Applicable Law") ever exceed the maximum amount of interest which could be lawfully charged and paid on the Bonds under Applicable Law, and if any amount of interest taken or received by the Bondholder thereof shall be in excess of the maximum amount of interest which, under Applicable Law, could lawfully have been collected and paid hereon, then the excess shall be deemed to have been the result of a mathematical error by the Issuer and such Bondholder and shall be refunded promptly to the Trustee for the account of the Issuer. All amounts paid or agreed to be paid in connection with the indebtedness evidenced by the Bonds which under Applicable Law would be deemed "interest" shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated, and spread throughout the full term of the Bonds.

Section 4. Determinations. It is hereby found, determined and declared that:

(a) the issuance of the Bonds, the refinancing of the Project and the refunding of the 1982 Bonds will promote the public purposes of the Act; and

(b) the Project has and will continue to contribute to the economic growth or stability of the Unit by (i) increasing employment opportunity, (ii) significantly increasing or stabilizing the property tax base, and (iii) promoting commerce within the Unit and the State.

Section 5. Authentication of Bonds. The Trustee is hereby requested to authenticate the Bonds and to deliver them to, or upon the order of, the President or the Secretary.

0033

Section 6. Investment of Funds. The Trustee shall be, by virtue of this Resolution and without further authorization from the Issuer, authorized, directed and requested to invest and reinvest all moneys available therefor held by it pursuant to the Indenture which by the terms of the Indenture may be invested, or to deposit and redeposit such moneys in such accounts as may be permitted by the Indenture, at the direction of the Company and subject to the terms and limitations contained in the Indenture.

Section 7. Incidental Action. The proper officers of the Issuer are hereby authorized and directed to prepare and furnish to bond counsel certified copies of all proceedings and records of the Issuer relating to the Bonds and to execute and deliver such other documents, and to take such other action as may be necessary or appropriate in order to effectuate the delivery of the Loan Agreement, Indenture, Refunding Agreement and Bond Purchase Agreement, the performance of the Issuer's obligations thereunder, and the issuance and sale of the Bonds.

The approval hereby given to the various documents referred to above includes the approval of such additional details and revisions therein as may be necessary or convenient to carry out the purposes of this Resolution, and as may be approved by bond counsel prior to the execution of the documents. The execution of any instrument by the appropriate officers of the Issuer herein authorized shall be conclusive evidence of the approval by the Issuer of such instrument in accordance with the terms hereof.

Section 8. Nature of Obligation. The issuance of the Bonds shall not obligate, directly or indirectly or contingently, the State or any political subdivision thereof, including the Unit, to levy any form of taxation therefor or to make any appropriation for their payment. Nothing in the Bonds, the Indenture, the Note, the Agreement, the proceedings of the Issuer authorizing the Bonds or the Act shall be construed to authorize the Issuer to create a debt of the State or any political subdivision thereof, including the Unit, within the meaning of any constitutional or statutory provision of the State. The principal of, premium, if any, and interest on the Bonds shall be payable solely from the funds pledged for their payment in accordance with the Indenture. The State or any political subdivision thereof, including the Unit, shall not in any event be liable for the payment of the principal of, premium, if any, or interest on the bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by the Issuer. Neither the faith and credit nor the

taxing power of the State or any political subdivision thereof, including the Unit, or any charge upon the general credit or against the taxing power of the State or any political subdivision thereof, including the Unit.

Section 9. Compliance with Open Meeting Requirements. It is hereby found and determined that all formal actions of the Issuer concerning and relating to the passage of this Resolution were adopted, and that all deliberations of the Board and of any of its committees that resulted in such formal action, were carried out in meetings open to the public, in compliance with all legal requirements of the Issuer and the State.

Section 10. Transcripts. The Issuer authorizes and directs the Company to prepare a final transcript of the proceedings relating to the authorization, issuance, sale, and delivery of the Bonds, which transcript shall be submitted to the Texas Department of Commerce within 60 days after the closing date for the Bonds.

Section 11. Resolution Irrepealable. After the Bonds are issued, this Resolution shall constitute an irrevocable contract between the Issuer and the owners of the Bonds and shall be and remain irrepealable until the Bonds, both principal and interest, shall be fully paid, cancelled and discharged.

Section 12. Ratification. All action heretofore taken by the Issuer and by the officers thereof, including the Prior Resolution, not inconsistent herewith directed toward the refinancing of the Project, the refunding of the 1982 Bonds and the issuance and sale of the Bonds is hereby ratified, approved and confirmed.

Section 13. Repealer. All acts, orders, resolutions, ordinances, or parts thereof, taken by the Issuer and in conflict with this Resolution are hereby repealed, except that this repealer shall not be construed so as to revive any act, order, resolution or part thereof, heretofore repealed.

Section 14. Severability. If any paragraph, clause or provision of this Resolution except Section 8 hereof, is judicially adjudged invalid or unenforceable, such judgment shall not affect, impair or invalidate the remaining paragraphs, clauses or provisions hereof.

Section 15. Effective Date. This Resolution shall be effective upon and after its passage.

A RESOLUTION APPROVING AND ADOPTING THE INTEREST RATE
FOR THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION
POLLUTION CONTROL REVENUE REFUNDING BONDS
(FRITO-LAY, INC. PROJECT) SERIES 1987;
AFFIRMING A PRIOR RESOLUTION; AND TAKING OTHER

WHEREAS, the board of directors (the "Board"), of the Fort Bend County Industrial Development Corporation (the "Issuer") has adopted A RESOLUTION AUTHORIZING THE ISSUANCE OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION, POLLUTION CONTROL REVENUE REFUNDING BONDS (FRITO-LAY, INC. PROJECT), SERIES 1987, IN THE AGGREGATE PRINCIPAL AMOUNT OF \$4,000,000 TO FINANCE THE REFUNDING OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION, POLLUTION CONTROL REVENUE BONDS, SERIES 1982 (FRITO-LAY PROJECT), CURRENTLY OUTSTANDING IN THE AGGREGATE PRINCIPAL AMOUNT OF \$4,000,000; APPROVING THE FORM AND AUTHORIZING THE EXECUTION OF THE BONDS, AND A LOAN AGREEMENT, NOTE, TRUST INDENTURE, REFUNDING AGREEMENT, BOND PURCHASE AGREEMENT, GUARANTY, AND PRELIMINARY OFFICIAL STATEMENT RELATING THERETO; APPROVING THE ISSUANCE AND SALE OF THE BONDS; MAKING CERTAIN DETERMINATIONS WITH RESPECT THERETO; PROVIDING FOR THE PRINCIPAL AMOUNT, MATURITY OF, INTEREST RATE, MAXIMUM EFFECTIVE INTEREST RATE AND CERTAIN OTHER TERMS OF THE BONDS; REQUESTING THE TRUSTEE TO AUTHENTICATE THE BONDS; AUTHORIZING INVESTMENTS; AND REPEALING INCONSISTENT ACTIONS (the "Resolution"), on September 3, 1987, a copy of which is attached hereto as Appendix I and made a part hereof for all purposes; and

WHEREAS, Frito-Lay, Inc. (the "Company"), and Goldman, Sachs & Co. have, pursuant to the terms of the Resolution, determined the initial interest rate to be borne by the Bonds; and

WHEREAS, the Company has requested the Issuer to approve and adopt the initial interest rate to be borne by the Bonds;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION THAT:

Section 1. The Bonds shall bear interest from October 1, 1987 through September 30, 1990 at an interest rate of six and three-eighths percent (6-3/8%) per annum. From and after October 1, 1990, the Bonds shall bear interest at the rate or

rates and for the periods to be established pursuant to the terms of Section 3 of the Resolution.

0033

Section 2. All of the findings, determinations and provisions of the Resolution are hereby approved, confirmed and ratified. All of the actions heretofore taken by the Issuer and the officers thereof including the Resolution, taken in connection with the issuance of the Bonds and the refunding of the Prior Bonds are hereby approved, confirmed and ratified.

Section 3. This resolution shall be effective upon and after its passage.

RESOLUTION

A RESOLUTION AUTHORIZING THE ISSUANCE OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION, POLLUTION CONTROL REVENUE REFUNDING BONDS (FRITO-LAY, INC. PROJECT), SERIES 1987, IN THE AGGREGATE PRINCIPAL AMOUNT OF \$4,000,000 TO FINANCE THE REFUNDING OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION, POLLUTION CONTROL REVENUE BONDS, SERIES 1982 (FRITO-LAY PROJECT), CURRENTLY OUTSTANDING IN THE AGGREGATE PRINCIPAL AMOUNT OF \$4,000,000; APPROVING THE FORM AND AUTHORIZING THE EXECUTION OF THE BONDS, AND A LOAN AGREEMENT, NOTE, TRUST INDENTURE, REFUNDING AGREEMENT, BOND PURCHASE AGREEMENT, GUARANTY, AND PRELIMINARY OFFICIAL STATEMENT RELATING THERETO; APPROVING THE ISSUANCE AND SALE OF THE BONDS; MAKING CERTAIN DETERMINATIONS WITH RESPECT THERETO; PROVIDING FOR THE PRINCIPAL AMOUNT, MATURITY OF, INTEREST RATE, MAXIMUM EFFECTIVE INTEREST RATE AND CERTAIN OTHER TERMS OF THE BONDS; REQUESTING THE TRUSTEE TO AUTHENTICATE THE BONDS; AUTHORIZING INVESTMENTS; AND REPEALING INCONSISTENT ACTIONS.

WHEREAS, the Development Corporation Act of 1979, Article 5190.6, Vernon's Annotated Texas Civil Statutes, as amended (the "Act"), authorizes and empowers the Fort Bend County Industrial Development Corporation (the "Issuer") to issue revenue bonds on behalf of Fort Bend County (the "Unit"), to finance the cost of projects comprising land, buildings, equipment, facilities and improvements, found by the Board of Directors of the Issuer (the "Board") to be required or suitable for the promotion of the industrial development and expansion of air and water pollution control facilities and for the promotion of manufacturing development and expansion and for the industrial development and expansion of industrial facilities and in furtherance of the public purposes of the Act; and

WHEREAS, pursuant to the terms of the Act, a Resolution passed and adopted by the Board on April 22, 1982 (the "Prior Resolution"), and a Loan Agreement dated as of April 1, 1982, between Frito-Lay, Inc., a Delaware corporation (the "Company") and the Issuer, the Issuer issued its Pollution Control Revenue Bonds, Series 1982 (Frito-Lay, Inc. Project), in the aggregate principal amount of \$4,000,000 (the "1982 Bonds") and loaned the proceeds of the 1982 Bonds to the Company to finance the acquisition and construction of certain pollution control equipment and related improvements used in connection with the Company's manufacturing facilities located in the City of Rosenberg, Fort Bend County, Texas (the "Project"); and

WHEREAS, the Issuer is authorized pursuant to the Act to issue refunding bonds in such amount as the Board may determine to refund the 1982 Bonds; and

0033

WHEREAS, the Company has requested the Issuer to issue pollution control revenue refunding bonds in the aggregate principal amount of \$4,000,000 in accordance with the provisions of the Act for the purpose of refunding the outstanding principal of the 1982 Bonds; and

WHEREAS, the following documents have been submitted to the Board and filed in the official records of the Issuer and are there available for public examination upon request:

(a) a Loan Agreement, to be dated as of October 1, 1987 (the "Loan Agreement") between the Issuer and the Company;

(b) a Promissory Note, to be dated as of October 1, 1987 (the "Note") from the Company to First RepublicBank Dallas, National Association, as trustee (the "Trustee");

(c) a Trust Indenture, to be dated as of October 1, 1987 (the "Indenture") between the Issuer and the Trustee;

(d) a Refunding Agreement, to be dated as of October 1, 1987 (the "Refunding Agreement") between and among the Issuer, the Company, PepsiCo, Inc. (the "Guarantor") and First RepublicBank Dallas, National Association (formerly, First National Bank in Dallas), as trustee for the 1982 Bonds;

(e) a Bond Purchase Agreement, to be dated its date of execution and delivery (the "Bond Purchase Agreement") between and among the Issuer, Goldman, Sachs & Co. (the "Underwriter"), the Guarantor and the Company;

(f) a Guaranty Agreement, to be dated as of October 1, 1987 (the "Guaranty") delivered by the Guarantor to the Trustee; and

(g) a Preliminary Official Statement dated August 28, 1987 (the "Preliminary Official Statement") pertaining to the Bonds hereinafter defined; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION THAT:

Section 1. Approvals and Authorizations. The forms of the Loan Agreement, the Note, the Indenture (including the form of Bonds), the Refunding Agreement, the Bond Purchase Agreement, the Guaranty and the Preliminary Official Statement are hereby approved. The President or any Vice President of the Board of the Issuer (the "President") and the Secretary or any Assistant Secretary of the Board of the Issuer (the "Secretary") are hereby authorized and directed to execute the Loan Agreement, the Indenture, the Refunding Agreement, the Bond Purchase Agreement and the Official Statement in final form and affix the seal of the Issuer thereto and the President and the Secretary are further authorized and directed to execute and authenticate such other documents, instruments or certificates as are deemed necessary or desirable by bond counsel in order to issue and secure the Bonds. Such documents are to be executed in substantially the form hereinabove approved, provided that such documents may be completed, corrected or revised as deemed necessary by the parties thereto in order to carry out the purposes of this Resolution. Copies of all of the documents shall be delivered, recorded, and filed as provided therein. When executed, the right, title and interest of the Issuer in, to and under the Loan Agreement as described in the Indenture, shall have been assigned to the Trustee.

The use, distribution and circulation of the Preliminary Official Statement by the Underwriter are hereby approved, ratified, confirmed and authorized, subject further to such amendments or additions thereto as may be required by the Bond Purchase Agreement, and the Underwriter is hereby authorized to use, distribute and circulate a Final Official Statement in connection with the marketing of the Bonds.

Section 2. Issuance of Bonds. The issuance of the Bonds is hereby authorized and the sale thereof to the Underwriter pursuant to the Bond Purchase Agreement is hereby approved. The form of Bonds set forth in the Indenture is hereby approved; the Bonds shall be executed with the manual or facsimile signature of the President of the Issuer on the face of the Bonds in substantially such form with appropriate insertions and variations, and the seal of the Issuer or a facsimile thereof is hereby adopted and authorized to be affixed or imprinted thereon to be attested by the manual or facsimile signature of the Secretary; and the President or the Secretary is authorized and directed to deliver the Bonds to the Trustee for authentication under the Indenture and, when they have been authenticated, to deliver them or cause them to be delivered to the Underwriter pursuant to the Bond Purchase Agreement against receipt of the purchase price as specified therein, plus any accrued interest due, and to deposit the amount so received with the Trustee as provided in the Indenture.

Section 3. Terms of Bonds. The Bonds shall be in the aggregate principal amount of \$4,000,000, shall be dated October 1, 1987, or as otherwise provided in the Indenture, and shall be issued as fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof, shall be fully negotiable, shall mature, subject to prior redemption, on October 1, 2011, and shall bear semiannual interest payable on April 1 and October 1 of each year commencing April 1, 1988, at the rate or rates which shall be determined as provided below and in the form of Bonds and Indenture. The maximum effective interest rate authorized for the Bonds is 15% per annum. The numbers and provisions for redemption of the Bonds, the registration and exchangeability privileges, the medium and place of payment, the provisions pertaining to mutilated, lost, destroyed or stolen Bonds, the provisions pertaining to the payment of costs or expenses incident to the issuance of the Bonds, and the priorities in revenues under the Indenture, shall be as set forth (a) in the aforesaid form of such Bonds which form is hereby approved and incorporated by reference as if set forth in full, and (b) in the form of the Indenture hereinbefore approved and so incorporated.

The Bonds shall bear interest from October 1, 1987 through September 30, 1990 at an adjusted interest rate to be determined as provided below. Thereafter, unless and until the Company elects a different period as provided below, the interest rate on the Bonds shall be adjusted for each rate period commencing on October 1, 1990 and October 1 of any year thereafter, to be the rate established as described below. The interest rate so determined is referred to hereinafter as the "Adjusted Interest Rate." The period during which any Adjusted Interest Rate shall be effective is referred to hereinafter as a "Rate Period."

On or before the August 15 immediately preceding the beginning of any new Rate Period, the Company may, by written notice to the Trustee, adjust the length of such new Rate Period to any period which is an integral multiple of one year; provided, that the Company provides to the Trustee an opinion of nationally recognized bond counsel to the effect that the change in the Rate Period will not have an adverse effect on the federal income tax exemption of interest on the Bonds. If no such election and opinion are received, the term of each new Rate Period will be equal to the term of the preceding Rate Period.

Interest on the Bonds shall be set for each Rate Period beginning on October 1. For the first Rate Period commencing October 1, 1987, interest shall be determined in accordance with the requirements set forth in paragraph (b) below but shall be determined no later than September 10, 1987. For the second Rate Period beginning on October 1, 1990 and each Rate Period

thereafter, the interest rate on the Bonds shall be determined as follows:

(a) on or before the September 1 (the "Preliminary Calculation Date") next preceding the first day of such Rate Period, or the next succeeding business day if the Preliminary Calculation Date is not a business day, the Company shall, in consultation with Goldman, Sachs & Co., or such other evaluation service designated by the Company, establish a minimum adjusted interest rate (the "Minimum Adjusted Interest Rate"). Such Minimum Adjusted Interest Rate will be the minimum interest rate in the opinion of the Company and Goldman, Sachs & Co., or such other evaluation service designated by the Company, which is required on the Preliminary Calculation Date to remarket the Bonds; and

(b) on or before the September 26 next preceding the first day of each Rate Period, or, if such date is not a business day, the business day next preceding such day (the "Final Calculation Date"), the Company shall, in consultation with Goldman, Sachs & Co., or such other evaluation service designated by the Company, establish the Adjusted Interest Rate for the Bonds during the next Rate Period. Such Adjusted Interest Rate will be the minimum interest rate in the opinion of the Company and Goldman, Sachs & Co., or such other evaluation service designated by the Company, which is required on the Final Calculation Date to remarket the Bonds at par; provided, however, that in determining the Adjusted Interest Rate for each Rate Period Goldman, Sachs & Co., or such other evaluation service designated by the Company, shall take into account, to the extent applicable: (a) market interest rates for comparable securities (including outstanding tax-exempt notes and bonds) held by tax-exempt open-end municipal bond funds or other institutional or private investors with substantial portfolios (i) with interest periods and demand purchase options substantially identical to the Bonds with the applicable maturities, (ii) bearing interest at a variable rate intended to maintain par value, and (iii) rated by a national credit rating agency in the same category as the Bonds; (b) other financial market rates and indices which may have a bearing on the interest rate of the Bonds (including rates borne by Treasury Bills and bonds of comparable maturities, commercial bank prime rates, certificate of deposit rates, federal funds rates, indices maintained by the Bond Buyer and other publicly available tax-exempt interest rate indices); (c) general financial market conditions; and (d) factors particular to the credit rating of the Company. In the event that the Bonds are rated by neither Moody's nor S&P, or in the event that Goldman, Sachs & Co. is no longer available and no other

0033

evaluation service can be appointed, the Adjusted Interest Rate during each Rate Period shall be at least 60% of an evaluation at par of United States Treasury obligations with a maturity approximately equal to the Rate Period as conclusively determined by the Company, with notice thereof given to the Trustee in the same manner as required for the Minimum Adjusted Interest Rate. The Adjusted Interest Rate shall not be less than the Minimum Adjusted Interest Rate nor more than 15% per annum. The computation of the Adjusted Interest Rate by the Company in consultation with Goldman, Sachs & Co., or such other evaluation service designated by the Company (including the Minimum Adjusted Interest Rate) shall be conclusive and binding upon the Issuer, the Trustee, the Company, the Guarantor and the owners of the Bonds. Notwithstanding anything herein or in the Indenture to the contrary, however, in no event shall the aggregate of the interest on the Bonds plus any other amounts paid in connection therewith which are deemed "interest" under the laws of the State of Texas (the "State") and the United States of America in effect on the date of issuance of the Bonds specified above permitting the charging and collecting of the highest non-usurious interest rate on the Bonds (hereinafter referred to as "Applicable Law") ever exceed the maximum amount of interest which could be lawfully charged and paid on the Bonds under Applicable Law, and if any amount of interest taken or received by the Bondholder thereof shall be in excess of the maximum amount of interest which, under Applicable Law, could lawfully have been collected and paid hereon, then the excess shall be deemed to have been the result of a mathematical error by the Issuer and such Bondholder and shall be refunded promptly to the Trustee for the account of the Issuer. All amounts paid or agreed to be paid in connection with the indebtedness evidenced by the Bonds which under Applicable Law would be deemed "interest" shall, to the extent permitted by Applicable Law, be amortised, prorated, allocated, and spread throughout the full term of the Bonds.

Section 4. Determinations. It is hereby found, determined and declared that:

(a) the issuance of the Bonds, the refinancing of the Project and the refunding of the 1982 Bonds will promote the public purposes of the Act; and

(b) the Project has and will continue to contribute to the economic growth or stability of the Unit by (i) increasing employment opportunity, (ii) significantly increasing or stabilising the property tax base, and (iii) promoting commerce within the Unit and the State.

Section 5. Authentication of Bonds. The Trustee is hereby requested to authenticate the Bonds and to deliver them to, or upon the order of, the President or the Secretary.

Section 6. Investment of Funds. The Trustee shall be, by virtue of this Resolution and without further authorization from the Issuer, authorized, directed and requested to invest and reinvest all moneys available therefor held by it pursuant to the Indenture which by the terms of the Indenture may be invested, or to deposit and redeposit such moneys in such accounts as may be permitted by the Indenture, at the direction of the Company and subject to the terms and limitations contained in the Indenture.

Section 7. Incidental Action. The proper officers of the Issuer are hereby authorized and directed to prepare and furnish to bond counsel certified copies of all proceedings and records of the Issuer relating to the Bonds and to execute and deliver such other documents, and to take such other action as may be necessary or appropriate in order to effectuate the delivery of the Loan Agreement, Indenture, Refunding Agreement and Bond Purchase Agreement, the performance of the Issuer's obligations thereunder, and the issuance and sale of the Bonds.

The approval hereby given to the various documents referred to above includes the approval of such additional details and revisions therein as may be necessary or convenient to carry out the purposes of this Resolution, and as may be approved by bond counsel prior to the execution of the documents. The execution of any instrument by the appropriate officers of the Issuer herein authorized shall be conclusive evidence of the approval by the Issuer of such instrument in accordance with the terms hereof.

Section 8. Nature of Obligation. The issuance of the Bonds shall not obligate, directly or indirectly or contingently, the State or any political subdivision thereof, including the Unit, to levy any form of taxation therefor or to make any appropriation for their payment. Nothing in the Bonds, the Indenture, the Note, the Agreement, the proceedings of the Issuer authorizing the Bonds or the Act shall be construed to authorize the Issuer to create a debt of the State or any political subdivision thereof, including the Unit, within the meaning of any constitutional or statutory provision of the State. The principal of, premium, if any, and interest on the Bonds shall be payable solely from the funds pledged for their payment in accordance with the Indenture. The State or any political subdivision thereof, including the Unit, shall not in any event be liable for the payment of the principal of, premium, if any, or interest on the bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by the Issuer. Neither the faith and credit nor the

taxing power of the State or any political subdivision thereof, including the Unit, or any charge upon the general credit or against the taxing power of the State or any political subdivision thereof, including the Unit.

Section 9. Compliance with Open Meeting Requirements. It is hereby found and determined that all formal actions of the Issuer concerning and relating to the passage of this Resolution were adopted, and that all deliberations of the Board and of any of its committees that resulted in such formal action, were carried out in meetings open to the public, in compliance with all legal requirements of the Issuer and the State.

Section 10. Transcripts. The Issuer authorizes and directs the Company to prepare a final transcript of the proceedings relating to the authorization, issuance, sale, and delivery of the Bonds, which transcript shall be submitted to the Texas Department of Commerce within 60 days after the closing date for the Bonds.

Section 11. Resolution Irrepealable. After the Bonds are issued, this Resolution shall constitute an irrevocable contract between the Issuer and the owners of the Bonds and shall be and remain irrepealable until the Bonds, both principal and interest, shall be fully paid, cancelled and discharged.

Section 12. Ratification. All action heretofore taken by the Issuer and by the officers thereof, including the Prior Resolution, not inconsistent herewith directed toward the refinancing of the Project, the refunding of the 1982 Bonds and the issuance and sale of the Bonds is hereby ratified, approved and confirmed.

Section 13. Repealer. All acts, orders, resolutions, ordinances, or parts thereof, taken by the Issuer and in conflict with this Resolution are hereby repealed, except that this repealer shall not be construed so as to revive any act, order, resolution or part thereof, heretofore repealed.

Section 14. Severability. If any paragraph, clause or provision of this Resolution except Section 8 hereof, is judicially adjudged invalid or unenforceable, such judgment shall not affect, impair or invalidate the remaining paragraphs, clauses or provisions hereof.

Section 15. Effective Date. This Resolution shall be effective upon and after its passage.

|------------------------------|---------------------|----------------------|
| 3 Floodlight/Directional HPS | 16,000 | <u>xxxx</u> |
| Floodlight/Directional HPS | 27,500 | <u>xxxx</u> |
| Floodlight/Directional HPS | 50,000 | <u>three (3)</u> |
| Roadway/General HPS | 16,000 | <u>xxxx</u> |
| TOTAL LIGHTS | | <u>three (3)</u> |

- b. Customer will pay for the lighting service rendered hereunder in accordance with the provisions of (1) this Application and Agreement for Security Lighting Service (2) the Company's Rate Schedule - SL and (3) the Terms and Conditions for the Sale of Lighting Service, each being made a part hereof, on file with the regulatory authority having jurisdiction and available for inspection at any of Company's business offices.
- c. The lights furnished hereunder shall under normal conditions operate from approximately thirty minutes after sunset to approximately thirty minutes before sunrise every night in the year and the total time of operation will be approximately four thousand two hundred (4,200) hours each year for each light furnished. Company will maintain no patrols but will make necessary repairs at its expense with reasonable promptness after receipt of notice that such are necessary, but with no adjustment of payments hereunder due to outage.
- d. It is understood and agreed that Company's Rate Schedule(s), Riders and Terms and Conditions applicable to Security Lighting Service are subject to change from time to time, with the approval of regulatory

authorities having jurisdiction thereof, and that such changes shall automatically become applicable to customer's service based upon the effective date of the change.

- e. The obligations of both parties shall commence on October 15, 1987, or upon such earlier date as Customer shall have begun to take service, and shall continue for a period of not less than twenty-four (24) months and thereafter until terminated, which termination may be provided by either Customer or Company giving written notice of such termination to the other party at least thirty (30) days in advance of the date of termination. However, Customer may cancel this agreement prior to the initial expiration date by then paying Company in a lump sum the Monthly Bill to become due (excluding the Fuel Charge) for the unexpired period of this agreement, or \$100.00 per light, whichever is the lesser amount.
- f. All bills rendered Customer shall be mailed to Customer at his address of _____
P.O. Box 368
Richmond, Texas 77469 or such other address as Customer may give Company in writing and shall be payable in accordance with provisions of the applicable rate schedule at Company's office in Houston, Texas or at any of the Company's district offices or designated collection agencies.
- g. This agreement is subject to the Company's Terms and Conditions for the Sale of Lighting Service.
- h. This agreement shall not be binding upon either party unless and until it has been duly executed in writing by both parties.

**SECURITY LIGHTING SERVICE - SL
(EXPERIMENTAL)**

AVAILABILITY

In areas designated by Company with suitable locations and where facilities of adequate capacity and suitable voltage are adjacent to the lamps to be served.

APPLICATION

To any commercial or industrial customer, or other customer where suitable conditions allow, for unmetered lighting service supplied exclusively to one or more of the lamp types listed below operating automatically every night from dusk to dawn.

INSTALLATION AND MAINTENANCE OF FACILITIES

Company will install, own and maintain the security lighting installation served hereunder. Company will replace burned out lamps and/or make maintenance repairs during regular working hours.

The security lighting fixture will be installed on an existing distribution type wood pole and service will be supplied from an overhead secondary conductor on the pole. Any additional construction required to provide such service will be owned and maintained by the Company and will be installed at the Customer's expense, separate from the Monthly Bill below.

MONTHLY BILL

The monthly bill for each lighting unit shall be the sum of (1) the applicable Monthly Rate plus (2) the Fuel Charge plus (3) the applicable Adjustments stated below.

(1) Monthly Rate

| <u>TYPE OF LAMP</u> | <u>LUMEN RATING</u> | <u>MONTHLY RATE</u> | <u>MONTHLY KWH</u> |

- (2) Fuel Charge: \$.019898 per Kwh for all Kwh to recover fuel costs as defined in the Public Utility Commission of Texas Substantive Rule Subsection 23.23 (b) (2).
- (3) Adjustments: (a) Plus an amount determined in accordance with Rider PCRF.
- (b) For service within the incorporated limits of a municipality which imposes a municipal franchise fee upon the revenues received by Company within that municipality, added to and separately stated on each customer's bill will be an amount equal to the municipal franchise fee adjusted for the revenue related effect of said fee plus the associated revenue related costs of (1) the state gross receipts tax, (2) the Public Utility Commission assessment and (3) uncollectible accounts.

PAYMENT

Bills are due when rendered. A bill for lighting service is delinquent if payment is not received by the Past Due Date shown on the Lighting Service Bill. The Past Due Date will not be less than sixteen (16) days from the date the bill is mailed to Customer. A one-time late payment charge of 3% of the entire bill exclusive of sales tax will be assessed if the total amount due is not received on or before the Past Due Date.

CONTRACT PERIOD

As provided in the agreement for service but not less than 24 months.

NOTICE

Lighting Service furnished under this rate schedule is subject to Company's Terms and Conditions for the Sale of Lighting Service.

Section V-Service Rules and Regulations
Terms and Conditions for the Sale of
Lighting ServiceHOUSTON LIGHTING & POWER COMPANY
HL&P 96TERMS AND CONDITIONS FOR THE SALE OF LIGHTING SERVICE
APPLICABLE TO RATE SCHEDULES SPL, GL, AND SL

1. Electric service will be supplied in accordance with these terms and conditions (as supplemented by the Company's Service Standards and Service Rules and Regulations which are by reference incorporated herein), and any changes required by law.
2. The Company will use reasonable diligence to supply steady and continuous electric service, but does not guarantee the electric service against fluctuations or interruptions. The Company will not be liable to the Customer for any damages occasioned by fluctuations or interruptions, or by failure to begin supplying electric service from causes beyond the Company's reasonable control. In no event shall Company be liable for damage occasioned by fluctuations or interruptions or failure to begin supplying electric service, caused by an act of God, the public enemy, unavoidable accident, fire, explosion, strike, riot, war, order of any court or judgment granted in any bona fide adverse legal proceeding, or action or order of any commission or tribunal having jurisdiction in the premises, or, without limitation by the preceding enumeration, any act or thing reasonably beyond its control, or changes in Company's generating equipment or its transmission or distribution system. For the mutual protection of the Customer and the Company only authorized employees of the Company are permitted to make, energize and maintain the service hereunder. Customer agrees to use due diligence to protect Company facilities, erected pursuant to this agreement, from damage caused by vandalism.
3. The Customer will provide free of expense to the Company, locations for the installation of the Company's equipment and acceptable right of way for facilities erected solely to make service available to Customer.
4. The duly authorized representatives of the Company are to have access at all reasonable hours to the Customer's premises for the purpose of inspecting Company's wiring and apparatus, erecting, removing or replacing its facilities and for all other purposes connected with the supplying of electric service.
5. The Company may at any time require a reasonable deposit as security for the payment of bills, and interest on such deposit will be paid by the Company at an annual rate, established in accordance with the provisions of Tex. Rev. Civ. Stat. Ann. art. 1440a (Vernon's Supp. 1986), as long as electric service is supplied to the Customer. For amounts held on deposit with the Company prior to January 1, 1987, the annual interest rates applied are in accordance with the tariff in effect at that time. For amounts held on deposit with the Company during calendar year 1987, the annual interest rate shall be 6%. The Company reserves the right to require an additional deposit when, in the Company's opinion, the Custom-

er's deposit is insufficient. Any such deposit shall not preclude the Company (subject to Service Discontinuance Policy) from terminating the Agreement for Service or suspending the supply of electric service to the Customer for any failure in the performance of the Customer's obligations under the Agreement for Service.

6. In the event one of the parties to the Agreement for Service fails in the performance of obligations under the Agreement for Service, and such default continues for five days after written notice thereof has been given by another party, then the other party may terminate the Agreement for Service, or suspend the supplying or taking of electric service as the case may be; provided, however, no such notice need be given by the Company in cases of unauthorized use of the service by Customer.
7. Upon the expiration of an Agreement for Service, the Company may, without liability for injury or damage, dismantle and remove all facilities installed pursuant to the Agreement for the purpose of supplying electric service to the Customer, and shall be under no further obligation to serve the Customer at that point.
8. Agreements for Service shall inure to the benefit of and be binding upon the successors and assigns of the Customer and the Company, but no assignments by the Customer shall be binding upon the Company until accepted in writing by the Company.

PURCHASED POWER COST RECOVERY FACTOR - RIDER PCRF

Pursuant to the Substantive Rules of the Public Utility Commission of Texas, Section 23.23 (b) (4), Electric Service billed under all applicable rate schedules shall be subject to an adjustment determined by multiplying the billing Kwh (or Primary Kva in the case of the LOS-B class) for the current month times a Purchased Power Cost Recovery Factor (PCRF). No PCRF adjustment shall be applicable to any Kwh sold under any interruptible tariff where the Kwh sold under that tariff are identified and billed separately from any associated firm power sales. Currently, those tariffs are Interruptible Service-A (ISA), Interruptible Service-B (ISB), and Interruptible Standby Service (SBI). A PCRF shall be calculated for each rate class identified in Schedule P-12 of the Cost Allocation Study or its equivalent as most recently approved by the Public Utility Commission of Texas (PUCT). Such PCRF shall be calculated for each rate class according to the following formula:

$$\text{PCRF} = \frac{(P \times \text{AF}) - (\text{CA})}{S} \text{ rounded to nearest } \$.000001$$

Where:

PCRF= Purchased Power Cost Recovery Factor in dollars per Kwh (or dollars per Primary Kva in the case of the LOS-B class) to be used for billing for each listed rate class. The most recently PUCT approved Cost Allocation Study is from Docket 6765 and the listed rate classes are: Residential (RS), Miscellaneous General Service (MGS), Large General Service (LGS), Large Overhead Service-A (LOS-A), Large Overhead Service-B (LOS-B), Public Utility (PU), Street and Protective Lighting (SPL), and Guard Lighting (GL).

P = Estimated Purchased Power costs on an annualized basis consisting of:

payments for capacity purchased from qualifying cogenerators and small power producers under contracts not included in base rates in the most recent general rate case (Docket 6765), except that the payments included may not exceed the HL&P Standard Offer for such capacity. The Standard Offer for capacity from small power producers is defined in the PUCT Substantive Rules, Section 23.66 (f) and is contained in the HL&P tariff Purchased Power Service Small (PPSS). The Standard Offer for capacity from qualifying facilities

is defined in Section 23.66 (h) (3) and is contained in the HL&P filing pursuant thereto.

NOTE: the costs specified above shall not exceed avoided costs.

AF = The demand Allocation Factor for each listed rate class used to allocate generation (production) plant in the Cost Allocation Study referenced above, shown in Schedule P-12 or its equivalent. In Docket 6765, these Allocation Factors are as follows:

| | | | |
|-----|---------|-------|---------|
| RS | .370756 | LOS-A | .054856 |
| MGS | .265888 | LOS-B | .110365 |
| LGS | .169931 | PU | .028151 |
| SPL | .000048 | GL | .000005 |

CA = A Correction Amount for each listed rate class to correct for any variance between actual allocated Purchased Power Cost and Purchased Power Revenue derived from the PCRF for the class. The calculation of CA will be the result of a reconciliation conducted annually, which will determine the class CA to be used beginning with the January billing month and each month thereafter until the next general rate case or the next annual reconciliation, whichever is earlier. The calculation will be performed as follows: $CA = AR - AP$; where AR is the Actual Revenue received from application of the class PCRF in the period since the last reconciliation date of the class PCRF minus the class Correction Amount used in calculating such class PCRF; and AP is the Actual allocated Purchased Power Cost incurred by the Company and found reasonable by the PUCT for the same period, consisting of those elements described in P above allocated according to the allocation factors effective during that same period.

S = Test Year Adjusted Kilowatt-hours Sales (or Primary Kva demand in the case of the LOS-B class) from the most recent general rate case (Docket 6765) for each listed class, excluding interchange transactions and excluding Kwh sold under Interruptible tariffs where the Kwh sold under such tariffs are identified and billed separately. Currently, such tariffs are ISA, ISB and SBI.

Such Sales are to be taken from the Cost Allocation Study referenced above, shown in Schedule 0-1 and Q-7 or its equivalent, and are to be adjusted for the effects of the Interruptible Service-C (ISC) tariff. In Docket 6765, these Kwh Sales and Kva demand figures are as follows:

| | | | |
|-----|--------------------|-------|-------------------|
| RS | 14,914,321,000 Kwh | LOS-A | 4,216,464,000 Kwh |

June 4, 1987

Honorable District Judges of the
240th, 268th and 328th Judicial
Districts and Members of the
Commissioners Court
Fort Bend County, Texas
Richmond, Texas 77469

Gentlemen:

The Comprehensive Annual Financial Report of Fort Bend County, Texas ("County") for the year ending December 31, 1986 is submitted herewith. This report was prepared by the County Auditor's Office in accordance with Article 1665 of the Revised Civil Statutes of the State of Texas. Responsibility for both the accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, rests with the County. I believe the data, as presented, is accurate in all material aspects; that it is presented in a manner designed to fairly set forth the financial position and results of operations of the County as measured by the financial activity of its various funds; and that all disclosures necessary to enable the reader to gain the maximum understanding of the County's financial affairs have been included.

Accounting System and Budgetary Control
~~~~~

In developing and evaluating the County's accounting system, consideration is given to the adequacy of internal accounting controls. Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding: (1) the safeguarding of assets against loss from unauthorized use or disposition; and (2) the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that: (1) the cost of a

control should not exceed the benefits likely to be derived; and (2) the evaluation of costs and benefits requires estimates and judgments by management.

0033

All internal control evaluations occur within the above framework. We believe the County's internal accounting controls adequately safeguard assets and provide reasonable assurance of proper recording of financial transactions.

Budgetary control is maintained at the line item level of the County budget. Expenditures for current operating funds may not exceed available cash balances in such funds at January 1, plus the estimate of revenues for the ensuing year. At any time during the year, Commissioners Court may increase the budget for unexpected revenues. Commissioners Court may transfer amounts among individual budget line items within major expenditure categories during the year, but no such transfer may increase the overall total of the budget.

Formal budgetary integration is employed for the General Fund, certain Special Revenue Funds, and Debt Service Funds. Budgets for these funds are prepared on the cash basis. Formal budgets are not prepared for the Capital Projects Funds. Effective budgetary control for these funds is achieved through individual project budgeting in conformance with the provisions of bond orders and other sources.

#### The Reporting Entity and Its Services

~~~~~

This report includes all of the funds and account groups of the County for which the Commissioners Court has oversight responsibility.

Oversight responsibility is determined on the basis of financial interdependence, selection of government authority, dependence of management, ability to significantly influence operations, and accountability for fiscal matters. Based on the forgoing criteria, the operations of the Fort Bend County Drainage District are included in the Fort Bend County, Texas Comprehensive Annual Financial Report.

The County provides many varied services to the public it serves. Among these services are public safety (sheriff, jail and fire marshall), road and bridge maintenance, health and welfare, culture and recreation, county and district judicial system, and general and financial administration.

General Governmental Functions
~~~~~

General governmental functions include all revenues and expenditures of the General, Special Revenue, Debt Service and Capital Projects Funds. Revenues for general governmental functions totaled \$47,850,456 in 1986, an increase of 37.3% over 1985. General property taxes produced 79.2% of general revenues compared to 68.5% last year. The amount of revenues from various sources and the change from last year are shown in the following tabulation:

| Revenue Source    | Amount              | Percent<br>of Total | Change<br>From 1985 |
|-------------------|---------------------|---------------------|---------------------|
| Taxes             | \$37,918,965        | 79.2%               | \$14,028,599        |
| Fees and fines    | 4,668,399           | 9.8%                | (567,593)           |
| Intergovernmental | 1,677,167           | 3.5%                | 642,141             |
| Interest          | 1,627,878           | 3.4%                | (695,710)           |
| Donations         | 563,047             | 1.2%                | (700,494)           |
| Other             | 1,395,000           | 2.9%                | 281,354             |
| <b>Total</b>      | <b>\$47,850,456</b> | <b>100.0%</b>       | <b>\$12,988,297</b> |

Assessed valuations of \$8.6 billion represent a decrease of 0.3% from last year. This reverse from a previous period of growth reflects a general downturn in the local economic environment in which energy and petroleum services companies comprise a significant influence. Tax revenue increased significantly due to the late mailing in 1985 of tax statements for 1986.

Current tax collections were 92.2% of the tax levy. The ratio of total collections (current and delinquent) to the current tax levy was 95.0%. Allocations of property tax levy by purpose for 1986 and the preceding two years are as follows (amounts per \$100 /assessed value):

| Purpose                 | 1986            | 1985            | 1984            |
|-------------------------|-----------------|-----------------|-----------------|
| General Fund            | \$0.2141        | \$0.1905        | \$0.1744        |
| Special Revenue Funds   | 0.1644          | 0.1557          | 0.2292          |
| General obligation debt | 0.0140          | 0.0063          | 0.0064          |
| <b>Total Tax Rate</b>   | <b>\$0.3925</b> | <b>\$0.3525</b> | <b>\$0.4100</b> |

Donations represented 1.2% of total general governmental revenues in 1986 compared to 3.6% for the previous year.

Interest revenues represented 3.4% of total general governmental revenues compared to 6.7% in the prior year. This decrease was due primarily to the general decline in interest rates.

Expenditures for general governmental purposes totaled \$41,950,785, a decrease of 3.1% from the previous year. Changes in the level of expenditures for major functions of the County over the preceding year are shown in the following tabulation: 0033

| Function                  | Amount              | Percent of Total | Increase (Decrease) From 1985 |
|---------------------------|---------------------|------------------|-------------------------------|
| General administration    | \$5,407,304         | 12.9%            | \$167,925                     |
| Financial administration  | 1,449,726           | 3.5%             | 124,323                       |
| Administration of justice | 3,606,526           | 8.6%             | 190,511                       |
| Road & bridge maintenance | 12,180,128          | 29.0%            | 1,347,123                     |
| Health and welfare        | 3,530,779           | 8.4%             | 825,549                       |
| Cooperative service       | 229,879             | 0.5%             | (13,680)                      |
| Public safety             | 7,113,586           | 17.0%            | 920,764                       |
| Parks and recreation      | 126,382             | 0.3%             | 253                           |
| Flood control             | 4,538,220           | 10.8%            | 348,117                       |
| Libraries and education   | 1,667,199           | 4.0%             | 697,616                       |
| Capital outlay            | 1,650,719           | 3.9%             | (5,912,508)                   |
| Debt service              | 450,337             | 1.1%             | (16,680)                      |
|                           | <u>\$41,950,785</u> | <u>100.0%</u>    | <u>(\$1,320,687)</u>          |

Expenditures for libraries and education increased from 2.2% of total general governmental expenditures in the prior year to 4.0% in the current year while capital outlay decreased by almost \$6 million. These changes were caused by the opening of a new main library facility which was under construction during 1985.

Health and welfare spending increased due to a significant change in the indigent care program throughout the State.

Debt Administration

The ratio of net general long-term debt to assessed valuation and the amount of such debt per capita are useful indicators of the County's debt position to County management, citizens, and investors. This data for the County at the end of 1986 was as follows:

|                            | Amount      | Ratio of Debt to Assessed Value | Debt Per Capita |
|----------------------------|-------------|---------------------------------|-----------------|
| Net General Long-Term Debt | \$8,510,013 | 0.10%                           | \$44.79         |

The entire \$8,510,013 is tax supported debt. Additional information about this debt can be found in tables VI through VIII in the statistical section of this report.

0033 The County's bonds and certificates of obligation continue to have the same rating which they carried for the past several years. This rating is as follows:

Moody's Investors Service

General Obligation Bonds and  
Certificates of Obligation

A-1

Cash Management  
~~~~~

Cash temporarily not needed for expenditures during the year was invested in interest-bearing demand deposits and certificates of deposit. The amount of interest earned by fund and the change from the preceding year are shown in the following tabulation:

| Fund | 1986 | 1985 | Increase (Decrease) |
|-----------------------|--------------------|--------------------|------------------------|
| General | \$717,956 | \$825,379 | (\$107,423) |
| Special Revenue | 865,177 | 1,082,399 | (217,222) |
| Debt Service | 11,455 | 9,293 | 2,162 |
| Capital Projects | 33,290 | 406,517 | (373,227) |
| Total Interest Earned | <u>\$1,627,878</u> | <u>\$2,323,588</u> | <u>(\$695,710)</u> |

Capital Projects Funds
~~~~~

Proceeds of general obligation bond issues and certificates of obligation are accounted for in Capital Projects Funds until the projects are completed. Completed projects and uncompleted construction in progress at year-end are capitalized in the General Fixed Asset Account Group. During the year, several construction in progress projects were completed and one major project, a new multi-story Courthouse annex, was begun.

General Fixed Assets  
~~~~~

The General Fixed Assets of the County are those fixed assets used in the performance of general governmental functions. As of December 31, 1986 the general fixed assets of the County were \$41,596,381. This amount represents the original cost of the assets, if purchased, or the estimated

fair market value, if donated to the County, and is considerably less than their net realizable value. Depreciation of general fixed assets is not recognized in the County's accounting system.

Independent Audit
~~~~~

The Commissioners Court of Fort Bend County has authorized an annual audit of the general purpose financial statements of the County by independent certified public accountants selected by the Commissioners Court. The auditors' opinion has been included in this report.

Certificate of Achievement  
~~~~~

The Government Finance Officers Association ("GFOA") awards a Certificate of Achievement for Excellence in Financial Reporting to governmental entities which publish an easily readable and efficiently organized comprehensive annual financial report, whose contents conform to program standards. Such reports must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only.

We believe our current report conforms to the Certificate of Achievement Program requirements, and we are submitting it to the GFOA to determine its eligibility for the Certificate. This is the first time the County has submitted its comprehensive annual financial report to the GFOA for this purpose.

Acknowledgments
~~~~~

The preparation of this report on a timely basis could not be accomplished without the efficient and dedicated services of the entire staff of the County Auditor's Office. I should like to express my appreciation to all members of the my Office who assisted in the maintenance of the accounting records of the County and in the preparation of this report.

Respectfully Submitted,

AUDITORS' OPINION

Honorable Jodie E. Stavinoha, County Judge,  
and Members of the Commissioners Court  
of Fort Bend County, Texas:

We have examined the general purpose financial statements of Fort Bend County, Texas as of December 31, 1986 and for the year then ended, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the general purpose financial statements referred to above present fairly the financial position of Fort Bend County, Texas at December 31, 1986 and the results of its operations and the changes in financial position of its proprietary fund type for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination also comprehended the combining individual fund and account group financial statements and schedules as of December 31, 1986 and for the year then ended, as listed in the foregoing table of contents. In our opinion, such financial statements and schedules, when considered in relation to the general purpose financial statements, present fairly in all material respects the information shown therein.

The accompanying statistical tables, listed in the foregoing table of contents, were not audited by us and, accordingly, we express no opinion on them.
