RE: Monthly reports of Fee Officers

Gentlemen:

We have examined the monthly reports of certain Fee Officers identified below for the month of May, 1989. We maintain certain records relating to financial transactions of these officers and accordingly, our examination included such auditing procedures as we considered appropriate in the circumstances.

The breakdown of the fees paid by the Tax Collector in May is attached to this letter.

The following is the criminal and civil case report for the JPs for the month of May, 1989:

JP	# OF CASES:	New	Pending	Dismissed	Paid	Open	Civil Cases
JP 1	Geick	563	3602	245	348	3572	32
JP2-1	Molina	514	1145	81	354	1224	36
JP2-2	Fredrickson	347	924	139	264	868	6
JP3	Stahl	121	323	12	104	328	47
JP4	Adolphus	225	4381	135	152	4319	40

An audit was conducted at JP2-2 and Constable 2 in Needville for the months of March, April, and May 1989. Even though there has been a change of personnel in Constable 2's office, they are continuing to try to improve communication between the Needville office and Missouri City office. The new computer system has now been installed in the Missouri City office.

There was nothing that would lead us to believe that these reports are not, in all material respects, a fair representation of cash transactions of the records presented to us.

PETITION FOR THE ISSUANCE OF BONDS  
AND  
FOR BOND ELECTION  
WITHIN  
FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 11

THE STATE OF TEXAS           §  
   §  
COUNTY OF FORT BEND       §

TO THE HONORABLE COUNTY JUDGE AND COMMISSIONERS COURT OF  
FORT BEND COUNTY, TEXAS:

The undersigned (herein the "Petitioners"), being Fort Bend County Levee Improvement District No. 11 (the "District"), and, collectively, the owners or the legal representatives of the owners of a majority of the acreage included in the District (the "Landowners"), acting pursuant to the provisions of Chapter 57, Title 4, Texas Water Code, respectfully petition the County Judge and Commissioners Court of Fort Bend County, Texas, (i) for the issuance of the bonds herein described (the "Bonds") and (ii) to order an election to be held within and for the District for the purposes of determining whether or not the Bonds should be issued by the District, and would respectfully show the following:

I

The District was created by the Commissioners Court of Fort Bend County, Texas, by order dated June 27, 1988.

II

The District is organized and exists under the terms and provisions of Article XVI, Section 59, Texas Constitution, and Chapter 57, Title 4, Texas Water Code.

III

The undersigned are Chairman and Secretary/Treasurer of the Board of Directors of the District, and the owners or the legal representatives of the owners of a majority of the acreage included in the District, respectively.

IV

Pursuant to the provisions of Sections 57.151 through 57.156, Texas Water Code, as amended, an engineer's survey and report was prepared and submitted to the Texas Water

#7  
the District on August 3, 1988, as the District's Plan of Reclamation and was approved by the Texas Water Commission by Order dated November 30, 1988.

V

The cost estimates approved by the Texas Water Commission and the Board of Directors of the District for the acquisition and construction of the improvements, the costs of maintaining and operating the District as well as the costs associated with the issuance of the District's Bonds, all as described in the Plan of Reclamation is \$22,840,000. Such amount is not more than the sum of:

A. The estimated cost of the acquisition or construction of improvements to be made according to the adopted Plan of Reclamation approved by the Texas Water Commission;

B. An amount to pay interest on the Bonds during the period stated in the engineer's report, which shall be not more than two years from the time the Bonds are issued as approved by the Texas Water Commission;

C. The cost of maintenance of the improvements for two years as approved by the Texas Water Commission;

D. An additional ten percent (10%) to meet emergencies, modifications, and charges lawfully made; and

E. All damages awarded against the District.

VI

The Petitioners request that the Bonds of the District be issued in the maximum aggregate principal amount of \$22,840,000, excluding any bonds that may be issued to refund same except to the extent that such bonds are issued to refund bonds of lesser principal amounts, bearing interest at any rate or rates, provided that the net effective interest rate shall not exceed the maximum legal limit in effect at the time of issuance.

VII

The Petitioners also request that an election be held within and for the District to determine whether or not the Bonds should be issued by the District for the purposes indicated in the Plan of Reclamation and for the amount stated above. It is requested that at such election the following proposition be submitted:

#7

PROPOSITION

SHALL THE BOARD OF DIRECTORS OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 11 BE AUTHORIZED, AS NOW OR HEREAFTER PROVIDED BY LAW, TO ISSUE THE BONDS OF THE DISTRICT IN ONE OR MORE ISSUES OR SERIES IN THE MAXIMUM AMOUNT OF \$22,840,000 MATURING SERIALLY OR OTHERWISE IN SUCH INSTALLMENTS AS MAY BE FIXED BY SAID BOARD OVER A PERIOD OR PERIODS NOT EXCEEDING THIRTY (30) YEARS FROM THEIR DATE OR DATES, BEARING INTEREST AT ANY RATE OR RATES (EITHER FIXED, VARIABLE, OR FLOATING ACCORDING TO ANY CLEARLY STATED FORMULA, CALCULATION, OR METHOD) AND TO SELL SAID BONDS AT ANY PRICE OR PRICES, PROVIDED THAT THE NET EFFECTIVE INTEREST RATE, ON ANY ISSUE OR SERIES OF BONDS, SHALL NOT EXCEED THE MAXIMUM LEGAL LIMIT IN EFFECT AT THE TIME OF ISSUANCE OF EACH SUCH ISSUE OR SERIES, ALL AS MAY BE DETERMINED BY THE BOARD OF DIRECTORS OF SAID DISTRICT, FOR THE PURPOSE OR PURPOSES OF ACQUIRING, PURCHASING, BUILDING, CONSTRUCTING, COMPLETING, CARRYING OUT, MAINTAINING, PROTECTING, MODIFYING, REPAIRING, IMPROVING, ADDING TO AND REBUILDING, ALL WORKS, IMPROVEMENTS, FACILITIES, EQUIPMENT, AND APPLIANCES, INTERESTS IN PROPERTY, AND CONTRACT RIGHTS, NEEDED THEREFOR AND ADMINISTRATIVE FACILITIES NEEDED IN CONNECTION THEREWITH, TO PROVIDE A SYSTEM OF LEVEES, DRAINAGE DITCHES, DRAINAGE STRUCTURES, GATES, CULVERTS, BRIDGES, AND OTHER IMPROVEMENTS NECESSARY OR PROPER TO FULLY ACCOMPLISH A RECLAMATION PLAN FOR DRAINING LAND IN THE DISTRICT, RECLAIMING LAND IN THE DISTRICT FROM OVERFLOW OR DAMAGE BY WATERS FROM STREAMS OR RIVERS INSIDE OR ADJACENT TO THE DISTRICT WHICH MAY AFFECT LAND IN THE DISTRICT, AND STRAIGHTENING STREAMS WHICH MAY INJURE LAND IN THE DISTRICT, AND FOR THE FURTHER PURPOSE OF REFUNDING ALL OR ANY PART OF THE PRINCIPAL OF OR INTEREST ON THE DISTRICT'S BONDS NOW OR HEREAFTER OUTSTANDING, AND TO PROVIDE FOR THE PAYMENT OF PRINCIPAL OF AND INTEREST ON THE BONDS BY THE LEVY AND COLLECTION OF A SUFFICIENT TAX UPON ALL TAXABLE PROPERTY WITHIN SAID DISTRICT, ALL AS NOW OR HEREAFTER AUTHORIZED BY THE CONSTITUTION AND LAWS OF THE STATE OF TEXAS?

VIII

The sum of Two Hundred Dollars (\$200.00) accompanies this Petition to cover expenses incident to the requested

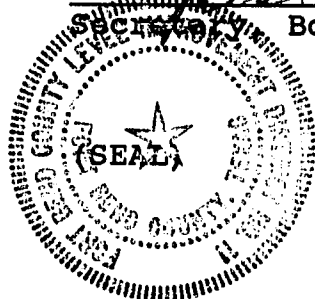

bond election and other expenses that may be properly incurred before the Bonds are sold and issued.

WHEREFORE, the undersigned respectfully pray: that this Petition be properly filed as provided by law; that upon filing of this Petition, the Honorable Commissioners Court of Fort Bend County, Texas, if it be in session, and if not, then the Honorable County Judge of Fort Bend County, Texas, order that an election be held within and for the District for the purposes hereinabove described; that such election order be entered in the minutes of the Commissioners Court of Fort Bend County, Texas; that the County Clerk be ordered to publish notice in a newspaper of general circulation in Fort Bend County, Texas, as required by the Texas Election Code, and to issue and give to the Sheriff of Fort Bend County, Texas, a notice stating in substance the contents of the election order and the time and place of the election; that the Sheriff or his Deputy be directed to post a copy of the notice as required by law by posting notice of such election at the Courthouse door and at four (4) different places in the District for at least ten (10) days before the date of the election; that the Sheriff or other person posting the notice be ordered to make return to the County Clerk, and that a return by an individual other than the Sheriff be made under oath before some person authorized by law to administer oaths; that the election be held and conducted and the returns thereof be made to the Commissioners Court of Fort Bend County, Texas, or to the County Judge of Fort Bend County, Texas, in accordance with the Election Code of the State of Texas as modified by Chapter 57, Title 4, Texas Water Code, as amended; and for such other proceedings and orders as are proper and necessary and appropriate to the authorization and issuance of the Bonds and the conduct of the aforesaid election.

RESPECTFULLY SUBMITTED THIS 23rd day of June, 1989.

RE: Fort Bend County Levee Improvement District No. 11 Bond  
Election

Dear Dianne:

Enclosed please find a Notice of Bond Election, Order Calling the Election and an Affidavit of Posting Notices. The Affidavit is to be completed by the Sheriff of Fort Bend County, Texas. The Notice of the Bond Election and the Order Calling the Bond Election must be posted for at least the 10-day period immediately preceding the date of the election, in accordance with Section 57.204 of the Texas Water Code. The bond election is scheduled for July 17, 1989; however, I would like the posting to begin on June 27, 1989, so that notice will be posted to coincide with the start of absentee voting on June 27, 1989. The Affidavit has been dated already for June 27, 1989. Please note that the Affidavit must be returned to your office for certification. Please call me at 651-3856 to let me know if you plan to contact the Sheriff and give him the Affidavit to complete, or if you would like me to do so. I look forward to hearing from you.

Sincerely,

A:\WP02FB11\COMM.CRT\BND-ELEC\MINS.PG

ORDER CALLING FORT BEND COUNTY LEVEE IMPROVEMENT  
DISTRICT NO. 11 BOND ELECTION; PROVIDING DETAILS  
RELATING THERETO; AND CONTAINING OTHER PROVISIONS  
RELATING TO SAID ELECTION

WHEREAS, Fort Bend County Levee Improvement District No. 11 (the "District") and the owners of a majority of the acreage included in the District, acting pursuant to the provisions of Chapter 57, Title 4, Texas Water Code, have presented to the Commissioners Court of Fort Bend County, Texas, a petition that prays that said Commissioners Court order an election within and for the District for the purposes of determining whether or not the bonds of the District should be issued by the District in the amount and upon the terms and conditions set forth therein (the "Petition"); and

WHEREAS, it appears to the Commissioners Court, and this Court so affirmatively finds that:

1. The Petition is in due form of law, and was duly presented to this Court;

2. The Petition is signed by the owners or by the legal representatives of the owners of a majority of the acreage included in the District;

3. The Petition is signed by the Chairman and Secretary of the Board of Directors of the District, and the execution of the Petition by the Chairman and Secretary has been properly authorized by resolution of the Board of Directors of the District;

4. The Board of Directors of the District and the Texas Water Commission have approved a Plan of Reclamation for the District and have estimated the cost of such Plan as approved to be \$22,840,000;

5. The Plan of Reclamation, as prepared by the District's engineer, generally contains a complete plan for draining land, constructing levees on land, and reclaiming land of the District from overflow or damage by waters or streams inside or adjacent to the District which may affect land in the District, a description of the physical characteristics of the land within the District and the location of any public roads, railroads or rights-of-way and roadways, and other improvements on the land of the District. The costs of straightening streams which may injure the land of the District may also be included and must be included, where necessary. The Plan of Reclamation has been filed

where necessary. The Plan of Reclamation has been filed in the office of the District and is available for public inspection.

6. The amount of the Bonds stated in the Petition is not more than the sum of:

A. The estimated cost of the acquisition or construction of improvements to be made according to the adopted Plan of Reclamation approved by the Texas Water Commission;

B. An amount to pay interest on the bonds during the period stated in the engineer's report, which shall be not more than two years from the time the bonds are issued as approved by the Texas Water Commission;

C. The cost of maintenance of the improvements for two years as approved by the Texas Water Commission;

D. An additional ten percent (10%) to meet emergencies, modifications, and charges lawfully made; and

E. All damages awarded against the District.

7. The Petition otherwise conforms to the requirements of Chapter 57, Title 4, Texas Water Code; and

WHEREAS, in view of the foregoing findings, the Court is of the opinion that the Petition should be granted and the election as prayed for should be ordered; and

WHEREAS, the Commissioners Court finds that holding the election on a date other than the uniform election date is in the public interest, which finding is conclusive and incontestable; and

WHEREAS, there is not available or practicable to use a public building within the boundaries of the District; and

WHEREAS, this Commissioners Court wishes to proceed with the ordering of said election; Now, Therefore,

BE IT ORDERED, ADJUDGED AND DECREED by the Commissioners Court of Fort Bend County, Texas:

Section 1: That all of the facts recited in the preamble to this order are hereby found and declared to be true and correct.

Section 2: The Plan of Reclamation and estimated cost described above is hereby approved.

Section 3: A bond election shall be held within the boundaries of Fort Bend County Levee Improvement District No. 11 on July 17, 1989, between the hours of 7:00 a.m. and 7:00 p.m. at 7550 Riverbrook Drive, Richmond, Texas 77469, a place within the District which the Board of Directors of the District, after duly considering the requirements of the Texas Election Code, hereby finds to be a proper place for conducting said election. At said election there shall be submitted to the duly qualified resident electors of the District the following proposition:

PROPOSITION

SHALL THE BOARD OF DIRECTORS OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 11 BE AUTHORIZED, AS NOW OR HEREAFTER PROVIDED BY LAW, TO ISSUE THE BONDS OF THE DISTRICT IN ONE OR MORE ISSUES OR SERIES IN THE MAXIMUM AMOUNT OF \$22,840,000 MATURING SERIALLY OR OTHERWISE IN SUCH INSTALLMENTS AS MAY BE FIXED BY SAID BOARD OVER A PERIOD OR PERIODS NOT EXCEEDING THIRTY (30) YEARS FROM THEIR DATE OR DATES, BEARING INTEREST AT ANY RATE OR RATES (EITHER FIXED, VARIABLE, OR FLOATING ACCORDING TO ANY CLEARLY STATED FORMULA, CALCULATION, OR METHOD) AND TO SELL SAID BONDS AT ANY PRICE OR PRICES, PROVIDED THAT THE NET EFFECTIVE INTEREST RATE, ON ANY ISSUE OR SERIES OF BONDS, SHALL NOT EXCEED THE MAXIMUM LEGAL LIMIT IN EFFECT AT THE TIME OF ISSUANCE OF EACH SUCH ISSUE OR SERIES, ALL AS MAY BE DETERMINED BY THE BOARD OF DIRECTORS OF SAID DISTRICT, FOR THE PURPOSE OR PURPOSES OF ACQUIRING, PURCHASING, BUILDING, CONSTRUCTING, COMPLETING, CARRYING OUT, MAINTAINING, PROTECTING, MODIFYING, REPAIRING, IMPROVING, ADDING TO AND REBUILDING, ALL WORKS, IMPROVEMENTS, FACILITIES, EQUIPMENT, AND APPLIANCES, INTERESTS IN PROPERTY, AND CONTRACT RIGHTS, NEEDED THEREFOR AND ADMINISTRATIVE FACILITIES NEEDED IN CONNECTION THEREWITH, TO PROVIDE A SYSTEM OF LEVEES, DRAINAGE DITCHES, DRAINAGE STRUCTURES, GATES, CULVERTS, BRIDGES, AND OTHER IMPROVEMENTS NECESSARY OR PROPER TO FULLY

ACCOMPLISH A RECLAMATION PLAN FOR DRAINING LAND IN THE DISTRICT, RECLAIMING LAND IN THE DISTRICT FROM OVERFLOW OR DAMAGE BY WATERS FROM STREAMS OR RIVERS INSIDE OR ADJACENT TO THE DISTRICT WHICH MAY AFFECT LAND IN THE DISTRICT, AND STRAIGHTENING STREAMS WHICH MAY INJURE LAND IN THE DISTRICT, AND FOR THE FURTHER PURPOSE OF REFUNDING ALL OR ANY PART OF THE PRINCIPAL OF OR INTEREST ON THE DISTRICT'S BONDS NOW OR HEREAFTER OUTSTANDING, AND TO PROVIDE FOR THE PAYMENT OF PRINCIPAL OF AND INTEREST ON THE BONDS BY THE LEVY AND COLLECTION OF A SUFFICIENT TAX UPON ALL TAXABLE PROPERTY WITHIN SAID DISTRICT, ALL AS NOW OR HEREAFTER AUTHORIZED BY THE CONSTITUTION AND LAWS OF THE STATE OF TEXAS?

Section 4: Voting in the election shall be by the use of paper ballots which shall be printed in both English and Spanish and which shall conform to the requirements of the Election Code of the State of Texas. The ballots used in the election shall have printed thereon the following:

OFFICIAL BALLOT  
BALOTA OFICIAL

Each voter shall vote on each proposition by placing an "X" in the square beside the statement indicating the way he or she wishes to vote. The presiding judge shall be provided with 10 official ballots and the absentee voting clerk shall be provided with 10 official ballots. Oral assistance in Spanish shall be made available to all persons requiring such assistance. Any person requiring oral assistance in Spanish should contact the presiding judge or absentee voting clerk.

Section 5: The boundaries of the District as established by the Commissioners Court are hereby established as and shall constitute one election precinct and the following are hereby appointed officers of said election:

Patricia Bartling  
Ken Bartling  
Bruce Campbell

Presiding Judge  
Clerk  
Clerk

Absentee voting in the election by personal appearance shall occur on each day from June 27, 1989, through July 13, 1989, that is not a Saturday, Sunday, or official State holiday. The absentee voting clerk shall be Bruce Campbell, and the place at which such absentee voting shall be conducted is 7554 Riverbrook Drive, Richmond, Texas 77469 within the boundaries of the District. The absentee voting clerk's mailing address to which ballot applications and ballots to be voted by mail may be sent is 7554 Riverbrook Drive, Richmond, Texas 77469. Because the District has fewer than 1,000 registered voters, the absentee voting clerk shall keep the absentee voting place open from 8:00 a.m. to 11:00 a.m. on each day for absentee voting which is not a Saturday, a Sunday or an official State holiday.

The absentee ballot board shall consist of the Presiding Judge and at least two other members, appointed by the Presiding Judge, who are eligible to serve in accordance with the Election Code.

Section 6: The rate of pay for judges and clerks of the election shall be \$5.00 per hour, as determined by the Commissioners Court, in compliance with the Texas Election Code.

Section 7: The election shall be held and conducted and returns made to the Commissioners Court of Fort Bend County, Texas, in accordance with the Election Code as modified by Chapter 57, Texas Water Code.

Section 8: All qualified resident electors of the District shall be entitled to vote in the election.

Section 9: The Petition shall be properly filed as provided by law. The County Clerk is hereby directed to cause notice of the election to be published in English and Spanish one time in a newspaper or newspapers having general circulation in Fort Bend County, Texas, with the publication to be no earlier than the 30th day or later than the 10th day before the date of the election, in accordance with the, Election Code. The County Clerk also shall issue and give to the Sheriff of Fort Bend County, Texas a notice both in English and Spanish stating in substance the contents of this election order and the time and place of the election, in accordance with Chapter 57, Texas Water Code. The Sheriff or his Deputy is hereby

AS PER ORIGINAL

directed to give notice as required by law by posting notice of this election at the courthouse door and at four (4) different places in the District for at least ten (10) days before the date of the election. The Sheriff or person posting notice shall make return to the County Clerk. A return by an individual other than the Sheriff shall be made under oath before some person authorized by law to administer oaths. The election shall be held and conducted and returns made to the Commissioners Court of Fort Bend County, Texas, in accordance with the Election Code of the State of Texas as modified by Chapter 57, Title 4, Texas Water Code.

Section 10: In the event the election results favorably for the proposition submitted, the Board of Directors of the District shall thereafter be authorized to issue \$22,840,000 bonds of the District, payable from taxes, on the terms and conditions described in the proposition voted in the July 17, 1989 election.

RE: Waiver of Penalty and Interest - Frank Beymer  
1988 Tax Account 907-1400-03-007-0250  
Precinct 3

Ownership of the above referenced property was not transferred to Mr. Beymer until April of 1988. Prior to that ownership was in the name of General Homes Corp. and the taxes were paid by Randy Fletcher Company.

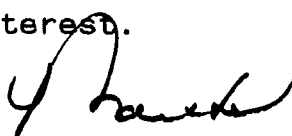

Since General Home's taxes were paid by a mortgage company, a mortgage code was carried on the account. This code is carried over from year to year until we receive notification from either the mortgage company or the homeowner to remove the code.

The breakdown of taxes paid is:

Base Tax	\$293.96
Penalty and Interest	<u>38.21</u>
Total	\$332.17

The mortgage code has been removed from the account and a special code has been placed on the account to prevent a mortgage company from requesting this statement in the future. This code will remain on the account until we receive notice from Mr. Beymer to remove it.

I recommend waiver of penalty and interest.

Texas Department  
Of Human Services

Form 2761

STATE OF TEXAS )(

COUNTY OF TRAVIS )(

EMERGENCY NUTRITION AND TEMPORARY EMERGENCY RELIEF  
OIL OVERCHARGE PROGRAM FUNDING

CONTRACT AMENDMENT

P.S. No. 11-022-P-00

Amendment No. II

The TEXAS DEPARTMENT OF HUMAN SERVICES, hereafter designated the Department, and COUNTY OF FORT BEND, hereafter referred to as the Contractor, entered into this contract effective March 1, 1988 for the provision of Emergency Nutrition and Temporary Emergency Relief Program services. Now the parties mutually agree to amend the contract as set forth below.

I.

- A. The Contractor and the Department agree to expand the scope of services and funding for this contract to include the provision of energy utility services funded by Oil Overcharge revenues granted to the Department by the Governor's office as specified in a contract executed between the Department and the Governor's office.
- B. The Contractor will use the client eligibility processes and procedures applicable to the regular Emergency Nutrition and Temporary Emergency Relief Program for services provided with Oil Overcharge funds, giving priority for assistance to persons who are recently unemployed and do not qualify for other income assistance programs. Contractors may not decide, based solely on income, to deny services to anyone whose family income is at or below 75% of the federal poverty guidelines. Payments using Oil Overcharge funding shall be made only for the purpose of preventing the interruption or termination of energy utility services or restoring or providing energy services to low income persons.
- C. The Contractor will determine the scope, frequency, and duration of energy utility benefits to be provided to eligible clients using Oil Overcharge funds, as described in the attached program description, which is attached and incorporated as a part of this amendment by specific reference. The following pages have been added/substituted as a part of this amendment:

#12

PAGE NO.	TITLE OF MATERIAL
Sub.: P 16	Form 2763 - EN/TERP Budget
<u>Sub.: P 17</u>	<u>Form 2768 - EN/TERP Oil Overcharge</u>
<u>          </u>	<u>  </u>
<u>          </u>	<u>  </u>

- D. The Contractor shall pay vendors of utility services for services provided to eligible clients and shall not provide cash directly to clients. Oil Overcharge funding may only be spent for energy utility services, defined as payment by voucher for electricity service, natural gas, butane, propane, kerosene, and other heating petroleum products, cord wood, and coal; purchase and repair of essential heating and cooling appliances; and blankets or coats for warmth. Oil Overcharge funding may not be spent for telephone, water and sewer services, or fuel specifically used for cooking and transportation.
- E. The Contractor must provide matching funds in an amount equal to the Oil Overcharge funds paid by the Department. The Contractor shall not use funds from the following sources for local match: (1.) Oil Overcharge Restitutionary Act funds; (2.) funds used to match the regular ENTERP allocation or; (3.) other state funds. The Contractor can use local government and nonprofit organizations' funds. Money from federal sources may not be used to provide any portion of local matching money under this subsection unless after application by the local unit of government or nonprofit organization, the office of the governor specifically approves the use.
- F. The Contractor shall not use Oil Overcharge funds for administrative costs but may use up to 25% of its matching funds for local administration.
- G. The Contractor agrees to submit billings, statistical documentation reports, as required by the Department by the 15th day following the last day of the month in which service is provided. If the required billing and statistical documentation have not been received by the 30th day following the last day of the month in which service is provided, this will be considered failure to comply with the contract. Such failure to comply is valid justification for immediate termination of this contract and/or refusal to pay the billings or any portion of the billings that are not submitted within the aforestated time limits.
- H. The Department agrees to reimburse the Contractor for the actual allowable expenses incurred, after receipt of a verified and proper billing from the Contractor. Payment by the Department shall not exceed the budget total established by fiscal year 1988 Emergency Nutrition and Temporary Emergency Relief Program allocations, including Oil Overcharge funding.
- I. The Contractor agrees to make available at reasonable times and for reasonable periods those client records, books, and supporting documents pertaining to services provided for purposes of inspection, monitoring, auditing, or evaluating by Department personnel or its representatives.

II.

The termination date of of the contract is changed from August 31, 1989 to August 31, 1990.

III.

- A. All terms and conditions of the contract between the Department and the Contractor, as it originally read or as previously amended, remain in full force and effect for services provided using regular Emergency Nutrition and Temporary Emergency Relief Program funds.
- B. All terms and conditions of the original contract not in conflict with this amendment will be applicable to services provided with Oil Overcharge funds or funds used to match Oil Overcharge funds.
- C. The parties mutually agree that this amendment shall be effective  
August 31, 1989.

Dear Judge Stavinoha:

The Texas Department of Human Services (TDHS) via the Low Income Home Energy Assistance Program has \$3.9M in federal funds available for summer cooling assistance. We wish to offer these funds to the counties for distribution to low income, medically needy households. Due to the need for these funds by needy households, we are asking for a reply to our request within thirty (30) days of receipt of this letter.

Attached you will find a contract to be executed by your office and summary of the eligibility requirements regarding this program. Administrative dollars will be available at a maximum rate of ten percent of the county allocation. Fort Bend County would be eligible for \$22,750.00 in grant funds and \$2,275.00 in administrative dollars. A portion of the administrative funds will be provided shortly after contract acceptance by TDHS. The remaining funds will be released on a cost reimbursement basis.

We would appreciate your favorable consideration of this contracting request. If you do not wish to consider this program for operation by your county government, please notify this agency of any other organization that you would like to recommend. We will consider that agency for possible funding assuming they meet the necessary criteria. If you would like to receive these funds, it will be necessary for you to sign the attached contract and return it to us. Upon acceptance, we will make contact regarding training and other implementation procedures. We have developed a program that we believe can be administered with minimum staff dedication under the eligibility rules established.

We would like for this program to be operational in your area no later than August 1, 1989. Applications cannot be taken after September 30, 1989. Each of the TDHS regions will assign a staff member to this program who will function as contact points for questions after the contracts are signed. Attached is a list of these staff along with their addresses and telephone numbers and a map indicating counties within TDHS regions.

CONTRACT NUMBER \_\_\_\_\_  
CONTRACT FOR HEAT STRESS RELIEF PROGRAM  
Between  
TEXAS DEPARTMENT OF HUMAN SERVICES  
and  
\_\_\_\_\_

The Texas Department of Human Services, hereinafter referred to as "the Department," and \_\_\_\_\_

hereinafter referred to as "the Contractor," hereby make and enter into this agreement for the mutual consideration set forth below.

I.

A minimum coverage of one county is required. The Contractor must have sufficient operating funds to allow for delivery of services under terms of this Contract while awaiting payment for such services.

The Contractor shall provide energy assistance pursuant to this Contract in the following county(s): \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

and conduct outreach activities designed to assure that eligible households, especially households containing individuals aged 60 or older or handicapped individuals, or both, are made aware of the assistance available under this Contract.

II.

Such program shall be undertaken in accordance with the provisions of the Low Income Home Energy Assistance Act of 1981 (as amended), Title XXVI of the Omnibus Budget Reconciliation Act of 1981 Public Law 97-35, hereinafter referred to as "the Act," with regulations promulgated pursuant thereto, with the terms of this Contract, and with appropriate policies and procedures outlined in the Department Heat Stress Relief Program Guidelines.

The term of this agreement shall begin on \_\_\_\_\_ and end on September 30, 1989 unless terminated earlier for breach of this agreement, or by mutual agreement. If such mutual agreement cannot be attained, either party to this agreement may consider it to be cancelled by the giving of at least thirty (30) days' notice

in writing to the other party and this agreement shall there upon be cancelled upon the expiration of a 30-day period beginning upon receipt of the notice of cancellation.

### III.

The Department agrees to pay the Contractor as outlined providing a properly completed state voucher is submitted before payment. The total payments under this Contract will not exceed \$\_\_\_\_\_. Of this amount, \$\_\_\_\_\_ may be used for administration provided such payments can be justified by records sufficient to satisfy an audit of this expense.

The Department shall not be liable to Contractor for costs incurred or performances rendered unless such costs and performances are strictly in accordance with the terms of this Contract, including but not limited to the terms governing the Contractor's promised performance.

The Department shall not be liable for any costs incurred or performances rendered by Contractor in the performance of this Contract which have not been billed to the Department within sixty (60) days following the termination of this Contract.

### IV.

The Contractor agrees to make payments to eligible households directly to the energy vendor servicing the household provided such vendor is approved by the Department. If the vendor is a non-participant or refuses payment or where the household pays for utilities as part of their rent, they may be provided a direct payment. Payments must be made in such a manner as to allow for confirmation that such payment amount was credited to the proper account.

### V.

The Contractor must allow the Department and all appropriate federal and state agencies or their representatives to inspect, monitor, or evaluate client records, books, and supporting documents pertaining to services provided. The Contractor must make these documents available at reasonable times and for reasonable periods. In addition, each Contractor receiving grant funds must send the Contract Manager a copy of the Contractor's annual audit or notify the Contract Manager in writing that the audit is available for review.

The Contractor must keep financial and supporting documents, statistical records, and any other records pertinent to the services for which a claim or cost report was submitted to the Department or its agent. The records and documents must be kept a minimum of three years and ninety (90) days after the end of the Contract period. If any litigation, claim, or audit involving these records begins before the three-year period expires, the

provider must keep the records and documents for not less than three years and ninety (90) days or until all litigation, claims or audit findings are resolved.

The Contract shall be liable to the Department for any amount paid for which the Department determines that it was not liable to the Contractor under this Contract. The Contractor shall promptly repay to the Department the amount of such erroneous or excess payments.

#### VI.

The Contractor shall submit a State of Texas Purchase Voucher and the reports provided for in this Contract to the Department. Payment vouchers may be submitted as frequently as desired by the Contractor but no more frequently than once per week. Any claims not submitted by November 30, 1989 will not be considered for payment.

After receipt of the Contractor's properly completed voucher and reports, the Department shall pay, to the Contractor an amount equal to the legitimate departmental liabilities accrued and unpaid hereunder. It is expressly understood and agreed that payment vouchers submitted to the Department may be adjusted to correct errors. If such corrections are made, the Department will notify the Contractor.

Notwithstanding the provisions of the above paragraph, it is expressly understood that if the Contractor fails to submit to the Department, in a timely and satisfactory manner, any report required by this Contract, the Department may, at its sole option and in its sole discretion, withhold any or all payments otherwise due and owing Contractor hereunder. If the Department withholds such payments, it shall notify the Contractor in writing to its decision and the reasons therefor. Payments withheld pursuant to this paragraph may be held by the Department until such time as the delinquent obligations for which funds are withheld are fulfilled by the Contractor.

#### VII.

The Contractor agrees to comply with the Civil Rights Act of 1964, as amended, in giving equal opportunity without regard to race, color, creed, sex or national origin. The Contractor further agrees not to discriminate against any qualified handicapped person seeking employment or services.

This Contract is subject to the availability of state and/or federal funds. If such funds become unavailable, this agreement will be terminated. In that event, the parties shall be discharged from further obligations, subject to the equitable settlement of the respective interest accrued up to the date of termination.

#13

For the faithful performance of the terms of this agreement,  
the parties hereto execute this agreement this \_\_\_\_\_ day of  
\_\_\_\_\_, 1989.

## HEAT STRESS RELIEF PROGRAM

PURPOSE:

To assist low-income households having a medical need for cooling in paying for the high cost of electric service by providing a one-time payment to the electric vendor during the summer months.

FUNDING:

Benefit dollars are provided by the Federal government through the Low Income Home Energy Assistance block grant.

ELIGIBILITY REQUIREMENTS

(a) The household's income is its income before any deductions. To meet the income requirement for energy assistance, a household's income may not exceed 120 percent of the federal poverty income.

(b) The resource limits for energy eligibility are:

(1) \$3,000 for a household consisting of at least one person who is 60 years old or older, or

(2) \$2,000 for all other households.

(c) The head of the household and the applicant (if different) must provide proof of identity, if requested.

(d) To qualify for Heat Stress Relief benefits, members of the household must:

(1) Be a U.S. citizen or an alien lawfully admitted for permanent residence, or otherwise legal and permanent residents of the U.S.; and

(2) Reside in Texas.

(e) For the Heat Stress Relief Program, a person in the household must have a medical condition, as certified by a physician or a registered nurse, that increases the person's risk of developing a heat-related illness.

VULNERABILITY

(a) To qualify for energy assistance, the household must be vulnerable to increases in the cost of home energy. The term "home energy" means a source of cooling in residential dwellings. Households which reside in privately owned rental housing meet the requirement even if all or part of the cooling cost is included in their rent payment.

(b) Residents of government subsidized housing meet the requirement even if all or part of the cost of utilities is included in their rent payment or if they receive assistance in paying their utilities from the Department of Housing and Urban Development (HUD).

#### RIGHTS AND RESPONSIBILITIES OF HOUSEHOLDS

(a) Households applying for and receiving this assistance have the following rights and responsibilities:

(1) To complete an application and return it to the local TDHS contractor within the time limit specified on the application, and have the right to be given assistance in completing an application, having a personal interview, or getting required verification. For the elderly and handicapped who cannot otherwise obtain and complete applications, this includes home visits or assistance by telephone, if requested.

(2) To provide information necessary to establish eligibility if the household has access to the requested information.

(3) To provide the names of their electric supplier, as appropriate. Failure to comply will result in denial.

(4) The right to confidentiality of information supplied to the contractor to establish eligibility for this program. The restriction on disclosing information is limited to individuals and their circumstances. General information which is not about or does not specifically identify an applicant or recipient is not confidential.

(5) The right to a prompt determination and notice of eligibility (within 30 days after filing a completed application).

(6) The right to courteous service.

(7) To return any money determined to have been paid to them erroneously. The contractor must notify the household of its rights to contest the determination. All persons who apply and are dissatisfied with an action or alleged inaction affecting their participation in the program may request a fair hearing within 90 days from the date of the action or alleged inaction. An informal review of the decision must be offered by the contractor of their service area within five days of the client's request for an appeal. If still dissatisfied, persons may pursue their request for a fair hearing from TDHS. The TDHS hearing officer sets a hearing date as soon as possible in accordance with the procedures in Sections 79.1101-79.1104 (326.79.12.002-.004) of this title (relating to Fair Hearings).

### SERVICES PROVIDED

(a) Contractors provide assistance in the form of a direct payment to the household, the energy supplier, or housing authority on behalf of eligible applicants. Eligible applicants may receive a one time benefit, up to a maximum of \$ 138.

(b) As funds allow, services are provided to eligible applicants on a first-come first-serve basis in their service area. Assistance is provided on behalf of eligible applicants in order of the date of eligibility determination. All eligible households may not receive services because of funding limitations.

(c) This federal program helps low-income households pay their cooling bills by making one payment in the summer. These payments may be made to the energy supplier or local housing authorities for certain households residing in housing projects.

### Energy Vendors

- Eligible households receive a benefit made payable to their electric supplier.
- The intent of the law is that benefits be applied toward an energy bill. Suppliers must apply the sum of the warrant to the household's obligation and either bill the recipient for the remaining balance or apply a credit for the coming month. For example, if a household's warrant is for \$50 and the bill is for \$75, the household is responsible for the difference. If the bill is less than the amount of the warrant, then a credit to the customer's account is in order.
- On final bills only, it is appropriate to refund to the household any credit accrued from a HSRP payment.

### ALLOCATION OF FUNDS

Contractors are allocated funds based on the number of low-income households within the service area. Service area is defined as the counties served by a single contractor (minimum of one county). Food stamp household data available as of the state fiscal year 1989 is used to determine the potential number of low-income households per county. Service area benefit allocations are determined by applying the percentage of the state food stamp population in each county against the funds available for distribution with a minimum of \$1,000 per county. A maximum of ten percent of the total benefit expenditures is allowed for contractors' administrative expenditures. Documentation will be required to justify that expenses were incurred equal to or greater than the ten percent administrative funds allowed each contractor. Contractors must submit a state purchase voucher for reimbursement of allowable expenditures. Funds remaining unencumbered on

September 30, 1989, revert to the state and are no longer available for distribution.

#### CONTRACTOR PARTICIPATION

To qualify as a provider of energy benefits, contractors must fulfill the following requirements:

(a) Inform the public and energy suppliers of available benefits and if applicable, of the lack of available funds. This must include, but is not limited to, providing benefit information targeting:

(1) The eligible population, including the elderly and handicapped;

(2) The media (TV, radio, newspapers);

(3) Civic and religious organizations;

(4) City and county governments; and

(5) Social services organizations, upon request.

(b) Provide staff to process applications in the service area and determine eligibility within 30 days. This includes providing assistance to applicants, by telephone or in person, to complete their applications.

(c) Determine household service needs within the maximum allowable benefit per program period.

(d) Send payments to the energy supplier on behalf of eligible applicants within the time frame required by the energy supplier. Payments to the energy supplier must be made within 30 days from notification of eligibility to the client.

(e) Notify applicants of their eligibility on ineligibility for benefits and provide the means for dissatisfied applicants to appeal the decision concerning this application, including notice of the decision and reason therefor, and of the right to appeal within 90 days of the date of notification. This process is to include an administrative review of the decision, which must be within five days after receipt of a request, and notice of the right to pursue the appeal to TDHS.

(f) Comply with fair hearings' decisions by TDHS if an applicant pursues the appeal to TDHS after the administrative review by the contractor.

(g) Maintain client records and submit financial, client, and statistical reports as required by TDHS/HHS.

(h) Protect confidential client information as required by federal regulations and state law.

(i) Be fiscally liable for contractor error.

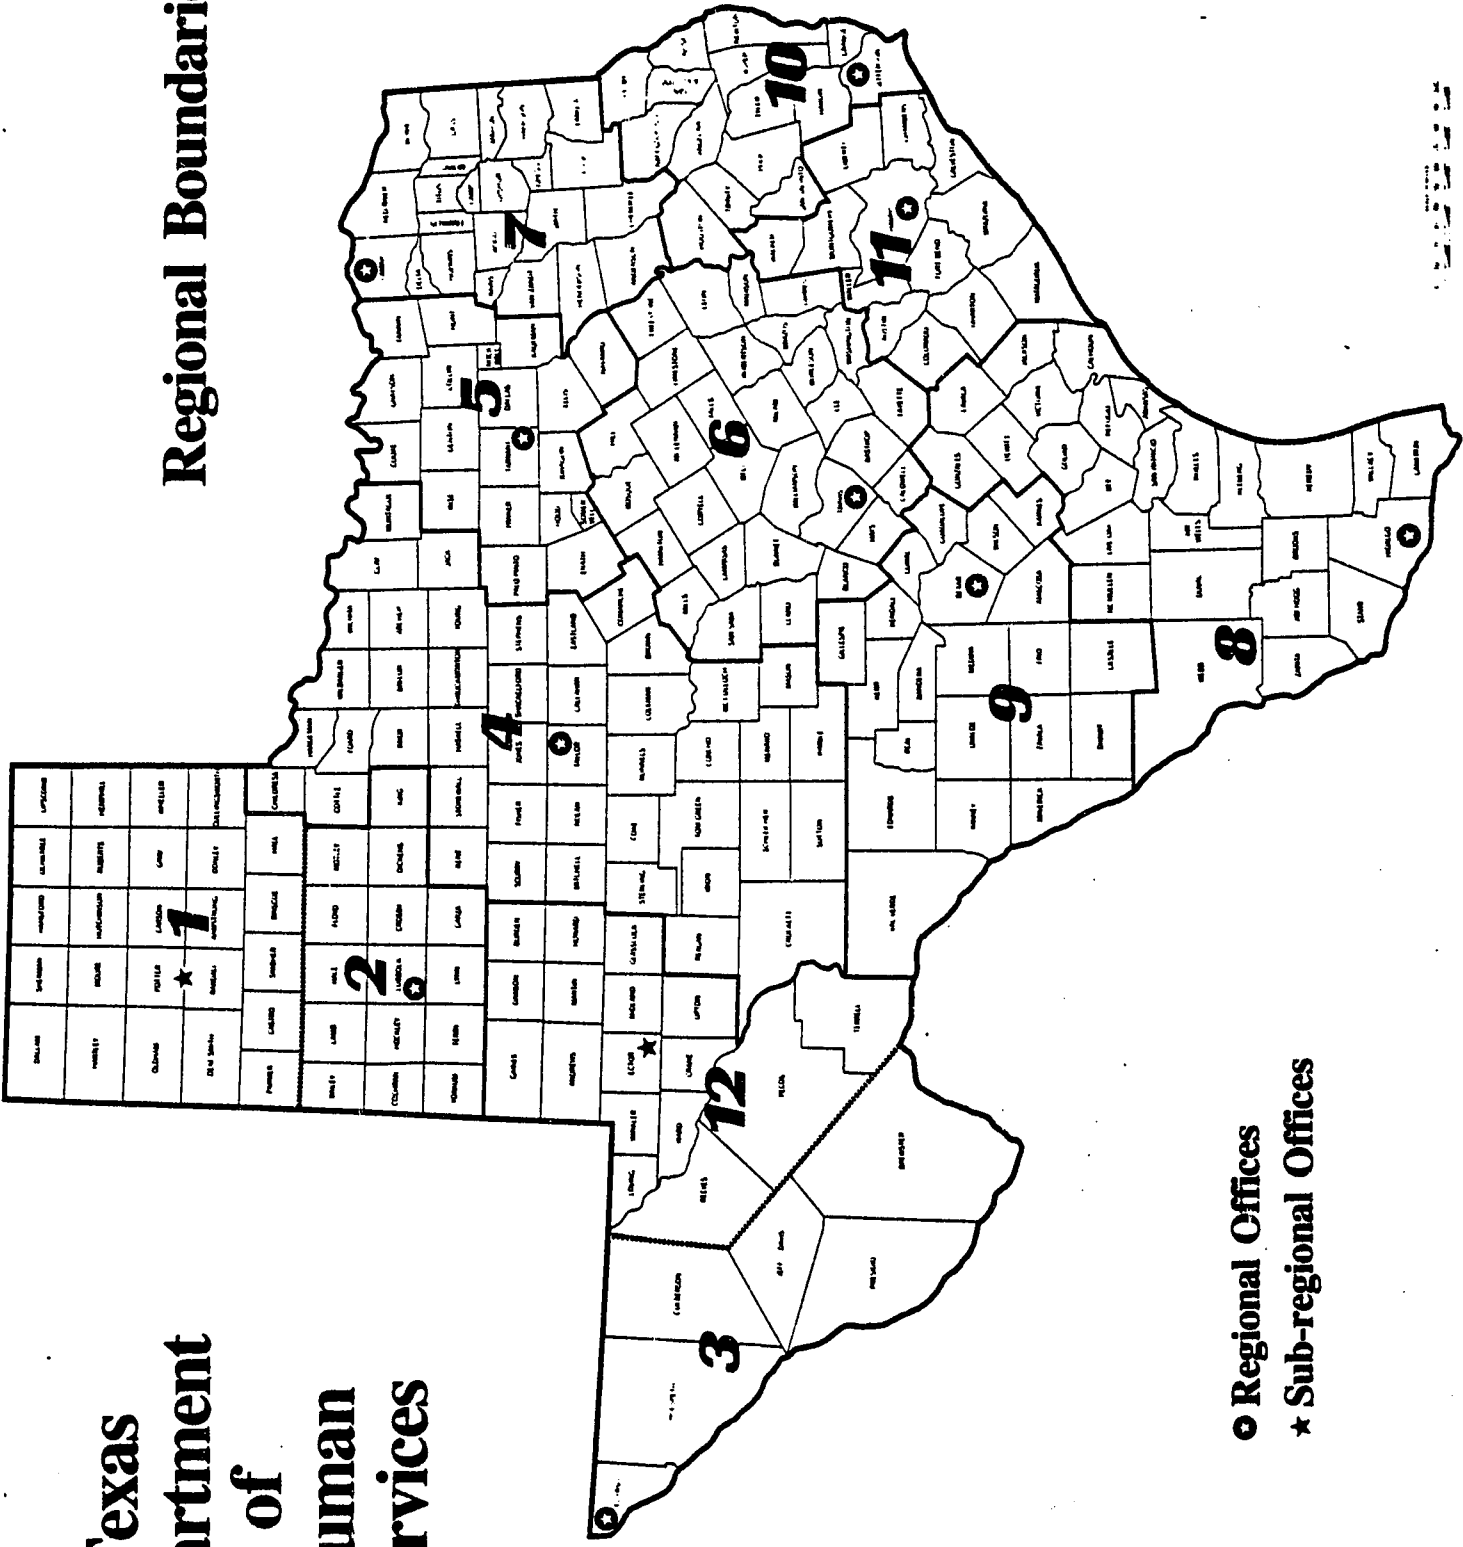

(j) comply with all provisions of the signed contract for the program year.

MEMORANDUM

TO: County Judge Jodie Stavinoha  
Commissioner R. L. "Bud" O'Shieles  
Commissioner Ben Denham  
Commissioner Alton Pressley  
Commissioner Bob Lutts

FROM: Marsha P. Gaines, Tax Assessor/Collector

DATE: June 1, 1989

REFERENCE: Request for additional personnel for Richmond office.

I did not ask for more people last year because we were to be up and running with the automobile computer system.

If we get up and running with the computer system this year we still have to test the system. These two employees are needed to help test the system and input transactions from ten dealers, eight grocery stores and the Needville office. The Needville office does all the mail, and the input will be significant.

I anticipated last year the system would free up one and half clerks in the Richmond Office. For 1989 that is impossible. Total number of counter clerks in the automobile department are ten.

	<u>Number of Stickers and Titles</u>	<u>Number of Transactions per clerk/hour</u>
1985	158,699	7.63
1986	157,754	7.58
1987	160,639	7.72
1988	169,522	8.15
1989	60,854 (4 months)	8.78

Other transactions include answering questions on the telephone, researching problems for customers which may include calling the regional office, calculating sales tax, prorating license payments. These clerks also sell boat and motor licenses for the Parks and Wildlife Department. All bank transactions are handled by these clerks, and all used car deals. Used car transactions for 1989 are up 21%.

14(2)

I am now utilizing part time people to the maximum, and am not able to put part time people in these positions because it takes at least three months to train a person to know the hundreds of forms, hundreds of laws, and the more than twenty different license plates.

Last year the automobile department brought in total dollars of \$15,674,005 and \$1,027,565 in Road and Bridge fees. Commissions paid the county \$842,560 and Road and Bridge \$1,007,238. These fees, disbursed to the county from the state, almost fund my budget. Last year's budget was \$958,943 and I returned \$30,000. Commissions as stated were \$842,560. This does not include the \$350,000 or the five dollar Road and Bridge also in 1988. I made extra \$80,000 on investments and this year to date \$180,000. This interest is not listed as projected revenues.

For the two additional people for the remainder of the year I will need \$18,345. This amount does not include withholding, social security or hospitalization. I will not need additional equipment or furniture.

Thank you for your consideration. Please let me know if you need any additional information. I would like to put this on the agenda as soon as possible, as we are behind on all the reports that need to go to the state, and want to stay out of a penalty and interest situation.

When you are injured and unable to work because of an on-the-job injury, you must contact your departmental supervisor designated to accept workman's compensation reports during established business hours on Monday of every week that you are off work. At the time of contact you will make a full injury report to department management. The report should consist of the following information: status of recovery, probable time to return to work, and such other information that your department feels necessary to maintain records of your injury. Failure to comply with the county reporting procedure are grounds for dismissal. In addition your department has the right to contact you at home when you are off with a workman's compensation injury.

CHIMNEYSTONE "NO PARKING" SIGNS

Dear Mr. Lutts:

Last fall, the Chimneystone Homeowners Association contacted your office about installing "No Parking" signs in two areas of the community for safety reasons. We were requested to submit a petition requesting the Commissioners Court to install traffic control.

The requested petitions are attached with a total of 110 signatures from Chimneystone residents. The locations for the "No Parking" signs are shown on the map attached to the petition:

1. In front of the recreation area on Chimneystone Circle and
2. Adjacent to the soccer field on Sam Houston Drive.

Please let us know if there are any additional steps required on our part to have the signs installed. Thank you for your assistance and cooperation in this matter.

If you have any questions, please feel free to call.

Sincerely,

A handwritten signature in dark ink, appearing to read "Ralph A. Troiano", is written over a horizontal line.

Petition to Install No Parking Signs

AS PER ORIGINAL

We, the undersigned, are all residents of the Chimneystone subdivision in First Colony, an unincorporated area of Fort Bend County.

In order to improve the safety of our children, we request that "No Parking" signs be placed on Chimneystone Circle in front of our Recreation Area in the area shown on the attached map.

In order to eliminate congestion on one of our main entrances, we also request that "No Parking" signs be placed on Sam Houston Drive in the area shown on the attached map.

Each Member  
Commissioners Court  
Fort Bend County, Texas

Gentlemen,

When we bid the furniture for the Travis Annex, Business Furnishings Company was low bidder on five 144" long conference tables @ \$440.47 each. They later backed out and with the permission of Commissioners Court on March 27, 1989 we went to the next low bidder (Key Office Products @ \$456.18 each) and put Business Furnishing Company's performance bond checks (\$2,000.00) in the bank.

The tables are now in place and Business Furnishings has performed as required by the bid. We are now ready to return the balance of their money after deducting \$78.55 for the difference in what they bid and what we had to pay.

It is requested that the Court authorize the release of \$1921.45, performance bond balance, to Business Furnishings Company for Bid #88-55 and Bid #88-56.

Re: Mustang Park Funds

Dear Commissioner Denham:

In our continued effort to provide timely information to your office, we have depleted all billable hours on the Mustang Park project. This was due to community involvement in the design process.

Several meetings were held to allow community input on the Park's layout. These allowances caused our initial concept to change three times. They also wanted to select park equipment by size and colors, which meant extra down time to present these items. Finally, they solicited our opinions on how funds would be raised to buy park equipment. The grouping of these items is what caused the depletion of all design funds.

At this time, we are requesting additional funds to complete the final items listed below.

I. Construction Documents

- a. Site elevation and contour plan
- b. Site infrastructure, (i.e., drainage lift station, sewer)
- c. Architectural plans

- 1. Restroom facility plans elevation details
- 2. Pavilion plans elevation details
- 3. Equipment layout
- 4. Electrical
- 5. Mechanical, plumbing plans

Total \$4,000

II. Construction Management

- a. Ordering of equipment
- b. Monitoring of installation of equipment
- c. Final walk thru of project

\$ 500  
Total Additional Cost \$4,500

June 12, 1989

The Honorable District Judges and Commissioners' Court  
Fort Bend County, Texas 77469

We have examined the receipts and disbursements of the Fee Officers for Fort Bend County for the year ended December, 31, 1988. Our examination excluded tax collections of the Tax Collector which are separately examined and reported on for the tax fiscal years ending on June 30th.

Our examination included such tests of transactions and such other auditing procedures as we considered appropriate under the circumstances. In developing and evaluating the Fee Officers Accounting System, consideration is given to the adequacy of internal accounting controls. I believe that the internal controls surrounding the Fee Officers Accounting System adequately safeguard assets and provide reasonable but not absolute assurance of the proper recording and reporting of the relevant financial transactions.

The general accounting records were maintained by employees of this office, but our examination was conducted by staff members who did not participate in the original accounting work.

During our examination, nothing came to our attention that would cause us to believe that the accompanying financial statements do not present fairly, in all material respects, the financial transactions of the Fort Bend County Fee Officers for the year ending December 31, 1988.

If you approve this report, an order similar to the following should be entered in the minutes:

Upon motion by Commissioner \_\_\_\_\_, seconded by Commissioner \_\_\_\_\_, duly put and carried, it is order that the report of Robert N. Grayless, County Auditor, being the annual report of District, County and Precinct Fee Officers for the year ending December 31, 1988, with respect to receipts and disbursements of fees, which audit is made under Article 3192e of V.A.C.S., be approved and filed as required by law. The auditor is authorized by law to make settlements with the said Fee Officers with their reports and his audit.

FORT BEND COUNTY TREASURER  
KATHY HYNSON

7/3/89

TO: COUNTY JUDGE AND COMMISSIONERS' COURT

RE: ARBITRAGE AND FLOOD CONTROL BONDS

On 7/5/89 the County will receive 3.5 million dollars on the first phase of the Flood Control Bond issue. These proceeds fall under arbitrage rebate regulations. Arbitrage regulations limit the amount of interest a governmental entity can earn and keep on certain issues. The average rate for the issue is 7.311786% and the County is earning over 8% on investments at the present time. Using these rates the County will be earning 69 basis points on the investments more than allowed. These funds have to be reported and turned over to the Federal Government. At the present time I know nothing about these regulations other than that they are very complicated and tedious allowing only two one-hundredths of a percentage point error.

The funds that remain at First City are being taken care of by the escrow contract that the County approved. After the funds are delivered to the County no procedures have been established.

My questions are:

- 1). Does the County want to hire our CPA firm to come in and set-up a procedure for us and the County to handle the arbitrage?
- 2). Hire a Primary Governmental Bond Agent to handle our investments and the regulations pertaining to arbitrage?

Dear Mr. Darden,

The undersigned parties do hereby respectively ask that you construct a grade crossing at the intersection of Hwy 59 and Daily Road., between Rosenberg and Beasley. (Map enclosed)

Since we have no Frontage Road on our side of Hwy 59, the existing situation now requires a great deal of extra milage in order to get to our destination, by either going all the way to Beasley, or back towards Rosenberg to Stade Road.

This condition not only causes a great deal of inconvenience, but also could be a very important factor in any response time in the event of the need for fire or police protection.

Thank you for your attention to this matter

Respectfully,

Dear Commissioner Lutz,

The residents and users of Daily Road - off Hwy 59, between Beasley and Rosenberg, are asking the Highway Department to construct a Grade Crossing at the intersection of Hwy 59 and Daily Road.

The absence of a frontage Road off the freeway and not having a Grade crossing has created a bad situation that we feel needs correcting.

Although we feel that this is a Highway Department problem, we would like for you to be aware of this situation.

We would appreciate any help you might be able to give in supporting this request.

RE: Waiver of Penalty and Interest - North Brookshire LTD.  
1986 Tax Account .901-0014-00-000-0130  
Precinct #4

The breakdown of taxes due on the above referenced account is:

Base Tax	\$4,031.72
Penalty and Interest	1,653.00
Attorney Fees	<u>852.70</u>
Total Due	\$6,537.42

Mr. Don P. DeWalch, Managing Partner with North Brookshire LTD., is requesting waiver of penalty and interest due to the settlement of Cause No. 57,417; North Brookshire Limited vs. Fort Bend Central Appraisal District.

According to Section 42.08 paragraph b, "a property owner who appeals as provided by this chapter must pay the tax due on the amount of value of the property involved in the pending action that is not in dispute or the amount of tax paid on the property in the preceding year, whichever is greater, but not to exceed the amount of tax that would be due under the order from which the pending appeal was taken, before the delinquency date..."

North Brookshire LTD. did attempt to pay the 1986 property taxes under protest according to the above stated code. Documentation supporting the attempted payment is on file.

I recommend waiver of penalty and interest and attorney fees be granted due to the efforts of North Brookshire LTD. to follow the procedures outlined in the State Property Tax Code.

RE: Property Tax Refunds in excess of \$500

In addition to the auditor's approval for a taxing unit, section 31.11 of the Texas Property Tax Code requires the governing body of a taxing unit to also approve refunds in excess of \$500 for overpayment or erroneous payment of property taxes.

Before approving a property tax refund, my internal auditing department requires proper documentation from the Tax Office. This procedure is followed on a daily basis. With this documentation in hand, the following amount(s) has/have been approved for payment:

## AGENDA ITEM

TO: MEMBERS OF COMMISSIONERS COURT

FROM: RICHARD SELLEH, PERSONNEL DIRECTOR

DATE: JUNE 26, 1989

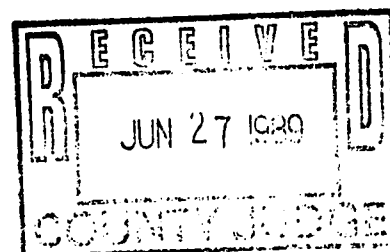

SUBJECT: REGULATIONS FOR ISSUING ENTRANCE CARDS FOR THE WILLIAM B. TRAVIS BUILDING,

Commissioners Court will be furnished the list of requested cards from each department. Upon approval of the requested cards by Commissioners Court the Personnel department will issue the cards and track the cards as long as they remain in use. Once issued to a department head it is his/her responsibility to keep up with the cards they have issued to them and report all changes in the card's status to the Personnel department. The Personnel department will not be responsible for seeking these changes within the department.

The Personnel department will be responsible for entering into the computer the names of the employees and reserve deputies issued entrance cards. As stated in the proceeding paragraph it is the responsibility of the department head to notify the Personnel department when they have a change of status with one of their issued cards. The Personnel department will be responsible to make status changes on previously issued cards when notified by department heads.

The Building Maintenance staff will be responsible for all other programming of the computer.

This will be presented to Commissioners Court on Monday, July 3, 1989.

SAFETY MANUAL

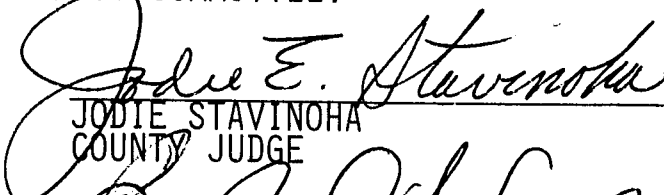

## STATEMENT OF POLICY

AS PER ORIGINAL

THE COUNTY JUDGE AND COUNTY COMMISSIONERS ARE CONCERNED WITH THE SAFETY OF EMPLOYEES AND THE PUBLIC. INJURIES CAUSE SUFFERING AND FINANCIAL LOSS TO EMPLOYEES, THEIR FAMILIES, AND THE PUBLIC, AND CAUSE A DRAIN ON THE COUNTY TAX DOLLARS WHICH ARE NEEDED TO PRODUCE ESSENTIAL SERVICES.

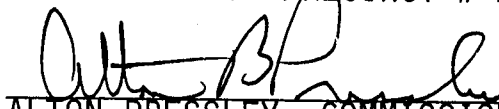

THE COMMISSIONERS' COURT WILL MAKE EVERY EFFORT TO REDUCE THE FREQUENCY OF INJURIES. AS A MINIMUM, THE COMMISSIONERS' COURT SUPPORTS COMPLIANCE WITH ALL SAFETY ORDINANCES, REGULATIONS AND LAWS.

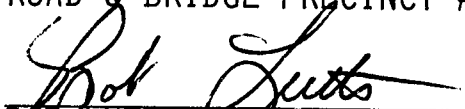

THE COMMISSIONERS' COURT WILL CREATE AND MONITOR A METHOD FOR ACCOMPLISHING THE OBJECTIVES OF THIS POLICY STATEMENT. THIS WILL NORMALLY BE DONE THROUGH THE EFFORTS OF THE FORT BEND COUNTY FIRE MARSHAL/SAFETY DIRECTOR AND THE SAFETY COMMITTEE.

INTRODUCTION

FORT BEND COUNTY IS SERIOUSLY ENGAGED IN AN ONGOING EFFORT TO CONTINUE PROVIDING A SAFE AND HEALTHFUL PLACE FOR THE EMPLOYMENT OF IT'S PERSONNEL. SAFETY MEETINGS, INVOLVING INPUT FROM DIFFERENT COUNTY DEPARTMENT REPRESENTATIVES, ARE HELD MONTHLY TO DISCUSS MEASURES FOR IMPROVING OVERALL JOB SAFETY. IN THESE MEETINGS, IDENTIFICATION OF WORKPLACE HAZARDS, CONTEMPORARY SOLUTIONS AND PREVENTION MEASURES RESULT FROM REVIEWING ACCIDENT DATA.

THE SAFETY PROGRAM HAS ONE MAJOR OBJECTIVE - ACCIDENT REDUCTION THROUGH EDUCATION AND PREVENTION. THIS IS AN OBJECTIVE ALL EMPLOYEES CAN PARTICIPATE IN. THE COUNTY SUPERVISORS' CONTRIBUTION TO THE PROGRAM'S OBJECTIVE WILL INCLUDE SETTING PROPER EXAMPLES OF SAFETY PROCEDURES. THEY MUST ENSURE DAILY COMPLIANCE TO SAFETY RULES AND APPROVED JOB PROCEDURES BY EACH COUNTY EMPLOYEE. CONVERSELY, COUNTY EMPLOYEES CAN CONTRIBUTE BY RECOGNIZING UNSAFE PRACTICES AND CORRECTING THEM.

FORT BEND COUNTY WILL MAINTAIN A SAFETY PROGRAM THAT IS FIRM, FAIR, AND CONSISTENT. RECOMMENDATIONS FOR THE IMPROVEMENT OF SAFETY CONDITIONS CAN BE MADE TO ANY ONE OF THE SAFETY COMMITTEE MEMBERS OR IN WRITING TO:

MR. GARY TILTON, FIRE MARSHAL/SAFETY DIRECTOR  
P.O. BOX 205  
RICHMOND, TEXAS 77469  
(713) 341-4429

THE PRACTICE OF SAFE WORK HABITS MAY HELP TO KEEP THE FOLLOWING PHRASES IN YOUR FUTURE VOCABULARY:

THREADING A FISHHOOK  
AN EVENING WALK  
WATCHING A SUNRISE  
HOLDING A CHILD  
A BREATH OF FRESH AIR

LET'S BE CAREFUL OUT THERE!

VII. EMPLOYEES:

ATTITUDE CAN PLAY AN IMPORTANT ROLE IN SAFETY. APPROACHING EACH JOB WITH A PLAN THAT INCORPORATES SAFETY CAN DO A GREAT DEAL TO PROTECT ONESELF FROM INJURY. LIKE DRIVING DEFENSIVELY, THE PRACTICE OF SAFE WORK HABITS CAN AFFECT THE PROTECTION OF PROPERTY AND MORE IMPORTANTLY, THE HEALTH AND WELL-BEING OF THE WORKER AND CO-WORKER. EACH FORT BEND COUNTY EMPLOYEE IS CHARGED WITH THE FOLLOWING RESPONSIBILITIES:

- A. EACH EMPLOYEE SHALL KNOW, OR SEEK INSTRUCTION ON HOW TO SAFELY PERFORM EACH DUTY. PLEASE "ASK FIRST"!!
- B. EACH EMPLOYEE SHALL REPORT ANY UNSAFE CONDITIONS OR PRACTICES TO THEIR IMMEDIATE SUPERVISOR.
- C. EACH EMPLOYEE SHALL OBSERVE ALL SAFETY RULES AND REGULATIONS:
  - 1. WEAR THE PERSONAL PROTECTIVE EQUIPMENT REQUIRED OF THEIR JOB OR OPERATION.
  - 2. USE TOOLS AND EQUIPMENT ONLY UPON AUTHORIZATION FROM THEIR SUPERVISOR.
- D. EACH EMPLOYEE SHALL WEAR AND USE ALL SAFETY EQUIPMENT REQUIRED BY THE JOB THEY HAVE BEEN ASSIGNED TO COMPLETE.
- E. EACH EMPLOYEE SHALL REPORT ANY INJURIES TO SUPERVISION AS SOON AS POSSIBLE.
- F. EACH EMPLOYEE SHOULD ALWAYS CONSIDER THEMSELVES TO BE TRAINABLE IN ALL NEWLY RECOGNIZED JOB PERFORMANCE TECHNIQUES.
- G. EACH EMPLOYEE SHOULD ACTIVELY PARTICIPATE OR COOPERATE IN THE OVERALL LOSS CONTROL PROGRAM.

FIRST AID

1. FIRST-AID MAY BE DEFINED AS: "THE IMMEDIATE AND TEMPORARY CARE GIVEN THE VICTIM OF AN ACCIDENT OR SUDDEN ILLNESS UNTIL THE SERVICES OF A DOCTOR CAN BE OBTAINED". OFTEN AN ACCIDENT VICTIM IS HURT, RATHER THAN HELPED, BY PERSONS WHO WANT TO DO SOMETHING BUT DO NOT KNOW HOW TO GIVE FIRST AID PROPERLY.
2. FOR JOBSITES WHERE MEDICAL FACILITIES ARE NOT READILY AVAILABLE IN TERMS OF TIME AND DISTANCE, A PERSON HAVING A VALID FIRST-AID CERTIFICATE SHOULD BE AVAILABLE AT ALL TIMES IN ORDER TO RENDER FIRST-AID. ALL SUPERVISION SHOULD BE FIRST-AID TRAINED.
3. FIRST-AID KITS SHALL CONSIST OF SUPPLIES THAT HAVE BEEN RECOMMENDED BY THE SAFETY DIRECTOR AND SHALL BE KEPT IN A WEATHERPROOF CONTAINER. THE CONTENTS SHALL BE CHECKED BY THE JOB FOREMAN BEFORE BEING SENT OUT TO THE JOB AND WEEKLY, THEREAFTER, IN ORDER TO INSURE THAT THE EXPENDED ITEMS ARE REPLACED.

ACCIDENT INVESTIGATION PROCEDURES

WHENEVER AN ACCIDENT OCCURS, AFTER THE VICTIM HAS BEEN GIVEN FIRST AID, RETURNED TO THE JOB, OR HAS BEEN TRANSPORTED FOR FURTHER MEDICAL INTERVENTION, THE FOREMAN OR SUPERVISOR SHALL GATHER ALL AVAILABLE INFORMATION THAT RELATES TO THE INCIDENT. THIS INFORMATION SHOULD BE INCLUSIVE OF:

1. WHAT HAPPENED?
2. HOW DID IT HAPPEN?
3. WHERE DID IT HAPPEN?
4. WHO SAW THE ACCIDENT?
5. WHAT CAN BE DONE TO PREVENT IT FROM HAPPENING AGAIN?

THE AFOREMENTIONED IS EXTREMELY IMPORTANT IN THE CONSTRUCTION OF THE "FIRST REPORT OF ACCIDENT" SUMMARY.

ALSO, OBTAIN INDIVIDUAL STATEMENTS FROM EVERYONE WHO WITNESSED THE INCIDENT. IF THE SEVERITY OF THE ACCIDENT WARRANTS, THE SAFETY DIRECTOR WILL ENSURE THAT THE "SUPERVISOR'S INVESTIGATION REPORT" IS FILLED OUT BY THE APPROPRIATE PERSONNEL SELECTED BY THE DEPARTMENT HEAD.

IT IS VERY IMPORTANT TO COLLECT ALL INFORMATION RELATIVE TO THE INCIDENT AS SOON AS POSSIBLE.

OPERATING PROCEDURES

I. INTRODUCTION

MANY SAFETY ORGANIZATIONS HAVE DEVELOPED AND PUBLISHED RULES AND PROCEDURES BASED ON THE EXPERIENCE OF OPERATIONS SIMILAR TO OURS. THE BASIC GUIDELINES ARE AS FOLLOWS:

- A. ALL OPERATING RULES SHOULD BE WRITTEN SINCE THEY POINT OUT, ITEM BY ITEM, THE STANDARD SAFETY WHICH A DEPARTMENT IS EXPECTED TO MAINTAIN AMONG THE EMPLOYEES. UNWRITTEN RULES LACK THE STAMP OF AUTHORITY AND IN MANY INSTANCES FAIL TO REACH THE EMPLOYEE;
- B. EVERY RULE SHOULD BE PRACTICAL FROM THE POINT OF VIEW OF THE INDIVIDUAL WHO IS BOUND BY IT.
- C. THE SUGGESTION BEING CONSIDERED SHOULD REFLECT AN UNSAFE OR DANGEROUS CONDITION.
- D. WHILE SAFETY RULES SHOULD BE LIMITED TO SAFETY MATTERS ONLY, THEY SHOULD BE INCORPORATED WITH FORT BEND COUNTY POLICY AND PROCEDURE MANUAL.
- E. EMPLOYEES SHOULD ASSIST IN DEVELOPING THE RULES. THE MOST EFFECTIVE SAFETY RULES ARE DEVELOPED IN CONFERENCE. EACH SUPERVISOR, WITH ASSISTANCE FROM ALL OF THE EMPLOYEES, SHOULD DEVELOP THEIR SAFE OPERATING RULES AND SUBMIT THEM TO THE SAFETY COMMITTEE FOR REVIEW AND ADOPTION.
- F. ALL SAFETY RULES INCLUDE A STATEMENT TO THE EFFECT THAT VIOLATORS WILL BE SUBJECT TO DISMISSAL OR DISCIPLINARY PROCEDURES.
- G. SAFETY RULES THAT WILL NOT BE ENFORCED, SHOULD NEVER BE ADOPTED.

FORT BEND COUNTY PLACES EMPHASIS ON SAFETY, AND URGES EMPLOYEE COMPLIANCE WITH SAFETY RULES. ONE METHOD OF DOING THIS IS TO MAKE A VIOLATOR OF THE COUNTY'S SAFETY RULES SUBJECT TO DISCIPLINARY ACTION AND REPEAT OFFENDERS SUBJECT TO TERMINATION.

## II. HOUSEKEEPING

- A. IN ORDER TO PREVENT AN ACCIDENT ON THE JOB, IT IS IMPERATIVE THAT GOOD HOUSEKEEPING BE MAINTAINED ON EACH JOB AT ALL TIMES. IN ORDER TO ACCOMPLISH THIS, THE JOB FOREMAN SHALL:
  - 1. POSITION MATERIALS AND EQUIPMENT ON THE JOBSITE SO THAT CLEAR AISLEWAYS, THROUGH WHICH MATERIALS AND WORKERS CAN MOVE, ARE MAINTAINED.
  - 2. ENSURE REGULAR CLEAN UP AND PROPER DISPOSAL OF JOB DEBRIS.

## III. VEHICLE SAFETY

- A. ANY PERSON OPERATING A FORT BEND COUNTY VEHICLE WILL BE RESPONSIBLE FOR THE SAFE, COURTEOUS OPERATION OF THAT VEHICLE.
- B. ANY PERSON OPERATING A FORT BEND COUNTY VEHICLE WILL BE RESPONSIBLE FOR THE OPERATION OF ALL CLEARANCE, DIRECTIONAL, OR RUNNING LIGHTS ON THE VEHICLE PLUS THE LIGHTING SYSTEM ON ANY PIECE OF EQUIPMENT THEY MAY BE TOWING.
- C. ANY PERSON OPERATING A FORT BEND COUNTY VEHICLE WILL BE RESPONSIBLE FOR ANY FINES OR PENALTIES LEVIED AGAINST THE VEHICLE WHILE HE/SHE IS THE OPERATOR. THE ONLY EXCEPTION BEING IF THE FINE IS A RESULT OF NEGLIGENCE ON THE PART OF FORT BEND COUNTY.

## IV. HEAVY EQUIPMENT OPERATION

- A. ONLY QUALIFIED EMPLOYEES SHALL BE ASSIGNED AS OPERATORS. PROPER REGARD FOR THE SAFETY OF JOB WORKERS AND THE PUBLIC SHALL BE SHOWN BY OPERATORS.
- B. ALL EQUIPMENT SHALL BE INSPECTED DAILY AND MAINTAINED IN GOOD WORKING ORDER.
- C. EQUIPMENT OPERATORS SHALL NOT PERMIT OILING OR GREASING, REFUELING, OR REPAIRS, UNTIL MOTORS ON THE VEHICLE HAVE STOPPED.
- D. NO WORK SHALL BE DONE ON ANY EQUIPMENT OR MACHINES FOR ANY PURPOSE UNTIL THE EQUIPMENT HAS BEEN SHUT DOWN, BRAKES SET, AND ALL BLADES, BUCKETS, ETC., HAVE BEEN EITHER LOWERED COMPLETELY TO THE GROUND OR PROPERLY BLOCKED.
- E. WORKERS SHALL NOT BE PERMITTED TO RIDE ON EQUIPMENT UNLESS IT IS EQUIPPED WITH SEATS AND HANDHOLDS FOR SUCH TRANSPORT.

- #9
- F. WORKERS SHALL NOT RIDE BOOM LINES, CRANE HOOKS, HEADACHE BALLS, LOADER BUCKETS, ETC.
  - G. IF THERE IS ANY QUESTION AS TO VISIBILITY, OR WHEN WORKING CLOSE TO PEOPLE ON THE GROUND, THE OPERATOR SHALL GET A SIGNAL FROM A SWAMPER OR THE FOREMAN BEFORE MOVING HIS EQUIPMENT.
  - H. SLEEPING UNDER EQUIPMENT DURING LUNCH SHALL NOT BE ALLOWED.
  - I. ALL BLADES AND BOOMS SHALL BE LOWERED WHEN NOT IN USE.
  - J. ALL BI-DIRECTIONAL EQUIPMENT, SUCH AS DOZERS, ROLLERS, COMPACTORS, FRONT-END LOADERS, ETC., SHALL BE EQUIPPED WITH AN AUDIBLE BACKUP ALARM. THE ALARM SHALL BE MAINTAINED IN GOOD CONDITION AND SHALL NOT BE DISCONNECTED.
  - K. ALL EQUIPMENT SHALL BE DRIVEN OFF OF ROADS AND HIGHWAYS AT NIGHT. WHERE ANY PORTION OF ANY MACHINE PROJECTS INTO THE ROAD, IT SHALL BE MARKED BY RED LIGHTS OR FLARES.

#### V. LADDERS

- A. LADDERS WITH BROKEN OR MISSING RUNGS, OR STEPS, BROKEN OR SPLIT SIDE RAILS, OR OTHER DEFECTS SHALL NOT BE USED. IF A LADDER CANNOT BE REPAIRED, IT SHALL BE TAKEN OUT OF SERVICE AND DESTROYED.
- B. METAL LADDERS SHALL NOT BE USED NEAR ENERGIZED ELECTRICAL CONDUCTORS AND EQUIPMENT.
- C. STRAIGHT LADDERS SHALL BE USED IN ACCORDANCE TO THE "ONE TO FOUR" RULE, THIS MEANS THAT FOR EVERY FOUR FEET OF VERTICAL INCLINE, THE BOTTOM OF THE LADDER SHOULD BE SET OUT ONE FOOT AT THE BOTTOM.
- D. STRAIGHT LADDERS SHALL BE TIED OFF AT THE TOP AND/OR BLOCKED AT THE BOTTOM TO PREVENT UNEXPECTED MOVEMENT.
- E. STEP LADDERS SHALL NOT BE USED FOLDED UP AS A STEP LADDER.
- F. LADDERS SHALL NOT BE USED IN A HORIZONTAL POSITION AS PLATFORMS, RUNWAYS, OR SCAFFOLDS.
- G. STRAIGHT LADDERS SHALL EXTEND A MINIMUM OF 36" ABOVE THE LANDING AREA.
- H. ALL LADDERS SHALL BE MAINTAINED IN GOOD CONDITION AND INSPECTED FREQUENTLY.

## I. JOB MADE LADDERS:

1. ANY LUMBER USED TO CONSTRUCT A LADDER SHOULD BE FREE OF KNOTS, CRACKS, AND CHECKS OR OTHER DEFECTS.
2. FOR SIDERAILS FOR LADDERS UP TO SIXTEEN FEET IN LENGTH, 2 X 4 'S MAY BE USED. ANY LADDER CONSTRUCTED OVER SIXTEEN FEET MUST HAVE SIDERAILS CONSTRUCTED OF AT LEAST 3 X 6 LUMBER. THE RUNGS MUST BE INSET INTO THE SIDERAILS 1/2 INCH OR FILLER BLOCKS MUST BE USED BETWEEN RUNGS.

## J. GANG LADDERS (DOUBLE RUNG LADDERS)

A GANG LADDER SHALL BE USED IF IT PROVIDES THE ONLY ACCESS OR EXIT FROM A WORKING AREA FOR 25 OR MORE WORKERS. JOB MADE GANG LADDERS SHALL:

1. NOT EXCEED 24' IN LENGTH.
2. HAVE 2 X 4 SIDERAILS FOR LADDERS UP TO 16' LONG AND 2 X 6 SIDERAILS FOR LADDERS BETWEEN 12' AND 24' IN LENGTH. RUNGS SHALL BE ATTACHED THE SAME AS A JOB MADE LADDER.

## VI. TOOLS

## A. HAND TOOLS:

1. HANDLES ON SLEDGE HAMMERS, MAULS, AXES AND BRUSH KNIVES SHALL NOT BE LOOSE OR BROKEN.
2. CHISELS, PUNCHES, DRIFT PINS, WEDGES, ETC., SHALL NOT HAVE "MUSHROOMED" HEADS.
3. ALL HAND TOOLS SHALL BE KEPT CLEAN, OILED, SHARP OR PROPERLY DRESSED.

## B. ELECTRICAL TOOLS:

1. ALL PORTABLE CIRCULAR SAWS, TABLE SAWS AND RADIAL ARM SAWS SHALL BE EQUIPPED WITH BLADE GUARDS. THE GUARDS SHALL BE PROPERLY ADJUSTED AND USED.
2. ELECTRICALLY OPERATED TOOLS SHALL BE OF THE APPROVED DOUBLE INSULATED TYPE OR EQUIPPED WITH THREE PRONGED PLUGS, OR GROUNDED.

## C. POWDER ACTUATED TOOLS:

1. POWDER ACTUATED TOOLS SHALL ONLY BE OPERATED BY THOSE EMPLOYEES THAT HAVE BEEN TRAINED IN THEIR SAFE USE.
2. IMPACT-RESISTANT PROTECTIVE EYEWEAR SHALL BE WORN AT ALL TIMES WHILE USING POWDER ACTUATED TOOLS.

3. ALL POWDER ACTUATED TOOLS USED ON JOBS SHALL BE EQUIPPED WITH A SAFETY DEVICE WHICH PREVENTS THE ACCIDENTAL DISCHARGE OF THE TOOL.
4. BEFORE USING THE TOOL, THE OPERATOR SHALL ALWAYS CHECK BEHIND PARTITIONS TO SEE IF ANYONE IS ON THE OTHER SIDE.

## VII. WELDING AND CUTTING

- A. THE APPROPRIATE TYPE OF EYEWEAR SHALL BE WORN BY WELDERS AND THEIR HELPERS WHILE WELDING OR CUTTING. (SEE PERSONAL PROTECTION SECTION.)
- B. WELDING SHIELDS AND HAND SHIELDS SHALL BE CHECKED PERIODICALLY FOR ANY LIGHT LEAKS, OPENINGS OR HIGHLY REFLECTIVE SURFACES.
- C. THE WELDING MACHINE AND THE MATERIAL SHALL BE CHECKED TO BE SURE THAT THEY SHARE A COMMON GROUND. THE LINES FROM THE MACHINE SHOULD BE CHECKED FOR CUTS, ABRASIONS OR BREAKS TO PREVENT PRE-MATURE GROUNDING. THE MAIN POWER SWITCH SHALL BE TURNED OFF BEFORE HOOKING UP OR DISCONNECTING.
- D. WHENEVER POSSIBLE, ITEMS TO BE WELDED, CUT OR HEATED SHALL BE MOVED AWAY FROM COMBUSTIBLES OR FLAMMABLE MATERIAL.
- E. RESPIRATORS SHALL BE WORN WHEN WELDING ON GALVANIZED STEEL.
- F. UNATTACHED ELECTRODE HOLDERS SHALL BE PLACED IN AN AREA WHERE THEY WILL NOT MAKE ELECTRICAL CONTACT. THE ELECTRODE SHOULD ALSO BE REMOVED.
- G. COMPRESSED GAS CYLINDERS SHALL BE SECURED IN AN UPRIGHT POSITION AT ALL TIMES, EXCEPT, IF NECESSARY, FOR SHORT PERIODS OF TIME WHILE CYLINDERS ARE ACTUALLY BEING HOISTED OR CARRIED. A SUITABLE CYLINDER TRUCK, CHAIN OR OTHER STEADYING DEVICE, SHALL BE USED TO KEEP CYLINDERS FROM BEING KNOCKED OVER WHILE IN USE.
- H. VALVE PROTECTION CAPS SHALL BE IN PLACE AND SECURED WHEN THE CYLINDER IS NOT BEING USED.

VII. EYE AND FACE PROTECTION

- A. EMPLOYEES SHALL BE PROVIDED WITH EYE OR FACE PROTECTIVE EQUIPMENT WHENEVER MACHINES OR OPERATIONS EXPOSE THE EMPLOYEES TO POTENTIAL INJURY FROM PHYSICAL, CHEMICAL, OR RADIATION HAZARDS. EMPLOYEES WHOSE VISION REQUIRES THE USE OF CORRECTIVE LENSES IN SPECTACLES SHALL BE PROTECTED BY GOGGLES OR SPECTACLES OF ONE OF THE FOLLOWING TYPES:
1. SPECTACLES WHOSE PROTECTIVE LENSES PROVIDE OPTICAL CORRECTION.
  2. GOGGLES THAT CAN BE WORN OVER CORRECTIVE LENSES WITHOUT DISTURBING THE ADJUSTMENT OF THE SPECTACLES.
  3. GOGGLES THAT INCORPORATE LENSES MOUNTED BEHIND THE PROTECTIVE LENSES.
- B. THE GENERAL TYPES OF HAZARDS, INCLUDING THE TYPES OF EYE PROTECTION REQUIRED TO BE WORN, ARE AS FOLLOWS:
1. WHEN WELDING, A WELDING HELMET WITH A NUMBER 10 - 12 LENS MUST BE WORN. THE WELDER'S HELPER(S) MUST WEAR GREEN OR SMOKE COLORED SAFETY GLASSES WITH SIDESHIELDS.
  2. WHEN BURNING/CUTTING, OR HEATING, A PAIR OF BURNER'S GOGGLES WITH A NUMBER 3 OR 4 FILTER LENS MUST BE WORN.
  3. WHEN WORKING IN AREAS WHERE THERE ARE FLYING OBJECTS, IMPACT RESISTANT FULL FACE SHIELDS MUST BE WORN.
- C. EMPLOYEES SHALL BE PROVIDED WITH HAND PROTECTIVE EQUIPMENT WHENEVER MACHINES OR OPERATIONS EXPOSE THE EMPLOYEES TO POTENTIAL INJURY FROM PHYSICAL, CHEMICAL, OR RADIATION HAZARDS.

VIII. MANUAL HANDLING

- A. BEFORE HANDLING MATERIAL BY HAND, EVERY EFFORT WILL BE MADE TO SECURE MECHANICAL HANDLING EQUIPMENT TO DO THE TASK.
- B. IF THE OBJECT MUST BE LIFTED, THE FOLLOWING LIFT TECHNIQUE SHOULD BE USED:
1. FEET PARTED - ONE ALONGSIDE AND ONE BEHIND OBJECT

Mr. Alton B. Pressley  
County Commissioner, Precint 3  
Fort Bend County  
1809 Eldridge Rd.  
Sugar Land, Texas 77478

Dear Commissioner Pressley:

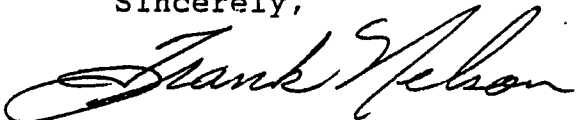

As you are well aware, the Bella Vista Subdivision has been striving for the past two years to obtain information and assurances necessary to present to the County Commissioners for the purpose of being accepted into the Fort Bend County road system. We are proud that all information requested has been turned over to the County Engineering Department.

We ask that you place on the agenda of the July 3 meeting our request that the roads of Bella Vista formally be accepted into the County's network of roads. The lengths of the roads are as follows:

Bella Vista Drive	2183.79'	
Caleta Circle	2344.77'	
Laguna Drive	846.10'	
Sendero Drive	943.11'	
	<hr/>	
	6317.77'	1.20 miles

Let me thank you for your consideration in this matter. Also let me especially thank Messrs. Ron Drachenberg and Glen Crocker for the many hours they spent working with us. Without their patience and dedication to the task at hand, we would never have come to this point.

Sincerely,

Frank Nelson

RE: Bella Vista Subdivision  
UGPL 30" Index 129,  
ROW Item #479, M.P. 132  
Fort Bend County, Texas

Gentlemen:

This letter is written to you at the request of the County Engineer, Mr. Ronald D. Drachenberg, P.E., R.P.S., regarding United Gas Pipe Line Company's 30" pipeline crossing through the referenced subdivision. United does not object to the roads (and maintenance thereof) in Bella Vista Subdivision being deeded over to Fort Bend County and would like, at this time, to clarify its position as follows:

- 1) Pipeline crossings of the existing roads are acceptable to United Gas and are in accordance with current Department of Transportation (D.O.T.) federal guidelines.
- 2) United Gas Pipe Line Company should be notified in the preliminary design phase of any improvements and/or modifications planned for these existing roads so that any potential conflicts can be mutually resolved.
- 3) Any improvements to the roads that will reduce the final grade of the pipeline to less than 18" of cover in the ditch or 36" of cover under the road, would probably require United to take additional measures to protect this pipeline. The topography of the ground in the areas occupied by the pipeline makes this type of an improvement highly unlikely.
- 4) Normal routine maintenance of these roads and ditches will not affect the operation of the pipeline. Notification to United prior to a job would assist in insuring safety to county workers or contractors.

This is in reference to our telephone conversation yesterday concerning your purchase order 9122-05717.

We will not be able to deliver this copier until July, 1989. The reason for this is because our production for May and June were completely sold prior to your order being entered.

We hope that this will not inconvenience you too greatly. Please call me if you have any further questions.

Thank you.

Sincerely,

**A. SCOPE:**

It is the intent of Fort Bend County to contract with one (1) vendor to provide janitorial service to the Courthouse Complex and other County buildings as specified herein.

**B. PERIOD OF CONTRACT:**

This contract shall be for the period 1 January 1989 thru 30 June 1989 renewable for one (1) year, thru 30 June 1990, if mutually agreeable by both parties. It may be cancelled by the County after three (3) letter of unsatisfactory service are sent to the Contractor. The Contractor must give 45 days written notice of cancellation to the County.

**C. PRE-BID CONFERENCE:**

A mandatory pre-bid conference and site visit will be conducted on Tuesday, December 6, 1988 at 10:00 AM. All bidders are required to attend. The pre-bid conference will be held in the Jane Long Courthouse Annex Basement, 500 Liberty, Richmond, Texas. Bidders who do not attend and/or who do not sign-in at the pre-bid conference will be disqualified. Bid packets will be issued ONLY at the pre-bid conference. Notice of this conference was in the Legal Notice, Invitation to Bidders, published in accordance with the statutes of the State of Texas.

**D. PAYMENT BY THE COUNTY:**

Payment by the County will be by check within 30 days after receipt of invoice; however, during the final month of the contract, payment will be prorated daily and the County will only pay for those days that satisfactory cleaning is accomplished (during that month a full inspection to determine satisfactory cleaning will be conducted daily by a Fort Bend County employee).

**E. NONAPPROPRIATION:**

In the event sufficient funds shall not be appropriated for the payment of this contract as required to be paid in the next occurring renewal term, and if Fort Bend County has no funds legally available for payment from other sources, then Fort Bend County may terminate this agreement at the end of its Fiscal Year and Fort Bend County shall not be obligated to make payments as provided for in this agreement beyond the end of that Fiscal Year. Fort Bend County agrees to deliver notice to vendor of such termination at least sixty (60) days prior to the end of the original term or the then current renewal term.

RE: Waiver of Penalty and Interest - North Brookshire LTD.  
1986 Tax Account .901-0014-00-000-0130  
~~Precedent #4~~

The breakdown of taxes due on the above referenced account is:

Base Tax	\$4,031.72
Penalty and Interest	1,653.00
Attorney Fees	852.70
Total Due	\$6,537.42

*4,684.72*

Mr. Don P. DeWalch, Managing Partner with North Brookshire LTD., is requesting waiver of penalty and interest due to the settlement of Cause No. 57,417; North Brookshire Limited vs. Fort Bend Central Appraisal District.

According to Section 42.08 paragraph b, "a property owner who appeals as provided by this chapter must pay the tax due on the amount of value of the property involved in the pending action that is not in dispute or the amount of tax paid on the property in the preceding year, whichever is greater, but not to exceed the amount of tax that would be due under the order from which the pending appeal was taken, before the delinquency date..."

North Brookshire LTD. did attempt to pay the 1986 property taxes under protest according to the above stated code. Documentation supporting the attempted payment is on file.

I recommend waiver of penalty and interest and attorney fees be granted due to the efforts of North Brookshire LTD. to follow the procedures outlined in the State Property Tax Code.

Gentlemen:

I would request the following item be included on the Commissioners' Court Agenda for Monday, July 3, 1989.

Reference the proposal for professional services pertaining to the projected Detention and Incarceration space requirements for Fort Bend County.

After evaluation of the proposal presented to Commissioners' Court, the Fort Bend County Sheriff Department recommends that the Commissioners Court inter into negotiations with the office of Pierce, Goodwin, Alexander and Linville.

Your favorable consideration of this request will be most appreciated.

Sincerely,

**PROPOSAL TO INSTALL  
GROUNDWATER MONITORING WELLS  
FORT BEND COUNTY LANDFILL  
PERMIT NO. 1554-A**

Dear Mr. Drachenberg:

We are pleased to submit a scope of work and cost estimate for installing 3 groundwater monitoring wells at North County Landfill. The scope of work is based on the requirements in the permit application and the TDH guidelines for well installation.

The approximate locations are shown on Figure 6-A of the application. MW-3 is located on the west side of the proposed expansion, MW-4 is on the north side of the expansion, and MW-6 is on the northeast side of the existing site. Each well must be placed in a spot which can be reached by truck, but which will not be in the way of any future construction for the perimeter berm and perimeter ditch. The well which may be the most difficult to place is MW-6. We will need your assistance on where to place the wells and also with any clearing and grading which may be required for drilling rig access.

Drilling will be performed by a licensed well driller under subcontract to McBride-Ratcliff. The well installation will be supervised by a McBride-Ratcliff geologist. All drilling procedures and materials will be in accordance with TDH guidelines. A 4-inch diameter core boring will be drilled first to define the soil profile and obtain soil samples. The hole will then be enlarged to 12-inch diameter for the well installation.

The concrete surface pads and protective steel pipes will be installed by a contractor under subcontract to McBride-Ratcliff. We are assuming that the as-built location and the as-built elevation of each well will be surveyed by the County.

After well installation, each well will be developed by evacuating the water using a stainless steel and teflon submersible pump. The wells will be developed until there is no evidence of drilling fluids in the evacuated water.

Our report to the TDH addressing the monitoring well installation will include the following items:

1. Well locations, measured from the site boundary lines.
2. Well elevations.
3. Logs of boring with laboratory test results of the transmissive soils.

Mr. Ronald Drachenberg  
July 7, 1989  
Page Two

4. As-built well log on standard TDH form, including depths and elevations of screen, filter, seal, and grout.
5. Discussion of well construction, installation, and development.

The estimated cost to install the six wells is given below. This cost assumes that all well locations will be accessible to a truck-mounted drilling rig and a concrete truck. The estimated costs will not be exceeded without your prior approval.

RE: Agenda item #12  
July 12, 1989

Currently, I have two plats which were "preliminarily" filed in my office since 1981, and I am now requesting the abandonment of these plats:

MEADOWLAKE VILLAGE RANCHETTES  
OAK HOLLOW

Both are located in Commissioner Pressley's precinct on FM 359.

The court needs to order a public hearing; notify the known landowners by certified mail and publish same in the newspaper. If it is agreeable to the court - the public hearing could be called for August 14, 1989 at 10:00 a.m.

Attached please find a letter from A.J. Noto regarding these plats. I appreciate any assistance you can provide to put to rest these two plats.  
(NOTE: In 1983 I had over 30 and these are the last 2)

Re: Plat Abandonment of Meadowlake Village Ranchettes & Oak Hollow

Dear Dianne:

I made a visual road-side inspection of the referenced tracts. As of June 19, 1989, there was no visible evidence that either tract had been subdivided on the ground. Also, there was no visible improvements (except for the Robert Finger home) to indicate that the lands had been subdivided.

In searching the Deed Records, I did not find any activity that would indicate sales of subdivided lots in either tract.

Owners of record are as follows:

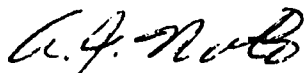

Meadowlake Village Ranchettes - R. E. Reamer, Trustee  
540 Bunkerhill  
Houston, TX  
(713) 464-9740

Oak Hollow - S. P. Finger  
4001 Gulf Freeway  
Houston, TX 77003  
(713) 227-6857

Should more title research become necessary, I would suggest an Abstract Company Title opinion.

Please feel free to call if you have any questions.

FORT BEND COUNTY  
RIGHT-OF-WAY EASEMENT

AS PER ORIGINAL

THE STATE OF TEXAS

COUNTY OF FORT BEND

KNOW ALL MEN BY THESE PRESENTS: That the undersigned, John V. Petrussek, of 6811 Foster School Rd., Needville, Texas whose address is as shown above (hereinafter called Grantor, whether one or more) for and in consideration of the benefits to be derived on account of and from the construction, operation and maintenance by FORT BEND COUNTY, of the drainage channel and system upon and through the land hereinafter described, the sufficiency of which is hereby acknowledge and confessed, has granted, bargained, sold, and conveyed, and by these presents hereby grants, bargains, sells and conveys unto the said FORT BEND COUNTY, of Fort Bend County, Texas, a right-of-way and easement for the purpose of constructing, maintaining, operating, repairing and re-constructing a drainage channel, including drains, ditches, laterals and levees, upon, over, through and across the land of Grantor along the route hereinafter designated, and said land being situated in FORT BEND COUNTY, TEXAS, to-wit:

The County shall have an easement of a aggregate width of 30 feet, being 15 feet extending at a right angles, on each side of the following line and course across said land, to wit:

Beginning at the intersection of Grantor's Southeasterly property line and the centerline of a Fairchild Creek Lateral (referred to by Fort Bend County Drainage District as ditch II-B-10-g-1) located in the H. Foerster Survey, Abstract 573, of Fort Bend County, Texas,

Thence upstream along the various meanders of the centerline of the Fairchild Creek Lateral (II-B-10-g-1) to intersect the Southwesterly boundary line of Grantor's tract, being the termination point of this easement.

During drainage channel construction and during channel maintenance operations, the District is authorized to spread spoil dirt and excavated material, operate machinery and do any necessary clearing upon the premises of Grantor immediately adjoining the easement as above described.

With the following exceptions; that if excavation or deepening of drainage channel deemed necessary; that it be limited to a maximum of three (3) feet in depth and six (6) feet in width; if however, anything deeper or wider be deemed necessary; that alternative route be used along Foster School Road and the Railroad property right of way.

FORT BEND COUNTY shall have all rights and benefits necessary or convenient for the full enjoyment or use of the rights herein granted, with the right of ingress and egress to and from said drainage channel right-of-way, provided, however, that after construction of said drainage channel, said right of ingress and egress of FORT BEND COUNTY shall be limited to the said right-of-way and to existing roads and passageways. FORT BEND COUNTY is given the right from time to time to cut and remove all trees, undergrowth, and abate other obstruction, upon said channel right-of-way, that may injure, endanger, or interfere with the construction, operation, maintenance and repair of said drainage channel.

FORT BEND COUNTY agrees during the life of this easement to repair all damage to roads, passageways and fences resulting from the County's use in going to and from said easement and right-of-way, and to restore the same to the previously existing condition as near as possible.

Grantor reserves the right to use the facilities offered by the drainage channel for the disposal of surface waters, rain, or any excess waters collecting upon his land, and in such connection Grantor has the right in the manner provided by law and at his own expense to construct and provide ditches, drains and laterals connecting his said land or portions thereof with the drainage channel.

Grantor reserves the oil, gas, sulphur and other minerals in and under the land covered by this easement, provided however, that during the life of this easement no mining or drilling operations shall be conducted upon the surface of the area included in the easement right-of-way above described.

It is agreed that if at a future time FORT BEND COUNTY, its successors or assigns, shall permanently cease to use said drainage channel right-of-way for the purposes herein contained, and shall permanently abandon same, then and in such event the said right-of-way above described, together with all rights and interest held by FORT BEND COUNTY by reason of this instrument, shall revert, pass to and vest in the said Grantor, his heirs or assigns.

TO HAVE AND TO HOLD said right-of-way and easement herein granted, unto the said FORT BEND COUNTY, its successors or assigns.

EXECUTED this the 9<sup>th</sup> day of September A.D. 19 87.

John V. Petrussek

STATE OF TEXAS, FORT BEND COUNTY

BEFORE ME, the undersigned, a Notary Public in and for said County and State, on this day personally appeared John V. Petrussek known to me to be the person(s) whose name(s) is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purposes and consideration therein expressed.

Honorable Jodie E. Stavinoha  
Commissioner R.L. "Bud" O'Shieles  
Commissioner Ben Denham

Commissioner Bob Lutts

Gentlemen:

I will be appearing before you on Monday, July 10, 1989 to recommend the acceptance of the low bid (89-064) for the build-out of the outdoor stage at the George Memorial Library in Richmond.

The low-bidder on this project is Front-of-House, Inc., at \$22,387.50. We have reviewed this bid together with our theater consultant and recommend it to you as a bona fide proposal that will allow us to complete the outdoor stage facility.

The bid amount, \$22,387.50, exceeds by \$3,431.35 the funds available in the Marjorie Bailey Donation Fund (\$18,956.15). It is possible for the library to budget \$1,000 out of the Building Repairs line item #7012 to lessen the shortfall but we will still need \$2,431.35 to fully fund the low bid.

In view of the great public use made of the stage/amphitheater, I would like to request that Commissioners Court grant the library the \$2,431.35 needed to complete this project.

Thank you for your consideration.

Sincerely,

Roman S. Bohachevsky

Minnesota Mining and Manufacturing Company (hereinafter referred to as "3M") with offices at 3M Center, 515-3N, St. Paul, Minnesota 55144, by its acceptance hereof, agrees to furnish to the herein-named Customer, who agrees to accept under the terms and conditions of this Agreement, maintenance service on the Equipment listed herein.

1. Term. This Agreement shall cover a one-year period beginning on the effective date listed below, and will be automatically renewed for successive one-year periods at the then current maintenance charge for the Equipment covered by this Agreement until terminated by either party as provided herein.

2. **Acceptance.** This Agreement shall become binding when it has been accepted by 3M's service manager or his designee, provided, however, that if there are any modifications to this Agreement, then this Agreement is not valid until it has been accepted in writing by the signature of an authorized representative of 3M at 3M Center, St. Paul, Minnesota. In such case, this is the sole and exclusive manner of acceptance. Any other promise or act, including a promise to perform maintenance service or the performance of any maintenance service, shall not constitute acceptance by 3M of this Agreement.

3. **Charges.** Customer agrees to pay the Basic Maintenance Charge listed herein for the maintenance service on the Equipment covered by this Agreement beginning on the effective date of this Agreement. The effective date of this Agreement will be the date designated herein or the day following the last day of the 3M Equipment Warranty Period of the applicable 3M purchase agreement, whichever is later. For equipment with metered usage, Customer also agrees to pay the Meter Charge listed herein for the Equipment usage in any period in excess of the Equipment usage included in the Basic Maintenance Charge. The Basic Maintenance and Meter Charges may be changed on an anniversary date of this Agreement.

Except for the applicable zone charge, there will be no additional charge for travel expense associated with the services performed during 3M's normal business hours, except that actual travel expense and 3M's applicable hourly rates and terms then in effect shall be charged in those instances where the site at which the Equipment is located is not accessible by private automobile.

In addition to the charges due under this Agreement, the Customer agrees to pay any tax now or hereafter imposed on or in connection with the sale, delivery, or furnishing of such services or materials described herein, exclusive of taxes based on net income.

4. **Additional Equipment.** Upon agreement of the Parties, additional Equipment may be added to this Agreement and eligible to receive maintenance service as described herein for the remaining term of this Agreement. Customer agrees to pay the pro rata portion of the Basic Maintenance Charge and the Meter charge (if applicable) that are current at the time the additional Equipment is added to this Agreement to receive maintenance service on this additional Equipment. Customer shall issue a purchase order or written request that references this Agreement, states the date on which maintenance service shall commence, and lists the type, model, and serial number of the additional Equipment to be covered by this Agreement.

5. **Maintenance Service.** 3M agrees to provide to the Customer during 3M's normal business hours, the maintenance service necessary to keep the Equipment in, or restore the Equipment to, good working order. This maintenance service includes scheduled preventive maintenance based upon the specific needs of individual Equipment, as determined by 3M; and unscheduled, on-call remedial maintenance. For each unscheduled service call requested by the Customer, 3M shall have a reasonable time within which to respond.

Maintenance will include lubrication, adjustments, and replacement of maintenance parts deemed necessary by 3M. Maintenance parts will be furnished on an exchange basis, and the replaced parts become the property of 3M. Maintenance service provided under this Agreement does not assure uninterrupted operation of the Equipment.

If available, maintenance service requested and performed outside 3M's normal business hours will be charged to the Customer at 3M's applicable time and material rates and terms then in effect, unless 3M and Customer have a written agreement providing for after hours maintenance service.

6. **Exclusions to Maintenance Service.** Maintenance service provided by 3M under this Agreement does not include:

(a) Repair of damage or increase in service time caused by failure of the Customer to provide continually a suitable installation environment with all facilities prescribed by 3M, including, but not limited to, the failure to provide, or the failure of adequate electrical power, air-conditioning, or humidity control.

(b) Repair of damage or increase in service time caused by accident; disaster, which shall include but not be limited to, fire, flood, water, wind, and lightning; transportation; neglect or misuse; failure of the Customer to follow 3M's published operating instructions; and unauthorized modifications or repair of Equipment by persons other than authorized representatives of 3M.

(c) Repair of damage or increase in service time caused by use of the Equipment for purposes other than for which designed.

(d) Replacement of parts which are consumed in normal Equipment operation, unless specifically included, and replacement of the following parts:

- Copiers: lamps, copy belts, or glass plates;
- Microfilm equipment: lamps, mirrors, screens, copyboards, glass flats, or sponge rollers;
- Overhead projectors: lamps or slats;
- Word processors: magnetic recording media, ribbons, font wheels and platters;
- Detection systems: carpets and cabinets;
- Printing & Reprographic Products: blue rollers, glass, and lens;

(e) Furnishing supplies or accessories, painting or refinishing the Equipment or furnishing the material thereof, inspecting altered Equipment, performing services connected with relocation of Equipment or adding or removing accessories, attachments or other devices.

(f) Repair of damage, replacement of parts (due to other than normal wear) or repetitive service calls caused by use of incompatible supplies.

(g) Electrical work external to the Equipment or maintenance of accessories, attachments, or other devices not furnished by 3M.

(h) Increase in service time caused by Customer denial of full and free access to the Equipment or denial of departure from Customer's site.

The foregoing items excluded from maintenance service, if performed by 3M, will be charged to the Customer at 3M's applicable time and material rates and terms then in effect.

7. **Service Warranty and Limitation of Liability.** 3M warrants to the Customer that the maintenance service, when performed, will be performed in accordance with the applicable 3M service manual and that 3M will endeavor to meet the foregoing warranty upon installation. If any failure to meet the foregoing warranty appears and written notice thereof is provided 3M within the term of this Agreement, 3M will contractually perform the services identified or replace the defective material or part provided. The foregoing service warranty constitutes Customer's sole and exclusive remedy. 3M shall not under any circumstances be liable for any special or consequential damages or economic loss, including but not limited to loss of profits, revenue, or loss of Equipment use, even if 3M has been advised of the possibility of such damages, or for any claim against Customer by any other party.

8. **Invoicing.** The Basic Maintenance Charge will be invoiced in advance. The Meter Charge (if applicable) or other maintenance charges will be invoiced periodically in arrears. The Basic Maintenance and Meter Charges for a partial month's service will be prorated on the basis of a thirty (30) day month. Payment will be made within the terms stated on the invoice.

9. **Access.** 3M shall have full and free access to the Equipment to provide maintenance service thereon, subject to the Customer's security regulations.

10. **Engineering Changes.** Engineering changes determined applicable by 3M will be controlled and installed by 3M on Equipment covered by this Agreement. Engineering changes which provide additional capabilities to the Equipment covered herein will be made at the Customer's request at 3M's applicable time and material rates and terms then in effect.

11. **Equipment Transfer.** Any transfer of Equipment covered by this Agreement to a person other than the Customer listed herein, or to a location outside of 3M's normal servicing area, will exclude such Equipment from the terms of this Agreement. Transfer of Equipment to a different zone within 3M's normal servicing area will result in an adjustment of charges to the applicable rate for the new zone.

12. **Indemnification.** Except as otherwise provided in paragraph 7, 3M agrees to indemnify and hold harmless Customer from and against any loss, cost, damage, claim, expense, or liability as a result of injury to or death of any person or damage to any personal property of Customer where such personal injury or damage arises out of or in connection with the sole negligence of 3M, its employees and agents in the performance of this Agreement, provided 3M receives prompt written notice of such personal injury or damage and provided further that 3M shall have the sole control of the defense of any such action and all negotiations for its settlement or compromise.

13. **Assignment.** This Agreement shall be binding on and inure to the benefit of, the parties to it and their respective heirs, legal representatives, successors, and assigns. 3M reserves the right to delegate its duties hereunder to one or more independent contractors.

14. **Termination.** This Agreement may be terminated effective at the end of the first year, or thereafter by either party without incurring any liability to the other party as a result of such termination, provided thirty (30) days advance written notice of termination is given to the other party. Notwithstanding the above, either party may terminate this Agreement for failure of the other to comply with any of its terms and conditions. Maintenance service performed by 3M after the termination of this Agreement shall be charged to the Customer at 3M's applicable time and material rates and terms then in effect.

15. **All Modifications To Be In Writing.** No variation or modification of this Agreement whether by Customer's purchase order or otherwise, and no waiver of any of the Agreement's provisions or conditions shall be binding unless in writing and signed by duly authorized agents of 3M and Customer.

16. **Waiver.** The waiver of any breach of or default under this Agreement by either party shall constitute a waiver only as to such particular breach or default and shall not constitute a waiver of any other breach or default. No claim or right arising out of a breach of this Agreement can be discharged in whole or in part by a waiver or renunciation of a claim or right unless the waiver or renunciation is in writing and signed by an officer of the aggrieved party.

17. **Force Majeure.** 3M shall not be responsible for failure to render service due to causes beyond its reasonable control.

18. **Notices.** Service of all notices under this Agreement shall be in writing and sent by first class mail, postage prepaid, and addressed to the last known address of the party to be served therewith. Notices sent by certified mail - return receipt requested - shall be presumed to have been received.

19. **Headings.** The subject headings of the paragraphs of this Agreement are included for the purpose of convenience only and shall not affect the construction or interpretation of any of its provisions.

20. **Governing Law.** This Agreement shall be construed in accordance with and governed by the laws of the State of Minnesota.

21. **Entire Agreement.** This Agreement supersedes and terminates any and all prior agreements, if any, whether written or oral, and all communications between the parties with respect to the subject matter of this Agreement. The Customer agrees that it has not relied on any representation, warranty, or provision not explicitly stated in this Agreement, that no oral statement has been made to it that in any way tends to waive any of the terms or conditions of this Agreement, and that this Agreement constitutes the final written expression of all terms of the Agreement, and it is a complete and exclusive statement of those terms. These terms and conditions shall prevail notwithstanding any additional or different terms and conditions of any purchase order or other document submitted by Customer in respect to the services to be provided hereunder.

## EQUIPMENT MAINTENANCE TERMS AND CONDITIONS

Minolta Business Systems, Inc., (hereinafter "MBS"), a subsidiary of Minolta Corporation, agrees to perform maintenance service with respect to equipment in accordance with the following terms and conditions.

MBS Marketing and field engineering representatives are not authorized to make any modifications to this instrument.

1. This order is subject to acceptance only by an authorized representative of MBS Systems. Notice of acceptance is hereby waived by Customer.
2. THE EQUIPMENT MUST BE IN GOOD CONDITION ON THE COMMENCEMENT DATE OF THIS AGREEMENT. MBS CHARGES FOR PARTS AND LABOR REQUIRED TO PLACE THE EQUIPMENT IN SUCH CONDITION UNLESS COVERED UNDER ANY APPLICABLE WARRANTIES. MBS WILL INVOICE THE CUSTOMER AND THIS WILL BE IN ADDITION TO THE PRICE SET FORTH ON THE REVERSE SIDE HEREOF.
3. Maintenance and other charges are those in effect at the time this agreement was accepted by MBS or on the date of each renewal. Equipment maintenance service during warranty period shall be provided at no charge to the customer.
4. Payment is due within thirty (30) days from the date of invoice. Should the customer fail to make any payment due hereunder, or be or become insolvent or be a party to or acquiesce in any bankruptcy or receivership proceeding or any similar action affecting the affairs or property of Customer, MBS may (i) refuse to continue to service the Equipment, or (ii) furnish service only on a time, travel and material basis, without prejudice to any other remedies MBS may have.
5. Customer agrees to pay attorney fees, court costs, disbursements and other reasonable expenses incurred in collecting any charges under this Agreement.
6. MBS shall, with respect to the Equipment described hereof, provide maintenance service to keep the Equipment in good operating condition, including replacement of parts which have been broken or worn through normal use. The maintenance service shall cover all Equipment supplied by MBS and installed by MBS at Customer's location including options and features. Maintenance services shall be provided hereunder only during MBS normal working hours, exclusive of MBS holidays. Normal Business hours are 8:30 am. to 5:00 pm. MBS may, at Customer's request, render maintenance service outside its normal working hours, subject to availability of personnel and at MBS established rates then in effect. All replaced parts will become the property of MBS.
7. The maintenance term shall be initially effective for a twelve (12) month period in addition to the ninety (90) day Warranty period of the effective date stated on the face hereof. Also for additional periods ("Renewal terms") until terminated as herein provided.
8. Under the items of this program, customers purchasing a Maintenance Agreement will be entitled to labor, transportation and replacement parts, excluding equipment enclosures, furniture, non-standard cables, batteries, rubber items, and supplies, including, but not limited to, pads, covers, ribbons, magnetic storage media, other consumable items.
9. This Agreement does not cover service necessitated by malfunctions of parts, attachments and/or software packages of non-Minolta manufacture or by use of operating supplies non compatible with the equipment.
10. This Agreement shall not apply to any equipment which ceases to be at the Customer location described on the reverse side hereof or is damaged through accident, abuse, misuse, theft, neglect, acts of third parties, fire, water, casualty or any other natural force.
11. Specification changes, alterations or attachments may require a change in the Agreement price set forth herein. Such changes shall become effective upon notice to Customer by MBS. MBS also reserves the right to terminate this Agreement by notice to Customer if MBS determines that such changes, alterations or attachments make it impractical for MBS to continue to service the equipment.
12. NEITHER PARTY SHALL HAVE ANY RIGHT TO CONSEQUENTIAL DAMAGES BY REASON OF ANY NONPERFORMANCE OF THIS AGREEMENT. MBS' LIABILITY IN CASE OF NONPERFORMANCE HEREUNDER SHALL NOT EXCEED THE AGREEMENT PRICE SPECIFIED ON THE REVERSE SIDE HEREOF.
13. The Agreement is not assignable or transferable by Customer without prior written consent of MBS.
14. Either party may terminate at any time by giving thirty days prior written notice to the other party. If the Agreement is cancelled, any unearned portion of any payment received hereunder by MBS shall be refunded to Customer. Notice to MBS shall be given to it at the service locations specified on the reverse side.

## RESOLUTION NO. \_\_\_\_\_

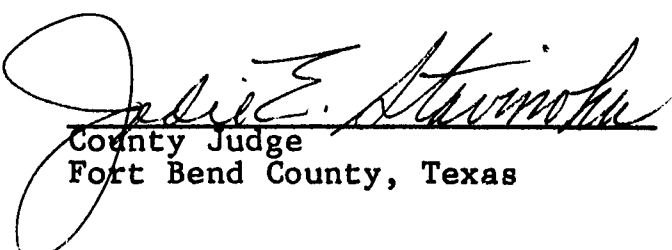

A RESOLUTION ADOPTING AN ORDER CALLING A SPECIAL ELECTION WITHIN THE BOUNDARIES OF THE STAFFORD MUNICIPAL SCHOOL DISTRICT ON THE PROPOSITION OF WHETHER OR NOT THE TERRITORY INCLUDED WITHIN SUCH DISTRICT SHOULD BE ANNEXED INTO THE HOUSTON COMMUNITY COLLEGE SYSTEM FOR JUNIOR COLLEGE PURPOSES ONLY; AND PROVIDING DETAILS RELATING TO SUCH ELECTION.

\* \* \* \* \*

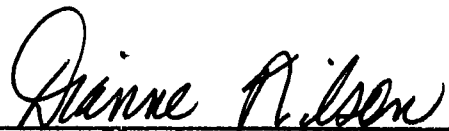

BE IT RESOLVED BY THE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

Section 1. That the Order calling a special election on the proposition of whether or not the territory included within the Stafford Municipal School District should be annexed to the Houston Community College System for junior college purposes only, a copy of which order is attached hereto and made a part hereof, is hereby in all things adopted.

PASSED, APPROVED AND RESOLVED this 17 day of July, 1989.

  
County Judge  
Fort Bend County, Texas

ATTEST:

  
County Clerk  
Fort Bend County, Texas

Notice of Special Election

To the Resident Qualified Voters of the Stafford Municipal School District:

Notice is hereby given that an election will be held in the Stafford Municipal School District on the 12th day of August, 1989, in accordance with the following Order of the Commissioner's Court of Fort Bend County, Texas:

ORDER

Whereas, the Commissioners Court of Fort Bend County, Texas, has been presented with a petition requesting that an election be held pursuant to Section 130.065, Texas Education Code, as amended, for the purpose of determining whether or not the territory included within the Stafford Municipal School District should be annexed to the Houston Community College System for junior college purposes only; and

Whereas, the proposed annexation of said territory for such purposes has been approved by the governing body of the Houston Community College System as evidenced by a certified copy of an Order of said governing body, a copy of which has been duly recorded in the records of this Court; now therefore

BE IT ORDERED BY THE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

Section 1. In accordance with Section 130.065, Texas Education Code, as amended, an election shall be held in the Stafford Municipal School District on August 12, 1989, at which election all resident qualified electors of the Stafford Municipal School District shall be entitled to vote on the proposition of whether or not the territory included within such District shall be annexed into the Houston Community College System for junior college purposes only.

Section 2. The present boundaries of the Stafford Municipal School District shall constitute one election precinct, the polls shall be open for voting from seven o'clock (7:00) a.m. until seven o'clock (7:00) p.m. at the following

polling place, and the following are hereby appointed officers to conduct the election at said polling place:

Polling Place

Stafford City Hall  
2610 South Main  
Stafford, Texas 77477

Election Officers

Ms. Roberta Carr Presiding Judge

Mrs. Bonnie Baiamonte Alternate Presiding Judge

The County Clerk is hereby authorized and directed to provide a copy of this Order to each judge as written notice of the appointment as required by Section 32.009, Texas Election Code.

The Presiding Judge shall have the authority to appoint not more than six (6) qualified voters as clerks to assist in the holding of said election.

Section 3. Pursuant to Section 83.003, Texas Election Code, Mrs. Mary Burger is hereby appointed clerk for absentee voting; appointments of deputy clerks for absentee voting shall be in accordance with Section 83.031 et seq, of the Texas Election Code and, pursuant to Section 85.002 of said Code, the

Stafford City Hall  
2610 South Main  
Stafford, Texas 77477

is hereby designated as the place for absentee voting for said

election. The hours for absentee voting shall be from eight o'clock (8:00) a.m. until five o'clock (5:00) p.m., on each day for absentee voting which is not a Saturday, a Sunday, or an official state holiday, beginning on the twentieth (20th) day and continuing through the fourth (4th) day preceding the date of said election. The above described place for absentee voting is also the absentee clerk's mailing address to which ballot applications and ballots voted by mail may be sent. The absentee voting clerk, in accordance with the provisions of the Texas Election Code, shall maintain a roster listing each person who votes absentee by personal appearance and each person to whom an absentee ballot to be voted by mail was sent. The roster shall be maintained in a form approved by the Secretary of State. Absentee voting shall be by paper ballot.

Ms. Roberta Carr is hereby appointed as Presiding Judge of the Absentee Ballot Board. In accordance with Section 87.001, et seq, Texas Election Code, said Presiding Judge shall appoint at least two (2) other members to said Board, and shall process absentee voting results in accordance with the Texas Election Code.

Section 4. At said election the following PROPOSITION shall be submitted in accordance with law:

PROPOSITION

SHALL THE TERRITORY WITHIN THE STAFFORD MUNICIPAL SCHOOL DISTRICT BE ANNEXED TO THE HOUSTON COMMUNITY COLLEGE SYSTEM FOR JUNIOR COLLEGE PURPOSES ONLY?

Section 5. Paper ballots shall be used for voting on election day. The official ballots for the election shall be

prepared in accordance with the Texas Election Code so as to permit electors to vote "FOR" or "AGAINST" the foregoing proposition, which shall be set forth on all official ballots in substantially the following form:

OFFICIAL BALLOT

PROPOSITION

[	]	FOR	§ The Annexation Of Territory In The Stafford Municipal School District To The Houston Community College System For Junior College Purposes Only.
[	]	AGAINST	

Each elector shall vote on the PROPOSITION by placing an "X" or other clear mark in the square beside the statement indicating the way such elector wishes to vote on the PROPOSITION.

Section 6. Notice of the election shall be given in accordance with the provisions of the Texas Election Code and Section 130.065 of the Texas Education Code, and returns of such notice shall be made as provided in said Codes. The County Judge shall issue all necessary orders and writs for such election, and returns of such election shall be made to the County Clerk immediately after the closing of the polls.

Section 7. All expenditures necessary for the conduct of the election and the purchase of materials therefor is hereby authorized. Compensation of all election officials is hereby established at the maximum amounts permitted under Section 32.091 et seq, Texas Election Code.

Section 8. The County Clerk is hereby authorized and directed to furnish all necessary election supplies to conduct

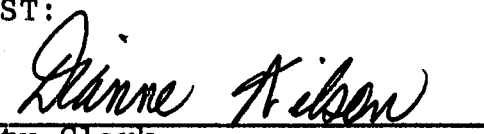

such election.

Section 9. This election shall be held in accordance with the Texas Election Code and the Federal Voting Rights Act of 1965, as amended.

Passed, Approved and Ordered this 17 day of July, 1989.

TO THE CITIZENS OF STAFFORD:

At its special Council meeting on November 8, 1988, City Council voted unanimously to support the circulation of a petition for an election in Stafford to include Stafford in the Houston Community College District. As a part of this motion, City Council authorized me to inform you that due to certain legal matters surrounding the separation of the HCC Board of Trustees from the Houston ISD Board of Trustees, there is no certainty as to if and when an election will be called, and if called and successful, the approval of the U. S. Justice Department. City Council further authorized me to inform you that City Council is exploring other potential options for community college services and facilities, including joining Wharton County Junior College, joining another community college district, or having a maintenance tax on Stafford taxpayers imposed and controlled by the Stafford MSD Board of Trustees.

City Council will keep you informed through its meetings of developments in the above-mentioned areas. Your consideration and support is appreciated.

Very truly yours,

THE HOUSTON COMMUNITY COLLEGE DISTRICT

AS PER ORIGINAL

TO THE HONORABLE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

WHEREAS, the undersigned petitioners are property taxpaying electors residing in the territory described in Exhibit "A" attached hereto and made a part hereof; and

WHEREAS, the territory described in Exhibit "A" hereto is the territory comprising the Stafford Municipal School District; and

WHEREAS, the territory described in Exhibit "A" hereto is adjacent to the corporate boundaries of the Houston Community College District; and

WHEREAS, the undersigned are desirous of having the territory described in Exhibit "A" hereto annexed to the Houston Community College District for junior college purposes only; and

WHEREAS, attached hereto as Exhibit "B" is a certified copy of an order of the governing body of the Houston Community College District, granting its approval to the annexation proposed hereby, and Exhibit "B" being made a part hereof for all purposes; now therefore

We the undersigned, pursuant to and in accordance with Section 130.065, Texas Education Code, as amended, do hereby petition this Honorable Commissioners Court of Fort Bend County, Texas, to order an election to be held within the corporate boundaries of the Stafford Municipal School District, to submit to the qualified electors of said school district the proposition of whether or not the territory of the Stafford Municipal School District should be annexed to the Houston Community College District for junior college purposes only.

 2810 SOUTH MAIN  
 499-4537  
 STAFFORD, TEXAS 77477

TO THE CITIZENS OF STAFFORD:

At its special Council meeting on November 8, 1988, City Council voted unanimously to support the circulation of a petition for an election in Stafford to include Stafford in the Houston Community College District. As a part of this motion, City Council authorized me to inform you that due to certain legal matters surrounding the separation of the HCC Board of Trustees from the Houston ISD Board of Trustees, there is no certainty as to if and when an election will be called, and if called and successful, the approval of the U. S. Justice Department. City Council further authorized me to inform you that City Council is exploring other potential options for community college services and facilities, including joining Wharton County Junior College, joining another community college district, or having a maintenance tax on Stafford taxpayers imposed and controlled by the Stafford MSD Board of Trustees.

City Council will keep you informed through its meetings of developments in the above-mentioned areas. Your consideration and support is appreciated.

Very truly yours,

LEONARD SCARCELLA, MAYOR

TO THE HONORABLE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

WHEREAS, the undersigned petitioners are property taxpaying electors residing in the territory described in Exhibit "A" attached hereto and made a part hereof; and

WHEREAS, the territory described in Exhibit "A" hereto is the territory comprising the Stafford Municipal School District; and

WHEREAS, the territory described in Exhibit "A" hereto is adjacent to the corporate boundaries of the Houston Community College District; and

WHEREAS, the undersigned are desirous of having the territory described in Exhibit "A" hereto annexed to the Houston Community College District for junior college purposes only; and

WHEREAS, attached hereto as Exhibit "B" is a certified copy of an order of the governing body of the Houston Community College District, granting its approval to the annexation proposed hereby, and Exhibit "B" being made a part hereof for all purposes; now therefore

We the undersigned, pursuant to and in accordance with Section 130.065, Texas Education Code, as amended, do hereby petition this Honorable Commissioners Court of Fort Bend County, Texas, to order an election to be held within the corporate boundaries of the Stafford Municipal School District, to submit to the qualified electors of said school district the proposition of whether or not the territory of the Stafford Municipal School District should be annexed to the Houston Community College District for junior college purposes only.

## CITY OF STAFFORD

 2810 SOUTH MAIN  
 499-4537  
 STAFFORD, TEXAS 77477

TO THE CITIZENS OF STAFFORD:

At its special Council meeting on November 8, 1988, City Council voted unanimously to support the circulation of a petition for an election in Stafford to include Stafford in the Houston Community College District. As a part of this motion, City Council authorized me to inform you that due to certain legal matters surrounding the separation of the HCC Board of Trustees from the Houston ISD Board of Trustees, there is no certainty as to if and when an election will be called, and if called and successful, the approval of the U. S. Justice Department. City Council further authorized me to inform you that City Council is exploring other potential options for community college services and facilities, including joining Wharton County Junior College, joining another community college district, or having a maintenance tax on Stafford taxpayers imposed and controlled by the Stafford MSD Board of Trustees.

City Council will keep you informed through its meetings of developments in the above-mentioned areas. Your consideration and support is appreciated.

Very truly yours,

TO THE HONORABLE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

WHEREAS, the undersigned petitioners are property taxpaying electors residing in the territory described in Exhibit "A" attached hereto and made a part hereof; and

WHEREAS, the territory described in Exhibit "A" hereto is the territory comprising the Stafford Municipal School District; and

WHEREAS, the territory described in Exhibit "A" hereto is adjacent to the corporate boundaries of the Houston Community College District; and

WHEREAS, the undersigned are desirous of having the territory described in Exhibit "A" hereto annexed to the Houston Community College District for junior college purposes only; and

WHEREAS, attached hereto as Exhibit "B" is a certified copy of an order of the governing body of the Houston Community College District, granting its approval to the annexation proposed hereby, and Exhibit "B" being made a part hereof for all purposes; now therefore

We the undersigned, pursuant to and in accordance with Section 130.065, Texas Education Code, as amended, do hereby petition this Honorable Commissioners Court of Fort Bend County, Texas, to order an election to be held within the corporate boundaries of the Stafford Municipal School District, to submit to the qualified electors of said school district the proposition of whether or not the territory of the Stafford Municipal School District should be annexed to the Houston Community College District for junior college purposes only.

PETITION FOR ANNEXATION OF TERRITORY LOCATED  
WITHIN THE STAFFORD MUNICIPAL SCHOOL DISTRICT TO  
THE HOUSTON COMMUNITY COLLEGE DISTRICT

AS PER ORIGINAL

TO THE HONORABLE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

WHEREAS, the undersigned petitioners are property taxpaying electors residing in the territory described in Exhibit "A" attached hereto and made a part hereof; and

WHEREAS, the territory described in Exhibit "A" hereto is the territory comprising the Stafford Municipal School District; and

WHEREAS, the territory described in Exhibit "A" hereto is adjacent to the corporate boundaries of the Houston Community College District; and

WHEREAS, the undersigned are desirous of having the territory described in Exhibit "A" hereto annexed to the Houston Community College District for junior college purposes only; and

WHEREAS, attached hereto as Exhibit "B" is a certified copy of an order of the governing body of the Houston Community College District, granting its approval to the annexation proposed hereby, and Exhibit "B" being made a part hereof for all purposes; now therefore

We the undersigned, pursuant to and in accordance with Section 130.065, Texas Education Code, as amended, do hereby petition this Honorable Commissioners Court of Fort Bend County, Texas, to order an election to be held within the corporate boundaries of the Stafford Municipal School District, to submit to the qualified electors of said school district the proposition of whether or not the territory of the Stafford Municipal School District should be annexed to the Houston Community College District for junior college purposes only.

As a part of this motion, City Council authorized me to inform you that due to certain legal matters surrounding the separation of the HCC Board of Trustees from the Houston ISD Board of Trustees, there is no certainty as to if and when an election will be called, and if called and successful, the approval of the U. S. Justice Department. City Council further authorized me to inform you that City Council is exploring other potential options for community college services and facilities, including joining Wharton County Junior College, joining another community college district, or having a maintenance tax on Stafford taxpayers imposed and controlled by the Stafford MSD Board of Trustees.

City Council will keep you informed through its meetings of developments in the above-mentioned areas. Your consideration and support is appreciated.

PETITION FOR ANNEXATION OF TERRITORY LOCATED  
WITHIN THE STAFFORD MUNICIPAL SCHOOL DISTRICT TO  
THE HOUSTON COMMUNITY COLLEGE DISTRICT

39 412

AS PER ORIGINAL

TO THE HONORABLE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

WHEREAS, the undersigned petitioners are property taxpaying electors residing in the territory described in Exhibit "A" attached hereto and made a part hereof; and

WHEREAS, the territory described in Exhibit "A" hereto is the territory comprising the Stafford Municipal School District; and

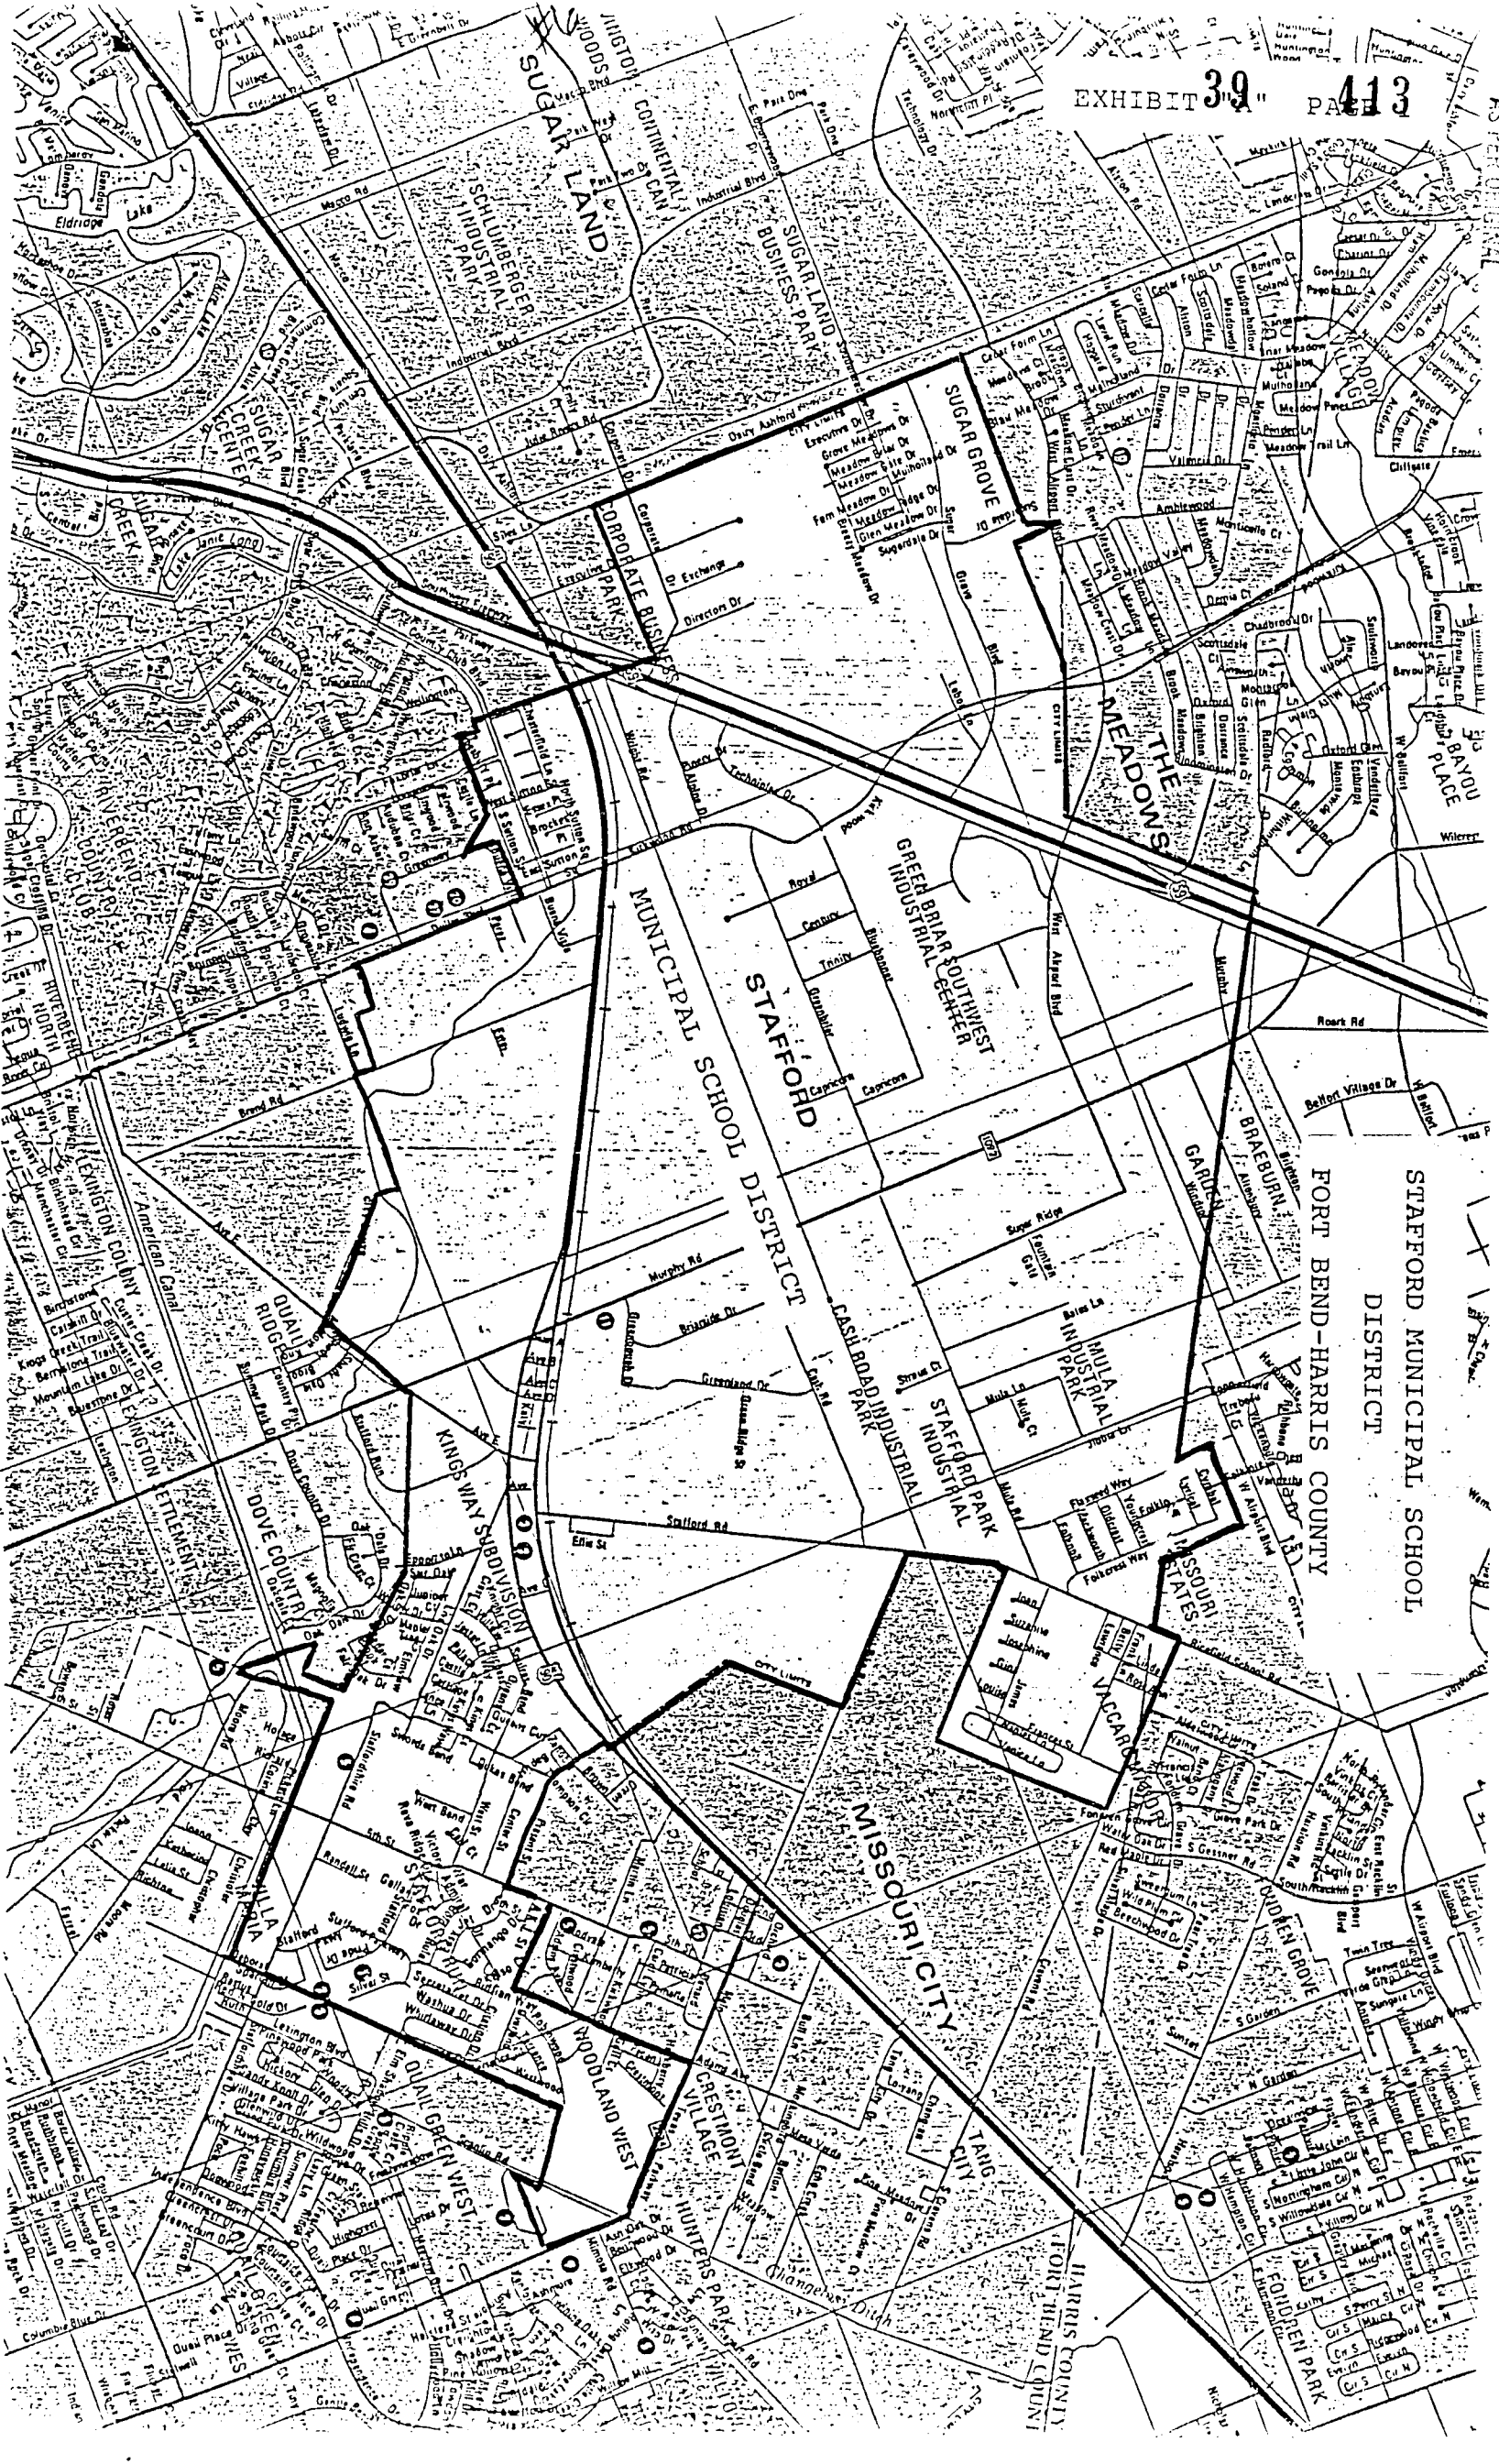

WHEREAS, the territory described in Exhibit "A" hereto, is adjacent to the corporate boundaries of the Houston Community College District; and

WHEREAS, the undersigned are desirous of having the territory described in Exhibit "A" hereto annexed to the Houston Community College District for junior college purposes only; and

WHEREAS, attached hereto as Exhibit "B" is a certified copy of an order of the governing body of the Houston Community College District, granting its approval to the annexation proposed hereby, and Exhibit "B" being made a part hereof for all purposes; now therefore

We the undersigned, pursuant to and in accordance with Section 130.065, Texas Education Code, as amended, do hereby petition this Honorable Commissioners Court of Fort Bend County, Texas, to order an election to be held within the corporate boundaries of the Stafford Municipal School District, to submit to the qualified electors of said school district the proposition of whether or not the territory of the Stafford Municipal School District should be annexed to the Houston Community College District for junior college purposes only.

TO THE CITIZENS OF STAFFORD:

At its special Council meeting on November 8, 1988, City Council voted unanimously to support the circulation of a petition for an election in Stafford to include Stafford in the Houston Community College District. As a part of this motion, City Council authorized me to inform you that due to certain legal matters surrounding the separation of the HCC Board of Trustees from the Houston ISD Board of Trustees, there is no certainty as to if and when an election will be called, and if called and successful, the approval of the U. S. Justice Department. City Council further authorized me to inform you that City Council is exploring other potential options for community college services and facilities, including joining Wharton County Junior College, joining another community college district, or having a maintenance tax on Stafford taxpayers imposed and controlled by the Stafford MSD Board of Trustees.

City Council will keep you informed through its meetings of developments in the above-mentioned areas. Your consideration and support is appreciated.

TO THE CITIZENS OF STAFFORD:

At its special Council meeting on November 8, 1988, City Council voted unanimously to support the circulation of a petition for an election in Stafford to include Stafford in the Houston Community College District. As a part of this motion, City Council authorized me to inform you that due to certain legal matters surrounding the separation of the HCC Board of Trustees from the Houston ISD Board of Trustees, there is no certainty as to if and when an election will be called, and if called and successful, the approval of the U. S. Justice Department. City Council further authorized me to inform you that City Council is exploring other potential options for community college services and facilities, including joining Wharton County Junior College, joining another community college district, or having a maintenance tax on Stafford taxpayers imposed and controlled by the Stafford MSD Board of Trustees.

City Council will keep you informed through its meetings of developments in the above-mentioned areas. Your consideration and support is appreciated.

Very truly yours,

TO THE HONORABLE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

WHEREAS, the undersigned petitioners are property taxpaying electors residing in the territory described in Exhibit "A" attached hereto and made a part hereof; and

WHEREAS, the territory described in Exhibit "A" hereto is the territory comprising the Stafford Municipal School District; and

WHEREAS, the territory described in Exhibit "A" hereto is adjacent to the corporate boundaries of the Houston Community College District; and

WHEREAS, the undersigned are desirous of having the territory described in Exhibit "A" hereto annexed to the Houston Community College District for junior college purposes only; and

WHEREAS, attached hereto as Exhibit "B" is a certified copy of an order of the governing body of the Houston Community College District, granting its approval to the annexation proposed hereby, and Exhibit "B" being made a part hereof for all purposes; now therefore

We the undersigned, pursuant to and in accordance with Section 130.065, Texas Education Code, as amended, do hereby petition this Honorable Commissioners Court of Fort Bend County, Texas, to order an election to be held within the corporate boundaries of the Stafford Municipal School District, to submit to the qualified electors of said school district the proposition of whether or not the territory of the Stafford Municipal School District should be annexed to the Houston Community College District for junior college purposes only.

STAFFORD, TEXAS 77477

TO THE CITIZENS OF STAFFORD:

At its special Council meeting on November 8, 1988, City Council voted unanimously to support the circulation of a petition for an election in Stafford to include Stafford in the Houston Community College District. As a part of this motion, City Council authorized me to inform you that due to certain legal matters surrounding the separation of the HCC Board of Trustees from the Houston ISD Board of Trustees, there is no certainty as to if and when an election will be called, and if called and successful, the approval of the U. S. Justice Department. City Council further authorized me to inform you that City Council is exploring other potential options for community college services and facilities, including joining Wharton County Junior College, joining another community college district, or having a maintenance tax on Stafford taxpayers imposed and controlled by the Stafford MSD Board of Trustees.

City Council will keep you informed through its meetings of developments in the above-mentioned areas. Your consideration and support is appreciated.

Very truly yours,

LEONARD SCARCELLA, MAYOR

TO THE HONORABLE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS:

WHEREAS, the undersigned petitioners are property taxpaying electors residing in the territory described in Exhibit "A" attached hereto and made a part hereof; and

WHEREAS, the territory described in Exhibit "A" hereto is the territory comprising the Stafford Municipal School District; and

WHEREAS, the territory described in Exhibit "A" hereto is adjacent to the corporate boundaries of the Houston Community College District; and

WHEREAS, the undersigned are desirous of having the territory described in Exhibit "A" hereto annexed to the Houston Community College District for junior college purposes only; and

WHEREAS, attached hereto as Exhibit "B" is a certified copy of an order of the governing body of the Houston Community College District, granting its approval to the annexation proposed hereby, and Exhibit "B" being made a part hereof for all purposes; now therefore

We the undersigned, pursuant to and in accordance with Section 130.065, Texas Education Code, as amended, do hereby petition this Honorable Commissioners Court of Fort Bend County, Texas, to order an election to be held within the corporate boundaries of the Stafford Municipal School District, to submit to the qualified electors of said school district the proposition of whether or not the territory of the Stafford Municipal School District should be annexed to the Houston Community College District for junior college purposes only.

PETITION FOR MAINTENANCE TAX ELECTION  
WITHIN  
FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 11

THE STATE OF TEXAS           §  
  §  
COUNTY OF FORT BEND       §

TO THE HONORABLE COUNTY JUDGE AND COMMISSIONERS COURT OF  
FORT BEND COUNTY, TEXAS:

The undersigned (herein the "Petitioners"), being Fort Bend County Levee Improvement District No. 11 (the "District"), and, collectively, the owners or the legal representatives of the owners of a majority of the acreage included in the District (the "Landowners"), acting pursuant to the provisions of Chapter 57, Title 4, Texas Water Code, respectfully petition the County Judge and Commissioners Court of Fort Bend County, Texas, to order an election to be held within and for the District for the purpose of determining whether or not a maintenance tax should be levied and collected by the District, and would respectfully show the following:

I

The District was created by the Commissioners Court of Fort Bend County, Texas, by order dated June 27, 1988.

II

The District is organized and exists under the terms and provisions of Article XVI, Section 59, Texas Constitution, and Chapter 57, Title 4, Texas Water Code.

III

The undersigned are directors and officers of the District, and the owners or the legal representatives of the owners of a majority of the acreage included in the District, respectively.

IV

The Petitioners request that an election be held within and for the District to determine whether or not a maintenance tax should be levied and collected by the District for the purpose indicated in the following proposition. It is requested that at such election the following proposition be submitted:

PROPOSITION

SHALL THE BOARD OF DIRECTORS OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 11 BE AUTHORIZED TO LEVY AND COLLECT A MAINTENANCE TAX NOT TO EXCEED TWENTY-FIVE CENTS (\$0.25) PER \$100 VALUATION ON ALL TAXABLE PROPERTY WITHIN SAID DISTRICT TO SECURE FUNDS FOR MAINTENANCE PURPOSES, INCLUDING, BUT NOT LIMITED TO, FUNDS FOR MAINTENANCE, UPKEEP, AND REPAIR, AND FUNDS TO MAKE ADDITIONS TO THE LEVEE AND OTHER IMPROVEMENTS IN THE DISTRICT, AND FOR OTHER PURPOSES AUTHORIZED BY LAW?

V

The sum of Two Hundred Dollars (\$200.00) accompanies this Petition to cover expenses incident to the requested maintenance tax election.

WHEREFORE, the undersigned respectfully pray: that this Petition be properly filed as provided by law; that upon filing of this Petition, the Honorable Commissioners Court of Fort Bend County, Texas, if it be in session, and if not, then the Honorable County Judge of Fort Bend County, Texas, order that an election be held within and for the District for the purposes hereinabove described; that such election order be entered in the minutes of the Commissioners Court of Fort Bend County, Texas; that the County Clerk be ordered to publish notice in a newspaper of general circulation in Fort Bend County, Texas, as required by the Texas Election Code, and to issue and give to the Sheriff of Fort Bend County, Texas, a notice stating in substance the contents of the election order and the time and place of the election; that the Sheriff or his Deputy be directed to post a copy of the notice as required by law by posting notice of such election at the Courthouse door and at four (4) different places in the District for at least ten (10) days before the date of the election; that the Sheriff or other person posting the notice be ordered to make return to the County Clerk, and that a return by an individual other than the Sheriff be made under oath before some person authorized by law to administer oaths; that the election be held and conducted and the returns thereof be made to the Commissioners Court of Fort Bend County, Texas, or to the County Judge of Fort Bend County, Texas, in accordance with the Election Code of the State of Texas as modified by Chapter 57, Title 4, Texas Water Code, as amended; and for such other proceedings and orders as are proper and necessary and appropriate to the authorization of the maintenance tax and the conduct of the aforesaid election.

CERTIFICATE FOR ORDER

We, the undersigned officers of the Commissioners Court (the "Court") of Fort Bend County, Texas, (the "County") do hereby certify as follows:

1. That we are the duly chosen, qualified and acting officers of the Court for the offices shown below our signatures and that as such we are familiar with the facts herein certified.

2. That there is attached to and follows this certificate an excerpt of proceedings from the minutes of a meeting of the Court which is a true, full and complete excerpt of all proceedings from the minutes of the Court pertaining to the adoption of the order described therein; and that the persons named in such excerpt as the officers and members of the Court or as officers of the County are the duly chosen, qualified and acting officers and members as indicated therein.

3. That a true and complete copy of the order (the "Order"), as adopted at the meeting described in such excerpt from the minutes, is attached to and follows such excerpt.

4. That the Order has been duly and lawfully adopted by the Court and that the County Judge of the County has approved, and hereby approves, the Order; that the County Judge and the County Clerk of the County have duly signed and attested the Order and each, respectively, hereby declares that the signing of this certificate shall also constitute the signing of the Order for all purposes; and that the Order, as signed, has been duly recorded in the minutes of the Court for such meeting.

5. That each of the officers and members of the Court was duly and sufficiently notified officially and personally, in advance, of the date, hour, place and subject of such meeting of the Court, and that the Order would be introduced and considered for passage at such meeting, and each of such officers and members consented, in advance, to the holding of such meeting to consider and act upon such subject.

6. That written notice of the date, hour, place and subject of the meeting of the Court described in the excerpt from the minutes was posted on a bulletin board located at a place convenient to the public in the County Courthouse of the County; and that such meeting was open to the public as required by law at all times during which the Order and the subject matter thereof were discussed, considered and formally acted upon, all as required by the Open Meetings Act, Article 6252-17, Vernon's Texas Civil Statutes, as amended.

RESOLUTION AUTHORIZING SUBMISSION OF PETITION FOR  
MAINTENANCE TAX ELECTION WITHIN  
FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 11

WHEREAS, Fort Bend County Levee Improvement District No. 11 (the "District"), located in Fort Bend County, Texas, was heretofore duly created by the Commissioners Court of Fort Bend County, Texas, on June 27, 1988, under the laws of the State of Texas; and

WHEREAS, pursuant to Chapter 57, Title 4, Texas Water Code, the Board of Directors of the District now desires to petition, jointly with the owners of a majority of acreage included in the District, the County Judge and the Commissioners Court of Fort Bend County, Texas, to order an election in the District for the purpose of submitting a proposition on the levy and collection of a maintenance tax not to exceed twenty-five cents (\$0.25) per \$100 valuation on all taxable property within the District; Now, Therefore,

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 11:

Section 1: That the Chairman or Vice-Chairman and Secretary of the Board of Directors of the District be authorized to execute on behalf of the District the Petition attached hereto as Exhibit "A".

Section 2: That a certified copy of this resolution and an executed copy of the Petition be filed with the Commissioners Court of Fort Bend County, Texas.

THE STATE OF TEXAS           §  
                                     §  
COUNTY OF FORT BEND       §

TO THE HONORABLE COUNTY JUDGE AND COMMISSIONERS COURT OF  
FORT BEND COUNTY, TEXAS:

The undersigned (herein the "Petitioners"), being Fort Bend County Levee Improvement District No. 11 (the "District"), and, collectively, the owners or the legal representatives of the owners of a majority of the acreage included in the District (the "Landowners"), acting pursuant to the provisions of Chapter 57, Title 4, Texas Water Code, respectfully petition the County Judge and Commissioners Court of Fort Bend County, Texas, to order an election to be held within and for the District for the purpose of determining whether or not a maintenance tax should be levied and collected by the District, and would respectfully show the following:

I

The District was created by the Commissioners Court of Fort Bend County, Texas, by order dated June 27, 1988.

II

The District is organized and exists under the terms and provisions of Article XVI, Section 59, Texas Constitution, and Chapter 57, Title 4, Texas Water Code.

III

The undersigned are directors and officers of the District, and the owners or the legal representatives of the owners of a majority of the acreage included in the District, respectively.

IV

The Petitioners request that an election be held within and for the District to determine whether or not a maintenance tax should be levied and collected by the District for the purpose indicated in the following proposition. It is requested that at such election the following proposition be submitted:

PROPOSITION

SHALL THE BOARD OF DIRECTORS OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 11 BE AUTHORIZED TO LEVY AND COLLECT A MAINTENANCE TAX NOT TO EXCEED TWENTY-FIVE CENTS (\$0.25) PER \$100 VALUATION ON ALL TAXABLE PROPERTY WITHIN SAID DISTRICT TO SECURE FUNDS FOR MAINTENANCE PURPOSES, INCLUDING, BUT NOT LIMITED TO, FUNDS FOR MAINTENANCE, UPKEEP, AND REPAIR, AND FUNDS TO MAKE ADDITIONS TO THE LEVEE AND OTHER IMPROVEMENTS IN THE DISTRICT, AND FOR OTHER PURPOSES AUTHORIZED BY LAW?

V

The sum of Two Hundred Dollars (\$200.00) accompanies this Petition to cover expenses incident to the requested maintenance tax election.

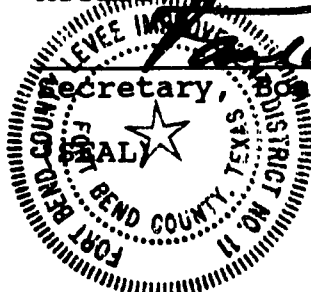

WHEREFORE, the undersigned respectfully pray: that this Petition be properly filed as provided by law; that upon filing of this Petition, the Honorable Commissioners Court of Fort Bend County, Texas, if it be in session, and if not, then the Honorable County Judge of Fort Bend County, Texas, order that an election be held within and for the District for the purposes hereinabove described; that such election order be entered in the minutes of the Commissioners Court of Fort Bend County, Texas; that the County Clerk be ordered to publish notice in a newspaper of general circulation in Fort Bend County, Texas, as required by the Texas Election Code, and to issue and give to the Sheriff of Fort Bend County, Texas, a notice stating in substance the contents of the election order and the time and place of the election; that the Sheriff or his Deputy be directed to post a copy of the notice as required by law by posting notice of such election at the Courthouse door and at four (4) different places in the District for at least ten (10) days before the date of the election; that the Sheriff or other person posting the notice be ordered to make return to the County Clerk, and that a return by an individual other than the Sheriff be made under oath before some person authorized by law to administer oaths; that the election be held and conducted and the returns thereof be made to the Commissioners Court of Fort Bend County, Texas, or to the County Judge of Fort Bend County, Texas, in accordance with the Election Code of the State of Texas as modified by Chapter 57, Title 4, Texas Water Code, as amended; and for such other proceedings and orders as are proper and necessary and appropriate to the authorization of the maintenance tax and the conduct of the aforesaid election.

ORDER CALLING FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT  
NO. 11 MAINTENANCE TAX ELECTION; PROVIDING DETAILS  
RELATING THERETO; AND CONTAINING OTHER PROVISIONS  
RELATING TO SAID ELECTION

WHEREAS, Fort Bend County Levee Improvement District No. 11 (the "District") and the owners of a majority of the acreage included in the District, acting pursuant to the provisions of Chapter 57, Title 4, Texas Water Code, have presented to the Commissioners Court of Fort Bend County, Texas, a petition that prays that said Commissioners Court order an election within and for the District for the purposes of determining whether or not a maintenance tax should be levied and collected by the District in the amount and upon the terms and conditions set forth therein (the "Petition"); and

WHEREAS, it appears to the Commissioners Court, and this Court so affirmatively finds that:

1. The Petition is in due form of law, and was duly presented to this Court;

2. The Petition is signed by the owners or by the legal representatives of the owners of a majority of the acreage included in the District;

3. The Petition is signed by the directors and officers of the District, and the execution of the Petition by the directors and officers has been properly authorized by resolution of the Board of Directors of the District;

4. The Petition otherwise conforms to the requirements of Chapter 57, Title 4, Texas Water Code; and

WHEREAS, in view of the foregoing findings, the Court is of the opinion that the Petition should be granted and the election as prayed for should be ordered; and

WHEREAS, there is not available or practicable to use a public building within the boundaries of the District; and

WHEREAS, this Commissioners Court wishes to proceed with the ordering of said election; Now, Therefore,

BE IT ORDERED, ADJUDGED AND DECREED by the Commissioners Court of Fort Bend County, Texas:

Section 1: That all of the facts recited in the preamble to this order are hereby found and declared to be true and correct.

**Section 2:** A maintenance tax election shall be held within the boundaries of Fort Bend County Levee Improvement District No. 11 on August 12, 1989, between the hours of 7:00 a.m. and 7:00 p.m. at 7550 Riverbrook Drive, Richmond, Texas 77469, a place within the District which the Board of Directors of the District, after duly considering the requirements of the Texas Election Code, hereby finds to be a proper place for conducting said election. At said election there shall be submitted to the duly qualified resident electors of the District the following proposition:

**PROPOSITION**

SHALL THE BOARD OF DIRECTORS OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 11 BE AUTHORIZED TO LEVY AND COLLECT A MAINTENANCE TAX NOT TO EXCEED TWENTY-FIVE CENTS (\$0.25) PER \$100 VALUATION ON ALL TAXABLE PROPERTY WITHIN SAID DISTRICT TO SECURE FUNDS FOR MAINTENANCE PURPOSES, INCLUDING, BUT NOT LIMITED TO, FUNDS FOR MAINTENANCE, UPKEEP, AND REPAIR, AND FUNDS TO MAKE ADDITIONS TO THE LEVEE AND OTHER IMPROVEMENTS IN THE DISTRICT, AND FOR OTHER PURPOSES AUTHORIZED BY LAW?

**Section 3:** Voting in the election shall be by the use of paper ballots which shall be printed in both English and Spanish and which shall conform to the requirements of the Election Code of the State of Texas. The ballots used in the election shall have printed thereon the following:

**OFFICIAL BALLOT  
BALOTA OFICIAL**

**PROPOSITION  
PROPOSICION**

- |                                      |   |

| <input type="checkbox"/> EN CONTRA   | CADA CIEN DOLARES (\$100) DE VALUACION  |

Each voter shall vote on each proposition by placing an "X" in the square beside the statement indicating the way he or she wishes to vote. The presiding judge shall be provided with 10 official ballots and the absentee voting clerk shall be provided with 10 official ballots. Oral assistance in Spanish shall be made available to all persons requiring such assistance. Any person requiring oral assistance in Spanish should contact the presiding judge or absentee voting clerk.

Section 4: The boundaries of the District as established by the Commissioners Court are hereby established as and shall constitute one election precinct and the following are hereby appointed officers of said election:

Patricia Bartling	Presiding Judge
Ken Bartling	Clerk
Delinda Campbell	Clerk

Absentee voting in the election by personal appearance shall occur on each day from July 23, 1989, through August 8, 1989, that is not a Saturday, Sunday, or official State holiday. The absentee voting clerk shall be Delinda Campbell, and the place at which such absentee voting shall be conducted is 7554 Riverbrook Drive, Richmond, Texas 77469 within the boundaries of the District. The absentee voting clerk's mailing address to which ballot applications and ballots to be voted by mail may be sent is 7554 Riverbrook Drive, Richmond, Texas 77469. Because the District has fewer than 1,000 registered voters, the absentee voting clerk shall keep the absentee voting place open from 6:45 a.m. to 9:45 a.m. on each day for absentee voting which is not a Saturday, a Sunday or an official State holiday.

The absentee ballot board shall consist of the Presiding Judge and at least two other members, appointed by the Presiding Judge, who are eligible to serve in accordance with the Election Code.

Section 5: The rate of pay for judges and clerks of the election shall be \$5.00 per hour, as determined by the Commissioners Court, in compliance with the Texas Election Code.

Section 6: The election shall be held and conducted and returns made to the Commissioners Court of Fort Bend County, Texas, in accordance with the Election Code as modified by Chapter 57, Texas Water Code.

Section 7: All qualified resident electors of the District shall be entitled to vote in the election.

Section 8: The Petition shall be properly filed as provided by law. The County Clerk is hereby directed to cause notice of the election to be published in English and Spanish one time in a newspaper or newspapers having general circulation in Fort Bend County, Texas, with the publication to be no earlier than the 30th day or later than the 10th day before the date of the election, in accordance with the Election Code. The County Clerk also shall issue and give to the Sheriff of Fort Bend County, Texas a notice both in English and Spanish stating in substance the contents of this election order and the time and place of the election, in accordance with Chapter 57, Texas Water Code. The Sheriff or his Deputy is hereby directed to give notice as required by law by

posting notice of this election at the courthouse door and at four (4) different places in the District for at least ten (10) days before the date of the election. The Sheriff or person posting notice shall make return to the County Clerk. A return by an individual other than the Sheriff shall be made under oath before some person authorized by law to administer oaths. The election shall be held and conducted and returns made to the Commissioners Court of Fort Bend County, Texas, in accordance with the Election Code of the State of Texas as modified by Chapter 57, Title 4, Texas Water Code.

Section 9: In the event the election results favorably for the proposition submitted, the Board of Directors of the District shall thereafter be authorized to levy, assess and collect a maintenance tax of not more than twenty-five (\$0.25) per \$100 valuation on the terms and conditions described in the proposition voted in the August 12, 1989, election.

ORDEN CONVOCATORIA PARA ELECCION DE IMPUESTOS PARA EL MANTENIMIENTO DE LA MEJORA DEL DIQUE DEL DISTRITO NO. 11 DEL CONDADO DE FORT BEND; SE DAN LOS DETALLES RELACIONADOS AL MISMO Y AQUI SE CONTIENEN LAS OTRAS DISPOSICIONES RELACIONADAS CON TAL ELECCION.

POR CUANTO, El Distrito No. 11 de la Mejora del Dique del Condado de Fort Bend ("El Distrito) y los propietarios de una mayoría de las tierras incluidas en el Distrito, actuando bajo las disposiciones del Capítulo 57, Título 4, Código de Aguas de Texas, han presentado a la Corte de los Comisionados del Condado de Fort Bend, Texas, una petición solicitando que la Corte de los Comisionados ordene una votación dentro y por el Distrito para los fines de determinar si es el Distrito debiera o no gravar y cobrar un impuesto de mantenimiento por la cantidad y bajo los términos y las condiciones fijadas en la misma (la "Petición"); y

POR CUANTO, parece que la Corte de los Comisionados y esta Corte, positivamente han verificado que:

1. La Petición es legal y se presentó debidamente a esta Corte;
2. La Petición la firmaron los propietarios o los representantes legales de los propietarios de una mayoría de los terrenos incluidos en el Distrito;
3. La Petición la firmaron los directores y funcionarios del Distrito y la firma de la misma por los directores y funcionarios fue debidamente autorizada por resolución de la Junta Directiva del Distrito;
4. La Petición, de otra forma, está de acuerdo con los requisitos del Capítulo 57, Título 4, del Código de Aguas de Texas; y

POR CUANTO, en vista de las evidencias anteriores, la Corte tiene la opinión de que la Petición se debe conceder y la votación tal como se solicita se debe ordenar; y

POR CUANTO, ya que no hay, ni es práctico usar un edificio público dentro de los límites del Distrito; y

POR CUANTO, la Corte de los Comisionados desea proceder con la ordenanza de dicha votación; Entonces, Por lo tanto,

La Corte de los Comisionados del Condado de Fort Bend, Texas, ORDENA, ADJUDICA Y DECRETA:

- [ ] EN CONTRA

Cada votante votará por cada proposición colocando una "X" en el cuadro junto a la declaración que indica la forma en la cual quiere votar. Al juez que preside se le darán 10 votos oficiales y al secretario de los electores ausentes también se le darán 10 votos oficiales. Habrán personas ayudando que hablan español para todas las personas que necesiten tal asistencia. Cualquier persona que necesite ayuda en español debe ponerse en contacto con el juez presidente o con el secretario de los electores ausentes.

**Sección 4:** Los límites del Distrito tal como los establece la Corte de los Comisionados están establecidos por el presente y estarán constituidos por un precinto electoral y los siguientes oficiales de tal elección quedan nombrados por el presente:

Patricia Bartling  
Ken Bartling  
Delinda Campbell

Juez Presidente  
Secretario  
Secretaria

Los electores ausentes se pueden presentar personalmente cada día desde el 23 de Julio de 1989 hasta el 8 de Agosto de 1989, siempre que no sea un Sábado, Domingo o feriado estatal oficial. El secretario de los electores ausente será Delinda Campbell y el lugar donde se han de presentar a votar los electores ausentes es en 7554 Riverbrook Drive, Richmond, Texas 77469 dentro de los límites del Distrito. La dirección postal del secretario de los electores ausentes y adonde se pueden solicitar los formularios de voto o donde se pueden enviar por correo los votos es 7554 Riverbrook Drive, Richmond, Texas 77469. Ya que el Distrito tiene menos de 1,000 votantes registrados, el secretario de electores ausentes mantendrá el lugar de votación abierto desde las 6:45 A.M. hasta las 9:45 A.M.

todos los días para presentarse a votar al estar ausente en la fecha de la elección, siempre y cuando no sea un día Sábado, Domingo o feriado estatal oficial.

La junta de electores ausentes consistirá del Juez Presidente y por lo menos dos otros miembros nombrados por el Juez Presidente, quienes están calificados para actuar de acuerdo con el Código de Elecciones.

Sección 5: La tarifa de pagos para los jueces y secretarios de la elección será de \$5.00 por hora, según lo determine la Corte de los Comisionados, de acuerdo con el Código de Elecciones del Estado de Texas.

Sección 6: La votación se llevará a cabo y se conducirá y los resultados se llevarán a la Corte de los Comisionados del Condado de Fort Bend, Texas, de acuerdo con el Código de Elecciones tal como lo modifica el Capítulo 57, Código de Aguas del Estado de Texas.

Sección 7: Todos los electores residentes calificados del Distrito tendrán derecho a votar en la elección.

Sección 8: La Petición se presentará formalmente tal como lo manda la ley. Al Secretario del Condado por el presente se le ordena que dé aviso de la elección mediante su publicación en inglés y español en un periódico o periódicos que tengan circulación general en el Condado de Fort Bend, Texas, la publicación no se realizará antes del día 30 ni después del día 10 antes de la fecha de la elección, de acuerdo con el Código de Elecciones. El Secretario del Condado también emitirá y entregará al Alguacil del Condado de Fort Bend, un aviso tanto en inglés como en español declarando en esencia el contenido de esta orden electoral y la hora y lugar de la elección, de acuerdo con el Capítulo 57 del Código de Aguas de Texas. Al Alguacil o su Delegado por el presente, se les indica que den aviso según lo requiere la ley mediante la colocación de un aviso de esta elección en la puerta de los tribunales y en cuatro (4) lugares diferentes del Distrito por lo menos diez (10) días antes de la fecha de la elección. El Alguacil o la persona que coloque el aviso notificará al Secretario del Condado. La notificación, si es que la hace alguien que no sea el Alguacil deberá hacerse bajo juramento ante alguna persona autorizada para tomar juramentos. La elección se llevará a cabo y se conducirá llevando los resultados a la Corte de los Comisionados del Condado de Fort Bend, de acuerdo con el Código de Elecciones del Estado de Texas, tal como lo modificó el Capítulo 57, Título 4 del Código de Aguas de Texas.

**Sección 9:** En el caso que la votación resulte favorable a la proposición presentada, la Junta Directiva del Distrito, de entonces en adelante quedará autorizada para gravar, imponer y cobrar un impuesto de mantenimiento de no más de veinticinco centavos (\$0.25) per cada \$100 de valuación, en los términos y las condiciones descritas en la proposición votada en la elección del 12 de Agosto de 1989.

ORDER CALLING FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT  
NO. 11 MAINTENANCE TAX ELECTION; PROVIDING DETAILS  
RELATING THERETO; AND CONTAINING OTHER PROVISIONS  
RELATING TO SAID ELECTION

WHEREAS, Fort Bend County Levee Improvement District No. 11 (the "District") and the owners of a majority of the acreage included in the District, acting pursuant to the provisions of Chapter 57, Title 4, Texas Water Code, have presented to the Commissioners Court of Fort Bend County, Texas, a petition that prays that said Commissioners Court order an election within and for the District for the purposes of determining whether or not a maintenance tax should be levied and collected by the District in the amount and upon the terms and conditions set forth therein (the "Petition"); and

WHEREAS, it appears to the Commissioners Court, and this Court so affirmatively finds that:

1. The Petition is in due form of law, and was duly presented to this Court;

2. The Petition is signed by the owners or by the legal representatives of the owners of a majority of the acreage included in the District;

3. The Petition is signed by the directors and officers of the District, and the execution of the Petition by the directors and officers has been properly authorized by resolution of the Board of Directors of the District;

4. The Petition otherwise conforms to the requirements of Chapter 57, Title 4, Texas Water Code; and

WHEREAS, in view of the foregoing findings, the Court is of the opinion that the Petition should be granted and the election as prayed for should be ordered; and

WHEREAS, there is not available or practicable to use a public building within the boundaries of the District; and

WHEREAS, this Commissioners Court wishes to proceed with the ordering of said election; Now, Therefore,

BE IT ORDERED, ADJUDGED AND DECREED by the Commissioners Court of Fort Bend County, Texas:

Section 1: That all of the facts recited in the preamble to this order are hereby found and declared to be true and correct.

Section 2: A maintenance tax election shall be held within the boundaries of Fort Bend County Levee Improvement District No. 11 on August 12, 1989, between the hours of 7:00 a.m. and 7:00 p.m. at 7550 Riverbrook Drive, Richmond, Texas 77469, a place within the District which the Board of Directors of the District, after duly considering the requirements of the Texas Election Code, hereby finds to be a proper place for conducting said election. At said election there shall be submitted to the duly qualified resident electors of the District the following proposition:

PROPOSITION

SHALL THE BOARD OF DIRECTORS OF FORT BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 11 BE AUTHORIZED TO LEVY AND COLLECT A MAINTENANCE TAX NOT TO EXCEED TWENTY-FIVE CENTS (\$0.25) PER \$100 VALUATION ON ALL TAXABLE PROPERTY WITHIN SAID DISTRICT TO SECURE FUNDS FOR MAINTENANCE PURPOSES, INCLUDING, BUT NOT LIMITED TO, FUNDS FOR MAINTENANCE, UPKEEP, AND REPAIR, AND FUNDS TO MAKE ADDITIONS TO THE LEVEE AND OTHER IMPROVEMENTS IN THE DISTRICT, AND FOR OTHER PURPOSES AUTHORIZED BY LAW?

Section 3: Voting in the election shall be by the use of paper ballots which shall be printed in both English and Spanish and which shall conform to the requirements of the Election Code of the State of Texas. The ballots used in the election shall have printed thereon the following:

OFFICIAL BALLOT  
BALOTA OFICIAL

Each voter shall vote on each proposition by placing an "X" in the square beside the statement indicating the way he or she wishes to vote. The presiding judge shall be provided with 10 official ballots and the absentee voting clerk shall be provided with 10 official ballots. Oral assistance in Spanish shall be made available to all persons requiring such assistance. Any person requiring oral assistance in Spanish should contact the presiding judge or absentee voting clerk.

Section 4: The boundaries of the District as established by the Commissioners Court are hereby established as and shall constitute one election precinct and the following are hereby appointed officers of said election:

Patricia Bartling  
Ken Bartling  
Delinda Campbell

Presiding Judge  
Clerk  
Clerk

Absentee voting in the election by personal appearance shall occur on each day from July 23, 1989, through August 8, 1989, that is not a Saturday, Sunday, or official State holiday. The absentee voting clerk shall be Delinda Campbell, and the place at which such absentee voting shall be conducted is 7554 Riverbrook Drive, Richmond, Texas 77469 within the boundaries of the District. The absentee voting clerk's mailing address to which ballot applications and ballots to be voted by mail may be sent is 7554 Riverbrook Drive, Richmond, Texas 77469. Because the District has fewer than 1,000 registered voters, the absentee voting clerk shall keep the absentee voting place open from 6:45 a.m. to 9:45 a.m. on each day for absentee voting which is not a Saturday, a Sunday or an official State holiday.

The absentee ballot board shall consist of the Presiding Judge and at least two other members, appointed by the Presiding Judge, who are eligible to serve in accordance with the Election Code.

Section 5: The rate of pay for judges and clerks of the election shall be \$5.00 per hour, as determined by the Commissioners Court, in compliance with the Texas Election Code.

Section 6: The election shall be held and conducted and returns made to the Commissioners Court of Fort Bend County, Texas, in accordance with the Election Code as modified by Chapter 57, Texas Water Code.

Section 7: All qualified resident electors of the District shall be entitled to vote in the election.

Section 8: The Petition shall be properly filed as provided by law. The County Clerk is hereby directed to cause notice of the election to be published in English and Spanish one time in a newspaper or newspapers having general circulation in Fort Bend County, Texas, with the publication to be no earlier than the 30th day or later than the 10th day before the date of the election, in accordance with the Election Code. The County Clerk also shall issue and give to the Sheriff of Fort Bend County, Texas a notice both in English and Spanish stating in substance the contents of this election order and the time and place of the election, in accordance with Chapter 57, Texas Water Code. The Sheriff or his Deputy is hereby directed to give notice as required by law by

posting notice of this election at the courthouse door and at four (4) different places in the District for at least ten (10) days before the date of the election. The Sheriff or person posting notice shall make return to the County Clerk. A return by an individual other than the Sheriff shall be made under oath before some person authorized by law to administer oaths. The election shall be held and conducted and returns made to the Commissioners Court of Fort Bend County, Texas, in accordance with the Election Code of the State of Texas as modified by Chapter 57, Title 4, Texas Water Code.

Section 9: In the event the election results favorably for the proposition submitted, the Board of Directors of the District shall thereafter be authorized to levy, assess and collect a maintenance tax of not more than twenty-five (\$0.25) per \$100 valuation on the terms and conditions described in the proposition voted in the August 12, 1989, election.

ADOPTED this 17th day of July, 1989.

N O T I C E

TO THE DULY QUALIFIED RESIDENT ELECTORS OF FORT  
BEND COUNTY LEVEE IMPROVEMENT DISTRICT NO. 11 AND  
TO ALL OTHER INTERESTED PERSONS:

Notice is hereby given that an election will be held on  
August 12, 1989, between the hours of 7:00 a.m. and 7:00 p.m.  
at 7550 Riverbrook Drive, Richmond, Texas 77469, within Fort  
Bend County Levee Improvement District No. 11 in accordance  
with the following order adopted by the Commissioners Court  
of Fort Bend County, Texas:

A V I S O

A LOS ELECTORES RESIDENTES DEBIDAMENTE CAPACITADOS  
DE LAS MEJORAS DEL DIQUE DEL DISTRITO NO. 11 DEL  
CONDADO DE FORT BEND Y A TODAS LAS OTRAS PERSONAS  
INTERESADAS:

Por el presente se da aviso de que se celebrará una  
elección el 12 de Agosto de 1989 entre las horas de las 7:00  
A.M. y 7:00 P.M. en la 7550 Riverbrook Drive, Richmond, Texas  
77469 dentro del Distrito No. 11 de la mejora del Dique del  
Condado de Fort Bend de acuerdo con la siguiente ordenanza  
adoptada por la Corte de los Comisionados del Condado de Fort  
Bend, Estado de Texas:

ORDEN CONVOCATORIA PARA ELECCION DE IMPUESTOS PARA EL MANTENIMIENTO DE LA MEJORA DEL DIQUE DEL DISTRITO NO. 11 DEL CONDADO DE FORT BEND; SE DAN LOS DETALLES RELACIONADOS AL MISMO Y AQUI SE CONTIENEN LAS OTRAS DISPOSICIONES RELACIONADAS CON TAL ELECCION.

POR CUANTO, El Distrito No. 11 de la Mejora del Dique del Condado de Fort Bend ("El Distrito) y los propietarios de una mayoría de las tierras incluidas en el Distrito, actuando bajo las disposiciones del Capítulo 57, Título 4, Código de Aguas de Texas, han presentado a la Corte de los Comisionados del Condado de Fort Bend, Texas, una petición solicitando que la Corte de los Comisionados ordene una votación dentro y por el Distrito para los fines de determinar si es el Distrito debiera o no gravar y cobrar un impuesto de mantenimiento por la cantidad y bajo los términos y las condiciones fijadas en la misma (la "Petición"); y

POR CUANTO, parece que la Corte de los Comisionados y esta Corte, positivamente han verificado que:

1. La Petición es legal y se presentó debidamente a esta Corte;

2. La Petición la firmaron los propietarios o los representantes legales de los propietarios de una mayoría de los terrenos incluidos en el Distrito;

3. La Petición la firmaron los directores y funcionarios del Distrito y la firma de la misma por los directores y funcionarios fue debidamente autorizada por resolución de la Junta Directiva del Distrito;

4. La Petición, de otra forma, está de acuerdo con los requisitos del Capítulo 57, Título 4, del Código de Aguas de Texas; y

POR CUANTO, en vista de las evidencias anteriores, la Corte tiene la opinión de que la Petición se debe conceder y la votación tal como se solicita se debe ordenar; y

POR CUANTO, ya que no hay, ni es práctico usar un edificio público dentro de los límites del Distrito; y

POR CUANTO, la Corte de los Comisionados desea proceder con la ordenanza de dicha votación; Entonces, Por lo tanto,

La Corte de los Comisionados del Condado de Fort Bend, Texas, ORDENA, ADJUDICA Y DECRETA:

Sección 1: Que todos los hechos citados en el preámbulo de esta orden, por el presente, se demuestran y se declaran que son ciertos y correctos.

Sección 2: Se realizará un votación para un impuesto de mantenimiento dentro de los límites del Distrito No. 11 de Mejoras del Dique del Condado de Fort Bend, el 12 de Agosto de 1989, entre las horas de las 7:00 A.M. y las 7:00 P.M. en la 7550 Riverbrook Drive, Richmond, Texas 77469, un lugar dentro del Distrito, el cual, después de haber considerado debidamente los requisitos del Código de Elección de Texas, la Junta Directiva del Distrito ha considerado que es un lugar apropiado para conducir tal elección. En tal votación se le presentará, a los electores residentes debidamente calificados, la siguiente proposición:

PROPOSICION

¿SI ES QUE LA JUNTA DIRECTIVA DE LAS MEJORAS DEL DIQUE DEL DISTRITO NO. 11 DEL CONDADO DE FORT BEND QUEDA AUTORIZADA PARA GRAVAR Y COBRAR UN IMPUESTO DE MANTENIMIENTO SIN EXCEDER VEINTICINCO CENTAVOS (\$0.25) POR CADA VALUACION DE TODA LA PROPIEDAD IMPONIBLE DENTRO DE TAL DISTRITO PARA ASEGURAR LOS FONDOS PARA LOS FINES DE MANTENIMIENTO, INCLUYENDO, PERO SIN LIMITARSE, A FONDO PARA EL MANTENIMIENTO, LA CONSERVACION Y LA REPARACION Y LOS FONDOS PARA REALIZAR ADICIONES AL DIQUE Y OTRAS MEJORAS EN EL DISTRITO, Y PARA OTROS FINES AUTORIZADOS POR LA LEY?

Sección 3: La votación en la elección se hará mediante votos en papel que estarán impresos en inglés tanto como en español y que se ajustarán a los requisitos del Código de Elecciones del Estado de Texas. Los votos usados en la elección llevarán impreso lo siguiente:

and all of said persons being present except \_\_\_\_\_

Whereupon, among other business, the following was transacted at said meeting:

RESOLUTION APPROVING FINAL PURCHASE PRICES FOR AND AUTHORIZING EXECUTION OF DOCUMENTS FOR CERTAIN TRACTS OF LAND REQUIRED FOR THE FLOOD CONTROL IMPROVEMENTS TO FLAT BANK CREEK, MIDDLE OYSTER CREEK AND STAFFORD RUN; AND AUTHORIZING THE FORT BEND FLOOD CONTROL WATER SUPPLY CORPORATION TO TAKE ALL NECESSARY ACTION TO ACQUIRE SUCH LAND

The resolution was duly introduced for the consideration of the Commissioners Court and reviewed in full. It was then duly moved and seconded that the resolution be adopted; and, after due discussion, the motion, carrying with it the adoption of the resolution, prevailed and carried by the following vote:

AYES: 6  
NOES: 0

The County Judge thereupon announced that the motion had duly and lawfully carried and that the resolution had been duly and lawfully adopted. The resolution thus adopted follows:

RESOLUTION APPROVING FINAL PURCHASE PRICES FOR AND AUTHORIZING EXECUTION OF DOCUMENTS FOR CERTAIN TRACTS OF LAND REQUIRED FOR THE FLOOD CONTROL IMPROVEMENTS TO FLAT BANK CREEK, MIDDLE OYSTER CREEK AND STAFFORD RUN; AND AUTHORIZING THE FORT BEND FLOOD CONTROL WATER SUPPLY CORPORATION TO TAKE ALL NECESSARY ACTION TO ACQUIRE SUCH LAND

WHEREAS, there is a public necessity for flood control improvements to the Flat Bank Creek, Middle Oyster Creek and Stafford Run watersheds (the "Project"), which are located in Fort Bend County, Texas; and

WHEREAS, in connection with the Project, it is necessary for the Corporation to acquire certain land; and

WHEREAS, by Resolutions dated January 16, 1989, and April 10, 1989, the Commissioners Court authorized the Corporation to acquire certain land after finding that a public necessity exists for the Project and requires acquisition of such land;

WHEREAS, the Corporation has funds available for the purpose of acquiring land for the Project;

WHEREAS, the Commissioners Court now desires to authorize and proceed with any and all necessary action to authorize the Corporation to finalize acquisition of certain tracts of land; Now, Therefore

BE IT RESOLVED BY THE COMMISSIONERS COURT OF FORT BEND COUNTY THAT:

Section 1: The Commissioners Court hereby approves the final purchase prices for the tracts of land submitted by the Corporation which are attached hereto as Exhibit "A", and authorizes the Corporation to acquire such tracts of land, to execute all contracts and other documents in connection therewith, to make all payments due pursuant to the terms thereof, to execute closing documents necessary to consummate purchase of such tracts of land, and to issue a check in the amount of \$175,652.00 payable to Stewart Title Company for the purchase price and closing costs for each tract of land, as shown on Exhibit "A" attached hereto.

Section 2: The Corporation and its consulting engineers, attorneys and agents are hereby authorized to take all necessary actions to finalize acquisition of the tracts of land described in Exhibit "A" attached hereto.

PASSED AND APPROVED this 17<sup>th</sup> day of July, 1989.

Gentlemen:

The Texas Commission on Law Enforcement Officer Standard and Education (TCLEOSE) recently altered its standards regarding the minimal components that must be included as part of the licensing examination for certain job categories (211.98 Psychological Examination of an Initial License Applicant, and, 211.107 Psychological Reexamination of a License Holder After a Break In Service). Specifically, these components mandate background surveys, two objective personality test and professional interviews. These specifications require considerable expenditure of professional expertise in the areas of interviewing, assessment and follow-up reports.

After investigation of appropriate examination procedure, it is requested that Commissioners' Court authorize a basic fee of seventy-five dollars (\$75.00) to Delbert F. Garnes, Ph.D. per individual examined. Funds are available in the 1989 Fort Bend County Sheriff Department budget.

Your favorable consideration of this request will be greatly appreciated.

According to State Property Tax Code, Section 6.27 (6) "The county assessor-collector is entitled to a reasonable fee, which may not exceed the actual costs incurred, for assessing and collecting taxes..." ~~A 1% commission would cover the actual cost of collection effectively.~~

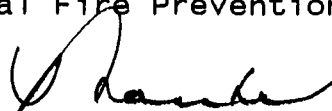

The percentage of commission currently collected is:

	Drainage		LRFC	
Current Collections	4%		2%	
Delinquent Collections	9%		7%	

	Collections	Current Commission	1% Commission	Difference
Drainage	\$ 2,932,012.57	\$ 123,781.23	\$ 29,320.13	\$ 94,461.10
LRFC	\$ 3,711,633.00	\$ 80,880.86	\$ 37,116.33	\$ 43,764.53

Presently the percentage of commission received by the county from Wharton County Junior College and Fort Bend Rural Fire Prevention District # 1 is 1 percent.

## Minutes

The Village of Pleak met for its monthly meeting at 7:00P.M. on the site where the new city hall is to be built. There was a ground breaking ceremony with the mayor, aldermen, city secretary, Bud O'Shields-County Commissioner and Jody Stavinoha-County Judge present. James Goates was the only alderman absent. After this, the council returned to Krenek's Ag-Supply for its regular meeting.

The minutes were read, corrected, and approved. It was stated that there was \$10394.78 in the regular account, \$2100.75 in the Revenue Sharing Acct., and \$110,000.00 in CD's. There were no bills to be paid.

Mayor Poncik received the approval from the council to fill out the Census Report Plan and send to the federal government.

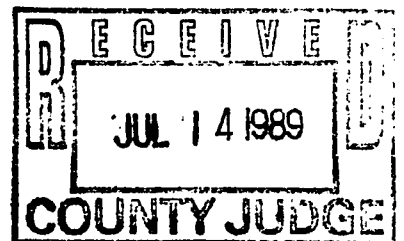

Next the council discussed bids for the water well and sewage system for the new building. Mayor Poncik stated that Ondrey Well Service had quoted \$2624.00 for a well that was 220 feet deep. Charlie Pesek had quoted \$2000.00 for the first 100 feet and \$7.50 per foot thereafter. Vincent Garcia and Cliff Boecker are working on bids for the sewage system. Mayor Poncik asked the council to think about these bids and that he would have something in writing by the next meeting. No decisions were made at this time on either of these projects.

Mayor Poncik asked for permission to research and transfer funds from our CD's to the regular checking account as Drymalla Const. will need payments on the building. Joe Niver made a motion for this action and Al Jan made the second. The motion carried.

Al Jan made a motion to approve Ordinance #23 for an Interlocal Agreement between Ft. Bend County and the Village of Pleak for animal control. Joe Niver made the second and the motion carried.

There was a discussion on a rumor about a wrecking yard moving unto a site on 2218. No one had any valid information on this. The council also discussed appointing a certified law official for the remaining term of city marshall. No decision was made on this.

Al Jan made a motion for adjournment and Joe Kunz made the second. The motion carried.

THE STATE OF TEXAS       §  
COUNTY OF FORT BEND     §

INTERLOCAL AGREEMENT  
FOR ENFORCEMENT OF ANIMAL CONTROL

THIS AGREEMENT is entered into by and between the COUNTY OF FORT BEND, TEXAS, hereinafter referred to as "County", and the VILLAGE OF PLEAK, TEXAS, a Municipal Corporation duly organized and existing under the laws of the State of Texas, hereinafter referred to as "Pleak".

RECITALS

WHEREAS, the Village of Pleak, as a general law city in the State of Texas, is empowered under Article 1015, of the Revised Civil Statutes of the State of Texas, as follows:

Section 1 - Promotion of Health - to do all acts and make all regulations which may be necessary or expedient for the promotion of health or the suppression of disease.

Section 11 - Nuisances - to abate and remove nuisances and to punish the authors thereof by fine, and to define and declare what shall be nuisances and authorize and direct the summary abatement thereof; and to abate all nuisances which may injure or affect the public health or comfort in any manner they may deem expedient.

Section 15 - Dogs - to tax, regulate or restrain and prohibit the running at large of dogs and authorize their destruction when at large contrary to Ordinances, and to impose penalties for violations of such ordinances.

WHEREAS, the Village of Pleak has passed an Ordinance No. 23 on or about July 12, 1989, a copy of which is attached hereto as Exhibit "A" and is incorporated herein for all purposes, hereinafter referred to as "Ordinance", which is designed generally to regulate the keeping of dogs and cats within the City Limits and to provide for the capturing and impounding and further handling of such animals.

WHEREAS, the Village of Pleak does not have the personnel, equipment and/or facilities with which to adequately enforce the Ordinance, and desires that Fort Bend County assist in the enforcement of the Ordinance through its Animal Control Department, its employees, authorized agents and representatives to generally assist in animal control within said Village.

WHEREAS, this Agreement between Pleak and the County is entered into pursuant to the terms of Article 4413(32c) of the Revised Civil Statutes of Texas, hereinafter referred to as the Interlocal Agreement Act, within the terms of which Pleak and the County agree that the Fort Bend County Animal Control Department shall be designated as the "Regulatory Authority" for the enforcement of the animal control regulations within the city limits of the said Village of Pleak; and

WHEREAS, the County agrees to provide the Fort Bend County Animal Control Department with personnel, equipment and/or facilities to promote and accomplish the purpose of this Agreement at the cost hereinafter established, subject to the terms and provisions hereof providing for reimbursement of the County by Pleak for certain additional expenses.

NOW, THEREFORE, in consideration of the mutual promises, covenants and conditions contained herein, the parties hereby agree as follows:

(1) The parties hereby agree that the County's Animal Control Office and such other agencies of the County as may be designated by the County from time to time, shall have full enforcement authority under the terms of the Ordinance together with general animal control authority which it otherwise has.

(2) Fort Bend County has a General Policy & Procedure for animal control service of the Fort Bend County Animal Control Department. Attached and made a part hereof for all purposes is a copy of such general policy and procedures. This Agreement is made subject to and conditioned upon the terms and regulations contained within said policy and procedures, and provided further, this Agreement is made subject to, and will automatically change, if such general policy and procedure is amended or changed by Commissioners' Court, upon written notice to the Village of Pleak.

(3) The County is to be paid a fee by Pleak for the services provided hereunder at a rate of Four and No/100 Dollars (\$4.00) per call during normal duty hours and Six and No/100 Dollars (\$6.00) per call for after hour or holiday emergency calls. Pleak further agrees to pay the County Five and No/100 Dollars (\$5.00) per animal per day for board up to a maximum of three (3) days for untagged animals, three (3) days for tagged animals, and ten (10) days for rabies quarantine. There will be no board fees for unweaned puppies or kittens held with the parent animal. Pleak agrees to release to the County any unclaimed animals at the end of the stipulated time for final disposition. Citizens of Pleak will be charged fees upon claiming their animals for impoundment and rabies vaccinations fees, as provided in the Policy and Procedure Regulations of Fort Bend County Animal Control Department, by money order to the County, and board and license fees payable to Pleak. Any excess board on animals already released by Pleak to the County will be paid to the County.

(4) In cases where County personnel must appear in Municipal Court and/or any other Court of jurisdiction, concerning the enforcement of any matter contained within this Interlocal Agreement, Pleak will pay the County Five and No/100 Dollars (\$5.00) per hour for any hour or part of an hour that the officer is in Court.

(5) Pleak agrees to provide police assistance when necessary to the County animal control personnel while the personnel are within the corporate limits of Pleak.

(6) It is agreed and understood that the County and Fort Bend County Animal Control office shall have full authority and discretion to implement and enforce the Ordinance as they, in their sole discretion, deem necessary or advisable. Pleak agrees to indemnify and hold the County harmless with respect to any and all claims, demands, and suits, including reasonable and necessary attorney's fees and court costs, arising out of the questions as to the validity and/or enforcibility of the Ordinance, or arising out of the proper and lawful enforcement of such Ordinance. The County agrees to indemnify and hold Pleak harmless with respect to any and all claims, demands or suits, including reasonable and necessary attorney's fees and court costs, arising out of the actions by the County and its employees, agents or representatives, which exceed the proper and lawful enforcement of the

AS PER ORIGINAL

Ordinance in question, and which the County or its employees, agents or representatives have been found totally negligent or willful or malicious in their actions, pursuant to this Agreement.

(7) Before there can be any additions to the duties and responsibilities of the parties other than those set forth in this agreement, the same must be approved in writing by the parties, dated subsequent to the date hereof.

(8) This agreement is on a year to year basis and automatically terminates on the 31st day of December, 1989, and the same must be renewed annually, in writing, by the agreement of all parties.

(9) This agreement may be automatically terminated upon thirty (30) days written notice by either party.

(10) Each of the parties to this agreement represents and warrants to the other that the execution of this agreement has been duly authorized by their respective governing bodies.

Fort Bend County Commissioner's Court  
Fort Bend County, Texas

Gentlemen:

The Local Government Code states that any person investigating fires in the unincorporated areas of Fort Bend County, in my absense, be approved by Commissioner's Court.

I am going to be out of town on approved travel to the Texas A & M University, on official business from July 21, 1989, through July 28, 1989. Therefore, I am requesting the approval of Greg Mensik, Rick Todish, and Daryl Hartman, all from the Rosenberg Fire Department, to investigate any fire that the Fort Bend County Fire Marshal's Office is called upon to investigate, in my absense.

I have contacted Rosenberg Fire Chief Tom Talasek, along with each individual involved, and they all state that they have no problem with my request, if approved.

All three individuals are Certified Arson Investigator's through the City of Rosenberg, and there is money budgeted to cover their expenses and mileage.

The individuals that the Court previously approved in the past to cover fires in the unincorporated areas of Fort Bend County, are also going to be at the Texas A & M University.

Your approval in this matter is deeply appreciated!

Sincerely,

Gary Tilton

Re: Tierra Grande, Section 3 - Letter of Credit #1988-06

Dear Sir:

Letter of Credit #1988-06, issued by Commercial State Bank for the account of T. G.-San Bernard, Ltd. is due to expire on July 21, 1989.

Please let me know by July 6, 1989, what provisions are being made to renew this Letter of Credit covering the construction and maintenance of roads in Tierra Grande, Section 3.

Current requirements state that Letters of Credit list County Judge Jodie E. Stavinocha or his successors as beneficiary and contain an automatic renewal provision.

You will find attached a copy of expiring Letter of Credit #1988-06 and also Fort Bend County's "Letter of Credit form", that we prefer you to use.

If you require additional information, please call.

Sincerely,

Ronald D. Drachenberg, P.E., R.P.S.

### General Descriptions

1. North Drain Pipe Crossing

10-inch diameter welded steel gravity drain line crossing Flewellen Creek near the upstream property line. Pipe to be supported by 2 supports within the county R-O-W. Refer to sheet C-5 for crossection.

2. South Drain Pipe Crossing

6-inch diameter welded steel force main crossing Flewellen near the downstream property line. Pipe stays above top of bank for entire length, and is supported by 2 supports within the county R-O-W. Refer to sheet C-5 for crossection.

3. Recycle Force Main @ Bridge

12-inch diameter welded steel force main crossing Flewellen at the existing truck bridge. Pipe is supported by bridge - no additional supports required. Refer to sheet C-5 for crossection.

4. Overhead Electric

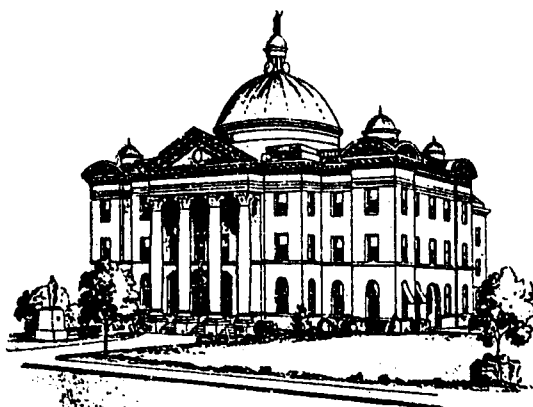

New overhead electric service crossing Flewellen near the downstream property line. No R-O-W interference. Refer to sheet C-4 for plan view, or sheet C-5 for crossection.

Note: None of these crossings will restrict access to Flewellen Creek. Separate calculations are submitted to show that conveyance lost to obstructions is less than conveyance gained via concrete lining along various portions of the creek within Hines property limits.

Each Member  
Commissioners Court  
Fort Bend County, Texas

Gentlemen,

We are having problems with the gasoline vendor, South Coast Fuel, Inc. On three separate occasions, during the period July 11-12 South Coast Fuel, Inc. failed to provide fuel to various County Departments. One location which was out of fuel was Sugar Creek Annex where Emergency Medical and Law Enforcement vehicles fill their tanks. Attached is a breakdown as to when and where these problems occurred and a copy of the gasoline bid specifications. I have highlighted those paragraphs which pertain to this matter.

This type of service can not be tolerated and the Purchasing Department wishes to make the following recommendation:

The Commissioners Court of Fort Bend County withdraw the award of Bid #89-060 - Gasoline for Fort Bend County, to South Coast Fuel, Inc. and award the bid to the next low bidder. The next low bidder is Sugar Land Bulk Oil with a bid price of \$0.0375 per gallon above the OPIS PAD 3 Average price for Houston, Texas.

I plan to put this item on the Commissioners Court Agenda for Monday, July 17, 1989 and appreciate your support.

Gilbert D. Jalomo, Jr.  
Assistant Purchasing Agent

cf: South Coast Fuel, Inc.

## FUEL LOG

VENDOR: South Coast Fuel, Inc.

CONTACT PERSON: Mr. Don Button (713) 741-7234

July 11, 1989

Sugar Creek Annex - Out of Premium Unleaded Gasoline. Called Mr. Don Button at 12:35 to notify him of the outage, Mr. Button said that he could not contact his transport driver but would try to get gas out as soon as possible.

Old Jail - Out of Premium Unleaded Gasoline. Called Mr. Button at 12:35 to notify him of the outage, Mr. Button said that he could not contact his transport driver but would try to get gas out as soon as possible.

At 3:00 P.M., gasoline had not yet been delivered to the Sugar Creek Annex nor the Old Jail. Due to the fact that Emergency Medical Vehicles fill up at the Sugar Creek Annex location and Animal Control and other Departments fill up at the Old Jail it was necessary to order fuel from another vendor (as provided for in the bid specifications). At 3:05 P.M. 500 gallons of gasoline was ordered from Mike Krolczyk, Inc. for immediate delivery to the Old Jail using P.O. #9192-08816E and 600 gallons of gasoline for delivery to the Sugar Creek Annex using P.O. #9192-08817E.

July 12, 1989

Drainage District - Out of Premium Unleaded and Regular Gasoline. Mr. Rodney Weighat from Drainage contacted South Coast Fuel at 9:00 A.M., to notify them of the outage, Mr. Don Button was not in the office. At 10:40 Mr. Weighat had not heard back from South Coast Fuel so he contacted the Purchasing Department. Mrs. Kaminski called Mr. Button immediately thereafter to notify him of the outage, Mr. Button was aware of the situation and insured Mrs. Kaminski that fuel would be delivered before noon. At 12:30 P.M., Mr. Rodney Weighat called the Purchasing Department to notify us that fuel had not yet been received. Mr. Gilbert Jalomo contacted Mr. Button to reinform him of the situation. Mr. Button said that the transport truck had left the terminal at 11:15 A.M., and was on its way. At 1:15 Mr. Weighat called the Purchasing Department for the third time, still no gas. Mrs. Kaminski then called South Coast Fuel and spoke with Mr. Crayton Nelson, Owner of South Coast Fuel she was told that the transport left Pasadena at 11:15 A.M.. At 1:45 P.M. fuel arrived at the Drainage District Maintenance Facility in Rosenberg, Texas.

Due to this outage Drainage District Vehicles and employees were unable to carry out their assignments.

**A. SCOPE:**

AS PER ORIGINAL

It is the intent of Fort Bend County to purchase from one (1) vendor all GASOLINES for use by all Fort Bend County Facilities as well as the Fort Bend County Drainage District, as provided for in this invitation for bids.

**B. PERIOD OF CONTRACT:**

This contract is for 6 months, 1 July 1989 thru 31 December 1989. Fort Bend County reserves the right to extend this contract, every six (6) months (24 months maximum), upon mutual agreement, under the same terms and conditions.

**C. CONTRACT CANCELLATION:**

Failure by the vendor to perform under this contract shall be cause for cancellation of the contract by Fort Bend County; fuel will then be purchased on the open market, charging back to the vendor the difference between market and contract price, subtracting such total from outstanding invoices or the performance bond. Fort Bend County further reserves the right to cancel this contract at any time with 30 days written notice; bidder is afforded the same right.

**D. INSURANCE:**

Bidder must submit with bid proof of liability insurance in the minimum amounts of \$100,000/\$300,000/\$100,000 (SEE PAGE #7).

**E. BID BOND:**

A bid bond in the amount of \$1,000.00 must accompany bid. Bid Bond to be in the form of a Cashier's Check payable to Fort Bend County. Successful bidder's bid bond will become a performance bond upon award of bid, and will be returned to successful bidder 15 days after expiration of contract. Unsuccessful bidder's checks will be returned, upon written request, 15 days after award of bid by the Fort Bend County Commissioners Court. Failure to submit Bid Bond will result in the disqualification of bid.

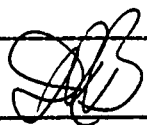

**F. SUBCONTRACTING:**

No part of this bid shall be subcontracted to another party furnishing fuel without the written approval of the County.

**G. CONTACT PERSON:**

For additional information contact Mr. Gilbert Jalomo, Assistant Purchasing Agent at 341-8640.

**H. VENDOR RESPONSIBILITIES:**

Contractor to be responsible for insuring constant availability of fuel and the absence of excessive water at the various pumps throughout Fort Bend County.

1. Underground tank located at 307 Fort St., Richmond, Texas must be measured daily between the hours of 8:00 A.M. and 9:00 A.M. Vendor agrees to not contest cancellation of this contract if this requirement is not met on even a single occasion.
2. On a recurring basis, frequency to be determined by the vendor, he shall measure the fuel at each location.
3. If fuel is needed, vendor shall contact a County employee at that location for authorization to begin delivery. The County employee must provide to the vendor a Purchase Order number before delivery is made.
4. A single episode of the vendor permitting a tank to become empty at any location shall be cause for Fort Bend County to cancel the bid.
5. Vendor is to use water indicating paste (Testmaster or equal) on the measuring stick each time fuel is measured in each tank. Any indication of water must be reported to Purchasing Agent (713-341-8640) immediately. Minor amounts of water in the tank will not preclude delivery.

**I. QUALITY CONTROL:**

Fort Bend County reserves the right to catch samples and test fuels at time of delivery for specification compliance. Costs for tests shall be borne by the Contractor in the event product fails to comply. Samples may be taken from delivery truck at time of delivery in the presence of the driver or vendors representative. If an on-the-spot test indicates the fuel contains alcohol the delivery will not be accepted. Vendor remains responsible for insuring an uninterrupted supply of fuel to each location.

1. Fuel must contain no alcohol additives or extenders.
2. Fuels must meet all Colonial Pipeline Specifications.
3. Gasoline must contain an appropriate amount of "scrubber" additive TECHROLINE or equal.
4. Fuel must be "pulled" from a terminal operated by one of the following suppliers: CHEVRON, EXXON, MOBIL, PHILLIPS 66, SHELL, TEXACO.

5. Octane ratings must meet or exceed the following: Premium Unleaded 92 octane; Regular Leaded 89 octane; Regular Unleaded 87 octane.

**J. DELIVERY:**

All delivered product shall be transferred only to County owned tanks as listed on the attachment. Delivery trucks shall be equipped with accurate measuring devices and quantities must be verifiable by County personnel upon completion of delivery. Contractor must be able to furnish certifications issued by the State of Texas which verify tank capacities on each truck. Deliveries shall be made on a measured gallon basis. Delivery ticket must reflect gallons delivered and temperature of fuel when delivered. Invoices must be adjusted to reflect a net gallon delivery corrected to 60 degrees Fahrenheit.

1. Vendor must have capability of one hour delivery in the event of an emergency.
2. The successful bidder shall not deliver products or provide services as part of this contract without a Purchase Order issued by the Fort Bend County Purchasing Agent. Successful bidder shall not deliver products or services in excess of those authorized and under no circumstances will Fort Bend County be liable for products or services which exceed the amounts authorized by the Purchase Order.
3. All deliveries must be made and completed between 8:00 a.m. and 4:00 p.m., Monday thru Friday.
4. Vendor must have a minimum of two (2) delivery vehicles which meet or exceed all applicable EPA and OSHA rules and standards (ENTER INFORMATION ON PAGE #7).
5. Fort Bend County reserves the right to add or delete delivery locations as needed.

**K. PROJECTED REQUIREMENTS FOR 6 MONTH PERIOD:**

The fuel usage quantities listed below are estimated for a 6 month period. Fort Bend County does not guarantee that these amounts will be purchased.

1. Regular Leaded Gasoline 22,500 gallons

## MODIFICATION OF A DRAINAGE EASEMENT AGREEMENT

THE STATE OF TEXAS §  
COUNTY OF FORT BEND §

WHEREAS, heretofore the following has occurred:

1. GRAND MISSION WEST, INC., a Texas corporation, by an instrument called the "Original Conveyance," which was recorded in Volume 290, Page 255, and Volume 333, Page 299 of the Official Records of Fort Bend County, Texas, conveyed to the Fort Bend County Drainage District, a Texas body politic, an eighty-foot (80') wide drainage easement.
2. That on or about February 17, 1986, GRAND MISSION CORPORATION executed in a drainage easement agreement, recorded in Volume 1880, Page 2479 to 2484 of the Official Records of Fort Bend County, Texas, which drainage easement was executed for the sole purpose of installing, constructing, operating, and maintaining a drainage ditch and related appurtenances to provide for the drainage of real property, which is the subject matter thereof and upon the property described therein.
3. That on February 17, 1986, a release and termination of easement agreement was executed by Jodie E. Stavinoha, County Judge, Fort Bend County, Texas, which agreement was recorded in Volume 1880, Page 2484 of the Official Records of Fort Bend County, Texas, which release and termination of easement attempted to release the easement and related rights and appurtenances conveyed to the Fort Bend County Drainage District by instrument (the "Original Conveyance"), recorded in Volume 290, Page 255, and Volume 333, Page 299 of the Official Records of Fort Bend County, Texas, which release and termination of easement reserved unto the Fort Bend County Drainage District the easement and related rights and appurtenances created by the "Original Conveyance" (recorded in Volume 290, Page 255, and dated June 11, 1985) until such time as the construction of the drainage ditch described in the drainage easement agreement dated February 17, 1986, and recorded in Volume 1880, Page 2479 of the Official Records of Fort Bend County, Texas, was completed.
4. That as of this date, the drainage ditch as described in the drainage easement agreement dated February 17, 1986, and recorded in Volume 1880, Page 2479 of the Official Records of Fort Bend County, Texas, has not been

*Approved 7-17-87  
Return to Elida*

commenced nor constructed, and the drainage ditch is located within the easement described in the "Original Conveyance" recorded in Volume 290, Page 255, and Volume 333, Page 299 of the Official Records of Fort Bend County, Texas.

5. Grand Mission West, Inc. is the present owner of the real property which is the subject matter of said drainage easement agreement referenced above, and as owner now desires to relocate the existing drainage easements and widen the drainage easement from an eighty-foot (80') wide drainage easement to one-hundred-ten-foot (110') wide drainage easement; and

WHEREAS, Grand Mission West, Inc., the present owner of the real property has requested that the Fort Bend County Drainage District agree to the relocation of the drainage easements which were previously granted as per the Original Conveyance recorded in Volume 290, Page 255, and Volume 333, Page 299 of the Official Records of Fort Bend County, Texas, and as described in Volume 1880, Page 2479 of the Official Records of Fort Bend County, Texas, and upon relocation of said easement, request that the Fort Bend County Drainage District agree to release the drainage easement agreement recorded in Volume 290, Page 255, and Volume 333, Page 299, (the "Original Conveyance"), and the drainage easement agreement recorded in Volume 1880, Page 2479 of the Official Records of Fort Bend County, Texas, and in place thereof accept a new drainage easement one-hundred-ten-foot (110') wide, containing 8.9438 acres, which easement is described by metes and bounds on Exhibit A attached hereto and shown on the drawing marked as Exhibit B attached hereto and incorporated herein by reference; and

WHEREAS, the purpose of this agreement is to modify the drainage easement agreements presently of record and referenced above as recorded in Volume 290, Page 255, and Volume 333, Page 299, and Volume 1880, Pages 2479 through 2484 of the Official Records of Fort Bend County, Texas, by substituting the real property described on Exhibit A and as shown on the drawings as Exhibit B in exchange for the real property described in drainage easements conveyed in the "Original Conveyance" recorded in Volume 290, Page 255, and Volume 333, Page 299 of the Official Records of Fort Bend County, Texas, and in Volume 1880, Pages 2479 through 2484 of the Official Records of Fort Bend County, Texas; and

WHEREAS, Grand Mission West, Inc. agrees that until such time as Grand Mission West, Inc. has completed the relocation of the existing drainage easement and drainage channel from its present location to the location as described by metes and bounds on Exhibit A attached hereto and as shown on

the drawing attached hereto as Exhibit B and incorporated herein, the "Original Conveyance" and easements shall remain unmodified; and

Whereas, the Fort Bend County Drainage District agrees to accept the relocated easement as described by metes and bounds on Exhibit A, and as shown on Exhibit B, and upon acceptance of the completed and approved new easement, the Fort Bend County Drainage District agrees to release the drainage easements created by the drainage easement agreement in Volume 290, Page 255, and Volume 333, Page 299 of the Official Records of Fort Bend County, Texas, and the drainage easement agreement recorded in Volume 1880, Page 2479 through 2484 of the Official Records of Fort Bend County, Texas;

WHEREAS, upon completion of the relocation of the easement and dedication of the easement as relocated, the Fort Bend County Drainage District agrees to accept the easement and shall thereafter maintain the improvements at the County's cost and expense;

NOW, THEREFORE, in consideration of the mutual understandings and agreements set forth herein, Grand Mission West, Inc., the present owner of the real property which is the subject matter of this agreement, and the Fort Bend County Drainage District herein agree:

1. That Grand Mission West, Inc., its successors and assigns, shall construct improvements in the form of a one-hundred-ten-foot (110') wide drainage easement on the land described on Exhibits A and shown on Exhibit B attached hereto and made a part hereof, and upon completion of the construction and the acceptance of said improvements by the Fort Bend County Drainage District, Grand Mission West, Inc. shall dedicate (or cause to be dedicated) the drainage easement over the property described by metes and bounds on Exhibit A and as shown on Exhibit B attached hereto to the Fort Bend County Drainage District in exchange for the release and termination of the easements recorded in Volume 290, Page 255, and Volume 333, Page 299 of the Official Records of Fort Bend County, Texas, and Volume 1880, Page 2479 through Page 2484 of the Official Records of Fort Bend County, Texas; and upon said exchange of said properties for the use of a drainage easement agreement and the acceptance of the recordation of the engineer's certificate of completion in the Official Records of Fort Bend County, Texas, this document shall constitute a modification of the original drainage easement agreements and the Fort Bend County Drainage District shall execute releases of the drainage easement agreements recited above so that by virtue of this modification of easement agreement, the property which will be subject to the drainage easement will be the

property described on Exhibit A and as drawn on the drawings marked Exhibit B attached hereto and incorporated herein by reference.

2. Grand Mission West, Inc. and the Fort Bend County Drainage District hereby execute this agreement acknowledging their consent to the modification of the easement agreement, and the parties do hereby agree to execute and deliver all further instruments and documents and to take all other further action as may be necessary and desirable to properly dedicate the new drainage easement as described herein on Exhibit A and B attached hereto and incorporated herein and to release and terminate the existing drainage easements of record affecting the property of Grand Mission West, Inc., all as provided hereinabove.

IN WITNESS WHEREOF, the parties have hereunto set their hands as of the date written below.

## MONTHLY REPORT

JUNE, 1989

Construction / Maintenance  
6400 Homestead Road  
Rosenberg, Texas 77471  
342-0141

The removal of vegetation from channels during June, 1989 was accomplished by shredding operations and by herbicide applications.

Shredding was done on forty-three (43) channels that included Big Creek II-B-6, Buffalo Creek I-B and five (5) of its tributaries, Keegans Bayou VII and eight (8) of its tributaries, Gapps Slough II-B-2-a, and Flewellen Ditch II-E-10.

Herbicides were applied to eighty-two (82) channels during June. Some of those included Big Creek II-B, Dry Branch I-E and three (3) of its tributaries, Fulshear Creek II-F, Oyster Creek II-K, and nine (9) Sims Bayou tributaries.

The District's bridge crews replaced five (5) bridges on Guy Creek I-A-1, Guy Creek I-A-1-a, Snake Creek I-C-4, and Snake Creek I-C-5 and began the replacement of a bridge on Snake Creek I-C-10.

Work continued on the excavation of the Big Creek Bypass with the Northwest 9570 dragline and the Dresser TD-25G bulldozer.

Work began on the clearing of Cedar Creek I-B downstream of Armstrong Road on June 1. The Caterpillar D-6D and the Fiat Allis FD-16B bulldozers were assigned to the project, which consists of clearing trees from the channel on newly acquired right-of-way.

The District's new Linkbelt LS-98C dragline was delivered during June and was assigned to the Willow Waterhole VIII-C-1 project. This new machine replaced the Linkbelt LS-128 which was traded in. Total excavation on Willow Waterhole was eleven thousand five hundred (11,500) cubic yards.

The District also worked on two (2) projects for the City of Rosenberg through an interlocal agreement. The Fiat Allis FD-20 bulldozer worked on the rip-rap lining of a Brazos River lateral near Seventh Street and Avenue B. The Linkbelt LS-98A worked on the excavation of a pit at the City's landfill. This pit will eventually be lined with clay and used as a deposit site for excavated refuse so that repairs can be made to areas of the landfill that are failing.

Work was also done on Seabourne Creek inside the County Landfill site. The work is being done in an attempt to eliminate ponding areas within the creek channel.

The following charts show each project worked on during June, 1989 and which equipment worked on each.

## TALLY LIST

OF THE

Bond ELECTION

HELD ON THE

17 DAY OF July 19 89At 7550 Riverbrook Drive, Richmond, Texas 77469In Election Precinct No. Fort Bend County Levee Improvement District No. 11In Fort Bend County, Texas

AS MANY AS 1200 TALLIES PER CANDIDATE

(Use as many lines or as few lines as necessary for each candidate or proposition. There are 150 tallies for each single line.)

This Form is prescribed in accordance with the Texas Election Code.

(See last page of Tally List for Instructions and Certificate.)

If the election is for the purpose of voting on candidates for office, indicate the name of the office in the 1st column and the names of the candidates in the 2nd column, allowing as many lines as necessary for each candidate as there are votes cast in the election. If the election is for the purpose of voting for or against certain propositions, indicate the words "FOR" and "AGAINST" in the 1st column and the various propositions should be listed in column two, allowing as many lines as necessary for the affirmative and for the negative on each proposition as there are votes cast in the election.

OFFICE OR "FOR" AND "AGAINST"	CANDIDATES OR PROPOSITIONS	5	10	15	20	25	30	35	40	45	50	55

### INSTRUCTIONS

1. There must be kept three original sets of tally sheets. (Sec. 65.004)
2. Each tally sheet must include:
  - name and offices of candidates
  - date of election
  - precinct number
  - type of election
  - name of presiding judge
  - signature of person keeping the tally sheet
3. Periodically, the tally sheets must be compared for any errors or discrepancies, and if they are found, the ballots must be recounted and the necessary corrections made.
4. In all elections where straight party voting is allowed, it is necessary to list the name of each political party under the column for candidates. A straight party vote is one in which the party box is marked and no other individual boxes for candidates for other parties are marked. Count a straight ticket ballot by tallying for the political party receiving the vote instead of tallying for each candidate of that political party. (See below)

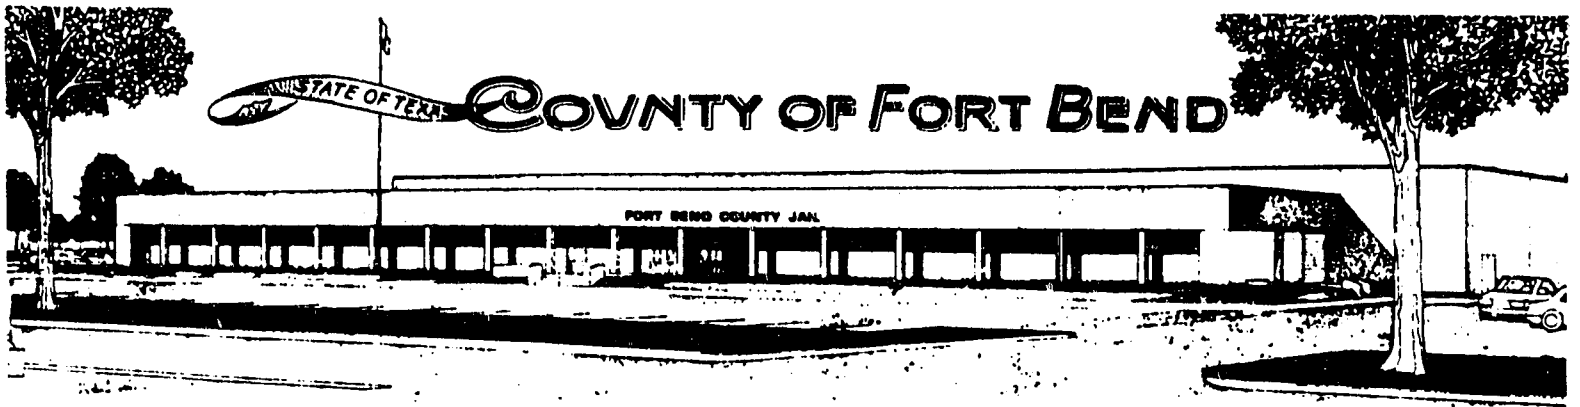

After all ballots are counted and the election judge is making out the returns, he adds the total number of straight party votes to the total for each candidate of that political party. (Sec. 65.007)

5. A ballot on which the party box is marked but individual boxes for other candidates are marked is not considered a straight party vote and must be tallied as a split ticket. Tally a vote for each candidate of the political party for which a straight party vote is indicated except for any candidate of that party opposed by a candidate for whom a vote is individually indicated. Tally a vote for each candidate individually indicated.

### EXAMPLE

OFFICE OR "FOR" AND "AGAINST"	Name of Candidates or Propositions	5	10	15	20	25	30	35	40	45	50	55
	Big Party	II	II	II								
	Little Party	II	II	III								

6. For valid write-in votes for candidates whose names do not appear on the ballot, the name of the write-in candidate shall be entered on the tally list and the votes shall be tallied in the same manner as votes for a candidate whose name appears on the ballot. (Sec. 65.008)
7. When a member of the counting team must be replaced, correct any existing discrepancies in the tally lists. The officer being replaced certifies to the accuracy of that tally list by signing at that time and indicating the final vote tallied by him/her for each candidate or proposition.
8. On completing the count, each counting officer computes the total number of votes cast for each candidate and for or against each proposition and enters the totals on the tally list. After verifying that all three lists are in agreement, each counting officer signs that officer's list.

July 11, 1989

Commissioner Denham,

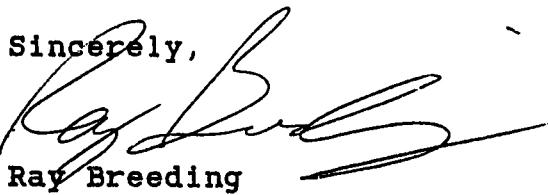

At the time I approached Commissioner's Court to amend my 1989 budget to accommodate the Missouri City office, Commissioner's Court advised me that the line item for utilities would, at that point, not be amended. They had asked me to wait approximately six (6) months, so as to receive enough utility bills so I would have a more general idea on how much it would cost to operate the Missouri City office.

The original amount of \$6,000 was given to me for the full year. However, that amount was only for the Needville office. Since opening the Missouri City office, utilities from both offices have been paid from that \$6,000.

Since it has taken \$6,000 to operate both offices for six (6) months, I would assume that it would be safe to say that an additional \$6,500 for the remainder of this year would be enough. This amount is also taking into account that we still have at least two (2) more months of hot weather (extra a/c). At the present time I am \$8 in the red for this line item.

Having this information, I request that Commissioner's Court amend my line item for utilities by adding \$6,500.

Sincerely,

  
Ray Breeding

Dear Judge Stavinoha:

Heard, Goggan, Blair & Williams requests to be placed on the Commissioner's Court agenda for July 24, 1989 to come before the Court to reaffirm our offer to provide tax collection software to Fort Bend County to run on your existing Hewlett Packard computer.

Acceptance of our offer by the Tax Assessor could very favorably impact collections of both current and delinquent taxes and thus maximize the revenues available for the many needs of Fort Bend County during the coming and subsequent budget years.

Additionally, to address a concern brought to our attention, we will propose a method to provide the County with a perpetual license to use our software after our contractual relationship with the County is concluded.

Sincerely,

FORT BEND COUNTY  
ANALYSIS OF TAX COLLECTION SYSTEM

PREPARED BY  
HEARD, GOGGAN, BLAIR AND WILLIAMS

JULY 19, 1989

This analysis was compiled for the purpose of presenting a brief overview of the Current Tax Collection System being used by Fort Bend County. In the analysis we point out some of the Benefits of the UGSA Tax Collection System compared to the County's current system. These observations are made without an internal working knowledge of the County's tax system but rather from the perspective of consolidating and collecting the delinquent tax roll.

We believe that these observations are accurate and that resolution of the problems presented here would have a positive affect on Fort Bend County collections, both current and delinquent.

Also attached to this analysis is a short section on delinquent collections.

FORT BEND COUNTY  
BENEFITS OF THE UGSA TAX COLLECTION SYSTEM  
COMPARED TO THE COUNTY'S CURRENT SYSTEM

LESS USE OF STORAGE, NO DUPLICATION OF DATA

The County's current system stores one record for each receivable year. This record contains all pertinent administrative information such as name, address, legal description, property location, etc. The duplication of this information for every tax year is not necessary and requires much more on-line storage than a system that stores administrative information once for each parcel of property. The UGSA system stores information in such a way that data duplication is eliminated making more efficient use of on-line storage and thereby reducing processing times.

FILES ARE CONSOLIDATED AND INTEGRATED

The County's current system stores the current tax year, delinquent tax years and supplements in separate files. This creates the need for separate reporting and processing runs on these files. It also creates the need for "roll over" processing at the end of the year to integrate the last current file into the delinquent file and make room for the new tax roll. This process disables the tax system for some time in July and has in the past taken as long as two weeks to accomplish. The UGSA system stores, all tax receivables in an integrated set of files. All reporting is done on this single set of files for current, delinquent or supplemental reports. This eliminates the need for "roll over" processing.

AUTOMATED APPRAISAL DISTRICT INTERFACE

The County has no automated interface with the Appraisal District for processing of supplements, cancellations, or correction of errors. Any changes from the Appraisal District after the certified roll is processed must be keyed in by tax office personnel. The UGSA system provides for an automated interface, which includes supplemental billings, that virtually eliminates the need for tax office personnel to key in change information. The system currently in use is time consuming and error prone at best.

CORRECTION OF PAYMENT ERRORS - VOIDING OF PAYMENTS

The County currently has no automated procedure for voiding payments or correcting erroneously posted accounts. In many cases, special processing must be performed by members of the data processing staff to correct erroneous

## STATUS OF DELINQUENT COLLECTIONS

## FORT BEND COUNTY

## COLLECTION OF TAX PLUS PENALTY AND INTEREST\*

January - December 1987	\$2,122,604
January - December 1988	\$1,893,191

\* Does not include 33.07 attorney's fees.

We are not certain of the status of delinquent collections for 1989 thus far. There are at least two factors that have contributed to this situation. They are as follows:

We have not received collection reports from the tax office since February. The only way to determine the status of collections, besides with collection reports is to extrapolate collections from fees paid to us. It is not unusual for end of month closeouts (and payment of fees) to be delayed as long as a month after the last day of the month to be closed out. We think these delays are directly attributable to deficiencies in the County's tax collection system (discussed in this package).

We have recently received (Thursday, July 13) the new delinquent roll from Fort Bend County. Because of extraordinary processing (see note) required on the County's tax roll, we have not yet arrived at a current turnover for the 1988 roll year. This information is necessary for the projection of collections for the period between July and December 1989.

We believe that difficulties we have experienced in determining the status of the roll have a direct negative impact on our ability to collect delinquent taxes. Also these same problems have affected collection of the current taxes in Fort Bend County.

Note:

The County's delinquent tax roll requires a certain amount of manual processing before we are able to post payments to it. The nature of this processing is a reconciliation necessary to ensure that payments are credited to the proper account. This process involves payment to pre-appraisal district roll years where account numbers are different for each year or do not exist at all.

2. This Agreement shall commence on the date first written above and shall be for a consecutive period of 1 year ("Initial Term") with additional automatic one (1) year renewal periods. Said renewal periods shall commence automatically without further action on the part of Licensor or County.

a. This Agreement may be terminated by either party at any time, with or without cause, upon not less than thirty (30) days written notice delivered by mail.

3. County shall pay to Licensor a monthly fee of \$206.00 ("Base Fee") during the Initial Term of this agreement which shall be billed annually at \$2,472.00. The base fee set forth above is inclusive of the charge for the furnishing of power to County.

4. (a) County shall operate its Equipment during the term hereof in compliance with all present and future rules and regulations imposed by any local, state or federal authority having jurisdiction over transmissions and operations involved in the radio communications systems and equipment. Prior to installation of its Equipment, County's Equipment House, if any, or any modifications or changes to the Equipment, Equipment House or County's Equipment House, if any, County shall comply with the following:

(i) County shall submit all plans for Licensor's approval;

(c) In the event County requires an electric power supply different from the power currently provided by Licensor, the County at its sole cost and expense shall obtain such power supply. Any work performed in connection with the power supply shall comply with provisions of subparagraph (a) hereof. County hereby agrees that any power lines installed by County shall run within the current easements of Licensor, and any deviation from such easements shall be corrected at County's expense which sum shall be immediately due upon the rendering of an invoice as an additional fee hereunder.

(d) In the event a zoning variance is required in connection with the installation or modification of County's Equipment, or County's Equipment House, Licensor shall have the right to either (i) cancel this Agreement or (ii) allow County, at its sole cost and expense, to obtain such variance. Licensor, at County's request and expense, agrees to reasonably cooperate with County in obtaining such variance.

5. The installation and operation of County's Equipment shall not interfere electrically, or in any other manner whatsoever, with Licensor or with any other party presently operating and maintaining radio communications systems and equipment at the tower, and with Licensor's lighting system. All repeater systems on the tower shall be equipped with a passtype duplexer, no traptype duplexers shall be allowed. Notwithstanding

anything in the Agreement to the contrary, it is expressly understood and agreed that if the installation or operation of County's Equipment shall interfere with other radio communications systems and equipment, County shall upon request (verbal or otherwise) immediately do whatever Licensor deems necessary to eliminate or remedy such interference. If County fails to immediately eliminate or remedy such interference, Licensor may at its option immediately and without notice terminate this Agreement and remove any and all of County's Equipment at County's cost and expense, or eliminate or remedy such interference at County's cost and expense.

✓ 6. (a) County at its own cost and expense shall be responsible for maintenance of its Equipment and improvements on premises, if any, in accordance with all applicable laws and regulations. All maintenance work shall be performed by certified steeplejacks or contractors previously approved in writing by Licensor. In the event Licensor in its opinion, determines that any structural modifications or repairs are needed to be made to its tower or surrounding premises due to the presence of County's Equipment or other improvements, Licensor shall have the right to (i) terminate this Agreement by giving written notice to County, or (ii) notify County of needed modifications and repairs, and County at its sole cost and expense shall immediately make all such noticed modifications or repairs in accordance with paragraph 4(a) hereto.

(b) Provided that County is not in default in the performance of its obligations hereunder, at the expiration of this Agreement or earlier termination hereof, County shall remove its Equipment and/or County's Equipment House, if any, provided that such removal is done by a certified steeplejack, or contractor previously approved in writing by Licensor and in accordance with a previously approved removal plan, in a workmanlike manner, without any interference, damage or destruction to any other equipment, structures or operations of the tower, and without injury or damage to the tower. Any and all interference or damage caused to the tower or operations of the tower by such removal shall be immediately repaired or eliminated by County. If County fails to make such repairs within three (3) days after occurrence of such damage, injury or interference, Licensor may perform all the necessary repairs at County's cost and expense and such sum shall be immediately due upon the rendering of an invoice as an additional fee hereunder.

7. In the event the tower or any part thereof is damaged or destroyed by elements or any other cause, Licensor may elect to repair, rebuild, or restore the tower to the same condition as it was immediately prior to such casualty. In such event, the payments required herein shall cease as of the date of such casualty until the tower, in Licensor's opinion, is restored to a useable condition for County's operation. July 13, 1989

The Honorable Jodie E. Stavinoha  
and Commissioners' Court  
Fort Bend County

RE: Agreements between Fort Bend County and Bowen-Smith Corp.  
for a 420' and a 440' level antenna on the Rosenberg #2  
Tower

Gentlemen:

This letter is to advise you that in the enclosed duplicate originals of the renewal and amendment letters Bowen-Smith desires to increase the monthly rental for two license agreements with Fort Bend County. The first agreement was approved by Commissioners' Court on October 1, 1988 for a 440' tower at a monthly rate of \$206.00. The second agreement was approved by Commissioners' Court on February 1, 1989 for a 420' tower at a monthly rate of \$184.00. Each agreement provides for automatic renewal and a cancellation by either party upon thirty (30) days written notice. Neither agreement provides for an increase in the monthly rental rate.

Please be advised the enclosed Bowen-Smith Corp. letter of renewal and amendment intends to increase the rate from \$206.00 to \$228.00 for the 440' antenna. Furthermore, it intends to increase the rate from \$184.00 to \$198.00 for the 420' antenna and modify the commencement date to October 1, 1989 instead of January 1, 1989.

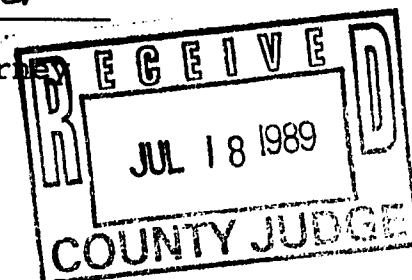

It is the opinion of this office that if Commissioners' Court agrees to the changes proposed by Bowen-Smith Corp., a more complete legal document should be drafted. The Civil Division will await the court's direction.

Very truly yours,

Portia Poindexter  
Assistant District Attorney

TO: Members of Commissioners Court  
FROM: Richard Selleh - Personnel Director RAS  
SUBJECT: Additional help for the Personnel Department

*total  
\$13,370  
for 2 employees  
for 1989*

I have not asked the Court for new employees since the 1985 budget year. It has not been that I did not need more help. I had no place for additional employees to work. Every year I have asked my staff if we could circle the wagons and make another year without help. Every year they have said we can try. In 1986, 1987, and 1988 we made it but this year has been different. I did not know at budget time that we were going to have a re-enrollment of health and dental insurance. Unless you were involved in this process, you have no idea how many extra hours work this caused my department. My staff has come in early, stayed late, and worked Saturdays, trying to keep us caught up. In spite of their efforts, we are still behind in our work.

All verifications of health and insurance claims now comes thru my department. In the first six months of 1989, we have verified 5,352 health insurance claims and 1,167 dental insurance claims. At budget time last year, this was not an item my department was anticipating the responsibility for.

We will be handling the new card entrance system for the William B. Travis building. This will add slightly to our work load.

The new 125 Flex plan is taking some of Bill Thomas and Becky Crawford's time. As the kinks get worked out of this new program, they will be devoting less and less of their time to the program.

Four years ago, when the responsibility for the telephone listing was assigned to my department, it was with no extra help and no increase in salary for any of my employees.

The general rule of thumb used in staffing Personnel Department these days is that the Personnel Department should have one employee to support every 100 employees in the organization. The County now has 879 full time employees and 120 part time employees. Under the generally accepted guidelines, I should have nine employees in my department. At the present time, including myself, I have five employees. By running my department with half the normal staffing in the industry, I have saved the taxpayers and the County tens of thousands of dollars during the last four years.

Continued --

The only reason I am not further behind is because my wife has been working for free since my accident with my left eye. This summer, I have been using a recent high school graduate in the work experience program. The work experience program will end on August 25, 1989. At that time, I would like to add Shannon Coneley to my staff as a counter clerk pay grade 4 step 1 and after ninety days, if she works out, I would like to move her to step 2. The cost including benefits would be \$ 5,850.00.

I would also like to include a Clerk II position at this time. This person would help Phyllis Mikeska with the insurance claims and also help Sandy Kucera with the workers compensation, unemployment, and insurance bids that are coming up later this year. The cost of this position with benefits would be \$ 7,520.00. The insurance bid procedure is another task that has been dumped in my office with no additional personnel. Perhaps the insurance bids should be in the purchasing department. Maybe next year, the Court will look at hiring a risk manager to take over the insurance duties. This person could be placed in the Treasurer's Office or the Personnel Department or the Purchasing Department.

Step six in the pay grade is the average salary that a job is paid for in our area. The only person in my department including myself who is at pay grade six is Bill Thomas. My department is underpaid and overworked. Becky Crawford, Sandy Kucera, Phyllis Mikeska, and myself all deserve to be brought to pay grade six next year. Phyllis, Becky and Sandy make less than most of the road and bridge equipment operators but individually they are more valuable to the County in their positions than the equipment operator is.

## SUBDIVISION BOND

KNOW ALL MEN BY THESE PRESENTS, that we RICHWOOD DEVELOPMENT COMPANY, as principal, and FIDELITY AND DEPOSIT COMPANY OF MARYLAND, as surety, are held and firmly bound unto FORT BEND COUNTY, TEXAS, in the penal sum of Nineteen Thousand Three Hundred Twenty Nine and no/100 Dollars, (\$19,329.00), lawful currency of the United States of America, for the payment of which, well and truly to be made, we do hereby bind ourselves, our heirs, executors, administrators and successors, jointly and severally and firmly by these presents.

THE CONDITION OF THIS BOND IS SUCH THAT, WHEREAS, the above bounden principal has agreed to construct in accordance with the plans and specifications of 6,443 feet of streets in Richwood Village, Sec. I, Fort Bend County, Texas.

*Richwood Village, Sec. 3*

It is further agreed that said principal will maintain the above street in accordance with minimum requirements of Fort Bend County, Texas.

NOW THEREFORE, if the above bounded principal shall faithfully maintain the above mentioned street as required thereby and, shall pay over and make good and reimburse Fort Bend County, all loss and damages which Fort Bend County may sustain by reason of any failure or default on the part of said principal, then this obligation shall be null and void; otherwise to remain in full force and effect subject to acceptance by Fort Bend County, Texas.

EXECUTE this 10th day of August, 1979.

RE: A Road Construction Bond, Riverwood Village Section 3  
Principals: Richwood Development Company, Todd Development

Dear Mr. Drachenberg:

This letter is to review our telephone conversation today.  
You and I agree on the following facts:

1. The enclosed \$32,000.00 Road Construction Bond was obtained in 1981 pursuant to the Fort Bend County Subdivision Rules and Regulations of 1978.
2. The enclosed December 1985 order of Fort Bend County Commissioners' Court cancelled Riverwood Village Section 3.
3. A new plat of Riverwood Village Section 3 was approved and filed in April of 1987.
4. There was no new road construction bond filed.

You said that, when the new plat was approved, it was the policy of the Fort Bend County Engineering Department not to require a new bond in this situation. It was believed that the former bond was sufficient to secure the construction of the roads in the subdivision.

If my understanding of our conversation is incorrect, please advise me.

Very truly yours

COUNTY OF FORT BEND

THAT RICHWOOD DEVELOPMENT COMPANY  
of Harris County, Texas, hereinafter called the Principal, and  
Royal Indemnity Company  
a Corporation existing under and by virtue of the laws of the State  
of Texas and authorized to do an indemnifying  
business in the State of Texas, and whose principal office is located  
in the City of Houston, State of Texas  
whose officer residing in the State of Texas, Authorized to accept  
service in all suits and actions brought within said State is  
Jess Harvey, residing in the City of Houston  
hereinafter called the Surety, are held and firmly  
bound unto, Jodie E. Stavinoah County Judge of Fort Bend  
County, Texas, in the full sum of Thirty-Two Thousand and No/100  
Dollars (\$32,000.00) current,  
lawful money of the United States of America, to be paid to  
Jodie E. Stavinoah, County Judge of Fort Bend County, or his  
successors in office, to which payment well and truly to be made  
and done, we, the undersigned, bind ourselves and each of us, our  
heirs, executors, administrators, successors, assigns, and legal  
representatives, jointly and severally, by these presents.

WHEREAS, the said Principal is the owner of the following  
Subdivision (s):

Riverwood Village, Section Three (3)

located in Fort Bend County, Texas, as per Volume(s) 74  
Page(s) 91, Map Records of Fort  
Bend County, Texas; and

WHEREAS, the Commissioners Court of Fort Bend County, Texas,  
has promulgated certain rules, regulations and requirements relating  
to Subdivisions in Fort Bend County, Texas, as more specifically  
set out in Section 1 of the policies for approval of plats in Fort  
Bend County; same being made a part hereof for all purposes, as  
though fully set out herein; wherein it is provided, among other  
things, that the owner of a Subdivision will construct the roads and  
streets therein shown, in accordance with the specifications set out  
therein, and maintain such roads and streets until such time as roads  
and streets have been accepted and for maintenance by the Commissioners  
Court of the County of Fort Bend, Texas.

AS PER ORIGINAL

It is further stipulated and understood that the approval of the map or plat of the above Subdivision(s) is conditioned upon and subject to the strict compliance by the Principal herein with the aforesaid specifications, and that the terms of said specifications, including all deletions, additions, changes or modifications of any kind or character, constitute a contract between the County of Fort Bend and Principal; and it is understood by the Principal that the approval of said map or plat of the above Subdivision(s) was obtained only by the undertaking of the Principal to so comply with the said regulations and specifications, and that without such undertaking such approval would have not been granted.

NOW THE CONDITION OF THIS OBLIGATION IS SUCH, that if the above bounded Principal, his, their, or its heirs, executors, administrators, successors, assigns, and legal representatives, and each and every one of them to do in all things well and truly observe, perform, fulfill, keep and comply with all and singular the rules, regulations, requirements and specifications above referred to, including any deletions, additions, changes or modifications of any kind or character, in the construction and maintenance of all roads and streets in the above named Subdivision(s) and that upon approval of the construction of said roads or streets by the County Engineer, and upon the approval of such maintenance by the County Engineer, then this obligation to be void and of no force and effect.

The Principal and Surety hereon each agree, bind and obligate himself and themselves to pay to the County Judge of Fort Bend County, State of Texas, for the use and benefit of Fort Bend County, all loss or damages to it occasioned by reason of failure of the Principal to comply strictly with each and every provision contained in the rules, regulations, requirements and specifications above referred to relating to the construction and maintenance of roads and streets in the above named Subdivision(s), and further agree, bind and obligate themselves to save and keep harmless the County of Fort Bend from any and all damages, expenses, and claims of every kind and character which the County of Fort Bend may suffer, directly or indirectly, as a result of the Principals's failure to comply with the rules, regulations and specifications relating to the construction and maintenance of the roads and streets in the above named Subdivision(s).

The word Principal when used herein means Principal or Principals whether an individual, individuals; partnership, corporations, or other legal entity having the capacity to contract. The words Roads or Streets used herein mean each and every road or street in said Subdivision(s). The word Maintenance as used herein means all needful, necessary and proper care and repair from completion of the roads or streets and approval thereof by the County Engineer until acceptance of the roads and streets by the Commissioners Court. The word Surety when used herein means Surety or Sureties, and it is understood by the parties that any and all liabilities of any kind or character assumed or imposed upon the Principal by the terms hereof extends in full force and vigor to each and every Surety jointly and severally.

AS PER ORIGINAL

In the event of suit hereunder, such suit shall be brought in Fort Bend County, Texas

IN THE MATTER

AS PER ORIGINAL

VACATING AND ABANDONING  
RIVERWOOD VILLAGE  
SECTION THREE

§ COMMISSIONERS COURT  
§ OF FORT BEND COUNTY,  
§ TEXAS

ORDER

On this the 16 day of December, 1985 came to be heard by the Commissioners' Court of Fort Bend County, Texas, the Petition of Todd Development Company (hereinafter sometimes referred to as "Petitioner"), for an Order of this Court to cancel and vacate the subdivision known as Riverwood Village Section Three (the "Subdivision") (located in the J.W. Moore & League Abstract No. 61 filed in Volume 28, Page 12 of the Map Records of Fort Bend County, Texas) and to abandon and vacate any easements and rights-of-way to any streets or roads as may have been dedicated on the plat of the Subdivision. Said Petition and the evidence submitted in support hereof having been fully heard and considered by the Court, and the Court finds:

- (1) Pursuant to Article 6626d of the Texas Revised Civil Statutes, Petitioner has caused to be published in a newspaper in Fort Bend County notice of the hearing three (3) times during the period beginning thirty (30) days prior to the date hereof; and
- (2) That Petitioner is the sole owner of legal title to all of the real property located in Riverwood Village Section Three with the exception of Lots 54, 55, 56 and 57, all in Block Two (2) of the Subdivision; and
- (3) That the owners of Lots 54, 55, 56 and 57, all in Block Two (2) of said Subdivision consent to the cancellation and vacation of said Subdivision; and
- (4) That no valid objections to the cancellation and abandonment the Subdivision known as Riverwood Village Section Three or the abandonment and vacating of any easements and the rights-of-way to any streets or roads

AS PER ORIGINAL

as may have been dedicated on the plat of the Subdivision have been asserted by any person having a direct interest therein. And the Court, being of the opinion that the Subdivision should be cancelled and abandoned and any easements and rights-of-way to any streets or roads dedicated on the plat of the Subdivision be abandoned and vacated to the extent applied for in the Petition, it is accordingly,

ORDERED, ADJUDGED AND DECREED by the Court that, the Subdivision known as Riverwood Village Section Three, in the J.W. Moore & League, Abstract No. 61 (filed in Volume 28, Page 12 of the Map Records of Fort Bend County, Texas) be cancelled and vacated and any easements and rights-of-way to any streets or roads, as may have been dedicated on the plat of the Subdivision be abandoned and vacated.

Honorable Jodie E. Stavinoha  
County Judge  
P. O. Box 368  
Richmond, TX 77469

Dear Judge Stavinoha:

In the fall of 1987 we were informed by Ron Drachenberg, County Engineer for Fort Bend County, that we needed to vacate the 360 square feet of office space located in the Fort Bend County Engineering Department Building as soon as possible. Based on this notification we vacated the county space and moved to a new location March 1, 1988.

It has come to our attention that our Financial Management Section in the state office has continued to pay the monthly rent of \$150.00 to Fort Bend County on Lease No. 57-7442-6-3461 through June of 1989.

By this letter we are requesting reimbursement for 16 months of rent at the rate of \$150.00 per month for a total of \$2,400.00. The payment should be made to the Soil Conservation Service, 101 South Main, Temple, TX 76501.

We apologize for any inconvenience caused by this oversight and will appreciate your prompt attention to its resolution.

Sincerely,

## AGREEMENT

THE STATE OF TEXAS §  
COUNTY OF FORT BEND §

THIS AGREEMENT, made and entered into by and between the COUNTY OF FORT BEND, TEXAS, hereinafter referred to as "County", and SUGARLAND PROPERTIES INCORPORATED, a Texas corporation, hereinafter referred to as "SPI".

WHEREAS, SPI desires to dedicate for roadway purposes those certain tracts of land described by metes and bounds in Exhibits A and A-1 attached hereto to the County;

WHEREAS, in consideration for such dedications, the County desires to abandon that portion of roadway described in Exhibit B attached hereto ("Beltz Road");

WHEREAS, it is the desire of the County and SPI that this agreement is subject to the terms, conditions, and requirements of Article 5421c-12, Vernon's Texas Civil Statutes; and,

WHEREAS, SPI agrees that the value of the property to be exchanged described in Exhibits A and A-1 is equal to or greater than the fair market value of the property described in Exhibit B.

NOW, THEREFORE, in consideration of mutual understandings and agreements set forth herein, the County and SPI agree as follows:

1. SPI shall dedicate, by instrument substantially in the form attached hereto as Exhibit C, the land described in Exhibits A and A-1 attached hereto for public roadway purposes and as right-of-way to the County as part of Lexington Boulevard.

2. Upon recordation of SPI's dedication to the County, in a form satisfactory to the County, the County will abandon that portion of Beltz Road described in Exhibit B; provided, however, the terms and conditions of this exchange are subject to the terms and conditions of Article 5421c-12, Vernon's Texas Civil Statutes.

3. As further consideration for the abandonment of Beltz Road, SPI covenants and agrees to construct roadway improvements on the land described in Exhibits A and A-1.

4. County shall, after the construction of the improvements on the land described in Exhibits A and A-1 have been completed and the same have been certified by the County Engineer to meet county standards, accept said improvements into the County Road Maintenance System and thereafter maintain said improvements at its own cost and expense.

5. County and SPI agree to execute and deliver all further instruments and documents, and to take all further action that may be necessary or desirable, in order to properly dedicate Lexington Boulevard and abandon Beltz Road.

IN WITNESS WHEREOF, the parties have hereunto set their hands as of the date written below.

CERTIFICATION AND RESOLUTION

WHEREAS, the Texas Family Code requires annual certification, designation, and approval of all detention facilities for juveniles in Fort Bend County by the Fort Bend County Juvenile Board to the authorities responsible for operating and giving financial support to such facilities; and

WHEREAS, the Commissioner's Court of Fort Bend County is the governmental authority responsible for said support of the Fort Bend County Juvenile Detention Center; and

WHEREAS, the members of the Fort Bend County Juvenile Board have inspected the Fort Bend County Juvenile Detention Center for the purpose of determining its suitability for the detention of children pursuant to all relevant sections and sub-sections of the Texas Family Code;

It is therefore RESOLVED and CERTIFIED that the Fort Bend County Juvenile Detention Center is suitable for the detention of children pursuant to all relevant sections and sub-sections of the Texas Family Code and the Texas Juvenile Probation Commissioner's Standards on Detention Facilities.

It is further NOTED and ADVISED by the said Juvenile Board, that in order to insure continued suitability, certain facts and needs will be addressed in the next annual budget request for Juvenile Probation and Detention; to wit:

- A. The increased security needs of the Detention Facility caused by the increased number of juvenile probation referrals;
  - B. Methods whereby client confidentiality can be maintained;
  - C. Separation of the probation services area from the detention services area at the facility;
  - D. Hiring of additional direct care workers to meet the increasing needs of probation and detentions services; and
  - E. Adding additional detention cells designated for single occupancy to be used for certain high-risk and/or medical problem juveniles;
- and

The continued support of juvenile services for Fort Bend County, as provided by the Fort Bend County Commissioner's Court, remains vital to the efforts of the Fort Bend County Juvenile Board and the Juvenile Probation Department.

RESPECTFULLY SUBMITTED by the Fort Bend County Juvenile Board this the  
 27<sup>th</sup> day of June, 1989.

## AGREEMENT

made as of the Twenty-Fourth day of July in the year of Nineteen  
Hundred and Eighty-Nine

BETWEEN the Owner: Fort Bend County, Texas  
PO Box 368  
Richmond, TX 77469

and the Architect: The Office of Pierce Goodwin Alexander & Linville  
PO Box 130319  
Houston, TX 77219-0319

For the following Project:

*(Include detailed description of Project location and scope.)*

A study to determine the detention needs of the Fort Bend County Sheriff and Juvenile Probation Departments and the preparation of a master development plan to meet those needs.

The Owner and the Architect agree as set forth below.

**ARTICLE 1**  
**ARCHITECT'S SERVICES**

(Here list those services to be provided by the Architect under the Terms and Conditions of this Agreement. Note under each service listed the method and means of compensation to be used, if applicable, as provided in Article 10.)

**1.1 DATA COLLECTION PHASE**

- 1.1.1 The Architect will <sup>review</sup> collect all available historical data from the Houston Galveston Area Council (HGAC) and Rice Center regarding the existing general population in the Fort Bend County (hereinafter referred to as County) area, as well as those Southwest Houston areas where transient inmates reside, numbers and demographics, and develop a profile of the County population and its historical growth trends. Texas Department of Health projections for juvenile population, ages 10 - 16, will be used to supplement HGAC and Rice Center projections.
- 1.1.2 The Architect will <sup>review</sup> collect all available data on projected population growth and any data and/or opinions as to whether or not the character of the growth will be significantly different than the historical character of the County. (i.e. more industry, more juvenile, etc.)
- 1.1.3 The Architect will <sup>review</sup> collect all available historical data regarding crime rates, arrest rates, incarceration rates, jail census and other such data as will portray the historical growth, trends and absolute numbers of inmates housed in County Jail and Juvenile Detention Unit during the past ten years.
- 1.1.4 The Architect will <sup>review</sup> collect all available data and/or interview key officials involved with the correctional system in the County to develop a consensus as to developing trends or upcoming legislation, rulings, ordinances, change of judicial procedures, etc., that might have an impact on probable future crime rates, arrest rates, and/or incarceration/rates.
- 1.1.5 The Architect will review with the County the findings of this phase of work before proceeding with subsequent phases.

**1.2 PROGRAM DEVELOPMENT PHASE**

- 1.2.1 The Architect will analyze the data collected in Phase I and prepare projections of inmate and juvenile housing needs for the Jail and Juvenile Detention Unit for the years 1989 through 2005.
- 1.2.2 The Architect will prepare a general design program for the required facilities needed to house the projected inmate load. This program will reflect the standards of the Texas Jail Commission regarding the housing of County inmates. A separate program will be developed for the juvenile detention needs. This program will reflect the Standards of the Texas Juvenile Probation Commission.

detention needs. This program will reflect the Standards of the Texas Juvenile Probation Commission.

1.2.3 The Architect will, based on data collected in Phase 1 and in conjunction with the Sheriff, prepare a projected staffing plan for the Sheriff's Department based on 1989 - 2005 projections. Based on this information, we will prepare a general design program for the space required to accommodate the Sheriff's Department.

1.2.4 The Architect will, based on data collected in Phase 1 and in conjunction with the Chief Juvenile Probation officer, prepare a projected staffing plan for the Juvenile Probation Department. Based upon this information, prepare a general design program for the space required to accommodate the Juvenile Probation Department.

### 1.3 MASTER DEVELOPMENT PLAN - SHERIFF DEPARTMENT

1.3.1 Based on the needs reflected in Sections 2.1, 2.2 and 2.3 above, the Architect will prepare two Master Development Plan options for the future development of the existing jail property and County owned property adjacent to the Sheriff's Department to meet the inmate housing and staff space needs of the Sheriff's Department through the year 2005, using the following assumptions:

A. The Parole & Probation and the Academy operations will remain on the site.

B. The site(s) would be utilized for the Sheriff and Jail only.

1.3.2 The Master Development Plan of the site will be diagrammatic in nature sufficient to show the physical layout of the site, the parking and circulation layouts, etc. A diagrammatic layout showing the arrangement of functional areas within each building will also be included. Utility requirements will be analyzed and improvements noted and located on the site plan. Additional support services, ie. fuel services, for the operation of the Sheriff's Department fleet will be addressed.

1.3.3 The Architect will make a formal presentation to the Fort Bend County Commissioner's Court of the Final Master Development Plan and Supporting Documents.

### 1.4 MASTER DEVELOPMENT PLAN - JUVENILE PROBATION DEPARTMENT

1.4.1 Based on the needs reflected in Section 2.1, 2.2 and 2.4 above, the Architect will propose a Master Plan Development that will provide the Juvenile Probation and Detention staffing and space needs through the year 2005.

1.4.2 The Master Development Plan of the site will be diagrammatic in nature and in sufficient detail to show the physical layout of the site, parking and circulation layouts, etc. A diagrammatic layout showing the arrangement of all functional areas within each building will be included. Utility requirements will be analyzed and the required improvements noted and located on the site plan.

1.4.3 The Architect will make a formal presentation to the Fort Bend County Commissioners Court on the Final Master Development Plans and Supporting Documents.

## 1.5 FINANCIAL ANALYSIS

1.5.1 The Architect will prepare an order of magnitude cost estimate for the construction of the entire and phased development of both options for the Sheriff's Department facilities as well as a separate cost estimate for the Juvenile Probation Department facilities.

1.5.2 The Architect will examine the possible sources of outside monies and assistance such as capital monies or lease monies available from the Federal Marshall program.

1.5.3 The Architect will have a catalogue and present detailed descriptions of the alternative methods for financing the County's future detention facilities needs. In addition to describing the alternatives, our report will include an evaluation of each alternative and a listing of the perceived advantages and disadvantages of each alternative.

A second product of this work element will be the preparation of estimated debt amortization schedules which will show estimated annual financing costs. These financing cost estimates will be based upon the construction cost estimates developed in other portions of this project. We expect to prepare the estimated amortization schedules for 15, 20 and 25 year payouts.

## 1.6 FINAL REPORTS

1.6.1 The Architect will deliver to the County six (6) copies of a separate final report for both the Sheriff's Department Study and the Juvenile Probation Department Study. The studies will include:

- A. Projections of housing needs through the year 2005
- B. Projections of the Department's space requirements through the year 2005.
- C. Master Development Plan(s)
- D. Cost Estimates and Financial Analysis
- E. Such other data by way of appendix, that may be of interest or

## significance

**1.7 COMPLETION SCHEDULE**

- 1.7.1 The Architect anticipates that the work outlined above will be completed within 60 days from the authorization to proceed.

**1.8 OWNER FURNISHED DATA**

- 1.8.1 The owner will provide the Architect with historical data regarding crime rates, arrest rates, incarceration rates, juvenile detention rates, jail census and other data that will portray the historical growth trends and absolute numbers of inmates housed in the County's jail and juvenile detention facilities for the past ten years.
- 1.8.2 The owner will provide the Architect with all available data of developing trends, upcoming legislation, court rulings, ordinances, changes of judicial procedures that might have an impact on probable future crime rates, arrest rates, and/or incarceration rates.
- 1.8.3 The owner will provide the Architect with construction drawings including floor plans of the County's jail and juvenile detention facilities.
- 1.8.4 The owner will provide the Architect with a site plan of the County's jail and juvenile detention facility. The site plan shall include the boundary survey of the site, topography, and the location of all buildings, structures, parking lots, etc. in relation to the boundary.

# TERMS AND CONDITIONS OF AGREEMENT BETWEEN OWNER AND ARCHITECT

## ARTICLE 2

### THE OWNER'S RESPONSIBILITIES

- 2.1 The Owner shall provide full information regarding requirements for the Project.
- 2.2 The Owner shall designate, when necessary, a representative authorized to act in the Owner's behalf with respect to the Project. The Owner or such authorized representative shall examine the documents submitted by the Architect and shall render decisions pertaining thereto promptly, to avoid unreasonable delay in the progress of the Architect's services.
- 2.3 The Owner shall furnish required information as expeditiously as necessary for the orderly progress of the Work, and the Architect shall be entitled to rely upon the accuracy and completeness thereof.

## ARTICLE 3

### DIRECT SALARY AND DIRECT PERSONNEL EXPENSE

- 3.1 Direct Salary Expense is defined as the direct salaries of all the Architect's personnel engaged on the Project, but does not include the cost of contributions and benefits related thereto, whether mandatory or customary, as described in Paragraph 3.2, and included in Direct Personnel Expense.
- 3.2 Direct Personnel Expense is defined as the direct salaries of all the Architect's personnel engaged on the Project, and the portion of the cost of their mandatory and customary contributions and benefits related thereto, such as employment taxes and other statutory employee benefits, insurance, sick leave, holidays, vacations, pensions, and similar contributions and benefits.

## ARTICLE 4

### REIMBURSABLE EXPENSES

- 4.1 Reimbursable Expenses are in addition to the Architect's compensation and include actual expenditures made by the Architect and the Architect's employees and consultants in the interest of the Project for the expenses listed in the following Subparagraphs:
- .1 expense of transportation and living expenses in connection with out-of-town travel authorized by the Owner,
  - .2 long distance communications,
  - .3 fees paid for securing approvals of authorities having jurisdiction over the Project,
  - .4 reproductions,
  - .5 postage and handling of documents,
  - .6 renderings and models requested by the Owner,
  - .7 data processing and photographic production techniques when used in connection with Additional Services,
  - .8 expense of overtime work requiring higher than regular rates, if authorized by the Owner.

## ARTICLE 5

### PAYMENTS TO THE ARCHITECT

- 5.1 Payments on account of the Architect's services, and for Reimbursable Expenses as defined in Article 4, shall be made monthly upon presentation of the Architect's statement of services rendered or as otherwise provided in this Agreement.
- 5.2 An initial payment as set forth in Paragraph 10.1 is the minimum payment under this Agreement.
- 5.3 If the Project is suspended or abandoned in whole or in part for more than three months, the Architect shall be compensated for all services performed prior to receipt of written notice from the Owner of such suspension or abandonment, together with Reimbursable Expenses then due and all Termination Expenses as defined in Paragraph 8.4. If the Project is resumed after being suspended for more than three months, the Architect's compensation shall be equitably adjusted.

## ARTICLE 6

### ARCHITECT'S ACCOUNTING RECORDS

- 6.1 Records of Reimbursable Expenses and expenses pertaining to services performed on the basis of a Multiple of Direct Salary or Direct Personnel Expense shall be kept on the basis of generally accepted accounting principles and shall be available to the Owner or the Owner's authorized representative at mutually convenient times.

## ARTICLE 7

### ARBITRATION

- 7.1 All claims, disputes and other matters in question between the parties to this Agreement arising out of or relating to this Agreement or the breach thereof, shall be decided by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then obtaining unless the parties mutually agree otherwise. No arbitration arising out of or relating to this Agreement shall include, by consolidation, joinder or in any other manner, any additional person not a party to this Agreement except by written consent containing a specific reference to this Agreement and signed by the Architect, the Owner and any other person sought to be joined. Any consent to arbitration involving an additional person or persons shall not constitute consent to arbitration of any dispute not described therein or with any person not named or described therein. This agreement to arbitrate and any agreement to arbitrate with an additional person or persons duly consented to by the parties to this Agreement shall be specifically enforceable under the prevailing arbitration law.
- 7.2 Notice of the demand for arbitration shall be filed in writing with the other party to this Agreement and with the American Arbitration Association. The demand shall be made within a reasonable time after the claim, dispute or other matter in question has arisen. In no event shall the demand for arbitration be made after the date when institution of legal or equitable proceedings based on such claim, dispute or other matter in question would be barred by the applicable statute of limitations.

7.3 The award rendered by the arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

#### **ARTICLE 8**

##### **TERMINATION OF AGREEMENT**

8.1 This Agreement may be terminated by either party upon seven days' written notice should the other party fail substantially to perform in accordance with its terms through no fault of the party initiating the termination.

8.2 This Agreement may be terminated by the Owner upon at least seven days' written notice to the Architect in the event that the Project is permanently abandoned.

8.3 In the event of termination not the fault of the Architect, the Architect shall be compensated for all services performed to the termination date, together with Reimbursable Expenses then due and all Termination Expenses as defined in Paragraph 8.4.

8.4 Termination Expenses are defined as Reimbursable Expenses directly attributable to termination for which the Architect is not otherwise compensated, plus an amount computed as a percentage of the compensation earned to the time of termination, as follows:

For Services provided on a Multiple of Direct Salary or Direct Personnel Expense basis, 20% of the total expenses incurred to the time of termination;

For Services provided on a Fixed Fee basis, 10% of the Fixed Fee earned to the time of termination.

#### **ARTICLE 9**

##### **MISCELLANEOUS PROVISIONS**

9.1 Unless otherwise specified, this Agreement shall be governed by the law of the principal place of business of the Architect.

9.2 As between the parties to this Agreement: as to all acts or failures to act by either party to this Agreement, any applicable statute of limitations shall commence to run and any alleged cause of action shall be deemed to have accrued in any and all events not later than the date payment is due to the Architect pursuant to Article 5.

9.3 The Owner and the Architect, respectively, bind themselves, their partners, successors, assigns and legal representatives to the other party to this Agreement and to the partners, successors, assigns and legal representatives of such other party with respect to all covenants of this Agreement. Neither the Owner nor the Architect shall assign, sublet or transfer any interest in this Agreement without the written consent of the other.

9.4 This Agreement represents the entire and integrated agreement between the Owner and the Architect and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both Owner and Architect.

RE: Proposed removal of stop signs at intersection of Via Real and Camino Del Sol

We, the residents of Via Real Drive, hereby wish to let it be known that we strongly object to the proposed removal of the above referenced stop signs. These signs help in a small way to slow down the traffic traveling down Camino Del Sol. One only has to observe the traffic flow on Camino Del Sol and its excessive speed and it is quite clear that there is no regard by these motorists for the safety of children and pedestrians walking and riding bicycles in the area. The stop signs afford us one little control.

It was noted recently in a news article regarding the proposed removal of these signs that our association president said that not even the residents on the tiny Via Real cul de sac minded the removal of the signs. This is totally out of line because so far as we all know no one on this street was ever consulted regarding our feelings.

Perhaps some of our subdivision residents are annoyed at having to stop after having gained speeds not in keeping with safety in a heavily populated neighborhood, however please remember the stop signs do serve a very definite and useful purpose and those of <sup>us</sup> who reside on tiny Via Real ask you to carefully consider the issue and keep the signs where they have been for the past nine or so years..

Sincerely,

Re: Traffic Study - Via Real Drive @ Camina Del Sol Drive

Dear Sir:

Per Arnie's request, I studied the above intersection to determine what stops are warranted. Per the Texas M.U.T.C.D. Chapter 2B-5 "Warrants for Stop Signs" and 2B-6 "Multiway Stop Signs" it is obvious without taking a traffic count that Via Real Drive being a short cul-de-sac street is a minor street and the only stop sign warranted is the one on Via Real Drive. The other two(2) stop signs on Camina Del Sol Drive are not warranted and I recommend removing them as indicated on the attached sheet.

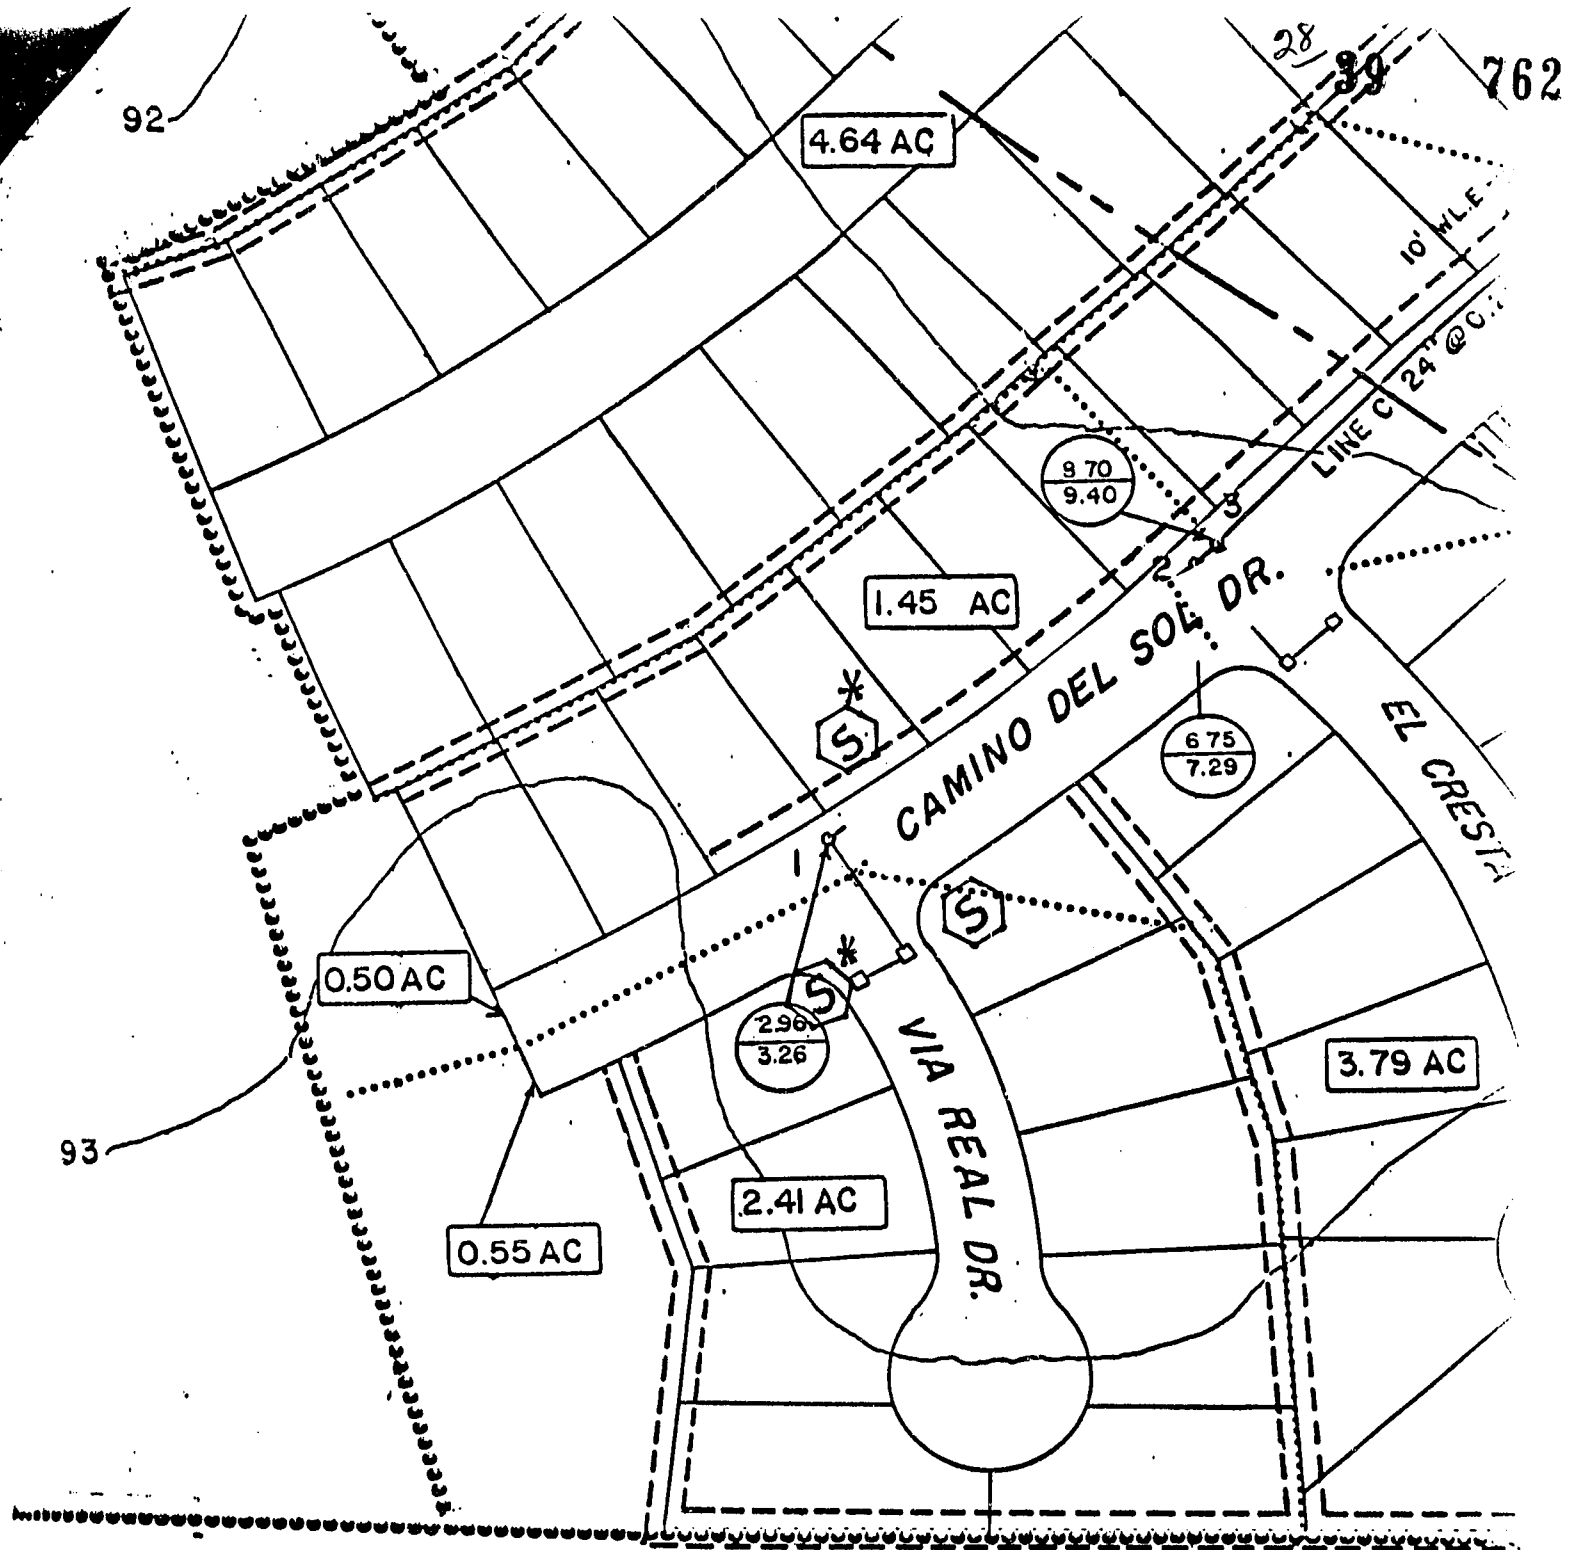

If you have any questions, please call.

Sincerely,

Re: Traffic Studies - Chimneystone Section 1 & 3, Chimney Circle & Sam Houston Drive

Dear Sir:

Per Marc Grant's request, I made a study for "No Parking" signs on the above streets. See attached sheets for their location on Chimney Circle at the Recreation Center and Sam Houston Drive at Park Site. I recommend "No Parking Any Time" signs as noted on the sketches. Place these signs and their appropriate arrows according to the Texas M.V.T.C.D. Chapter 2B-31.

If you have any questions, please call.

THE STATE OF TEXAS

COUNTY OF FORT BEND

AGREEMENT BY AND BETWEEN THE CITY OF ROSENBERG, TEXAS,  
AND FORT BEND COUNTY, TEXAS

This agreement is entered into by and between the City of Rosenberg, Texas, hereinafter referred to as "City" and Fort Bend County, Texas, hereinafter referred to as "County".

WHEREAS, the County has applied to the Texas Department of Health for expansion of the County solid waste disposal site, hereinafter referred to as the "County Landfill", located within and outside the western side of the corporate limits of the City;

WHEREAS, the County has operated such County Landfill for a period exceeding ten (10) years;

WHEREAS, the City desires such County Landfill operations to be relocated in a less populous area and more rural in nature than the present proposed expansion area for such County Landfill;

WHEREAS, the City recognizes the length of time it will take the County to obtain a permit for any such new County Landfill site;

WHEREAS, the City recognizes that should the proposed County Landfill expansion not be approved by the Texas Department of Health, the nearest landfill to the City will be miles away,

NOW, THEREFORE, the City and the County mutually agree as follows:

1. The County hereby agrees that the current permitted County Landfill and newly proposed permitted areas be closed within a five (5) year period from the date of this agreement.
2. The County agrees to actively pursue and implement alternate disposal methods including, but not limited to, recycling, incineration, and any such other disposal methods which may be environmentally desirable.
3. The County, upon closing the County Landfill facility, will convert the present County Landfill area to a public recreational facility to benefit the citizens of Rosenberg who have been the receptors of Fort Bend County's refuge for over ten (10) years.
4. The County further agrees that during the five (5) year period the County Landfill is in operation, usage will be limited to Fort Bend County entities.
5. The County agrees to not seek permits for expansion of the current County Landfill nor seek permits for any solid waste disposal site within the corporate limits of the City or its extraterritorial jurisdiction without prior approval by the City Council of the City of Rosenberg.

This instrument constitutes the entire agreement regarding the County Landfill between the City and the County. It may not be changed orally, but only by an agreement in writing signed by the parties hereto.

Should any term, phrase, clause, paragraph, restriction or covenant contained herein be held invalid or unenforceable, the same shall be deemed and is hereby agreed that the same are meant to be severable, and shall not defeat or impair the remaining provisions hereof.

IN WITNESS WHEREOF, this instrument has been executed by and on behalf of the City by its Mayor and attested by its City Manager and the City Secretary under its City's seal this the \_\_\_\_\_ day of \_\_\_\_\_, A.D., 1989, and on behalf of the County by its County Judge and attested by its County Clerk under its county seal this the \_\_\_\_\_ day of \_\_\_\_\_, A.D., 1989, in duplicate originals, both of equal force and effect.

INTRODUCTORY SECTION

#### LOCATION OF FORT BEND COUNTY

Fort Bend County lies within the Texas Coastal Plain Region encompassing the cities of Sugar Land, Missouri City, Stafford, Richmond, Rosenberg, Katy, Fresno and other outlying towns located southwest of Houston. Adjoining the fourth largest city in the nation, Fort Bend's location is endowed with a wealth of resources: lack of congestion, absence of inner city problems, development of master planned communities around parks and recreational facilities, integration to a worldwide transportation network, excellent school districts and other amenities. These factors will be instrumental in the continued growth of the County through the year 2000.

Honorable District Judges and Members of the  
Commissioners Court  
Fort Bend County  
Richmond, Texas 77469

Gentlemen:

The Comprehensive Annual Financial Report ("CAFR") of Fort Bend County, Texas ("County") for the year ended December 31, 1988 is hereby submitted. This report was prepared pursuant to Article 1665, Vernon's Annotated Civil Statutes of the State of Texas for which the County Auditor's Office holds the accounting responsibility.

The CAFR is divided into three sections:

- 1.) INTRODUCTORY SECTION: This section contains a location map of the County adjoining Houston, functional organizational charts, a directory of both elected and appointed officials, a copy of the Certificate of Achievement Award for excellence in financial reporting for the year ended December 31, 1987 and this transmittal letter.
- 2.) FINANCIAL SECTION: This section contains the general purpose financial statements, the combining and individual fund account group financial statements, related schedules and the independent auditors' report on the audited financial statements.
- 3.) STATISTICAL SECTION: This section contains selected financial trends and other demographic data about the growth of Fort Bend County that are presented on a ten-year basis.

### COUNTY ADMINISTRATION

~~~~~

The Commissioners Court is the governing body of the County which is composed of the County Judge and four County Commissioners. It has certain powers granted to it by the State legislature. Its duties include the approval of the budget, determination of the tax rates, approval of contracts, calling elections, issuance of bonds, appointment

of certain county officials and the oversight responsibility of all of the funds and account groups presented in this report. Oversight responsibility is determined on the basis of financial independence, selection of government authority, designation of management, ability to significantly influence operations and accountability for fiscal matters. Based on the foregoing criteria, the results of operations of the Fort Bend County Drainage District and the Fort Bend Flood Control Water Supply Corporation are also included in this report. Responsibility for both the accuracy of the data presented and the completeness of the presentation, including all disclosures, rests with the County.

The government provides a full range of services to the citizens of the County. Among these services are public safety (sheriff, jail facilities, constables and fire marshall), road and bridge maintenance, drainage and flood control, health and welfare (ambulance paramedics, health and sanitation, indigent care, animal control, landfill, etc.), a three-branch modern library system, county and district judicial system, and other state supported programs.

#### ECONOMIC CONDITION AND OUTLOOK

~~~~~

The economy of Fort Bend County showed modest improvements in 1988. Several national developers have resumed building houses in the master planned communities located within the County. The construction of the Sam Houston Tollway and the Grand Parkway which are to cross Fort Bend's boundaries, will offer the business and residential communities congestion-free access to all areas of the County and Houston. These developments, along with the other attractions that go with the County's prime location, has increased the influx of home buyers to the area. This year, the population increased to 210,757, compared to 194,700 in 1987. The prognosis is optimistic for continued growth in the future.

The population growth has had a positive impact on the employment, property values, retail sales and the tax base of the County. At year-end, the unemployment rate was 5.2% compared to 7.8% in 1987 and 8.2% in 1986. The financial impact of these events is discussed later in this letter.

The County government, in conjunction with the Greater Fort Bend Economic Development Council, has continued its efforts to diversify the economy and increase the industrial and commercial percentages of the tax base. Shown in Table XI of the statistical section of this report, is a list of the top ten taxpayers of the County who are engaged in diversified types of business: electric utility, real estate development, oil and gas, electronics and others. With this diversified tax base, the economic outlook seems very promising in the future.

#### MAJOR INITIATIVES

~~~~~

In 1988, the County saw the significant completion of the multistory annex building which will house the expanding judicial and general administrative offices. As of December 31, 1988, accumulated costs have reached \$6,047,151.

The County formed the Fort Bend Flood Control Water Supply Corporation for the purpose of financing the acquisition and construction of flood control and drainage facilities. The corporation is authorized to issue up to \$20,325,000 of revenue bonds payable from impact fees assessed and collected by the Drainage District. When the revenue bonds are issued in 1989, the District will deposit all impact fees collected, less amounts previously spent on project costs, as defined, and \$1,100,000 of the District's available funds in the corporation. As of December 31, 1988, remaining impact fees of about \$748,000 were recorded as deferred revenues. In 1989, the corporation will be considered a component unit of the County. This initiative will provide flood control and drainage services to the new developments in the area.

Together with the Matagorda, Wharton and Colorado counties, the Riceland Health Authority was established during the year. The health authority is funded through grants and an 80/20 percent state/local matching funds system. This program will provide mental health services to the citizens of the participating counties. The County's share of the costs in 1988 was \$41,399.

Through a grant received from the Texas Community Development Program, the Fifth Street Community Development Fund was established to fund the construction of a central water system for low income households of the County. As of December 31, 1988, the balance of the fund was \$112,585.

This year, the Drainage District had transferred funds in the amount of \$312,343 from its operating budget to the Flatbank Creek flood control project. This project is part of the overall flood control improvement plan that the County Administration had initiated in the past year.

Last year's proposed plan to purchase the Hull Airport was taken over by the City of Sugar Land who is now actively studying the feasibility of operating the airport facility.

## FINANCIAL INFORMATION

### Accounting and Administrative Internal Control Structure

In developing and evaluating the County's accounting system, consideration is given to the adequacy of the internal control structure. The internal control structure is designed to provide reasonable, but not absolute assurance regarding: (1) the safeguarding of assets against loss from unauthorized use or disposition; and (2) the reliability of the financial records for preparing financial statements and maintaining accountability for the assets. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the evaluation of costs and benefits requires estimates and judgments by management.

All of the internal control evaluations occur within the above framework. With an enhanced program of internal auditing maintained by the County Auditor's Office, we believe that the County's internal control structure adequately safeguards assets and provides reasonable assurance of proper recording of financial transactions.

### Budgetary Controls

Budgetary control is maintained at the expenditure line item category of the County budget. Expenditures for current operating funds may not exceed the available cash balances of such funds on January 1, plus the estimated revenues of the ensuing year. If actual beginning balances exceed the budget estimates and if unexpected revenues are received, the Commissioners Court may amend the budget, provided, that it legally declares the existence of an emergency warranting the increase. It may also transfer amounts from the individual budget line items among the major expenditure categories during the year. Such transfers should not increase the overall total of the budget.

Formal budgetary integration is used in the General Fund, certain Special Revenue Funds, and Debt Service Funds. Budgets for these funds are prepared on a cash basis. Formal budgets are not prepared for the Capital Projects Funds. Effective budgetary control for these funds is maintained through individual project budgeting in accordance with the bond orders and other sources.

### General Governmental Functions

The County derives its revenues from property taxes, fees and fines that are imposed by the various fee and non-fee officers to the public, state shared revenues, federal and state grants, interest from demand deposits and investments and other miscellaneous sources. These revenues are spent on the various services that the County provides to the citizens.

General governmental functions include all revenues and expenditures of General, Special Revenue, Debt Service and Capital Project funds.

Revenues for general governmental functions totaled \$44,400,135 in 1988, a decrease of 0.4% over 1987. General property taxes produced 75.2% of total revenues, compared to 75.5% last year. The amount from various sources and the changes from last year are as follows:

Assessed valuations of \$8.14 billion in 1988 decreased slightly from last year's \$8.17 billion compared to the marked decline of 5% two years ago. This indicates that the assessed value trend is starting to stabilize as the economy slowly recovers from the downturn three years ago.

Current tax collections were 94.2% of the tax levy. The ratio of total collections (current and delinquent) to the current tax levy was 100%. Allocations of property tax levy by purpose for 1988 and the preceding two years are shown as follows (amounts per \$100 /assessed value):

Intergovernmental revenues increased by 11.5% to \$1.9 million in 1988 compared to \$1.7 million in 1987. This was primarily due to the increase in the funding of the Children Protective Services grant and other state reimbursement programs.

Fees and fines, donations, interest and miscellaneous revenues remained relatively constant in 1988 compared to 1987.

Expenditures for general governmental purposes totaled \$49,841,091, which resulted in an overall increase of 10% from 1987. The changes in the level of expenditures for all of the major functions over last year are as follows:

| Function                  | Amount       | Percent<br>of Total | Increase<br>(Decrease) | Percent<br>Change |

A large portion of the increase in expenditures this year can be attributed to the costs incurred in completing the new annex building costing approximately \$6 million of which \$4.2 million was spent in 1988.

Parks and recreation costs increased by 33.3% to \$157,478 compared to \$118,140 in 1987 due to building repairs, increase in temporary help and electrical repairs of the County fairgrounds.

General administration costs increased by 15.5% due to major purchases of data processing equipment required to enhance the existing systems.

The purchases of office furniture and equipment and increase in salaries attributed to the 14.9% increase in the judicial administration costs.

Due to the increase in the indigent health care claims, health and welfare costs increased by 13.8%.

Fund balances on the budgetary basis at December 31, 1988 for budgeted funds amounted to \$5,112,625 which is 10.2 % of the 1989 budgeted expenditures for those funds.

### Proprietary Operations

~~~~~  
The County operates an internal service fund used to account for the County's modified self-insurance plan which provides health-care benefits to its employees and their dependents. Operating costs markedly declined by \$254,023 in 1988 resulting in a decrease of the net loss to \$127,542 compared to \$395,193 in 1987. Increased efforts are being made to monitor the health care benefit costs of the County. The County has also an excess loss-insurance coverage on its health insurance benefits which limits individual annual claims paid from the self-insurance fund to a maximum of \$50,000.

### Debt Administration

~~~~~  
The ratio of the net general long-term debt to assessed valuation of .10% and the amount of debt per capita of \$37.05 are useful indicators of the County's debt position at the end of 1988. Additional data on the County's long-term debt are shown in Tables VIII and IX in the statistical section of this report.

The County's bonds and certificates of obligation have consistently been rated A-1 by Moody's Investors Services.

### Cash Management

~~~~~  
Cash that is not needed to meet daily operating requirements is being invested in either fully-insured certificates of deposit, repurchase agreements or in U.S. government securities. Cash operating requirements are deposited in demand deposits that are fully pledged by the depository banks.

The Commissioners Court has adopted a prudent investment policy to safeguard the County's funds by discouraging speculative investing. Investments are fully collateralized in compliance with federal and state laws on investments of government funds.

The amount of interest earned by fund and the changes from the preceding year are as follows:

Governmental Fund Type	1988	1987	Increase (Decrease)
~~~~~	~~~~~	~~~~~	~~~~~
General	\$978,506	\$806,964	\$171,542
Special Revenue	753,067	742,645	10,422
Debt Service	31,473	21,693	9,780
Capital Projects	300,372	432,151	(131,779)
	-----	-----	-----
Total Interest Earned	\$2,063,418	\$2,003,453	\$59,965

## Risk Management

The County Treasurer regularly reviews the adequacy of the insurance of the County assets against potential risk losses and liabilities. Additionally, the County is continually enhancing its internal audit programs to ascertain that internal control measures exist in certain high risk financial areas.

## Capital Projects

Proceeds of general obligation- bond issues and certificates of obligation are accounted for in the Capital Project Funds until the projects are completed. Completed projects and construction- in- progress are classified in the General Fixed Assets Account Group.

## General Fixed Assets

The general fixed assets of the County are those used in the performance of general governmental functions. As of December 31, 1988, the general fixed assets of the County amounted to \$51,275,775. This amount represents the original cost of the assets if purchased, or the estimated fair market value if donated to the County. Generally, purchases of \$200 and above are capitalized in the account group. Equipment with serial numbers are also capitalized even if the cost is less than \$200. Public domain fixed assets consisting of roads, bridges and related drainage rights-of-way are not being capitalized. Depreciation of fixed assets is not recognized considering that there is no enterprise fund in the current fund structure.

## Independent Audit

The Commissioners Court of the County has authorized an annual audit of the general purpose financial statements by independent certified public accountants selected during its regular meeting. The independent auditors' report is included in the financial section of this Comprehensive Annual Financial Report. The audit encompasses the reporting entity as discussed and includes the Single Audit Act compliance reports as required by the Standards for Audits of Governmental Organizations, Programs, Activities and Functions, issued by the U.S. General Accounting Office, the Single Audit Act of 1984, and OBM Circular A-128.

## Awards

The Government Finance Officers Association ("GFOA") awards a Certificate of Achievement for Excellence in Financial Reporting to governmental entities which publish an easily readable and efficiently organized CAFR, whose contents conform to program standards. Such report must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only.

We believe that our current report conforms to the Certificate of Achievement Program requirements, and we are submitting it to the GFOA to determine its eligibility for the Certificate. The County's report for the year ended December 31, 1987 received such a Certificate of Achievement Award.

#### ACKNOWLEDGEMENT

INDEPENDENT AUDITORS' REPORT

Honorable Jodie E. Stavinoha, County Judge,  
and Members of the Commissioners Court  
of Fort Bend County, Texas:

We have audited the accompanying general purpose financial statements of the Fort Bend County, Texas ("County") as of December 31, 1988 and for the year then ended, listed in the foregoing table of contents. These financial statements are the responsibility of the County's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such general purpose financial statements present fairly, in all material respects, the financial position of Fort Bend County, Texas at December 31, 1988 and the results of its operations and the changes in financial position of its proprietary fund type for the year then ended in conformity with generally accepted accounting principles.

Our audit also comprehended the combining, individual fund and account group financial statements and schedules listed in the foregoing table of contents. In our opinion, such supplemental information, when considered in relation to the general purpose financial statements, present fairly in all material respects the information shown therein.

The accompanying statistical tables, listed in the foregoing table of contents, were not audited by us and, accordingly, we express no opinion on them.

REPORTING ENTITY  
-----

Fort Bend County, Texas ("County") is a public corporation and a political subdivision of the State of Texas. The County is governed by the the Commissioners Court, composed of four County Commissioners and the County Judge, all of whom are elected officials.

The financial statements of the County reporting entity include all governmental activities, organizations and functions of the County for which the Commissioners Court has oversight responsibility. Such oversight responsibility includes designation of management, the ability to significantly influence operations and the accountability for fiscal matters. As a result of the application of this criteria, the financial statements also include the operations and activities of Fort Bend County Drainage District ("District").

The County formed the Fort Bend Flood Control Water Supply Corporation ("Corporation") for the purpose of financing the acquisition and construction of flood control and drainage facilities and providing flood control and drainage services. The Corporation is authorized to issue up to \$20,325,000 of revenue bonds payable from impact fees assessed and collected by the District and recorded in the Drainage District Special Revenue Fund. When the revenue bonds are issued in 1989, the District will deposit all impact fees collected, less amounts previously spent on project costs, as defined, and \$1,100,000 of the District's available funds in the Corporation. At December 31, 1988, remaining impact fees of about \$748,000 were recorded as deferred revenues. In 1989, the Corporation will be considered a component unit of the County.

Certain escrow funds held in trust by the District Clerk and County of Fort Bend County are not included in these statements. These escrow funds are subject only to judicial orders of the District Judges of the State of Texas and are not subject to oversight by the Commissioners Court.

FUND ACCOUNTING  
-----

The accounts of the County are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprises its assets, liabilities, fund balance, revenues and expenditures or expenses as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds and account groups are grouped, in the financial statements of this report, into six general fund types under these broad categories and into two account groups shown as follows:

FUND ACCOUNTING - (CONTINUED)

GOVERNMENTAL FUND TYPES:

General Fund - used to account for all revenues and expenditures, not accounted for in other funds, relating to general operations.

Special Revenue Funds - used to account for proceeds of specific revenue sources (other than capital projects) which are legally restricted to expenditures for specified purposes.

Debt Service Funds - used to account for payment of principal and interest on general long-term debt.

Capital Projects Funds - used to account for proceeds of general long-term debt and other revenues which expenditures are restricted to the construction and acquisition of major capital facilities.

PROPRIETARY FUND TYPE:

Internal Service Fund - used to account for the County's modified self-insurance plan which provides health-care benefits to employees and their dependents.

FIDUCIARY FUND TYPE:

Agency Funds - used to account for assets which are held by the County as agent-pending distribution to authorized recipients. As the agent for certain legal entities, the County (through its various fee officers) collects certain revenues and assessments from taxpayers and others and remits the amounts to the respective legal entities.

ACCOUNT GROUPS:

General Fixed Asset Account Group - used to account for tangible assets having a useful life longer than a year and having a monetary value large enough to warrant maintaining the related custodial records.

General Long-Term Debt Account Group - used to record and account for the outstanding general-obligation bonds payable and certificates of obligation payable.

#### BASIS OF ACCOUNTING

The accounts of the Governmental Fund Types (the General Fund, Special Revenue Funds, Debt Service Funds and Capital Projects Funds) are maintained, and the financial statements have been prepared, on the modified accrual basis of accounting.

Under this basis of accounting, revenues are recognized when they become susceptible to accrual (i.e., both measurable and available). Available means collected within the current year or soon thereafter (two months) to be used to pay liabilities of the current year. Substantially, all revenues, except property taxes, are considered to be susceptible to accrual. Property taxes which are levied in October and collected before year-end are deferred because such revenues are considered budgeted revenues of the next calendar year.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Exceptions to this general rule are principal and interest on general long-term debt which are recognized as expenditures when due.

The accounts of the Proprietary Fund Type (Internal Service Funds) are maintained and the financial statements have been prepared, on the accrual basis of accounting. Under this basis, revenues are recognized when they are earned and expenses are recognized when they are incurred.

The accounts of the Fiduciary Fund Type (Agency Funds) are maintained, and the financial statements have been prepared, on the cash basis, which approximates the modified accrual basis of accounting.

#### BUDGETS AND BUDGETARY ACCOUNTING

The County Judge and County Auditor prepare the proposed budget, using revenue estimates furnished by the County Auditor, and submit the data to the Commissioners Court. Budget control is at the expenditure category item level. A public hearing is held on the budget by the Commissioners Court. Before determining the final budget, the Commissioners Court may increase or decrease the amounts requested by the departments. In the final budget, which is usually adopted in October or November, expenditures for current operating funds cannot exceed the estimated available cash balances in such funds at January 1, plus the estimate of revenues for the ensuing year. At any time during the year, the Commissioners Court may increase budgeted revenues and expenditures for unexpected revenues or beginning fund balances in excess of adopted budget estimates provided they rule that a state of emergency exists.

BUDGETS AND BUDGETARY ACCOUNTING - (CONTINUED)

Commissioners Court may transfer amounts among individual budget-line items within major expenditure categories during the year, but no such transfer may increase the overall total of the budget. It is the amended budget that is presented in the budget versus actual financial statements.

Formal budgetary integration is employed for the General Fund, certain Special Revenue Funds (Road and Bridge, Farm-to-Market and Lateral Road, and the Drainage District) and all Debt Service Funds except for the Unlimited Tax Road Bonds Fund. Budgets for these funds are prepared on the cash basis. Formal budgetary integration (annualized budgeting) is not employed in the Capital Projects Funds. Effective budgetary control in these funds is achieved through individual project budgeting in conformance with the provisions of bond orders and other sources.

All unspent appropriations lapse at year-end.

A reconciliation of revenues and expenditures on the budgetary basis to revenues and expenditures on the modified accrual basis is as follows:

GENERAL FIXED ASSETS

All fixed assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated fixed assets are valued at their estimated fair value on the date donated. No depreciation has been provided on general fixed assets.

The County does not capitalize public domain fixed assets (infrastructure) consisting of roads, bridges, related rights-of-way and drainage rights-of-way.

The costs of purchasing or constructing capital assets are recorded as expenditures in the various funds and capitalized in the General Fixed Assets Account Group.

VACATION AND SICK LEAVE

Employees are credited with up to twenty days a year of vacation leave but may only accumulate up to a maximum of twenty days. Upon termination, employees are paid for any unused accumulated vacation. The County's liability for accumulated earned vacation leave is recorded in the General and Special Revenue Funds since it will be liquidated with expendable available financial resources.

Employees are credited with six days a year of sick leave and may accumulate an unlimited number of days. Upon termination, employees are not paid for any unused sick leave. The County's liability for accumulated earned sick leave was not material at December 31, 1988. It is recorded as an expenditure when used.

TOTAL COLUMNS ON COMBINED STATEMENTS

Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position or results of operations in conformity with generally accepted accounting principles. Such data is not comparable to a consolidation because interfund eliminations have not been made in the aggregation of this data.

NOTE 2- CASH AND INVESTMENTS

The County's demand deposits of \$5,245,094 at December 31, 1988 were covered by federal depository insurance or by pledged collateral held at third-party banks in the County's name. Such total collateralization and insurance coverage are required by state statutes. The bank balance of such deposits as of December 31, 1988 was \$6,942,549.

State statutes authorize the County to invest in fully collateralized or insured time deposits, direct debt securities of the United States, and fully collateralized repurchase agreements. The repurchase agreements must be purchased pursuant to a master repurchase agreement which specifies the rights and obligations of both parties and which requires that the securities involved in the transaction be held in a safekeeping account subject to the control and custody of the County. Investments in security repurchase agreements may be made only with the County's depository bank or with state or national banks domiciled in the State of Texas.

NOTE-3 PROPERTY TAXES  
 ~~~~~

LEVY AND COLLECTION  
 ~~~~~

Property is appraised and a lien on such property becomes enforceable as of January 1, subject to certain procedures for rendition, appraisal and judicial review. Property taxes are levied by October 1 of the year in which they are assessed, or after as deemed practical. Taxes are due and payable when levied. They become delinquent every February 1 of the following year, and are then subject to interest and penalty charges.

The County bills and collects its own property taxes and those of other taxing entities. Collections of those taxes pending distribution are accounted for in an Agency Fund.

CENTRAL APPRAISAL DISTRICT

The Central Appraisal District, a separate governmental entity, is responsible for the recording and appraisal of property for all taxing units in the County.

The Central Appraisal District is required by state law to assess property at 100% of its appraised value. Further, real property must be reappraised at least every four years. Under certain circumstances, the taxpayers and taxing units, including the County, may challenge orders of the Central Appraisal District's Appraisal Review Board through various appeals and, if necessary, legal action.

The Commissioners Court will continue to set tax rates on the property. State law also provides that, if approved by the qualified voters in the Central Appraisal District, collection functions may be assigned to the appraisal district.

NOTE 6- PENSION PLAN

PLAN DESCRIPTION

The County provides retirement, disability and death benefits for all of its officials and full-time employees through a nontraditional, joint contributory, defined-contribution plan in the state-wide Texas County and District Retirement System ("TCDRS"), an agent multiple-employer public employment retirement system.

Members can retire at ages 60 and above with 10 or more years of service or when the sum of their age and years of service equals 80 or more. A member is vested after 10 years of service but must leave his accumulated contributions in the plan. If a member withdraws his personal contributions in a lump sum, he is not entitled to any amounts contributed by the employer.

Benefit amounts are determined by the sum of the employee's contributions to the Plan, with interest, and employer-financed monetary credits with interest. The level of these monetary credits is adopted by the County conditioned by the actuarial constraints imposed by a statute that mandates that the resulting benefits can be expected to be adequately financed by the commitment of the County to contribute the same amount as the member employees. The County's current benefit plan provides for employer-financed monetary credits for service since the Plan began of 230% of the employee's accumulated contributions, and for employer-financed monetary credits for service before the Plan began of 165% of a theoretical amount equal to twice what would have been contributed by the employee, with interest prior to establishment of the Plan.

**FORT BEND COUNTY, TEXAS  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 1988  
(CONTINUED)**

**PLAN DESCRIPTION (CONTINUED)**

~~~~~  
At retirement, the benefit is calculated as if the sum of the employee's accumulated contributions and employer-financed monetary credits were used to purchase an annuity.

**CONTRIBUTION REQUIREMENTS**

~~~~~  
The contribution rate of the County is 7% of the employee members' earnings. This rate which is not actuarially determined is a fixed percentage equal to the contribution rate payable by the employee member.

The County's total payroll for the calendar year ended 1988 was \$19,156,717, and the County's contributions were based on a covered payroll of \$18,558,250. Employer and employee contributions for the year were made as required and each totaled \$1,293,868 for the year. There were no related-party transactions.

Of the County's 7% contribution, the normal cost of 5.93% is to fund the currently accruing monetary credits, while the remaining portion, 1.07% is to amortize the unfunded pension-benefit obligation quantified in the funding status section of these notes to the financial statements. The plan had an initial unfunded pension-benefit obligation due to the monetary credits granted by the County for services rendered before the plan began and can have additions to the unfunded pension-benefit obligation through the periodic adoption of increases in benefit credits and benefits.

While the County's obligation to the Plan is only its commitment to make contributions equal to those of its employees, it is expected that the commitment to make equal contributions will eventually result in full funding of all employer-financed monetary credits.

**FUNDING STATUS**

~~~~~  
The pension-benefit obligation shown below is similar in nature to the standardized disclosure measure for defined benefit plans except that there is no need to project salary increases since the benefit credits earned for service to date are not dependent upon future salaries. The calculations were made as part of the annual actuarial valuation as of December 31, 1987. Because of the money-purchase nature of the Plan, the interest rate assumption, currently at 9% per year does not have as much impact on the results, as it does for a defined benefit plan. The market value of the assets was not determined as of December 31, 1987, but TCDRS management believes that market value exceeds the book value as of that date.

FUNDING STATUS (CONTINUED)

~~~~~  
 Total unfunded pension-benefit obligation applicable to the County was \$3,763,353 at December 31, 1988. The breakdown of the current obligation and last year's are as follows:

	1988	1987
	-----	-----
Annuitants	\$3,487,100	\$2,394,538
Current employees		
Accumulated employee contributions		
including allocated investment earnings	7,490,894	6,407,323
Employer-financed vested	5,698,310	4,559,907
Employer-financed nonvested	3,872,318	3,047,890
	-----	-----
Total pension-benefit obligation	20,548,622	16,409,658
Net assets available for benefits, at book value	16,785,269	13,771,259
	-----	-----
Unfunded pension-benefit obligation	\$3,763,353	\$2,638,399
	=====	=====

The unfunded pension-benefit obligation is being amortized over approximately 29 years with a level percent of payroll, assumed to be 1.07% each year in the valuation above. The rate available to amortize the unfunded pension-benefit obligation may, however, vary slightly from year to year since it is determined by the County contribution rate(7%) minus its normal cost contribution rate(recalculated annually). As a result, the amortization period may vary from year to year.

TREND INFORMATION

~~~~~  
 For the plan years ended December 31, 1987 and 1986, available assets were sufficient to fund 82% and 84%, respectively, of the pension benefits obligation. The unfunded pension-benefit obligation represented 20% and 15%, respectively, of the annual payroll for employees covered by the Plan in 1988. In addition, the County's contribution to the Plan for 1988 and 1987 was 7% of the annual covered payroll for the said year.

Additional trend information relating to the funding status of the Plan may be found in the separate annual report of the TCDRS.

NOTE 7- DEFERRED COMPENSATION PLAN  
 ~~~~~

The County offers all of its full-time employees a deferred compensation plan created in accordance with Section 457 of the Internal Revenue Code. The plan permits employees to defer a portion of their salary until future years. The deferred compensation is not available to the employees until termination, retirement, death or emergency.

The County invests all amounts of compensation deferred under the plan in fixed and variable annuity contracts underwritten by Nationwide Life Insurance Company, and all related earnings thereon are (until paid or made available to the employee or other beneficiary) solely the property of the County, subject only to the claims of general creditors. The County has no liability for losses under the plan but does have the responsibility of due care that would be required of an ordinary prudent agent. Participants' rights under the plan are equal to those of general creditors of the County in an amount equal to the fair market value of the deferred account for each participant. To date, the plan assets have only been used to pay deferred compensation amounts to employees. The County believes that it is unlikely it will use these assets to satisfy the claims of general creditors in the future.

Plan assets are reported at market value.

NOTE 8- HEALTH AND LIFE INSURANCE BENEFITS  
 ~~~~~

The County sponsors a modified self-insurance plan to provide health-care benefits to employees and their dependents. Transactions related to the plan are accounted for in the Internal Service Fund ("Fund"). Partial employee contributions are required for certain personal coverage and additional employee contributions are required for certain coverage of dependents. The County has excess loss insurance which limits annual claims paid from the Fund for any individual participant to a maximum of \$50,000. Actual claims paid for the year totaled \$2,324,274.

Estimates of claims payable and of claims incurred but not reported at December 31, 1988 are reflected as accounts payable of the Fund. The plan is funded to discharge liabilities of the Fund as they become due.

NOTE 9- POST RETIREMENT HEALTH AND LIFE INSURANCE BENEFITS  
 ~~~~~

In addition to providing pension benefits, the County provides medical insurance benefits to employees with 30 or more years of service with the County or those who have worked 10 or more consecutive years and have reached the age of 60 before retiring. An employee who goes on disability retirement while in the employment of the County will also qualify. The cost of such benefits is recognized as incurred. The expenditures for such benefits in 1988 was \$124,040.

FORT BEND COUNTY, TEXAS  
SPECIAL REVENUE FUNDS  
DETAILED FUND DESCRIPTIONS  
DECEMBER 31, 1988

ROAD AND BRIDGE

This fund is used to account for the costs associated with the construction and maintenance of roads and bridges. Revenues are derived mainly from ad valorem taxes, intergovernmental revenues and fees and fines.

DRAINAGE DISTRICT

This fund is used for the purpose of reclamation and drainage of lands needing drainage within the County.

FARM-TO-MARKET AND LATERAL ROAD

This fund was established to comply with Article 7048a, Vernon's Annotated Civil Statutes of the State of Texas, which authorized counties to levy, assess and collect ad valorem taxes for the purpose of constructing and maintaining farm-to-market roads or flood control.

LATERAL ROAD ACCOUNT

This fund was established to record revenues from the State of Texas that are restricted by the State for the use in construction of new county roads and maintenance of existing county roads and related expenses. A separate account for these revenues and expenditures is required by the State.

MISSION WEST PARK

This fund was created to account for donations from a developer intended to be used for park maintenance.

LAW ENFORCEMENT ACADEMY

This fund is used to account for the transactions associated with the operation of the County Law Enforcement Academy. The Academy is used by the County law enforcement officers as well as law enforcement officers from the various cities within the County for training and education in matters of law enforcement. Fees are charged to the various agencies for their participation in courses and instruction provided by the Academy.

AMBULANCE SERVICE PARAMEDICS

This fund is used to account for revenue obtained through donations and fund raising events which are intended to benefit the ambulance and paramedics department.

MARY E. GRILLO MEMORIAL

This fund was established to account for funds donated to the County in memory of the deceased, Mary E. Grillo, or in accordance with her will.

HL&P ASSISTANCE PROGRAM

This fund was established to account for receipts and disbursements associated with donations made by Houston Lighting & Power and its customers for the benefit of hardship cases for those whom need assistance paying their light bills.

DISTRICT ATTORNEY SUPPLEMENTAL SALARY

This fund was established to account for State funds intended to supplement the salary of personnel in the District Attorney's Office.

JUVENILE PROBATION SPECIAL

This fund was established to account for fees collected from parent, guardian or custodian of a child for whom informal adjustment services are authorized. This fund may be used only for juvenile probation or community-based juvenile corrections services or facilities.

PROBATE COURT TRAINING

This fund was established to account for the collection of certain probate court fees to be used for continuing judicial education for probate and their staff.

DWI VIDEO FEE

This fund was established to account for fees collected from a defendant if, subsequent to the arrest, a law enforcement agency visually recorded the defendant with an electronic device; such fees are to be used for the cost of the video equipment.

#### AGENCY FUNDS

~~~~~

Agency funds are used to account for assets held by the County in a fiduciary capacity prior to distribution to authorized recipients. As the agent for certain legal entities, the County through its various fee officers, collects some revenues and assessments from the taxpayers and other entities and remits them to the recipients after a proper accounting of the funds collected have been made.

Fort Bend County, Texas

Re: Madison Bank & Trust Company

Dear Ms. Wilson:

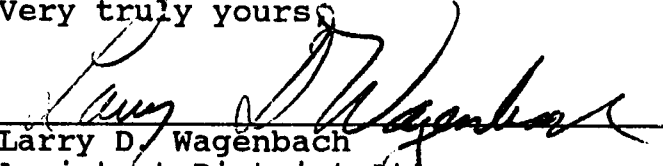

Pursuant to instructions from Commissioners' Court of Fort Bend County, Texas, this office has been in contact with representatives of the above stated bank in an attempt to resolve the disputed claim of \$2,944.52 early payment charges.

I discussed this matter with Gregg Anderson, Claims Analyst, and Rick Farmer, attorney at law. After several telephone conversations, Madison Bank & Trust Company agreed to resolve the claim for \$1,472.26.

It is my recommendation that this sum be paid as soon as possible. In the event further action of the Commissioners' Court is needed, it is recommended that a check be requested and printed subject to the Court's approval to prevent delay in paying the settlement.

Hopefully, this matter can be concluded on or before the week of July 24, 1989. I would not think further Commissioners' Court action would be necessary, owing to the fact that the agreement calling for the early payment charges has been approved by the Court. However, should Robert Grayless, County Auditor, require please place same on the agenda for July 24, 1989.

Very truly yours,

Dear Mr. Anderson:

Enclosed please find a check in the sum of \$1,472.26 as payment in full for the above stated matter, including the disputed claim for early payment penalties. I apologize for the delay in forwarding the check. The cutting of the check got caught up in the perverbial governmental red tape.

Thank you for your patience in this matter.

Re: Cedar Creek Improvements

Dear Commissioner Gayle:

The Fort Bend County Drainage District has received several requests from property owners in Fort Bend and Brazoria County to remove brush, trees and debris from Cedar Creek. The District plans to clear the channel, but is limited to those areas where drainage easements exist. The District presently has easements extending to the Southeasterly boundary of the Wm. Prater Survey, Abstract 120, of Brazoria County. I have contacted the property owners, along the creek in the Prater Survey, and received a welcomed response to our proposed improvements.

We plan to begin our work in the late spring or early summer of 1989. After the channel has been cleared, the District will include this section in its annual maintenance program.

If you have any questions or comments, please contact me at your convenience (phone: 713/342-2863).

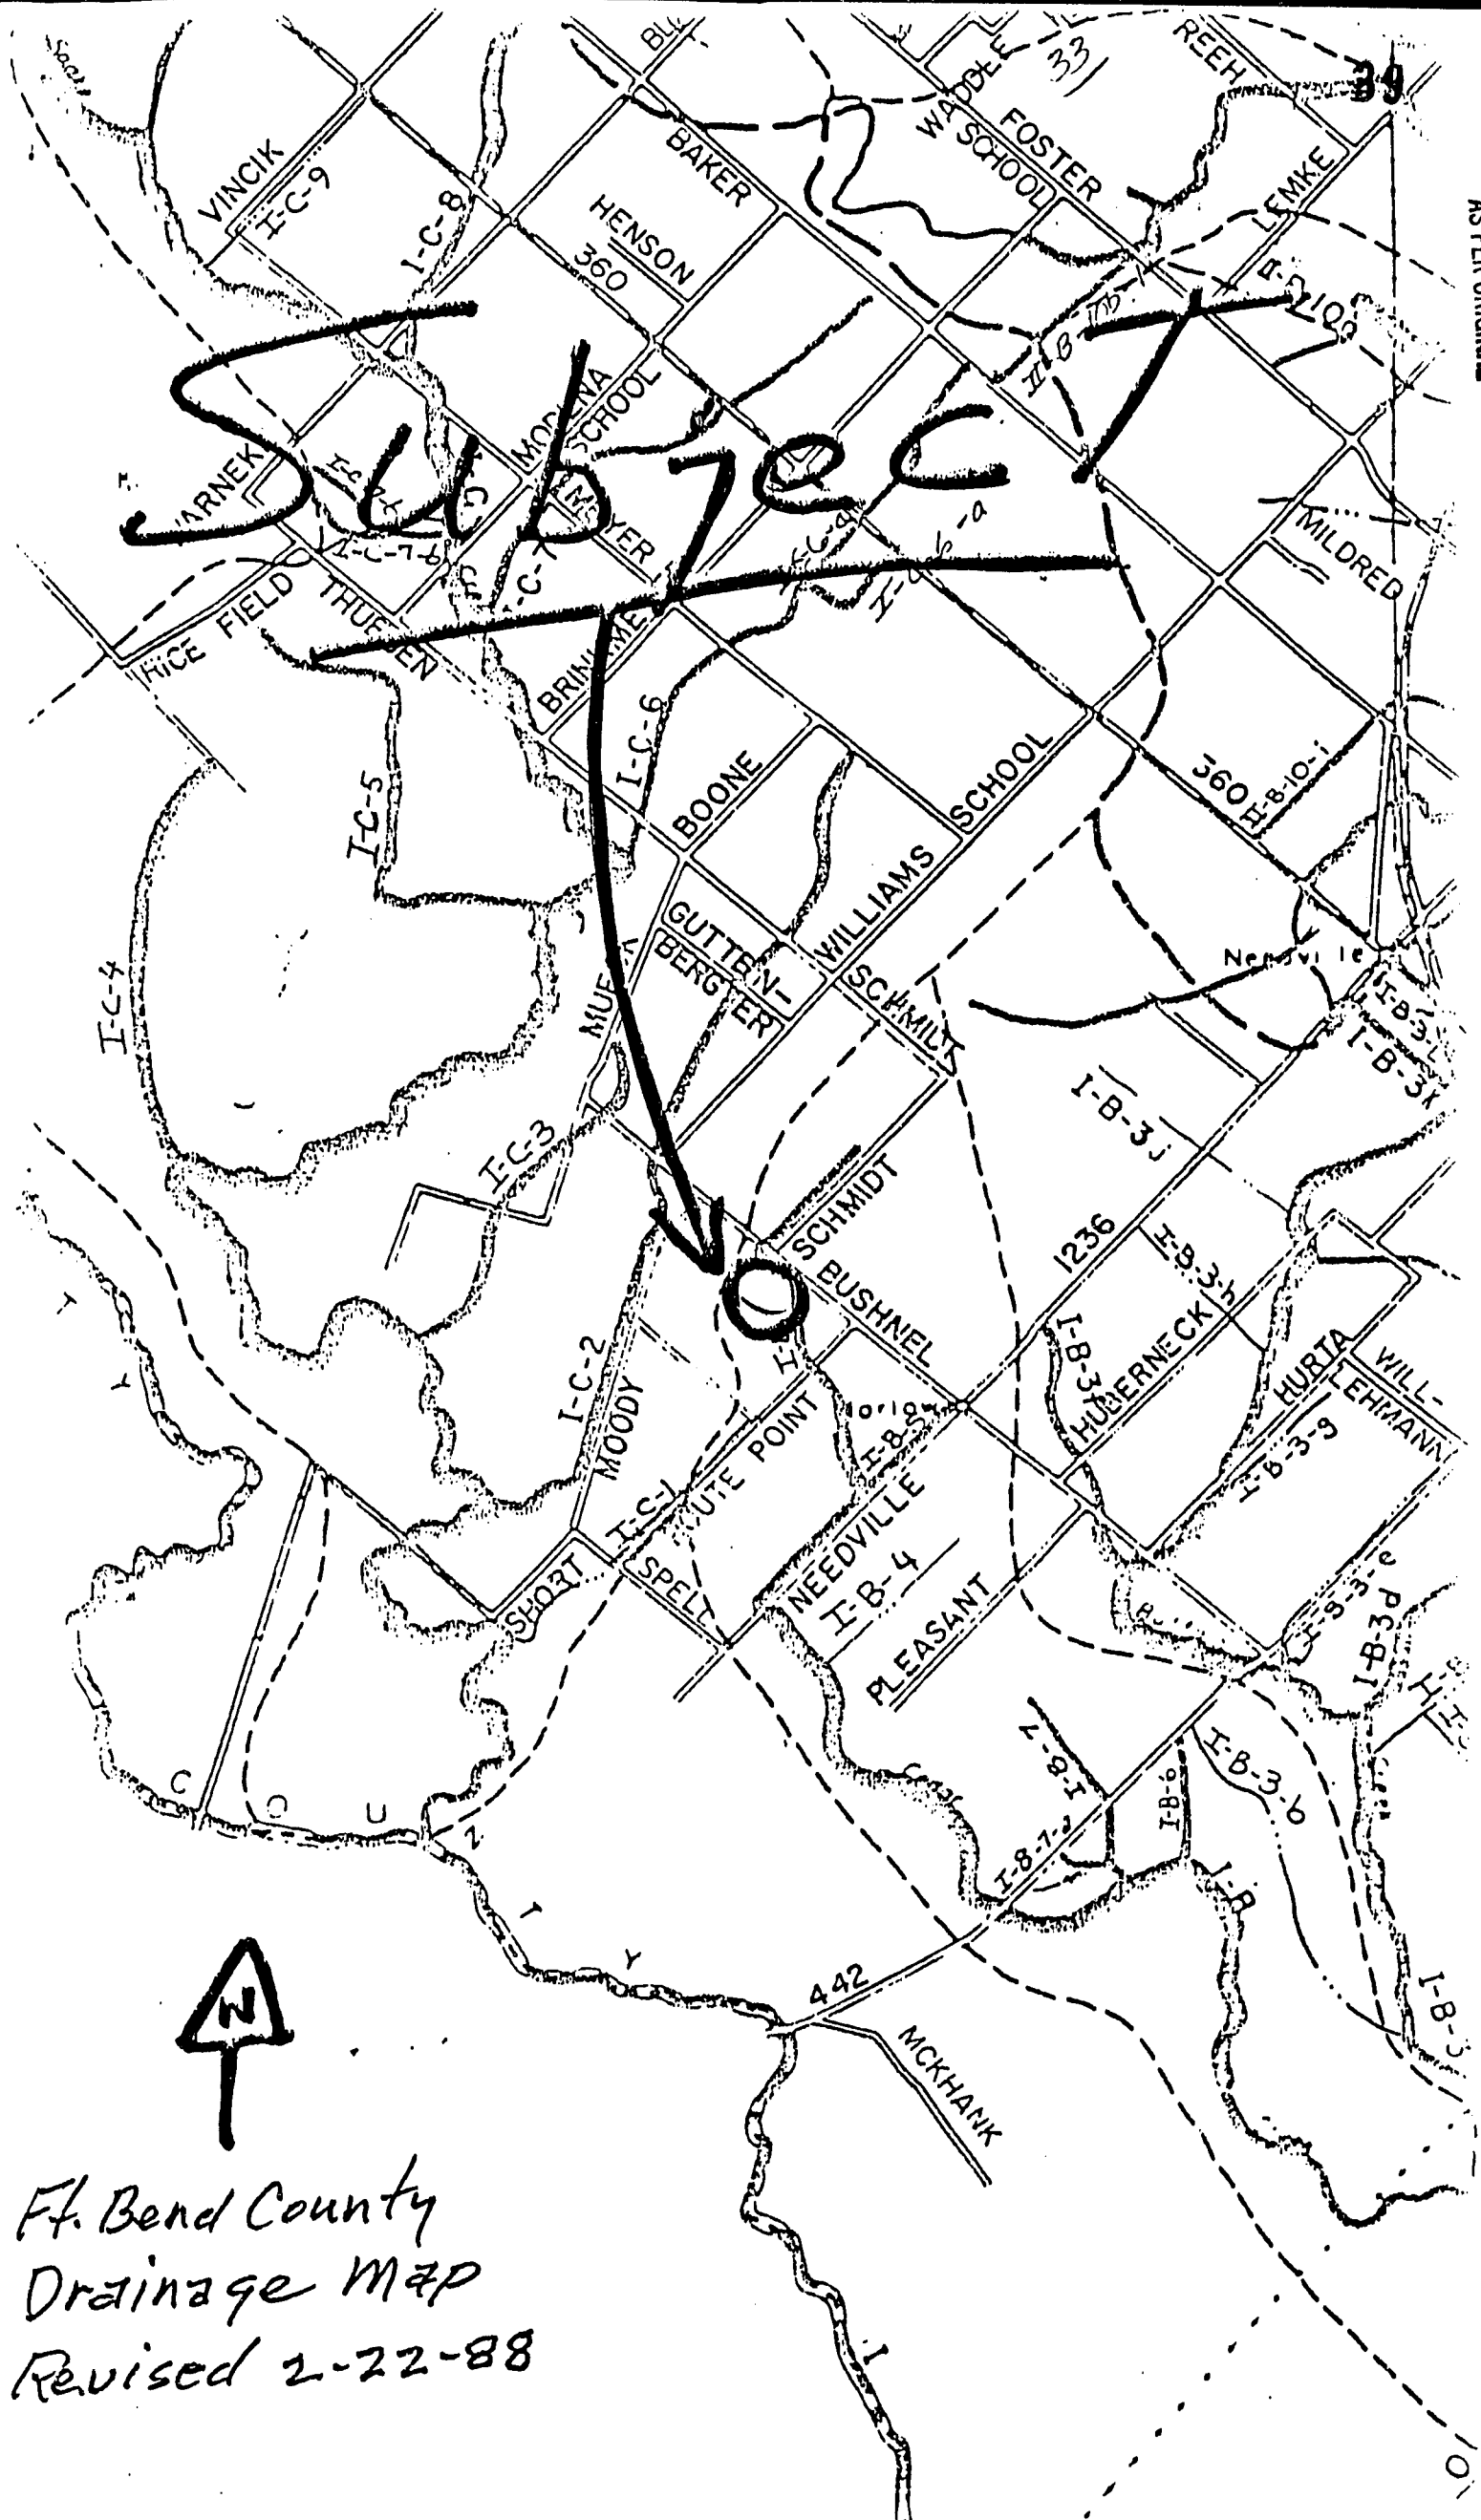

Sincerely,

Mark Vogler  
Assistant Engineer

INSTRUCTION TO BIDDERS1. Preparation of Bids:

Bids shall be submitted upon the forms provided, or copies thereof. The bids shall be prepared in compliance with the requirements of the Notice to Bidders, these instructions, and any instructions printed on the prescribed forms. No change shall be made in the phraseology of the forms or of the bid items thereon. Any bid may be deemed irregular which contains any omission, alterations, erasure, addition, or change of any nature, or which does not include prices for each and every bid item (excluding optional items). Further, any bid in which the prices are obviously unbalanced, or which fails in any manner to conform to the bidding procedures as set forth, shall also be considered irregular.

Bidder must sign his Bid in the space provided on the Bid Form; unsigned bids will not be accepted. If the bid is submitted by a partnership or corporation, the name and address of the partnership or corporation must be shown, together with the name and address of the partners or corporate officers. Bids submitted by the partnership must be signed by one of the corporate officials having, under the corporate structure, the power to act in this capacity; and the Corporate seal must be affixed on the Bid. Bids submitted by a sole proprietorship must be signed by the proprietor.

2. Submittal of Bids:

All bids must be submitted at the time and place in the manner prescribed in the Notice to Contractors. Bids must be delivered in a sealed envelope with return address and clearly marked.

Bidder's firm name shall appear on the outside of the envelope. Bids will not be considered unless accompanied by a Statement of Qualification and Statement of Financial Condition.

3. Statement of Qualifications:

A statement of the qualifications of the bidder must be submitted on the prescribed form. The Owner may make investigations as necessary to determine the ability of the bidder to perform the Contract work. The Owner reserves the right to reject any bid. Bids will be considered only from qualified bidders.

4. Statement of Financial Condition:

A Financial Statement of the financial condition of the bidder as reflected by his most recently prepared statement is required. The statement shall be submitted in a sealed envelope and will be examined only if the bidder's proposal is actively considered for award, otherwise it will be returned unopened after award of the contract.

5. Bonds:

Unless otherwise stipulated within this contract, no bond will be required for the Big Creek Bypass Channel construction contract.

6. Examination of Plans, Specifications and Site of the Work:

Prospective bidders shall make a careful examination of the site of the project, soil and water conditions to be encountered and improvements to be protected. Bidders are required, prior to submitting any proposal, to read the specifications, proposal and contract forms carefully, to visit the site of the work, to examine carefully local conditions, to inform themselves by their independent research, tests and investigations of the difficulties to be encountered and judge for themselves of the accessibility of the work and all attending circumstances affecting the cost of doing the work or time required for its completion, and to obtain all information required to make an intelligent proposal. No information given by the OWNER or any officials thereof, other than that shown on the plans and contained in the specifications, proposals and other documents, shall be binding upon the OWNER. Bidders shall rely upon their own estimates, investigations, tests and other data which are necessary for full and complete information upon which the proposal may be based. It is mutually agreed that submission of a proposal is evidenced that the bidder has made the examinations, investigations and tests required herein.

7. Interpretation of Contract Documents, Technical Specifications and Contract Plans:

Discrepancies, omissions, or doubts as to the meaning of Contract Documents, Technical Specifications or Contract Plans shall be communicated in writing to the Engineer for interpretation or explanation, prior to 72 hours before the bid opening. An interpretation or explanation in response to communications from Bidders will be forwarded to all Bidders and receipt by the Bidder shall be acknowledged on the Proposal form. It is the responsibility of the Bidders to ascertain if they have received all such addenda. No other interpretation or explanation will be considered as official or binding.

8. Withdrawal of Bids:

A Bidder may withdraw his Proposal before the time of the bid opening specified in the Notice to Bidders, without prejudice to himself, by submitting a written request for its withdrawal, provided the request is received prior to the time of the bid opening.

9. Funds:

The Owner agrees to ensure that sufficient funds are available to pay the Contractor in cash, in accordance with provisions of the Contract.

10. Award of Contract:

- a. Unless he elects to reject all bids, the Owner will award the Contract within thirty (30) days after the bid opening. The Owner reserves the right to reject any or all bids.
- b. It is the intent of the Owner to award the Contract to the qualified and responsible bidder submitting the lowest base bid. However, award will be made on the basis of the greatest advantage to the Owner, considering all elements of the bids.
- c. If the lowest base bid submitted by a responsible bidder does not exceed the available funds, the contract will be awarded on the base bid only. If the lowest base bid exceeds the available funds, the Owner may reject all bids or may award the contract on the base bid less items of work which are listed in the Bid Form as required to produce a net contract amount which is within the available funds.

11. Sub-Contractors:

The successful bidder shall submit to the Owner, immediately prior to signing of the contract documents, a list of names of sub-contractors he will use.

12. Conditions:

- a. In the following, Fort Bend County Drainage District will be referred to as "Owner" and the General Contractor as "Contractor".
- b. The Contract will be let to one Contractor or firm of contractors and he, or they, shall perform the work in accordance with the plans and specifications.
- c. The Contractor shall furnish all labor and construction equipment. He may sublet any part of the labor or any of the different crafts required on the job. The Contractor will be held strictly responsible for the workmanship of these sub-contractors. All work must be carried out to the entire satisfaction of the Owners. All work must be done by skilled mechanics.
- d. The Contractor is responsible for seeing to it that all work is done in accordance with the building, sanitation, and other laws in force in the State of Texas and the locality

the construction is being done. Such laws are hereby made a part of this specification, and the same as if written in full herein.

- e. The Contractor shall carry Workmen's Compensation and Public Liability Insurance and payroll taxes. Public Liability: \$100,000.00 for injuries to one person; \$300,000.00 one accident; Property Damage: \$50,000.00; Automobile Property Damage: \$50,000.00; Automobile Public Liability: \$100,000.00 for injuries to one person \$300,000.00 for one accident.

All insurance to remain in force until completion and acceptance of the work.

NOTICE TO BIDDERS

1. Bids will be received by the Fort Bend County Drainage District.
2. Sealed bids, addressed to Fort Bend County Drainage District, will be received until 1:30 P.M. Friday, July 28, 1989 and then publicly opened and read, for furnishing all labor and equipment.

Sealed bids will be received at the County Judge's office in the Fort Bend County Courthouse Jane Long Annex, located at 500 Jackson Street, Richmond, Texas 77469.

3. The work shall include all work incidental to construction.
4. Bids shall be submitted in sealed envelopes upon the blank form of Proposal furnished. Sealed envelopes shall be marked in the upper left hand corner as follows:

"Big Creek Bypass Channel Construction"

5. No bonds required.
6. The right is reserved, as the interest of the Owner may require, to reject any and all bids and to waive any informality in bids received.
7. Proposal form and specifications may be obtained from the Fort Bend County District office, 3417 Avenue F, Rosenberg, Texas 77471.
8. A pre-bid conference will be held on Tuesday, July 18, 1989. The meeting will begin at 1:00 P.M. at the Drainage District office (3417 Avenue F, Rosenberg, Texas). A construction site visit will follow.

Bidders should carefully examine the plans, specifications and documents, visit the site of the work, and fully inform themselves as to all conditions and matters which can in any way affect the work or the cost thereof. Should a bidder find discrepancies in, or omissions from the plans, specifications or other documents, or should he be in doubt as to their meaning, he should at once notify the Engineer and obtain clarification prior to submitting any bid.

PROPOSAL

To: Fort Bend County Drainage District  
500 Jackson Street  
Richmond, Texas 77469

GENTLEMEN:

THE UNDERSIGNED BIDDER, having examined the plans, specifications, General and Special Conditions, and other proposed Contract Documents, and all Addenda thereto and being acquainted with and fully understanding:

- a. The extent and character of the work covered by this proposal;
- b. The location, arrangement, and specified requirements for the proposed work;
- c. The location, character, and condition of existing streets, roads, highways, trees which may affect or be affected by the proposed work;

4. Have you ever failed to complete any work awarded to you? No  
If so, where and why? N/A

5. In what manner have you inspected this proposed work? Explain in detail.

We have attended pre-bid conference, read and studied specifications, plans and Log of Borings. We have also been to the job site twice under different weather conditions to inspect the soil condition.

6. Explain your plan or layout for performing the proposed work.

We plan to excavate material with scrapers and place it according to specifications and drawings. If necessary, to insure that work progresses smoothly, we can offer the option of moving the material further than the 150 ft. swing that a dragline offers. This flexibility could enable your dozers to keep up with the amount of dirt excavated by our scrapers, should any delays arise with stockpiling of the material by your dozers. The use of scrapers allows us to be flexible in this area. We will be excavating in a manner that provides the best drainage possible during all stages of the work. We will be finishing the channel as we carry the excavation forward. We would like to work five (5) 12-hour days and 8 hours on Saturday.

7. The work, if awarded to you, will have the personal supervision of whom?

- a. For administrative management? Lonnie Lischka
- b. For resident construction superintendence? Darrell Hyatt
- c. What experience in this type of work is enjoyed by the superintendent designated under (b) above?

Darrell Hyatt has supervised our Pioneer Concrete Job at Garwood, TX and McGinnis Industrial Job. He has also been co-superintendent on McGinnis Brothers, Inc. Job and our NAIAD Job.

who will act as the ENGINEER in connection with completion of the Project in accordance with the Contract Documents.

ARTICLE 3. CONTRACT TIME. The Work shall be completed within \_\_\_\_\_ calendar days after the date which the CONTRACTOR is to start the Work as provided in the Contract Documents.

ARTICLE 4. CONTRACT PRICE. The OWNER will pay the CONTRACTOR for performance of the Work and completion of the Project in accordance with the Contract Documents subject to adjustment by Modifications as provided therein in current funds as follows:

ARTICLE 5. PROGRESS AND FINAL PAYMENTS. The OWNER will make progress payments on account of the Contract Price as provided in the General Conditions as follows:

- 5.1 Progress and Final Payments will be on the basis of the CONTRACTOR'S Monthly Applications for Payment as approved by the ENGINEER.
- 5.2 Upon final completion of the Work and settlement of all claims, the remainder of the Contract Price.

ARTICLE 6. CONTRACT DOCUMENTS. The Contract Documents which comprise the contract between the OWNER and the CONTRACTOR are attached hereto and made a part hereof.

ARTICLE 7. MISCELLANEOUS.

- 7.1 Terms used in the agreement which are defined in ARTICLE 1 of the General Conditions shall have the meanings indicated in the General Conditions.
- 7.2 Neither the OWNER nor the CONTRACTOR shall, without the prior written consent of the other, assign or sublet in whole or in part his interest under any of the Contract Document and, specifically, the CONTRACTOR shall not assign any moneys due or to become due without the prior written consent of the OWNER.
- 7.3 The OWNER and the CONTRACTOR each binds himself, his partners, successors, assigns and legal representatives to the other party hereto in respect to all covenants, agreements and obligations contained in the CONTRACT DOCUMENTS.
- 7.4 The Contract Documents constitute the entire agreement between the OWNER and the CONTRACTOR and may only be altered, amended, or repealed by a duly executed written instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement in the day and year first above written.

# GENERAL CONDITIONS OF AGREEMENT

39 948-V

## 1. DEFINITIONS OF TERMS

1.01 OWNER, CONTRACTOR AND ENGINEER. The OWNER, the CONTRACTOR and the ENGINEER are those persons or organizations identified as such in the Agreement and are referred to throughout the Contract Documents as if singular in number and masculine in gender. The term ENGINEER means the ENGINEER or his duly authorized representative. The ENGINEER shall be understood to be the ENGINEER of the OWNER, and nothing contained in the Contract Documents shall create any contractual or agency relationship between the ENGINEER and the CONTRACTOR.

1.02 CONTRACT DOCUMENTS. The Contract Documents shall consist of the Notice to Contractors (Advertisement), Special Conditions (Instructions to Bidders), Proposal, signed Agreement, Performance and Payment Bonds (when required), Special Bonds (when required), General Conditions of the Agreement, Technical Specifications, Plans, and all modifications thereof incorporated in any of the documents before the execution of the agreement.

The Contract Documents are complementary, and what is called for by any one shall be as binding as if called for by all. In case of conflict between any of the Contract Documents, priority of interpretation shall be in the following order: Signed Agreement, Performance and Payment Bonds, Special Bonds (if any), Proposal, Special Conditions of Agreement, Notice to Contractors, Technical Specifications, Plans, and General Conditions of Agreement.

1.03 SUB-CONTRACTOR. The term Sub-Contractor, as employed herein, includes only those having a direct contract with the CONTRACTOR and it includes one who furnishes material worked to a special design according to the plans or specifications of this work, but does not include one who merely furnishes material not so worked.

1.04 WRITTEN NOTICE. Written notice shall be deemed to have been duly served if delivered in person to the individual or to a member of the firm or to an officer of the corporation for whom it is intended, or if delivered at or sent by registered mail to the last business address known to him who gives the notice.

1.05 WORK. The CONTRACTOR shall provide and pay for all materials, supplies, machinery, equipment, tools, superintendence, labor, services, insurance, and all water, light, power, fuel, transportation and other facilities necessary for the execution and completion of the work covered by the contract documents. Unless otherwise specified, all materials shall be new and both workmanship and materials shall be of a good quality. The CONTRACTOR shall, if required, furnish satisfactory evidence as to the kind and quality of materials. Materials or work described in words which so applied have a well known technical or trade meaning shall be held to refer to such recognized standards.

1.06 EXTRA WORK. The term "Extra Work" as used in this contract shall be understood to mean and include all work that may be required by the ENGINEER or OWNER to be done by the CONTRACTOR to accomplish any change, alteration or addition to the work shown upon the plans, or reasonably implied by the specifications, and not covered by the CONTRACTOR'S Proposal, except as provided under "Changes and Alterations", herein.

1.07 WORKING DAY. A "Working Day" is defined as any day not including Saturdays, Sundays or any legal holidays, in which weather or other conditions, not under the control of the CONTRACTOR, will permit construction of the principal units of the work for a period of not less than seven (7) hours between 7:00 a.m. and 6:00 p.m.

1.08 CALENDAR DAY. "Calendar Day" is any day of the week or month, no days being excepted.

1.09 SUBSTANTIALLY COMPLETED. By the term "substantially completed" is meant that the structure has been made suitable for use or occupancy or the facility is in condition to serve its intended purpose, but still may require minor miscellaneous work and adjustment.

## 2. RESPONSIBILITIES OF THE ENGINEER AND THE CONTRACTOR

39 948-W

**2.01 OWNER-ENGINEER RELATIONSHIP.** The ENGINEER will be the OWNER'S representative during construction. The duties, responsibilities and limitations of authority of the ENGINEER as the OWNER'S representative during construction are as set forth in the Contract Documents and shall not be extended or limited without written consent of the OWNER and ENGINEER. The ENGINEER will advise and consult with the OWNER, and all of OWNER'S instructions to the CONTRACTOR shall be issued through the ENGINEER.

**2.02 PROFESSIONAL INSPECTION BY ENGINEER.** The ENGINEER shall make periodic visits to the site to familiarize himself generally with the progress of the executed work and to determine if such work generally meets the essential performance and design features and the technical and functional engineering requirements of the Contract Documents; provided and except, however, that the ENGINEER shall not be responsible for making any detailed, exhaustive, comprehensive or continuous on-site inspection of the quality or quantity of the work or be in any way responsible, directly or indirectly, for the construction means, methods, techniques, sequences, quality, procedures, programs, safety precautions or lack of same incident thereto or in connection therewith. Notwithstanding any other provision of this agreement or any other Contract Document, the ENGINEER shall not be in any way responsible or liable for any acts, errors, omissions or negligence of the CONTRACTOR, any subcontractor or any of the CONTRACTOR'S or subcontractor's agents, servants or employees or any other person, firm or corporation performing or attempting to perform any of the work.

**2.03 PAYMENTS FOR WORK.** The ENGINEER shall review CONTRACTOR'S applications for payment and supporting data, determine the amount owed to the CONTRACTOR and approve, in writing, payment to CONTRACTOR in such amounts; such approval of payment to CONTRACTOR constitutes a representation to the OWNER of ENGINEER'S professional judgment that the work has progressed to the point indicated to the best of his knowledge, information and belief, but such approval of an application for payment to CONTRACTOR shall not be deemed as a representation by ENGINEER that ENGINEER has made any examination to determine how or for what purpose CONTRACTOR has used the moneys paid on account of the Contract price.

**2.04 INITIAL DETERMINATIONS.** The ENGINEER initially shall determine all claims, disputes and other matters in question between the CONTRACTOR and the OWNER relating to the execution or progress of the work or the interpretation of the Contract Documents and the ENGINEER'S decision shall be rendered in writing within a reasonable time. Should the ENGINEER fail to make such decision within a reasonable time, appeal to arbitration may be taken as if his decision had been rendered against the party appealing.

**2.05 OBJECTIONS.** In the event the ENGINEER renders any decision which, in the opinion of either party hereto, is not in accordance with the meaning and intent of this contract, either party may file with the ENGINEER within thirty days his written objection to the decision, and by such action may reserve the right to submit the question so raised to arbitration as hereinafter provided.

**2.06 LINES AND GRADES.** Unless otherwise specified, all lines and grades shall be furnished by the ENGINEER or his representative. Whenever necessary, construction work shall be suspended to permit performance of this work, but such suspension will be as brief as practicable and the CONTRACTOR shall be allowed no extra compensation therefor. The CONTRACTOR shall give the ENGINEER ample notice of the time and place where lines and grades will be needed. All stakes, marks, etc., shall be carefully preserved by the CONTRACTOR, and in case of careless destruction or removal by him or his employees, such stakes, marks, etc., shall be replaced at the CONTRACTOR'S expense.

**2.07 CONTRACTOR'S DUTY AND SUPERINTENDENCE.** The CONTRACTOR shall give adequate attention to the faithful prosecution and completion of this contract and shall keep on the work, during its progress, a competent superintendent and any necessary assistants. The superintendent shall represent the CONTRACTOR in his absence and all directions given to him shall be as binding as if given to the CONTRACTOR.

39 948-X

The CONTRACTOR is and at all times shall remain an independent contractor, solely responsible for the manner and method of completing his work under this contract, with full power and authority to select the means, method and manner of performing such work, so long as such methods do not adversely affect the completed improvements, the OWNER and ENGINEER being interested only in the result obtained and conformity of such completed improvements to the plans, specifications and contract.

Likewise, the CONTRACTOR shall be solely responsible for the safety of himself, his employees and other persons, as well as for the protection of the safety of the improvements being erected and the property of himself or any other person, as a result of his operations hereunder. Engineering construction drawings and specifications as well as any additional information concerning the work to be performed passing from or through the ENGINEER shall not be interpreted as requiring or allowing CONTRACTOR to deviate from the plans and specifications, the intent of such drawings, specifications and any other such instructions being to define with particularity the agreement of the parties as to the work the CONTRACTOR is to perform. CONTRACTOR shall be fully and completely liable, at his own expense, for design, construction, installation and use, or non-use, of all items and methods incident to performance of the contract, and for all loss, damage or injury incident thereto, either to person or property, including, without limitation, the adequacy of all temporary supports, shoring, bracing, scaffolding, machinery or equipment, safety precautions or devices, and similar items or devices used by him during construction.

Any review of work in process, or any visit or observation during construction, or any clarification of plans and specifications, by the ENGINEER, or any agent, employee, or representative of either of them, whether through personal observation on the project site or by means of approval of shop drawings for temporary construction or construction processes, or by other means or method, is agreed by the CONTRACTOR to be for the purpose of observing the extent and nature of work completed or being performed, as measured against the drawings and specifications constituting the contract, or for the purpose of enabling CONTRACTOR to more fully understand the plans and specifications so that the completed construction work will conform thereto, and shall in no way relieve the CONTRACTOR from full and complete responsibility for the proper performance of his work on the project, including but without limitation the propriety of means and methods of the CONTRACTOR in performing said contract, and the adequacy of any designs, plans or other facilities for accomplishing such performance. Deviation by the CONTRACTOR from plans and specifications that may have been in evidence during any such visitation or observation by the ENGINEER, or any of his representatives, whether called to the CONTRACTOR'S attention or not shall in no way relieve CONTRACTOR from his responsibility to complete all work in accordance with said plans and specifications.

**2.08 CONTRACTOR'S UNDERSTANDING.** It is understood and agreed that the CONTRACTOR has, by careful examination, satisfied himself as to the nature and location of the work, the conformation of the ground, the character, quality and quantity of the materials to be encountered, the character of equipment and facilities needed preliminary to and during the prosecution of the work, the general and local conditions, and all other matters which can in any way affect the work under this contract. No verbal agreement or conversation with any officer, agent or employee of the OWNER or ENGINEER either before or after the execution of this contract, shall affect or modify any of the terms or obligations herein contained.

**2.09 CHARACTER OF WORKMEN.** The CONTRACTOR agrees to employ only orderly and competent men, skillful in the performance of the type of work required under this contract, to do the work; and agrees that whenever the ENGINEER shall inform him in writing that any man or men on the work are, in his opinion, incompetent, unfaithful or disorderly, such man or men shall be discharged from the work and shall not again be employed on the work without the ENGINEER'S written consent.

**2.10 CONTRACTOR'S BUILDINGS.** The building of structures for housing men, or the erection of tents or other forms of protection, will be permitted only at such places as the ENGINEER shall direct, and the sanitary conditions of the grounds in or about such structures shall at all times be maintained in a manner satisfactory to the ENGINEER.

2.11 SANITATION. Necessary sanitary conveniences for the use of laborers on the work, properly secluded from public observation, shall be constructed and maintained by the CONTRACTOR in such manner and at such points as shall be approved by the ENGINEER, and their use shall be strictly enforced.

2.12 SHOP DRAWINGS. The CONTRACTOR shall submit to the ENGINEER, with such promptness as to cause no delay in his own work or in that of any other Contractor, four checked copies, unless otherwise specified, of all shop and/or setting drawings and schedules required for the work of the various trades, and the ENGINEER shall pass upon them with reasonable promptness, making desired corrections. The CONTRACTOR shall make any corrections required by the ENGINEER, file with him two corrected copies and furnish such other copies as may be needed. The ENGINEER'S approval of such drawings or schedules shall not relieve the CONTRACTOR from responsibility for deviations from drawings or specifications, unless he has in writing called the ENGINEER'S attention to such deviations at the time of submission, nor shall it relieve him from responsibility for errors of any sort in shop drawings or schedules. It shall be the CONTRACTOR'S responsibility to fully and completely review all shop drawings to ascertain their effect on his ability to perform the required contract work in accordance with the plans and specifications and within the contract time.

Such review by the ENGINEER shall be for the sole purpose of determining the sufficiency of said drawings or schedules to result in finished improvements in conformity with the plans and specifications, and shall not relieve the CONTRACTOR of his duty as an independent contractor as previously set forth, it being expressly understood and agreed that the ENGINEER does not assume any duty to pass upon the propriety or adequacy of such drawings or schedules, or any means or methods reflected thereby, in relation to the safety of either person or property during CONTRACTOR'S performance hereunder.

2.13 PRELIMINARY APPROVAL. The ENGINEER shall not have the power to waive the obligations of this contract for the furnishing by the CONTRACTOR of good material, and of his performing good work as herein described, and in full accordance with the plans and specifications. No failure or omission of the ENGINEER to discover, object to or condemn any defective work or material shall release the CONTRACTOR from the obligations to fully and properly perform the contract, including without limitations, the obligation to at once tear out, remove and properly replace the same at any time prior to final acceptance upon the discovery of said defective work or material; provided, however, that the ENGINEER shall, upon request of the CONTRACTOR, inspect and accept or reject any material furnished, and in event the material has been once accepted by the ENGINEER, such acceptance shall be binding on the OWNER, unless it can be clearly shown that such material furnished does not meet the specifications for this work.

Any questioned work may be ordered taken up or removed for re-examination, by the ENGINEER, prior to final acceptance, and if found not in accordance with the specifications for said work, all expense of removing, re-examination and replacement shall be borne by the CONTRACTOR, otherwise the expense thus incurred shall be allowed as EXTRA WORK, and shall be paid for by the OWNER; provided that, where inspection or approval is specifically required by the specifications prior to performance of certain work, should the CONTRACTOR proceed with such work without requesting prior inspection or approval he shall bear all expense of taking up, removing, and replacing this work if so directed by the ENGINEER.

2.14 DEFECTS AND THEIR REMEDIES. It is further agreed that if the work or any part thereof, or any material brought on the site of the work for use in the work or selected for the same, shall be deemed by the ENGINEER as unsuitable or not in conformity with the specifications, the CONTRACTOR shall, after receipt of written notice thereof from the ENGINEER, forthwith remove such material and rebuild or otherwise remedy such work so that it shall be in full accordance with this contract.

2.15 CHANGES AND ALTERATIONS. The CONTRACTOR further agrees that the OWNER may make such changes and alterations as the OWNER may see fit, in the line, grade, form, dimensions, plans or materials for the work herein contemplated, or any part thereof, either before or after the beginning of the construction, without affecting the validity of this contract and the accompanying Performance and Payment Bonds.

If such changes or alterations diminish the quantity of the work to be done, they shall not constitute the basis for a claim for damages, or anticipated profits on the work that may be dispensed with, except as provided for unit price items under Section 5 "Measurement and Payment." If the amount of work is increased, and the work can fairly be classified under the specifications, such increase shall be paid for according to the quantity actually done and at the unit price, if any, established for such work under this contract, except as provided for unit price items under Section 5 "Measurement and Payment;" otherwise, such additional work shall be paid for as provided under Extra Work. In case the OWNER shall make such changes or alterations as shall make useless any work already done or material already furnished or used in said work, then the OWNER shall recompense the CONTRACTOR for any material or labor so used, and for any actual loss occasioned by such change, due to actual expenses incurred in preparation for the work as originally planned.

### 3. GENERAL OBLIGATIONS AND RESPONSIBILITIES

**3.01 KEEPING OF PLANS AND SPECIFICATIONS ACCESSIBLE.** The ENGINEER shall furnish the CONTRACTOR with an adequate and reasonable number of copies of all plans and specifications without expense to him, and the CONTRACTOR shall keep one copy of the same constantly accessible on the work, with the latest revisions noted thereon.

**3.02 OWNERSHIP OF DRAWINGS.** All drawings, specifications and copies thereof furnished by the ENGINEER shall not be reused on other work, and, with the exception of the signed contract sets, are to be returned to him on request, at the completion of the work. All models are the property of the OWNER.

**3.03 ADEQUACY OF DESIGN.** It is understood that the OWNER believes it has employed competent engineers and designers. It is, therefore, agreed that the OWNER shall be responsible for the adequacy of the design, sufficiency of the Contract Documents, the safety of the structure and the practicability of the operations of the completed project; provided the CONTRACTOR has complied with the requirements of the said Contract Documents, all approved modifications thereof, and additions and alterations thereto approved in writing by the OWNER. The burden of proof of such compliance shall be upon the CONTRACTOR to show that he has complied with the said requirements of the Contract Documents, approved modifications thereof and all approved additions and alterations thereto.

**3.04 RIGHT OF ENTRY.** The OWNER reserves the right to enter the property or location on which the works herein contracted for are to be constructed or installed, by such agent or agents as he may elect, for the purpose of inspecting the work, or for the purpose of constructing or installing such collateral work as said OWNER may desire.

**3.05 COLLATERAL CONTRACTS.** The OWNER agrees to provide by separate contract or otherwise, all labor and material essential to the completion of the work specifically excluded from this contract, in such manner as not to delay the progress of the work, or damage said CONTRACTOR, except where such delays are specifically mentioned elsewhere in the Contract Documents.

**3.06 DISCREPANCIES AND OMISSIONS.** It is further agreed that it is the intent of this contract that all work must be done and all material must be furnished in accordance with the generally accepted practice, and in the event of any discrepancies between the separate contract documents, the priority of interpretation defined under "Contract Documents" shall govern. In the event that there is still any doubt as to the meaning and intent of any portion of the contract, specifications or drawings, the ENGINEER shall define which is intended to apply to the work.

**3.07 EQUIPMENT, MATERIALS AND CONSTRUCTION PLANT.** The CONTRACTOR shall be responsible for the care, preservation, conservation, and protection of all materials, supplies, machinery, equipment, tools, apparatus, accessories, facilities, all means of construction, and any and all parts of the work, whether the CONTRACTOR has been paid, partially paid, or not paid for such work, until the entire work is completed and accepted.

**3.08 DAMAGES.** In the event the CONTRACTOR is damaged in the course of the completion of the work by the act, neglect, omission, mistake or default of the OWNER, or of the ENGINEER, or of any other CONTRACTOR employed by the OWNER upon the work, thereby causing loss to the CONTRACTOR, the OWNER agrees that he will reimburse the CONTRACTOR for such loss. In the event the OWNER is damaged in the course of the work by the act, negligence, omission, mistake or default of the CONTRACTOR, or should the CONTRACTOR unreasonably delay the progress of the work being done by others on the job so as to cause loss for which the OWNER becomes liable, then the CONTRACTOR shall reimburse the OWNER for such loss.

**3.09 PROTECTION AGAINST ACCIDENT TO EMPLOYEES AND THE PUBLIC.** The CONTRACTOR shall at all times exercise reasonable precautions for the safety of employees and others on or near the work and shall comply with all applicable provisions of Federal, State, and Municipal safety laws and building and construction codes. All machinery and equipment and other physical hazards shall be guarded in accordance with the "Manual of Accident Prevention in Construction" of the Associated General Contractors of America except where incompatible with Federal, State, or Municipal laws or regulations. The CONTRACTOR shall provide such machinery guards, safe walkways, ladders, bridges, gangplanks, and other safety devices. The safety precautions actually taken and their adequacy shall be the sole responsibility of the CONTRACTOR, acting at his discretion as an independent contractor.

**3.10 PERFORMANCE AND PAYMENT BONDS.** Unless otherwise specified, it is further agreed by the parties to this Contract that the CONTRACTOR will execute separate performance and payment bonds, each in the sum of one hundred (100) percent of the total contract price, in standard forms for this purpose, guaranteeing faithful performance of the work and the fulfillment of any guarantees required, and further guaranteeing payment to all persons supplying labor and materials or furnishing him any equipment in the execution of the Contract, and it is agreed that this Contract shall not be in effect until such performance and payment bonds are furnished and approved by the OWNER.

Unless otherwise approved in writing by the OWNER, the surety company underwriting the bonds shall be acceptable according to the latest list of companies holding certificates of authority from the Secretary of the Treasury of the United States.

Unless otherwise specified, the cost of the premium for the performance and payment bonds shall be included in the CONTRACTOR'S proposal.

**3.11 LOSSES FROM NATURAL CAUSES.** Unless otherwise specified, all loss or damage to the CONTRACTOR arising out of the nature of the work to be done, or from the action of the elements, or from any unforeseen circumstance in the prosecution of the same, or from unusual obstructions or difficulties which may be encountered in the prosecution of the work, shall be sustained and borne by the CONTRACTOR at his own cost and expense.

**3.12 PROTECTION OF ADJOINING PROPERTY.** The said CONTRACTOR shall take proper means to protect the adjacent or adjoining property or properties in any way encountered, which might be injured or seriously affected by any process of construction to be undertaken under this Agreement, from any damage or injury by reason of said process of construction; and he shall be liable for any and all claims for such damage on account of his failure to fully protect all adjoining property. The CONTRACTOR agrees to indemnify, save and hold harmless the OWNER and ENGINEER against any claim or claims for damages due to any injury to any adjacent or adjoining property, arising or growing out of the performance of the contract; but any such indemnity shall not apply to any claim of any kind arising out of the existence or character of the work.

**3.13 PROTECTION AGAINST CLAIMS OF SUB-CONTRACTORS, LABORERS, MATERIALMEN AND FURNISHERS OF MACHINERY, EQUIPMENT AND SUPPLIES.** The CONTRACTOR agrees that he will indemnify and save the OWNER and ENGINEER harmless from all claims growing out of the lawful demands of sub-contractors, laborers, workmen, mechanics, materialmen and furnishers of machinery and parts thereof, equipment, power tools, and all supplies, including commissary, incurred in the furtherance of the performance of this contract. When so desired by the OWNER, the CONTRACTOR shall furnish satisfactory evidence that all obligations of the

nature hereinabove designated have been paid, discharged or waived. If the CONTRACTOR fails so to do, then the OWNER may at the option of the CONTRACTOR either pay directly any unpaid bills, of which the OWNER has written notice, or withhold from the CONTRACTOR'S unpaid compensation a sum of money deemed reasonably sufficient to liquidate any and all such lawful claims until satisfactory evidence is furnished that all liabilities have been fully discharged, whereupon payments to the CONTRACTOR shall be resumed in full, in accordance with the terms of this contract, but in no event shall the provisions of this sentence be construed to impose any obligation upon the OWNER by either the CONTRACTOR or his Surety.

**3.14 PROTECTION AGAINST ROYALTIES OR PATENTED INVENTION.** The CONTRACTOR shall pay all royalties and license fees, and shall provide for the use of any design, device, material or process covered by letters patent or copyright by suitable legal agreement with the patentee or owner. The CONTRACTOR shall defend all suits or claims for infringement of any patent or copyright rights and shall indemnify and save the OWNER and ENGINEER harmless from any loss on account thereof, except that the OWNER shall defend all such suits and claims and shall be responsible for all such loss when a particular design, device, material or process or the product of a particular manufacturer or manufacturers is specified or required by the OWNER; provided, however, if choice of alternate design, device, material or process is allowed to the CONTRACTOR, then CONTRACTOR shall indemnify and save OWNER harmless from any loss on account thereof. If the material or process specified or required by the OWNER is an infringement, the CONTRACTOR shall be responsible for such loss unless he promptly gives such information to the OWNER.

**3.15 LAWS AND ORDINANCES.** The CONTRACTOR shall at all times observe and comply with all Federal, State and local laws, ordinances and regulations, which in any manner affect the contract or the work, and shall indemnify and save harmless the OWNER and ENGINEER against any claim arising from the violation of any such laws, ordinances, and regulations whether by the CONTRACTOR or his employees, except where such violations are called for by the provisions of the Contract Documents. If the CONTRACTOR observes that the plans and specifications are at variance therewith, he shall promptly notify the ENGINEER in writing, and any necessary changes shall be adjusted as provided in the contract for changes in the work. If the CONTRACTOR performs any work knowing it to be contrary to such laws, ordinances, rules and regulations, and without such notice to the ENGINEER, he shall bear all costs arising therefrom. In case the OWNER is a body politic and corporate, the law from which it derives its powers, insofar as the same regulates the objects for which, or the manner in which, or the conditions under which the OWNER may enter into contract, shall be controlling, and shall be considered as part of this contract, to the same effect as though embodied herein.

**3.16 ASSIGNMENT AND SUBLETTING.** The CONTRACTOR further agrees that he will retain personal control and will give his personal attention to the fulfillment of this contract and that he will not assign by Power of Attorney, or otherwise, or sublet said contract without the written consent of the ENGINEER, and that no part or feature of the work will be sublet to anyone objectionable to the ENGINEER or the OWNER. The CONTRACTOR further agrees that the subletting of any portion or feature of the work, or materials required in the performance of this contract, shall not relieve the CONTRACTOR from his full obligations to the OWNER, as provided by this Agreement.

**3.17 INDEMNIFICATION.** The CONTRACTOR shall defend, indemnify and hold harmless the OWNER and the ENGINEER and their respective officers, agents and employees, from and against all damages, claims, losses, demands, suits, judgments and costs, including reasonable attorneys' fees and expenses, arising out of or resulting from the performance of the work, provided that any such damages, claim, loss, demand, suit, judgment, cost or expense:

- (1) Is attributable to bodily injury, sickness, disease or death or to injury to or destruction of tangible property (other than the work itself) including the loss of use resulting therefrom; and,

- (2) Is caused in whole or in part by any negligent act or omission of the Contractor, any Subcontractor, anyone directly or indirectly employed by any one of them or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder.

The obligation of the CONTRACTOR under this Paragraph shall not extend to the liability of the ENGINEER, his agents or employees arising out of the preparation or approval of maps, drawings, reports, surveys, Change Orders, designs or specifications, or the giving of or the failure to give directions or instructions by the ENGINEER, his agents or employees, provided such giving or failure to give is the primary cause of the injury or damage.

**3.18 INSURANCE.** The CONTRACTOR at his own expense shall purchase, maintain and keep in force such insurance as will protect him from claims set forth below which may arise out of or result from the CONTRACTOR'S operations under the Contract, whether such operations be by himself or by any Subcontractor or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable:

- (1) Workmen's compensation claims, disability benefits and other similar employee benefit acts;
- (2) Claims for damages because of bodily injury, occupational sickness or disease, or death of his employees, and claims insured by usual bodily injury liability coverages;
- (3) Claims for damages because of bodily injury, sickness or disease, or death of any person other than his employees, and claims insured by usual bodily injury liability coverages; and
- (4) Claims for damages because of injury to or destruction of tangible property, including loss of use resulting therefrom.

**3.18.1 CERTIFICATE OF INSURANCE.** Before commencing any of the work, CONTRACTOR shall file with the OWNER valid Certificates of Insurance acceptable to the OWNER and the ENGINEER. Such Certificates shall contain a provision that coverages afforded under the policies will not be cancelled until at least fifteen days' prior written notice has been given to the OWNER.

The CONTRACTOR shall also file with the OWNER valid Certificates of Insurance covering all sub-contractors.

#### 4. PROSECUTION AND PROGRESS

**4.01 TIME AND ORDER OF COMPLETION.** It is the meaning and intent of this contract, unless otherwise herein specifically provided, that the CONTRACTOR shall be allowed to prosecute his work at such times and seasons, in such order of precedence, and in such manner as shall be most conducive to economy of construction: provided, however, that the order and the time of prosecution shall be such that the work shall be substantially completed as a whole and in part, in accordance with this contract, the plans and specifications, and within the time of completion designated in the Proposal; provided, also, that when the OWNER is having other work done, either by contract or by his own force, the ENGINEER may direct the time and manner of constructing the work done under this contract, so that conflict will be avoided and the construction of the various works being done for the OWNER shall be harmonized.

The CONTRACTOR shall submit, at such times as may reasonably be requested by the ENGINEER, schedules which shall show the order in which the CONTRACTOR proposes to carry on the work, with dates at which the CONTRACTOR will start the several parts of the work, and estimated dates of completion of the several parts.

4.02 EXTENSION OF TIME. Should the CONTRACTOR be delayed in the completion of the work by any act or neglect of the OWNER or ENGINEER, or of any employee of either, or by other contractors employed by the OWNER, or by changes ordered in the work, or by strikes, lockouts, fires, and unusual delays by common carriers, or unavoidable cause or causes beyond the CONTRACTOR'S control, or by any cause which the ENGINEER shall decide justifies the delay, then an extension of time shall be allowed for completing the work, sufficient to compensate for the delay, the amount of the extension to be determined by the ENGINEER, provided, however, that the CONTRACTOR shall give the ENGINEER prompt notice in writing of the cause of such delay.

4.03 HINDRANCES AND DELAYS. No claims shall be made by the CONTRACTOR for damages resulting from hindrances or delays from any cause (except where the work is stopped by order of the OWNER) during the progress of any portion of the work embraced in this contract. In case said work shall be stopped by the act of the OWNER, then such expense as in the judgment of the ENGINEER is caused by such stoppage of said work shall be paid by the OWNER to the CONTRACTOR.

## 5. MEASUREMENT AND PAYMENT

5.01 QUANTITIES AND MEASUREMENTS. No extra or customary measurements of any kind will be allowed, but the actual measured and/or computed length, area, solid contents, number and weight only shall be considered, unless otherwise specifically provided.

5.02 ESTIMATED QUANTITIES. This agreement, including the specifications, plans and estimate, is intended to show clearly all work to be done and material to be furnished hereunder. Where the estimated quantities are shown for the various classes of work to be done and material to be furnished under this contract, they are approximate and are to be used only as a basis for estimating the probable cost of the work and for comparing the proposals offered for the work. It is understood and agreed that the actual amount of work to be done and material to be furnished under this contract may differ somewhat from these estimates, and that where the basis for payment under this contract is the unit price method, payment shall be for the actual amount of such work done and the material furnished.

Where payment is based on the unit price method, the CONTRACTOR agrees that he will make no claim for damages, anticipated profits or otherwise on account of any differences which may be found between the quantities of work actually done, the material actually furnished under this contract and the estimated quantities contemplated and contained in the proposal; provided, however, that in case the actual quantity of any major item should become as much as 20% more than, or 20% less than the estimated or contemplated quantity for such items, then either party to this Agreement, upon demand, shall be entitled to a revised consideration upon the portion of the work above or below 20% of the estimated quantity.

A "Major Item" shall be construed to be any individual bid item incurred in the proposal that has a total cost equal to or greater than five (5) per cent of the total contract cost, computed on the basis of the proposal quantities and the contract unit prices.

Any revised consideration is to be determined by agreement between the parties, otherwise by the terms of this Agreement, as provided under "Extra Work."

5.03 PRICE OF WORK. In consideration of the furnishing of all the necessary labor, equipment and material, and the completion of all work by the CONTRACTOR, and on the completion of all work and of the delivery of all material embraced in this Contract in full conformity with the specifications and stipulations herein contained, the OWNER agrees to pay the CONTRACTOR the prices set forth in the Proposal hereto attached, which has been made a part of this contract. The CONTRACTOR hereby agrees to receive such prices in full for furnishing all material and all labor required for the aforesaid work, also for all expense incurred by him, and for well and truly performing the same and the whole thereof in the manner and according to this Agreement.

5.04 PARTIAL PAYMENTS. On or before the 10th day of each month, the CONTRACTOR shall prepare and submit to the ENGINEER for approval or modification a statement showing as completely as practicable the total value of the work done by the CONTRACTOR up to and including the last day of the preceding month; said statement shall also include the value of all sound materials delivered on the site of the work that are to be fabricated into the work.

The OWNER shall then pay the CONTRACTOR on or before the 15th day of the current month the total amount of the approved statement, less 10 per cent of the amount thereof, which 10 per cent shall be retained until final payment, and further less all previous payments and all further sums that may be retained by the OWNER under the terms of this Agreement. It is understood, however, that in case the whole work be near to completion and some unexpected and unusual delay occurs due to no fault or neglect on the part of the CONTRACTOR, the OWNER may—upon written recommendation of the ENGINEER—pay a reasonable and equitable portion of the retained percentage to the CONTRACTOR, or the CONTRACTOR at the OWNER'S option, may be relieved of the obligation to fully complete the work and, thereupon, the CONTRACTOR shall receive payment of the balance due him under the contract subject only to the conditions stated under "Final Payment."

5.05 USE OF COMPLETED PORTIONS. The OWNER shall have the right to take possession of and use any completed or partially completed portions of the work, notwithstanding the time for completing the entire work or such portions may not have expired but such taking possession and use shall not be deemed an acceptance of any work not completed in accordance with the Contract Documents. If such prior use increases the cost of or delays the work, the CONTRACTOR shall be entitled to such extra compensation, or extension of time, or both, as the ENGINEER may determine.

The CONTRACTOR shall notify the ENGINEER when, in the CONTRACTOR'S opinion, the contract is "substantially completed" and when so notifying the ENGINEER, the CONTRACTOR shall furnish to the ENGINEER in writing a detailed list of unfinished work. The ENGINEER will review the CONTRACTOR'S list of unfinished work and will add thereto such items as the CONTRACTOR has failed to include. The "substantial completion" of the structure or facility shall not excuse the CONTRACTOR from performing all of the work undertaken, whether of a minor or major nature, and thereby completing the structure or facility in accordance with the Contract Documents.

5.06 FINAL COMPLETION AND ACCEPTANCE. Within ten (10) days after the CONTRACTOR has given the ENGINEER written notice that the work has been completed, or substantially completed, the ENGINEER and the OWNER shall inspect the work and within said time, if the work be found to be completed or substantially completed in accordance with the Contract Documents, the ENGINEER shall issue to the OWNER and the CONTRACTOR his Certificate of Completion, and thereupon it shall be the duty of the OWNER within ten (10) days to issue a Certificate of Acceptance of the work to the CONTRACTOR or to advise the CONTRACTOR in writing of the reason for non-acceptance.

5.07 FINAL PAYMENT. Upon the issuance of the Certificate of Completion, the ENGINEER shall proceed to make final measurements and prepare final statement of the value of all work performed and materials furnished under the terms of the Agreement and shall certify same to the OWNER, who shall pay to the CONTRACTOR on or after the 30th day, and before the 35th day, after the date of the Certificate of Completion, the balance due the CONTRACTOR under the terms of this Agreement, provided he has fully performed his contractual obligations under the terms of this contract; and said payment shall become due in any event upon said performance by the CONTRACTOR. Neither the Certificate of Acceptance nor the final payment, nor any provision in the Contract Documents, shall relieve the CONTRACTOR of the obligation for fulfillment of any warranty which may be required.

5.08 PAYMENTS WITHHELD. The OWNER may, on account of subsequently discovered evidence, withhold or nullify the whole or part of any certificate to such extent as may be necessary to protect himself from loss on account of:

- (a) Defective work not remedied.
- (b) Claims filed or reasonable evidence indicating probable filing of claims.
- (c) Failure of the CONTRACTOR to make payments properly to subcontractors or for material or labor.
- (d) Damage to another contractor.
- (e) Reasonable doubt that the work can be completed for the unpaid balance of the contract amount.
- (f) Reasonable indication that the work will not be completed within the contract time.

When the above grounds are removed or the CONTRACTOR provides a Surety Bond satisfactory to the OWNER, which will protect the OWNER in the amount withheld, payment shall be made for amounts withheld because of them.

5.09 DELAYED PAYMENTS. Should the OWNER fail to make payment to the CONTRACTOR of the sum named in any partial or final statement, when payment is due, then the OWNER shall pay to the CONTRACTOR, in addition to the sum shown as due by such statement, interest thereon at the rate of six (6) per cent per annum, unless otherwise specified, from date due as provided under "Partial Payments" and "Final Payments," until fully paid, which shall fully liquidate any injury to the CONTRACTOR growing out of such delay in payment, but the right is expressly reserved to the CONTRACTOR in the event payments be not promptly made, as provided under "Partial Payments," to at any time thereafter treat the contract as abandoned by the OWNER and recover compensation, as provided under "Abandonment of Contract," unless such payments are withheld in accordance with the provisions of "Payments Withheld."

## 6. EXTRA WORK AND CLAIMS

6.01 CHANGE ORDERS: Without invalidating this Agreement, the OWNER may, at any time or from time to time, order additions, deletions or revisions to the work; such changes will be authorized by Change Order to be prepared by the ENGINEER for execution by the OWNER and the CONTRACTOR. The Change Order shall set forth the basis for any change in contract price, as hereinafter set forth for Extra Work, and any change in contract time which may result from the change.

In the event the CONTRACTOR shall refuse to execute a Change Order which has been prepared by the ENGINEER and executed by the OWNER, the ENGINEER may in writing instruct the CONTRACTOR to proceed with the work as set forth in the Change Order and the CONTRACTOR may make claim against the OWNER for Extra Work involved therein, as hereinafter provided.

6.02 MINOR CHANGES: The ENGINEER may authorize minor changes in the work not inconsistent with the overall intent of the Contract Documents and not involving an increase in Contract Price. If the CONTRACTOR believes that any minor change or alteration authorized by the ENGINEER involves Extra Work and entitles him to an increase in the Contract Price, the CONTRACTOR shall make written request to the ENGINEER for a written Field Order.

In such case, the CONTRACTOR by copy of his communication to the ENGINEER or otherwise in writing shall advise the OWNER of his request to the ENGINEER for a written Field Order and that the work involved may result in an increase in the Contract Price.

Any request by the CONTRACTOR for a change in Contract Price shall be made prior to beginning the work covered by the proposed change.

6.03 EXTRA WORK: It is agreed that the basis of compensation to the CONTRACTOR for work either added or deleted by a Change Order or for which a claim for Extra Work is made shall be determined by one or more of the following methods:

- Method (A)—By agreed unit prices; or
- Method (B)—By agreed lump sum; or
- Method (C)—If neither Method (A) nor Method (B) be agreed upon before the Extra Work is commenced, then the CONTRACTOR shall be paid the "actual field cost" of the work, plus fifteen (15) percent.

In the event said Extra Work be performed and paid for under Method (C), then the provisions of this paragraph shall apply and the "actual field cost" is hereby defined to include the cost to the CONTRACTOR of all workmen, such as foreman, timekeepers, mechanics and laborers, and materials, supplies, teams, trucks, rentals on machinery and equipment, for the time actually employed or used on such Extra Work, plus actual transportation charges necessarily incurred, together with all power, fuel, lubricants, water and similar operating expenses, also all necessary incidental expenses incurred directly on account of such Extra Work, including Social Security, Old Age Benefits and other payroll taxes, and, a rateable proportion of premiums on Performance and Payment Bonds and Maintenance Bonds, Public Liability and Property Damage and Workmen's Compensation, and all other insurance as may be required by any law or ordinance, or directed by the OWNER, or by them agreed to. The ENGINEER may direct the form in which accounts of the "actual field cost" shall be kept and the records of these accounts shall be made available to the ENGINEER. The ENGINEER or OWNER may also specify in writing, before the work commences, the method of doing the work and the type and kind of machinery and equipment to be used; otherwise these matters shall be determined by the CONTRACTOR. Unless otherwise agreed upon, the prices for the use of machinery and equipment shall be determined by using 100 per cent, unless otherwise specified, of the latest schedule of Equipment Ownership Expense adopted by the Associated General Contractors of America. Where practicable the terms and prices for the use of machinery and equipment shall be incorporated in the Written Extra Work Order. The fifteen (15%) per cent of the "actual field cost" to be paid the CONTRACTOR shall cover and compensate him for his profit, overhead, general superintendence and field office expense, and all other elements of cost and expense not embraced within the "actual field cost" as herein defined, save that where the CONTRACTOR'S Camp or Field Office must be maintained primarily on account of such Extra Work; then the cost to maintain and operate the same shall be included in the "actual field cost."

No claim for Extra Work of any kind will be allowed unless ordered in writing by the ENGINEER. In case any orders or instructions, either oral or written, appear to the CONTRACTOR to involve Extra Work for which he should receive compensation or an adjustment in the construction time, he shall make written request to the ENGINEER for written order authorizing such Extra Work. Should a difference of opinion arise as to what does or does not constitute Extra Work, or as to the payment therefor, and the ENGINEER insists upon its performance, the CONTRACTOR shall proceed with the work after making written request for written order and shall keep an accurate account of the "actual field cost" thereof, as provided under Method (C). The CONTRACTOR will thereby preserve the right to submit the matter of payment to arbitration, as hereinbelow provided.

**6.04 TIME OF FILING CLAIMS.** It is further agreed by both parties hereto that all questions of dispute or adjustment presented by the CONTRACTOR shall be in writing and filed with the ENGINEER within thirty (30) days after the ENGINEER has given any directions, order or instruction to which the CONTRACTOR desires to take exception. The ENGINEER shall reply within thirty (30) days to such written exceptions by the CONTRACTOR and render his final decision in writing. In case the CONTRACTOR should appeal from the ENGINEER'S decision, any demand for arbitration shall be filed with the ENGINEER and the OWNER in writing within ten (10) days after the date of delivery to CONTRACTOR of the ENGINEER'S final decision. It is further agreed that final acceptance of the work by the OWNER and the acceptance by the CONTRACTOR of the final payment shall be a bar to any claims by either party, except where noted otherwise in the Contract Documents.

**6.05 ARBITRATION.** All questions of dispute under this Agreement shall be submitted to arbitration at the request of either party to the dispute. The parties may agree upon one arbiter, otherwise, there shall be three, one named in writing by each party, and the third chosen

by the two arbiters so selected; or if the arbiters fail to select a third within ten (10) days, he shall be chosen by a District Judge serving the County in which the major portion of the project is located, unless otherwise specified. Should the party demanding arbitration fail to name an arbiter within ten (10) days of the demand, his right to arbitrate shall lapse, and the decision of the ENGINEER shall be final and binding on him. Should the other party fail to choose an arbiter within ten (10) days, the ENGINEER shall appoint such arbiter. Should either party refuse or neglect to supply the arbiters with any papers or information demanded in writing, the arbiters are empowered by both parties to take ex parte proceedings.

The arbiters shall act with promptness. The decision of any two shall be binding on both parties to the contract. The decision of the arbiters upon any question submitted to arbitration under this contract shall be a condition precedent to any right of legal action. The decision of the arbiter or arbiters may be filed in court to carry it into effect.

The arbiters, if they deem the case demands it, are authorized to award the party whose contention is sustained, such sums as they deem proper for the time, expense and trouble incident to the appeal, and if the appeal was taken without reasonable cause, they may award damages for any delay occasioned thereby. The arbiters shall fix their own compensation, unless otherwise provided by agreement, and shall assess the cost and charges of the arbitration upon either or both parties. The award of the arbiters must be made in writing.

## 7. ABANDONMENT OF CONTRACT

**7.01 ABANDONMENT BY CONTRACTOR.** In case the CONTRACTOR should abandon and fail or refuse to resume work within ten (10) days after written notification from the OWNER, or the ENGINEER, or if the CONTRACTOR fails to comply with the orders of the ENGINEER, when such orders are consistent with the Contract Documents, then, and in that case, where performance and payment bonds exist, the Sureties on these bonds shall be notified in writing and directed to complete the work, and a copy of said notice shall be delivered to the CONTRACTOR.

After receiving said notice of abandonment the CONTRACTOR shall not remove from the work any machinery, equipment, tools, materials or supplies then on the job, but the same, together with any materials and equipment under contract for the work, may be held for use on the work by the OWNER or the Surety on the performance bond, or another contractor in completion of the work; and the CONTRACTOR shall not receive any rental or credit therefor (except when used in connection with Extra Work, where credit shall be allowed as provided for under Section 6, Extra Work and Claims), it being understood that the use of such equipment and materials will ultimately reduce the cost to complete the work and be reflected in the final settlement.

Where there is no performance bond provided or in case the Surety should fail to commence compliance with the notice for completion hereinbefore provided for, within ten (10) days after service of such notice, then the OWNER may provide for completion of the work in either of the following elective manners:

**7.01.1** The OWNER may thereupon employ such force of men and use such machinery, equipment, tools, materials and supplies as said OWNER may deem necessary to complete the work and charge the expense of such labor, machinery, equipment, tools, materials and supplies to said CONTRACTOR, and expense so charged shall be deducted and paid by the OWNER out of such moneys as may be due, or that may thereafter at any time become due to the CONTRACTOR under and by virtue of this Agreement. In case such expense is less than the sum which would have been payable under this contract, if the same had been completed by the CONTRACTOR, then said CONTRACTOR shall receive the difference. In case such expense is greater than the sum which would have been payable under this contract, if the same had been completed by said CONTRACTOR, then the CONTRACTOR and/or his Surety shall pay the amount of such excess to the OWNER; or

**7.01.2** The OWNER under sealed bids, after five (5) days notice published one or more times in a newspaper having general circulation in the county of the location of the work, may let the contract for the completion of the work under substantially the same terms and conditions which are provided in this contract. In case any increase in cost to the OWNER under the new contract as compared to what would have been the cost under this contract, such increase shall be charged to the CONTRACTOR and the Surety shall be and remain bound therefor. However, should the cost to complete any such new contract prove to be less than what would have been the cost to complete under this contract, the CONTRACTOR and/or his Surety shall be credited therewith.

- When the work shall have been substantially completed the CONTRACTOR and his Surety shall be so notified and Certificates of Completion and Acceptance, as provided in Paragraph 5.06 hereinabove, shall be issued. A complete itemized statement of the contract accounts, certified to by the ENGINEER as being correct, shall then be prepared and delivered to the CONTRACTOR and his Surety, whereupon the CONTRACTOR and/or his Surety, or the OWNER as the case may be, shall pay the balance due as reflected by said statement, within fifteen (15) days after the date of such Certificate of Completion.

In the event the statement of accounts shows that the cost to complete the work is less than that which would have been the cost to the OWNER had the work been completed by the CONTRACTOR under the terms of this contract; or when the CONTRACTOR and/or his Surety shall pay the balance shown to be due by them to the OWNER, then all machinery, equipment, tools, materials or supplies left on the site of the work shall be turned over to the CONTRACTOR and/or his Surety. Should the cost to complete the work exceed the contract price, and the CONTRACTOR and/or his Surety fail to pay the amount due the OWNER within the time designated hereinabove, and there remains any machinery, equipment, tools, materials or supplies on the site of the work, notice thereof, together with an itemized list of such equipment and materials, shall be mailed to the CONTRACTOR and his Surety at the respective addresses designated in this contract, provided, however, that actual written notice given in any manner will satisfy this condition. After mailing, or other giving of such notice, such property shall be held at the risk of the CONTRACTOR and his Surety subject only to the duty of the OWNER to exercise ordinary care to protect such property. After fifteen (15) days from the date of said notice the OWNER may sell such machinery, equipment, tools, materials or supplies and apply the net sum derived from such sale to the credit of the CONTRACTOR and his Surety. Such sale may be made at either public or private sale, with or without notice, as the OWNER may elect. The OWNER shall release any machinery, equipment, tools, materials, or supplies, which remain on the work, and belong to persons other than the CONTRACTOR or his Surety, to their proper owners. The books on all operations provided herein shall be open to the CONTRACTOR and his Surety.

**7.02 ABANDONMENT BY OWNER.** In case the OWNER shall fail to comply with the terms of this contract, and should fail or refuse to comply with said terms within ten (10) days after written notification by the CONTRACTOR, then the CONTRACTOR may suspend or wholly abandon the work, and may remove therefrom all machinery, tools and equipment, and all materials on the site of work that have not been included in payments to the CONTRACTOR and have not been wrought into the work. And thereupon the ENGINEER shall make an estimate of the total amount earned by the CONTRACTOR, which estimate shall include the value of all work actually completed by said CONTRACTOR (at the prices stated in the attached proposal where unit prices are used), the value of all partially completed work at a fair and equitable price, and the amount of all Extra Work performed at the prices agreed upon, or provided for by the terms of this contract, and a reasonable sum to cover the cost of any provisions made by the CONTRACTOR to carry the whole work to completion and which cannot be utilized. The ENGINEER shall then make a final statement of the balance due the CONTRACTOR by deducting from the above estimate all previous payments by the OWNER and all other sums that may be retained by the OWNER under the terms of this Agreement and shall certify same to the OWNER who shall pay to the CONTRACTOR on or before thirty (30) days after the date of the notification by the CONTRACTOR the balance shown by said final statement as due the CONTRACTOR, under the terms of this Agreement.

## SPECIAL PROVISIONS

Special Provisions shall govern and take precedence over the Standard Specifications wherever in conflict therewith:

Special Provision No. 1 to Item No. 1  
Special Provision No. 2 to Item No. 1  
Special Provision No. 3 to Item No. 1

## SPECIAL PROVISION NO. 1

TO

## ITEM NO. 1 - GENERAL PROVISIONS

For this project the Contract Drawings referred to in Paragraph C, "Contract Drawings", are as follows:

<u>Drawing</u>	<u>Description</u>
1	Title Page
2	Watershed Map
3-4	Profile
5	Typical Cross-Sections

## SPECIAL PROVISION NO. 2

TO

## ITEM NO. 1 - GENERAL PROVISIONS

For this project, paragraph H, "Lands, Right-Of-Way, and Easements" is hereby amended by the addition of the following paragraph and no other clauses or requirements are waived or changed hereby:

1. The Owner has or will clear a sufficient right-of-way for the spreading of the spoil material. All trees which have been left are not to be considered as the property of the OWNER but are to be treated as private property. Extreme care should be exercised during construction and travel to and from construction in order to prevent any damage to standing trees.

## SPECIAL PROVISION NO. 3

TO

## ITEM NO. 1 - GENERAL PROVISIONS

For this project, paragraph J, "Public Utilities and Private Property" is hereby amended by the addition of the following paragraphs and no other clauses or requirements are waived or changed hereby:

1. Pipelines: It is the responsibility of the Contractor to locate and/or ascertain the location and depth of all pipelines crossing any excavation performed by the Contractor on this project. Any information shown on the plans in regards to pipelines and their location is to be considered approximate and does not relieve the Contractor of the responsibility for its verification. Any omission of information on the plans in regards to pipelines and their locations does not constitute any neglect on the part of the Owner.

2. The Contractor is required to notify the pipeline companies owning the pipelines and request a representative of the company to be present when the excavation above, below, or around the pipeline is affected.

3. If it is determined by the Engineer that any public utility or pipeline will hinder or impede the normal flow of water in the stream, it is the Owner's responsibility to request the utility or pipeline company to alter subject line.

## STANDARD SPECIFICATIONS

## ITEM NO. 1 - GENERAL PROVISIONS

- A. Name and Location of Project - The work covered by these Specifications is entitled "Big Creek Bypass Channel Construction"
- The general location of the work in this program is in Fort Bend County, Texas, and the exact location of the project is shown on the Plans.
- B. Description of the Work - The work to be done under this contract consists of furnishing all material, appliances, tools and equipment and labor and superintendence necessary for the construction of certain proposed improvements, as shown on the Plans and other Contract Documents, within the Fort Bend County Drainage District.
- C. Contract Drawings - The contract drawings comprising the Plans for this project are listed in the Special Provisions of the Contract Documents. Where "as shown", "as indicated", "as detailed", or words of similar impact are used in the Contract Documents, it is intended that they refer to the Plans, composed of the drawings listed.
- D. Basis of Payment - All of the work outlined in Paragraph "B" above and as shown on the drawings listed in the Special Provisions is included in the several items of the Proposal for which unit or lump sum prices are shown, and these prices shall be the basis of payment.
- E. Measurement of Quantities - The quantities of work to be performed will be computed by the Engineer on the basis of measurements taken by the Engineer or his assistants, and these measurements shall be final and binding. All work computed under the contract shall be measured by the Engineer according to the United States Standard Measurements and Weights.
- F. Investigation of Conditions - Prior to the submission of a proposal, the Contractor shall have made a careful examination of the site of the work and of the Plans and Specifications, and shall become informed as to the location and nature of the proposed construction, the kind of facilities required before and during the construction period, labor conditions, and all other matters that may effect the cost and time of completion of the work.
- G. Barricades and Warning Signs - When the Contractor's operations create, in the opinion of the Engineer, a hazard to traffic or public safety, the Contractor shall furnish and maintain suitable barricades, warning signs, and lights and shall remove same when no longer necessary. This work is to be considered subsidiary to the several items for which unit prices are shown in the Proposal.
- H. Land, Rights-of-Way, and Easements - The Owner will furnish the land, rights-of-way, and easements considered necessary for the

proposed construction work. The Contractor shall limit his operations to the limits of the rights-of-way as indicated and shall be responsible for any damages beyond the rights-of-way. In the event the Contractor finds there is insufficient right-of-way for the proposed construction, he shall immediately advise the Engineer.

- I. Roads - The Contractor shall construct such temporary access and construction roads as are needed for the completion of the work, at his own expense, and shall make his own arrangements with the owner of property over or through which said roads are located for necessary rights-of-way, maintenance, and restoration. When traffic on a public road will be disrupted by the proposed construction, the Contractor shall construct, at his own expense, such temporary roads and drainage structures as are required to adequately provide for local traffic and drainage. Such temporary facilities shall be removed when no longer needed.

Note: Access to construction site will be from Sawmill Road and Thompsons Oilfield Road. The Thompsons Oilfield Road route will only be useable during dry conditions.

- J. Public Utilities and Private Property - The Contractor shall protect any building or other property which, in the opinion of the Engineer, may be endangered during the procedure of the work and shall leave it in as good condition as when found. The Contractor shall be responsible for damage to private and public property and shall replace damaged property or make satisfactory restitution at no cost to the Owner.
- K. Detailed Specifications - Several items of these Specifications cover general construction requirements in a comprehensive manner and only such portions of these items as relate directly to the work specifically required under this contract shall apply.
- L. Lines and Grades - The Engineer will establish reference points and set all stakes from which the Contractor shall perform all work and establish all levels and measurements required.
- M. Maintenance of Site and Clean-Up - The work site shall be kept reasonably clean at all times. In final clean-up operations all equipment, scrap materials, temporary structures shall be removed and the site left clean.

## ITEM NO. 2 - DITCH EXCAVATION

- A. Description - Ditch excavation will consist of the required excavation for the drainage ditch and finishing of all earth-work involved in conformity with the required lines, grades and typical sections shown on the Plans, and in accordance with specification requirements as herein outlined.
- B. Classification - All authorized ditch excavation will be classified by the Engineer as follows:
- "Dragline Ditch Excavation" will include all materials encountered, regardless of their nature or manner of removal. In general, the spoil material from this class of excavation shall be either placed in spoil banks or continuous levees adjacent to the ditch, or placed in existing channels.
- C. Construction Methods - Excavation on the channel shall start at the lower end and proceed upstream. The completed work shall conform to the established alignment, grade, and cross-sections.
1. A berm of a minimum width of twenty-five (25) feet will be left adjacent to both sides of the ditch and no spoil will be deposited in this area.
  2. "Dragline Ditch Excavation"
    - (a) Maximum overcut is limited to 0.2 foot and maximum undercut is limited to 0.2 foot.
    - (b) Side slopes will be approximately 3/1 (as staked by Engineer).
    - (c) It is the Contractor's responsibility to excavate over, under or around pipelines.
    - (d) Channel excavation will follow the alignment as shown on the construction plans.
    - (e) It is the Owner's policy in setting centerline stakes to increase the radius of all sharp curves or bends existing in the natural channel before excavation. This is accomplished in the alignment of the centerlines to effect more excavation on the inside corner of the curve proper.
  3. Disposal of Excavated Material
    - (a) "Dragline Ditch Excavation" shall be generally wasted in spoil banks on the side of the ditch. Generally the excavated material will be placed on one side of the channel.
    - (b) In certain locations the excavated material may be placed in levees or placed in existing ditches, as directed by the Engineer.
    - (c) All excavated material shall be disposed of in a manner which will not obstruct proper drainage or cause injury to any public or private property. Openings shall be left in the spoil banks at all natural lows or depressions to provide adequate drainage.
    - (d) All manipulations and incidentals involved in the features of these items of work shall be included in the price bid.

D. Measurement - Ditch excavation will be measured in its original position and the volume computed in cubic yards by the method of average end areas. Unauthorized work will not be paid for. "Dragline Ditch Excavation" will consist only of that material actually removed within the limits designated on the Plans and in the Specifications for "Dragline Ditch Excavation" regardless of the nature of material or manner of removal.

1. Measurement for overcut sections will be based upon the designed sections of the Plans and the overcut portion will not be included in the measurement for payment.
2. Measurement for undercut sections if within the limits stated in Construction Methods will be based upon the actual material removed and not upon the design sections of the plans.

E. Payment - All work performed as required herein and measured as provided above shall be paid for at the Contract unit price bid as shown in the Proposal, which price shall be full compensation for furnishing all labor, materials, equipment, tools and incidentals necessary to complete all excavating, placing material in spoil banks, removing and replacing existing material as is required. No payment either partial or final will be made for excavation not within the limits stated in Construction Methods and/or not complying with the Plans and other specifications until corrected to the satisfaction of the Engineer.

## ITEM NO. 3 - REMOVING AND REPLACING FENCES

- A. Any fence removed or damaged by the Contractor shall be repaired or replaced by the Contractor at no additional cost to the Owner. Said repaired or replaced fence shall be equal to or better than the fence that was removed or damaged.
- B. Measurement and Payment - Fences removed and replaced under provisions of this item will not be measured for payment and will not be paid for directly. The cost of furnishing the material, tools and equipment and performing the work shall be included in the unit price bid for various classifications of excavation.

## ITEM NO. 4 - REMOVING OLD STRUCTURES

- A. Description - This item shall govern for the removal and disposal of old structures or portions of old structures, as noted on the plans, and shall include all excavation and/or backfilling as necessary to complete the removal. The work shall be done in accordance with the provisions of these specifications.
- B. Classification - Generally the structures referred to are bridges and watergates of timber construction (wooden pile or box) which are inadequate or in very poor condition. These structures will be replaced by the Owner and can be identified on the Plans. Specifically not included in this Classification are any Railroad or U. S. Highway bridges which are inadequate.
- C. Methods of Removal - The inadequate bridges which are to be replaced shall insofar as possible be removed in such a manner as will not damage the timber. Normally, no major pieces of equipment other than those used in excavation will be required for removal. The bridges may be removed in whole or in sections at the contractor's discretion and shall be placed to one side in the same condition as removed. Dismantling and salvage of individual pieces of the bridge is not the responsibility of the Contractor, but will be done by the Owner. All materials salvaged shall be the property of the Owner.
- D. Measurement and Payment - Structures removed under provisions of this item will not be paid for directly. The cost of furnishing the tools and equipment and performing the work shall be included in the unit price bid for "Dragline Ditch Excavation".

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

AGREEMENT BY AND BETWEEN THE CITY OF ROSENBERG, TEXAS  
AND FORT BEND COUNTY, TEXAS

This agreement is entered into by and between the City of Rosenberg, Texas, hereinafter referred to as "City" and Fort Bend County, Texas, hereinafter referred to as "County".

WHEREAS, the County has applied to the Texas Department of Health for expansion of the County solid waste disposal site, hereinafter referred to as the "County Landfill", located within and outside the western side of the corporate limits of the City;

WHEREAS, the County has operated such County Landfill for a period exceeding ten (10) years;

WHEREAS, the City desires such County Landfill operations to be relocated in a less populous area and more rural in nature than the present proposed expansion area for such County Landfill;

WHEREAS, The City recognizes the length of time it will take the County to obtain a permit for any such new County Landfill site;

WHEREAS, the City recognizes that should the proposed County Landfill expansion not be approved by the Texas Department of Health, the nearest landfill to the City will be miles away,

NOW, THEREFORE, the City and the County mutually agree as follows:

1. To assist in reducing thru truck traffic on city streets in the vicinity of the Fort Bend County Landfill, the County agrees to pursue negotiations of a roadway for landfill traffic, connecting U.S. 59 and Klaukie Road via the existing

Southern Pacific Railroad right-of-way (now owned by Houston Lighting & Power Company). Additionally, the County agrees to pursue the construction of a roadway across County owned property connecting Spur 529 and the landfill.

2. The County agrees to actively pursue and implement alternate disposal methods including, but not limited to, recycling, incineration, and any such other disposal methods which may be environmentally desirable.
3. The County agrees to dedicate and establish a park on approximately 19 acre tract of land adjacent to the landfill located on Blumie Road and the County further agrees to construct necessary improvements thereon, provided however, any improvement constructed on the park site will be of a durable nature, not easily destroyed or vandalized.
4. Upon closing the County Landfill facility and when approved and authorized by the State Department of Health, the County will convert the present County Landfill area to a public recreational facility for the benefit of all citizens of Fort Bend County.
5. The County agrees to not seek permits in addition to permit numbers 1048, 1554 and 1554A for expansion of the current County landfill nor seek permits for any solid waste disposal site within the corporate limits of the City or its extraterritorial jurisdiction without prior approval by the City Council of the City of Rosenberg.

This instrument constitutes the entire agreement regarding the County Landfill between the City and the County. It may not be changed orally, but only by an agreement in writing signed by the parties hereto.

Should any term, phrase, clause, paragraph, restriction or covenant contained herein be held invalid or unenforceable, the same shall be deemed and is hereby agreed that the same are meant

to be severable, and shall not defeat or impair the remaining provisions hereof.

IN WITNESS WHEREOF, this instrument has been executed by and on behalf of the City by its Mayor and attested by its City Manager and the City Secretary under its City's seal this the \_\_\_\_\_ day of \_\_\_\_\_, A.D., 1989, and on behalf of the County by its County Judge and attested by its County Clerk under its county seal this the \_\_\_\_\_ day of \_\_\_\_\_, A.D., 1989, in duplicate originals, both of equal force and effect.

DEFAULT ORDER OF FORFEITURE

On this the 17 day of July, A.D., 1989,  
came on to be heard and considered the petition for forfeiture in  
the above styled and numbered cause filed heretofore on the 6th  
day of December, 1988 and after due notice to the party herein,  
it now appears that no answer or appearance has been filed by any  
party claiming an interest in the property which is the subject  
matter of this forfeiture, and came the plaintiff, the State of  
Texas, by and through Sam W. Dick, Criminal District Attorney of  
Fort Bend County, Texas, and the Plaintiff presented Prima Facie  
evidence through her notice of Seizure and Intended Forfeiture, a  
part of a record in this cause pursuant to article 4476-15, "The  
Controlled Substance Act", Section 5.07(b), V.A.C.S. that on the  
17th day of November, 1988, in Fort Bend County, Texas, the said  
Michael D. Raven involved herein was used and intended for the  
purpose of transportation for Delivery of Controlled Substance as  
described in paragraph (a) of Section 5.03 of Article 4476-15,  
V.A.C.S., to-wit: 1976 Oldsmobile and that Michael D. Raven was

the owner, was operator of the vehicle and having been timely served, and the Court after duly considering the same, as well as the law involved herein, finds that the said Michael D. Raven should be forfeited to the state of Texas as prayed. AS PER ORIGINAL

It is accordingly ORDERED, ADJUDGED, and DECREED that the said 1976 Oldsmobile vehicle identification number 3J29R6M216588 bearing Texas License Number 3J29R6M216588 is found to have been illegally used for the purpose of transportation for the delivery of a controlled substance, to-wit: Cocaine on the 17th day of November, 1988, when the said vehicle was traveling in Fort Bend County, Texas, to-wit: in or near the area of 600 Mulcahy, Rosenberg, Fort Bend, County, Texas, and that the said 1976 Oldsmobile is hereby forfeited to the State of Texas.

IT IS further ORDERED, ADJUDGED and DECREED that pursuant to section 5.08 of Article 4476-15, V.A.C.S. 1976 Oldsmobile is hereby authorized to use, maintain, repair and operate the said 1976 Oldsmobile after it has paid all storage charges and liens, if any, which may have accrued against said vehicle that will perfect clear title on said motor vehicle to Fort Bend County Veterans Jail for its use and benefit after payment of said storage charges and liens and that the State of Texas is

AS PER ORIGINAL

hereby authorized and directed to issue good and sufficient title to said motor vehicle that will perfect clear title on said motor vehicle to Fort Bend County Narcotics Task Force: and that all costs of court be waived.

RE: Monthly reports of Non-Fee Officers

Gentlemen:

We have examined the monthly reports of certain Non-Fee Officers identified below for the month of June, 1989. We maintain certain records relating to financial transactions of these officers and accordingly, our examination included such auditing procedures as we considered appropriate in the circumstances.

We recommend that these reports be approved subject to completion of our examination of reports of such officers for the year ending December 31, 1989.

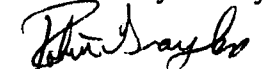

If the Court concurs, the following order might be adopted:

Moved by Commissioner\_\_\_\_, seconded by Commissioner\_\_\_\_,  
duly put and carried, it is ordered that the monthly  
reports of fees collected by Non-Fee Officers identified  
below, for the month of ~~May~~, 1989 be approved as  
recommended by the County Auditor in his letter of  
August 7, 1989.

RE: Monthly reports of Fee Officers

Gentlemen:

We have examined the monthly reports of certain Fee Officers identified below for the month of June, 1989. We maintain certain records relating to financial transactions of these officers and accordingly, our examination included such auditing procedures as we considered appropriate in the circumstances.

The breakdown of the fees paid by the Tax Collector in June is attached to this letter.

The following is the criminal and civil case report for the JPs for the month of June, 1989:

JP	# OF CASES:	New	Pending	Dismissed	Paid	Open	Civil Cases
JP 1	Geick	756	3572	197	325	3806	3
JP2-1	Molina	413	1224	94	353	1190	55
JP2-2	Fredrickson	369	868	110	285	842	6
JP3	Stahl	143	328	10	140	321	54
JP4	Adolphus	422	4319	126	159	4456	20

Quarterly audits were conducted which included internal controls and cash counts on all Fee Officers except District Clerk and County Clerk. Attached are the recommendations from the Auditor's Office concerning the audits that were completed during the first six months of this year.

There was nothing that would lead us to believe that these reports are not, in all material respects, a fair representation of cash transactions of the records presented to us.

We recommend that these reports be approved subject to completion of our examination of reports of such officers for the year ending December 31, 1989.

If the Court concurs, the following order might be adopted:

Moved by Commissioner\_\_\_\_, seconded by Commissioner\_\_\_\_,  
duly put and carried, it is ordered that the monthly  
reports of fees collected by Non-Fee Officers identified  
below, for the month of May, 1989 be approved as  
recommended by the County Auditor in his letter of  
August 7, 1989.

TO: Jodie Stavinotha, County Judge  
FROM: Walter S. McMeans, Judge, County Court at Law No. 2  
RE: 1989 Budget Amendment

This request is to amend the County Court at Law No. 2 1989 Budget by adding \$15,000.00 to Fees and Services #4010 to increase the budget line item amount of \$50,000.00 to \$65,000.00.

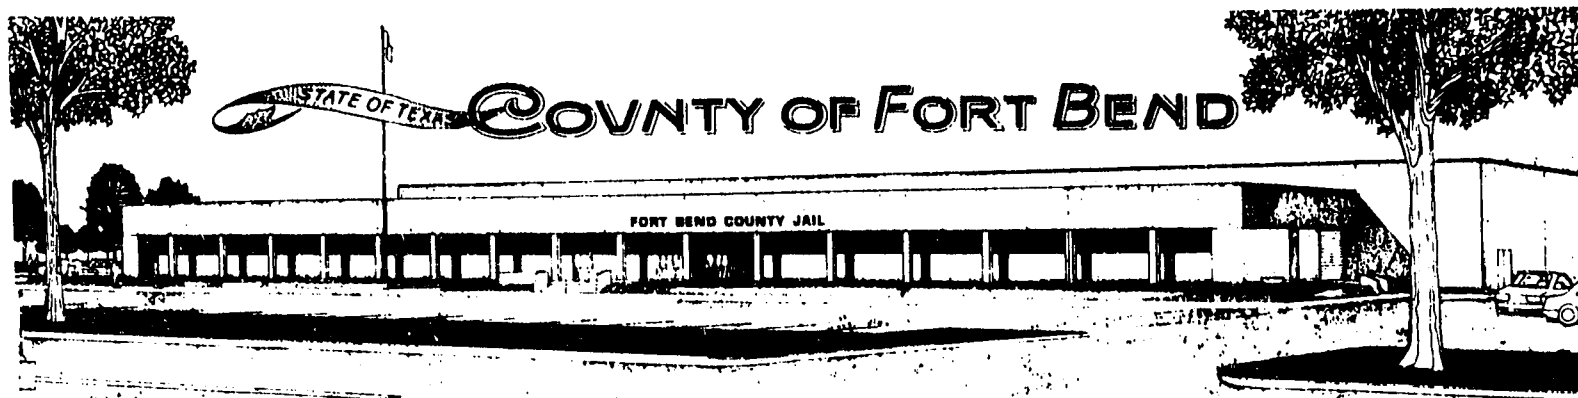

This amendment is necessary since I adjudicate the juveniles that appear in court and because of the increased workload of this court. There have been three certification of juvenile hearings this year which require payment from this line item of court appointed attorney's fees, court appointed psychiatrist fees, independent investigator fees, and guardian ad litem. A majority of the juveniles are indigent thus requiring a court appointed attorney for most of the juveniles who appear in court. When finances of the family permit I order a reimbursement of all or part of the awarded attorney's fees, probation fees, court cost and restitution but even then repayment is spread over a period of time. It is anticipated that the additional sum of \$15,000.00 will be sufficient however, we cannot be sure what the workload of the juvenile court might be for the balance of the year.

Please enter this subject on the agenda of the County Commissioners Court as soon as possible and let me know if I should be available to make a presentation to the Commissioners.

Thanking you in advance for your courtesy and assistance,  
I remain

Yours very truly,

Gentlemen:

I would request that the following item be included on the Commissioners' Court Agenda for Monday, August 7, 1989.

Request that you review the attached letter from David X. Young, Criminal Justice Planner, Office of the Governor and that you execute the two attached copies of the Prisoner Custody Agreements. The execution of these documents will allow Fort Bend County to transfer technical Parole Violators to the Central Texas Correctional Development Corporation.

Your favorable consideration of this request will be greatly appreciated.

Sincerely,

Dear Sheriff George:

Last summer, Governor Clements, Lieutenant Governor Hobby and Speaker Lewis agreed to a six-point plan to help alleviate the jail overcrowding problem affecting your and other Texas counties. One of the components of that plan was the utilization of an abandoned building in San Antonio that had formerly housed the Bexar County Jail as a facility for the incarceration of parole violators. Negotiations with Bexar County and Wackenhut Services, Inc., a private vendor, continued for several months during the late summer and fall, culminating in authorization of the project by the Legislative Budget Board on October 20, 1988. The facility opened on January 23, 1989, and over the past few months the Board of Pardons and Paroles has moved over 400 blue warrant prisoners to the Bexar County facility, now known as the Central Texas Parole Violator Facility.

Access to the facility for counties is determined under a formula keyed to local overcrowding, based on statistics provided by the Texas Commission on Jail Standards, and other factors. The most recent allocation of space indicates that your county is eligible to send parole violators who meet certain qualifications to the facility. In order to take advantage of this opportunity, it will be necessary for the county to enter into a Prisoner Custody Agreement with Central Texas Correctional Development Corporation, the non-profit corporation that technically is leasing the building from Bexar County and that has contracted with Wackenhut for the operation of the facility. Two copies of that Prisoner Custody Agreement are enclosed for your review and for consideration and action by the county commissioners. After the agreement has been approved by the commissioners and executed, both of the enclosed copies should be returned to Bill Holchak at Central Texas Correctional Development Corporation, Room 101, Bexar County Courthouse, San Antonio, Texas 78205. He will obtain the

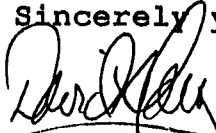

Sheriff Gus George

signature of an officer of the corporation and return a copy of the executed agreement to you.

In order to allow prompt access to the facility, it is important that your county enter into this agreement as soon as possible. We are available to answer any questions you may have regarding the agreement, as are personnel from the Board of Pardons and Paroles and Wackenhut. Should you have any questions, please contact me at (512) 463-1919.

Sincerely yours,

## PRISONER CUSTODY AGREEMENT

This Prisoner Custody Agreement (this "Agreement") is entered into as of \_\_\_\_\_, 198\_\_ by and between the Commissioners Court of Ft. Bend County ("County") and the Central Texas Correctional Development Corporation ("Corporation").

R E C I T A L S

WHEREAS, Corporation is the recipient of a grant from the Criminal Justice Division of the Office of the Governor of the State of Texas for the purpose of operating the Central Texas Parole Violator Facility, which is located in a building in San Antonio that formerly housed the Bexar County Jail (the "Facility"), as a correctional center for certain persons described herein who are under the jurisdiction of the Texas Board of Pardons and Paroles ("BPP") and in the custody of County authorities, and who have violated the terms of their parole;

WHEREAS, Corporation has entered into a lease with Bexar County pursuant to which Corporation has the right to use the Facility for the purpose of incarcerating prisoners;

WHEREAS, Corporation has entered into an Operation and Management Services Agreement with Wackenhut Services, Incorporated ("Wackenhut") to operate, maintain and manage the Facility;

WHEREAS, Corporation and County desire to enter into this Agreement pursuant to which Corporation (or its designee) will assume responsibility for the custody and care of certain prisoners previously incarcerated by County;

Therefore, in consideration of the mutual promises and covenants contained herein, and subject to the conditions hereinafter set forth, Corporation and County agree as follows:

1. Assumption of Custody. In accordance with and subject to the terms of this Agreement, Corporation shall assume custody, care and control of certain Blue Warrant Prisoners (as hereinafter defined) previously incarcerated by County. Except as otherwise set forth herein, Corporation or its designee shall bear all expenses associated with such custody, care and control of Blue Warrant Prisoners, including all medical care.

2. Eligibility Requirements. Prisoners eligible for transfer to the Facility shall be limited to technical parole

violators incarcerated by County who are under the jurisdiction of BPP by virtue of having had issued against them a Blue Warrant, which shall remain in effect, and who (a) have no pending felonies or misdemeanors, (b) are classified as "low risk" (or the equivalent thereof), (c) are in reasonably good health, with no current medical problem that could cause hospitalization, and (d) have had a specified time of confinement authorized by BPP as a condition of the continuance of their parole. Such persons are referred to herein as "Blue Warrant Prisoners". Corporation or its designee shall be authorized to refuse to accept for incarceration, or after incarceration shall be authorized to return to County at County's expense, any prisoner who does not meet the eligibility requirements for incarceration at the Facility as set forth in this paragraph 2.

3. Maximum Prisoners. County may initially transfer to Corporation for incarceration at the Facility, beginning on the date specified by Corporation or BPP, notice of which shall be given by Corporation or BPP to County at least seven (7) days in advance, a maximum of 4 Blue Warrant Prisoners. Such maximum number of prisoners will be subject to increase or decrease by the Criminal Justice Policy Council (the "CJPC") upon ten (10) days notice (a) as additional floors within the Facility are opened for the incarceration of Blue Warrant Prisoners, (b) quarterly as the CJPC, with the advice and assistance of the Criminal Justice Corrections Advisory Committee (the "Advisory Committee"), applies the formula developed by the CJPC for setting the quota of prisoners incarcerated in county jails that may be sent to the Facility or to certain trustee camps operated by the Texas Department of Corrections, and (c) in the event of an emergency or other compelling need, as determined by the CJPC with the advice and assistance of the Advisory Committee.

4. Jail Standards. Corporation shall cause the Facility to be operated and maintained in accordance with minimum jail standards of the Texas Commission on Jail Standards (the "Commission"), including such variances from such jail standards as may be approved by the Commission ("Jail Standards"). If the Commission, at any time, determines that the Facility does not meet Jail Standards, either party may terminate this Agreement without penalty, at which time all Blue Warrant Prisoners shall be returned to the custody of County.

5. Transportation. Upon County's request, Corporation or its designee shall provide, at Corporation's or its designee's expense, transportation of all eligible Blue Warrant Prisoners from a transportation site for the County, to be designated by Corporation or its designee (the "Transportation Site"), to the Facility and back to the Transportation Site.

6. Release of Prisoners. Corporation will release a Blue Warrant Prisoner only upon the order of BPP. Blue Warrant

Prisoners who are to be released will be returned to County at the Transportation Site for release by County.

7. Term. This Agreement is effective as of the date first above written and shall continue until August 31, 1989, at which time it may be extended for additional one year periods upon the mutual agreement of Corporation and County. Either party may cancel this Agreement upon seven (7) days written notice to the other party, at which time Corporation will return to County each of its Blue Warrant Prisoners.

8. Notice. All notices required to be given hereunder shall be effective upon receipt by the party to which notice is given. Notice shall be given, if to County, to:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

and if to Corporation, to:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

9. Assignment of Obligations to Wackenhut. County acknowledges that it is aware that Corporation has contracted with Wackenhut to provide for the care, custody and control of prisoners at the Facility, and hereby consents to Corporation's assignment to Wackenhut of all of its obligations hereunder with respect to the custody, care and control of County Blue Warrant Prisoners.

10. Termination and Return of Prisoners. In the event that (a) Corporation's contract with Wackenhut for the care and custody of prisoners at the Facility is terminated for any reason, or (b) Corporation is for any reason prevented from using the Facility to house Blue Warrant Prisoners, then this Agreement shall terminate immediately and Corporation or its designee shall return to County at the Transportation Site, and County shall accept into its custody any Blue Warrant Prisoners incarcerated at the Facility who were previously incarcerated by County.

## MEMORANDUM

DATE: August 4, 1989

TO: County Judge Jodie Stavinoha  
Commissioner R.L. "Bud" O'Shieles  
Commissioner Ben Denham  
Commissioner Alton Pressley  
Commissioner Bob Lutts

FROM: Marsha P. Gaines  
Tax Assessor/Collector

RE: Waiver of Penalty and Interest - Harold Johnson  
1985 Delinquent Taxes on 12 Accounts

Mr. Johnson came in to our office in June of 1988 to pay all taxes due on the following 12 accounts that he foreclosed on:

.914-0189-00-015-0001  
.914-0189-00-015-0002  
.914-0189-00-015-0003  
.914-0189-00-015-0004  
.914-0189-00-015-0006  
.914-0189-00-015-0008  
.914-0189-00-015-0009  
.914-0189-00-015-0010  
.914-0189-00-015-0014  
.914-0189-00-015-0015  
.914-0016-00-015-0016  
.914-0017-00-015-0017

The above accounts were carried on the supplemental roll and during the posting of the delinquencies these accounts were missed. The delinquencies were discovered by the title company handling the closing on one of the lots approximately a week ago.

The breakdown of taxes due is:

Base Tax	\$513.53
Penalty and Interest	<u>277.33</u>
Total Due	\$790.86

I recommend waiver of penalty and interest due to the failure of the tax office to inform the Johnson's of these accounts when paying all other delinquencies.

## MEMORANDUM

DATE: August 4, 1989

RE: Waiver of Penalty and Interest - Robert P. Fry Jr.  
1985 Account .907-0116-00-000-8200

Mr. Fry purchased the above property in May of 1985. At that time an address was not supplied to the Fort Bend Central Appraisal District. The address carried on the 1986 and 1987 tax rolls was C/O Yates McKee Fry & Jones, 888 N. Main St. #1000, Santa Anna, CA 92701. Delinquent notices were mailed to the address of record by the delinquent attorneys. Also, a suit was filed in May 1988 but service was not made due to the address of record no longer being valid. Mr. Fry's 1987 original tax receipt was also returned to the office by the postal service. During the posting of the 1988 taxes, a 1985 delinquent statement was sent to the current address on record of 2 Park Plaza, Suite 1060, Irvine, CA 92714. Service was made, on the suit filed previously, in June 1989.

The breakdown of taxes due is:

Base Tax	\$ 7,491.43
Penalty and Interest	4,045.37
Attorney Fees	<u>1,730.52</u>
Total Due	\$13,257.32

I do not recommend waiver of penalty and interest as numerous attempts were made to notify Mr. Fry of the delinquencies. There is no indication of an error on the part of the tax office or the Fort Bend Central Appraisal District.

After the minutes of the preceding meeting had been read and approved, the County Judge then announced that the the Commissioners' Court would consider a resolution approving a plan of financing under which the Fort Bend County Industrial Development Corporation would issue its Industrial Development Refunding Revenue Bonds (W. W. Grainger, Inc. Project), Series 1989 (the "Bonds") and execute various documents in connection therewith, for the purpose of refunding its Industrial Development Revenue Bonds (W. W. Grainger, Inc. Project) Series 1982 (the "Prior Bonds"), the proceeds of which were used to pay a portion of the costs of a project consisting of the acquisition of certain land, and the acquisition, construction and installation thereon of certain buildings, machinery and equipment and related facilities constituting an industrial distribution facility (the "Project"), which Project is located within the corporate boundaries of the City of Stafford, Fort Bend County, Texas.

Thereupon \_\_\_\_\_ presented the following Resolution for passage:

AS PER ORIGINAL

RESOLUTION by the Commissioners' Court of Fort Bend County, Texas, approving a resolution of the Fort Bend County Industrial Development Corporation authorizing the issuance of its Industrial Development Refunding Revenue Bonds (W. W. Grainger, Inc. Project), Series 1989 and other matters.

WHEREAS on October 15, 1979, the Commissioners' Court of Fort Bend County, Texas (the "Governing Body") did by resolution find and determine it to be advisable that the Fort Bend County Industrial Development Corporation (the "Corporation") be authorized and created, and specifically authorized the Corporation to act on behalf of said County to further the public purpose or purposes of promotion and development of industrial and manufacturing enterprises to promote and encourage employment and the public welfare; and

WHEREAS the Corporation has been duly incorporated and has appointed officers and adopted Bylaws which this body did approve by resolution on April 14, 1980; and

WHEREAS Section 2.01(b) of the By-laws of the Corporation provides that the Board of Directors of the Corporation shall consist of each Mayor, or his designated representative, of each of those duly incorporated cities, towns and villages lying totally or partially within Fort Bend County, Texas, the County Judge of Fort Bend County, Texas, and the Commissioner of each Precinct on the Governing Body, and

WHEREAS the Board of Directors of the Corporation did on July 27, 1989 adopt a resolution (the "Corporation Resolution") pursuant to the Development Corporation Act of 1979, Article 5190.6 Texas Revised Civil Statutes, as amended (the "Act"), a copy of which resolution is attached hereto as "Exhibit A" and made a part hereof, which resolution is entitled:

RESOLUTION AUTHORIZING AND PROVIDING FOR THE ISSUANCE BY THE FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION (THE "ISSUER") OF ITS INDUSTRIAL DEVELOPMENT REFUNDING REVENUE BONDS (W. W. GRAINGER, INC. PROJECT), SERIES 1989, IN THE PRINCIPAL AMOUNT OF \$1,110,000 FOR THE PURPOSE OF REFUNDING PRIOR OBLIGATIONS OF THE ISSUER ISSUED FOR THE BENEFIT OF W. W. GRAINGER, INC.; AUTHORIZING THE EXECUTION, DELIVERY AND PERFORMANCE OF A LOAN AGREEMENT, AN INDENTURE OF TRUST, A TAX EXEMPTION CERTIFICATE AND AGREEMENT, A PLACEMENT AND RE-MARKETING AGREEMENT AND RELATED DOCUMENTS WITH RESPECT TO SAID BONDS; AND AUTHORIZING AND PRESCRIBING OTHER MATTERS PERTAINING TO THE ISSUANCE OF SAID BONDS.

WHEREAS pursuant to Section 25(f) of the Act no issue of bonds may be delivered by the Corporation without a resolution of the Governing Body adopted no more than 60 days prior to the date of delivery of the bonds specifically approving the resolution of the Corporation providing for the issuance of the bonds; and

WHEREAS the Governing Body has reviewed the form and substance of the Corporation Resolution and all of the exhibits referred to therein and attached thereto and finds that the adoption by the Corporation of the Corporation Resolution furthers the public purposes for which the Corporation was created:

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSIONERS' COURT OF FORT BEND COUNTY, TEXAS.

Section 1. The Corporation Resolution is hereby specifically approved in conformity with the provisions of Section 25(f) of the Act.

Section 2. The issuance by the Corporation of its Industrial Development Refunding Revenue Bonds (W. W. Grainger, Inc. Project), Series 1989 in the principal amount of \$1,110,000 and the loan of the proceeds therefrom to W. W. Grainger, Inc. to refund the outstanding principal amount of the Corporation's \$1,110,000 Industrial Development Revenue Bonds (W. W. Grainger, Inc. Project) Series 1982 is hereby specifically approved.

Section 3. The members of the Governing Body are hereby authorized, jointly and severally to execute and delivery such endorsements, instruments, certificates, documents or papers necessary and advisable to carry out the intent and purposes of this Resolution.

Section 4. It is found and determined that all formal actions of this Commissioners' Court concerning and relating to the adoption of this Resolution were adopted in open meeting and that all deliberations of this Commissioners' Court that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements.

AS PER ORIGINAL

Section 5. This Resolution shall be effective from and after its passage, and it is so resolved.

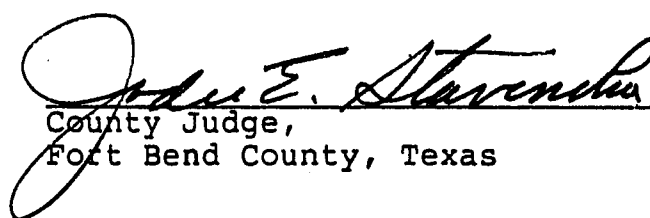

Passed and approved this 7 day of August, 1989 upon the following roll call vote;

RESOLUTION APPROVING REISSUANCE OF  
FORT BEND COUNTY INDUSTRIAL DEVELOPMENT CORPORATION  
INDUSTRIAL DEVELOPMENT REVENUE BONDS  
(HARRISON-TATE INTERESTS PROJECT)  
SERIES 1981

WHEREAS, the Fort Bend County Industrial Development Corporation (the "Issuer") was created by Fort Bend County, Texas (the "Unit") pursuant to the provisions of the Development Corporation Act of 1979, Article 5190.6, Vernon's Texas Civil Statutes, as amended (the "Act");

WHEREAS, pursuant to Section 147(f) of the Internal Revenue Code of 1986 (the "Code"), the Issuer has conducted a public hearing following reasonable public notice with respect to its "Industrial Development Revenue Bonds (Harrison-Tate Interests Project) Series 1981" (the "Bonds") and the captioned project and has submitted to the Unit a Certificate of Public Hearing describing the comments, if any, received at such hearing;

WHEREAS, in order to satisfy the requirements of Section 147(f) of the Code, it is necessary for the Unit to approve the Bonds after the public hearing has been held; and

WHEREAS, it is deemed necessary and advisable that this Resolution be adopted;

THEREFORE, BE IT RESOLVED BY THE COMMISSIONERS COURT OF FORT BEND COUNTY, TEXAS THAT:

Section 1. The Bonds, which are being reissued:

A. In the maximum aggregate face amount of \$3,345,000, and

B. To refund Fort Bend County Industrial Development Corporation Industrial Development Revenue Bonds (Harrison-Tate Interests Project) Series 1981, which were issued to finance the acquisition of approximately 10 acres of land and the construction of an approximately 140,210 square foot building for the assembly and distribution of electronic parts and electro-mechanical equipment at 11000 West Airport Boulevard, Stafford, Texas 77477, which facility is owned by Harrison-Tate Interests and operated by Harrison Equipment Company,

are hereby approved pursuant to Section 147(f) of the Code.

Section 2. The approval herein given is in accordance with the provisions of Section 147(f) of the Code, and is not to be construed as any undertaking by the Unit, and the Bonds shall never constitute an indebtedness or pledge of the Unit, or the State of Texas, within the meaning of any constitutional or statutory provision, and the holder of the Bonds shall never be paid in whole or in part out of any funds raised or to be raised by taxation or any other revenues of the Issuer, the Unit, or the State of Texas except those revenues assigned and pledged by the Issuer in the Indenture of Trust relating to the Bonds.

Section 3. The County Judge, County Commissioners, and County Clerk of the Unit and the other officers of the Unit are hereby authorized, jointly and severally, to execute and deliver such endorsements, instruments, certificates, documents, or papers necessary and advisable to carry out the intent and purposes of this Resolution.

The Honorable Jodie Stavino  
County Judge, Fort Bend County  
Fort Bend County Courthouse  
Richmond, Texas 77469

Dear Jodie:

I am writing to request your county's approval of the enclosed resolution authorizing participation in H-GAC's regional plan for 9-1-1 emergency telephone number service.

As you know, the 9-1-1 emergency phone number provides a single number which citizens may call in emergencies. It is a valuable service which helps improve emergency response and save lives.

For the past year H-GAC has been planning enhanced 9-1-1 service for areas not included in an Emergency Communications District. State law requires that H-GAC prepare a plan for our region. This planning has involved extensive participation by a regional advisory committee comprised of three representatives from each participating county, county coordinating committees representing police, fire, and ambulance services, and close consultation with other local officials and telephone companies.

A final draft plan has now been produced. It is scheduled for action by H-GAC's Board of Directors on August 15, 1989, and must be submitted to the State Advisory Commission on Emergency Communications, by September 1, 1989.

Cost of 9-1-1 equipment, ongoing phone company costs, development of required data bases, and necessary administrative activities will be paid by a fee of 50 cents per month added to the bill for each phone access line in participating jurisdictions. H-GAC anticipates that 9-1-1 service will be available within approximately two years after the fee is authorized.

A summary of the regional H-GAC plan, the county plan for your jurisdiction, and a resolution are enclosed. Approval of the resolution authorizes--1) the establishment of the 9-1-1 number, 2) participation in H-GAC's regional plan, and 3) authorization for implementation of 9-1-1- fees.

~~To all the citizens of the H-GAC region we would appreciate receiving your resolution~~  
~~dated 5/1/89.~~ If you have any questions please call me or Deidre  
Schueler of the H-GAC staff. In addition, if you would like someone to brief  
your commissioner's court please let us know.

We appreciate your support and cooperation as we move forward to provide  
this important service to citizens of the H-GAC region.

Summary  
H-GAC REGIONAL 9-1-1 PLAN

BACKGROUND

On August 15, the H-GAC Board will be asked to authorize the submission of the H-GAC 9-1-1 Plan. H-GAC's role is to compile a regional plan that contains nine county components. The plan includes the two mandated counties, Brazoria and Fort Bend, as well as seven counties that have opted by resolution to participate in the H-GAC regional plan: Chambers, Colorado, Liberty, Matagorda, Walker, Waller and Wharton.

State legislation has provided a means to finance the implementation and support of 9-1-1 systems using two user fees. A fee not to exceed one half of one percent on intrastate long distance phone calls will be collected for a state equalization fund. A maximum of \$0.50 per local access line will be charged and administered by the council of governments to pay for the implementation and ongoing costs. It is not expected that the state equalization fund will be used to subsidize any but the automatic number identification (ANI) level of service. The state recommends that the local access line fee should be charged for no more than 24 months before 9-1-1 service begins.

The 9 county regional 9-1-1 plan will define:

Participants and Service Areas  
System Configuration  
System Cost  
Regional Fee

LOCAL GOVERNMENT ACTION REQUESTED

Mandated counties are requested to supply letters of support from their commissioners courts and the host cities of each public safety answering point. Resolutions will be required of each optional county and each municipality within the optional counties. The resolution will authorize the collection of the fee in each jurisdiction. A sample resolution is provided on the following page. Letters and resolutions must be supplied to H-GAC by August 15 in order to be included in the plan.

PUBLIC HEARING PROVISIONS

For each public hearing scheduled and conducted by a TCDP applicant or recipient, the following public hearing provisions shall be observed:

- (1) Public notice of all hearings must be published at least seventy-two (72) hours prior to the scheduled hearing. The public notice must be published in a non-legal section of a local newspaper. Each public notice must include the date, time, location and topics to be considered at the public hearing. A published newspaper article can also be used to meet this requirement so long as it meets all content and timing requirements. Notices should also be prominently posted in public buildings.
- (2) Each public hearing shall be held at a time (generally after 5:00 PM on weekdays or on Saturdays) and location convenient to potential or actual beneficiaries and will include accommodation for handicapped persons.
- (3) When a significant number of non-English speaking residents can be reasonably expected to participate in a public hearing, an interpreter will be present to accommodate the needs of the non-English speaking residents.

COMPLAINT PROCEDURES

The applicant/recipient must have written citizen complaint procedures that provide a timely written response to complaints and grievances. The complaint procedures must comply with the requirements of the Texas Department of Commerce (TDOC) Complaint System, 10 T.A.C. Sec. 178.1 and 178.2. Citizens must be made aware of the locations and hours at which times they may obtain a copy of these written procedures.

This is the adopted formal complaint procedures to allow for investigation of complaints received about the quality of services provided under the Texas Community Development Program (TCDP) project.

- (1) A person who has a comment or complaint about the quality of services funded by the TCDP may submit such comment or complaint in writing to the County Judge.
- (2) A copy of the comment or complaint shall be transmitted to the entity which is the subject of the comment or complaint and to the County Attorney within five calendar days after the date of the comment or complaint was received.
- (3) An investigation of the comment or complaint shall be completed and the findings, in writing, shall be submitted within ten days to the person who made the comment or complaint. Or, the person who made the comment or complaint shall be notified, in writing, within ten days of when the investigation can be completed.

TECHNICAL ASSISTANCE

When requested, the applicant/recipient shall provide technical assistance to groups representative of persons of low and moderate income in developing proposals for the use of TCDP funds. The level and type of assistance shall be determined by the applicant/recipient based upon the specific needs of the community's residents.

The applicant must comply with the following citizen participation requirement for the preparation and submission of an application to the Texas Community Development Program:

- (1) At a minimum, the applicant must hold at least one (1) public hearing prior to developing the application and a second public hearing prior to submission of the application.
- (2) The public hearings must be held at least seven (7) days apart.
- (3) At least one (1) of the public hearings must be held in the proposed project area.
- (4) The locality must retain documentation of the hearing notice(s), a listing of persons attending the hearing(s), minutes of the hearing(s), and any other records concerning the proposed use of funds for a period of one year or until the project, if funded, is closed out. Such records must be made available to the public in accordance with Texas Civil Statutes, Article 6252-17a.
- (5) The first public hearing must include a discussion with citizens on the development of housing and community development needs, the amount of funding available, all eligible activities under the Texas Community Development Program, and the use of past TCDP contract funds, if applicable. Citizens, with particular emphasis on persons of low and moderate income who are residents of slum and blight areas, shall be encouraged to submit their views and proposals regarding community development and housing needs. Citizens shall be made aware of the location where they may submit their views and proposals should they be unable to attend the public hearing.
- (6) The second public hearing must include a discussion of the proposed project, the amount of funds being requested, the estimated amount of funds proposed for activities that will benefit low/moderate income persons, and the plans of the locality to minimize displacement of persons and to assist persons actually displaced as a result of activities assisted with TCDP funds, if applicable. The notice must include the location and hours when the application is available for review.
- (7) While more than one application can be discussed at a single public hearing -- e.g., if the applicant is considering both a Community Development Fund or a Special Impact Fund and a Texas Capital Fund application -- a hearing held for the previous program year's submittal of the same application (under either fund) is not acceptable for meeting the requirements for any subsequent competition.

The applicant must comply with the following citizen participation requirements in the event that the applicant/recipient receives funds from the Texas Community Development Program:

- (1) The locality must hold a public hearing concerning any substantial change, as determined by TDOC, proposed to be made in the use of TCDP funds from one eligible activity to another.
- (2) Upon completion of the community development program activities, the locality shall hold a public hearing and review its program performance including the actual use of the TCDP funds.
- (3) The locality must retain documentation of the hearing notices(s), a listing of persons attending the hearing(s), minutes of the hearing(s), and any other records concerning the actual use of funds for a period of three years after the project is closed out. Such records must be made available to the public in accordance with Texas Civil Statutes, Article 6252-17a.

INTERLOCAL COOPERATION ACT CONTRACT

This Contract and Agreement is entered into by and between the State Agency and the Local Governmental Body or Federal Governmental Body shown below as Contracting Parties, pursuant to the authority granted and in compliance with the provisions of the "Interlocal Cooperation Act," Article 4413 (32c) V.T.C.S.

**I. CONTRACTING PARTIES:**

The Receiving Party County of Fort Bend

The Performing Party State Purchasing and General Services Commission

**II. STATEMENT OF SERVICES TO BE PERFORMED:**

Intercity long distance voice telephone service provided on the Texas Agency Network (TEX-AN) and data and/or specialized voice circuits, on an as available basis, as requested by the Receiving Party.

(NOTE: Local service, i.e., keysets, PBX, CENTREX, etc., and long distance service not placed on the TEX-AN will continue to be billed to the Receiving Party by the local telephone company as heretofore.)

The Performing Party agrees to the following:

- A. To reimburse all concerned telephone companies for the costs of the network.
- B. To make available to the Receiving Party the use of the TEX-AN scheduled in such a way as to meet the needs of the Receiving Party, provided this does not violate the rules and regulations necessary to operate the system.
- C. Specialized voice and data circuits will be provided on a space available basis.

The Receiving Party agrees to the following:

- A. To abide by the administrative rules and regulations necessary for the efficient operation of the system and those necessary for the Performing Party to meet its commitment with the telephone industry.
- B. Reimburse the Performing Party for the initial installation charges for interconnection of the TEX-AN with the Receiving Party's PBX or other facilities, as required, as well as for subsequent installation/modification charges if and as necessary. The Receiving Party will continue to be billed by the local telephone company for the use of any equipment or facilities which is not common to the Texas Agency Network.
- C. To provide the Performing Party at least sixty (60) days advance notice, in writing, in the event cancellation of this contract becomes necessary.

**III. BASIS FOR CALCULATING REIMBURSABLE COSTS:**

The monthly billing to the Receiving Party will include the following:

- A. A minimum monthly charge for TEX-AN switched voice service equal to the direct and indirect costs incurred by state government for providing the service or a monthly charge based on usage, whichever is higher. Direct costs are those charges for equipment which are required to obtain access to the TEX-AN network and depend upon the current telephone industry tariffs and the number and types of access circuits provided. Indirect costs are based on a prorata share of charges for network common equipment (when applicable) as determined by proportionate usage of those facilities. The current minimum

monthly charge based on the number and types of circuits presently installed and projected usage of those circuits is \$623.76. When actual usage charges exceed the minimum monthly charge, billing will be for usage. The addition or deletion of circuits which provide access to the TEX-AN network will result in corresponding changes to the minimum monthly charge. Such changes will be accomplished by executing an amendment to this contract.

- B. A charge for specialized voice and/or data circuits as requested by each party on an actual cost basis.
- C. An overhead charge for the operation of the system by the State Purchasing and General Services Commission at a rate not to exceed 15% of the total of Items A and B above, prorated on an actual cost basis.

Amendment to this contract may be necessary if specialized circuits are requested and provided, Receiving Party usage increases, telephone company rates increase, or for other unforeseen causes.

#### IV. CONTRACT AMOUNT:

The total amount of this contract shall not exceed ten thousand dollars (\$10,000.00)

#### V. PAYMENT FOR SERVICES:

Receiving Party shall pay for services received upon receipt of a proper invoice or voucher prepared by the Performing Party within fifteen (15) days from receipt of same.

Payment for services performed shall be billed monthly.

Payment received by the Performing Party shall be credited to its current appropriation item(s) or account(s) from which the expenditures of that character were originally made.

#### VI. TERM OF CONTRACT:

This contract is to begin September 1, 1989 and shall terminate August 31, 1990

THE UNDERSIGNED CONTRACTING PARTIES do hereby certify that, (1) the services specified above are necessary and essential for activities that are properly within the statutory functions and programs of the affected parties of Local, State, and/or Federal Government, (2) the proposed arrangements serve the interest of efficient and economical administration of Local, State, and/or Federal Government, and (3) the services, supplies or materials contracted for are not required by Section 21 of Article 16 of the Constitution of Texas to be supplied under contract given to the lowest responsible bidder.

1989 Federal Railroad Signal Program

IN REPLY REFER TO  
DDE-DS

Hon. Jodie E. Stavinoha  
County Judge, Fort Bend County  
P. O. Box 368  
Richmond, Texas 77469-0368

Dear Judge Stavinoha:

The above Program for the installation or upgrading of automatic warning systems has been approved by the State Department of Highways and Public Transportation Commission Minute Order No. 88002, dated October 28, 1988, and recently approved by the Federal Highway Administration.

The financing of this Program is 5% State, 5% local political subdivision, and 90% Federal Highway Administration.

Through the State Priority System, the grade crossings selected for improvement are at the intersections shown on the attached data sheet. Your agreement to participate will be noted by your execution and return of one of the attached Certification Statements at this time for each project. Also, at your earliest convenience, please forward the County's 5% contribution in the total amount of \$8,750 made payable to the State Treasurer, Account of Trust Fund No. 927 to this office attention Mr. John C. Holzwarth, P.E.

Also, attached for your review are prints of the title and layout sheets and the original film of the title sheets proposing the installation of automatic flashing light devices and gate arm mechanisms at these crossings. *Jo Ron*

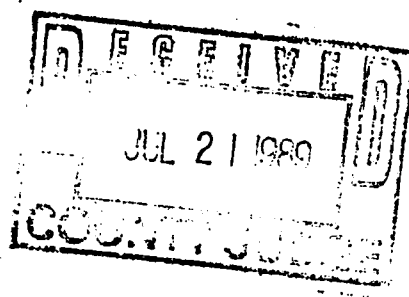

If the proposed signal projects meet with your approval, please sign the films and return them to this office.

Your prompt attention to this matter will be greatly appreciated.

Sincerely,

*Milton M. Dietert*

**SLIAG Program Administration**  
**Procedures for Claiming SLIAG Funds**

**Purpose** To explain the procedures for claiming SLIAG reimbursement.

**Designated Individual** Before submitting a claim for SLIAG funds, the county Commissioners Court must designate, by resolution, an individual with overall authority and responsibility for ensuring that SLIAG funds claimed by the county meet the established program requirements.

**Form 4116** State law and the state comptroller require that all bills against the state be paid by voucher. Use Form 4116, State of Texas Purchase Voucher, to claim SLIAG funds for allowed CIHCP expenditures for ELAs. A copy of the Commissioners Court resolution designating an individual with responsibility for SLIAG must be attached to the first Form 4116 submitted. If the Commissioners Court designates another individual, a copy of the Commissioners Court resolution designating the newly responsible individual must be attached to the first subsequent Form 4116 submitted to DHS. The designated individual must sign all Forms 4116 submitted to claim SLIAG funds on behalf of the county. Separate instructions for preparing a Form 4116 for a SLIAG claim are contained in the Forms Section of this handbook immediately following Form 4116.

**Form 4116 Certification** The designated county official must ensure that the following certification is included on each Form 4116 claiming SLIAG funds:

"For reimbursement for health care services provided and administrative costs incurred in providing services to Eligible Legalized Aliens under the State Legalization Impact Assistance Grants (P.L. 99-603, §402).

That **SAFECO INSURANCE COMPANY OF AMERICA** and **GENERAL INSURANCE COMPANY OF AMERICA**, each a Washington corporation, does each hereby appoint

-----C. R. BARNES, Bartlesville, Oklahoma-----

its true and lawful attorney(s)-in-fact, with full authority to execute on its behalf fidelity and surety bonds or undertakings and other documents of a similar character issued in the course of its business, and to bind the respective company thereby.

IN WITNESS WHEREOF, **SAFECO INSURANCE COMPANY OF AMERICA** and **GENERAL INSURANCE COMPANY OF AMERICA** have each executed and attested these presents

this 27th day of December, 1983.

CERTIFICATE

Extract from the By-Laws of **SAFECO INSURANCE COMPANY OF AMERICA**  
and of **GENERAL INSURANCE COMPANY OF AMERICA**:

"Article V, Section 13. — FIDELITY AND SURETY BONDS . . . the President, any Vice President, the Secretary, and any Assistant Vice President appointed for that purpose by the officer in charge of surety operations, shall each have authority to appoint individuals as attorneys-in-fact or under other appropriate titles with authority to execute on behalf of the company fidelity and surety bonds and other documents of similar character issued by the company in the course of its business . . . On any instrument making or evidencing such appointment, the signatures may be affixed by facsimile. On any instrument conferring such authority or on any bond or undertaking of the company, the seal, or a facsimile thereof, may be impressed or affixed or in any other manner reproduced; provided, however, that the seal shall not be necessary to the validity of any such instrument or undertaking."

Extract from a Resolution of the Board of Directors of **SAFECO INSURANCE COMPANY OF AMERICA**  
and of **GENERAL INSURANCE COMPANY OF AMERICA** adopted July 28, 1970.

"On any certificate executed by the Secretary or an assistant secretary of the Company setting out,  
(i) The provisions of Article V, Section 13 of the By-Laws, and  
(ii) A copy of the power-of-attorney appointment, executed pursuant thereto, and  
(iii) Certifying that said power-of-attorney appointment is in full force and effect,  
the signature of the certifying officer may be by facsimile, and the seal of the Company may be a facsimile thereof."

I, W.D. Hammersla, Secretary of **SAFECO INSURANCE COMPANY OF AMERICA** and of **GENERAL INSURANCE COMPANY OF AMERICA**, do hereby certify that the foregoing extracts of the By-Laws and of a Resolution of the Board of Directors of these corporations, and of a Power of Attorney issued pursuant thereto, are true and correct, and that both the By-Laws, the Resolution and the Power of Attorney are still in full force and effect.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the facsimile seal of said corporation

Re: Lakewood Estates - Letter of Credit #I-86446

Dear Sir:

Letter of Credit #I-86446, issued by First City National Bank of Houston for the account of Jenard M. Gross, is due to expire on August 14, 1989.

Please let me know by July 20, 1989, what provisions are being made to renew this Letter of Credit covering the construction and maintenance of roads in Lakewood Estates.

Current requirements state that Letters of Credit list County Judge Jodie E. Stavinoha or his successors as beneficiary and contain an automatic renewal provision.

You will find attached a copy of expiring Letter of Credit #I-86446 and also Fort Bend County's "Letter of Credit form", that we prefer you to use.

If you require additional information, please call.

Sincerely,

*Ronald D. Drachenberg*

Re: Westpark Lakes, Section 1 - Letter of Credit #168

Dear Sir:

Letter of Credit #168, issued by Gibraltar Savings for the account of  
of Harlan Smith, Inc., is due to expire on August 18, 1989.

Please let me know by August 2, 1989, what provisions are being made to  
renew this Letter of Credit covering the construction and maintenance of  
roads in Westpark Lakes, Section 1.

Current requirements state that Letters of Credit list County Judge Jodie  
E. Stavinoha or his successors as beneficiary and contain an automatic  
renewal provision.

You will find attached a copy of expiring Letter of Credit #168 and  
also Fort Bend County's "Letter of Credit form", that we prefer you to use.

If you require additional information, please call.

Sincerely,

*Ronald D. Drachenberg/mk*

STATE OF TEXAS §

COUNTY OF FORT BEND §

CONTRACT FOR ENGINEERING SERVICES

THIS AGREEMENT, entered into as of this \_\_\_\_\_ day of August, 1989, by and between Fort Bend County, hereinafter called "COUNTY", and Walker, Bartlett & Associates, Inc., hereinafter called "ENGINEER".

The Parties hereto do mutually agree as follows:

ARTICLE I

SCOPE OF WORK

The scope of work is set forth in Attachment "A", attached hereto and made a part of this contract. Deviations from the scope of work may be authorized from time to time by COUNTY by prior written authorization, approved by Commissioners' Court of Fort Bend County.

ARTICLE II

SCHEDULE OF WORK

The ENGINEER agrees to begin work immediately upon execution of this contract and to proceed diligently with said work to completion, as described in Attachment "A".

NO WORK WILL BEGIN WITHOUT WRITTEN AUTHORIZATION FROM THE COUNTY OR ITS REPRESENTATIVES. Execution of this Contract shall serve as written authorization to proceed, unless the COUNTY specifically indicates otherwise.

ARTICLE III

COMPENSATION

For and in consideration of the work performed hereunder, the COUNTY agrees to compensate the ENGINEER on a monthly basis. On or about the 5th day of each month, the ENGINEER will submit to the COUNTY an invoice for services performed by the ENGINEER during the previous month. Terms of each invoice shall be net 30 days, provided, however, this project made the subject of this

contract is being federally funded through grants and COUNTY will not be responsible for payment to ENGINEER until COUNTY is in receipt of sufficient federal funds to pay same. Compensation for services of the ENGINEER will be as set forth in Attachment "A". The ENGINEER will provide the COUNTY with a monthly completion estimate to support requests for payment. The ENGINEER will make every effort to satisfy the time constraints of the project in the completion of this work.

#### ARTICLE IV

##### TERMINATION

Either party may terminate this contract upon giving written notice to the other party at least ten (10) days prior to the date of termination. In the event of termination, the ENGINEER shall deliver to the COUNTY all finished or unfinished plans, documents, data, studies, surveys, drawings, maps, models, photographs, etc., prepared by the ENGINEER under this contract. The ENGINEER shall be entitled to receive just and equitable compensation for any work satisfactorily completed in accordance with the provisions of this agreement prior to termination. If the ENGINEER has completed the preliminary, design, acquisition or construction phase prior to termination, he will be entitled to the fee stipulated in the fee distribution under the delineation of Basic Services in the Scope of Work detailed on Attachment "A" of this contract. If termination should occur prior to completion of one of the phases of engineering services (preliminary, design, acquisition or construction), the ENGINEER will be reimbursed for his work under that particular phase under the terms of the "Additional Services" described hereinafter, and Attachment "B", Standard Rate Schedule for Engineering Services.

#### ARTICLE V

##### PROGRESS REPORTS

If requested by the COUNTY, the ENGINEER shall submit monthly progress reports and attend progress meetings as scheduled by the COUNTY and as detailed in the Scope of work.

Each report shall outline work accomplished and special problems or delays encountered during the previous report period and the planned work activities and special problems or delays anticipated for the next report period.

#### ARTICLE VI

##### INDEPENDENT CONTRACTOR

In the performance of work or services hereunder, the ENGINEER shall be deemed an independent contractor, and any of its employees performing work required hereunder shall be deemed solely employees of the ENGINEER, or its subcontractors where permitted.

#### ARTICLE VII

##### INSURANCE

ENGINEER agrees to furnish, if requested by the COUNTY, a certificate reflecting their coverage by workmen's compensation insurance, and public liability insurance for bodily injury and property damage in amounts and with carriers satisfactory to the COUNTY and agrees that such coverage shall be maintained during the term of this contract. ENGINEER shall be responsible for determining that its subcontractors, where permitted, likewise carry and maintain adequate insurance coverages.

#### ARTICLE VIII

##### LIABILITY

ENGINEER agrees to indemnify and hold the COUNTY harmless from each and every claim, suit, judgment or damage to or from injury or death of any person or persons, caused by or arising out of or in connection with the operations of ENGINEER and its subcontractors, where permitted, under this agreement, except as same may be due to the negligence of the COUNTY.

#### ARTICLE IX

##### SUBCONTRACTS

In fulfilling its duties pursuant to this contract, ENGINEER may subcontract to individuals, corporations, organizations, governments or governmental subdivisions or agencies,

partnerships, associations, or other legal entities. Such subcontracts will be entered into only with written approval from the COUNTY.

#### ARTICLE X

##### TRANSFER OF INTEREST

Neither the COUNTY nor ENGINEER may assign or transfer their individual interest in this contract without the written consent of the other party. The COUNTY and ENGINEER each binds itself and its successors and assigns to the other party with respect to all covenants to this contract. Nothing herein is to be construed as creating a personal liability on the part of any officer or agent of any public body which may be a party hereto.

#### ARTICLE XI

##### AUDITS AND RECORDS

At any time during normal business hours and as often as the COUNTY may deem necessary, the ENGINEER shall make available to representatives of the COUNTY for examination all of its records with respect to all matters covered by this contract and will permit representatives of COUNTY to audit, examine, and make excerpts or transcripts from such records and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this contract, for a period of three (3) years from the date of final settlement or for such other longer period, if any, as is required by applicable statute or lawful requirement.

#### ARTICLE XII

##### OWNERSHIP DOCUMENTS

Original finished or unfinished plans, documents, data, field notes, studies, surveys, drawings, maps, models, reports, photographs, etc., developed in connection with the services performed hereunder belong to, and remain the property of the COUNTY, in consideration of which it is mutually agreed that COUNTY will use them solely in connection with the project, save

with the express consent of the ENGINEER. The ENGINEER may retain reproducible copies of such documents.

ARTICLE XIII

EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this contract, ENGINEER agrees as follows:

- a. ENGINEER will not discriminate against any employee or applicant for employment because of race, creed, sex, color or national origin. ENGINEER will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, sex, color or national origin. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. ENGINEER agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the COUNTY setting forth the provisions of this non-discrimination clause.
- b. ENGINEER will, in all solicitation or advertisements for employees placed by or on behalf of ENGINEER, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, sex, or national original.
- c. ENGINEER will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this contract so that such provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.
- d. ENGINEER will include the provisions a. through c. in every subcontract or purchase order unless exempted.

## ARTICLE XIV

CIVIL RIGHTS ACT OF 1964

Under Title VI of the Civil Rights Act of 1964, no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

## ARTICLE XV

SECTION 109 OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974

No person in the United States shall on the ground of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title.

## ARTICLE XVI

SECTION "3" COMPLIANCE IN THE PROVISION OF TRAINING  
EMPLOYMENT AND BUSINESS OPPORTUNITIES

a. The work to be performed under this contract is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

b. The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of Housing and Urban Development set forth in 24 C.F.R. 235, and all applicable rules and orders of the Department issued thereunder prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability which would prevent them from complying with these requirements.

c. The contractor will send to each labor organization or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of his/her commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

d. The contractor will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for or recipient of Federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of Housing and Urban Development, 24 C.F.R. Part 135. The contractor will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 C.F.R. Part 135 and will not let any subcontract unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

e. Compliance with the provisions of Section 3, the regulations set forth in 24 C.F.R. Part 135, and all applicable rules and orders of the Department issued hereunder prior to the execution of the contract, shall be a condition of the federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its contractors and subcontractors, its successors and assigns to those sanctions specified by the grant or loan agreement or contract through which federal assistance is provided, and to such sanctions as are specified by 24 C.F.R. Part 135.

#### ARTICLE XVII

#### SECTION 503 HANDICAPPED (IF \$2,500 OR OVER) AFFIRMATIVE ACTION FOR HANDICAPPED WORKERS

a. ENGINEER will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any

position for which the employee or applicant for employment is qualified. ENGINEER agrees to take affirmative action to employ, advance in employment and otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all employment practices such as the following: Employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

b. ENGINEER agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

c. In the event of the ENGINEER'S non-compliance with the requirements of this clause, actions for non-compliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor pursuant to the Act.

d. ENGINEER agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, provided by or through the contracting officer. Such notices shall state the ENGINEER'S obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants for employment, and the rights of applicants and employees.

e. ENGINEER will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the contractor is bound by the terms of Section 503 of Rehabilitation Act of 1973, and is committed to take affirmative action to employ and advance in employment physically and mentally handicapped individuals.

f. ENGINEER will include the provisions of this clause in every subcontract or purchase order of \$2,500 or more unless exempted by rules, regulations, or orders of the Secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each subcontractor with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for non-compliance.

## ARTICLE XVIII

A. INTEREST OF MEMBERS OF A COUNTY

No member of the governing body of the COUNTY and no other officer, employee, or agent of the COUNTY who exercises any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this contract and the ENGINEER shall take appropriate steps to assure compliance.

B. INTEREST OF OTHER LOCAL PUBLIC OFFICIALS

No member of the governing body of the locality and no other public official of such locality, who exercised any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this contract; and ENGINEER shall take appropriate steps to assure compliance.

C. INTEREST OF ENGINEER AND EMPLOYEES

ENGINEER covenants that he/she presently has no interest and shall not acquire interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of his/her services hereunder. ENGINEER further covenants that in the performance of this contract, no person having any such interest shall be employed.

## ARTICLE XIX

MAILING ADDRESSES

All notices and communications under this contract to be mailed or delivered to COUNTY shall be sent to the address of COUNTY as follows, unless and until ENGINEER is otherwise notified:

Attention: Harry B. Walker, P.E., President

Telephone No.: (713) 589-6180

Any notices and communications required to be given in writing by one party to the other shall be considered as having been given to the addressee on the date the notice or communication is posted by the sending party.

#### ARTICLE XX

##### CONTRACT AMENDMENTS

The parties hereto, without invalidating this contract, may alter or amend this contract upon advance written agreement of the parties, approved by Commissioners' Court of Fort Bend County.

#### ARTICLE XXI

##### MISCELLANEOUS PROVISIONS

a. This agreement shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the

parties created hereunder are performable in Fort Bend County, Texas.

b. This agreement shall be binding upon and enure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns where permitted by this agreement.

c. In case one or more of the provisions contained in this agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision thereof, and this agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

d. If any action at law or in equity is necessary to enforce or interpret the terms of this agreement, the prevailing party shall be entitled to reasonable attorney's fees, costs, and necessary disbursements in addition to any other relief to which such party may be entitled.

e. Findings Confidential All of the reports, information, data, etc., prepared or assembled by the ENGINEER under this contract are confidential and the ENGINEER agrees that they shall not be made available to any individual or organization without prior written approval of the COUNTY.

f. Copyright No report, map, or other documents produced in whole or in part under this contract shall be the subject of an application for copyright by or on behalf of the ENGINEER.

g. Compliance with Local Laws ENGINEER shall comply with all applicable laws, ordinances and codes of the State and local

governments, and the ENGINEER shall save the COUNTY harmless with respect to any damages arising from any tort done in performing any work embraced by this contract.

EXECUTED in multiple counterparts, each of which is deemed to be an original and as of the day and date first written in this contract.

3. Submit the proposed scope of the geotechnical investigation for review and approval.
4. Submit the proposed scope of surveying operations for project control and acquisition of easements and the lift station site for review and approval.
5. Prepare a preliminary engineering report containing the revised layout, proposed design criteria, identifying the problems involved in the project, discussing available alternatives and recommending solutions.

**B. Acquisition Phase**

1. Work with Fort Bend County and the Grant Administrator to acquire the lift station site and any additional easements required.

2. Conduct all surveying necessary for easement and lift station acquisition.

C. Design Phase

1. Conduct design survey.
2. Conduct geotechnical investigation.
3. Prepare final design plans for the lift station and collection system.
4. Prepare construction specifications.
5. Submit construction plans and specifications to all reviewing agencies for approval, including Fort Bend County, City of Stafford, Fort Bend County WCID No. 2, the State Health Department and the Texas Water Commission.
6. Prepare final cost estimates for the proposed construction.

D. Construction Phase

1. Prepare final bid documents.
2. Assist Fort Bend County in advertising and bidding the project.
3. Assist Fort Bend County in preparation of final contract documents.
4. Conduct pre-bid conference.
5. Conduct pre-construction conference with the Contractor and other involved parties.
6. Provide construction staking (control only).
7. Provide construction inspection services.
8. Provide random spot testing of construction materials to supplement tests to be required of Contractor.
9. Work with COUNTY and Contractor to resolve any problems arising during construction.
10. Provide construction administration services, including preparation of change orders, review and approval of pay estimates, review and approval of shop drawings and equipment selections, and assistance to the Grant Administrator in preparation of reports for contract compliance.

11. Conduct a final inspection of the project with all interested parties.

12. Prepare Certificate of Completion.

#### Additional Services

If authorized by Commissioners' Court of Fort Bend County, Walker, Bartlett & Associates will furnish the following Additional Services that are not considered a normal or customary part of the Basic Services. Additional Services shall be paid for on an hourly basis at the rates shown in the attached rate schedule (Attachment "B"). Separate budgets will be established for any Additional Services authorized by the COUNTY.

NO ADDITIONAL SERVICES ARE ANTICIPATED FOR THIS PROJECT AT THIS TIME.

1. Services resulting from significant changes in the general scope of the project.
2. Revisions to previously approved plans, reports, studies or other project documents.
3. New and/or additional acquisition activities resulting from unknown needs prior to project initiation, site changes, and/or condemnation proceedings.
4. Assistance to the COUNTY as an expert witness in any litigation with third parties, arising from the development or construction of the project, including preparation of engineering data and reports.
5. Preparation of "as built" drawings.
6. Services after issuance of Certificate of Completion, and any other special or miscellaneous assignments specifically authorized by the COUNTY.

#### Schedule

Preparation of the plans and specifications for this project is anticipated to take 3 - 4 months, barring unforeseen delays resulting from grant administration procedures, etc.

Bid and contract phase activities are estimated to take two (2) months, once approval to proceed with bid advertisement is received.

Schedule for Construction Phase activities will be dictated by the construction contractor's schedule.

## CITIZEN PARTICIPATION PLAN

## TEXAS COMMUNITY DEVELOPMENT PROGRAM

PUBLIC HEARING PROVISIONS

For each public hearing scheduled and conducted by a TCDP applicant or recipient, the following public hearing provisions shall be observed:

- (1) Public notice of all hearings must be published at least seventy-two (72) hours prior to the scheduled hearing. The public notice must be published in a non-legal section of a local newspaper. Each public notice must include the date, time, location and topics to be considered at the public hearing. A published newspaper article can also be used to meet this requirement so long as it meets all content and timing requirements. Notices should also be prominently posted in public buildings.
- (2) Each public hearing shall be held at a time (generally after 5:00 PM on weekdays or on Saturdays) and location convenient to potential or actual beneficiaries and will include accommodation for handicapped persons.
- (3) When a significant number of non-English speaking residents can be reasonably expected to participate in a public hearing, an interpreter will be present to accommodate the needs of the non-English speaking residents.

COMPLAINT PROCEDURES

The applicant/recipient must have written citizen complaint procedures that provide a timely written response to complaints and grievances. The complaint procedures must comply with the requirements of the Texas Department of Commerce (TDOC) Complaint System, 10 T.A.C. Sec. 178.1 and 178.2. Citizens must be made aware of the locations and hours at which times they may obtain a copy of these written procedures.

This is the adopted formal complaint procedures to allow for investigation of complaints received about the quality of services provided under the Texas Community Development Program (TCDP) project.

- (1) A person who has a comment or complaint about the quality of services funded by the TCDP may submit such comment or complaint in writing to the County Judge.
- (2) A copy of the comment or complaint shall be transmitted to the entity which is the subject of the comment or complaint and to the County Attorney within five calendar days after the date of the comment or complaint was received.
- (3) An investigation of the comment or complaint shall be completed and the findings, in writing, shall be submitted within ten days to the person who made the comment or complaint. Or, the person who made the comment or complaint shall be notified, in writing, within ten days of when the investigation can be completed.

TECHNICAL ASSISTANCE

When requested, the applicant/recipient shall provide technical assistance to groups representative of persons of low and moderate income in developing proposals for the use of TCDP funds. The level and type of assistance shall be determined by the applicant/recipient based upon the specific needs of the community's residents.

The applicant must comply with the following citizen participation requirement for the preparation and submission of an application to the Texas Community Development Program:

- (1) At a minimum, the applicant must hold at least one (1) public hearing prior to developing the application and a second public hearing prior to submission of the application.
- (2) The public hearings must be held at least seven (7) days apart.
- (3) At least one (1) of the public hearings must be held in the proposed project area.
- (4) The locality must retain documentation of the hearing notice(s), a listing of persons attending the hearing(s), minutes of the hearing(s), and any other records concerning the proposed use of funds for a period of one year or until the project, if funded, is closed out. Such records must be made available to the public in accordance with Texas Civil Statutes, Article 6252-17a.
- (5) The first public hearing must include a discussion with citizens on the development of housing and community development needs, the amount of funding available, all eligible activities under the Texas Community Development Program, and the use of past TCDP contract funds, if applicable. Citizens, with particular emphasis on persons of low and moderate income who are residents of slum and blight areas, shall be encouraged to submit their views and proposals regarding community development and housing needs. Citizens shall be made aware of the location where they may submit their views and proposals should they be unable to attend the public hearing.
- (6) The second public hearing must include a discussion of the proposed project, the amount of funds being requested, the estimated amount of funds proposed for activities that will benefit low/moderate income persons, and the plans of the locality to minimize displacement of persons and to assist persons actually displaced as a result of activities assisted with TCDP funds, if applicable. The notice must include the location and hours when the application is available for review.
- (7) While more than one application can be discussed at a single public hearing -- e.g., if the applicant is considering both a Community Development Fund or a Special Impact Fund and a Texas Capital Fund application -- a hearing held for the previous program year's submittal of the same application (under either fund) is not acceptable for meeting the requirements for any subsequent competition.

The applicant must comply with the following citizen participation requirements in the event that the applicant/recipient receives funds from the Texas Community Development Program:

- (1) The locality must hold a public hearing concerning any substantial change, as determined by TDOC, proposed to be made in the use of TCDP funds from one eligible activity to another.
- (2) Upon completion of the community development program activities, the locality shall hold a public hearing and review its program performance including the actual use of the TCDP funds.
- (3) The locality must retain documentation of the hearing notices(s), a listing of persons attending the hearing(s), minutes of the hearing(s), and any other records concerning the actual use of funds for a period of three years after the project is closed out. Such records must be made available to the public in accordance with Texas Civil Statutes, Article 6252-17a.

STATE OF TEXAS §

COUNTY OF FORT BEND §

CONTRACT FOR ENGINEERING SERVICES

THIS AGREEMENT, entered into as of this \_\_\_\_\_ day of August, 1989, by and between Fort Bend County, hereinafter called "COUNTY", and Walker, Bartlett & Associates, Inc., hereinafter called "ENGINEER".

The Parties hereto do mutually agree as follows:

ARTICLE I

SCOPE OF WORK

The scope of work is set forth in Attachment "A", attached hereto and made a part of this contract. Deviations from the scope of work may be authorized from time to time by COUNTY by prior written authorization, approved by Commissioners' Court of Fort Bend County.

ARTICLE II

SCHEDULE OF WORK

The ENGINEER agrees to begin work immediately upon execution of this contract and to proceed diligently with said work to completion, as described in Attachment "A".

NO WORK WILL BEGIN WITHOUT WRITTEN AUTHORIZATION FROM THE COUNTY OR ITS REPRESENTATIVES.

ARTICLE III

COMPENSATION

For and in consideration of the work performed hereunder, the COUNTY agrees to compensate the ENGINEER on a monthly basis. On or about the 5th day of each month, the ENGINEER will submit to the COUNTY an invoice for services performed by the ENGINEER during the previous month. Terms of each invoice shall be net 30 days, provided, however, this project made the subject of this

contract is being federally funded through grants and COUNTY will not be responsible for payment to ENGINEER until COUNTY is in receipt of sufficient federal funds to pay same. Compensation for services of the ENGINEER will be as set forth in Attachment "A". The ENGINEER will provide the COUNTY with a monthly completion estimate to support requests for payment. The ENGINEER will make every effort to satisfy the time constraints of the project in the completion of this work.

#### ARTICLE IV

##### TERMINATION

Either party may terminate this contract upon giving written notice to the other party at least ten (10) days prior to the date of termination. In the event of termination, the ENGINEER shall deliver to the COUNTY all finished or unfinished plans, documents, data, studies, surveys, drawings, maps, models, photographs, etc., prepared by the ENGINEER under this contract. The ENGINEER shall be entitled to receive just and equitable compensation for any work satisfactorily completed in accordance with the provisions of this agreement prior to termination. If the ENGINEER has completed the preliminary, design, acquisition or construction phase prior to termination, he will be entitled to the fee stipulated in the fee distribution under the delineation of Basic Services in the Scope of Work detailed on Attachment "A" of this contract. If termination should occur prior to completion of one of the phases of engineering services (preliminary, design, acquisition or construction), the ENGINEER will be reimbursed for his work under that particular phase under the terms of the "Additional Services" described hereinafter, and Attachment "B", Standard Rate Schedule for Engineering Services.

#### ARTICLE V

##### PROGRESS REPORTS

If requested by the COUNTY, the ENGINEER shall submit monthly progress reports and attend progress meetings as scheduled by the COUNTY and as detailed in the Scope of work.

Each report shall outline work accomplished and special problems or delays encountered during the previous report period and the planned work activities and special problems or delays anticipated for the next report period.

#### ARTICLE VI

##### INDEPENDENT CONTRACTOR

In the performance of work or services hereunder, the ENGINEER shall be deemed an independent contractor, and any of its employees performing work required hereunder shall be deemed solely employees of the ENGINEER, or its subcontractors where permitted.

#### ARTICLE VII

##### INSURANCE

ENGINEER agrees to furnish, if requested by the COUNTY, a certificate reflecting their coverage by workmen's compensation insurance, and public liability insurance for bodily injury and property damage in amounts and with carriers satisfactory to the COUNTY and agrees that such coverage shall be maintained during the term of this contract. ENGINEER shall be responsible for determining that its subcontractors, where permitted, likewise carry and maintain adequate insurance coverages.

#### ARTICLE VIII

##### LIABILITY

ENGINEER agrees to indemnify and hold the COUNTY harmless from each and every claim, suit, judgment or damage to or from injury or death of any person or persons, caused by or arising out of or in connection with the operations of ENGINEER and its subcontractors, where permitted, under this agreement, except as same may be due to the negligence of the COUNTY.

#### ARTICLE IX

##### SUBCONTRACTS

In fulfilling its duties pursuant to this contract, ENGINEER may subcontract to individuals, corporations, organizations, governments or governmental subdivisions or agencies,

partnerships, associations, or other legal entities. Such subcontracts will be entered into only with written approval from the COUNTY.

#### ARTICLE X

##### TRANSFER OF INTEREST

Neither the COUNTY nor ENGINEER may assign or transfer their individual interest in this contract without the written consent of the other party. The COUNTY and ENGINEER each binds itself and its successors and assigns to the other party with respect to all covenants to this contract. Nothing herein is to be construed as creating a personal liability on the part of any officer or agent of any public body which may be a party hereto.

#### ARTICLE XI

##### AUDITS AND RECORDS

At any time during normal business hours and as often as the COUNTY may deem necessary, the ENGINEER shall make available to representatives of the COUNTY for examination all of its records with respect to all matters covered by this contract and will permit representatives of COUNTY to audit, examine, and make excerpts or transcripts from such records and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this contract, for a period of three (3) years from the date of final settlement or for such other longer period, if any, as is required by applicable statute or lawful requirement.

#### ARTICLE XII

##### OWNERSHIP DOCUMENTS

Original finished or unfinished plans, documents, data, field notes, studies, surveys, drawings, maps, models, reports, photographs, etc., developed in connection with the services performed hereunder belong to, and remain the property of the COUNTY, in consideration of which it is mutually agreed that COUNTY will use them solely in connection with the project, save

with the express consent of the ENGINEER. The ENGINEER may retain reproducible copies of such documents.

ARTICLE XIII

EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this contract, ENGINEER agrees as follows:

a. ENGINEER will not discriminate against any employee or applicant for employment because of race, creed, sex, color or national origin. ENGINEER will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, sex, color or national origin. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. ENGINEER agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the COUNTY setting forth the provisions of this non-discrimination clause.

b. ENGINEER will, in all solicitation or advertisements for employees placed by or on behalf of ENGINEER, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, sex, or national original.

c. ENGINEER will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this contract so that such provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

d. ENGINEER will include the provisions a. through c. in every subcontract or purchase order unless exempted.

## ARTICLE XIV

CIVIL RIGHTS ACT OF 1964

Under Title VI of the Civil Rights Act of 1964, no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

## ARTICLE XV

SECTION 109 OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974

No person in the United States shall on the ground of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title.

## ARTICLE XVI

SECTION "3" COMPLIANCE IN THE PROVISION OF TRAINING  
EMPLOYMENT AND BUSINESS OPPORTUNITIES

a. The work to be performed under this contract is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

b. The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of Housing and Urban Development set forth in 24 C.F.R. 235, and all applicable rules and orders of the Department issued thereunder prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability which would prevent them from complying with these requirements.

c. The contractor will send to each labor organization or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of his/her commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

d. The contractor will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for or recipient of Federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of Housing and Urban Development, 24 C.F.R. Part 135. The contractor will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 C.F.R. Part 135 and will not let any subcontract unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

e. Compliance with the provisions of Section 3, the regulations set forth in 24 C.F.R. Part 135, and all applicable rules and orders of the Department issued hereunder prior to the execution of the contract, shall be a condition of the federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its contractors and subcontractors, its successors and assigns to those sanctions specified by the grant or loan agreement or contract through which federal assistance is provided, and to such sanctions as are specified by 24 C.F.R. Part 135.

#### ARTICLE XVII

#### SECTION 503 HANDICAPPED (IF \$2,500 OR OVER) AFFIRMATIVE ACTION FOR HANDICAPPED WORKERS

a. ENGINEER will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any

position for which the employee or applicant for employment is qualified. ENGINEER agrees to take affirmative action to employ, advance in employment and otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all employment practices such as the following: Employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

b. ENGINEER agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

c. In the event of the ENGINEER'S non-compliance with the requirements of this clause, actions for non-compliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor pursuant to the Act.

d. ENGINEER agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, provided by or through the contracting officer. Such notices shall state the ENGINEER'S obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants for employment, and the rights of applicants and employees.

e. ENGINEER will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the contractor is bound by the terms of Section 503 of Rehabilitation Act of 1973, and is committed to take affirmative action to employ and advance in employment physically and mentally handicapped individuals.

f. ENGINEER will include the provisions of this clause in every subcontract or purchase order of \$2,500 or more unless exempted by rules, regulations, or orders of the Secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each subcontractor with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for non-compliance.

## ARTICLE XVIII

A. INTEREST OF MEMBERS OF A COUNTY

No member of the governing body of the COUNTY and no other officer, employee, or agent of the COUNTY who exercises any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this contract and the ENGINEER shall take appropriate steps to assure compliance.

B. INTEREST OF OTHER LOCAL PUBLIC OFFICIALS

No member of the governing body of the locality and no other public official of such locality, who exercised any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this contract; and ENGINEER shall take appropriate steps to assure compliance.

C. INTEREST OF ENGINEER AND EMPLOYEES

ENGINEER covenants that he/she presently has no interest and shall not acquire interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of his/her services hereunder. ENGINEER further covenants that in the performance of this contract, no person having any such interest shall be employed.

## ARTICLE XIX

Any notices and communications required to be given in writing by one party to the other shall be considered as having been given to the addressee on the date the notice or communication is posted by the sending party.

#### ARTICLE XX

##### CONTRACT AMENDMENTS

The parties hereto, without invalidating this contract, may alter or amend this contract upon advance written agreement of the parties, approved by Commissioners' Court of Fort Bend County.

#### ARTICLE XXI

##### MISCELLANEOUS PROVISIONS

a. This agreement shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the

parties created hereunder are performable in Fort Bend County, Texas.

b. This agreement shall be binding upon and enure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns where permitted by this agreement.

c. In case one or more of the provisions contained in this agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision thereof, and this agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

d. If any action at law or in equity is necessary to enforce or interpret the terms of this agreement, the prevailing party shall be entitled to reasonable attorney's fees, costs, and necessary disbursements in addition to any other relief to which such party may be entitled.

e. Findings Confidential All of the reports, information, data, etc., prepared or assembled by the ENGINEER under this contract are confidential and the ENGINEER agrees that they shall not be made available to any individual or organization without prior written approval of the COUNTY.

f. Copyright No report, map, or other documents produced in whole or in part under this contract shall be the subject of an application for copyright by or on behalf of the ENGINEER.

g. Compliance with Local Laws ENGINEER shall comply with all applicable laws, ordinances and codes of the State and local

AGREEMENT FOR TUTORIAL  
SERVICES FOR JUVENILE PROBATION

THE STATE OF TEXAS  
COUNTY OF FORT BEND

THIS AGREEMENT is made and entered into by and between the COUNTY OF FORT BEND, hereinafter referred to as "COUNTY", the FORT BEND JUVENILE PROBATION BOARD, hereinafter referred to as "BOARD", and LAMAR CONSOLIDATED INDEPENDENT SCHOOL DISTRICT, hereinafter referred to as "LAMAR".

WHEREAS, the BOARD desires to provide tutoring to eligible children in detention in the Fort Bend County Juvenile Detention Facility; and

WHEREAS, the BOARD desires to provide an opportunity for children in detention to obtain State Board of Education course credits in their home schools resulting from the tutoring service; and

WHEREAS, LAMAR desires to provide tutorial services to students in detention at no expense to the BOARD or the COUNTY, and at no expense to LAMAR in excess of the state and federal funds received by LAMAR and specifically designated for providing tutorial services at the Fort Bend County Juvenile Detention Facility;

NOW THEREFORE, in consideration of the mutual covenants set forth herein, the parties hereto agree as follows:

SECTION I  
DEFINITIONS

For the purpose of this Agreement, the following terms shall mean:

1.01 BOARD Personnel - Student's Probation Officer, Assistant Chief Juvenile Probation Officer, Chief Probation Officer.

1.02 Day Room - A designated room at the juvenile detention facility.

1.03 Eligible Children - Children from the ages of 10 through 16, who are confined in the Fort Bend County Juvenile Detention Facility for more than five days and are currently enrolled in their home school.

1.04 Home School - The school district where the children would ordinarily attend school when not in the Fort Bend County Juvenile Detention Facility.

1.05 LAMAR Personnel - Tutor Teacher, Instructional Officer, Special Programs and Projects Director.

1.06 Parent/Guardian Consent - Any consent required by federal or state law, or an administrative agency to facilitate the purposes of this Agreement.

1.07 Tutorial Services - teacher-directed instruction and/or assistance at the Fort Bend County Juvenile Detention Facility in course work involving reading, language arts, and mathematics.

1.08 Tutor Teacher - A LAMAR classroom teacher who is licensed by the state of Texas and who provides tutorial services at the Fort Bend County Juvenile Detention Facility.

## SECTION II

### PURPOSE

2.01 The purpose of this Agreement is to make tutorial services available to eligible children.

2.02 LAMAR intends to provide tutorial services to eligible children at no expense to the COUNTY or BOARD or LAMAR taxpayers.

## SECTION III

### TERM

3.01 The term of this Agreement shall commence on September 1, 1989, and end on May 30, 1990, unless sooner terminated as provided in this Agreement.

3.02 This Agreement may be terminated at any time during its term, for any reason, by either the COUNTY or LAMAR by giving fifteen (15) days written notice to the other party.

3.03 If the COUNTY or the BOARD wish to renew this Agreement, notice must be provided to LAMAR by July 15 and renewal will be considered by LAMAR.

SECTION IV  
SERVICES PROVIDED BY LAMAR

4.01 Services to be provided by LAMAR under this Agreement will be provided only to the extent of state and federal funds received by LAMAR and specifically designated for providing tutorial services at the Fort Bend County Juvenile Detention Facility.

4.02 LAMAR personnel will review available student education records and any available assessment records so that the appropriate tutorial services may be provided.

4.03 Only the following LAMAR personnel will be involved in the provision of tutorial services at the Fort Bend County Juvenile Detention Facility:

- A. Tutor teachers
- B. Instructional Officers
- C. Special Programs and Projects Director

4.04 Prior to providing tutorial services to a special education or bilingual student, LAMAR personnel must receive proof of compliance with any requirements under state or federal laws or regulations concerning notice, due process and parent consent. It is understood and agreed by all parties that LAMAR will provide tutorial services to eligible children who are special education students. This Agreement in no way places on LAMAR the duty to provide eligible children who are also special education students with a comprehensive free appropriate public education.

4.05 In providing tutorial services, LAMAR will utilize the students' textbooks, materials, and assignments from the home school.

4.06 LAMAR will provide tutor teachers two (2) times per week at a mutually agreed time of day. The amount of time for tutorial services on a particular day will be solely at the discretion of LAMAR.

4.07 LAMAR will provide training to LAMAR personnel so that the student's behavior is managed appropriately and crisis can be prevented.

4.08 LAMAR personnel will cooperate with BOARD personnel to reduce interruptions to the student's education, removing students from tutorial services only when they are ill or are a serious behavior disruption to the learning of others.

4.09 LAMAR personnel will cooperate with BOARD personnel in dealing with behavior and discipline matters.

4.10 LAMAR personnel will communicate with the students' home school to clarify any questions that arise with regard to the provision of tutorial services.

#### SECTION V RESPONSIBILITIES OF THE BOARD

5.01 The BOARD, acting by and through its juvenile probation officer, will secure the necessary parent/guardian consent to carry out the purpose of the tutorial services of this Agreement.

5.02 The BOARD, acting by and through its juvenile probation officer, will provide responsible BOARD personnel in the following order:

- A. Student's Probation Officer
- B. Assistant Chief Juvenile Probation Officer
- C. Chief Juvenile Probation Officer

5.03 The BOARD, acting by and through its juvenile probation officer, will secure necessary parent/guardian consent, will provide proof of compliance with any requirements under state and federal laws and regulations concerning notice and due process requirements with regard to eligible children who are bilingual or special education students, and make available to LAMAR all student education records and assessment data that is pertinent to the appropriate educational placement of the student.

5.04 The BOARD, acting by and through its probation officer, will provide and maintain appropriate instructional space for students and LAMAR personnel as follows:

A. Minimum of one (1) detention officer present at all times.

B. Class to take place in the day room.

5.05 The BOARD, acting by and through its juvenile probation officer, will provide for student movement to and from classes in accordance with mutually agreeable schedule.

5.06 The BOARD, acting by and through its juvenile probation officer, will designate staff members to provide support to LAMAR personnel should crisis intervention be required at the Facility.

5.07 To the extent possible, the BOARD, acting by and through its juvenile probation officer, will develop daily schedules/activities so that interruptions to the child's education are kept at a minimum.

5.08 The BOARD, acting by and through its juvenile probation officer, will facilitate obtaining textbooks and assignments from the home school and will act on behalf of the parent in coordinating behavior plans for dealing with student discipline matters.

5.09 Between the 4th and 5th day of detention, the probation officer will notify LAMAR personnel that the student is likely to remain in detention more than five days and will contact the student's home school and inform it that tutorial services are available from LAMAR personnel.

#### SECTION VI DATA PRIVACY

6.01 The use or disclosure by any party of information concerning an eligible child in violation of any rule of confidentiality or for any purpose not directly connected with the administration of the BOARD'S or LAMAR's responsibility with respect to the purpose of this Agreement is prohibited except on written consent of such eligible child and/or his or her parents or guardian, or his or her attorney.

6.02 LAMAR, the COUNTY and the BOARD in providing all services hereunder agree to abide by the provisions of any applicable federal or state data privacy laws, rules or regulations.

#### SECTION VII ASSIGNMENTS

7.01 This Agreement is not assignable by any party.

#### SECTION VIII INDEPENDENT CONTRACTOR/NO CO-PARTNERSHIP

8.01 It is agreed by the parties that at all times and for all purposes hereunder LAMAR is an independent contractor and not an employee of Fort Bend County. No statement contained in this Agreement shall be construed so as to find LAMAR an employee of the COUNTY, and LAMAR shall be entitled to none of the rights, privileges or benefits of a county employee except as otherwise may be stated herein.

8.02 It is agreed by the parties that at all times and for all purposes hereunder the BOARD and the COUNTY are not employees of LAMAR. No statement contained in this Agreement shall be construed so as to find the BOARD or the COUNTY to be employees of LAMAR, and the BOARD and the COUNTY shall be entitled to none of the rights, privileges or benefits of LAMAR employees except as otherwise may be stated herein.

8.03 It is agreed that nothing herein contained is intended or should be construed as in any manner creating or establishing a relationship of co-partners between the parties, or as constituting LAMAR (including its officers, employees, and agents) as the agent, representative or employee of the COUNTY for any purpose, or in any manner, whatsoever. LAMAR is to be and shall remain an independent contractor with respect to all services performed under this Agreement.

8.04 It is further agreed that nothing herein is intended or should be construed as in any manner constituting the BOARD or the COUNTY (including their officers, employees, and agents) as the agent, representative or employee of LAMAR for any purposes, or in any manner, whatsoever. The BOARD and the COUNTY are to be and shall remain an independent contractor with respect to all services performed under this Agreement.

#### SECTION IX SEVERABILITY

9.01 The provisions of this Agreement are severable. If any paragraph, section, subdivision, sentence, clause or phrase of this Agreement is for any reason held to be contrary to law, or contrary to any rule or regulation having the force and effect of law, such decision shall not affect the remaining portions of the Agreement. However, upon the occurrence of such event, either party may terminate this Agreement forthwith upon the delivery of written notice of termination to the other party.

SECTION X  
ENTIRE AGREEMENT: REQUIREMENT OF A WRITING

10.01 It is understood and agreed that the entire Agreement of the parties is contained herein and that this Agreement supersedes all oral agreements and negotiations between the parties relating to the subject matter hereof as well as any previous agreements presently in effect between the parties relating to the subject matter hereof. Any alterations, amendments, deletions, or waivers of the provisions of this Agreement shall be valid only when expressed in writing and duly signed by the parties.

SECTION XI  
SERVICES NOT PROVIDED FOR

11.01 No claim for services furnished by LAMAR, not specifically provided in this Agreement, will be allowed by the COUNTY, nor shall LAMAR do any work or furnish any material not covered by this Agreement, unless this is approved in writing by the COUNTY and the BOARD. Such approval shall be considered to be a modification of this Agreement.

11.02 No claim for services furnished by the COUNTY or BOARD, not specifically provided in the Agreement, will be allowed by LAMAR, nor shall COUNTY or BOARD do any work or furnish any materials not covered by this Agreement, unless this is approved in writing by LAMAR. Such approval shall be considered to be a modification of this Agreement.

SECTION XII  
COMPLIANCE WITH LAWS AND REGULATIONS

12.01 In providing all services pursuant to this Agreement, LAMAR, the COUNTY, and the BOARD shall abide by all statutes, ordinances, rules and regulations pertaining to, or regulating the provision of, such services, including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules, or regulations shall constitute a material breach of this Agreement, and shall entitle LAMAR, the COUNTY, and the BOARD to terminate this Agreement immediately upon delivery of written notice of termination.

SECTION XIII

FROM: Bill Thomas, representing the  
 Performance Review Committee

DATE: July 31, 1989

SUBJECT: Salary exception recommendations passed by Performance Review  
 Committee - (salary review members)

The Performance Review Committee salary group members met July 27, and considered requests for salary movements in excess of one step. These recommendations are presented for Commissioner's Court consideration.

Road & Bridge - Precinct 1 Nathan Walleck, Heavy Equipment Operator III, is recommended a 2 step merit and salary adjustment to reward excellent performance and achieve a closer equity with others performing at the same levels.

EMS - Michael McDill, EMS Training Coordinator, was promoted to the position on 1/23/89 with only a 1.36% increase in salary. Since then, he's proven to be an outstanding employee in the position, and the Committee recommends a 2 step increment as was requested by Mr. Dan Kosler.

Building Services - Jimmy Guest, Building Maintenance Worker III is recommended a 2 step increment. Randy Fringer, Building Maintenance Worker II is recommended a 2 step increment. David Stroud, Building Maintenance Worker III, is recommended a 2 step increment. These requests are based on the greater work load added with the opening of the Travis Building, and the demonstrated performance of these employees in taking on this added responsibility.

Library - Molly Krukewitt, Library Coordinator is recommended a 2 step increment on the anniversary review date of September 15. This recommendation is based on outstanding performance, and the need to bring her pay more in line with other Coordinators.

Drainage - Jo Ann Meyer, Administrative Secretary, is recommended a 2 step increment based on her performance. It is noted that up to 6/21 of this year, she held the only clerical position in the Drainage District.

We've been assured by all departments noted above, that there's monies still available in their budget to accommodate the above requests.

## INSTRUCTIONS

1. There must be kept three original sets of tally sheets. (Sec. 65.004)
2. Each tally sheet must include:
  - name and offices of candidates
  - date of election
  - precinct number
  - type of election
  - name of presiding judge
  - signature of person keeping the tally sheet
3. Periodically, the tally sheets must be compared for any errors or discrepancies, and if they are found, the ballots must be recounted and the necessary corrections made.
4. In all elections where straight party voting is allowed, it is necessary to list the name of each political party under the column for candidates. A straight party vote is one in which the party box is marked and no other individual boxes for candidates for other parties are marked. Count a straight ticket ballot by tallying for the political party receiving the vote instead of tallying for each candidate of that political party. (See below)

After all ballots are counted and the election judge is making out the returns, he adds the total number of straight party votes to the total for each candidate of that political party. (Sec. 65.007)

5. A ballot on which the party box is marked but individual boxes for other candidates are marked is not considered a straight party vote and must be tallied as a split ticket. Tally a vote for each candidate of the political party for which a straight party vote is indicated except for any candidate of that party opposed by a candidate for whom a vote is individually indicated. Tally a vote for each candidate individually indicated.

## EXAMPLE

OFFICE OR "FOR" AND "AGAINST"	Name of Candidates or Propositions	5	10	15	20	25	30	35	40	45	50	55
	Big Party	II	II	II								
	Little Party	II	II	III								

6. For valid write-in votes for candidates whose names do not appear on the ballot, the name of the write-in candidate shall be entered on the tally list and the votes shall be tallied in the same manner as votes for a candidate whose name appears on the ballot. (Sec. 65.008)
7. When a member of the counting team must be replaced, correct any existing discrepancies in the tally lists. The officer being replaced certifies to the accuracy of that tally list by signing at that time and indicating the final vote tallied by him/her for each candidate or proposition.
8. On completing the count, each counting officer computes the total number of votes cast for each candidate and for or against each proposition and enters the totals on the tally list. After verifying that all three lists are in agreement, each counting officer signs that officer's list.

## INSTRUCTIONS

1. There must be kept three original sets of tally sheets. (Sec. 65.004)
2. Each tally sheet must include:
  - name and offices of candidates
  - date of election
  - precinct number
  - type of election
  - name of presiding judge
  - signature of person keeping the tally sheet
3. Periodically, the tally sheets must be compared for any errors or discrepancies, and if they are found, the ballots must be recounted and the necessary corrections made.
4. In all elections where straight party voting is allowed, it is necessary to list the name of each political party under the column for candidates. A straight party vote is one in which the party box is marked and no other individual boxes for candidates for other parties are marked. Count a straight ticket ballot by tallying for the political party receiving the vote instead of tallying for each candidate of that political party. (See below)

After all ballots are counted and the election judge is making out the returns, he adds the total number of straight party votes to the total for each candidate of that political party. (Sec. 65.007)
5. A ballot on which the party box is marked but individual boxes for other candidates are marked is not considered a straight party vote and must be tallied as a split ticket. Tally a vote for each candidate of the political party for which a straight party vote is indicated except for any candidate of that party opposed by a candidate for whom a vote is individually indicated. Tally a vote for each candidate individually indicated.

## EXAMPLE

OFFICE OR "FOR" AND "AGAINST"	Name of Candidates or Propositions	5	10	15	20	25	30	35	40	45	50	55
	Big Party	III	III	II								
	Little Party	III	III	III								

6. For valid write-in votes for candidates whose names do not appear on the ballot, the name of the write-in candidate shall be entered on the tally list and the votes shall be tallied in the same manner as votes for a candidate whose name appears on the ballot. (Sec. 65.008)
7. When a member of the counting team must be replaced, correct any existing discrepancies in the tally lists. The officer being replaced certifies to the accuracy of that tally list by signing at that time and indicating the final vote tallied by him/her for each candidate or proposition.
8. On completing the count, each counting officer computes the total number of votes cast for each candidate and for or against each proposition and enters the totals on the tally list. After verifying that all three lists are in agreement, each counting officer signs that officer's list.

CERTIFICATE FOR ORDER

1  
39 1188

We, the undersigned officers of the Commissioners Court (the "Court") of Fort Bend County, Texas, (the "County") do hereby certify as follows:

1. That we are the duly chosen, qualified and acting officers of the Court for the offices shown below our signatures and that as such we are familiar with the facts herein certified.

2. That there is attached to and follows this certificate an excerpt of proceedings from the minutes of a meeting of the Court which is a true, full and complete excerpt of all proceedings from the minutes of the Court pertaining to the adoption of the order described therein; and that the persons named in such excerpt as the officers and members of the Court or as officers of the County are the duly chosen, qualified and acting officers and members as indicated therein.

3. That a true and complete copy of the order (the "Order"), as adopted at the meeting described in such excerpt from the minutes, is attached to and follows such excerpt.

4. That the Order has been duly and lawfully adopted by the Court and that the County Judge of the County has approved, and hereby approves, the Order; that the County Judge and the County Clerk of the County have duly signed and attested the Order and each, respectively, hereby declares that the signing of this certificate shall also constitute the signing of the Order for all purposes; and that the Order, as signed, has been duly recorded in the minutes of the Court for such meeting.

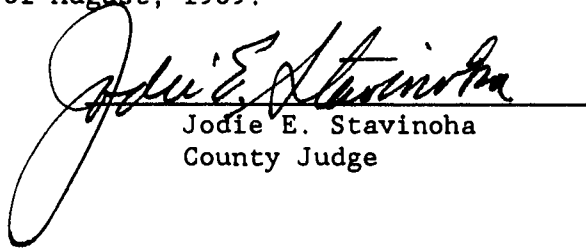

5. That each of the officers and members of the Court was duly and sufficiently notified officially and personally, in advance, of the date, hour, place and subject of such meeting of the Court, and that the Order would be introduced and considered for passage at such meeting, and each of such officers and members consented, in advance, to the holding of such meeting to consider and act upon such subject.

6. That written notice of the date, hour, place and subject of the meeting of the Court described in the excerpt from the minutes was posted on a bulletin board located at a place convenient to the public in the County Courthouse of the County; and that such meeting was open to the public as required by law at all times during which the Order and the subject matter thereof were discussed, considered and formally acted upon, all as required by the Open Meetings Act, Article 6252-17, Vernon's Texas Civil Statutes, as amended.

SIGNED AND SEALED THE 14th day of August, 1989.

ORDEN DE LOS RETORNOS DE SOLICITACION DE VOTOS Y  
LA DECLARACION DE LOS RESULTADOS DE LA VOTACION  
PARA EL IMPUESTO DE MANTENIMIENTO DEL DISTRITO No.11  
DE MEJORAS DEL DIQUE DEL CONDADO DE FORT BEND;  
QUE DA LOS DETALLES RELACIONADOS A LA MISMA; Y QUE  
CONTIENE OTRAS DISPOSICIONES RELACIONADAS A TAL VOTACION

POR CUANTO, el 17 de Julio de 1989, la Corte de los Comisionados del Condado de Fort Bend, Texas (la "Corte") se reunió en una sesión ordinaria y adoptó la Orden de Llamar a Votación para un Impuesto de Mantenimiento del Distrito No. 11 de Mejoras del Dique del Condado de Fort Bend, y el Aviso de tal Votación se informó y publicó debidamente, tanto en inglés como en español, según lo requiere la ley, el 19 de Julio de 1989; y

POR CUANTO, el día 12 de Agosto de 1989, se llevó a cabo una Votación para un Impuesto de Mantenimiento en el Distrito No. 11 de Mejoras del Dique del Condado de Fort Bend, en la cual se presentó a los electores residentes calificados de dicho Distrito, una proposición que se especifica a continuación; y

POR CUANTO, los oficiales apropiados de la elección certificaron los retornos de dicha elección a esta Corte; y

POR CUANTO, los retornos declaran que los electores debidamente calificados del Distrito votaron en tal elección 8 balotas, según lo siguiente:

PROPOSICION

A FAVOR DE LA EMISION DE UN IMPUESTO DE  
MANTENIMIENTO QUE NO EXCEDA VEINTICINCO  
CENTAVOS (\$0.25) POR CADA CIEN DOLARES  
(\$100) DE VALUACION \_\_\_\_\_ votos

EN CONTRA DE LA EMISION DE UN IMPUESTO  
DE MANTENIMIENTO QUE NO EXCEDA VEINTICINCO  
CENTAVOS (\$0.25) POR CADA CIEN DOLARES  
(\$100) DE VALUACION \_\_\_\_\_ votos

MAYORIA \_\_\_\_\_  
(A Favor o En Contra)

POR CUANTO, la votación se convocó y se condujo en todos sus aspectos en estricto acuerdo con la Constitución y las leyes del Estado de Texas y de los Estados Unidos de América; y

POR CUANTO, esta reunión de la Corte es la primera sesión después de dicha elección; Ahora, Por lo Tanto

LA CORTE DE LOS COMISIONADOS DEL CONDADO DE FORT BEND, TEXAS, ORDENA QUE:

Sección 1. Los asuntos y hechos expuestos en el preámbulo del presente, por el presente, se declaren ciertos y correctos.

Sección 2. La elección se convocó debidamente y los avisos de la misma se dieron de acuerdo con la ley; dicha elección se condujo de la manera requerida por la ley; los retornos debidos de tal votación fueron realizados por los oficiales debidos; en tal votación, únicamente se permitió que votaran los electores residentes debidamente calificados del Distrito No. 11 de Mejoras del Dique del Condado de Fort Bend; dicha elección resultó en el otorgamiento de la autorización a la Junta del Directorio del Distrito No. 11 de Mejoras del Dique del Condado de Fort Bend a gravar y recaudar un impuesto de mantenimiento que así se votó, tal como se describe en el preámbulo del presente; y una mayoría de los votantes calificados que votaron en tal elección han votado a favor del gravamen y la recaudación de dicho impuesto de mantenimiento.

Sección 3. El Distrito, ahora queda autorizado para gravar y recaudar un impuesto de mantenimiento y para realizar todas las otras cosas necesarias y convenientes conectadas a ello.

ADMITIDO Y APROBADO, este día 14 de Agosto de 1989.
