Mr. Stroope is requesting waiver of penalty and interest and attorney fees on the above referenced account for 1983.

Due to the inconsistent manner in which the appraisal district handles oil and gas accounts during that particular time frame, researching was made difficult.

 Account 007M-80-000-0052-980  
 Precinct #4

Mr. Stroope is requesting waiver of penalty and interest and attorney fees on the above referenced account for 1983.

Due to the inconsistent manner in which the appraisal district handles oil and gas accounts during that particular time frame, researching was made difficult.

Breakdown of taxes paid:

|                      |              |
|----------------------|--------------|
| Base Tax             | \$ 153.63    |
| Penalty and Interest | 139.80       |
| Attorney Fees        | <u>44.01</u> |
| Total Paid           | \$ 337.44    |

The Tax Office is requesting waiver of penalty and interest and attorney fees on the above referenced account for 1980, 1981, and 1982.

|                         |                      |              |
|-------------------------|----------------------|--------------|
| Breakdown of taxes due: | Base Tax             | \$ 245.72    |
|                         | Penalty and Interest | 271.70       |
|                         | Attorney Fees        | <u>77.62</u> |
|                         | Total Due            | \$ 595.04    |

|                 |                      |               |
|-----------------|----------------------|---------------|
| Total to Waive: | Penalty and Interest | \$ 411.50     |
|                 | Attorney Fees        | <u>121.63</u> |
|                 | Total to Waive       | \$ 533.13     |

I recommend waiver of penalty and interest and attorney fees on the above referenced account due to failure by the Tax Office to locate the delinquencies.

Waiver was requested by his representative Carolyn Lobdell.

Gentlemen:

The library would like to apply for the continuation of a literacy grant from the Department of Education. This year's grant (October 7, 1990 - September 30, 1991) of \$23,700 is underway and allows us to hire a part-time volunteer coordinator who will train and recruit 50 tutors and students in the Richmond/Rosenberg area.

The application for a \$25,000 stipend for the year 1991-1992 is due November 8, 1990 and will allow us to continue this year's grant. This is a simple grant that requires no matching. We will use the monies for salary, training materials and student materials.

The activities enabled by this grant will be coordinated with the Literacy Volunteers of Fort Bend County, a non-profit organization that has been very successful to date in achieving its goals.

Funding for this project is from the Library Literacy Program, Title VI of the Library Services and Construction Act. I will appear before you on Monday, November 5, 1990 to ask for your approval.

Sincerely,

Gentlemen:

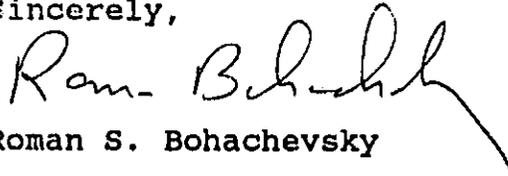

I would like to increase the "change fund" at the George Memorial Library by \$50.00 in order to accommodate our increased activities.

Not only are we collecting more moneys each month for fines, damaged materials, etc., but we must make change for increased copier usage. Beginning November 1, 1990 we will use cash registers at the check in/check out desks that require several drawers of change.

This \$50 comes from within the library budget and is not a budget adjustment. It will increase the change fund at the George Memorial Library from \$138 to \$188. We have prior approval from the Auditor's Office.

I will appear before you on Monday, November 5, 1990 for your approval.

GENERAL INFORMATION

The Fort Bend County Law Library is located on the 3rd floor, Fort Bend County Courthouse, 407 Jackson Street, Richmond, Texas. The collection is serviced by a trained staff member during its posted hours of operation. Current hours of operation are 8 a.m. - 5 p.m., Monday - Friday, with a provision for limited extensions. (Building restrictions, client input, and the budget will be among the considerations when expanding this schedule.)

SCOPE AND PURPOSE

The Law Library serves all litigants, judges, lawyers, and other interested residents of Fort Bend County. The primary purpose of the Fort Bend County Law library is to support the legal research, reference, and educational needs of these groups.

The library's purchased and collected materials will reflect the needs and expressed concerns of its clients. Special attention will be focused on law as practiced in Texas and on areas of special interest to the County and the region.

Law materials are intended to remain in the library for reference purposes or to be selectively photocopied for later use. Special arrangements can be made for limited circulation for courtroom usage.

GOVERNANCE

The County Law Library is established by Commissioners Court and governed by an oversight committee appointed by the Fort Bend County Bar Association. The Board known as the Law Library Board, has delegated the administration of daily operations of the Law Library to the Fort Bend County Librarian. The library administration and designated library staff will manage routine operations of purchasing, personnel, record-keeping, reporting, etc.

The County Librarian and the Law Library Board will meet monthly to review the library's performance and to plan future activities. Additional meetings may be called as considerations warrant joint planning and discussion. Monthly statistical and activity reports will be prepared and submitted to the Board by the County Librarian.

The delegated powers are granted to the County Librarian by the Committee for an initial period of January - December 1990. After that time, and yearly thereafter, the agreement may be renewed if acceptable to both parties, or terminated by either.

EXHIBIT "A"

BUDGET

The Law Library budget is derived from court fees levied on civil cases and collected by the offices of the County and District Clerks. Under the direction of the Commissioners Court and the Law Library Board, the County Librarian administers this separate fund, (Law Fund 16), solely for the needs of the Law Library, to include materials, staffing, equipment, etc.

An annual budget is prepared by the County Librarian and Board to include standard County expenditure categories with anticipated expenses and estimates of available revenues. This will be done at the same time that all other County budgets are prepared. Adjustments may be made as needed throughout the budget year.

STAFFING

The staff of the Law Library are vested with the same privileges and obligations as other County employees. All relevant policies, payroll deductions, and employee benefits are applicable. Time sheets will be processed according to library procedures by its Business and Personnel Office, coded for the special law library fund, and forwarded as usual to the County Auditor and Treasurer for payment.

The Law Library staff are routinely supervised by the County Librarian through the designated support staff. Major personnel decisions (selection, salary adjustments, termination) are discussed jointly by the Board and the County Librarian at their regularly scheduled or called meetings.

Job descriptions of current staff are attached. The Clerk III position is a full-time employee, with the necessary skills to provide research assistance to law library clients. This employee performs the daily routines of the law library and serves as a liaison to the County Library staff. The part-time position(s) can be used to lengthen the library's hours of service or to substitute for the Clerk III due to illness, vacation, etc.

**DATE:** 12/27/89

**FROM:** Roman S. Bohachevsky

Commissioners Court agreed on Monday, December 18, 1989 to authorize the County Library to contract with the Fort Bend County Bar Association for the administration of the County Law Library, effective January 1, 1990.

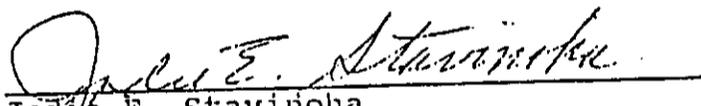

Beginning on January 1, 1990 the responsibility for the County Law Library operations lies with the County Librarian who will report to the Library Committee of the Bar Association and to Commissioners Court on a quarterly basis. This is a similar relationship to the one that now exists between the County Librarian and the County Library Board.

The County Library will treat the Law Library as a Division of its own organization. The Department Head in charge will be Mrs. Edna Platte, Materials Selection Coordinator for the County Library. Mr. Matthew Kacal will become a full-time library employee on January 1, 1990. His title will be Law Library Clerk. We intend to add part-time staff as needed. Policies and procedures will be developed as administration of the Law Library progresses. It is our intention to make this a good library accessible to all those entitled to use it.

Law Library Fund #16 will provide financial support for all aspects of the library operation and will be divided up into a line item budget. The fees supporting Law Library Fund #16 have been raised to \$20 per case (from \$10 per case) effective January 1, 1990. Law Library funds remain separate from all other county funds.

All purchases from the Law Library Fund #16 will be initiated by the County Librarian and an inventory kept for past and future purchases of books, other materials, equipment, furniture, etc.

All matters regarding law library administration should be directed to the County Librarian, who, with the advice and consent of the Library Committee (Harold Kennedy, Chairman) will administer the day-to-day operation of the Law Library.

FORT BEND COUNTY PRECINCT - 4  
P.O. Box 187

Dear Commissioner Lutts,

The residents of Colony Bend Section II in First Colony are petitioning for stop signs to be placed at the intersection of Planters Street and Colony Creek. Stop signs are needed to protect children as they cross Planters Street to get to the ballfields, the park, and Colony Bend Elementary School. There is no designated crossing of Planters Street between Williams Trace and Settlers Way (over 1/2 mile) so people can safely cross this heavily used road. This is especially dangerous since the existing speed zone signs have not controlled the speeding traffic that uses Planters Street as an access road from Williams Trace Boulevard to Settlers Way Boulevard and Austin Parkway.

Last year three children were hit by cars at this intersection of Planters Street and Colony Creek! Already this year, a young boy was hit on Tuesday, August 11, 1990. Residents request that you, as the responsible public official, take action and place these stop signs before another child is hit or killed.

Our petition has been placed on the Commissioners' Court agenda scheduled for Monday, November 19, 1990. Unless we hear a positive response from your office before then, residents of Colony Bend Section II will be attending the Commissioners' Court hearing as scheduled.

Honorable Judge Stavinoha  
and Commissioners Court  
Fort Bend County  
Richmond, Texas 77469

Dear Sirs:

At the October 24, 1990 Safety Committee meeting, a motion was made, and seconded, that some changes to the Fort Bend County Safety Manual be recommended to Commissioners Court.

The changes were recommended to the Safety Committee by a Safety Manual Review Subcommittee. The recommended changes were then sent to the Texas Association of Counties, for clarification and to make sure that they met the criteria of the insurance carriers. They were returned with minor word changes.

The recommendations were then forwarded to the Fort Bend County District Attorney, Civil Division, for review. They were returned with minor word changes.

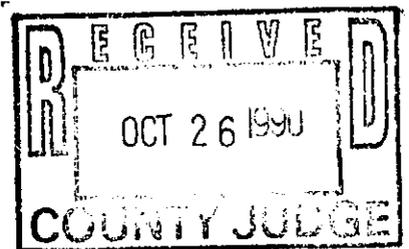

The recommendations were brought back before the Safety Committee, and it was voted unanimously to forward the recommendations to Commissioners Court.

The Safety Committee is requesting adoption of the attached changes to the Fort Bend County Safety Manual.

Your consideration is greatly appreciated.

Sincerely,

Gary A. Tilton

TO: Judge Jodie Stavinoha

 RE: Amendment to 1990 Budget  
 DATE: October 29, 1990

*Approved 11/15/90*

Please put me on the agenda for Commissioners Court on November 5, 1990 for the purpose of amending my 1990 budget from the contingency fund. A line item transfer will also be presented with the other department transfers.

Attached please find a spread sheet, prepared for you, to show the line item transfers made earlier this year and a projected balance for December 14, 1990. The transfer I will be asking for is not included on this sheet.

The Shop Supply line was increased because we purchased some products in bulk, previously purchased in single portions out of Repairs and Maintenance. Gas and Oil (includes oil only) was increased earlier this year and will again need additional funds. Increased prices have not yet been past on to us. This would indicate an increasing number of miles driven or the age of vehicles. The Tires and Tubes line, decreased earlier, will need to be increased. Repair and Maintenance to Motor Equipment will need additional funds due to an increase in transmission repairs and a trend toward keeping older vehicles.

The presentation in court will include the figures needed to complete the year assuming the line item transfer will be approved.

## COUNTY OF FORT BEND

RICHMOND, TEXAS  
77469

31 October 1990

TO: Judge Stavinoha  
County Commissioners

FROM: Hopie Solomon

When I appeared before you on 13 August 1990 to request additional funding in Grocery and Medication, I made the request for \$8,000.00 knowing the EN TERP Contract funds could and would have paid for some of the demand. As you know the Federal Government budget was signed this past week and it is uncertain according to reliable sources when the funds will filter down, at best it is speculated it will be sometime after the first of the year.

Meanwhile the \$8,000.00 has been depleted and the referrals are still coming in and we have bills to pay of \$1,120.00. I request an additional add on amount of \$16,000.00 which is the balance of the amount I would have requested if the EN TERP Funds were not anticipated.

I apologize for the second request but I thought the requested amount was enough to not pad my budget when I knew I had funds coming in that could be utilized for the same purpose.

You may also want to take a look at Fees and Services, since we just paid a bill in excess of \$3,000.00 leaving a balance of \$800.00.

1990 budget anticipated first calls to be between \$500.00 - \$800.00 per month, we have incurred billings from \$1,500.00 - \$3,000.00 per month. We should receive two additional billings for this fiscal year, the amount depends on the number of deaths which will occur.

Your consideration in this matter is greatly appreciated.

Sincerely,

  
Hopie Solomon, ASWA

Dear Bud;

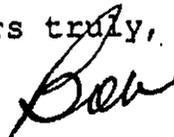

This letter confirms my offer to assist the county in evaluating privatization alternatives for its emergency medical services (EMS). At present I see that EMS may continue to operate as a county service, may convert to a separate Not-for-Profit organization under license from the county, or may convert to a Private Enterprise under license from the county.

I believe a thorough evaluation requires investigation of all three alternatives. However, I also believe that the nature of the service and the fact that it is currently provided by the county precludes a "free market", competitive approach and requires the county to license and regulate a single county-wide EMS regardless of the alternative selected.

I am available immediately, subject only to scheduling my time. There will be no charge for my services, however I would request that expenses be reimbursed. I will request approval of expenses prior to the expenditure since I have no idea as to what, if any, expenses there will be.

If Commissioner's Court approves, all I need is a letter authorizing me to begin the evaluation, identifying those staff members I am to work with, two commissioners who will serve as an EMS evaluation committee, along with a target date for a report to the full court - I think 120 days should be sufficient. Please let me know at your earliest convenience if I may be of service to the county in this matter.

Yours truly,

Robert E. Hebert

CRIMINAL DISTRICT ATTORNEY  
FORT BEND COUNTY, TEXAS

The Honorable Jodie E. Stavinoha  
County Judge  
Fort Bend County, Texas

RE: The Accepting of Additional Right-of-Way Easements for  
Beechnut Blvd.

Dear Judge Stavinoha:

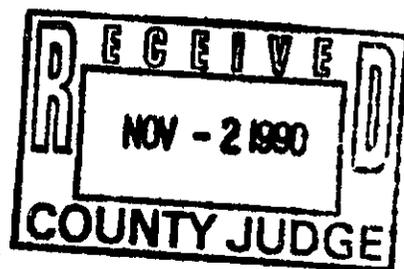

Commissioners' Court asked this office to review item #22 on the October 8, 1990 Commissioners' Court Agenda. Item No. 22 reads as follows:

Moved by Commissioner Pressley, seconded by Commissioner O'Shieles, duly put and carried, with Commissioner Lutts voting no. It is ordered to accept additional right-of-way easement for Beechnut Blvd. in Grand Mission West Precinct Three.

It is the understanding of this office that Canal Road was described in the 1940 Fort Bend County Road Log as being 50' wide and that the portion of Canal Road in question was included in the April 26, 1986 Fort Bend County Road Map.

There are several facts that have been furnished to this office that raise concerns about the status of that portion of Canal Road.

- (1) There are no dedicatory instruments for the road but the County's rights are claimed by prescription.
- (2) There has never been (or at least none has been given to this office) a survey by metes and bounds description of Canal Road in question.

- (3) That portion of Canal Road has not been used as a road for apparently a long period of time and the County has not maintained or claimed same as a road during this period of time.

This office is of the opinion that the appearance of Canal Road on the 1986 Fort Bend County Road Map is evidence of the intent to claim a prescriptive right. A prescriptive claim to a road is a claim of use. The use must be continuous, uninterrupted and adverse to the owner. The possession of Canal Road by the County must be such that it serves notice of the county's claim. This office is unaware of any such use of Canal Road by the County since 1986. Thus, we are of the opinion the mere claim of the County Road Log and Map will not create a prescriptive right alone.

Even if Fort Bend County had a valid prescriptive right that right is not self sustaining. A prescriptive right to a road is a claim of use and in order to keep it there must be evidence of that use. The County Road and Bridge Act, Article 6702-1, §2.008 addresses situations where county roads are used infrequently and it reads in part as follows:

- (a) Whenever the use of a county road has become so infrequent that the adjoining landowner or landowners have enclosed the road with a fence and the road has been continuously under fence for a period of twenty (20) years or more, the public has no further easement or right to use the road unless and until the road is re-established in the same manner as required for the establishment of a new road.

- (b) This section does not apply to roads to a cemetery or access roads reasonably necessary to reach adjoining land.

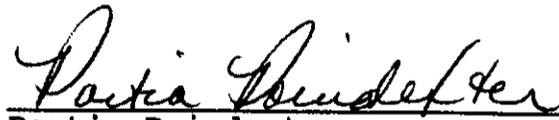

In summary, use and maintenance of Canal Road by the County in claiming a prescriptive right is necessary because it serves notice to those who oppose the claim. It is the recommendation of this office that the County take the following steps:

- (1) Survey the 50' Canal Road that appears on the 1940 Road Log.
- (2) Issue public notice for a due process hearing and serve all landowners. This is to

satisfy the Court that there is no one claiming adversely to the County's prescriptive right.

The above recommendations are precautions that will protect the County from a possible future claim against the County's prescriptive right. However, the above procedure would not be required if dedication documents are of record granting the easement in question to the County.

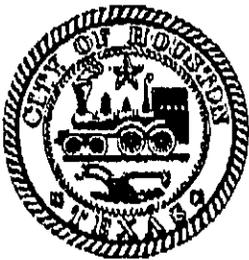

Very truly yours,

Portia Poindexter

**RE: Grand Mission West, Major Thoroughfare Alignments**

Gentlemen:

It is our understanding, that the Fort Bend County Commissioners Court will review and discuss its October 8, 1990 acceptance of an easement for Beechnut Street, within the Grand Mission West Subdivision, at its meeting on November 5, 1990.

Please be advised that the alignment for Beechnut Street as well as Mason Road and Bellaire Boulevard as indicated on an exhibit of the Chester Reed Tract, prepared by Vanslokle Mickelson & Klein, Inc. dated November 1988, are not in conformance with the City of Houston Major Thoroughfare and Freeway Plan nor with previous approvals of the Houston City Planning Commission.

The Planning Commission may recommend relocations of major thoroughfares to City Council after holding a public hearing or if all affected property owners have agreed. The Planning Commission holds an annual public hearing in July to review the Plan and has not been asked to review any changes to the alignments of the aforementioned thoroughfares.

It is also the policy of the Planning Commission generally not to accept separate instrument dedications for major thoroughfares and to require that the streets be dedicated through the platting process. This policy insures that the thoroughfares will be built by the property owner whose property will benefit from the construction of the roadway.

I trust that this information will assist you in your review of the acceptance of an easement for Beechnut Street. Should additional information be required, please contact Mr. Ted Siawleski of my staff at 247-1180.

Best Regards,

J. Hal Caton

The Honorable Jodie E. Stavinoha  
County Judge  
Fort Bend County  
P.O. Box 368  
Richmond, Texas 77469

Dear Judge Stavinoha:

The State of Texas, through the Department of Highways and Public Transportation, is in the process of acquiring property for the improvement of State Highway 6 at Mill Creek Drive. Said improvement necessitates the acquisition of Parcel 301, consisting of 0.078 of one acre property from Sugarland Properties Incorporated. Sugarland Properties Incorporated have agreed to donate the property needed by the State in exchange for a quitclaim of a surplus tract consisting of 0.4549 of one acre.

In order for the subject properties to be exchanged, it will be necessary to obtain a resolution from the County of Fort Bend indicating the land is not needed for use of citizens as a road.

If it is the County's determination that the property will not be needed for road purposes, it is requested that a resolution to that affect be passed. Attached hereto is a suggested Resolution to be executed in duplicate. It is requested that one of the documents be forwarded to our office in the self-addressed envelope for further handling by our office. The other document may be retained for your record.

RE: Drive-Way Tie-In Permit Application  
Offsite Water Well No. 3 Ft. Bend County MUD 13

Dear Mr. Shaver:

Regarding the Performance Bond for the above referenced Permit Application submitted to you October 22, 1990:

The project will be constructed by a private contractor selected by the Owner once the project is publicly bid for construction and a low and qualified bidder is determined. Since the Owner is a political entity which provides municipal services, we request that the County waive their performance bond requirement for this project. A performance bond in the full amount of the construction contract will be required from the Contractor by the Owner for this project.

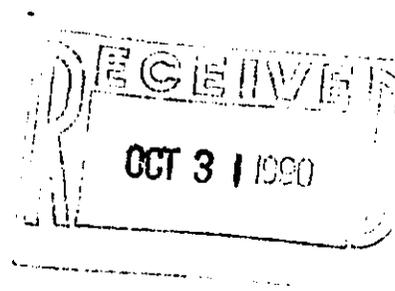

We look forward to your review comments and/or approval. Should you have any questions or require additional information, please feel free to call me.

Sincerely,

Elizabeth Gove  
Houston Division

Subject: Employee Grievance

Ms. Darlen Stegemiller, a Clerk III in the County Clerk's Office, was told to take this week off and find other employment by Ms. Dianne Wilson, County Clerk. Ms. Stegemiller's attorney, Mr. Ross Asher, related this fact to me over the phone yesterday. Ms. Stegemiller is a single parent with two children whom she supports. It is her desire to remain with the County. She has worked for the County since August 12, 1985.

As an Elected Official, Ms. Wilson has the right to select her employees and I do not believe that we can change her decision. Our option may be to place Ms. Stegemiller in another position, in another department, and avoid a suit of one type or another.

Mr. Asher has asked to appear with Ms. Stegemiller and present her case.

Re: Fort Bend County Levee Improvement District No. 12  
Appointment of New Director

Dear Commissioner Pressley:

As we have discussed by telephone, on behalf of my client, Fort Bend County Levee Improvement District No. 12 (the "District"), I am enclosing three copies of a proposed Order Appointing Director for the District (the "Order") for consideration at the November 5, 1990, meeting of the Fort Bend County Commissioners Court (the "Commissioners Court").

Under Chapter 57 of the Texas Water Code, the Commissioners Court appoints the Directors of the District. By prior order the Commissioners Court appointed Lewis G. Odair as a Director of the District. Director Odair's term of office will expire on November 14, 1990 and he has notified the District that he does not want to be reappointed as a Director of the District.

The District requests that the Commissioners Court fill the vacancy created by the expiration of Director Odair's term of office by appointing Mr. Larry Gore. Mr. Gore is qualified to assume Mr. Odair's position and his appointment has been agreed to by the current Directors of the District, Ms. Alice Colehower and Mr. Alec Williams, and other interested parties. Mr. Gore is a resident of the District and resides at 23026 North Water Lilly in the City of Richmond. I have enclosed a brief resume for Mr. Gore. Mr. Gore would be happy to meet or talk with you prior to the November 5, 1990 Commissioners Court meeting or to attend the meeting, if appropriate.

Thank you for arranging on such short notice for approval of the enclosed Order to be placed on the agenda for the November 5, 1990, meeting of the Commissioners Court. If you would like to make changes to the Order, please notify me at your earliest convenience. The form of the Order is the same as was used by the Commissioners Court to appoint Director Alice Colehower in December of last year. By copy of this letter, I also am forwarding a copy of the Order to Larry Wagenbach for his review. After approval of the Order by the Commissioners Court, please return two executed certified copies of the Order to me for the District's files.

If you have any questions regarding this matter, please call me at 225-7338. Thank you for your consideration.

Very truly yours,

*Cheryl Rosenberg*
