MEMORANDUM

TO: Honorable Roy Cordes, Jr.
Commissioner R.L. Bud O'Shieles
Commissioner Grady Prestage
Commissioner Alton Pressley
Commissioner Bob Lutts

DATE: 10/29/92

FROM: Roman S. Bohachevsky

SUBJECT: Change order #1 for the First Colony branch library project

This request for a change order has to do with water supply to the library. Only one water meter was specified. It makes sense that we should have two--one for internal building water consumption (that has sewer changes attached) and one for the sprinkler system (no sewer changes). Savings will be substantial over the long term.

I will appear before you on Monday, November 2, 1992 to recommend approval.

Sincerely,

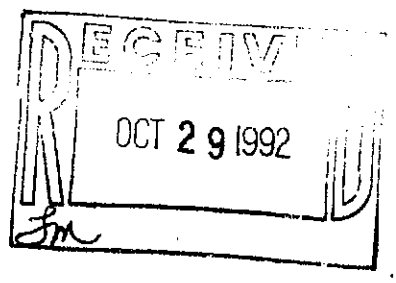

Roman Bohachevsky

MEMORANDUM

To: Commissioners Court

From: Marilynn Kindell
Community Development Director

Date: October 29, 1992

Subject: Commissioners Court Request for November 2, 1992

Background

On September 21, 1992 Commissioners Court approved cooperation agreements between Fort Bend County and the cities of Sugar Land and Simonton for participation in the Community Development Block Grant program for the second and third program years. These agreements have been reviewed by the U.S. Department of Housing and Urban Development and found not to include the language in the attached October 13 HUD memorandum.

We have modified the agreements to include the missing language and forwarded to the above mentioned cities for approval. The City of Simonton has approved the modified agreement. The City of Sugar Land is scheduled to consider approval on November 3.

HUD has given us a deadline of November 12, 1992 to forward the amendments to them to have these populations calculated in our CDBG allocation for next year.

Request

Commissioners Court is requested to 1) consider approving the amended Cooperation Agreement for the CDBG program between Fort Bend County and the City of Simonton and 2) consider approving the amended Cooperation Agreement for the CDBG program between Fort Bend County and the City of Sugar Land pending approval by Sugar Land City Council.

MEMORANDUM FOR: R. D. Smith, Director, Office of Community Planning and Development, 6C

ATTENTION: Linda Richard, 6CMB

FROM: Charlene Berry, Office of Counsel, 6G

SUBJECT: Cooperation Agreements with Fort Bend County

The Agreements for Sugar Land, Texas and Simonton, Texas have been reviewed and have found the following:

In CPD Notice 92-16, Paragraph V., C. states that "(a) cooperation agreement must state that failure by either party to adopt an amendment to the agreement incorporating all changes necessary to meet the requirements for cooperation agreements set forth in the Urban County Qualification Notice applicable for the year in which the next qualification of the urban county is scheduled shall automatically terminate the agreement following the expenditure of all CDBG funds allocated for used in the participating unit's jurisdiction."

These agreements do not have the above language included.

The Agreements in paragraph III and IV states three years and the first WHEREAS states the "second and third years funding". The Order of the Commissions' Courts set out two program years. The language needs to be consistent.

REQUEST FOR FOUR WAY STOP

Dear Commissioner Lutts:

Numerous residents living in the area of Alcorn Oaks Drive and Sweetwater Boulevard have asked this office to contact you requesting that a four way stop be installed at that intersection. The residents firmly believe that a traffic study at that intersection will clearly demonstrate that a four way stop is indicated.

Please feel free to contact me with any questions you might have regarding this matter.

Sincerely yours,

James A. Dawson

IN THE MATTER OF TRANSFERRING BUDGET SURPLUS OF
FORT BEND COUNTY FOR THE YEAR 1992

EXPLANATION: Fort Bend County departmental budgets were approved on September 30, 1991. Simultaneously, as a result of meetings with the Chiefs of Adult and Juvenile Probation, respective Boards of Judges, representatives of Fort Bend County Personnel Department, and members of a personnel consulting firm hired by the County, the Adult Probation Department salary scales were evaluated and then integrated into the Fort Bend County employee pay scale. Subsequent to Commissioners Court approval of the FY-1992 budget and after integration of Adult Probation into the County pay scale, approval by County Personnel and Commissioners court was granted to upgrade three (3) Juvenile Probation Department positions. A request was not made to amend the Juvenile Probation Department FY-1992 budget to offset the approved salary increases because it was anticipated that adjustments could be made later in FY-1992. The three (3) positions upgraded were:

1. Assistant Chief Juvenile Probation Officer - EXEMPT
2. Administrative Secretary to Administrative Assistant
3. Secretary to Clerk III

Your consideration for this request would be appreciated.

THE FOLLOWING PROCEEDINGS WERE HAD, TO WRIT,

WHEREAS, ON PROPER APPLICATION, THE COMMISSIONERS' COURT HAS TRANSFERRED AN EXISTING BUDGET SURPLUS TO A BUDGET OF A SIMILAR KIND AND FUND AND THE TRANSFER DOES NOT INCREASE THE TOTAL OF THE BUDGET.

THE FOLLOWING TRANSFERS TO SAID BUDGET ARE HEREBY AUTHORIZED:

DEPARTMENT NAME: Juvenile Probation Department DEPARTMENT # 18/09

LINE-ITEM NAME	NUMBER	AMOUNT
Fees and Services	18-4010	$2,100.00
	TOTAL	$ 2,100.00

TRANSFER FROM:

Property and Equipment	18-1010	950.00
Transportation and Travel	18-0700	550.00
Uniforms	09-4011	600.00
	TOTAL	$ 2,100.00

EXPLANATION: The Fees & Services line item pays for contract counseling, psychological testing, psychiatric evaluations, urinalysis drug testing, medical/prescription expenses for indigent detainees, emergency shelter care, residential placement, and emergency purchase of clothing. There were 1,367 referrals to our department in 1991. Referrals for 1992 should exceed 1,700. This increase resulted in an increase need in counseling services. Increased detention population has caused a dramatic increase in medical/prescription expenses. Your consideration for the requested transfers would be appreciated.

Honorable Roy Cordes, Jr., County Judge
Commissioner R. L. O'Shieles, Precinct 1
Commissioner Grady Prestage, Precinct 2
Commissioner Alton Pressley, Precinct 3
Commissioner Bob Lutts, Precinct 4

Gentlemen:

I would request the following item be included on the Commissioners' Court Agenda for Monday, November 9, 1992.

Request you amend the Fort Bend County Sheriff's Department Budget in the amount of $142,038.00 in Line Items as follows:

10 00 0027 2000/Utilities - $52,776.00
10 00 0027 2030/Groceries - $66,877.00
10 00 0027 2050/Medicine - $22,385.00

Our request is necessary due to the increase in the daily inmate population. In 1991 the average daily inmate population was 290.91. In the first ten (10) months of 1992 the average daily population has increased to 337.32. The utility costs to Fort Bend County have increased due to rate increases and the increase in inmate population. The Sheriff's Department has been able to maintain cost per meals, however, the addition of approximately 42,000 meals requires additional funds.

As you know the State has returned $765,492.74 to Fort Bend County for the housing of paper-ready inmates. I am requesting that a portion of these funds be used in amending the Fort Bend County Sheriff's Department 1992 Budget.

Your favorable consideration of this request will be greatly appreciated.

Sincerely,

Perry R. Hillegeist, Jr.
Sheriff

ENTERP POLICY ISSUANCE # 93-91

TO: ENTERP Administering Agencies

FROM: Sam Guzman
Deputy Executive Director of Community Affairs

DATE: October 12, 1992

SUBJ/TITLE: Planning/ENTERP Service Delivery Plan Guidelines - FY 1993

****

NOV - 5

BACKGROUND

The purpose of the Emergency Nutrition/Temporary Relief Program (ENTERP) is to assist counties by providing state funds for emergency and energy assistance for needy persons.

The Texas Legislature has appropriated $1,250,000 in General Revenue funds and $1,250,000 in Oil Overcharge funds for the FY 1993 Emergency Nutrition/Temporary Emergency Relief Program (ENTERP). The Texas Department of Housing and Community Affairs (TDHCA) began administering ENTERP September 1, 1992 in accordance with the Human Resources Code Chapter 34 and Article 4413(56), Section 8, VTCS. TDHCA will award funds to county governments or to private nonprofit organizations serving that county if the county chooses not to administer the program.

The 1993 ENTERP contract will begin September 1, 1992 and will end August 31, 1993.

Upon completion of the closeout of 1992 ENTERP contracts by the Texas Department of Human Services, TDHCA will reallocate all available Oil Overcharge carry-in funds.

ACTION REQUIRED

In order to begin the application process, each ENTERP administering agency must submit a Service Delivery Plan and Budget. The Service Delivery Plan form and the Budget forms are Attachments A and B respectively of this Issuance. The budgets must plan for the expenditure of the total ENTERP General Revenue and Oil Overcharge allocations, contained in Attachment E of this Issuance, for all counties in your Service Delivery Area (SDA).

Administering agencies are reminded that Oil Overcharge funds are to be used only to provide short term energy-related services. These services include payment for electricity, natural gas, butane, propane, kerosene, and other heating petroleum products, cord wood, and coal; purchase and repair of essential heating and cooling appliances; and, blankets and coats for warmth.

68 0802

The Department recommends that utility assistance be restricted to Oil Overcharge funds, leaving the more flexible General Revenue funds to provide all other types of assistance.

Each Service Delivery Plan for ENTERP funds must contain documentation that the applicant has consulted with and received comments from public entities, nonprofit organizations, voluntary associations, representatives of low-income persons, and other groups providing assistance to the target population in the administering agency's SDA.

Applicants are required to allow adequate notice and opportunity for public comment from such entities. If documentation of consultation with such entities is not available prior to the submission of the ENTERP application, the applicant must submit such documentation by December 31,1992.

To qualify for funds disbursed by the Department under this grant, the applicant must provide a financial contribution to the program established in the applicant's county in an amount equal to the state contribution. The matching funds may include local government funds, private contributions, and federal funds. ENTERP funds may not be used by contractors for administrative costs and not more than 25% of the local matching funds may be used for local administrative costs.

Review contents of all attachments and submit one original and one copy of the completed Service Delivery Plan and Budget forms to the Texas Department of Housing and Community Affairs as soon as reasonably possible. TDHCA cannot begin processing your ENTERP contract until this information is submitted.

Mail or hand-deliver the ENTERP Service Delivery Plan to:

RE: PARKING LOT FOR ADULT SUPERVISION AND CORRECTIONS BUILDING ROAD AND PARKING LOT FOR VEHICLE MAINTENANCE BUILDING

Dear Judge Cordes:

The adult supervision and corrections building is now complete. The parking lot for this building was not included in the building contract and is in need for one. The old barbeque pit and cover will need to be removed so that the parking lot can be built.

In addition, the bid package for Vehicle Maintenance building will be ready in early November. Legion Drive will need to be extended to accommodate the vehicle maintenance building. The parking lot will be an alternate in the bid package.

The parking lot and road extension will need to be addressed by the Commissioners Court. When the Commissioners approve these projects, Engineering will provide engineering support.

If you have any questions or comments, please feel free to call Gene Freund, Dwayne Grigar or myself.

Sincerely,

Ronald D. Drachenberg

RE: **125 Plan Quotations: Hancock**

Further to Judge Cordes' request, we have reviewed three of the quotations submitted in response to the County's RFP for 125 Flex Plan Administration; we have reviewed the quotations received from (1) Moreland, Black & Manning, (2) Hancock Benefit Consultants, Inc. and (3) AFLAC.

AFLAC's proposal does not provide for complete administration and we could not purchase their plan alone. Also, AFLAC's proposed contract is very onerous and would require substantial change.

The other two plans are so similar that this office cannot point to any reason why one or the other is more or less acceptable from any legal standpoint. Both of their contracts would require some minor changes.

We will be happy to promptly negotiate a final contract for whichever company is selected.

FROM: RICHARD SELLEH, JULANE TOLBERT AND BECKY CRAWFORD, PERSONNEL DEPARTMENT RS

DATE: OCTOBER 21, 1992

SUBJECT: 1993-125 FLEX PLAN QUOTES

In my absence Julane Tolbert and Becky Crawford did an excellent job on evaluating the quotes. I have looked over the quotes this week and we are in agreement the best quote for Fort Bend County would be the quote from **Hancock Benefit Consultants.** If we do not go with this recommendation the second best quote would be our current firm of Moreland, Black & Manning, Inc.

C.J. Swyden who has handled our account at Moreland, Black & Manning, Inc., recently resigned from Moreland, Black & Manning, Inc., and joined the firm of Hancock Benefit Consultants. Mr. Swyden has handled our account for the last four years so there should be no problems in changing administrators.

AFLAC (American Family Life Assurance Company of Columbus, Ga) offered to do the 125 Flex Plan at no cost to the employees or the County. They are already selling insurance products to our employees. There were several reasons we did not choose AFLAC. We asked for five years experience handling 125 Flex Plans and they have been in the business since December 1990 (less than two years). They do not issue monthly statements to the employees enrolled in the premium accounts. All claims must be sent to Columbus, Ga. for processing. They do not do the required Federal reports. All liability for every action falls on the county. For these reasons we did not select AFLAC.

If you have any questions or need more information please call us.

Re: I.R.C. Section 125 Benefits Plan for Employees of Fort Bend County, Texas

Dear Becky:

The intent of this letter is to advise Fort Bend County of a change to our proposed fees in our original written quotation for administration of the Section 125 Benefits Plan for Employees of Fort Bend County, Texas. After reviewing our original fee quote in consideration of the administration costs emphasized in the Commissioner's Court session of October 26, 1992, the following revisions were made:

*Set up Cost	Was $800; Changed to $750
*Monthly Administration Reimbursement Accounts, each	Was $5; Changed to $4

The monthly administration participant cost for the first year and future years has been reduced from $5 each to $4 each. We have attached a revised page for Section B Fees of the quotation. Please take these reduced fees into consideration.

Feel free to call if you have any questions or need clarification.

Sincerely,

J. Paul Hancock

   - The employees of our firm conducting the enrollment will be knowledgeable of the current plan as one has been involved with the enrollments that took place for plan years 1989 through 1991.

REIMBURSEMENT ACCOUNTS

HOW THEY WORK

HEALTH CARE REIMBURSEMENT ACCOUNT

PURPOSE: To save money on Federal Taxes, Social Security Taxes and some State Income Taxes on health care expenses paid out of pocket that insurance plans will not pay.

TAX SAVINGS: The employee will save approximately 25% to 35% on every dollar set aside in the health care reimbursement account.

HOW IT WORKS: The employee predicts how much he or she will spend (from the date of election to the end of the plan year - December 31st), for medical and dental expenses that won't be paid by insurance. The total is divided by the number of paychecks the employee will receive over this period. This amount will come out of the paycheck - before taxes - and be placed in an account for the employee to draw upon when the expenses are incurred.

EXPENSES THAT QUALIFY: Insurance deductibles and co-payments, eye glasses/contacts/exams, physical exams, orthodontia, and many more. An attached list along with a worksheet lists some of the expenses that qualify and some that don't.

HOW A REIMBURSEMENT WORKS: A claim form is submitted along with copies of bills, receipts, E.O.B.s, or canceled checks in support of the expense that was not paid by insurance. The claim is processed, and a reimbursement check is mailed in time to be included with the last paycheck each month. The reimbursement will be for the amount of the claim but no greater than the total elected dollars for the Plan Year.

SOME DRAWBACKS: There are two drawbacks. First, the total dollars that are determined at the date of election become a commitment. These dollars cannot be changed unless there is a family status change, such as a divorce, marriage, new dependent, gain or loss of spouse's employment or coverage eligibility or if a dependent loses or regains eligibility for benefit coverage. Second, these same dollars have to be used by the end of the plan year, December 31st, or they are forfeited. There is a period of 60 days after the end of the year in which to send in claims for expenses incurred before December 31st.

WORKSHEET: A worksheet on the reverse side may help to determine the predictable health care expenses that will not be paid by insurance for the next four months starting September 1st.

REIMBURSABLE HEALTH CARE EXPENSES

Here is a list of common expenses you can have reimbursed with tax-free dollars from your account

* Acupuncture injections
* Alcoholism or drug dependency treatment
* Ambulance
* Birth control (prescription only)
* Car controls for handicapped
* Chiropractors
* Co-payments you make for expenses covered by medical or dental plans
* Deductible expenses you pay before the medical or dental plans begin paying benefits
* Dental treatment
* Doctors' bills
* Electrolysis
* Guide dog
* Halfway house care
* Health care equipment
* Hearing - exams, hearing aids
* Home health care - nurses or attendants needed to care for you or a dependent at home
* Hospital bills - syringes, needles (outpatient/inpatient)
* Hypnosis for treatment of illness
* Laboratory fees
* Learning disability, tutoring or therapy
* Nursing home care for you or a dependent during an illness, but not ongoing custodial care
* Orthodontia
* Oxygen for illness
* Physical therapy
* Prescription card deductible
* Prescription drugs
* Syringes, needles, injections
* Telephone for deaf
* Television audio display equipment for the deaf
* Transplants
* Vaccinations and immunizations
* Vision - exams, eyeglasses, contact lenses, radial keratotomy
* Well-baby care

INELIGIBLE HEALTH CARE EXPENSES

Here is a list of common expenses for which you may not receive reimbursement:

* Marriage or family counseling
* Funeral or burial expenses
* Household help
* Health club fees
* Costs for weight loss or stop-smoking programs
* Individual or spouse's premiums for health care, life, or accident insurance
* Vacation travel for health purposes
* Cosmetic Surgery

DEPENDENT CARE REIMBURSEMENT ACCOUNT

LAW: There are two ways to save taxes on your dependent care expenses: First, IRS Form 1040 allowing a tax credit for these expenses. Second, redirection of these expenses through a Section 125 Cafeteria Plan using the dependent care reimbursement account.

TAX STATUS: The tax status of the individual will determine which method provides the better tax savings. A married employee with a working spouse will almost always save more taxes by using the reimbursement account. A single parent earning less than $24,000 annually will be better off taking the tax credit.

HOW IT WORKS: You determine how many dollars will be spent for dependent care for the next twelve months (from the date of election to the end of the plan year December 31st). You do this by adding up the weekly cost for dependent care; include a factor for Social Security and other taxes paid for a self-employed sitter plus any expected fee increases. Be sure to subtract for holidays and vacations. Divide the total by the number of paychecks over this period. This per-check amount will come out of the paycheck - before taxes - and placed in an account for the employee. The work sheet on the reverse side may be helpful.

HOW A REIMBURSEMENT WORKS: Request a claim form and complete the information requested. The period covered may be the total amount for the election period up to 12 months. The provider signs the form signifying the expenses you determined for this period will not be less than the amount shown on your form.

The form is submitted and a standard request equal to the amount coming out of your paycheck will be processed each pay period. The reimbursement check will be mailed in time to be included with your regular pay check.

If the expenses are not on a regular basis, or if more than one provider is involved, then the best estimate of expenses is made and a claim form is submitted as expenses occur. A reimbursement check, for the amount of the claim but not greater than your account balance, will be mailed in time to be included with the next scheduled pay check.

SOME DRAWBACKS: There are two drawbacks. First, the total dollars that are determined at the start of the year become a commitment. This total cannot be changed unless there is a family status change, such as a divorce, marriage, new dependent, or the spouse has a job change. Second, these same dollars have to be used up by the end of the plan year, December 31st, or they are forfeited. There is a 60 day period after the end of the year in which to send in claim forms for expenses incurred before December 31st.

OTHER TERMS AND CONDITIONS

I understand that:

1) As a Plan participant I cannot change my election choices during the year, unless there is a family status change. Events that qualify as a family status change are: marriage, divorce, birth or adoption of a child, death, spouse employment change (termination or commencement), spouse switching from part-time to full-time or full-time to part-time, and taking of unpaid leave of absence by the employee or the employee's spouse. Election changes are also permitted where there has been a significant change in the health coverage of the employee or spouse attributable to the spouse's employment.

2) Tax law requires that any unclaimed money in the reimbursement accounts at the end of the plan year must be forfeited. So if I make deposits into a reimbursement account and do not use all the money by the end of the year, I will lose it. Forfeited money is used to help pay administrative costs of providing these reimbursement accounts.

3) The Plan Administrator may reduce or cancel my compensation redirection or otherwise modify this agreement in the event he or she believes it advisable in order to satisfy certain provisions of the Internal Revenue Code.

4) The amount of my compensation redirection will be credited to an insurance and such amount will be paid on my behalf for the applicable expenses incurred during the year.

5) If my required contributions for the elected insurance benefits are increased or decreased while this agreement remains in effect, my salary redirection will automatically be adjusted to reflect that increase or decrease.

6) My social security benefits may be slightly reduced as a result of my election.

WAIVER OF PARTICIPATION

This waiver will acknowledge that I have been informed of the terms of the Cafeteria Plan. Even though I am eligible to participate in such Plan, I hereby elect not to participate. I understand that this waiver will remain in effect for the remainder of the Plan Year for which this election is effective, but that I may again decide to participate in later Plan Years by making an election to participate during the election period prior to each Plan Year.

MODEL PLAN AND IMPLEMENTATION

AFLAC'S FLEX ONE creates for you, the employer, and for your employees, a win-win situation. You win through the installation of a program that directly and positively affects your bottom line, aids in long-term cost containment and increases employee morale. Your employees win through the ability to have a degree of control in planning their benefits, paying for certain benefits with pre-tax dollars and enhancing their benefits normally at no additional out-of-pocket expense.

RESOURCES

AFLAC began providing Section 125 services through the FLEX ONE program in December 1990. AFLAC has management personnel who are active members of the Self-Insurance Institute of America (SIIA), the International Foundation of Employee Benefit Plans and National Association of Health Underwriters. FLEX ONE department employees attend meetings and receive materials from these organizations.

We have legal advisors in Washington, D. C. who keep us informed of updated rulings and provide assistance to ensure compliance with the regulations regarding flexible benefit plans.

As long as you remain an AFLAC account we will notify you of the changes in the laws that govern Section 125 when they affect the administration or design of your program.

COMMUNICATIONS

All AFLAC Associates must complete a training course designed to meet Section 125 criteria prior to becoming certified to offer the FLEX ONE program. Additional courses and notifications are provided to keep them abreast of marketing, administrative and regulatory changes.

AFLAC associates will meet with you and your benefits team to evaluate your current benefits package. They will also discuss all key operations with your payroll department before implementing your Section 125 program.

AFLAC, through its FLEX ONE Department, will provide a sample plan document for Fort Bend County's review. If accepted as presented, only a signature is required to execute the document. The County's own legal counsel should be consulted for assurance that the document meets IRS regulations. We also provide a board of directors resolution, a summary plan description, adoption agreement, and employee election of benefit forms.

AS PER ORIGINAL

Section 106

Premium Only Plan - This Section allows participants to pay certain premiums and other benefits with pre-tax dollars. Associates will explain the premium only plan of a Section 125 program, provide information of qualified benefits, and answer questions from the employee.

Salary Illustration - Associates will furnish each employee with a personal salary illustration which demonstrates the individual advantages of a Section 125 program. Illustrations will be hand prepared unless otherwise requested. In order to provide computerized salary illustrations our associates must be furnished with salary information prior to enrollment.

Section 129 and 105

Flexible Spending Accounts - These accounts allow the participant to pay for qualified Dependent Care and/or Unreimbursed Medical expenses with pre-tax dollars. Associates will explain these accounts to your employees, and answer any questions they might have.

Review Worksheets - AFLAC associates will review each employee's dependent care and medical reimbursement account worksheet (which they received during the group meeting) to help the employees determine which plans will be most beneficial to them.

AFLAC Coverages -- Associates will also give your employees the option to purchase AFLAC coverages. Our supplemental products are designed to help pay for out-of-pocket expenses not normally covered under primary health insurance. We offer the following in supplemental products: Cancer, Intensive Care, Hospital Indemnity, Accident\Disability and Term Life. In order to implement our FLEX ONE program we require that at least 3 employees be enrolled in AFLAC products. These products qualify to be included in a Section 125 with the exception of the Return of Premium Rider on our Premier Cancer Plan. These products may be transferred to a direct basis. Employees may retain payroll rates after one month on payroll deduction.

Election Form -- At the end of the enrollment, AFLAC Associates will ask each employee to sign an Election Form indicating their choice of whether to participate in the program.

These forms document the employee's choice of benefits, along with their salary redirection agreement. Election Forms can also serve as payroll entry documents for your payroll department. A copy will be distributed to each employee and the employer.

New Employees -- Upon notification by the County, a local Associate will personally meet with new hires in a timely manner to discuss the advantages of the FLEX ONE program and other services offered by the County.

Re-enrollment AS PER ORIGINAL

Re-enrollment will be conducted during the 30-day period prior to the end of the plan year/beginning of new plan year. Local associates will handle the enrollment based on the County's instructions.

SERVICE

The key to a successful cafeteria plan is the continuing service that AFLAC associates will provide. This will be an agreed upon criteria that is set by you.

Toll-Free Assistance - AFLAC and FLEX ONE supply toll-free telephone numbers to assist you with any questions or inquires you may have during the enrollment and after the plan is in operation.

DISCRIMINATION TESTING SERVICES

As an added service to our Section 125 plan sponsor clients, we provide assistance in performing cafeteria plan discrimination testing. This service provides the employer with testing percentages to be taken to the employer's tax and/or benefits counsel for interpretation. These percentages should assist in determining whether the plan is in compliance with three of the relevant cafeteria plan discrimination tests. These are:

1) The cafeteria plan concentration test for key employees;

2) The dependent care assistance plan average benefits (55%) test;

3) The dependent care assistance plan concentration test for 5% owners.

The employer, as plan sponsor, will also need to perform the other applicable discrimination tests (e.g., the eligibility and contributions and benefits tests for the cafeteria plan, and any other discrimination tests applicable to the qualified benefits which you offer) and interpret the significance of the testing percentages we provide.

In order for us to provide this service, the employer will need to submit employee census information along with a determination of the ownership interests of the employees. We will provide step-by-step instructions for gathering this information as well as an Employee Census Data Sheet to be completed.

We will provide this service initially and for each consecutive plan year immediately following the annual enrollment.

REPORTING FILING REQUIREMENTS

AFLAC does not assume responsibility for filing the appropriate regulatory forms; however, the FLEX ONE Department will assist by providing samples of the 5500 reporting forms and the Schedule A information for AFLAC products. You may call our toll-free number for assistance with meeting these requirements.

AFLAC's FLEX ONE program is a **Win-Win Situation** for the employee and the employer. We are proud to be able to offer you our services. We are ready to work for your organization by successfully implementing a Section 125 program -- a program that provides valuable alternatives to today's employee benefits programs.

A Cafeteria Plan May Increase Your Take-Home Pay

AS PER ORIGINAL

Your Take Home Pay

A Cafeteria Plan established with the assistance of the FLEX ONE® Program reduces your taxes and could enhance your benefit package. How? By allowing you to pay for certain benefits such as:

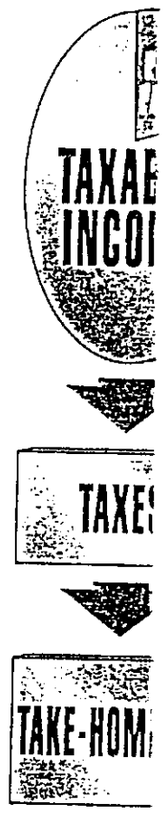

- Employee contribution toward group or individual medical insurance premiums.
- Daycare for a dependent child, disabled spouse or dependent parent.

Before taxes are taken out of your paycheck, money you normally use to pay taxes can now pay for your family's increased benefits.

Your employer working with FLEX ONE® can provide financial protection for your family with additional supplemental health or life insurance. Depending on your personal situation, you can receive these additional benefits and still realize an increase in spendable income.

The FLEX ONE® Program is intended to assist an employer in establishing a Cafeteria Plan that qualifies under Section 125 of the Internal Revenue Code. This qualification means you are entitled to pay for selected benefits with pre-tax salary dollars.

What does that mean to you? It means you only pay taxes on the amount of your income after these benefits are paid.

The Bottom Line is...

The FLEX ONE® Program May Improve Your Take-Home Pay!

➢ Child or Dependent Care Assistance – IRS Code Section 129 • 68 • 0942 • •

AS PER ORIGINAL

A Cafeteria Plan may also reimburse you for certain dependent care expenses for eligible children and/or other dependents. These expenses must be incurred to allow you and your spouse to work, unless your spouse is a full-time student or incapable of self-care.

Dependent care expenses are covered if the dependent is under age 13 or is physically or mentally incapable of self-care. An incapacitated dependent who is over 13 must regularly spend at least eight hours a day in your household to qualify.

Eligible child care can be provided inside or outside your home. However, the service cannot be provided by a person you claim as a dependent. If the services are provided by a daycare facility with more than six children, it must comply with applicable state and local requirements and laws. Preschool costs for your child may also qualify for reimbursement.

Housekeeping expenses are reimbursable if provided by a full-time, live-in housekeeper who cares for your dependent children.

The amount of child or dependent care expenses reimbursed cannot be more than $5,000 per calendar year or your annual income or your spouses annual income, whichever is lower. Also, dependent care expenses reimbursed cannot be applied toward the federal income tax credit for dependent care.

Employees have three potential tax advantages for dependent care expenses; Dependent Care FSA, Federal Tax Credit and the supplemental young child tax credit. You should review your options carefully to determine which is best for you. Dependent Care information will be included on W-2 Forms by your employer if monies are taken pre-tax.

➢ Use It Or Lose It

The amount of money you save in taxes depends in part on your dependent care and unreimbursed medical elections. Care must be taken when making those estimates.

After expenses are estimated and elections are made, money will be held on account to pay these costs. Under the "Use It or Lose It" rule, any monies taken pre-tax must be used to pay for qualified, elected benefits or they will be forfeited to the employer.

➢ Unreimbursed Medical

For unreimbursed medical accounts, the full annual elected amount will be made available to an employee upon submission of a qualified claim.

SOME FREQUENTLY ASKED QUESTIONS ABOUT CAFETERIA PLANS

68 0943

AS PER ORIGINAL

1. ***What is a "Cafeteria Plan?"***

   A Cafeteria Plan is a benefit plan established by an employer which allows each employee to choose from a menu of qualified benefits with the employee cost of selected benefit(s) paid on a pre-tax basis. Examples of qualified benefits are medical, cancer, group term life, accident and dental plans.

   You will find Cafeteria Plans called by different names such as "Flexible Compensation," "Flexible Benefits," "Flex," "125 Plans" and numerous other names.

2. ***What is meant by pre-tax benefits under a Cafeteria Plan?***

   This means the employee cost of qualified benefits are paid from your salary before your taxes (FICA, Federal taxes and in most cases State taxes) are calculated resulting in lower taxes and more take-home pay.

3. ***Why is it referred to as a Section 125 Cafeteria Plan?***

   Because 125 is the Section of the Internal Revenue Code that allows employers to offer a Cafeteria Plan.

4. ***Why is it called a Cafeteria Plan?***

   Like selecting the food you want in a cafeteria line, under a Cafeteria Plan you are allowed to select the benefits you want from a menu of options made available by your employer.

5. ***What are the Spending Accounts I have been hearing about under Cafeteria Plans?***

   Based on the employer's plan design, a predetermined dollar amount may be set aside (each employee determines how much) in each of the following Spending Accounts:

   A. Medical Reimbursement Account - to cover allowable unreimbursed medical expenses (includes dental and vision expenses.)

   B. Dependent Daycare Reimbursement Account - to cover the cost of daycare for (1) a dependent child under age 13 who qualifies as your tax dependent or (2) anyone you claim as a tax dependent because of physical of mental inability to care for himself/herself.

   CAUTION: Federal Law requires that funds remaining in your spending account(s) at the end of the plan year be forfeited. Therefore, it is best to estimate conservatively when you decide how much to contribute to a spending account.

6. ***Is selecting qualified benefits on a pre-tax ba legal, and if so, how is this handled?***

   Yes, it is legal. It is accomplished by the employ adopting the Plan and the employee signing a Sal Redirection Agreement authorizing the employer deduct the employee cost per pay period for qualifi benefits selected on a pre-tax basis.

7. ***Since my taxes are reduced under a Cafeter Plan, will I lose any Social Security Benefits?***

   There could possibly be a slight reduction in Soc Security Benefits due to the pre-tax election of qualifi benefits allowed by the IRS under a Cafeteria Plan.

8. ***Will someone be available to explain the progra and answer my questions?***

   All Cafeteria Plans include a vital Employe Communication/Education phase. Your personal repr sentative will meet with you and provide all necessa information and details about the plan prior to the sta of the plan year. This allows you to ask questions ar make common sense benefit choices based on yo own specific situation.

   In addition, you will be furnished with a Summary Pla Description which provides other important inform tion. We suggest that you read it carefully and conta your AFLAC representative or your employer, shou you have questions.

9. ***I have heard that qualified benefits elected unde a Cafeteria Plan cannot be changed and remain i effect for the entire plan year. Is this true?***

   Yes. However, there is one exception and that is if yo have a qualified family status change defined as ma riage, divorce, death of a spouse or child, birth or adop tion of a child or termination of employment of the em ployee or spouse. If a change in family status occurs, change is allowed under the Plan, if that change is con sistent with the change in family status.

10. ***May a participant elect a benefit not designated in the flexible benefits plan?***

I agree that my Compensation will be reduced by the amount of my required contribution for the Benefit Plans or Policies I have elected under the Flexible Benefits Plan, continuing for each pay period until this agreement is amended or terminated. The amount of my required contribution for each Benefit Plan or Policy selected is set forth on a schedule that has been provided to me. I understand that: **(initial all)**

Initial **After the first day of the Plan Year, I cannot change or revoke this Salary Redirection Agreement with respect to Pre-tax Premiums before the next Anniversary Date of the Plan** unless a Change in Family Status occurs (i.e., marriage, divorce, death of a spouse or child, birth or adoption of a child, termination or commencement of employment of a spouse and such other events as will permit a change or revocation of an election under the Internal Revenue Code, as amended), and the change is caused by and consistent with the Change of Family Status. Due to federal tax law, an election for a pre-tax benefit is irrevocable, except as otherwise indicated in the preceding sentence. **I understand that I cannot revoke any pre-tax election based on a "right to examine" provision as may be contained in any insurance plan or policy issued to me.** Right to examine provisions contained within an insurance plan or policy may be preserved by purchasing the plan or policy on an "after-tax" basis.

Initial Execution of this Salary Redirection Agreement does not begin coverage under the component Benefit Plans or Policies. The terms and conditions and actual coverage effective date of the underlying coverages will be determined under the separate Benefit Plans or Insurance Policies.

Initial Prior to the Anniversary Date each year I will be offered the opportunity to add or drop coverages for the following Plan Year. If I do not complete and return a new election form at that time, I will be treated as having elected to continue the coverages then in effect for the new Plan Year and as having elected to continue this Salary Redirection Agreement for such period.

Initial A premium will be charged for any coverages elected under this Plan, and my actual "take home" pay may be higher or lower depending on the coverages I select. In addition, Pre-Tax Premiums paid under this Salary Redirection Agreement reduce my compensation for Social Security tax purposes. This means that my Social Security benefits could be decreased because of the decreased amount of compensation which is considered for Social Security purposes.

Initial I understand that reimbursement will only be available for Eligible Dependent Care and Medical Expenses, and agree to notify the Employer if I have reason to believe that any expense for which I have received reimbursement is not so qualified. I also agree, upon demand, to indemnify and reimburse the employer for any liability it may incur for failure to withhold federal or state income taxes or FICA taxes from any reimbursement I receive for nonqualifying expenses, up to the amount of additional tax actually owed by me. Furthermore, I understand that any Account surplus at the end of the year shall be retained by the Employer to offset administrative expenses or future costs, and that the obligation to make reimbursements under the Plan shall be the ultimate responsibility of the Employer and not any service provider hired by the Employer to assist it in processing claims.

WAIVER OF PRE-TAX BENEFITS UNDER THE FLEXIBLE BENEFITS PLAN

[Initial box if applicable] I elect to waive all pre-tax benefits under the Flexible Benefits Plan, but understand that I may elect similar coverage(s) on an after-tax basis. Except for a Change in Family Status, I understand that I cannot elect pre-tax benefits until the next Anniversary Date, and any After-tax coverages shall be outside the Plan. Initial

FSA FUNDING/PAYMENT OPTIONS

AS PER ORIGINAL

FSA FUNDING/PAYMENT OPTIONS

FLEX ONE™ offers several options to select from in the reimbursement process. The options have been created to assure timely efficient reimbursements for the employees' reimbursements while allowing the employer an opportunity to tailor his program to meet specific financial and employee relations objectives. Our program requires that the employer establish a separate liability account designated to hold funds derived from employee elections.

Options:

1. Deposit Sweep - For ease and expedition of payment, we highly recommend this method. The employer will establish a special account with Bank South in Columbus, GA in which all funds movement, in and out of the account, will be handled through the use of a touch tone phone and special code number. Reimbursement processing is handled by the FLEX ONE™ Department with reimbursement checks being distributed by AFLAC's main frame computer after the movement of funds into AFLAC's FLEX ONE™ clearing account.

2. Wire transfer - The employer retains all flexible spending account funds in the bank of choice and transfers, via bank wire, those amounts necessary to cover processed requests for reimbursement. Reimbursement processing is handled by the FLEX ONE™ Department with reimbursement checks being distributed by AFLAC's main frame computer after the receipt of funds is verified.

3. Payment by Check - The employer retains all flexible spending account funds in the bank of choice. Reimbursement processing is handled by the FLEX ONE™ Department. After notification by the FLEX ONE™ Department of the amount of checks awaiting printing, the employer would mail a check for the total amount of reimbursements. Reimbursement checks are distributed by AFLAC's main frame computer after funds are received.

4. Self Pay - The employer retains all flexible spending account funds in the bank of choice. Reimbursement processing is handled by the FLEX ONE™ Department. The check amounts and explanation of benefits for each participant are sent by facsimile of mailed to the employer. The employer prints and distributes all reimbursement checks to the employees.

5. Self Administration - The employer performs all administrative functions with limited assistance from the FLEX ONE™ Department. AFLAC provides plan documents and guidelines for handling flexible spending accounts.

POWERPLUS COMPUTER SYSTEM

AFLAC's FLEX ONE™ Department utilizes the PowerPlus Claims Administration Software to handle the adjudication and reimbursement of flexible spending account claims. This software is considered to the be one of the top systems of its kind available. The system allows the FLEX ONE™ Department to handle multiple employers in an efficient, timely manner while accommodating the various individual requirements of our diverse employer population. The system is capable of handling multiple plan years and multiple payroll cycles within the same employer.

Reimbursements are handled through an interface with AFLAC's mainframe computer system. All necessary account information is exported to allow reimbursement check printing and distribution through AFLAC's existing systems. The PowerPlus System is run on a Personal Computer (PC) Local Area Network (LAN). This Network allows for greater flexibility and increased security of the information used in the Reimbursement Process. The Network is tied directly to the AFLAC Mainframe computer and allows total flexibility to import external data into the system as well as export data for AFLAC's use or that of an AFLAC client. The PowerPlus System in its PC environment allows an interface through AFLAC's Mainframe with almost any employer system by a special import program which can reformat employer data in useable PowerPlus data.

FLEX ONE™ DEPARTMENT HARDWARE SPECIFICS

The following describes the portion of our system hardware which supports the FLEX ONE™ Department:
Capacity: 486 50 Megahertz Novell 3.11 Server (approximately 25 workstations attached to network which have access to the server)

A modem connection allows other PC's limited access to the network with password. Print capabilities are provided by 2 Hewlett Packard 3SI printers which produce 17 pages per minute. All computers have mainframe access in addition to network connection. All utilization is secured by user ID.

Dear ^Fcontact^:

Welcome to AFLAC's FLEX ONE$_{TM}$ Cafeteria Program. Enclosed you will find the following forms necessary to establish your FLEX ONE Cafeteria Plan:

1) Sample Flexible Benefits Plan Document - to be executed and one copy sent to AFLAC FLEX ONE for verification.

2) Sample Adoption Agreement - to be executed and one copy sent to AFLAC FLEX ONE for verification.

3) Sample Corporate Resolution - to be executed and one copy sent to AFLAC FLEX ONE for verification (if applicable).

4) Employee Enrollment Kit (comprised of)

- Sample Summary Plan Description
- Sample Salary Redirection Agreement

5) Pertinent Information once the Plan is in Operation.

You should carefully review the Flexible Benefits Plan Document, Adoption Agreement, and Summary Plan Description to verify that all of the information concerning benefits offered, eligibility, plan administration, and funding has been correctly reproduced.

Due to the complexity of cafeteria plans, we recommend that you consult with your accountant, attorney or other tax advisor concerning the plan provisions, administration, and operation before executing the plan documents. You should note that these documents are only sample documents typical of a plan intended to qualify as a Section 125 cafeteria plan with the terms and conditions thereof, and that they may need to be modified to conform to your individual circumstances. AFLAC has developed these documents with legal counsel and it is AFLAC's intent and belief that the documents in form do constitute a qualified Section 125 Cafeteria plan. However, AFLAC is not in the business of offering legal counsel or tax advice, and thus AFLAC cannot and does not make any representations about the legal or tax effect of these documents upon any particular employer. Therefore, it is each employer's responsibility to determine, with the assistance of the employer's own legal counsel, the suitability of these particular documents and the legal and tax effect of these plan documents upon the employer and its employees. Since AFLAC has no

control over your subsequent modification and/or administration of the Plan, and the Internal Revenue Service will not render an opinion as to a plan's qualified status under IRS Code Section 125, AFLAC makes no representation (express or implied) as to your Plan's qualification under IRS Code Section 125 and related provisions as it is subsequently adopted and amended. Furthermore, you as sponsoring employer bear sole responsibility for amending your plan (as necessary) to comply with future tax law changes, for meeting all reporting and disclosure requirements imposed by the administration of your plan. AFLAC's FLEX ONE Administration group will assist you in this effort.

Once you have executed the Flexible Benefits Plan, Adoption Agreement, and Corporate Resolution (if applicable), you need to send executed copies to AFLAC FLEX ONE so your adoption of the FLEX ONE Plan can be verified. Note that while the Plan and related documents are copyrighted, AFLAC gives you limited permission to copy the documents as necessary for distribution to your employees for use solely in the operation of your own cafeteria plan.

AFLAC will make its best efforts to provide employers information from time to time about developments concerning Section 125 plans. However, for reasons stated above, it is the employer's responsibility to maintain the qualified status of the Section 125 Plan, in form and in operation. Should you have any questions concerning the operation and administration of the FLEX ONE Cafeteria Program, you may contact us at 1-800-323-5391 between the hours of 8:30 a.m. and 5:00 p.m. EST Monday through Friday.

Sincerely,

Rick

Richard H. (Rick) Smith
Manager of Administration, FLEX ONE

ONCE THE PLAN IS IN OPERATION

New Employees should be enrolled into the Cafeteria Plan as they become eligible and satisfy any applicable waiting period by distributing the Employee Enrollment Kit to them at least thirty (30) days prior to their eligibility and notifying your AFLAC representative as to their eligibility. (Note: if your employees are eligible to participate as of the date they commence employment, you need to distribute the Employee Enrollment Kit to them on their first day of work, and permit them to enroll in the plan during the next thirty (30) days).

Rehired Employees who previously participated in the Cafeteria Plan and were permitted to terminate their participation upon their termination of employment will be unable to re-enroll in the Cafeteria Plan until the next anniversary date.

A Change in Family Status will enable a current participant to change or terminate a Salary Redirection Agreement. It will also enable an employee who is otherwise eligible to be a participant, but who failed to complete a Salary Redirection Agreement during the enrollment period, to become a participant and file a Salary Redirection Agreement. However, the election under the new Salary Redirection Agreement must be made on account of and be consistent with the Change in Family Status. For this purpose, a Change in Family Status is defined as:

* the employee's marriage or divorce;
* the birth or adoption of an employee's child;
* the death of an employee's spouse or child;
* the commencement or termination of employment by the employee or employee's spouse;
* a change of employment status from full-time to part-time (or vice versa), by the employee or employee's spouse, or if either take an unpaid leave of absence from work;
* a significant change in health benefits coverage attributable to the employment of the employee's spouse.

Significant Increase In Premiums or Significant Curtailment in Coverage under a health plan by an independent, third-party provider will permit affected participants to revoke a prior election, and in lieu thereof, receive on a prospective basis, coverage under another health plan with similar coverage. The Plan Administrator needs to inform affected participants as to such significant changes, after which affected participants will have thirty (30) days to elect alternative coverage.

Payroll Instructions will be more thoroughly reviewed with you or your payroll specialist by the AFLAC representative. In general, however, any qualified pre-tax benefits (as defined in the Adoption Agreement) may be funded by employee salary redirection on a dollar for dollar basis. After-tax qualified benefits (as defined in the Adoption Kit) must be funded with employee contributions after taxes are withheld. Therefore, the amount redirected from an employee's salary for after-tax benefits will exceed the premium by the amount of applicable federal, state, or local

income and employment taxes.

5500's and Summary Annual Report - Employers with more than 100 employees at the beginning of the plan year will be required to file a Form 5500 (with applicable schedules) within seven months after the end of the plan year, and to distribute a summary annual report to plan participants within nine months after the close of the plan year. Employers with less than 100 participants need only file a Form 5500-C or 5500-R (with applicable schedules), and are not required to distribute summary annual reports if their plan is unfunded or fully insured.

Summary Plan Description - All plan administrators are required to give each participant a copy of a summary plan description within 90 days after the recipient becomes a participant in the plan. Furthermore, except for plans with less than 100 participants at the beginning of the plan year that are unfunded or fully insured, a copy of the summary plan description must be sent to the Department of Labor within 120 days after the plan becomes effective. More elaborate instructions and filing requirements for all of these documents will be included in the FLEX ONE Operations Manual that will be sent to you when you submit your executed plan documents to AFLAC for verification. However, you and/or your plan administrator bear sole responsibility for administering the plan and fulfilling all reporting and disclosure obligations.

Certain Insurance Premiums which are paid for by the employee may be included into the FLEX ONE Program premium only plan (POP) such as the following:

Group Term Life Insurance (Eligible under IRS Code Section 79) that is equal to or less than $50,000;

Medical, Dental, Hospital Indemnity, Cancer Insurance, Vision, Hearing and other qualified premiums.

Use caution when including disability income policies within the FLEX ONE Plan since this could make the benefits taxable at the time of claim.

Continuation of Coverages - Benefits offered through a cafeteria plan may be subject to the continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"). This law provides that for all employers of 20 or more employees (including employees of affiliated companies, part-time employees, and certain self-employed and leased employees) on a typical business day, covered participants must be allowed the opportunity to continue employer sponsored health benefits should their coverage under the employers's program cease for any reason except termination for gross misconduct.

All health coverages elected under the cafeteria plan (including Medical Expense Reimbursement Coverage) are eligible for continuation. Coverages not eligible for continuation include: Group Term Life, Disability, Accidental Death and Dismemberment and Group Travel Accident Insurance.

The right to continuation of coverage begins upon the occurrence of certain events. Such events include a loss or change in the employee's or employee's dependents coverage due to:

a. death of the covered employee;
b. termination of the covered employee (for reasons other than gross misconduct);

AS PER ORIGINAL

c. reduction in the employee's hours of employment;
d. divorce or legal separation of the employee;
e. the employee becoming entitled to Medicare; or
f. a dependent's loss of dependent status under a medical plan.

The law requires that the covered individual be extended the opportunity to maintain continuation coverage for 3 years unless the loss of coverage was attributable to the covered employee's termination of employment or reduction in hours. In that case, the required continuation coverage period is 18 months. For an employee or family member who is disabled at the time of the employee's termination or reduction in hours, the continuation coverage period is 29 months.

The health plan administrator is required to provide notification of the right to continuation of benefits to all eligible employees and their dependents. Employees have 60 days from the date the notification of the right to continue is given to formally continue their coverage. The continuation will be at the employee's expense as no employer contribution is required. Employees have 45 days from the date on which they give notice of their intent to continue coverage to pay the required premiums. The cost of the benefits must be at the regular group rate, but may include up to a 2% handling fee.

If you have questions regarding COBRA or its effects on the coverage for your employees, please contact your Legal Advisor or other Tax professional for information.

ARTICLE II
ELIGIBILITY AND PARTICIPATION

2.01 Eligibility to Participate. Each Employee who meets the criteria set forth in the Adoption Agreement shall be eligible to participate in the Plan as of any applicable Entry Date. Eligibility for the benefits elected in the Adoption Agreement shall be subject to the additional requirements, if any, specified in the applicable Benefit Plan or Policy. The provisions of this Article are not intended to override any eligibility requirement(s) or waiting period(s) specified in the applicable Benefit Plans or Policies.

2.02 Entry Date. Each eligible Employee shall become a Participant in the Plan on the Entry Date specified in the Adoption Agreement provided that he has satisfied the requirements of the Adoption Agreement.

2.03 Termination of Participation. Participation shall terminate on the date an Employee ceases to be an Employee or when an Employee ceases to meet the eligibility requirements of Section 2.01 of this Agreement.

Subject to any specific limitations for any particular benefit which the Participant has elected, (a) participation shall be continued during a leave of absence for which the Participant continues to receive a salary from his or her employer and (b) participation shall be suspended during an unpaid leave of absence, provided that nothing in this Section shall prevent a Participant on unpaid leave from utilizing any available Reimbursement Account benefits, as provided below, as if such Participant were otherwise actively employed by the Company.

2.04 Eligibility to Participate in Reimbursement Benefits. An Employee, who is otherwise an Eligible Participant pursuant to Sections 2.01 and 2.02 shall be eligible to receive Medical and/or Dependent Care Expense Reimbursements (if selected by the Employer in the Adoption Agreement) if a Salary Redirection Agreement is properly executed and submitted on which the aforementioned benefit(s) have been selected.

ARTICLE III
PREMIUM ELECTIONS

3.01 Election of Premiums. A Participant may elect any combination of Pre-tax Premiums or After-tax Premiums to fund any Benefit Plan or Policy available under the Adoption Agreement, provided however, that only Qualified Benefits (other than group term life insurance coverage for dependents or in excess of $50,000) may be funded with Pre-tax Premiums.

3.02 Initial Election Period.

(a) Currently Eligible Employees. An Employee who is eligible to become a Participant in

this Flexible Benefits Plan as of the Effective Date must complete, sign and file a Salary Redirection Agreement with the Plan Administrator during the election period (which shall be at least 30 days in duration) immediately preceding the Effective Date in order to become a Participant on the Effective Date. The elections made by the Participant on this initial Salary Redirection Agreement shall be effective, subject to Section 3.04, for the Plan Year beginning on the Effective Date.

(b) New Employees and Employees Who Have Not Yet Satisfied The Flexible Benefit Plan's Waiting Period. An Employee who becomes eligible to become a Participant in this Flexible Benefits Plan after the Effective Date must complete, sign and file a Salary Redirection Agreement with the Plan Administrator during the sixty (60) day period prior to the day the Employee first becomes eligible to participate in this Plan. If an Employee is eligible to participate in this Flexible Benefits Plan on the date he is first hired, a Salary Redirection Agreement must be completed, signed, and filed with the Plan Administrator within thirty (30) days from the date of hire. The elections made by the Participant on this initial Salary Redirection Agreement shall be prospectively effective as of the first pay period coinciding with or immediately following the date that the Salary Redirection Agreement is filed and, subject to Section 3.04, ending on the last day of the Plan Year in which such participation began. Coverage under the component Benefits Plan or Policies will be effective in accordance with the eligibility requirements contained in such Benefits Plans or Policies.

(c) An eligible Employee who fails to complete, sign and file a Salary Redirection Agreement with the Plan Administrator in accordance with paragraph (a) or (b) above during an initial election period may become a participant on a later date in accordance with Section 3.03 or 3.04.

3.03 Annual Election Period. Each Employee who is a Participant or who is eligible to become a Participant may complete, sign and file a Salary Redirection Agreement during the election period (which shall be at least 30 days in duration) preceding each Anniversary Date to be effective for the entire Plan Year beginning on the Anniversary Date. A Participant who fails to complete, sign and file a Salary Redirection Agreement as required by this Section 3.03 shall be deemed to have elected to continue the same coverages under the Benefit Plans or Policies funded by the same proportion of Pre-tax Premiums or After-tax Premiums then in effect for such Participant. Notwithstanding the foregoing, annual elections for participation in the Medical Care and Dependent Care Expense Reimbursement Plans must be made by submitting a Salary Redirection Agreement prior to the beginning of each Plan Year -- no deemed elections shall occur under such Plans.

3.04 Change of Premium Election.

(a) A Participant may change or terminate his or her Pre-tax Premiums elected on the Salary Redirection Agreement within thirty (30) days of the occurrence of a Change in Family Status, but only if such change or termination is made on account of, and is consistent with, the Change in Family Status. An Employee who is eligible to become a Participant but failed to complete a Salary Redirection Agreement during the initial election period pursuant to Section 3.02(a) or (b) may become a Participant and file a Salary Redirection Agreement with respect to Pre-tax Premiums within thirty (30) days of the occurrence of a Change in Family Status, but only if the election under the new Salary Redirection Agreement is made on account of and is consistent with, the Change in Family Status. Elections made pursuant to this Section 3.04 shall be effective for the balance of the Plan Year in which the election is made beginning on the first day of the pay period next following

the day the new Salary Redirection Agreement is filed with the Plan Administrator, other than as provided in Section 3.04(b), below.

(b) A Participant may revoke a prior election with respect to Pre-tax Premiums and in lieu thereof, receive on a prospective basis, coverage under another health plan with similar coverage if any independent, third-party provider of medical benefits previously elected by the Participant either significantly increases the premiums for such coverage, or significantly curtails the coverages available under such plans, during the Plan Year coverage period. A Participant otherwise entitled to make an alternate election under this Section must do so within 30 days of receipt of a written notice from the Plan Administrator of the significant change in cost or composition of the benefit originally elected. Such revocation and new election shall be effective on the first day of the payroll period coincident with or immediately following the date the Participant files his new Salary Redirection Agreement with the Plan Administrator.

3.05 Termination of Election. Termination of employment shall automatically revoke any Salary Redirection Agreement. If revocation occurs under this Section 3.05, no new election with respect to Pre-tax Premiums may be made by such Participant during the remainder of the Plan Year.

ARTICLE IV
PREMIUM PAYMENTS AND CREDITS AND DEBITS TO ACCOUNTS

4.01 Source of Premium Payments. The Employer shall withhold from a Participant's Compensation on a Pre-tax or After-tax basis (as elected on the Salary Redirection Agreement) an amount equal to the contributions required from the Participant (less any applicable Nonelective Contribution) for coverage of the Participant, or the Participant's spouse or dependents, under the Benefit Plans or Policies elected by the Participant and maintained by the Employer as noted in the Adoption Agreement. Amounts withheld from a Participant's Compensation as Pre-tax Premiums or After-tax Premiums shall be forwarded to the appropriate insurer as soon as administratively feasible (or kept by the Employer or kept in trust in the event of a self-insured plan). The maximum amount of Pre-tax Premiums plus any Nonelective Contribution made available by the Employer for the benefit of each Plan Participant shall not exceed the aggregate amount set forth in the Adoption Agreement.

4.02 Allocations Irrevocable During Plan Year. Except as provided in Sections 3.04, 3.05, 4.03, and 4.04, neither (a) the insurance coverages nor amounts withheld therefor elected under Section 5.01(a), nor (b) the amount to be credited to a Participant Account during the Plan Year pursuant to Sections 4.05 and 4.06, nor (c) the allocation of such amounts to the appropriate Account(s) of the Participant, can be changed during the Plan Year.

4.03 Reduction of Certain Elections to Prevent Discrimination. If the Plan Administrator determines, before or during any Plan Year, that the Plan may fail to satisfy for such Plan Year any requirement imposed by the Code or any limitation on Pre-tax Premiums allocable to Key Employees or to Highly Compensated Individuals, the Plan Administrator shall take such action(s) as he deems appropriate, under rules uniformly applicable to similarly situated Participants, to assure compliance with such requirement or limitation. Such action may include, without limitation, a modification or revocation of a Highly Compensated Individual's or Key Employee's Salary Redirection Agreement

without the consent of such Employee.

4.04 Modification of Amounts Withheld due to Premium Increases. If the cost of a health plan provided by an independent, third party provider increases or decreases during a Plan Year, then any Participant who has elected to participate in such health plan shall be required to make a corresponding change in his or her premium payments, and the Plan Administrator shall increase or decrease, as the case may be, the Pre-tax Premiums or After-tax Premiums (as applicable) under each affected Participant's Salary Redirection Agreement.

4.05 Medical Care Expense Reimbursement.

(a) Debiting and Crediting of Accounts. Each Participant's Medical Care Expense Reimbursement Account ("Account") will be credited with amounts withheld from the Participant's Compensation for Medical Care Expense Reimbursement pursuant to the Salary Redirection Agreement. The Account will be debited for reimbursement amounts disbursed to the Participant in accordance with Article V of this document. The entire amount elected by the Participant on the Salary Redirection Agreement as an annual amount for the Plan Year for Medical Care Expense Reimbursement less any reimbursements already disbursed shall be available to the Participant at any time during the Plan Year without regard to the balance in the Account (provided that the periodic premiums have been paid). Thus, the maximum amount of Medical Care Expense Reimbursement at any particular time during the Plan Year will not relate to the amount which a Participant has had withheld up to that time. In no event will the amount of medical expense reimbursement benefits in any Plan Year exceed the annual amount specified for the Plan Year in the Salary Redirection Agreement for Medical Care Expense Reimbursement. Any amount allocated to the Account shall be forfeited by the Participant and restored to the Employer if it has not been applied to provide Medical Care Expense Reimbursement by the ninetieth (90th) day following the end of the Plan Year for which the election was effective. Amounts so forfeited shall be used to offset administrative expenses.

(b) Source of Payments. All Medical Care Expense Reimbursement benefits derived hereunder shall be paid exclusively from the amounts in each Employee's Medical Care Expense Reimbursement Account funded by amounts withheld from the Employee's wages pursuant to the Salary Redirection Agreement for Medical Care Expense Reimbursement and any Nonelective Contributions allocated thereto. In the event that an Employee's claim for Medical Care Expense Reimbursement benefits exceeds the amount currently available in the Employee's Medical Care Expense Reimbursement Account, the Employer shall pay the excess amount up to the amount elected by the Participant on the Salary Redirection Agreement for Medical Care Expense Reimbursement less any reimbursements already disbursed. Future premium payments by the Employee shall then go to the Employer as reimbursement for the money so advanced on behalf of the Employee.

(c) Employer Risk. If the Employee terminates employment before the Employer has been reimbursed for the money it has advanced on behalf of the Employee, the entire unreimbursed portion shall be deemed to be an "administrative expense" to be refunded to the Employer by any unused Account balance(s) (if any) as provided in Section 4.05(a).

4.06 Dependent Care Expense Reimbursement.

(a) Crediting and Debiting of Accounts. Each Participant's Dependent Care Expense Reimbursement Account ("Account") will be credited with amounts withheld from the Participant's Compensation for Dependent Care Expense Reimbursement pursuant to the Salary Redirection Agreement. The Account will be debited for reimbursement amounts disbursed to the Participant in accordance with Article V of this document. In the event that the amount in the Account is less than the amount of reimbursable claims at any time during the Plan Year, the excess part of the claim will be carried over into following months (within the same Plan Year), to be paid out as the Account balance becomes adequate. In no event will the amount of Dependent Care Expense Reimbursement benefits exceed the amount withheld pursuant to the Salary Redirection Agreement for any Plan Year. Any amount allocated to the Account shall be forfeited by the Participant and restored to the Employer if it has not been applied to provide Dependent Care Expense Reimbursement for the Plan Year by the ninetieth (90th) day following the end of the Plan Year for which the election was effective. Amounts so forfeited shall be used to offset administrative costs.

(b) Source of Payments. All Dependent Care Expense Reimbursement benefits derived hereunder shall be paid exclusively from the amounts in each Employee's Dependent Care Expense Reimbursement Account funded by amounts withheld from the Employee's wages pursuant to the Salary Redirection Agreement for Dependent Care Expense Reimbursement, and any Nonelective Contributions allocable thereto.

ARTICLE V
BENEFITS

5.01 Qualified Benefits. The Qualified Benefits available for election are one or more of the following:

The Employer shall withhold from a Participant's Compensation an amount equal to the contributions required from the Participant (less any applicable Nonelective contribution) for coverage of the Participant, or the Participant's spouse or Dependents, under the Benefit Plans or Policies elected by the Participant and maintained by the Employer as noted in the Adoption Agreement. The benefits are subject to the terms and conditions of the applicable Benefit Plans or Policies specifically referred to in the Adoption Agreement and incorporated herein into this Plan.

(b) Medical Care Expense Reimbursement. If pursuant to the Adoption Agreement, the Employer has elected to maintain a Medical Care Expense Reimbursement Plan, payment shall be made to the Participant in cash as reimbursement for Eligible Medical Expenses incurred by the Participant or his Dependents while he is an Employee, during the Plan Year for which the Participant's election is effective. These expenses must also be expenses which –

(1) are not covered, paid or reimbursed from any other source; and

(2) meet the criteria of tax-deductibility as a medical or dental expense under Section 213 of the Code, as amended and the regulations thereunder, and

(5) are verified in writing to the satisfaction of the Administrator that a covered expense has occurred and the claims for which meet the substantiation requirements of Section 6.11.

(c) Dependent Care Expense Reimbursement. If pursuant to the Adoption Agreement, the Employer has elected to maintain a Dependent Care Expense Reimbursement Plan, payment shall be made to the Participant in cash as reimbursement for Eligible Employment Related Expenses incurred by him or her while an Employee, during the Plan Year for which the Participant's election is effective, provided that the substantiation requirements of Section 6.11 have been complied with. No payment otherwise due a Participant hereunder shall exceed the smallest of:

(1) the Participant's Earned Income for the applicable month; or

(2) the Earned Income of the Participant's Spouse for such month (Note: a Spouse of a Participant who is not employed during a month in which the Participant incurs Eligible Employment Related Expenses and who is either incapacitated or a Student shall be deemed to have Earned Income in the amount of $200 per month per Qualifying Individual for whom the Participant incurs Eligible Employment Related Expense(s), up to a maximum amount of $400 per month); or

(3) the annual amount the Participant has elected to have withheld from his Compensation for Dependent Care Expense Reimbursement less any prior Dependent Care Expense Reimbursements during the Plan Year; or

(4) Five Thousand Dollars ($5,000), or, if the Participant is married and files a separate tax return, Two Thousand Five Hundred Dollars ($2,500) (or any future aggregate limitations promulgated under Code Section 129) less any prior reimbursements during the Plan Year.

5.02 Cash Benefit. To the extent that a Participant does not elect under a Salary Redirection Agreement to have the maximum amount of his Compensation contributed as a Pre-tax Premium or After-tax Premium hereunder, such amount not elected shall be paid to the Participant in the form of normal Compensation payments; provided however, that Nonelective Contributions may not be received in the form of cash compensation.

5.03 Repayment of Excess Reimbursements. If, as of the end of any Plan Year, it is determined that a Participant has received payments under this Plan that exceed the amount of

Eligible Reimbursement Expenses that have been substantiated by such Participant during the Plan Year, the Plan Administrator shall give the Participant prompt written notice of any such excess amount, and the Participant shall repay the amount of such excess to the Employer within sixty (60) days of receipt of such notification.

5.04 Termination of Reimbursement Benefits. Coverage under the Medical Care Expense Reimbursement and/or Dependent Care Expense Reimbursement Plan(s) shall cease as of the first day of the month immediately following the month in which a Participant is no longer employed by the Company or when a premium payment has not been made for any reason. Such Participant shall have the right to submit a claim for reimbursement for any Eligible Medical or Employment-Related Expense arising during the Plan Year before the date of separation from service at any time until ninety (90) days after the end of the Plan Year for which the election had been in effect, and to receive reimbursement hereunder. The Participant shall not be entitled to receive reimbursement for expenses incurred after coverage ceases under this Section, and any unused reimbursement benefits at the expiration of the 90-day period following the close of the Plan Year shall be treated in accordance with Sections 4.05 or 4.06.

5.05 COBRA Coverage. Each Benefit Plan or Policy made available under Article V that is considered to be a "group health plan" under Code Sec. 162(i), because employees and their families are provided with health care benefits within the meaning of Code Sec. 212(d)(1), including the Medical Care Expense Reimbursement Benefit, shall contain the necessary provisions required by Code Sec. 4980B and ERISA § 601, to assure that such benefits may be continued on or after the occurrence of the qualifying events defined in Code Sec. 4980B(f)(3).

ARTICLE VI

Except as to those functions reserved within the Plan to the Employer, the Plan Administrator appointed pursuant to the Adoption Agreement shall control and manage the operation and administration of the Plan. The Plan Administrator shall have the exclusive right to interpret the Plan and to decide all matters arising thereunder, including the right to remedy possible ambiguities, inconsistencies, or omissions. All determinations of the Plan Administrator with respect to any matter hereunder shall be conclusive and binding on all persons. (e) To designate other persons to carry out any duty or power which may or may not otherwise be a fiduciary responsibility of the Plan Administrator, under the terms of the Plan;

6.02 Provision for Third-Party Plan Service Providers. The Plan Administrator, subject to approval of the Employer, may employ the services of such persons as it may deem necessary or desirable in connection with the operation of the Plan and to rely upon all tables, valuations, certificates, reports and opinions furnished thereby. Unless otherwise provided in the service agreement, obligations under this Plan shall remain the obligation of the Employer.

6.03 Fiduciary Liability. To the extent permitted by law, neither the Plan Administrator nor any other person shall incur any liability for any acts or for failure to act except for their own willful misconduct or willful breach of this Plan.

The Employer shall have the right to enter into a contract with one or more insurance companies for the purposes of providing any benefits under the Plan and to replace any of such insurance companies or contracts. Any dividends, retroactive rate adjustments or other refunds of any type which may become payable under any such insurance contract shall not be assets of the Plan but shall be the property of, and shall be retained by the Employer.

6.08 Disbursement Reports. The Plan Administrator shall issue directions to the Employer concerning all benefits which are to be paid from the Employer's general assets pursuant to the provisions of the Plan.

6.09 Reporting and Disclosure Obligations. Unless specified otherwise, it shall be the Employer and Plan Administrator's sole responsibility to comply with all filing, reporting, and disclosure requirements, imposed by the Department of Labor and/or Internal Revenue Service , specifically including, but not limited to creating, filing and distributing Summary Annual Reports, Form 5500's, and Summary Plan Descriptions. 6.11 Substantiation of Expenses. Each Participant must submit a written Claim Form to the Plan Administrator to receive reimbursements from his Medical or Dependent Care Expense Reimbursement Account(s), on a form provided by the Plan Administrator accompanied by a written statement/bill from an independent third party stating that the expense has been incurred, and the amount thereof. The forms shall contain such evidence as the Plan Administrator shall deem

necessary as to substantiate the nature, the amount, and timeliness of any expenses that may be reimbursed.

6.12 Reimbursement. Reimbursements shall be made as soon as administratively feasible after the required forms have been received by the Plan Administrator. Claims of less than $50 may be carried forward and aggregated with future claims until the reimbursable amount is greater than $50, provided, however, that the entire amount of reimbursable claims outstanding at the end of the Plan Year shall be reimbursed without regard to the $50 threshold limit. Such forms and documentation must be submitted by the fourth (4th) Friday of the month in order to receive a reimbursement in the following month. Year-end expense reimbursement claims must be submitted to the Plan Administrator within 90 days of the close of the Plan Year for which the Salary Redirection Agreement is effective, and during which such expense was incurred, in order to be eligible for reimbursement. Likewise, if a Participant terminates participation in the Plan with a credit balance in any Reimbursement Account, such Participant shall be entitled to submit to the Plan Administrator any claims for reimbursement for reimbursable expenses incurred prior to such cessation of Participation at any time within 90 days after the close of the Plan Year for which the Salary Redirection Agreement is effective.

Policy. If a claims procedure is otherwise available under the applicable Benefit Plan or Policy, this Article shall not apply to benefits under the component Benefit Plan or Policy, but shall only apply to issues germane to the pre-tax benefits available under this Plan (i.e., such as a determination of: a Change in Family Status; significant change in premiums charged; or eligibility and participation matters under this Flexible Benefits Plan document). This Article shall be the claims procedure applicable to the Medical Care Expense Reimbursement and the Dependent Care Expense Reimbursement Plan(s).

Any Employee, beneficiary, or his duly authorized representative may file a claim for a benefit to which the claimant believes that he is entitled, but that has been previously denied by the Plan Administrator. Such a claim must be in writing and delivered to the Plan Administrator in person or by mail, postage paid. Within ninety (90) days after receipt of such claim, the Plan Administrator shall send to the claimant, by mail, postage prepaid, notice of the granting or denying, in whole or in part, of such claim, unless special circumstances require an extension of time for processing the claim. In no event may the extension exceed ninety (90) days from the end of the initial period. If such extension is necessary, the claimant will be given a written notice to this effect prior to the expiration of the initial 90-day period. The Plan Administrator shall have full discretion to deny or grant a claim in whole or in part. If notice of the denial of a claim is not furnished in accordance with this Section 8.02, the claim shall be deemed denied and the claimant shall be permitted to exercise his right to review pursuant to Sections 8.04 and 8.05.

Nothing in this Plan is intended to be or shall be construed to entitle any Participant, retired or otherwise, to vested or nonterminable benefits.

9.02 Employer's Right to Amend. The Employer reserves the right to amend the Plan at any time and from time-to-time, and retroactively if deemed necessary or appropriate to meet the requirements of Code Section 125, or any similar provisions of subsequent revenue or other laws, to modify or amend in whole or in part any or all of the provisions of the Plan. Each Benefit Plan or Policy shall be amended in accordance with the terms specified therein, or, if no amendment procedure is prescribed, in accordance with this section. Any amendment made by the Employer shall be deemed to be approved and adopted by any Affiliated Employer.

9.03 Employer's Right to Terminate. The Employer reserves the right to discontinue or terminate the Plan without prejudice at any time and for any reason without prior notice. Affiliated Employers may withdraw from participation in the plan, but may not terminate it.

Subject to Sections 4.05(a) and 4.06(a) (if applicable), no amendment, discontinuance or termination shall allow the return to any Employer of any Reimbursement Account balance nor its use for any purpose other than for the exclusive benefit of the Participants and their beneficiaries.

ARTICLE X
GENERAL PROVISIONS

10.01 Not an Employment Contract. Neither this Plan nor any action taken with respect to it shall confer upon any person the right to continue employment with any Employer.

10.02 Applicable Laws. The provisions of the Plan shall be construed, administered and enforced according to applicable Federal law and the laws of the State of the principal place of business of the Employer.

10.03 Post-Mortem Payments. Any benefit payable under the Plan after the death of a Participant shall be paid to his surviving spouse (if any), otherwise, to his estate. If there is doubt as to the right of any beneficiary to receive any amount, the Plan Administrator may retain such amount until the rights thereto are determined, without liability for any interest thereon.

10.04 Nonalienation of Benefits. Except as expressly provided by the Administrator, no benefit under the Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any attempt to do so shall be void. No benefit under the Plan shall in any manner be liable for or subject to the debts, contracts, liabilities, engagements or torts of any person.

10.05 Mental or Physical Incompetency. Every person receiving or claiming benefits under the Plan shall be presumed to be mentally and physically competent and of age until the Plan Administrator receives a written notice, in a form and manner acceptable to it, that such person is mentally or physically incompetent or a minor, and that a guardian, conservator or other person legally vested with the care of his estate has been appointed.

10.06 Inability to Locate Payee. If the Plan Administrator is unable to make payment to any Participant or other person to whom a payment is due under the Plan because he cannot ascertain the identity or whereabouts of such Participants or other person after reasonable efforts have been made to identify or locate such person such payment and all subsequent payments otherwise due to such Participant or other person shall be forfeited seven (7) years after the date any such payment first became due.

10.07 Requirement for Proper Forms. All communications in connection with the Plan made by a Participant shall become effective only when duly executed on any forms as may be required and furnished by, and filed with, the Plan Administrator.

10.08 Source of Payments. The Employer, the Trust fund (if selected as Funding Agent), and any insurance company contracts purchased or held by the Employer or funded pursuant to this Plan shall be the sole sources of benefits under the Plan. No Employee or beneficiary shall have any right to, or interest in, any assets of the Employer upon termination of employment or otherwise, except as provided from time to time under the Plan, and then only to the extent of the benefits payable under the Plan to such Employee or beneficiary.

10.09 Multiple Functions. Any person or group of persons may serve in more than one fiduciary capacity with respect to the Plan.

10.10 Tax Effects. Neither the Employer, its agents, the Plan Administrator, nor the Trustee makes any warranty or other representation as to whether any Pre-tax Premiums made to or on behalf of any Participant hereunder will be treated as excludable from gross income for local, state, or federal income tax purposes. If for any reason it is determined that any amount paid for the benefit of a Participant or Beneficiary are includable in an Employee's gross income for local, federal, or state income tax purposes, then under no circumstances shall the recipient have any recourse against the Plan Administrator or the Employer with respect to any increased taxes or other losses or damages suffered by the Employees as a result thereof. The Plan is designed and is

intended to be operated as a "cafeteria plan" under Section 125 of the Code.

10.11 Gender and Number. Masculine pronouns include the feminine as well as the neuter genders, and the singular shall include the plural, unless indicated otherwise by the context.

10.12 Headings. The Article and Section headings contained herein are for convenience of reference only, and shall not be construed as defining or limiting the matter contained thereunder.

10.13 Incorporation by Reference. Except for the Medical and Dependent Care Expense Reimbursement Plan(s), the actual terms and conditions of the separate component Benefit Plans or Policies offered under this Plan are contained in separate, written documents governing each respective benefit, and shall govern in the event of a conflict between the individual plan document, and this Plan as to substantive content. To that end, each such separate document, as amended or subsequently replaced, is hereby incorporated by reference as if fully recited herein. The provisions of the Medical and Dependent Care Expense Reimbursement Plan(s) are reproduced herein, but shall constitute separate plans for purposes of all applicable Code and ERISA provisions.

10.14 Severability. Should any part of this Plan subsequently be invalidated by a court of competent jurisdiction, the remainder thereof shall be given effect to the maximum extent possible.

10.15 Effect of Mistake. In the event of a mistake as to the eligibility or participation of an Employee, or the allocations made to the account of any Participant, or the amount of distributions made or to be made to a Participant or other person, the Plan Administrator shall, to the extent it deems possible, cause to be allocated or cause to be withheld or accelerated, or otherwise make adjustment of, such amounts as will in its judgment accord to such Participant or other person the credits to the account or distributions to which he is properly entitled under the Plan. Such action by the Administrator may include withholding of any amounts due the Plan or the Employer from Compensation paid by the Employer.

10.16 Provisions Relating to Insurers. No insurer shall be required or permitted to issue an insurance policy or contract that is inconsistent with the purposes of this Plan, nor be bound to take any action not in accordance with the terms of any policy or contract with this Plan. The insurer shall not be deemed to be a party to this Plan, nor shall it be bound to interpret the construction or validity of the Plan. The insurer shall be protected from its good faith reliance on the written representations and instructions of the Trustee and the Plan Administrator, and shall not be responsible for the initial or continued qualified status of the Plan.

ARTICLE XI
CONTINUATION COVERAGE UNDER COBRA

The following provisions shall be applicable to any group health plan (as defined by Code 4980B and 5000(b)(1) and the regulations promulgated thereunder) subject to COBRA that does not otherwise contain COBRA provisions.

11.01 Continuation Coverage after Termination of Normal Participation. During any Plan Year during which the Employer is subject to Code Section 4980B, each person who is a Qualified Beneficiary shall have the right to elect to continue coverage under any group health plan subject to COBRA upon the occurrence of a Qualifying Event that would otherwise result in such person losing coverage hereunder. Such extended coverage under the plan is known as "Continuation Coverage."

11.02 Who is a "Qualified Beneficiary". A "Qualified Beneficiary" is any person who is, as of the day before a Qualifying Event, (a) an Employee of the Employer (including persons who are considered to be "employees" within Code Sec. 401(c), directors and independent contractors) covered under the Plan as of such day (such persons are called "Covered Employees"), (b) the Spouse of the Covered Employee, or (c) a Dependent of the Covered Employee. A Covered Employee can be a Qualified Beneficiary only if the Qualifying Event consists of termination of employment (for any reason other than gross misconduct) or reduction of hours of the Covered Employee's employment. A retiree or other former Employee actively participating in the Plan by reason of a previous period of employment will be treated as a "Qualified Beneficiary".

11.03 Who is not a "Qualified Beneficiary". A person is not a Qualified Beneficiary if, as of such day, either the individual is covered under the group health plan by virtue of the election of Continuation Coverage by another person and is not already a Qualified Beneficiary by reason of a prior Qualifying Event, or is entitled to Medicare coverage under Title XVIII of the Social Security Act. Furthermore, an individual who fails to elect Continuation Coverage within the election period provided in Section 11.07, below, shall not be considered to be a Qualified Beneficiary.

11.04 What is a "Qualifying Event". Any of the following shall be considered as a "Qualifying Event":

(a) death of a Covered Employee;

(b) termination (other than by reason of gross misconduct) of the Covered Employee's employment or reduction of hours of employment;

(c) divorce or legal separation of a Covered Employee from the employee's spouse;

(d) a Covered Employee's becoming eligible to receive Medicare benefits under Title XVIII of the Social Security Act; or

(e) a dependent child of a Covered Employee ceasing to be a Dependent.

In the case of any person treated as a Covered "Employee" but who is not a common-law employee, termination of "employment" means termination of the relationship that originally gave rise to eligibility to participate in the group health plan subject to COBRA.

11.05 What Benefit is Available under Continuation Coverage. Each person who is eligible to elect to continue coverage under Article XI shall have the right to continue the level of coverage in effect for the Covered Employee on the day before the Qualifying Event (or a lesser level of coverage). A premium for Continuation Coverage shall be charged to Employees and Qualified Beneficiaries in such amounts and shall be payable at such times as are established by the Plan Administrator and permitted by applicable law.

11.06 Notice Requirements.

(a) Then an Employee becomes covered under a group health plan subject to COBRA, the Plan Administrator must inform the Participant (and spouse, if any) in writing of the rights to continued coverage, as described in Article XI.

(b) The Employer shall give the Plan Administrator written notice of a Qualifying Event within thirty (30) days of the occurrence thereof.

(c) Within fourteen (14) days of receipt of the Employer's notice, the Plan Administrator shall furnish each Qualifying Beneficiary with written notification of the termination of regular coverage under any group health plan subject to COBRA, as well as a recital of the rights of any such Beneficiary to elect Continuation Coverage, as required by Code Sec. 4980B and ERISA § 601, in accordance with the terms of this Plan.

(d) In the case of a Qualifying Event described in Section 11.04(c) or (e), a Covered Employee or a Qualified Beneficiary who is a Spouse or Dependent of such Employee must notify the Plan Administrator within sixty (60) days of the occurrence thereof. The Plan Administrator shall give written notification of Conversion Coverage rights to any other affected Qualified Beneficiaries within fourteen (14) days of receipt of the notice described in this Section 11.06(d).

Notwithstanding any of the foregoing, notification to a Qualified Beneficiary who is a spouse of a Covered Employee is treated as notification to all other Qualified Beneficiaries residing with that person at the time notification is made.

11.07 Election Period. Any Qualified Beneficiary entitled to Continuation Coverage shall have 60 days from the date of the notice required by Section 11.06, in the case of occurrence of a Qualifying Event, in which to return a signed election to the Plan Administrator indicating the choice to continue benefits under this Plan.

11.08 Duration of Continuation Coverage. Continuation Coverage shall extend for a period of 18 months after the date that regular coverage ceased due to occurrence of a Qualifying Event, unless during such 18-month period a subsequent, Qualifying Event occurs, in which case, another election to extend coverage for 18 months shall be available to the Beneficiary. In the event a

Covered Employee becomes entitled to Medicare coverage, the period of Continuation Coverage for a Qualified Beneficiary, other than the Covered Employee for such Qualifying Event or any subsequent Qualifying Event, shall not terminate for a period of 36 months from the date the Covered Employee becomes entitled to Medicare benefits. In no event, however, shall Continuation Coverage extend more than 36 months beyond the date of the original Qualifying Event.

USER Original

11.09 Automatic Termination of Continuation Coverage. Continuation Coverage shall automatically cease if (a) the Employer no longer offers group health coverage to any of its employees (b) the required premium for Continuation Coverage is not paid within 30 days of the date due or within 45 days after the initial election of Continuation Coverage made pursuant to Section 11.07 (whichever is later), (c) an electing Qualified Beneficiary becomes covered under another group health plan other than a group health plan which may limit a Qualified Beneficiary's coverage because it involves a pre-existing condition, or (d) an electing Qualified Beneficiary becomes eligible to receive benefits under Medicare.

Section III. Liability and Indemnity

AS PER ORIGINAL

AS PER ORIGINAL

A. In performing its obligations under this Agreement, AFLAC neither assumes nor underwrites any liability of the Employer under the Plan, but, with respect to the Employer and/or Plan Administrator, acts only as provider of those services specifically described in this Agreement and, with respect to Plan Participants, acts only as the agent of the Plan Administrator. The services to be performed by AFLAC shall be ministerial in nature and shall be performed within the framework of policies, interpretations, rules, practices, and procedures made or established by the Employer and/or Plan Administrator. AFLAC shall have no discretionary authority or discretionary control over the Employer's FSA Account or any assets of the Employer, the Plan, or Plan Participants.

- Arising from any legal action or proceeding to recover benefits under the Plan; or

- For any cost, charge, tax, fine, penalty, or interest, however denominated, that may be assessed against AFLAC, the Plan Administrator, or the Employer for any violation of ERISA or the Code (including COBRA and/or any COBRA-related provisions).

This indemnity shall survive the termination of this Agreement. 68 1007

D. AFLAC shall use ordinary and reasonable care in the performance of its duties, but shall not be liable to the Employer and/or Plan Administrator for mistakes of judgment or other actions taken in good faith unless such error results directly from an intentionally wrongful or grossly negligent act of AFLAC, its officers or employees.

A. The Employer shall pay AFLAC a fee for services performed under this Agreement in the amount of $1.75 per Participant per month (max per Participant of $3.50) with a minimum monthly fee of $15.00 for the reimbursement Plans (URM and/or DDC) for which services are rendered. This amount shall be due by the tenth (10th) of each month (or portion thereof) for which this Agreement is in effect and is in addition to and separate from (i) any Account Establishment (or "Set Up") fee assessed by AFLAC of $100.00 to initiate the reimbursement arrangement: and (ii) the Employers obligation to deposit sufficient amounts in its FSA Account to satisfy its obligations under the Plan and to make benefit disbursement in accordance with section II.A..above.

B. AFLAC may revise the Service Fee for services performed under this Agreement effective on each Anniversary Date of this Agreement by giving the Employer written notice of the revised rate at least thirty (30) days prior to the applicable Anniversary Date.

C. AFLAC may revise the Service Fee set forth above at any time if revision is deemed necessary by AFLAC by reason of modification or amendment of the Plan by the Employer. Within thirty (30) days after the receipt of a notice of such modification or amendment, AFLAC shall advise the Employer of the revised Service Fee to be effective on the implementation date. Thereafter, the Service Fee on and after the implementation date shall be made on the basis of such revised Service Fee.

D. AFLAC may revise the Service Fee set forth above at any time if any change in law or regulations imposes on AFLAC greater duties or obligations than contemplated by the Agreement in force at the time of such change.

Section V. Term of Agreement

The initial term of this Agreement shall be the initial Plan Year commencing on the effective date hereof; therefore, this Agreement will automatically renew for successive periods of twelve (12) months unless, at least sixty (60) days prior to the end of the then current term, the Employer or AFLAC gives written notice to the other of its intention not to renew the Agreement.

AFLAC shall immediately communicate its election of this option to the Employer.

AFLAC shall have no power or authority to waive, alter, breach or modify any terms or conditions of the Plan.

(4) Assignment. This Agreement may be assigned by AFLAC to any other party, including any successor to the business of AFLAC by merger, consolidation, purchase of assets, or otherwise, without the prior consent of the Employer. This Agreement shall be binding upon any corporation into which the Employer may be merged or with which it may be consolidated, or any corporation succeeding to all or substantially all of the

business of the Employer. 68 1009

(5) Entire Contract. This Agreement constitutes the entire contract between the parties and no modification or amendment hereto shall be valid unless in writing and signed by an officer of the Employer and an Officer or duly authorized representative of AFLAC.

AFLAC is a mere agent of the Employer for the processing of benefit claims.

(7) Capitalized Terms shall have the same meaning as in the Plan documents.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed in duplicate and signed by an Officer of the Employer and an Officer or duly authorized Home Office Employee of AFLAC to do so.

FLEXIBLE BENEFITS PLAN SUMMARY PLAN DESCRIPTION

Introduction

Your employer (the "Employer") is pleased to sponsor an employee benefit program known as a "Flexible Benefits Plan" (the "Plan") for you and your fellow employees. Under federal tax laws, it is also known as a "cafeteria plan". It is so-called because it lets you choose from several different insurance and fringe benefit programs according to your individual needs. The Employer provides you with the opportunity to use pre-tax dollars to pay for them by entering into a salary redirection arrangement instead of a corresponding amount of your regular pay. This arrangement helps you because the benefits you elect are nontaxable; you save social security and income taxes on the amount of your salary redirection. Alternatively, you may choose to pay for any of the available benefits with after-tax contributions on a salary deduction basis.

This Summary Plan Description describes the basic features of the Plan, how it operates, and how you can get the maximum advantage from it. The booklet is only a summary of the key parts of the Plan, and a brief description of your rights as a participant. It is not a part of the official plan documents. If there is a conflict between them and this booklet, the plan documents will apply.

PART I
General Information about the Flexible Benefits Plan

Questions & Answers

Q-1. What is the purpose of the Plan?

The purpose of the Plan is to allow eligible employees to use funds provided by the Employer through employee salary redirection, to choose one or more of the Benefit Plans or Policies offered through the Plan, and enable them to pay for the selected coverage(s) with pre-tax dollars (if desired) thereby increasing their coverage with little or no corresponding decrease in take-home pay.

Q-2. When did the Plan take effect?

The Plan became effective on the date shown on the attached Appendix.

Q-3. Who can participate in the Plan?

Each employee of the Employer is eligible to participate in the Plan who meets the description of eligible Employee on the attached Appendix.

COPYRIGHT JANUARY 1, 1990

Q-4. What benefits are offered through the Plan? AS PER ORIGINAL

The Plan permits you to pay for insurance and fringe benefit programs with pre-tax dollars through salary redirection rather than regular pay. Alternatively, you can pay for the same benefits with after-tax dollars on a salary deduction basis. The Plan may also permit you to select Uninsured Medical Care Expense Reimbursement or Dependent Care Expense Reimbursement on a pre-tax basis if these benefits are selected by your Employer as noted in the Appendix.

Q-5. How do I become a participant?

You become a Participant by signing an individual Salary Redirection Agreement on which you elect one or more of the benefits available under the Plan, as well as agree to a salary redirection to pay for those benefits so elected. You will be provided a Salary Redirection Agreement when you first become eligible to participate. In future years, a new Salary Redirection Agreement will be made available to you by the first day of the Annual Enrollment Period, and you will be given the opportunity to confirm or change your choices made for the previous 12-month period for the coming 12 months beginning on the first day of the next Plan Year. This twelve month period is called the "Plan Year". A Participant who fails to complete, sign and file a Salary Redirection Agreement as required shall be deemed to have elected to continue the same coverages under the Benefit Plans or Policies funded by the same proportion of Pre-Tax Premiums or After-Tax Premiums then in effect for such Participant. Annual elections for participation in the Medical Care and Dependent Care Expense Reimbursement Plans must be made by submitting a Salary Redirection Agreement prior to the beginning of each Plan Year -- no deemed elections shall occur with respect to such Plans.

Q-6. What are the enrollment periods for entering the Plan?

The initial period for enrolling in the Plan is the period (which shall be at least 30 days) immediately preceding the Plan's Effective Date. Thereafter, the Enrollment Period will begin at least 30 days before the Anniversary Date and end on the Anniversary Date.

Q-7. Can I change my election during the Plan Year?

Generally, you cannot change your election to participate in the Pre-tax Premium payment option or vary the Pre-Tax Premiums you have selected, during the Plan Year, although your election will terminate if you are no longer working for the Employer. Otherwise, you may change your elections for Pre-Tax Premiums only during the Annual Enrollment Period, and then, only for the coming Plan Year.

There is an important exception to this general rule: You may change or revoke your previous election for Pre-Tax Premiums at any time during the Plan Year if there is one or more of the following, significant changes in your family status, provided that both the revocation and new election are caused by and are consistent with the Change in Family Status. Those occurrences which qualify as a Change in Family Status are: --

your marriage or divorce;
birth or adoption of a child;

death of your spouse or child;
a significant change in the medical benefits or premiums available under a health plan provided by an independent, third party provider, either to you, through your employment with the Employer, or to your spouse, through his or her employer; or termination of your employment, your spouse's employment, or change of either you or your spouse's employment status from full-time to part-time, or vice versa, or if either of you take an unpaid leave of absence from work.

If a Change in Family Status occurs, you must inform the Plan Administrator of your new election for Pre-Tax Premiums within 30 days of the occurrence. Failure to do so within the 30-day period will result in the changes in your election being applicable only to months during which, or after, you have notified the Plan Administrator.

Additionally, the Plan's Administrator may modify your election(s) downward during the Plan Year if you are a Key Employee or Highly Compensated Individual (as defined by the Internal Revenue Code), if necessary to prevent the Plan from becoming discriminatory within the meaning of the federal income tax law.

Q-8. How are my Premium Payments Made?

When you complete the Salary Redirection Agreement, you specify which benefits you wish to pay for through pre-tax salary redirection. Thereafter, your premiums will be paid with that portion of gross income that you have elected to forego through pre-tax salary redirection plus any Nonelective Contribution by your Employer. These portions will be sent to the appropriate insurance company or held by the Employer or held in trust in the event of a self-insured plan as of each pay period. For example, suppose you have elected the following:

Benefit Elected	Annual Cost
Dependent Medical Insurance	$ 750.00
Cancer Insurance	$ 276.00
Total Annual Cost	$ 1026.00

Assuming you are paid bi-weekly, the cost of the above benefits per paycheck would be $42.75. The tax-free total of $1026 would be spread equally over 24 paychecks, or $79.16 per month. Thus, each pay period, the corresponding amounts would be as follows:

Dependent Medical Insurance Premium	$ 31.25
Cancer Insurance	$ 11.50
Total Withheld per Pay Period	$ 42.75

The maximum aggregate level of benefits which may be elected is the cost of any Benefit Plan or Policy coverages elected less any Nonelective Contribution allocable thereto.

After-tax Premium coverages will be funded by an amount deducted from your normal

compensation which is sufficient to pay for the elected coverages after withholding any applicable state, federal, or local income, unemployment, or social security taxes.

Q-9. What if I terminate my employment during the Plan Year?

If your employment with the Employer is terminated during the Plan Year, your active participation in the Plan will cease, and you will not be able to make any more contributions to the Plan, other than as may be permitted under the Continuation Coverage provisions that apply to medical coverages elected under the Plan. (See Answer Q-13 for a description of Continuation Coverage.)

Q-10. Will I have any administrative costs under the Plan?

Unless otherwise indicated in the attached Appendix, the Employer is bearing the entire cost of administering the Plan.

Q-11. How long will the Plan remain in effect?

Although the Employer expects to maintain the Plan indefinitely, it has the right to modify or terminate the program at any time. It is also possible that future changes in state or federal tax laws may require that the Plan be amended accordingly.

Q-12. What happens if a claim for benefits is denied?

If your claim is for a benefit under one of the component Benefit Plans or Policies, you will generally proceed under the claims procedure applicable under the component Benefit Plan or Policy. However, if you are denied a benefit under this Plan (such as the ability to pay for premiums on a pre-tax basis) due to an issue germane to your coverage under this Plan (i.e., such as a determination of a Change in Family Status; a "significant" change in premiums charged; or eligibility and participation matters under the Flexible Benefits Plan document), the claims procedure under this Plan will apply, and if your claim is denied, you will be notified in writing by the Plan's Administrator within 90 days of the date you submitted your claim if the claim is denied. Such notification will set out the reasons your claim was denied, and further advise you of what steps, if any, you might take to validate the claim. It will further advise you of your right to request an administrative review of the denial of the claim; you may request a review any time within the 60-day period after you have received notice that the claim was denied. You or your authorized representative will have the opportunity to review any important documents held by the Administrator, and to submit comments and other supporting information. In most cases, a decision will be reached within 60 days of the date of your request for a review.

Q-13. What is "Continuation Coverage" and how does it work?

"Continuation Coverage" means your right, or your spouse and dependents' right, to continue to be covered under any of the component medical benefit plans if the Employer is subject to COBRA (i.e., typically employs 20 or more employees) and participation by you (including your spouse and dependents) otherwise would end due to the occurrence of a "Qualifying Event."

AS PER ORIGINAL

Qualifying Event is

termination of your employment (other than by reason of gross misconduct),
or reduction of your work hours; your death;
divorce or legal separation from your spouse;
your becoming eligible to receive Medicare benefits;
when a dependent of yours ceases to be a dependent.

For a Qualifying Event, other than a change in your employment status, it will be your obligation to inform the appropriate Plan Administrator of each medical benefit plan you have elected of its occurrence within 60 days of the occurrence. The appropriate Plan Administrator, in turn, has a legal obligation to furnish you, or your spouse, as the case may be, with separate, written options to continue the coverages provided at stated premium costs with respect to each health plan in which you are a participant. The notification you will receive will explain all the rest of the terms and conditions of the continued coverage.

PART II
Medical Care Expense Reimbursement Benefits

If offered as a benefit under the Flexible Benefits Plan you will have the opportunity to elect to receive income tax-free reimbursement for some or all of your unreimbursed medical expenses under the Medical Care Expense Reimbursement Plan. Under this Plan, you purchase a specific level of Medical Care Expense Reimbursement benefits, paying for coverage through the Salary Redirection Agreement with the Employer, in lieu of a corresponding amount of current pay, which means the premiums you pay will be with pre-tax funds. This arrangement helps you because the level of coverage you elect is nontaxable, and you save social security and income taxes on the amount of the premiums you pay.

QUESTIONS & ANSWERS

Q-1. Who can participate in the Plan?

Each employee of the Employer who is eligible to participate in the related Flexible Benefits Plan.

Q-2. How do I become a Participant?

By electing Medical Care Expense Reimbursement benefits during the Initial or Annual Enrollment Periods.

Q-3. What is my "Medical Care Expense Reimbursement Account"?

If you elect benefits under this portion of the Plan, a non-interest bearing Medical Care Expense Reimbursement Account ("Account") will be set up in your name to keep a record of the reimbursements you are entitled to, as well as the premiums you have paid for such benefits during the Plan Year.

Q-4. What annual benefits are available under the Medical Care Expense Reimbursement Plan, and how much will they cost?

You may choose any amount of annual reimbursement you desire subject the maximum reimbursement amount set forth in the attached Appendix. You will be required to pay the annual premium equal to the coverage level you have chosen.

Q-5. How is my Medical Care Expense Reimbursement benefit paid for?

When you complete the Salary Redirection Agreement, you specify the amount of Medical Care Expense Reimbursement you wish to pay for with your salary redirection. Thereafter, you must pay a premium for such coverage by having an equal portion of the annual premium deducted from each paycheck.

For example, suppose you have elected to be reimbursed for up to $1,000 per year for Eligible Medical Expenses, and you have chosen no other benefits under the Flexible Benefits Plan. Your Account would be credited (and funded) with a total of $1,000 during the Plan Year. Moreover, if you are paid semi-monthly, your Account would reflect that you have paid $83.33 per month in premiums for the benefit you have elected.

Q-6. What amounts will be available for Medical Care Expense Reimbursement at any particular time during the Plan Year?

Provided that you have continued to pay the periodic premiums due for this benefit, the full, annual amount of coverage you have elected will be available at any time during the Plan Year, reduced however by the amount of prior reimbursements received during the Year.

Q-7. How do I receive reimbursement under the Plan?

When you incur an expense that is eligible for payment, you submit a claim to the Plan's Administrator on a Claim Form that will be supplied to you. If you have paid the premiums for the coverage you have elected, you will be reimbursed for your Eligible Expenses in the month that follows the month you submitted the claim. Remember, though, you can't be reimbursed for any total expenses above the annual reimbursement amount you have elected.

In addition, you will have 90 days after the end of the Plan Year in which to submit a claim for reimbursement for Eligible Expenses incurred during the previous Plan Year. You will be notified in writing if any claim for benefits is denied.

To have your claims processed as soon as possible, please read the claims instructions you have been furnished. Please note that it is <u>not</u> necessary that you have actually paid an amount due for an Eligible Medical Expense -- only that you have <u>incurred</u> the expense, and that it is not being paid for or reimbursed from any other source.

Q-3. What is an "Eligible Expense?"

AS PER ORIGINAL

An "Eligible Expense" means any item for which you could have claimed a medical expense deduction on an itemized federal income tax return (without regard to any threshold limitation) for which you have not otherwise been reimbursed from insurance, or some other source.

You are encouraged to consult your personal tax advisor or IRS Publication 17 "Your Federal Income Tax" for further guidance as to what is or is not an eligible expense if you have any doubts.

Q-9. When must the expenses be incurred that I may be reimbursed for?

Eligible Expenses must have been incurred during the Plan Year. You may not be reimbursed for any expenses arising before the Plan became effective, before your Salary Redirection Agreement becomes effective, or for any expenses incurred after the close of the Plan Year, or, except for Continuation Coverage, after a separation from service.

Q-10. What if the medical expenses I incur during the Plan Year are less than the annual amount I have elected for Medical Care Expense Reimbursement?

You will not be entitled to receive any direct or indirect payment of any amount that represents the difference between the actual medical expenses you have incurred, on the one hand, and the annual coverage level you have elected and paid for, on the other. Any amount allocated to an Account shall be forfeited by the Participant and restored to the Employer if it has not been applied to provide the elected benefit for any Plan Year by the ninetieth (90th) day following the end of the Plan Year for which the election was effective. Amounts so forfeited shall be used to offset administrative expenses and future costs.

PART III
Dependent Care Expense Reimbursement Benefits

If offered as a benefit under your Employer's Flexible Benefit Plan, you may elect to receive income tax-free reimbursement for some or all of your work-related dependent care expenses under the Dependent Care Expense Reimbursement Plan("DCR"). Under these provisions, you provide a source of pre-tax funds to reimburse yourself for your Eligible Dependent Care Expenses by entering into a Salary Redirection Agreement with your Employer in lieu of a corresponding amount of your regular pay. This arrangement helps you because the coverage you elect is nontaxable; you save social security and income taxes on the amount of your salary conversion.

Questions & Answers

Q-1. Who can participate in the Plan?

Each Employee of the Employer who is eligible to participate in the related Flexible Benefits Plan.

Q-2. How do I become a Participant?

AS PER ORIGINAL

By electing DCR benefits during the Initial or Annual Enrollment Periods.

Q-3. What is my "Dependent Care Expense Reimbursement Account"?

If you elect benefits under this portion of the Plan, a non-interest bearing Dependent Care Expense Reimbursement Account ("Account") will be set up in your name to keep a record of the reimbursements you are entitled to.

Q-4. What is the maximum DCR benefit I may elect?

This is set forth in the attached Appendix, however, this amount cannot exceed the maximum amount specified in Section 129 of the Internal Revenue Code. The maximum amount is currently $5,000 per Plan Year if you --

are married and file a joint return;

are married, but you furnish more than one-half the cost of maintaining those Dependents for whom you are eligible to receive tax-free reimbursements under the DCR, your Spouse maintains a separate residence for the last 6 months of the calendar year, and you file a separate tax return; or

are single, or a head of household for tax purposes.

If you are married, reside together, but file a separate federal income tax return, the maximum DCR benefit you may elect is $2,500.

Q-5. How is my Account funded?

When you complete the Salary Redirection Agreement, you specify the amount of DCR benefits for which you wish to pay with your salary redirection. Thereafter, your Account will be credited with that portion of your gross income you have elected to forego through salary redirection. These portions will be credited as of each pay period.

For example, suppose you have elected to be reimbursed for $2,400 per year for Eligible Employment Related Expenses, and you have chosen no other benefit under the Employer's Flexible Benefits Plan. Your Account would be credited (and funded) with a total of $2,400 during the Plan Year. Thus, if you are paid semi-monthly, you would have a total of $100.00 credited to your Account each payday to pay reimbursements under this Plan. The amount that is available to your Account at any particular time will be whatever has been credited to such Account less any reimbursements already paid.

Q-6. What is an "Eligible Expense" for which I can claim a reimbursement?

You may be reimbursed for work-related expenses incurred on behalf of any individual in your family who is under age 13, and whom you could claim as a Dependent on your federal income tax return; any other Dependent who is mentally or physically incapable of caring for himself or

AS PER ORIGINAL

herself; or your Spouse, if the Spouse is likewise physically or mentally incapacitated.

You are encouraged to consult your personal tax advisor or IRS Publication 17 "Your Federal Income Tax" for further guidance as to what is or is not an Eligible Expense if you have any doubts.

Q-7. How do I receive reimbursement under the Plan?

If you have elected to participate in this portion of the Plan, you will have to take certain steps to be reimbursed for your Eligible Employment Related Expenses. When you incur an expense that is eligible for payment, you submit a claim to the Plan's Administrator on a Claim Form that will be supplied to you. If there are enough credits to the Dependent Care Expense Reimbursement Account, you will be reimbursed for your eligible expenses in the month that follows the month you submitted the claim.

If your claim was for an amount that was more than your current Account balance, the excess part of the claim will be carried over into following months, to be paid out as your balance becomes adequate. Remember, though, that you can't be reimbursed for any total expenses above your available, annual credits to your Account. You may not be reimbursed for any expenses that arise before your Salary Redirection Agreement becomes effective, or for any expense incurred after the close of the Plan Year.

To have your claims processed as soon as possible, please read the claims instructions you have been furnished. Please note that it is not necessary that you have actually paid an amount due for Eligible Employment Related Expenses – only that you have incurred the expense, and that it is not being paid for or reimbursed from any other source.

In order to be reimbursed in the following month for your current expenses, you must submit your Claim Form each month to the Plan Administrator on or before the 4th Friday of the month. In addition, you will have 90 days after the end of the Plan Year in which to submit a claim for reimbursement for Eligible Expenses incurred during the previous Plan Year. You will be notified in writing if any claim for benefits is denied.

Q-8. What if the Eligible Employment Related Expenses I incur during the Plan Year are less than the annual amount of coverage I have elected for Dependent Care Expense Reimbursement?

You will not be entitled to receive any direct or indirect payment of any amount that represents the difference between the actual Eligible Employment Related Expenses you have incurred, on the one hand, and the annual coverage you have elected and paid for, on the other. Any amount allocated to an Account shall be forfeited by the Participant and restored to the Employer if it has not been applied to provide the elected reimbursement for any Plan Year by the ninetieth (90th) day following the end of the Plan Year for which the election was effective. Amounts so forfeited shall be used to offset reasonable administrative expenses and future costs.

Q-9. Will I be taxed on the DCR benefits I receive?

You will not normally be taxed on your DCR benefits, up to the limits set out in Q-4. However, to qualify for tax-free treatment, you will be required to list the names and taxpayer identification numbers on your annual tax return of any persons who provided you with dependent care services during the calendar year for which you have claimed a tax-free reimbursement.

Q-10. If I participate in the DCR, will I still be able to claim the household and dependent care credit on my federal income tax return?

You may not claim any other tax benefit for the tax-free amounts received by you under this Plan, although the balance of your qualified dependent care expenses may be eligible for the dependent care credit.

Q-11. What is the household and dependent care credit?

The household and dependent care credit is an allowance for a percentage of your annual, Eligible Employment Related Expenses as a credit against your federal income tax liability under the U.S. Tax Code. In determining what the tax credit would be, you may take into account only $2,400 of such expenses for one Dependent, or $4,800 for two or more Dependents. Depending on your adjusted gross income, the percentage could be as much as 30% of your qualifying expenses (to a maximum credit amount of $720 for one Dependent or $1,420 for two or more Dependents,) to a minimum of 20% of such expenses (producing a maximum credit of $480 for one Dependent or $960 for two or more Dependents.) The maximum 30% rate must be reduced by 1% (but not below 20%) for each $2,000 portion (or any fraction of $2,000) of your adjusted gross incomes over $10,000.

Illustration: Assume you have one Dependent for whom you have incurred Eligible Expenses of $3,600, and that your adjusted gross income is $20,000. Since only one Dependent is involved, the credit will be calculated by applying the appropriate percentage to the first $2,400 of the expenses. The percentage is, in turn, arrived at by subtracting one percentage point from 30% for each $2,000 of your adjusted gross income over $10,000. The calculation is: 30% – [($20,000 - 10,000)/$2,000 X 1%] = 25%. Thus, your tax credit would be $2,400 X 25% = $600. If you had incurred the same expenses for two or more Dependents, your credit would have been $3,600 X 25% = $900, because the entire expense would have been taken into account, not just the first $2,400.

Q-12. When would I be better off to include the reimbursements in my income and claim the credit, rather than to treat the reimbursements as tax-free.

Generally, if your income tax bracket is 15% or less, you will probably come out ahead by including the DCR benefits in income, and claiming the credits for dependent care and earned income. On the other hand, it will generally be better to treat DCR benefits as tax-free the more income taxes you are required to pay. Because the actual determination of the preferable method for treating benefit payments depends on a number of factors such as one's tax filing status (e.g., married, single, head of household), number of Dependents, etc., each Participant will have to determine his or her tax position individually in order to make the decision between taxable and tax-free benefits.

PART IV
Premium Benefits

You will be able to choose to participate in one or more of the component insurance or fringe benefit programs designated in the attached Appendix by separately filling out any required enrollment form(s) for the component Benefit Plan or Policy. You should then select your chosen method for funding the coverage(s) (pre-tax or after-tax) by indicating your choice or choices on the Salary Redirection Agreement, and financing your share of the cost by pre-tax salary redirection or after-tax salary deduction, as described earlier.

For the details regarding eligibility provisions, benefit amounts, and premium schedules, please refer to the plan summary of each, separate plan that will be furnished to you by the Plan Administrator.

PART V
Electing Less Than The Maximum Annual Benefit

Any portion of your Compensation that you do not choose to apply toward the purchase of the benefits described above will be paid to you as regular, taxable Compensation.

PART VI
ERISA Rights

As a participant in the Employer's Flexible Benefits Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act ("ERISA"). ERISA provides that all plan participants shall be entitled to:

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work-sites and union halls, all plan documents, including insurance contracts, collective bargaining agreements and copies of all documents filed by the Plan with the U.S. Department of Labor, such as detailed annual reports and plan descriptions.

Obtain copies of all plan documents and other plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of the plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit from the plan, or from exercising your rights under ERISA.

If your claim for a benefit under the Flexible Benefits Plan provisions is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have the Plan review and reconsider your claim. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $100 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous. If you have any questions about the Plan, you should contact the Plan Administrator. If you have any questions about this Part of the Summary Plan Description or about your rights under ERISA, you should contact the nearest office of the U.S. Labor-Management Services Administration, Department of Labor.

WEATHERING THE STORM

In the turbulence that has typified the insurance business lately, more than a few boats have been sunk. Some were constructed badly to begin with. Others seemed large and sturdy and had familiar names, yet failed to withstand the battering of hard times and rough seas. But AFLAC has held a steady course, and has logged some impressive achievements along the way. Like over 35 million people insured worldwide, including one-fifth of the population of Japan. Like an extensive selection of supplemental insurance products that is among the broadest in the business. Like an $8 billion portfolio free of junk bonds, making it the envy of the insurance industry. Like 1991 revenues of over $3.2 billion, and recognition by *Financial World* magazine as the second strongest insurance company in the country.

In these turbulent times, it is reassuring to see that experience, judgment and courage can enable a company to weather the storm and to emerge prosperous. That company is AFLAC.

For more information on AFLAC supplemental insurance, contact: AFLAC, 1932 Wynnton Rd., Columbus GA 31999. Or call 1-800-99-AFLAC (1-800-992-3522).

RE: Fort Bend County Bid #90-084 - Purchase of out of print titles with special Regent binders.

Gentlemen,

Attached is a letter from Regent Book Co., Inc. expressing their wiliness to extend our contract with them for the above referenced bid. Contract provisions allow for the extension of this contract thru December 31, 1993.

I have also attached, for your information, a copy of the bid tabulation for this contract showing Regent Book Company as the only bidder. Apparently Regent Book Company is the only provider of out of print titles with special Regent binders.

On Monday, November 9, 1992 we will ask the Court to extend the contract between Fort Bend County and Regent Book Company under the same terms and conditions for the period ending December 31, 1993.

Please call me if I can be of any further assistance.

Respectfully submitted,

RE: Traffic Study: Winston Homestead Dr. at Pitts Rd.

Dear Commissioner:

Per your request dated Oct. 5 a traffic study was conducted at the above intersection. Please find attached a sketch of the intersection with the existing signs and proposed signs shown.

The additional stop signs on Pitts Rd. are warranted due to the fact that is difficult to get on Pitts Rd. in the morning rush hour. The 24 hour count on Pitts Rd. is about 3 times that on Winston Homestead Dr. now but will start increasing next year when houses will be built on the east side of Pitts Rd. in the Grove Section 12. Pitts Rd. is now three lanes wide with the center lane reserved for turning. The all way stop will make the intersection safer. When the turnout is completed on the east side in the near future I recommend adding a stop sign on the east side as shown.

If you have any questions please call.

1993 Plan Year\\Plan Financing Strategies

Commissioners Court Workshop\\November 9, 1992

At our last meeting, we reviewed two (2) potential plan designs for the 1993 plan year, as well as reviewing the strategic planning issues along with statistical data that would be used in negotiating with the primary/secondary and tertiary hospitals identified.

I am pleased to report that the negotiations with Epic Healthcare Group, the owner of Fort Bend Hospital and Katy Medical Center have gone well. A tentative proposal has been agreed to, subject to two things. The first deals with some physician and hospital based providers issues. The second is approval by the Court.

Communications and discussions have taken place with Polly Ryon Memorial Hospital. I have provided Polly Ryon with the guidelines and parameters of a proposal that will be acceptable to our planning. Polly Ryon indicated that they would provide their response by Friday November 6th. [As of Monday 11/09/92 not received]

The contracts for the tertiary hospitals (St. Luke's and Hermann) are in place currently.

We are still on target to reduce the cost of health care by $600,000 to $800,000. The timetable for events is to have the hospital, physician, and other providers piece done by the end of the month (November). I would like to start the employee communication process sometime around the first of December, with the job being completed by the 20th or so.

SANUS Health Plan has informed the County that they are non-renewing its Agreement with Fort Bend County to provide SANUS as an option for covered participants. The primary reason is a participation issue. Over the course of the past few years the participation has declined due to the emergence of the County's managed care plan coupled with premium increases that required the participant to pay additional premium above what was budgeted for the plan. Additionally, SANUS indicated that they would need a 41% increase in premiums. As such they have given notice (60 day) that they will non-renew their contract. There are only 35 or so employees still selecting SANUS in lieu of the County's self-funded/managed care plan. The participants selecting SANUS can transfer to the County plan without any requirements. They will no lose coverage due to a pre-existing condition or any other factors.

Sanus:

	1992 FY	1993 FY
Employee Only	$149.48	$210.77
Employee + 1	$351.28	$495.30
Employee + 2	$500.66	$709.93

c/o Mr. Ron Drachenberg, County Engineer
Fort Bend County Engineering Department
P. O. Box 1449
Rosenberg, Texas 77471

Gentlemen:

Lichliter/Jameson & Associates is requesting a change order to its current contract with the District under paragraph 2.1.4 and paragraph 2.1.8. The details of the additional work are as follows:

Centerline Geometry - The Texas Department of Transportation (TxDOT) evaluated our proposed centerline early in the project and made comments which were addressed at that time. At our 100% submittal in March, 1992, they requested that we change the centerline to reflect less impact of horizontal curves on bridges. This was in direct conflict with their comments of a year earlier. We analyzed these proposed changes and the Department ultimately concurred that no net benefit would be realized. This analysis incurred an additional cost of $4,320.

Ramp Reversals - During our reviews with TxDOT in 1990 and 1991, we determined that the ramp configurations for the Parkway would be set in conventional exit/entrance pairs, and TxDOT subsequently provided us with traffic figures based on this configuration. At our 100% submittal they requested we analyze the possibility of reversing the ramps near the Trammel-Fresno and Senior Road locations. We informed them of possible weaving problems that would be introduced with this change, but they insisted that we perform the analysis. After we analyzed these ramp reversals, it was determined that our present configuration as shown was necessary to ensure traffic movement at an acceptable level of service. This analysis incurred an additional cost of $9,390.

Interim Traffic Analysis - At our 100% submittal, TxDOT requested that an interim traffic analysis be performed at the Beltway 8 interchange to ensure that the frontage road configuration would adequately handle the traffic until the main lanes and direct connectors were built. We were also asked to provide a diagram on our schematics showing this interim condition. This analysis incurred an additional cost of $3,358.

AS PER ORIGINAL

Environmental Assessment (EA) - The draft copy of the EA was submitted to TxDOT in July, 1991. This copy was reviewed and returned with comments which were subsequently addressed by L/JA. At our 100% submittal many of the previous comments from TxDOT were changed, including the report format which had been provided to us from TxDOT. Additional noise wall analyses were also requested in areas previously not considered. We were able to dismiss some of these new comments, but a near total rewrite of the document was necessary. This rewrite incurred an additional cost of $25,314.

Wetlands - During our initial discussions with TxDOT regarding wetlands on this project, it was determined that staking of the wetlands would not be necessary. After further review, and subsequent changes in the laws regarding wetlands and environmental documents, we were then asked by TxDOT to stake each wetland occurrence and calculate its exact area. This work incurred an additional cost of $17,592.

In order to continue progress on the project we have completed these items and separated these costs from the original contract. Contingencies including one year of operation and administration of $200,000 were originally anticipated in the initial bond issue and there are sufficient funds in the remaining bond issue to cover these changes in scope.

The total amount of the change order is $59,974 and is detailed on the attached hourly rate breakdown.

We would be pleased to meet to discuss this request at your convenience.

Very truly yours,

William O. Jameson, P.E.

WHEREAS, **Coin Copiers** desires to provide the **County** with such equipment and associated services;

NOW THEREFORE, in consideration of the mutual promises and covenants of the parties recited herein, the parties agree that the following terms shall apply:

I.
EQUIPMENT

1.01 **Coin Copiers** will provide six (6) copiers to the **County** as follows:

1. Three (3) "Bookmaster" copiers will be delivered and installed at the George Memorial Library, 1001 Golfview, Richmond, Texas; and

2. One (1) "Bookmaster" copier shall be delivered and installed at the Mamie George Branch Library, at 320 Dulles Ave, Stafford, Texas; and

3. Two (2) "Modified Ricoh" copiers (for self-service) shall be delivered and installed at the Missouri City Branch Library, 1530 Texas Parkway, Missouri City, Texas; and

1. Models to be installed must be as described herein or otherwise approved by the **County** in advance of installation.

2. The copiers provided must have a monthly rated volume from the manufacturer of at least 20,000 copies and have a per copy speed of 22 copies per minute. Copiers are to be provided with cabinet type stands with storage behind doors, stationary tops, 110 v., and escrow coin boxes as an integral part of the unit.

3. The **County** shall not be obligated to accept a machine at the above-named sites (or at any future, additional sites) which does not conform to these specifications or which does not otherwise meet to the **County's** requirements.

II.

If not, the service call shall be at the start of business hours of the appropriate library on the next business day.) A failure to respond in a timely manner shall be grounds for termination of this Agreement. The **County** shall give **Coin Copiers** written notice of termination in such event.

Copiers are to be repaired to a level of acceptable performance as determined by the **County.** If attempts at repairs are unsatisfactory, the Vendor will replace the copier, at no cost to the **County**, with one of equal or better features. Said replacement machine shall be delivered and installed promptly. The **County** may decline said replacement machine if **Coin Copiers** is unable to deliver and install said

Dear Judge Cordes:

Enclosed is our engagement letter outlining arrangements for the audit of the County's financial statements for the year ending December 31, 1992. All of the fee provisions and scope considerations pertaining to the audit are unchanged from the prior year and are consistent with our proposal document which included fee estimates for 1992 and 1993.

We feel that it would be appropriate to put this on an upcoming agenda in November to provide for adequate time to plan certain aspects of the engagement prior to the end of the year. Please let us know if you have questions or other concerns.

We appreciate the opportunity to provide services to Fort Bend County and value the relationship that we have developed during the course of the 1991 audit and related activities. We look forward to continuing our association with the County.

November 2, 1992

The Honorable Roy L. Cordes, Jr., County Judge
and Members of the Commissioners Court
Fort Bend County, Texas

We are pleased to confirm our understanding of the services we are to provide for Fort Bend County, Texas for the year ending December 31, 1992. We will audit the general purpose financial statements of Fort Bend County, Texas for the year ended December 31, 1992 which will be included as part of the financial section of the County's Comprehensive Annual Financial Report (CAFR) to be prepared by the County Auditor's office. Also the financial section of the CAFR will include combining, individual fund and account group financial statements and schedules that will be subjected to the auditing procedures applied in our audit of the general purpose financial statements. We will not audit or report on any information contained in the introductory or statistical sections of the County's CAFR. Our audit will include a separately issued component unit financial report for the Fort Bend County Drainage District (a component unit of the County included in the County's general purpose financial statements) in accordance with applicable state regulations. Additionally, the County's Schedule of Federal Financial Assistance will be subjected to the auditing procedures applied in our audit of the general purpose financial statements and will be presented together with all necessary reports as prescribed by federal requirements in a separate document provided to the County by us.

Our audit will be a Single Audit conducted in accordance with generally accepted auditing standards; the standards for financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States; the Single Audit Act of 1984; and the provisions of OMB Circular A-128, "Audits of State and Local Governments," and will include tests of the County's accounting records and other procedures we consider necessary to enable us to express an unqualified opinion that the financial statements are fairly presented, in all material respects, in conformity with generally accepted accounting principles and to report on the Schedule of Federal Financial Assistance and on the County's compliance with laws and regulations and its internal controls as required for a Single Audit. If our opinion on the financial statements is other than unqualified and/or if our reports required for a Single Audit are negatively modified, we will fully discuss the reasons with you in advance. If for any reason, we are unable to complete the audit, we will not issue any reports as a result of this engagement.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also request certain written representations from you about the financial statements and related matters.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. Also, we will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. As required by the Single Audit Act of 1984, our audit will include tests of transactions related to federal assistance programs for compliance with applicable laws and regulations. However, because of the concept of reasonable assurance and because we will not perform a detailed examination of all transactions, there is a risk that material errors, irregularities, or illegal acts, including fraud or defalcations, may exist and not be detected by us. We will advise you, however, of any matters of that nature that come to our attention, and will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to matters that might arise during any later periods for which we are not engaged as auditors.

We understand that you will provide us with basic information required for our audit and that you are responsible for the accuracy and completeness of that information. We will advise you about appropriate accounting principles and their application and will assist in the preparation of your financial statements, but the responsibility for the financial statements remains with you. This responsibility includes the maintenance of adequate records and related internal control structure policies and procedures, the selection and application of accounting principles, and the safeguarding of assets.

We understand that your employees will assist us in certain aspects of our engagement as agreed at our audit planning sessions with County Judge and County Auditor.

All timing of work to be completed by us will be arranged with management. Our fees for these services will be based on the actual time spent at our standard hourly, rates, plus travel and other out-of-pocket costs such as report production, typing, postage, etc. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. Based on our preliminary estimates, the fee for the audit will be $50,000. This estimate includes fees regarding the audit of the Fort Bend County Drainage District which have been estimated at $7,000. This estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

We appreciate the opportunity to be of service to Fort Bend County, Texas and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Sincerely,

Revisor's Note
(End of Chapter)

V.A.C.S. Article 3912k, which is revised by Subchapter B, Chapter 152, authorized the commissioners court of a county to set the compensation, expenses, and allowances for county employees. The authority to set the compensation, expenses, and allowances includes the authority to determine vacations, holidays, deductions for absences, sick leave, and position classifications with accompanying compensation schedules. See Op.Tex.Att'y Gen. Nos. MW-136 (1980), MW-438 (1982), H-797 (1976), H-860 (1976), and H-1113 (1978).

Article 3912k also provided that "[t]o the extent that any local, special, or general law ... prescribes the compensation ... expense ... or any other allowance for any official or employee covered by this Act, that law is repealed."

As a result, parts of the following laws, which were enacted before Article 3912k, are omitted from revision: V.A.C.S. Articles 2372g-1, 2372, 2372h-1, 2372h-3, and 3912e-4a.

who holds an office the term of which is limited by the constitution of
state.

(3) "Department" means a county, district, or precinct office or offi
agency, or board that has jurisdiction and control of the performance
employees' official duties.

Acts 1987, 70th Leg., ch. 149, § 1, eff. Sept. 1, 1987.

Revisor's Note

The revised law omits the definition of "chairman" because the term
appears only once in the source law, in Section 6, and is unambiguous.

Notes of Decisions

Eligible employees 1

1. Eligible employees

Probation officers and employees of Adult Probation Office of Tarrant County, Texas, were not entitled to benefit of rules regarding employment and dismissal of employees adopted under Vernon's Ann.Civ.St. art. 2372h-6 (repealed; see, now, § 158.001 et seq.). Shore v. Howard (D.C.1976) 414 F.Supp. 379.

Section 3(3) of Vernon's Ann.Civ.St. art. 2372h-6 (repealed; now, this section), in defining term "employee", recognized that person could perform governmental functions on his own right or in right of another. Green v. Stewart (Sup.1974) 516 S.W.2d 133.

Persons appointed by assessor-collector of taxes of Tarrant County as deputies did not act in their own right but in right of the assessor-collector, who was constitutionally charged with whole duty of the office, and each deputy thus was "employee" within § 3(3) of Vernon's Ann.Civ.St. art. 2372h-6 (repealed; now, this section). Id.

Deputies of county officials were "emp
ees" within the meaning of Vernon's An

inhabitants. Op.Atty.Gen.1972, No. M-1088.

Assistant county purchasing agents were s
ject to Vernon's Ann.Civ.St. art. 2372h-6 (re

adult probation officers and assistant coun

conflicted. Op.Atty.Gen.1975, No. H-619.

Secretaries and clerks employed by the Be

subject to Vernon's Ann.Civ.St. art. 2372h-6
(repealed; see, now, § 158.001 et seq.). Op.

Vernon's Ann.Civ.St. art. 2372h-6 (repealed
see, now, § 158.001 et seq.) did not apply to
deputy sheriffs. Op.Atty.Gen.1977, No. H-985.

Deputy county clerks were employees within
the scope of Vernon's Ann.Civ.St. art. 2372h-6
(repealed; now, this section). Op.Atty.Gen.
1978, No. H-1144.

§ 158.002. Eligible Counties

A county with a population of 200,000 or more may, in accordance with this subchapter, create a county civil service system to include all the employees of the county who are not exempted from the system by the express terms or

158
icial interpretations of this subchapter or by the operation of Subchapter

1987, 70th Leg., ch. 149, § 1, eff. Sept. 1, 1987.

Revisor's Note

(1) In stating a population figure, the source law describes the figure as being based on the federal census. The revised law omits the reference to the federal census because it is unnecessary. The definitions section of the Code Construction Act (Section 311.005, Government Code) defines "population" to mean population according to the most recent federal decennial census.

(2) The source law states that a county civil service system will cover "all employees of the county." After the enactment of the cited language in 1971, V.A.C.S. Article 2372h-6 was amended to exempt certain employees and was judicially interpreted to exclude certain other employees. In addition, the legislature in 1981 authorized a separate civil service system for employees of sheriff's departments in certain counties. (The law for sheriff's department employees is revised as Subchapter B.) To avoid the overbroad and misleading statement of the source law, the revised law for this section is drafted to take into account and to alert the reader to the subsequent legislative and judicial decisions.

Validity 1

1. Validity

Senate Bill No. 213 [Acts 1971, 62nd Leg., p. 1151, ch. 262, which enacted Vernon's Ann. Civ.St. art. 2372h-6 (repealed; see, now, § 158.001 et seq.)], which proposed to authorize the creation of county civil service systems in certain counties, was constitutional; it did not contravene Const. Art. 16, § 70, limiting the term of certain offices to two years, for the reason that the bill by definition excluded from the system a holder of an office the term of which was limited by the constitution. Op. Atty.Gen.1971, No. M-827.

Senate Bill No. 213 [Acts 1971, 62nd Leg., p. 1151, ch. 262, which enacted Vernon's Ann. Civ.St. art. 2372h-6 (repealed; see, now, § 158.001 et seq.)] was constitutional and not in violation of the prohibition of Const. Art. 3, § 56, prohibiting certain local and special laws, the classification basis on population being a reasonable one. Id.

2. Other counties

County commissioners court in a counties not subject to the County Civil Service Act may institute a wage and job classification system to schedule job descriptions for county employment and match them with assigned salary and wage levels and it may raise the pay of a position in an elected official's department, whether or not the official desires it, but it may not influence the selection of the person to fill the post. Op.Atty.Gen.1979, No. H-1113.

§ 158.003. Creation by Order

(a) A county civil service system may be created by an order adopted by a majority of the members of the commissioners court of the county.

AS PER ORIGINA

(b) A copy of an order adopted under this section shall be placed in minutes of the court's proceedings. The copy of the order is public infor tion.

Prior Law:
Acts 1971, 62nd Leg., p. 1151, ch. 262.
Vernon's Ann.Civ.St. art. 2372h-6, §§ 3, 4.

§ 158.004. Creation by Election

(a) A county civil service system may be created by approval of the syste by a majority of the qualified voters of the county voting at an election call for that purpose.

(b) The commissioners court by order may call an election on the quest of the creation of a county civil service system.

(c) The commissioners court shall hold the election called under section on the first authorized uniform election date prescribed by Chapt 41, Election Code, that allows sufficient time for publication of the noti required by Subsection (e) and for compliance with any other requirement established by law.

(d) The order calling the election must specify the date, time, and place the election, the form of the ballots, and the name of the presiding judge each voting place.

(e) In addition to the notice required by Chapter 4, Election Code, th commissioners court must publish in a newspaper of general circulation in the county a substantial copy of the order calling the election. The firs publication must be made on or before the 15th day before the date of th election and continue once a week for two consecutive weeks.

Acts 1987, 70th Leg., ch. 149, § 1, eff. Sept. 1, 1987.

Revisor's Note

(1) The revised law substitutes the term "qualified voter" for "qualified elector" because the terms are synonymous and the former is more commonly used.

(2) The election date established by Section 5(a) of the source law has been superseded by Chapter 41, Election Code. That chapter of the Election Code establishes uniform election dates for state and local elections. Subsection (c) of the revised law is drafted accordingly.

(3) The revised law includes a reference, not contained in the source law, to the notice requirements of Section 4.003, Election Code, because under Subsection (c) of that section the requirements of Section 4.003(a)(1), when applicable, are in addition to those required under other law.

(b) The commissioners court of an eligible county by order may call an election on the question of the expansion or dissolution of a county civil service system as provided by Subsection (a).

Revisor's Note

(1) The revised law omits the source law reference to the specific federal act for the reason stated by Revisor's Note (1) to Section 158.002.

(2) The revised law substitutes the term "qualified voter" for the source law term "qualified elector" for the reason stated in Revisor's Note (1) to Section 158.003.

(3) The source law, enacted in 1985, provides a mechanism for expansion of a county civil service system to all employees "not specifically exempt under this Act" (V.A.C.S. Article 2372h-8 (recited as Subchapter B) authorizes a separate civil service system for sheriff's department employees in certain counties and declares it the exclusive system available for these employees. Nothing in the legislative history of the source law for this section indicates that it was intended to supersede the detailed provisions for operation of a civil service system for sheriff's department employees. For this reason, the revised law includes the reference to Subchapter B.

§ 158.008. Appointment of Commission

(a) If a civil service system is created under this subchapter, the commissioners court shall appoint three persons to serve as the members of the civil service commission that administers the system. The commissioners court shall designate one of the members as chairman of the commission.

(b) Each member of the commission is appointed for a term of two years.

(c) The commissioners court shall fill a vacancy on the commission by appointing a person to serve the unexpired part of the term of the member whose position is vacant.

(d) To be eligible for appointment to the commission, a person must:

(1) be at least 25 years old; and

(2) have resided in the county for the three years immediately preceding the date on which the person's term will begin.

Acts 1987, 70th Leg., ch. 149, § 1, eff. Sept. 1, 1987.

Revisor's Note

Under the source law, a member of the civil service commission continues to hold office until his successor is appointed and has qualified. Revisor's Note

A part of Subsection (d) of the source law gives priority to suits instituted under this section. The language is omitted because it was impliedly repealed by Subchapter B, Chapter 24, Government Code, which was originally enacted by the Legislature in 1981 as V.A.C.S. (c) The ballot for the election shall be printed to provide for voting for or against the proposition: "Dissolution of the county civil service system."

(1) "Commission" means a sheriff's department civil service commission.

(2) "Department" means a sheriff's department.

(3) "Employee" means an employee of a sheriff's department. The term includes a deputy sheriff.

Acts 1987, 70th Leg., ch. 149, § 1, eff. Sept. 1, 1987.

Notes of Decisions

Discharge 1

1. Discharge

Order of civil service commission affirming dismissal of deputy by sheriff's department for violation of written departmental policies concerning use of alcohol and use of laws, general behavior, and discreditable conduct, based on conflicting testimony of other officers as to whether deputy was intoxicated when arrested for driving while intoxicated, was reasonably supported by substantial evidence and was not arbitrary or capricious. Heard v. Incalcaterra (App. 1 Dist.1985) 703 S.W.2d 322, ref. n.r.e.

§ 158.036. Compensation and Staff

The members of the commission serve without compensation, but the commissioners court shall reimburse each member for actual and necessary expenses incurred in performing the member's duties. The commissioners court shall provide the commission with adequate office space and sufficient funds to employ an adequate staff and to purchase necessary supplies and equipment.

Acts 1987, 70th Leg., ch. 149, § 1, eff. Sept. 1, 1987.

Historical Note

Prior Law:

Acts 1981, 67th Leg., p. 295, ch. 119.
Vernon's Ann.Civ.St. art. 2372h-9, § 5.

§ 158.037. Appeals

(a) An employee who, on a final decision by the commission, is demoted, suspended, or removed from a position may appeal the decision by filing a petition in a district court in the county within 30 days after the date of the decision.

(b) An appeal under this section is by trial de novo, and the judgment of the district court is appealable as in other civil cases.

(c) If the district court renders judgment for the petitioner, the court may order reinstatement of the employee, payment of back pay, or other appropriate relief.

Acts 1987, 70th Leg., ch. 149, § 1, eff. Sept. 1, 1987.

Revisor's Note

The revised law omits the source law reference to the precedence of an appeal for the reason stated by the revisor's note to Section 158.012.

Historical Note

Prior Law:

Acts 1981, 67th Leg., p. 295, ch. 119.
Vernon's Ann.Civ.St. art. 2372h-9, § 7.

Notes of Decisions

Jurisdiction 1
Trial de novo 2

1. Jurisdiction

Employee who was terminated from sheriff's department was not required to name the sheriff's department civil service commission as party defendant in order to invoke district court's jurisdiction to hear his appeal of commission's decision to uphold his discharge, as commission was acting in quasi judicial capacity, and such procedure was not mandated by Vernon's Ann.Civ.St. art. 2372h-9 (repealed; see, now, this section). Conner v. Klevenhagen (App. 14 Dist.1987) 726 S.W.2d 205, ref. n.r.e.

2. Trial de novo

Vernon's Ann.Texas Civ.St. art. 2372h-9, § 7 (repealed; see, now, this section) which provided that employee who was demoted, suspended, or removed from position under final decision of civil service commission could appeal decision and that appeal would be tried de novo, mandated review under substantial evidence standard, rather than trial on the merits. Heard v. Incalcaterra (App. 1 Dist.1985) 702 S.W.2d 272, ref. n.r.e.

§ 158.038. Exemptions

(a) A person who is an employee of a department on the date that a civil service system is adopted under this subchapter in the department may not be required to take a competitive examination or perform any other act under this subchapter to maintain the person's employment.

(b) The sheriff may designate as exempt from the civil service system:

(1) the position of chief deputy;

(2) four positions of major deputy;

(3) one or more positions in the office of departmental legal counsel; and

(4) additional positions in the department.

(c) The sheriff may not designate as exempt a total of more than 10 positions.

(d) At the time a new sheriff takes office, an employee holding an exempt position may be transferred to the nonexempt position held by the employee immediately before being promoted to an exempt position. A person who was not an officer in the department when appointed to an exempt position may be transferred only to an entry level position in accordance with the system's civil service rules.

Acts 1987, 70th Leg., ch. 149, § 1, eff. Sept. 1, 1987.

Revisor's Note

The revised law omits the source law reference to "regulations" for the reason stated by the revisor's note to Section 158.009.

Historical Note

Prior Law:

3. Attorney fees

Sheriff's department employee was not entitled to award of attorney fees in administrative action before Civil Service Commission. Davis v. Bexar County Sheriff's Civil Service Com'n (App. 4 Dist.1989) 775 S.W.2d 807, reversed on other grounds 802 S.W.2d 659.

§ 158.038. Exemptions

(a) A person who is an employee of a department on the date that a civil service system is adopted under this subchapter in the department may not be required to take a competitive examination or perform any other act under this subchapter to maintain the person's employment.

(b) The sheriff of a county with a population of 2,000,000 or less may designate as exempt from the civil service system:

(1) the position of chief deputy;

(2) four positions of major deputy;

(3) one or more positions in the office of departmental legal counsel; and

(4) additional positions in the department; provided, however, that the sheriff may not designate as exempt a total of more than 10 positions.

(c) The sheriff of a county with a population of more than 2,000,000 may designate as exempt from the civil service system:

(1) the position of chief deputy;

(2) one or more positions in the office of departmental legal counsel; and

(3) additional positions in the department, not to exceed 25 in number, that have been determined by the civil service commission to be administrative or supervisory positions; provided, however, that the sheriff may not designate as exempt any position in the deputy classifications of captain or below. The designation of any such additional exempt position by the sheriff shall not diminish the number of positions within the deputy classifications of captain or below.

(d) At the time a new sheriff takes office, an employee holding an exempt position may be transferred to the nonexempt position held by the employee immediately before being promoted to an exempt position. A person who was not an officer in the department

when appointed to an exempt position may be transferred only to an entry level position in accordance with the system's civil service rules.

Amended by Acts 1991, 72nd Leg., ch. 810, § 1, eff. Aug. 26, 1991.

AGREEMENT

THE STATE OF TEXAS §
§
COUNTY OF FORT BEND §

This agreement is by and between the City of Rosenberg, a body corporate and politic under the laws of the State of Texas, hereinafter referred to as "City," and Fort Bend County, a body corporate and politic under the laws of the State of Texas, hereinafter referred to as "County."

WITNESSETH:

WHEREAS, the County has submitted a Community Development Block Grant to the U. S. Government, application number B-92-UC-48-0004, which has been approved by the U. S. Government through the U. S. Department of Housing and Urban Development;

WHEREAS, the City did agree to co-operate to be included in the grant application; and,

WHEREAS, included in the approved grant application was the demolition and removal of dangerous buildings to eliminate specific conditions of blight or physical decay on a spot basis which 1) adversely affect public health, safety, morals, or welfare; 2) substantially retard the development of a sound and healthy housing environment; and 3) result in an economic or social liability to the locality. The City will demolish and remove dangerous buildings which adversely affect the public's health and safety, for the total cost of $25,000, hereinafter referred to as "Project";

WHEREAS, the County is the grantee named in the Grant charged with compliance of the federal laws, rules, and regulations relating to the expenditure of funds received from the U. S. Government pursuant to the approved Community Development Block Grant application; and,

WHEREAS, the City is not familiar with such federal laws, rules, and regulations relating to the expenditure of U. S. Government funds under the Community Development Block Grant application; and,

WHEREAS, the County desires to assure compliance with such laws, rules, and regulations relating to the expenditure of funds under the Community Development Block Grant application; and,

WHEREAS, the County and City mutually agree as to the need to expedite this project as quickly as possible;

NOW, THEREFORE, the County and City do mutually agree as follows:

I.

The County and City agree to demolish and remove only structures which constitute a public nuisance, and dwelling units which have been vacant for at least one year, substandard and not suitable for rehabilitation in accordance with the guidelines rules, and regulations required by the U. S. Department of Housing and Urban Development, hereinafter referred to as "HUD."

II.

Within 45 days after the approval of said agreement, the City will complete a Certification of Compliance form for each structure selected for demolition in the City and will transmit to County for review. Upon receipt, the County will transmit to the City a written notice to proceed or not to proceed with the demolition of structure according to demolition guidelines. The City shall, at its own expense furnish the necessary inspection personnel to assure itself of compliance with the contract. The County shall fund the project as set forth in this agreement.

III.

For and in consideration of the construction of the Project as herein set forth, the County agrees to fund project costs not to exceed the total sum of Twenty-Five Thousand and No/100 Dollars ($25,000.00) as set forth in the Budget for CDBG funds attached hereto as Exhibit "B," which shall be in full and total compensation for payment of all expenses allowed under this contract and the Grant Agreement with HUD. The County will pay the City when all work has been completed on a contract and a request for payment has been received from the City. The County shall not be liable for the payment of expenses or costs which are not allowable under the terms of this Agreement and the Grant Agreement with HUD.

IV.

This agreement will be from December 15, 1992 to September 15, 1993, or until the City expends all funds authorized under this contract, whichever is earlier.

The County has no County funds for the costs of goods and services to be rendered under this agreement. It is expressly agreed and understood that this agreement is predicated upon and conditioned on the County receiving funds for the purpose of paying the entire obligation of the County under this agreement from funds to be received from the U. S. Department of Housing and Urban Development, by virtue of Grant No. B-92-UC-48-0004, entitled Community Development Block Grant. Accordingly, notwithstanding anything herein to the contrary, the maximum liability of the County under the terms and provisions of this agreement shall not exceed $25,000.00 or the amount actually received by the County from HUD pursuant to the Block Grant.

The City admits knowledge of the fact that the County's obligation hereunder for payment of compensation and costs, if any is limited to Federal funds received pursuant to the Grant Agreement in connection with the Community Development Block Grant Program of the U. S. Department of Housing and Urban Development, and that unless and until adequate funds have been received by the County under the Grant agreement to pay the City's compensation and expense reimbursement, the County shall have no obligation to the City.

V.

The City agrees to furnish to Fort Bend County Community Development an annual report at the end of program year. The Annual Performance Report will include the following:

A. A summary of the program's accomplishments;
B. An analysis of how the program could be changed as a result of its experiences;
C. A summary of comments received from the public regarding this program.

VI.

This Contract includes the following exhibits and such exhibits are attached hereto and made a part hereof for all purposes:

Exhibit A - Community Development Block Grant Program Requirements

Covered Action: Demolition of Dangerous Buildings Project
(type and identity of program, project or activity)

Exhibit D

FORT BEND COUNTY
DANGEROUS BUILDING DEMOLITION PROGRAM GUIDELINES

The Fort Bend County Dangerous Building Demolition Program provides assistance to demolish vacant, deteriorated and abandoned buildings in incorporated areas of Fort Bend County with Community Development Block Grant (CDBG) funds. The program is primarily intended for the demolition of single-family units, but may also include larger residential buildings and commercial and industrial structures. These guidelines should be used by cities that have been allocated CDBG funds administered by the Fort Bend County Community Development Department for the purpose of demolition.

Definitions

Dwelling unit. A house, apartment, mobile home or trailer serving as permanent living quarters or, if vacant, intended for occupancy as permanent living quarters.

Occupied dwelling unit. A dwelling unit occupied as the usual place or permanent residence by a person or group of persons.

Structure. Buildings and improvements which are not intended for permanent living quarters or dwelling units which have been converted to a use other than a dwelling unit.

Substandard dwelling unit. A dwelling unit which is deficient in any or all of the acceptable criteria of Section 8 Housing Quality Standards and, where applicable, the building code adopted by a city.

Vacant occupiable dwelling unit. A vacant dwelling unit that is in a standard condition; or a vacant dwelling unit that is in a substandard condition, but is suitable for rehabilitation; or a dwelling unit in any condition that has been occupied (except by a squatter) at any time within the period beginning one year before the start date of the demolition agreement with Fort Bend County.

Vacant unoccupiable dwelling unit. A vacant dwelling unit that is in substandard condition not suitable for rehabilitation. The dwelling unit has not been occupied (except by a squatter) at any time within the period beginning one year before the start date of the demolition agreement with Fort Bend County.

Eligible Activities

The demolition and clearance of dangerous buildings and structures is eligible for CDBG funding under this program. The purpose is to eliminate specific conditions of blight or physical decay on a spot basis not located in a slum or blighted area. CDBG funds may also be used to pay the cost of publishing any required notices.

Federal law requires replacement of CDBG-funded demolition of dwelling units which are either occupied by a low or moderate income person or vacant and are suitable for rehabilitation and occupancy by a low and moderate income person. Fort Bend County must ensure that it will not fund the demolition of residential buildings which could be occupied by low and moderate income persons. Therefore, occupied/occupiable dwelling units are not eligible for demolition under this program.

Description of Financial Assistance

Financial assistance will be in the form of a grant from Fort Bend County to the city through the Community Development Block Grant program.

Responsibilities of Fort Bend County

1. Fort Bend County will draw up an agreement to be executed by the city and the County. The agreement will contain the amount of assistance being made available to the city and a time period for carrying out the terms of the agreement.

2. Fort Bend County will make available Community Development Block Grant funds for the demolition of structures.

3. Fort Bend County will review the Certification of Compliance (see Appendix 1) submitted by the city for each property.

4. Fort Bend County will pay the city for demolition when all work has been completed on a contract and a request for payment has been received from the city.

5. Fort Bend County will obtain environmental clearances, if necessary.

Responsibilities of City

1. City must establish procedures for selecting structures eligible for demolition. If a program is established which allows liens to be filed against the properties, any collected fees shall be treated as program income and the County's CDBG program shall be reimbursed. This does not include liens for administrative fees incurred by the City.

2. City must determine that the dwelling unit has been vacant for at least one year and is unoccupiable. This requirement only applies to dwelling units. If the property can be determined to be not occupiable, it would be considered a structure and not subject to these requirements. If the city has a written policy that it only "red tags" vacant dwelling units and occupancy is prohibited after a unit is red tagged, then the date that the unit is tagged can be used as date when the 12 month vacancy period begins. The unit must also be determined not suitable for rehabilitation.

(In determining the date in which a substandard unit becomes vacant, HUD only requires that a community use the cheapest method of documentation. This may be the date on which the utilities were disconnected. If this form of verification is unavailable, other documentation such as statements from neighbors or mail carrier is acceptable. Only one form of verification is required.)

3. The city must submit one (1) Certification of Compliance form to Fort Bend County Community Development Department for each structure selected for demolition. The certification must state the specific condition that constitutes blight or physical decay.

4. The city must submit to Fort Bend County requests for payment in a manner permitting timely payments to city.

Demolition Process

Demolition contracts will be handled by the City through the normal bidding procedures. The contractor's work will be monitored and inspected by city staff to verify that all required work is in conformance with the contract between the contractor and the city. The County will periodically inspect the demolition to ensure that demolition is complete.

Reporting Requirements

Before a city commits CDBG funds to a demolition project, the city must provide the following information for monitoring purposes:

1. One (1) Certification of Compliance form for each structure selected for demolition.

2. The location on a map of the dwelling unit/structure that will be demolished.

3. A time schedule for the commencement and completion of the demolition.

Additional Information

For additional information please contact the Fort Bend County Community Development Department, (713) 341-4410.

AGREEMENT

THE STATE OF TEXAS §
§
COUNTY OF FORT BEND §

This agreement is by and between the City of Rosenberg, a body corporate and politic under the laws of the State of Texas, hereinafter referred to as "City," and Fort Bend County, a body corporate and politic under the laws of the State of Texas, hereinafter referred to as "County."

WITNESSETH:

WHEREAS, the County has submitted a Community Development Block Grant to the U. S. Government, application number B-92-UC-48-0004, which has been approved by the U. S. Government through the U. S. Department of Housing and Urban Development;

WHEREAS, the City did agree to co-operate to be included in the grant application; and,

WHEREAS, included in the approved grant application was the installation of a storm sewer system along Riverside Terrace/Cemetery Gully north of Avenue D, west of West Street, and east of Willow or Chandler to South of Cemetery for the total cost of $161,000 hereinafter referred to as the "Project"; and,

WHEREAS, the County is the grantee named in the Grant charged with compliance of the federal laws, rules, and regulations relating to the expenditure of funds received from the U. S. Government pursuant to the approved Community Development Block Grant application; and,

WHEREAS, the City is not familiar with such federal laws, rules, and regulations relating to the expenditure of U. S. Government funds under the Community Development Block Grant application; and,

WHEREAS, the County desires to assure compliance with such laws, rules, and regulations relating to the expenditure of funds under the Community Development Block Grant application; and,

WHEREAS, the County and City mutually agree as to the need to expedite this project as quickly as possible;

NOW, THEREFORE, the County and City do mutually agree as follows:

I.

SCOPE OF AGREEMENT

The County and City agree to construct the Project in accordance with the guidelines, rules, and regulations required by the U. S. Department of Housing and Urban Development, hereinafter referred to as "HUD."

II.

DUTIES OF THE COUNTY AND CITY

Within 30 days after the approval of said agreement, the City shall receive proposals for the design of the project. Within 15 days after the receipt of the proposals, the City will recommend to the County a firm to design the project. Within 15 days after the receipt of a recommendation, the County will issue the City a notice to proceed or not to proceed. Within 15 days after the receipt of the notice to proceed, the City will award the contract for project design. If a notice not to proceed is issued by the County, the City shall recommend another firm to the County.

Preliminary plans and specifications shall be submitted to the County to review for compliance with project scope, estimated cost and constructibility. Comments will be forwarded to the City for incorporation into the final plans and specifications. Final plans and specifications shall be submitted to the County to ensure compliance with HUD/County technical requirements and to insert County-related documents.

The City shall be responsible for the administration of the construction contracts, with the County approving the award of the bid. The City shall, at its own expense, furnish the necessary inspection personnel to assure itself of compliance with the contract. The County shall periodically inspect the project during construction. The County shall fund the Project as set forth in this agreement.

Within 180 days after the date this agreement is executed by both parties, the City will submit the plans and specifications for the Project to the County for the County's written approval.

Within 45 days after approval by County of plans and specifications, City will advertise for and receive bids for the construction of the Project in accordance with the approved plans and specifications in the manner similar to that of other City projects.

Upon receipt and tabulation of the bids for the Project, City will determine the lowest and best bid for the construction of the Project. In the event the lowest and best bid for the construction of the Project is an amount that would result in the cost of the Project being equal to or less than the sum of $128,750.00, City will notify County of the amount of the lowest and best bid for the Project. Upon such notification to the County, the County will transmit to the City written notice to proceed.

In the event the lowest and best bid for the construction of the Project is an amount in excess of the sum of $128,750.00, then the County shall have the following four (4) options:

1. The County may agree to use those Community Development Block Grant funds designated as contingency in Exhibit "B" attached hereto, to fund the construction costs to meet the lowest and best bid received by the City. If the County agrees to use contingency funds to meet the lowest and best bid, the County will transmit to the City written notice to proceed, or

2. The City shall notify County of the bid. The County shall undertake to negotiate with City for City to agree in writing to pay the additional costs of the Project. In the event the City agrees in writing to pay the additional costs, the County will notify the City to proceed to let the contract and continue with the construction of the Project. If the City fails to agree in writing to pay said additional costs and County fails to use contingency funds, the City, with written approval of the Director of the Fort Bend County Community Development Department, may reject all bids and elect not to proceed with the letting of the contract. The Project shall be terminated without any further obligations to County; or

3. The City shall notify the County of the bid and undertake to negotiate with the County for the County to agree in writing to reduce or delete specific items in the bid proposal so that bids will be within the amount of available construction funds. In the event the County agrees in writing to reduce or delete items in the bid proposal, the City will re-bid the project and proceed as if it were the original bid; or

4. The City, with the written approval of the Director of the Fort Bend County Community Development Department, may reject all bids and elect not to proceed with the letting of the contract and terminate the Project without any further obligations to County.

The City and the County, through its Community Development Department Director, may by prior written agreement mutually agree to re-allocate the funds among the various line items of the budget or to new line items created in the budget (Exhibit "B").

III.

PROJECT COSTS

For and in consideration of the construction of the Project as herein set forth, the County agrees to fund project costs not to exceed the total sum of One Hundred Sixty-One Thousand and

No/100 Dollars ($161,000.00) as set forth in the Budget for CDBG funds attached hereto as Exhibit "B," which shall be in full and total compensation for payment of all expenses allowed under this contract and the Grant Agreement with HUD. The County shall not be liable for the payment of expenses or costs which are not allowable under the terms of this Agreement and the Grant Agreement with HUD.

IV.

SOURCE OF FUNDING

The County has no County funds for the costs of goods and services to be rendered under this agreement. It is expressly agreed and understood that this agreement is predicated upon and conditioned on the County receiving funds for the purpose of paying the entire obligation of the County under this agreement from funds to be received from the U. S. Department of Housing and Urban Development, by virtue of Grant No. B-92-UC-48-0004, entitled Community Development Block Grant. Accordingly, notwithstanding anything herein to the contrary, the maximum liability of the County under the terms and provisions of this agreement shall not exceed $161,000.00 or the amount actually received by the County from HUD pursuant to the Block Grant.

The City admits knowledge of the fact that the County's obligation hereunder for payment of compensation and costs, if any, is limited to Federal funds received pursuant to the Grant Agreement in connection with the Community Development Block Grant Program of the U.S. Department of Housing and Urban Development, and that unless and until adequate funds have been received by the County under the Grant agreement to pay the City's compensation and expense reimbursement, the County shall have no obligation to the City.

RE: PAY IN LIEU OF COMP TIME
AGENDA # 19

This past week the District Court filed 41 court orders authorizing me to expunge liens filed by the County Attorney against individuals.

This is the first this office has been ordered to expunge records from the official records which required me to write new procedures to handle this type of expungement. I estimate the time involved by my staff to research the files; delete the liens from the computer index; delete each lien from each roll of microfilm; and make a new master of each roll of film to be approximately 200 hours at a pay rate of $13.87 per hour for time and one-half.

I will be able to cover the cost of material in reproducing master rolls of microfilm. However, I can not afford to give the time off for compensatory time earned for this special project. Since I am being ordered by the District Court to expunge these records, I am requesting that the Commissoners Court authorize the payment of all overtime at an approximate cost of $2000.00. Funds from County Clerk's 1992 budget (if available) and, if necessary, from the contingency fund per County Auditor.

Re: Recent Seminar, "Expanding your Wordperfect Skills with Desktop Publishing".

Dear Sir:

I am the Administrative Secretary for the County Engineer for Fort Bend County, Texas. I recently attended (January 31, 1992) the above seminar.

I am writing to tell you that I was very disappointed in the amount of learning that was actually received.

The instructor showed us many wonderful things that we could do on Wordperfect and it was all very exciting at the time, however many times he instructed us to listen to him and not take notes. He told us that these items were covered in our booklets. I was so thrilled at what he was sharing that I believed him and just listened and assumed that he was accurate at what was and was not covered in our booklet. As he would do things on the computer, we constantly had to ask him to go back and tell us the key sequence. He went far too fast. The seminar was scheduled to last until 4:30 P.M., but he let us out before 4:00 P.M. It was nice to get out ahead of the traffic, however we came to learn and the County paid $155.00 for me to take a course from which I got little or no benefit.

Much to my surprise, when I got home that night to try the things on my computer I had just been shown, , I was not only unable to do them the way he had said that I could, but I couldn't find reference to them in the booklet.

I took an Intermediate Wordperfect/One Day Course from Phillips Learning last year. I was able to implement everything I learned and they gave us a complete booklet with exercises and quick reference for the keys. It has proven invaluable to me.

I must be honest with you. I am upset that I didn't take the Phillips Learning Course for Advanced Wordperfect instead of your course. Your brochure came at the right time and I assumed that a company with your reputation would be just as good as Phillips Learning so I took your course. Big mistake!

I am writing you to ask for either a refund of the County's $155.00 or a complete transcript of the seminar with key sequences for each feature.

Please communicate with me as soon as possible.

Yours truly,

Abbie Frazier

Re: Oak Lake Estates, Section One
In Fort Bend County Municipal Utility District No. 41

Dear Commissioner:

As you requested during our meeting last Friday, October 30, 1992, we are forwarding this letter summarizing our proposed solution to resolve the matter of a manhole constructed within the proposed pavement to serve the referenced subdivision.

We are requesting a variance to the Fort Bend County subdivision guidelines requiring new manholes to be located outside of the pavement. We are proposing to replace the backfill material for the manhole and a section of sanitary sewer line below the pavement with compacted cement stabilized sand. In addition, a pavement block-out will be constructed around the manhole in accordance with the detail supplied to us by Mr. Ron Drachenberg.

We have consulted with members of the Board of Directors for Fort Bend County Municipal Utility District No. 41. A majority of the Directors have agreed to assume the maintenance responsibilities for the pavement block-out and the sewer line as required.

We appreciate your consideration on this matter. Please do not hesitate to contact our office if you have any questions.

Very truly yours,

David R. Tinney, P.E.

Microfilm Reader Printer

Commissioners' Court
County of Fort Bend
Richmond, Texas 77469

Dear Commissioners:

It has been suggested by a competitive bidder to the County Clerk's Office that Precision Products, Inc. may be doing something illegal when reassigning serial numbers for office equipment. We just had a general search performed and the suggestion that this may be illegal is unfounded. We found that the basic purpose for the attachment of serial numbers is the ability to identify a particular machine. It is not an integral part of the equipment. There are different reasons for the existence of serial numbers for each particular office equipment: warranties, service contract coverage, insurance coverage, leases, inventory, proof of ownership, etc.

The removal of serial numbers is only made unlawful in two areas: motor vehicles and weapons. The legislature in certain jurisdictions has made it unlawful to alter, change, erase, deface or mutilate identifying numbers of motor vehicles. The idea was not only to apply to the theft of motor vehicles, but that the stolen vehicles are used extensively in the commission of other crimes. The Gun Control Act makes illegal the transporting in interstate or foreign commerce of any firearm which has had the serial number removed, obliterated or altered for the same reason.

Office equipment is a different category of property. Nothing was found to infer that the reassignment of serial numbers by a company is not legal. In fact personal property in one's possession is said to be in the ownership of the possessor unless otherwise proven. In particular Precision Products, Inc. keeps records for the purpose of identifying office equipment in regard to warranties, service contract coverage, insurance coverage, leases, inventory, proof of ownership, etc.

I suggest to you that such record keeping reflects that the transactions between Precision Products, Inc. and its customers are legal. We respectfully ask for your kind consideration of this matter and for the award of the bid.

Sincerely,

Will Waterall

President

Dianne Wilson
FORT BEND COUNTY CLERK
309 S. Fourth St.
Richmond, Texas 77469

Ms. Wilson:

Thank you for allowing Precision Products, Inc. the opportunity to bid on a microfiche reader printer for Fort Bend County.

Our company can provide new Canon microfilm equipment as specified on the bid. Though we are not an authorized Canon dealer, we have the professional and technical expertise to support this reader printer at least as well as the local authorized dealer. I will elaborate on this in person or by telephone, whichever is more convenient for you. We have references which can verify the quality and the expediency of our service.

We have been in business for four and a half years, are financially solvent and have an excellent outlook for future business. The machine we offer is new and comes from an authorized Canon dealer. For any company to state that Precision Products can not sell or service machines of this type is a restraint of fair trade.

We do hope to reconcile this with you and the County of Fort Bend in the most respectful way.

Sincerely,

Will Waterall
President

CMI/MICROFILM RETRIEVAL SYSTEM
MRS MODEL 60

AS PER ORIGINAL

The CMI Microfilm Retrieval System, MRS Model 60, is a low cost microprocessor based system for the automatic retrieval of roll microfilm — with 1 or 2 levels of blips, or no blips at all. The operator keys in the desired frame, presses the Search key...and then the MRS 60 takes control of the reader...moving the film to the desired frame.

The MRS is a low cost, easy to use, add-on system for use with most roll microfilm readers and reader printers.

A one year warranty is provided.

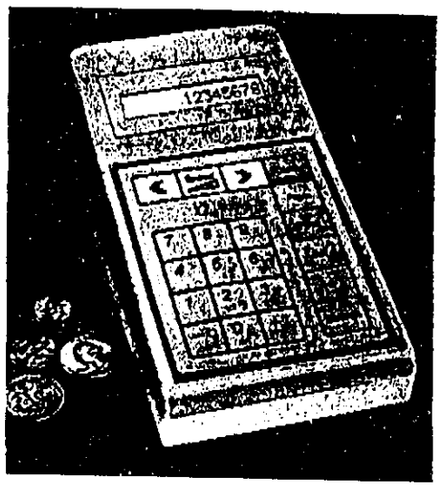

The all new MRS model 60 is fully compatible with earlier CMI/MRS installations.

ADVANTAGES of the MRS Model 60 —

- Easy to Install...easier to use...highly reliable...and inexpensive.
- Counts frames as well as blips...1 and 2 level...A and B Channel...Comic or Cine.
- Auto Print Collate...turns your plain paper reader into a copy machine or printer. Prints up to 99 copies of up to 999 frames...collated...or uncollated — 1 or 2 level.
- Senses positive or negative film...clear or foggy.
- Senses contrast or density differential...blip or frame to background — not a fixed density as in other systems.
- All available programs are provided as a standard feature. Programs can be selected by the operator through the keyboard using set up parameters or the MACRO feature.
- RS-232 capability is a standard feature.
- 1 year warranty...very reliable.

ADVANTAGES of ADD-ON RETRIEVAL SYSTEMS—

- Commonality of keyboards — if you have more than one model of reader, the MRS provides one keyboard for the operator to use, and to understand.
- CAR Compatibility — Most CAR systems on the market today offer a module to drive the MRS. The CAR system software "doesn't care" which reader is attached to the MRS. This means that the user can change readers with no changes to the CAR system.
- Install now and move later — you can install the MRS on a reader today...and move it to a new reader or a different reader when desired.
- 10 year life — most people expect a reader printer to last 5 years in moderate heavy use. The MRS should have a useful life of 10 years...hence it can be reused and amortized over 10 years.
- Maintenance — built-in retrieval systems incur the full contract maintenance charges, generally 10-12% per year. The MRS has a 1 year warranty....it is highly reliable.

Re: Western Gas Resources Storage, Inc.
Proposed 2,491 Acre Compressed
Gas Storage Plant and 14
Major Pipeline Interchange

Gentlemen:

It has come to our attention that you may be considering something, apparently a "variance" for the long-designated Major Thoroughfare known as "Roesner Road Extension", at your meeting on November 16.

You should be aware of other proceedings regarding the proposed Western Industrial installation in a residential neighborhood:

1. The Railroad Commission Permit has been appealed to the District Court in Travis County;

2. We are filing a Motion for Rehearing of the November 6 action of the Texas Air Control Board, principally based on Western's "safety" history in Texas, Wyoming and Montana, and insufficient operating requirements for protection of the public;

3. A Fort Bend County case is pending in the 268th District Court, wherein R. T. Shefman, Trustee, a substantial landowner, has asserted that the proposed industrial facility will violate residential restrictions covering the proposed plantsite; and

68 1682

AS PER ORIGINAL

AS PER ORIGINAL

4. Perhaps hundreds of condemnation cases are being filed against local landowners, some of which are already filed and scheduled for hearing by condemnation commissioners.

We trust that you will require of Western full and complete factual information regarding the above matters as well as the nature and extent of the proposed installation.

Western has asserted that the proposed installation will provide tax revenue. Western has failed to be totally candid in revealing the adverse effects on residential tax values in the community. Nine (9) 1,500 horsepower compressors operating 73% of the time could be reasonably expected to seriously decrease the values of homes in the area.

You might also want to ask Western about emissions from the proposed facility as well as its plans to build new pipelines in the area.

It should be observed that Western's Vice President, Gary Davis, testified before the TACB that Roesner Road Extension goes "smack through the middle" of its long-planned plant. Any variance would also place Roesner Road on top of a well known as "the Feeney 320 Acre Gas Unit No. 3" and probably on top of other wells which must be re-entered and re-plugged.

We respectfully suggest that you gentlemen satisfy yourselves that you have full, complete and accurate answers from Western before acting on any modification of Roesner Road. At best, the plans presented to Houston Planning & Zoning indicated that a "varied" Roesner Road would be within 200' of the proposed industrial facility.

Very truly yours,

Fred F. Abbey

November 13, 1992

Honorable Roy L. Cordes, Jr.
County Judge
P. O. Box 368
Richmond, TX 77469

Dear Judge Cordes,

Brown & Root has made several proposals to Fort Bend County for the construction management of the new juvenile detention center and jail expansion. The scope of work covered by these proposals has varied considerably. It is our understanding that you have now asked for proposals from other firms to provide these services. In order for this selection process to be fair and equitable, we recommend the county pause and define a scope of work so that all proposals are comparable and all firms are treated equitably. We would very much like to assist you in the understanding of the options available in the construction management process and in the development of a scope of work that meets the County's needs and fits within your budget.

In light of the above, we wish you to suspend consideration of our proposal dated November 9, 1992. We believe that the scope of work offered in that proposal is less than what is required for a high probability of success.

Yours truly,

R. L. Warters

Dear Judge Cordes:

This is written in response to your letter of August 21, 1992, addressed to the Transportation Planning Committee (MPO) for the Houston-Galveston Regional Transportation Study.

As you are no doubt aware, the Intermodal Surface Transportation Efficiency Act of 1992 provided, among other things, that "The metropolitan planning organization designated for a metropolitan area, in cooperation with the State and affected transit operators, shall develop a transportation improvement program for the area for which such organization is designated".

It is assumed that your correspondence was prompted as a part of this process and that your specific comments/request has received appropriate consideration and response by the MPO and/or Houston district of TxDOT.

We would like to take this opportunity to acknowledge and thank you for your interest in transportation and transportation planning. Also be assured that we look forward to the continuing support of Fort Bend County and the other member agencies of the MPO to assure that future Transportation Improvement Programs respond to the most acute needs of the region.

Thank you again for your interest and contributions to transportation planning.

Sincerely,

RE: 1993 Transportation Improvement Plan (T.I.P.)

Dear Transportation Planning Committee Member:

As a member of the Transportation Planning Committee, your input into the 1993 T.I.P. for the HGAC service area is important. This plan is the blueprint for transportation planning in the Houston area for the immediate future. It is critical that all transportation areas are addressed in this plan.

Of major concern is the deletion of the US Highway 59 improvement from the Harris County Line to SH 6. More specifically:

- US 59 from Harris County Line to West of Airport
- US 59 from West of Airport to Ramps at Spur 41/Sugar Creek Blvd.
- US 59 from Ramps at Spur 41/Sugar Creek Blvd. to East of SH 6
- US 59 from East of SH 6 to FM 2759

As the primary transportation corridor connecting Fort Bend County and the City of Houston, the deletion of these prior scheduled projects will result in a gross inconsistency in roadway planning and construction. With the west belt exceeding traffic projections, the resulting congestion at the junction of US 59 (Southwest Freeway) and the Sam Houston Tollway will quickly negate the positive influence of the US 59 improvements being completed today. In short, it makes no sense whatsoever to not complete the US 59 improvements to SH 6 as quickly as possible. Lastly, under ISTEA, Section 1105, US 59 is a high priority corridor from Laredo to Houston to Texarkana.

Additionally, we have highlighted additional projects which we unanimously agree deserve special attention when addressing the mobility needs of the greater Houston area.

- US 90A from 0.1 mile West of Present Street to Harris County Line
- US 90A from 0.3 mile West of SH 6 to 0.1 mile West of Present Street
- FM 1876 from US 90A to Old Richmond Road (Eldridge Road)
- FM 2234 from FM 3345 to FM 521

We ask the committee to give serious consideration to the US 59 Projects, as well as those additionally listed, for the 1993 plan. We wish to compliment the committee and staff on producing the plan within the new ISTEA guidelines in such a tight time-frame.

Thank you for your consideration of these matters. We look forward to working with you in the future.

Very truly yours,

TxDOT
TRANSPORTATION ENHANCEMENT PROGRAM
Proposed Program Framework

I. BACKGROUND

A. TxDOT Vision

The Texas Department of Transportation (TxDOT) envisions a state transportation infrastructure that promotes a mobile, economically healthy society for the people of Texas and that preserves or enhances the qualities of our environment and communities. The Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA) represents an important new opportunity for the department and the state in achieving that vision. The new federal law allows TxDOT to expand its activities beyond traditional highway and public transportation projects to include projects that will both support and enhance the enjoyment of the state transportation system within Texas' bountiful natural beauty and resources. To take advantage of that opportunity, TxDOT will provide a statewide transportation enhancement program for Texas.

B. Federal Transportation Enhancements Program

Transportation Enhancements are eligible activities in the Surface Transportation Program (STP), one of the federally funded federal-aid transportation programs created in the ISTEA. This new category of transportation enhancements often goes beyond traditional federal-aid transportation programs.

Federal law defines "transportation enhancement activities" as:

- Provision of facilities for pedestrians and bicycles
- Acquisition of scenic easements and scenic or historic sites
- Scenic or historic highway programs
- Landscaping and other scenic beautification
- Historic preservation
- Rehabilitation and operation of historic transportation buildings, structures or facilities (including historic railroad facilities and canals)
- Preservation of abandoned railway corridors (including the conversion and use thereof for pedestrian or bicycle trails)
- Control and removal of outdoor advertising
- Archaeological planning and research, and
- Mitigation of water pollution due to highway runoff.

The Federal Highway Administration (FHWA) has declared this list of eligible activities to be exclusive. FHWA guidelines provide that only those activities included on the above list

are eligible for federal funding as transportation enhancements. However, even activities not explicitly listed might qualify if they are an integral part of a larger activity that does qualify.

C. Funding

Over the 6-year term of the ISTEA (federal fiscal years 1992-1997), Texas could receive up to $1.8 billion from authorized STP funds. Ten percent of that amount must be used for a statewide program of transportation enhancement activities during the 6 years between 1992 and 1997.

Transportation enhancements are also eligible for funding with additional STP funds sub-allocated to the metropolitan planning organizations for those larger metropolitan areas designated as Transportation Management Areas (TMAs). Transportation enhancements funded with those suballocated funds are not included in the statewide transportation enhancement program funded by the 10% set-aside discussed above, and the submission and selection procedures set forth below do not address those activities.

In FY 1992, Texas was given authority to contract for about $24 million for statewide transportation enhancement activities. The amount available for contracts in any specific fiscal year is determined by the limitation on obligation authority established by federal appropriating legislation for that fiscal year. Because the FY 1993 appropriation bill has not yet been enacted, the comparable figure for FY 1993 is not yet available. We expect that amount to be about $30 million.

Funds apportioned to Texas in any one fiscal year must be committed to a project prior to the end of the third fiscal year following the year of apportionment. For example, the authorizations Texas received in FY 1992 are available for obligation through FY 1995.

Federal funds may reimburse no more than 80% of the costs of a transportation enhancement project. The non-federal share of project costs must be provided by state or local funds.

D. Eligibility

1. Federal Requirements

FHWA guidelines require that, to be eligible for funding as a transportation enhancement, an activity must go beyond what is usually provided. TxDOT and either FHWA or the Federal Transit Authority, as appropriate, will coordinate to initially determine which activities are "normal" and which are eligible for transportation enhancement funding.

Section 110(a) of 23 United States Code (USC) defines transportation enhancement activities only "with respect to any project or the area to be served by the project."

FHWA guidelines provide that, to be eligible for funding, a proposed project within an eligible activity category must have a direct relationship to the intermodal transportation system. However, the project need not be directly related to a currently planned highway project.

FHWA requires that the relationship be one of "function, proximity or impact." Some examples:

- An independent bike path is a functional part of the intermodal transportation system.
- Removal of outdoor advertising within sight of a highway is justified because of its proximity.
- Retrofitting an existing highway by creating a wetland to filter runoff from the highway would qualify based on the impact on water pollution from the highway.

Once the required relationship is established, proposed transportation enhancement projects can be carried out in a variety of ways. They may be stand alone projects or parts of larger, joint development projects. FHWA guidelines also provide that environmental analysis, project planning, design, land acquisition and construction activities necessary for implementing a qualifying transportation enhancement project are eligible for funding.

As STP projects, transportation enhancement activities are also subject to the project location restrictions of §133(c) of Title 23, USC. Thus, except for projects on bridges, bicycle transportation projects, and pedestrian walkway projects, transportation enhancement projects may not be located on local roads or rural minor collectors.

Transportation enhancement projects must also comply with federal laws and regulations governing environmental processes, accessibility for persons with disabilities, Davis-Bacon Act requirements regarding prevailing wage rates, competitive bidding, and other applicable provisions.

2. State Requirements

a. State Law

Federal funds are not disbursed in advance; state funds must first be spent for the eligible activities. Those state funds are then reimbursed to the state by the federal government.

Texas expenditures are by legislative appropriations from the State Highway Fund, the Public Transportation Fund, and other special funds in the state treasury.

Most of the State Highway Fund is composed of revenues from motor vehicle registration fees and three-fourths of the revenues from motor vehicle and fuel taxes.

These revenues are constitutionally dedicated to acquiring right-of-way for, constructing, maintaining, and policing public roads, and to administering the laws supervising traffic and safety on those roads. If the state expends moneys from the State Highway Fund and the federal government reimburses those expenditures, the reimbursed funds are also constitutionally dedicated to those same purposes. Statutory dedication is consistent with constitutional limits, but does allow any non-constitutionally dedicated revenues to be expended for any function of TxDOT. In addition, various statutes provide for certain other revenues to be deposited into the fund for specific use by TxDOT. For example, proceeds from the sale of promotional items for TEXAS HIGHWAYS magazine may only be spent for TxDOT's travel and information operations.

The Public Transportation Fund is statutorily dedicated to public transportation purposes. Other special funds are statutorily created and dedicated to other TxDOT functions. For example, the Highway Beautification Fund, which receives revenue from outdoor advertising sign permit fees, is dedicated to administering the Highway Beautification Act.

Any payments from these funds are therefore subject to the restrictions of state law. These legal restrictions include, but are not limited to, Article VIII, sections 7-a and 7-b of the Texas Constitution, Texas Civil Statutes, Articles 4477-9a, 6144e, 6674, 6674e, 6694, 6663b, and 6663c, and the General Appropriation Bill for the relevant biennium.

TxDOT intends to devise a program structure which will meet federal law and guidelines and yet remain within state constitutional and statutory limits. These limitations could mean that some transportation enhancement projects are ineligible for state funds, and that local funds would be required for the non-federal share. Even when state funds may legally cover the non-federal share of project costs, project sponsors could propose to cover those costs with local funds.

b. TxDOT Policy

TxDOT intends to limit funding for the statewide Transportation Enhancements Program to 10% of the state's annual STP allocation.

TxDOT policy requires that transportation enhancement projects be selected based on identified needs in specified project areas, consistent with federal legislation. It will be TxDOT policy to select for funding eligible projects which:

- Are not profit-making ventures
- Have long-term economic, environmental, historic, or public health benefits
- Enhance the experience of users of the state's intermodal transportation systems or facilities
- Are supported by the local community

- Provide benefits that are not purely local
- Are constructed to applicable standards, such as the U.S. Secretary of the Interior's Standards for Rehabilitation and those of the American Association of State Highway and Transportation Officials, unless applicable law permits deviation from those standards and circumstances make deviation appropriate
- Comply with state laws governing accessibility
- Are limited to a logical unit of work
- Are capable of being completed within three years or less

E. Planning

The metropolitan and statewide planning processes should occupy a central role in identifying, planning and funding transportation enhancement activities.

Because they are funded with federal-aid funds, all transportation enhancement projects selected for funding must be consistent with the long-range statewide transportation plan, once the requirement for that plan is implemented. All transportation enhancement projects selected for funding must be included in the State Transportation Improvement Program (STIP). Only transportation enhancement project proposals submitted to TxDOT and selected for funding will be included in the STIP.

All federally funded transportation enhancement activities in metropolitan areas must also be included in a metropolitan Transportation Improvement Program (TIP) approved by the Metropolitan Planning Organization (MPO) and the Governor.

F. Project Selection

The Texas Transportation Commission will decide where to use the statewide transportation enhancements program funds. However, because all transportation enhancement activities are STP projects, the specific projects must be selected according to general STP guidelines:

1. Projects in Metropolitan Planning Areas

In metropolitan planning areas, involvement of the MPO for that area in all stages of the project selection and development processes is critical to the success of the transportation enhancement program.

a. Projects in Transportation Management Areas

A metropolitan planning area including an urbanized area with a population of more than 200,000 is called a Transportation Management Area (TMA). The local MPO for a TMA selects all STP projects within its metropolitan planning area, including transportation enhancement projects, in consultation with TxDOT. In a TMA, TxDOT may implement only those projects selected by the local MPO. The transportation enhancement project selection must also be consistent with the

priorities established in the long-range transportation plan for the metropolitan planning area (once the ISTEA requirement is phased in), and the MPO must agree to include the project on its metropolitan TIP if the project is selected for funding.

b. Other Metropolitan Planning Area Projects

All STP projects in other metropolitan planning areas (that is, those including an urbanized area with a population of at least 50,000 but not more than 200,000), including transportation enhancement projects, are selected by TxDOT in cooperation with the MPO for that metropolitan area.

2. Projects in Other Areas

All STP projects in other areas of the state, including transportation enhancement projects, are selected by TxDOT in cooperation with local officials with jurisdiction.

FHWA suggests the following definitions:

- Consultation — the party selecting the projects consults with the specified party and considers this party's views in selecting projects; however, the party selecting the projects is not bound by the views of the other party.
- Cooperation — projects are in effect selected jointly by the parties involved.

G. Project Development

Transportation enhancement projects must comply with all applicable environmental and other federal requirements. This is true even when the express purpose of a particular project may be to enhance an element of the natural or cultural environment.

TxDOT is responsible to FHWA for transportation enhancement projects. However, Federal law permits TxDOT to develop transportation enhancement projects in cooperation with other state and local agencies and with private entities.

II. PROPOSED TXDOT PROGRAM FRAMEWORK

A. Strategy

TxDOT would carry out a statewide transportation enhancement program to support activities that will enhance the experience of users of the state's intermodal transportation systems or facilities. Transportation enhancement set-aside funds would not be sub-allocated to any TxDOT district office or to any geographic region of Texas. TxDOT would perform or contract work for all selected projects; transportation enhancement funds would not be sub-granted to other entities.

B. Structure

The Statewide Transportation Enhancement Program would be a six-year program. TxDOT would call for new project proposals annually. In this annual selection of new projects, TxDOT would consider not only newly proposed projects but also projects proposed in response to earlier calls but not selected for funding. Each of those projects would be considered against the priorities and selection criteria established both for the program in general and within the 10 categories of eligible activities established for the program. During this process, the sponsor of any project, whether newly proposed or carried forward from earlier calls, may be asked for additional information to be considered in the selection process.

C. Funding Availability

After considering the strategic priorities of the Texas Transportation Commission, TxDOT's own funding needs for activities enhancing an existing or planned TxDOT transportation project, and the number of external project proposals submitted, TxDOT would set aside an appropriate portion of available transportation enhancement funds for enhancement projects of strategic priority to the Texas Transportation Commission and for enhancement activities associated with planned transportation projects. The remaining transportation enhancement funds would be available for projects recommended by other state agencies, MPOs, counties, or cities.

While no specific amount would be guaranteed to any category, TxDOT intends to fund activities in each of the ten categories of eligibility at a level appropriate for that category, as indicated by the volume of proposed projects.

D. Project Submission

Project proposals would be submitted to TxDOT only by:

- One or more MPOs with jurisdiction over the project area, if the proposed project is wholly within one or more metropolitan planning areas
- One or more Texas cities or counties with jurisdiction over the project area, if the proposed project is within one or more cities or counties and not within a metropolitan planning area
- A state agency.

The proposal should provide enough information to enable TxDOT to determine the project's general eligibility. Specifically, it should include:

- Enough information for TxDOT to determine, and for FHWA to agree, that the proposed project:
  - Falls within one of the 10 categories of transportation enhancement activities eligible for federal funds

- Is beyond what is usually provided
- Has the required relationship of function, proximity, or impact to the intermodal transportation system
- Except for bridge projects, bicycle transportation projects, and pedestrian walkway projects, is not located on a local road or rural minor collector
- Would conform to any applicable requirements of the Americans with Disabilities Act and any other federal or state laws concerning accessibility by persons with disabilities.

♦ Enough information for TxDOT to determine that undertaking the proposed project:
- Is not a profit-making venture
- Is within the authority granted TxDOT under the Constitution and statutes of the State of Texas.
- Meets any special eligibility criteria applicable to that category of transportation enhancement activities
- Would enhance the experience of users of the state's intermodal transportation systems or facilities.
- Would have long-term economic, environmental, historic, or public health benefits
- Would provide benefits that are not purely local.

The proposal must also include:

- A full project description
- A project location map, project boundary map, site plan, and floor plan, if applicable. Photographs of the project site would be strongly recommended.
- A table summarizing all project elements and costs
- Identification of all property that must be acquired to carry out the project and its value, and proof of ownership of any property involved in the project.
- Include an environmental assessment identifying all significant environmental issues involved with the proposal
- Letters from donors and sponsors committing non-federal share of project costs
- Letters of commitment or support from project sponsors, local government officials, and regional organizations
- A plan for maintenance and management of the project, including the expected source of funds to support those activities
- For projects including activities located in a metropolitan area, a letter from the MPO committing to include the proposed project activities in the metropolitan TIP if selected for funding. For projects including activities located in non-metropolitan areas, a letter from local officials with jurisdiction over the non-metropolitan area approving the proposed project.

E. Project Selection

TxDOT staff would review projects recommended by other state agencies, MPOs, cities, and counties to ensure that the proposed projects meet all applicable criteria for eligibility.

Eligible projects would then be referred to one of three Transportation Enhancements Project Advisory Committees. The advisory committees would consist of at least three but not more than five members, including representatives of those state agencies primarily responsible for activities within the jurisdiction of that committee and representatives selected by TxDOT from individuals nominated by advocacy groups supporting those types of activities. A state agency representative would serve as chair. TxDOT staff would advise the committee and provide support.

The three Transportation Enhancement Project Advisory Committees, and the types of activities within the scope of review for each, are:

- The Historic Enhancements Advisory Committee:
  - Historic highway programs
  - Rehabilitation and operation of historic transportation buildings, structures, or facilities
  - Preservation of historic railway corridors that have been abandoned (not including conversion and use of such corridors for pedestrian or bicycle trails)
  - Historic preservation
  - Acquisition of historic sites
  - Archaeological planning and research

- The Scenic and Environmental Enhancements Advisory Committee:
  - Scenic highway programs
  - Landscaping and other scenic beautification
  - Control of outdoor advertising
  - Acquisition of scenic easements and scenic sites
  - Mitigation of water pollution due to highway runoff

- The Pedestrian and Bicycle Enhancements Advisory Committee:
  - Provision of facilities for pedestrians and bicycles
  - Conversion and use of abandoned railway corridors for pedestrian or bicycle trails

Each Transportation Enhancements Project Advisory Committees would rate all eligible proposals submitted in response to a particular call for proposals by TxDOT. The committee may request additional information or presentations concerning any proposed project from project sponsors.

The advisory committees would rate project proposals on a scale of 1 to 10 according to each of the following criteria. The score in each criterion would be weighted as indicated:

CRITERION	WEIGHT	MAXIMUM SCORE
Probable long-term benefit to the state, including consistency with the statewide long-range plan and statewide intermodal plans.	2.5	25.0
Probable enhancement value, including enhancement of the quality or utility of existing or new transportation facilities or services, the experience of users of transportation systems or facilities, and the effectiveness of the state's travel and tourism efforts.	2.5	25.0
Project support, including consistency with local transportation plans, firmness of commitments of community support for the project, and funding commitments.	2.0	20.0
Cost, including the probability of completing the project within budget.	2.0	20.0
Interrelationship with other projects selected to ensure an appropriate array of projects representing all eligible categories.	1.0	10.0
TOTAL	**10.0**	**100.0**

Using these criteria, each of the advisory committees would recommend projects to the TxDOT Transportation Enhancements Program Committee.

F. Programming

The TxDOT Transportation Enhancements Program Committee would consist of representatives of those TxDOT headquarters divisions most directly related to the Transportation Enhancements Program. The program committee would prepare a program of recommended projects, and would submit that proposed program, together with recommended funding priorities, to the Texas Transportation Commission. The metropolitan and statewide planning processes would be considered in recommending funding priorities from among competing transportation enhancement proposals. The Texas Transportation Commission would select projects for implementation.

Upon TxDOT's commitment to fund a project in a metropolitan area and prior to final programming, the MPO must place the project on the metropolitan TIP.

TxDOT would place on the STIP:

- Those metropolitan projects selected for implementation that have been placed on the applicable metropolitan TIP, and
- Those non-metropolitan projects selected for implementation.

III. Request for Comments

Your comments may address any or all aspects of the Proposed TxDOT Program Framework above. You are particularly invited to comment on the following issues:

- Should the ten types of activities eligible for funding under federal law be grouped into a smaller number of categories? Why or why not? What groupings would you propose and why?
- Please provide examples of specific types of projects, if any, you might propose in each of the ten categories of eligibility.
- Do you agree with the proposed allocation of funding to each of the proposed categories? If not, what alternative allocation would you propose and why?
- Should a proposed transportation enhancement project be required to meet minimum criteria beyond those criteria implicit in federal and state law as a precondition to being considered for funding? If so, what criteria would you propose and why?
- What criteria should be used to select projects for funding within each of the categories? How should those criteria be weighted?
- Who should make up the advisory committees? How large should these committees be?
- How should the required non-federal share of transportation enhancement project costs be provided? Should project proposals with local funding be given higher priority in the project selection process? Should that priority depend on the share of local funding?
- Sometimes a single independent transportation enhancement project proposal may involve only one of the 10 transportation enhancement activities eligible under federal law. At other times, several of the 10 eligible transportation enhancement activities may be associated with a single proposal for a major construction project. How should competition between such projects be structured? Should a project proposal be ranked higher because it would address several eligible activities rather than only a single eligible activity?

Thomas A. Griebel
Director of Planning and Policy
Texas Department of Transportation
125 East 11th Street
Austin, Texas 78701-2483

Dear Mr. Griebel,

The Houston-Galveston Area Council (H-GAC) is the Metropolitan Planning Organization (MPO) responsible for the Houston-Galveston Transportation Management Area (HGTMA) consisting of the eight counties of Brazoria, Chambers, Fort Bend, Galveston, Harris, Liberty, Montgomery and Waller. As such, please find enclosed our comments on the Proposed TxDOT Transportation Enhancement Program Framework as solicited in the October 6, 1992 edition of the Texas Register, reference: TRD-9213244.

COMMENTS ON SOLICITED ISSUES:

1. Should the ten types of activities eligible for funding under federal laws be grouped into a smaller number of categories? Why or why not? What groupings would you propose and why?

   If TxDOT decides to proceed with the three (3) Transportation Enhancement Projects Advisory Committees as described on Page 9: The Historic Enhancements Advisory Committee, The Scenic and Environmental Enhancements Advisory Committee, and The Pedestrian and Bicycle Enhancements Advisory Committee, then the 10 activity types should be grouped accordingly. This would reduce TxDOT staff time in determining to which committee the project should be submitted.

2. Please provide examples of specific types of projects, if any, you might propose in each of the ten categories of eligibility?

   NO COMMENT.

3. Do you agree with the proposed allocation of funding to each of the proposed categories? If not, what alternative allocation would you propose and why?

   It is our understanding that TxDOT is proposing to fund activities in each of the ten categories at a level appropriate for each category based on the annual volume of proposed projects in each category and that the volume of proposed projects would include both new projects AND previously submitted, but previously unfunded, projects.

4. Should a proposed transportation enhancement project be required to meet minimum criteria beyond those criteria implicit in federal and state law as a precondition to being considered for funding? If so, what criteria would you propose and why?

a. Would transportation enhancement project funding be subtracted from the regional funding ceiling or would it be added to the region's obligational ceiling?

b. Does the proposed framework imply that **ALL** projects within the MPO's jurisdiction must first be submitted to us and we, in turn, submit them to TxDOT? Would the MPO be performing any screening process? If not, then why are local projects not being submitted directly to TxDOT, especially since we cannot put them in our TIP unless they will be funded, a decision to be made by TxDOT's Enhancement Program Committee?

FINAL COMMENTS:

Tremendous attention and interest has been generated in the enhancements program. This interest has led to funding expectations that are out of scale with available monies. The Department's position of limiting consideration of proposals only to funds remaining after TxDOT has internally selected projects has many potentially negative consequences.

Local organizations need to know the amount of funds available for projects after TxDOT reserves funds for its own projects. If this procedure is adopted, we suggest TxDOT institute a two-step process -- determine its needed funding, and then announce funds available for local projects. Without realistic information about funds available, TxDOT should expect considerable interest from many new groups who will lobby the Department intensely.

However, instead, we urge TxDOT to <u>not</u> set aside its projects first. Instead, **all** projects from within the State should undergo the same open and competitive process.

TxDOT should make all projects subject to the evaluation and ranking process. If the process currently prepared does not adequately reflect ***Commission Priorities***, change the evaluation criteria. At a minimum, a known percentage of the enhancements money should be reserved for the proposal process.

Sincerely,

Alan Clark

Alan Clark, Manager
Transportation Dept.

5. What criteria should be used to select projects for funding within each of the categories? How should those criteria be weighted?

The criteria, listed on page 10, are missing a very important set of criteria. There should be criterion pertaining to environmental benefits/impacts, especially as they relate to air quality.

6. Who should make up the advisory committees? How large should these committees be?

The Houston-Galveston Area Council feels very strongly that the advisory committees should have both MPO and local TxDOT representation on these committees. Furthermore, it would be desirable to include some representation from other groups (environmental, bicycling, etc.). Three to five persons appear to be too small if any representation outside of TxDOT is permitted.

7. How should the required non-federal share of transportation enhancement costs be provided? Should project proposals with local funding be given higher in the project selection process? Should that priority depend on the share of local funding?

Local participation in project costs should be encouraged by influencing the scoring for costs contained in the evaluation criteria.

8. Sometimes a single independent transportation enhancement project proposal may involve only one of the 10 transportation enhancement activities eligible under federal law. At other times, several of the 10 eligible transportation enhancement activities may be associated with a single proposal for a major construction project. How should competition between such projects be structured? Should a project proposal be ranked higher because it would address several eligible activities rather than only a single eligible activity?

Other than assuming some level of participation within the three big groupings suggested by the advisory committee structure, projects should be selected based on their relative scoring.

QUESTIONS THAT H-GAC WOULD LIKE TO HAVE ANSWERED:

Ref. Page 4 -- Does state law or constitutional concerns apply to the state matching share only?

Ref. Page 6 -- The last paragraph indicates that there would not be any sub-granting of funds to other entities. Will TxDOT be allowed to contract with a local entity?

Ref. Page 7 -- In reference to Funding Availability, will the "set aside" levels of funding for each of the type of projects be publicly announced through the media each year?

In reference to Project Submission, H-GAC would like to see further clarification on the MPO's role in project selection and submission:
