Dear Mr. Miller,

I received your letter dated November 24, 1992 requesting a change in NCR Comten host software from VM to DOS/ESA. I have enclosed contracts to make the change that you requested. I have also included contracts to upgrade your present ACF/NCP 4.2 to ACF/NCP 5.2 along with the request change in host software from VM to DOS/VSE. NCR has made ACF/NCP 4.2 a category III product which is now supported on a time and material basis. ACF/NCP 5.2 is our current level of category I ACF/NCP.

If funding for the ACF/NCP 5.2 and CLSS1 R4 exceeds your $5,000.00 budget for a single item, this order can be split into two orders covering ACF/NCP 5.2 and CLSS1 R4 separately.

Upon return of signed one one contract contracts I will order a full file replacement. If you have any questions please contact me at 713-776-4565.

Dear Judge:

My apologies for the delay in getting the attached to you concerning Strategic Choices - the joint IBM/NACo sponsored planning process for local governments. If you are interested in obtaining more information, contact Lee Ruck, NACo General Counsel at 202-393-6226.

I've checked our calendars and Ron Schultz, TAC's Investment Consultant, and I would like very much to appear before your court on December 21st to present the TAC County Investment Officer (CIO) certification to Ft. Bend County Treasurer Kathy Hynson. If time is no longer available on that day, we can certainly reschedule. Kathy has been a moving force behind the development of our new education program on public funds investment and we would like very much to acknowledge her efforts locally. We greatly appreciate your assistance.

I've made some calls concerning any counties or local governments in Texas that are endeavoring to implement TQM concepts. I may have some referrals for you when I see you later this month.

We'll be in touch. If we need to reschedule the 21st - just let me know.

A.D.A. Title II Accessibility Compliance

Committee Project Report

The committee has been very active and has met at least monthly since it was organized in July.

Groups were formed to work on various portions of compliance.

The need for a TDD in the Travis Building was recognized and Dee Sherril secured one as a donation from the Sheriff's office. Dee had representatives of the phone company visit each of our locations and the pay phones are being reviewed for proper accommodation and signage to meet ADA requirements. Dee has installed hearing auxiliary aids on appropriate phones.

The Travis Building, Courthouse and Jane Long Annex were toured by members of the committee and Pat Ramos, a volunteer from the Barrier Free Group Home in Rosenberg who is assisting us in our efforts to provide maximum accessibility while minimizing cost to the taxpayers. We have been able to view the actual problems encountered and discover simple solutions to many of those problems.

Members of the committee are securing cost of various items that are considered "readily achievable".

The purchasing department, engineering department and county attorneys office are working together very closely to be sure we do not violate ADA regulations on new construction, alterations of existing facilities or leased premises. Failure to comply in these areas could cost the county loss or delay of all federal funding.

We will be asking you to adopt a resolution in the interest of assuring compliance. A subcommittee has been designated to assure compliance consisting of the representative from:

1. Engineering
2. Purchasing
3. County Attorney's Office

Self evaluations were requested from all and received from most departments. We are concerned that some of the officials or department heads do not understood this law nor the possible penalty to the entire county for failure to comply. We are required to provide education to all our employees. The committee plans ADA education workshops for officials, supervisors, administrators and budget staff explaining the law and how to complete the required detailed self evaluation. We then plan a series of ADA articles in a newsletter format to reach all employees.

The law requires documentation of "undue burden" only be completed and signed by someone with budget authority. This seems to indicate the same line of authority might exist for compliance. We might want to investigate the possibility of withholding funds from any department or official for failure to document compliance since we would be risking loss of funds for all county programs for failure of any one department to comply.

We will be asking for your assistance in allowing us to list this compliance workshop as mandatory for all officials, supervisory or budgetary staff.

Juvenile Probation Detention Facility

The needs have been identified for additional training and implementation of a risk management record keeping system.

The project will be extensive since we have immediate needs in the current facility but we do not want to spend any more tax dollars than absolutely necessary on the existing facility. We believe much can be done through training and inexpensive temporary measures can be implemented to provide improved security and safety.

We considered this project when we presented budget figures for Safety Training for 1993. We expect to have the program designed and presented to you for approval in early 1993.

Dennis McAfee and Rick Spofford are anxious to get the project implemented during the first quarter of 1993.

Building Valuations Project

We have not yet completed this project. The service we had anticipated using proved to be unsatisfactory.

Research has made us aware of ways to handle the project internally at no additional cost to the county. We anticipate completion in early 1993.

Liability Self-Insurance Study Project

We determined that the pricing we have negotiated on our liability coverage are so far below the industry average that it would not be to our advantage to self insure due to the cost of reinsurance for catastrophic losses.

This should be given renewed consideration if pricing increases substantially in the future.

Insurance Department

Sandy, Darlene and Eileen have done an outstanding job this year in establishing this department. Judge Cordes has given them a lot of room to plan their own work flow

and guided them in the area of financial management and problem solving.

We are receiving excellent response county wide to this new department.

We continue to research more efficient ways to conduct the daily task required to manage our Employee Benefit Program. We are looking for ways to cut our administrative cost while providing the same level of assistance when our employees have problems.

The department just completed more than 20 meetings explaining plan changes and giving employees the opportunity to make changes for 1993. Sandy, Eileen and Darlene should all be commended for the outstanding effort they put forth to be sure our employees understand their benefit plan.

We have had two (2) formal complaints this year from employees. One complaint was due to discontinuation of the Sanus HMO which was out of our control and the other was intended as an effort to indicate the employee felt we needed additional staff.

I am extremely proud as I am sure you are of the work of the department and the dedication of our staff.

Insurance Coverages

We are now completing the paper work for the previously negotiated and approved contracts on various property, general liability and autombile coverages with 1-1-93 anniversary dates.

Workers Compensation Claims Administration

The claims service we have received has been excellent. The relationship between the designated adjuster and our staff is very good. We have been pleased with the quick response to our request for assistance.

We have had experienced substantial problems in our efforts to remit payment to Crawford for their services and claims reimbursement. We have worked diligently to correct the problem and believe we are very near a solution.

We have investigated several other possibilities and do have other ways to handle these claims should we find that necessary. **We do however desire to solve the problem and continue doing business with Crawford & Company since the service is excellent.**

Anco (Wilson Claims Service) and Chachere Council-Covell Insurance Services have proved very effective in assuring no interruption of claims payments.

We will report to you further in January.

Fairgrounds Property Loss

Claims service and payment has been exceptional.

Chachere-Council-Conell Insurance Sevices, Inc. should be commended on their choice of carriers and their assistance in getting money to the county so quickly to deal with this claim.

We should also point out that the Extra Expense and Loss of Income coverage we secured at no additional cost last year came very close to being utilized.

The property package has again proved to be very well written.

Risk Management Projects

Results and Status

1. Insurance requirements are routinely included in all RFP's by the Purchasing Department.

2. Insurance and risk management consideration are given in all contracts reviewed by the County Attorneys office including but not limited to:

   a) building and construction management
   b) equipment and building leases
   c) Professional and service agreements
   d) premises agreements

3. HIV/AIDS Education documentation procedures as required by the Texas Department of Health are being implemented in various departments.

4. Subrogation has been very successful this year with very favorable reimbursement in several automobile losses.

5. The results of the Specialized Back Training seem to prove the training was a success. We will have a full report 12 months after training.

6. Community Center Safety Audit

   A comprehensive safety audit was conducted at the Jake Dove Community Center by Texas Association of Counties.

The facility was found to be in excellent condition. A few recommendations were made to improve safety and inexpensive ways to implement these improvements were recommended.

7. We plan to meet with each newly elected official and/or their designated representative to acquaint them with insurance coverage and claims procedures the first quarter of 1993.

8. We should have a basic Safety Manual completed in the first quarter of 1993.

9. We plan to implement a Hazardous Communication Policy and required training documentation procedures in the first quarter of 1993.

10. We plan to issue Safety Certificates to all employees with no job related injury or accident in 1992.

11. We are currently working with Commissioner Prestage's office and the County Attorney's office on risk management procedures and documentation to be used during the upcoming Health Fair.

Summary

We are pleased with our 1992 results and have great expectations for the 1993 program.

The aggressive approach you took in establishing an Insurance-Risk Management Department in 1992 and the decision to self insure workers' compensation has proven very beneficial to the taxpayers of Fort Bend County. You have created new job opportunities, increased protection of the counties assets, increased awareness of the importance of safety and loss control and saved approximately $700,000. in tax dollars.

I appreciate the confidence and support you have given me this year and thank you for the opportunity of participating in this effort.

Respectfully submitted,

RE: Pecan Shadows Dr. in Pecan Shadows Subdivision 257 ft.

Dear Sir;

The Engineering Dept. has no objection to acceptance of the above road. The subdivision is unrecorded but the plat shows the 60 foot ROW separate from the lots as the dedication in the county deed records in Volume 518, Page 276 indicates. In addition, the 10 lot owners adjacent to the road have signed agreements dedicating "said sixty foot easement for county maintenance". Copies of these notarized agreements have been sent to the county attorney for review as noted in fax sheets I sent to you Dec. 15th.

No depth or width inspections for the base material were requested from your office to date, thus this department cannot make any statement in that category as to conformance to county requirements.

If you have any questions please call.

Sincerely,

Karl E. Baker

RE: Janitorial Supplies - Bid #93-015.

Gentlemen,

On Monday, December 21, 1992 we will appear before the Court seeking authorization to reject all bids received for Janitorial Supplies. We will also request authorization to re-write and re-advertise the bid invitation.

This action is necessary due to failure by all four bidders to meet the minimum specifications published. For example, the bid specifications called for a 32 ounce bottle of concentrated room deodorant and one or more bidders quoted a 1 gallon container. We specifically requested a certain size container and the bidders totally ignored our instructions. Extensive research was conducted, prior to issuing the bid invitation, to insure that all products and container sizes specified were readily available from all know sources. We therefore request the rejection of all bids received.

With the concurrance of the Court, we intend to solicit bids for paper and plastic products such as trash can liners and paper towels, only; this is the area of the janitorial supply contract where a majority of the dollars are spent. The remainder of the items, which constitute an expenditure of less than $5,000.00 annually, would be purchased on the open market and handled through the Central Store or delivered by the vendor to the end user.

If you have any questions or if I can be of any further assistance please contact me directly at (713) 341-8646.

Respectfully submitted,

Gilbert D. Jalomo, Jr.

GENERAL NOTES TO MEETING HELD WEDNESDAY, DECEMBER 16, 1992
1:30 p.m., IN THE ARCHITECT'S OFFICE

TOPIC OF DISCUSSION: Changes to the new Fort Bend County Jail Design

PRESENT AT MEETING:
FT. BEND CO. SHERIFF'S DEPT. REPS:
Hollman Gregory
Capt. Ken Lee
Sgt. Larry Welch
DI STEFANO/SANTOPETRO ARCHITECTS REPS:
Chris DiStefano
Bryan Horn

In regards to the new Jail, the following items were discussed:

ITEM 1: The areas of the new Squad Room, Dispatch and Records would remain as is presently designed.

ITEM 2: The Male Infirmary areas shall be changed to reduce the number of beds, based on acceptable percentages of overall inmate population. This would in turn allow for the addition of 48 beds for trustees using existing 24-man dorm rooms.

ITEM 3: The Single-Male Holding Cells shall be enlarged with the adjacent corridor behind these cells being deleted.

ITEM 4: The new Booking, Shakedown and Waiting Areas shall be re-designed to accommodate both incoming Men and Women prisoners. The Booking will also be re-designed to provide a minimum of four (4) computer terminal stations across from the Photo/Fingerprint Room.

ITEM 5: A temporary Holding Room for valuables shall be provided in the Booking Room. These valuables would then be taken to a vault (approx. 8'x12') in the Property Storage Room.

ITEM 6: A Shift Supervisor shall be added next to the Intake/ Records Room across from Booking, using the existing room as shown with slight modifications.

ITEM 7: The Classification, Exam and Doctor Area shall be re-designed.

ITEM 8: The Female Booking and Intox Rooms shall be deleted. Both Male and Female Booking shall occur at the same location near the new Sally Port.

ITEM 9: The Guard Station next to Kitchen shall remain.

ITEM 10: Master Control will be enlarged to handle the public as well as its jail operations. (The Information Window at the Public Entrance has been deleted.)

ITEM 11: The Administration Offices for the Sheriff shall be re-designed at the next meeting.

ITEM 12: The Jail Facility shall be designed in accordance with ADA ~~with exceptions in the Security Areas where not feasible~~.

If there are questions or discrepancies regarding these notes, please call.

Re: Proposal for Consulting Services to the FBCDD

Dear Mr. Gerken:

This letter contains a proposal for the undersigned to provide consulting services to the Fort Bend County Drainage District on an as-needed basis. The purpose of these services is to assist the District in various matters in which the District believes it would derive benefit from the advice and expertise of the undersigned. These consulting services will not include legal services, but will be of a technical nature.

In an attempt to efficiently achieve the above, this proposal is requesting the FBCDD Board give its approval to the FBCDD Manager to seek and obtain such consulting services from the undersigned as the need arises. Such services would be obtained by issuing specific scopes of work, each for a fee not to exceed a fixed amount, but in no event would such an amount exceed $10,000, based on a hourly rate of $100. This authorization by the Board does not limit the number of scopes that can be issued by the FBCDD Manager, but rather limits the total cumulative fee for services obtained from the undersigned under this authorization to $50,000, covering scopes issued from the date this proposal is accepted by the Board through December 31, 1993.

If the above proposal is acceptable to the FBCDD Board, please have the County Judge sign below and return a signed copy of this proposal to the undersigned.

MONTHLY REPORT
NOVEMBER, 1992

The removal of vegetation from channels during November, 1992 was accomplished by shredding, which was done on twenty-eight (28) channels. Those channels included Big Creek II-B, Fulshear Creek II-F, Rabbs Bayou II-D, and Snake Creek I-C.

The District's bridge crew repaired or replaced watergates on Rabbs Bayou II-D, Turkey Creek II-A-2-a and Turkey Creek II-A-2-a-1. The crew also replaced a 16' x 75' long bridge across East Bernard Ditch I-G.

The LinkBelt LS-98A dragline dug on the Big Creek Bypass during November. Approximately three thousand, five hundred (3,500) cubic yards of dirt were dug.

The excavation of Brazos River II-H (Ditch "H") continued where the Northwest 9570 dragline dug eight thousand, two hundred cubic yards of spoil dirt.

The Northwest 41 dragline and the Fiat Allis 16 bulldozer continued to work on Deer Creek II-B-5. Approximately five thousand, five hundred (5,500) cubic yards of dirt were dug and spread.

The Rapier NCK-305 dragline has begun on the completion of the Cow Creek II-A-5 project. Eleven thousand (11,000) cubic yards of dirt were dug during November.

The District began on the repair of Willow Fork of Buffalo Bayou V-A-2. This work is being done through an interlocal agreement with the Fort Bend County Municipal Utility District #34. Fort Bend County Precinct #3 is also providing equipment and manpower for the repairs, which consist primarily of repairing large sections of eroded channel caused in part by previous lack of maintenance.

The following charts indicate which projects received work during November, 1992 and which equipment was assigned to each.

This endorsement applies only to PUBLIC EMPLOYEE DISHONESTY COVERAGE FORM O or P.

PROVISIONS

1. The following is added as a Covered Cause of Loss:

   Failure of any "employee" to faithfully perform his or her duties as prescribed by law, when such failure has as its direct and immediate result a loss of your Covered Property, including inability to faithfully perform those duties because of a criminal act committed by a person other than an "employee".

2. The following Additional Exclusion is added:

   Depository Failure: loss resulting from the failure of any entity acting as a depository for your property or property for which you are responsible.

3. Part 2.a.(1) of the Coverage Form is deleted and the following substituted:

   Immediately upon discovery by you or any official or employee authorized to manage, govern or control your employees of any act on the part of an "employee" whether before or after becoming employed by you which would constitute a loss covered under the terms of this Coverage Form, as amended by this endorsement.

4. Part 2.c. of the Coverage Form is deleted and the following substituted:

   Indemnification: We will indemnify any of your officials who are required by law to give bonds for the faithful performance of their service against loss through the failure of any "employee" under the supervision of that official to faithfully perform his or her duties as prescribed by law, when such failure has as its direct and immediate result a loss of your Covered Property, including inability to faithfully perform those duties because of a criminal act committed by a person other than an "employee".

EMPLOYEE DISHONESTY COVERAGE FORM

A. COVERAGE

We will pay for loss of, and loss from damage to, Covered Property resulting directly from the Covered Cause of Loss.

1. **Covered Property:** "Money", "securities", and "property other than money and securities".

B. LIMIT OF INSURANCE

The most we will pay for loss in any one "occurrence" is the applicable Limit of Insurance shown in the DECLARATIONS.

C. DEDUCTIBLE

1. We will not pay for loss in any one "occurrence" unless the amount of loss exceeds the Deductible Amount shown in the DECLARATIONS. We will then pay the amount of loss in excess of the Deductible Amount, up to the Limit of Insurance.
2. You must:
   a. Give us notice as soon as possible of any loss of the type insured under this Coverage Form even though it falls entirely within the Deductible Amount.
   b. Upon our request, give us a statement describing the loss.

D. ADDITIONAL EXCLUSIONS, CONDITION AND DEFINITIONS: In addition to the provisions in the Crime General Provisions, this Coverage Form is subject to the following:

1. **Additional Exclusions:** We will not pay for loss as specified below:

   Cancellation As To Any Employee: This insurance is cancelled as to any "employee":
   a. Immediately upon discovery by:

   b. On the date specified in a notice mailed to you. That date will be at least 30 days after the date of mailing.

      The mailing of notice to you at the last mailing address known to us will be sufficient proof of notice. Delivery of notice is the same as mailing.
3. **Additional Definitions**
   a. **"Employee Dishonesty"** in paragraph A.2. means only dishonest acts committed by an "employee", whether identified or not, acting alone or in collusion with other persons, except you or a partner, with the manifest intent to:
      (1) Cause you to sustain loss; and also
      (2) Obtain financial benefit (other than employee benefits earned in the normal course of employment, including: salaries, commissions, fees, bonuses, promotions, awards, profit sharing or pensions) for:
         (a) The "employee"; or
         (b) Any person or organization intended by the "employee" to receive that benefit.
   b. **"Occurrence"** means all loss caused by, or involving, one or more "employees", whether the result of a single act or series of acts.

CRIME GENERAL PROVISIONS

3. **Discovery Period for Loss:** We will pay only for covered loss discovered no later than one year from the end of the policy period.

4. **Duties in the Event of Loss:** After you discover a loss or a situation that may result in loss of, or loss from damage to, Covered Property you must:

   b. If any Insured or partner or officer of that Insured has knowledge of any

information relevant to this insurance, that knowledge is considered knowledge of every Insured.

c. An "employee" of any Insured is considered to be an "employee" of every Insured.

d. If this insurance or any of its coverages is cancelled or terminated as to any Insured, loss sustained by that Insured is covered only if discovered no later than one year from the date of that cancellation or termination.

6. **Legal Action Against Us:** You may not bring any legal action against us involving loss:

b. Until 90 days after you have filed proof of loss with us; and

a. The actual amount of loss; or

b. The sum of the Limits of Insurance applicable to those coverages.

8. **Loss Sustained During Prior Insurance**

a. If you, or any predecessor in interest, sustained loss during the period of any prior insurance that you or the predecessor in interest could have recovered under that insurance except that the time within which to discover loss had expired, we will pay for it under this insurance, provided:

(1) This insurance became effective at the time of cancellation or termination of the prior insurance; and

(2) The loss would have been covered by this insurance had it been in effect when the acts or events causing the loss were committed or occurred.

b. The insurance under this Condition is part of, not in addition to, the Limits of Insurance applying to this insurance and is limited to the lesser of the amount recoverable under:

(1) This insurance as of its effective date; or

(2) The prior insurance had it remained in effect.

9. **Loss Covered Under This Insurance and Prior Insurance Issued by Us or Any Affiliate:** If any loss is covered:

a. Partly by this insurance; and

b. Partly by any prior cancelled or terminated insurance that we or any affiliate had issued to you or any predecessor in interest;

the most we will pay is the larger of the amount recoverable under this insurance or the prior insurance.

10. **Non-Cumulation of Limit of Insurance:** Regardless of the number of years this insurance remains in force or the number of premiums paid, no Limit of Insurance cumulates from year to year or period to period.

11. **Other Insurance:** This insurance does not apply to loss recoverable or recovered under other insurance or indemnity. However, if the limit of the other insurance or indemnity is insufficient to cover the entire amount of the loss, this insurance will apply to that part of the loss, other than that falling within any Deductible Amount, not recoverable or recovered under the other insurance or indemnity. However, this insurance will not apply to the amount of loss that is more than the applicable Limit of Insurance shown in the DECLARATIONS.

12. **Ownership of Property; Interests Covered:** The property covered under this insurance is limited to property:

a. That you own or hold; or

b. For which you are legally liable.

However, this insurance is for your benefit only. It provides no rights or benefits to any other person or organization.

13. **Policy Period**

a. The Policy Period is shown in the DECLARATIONS.

b. Subject to the Loss Sustained During Prior Insurance condition, we will pay only for loss that you sustain through acts committed or events occurring during the Policy Period.

14. **Records:** you must keep records of all Covered Property so we can verify the amount of any loss.

15. **Recoveries**

    a. Any recoveries, less the cost of obtaining them, made after settlement of loss covered by this insurance will be distributed as follows:

        (1) To you, until you are reimbursed for any loss that you sustain that exceeds the Limit of Insurance and the Deductible Amount, if any;

        (2) Then to us, until we are reimbursed for the settlement made;

        (3) Then to you, until you are reimbursed for that part of the loss equal to the Deductible Amount, if any.

    b. Recoveries do not include any recovery:

        (1) From insurance, suretyship, reinsurance, security or indemnity taken for our benefit; or

        (2) Of original "securities" after duplicates of them have been issued.

16. **Territory:** This insurance covers only acts committed or events occurring within the United States of America, U.S. Virgin Islands, Puerto Rico, Canal Zone, or Canada.

17. **Transfer of Your Rights of Recovery Against Others to Us:** You must transfer to us all your rights of recovery against any person or organization for any loss you sustained and for which we have paid or settled. You must also do everything necessary to secure those rights and do nothing after loss to impair them.

18. **Valuation–Settlement**

    a. Subject to the applicable Limit of Insurance provision we will pay for:

        (1) Loss of "money" but only up to and including its face value. We may, at our option, pay for loss of "money" issued by any country other than the United States of America:

            (a) At face value in the "money" issued by that country; or

            (b) In the United States of America dollar equivalent determined by the rate of exchange on the day the loss was discovered.

        (2) Loss of "securities" but only up to and including their value at the close of business on the day the loss was discovered. We may, at our option:

            (a) Pay the value of such "securities" or replace them in kind, in which event you must assign to us all your rights, title and interest in and to those "securities";

            (b) Pay the cost of any Lost Securities Bond required in connection with issuing duplicates of the "securities". However, we will be liable only for the payment of so much of the cost of the bond as would be charged for a bond having a penalty not exceeding the lesser of the:

                i. Value of the "securities" at the close of business on the day the loss was discovered; or

                ii. Limit of Insurance.

        (3) Loss of, loss from damage to, "property other than money and securities" or loss from damage to the "premises" for not more than the:

            (a) Actual cash value of the property on the day the loss was discovered;

            (b) Cost of repairing the property or "premises"; or

            (c) Cost of replacing the property with property of like kind and quality.

        We may, at our option, pay the actual cash value of the property or repair or replace it.

        If we cannot agree with you upon the actual cash value or the cost of repair or replacement, the value or cost will be determined by arbitration.

b. We may, at our option, pay for loss of, or loss from damage to, property other than "money":

(1) In the "money" of the country in which the loss occurred; or

(2) In the United States of America dollar equivalent of the "money" of the country in which the loss occurred determined by the rate of exchange on the day the loss was discovered.

c. Any property that we pay for or replace becomes our property.

C. GENERAL DEFINITIONS

RE: Traffic Study: Providence Speed Limits

Dear Commissioner:

In response to your request dated Nov. 2, 1992 I conducted a study at the five entrances to Providence Subdivision. Please find enclosed an overall plat showing the five entrances to the subdivision. Specifically, the intersections are: Gaines Rd and Stoneyview Dr.; Gaines Rd. and Delbarton Dr.; Gaines Rd. and Trenton Dr.; Charlmont Dr. and State HWY 6; and Stanbridge Dr. and HWY 6. I have enclosed the letter from the Providence Community Association on which I have highlighted in yellow their requirements in paragraph (1) and which I have addressed on the Traffic Study Map.

In summary: I have set the speed limits at 25MPH at all the entrances. I have added "NO THRU TRAFFIC" signs where needed. I have added "SLOW-CHILDREN AT PLAY" signs where needed. I have added "SPEED LIMIT 20" at the park on Stoneyview Dr. and Gaines Rd. I added "STOP" signs on the existing street sign posts on Stoneyview Dr. at Gaines Rd. and Delbarton Dr. at Gaines Rd.

Paragraph (2) in the Providence letter concerns all-way stop signs at four intersections in Providence. The vehicle counts and study at those intersections will be done in the near future and a separate letter for each will be forthcoming.

C:\WP51\LETTER\KEB\TRAFSTDY\PROVSPLS.DKP

I informed Mr. Arden Arrington of Providence that I had received your request and that I was proceeding with the study. He is aware that it is the responsibility of the Sheriff Dept. to enforce the speed limits and stop signs and they have been responding to the citizens calls in a timely manner.

If you have any questions please call.

Dear Commissioner:

A traffic study was done at the above intersection per your request. Please find attached a sketch showing the existing traffic control devices and the 24 hour, two-way vehicle count.

The count of Woodleigh is about three times that of Sebastion, thus not warranting additional stop signs. Sebastion Dr. is a dead end street with 20 homes.

Dear Commissioner:

Per your request a traffic study was conducted at the above intersection. Please find attached a sketch of the intersection with the existing and proposed stop signs and 24 hour 2-way vehicle count shown. Please note that the count on the west side of the intersection approximately equals the sum of the east side and south side making it difficult to categorize this intersection for major and minor streets according to the state traffic manual. It is my recommendation to make it a three way stop to help control the traffic better at the intersection and the park just to the west of it. See my overall speed limit study in a letter to you dated Nov. 10. for the location of the park just off Gaines Road and the speed limit recommendations.

RE: Traffic Study: Castlewood Dr. At Pendelton Dr.(Sutton Park, in Commonwealth)

Dear Sir;

Per your request a traffic study was conducted at the above intersection. I might point out that at the time of this writing a final punch was made and deficiencies are being corrected. The responsibility of the signage is with Perry-Commonwealth until the county takes the subdivision streets into the county maintenance system.

According to the vehicle counts and the visibility at the intersection no additional stop signs are warranted.

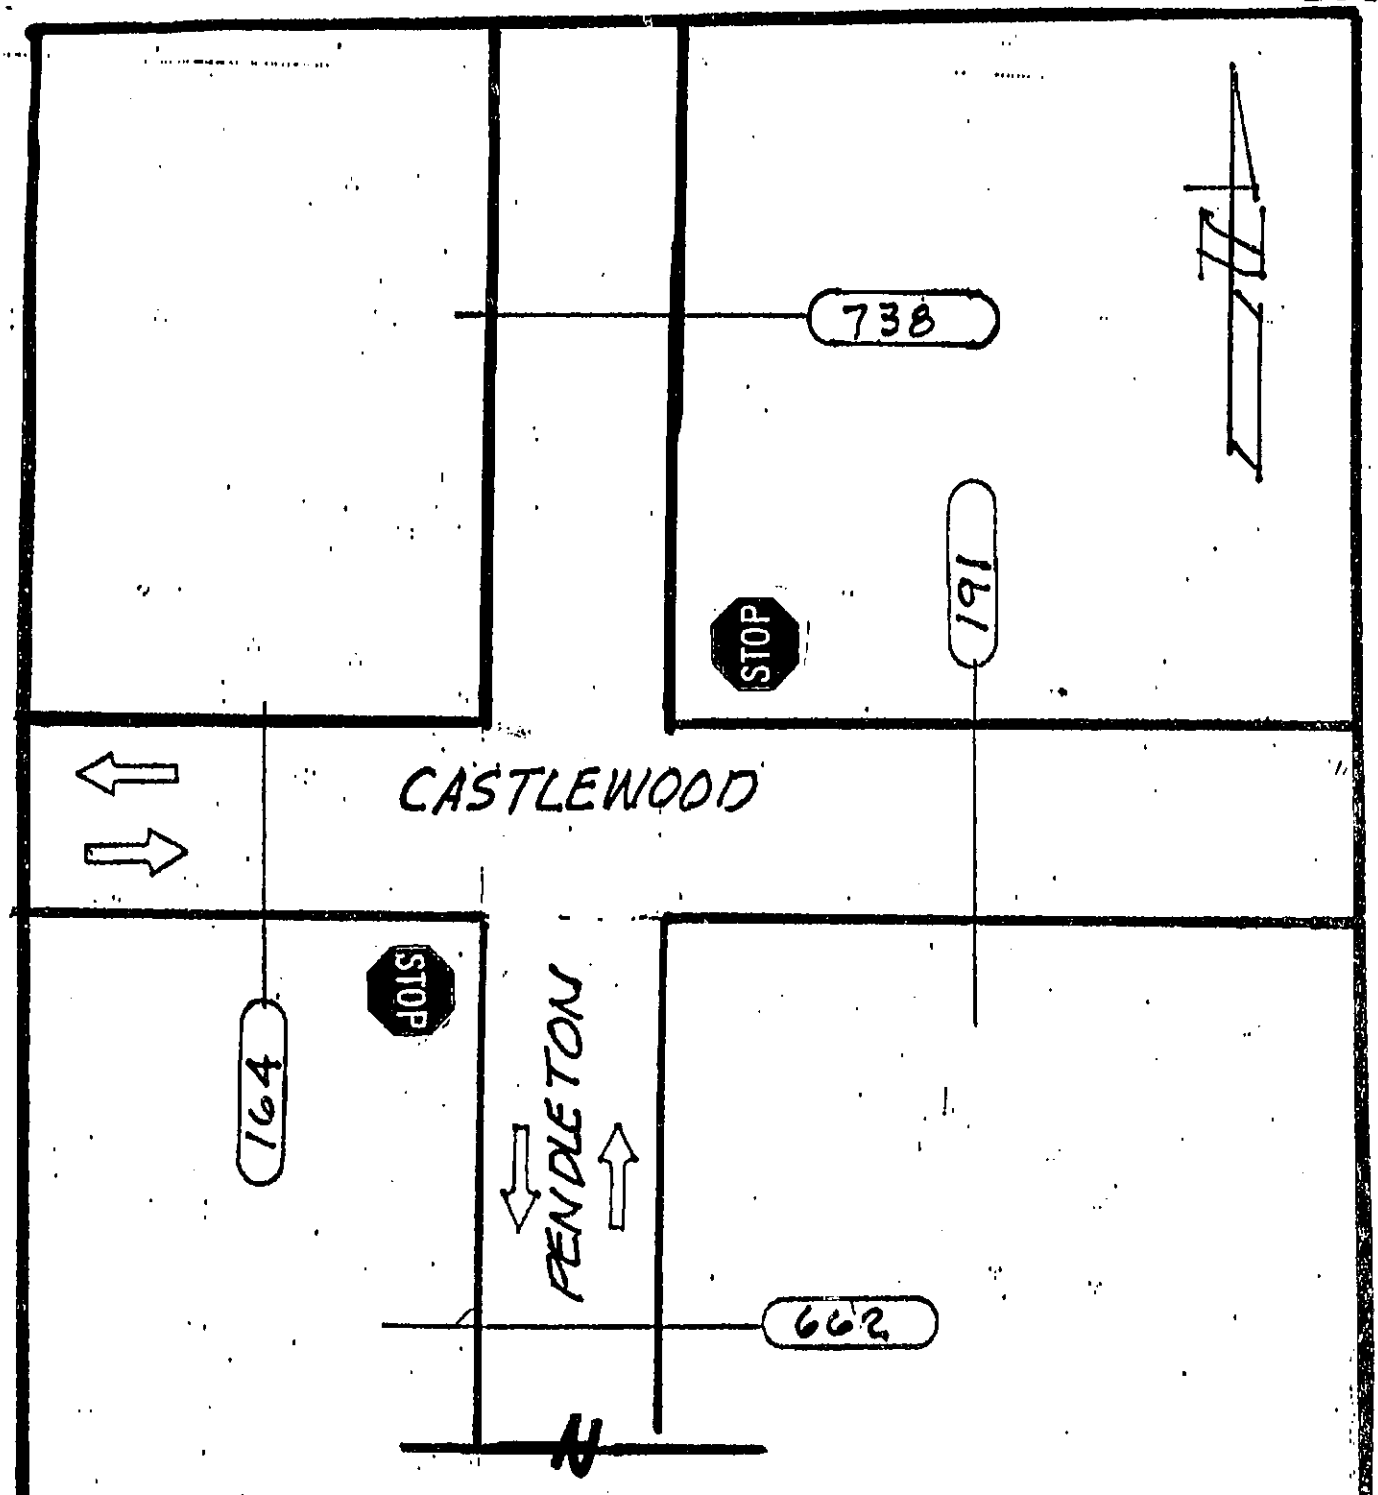

If you have any questions please call.

Sincerely,

Karl E Baker

OFF THE STATE SYSTEM

THIS AGREEMENT, made on the date shown hereinafter, by and between the Texas Department of Transportation, hereinafter called the "Department", and Fort Bend County, a local government, or governmental agency or entity, hereinafter called the "Governmental Agency" acting by and through its County Judge and by virtue of the authority shown on Exhibit A attached hereto and made a part hereof.

W I T N E S S E T H

WHEREAS, the Governmental Agency is owner of a bridge located on a public road or street within its jurisdiction at CR, Padon Rd at Deer Creek; and

WHEREAS, under Title 23, United States Code as amended by the Surface Transportation and Uniform Relocation Assistance Act of 1987 and subsequent Federal legislation, a program entitled '93-'95 Off-State System Federal-Aid Bridge Replacement and Rehabilitation Program has been approved by the Texas Transportation Commission and said bridge is included in this program; and

WHEREAS, it is incumbent upon the Department to assure accomplishment of this work.

A G R E E M E N T

NOW, THEREFORE, in consideration of the premises and of mutual covenants and agreements of the parties hereto to be by them respectively kept and performed, as hereinafter set forth, it is agreed as follows:

1. The Governmental Agency hereby authorizes the Department or its contracted consultant and Department's contractor to enter on the site of said bridge and adjacent right of way or relocation right of way to perform surveys, inspection, construction and other purposes necessary to replace or rehabilitate said bridge and approaches.

2. The Governmental Agency agrees to provide, at its expense, the necessary adjustment of any and all utilities and services, whether publicly or privately

owned, as may be necessary to permit the work authorized herein. Existing utilities will be adjusted in respect to location and type of installation in accordance with requirements of the Department.

3. The Governmental Agency agrees to provide 20% of the actual construction cost of the bridge replacement or rehabilitation project including preliminary engineering and construction engineering, or that portion of the cost of the project not reimbursable by the Federal Highway Administration. This amount also includes compensation to the State for work performed under this agreement based upon direct labor, equipment, material and other direct expenditures; and indirect costs at the rates in effect for the fiscal years during which the work is accomplished. The indirect cost rate will be based on the Texas Department of Transportation's Indirect Cost Plan. The Governmental Agency further agrees to acquire, at no cost to the Department, any additional right of way, if required.

Within 30 days following execution of this agreement the Governmental Agency agrees to pay to the Department by check made payable to the Texas Department of Transportation an amount equal to 10% of the estimated cost of the project. Forty-five days prior to the Department's scheduled date for the contract letting, the Governmental Agency agrees to pay to the Department an amount equal to the remaining 10% of its obligation. If, at any time during plan development or construction of the project, it is found that the amount received is insufficient to pay the Governmental Agency's obligation, then the Department shall immediately notify the Governmental Agency which shall promptly transmit the required amount to the Department. After the project is completed, the actual cost will be determined by the Department, based on its standard accounting procedures, and any excess funds paid by the Governmental Agency shall be returned to the Governmental Agency.

4. If, after execution of the agreement, the Governmental Agency elects to terminate the project, the Governmental Agency shall be responsible for those eligible expenses incurred by the State which are attributable to the project.

5. The Department will prepare or provide for the construction plans, advertise for bids and let the construction contract, or otherwise provide for the construction and will supervise the construction or reconstruction as required by the plans. The cost of all services performed by the Department will be the responsibility of the Governmental Agency. It is mutually agreed that as the project is developed to the construction stage, both parties shall approve the plans by signature approval thereon, and a copy of such plans will be attached hereto, marked "Exhibit B", and made a part hereof.

6. In the event the terms of this agreement are in conflict with the provisions of any other existing agreements and/or contracts between the Governmental Agency and the Department, this agreement shall take precedence over the other agreements and/or contracts.

7. Upon completion of the project, the Governmental Agency agrees to accept ownership and operate and maintain the facility authorized by this agreement for the benefit of the public without charge.

8. The Governmental Agency agrees to indemnify the Department against any and all claims for damages to adjoining, abutting or other property for which the Department is or may be liable arising out of, incident to or in any manner associated with or attributed to the project.

LEVELS OF AUTHORIZATION
FOR THE
1993 TRANSITIONAL PROJECT DEVELOPMENT PLAN

AS PER ORIGINAL

LEVEL III

Projects authorized for P.S.& E. completion, utilities adjustments, and construction.

■ HIGHEST & BEST RANKED PROJECTS WHICH HAVE LETTING DATES WITHIN NEXT 3 FISCAL YEARS (1993, 1994 & 1995)

Prior to being moved into Level III, project plans must be substantially complete (geometric, structural, hydraulic, and pavement design approved by the appropriate design division of Austin Office); and a substantial amount of the required right of way (if any ROW is required) must already be acquired. The remaining ROW for Level III projects must be acquired and P.S.& E. sufficiently completed within two years to allow for utilities adjustments prior to construction letting.

LEVEL II

Projects authorized for P.S.& E. preparation and right of way acquisition.

■ HIGHEST & BEST RANKED PROJECTS WITH LETTING DATES WITHIN FISCAL YEARS OF 1993, 1994, 1995, 1996, 1997 & 1998 NOT PLACED IN LEVEL III.

Prior to being moved into Level II, project right of way maps, route and environmental studies, and public hearing requirements must be complete; and any required environmental permits, clearances, coordinations, etc., must already be identified, with approvals anticipated within the near future.

LEVEL I

Projects authorized for advanced planning through right of way determinations, including necessary route and environmental studies, and public hearing requirements.

Prior to being moved into Level I, feasibility studies must be completed for "new" new location projects and for other projects being considered.

■ HIGHEST & BEST RANKED PROJECTS WITH LETTING DATES WITHIN FISCAL YEARS OF 1993, 1994, 1995, 1996, 1997, 1998, 1999, 2000, 2001, & 2002 NOT PLACED IN LEVELS III OR II.

FEASIBILITY	Projects authorized for feasibility studies, including environmental assessment and public meetings.

Feasibility studies must identify need, establish basic design parameters and estimated cost for the project.

PENDING	Previously authorized projects that are not selected for inclusion in Phase 1 of the Project Development Plan. They are still eligible to be selected for continued further authorization through the Surface Transportation Program (STP), Commission Strategic Priority, or other programs. Previously authorized projects not selected in Phase 3 through other programs will then be placed on "Hold".
HOLD	Previously authorized projects with all development "suspended" until "HOLD" status changed by the Commission. "HOLD" projects do not rank high enough to be placed in Levels III, II or I. Future updates will reconsider the status of these projects.
NOT AUTHORIZED	Projects with no authority. Planning projects will be considered at next FY PDP update.

Re: Modify accrual of Holiday time for EMS field employees

Dear Sirs:

I would like to discuss with you the advantages and/or disadvantages of changing the accrual of holiday time for EMS field personnel at your next earliest court (closed) meeting.

The rationale in making this request is that the current method allows the field staff to accumulate 2016 holiday hours in the last four months of the year. This saturation of hours is difficult to manage and is currently handled by allowing the employee to either take time off, or requested it in pay. The averaged hourly rate paid out for an employee taking time off is $18.54 when filled by full time staff; received in pay it is $12.36 per accrued hour.

With even distribution of holiday time throughout the year the county will benefit in that it will facilitate our ability to fiscally manage the time off request. The time (8 hour increments) will be accrued on the 1st day of each month with overages being handled in June and July of each year. Upon accruing 16 hours the employee will have that month to use the time or lose it. The county will save between $4.29 and $2.86 for each holiday hour worked by a part time paramedic.

In closing, I realize that this action will not totally remove overtime expenses, but this step will help achieve better fiscal management, as well as, lessen the fiscal burden to tax payers.

Sincerely,

Daniel Kosler

"Discrepancy" means a defect in the distribution media or a material difference between the Maintained Software and the current end-user documentation which is provided for it by Micro Focus.

"Correction" means replacement distribution media or corrective code or documentation which rectifies a Discrepancy as described above. Micro Focus may, at its discretion, modify the end-user documentation to (i) remove inaccuracies in the documentation, or (ii) describe changes, modifications or improvements made to the Maintained Software. "Correction" includes, but is not limited to, workarounds, support releases, change disks, component replacements or Run Time System module replacements.

"Priority 1 Discrepancy" means a Discrepancy in the Maintained Software which causes substantial downtime of the system, or which causes data corruption, or which otherwise renders the Maintained

Software unusable. Discrepancies given this priority have no workaround or avoidance procedure.

"Priority 2 Discrepancy" means a significant Discrepancy in the Maintained Software which results in inconvenience to users of the Maintained Software, but for which a workaround or avoidance procedure is available.

"Priority 3 Discrepancy" means a Discrepancy in the Maintained Software which can easily be avoided or detoured. For example, errors in the documentation receive this priority.

"Agreement" means these Terms and Conditions of Micro Focus UNIX/Xenix Annual Maintenance Program.

APPLICABILITY OF MICRO FOCUS SOFTWARE LICENSE AGREEMENT

This Agreement and all software, documentation and media provided under it is subject to all the terms and conditions of the Micro Focus Software License Agreement which exists between you and Micro Focus, including Disclaimer of Warranty and Limitation of Liability.

UPGRADES TO NEW RELEASES

Until a Software Product matures, Micro Focus will prepare, from time to time, and typically once per year, a new release of the Software Product including improvements and enhancements if they are available. If prepared, such new releases will be provided to Licensee at a nominal charge to cover manufacture and shipping cost. No payment of additional License Fees for the Software Product Upgrade Releases will be required by a customer of the Maintenance Program.

FIXES TO REPORTED DISCREPANCIES

In response to a Confirmed Discrepancy in the Maintained Software, Micro Focus may provide on an as-needed basis at its discretion a Correction in the form of a workaround, support release, change disk or electronic transfer equivalent, component replacement, major upgrade release, or other suitable form, but Micro Focus will have no obligation to do so. Discrepancies will receive attention according to their Micro Focus assigned priority. When provided under this Agreement, such Correction will be provided without additional charge. Micro Focus reserves the right to discontinue Maintenance Services without notice on a past Workaround, Maintenance Release, Component Replacement or other form of Correction after a subsequent Software Product Upgrade or Maintenance Release containing a Correction of the Discrepancy is available.

ACCESS TO MICRO FOCUS PRODUCT SUPPORT STAFF

Micro Focus product support staff are available via telephone to give you assistance and advice on Micro Focus products or to receive Discrepancy reports, during normal working hours at our West Coast office listed above. We may allocate your support to a named individual. Occasionally technical support staff will not be available while they are attending group training sessions or company meetings. You may also use regular or overnight delivery services, Fax, or established e-mail connections to communicate with our product support staff.

Our product support staff will, with your assistance if necessary, investigate a suspected Discrepancy by attempting to reproduce it after receiving your Discrepancy report under Section 8 below. If the Discrepancy is confirmed, then, for Maintained Software Micro Focus will make reasonable efforts to provide you with a Correction, but cannot promise to do so.

SOFTWARE NOT COVERED BY THIS AGREEMENT

Altered or modified Maintained Software.

Any combination of Maintained Software and other software not covered by this Agreement.

A release of Maintained Software for which Maintenance Services have been discontinued.

Discrepancies caused by your negligence or fault.

Discrepancies resulting from hardware malfunction.

Discrepancies that do not significantly impair or affect the operation of the Maintained Software.

Maintained Software used on a computer or operating system other than that specified by you and accepted by Micro Focus on the Maintenance Registration Form.

YOUR RESPONSIBILITIES

You agree to report all suspected Discrepancies through your Support Contact to your designated Micro Focus technical support staff. Reports will include the minimum length COBOL source code sufficient for Micro Focus to reproduce the suspected Discrepancy. Failure to provide this minimum length of COBOL source code may cause delays in responding to the Discrepancy. An operational script may be sufficient if the problem is not of a COBOL language nature.

You agree where reasonable to assist Micro Focus' efforts to find Corrections to confirmed Discrepancies reported by you.

You agree to install and use the latest Software Product Upgrade, Maintenance Release or Component Replacement for the Maintained Software sent to you by Micro Focus and to use it on the appropriate UNIX or Xenix operating system.

In all contacts with Micro Focus Technical Support, you agree to provide the Maintenance Identification Number given to you by Micro Focus, along with your name and the name, revision number, and User Reference Number of the Maintained Software Product.

ADDITIONAL SERVICES AND CHARGES

Micro Focus may offer additional services such as training and consulting under separate agreements. Such services can be performed at a site and time mutually agreeable.

These services are normally charged for on a time and materials basis plus expenses and are subject to availability.

Micro Focus reserves the right to charge for unusual or excessive support person time, telephone, shipping, handling, media, or user documentation expenses in connection with the Maintenance Services provided under this Agreement. Micro Focus will request a purchase order to cover such additional charges.

PAYMENT

The annual Maintenance Fee must be paid in advance and is subject to change without notice. The Maintenance Fee is as determined in the Micro Focus Price List as of the date of invoice.

TERM AND TERMINATION

This Agreement will be effective and services provided hereunder will commence as of the completion of Micro Focus' 1) acceptance of the full payment of the appropriate Maintenance charge. The services provided hereunder will cease on the last day of the (i) Annual Maintenance period from renewal date, or (ii) Annual Maintenance period from commencement date of the Maintenance Program in the case of transitions from a non-maintained state. Initial Maintenance period and Annual Maintenance period are as determined in the Micro Focus Price List as of the date of product purchase, maintenance renewal or maintenance commencement, as appropriate.

This Agreement will remain in effect unless terminated upon fifteen (15) days written notice by either party or by reason of any violation of the terms and conditions of this Agreement.

Forty-five days prior to maintenance service cessation Micro Focus will invoice you for the next year's renewal of maintenance. To register for a further year of maintenance under this Agreement, simply pay the invoice and you will continue to receive maintenance services.

If you allow your maintenance to expire, you must purchase an upgrade to the current version of the product (if you do not already have it) in order to register for maintenance. You must then fill out a Maintenance Program Registration Form and return it to:Micro Focus

Attn: Customer Service Department
Packaged Products Division
2465 East Bayshore Road
Palo Alto, California 94303

You will then receive an invoice for the appropriate amount. Simply pay the invoice and your maintenance will be renewed. If you do not have a Maintenance Program Registration Form then call your salesperson and one will be sent to you.

Micro Focus reserves the right to withdraw maintenance services on any or all Maintained Software or other products, and to alter the prices, terms, and conditions of the Maintenance Program, in advance of any maintenance renewal. Any such withdrawal or alterations will amend the Maintenance Program between you and Micro Focus as of your next renewal date.

MISCELLANEOUS

You may not assign this Agreement to a third party without the prior written consent of Micro Focus. This Agreement and the Micro Focus Software License Agreement shall be the only Agreements between Micro Focus and you with respect to the Maintained Software. They cannot be modified except in writing and with the approval of both parties. These Agreements supersede all prior agreements, oral or written, relating to the Maintained Software. The laws of California shall govern the validity of these Agreements, the construction of their terms and the interpretation of the rights and duties of the parties.

STATE OF TEXAS

COUNTY OF TRAVIS

TDH DOCUMENT NUMBER: C5000068-01

This CONTRACT and AGREEMENT by and between the Texas Department of Health, Bureau of Vital Statistics, hereinafter referred to as PERFORMING AGENCY, acting through its Chief, Bureau of Financial Services, and the Vital Statistics Fort Bend County Program, hereinafter referred to as RECEIVING AGENCY, is as follows:

I. SCOPE OF WORK:

PERFORMING AGENCY agrees to provide on-line computer services in support of RECEIVING AGENCY.

RECEIVING AGENCY will search PERFORMING AGENCY data bases, locate data, print data, and issue a Certificate of Birth Facts to individuals requesting such data. The certificate will be in a format formally approved by PERFORMING AGENCY. No limit will be established on the number of searches per month not resulting in issuance of a certificate, provided the number is reasonable.

RECEIVING AGENCY will acquire the necessary data processing equipment, communication lines, and purchase "bank note" paper, as specified by the PERFORMING AGENCY. PERFORMING AGENCY will assist in connection of the equipment, furnish software program and provide necessary technical assistance, if necessary.

RECEIVING AGENCY agrees to furnish PERFORMING AGENCY with birth and death data captured by RECEIVING AGENCY during the term of this contract. RECEIVING AGENCY will be responsible for providing the monthly birth and death data thirty (30) days after receipt of data entry program from PERFORMING AGENCY. Data will be provided monthly on some magnetic medium in a file layout agreed to by both parties.

RECEIVING AGENCY acknowledges that data may not be located in the searching process instituted by RECEIVING AGENCY due to:

A) normal key-entry errors in spellings;

B) accidental failure on the part of the PERFORMING AGENCY to update a file for an amendment or paternity determination; and

C) the birth year does not exist on the system (current data on system is limited to years 1926-1933 and 1942-present).

RECEIVING AGENCY will notify PERFORMING AGENCY in writing, on a monthly basis, of errors or suspected errors that exist on the data base information.

RECEIVING AGENCY is to maintain an inventory control and account for each document produced on "bank note" paper, including voided documents.

RECEIVING AGENCY is responsible for maintaining a system of birth record keeping that is in accordance with Chapter 193 of the Health and Safety Code.

II. TERM

The term of this contract will begin upon its execution by both parties and will continue in force and effect until either party gives sixty (60) days written notice of termination to the other party.

III. COMPENSATION

RECEIVING AGENCY agrees to reimburse PERFORMING AGENCY $1.83 (One Dollar and 83/100) for each search resulting in the printing and issuance of a Certificate of Birth Facts.

A monthly itemized billing showing the number of transactions by date will be submitted to RECEIVING AGENCY by PERFORMING AGENCY and payment will be made no later than thirty (30) days following the billing date. Payment will be considered made on the date postmarked.

IV. CONFIDENTIALITY

RECEIVING AGENCY will maintain sufficient safeguards to prevent release or disclosure of any information obtained hereunder to anyone other than RECEIVING AGENCY employee(s) or those who have an official need for the information and are authorized to receive such records. RECEIVING AGENCY further agrees data obtained and issued, as specified under this contract, will be used for purposes as herein set out and the use of this data for other purposes must be agreed to in writing by both parties.

V. TERMINATION

This contract may be terminated either by mutual agreement of the parties or by either party upon the giving of sixty (60) days written notice to the other party. RECEIVING AGENCY agrees to pay PERFORMING AGENCY for all services completed prior to the effective date of such termination.

VI. APPLICABLE LAWS AND STANDARDS

RECEIVING AGENCY further certifies by execution of this contract that it is not ineligible for participation in federal or state assistance programs under Executive Order 12549, Debarment and Suspension. RECEIVING AGENCY specifically asserts that it does not owe a single substantial debt or a number of outstanding debts to a federal or state agency. A false statement regarding RECEIVING AGENCY's status will be treated as a material breach of this contract and may be grounds for termination at the option of PERFORMING AGENCY.

VII. SEVERABILITY

If any provision of this contract will be construed to be illegal or invalid, this will not affect the legality or validity of any of the other provisions hereof. The illegal or invalid provision will be deemed stricken and deleted herefrom to the same extent and effect as if never incorporated herein, but all other provisions will continue.

VIII. HOLD HARMLESS

RECEIVING AGENCY, which is not a state agency, assures that it is an independent contractor and not an agent, servant, or employee of the state. Except to the extent that Chapter 104 of the Texas Civil Practice and Remedies Code is applicable to this contract, RECEIVING AGENCY agrees to hold PERFORMING AGENCY and/or federal government harmless and to indemnify them from and against any and all claims, demands, and causes of action of every kind and character which may be asserted by any third party occurring in any way incident to, arising out of, or in connection with the performance of services by RECEIVING AGENCY under this contract to the extent allowed by law, excluding, however, occurrences arising under subparagraph IB of this contract.

RE: REMOTE CERTIFICATE PRINTING FOR VITAL STATISTICS

The Texas Department of Health Bureau of Vital Statistics offers a database system to produce certified copies of a Texas birth record to all Local Registrars. Currently, this office is only able to produce a certified copy of a birth record that occurred in Fort Bend County. The statutory fee for a copy of a local birth is $9.00 and the funds are deposited in the general fund. By accessing the state's data base, we could charge $11.00 for each state birth record and realize a substantial source of revenue not currently available to us. In 1992 this office issued 3756 local certified copies for a total of $33,804. I estimate with this system that we will at least double the revenue in 1993.

The cost for the system is approximately $4000. for the one time purchase of two PCs, two printers and related hardware; $.35 per phone call (using the county Tex-An line) for search and print process; and $1.83 per certificate paid monthly to the state. The state has birth records dating back to 1903 and have 57 years on-line as of November, 1992. They estimate another five years before all births from 1903 to present are on-line. The county's birth records begin in the 1850's. M.I.S. completed a vital records application earlier this year and we have been able to input birth records from 1985 to present. However, at this time, we are not able to print the data for public use.

Attached is a contract approved by the Texas Department of Health for your consideration and approval. If approved, I request that $2.20 of the fee collected be placed in a fund to pay the state's monthly per certificate fee and for each phone call. The balance generated will be deposited in the general fund.

Attached is a list of entities that have the system or will soon be on-line with the state. This is an excellent service to all citizens who conduct business with this office.

I request approval of the contract which has been reviewed by the County Attorney's office. Also, the PC hardware and modem has been reviewed and approved by Chuck Miller.

Therefore, I request that the contract with the Texas Dept. of Health Bureau be approved; that a special fund be established and allocate $2.20 of each copy to pay the monthly fees; and authorize $4,000. from Fund #92 (record management) to purchase the required hardware.

Upon your approval, the state will install the system and we should be on-line and printing by February 1. I thank you for your consideration.

State of Texas
BVS Remote Certificate Printing

Certificate Printing

This system allows remote sites to access the Texas Department of Health's database to produce certified copies of the birth records.

Registrars will realize a savings by eliminating the cost of data entry and data storage also the expense of operating and backing up the database.

Texans will be able to visit any local registrar to get a copy of their birth certificate. TDH has 57 years of data on-line. Certificates can be printed immediately. A laptop unit can be taken to schools during the beginning of the school year and certificates can be issued to those students without birth certificates.

The equipment can be used by the local registrar for other automation needs when it is not being used for birth record processing. Word processing, spreadsheet analysis and appointment tracking are just a few of the ancillary benefits which can be enjoyed.

RE: EXTEND RFP OPENING

Due to the complexity of the office and the RFP, many vendors have requested that they be given additional time to analyze our requirements and submit an appropriate system.

Therefore, I request that the RFP opening for a record management/ optical system be extended thirty (30) days from Monday, January 25 to Tuesday, February 23. This would also allow for a Tuesday opening rather than a Monday due to changes in the regular court date meetings.

I appreciate your consideration in this matter.

I.

DEPOSIT

1.01 FBSC has deposited the sum of THREE THOUSAND AND NO/DOLLARS ($3,000.00) with the County, which deposit shall remain in the County's depository for the term of this Contract and for the term of any renewals of this contract per Section 2.02, below.

II.

TERM

2.01 This Contract shall be for an initial term commencing upon the date of execution by the Commissioners' Court of Fort Bend County and ending on December 31, 1991.

III.

3.01 FBSC shall keep an accurate record of all gasoline pumped from County pumps pursuant to this Contract.

3.02 The County, on a precinct basis, shall likewise keep a record of gasoline taken by FBSC. Each or any County precinct from whose pumps any gasoline has been taken by FBSC shall bill FBSC by written, monthly invoice for gasoline so pumped. Each invoice shall reflect the date of each withdrawal of gas by FBSC during the previous month, the quantity of gasoline taken per withdrawal, and the total amount due and owing the County for the gasoline withdrawals summarized by the invoice.

3.03 The County shall not add any State or other taxes for the gasoline purchased by FBSC pursuant to this Contract and it shall be FBSC's sole responsibility to account for any taxes which it may owe any taxing entity.

3.04 Any discrepancy between a Precinct invoice and FBSC's records shall be resolved by presenting the dispute (if agreement cannot be reached) to Commissioners' Court.

3.05 FBSC shall pay for all gasoline purchases from the County within fifteen (15) days of receipt of an invoice from a Precinct.

AS PER ORIGINAL

3.06 Any bill not promptly paid shall accrue interest at the rate of 10% per annum. The Commissioner of a Precinct whose bill has not been timely paid may withdraw the overdue amount plus interest, if any, from the deposit described in Section 1.01, unless the bill is late because of disagreement between that Commissioner and FBSC, in which case, the bill shall not be considered overdue and shall not accrue interest. Upon resolution of the dispute by the Commissioners' Court, the bill shall be payable (if it is determined that an amount is due to the County) within 30 days of the Court's determination.

3.07 Any amount withdrawn from FBSC's deposit by a Commissioner, pursuant to the above Section 3.06, shall be replaced into the deposit fund by FBSC within ninety (90) days of FBSC's receipt of a request by the County for such payment.

IV.

HOLD HARMLESS

4.01 FBSC shall indemnify, defend and hold the County, its officers, elected officials, employees, agents and any and all of its or their successors, heirs and assigns, harmless from any claims, suits, or damages resulting from, caused by or otherwise arising from or allegedly arising from FBSC's pumping of gasoline from County pumps.

4.02 FBSC expressly agrees that it shall pump County gasoline or have County gasoline pumped for it at its sole risk and that it shall not look to the County, its officers, employees or agents for indemnification for any loss suffered by FBSC, its employees,

volunteer workers, agents or any other guest or licensee in a FBSC vehicle as a result of a gasoline withdrawal from a County pump during the term of this Contract.

AS PER ORIGINAL

V.

ACCESS TO COUNTY FACILITIES

5.01 The Commissioners of FBC shall develop, at their sole discretion, rules or guidelines for the practical implementation of this Contract at the facilities in their respective Precincts.

Re: ADA Policy Resolution; New Building
Construction and Building Renovations

Gentlemen:

Enclosed please find our proposed Resolution regarding the County's Policy on architectural and engineering review of proposed new County construction or renovation. The language has been prepared by the County's Purchasing and Risk Management Departments and is intended to insure that any proposed public work of this nature is commenced only after it has been reviewed by Legal, Engineering and Risk Management for ADA compliance.

This internal review process can help to make certain that this County is not penalized for violations of the Americans with Disabilities Act; 42 U.S.C. 12101 et. seq. This could be a critical process for the County inasmuch as the County could be penalized for violations; the penalties could be in the form of court challenges, damages and attorney's fees for aggrieved parties as well as loss of federal funds.

Please review this Resolution. It is scheduled for your consideration on the 1/12/93 Agenda.

Very truly yours,

Bruce B. Donaldson

Re: Narcotics Operating Funds
Date: 01-12-93

Dear Commissioners:

The Fort Bend County Sheriff's Department Narcotics Division is presently an eight officer unit comprised of officers on full time assignment from the Fort Bend County Sheriff's Department, the Missouri City Police Department, the Rosenberg Police Department, the Stafford Police Department, and the Sugarland Police Department. The daily operating funds for investigations are derived from asset seizure forfeitures awarded by the courts to the Fort Bend County Sheriff's Department. These funds are kept on deposit in an account by the Fort Bend County Treasurer's Office. In order to withdraw operating funds from this account, approval must be obtained from Commissioners Court in accordance with the Texas Code of Criminal Procedure, Chapter 59, article 59.06, section D.

At the conclusion of fiscal year 1993, all Narcotics Division operating funds were placed back on deposit by the Sheriff's Department with the County Treasurer's Office. Consequently, the Narcotics Division has started 1993 with no operating funds.

Therefore, I am submitting the attached request to withdraw funds detailed in the request from the above referenced account. If you have any questions concerning this matter, please feel free to contact me.

Respectively Submitted,

Program Narrative

1. Problem Statement (See Instructions on pages 13a and 13b.)

Fort Bend County has the second largest juvenile population in the Houston-Galveston area with over 54,000 students enrolled in its public schools. The juvenile population continues to grow at near record levels with no signs of slowing down. This growth has brought along with it a huge increase in our juvenile related crimes, drug abuse among school age children, and violent youth gang activity. Enforcement efforts alone have proven to be marginally effective, at best. It is imperative that we continue to develop and implement programs such as D.A.R.E. which directly address the exposure of drugs and gang activity to our children. Project D.A.R.E./4 does not duplicate or overlap any existing activities.

2. Historical Data (See Instructions on pages 13a and 13b.)

Statistical data provided by Fort Bend ISD continues to indicate an annual increase in enrollment of approximately 9%. The Lamar and Needville School Districts report increases at a slightly lesser rate. The Fort Bend County Juvenile Probation Department reports the number of delinquent juvenile referrals increased 61% for the two year period ending December 1991. In 1992, the number has increased an additional 20% for a total of 1,507 delinquent juvenile referrals. As is the case with adult offenders, Chemical dependency and substance abuse is a contributing factor in a vast majority of these cases. On a more positive note, intelligence sources who monitor gang activity in our public schools report that the number of known youth gangs operating in our schools has been further reduced during 1992. During funding year 93 three Fort Bend Schools won national recognition as "drug-free schools" from the U.S. Department of Education. There were only (9) such awards in the entire State of Texas and (3) of those were from Fort Bend County! The D.A.R.E. program funded by this grant played a significant role in those awards.

Use continuation page(s) as necessary for any section.

3. Proposed Project Activities (See Instructions on pages 13a and 13b.)

Funds requested will allow two deputies along with two non-grant deputies to teach the D.A.R.E. program in the Elementary and Middle Schools of Fort Bend County. The Deputies will present the 17 session D.A.R.E. curriculum to at least (1,325) 5th and 6th grade students in all four of the County's School Districts. Shorter D.A.R.E. based presentations will be made to at least (12,191) kindergarten through fourth grade students in these districts. The goals are to teach: consequences of drug use; ways to resist peer pressure to experiment with drugs and alcohol; ways of building assertiveness and self-esteem; decision-making skills; and alternatives to drug use and gang activity. Project D.A.R.E./4 cooperates with 4 local Police Dept D.A.R.E. programs in Fort Bend County and together will deliver D.A.R.E. based presentations to over 21,000 Kindergarten and Middle School children in Fort Bend County schools.

4. Proposed Evaluation Design (See Instructions on pages 13a and 13b.)

The Fort Bend County Sheriff's Department proposes to continue using the same evaluation criteria and forms used in the first 3 years of the grant. A copy of the 2nd year evaluation report is attached.

Schools win drug-free awards

By DEBRA RADOWICK

Three Fort Bend County schools have won national recognition as "drug-free schools" from the U.S. Department of Education.

Representatives from Lamar Junior High School in Rosenberg, a Lamar CISD school, and Mission Glen Elementary School in Houston and Meadows Elementary School in Meadows, both Fort Bend ISD schools, will travel to Washington, D.C., this fall to accept their awards from President Bush.

Across the United States, 70 schools received the award, which is based on efforts to develop a comprehensive drug-prevention and intervention program to reduce alcohol, tobacco and other drug use among its student body. Discipline programs and results also are considered in naming the award recipients.

Of the 70 schools honored, nine are in Texas and three of those are in Fort Bend County. Seven awards were made to schools in Florida.

"This record of accomplishment from Texas schools clearly shows that our schools are leading the national effort to become drug-free," said U.S. Sen. Phil Gr... R-Texas.

During the application process, 17 schools in Texas won the state award and advanced to nationals. Four of those schools were in Fort Bend County, including Highlands Elementary School, another Fort Bend ISD school. Members of a national panel visited 12 Texas schools, including the three Fort Bend winners.

Gayle Parr, school nurse at Lamar Junior High and sponsor of Students Against Drugs, said the impact o... hadn't hit her yet. She ...ed of the award Wednesday afternoon from a call from Gramm's office in Washington.

"We worked so long and so hard," she said. "It hasn't sunk in yet."

Parr said the official letter from Washington will spell out when the visit with the president will be and who should attend. In the past, she said, winning schools have been allowed to bring three or four representatives to meet the president.

"There's usually a dinner the night before with the Secretary of Education (Lamar Alexander) then they meet with the president," Parr said. "He usually does it in the Rose Garden, but he once held it in the Oval Office."

The third time proved to be the charm for Lamar JHS, which had been considered for the national award twice before but had not been selected.

Winners will receive a plaque, along with two "Drug-Free School" flags, one which will be flown on the school's flag pole and a smaller flag to display inside the school as a memento.

Parr said winning schools may not reapply for the award for four years, but in the meantime, they will serve as model schools for others developing similar programs.

"The goal of the program is to have other schools follow our lead," Parr said. "Past winners have been invited to speak at national conventions and seminars to explain what they do."

We* applaud the commitment of time and resources in providing our elementary students with the Drug Abuse Resistance Education (DARE) program. The DARE officers play a critical role in our overall efforts to keep students drug free.

Our elementary schools have consistently indicated the high quality of the people and program that the Sheriff's Department provides. We have repeated requests to expand the program. We strongly recommend continued funding for this program, because of its effectiveness in providing much-needed skills to students. DARE does make a difference!

Dear Mr. Brooks,

The Lamar Consolidated Independent School District strongly endorses the continuation of funding for the DARE program. The program has been highly effective as indicated by staff assessment and a comprehensive student survey. Students in the program and their parents have made many testimonials about the increase in knowledge, attitude and skills to resist drug use. The result is a reduction in drug use by students who have participated in the program.

Please don't hesitate to contact me if further information is needed.

Dear Mr. Brooks,

Needville Middle School, for the third consecutive year, is making the D.A.R.E. program available to our fifth grade students in cooperation with the Fort Bend County Sheriff's Department.

Our experience with this program over the past two years has been very positive. Students have gained the skills needed to say no to drugs in addition to vital information.

Needville Independent School District supports the D.A.R.E. program and will continue to cooperate with the Fort Bend County Sheriff's Department so we can help to provide a drug-free, healthy environment for the children of Texas.

Mr Brooks:

The Kendleton Independent School District is grateful to the Fort Bend County Sheriff's Department for providing the Drug Abuse Resistance Education (D.A.R.E.) Program for our fifth grade students. Through D.A.R.E., our students will have an opportunity to develop preventative lifestyles that will enhance their ability to remain drug-free.

Kendleton ISD is located in a small rural community and many social services are limited or unavailable. However, small communities are not immune to the negative affects of drug and alcohol abuse. The D.A.R.E. Program will greatly benefit our students and provide a positive impact on the entire community.

Therefore , Kendleton ISD strongly acknowledges support for the D.A.R.E program and pledges its commitment to assist the Fort Bend County Sheriff's Department in all efforts to encourage our students to remain drug-free.

Sincerely,

Patsy A. Menefee, Superintendent

Additionally, the Unit shall elicit the assistance of parents/guardians of known gang members as well as school counselors, where appropriate, in the effort to reduce criminal gang membership.

The Unit shall target, investigate, conduct surveillance, and charge gang leaders and criminally active gang members. in conjunction with the Fort Bend County District Attorney's Office, those gang leaders and members charged with criminal acts shall receive special prosecutive attention.

Through such a program, the Unit shall first identify the criminally active gang members; thereafter attempt to extricate such members from their gangs through existing family and/or school structure; and finally target, investigate and charge those gang members who continue to pursue criminal activity. Throughout this program, the Unit shall maintain close operational relationships with all area Law Enforcement.

PROGRAM NARRATIVE

AS PER ORIGINAL

1. PROBLEM STATEMENT:

FORT BEND COUNTY HAS EXPERIENCED A DRAMATIC INCREASE IN CRIMINAL GANG ACTIVITY OVER THE PAST SEVERAL YEARS. RECOGNITION OF THIS PROBLEM IS EVIDENCED BY THE FORMATION OF THE HOUSTON POLICE DEPARTMENT WESTSIDE GANG TASK FORCE (HPD), EFFORTS BY THE FORT BEND INDEPENDENT SCHOOL DISTRICT (FBISD) TO IDENTIFY AND CURTAIL YOUTH GANGS WITHIN THE SCHOOL DISTRICT AND THE FORMATION OF THE HARRIS COUNTY GANG INTERVENTION UNIT. HPD DOES PROVIDE A SOURCE FOR CENTRALIZED GANG INFORMATION AND ACTIVELY ENGAGES IN GANG INTERVENTION WITHIN THE CITY LIMITS OF HOUSTON, HOWEVER CANNOT PROVIDE INVESTIGATION AND INTERVENTION EFFORTS WITHIN FORT BEND COUNTY. FBISD PROVIDES GANG INTELLIGENCE, HOWEVER THEY ARE LIMITED TO FBISD PROPERTY AND STUDENTS ONLY. THE HARRIS COUNTY GANG INTERVENTION UNIT FUNCTIONS WITHIN HARRIS COUNTY AND HAS NO JURISDICTION WITHIN FORT BEND COUNTY.

THE CURRENT EFFORTS TO ADDRESS THE CRIMINAL GANG ACTIVITY ARE LIMITED TO JUVENILE GANGS ON THE EAST SIDE OF FORT BEND COUNTY. NO EFFORT CURRENTLY EXISTS TO ADDRESS THE ADULT CRIMINAL ACTIVITY GANGS WITHIN FORT BEND COUNTY AND THERE IS NO DIRECTED COUNTY-WIDE EFFORT TO IDENTIFY, LOCATE, TARGET, INVESTIGATE AND PROSECUTE JUVENILE AND ADULT GANG GENERATED CRIMINAL ACTIVITY THROUGHOUT THE COUNTY.

THIS UNIT WILL SERVE A POPULATION OF APPROXIMATELY 250,000.

2. HISTORICAL DATA:

AS OF 1990, THERE WERE 70 IDENTIFIED GANGS OPERATING WITHIN THE FORT BEND INDEPENDENT SCHOOL DISTRICT (FBISD), WITH A MEMBERSHIP OF 1217. FROM 1986 TO 1990, GANG GROWTH HAS BEEN CONSISTENT, INCREASING FROM 640 TOTAL MEMBERSHIP TO 1217. THE STATISTICS FOR 1991 REVEAL 70 ACTIVE GANGS IN FBISD, ALTHOUGH THE TOTAL MEMBERSHIP DECREASED FROM 1217 TO 1164. THIS PROBLEM IS ENHANCED BY HARRIS COUNTY GANGS LOCATED IN THE VICINITY OF THE COMMON BORDER OF THE TWO COUNTIES. CURRENTLY, THE HOUSTON POLICE DEPARTMENT HAS IDENTIFIED 110 CRIMINAL GANGS WITH A MEMBERSHIP OF APPROXIMATELY 1500. MANY OF THESE GANGS OPERATE IN FORT BEND COUNTY AND ALONG THE CONTIGUOUS BORDER BETWEEN HARRIS AND FORT BEND COUNTIES. AS OF 1990, THE HARRIS COUNTY GANG INTERVENTION UNIT

PROGRAM NARRATIVE (cont.)

AS PER ORIGINAL

HISTORICAL DATA: (cont.)

HAD IDENTIFIED 70 GANGS WITH A TOTAL MEMBERSHIP OF 562. AS OF 1991 121 ADDITIONAL GANGS HAD BEEN IDENTIFIED WITH A TOTAL MEMBERSHIP OF 694. AS OF THE FIRST QUARTER OF 1992, THE HARRIS COUNTY GANG INTERVENTION UNIT HAD IDENTIFIED A TOTAL OF 210 GANGS, WITH A TOTAL MEMBERSHIP OF 1385.

UTILIZING THE THREE SOURCES CITED ABOVE, AS OF THE END OF 1991 THERE WERE 390 IDENTIFIED GANGS WITH A TOTAL MEMBERSHIP OF 4049 OPERATING WITHIN HARRIS AND FORT BEND COUNTIES.

3. PROPOSED PROJECT ACTIVITIES:

THE GOAL OF THIS PROJECT IS TO REDUCE CRIMINAL GANG MEMBERSHIP THROUGH A FOCUSED APPROACH, USING LAW ENFORCEMENT AND PROSECUTORIAL EFFORTS, COMBINED WITH EDUCATION AND AWARENESS PRESENTATIONS IN COOPERATION WITH SCHOOLS, THE COMMUNITY AND DIRECT INTERVENTION WITH THE PARENTS/GUARDIANS OF IDENTIFIED GANG MEMBERS.

THIS PROJECT WILL IDENTIFY LEADERS AND CRIMINALLY ACTIVE MEMBERS OF GANGS OPERATING WITHIN FORT BEND COUNTY AND WILL INTERVENE WITH THEIR PARENT/GUARDIAN TO GARNER THEIR ASSISTANCE IN DISSUADING THE GANG MEMBER FROM ASSOCIATION WITH THE GANG. ADDITIONALLY, THE UNIT SHALL TARGET GANG LEADERS AND CRIMINALLY ACTIVE GANG MEMBERS FOR INVESTIGATION, APPREHENSION, AND PROSECUTION. IN COOPERATION WITH THE DISTRICT ATTORNEY'S OFFICE, SUCH OFFENDERS WILL BE VIGOROUSLY PROSECUTED. IN THIS MANNER, THE LEADERS AND PROLIFIC CRIMINAL OFFENDERS ASSOCIATED WITH CRIMINAL GANGS WILL BE A SUBJECT OF FOCUS FOR THE FORT BEND COUNTY CRIMINAL JUSTICE SYSTEM. ADDITIONALLY, THE UNIT WILL COMPILE, EVALUATE AND SHARE INFORMATION ON GANG MEMBERSHIP AND ACTIVITIES WITH EFFECTED LAW ENFORCEMENT AGENCIES, SO THAT GANG ERADICATION BECOMES A TEAM EFFORT. FURTHER, THE UNIT WILL MAKE PUBLIC AWARENESS PRESENTATIONS AT SCHOOLS AND PUBLIC FORUMS, IN ORDER TO ELICIT THE ASSISTANCE OF TEACHERS, PEER STUDENTS AND PARENTS IN DISCOURAGING GANG MEMBERSHIP.

THIS APPROACH WILL DISCOURAGE MEMBERSHIP OR ASSOCIATION WITH GANGS WHEN IT BECOMES APPARENT THAT THE GANG IS UNDER INTENSE SCRUTINY BY LAW ENFORCEMENT, AND THE LEADERSHIP IS ARRESTED AND

PROSECUTED. WITHOUT LEADERS, GANGS CANNOT REMAIN FUNCTIONAL. GANG MEMBERSHIP WILL BE FURTHER DISCOURAGED WHEN IT BECOMES EVIDENT THROUGH PEER STUDENTS, TEACHERS AND PARENTS THAT GANG MEMBERSHIP IS A DANGEROUS CHOICE. WITHOUT A READY SOURCE OF MEMBERSHIP, GANGS CANNOT FLOURISH.

AS PER ORIGINAL

THE UNIT WILL CONSIST OF TWO DEPUTIES, WHOSE FUNCTIONS WILL BE TO COMPILE INFORMATION ON GANG ACTIVITY IN FORT BEND COUNTY; INTERFACE WITH THEIR COUNTERPARTS IN AREA LAW ENFORCEMENT AGENCIES; INTERVENE WITH PARENTS/GUARDIANS OF GANG MEMBERS TO ENLIST THEM IN THE EFFORT TO REDUCE GANG MEMBERSHIP; PROVIDE PUBLIC AWARENESS PRESENTATIONS FOR SCHOOLS AND COMMUNITY ORGANIZATIONS REGARDING GANG ACTIVITY; TARGET GANG LEADERS AND CRIMINALLY ACTIVE MEMBERS; AND CONDUCT CRIMINAL INVESTIGATIONS OF THOSE INDIVIDUALS FOR PRIORITY PROSECUTION BY THE DISTRICT ATTORNEY'S OFFICE.

THIS UNIT WILL IMPACT THE ENTIRE POPULATION OF FORT BEND COUNTY (APPROXIMATELY 250,000) BY REDUCING THE NUMBER OF CRIMINALLY ACTIVE GANGS AND MEMBERS AND WILL SPECIFICALLY TARGET GANG MEMBERS OPERATING WITHIN FORT BEND COUNTY (A MINIMUM OF 1200).

THE APPLICANT IS THE SHERIFF OF FORT BEND COUNTY WHO IS CHARGED WITH THE PRESERVATION OF THE PEACE, INVESTIGATION OF CRIMINAL ACTIVITY AND PROTECTION OF PROPERTY THROUGHOUT FORT BEND COUNTY.

THIS PROJECT MAY BE MEASURED BY THE NUMBER OF IDENTIFIABLE CRIMINAL ACTIVITY GANGS OPERATING IN FORT BEND COUNTY; MEMBERSHIP OF SUCH GANGS; AND CRIMINAL ACTIVITY OF IDENTIFIED GANG MEMBERS, BEFORE AND AFTER INSTITUTION OF THIS PROJECT. THE COUNTY-WIDE INCIDENCE OF CRIMINAL GANG ACTIVITY, AS REPORTED BY THE CRIME ANALYSIS UNIT, IS AN INDEPENDENT MEASUREMENT OF THE EFFECTIVENESS OF THE GANG INTERVENTION UNIT.

THIS PROJECT WILL DIRECTLY INTERFACE WITH THE HARRIS COUNTY YOUTH GANG INTERVENTION UNIT, HOUSTON POLICE DEPARTMENT JUVENILE AND ASIAN GANG TASK FORCE, SUGAR LAND POLICE DEPARTMENT, STAFFORD POLICE DEPARTMENT, MISSOURI CITY POLICE DEPARTMENT, ROSENBERG POLICE DEPARTMENT, AND FORT BEND INDEPENDENT SCHOOL DISTRICT IN THE ACQUISITION AND SHARING OF INFORMATION RELATING TO GANG ACTIVITIES AND MEMBERSHIP. IT WILL FURTHER COOPERATE WITH THE FORT BEND COUNTY DISTRICT ATTORNEY'S OFFICE IN THE ENHANCED PROSECUTION OF GANG MEMBERS CHARGED WITH CRIMINAL OFFENSES. (SEE ATTACHED COOPERATIVE WORKING AGREEMENTS).

THIS PROJECT IS INNOVATIVE IN THE RESPECT THAT THE GANG UNIT WILL ATTEMPT TO DISSUADE GANG MEMBERS FROM THEIR ALLIANCE WITH GANGS BY DIRECT INTERVENTION WITH THEIR PARENTS/GUARDIANS. THROUGH THIS APPROACH, INVOLVED LAW ENFORCEMENT PERSONNEL WILL ENLIST THE AID OF PERSONS CLOSEST TO THE GANG MEMBER IN THE EFFORT TO DISLODGE THEM FROM THEIR GANG AFFILIATION.

IN VIEW OF THE FACT THAT THE GANG INTERVENTION UNIT WILL ADDRESS ALL CRIMINAL GANG ACTIVITY WITHIN FORT BEND COUNTY, IT WILL BE MANDATORY THAT THE DEPUTIES SELECTED FOR THIS TASK BE TRAINED IN CROSS-CULTURAL AWARENESS. FORT BEND COUNTY HAS EXPERIENCED CRIMINAL ACTIVITY FROM BLACK, HISPANIC, ASIAN, AND RACIST GANGS. THE SELECTION PROCESS FOR THE DEPUTIES ASSIGNED TO THIS UNIT SHALL BE WEIGHTED TOWARD THE CULTURE OF THE PREDOMINANT GROUP OF OFFENDERS.

AS PER ORIGINAL

4. PROPOSED EVALUATION DESIGN:

THE GANG INTERVENTION UNIT SHALL BE EVALUATED BY COMPARISON OF EXISTING STATISTICS RELATING TO GANG INVOLVEMENT IN CRIMINAL ACTIVITY IN FORT BEND COUNTY BEFORE AND DURING THE OPERATION OF THE UNIT.

SPECIFIC DATA TO BE COLLECTED WOULD BE: 1) ARRESTS OF GANG MEMBERS 2) GANG INVESTIGATIONS CONDUCTED 3) GANGS IDENTIFIED 4) **GANG MEMBERS IDENTIFIED.**

FURTHER EVALUATION SHALL FOCUS ON THE STATISTICAL SUCCESS OF THE GANG UNIT IN DISSUADING CRIMINAL GANG MEMBERS FROM CONTINUED MEMBERSHIP, WHEREIN THE UNIT HAS ENLISTED THE ASSISTANCE OF THE PARENT/GUARDIAN OR SCHOOL OFFICIAL, PRIOR TO TARGETING THE GANG MEMBER FOR PROSECUTION.

SPECIFIC DATA TO BE COLLECTED WOULD BE: NUMBER OF INTERVENTION EFFORTS WITH PARENT/GUARDIAN 2) NUMBER OF INTERVENTION EFFORTS WITH SCHOOL OFFICIALS 3) NUMBER OF PUBLIC AWARENESS PRESENTATIONS MADE.

Each Member
Commissioner's Court
Fort Bend County, Texas

Gentlemen,

On Tuesday, January 19, 1993 we will appear before the Court seeking an exemption to the competitive bid process as authorized by Section 262.024(a)(4) of the Local Government Code for a professional service. The professional service we plan to contract for is that of a consultant to assist in the development of a homeownership program using HOPE 3 funds. According to Ms Marilyn Kindell, Community Development Director, $35,000 of the HOPE 3 Planning Grant is available for this service.

If the Court grants this exemption we will proceed as follows:

1. Solicit unpriced statements of qualifications from professional consultants.

2. Negotiate a price with the most qualified consultant.

3. Prepare a contract with the assistance of the County Attorney.

4. Request Court approval and County Judge's signing of final contract.

We believe that this method of selecting a consultant is consistent with the County Purchasing Act and is in the best interest of the County. If you have any questions please contact me or Ms Kindell.

Respectfully submitted,

Gilbert D. Jalomo, Jr.
Assistant County Purchasing Agent

JOHN F. HEALEY, JR.
DISTRICT ATTORNEY
FORT BEND COUNTY, TEXAS

January 11, 1993

Honorable Roy Cordes
Commissioners' Court
Fort Bend County
William B. Travis Annex
Richmond, Texas 77469

Dear Judge Cordes:

I am appearing before you on January 19, 1993 on a personnel matter regarding District Attorney Investigator Robert Molina in reference to the following:

I am requesting Mr. Molina be moved from a Grade 14 Step 4 to a Grade 15 Step 8 with the new title of Assistant Chief Investigator. The budget has this increased amount of salary to allow such a move. Attached you will find a work-up sheet I have prepared on him.

The former Chief Investigator for this office left in November of 1992 as did the Assistant Chief Investigator. I also had one part-time investigator and another full-time investigator leave December 31, 1992 to become employed by Sheriff Molina.

I feel Mr. Molina has served this office well and has the qualities to be promoted to Assistant Chief Investigator.

Thank you for your time on this matter.

Sincerely,

John F. Healey

Sheriff Department Personnel Proposal for Commissioners Court
Approval January 19, 1993

1. Request: Upgrade of 2 Clerk Typist positions to Clerk III in the Records Department. Position control numbers 208 and 210.

Justification: There are currently a total of seven clerical personnel working in the records section in two shifts. Currently, there is no effective direct supervision of these people resulting in seven people acting like seven different groups doing what they feel is needed in a manner each feels appropriate. This has resulted is an inefficient operation. We feel that the addition of a direct supervisor (Clerk III) on each shift will make it easier for the Sargent responsible for this area, as well as dispatch; which is currently install ing a new communication system for the entire department. This is because the Sargeant will need only discuss the tasks and priorities with his two supervisors versus all seven em ployees.

It should be noted that records has the responsibility not only to type, file and safeguard virtually all information on every investigations performed by our department, but also verification of information requested by other departments and agencies. Therefore, it is imperative that this group receive proper direction and supervision.

Funding: The funding for this upgrade will come totally from within our approved budget. More specifically; from the savings of replacing Joan Jankowiak with Kathleen Rader.

bi-weekly salary of Jankowiak	$ 835.00
bi-weekly salary of Rader	673.00
bi-weekly savings	$ 162.00
bi-weekly increase of Galloway	- 19.00
bi-weekly increase of Setzer	- 44.00
Remaining savings to be allocated	$ 99.00

2. Request: Raising step level of 2 open clerk typist positions which are assigned to the front desk area. Position control numbers 79 and 80. This will allow us to fill this highly visible and important positions with the caliber of employee we need.

Justification: The main duties of the front desk employees is the processing of bail bonds, which will ultimately result in a prisoner being released from custody, and the collection of fines. Both of these duties involve constant and significant contact with the public in often stressful and emotional situations. The need for accuracy and professionalism in his area can not be over emphasized. In addi-

tion, consider these people are also working twelve hours a day. It is our ultimate intent to utilize three eight hour shifts with a Clerk III as the Supervisor on each shift, and we are planning on having at least one of these new hires ultimately being one of these clerk III.

Funding: All of the funds for these step increases are covered in our approved budget. More specifically, the remaining savings from Jankowiak and a total of $ 78.00 of our uncommitted salary item.

RE: Fifth Street Sewer Improvements
Texas Community Development Program

Dear Judge Cordes:

You are requested to place two items on the agenda to be considered by the Commissioners Court, as follows:

1. Consider approval of resolution authorizing a contract amendment to Contract 707005 - Texas Community Development Program - Fifth Street Sewer Project - Phase I

2. Consider approval of resolution authorizing a contract amendment to Contract 708035 - Texas Community Development Program - Fifth Street Sewer Project - Phase II

The revisions contained in the two separate resolution exhibits are further explained in the letters to the State prepared for your review. The revisions generally reflect changes due to the addition of matching funds from the Fort Bend County CDBG Entitlement program.

The previous contract time extension requests are on hold at the State until the changes regarding the additional match funding have also been requested.

These items need to be presented for Commissioners' Court approval as soon as possible. Please notify me at the earliest possible time as to the date of consideration by Commissioners' Court.

If you have any questions, please contact me at your convenience.

Respectfully yours,

Bruce J. Spitzengel

RE: Contract 707005

Dear Ms. Bullock:

The county has determined the need to request a contract amendment to Section 2. CONTRACT PERIOD of the above referenced contract. The current termination date is December 31, 1992. The county requests to extend this termination date to June 30, 1993.

In addition, the county desires to make changes to contract budget and performance statement. A resolution and budget modification form are attached detailing these changes.

The county finds this proposed amendment to be justified based upon delays to the project beyond our control. The county utilizing funds from it's entitlement CDBG program matched the project with an additional $75,000. These funds only become available at the end of September with HUD approval of the overall county entitlement program activities. This delayed the award of the contract for construction, therefore, the need for the time extension.

The budget modification and revised performance statement reflect current estimated costs for construction, real property acquisition, and engineering. The only real property acquisition was a site donated by a public agency at no cost to the project.

Should you have any additional need for information or any questions, please contact Mr. Bruce J. Spitzengel, our grants consultant, at 713-980-7259.

SUBJECT: Rental of high speed copiers for library publications

We issued a "Request for Proposals" for a high speed copier in December 1992. Various proposals were submitted (8 in all). After evaluations we would like to recommend to you the selection of a Sharp SD-2075 offered by SOP, Inc. at the cost of $701.63 monthly. This is the best proposal based on our selection criteria. A review is attached for your information.

This copier is budgeted in the library's FY 1993 budget. It will be housed in the print shop at the George Memorial Library and will be used for the many various publications that we produce--monthly calendar of events, booklists and bibliographies, children's programming materials, book marks, etc., etc.

I will appear before you on Tuesday, January 26, 1993 to seek your approval.

Sincerely,

Roman S. Bohachevsky

Sheriff Department Personnel Proposal for Commissioners Court
Approval January 26, 1993

12/1 1. Request: Consider granting an exception to the competitive bid process as authorized by Sec. 262.024(a)(2) Local Gov. Code, for the purchase of 5 police package automobiles required to protect the public safety of the residence of the County.

Justification: See the attached memo from Lt. Lorenz dated January 21, 1993 which outlines why we need this units immediately. We are requesting an exception to the competitive bid process because of the time factor. Under the normal process we would not receive the units until May or June 1993. The expedited process would save some time, however, the arrival of the vehicles would still be some time in April or May 1993. We believe that this would create too much strain on our existing cars. In addition, we will have to start removing units from service to install the new 800 radios.

Funding: The funding for this purchase will come totally from within our approved budget.

12/2 2. Request: Amend the Sheriff Department 1993 budget for automobile purchases to reflect the $14,300 received on December 30, 1992 and deposited into the general fund on December 31, 1992. These funds were insurance proceeds paid by Allstate on behalf of their insured in which a new 1992 patrol unit was totaled. This amendment will allow for the replacement of this unit which was not included in our 1993 budget. This amendment will increase our budget for automobile purchases to $354,400.

DATE: January 21, 1993

TO: Sergeant S. Potts, Crime Analysis

FROM: Lieutenant M. Lorenz, Patrol Division

REF: Status of Patrol Units

As of January 20, 1993, the Patrol Division has experienced six fleet accidents. Four of the vehicles involved in these accidents were damaged beyond repair. Three of the four vehicles are scheduled for replacement and are included in the 1993 Budget. The sum of $14,332.68 was paid to Fort Bend County as a result of the insurance claim on the fourth vehicle. This amount was deposited in the General Fund on December 31, 1992. The remaining two vehicles are being repaired and will be returned to service.

We assign two Deputies to each unit, and with this procedure the vehicle is driving sixteen hours per day, with an eight hour rest period. Each month these vehicles will average three thousand miles of service.

Due to the current shortage of vehicles most Patrol Cars will be driven twenty-four hours per day and an additional fifteen hundred to two thousand miles each month. Such additional use creates attendant maintenance problems and breakdowns.

In order for the Sheriff's Department to maintain our role to protect and preserve the public safety of the residents of Fort Bend County, it is mandatory that we replace those vehicles and add several additional vehicles to compensate for the increased patrol function.

"(b) In addition to the new changes in law made by this section, this section conforms Section 262.022, Local Government Code, to the change in law made by the amendment of Section 3, County Purchasing Act (Article 2368a.5, Vernon's Texas Civil Statutes), by Chapter 802, Acts of the 70th Legislature, Regular Session, 1987."

"(d) This section supersedes the amendment of Section 262.022, Local Government Code, by the Act of the 71st Legislature, Regular Session, 1989, that conforms the Local Government Code to certain Acts of the 70th Legislature, that nonsubstantively codifies in that code certain related statutes, and that makes certain corrective and conforming amendments."

§ 262.023. Competitive Bidding and Competitive Proposal Requirements

(a) Except as provided by Subsection (d), before a county may purchase one or more items under a contract that will require an expenditure exceeding $10,000, the commissioners court of the county must comply with the competitive bidding or competitive proposal procedures prescribed by this subchapter. All bids or proposals must be sealed.

(b) The competitive bidding and competitive proposal requirements established by Subsection (a) apply only to contracts for which payment will be made from current funds or bond funds or through time warrants. However, contracts for which payments will be made through certificates of obligation are governed by The Certificate of Obligation Act of 1971 (Subchapter C, Chapter 271).

(c) In applying the competitive bidding and competitive proposal requirements established by Subsection (a), all separate, sequential, or component purchases of items ordered or purchased, with the intent of avoiding the competitive bidding and competitive proposal requirements of this subchapter, from the same supplier by the same county officer, department, or institution are treated as if they are part of a single purchase and of a single contract. In applying this provision to the purchase of office supplies, separate purchases of supplies by an individual department are not considered to be part of a single purchase and single contract by the county if a specific intent to avoid the competitive bidding requirements of this subchapter is not present.

(d) In a county with a population of less than 20,000 that does not have a county purchasing agent, contracts for $15,000 or less may be entered into without the competitive bidding process otherwise required by law if the commissioners court publicly finds it to be in the public interest.

§ 262.024. Exemptions

(a) A contract for the purchase of any of the following items is exempt from the requirement established by Section 262.023 if the commissioners court by order grants the exemption:

(1) an item that must be purchased in a case of public calamity if it is necessary to make the purchase promptly to relieve the necessity of the citizens or to preserve the property of the county;

(2) an item necessary to preserve or protect the public health or safety of the residents of the county;

(3) an item necessary because of unforeseen damage to public property;

(4) a personal or professional service;

(5) any work performed and paid for by the day, as the work progresses;

(7) an item that can be obtained from only one source, including:

(A) items for which competition is precluded because of the existence of patents, copyrights, secret processes, or monopolies;

(B) films, manuscripts, or books;

(C) electric power, gas, water, and other utility services; and

(D) captive replacement parts or components for equipment;

(8) an item of food;

(9) personal property sold:

(B) at a going out of business sale held in compliance with Subchapter F, Chapter 17, Business & Commerce Code; or

(C) by a political subdivision of this state, a state agency of this state, or an entity of the federal government; or

(10) any work performed under a contract for community and economic development made by a county under Section 381.004.

(b) The renewal or extension of a lease or of an equipment maintenance agreement is exempt from the requirement established by Section 262.023 if the commissioners court by order grants the exemption and if:

(1) the lease or agreement has gone through the competitive bidding procedure within the preceding year;

RE: Commissioners Court Request for January 26, 1993

Background

On October 12, 1992. Fort Bend County Commissioners Court approved an agreement between the County and the U. S. Department of Housing and Urban Development for the HOPE 3 Homeownership Grant. Fort Bend Habitat for Humanity was co-applicant for the grant.

The grant application outlined the following responsibilities for completion by Habitat for Humanity:

1. Economic development planning
2. Security plan development
3. Identification of counseling and training curricular and sources.

Request

Commissioners Court is requested to approve the agreement between Fort Bend County and Fort Bend Habitat for Humanity for the HOPE 3 Homeownership Program.

Addendum to Exhibit 1

AS PER ORIGINAL

E. Description of eligible activities, etc.

Assessing Stock of Eligible Properties. A preliminary perusal of inventories of eligible properties indicates that there are in excess of 10 eligible properties in the proposed target area. The co-applicants will compile a list of these properties and evaluate the rehabilitation needs of each. Fort Bend County officials will work closely with FmHA, HUD, and RTC to ensure notification of the availability of eligible properties.

This activity will take place throughout the duration of the contract, because properties are periodically removed from the inventory and properties are periodically added to the inventory.

Training and Technical Assistance to Applicants. As mentioned earlier, because Fort Bend County has no prior experience with administering housing programs, training and technical assistance is a critical part of this funding request. Assistance with the development of program guidelines, selecting an architect or engineer to estimate rehab costs, obtaining comparables, and evaluating counseling curricula will be funded.

The scheduled completion date for this activity is 11 months from the date of execution of a contract with HUD.

The applicant will engage a consulting firm to perform this activity.

Feasibility Study. A feasibility study will be performed to determine whether a sufficient number of available eligible properties can be acquired and rehabilitated at a cost that allows for a final purchase price that does not represent a cost burden for low income households. The study will also evaluate the availability of support services in the vicinity of the eligible properties.

The scheduled completion date for this activity is 9 months from the execution of a contract with HUD.

A firm with the requisite expertise to perform this study will be engaged to perform this task.

Preliminary Architectural and Engineering Work. Preliminary estimates of the cost of rehabilitating eligible properties and an analysis of on- and off-site infrastructure problems that might affect the property will be conducted.

An architectural and engineering firm will be engaged to perform this work.

Addendum to Exhibit 1 AS PER ORIGINAL

The scheduled completion date for this activity is 6 months from the execution of a contract with HUD.

Identification of Counseling and Training Curricula and Sources.

Identification of a suitable homebuyer training curriculum for the proposed program is considered a very important activity. The applicants will locate and review various homebuyer training programs, with the objective of identifying elements in each program that would work well in the Fort Bend County homeownership program.

The scheduled completion date is 6 months from the effective date of the grant.
Fort Bend Habitat for Humanity will perform this function, with the assistance of an experienced consultant.

The scheduled completion date is 9 months from the execution of a contract with HUD.

Economic Development Planning. Fort Bend County Habitat will conduct an analysis of skills areas in which local employers are seeking applicants, and conduct an analysis of local training programs available to program participants. As mentioned earlier, there are two community colleges in the county. They will be approached regarding the feasibility of designing a job training program or modifying an existing program to address the issues that face low income persons in the county. Area businesses will be contacted to determine the skills areas in which they are experiencing labor shortages. Lastly, an analysis of existing and potential day care resources will be conducted, inasmuch as lack of affordable day care often proves to be a serious obstacle to employment for low income households.

A Fort Bend Habitat for Humanity staff person will perform this function.

The scheduled completion date is 8 months from the date of execution of a contract with HUD.

Security Plans. It is anticipated that homes that are used in the program will be in close enough proximity for a community security plan to be implemented successfully. A security plan that incorporates a self-help approach will be developed, using HOPE 3 funding. There are several successful models for these kinds of programs in the region; these will be investigated first.

This task will be performed by Habitat staff, with assistance from an outside consultant.

The projected completion date is 5 months from the date of execution of a contract with HUD.

This Agreement is authorized by Subtitle C of Title IV of the National Affordable Housing Act, Pub. L. 101-625, as amended and codified at 42 U.S.C. 12891, et seq. (the "Act"). The purpose of this Agreement is to set forth the terms and conditions under which HUD will provide Federal financial assistance to the Recipient to plan and develop a HOPE 3 homeownership program under the Act. As used herein, the terms "grant" or "grant funds" refer to the Federal funds provided by HUD under this Agreement. This Agreement will be governed and controlled by the following, as they from time to time may be amended: the Act, the HOPE 3 Program Guidelines published at 57 FR 1592, et seq., on January 14, 1992, and the HOPE 3 final rule when published and effective (hereafter collectively referred to as the "Regulations"). The Recipient's application submissions, including the certifications and assurances and any documentation required to meet any grant award conditions, and including any amendments made in accordance with this Agreement and after the effective date hereof, are hereby incorporated in this Grant Agreement as finally approved by HUD (hereafter referred to as the "Approved Application"). Unless the context otherwise requires, a reference to this Agreement herein shall be deemed to include the Act, the Regulations, and the Approved Application.

After execution of this Agreement on behalf of the Secretary in the space provided below, HUD will, subject to the terms of this Agreement, provide grant funds in the total amount of $ 80,000 (HUD's total grant obligation) for eligible planning grant activities described in the Approved Application.

By execution of this Agreement on behalf of the Recipient in the space provided below, the Recipient agrees to carry out its planning grant activities in compliance with the Act, the Regulations, the Approved Application (except as otherwise specifically permitted by this Agreement), and any other applicable laws, regulations, and requirements (including record-keeping requirements). The Recipient also agrees to ensure, and

to accept responsibility for, such compliance by any other entities to which it makes grant funds available for, or which it otherwise allows to participate in, the planning grant activities covered by this Agreement.

The Approved Application (including the approved planning grant budget in Exhibit 1 thereof) may be amended only with the prior written approval of HUD, except as otherwise provided in this Agreement. If HUD's prior written approval of an amendment is required, the Recipient shall attach the proposed revisions to the applicable pages of the Approved Application to a cover letter addressed as required below for notifications to HUD and signed by the Recipient's official representative for this grant. HUD may approve or disapprove the proposed amendment by letter from the Director of the CPD Division (or higher level official) in the applicable HUD office. In considering proposed amendments to the Approved Application, HUD shall review, among other things, whether the amendment would have affected the ranking of the application in the year it was approved sufficiently to have resulted in the application not ranking high enough for funding, whether a new certification of consistency with the CHAS will be required for approval of the amendment, and whether the amendment is otherwise consistent with this Agreement.

The Recipient shall at all times maintain an up-to-date copy of its Approved Application, including all amendments approved in writing by HUD, and any other amendments it has implemented, in its files and available for audit or inspection by duly authorized representatives of HUD or the Comptroller General of the United States.

The Recipient agrees to expend the grant funds in accordance with the approved budget lines in the planning grant budget in Exhibit 1 of the Approved Application. However, without HUD's prior written approval, the Recipient may increase the amount of grant funds expended under each of the approved budget lines by a cumulative amount over the entire grant period of not more than ten percent per line, or $5000, whichever is greater, provided that HUD's total grant obligation is not thereby increased and the expenditure is otherwise in compliance with this Agreement.

Programmatic amendments to the Approved Application deemed minor or insignificant by HUD do not require HUD's prior written approval, provided that they otherwise comply with this Agreement and do not require HUD's prior written approval of an amendment to the Approved Budget. The following are some specific examples

of amendments deemed significant by HUD, and which require HUD's prior written approval: any change in the geographic area covered by the planning activity; any change in the Recipient entity: or any change in the time period in the Approved Application for completion of the program.

Under the Regulations and the HOPE 3 application package, the Approved Application may identify by name one or more entities, in addition to the Recipient, which will assist in carrying out the planning activities under the Recipient's grant. The Recipient is not required comply with 24 CFR 85.36 or OMB Circular A-110, Attachment O, as applicable, to select the entities so specified in the Approved Application, to the extent that:

i. the entity is carrying out its responsibilities described in the Approved Application;

ii. the entity has a written agreement with the Recipient describing its duties, which does not provide for compensation beyond reimbursement for the entity's direct and indirect costs under OMB Circular A-87 or OMB Circular A-122, as applicable;

iii. the entity is carrying out its duties with its own staff or through contractors procured in accordance with 24 CFR 85.36 or OMB Circular A-110, Attachment O, as applicable, and

iv. the entity's duties include material duties in addition to those traditionally provided by contractors (e.g., property management, legal services, title services, appraisal services, accounting, construction, etc.).

The Recipient shall obtain HUD's prior written approval of an application amendment before substantially revising the duties of any such entity from those described in the Approved Application, or selecting another entity to perform those duties.

A default under this Agreement shall consist of any use of grant funds other than as authorized by this Agreement, any other noncompliance with this Agreement deemed material by HUD, or any misrepresentation or omission in the application submissions which, if known to HUD, would have resulted in this grant not being provided. If HUD determines that the Recipient is in default, HUD will give the Recipient notice of this determination

and the corrective or remedial actions proposed by HUD to cure the default or mitigate its effects, to the extent possible, and to prevent a continuation or recurrence of the default (the "initial notice of default"). Except as provided in the next paragraph hereof, the Recipient shall have an opportunity to demonstrate, within the time prescribed by HUD, and on the basis of substantial facts and data, that it is not in default, or the that the proposed corrective or remedial action is inappropriate, before corrective or remedial actions are implemented after an initial notice of default. Corrective or remedial actions that HUD may instruct the Recipient to undertake pursuant to an initial notice of default include, without limitation:

1. preparing and following a schedule of actions and/or a management plan for properly completing the approved activities affected by the default;

2. canceling or revising the affected activities prior to expending grant funds for them, revising the grant budget as necessary, and substituting other eligible activities;

3. discontinuing draws under the C/MI System, and not incurring further costs, for the affected activities; and

4. reimbursing its HOPE 3 program account in the amount not used in accordance with this Agreement (thereafter, the Recipient may reuse the amount of the funds repaid for eligible activities, to the extent otherwise permissible under this Agreement).

HUD may implement the corrective or remedial actions for default described in this paragraph if HUD determines that: (i) the Recipient is not complying with the corrective or remedial actions agreed upon with the Recipient following an initial notice of default, (ii) the Recipient is in default and may continue to expend grant funds contrary to this Agreement unless HUD takes immediate action, or (iii) for any other reason, corrective or remedial actions by the Recipient may not be effective to cure a default and prevent its continuation or recurrence. Effective on the date specified in HUD's notice of default to the Recipient, HUD may implement the following additional corrective and remedial actions under this paragraph:

A. changing the method of payment under the C/MI System from an advance to a reimbursement basis;

B. suspending the Recipient's authority to make draws under the C/MI System for affected activities for the period specified in HUD's notice to the Recipient, pending action to cure the default and prevent further default by the Recipient, or final remedial action by HUD;

C. reducing (deobligating) the grant in the amount affected by the default;

D. terminating the grant as to all further activities and initiating close-out procedures;

E. taking action against the Recipient under 24 CFR 24 and Executive Order 12549 with respect to future HOPE 3, HUD, or Federal grant awards, and

F. taking any other remedial action legally available.

If the amount of grant funds which has been disbursed under the C/MI System on account of this grant exceeds the amount finally determined by HUD to be authorized under this Agreement (including any deobligation authorized under this Agreement), the Recipient shall repay such excess amount to HUD, for repayment to the HOPE 3 appropriation account. The Recipient shall have no right to reclaim or reuse such excess amount.

Except as may be otherwise specifically provided in the HOPE 3 final rule, closeout of this grant shall be subject to 24 CFR 85, Subpart D. No delay or omission by HUD in exercising any right or remedy under this Agreement shall impair HUD's ability to exercise such right or remedy or constitute a waiver of, or acquiescence in, any Recipient default.

HUD notifications to the Recipient under this Agreement may be addressed to the Recipient's address as stated in the Approved Application, unless HUD is otherwise notified in writing by the Recipient. Recipient notifications to HUD shall be to the Director of Community Planning and Development in the HUD Office to which the application was submitted, unless the Recipient is otherwise notified in writing by HUD. The Recipient's rights under this Agreement may not be assigned without the prior written approval of HUD. This Agreement constitutes the entire Agreement between the Recipient and HUD, and it may not be amended except in writing and executed by authorized officials of both HUD and the Recipient.

[__] [Check if applicable] This Agreement is subject to the attached Special Conditions.

The effective date of this Agreement shall be the date of execution by HUD set forth below. On and after the effective date, the Recipient may incur costs and receive disbursements of grant funds in accordance with this Agreement.

   a. The rehabilitation, removal, or replacement of elements of the dwelling structure, including basic systems, and of other improvements to the property such as garages, fences, steps, walkways and driveways. Certain costs related to rehabilitation are eligible, as listed below:

Chapter 6. Determining Work to be Done with Rehabilitation Financial Assistance

A. General

This chapter sets forth the responsibilities of the Rehabilitation Specialist for determining the rehabilitation work necessary to bring a property into conformance with Housing Quality Standards and for providing assistance in the rehabilitation of the property. In carrying out these responsibilities, the Rehabilitation Specialist shall:

1. Inspect the property.

2. Identify the required and desired work to be done to the property.

3. Consult with, advise and review with owner the work to be done and bid proposals.

4. Inspect work in progress prior to owner approving payments to contractors.

B. Initial Inspection

In the initial inspection, the Rehabilitation Specialist identifies deficiencies to be corrected in order to meeting Housing Quality Standards. The Inspection findings are to be reviewed and discussed with the owner. In addition, the Rehabilitation Specialist should outline any desirable general property improvements. The deficiencies shall be listed in accordance with program requirements, separating mandatory corrections of deficiencies from general property improvements or owner preferences.

Chapter 7. Contracting for Rehabilitation Work

A. Introduction

This chapter sets forth requirements and procedures with respect to construction contracts for rehabilitation financed through a rehabilitation grant. Rehabilitation work shall be undertaken only through a written contract between the Contractor and the recipient of the loan. The owner shall obtain his/her own bids and enter into the repair contract. The Rehabilitation Specialist shall assist each applicant as needed, in arranging for and obtaining an acceptable construction contract.

1. Procurement of Bids - An acceptable Contractor's bid and proposal must be obtained before approval of the rehabilitation grant.

2. Form of Contract - The construction contract shall consist of a single document form provided by the County and signed by the Contractor and accepted by the homeowner, only following approval of the rehabilitation grant. It shall contain a bid and proposal by the Contractor.

B. General Conditions

The Rehabilitation Specialist shall prepare "General Terms and Conditions" for use in all construction contracts for the rehabilitation of the property. Such contracts shall include hold-harmless provisions relating to the Contractor(s) and owner(s)

C. Specifications and Drawings

A deficiency list and illustrative sketches, if any, covering the specific rehabilitation work for each property on which a rehabilitation loan will be made, shall be prepared by the Rehabilitation Specialist or a designated professional. Drawings shall be prepared only when essential to show the scope of the work involved so that a fair bid for the work can be obtained, and to avoid misunderstandings with the bidder. The deficiency list and drawings shall be based on the inspection of the property and interviews, as indicated, with the applicant. The deficiency list shall clearly establish the nature of the work to be done and the material and equipment to be installed.

D. Invitation to Contractors for Bid and Proposal

1. Contractor Selection - The owner shall be asked for the names of contractors he/she would like to bid on the repair of his/her property in order to ensure that they are eligible contractors. If the owner does not know of any contractors, the staff shall provide owner with Contractor names from the list of contractors maintained at the Community

Development Department. Said list shall include the names of minority and women contractors in the area.

2. Invitation to Bid - Once the contractors have been selected according to Paragraph D.1. above, the homeowner shall contact the selected contractors and invite them to bid the proposed rehabilitation work. The homeowner shall negotiate with the contractors to obtain an acceptable bid. A minimum of three (3) written bids is required.

3. Bid Review - Upon receipt of all bid proposals from the bidding contractors, the homeowner and Rehabilitation Specialist shall review bids for completeness and accuracy, making special note to assure that the deficiency list has been adhered to.

4. Acceptable Bid - An acceptable bid is one that fulfills the requirements of Paragraph D.3. above and does not deviate from the Rehabilitation Specialist's estimate by more than ten percent (10%). The Bidding Contractor shall provide a cost for each repair item. If the costs are not acceptable, the Rehabilitation Specialist shall work with the homeowner and Contractor to negotiate a cost that is reasonable and acceptable to all parties.

5. Maintenance of the Contractor's List

   a. The Rehabilitation Specialist shall be responsible for maintaining a list of all contractors, including minority and female contractors, who have expressed an interest in bidding on repair construction and who can provide the following:

      (1) Adequate active liability insurance.

      (2) The name of his/her company bank.

      (3) The names of his/her usual subcontractors.

      (4) The names of his/her principal suppliers.

      (5) The names and addresses of at least two (2) recent residential repair or construction jobs.

   b. The Contractor List shall be maintained with the Community Development Department, open to public review.

E. Award of Construction Contract

The contract shall be awarded by having the applicant for the loan properly execute the contract with the assistance of the Rehabilitation Specialist.

1. Award within 30 days of Cutoff Date - In order for the bid and proposal to be binding, the award shall be made within a period of 30 days from the cutoff date established by the homeowner for the receipt of the bid and proposal, unless a later date is agreed upon in writing by the homeowner and Contractor.

2. Contract Award - The award of a construction contract shall be accomplished by the owner executing the original and two copies of the contract documents. The homeowner shall distribute the executed contract documents as follows:

   a. Executed original retained by homeowner.

   b. Executed copy to Contractor.

   c. Executed copy to the Community Development Department in care of the Rehabilitation Specialist.

3. Issuance of Proceed Order - At the time the award is made, the Rehabilitation Specialist shall remind the applicant and the successful Contractor that the undertaking of the work covered by the contract is subject to issuance by the owner of a proceed-to-work order, within the number of days stated in the general conditions of the contract from the date of the award. Upon award of the contract, the homeowner shall notify unsuccessful bidders that they have not been awarded the contract.

G. Right to Terminate Contract and Complete the Work

If the Contractor/Owner should refuse or should fail to supply enough properly skilled workmen or proper materials; or if he or she should fail to make prompt payment to the subcontractors or for materials or labor; or should disregard laws, ordinances, or the instructions of the Rehabilitation Specialist, or otherwise be guilty of a violation of any provision of the Contract, then the Owner, upon the certification of the Rehabilitation Specialist that sufficient cause exists to justify such action, may, without prejudice to any other right or remedy and, after giving the Contractor seven (7) days' written notice, terminate the employment of the Contractor. In such case, the Owner may finish the work by securing another Contractor. When work is completed, the Contractor will be paid the amount remaining in the contract after cost of completion is deducted.

Chapter 8. Inspection of Rehabilitation Work

A. General

This chapter sets forth the requirements for the inspection of rehabilitation work financed through the rehabilitation program.

B. Responsibility for Making Inspections

The Rehabilitation Specialist or designee shall make inspections of construction work. To accomplish this, the Rehabilitation Specialist or designee shall make:

1. Compliance inspections, as necessary, to assure that the construction work is being completed in accordance with the construction contract.

2. A final inspection to determine that the construction work has been completed in accordance with the construction contract. The City Code Inspector, where applicable, shall accompany the Rehabilitation Specialist on the final inspection and shall provide a written report of their findings.

C. Inspections for Payment

Inspection of construction work shall be made in accordance with the following:

1. Upon partial and total completion of the repair work and receipt of the Contractor's invoice, the Rehabilitation Specialist shall arrange for inspection of the completed work.

2. When the inspection determines that a portion of the work is satisfactorily completed, the Contractor can request a partial payment.

3. After receipt of a release of liens, including releases from all subcontractors and suppliers and a copy of each warranty, a request for final payment can be made.

D. Certification of Final Inspection

After the Rehabilitation Specialist determines that the rehabilitation work has been satisfactorily completed and the final inspection report obtained, the staff shall prepare a Certificate of Final Inspection.

Distribution - The Certificate of Final Inspection shall be distributed as follows:

1. Signed original to the property owner.

2. Signed copy retained in the property file.

E. One-Year Guarantee on Work by Contractor

All work performed by the Contractor is covered by a one-year guarantee, but property owners are not always aware that, for a period of one year, they may require the Contractor to correct significant defects and inadequacies in the work performed under this contract. For this reason, the Rehabilitation Specialist shall remind the owner upon completion of the contract of the guarantee requirements as stated in the Contractor's "General Terms and Conditions".

The Contractor must be given written notice of any defects with reasonable promptness. Should the Contractor fail to answer or correct the defect(s) within a reasonable time, the County, at owner request, will assist owner in the following manner:

1. Community Development staff shall investigate the complaint.

2. If the staff finds the complaint to be invalid, owner will be so notified.

3. If the staff finds the complaint to be valid, the homeowner will direct the Contractor to take necessary corrective action within a specified length of time.

4. If the Contractor complies, the staff will reinspect the work and, if it is satisfactory, the owner will be expected to sign a written statement withdrawing the complaint.

5. If the Contractor fails to respond to the request within the specified length of time, the staff, upon owner request, will prepare a letter for owner's signature, notifying the Contractor a second time that unless the complaint is abated by a specified time, a formal complaint will be filed with the County Attorney for appropriate action.

6. If the Contractor fails to respond to the request for correction within the time specified:

   a. The homeowner will take any necessary action to have the defects corrected, including, but not limited to, paying the reasonable costs of correcting work or materials determined by the homeowner to be defective.

b. The Contractor may be prohibited by the County from contracting any other repair work under any rehabilitation program administered by the County.

F. Rehabilitation Specialist - Owner - Contractor Relations

Rehabilitation Specialist's Responsibility and Authority

The Rehabilitation Specialist shall observe the work on behalf of the County and will provide general assistance during construction insofar as proper interpretation of the program requirements is concerned.

The Rehabilitation Specialist and owner shall decide, when necessary, any and all questions which may arise as to the quality and acceptability of materials furnished, work performed, interpretation of work items on the deficiency list and all questions as to the acceptable fulfillment of the Contract on the part of the Contractor.

The Rehabilitation Specialist will not be on the construction site at all times, and, as such, cannot be responsible for the acts or omissions of the Contractor or his/her employees. For the same reason, acceptance by the homeowner or the County of the Contractor's work performed, does not release the Contractor from the responsibility to provide quality performance on all contract specifications.

NACo Membership Renewal

January 5, 1993

The Honorable Roy Cordes
County Judge
Fort Bend County
Annex, P.O. Box 368
Richmond, TX 77469

Dear Judge Cordes:

Thank you for supporting our efforts to represent and promote county government in our nation's capital and around the country. Without your support and other counties like yours, our efforts to explain the county position would be hurt severely. It is critical that counties work together and speak with one voice when addressing Congress and the Administration.

NACo has been busy over the past 12 months working for you on key issues like economic recovery, Medicaid, transportation funding, housing and community development, Payments-in-Lieu-of-Taxes, waste reduction and recycling, job training and tax and bond proposals.

We are striving to improve the services that we provide to your county--legislative representation, County News, conferences, research, the Achievement Award program, public affairs and more. And we are looking to develop new programs, in such areas as strategic planning and revenue sources, that can help you do your job better.

It is time to renew your county's membership in NACo. Your county is scheduled for renewal on March 31, 1993 and I hope that you will not hesitate to process your renewal.

We look forward to your county's continued participation in NACo. I have enclosed an invoice for your county's membership fee. If I can assist you in any way, please feel free to call me, or Susan Parrish, NACo's membership coordinator, at (202)393-6226, ext. 242, or write us at the NACo office. Thanks again for your continued support.

Sincerely,

3.01 **CITY** agrees to indemnify and hold **FORT BEND** harmless with respect to any claim, demand, or suit based upon any response by **Fort Bend County Emergency Medical Services** arising under its obligation under this Interlocal Agreement. Notwithstanding any of the above provisions, if it is determined that if **Fort Bend County Emergency Medical Service** is solely negligent with regard to any claim, demand, or suit arising out of the

aforementioned Interlocal Agreement, FORT BEND will hold CITY harmless and indemnify CITY from costs incurred.

3.02 It is understood that liability to all parties is limited by existing laws covering medical personnel in the performance of their duties in emergency situations.

3.03 It is expressly understood and agreed that each party hereto shall have no liability for the wages, disability payments, pension payments, damage to equipment and clothing, medical expenses, expenses of travel, food, lodging or other compensation, or expenses of personnel of another party's Emergency Medical Service, regardless of whether such personnel performed services outside the jurisdiction of his or her employer.

Should Purchaser make objection to Seller within such period, Seller may (but shall not be obligated to) cure such objection(s). If same shall not be cured within ten (10) days after Purchaser's notice to Seller of said objection(s), Purchaser may either waive said objection(s) or terminate this Contract, by written notice to Seller prior to Closing, in which latter event Purchaser shall then be entitled to the prompt return of the Earnest Money plus all accrued interest thereon.

3.04 Feasibility Study. Such indemnity provided herein shall not be applicable to any liability or claim resulting from the partial or sole negligence or from the willful misconduct of Seller.

If Purchaser, in Purchaser's sole discretion, is not satisfied with such reviews, tests or studies, with the results of any cure efforts by Seller, or with any other matter relating to the Property for any reason whatsoever, Purchaser may terminate this Contract by giving written notice of termination to Seller prior to termination of the Feasibility Period.

Article IV

4.04 Prorations. General and special real estate taxes and assessments for the then current year relating to the Property and rents, if any, shall be prorated as of the Closing Date and shall be adjusted in cash at the Closing. If the Closing shall

occur before the tax rate is fixed for the then current year, the apportionment of the taxes shall be estimated upon the basis of the tax rate for the preceding year applied to the latest assessed valuation, and an appropriate cash adjustment shall be made between the parties based upon actual taxes (if different from the estimate) within thirty (30) days after request by one party or the other after the amount of such taxes becomes known. This agreement to adjust shall survive closing. In no event shall the County be obligated to pay or reimburse Seller for any taxes.

4.05 Closing Costs. All costs of closing the sale and purchase of the Property shall be borne as follows:

A. Cost of the Owner's Title Policy shall be paid by Seller; provided, however, that any costs or premiums charged by the Title Company to modify or delete standard printed exceptions (e.g. deletion of the survey exception except for "shortages in area") shall be borne by Purchaser and Purchaser shall also pay for title insurance in excess of the Total Purchase Price.

B. The Deed shall be recorded by Purchaser and filing fees, if any, shall be Purchaser's expense.

E. Any other closing costs, unless otherwise specified in this Contract, shall be paid in accordance with custom in Fort Bend County, Texas.

Article V

5.01 Delivery of Contract and Payment of Earnest Money. For the purpose of securing the performance of Purchaser under this Contract, Purchaser shall deliver the Earnest Money to the Title Company upon Purchaser's execution of this Contract, as previously set forth herein. All interest earned upon the Earnest Money shall be distributed as part of the Earnest Money in accordance with this Contract. The Earnest Money shall be collected and delivered by the Title Company to Seller in the event Purchaser breaches this Contract as provided in ARTICLE VII hereof. At Closing, the Earnest Money plus all accrued interest thereon shall be applied to the Purchase Price.

5.02 Escrow Agent. In connection with the escrow of the Earnest Money by the Title Company, it is understood that the Title Company (i) does not assume or have any liability for performance or non-performance of any party and (ii) has the right to require the receipt, release, and authorization in writing of all parties before paying the Earnest Money to any party.

Article VII
Breach by Purchaser

7.01 If Purchaser shall fail to fully and timely perform any of its obligations hereunder, either prior to or at the Closing for any reason other than (a) the termination of this Contract by Purchaser pursuant to a right of termination provided for in this Contract or (b) Seller's failure to perform Seller's obligations under this Contract, then Seller, as Seller's sole and exclusive

remedy, shall be entitled to terminate this Contract and receive the Earnest Money from the Title Company, such amount being agreed upon as liquidated damages and Seller agrees to accept and take said Earnest Money as its sole damages and exclusive remedy.

PUBLIC HEALTH CONFERENCE SUPPORT COOPERATIVE AGREEMENT PROGRAM FOR HUMAN IMMUNODEFICIENCY VIRUS (HIV) PREVENTION

INTRODUCTION

The Centers for Disease Control and Prevention (CDC), the Nation's prevention agency, announces the availability of funds in fiscal year 1993 for the Public Health Conference Support Cooperative Agreement Program related to Human Immunodeficiency Virus (HIV) educational and prevention programs. The Public Health Service (PHS) is committed to achieving the health promotion and disease prevention objectives of Healthy People 2000, a PHS-led national activity to reduce morbidity and mortality and improve the quality of life. This announcement is related to the priority area of HIV Infection. (For ordering a copy of **Healthy People 2000**, see the Section **WHERE TO OBTAIN ADDITIONAL INFORMATION**.)

AUTHORITY

This program is authorized under Sections 301 [42 U.S.C. 241] and 317 [42 U.S.C. 247b] of the Public Health Service Act, as amended. Program regulations are set forth in 42 CFR Part 52, entitled "Grants for Research Projects," as amended.

ELIGIBLE APPLICANTS

Eligible applicants include nonprofit and for-profit organizations. Thus, universities, colleges, research institutions, hospitals, public and private organizations, community-based, national, and regional organizations, state and local governments or their bona fide agents or instrumentalities, federally recognized Indian Tribal governments, Indian

tribes or organizations, and small, minority- and/or woman-owned businesses are eligible for these cooperative agreements.

AVAILABILITY OF FUNDS

Approximately $500,000 will be available in fiscal year 1993 to fund approximately 10 to 15 awards. The awards will average $22,000 and will be funded with a 12-month budget and project period. The funding estimate outlined above may vary and is subject to change, based on the availability of funds. Awards will initially be made on a contingency basis as described below under "Purpose."

The following are examples of the most frequently encountered costs that may or may not be charged to the cooperative agreement:

A. As approved, funds may be used for direct cost expenditures: salaries, speaker fees, rental of equipment, registration fees, and transportation cost (not to exceed economy class fares) for non-federal employees.

B. Funds may not be used for the purchase of equipment, payments of honoraria, organizational dues, entertainment/personal expenses, cost of travel and payment of a full-time federal employee, per diem, or expenses other than local mileage for local participants.

C. Funds may not be used for reimbursement of indirect costs.

D. Although the practice of handing out novelty items at meetings is often employed in the private sector to provide participants with souvenirs, federal funds cannot be used for this purpose.

CONTRACT FOR RESIDENTIAL SERVICES

In accordance with provisions of the Governor's Office, Criminal Justice Division Grant No. C03, Fees & Services, Fort Bend County JPD and Five Oaks RTC, hereinafter called Service Agency, by this Agreement, and in consideration of the mutual promises set forth below, agree that:

I. PROVISIONS OF SERVICES

The Service Agency agrees to provide the following services, which shall be limited to alleged or adjudicated juvenile offenders in licensed child care facilities:

NOTE: Specify here the level of care to be provided (circle one):

Primary, specialized, intermediate, emergency shelter, therapeutic, (intensive) or in-patient psychiatric. Levels of care and services to be provided at each level are those defined in the CJD Maximum Rate Schedule for Purchase of Services, and by the Texas Health and Human Services Coordinating Council.

A. For and in consideration of the above-mentioned services, the Fort Bend County JPD agrees to pay the Service Agency an amount not to exceed $108.00 per client per day. This fee does not exceed the actual cost of child care in the Service Agency, which is $175.00 per day and does not exceed the amount allowed in the current CJD Maximum Rate Schedule. Total reimbursement under this contract shall not exceed $10,000.00 unless approved by CJD to exceed this amount.

B. Recognizing that a part of a client's rehabilitation program may include time away from the residential setting of the Service Agency, such as weekends, holidays, etc., and that the Service Agency must retain space for this client until his return, Fort Bend County JPD will pay the Service Agency the above agreed-upon amount for such regularly scheduled days away from the Service Agency or its program providing they do not exceed ten (10) days at any one time.

C. If a client makes an unauthorized departure from the Service Agency, the Fort Bend County JPD shall be notified immediately. If the client returns to the Service Agency within ten days or prior to the last billing day of the month, whichever shall occur first, the Service Agency shall receive payment for those days the client was absent from the Service Agency, but not to exceed ten days' payment.

D. The Service Agency is under no obligation to retain space for the client in unauthorized departure situations.

E. Payment is to be made monthly. Claim for payment will be submitted no later than ten days from the last day of the month for which payment is being requested.

F. Each billing should contain the name of the client or clients for whom payment is being requested along with the number of days (stated consecutively) for which payment is being requested.

G. The Service Agency is under no obligation to accept a client who is deemed inappropriate for placement in the program by Service Agency.

II. INDIVIDUAL PROGRAM PLAN AND FAMILY INVOLVEMENT

A. Each client placed with the Service Agency shall have a written Individualized Program Plan (IPP) developed in concert with the client and mutually agreed upon by the appropriate Service Agency staff and appropriate county personnel prior to placement.

B. The IPP shall be reviewed jointly by the appropriate Service Agency staff, the child, and the appropriate county personnel at reasonable intervals, not to exceed ninety (90) days, to assess the client's progress with modification of the IPP being made when indicated.

C. The IPP shall contain the reasons why the placement will benefit the client; shall specify behavioral goals and objectives being sought for each client; shall state how the goals and objectives are to be achieved in the Service Agency placement; and shall state how the parent(s), guardian(s), and where possible, grandparents or other extended family members will be involved in the Individual Program Plan to assist in preventing or controlling the client's alleged delinquent behavior or alleged conduct indicating a need for supervision as defined in the Texas Family Code.

D. Copies of the original IPP and the periodic reviews are to be maintained by the Service Agency and the County Placement Officer.

E. The Service Agency shall provide each child's Probation Officer with a written report of the child's progress on a monthly basis.

F. If a child in placement at the Service Agency makes an unauthorized departure, becomes seriously ill, or is involved in an incident of a serious nature, the Service Agency shall notify the child's Probation Officer and the County Placement Officer immediately and ensure that parents and proper authorities, including the Texas Department of Human Services, are notified.

G. The County reserves the right to terminate the child's placement at the Service Agency at its discretion. The Service Agency must not release a child to any person or agency other than the County without the express consent of the County.

H. The County must approve the child's participation in any furloughs, home visits, or extended agency trips.

I. Unless otherwise stipulated by the County, the child may visit freely with parents and relatives at the home in accordance with established Service Agency policies.

J. Suspected or alleged cases of child abuse must be immediately reported to the County Placement Officer and the Department of Human Services.

III. EXAMINATION OF PROGRAM AND RECORDS

A. The Service Agency agrees that it will permit the County to examine and evaluate its program of services provided under the terms of this Contract and to review County client records. This examination and evaluation of the program will include unscheduled site visitations, observation of programs in operation, interviews, and the administration of questionnaires to the staff of the Service Agency and the client.

B. The Service Agency shall provide to the County such descriptive information on contracted clients as requested on forms provided by the County.

C. The Service Agency agrees to maintain and make available for inspection, audit, or reproduction by an authorized representative of Fort Bend County JPD and the State of Texas books, documents and other evidence pertaining to the cost and expenses of this Contract, hereinafter called the Records.

D. The Service Agency agrees to maintain these Records for three (3) years after final payment or until the State-approved audit has been made and all questions therefrom are resolved.

IV. FEE ASSESSMENT

A. Clients or their families shall not be assessed fees for services by the Service Agency unless arrangements are specified by the Court. This does not preclude reasonable attempts to seek voluntary contribution from families of County clients for donations of clothing, personal articles, and funds to assist in supporting a youth's rehabilitation.

B. If a client is eligible for fiscal support from another state agency or organization, the Service Agency shall ensure that the Fort Bend Co. JPD is not charged for such fiscal support for which the client is otherwise eligible.

V. EQUAL OPPORTUNITY

Services shall be provided by the Service Agency in compliance with the Civil Rights Act of 1964. The Service Agency will not discriminate against any employee, applicant for employment, or client because of race, religion, color, sex, national origin, age, or handicapped condition.

The Service Agency will take affirmative action to ensure that applicants are employed, and that the employees are treated during employment without regard to their race, religion, color, sex, national origin, age, or handicapped condition.

VI. OFFICIALS NOT TO BENEFIT

No officer, member or employee of Fort Bend County JPD, and no member of its governing body, and no other public official of the governing body of the locality or localities in which the project is situated or being carried out who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of this project shall participate in any decision relating to this Contract which affects his personal interest or have any personal or pecuniary interest, direct or indirect, in this Contract or the proceeds thereof.

VII. DEFAULT

The Fort Bend County JPD may, by written notice of default to the Service Agency, terminate the whole or any part of this contract in any one of the following circumstances:

AS PER ORIGINAL

(1) if the Service Agency fails to perform the work called for by this Contract within the time specified herein or any extension thereof; or

VIII. TERMINATION

A. This Contract may be terminated by either party by giving ten (10) days' written notice to the other party hereto of the intention to terminate.

B. Termination of the Client's residence with or receipt of services from the Service Agency shall occur only after notifying the County Placement Officer of the causes and with sufficient lead time of at least ten (10) days to allow alternate placement or referral for service.

VIII. TERMINATION

A. This Contract may be terminated by either party by giving ten (10) days' written notice to the other party hereto of the intention to terminate.

B. Termination of the Client's residence with or receipt of services from the Service Agency shall occur only after notifying the County Placement Officer of the causes and with sufficient lead time of at least ten (10) days to allow alternate placement or referral for service.

C. The IPP shall contain the reasons why the placement will benefit the client; shall specify behavioral goals and objectives being sought for each client; shall state how the goals and objectives are to be achieved in the Service Agency placement; and shall state how the parent(s), guardian(s), and where possible, grandparents or other extended family members will be involved in the Individual Program Plan to assist in preventing or controlling the client's alleged delinquent behavior or alleged conduct indicating a need for supervision as defined in the Texas Family Code.

Bend County Juvenile Probation and the State of Texas books, documents and other evidence pertaining to the cost and expenses of this Contract, hereinafter called the Records.

IV. FEE ASSESSMENT

A. Clients or their families shall not be assessed fees for services by the Service Agency unless arrangements are specified by the Court. Juvenile Probation and Medina Children's Home, hereinafter called Service Agency, by this Agreement, and in consideration of the mutual promises set forth below, agree that:

I. PROVISIONS OF SERVICES

The Service Agency agrees to provide the following services, which shall be limited to alleged or adjudicated juvenile offenders in licensed child care facilities:

NOTE: Specify here the level of care to be provided (circle one):

Primary, (specialized), intermediate, emergency shelter, therapeutic, intensive, or in-patient psychiatric. A. For and in consideration of the above-mentioned services, the Fort Bend Juvenile Prob. Dept. agrees to pay the Service Agency an amount not to exceed $ 45.00 per client per day. This fee does not exceed the actual cost of child care in the Service Agency, which is $ 56.00 per day and does not exceed the amount allowed in the current CJD Maximum Rate Schedule. Total reimbursement under this contract shall not exceed $ 10,000.00 unless approved by CJD to exceed this amount.

B. Recognizing that a part of a client's rehabilitation program may include time away from the residential setting of the Service Agency, such as weekends, holidays, etc., and that the Service Agency must retain space for this client until his return, Fort Bend Co. Juvenile Prob.Dept. will pay the Service Agency the above agreed-upon amount for such regularly scheduled days away from the Service Agency or its program providing they do not exceed ten (10) days at any one time.

C. If a client makes an unauthorized departure from the Service Agency, the Fort Bend JPD shall be notified immediately. If the client returns to the Service Agency within ten days or prior to the last billing day of the month, whichever shall occur first, the Service Agency shall receive payment for those days the client was absent from the Service Agency, but not to exceed ten days' payment.

D. The Service Agency is under no obligation to retain space for the client in unauthorized departure situations.

E. Payment is to be made monthly. Claim for payment will be submitted no later than ten days from the last day of the month for which payment is being requested.

F. Each billing should contain the name of the client or clients for whom payment is being requested along with the number of days (stated consecutively) for which payment is being requested.

G. The Service Agency is under no obligation to accept a client who is deemed inappropriate for placement in the program by Service Agency.

II. INDIVIDUAL PROGRAM PLAN AND FAMILY INVOLVEMENT

A. Each client placed with the Service Agency shall have a written Individualized Program Plan (IPP) developed in concert with the client and mutually agreed upon by the appropriate Service Agency staff and appropriate county personnel prior to placement.

B. The IPP shall be reviewed jointly by the appropriate Service Agency staff, the child, and the appropriate county personnel at reasonable intervals, not to exceed ninety (90) days, to assess the client's progress with modification of the IPP being made when indicated.

C. The IPP shall contain the reasons why the placement will benefit the client; shall specify behavioral goals and objectives being sought for each client; shall state how the goals and objectives are to be achieved in the Service Agency placement; and shall state how the parent(s), guardian(s), and where possible, grandparents or other extended family members will be involved in the Individual Program Plan to assist in preventing or controlling the client's alleged delinquent behavior or alleged conduct indicating a need for supervision as defined in the Texas Family Code.

D. Copies of the original IPP and the periodic reviews are to be maintained by the Service Agency and the County Placement Officer.

E. The Service Agency shall provide each child's Probation Officer with a written report of the child's progress on a monthly basis.

F. If a child in placement at the Service Agency makes an unauthorized departure, becomes seriously ill, or is involved in an incident of a serious nature, the Service Agency shall notify the child's Probation Officer and the County Placement Officer immediately and ensure that parents and proper authorities, including the Texas Department of Human Services, are notified.

G. The County reserves the right to terminate the child's placement at the Service Agency at its discretion. The Service Agency must not release a child to any person or agency other than the County without the express consent of the County.

H. The County must approve the child's participation in any furloughs, home visits, or extended agency trips.

I. Unless otherwise stipulated by the County, the child may visit freely with parents and relatives at the home in accordance with established Service Agency policies.

J. Suspected or alleged cases of child abuse must be immediately reported to the County Placement Officer and the Department of Human Services.

III. EXAMINATION OF PROGRAM AND RECORDS

A. The Service Agency agrees that it will permit the County to examine and evaluate its program of services provided under the terms of this Contract and to review County client records. This examination and evaluation of the program will include unscheduled site visitations, observation of programs in operation, interviews, and the administration of questionnaires to the staff of the Service Agency and the client.

B. The Service Agency shall provide to the County such descriptive information on contracted clients as requested on forms provided by the County.

C. The Service Agency agrees to maintain and make available for inspection, audit, or reproduction by an authorized representative of Fort Bend Co JPD and the State of Texas books, documents and other evidence pertaining to the cost and expenses of this Contract, hereinafter called the Records.

D. The Service Agency agrees to maintain these Records for three (3) years after final payment or until the State-approved audit has been made and all questions therefrom are resolved.

IV. FEE ASSESSMENT

A. Clients or their families shall not be assessed fees for services by the Service Agency unless arrangements are specified by the Court. This does not preclude reasonable attempts to seek voluntary contribution from families of County clients for donations of clothing, personal articles, and funds to assist in supporting a youth's rehabilitation.

B. If a client is eligible for fiscal support from another state agency or organization, the Service Agency shall ensure that the Fort Bend Co. JPD is not charged for such fiscal support for which the client is otherwise eligible.

V. EQUAL OPPORTUNITY

VII. DEFAULT

The Fort Bend Co. JPD may, by written notice of default to the Service Agency, terminate the whole or any part of this contract in any one of the following circumstances:

(1) if the Service Agency fails to perform the work called for by this Contract within the time specified herein or any extension thereof; or

VIII. TERMINATION

A. This Contract may be terminated by either party by giving ten (10) days' written notice to the other party hereto of the intention to terminate.

B. Termination of the Client's residence with or receipt of services from the Service Agency shall occur only after notifying the County Placement Officer of the causes and with sufficient lead time of at least ten (10) days to allow alternate placement or referral for service.

Total reimbursement under this contract shall not exceed $ 10,000.00 unless approved by CJD to exceed this amount.

B. Recognizing that a part of a client's rehabilitation program may include time away from the residential setting of the Service Agency, such as weekends, holidays, etc., and that the Service Agency must retain space for this client until his return, Fort Bend County JPD will pay the Service Agency the above agreed-upon amount for such regularly scheduled days away from the Service Agency or its program providing they do not exceed ten (10) days at any one time.

C. If a client makes an unauthorized departure from the Service Agency, the Fort Bend County JPD shall be notified immediately. If the client returns to the Service Agency within ten days or prior to the last billing day of the month, whichever shall occur first, the Service Agency shall receive payment for those days the client was absent from the Service Agency, but not to exceed ten days' payment.

D. The Service Agency is under no obligation to retain space for the client in unauthorized departure situations.

E. Payment is to be made monthly. Claim for payment will be submitted no later than ten days from the last day of the month for which payment is being requested.

F. Each billing should contain the name of the client or clients for whom payment is being requested along with the number of days (stated consecutively) for which payment is being requested.

G. The Service Agency is under no obligation to accept a client who is deemed inappropriate for placement in the program by Service Agency.

II. INDIVIDUAL PROGRAM PLAN AND FAMILY INVOLVEMENT

A. Each client placed with the Service Agency shall have a written Individualized Program Plan (IPP) developed in concert with the client and mutually agreed upon by the appropriate Service Agency staff and appropriate county personnel prior to placement.

B. The IPP shall be reviewed jointly by the appropriate Service Agency staff, the child, and the appropriate county personnel at reasonable intervals, not to exceed ninety (90) days, to assess the client's progress with modification of the IPP being made when indicated.

C. The IPP shall contain the reasons why the placement will benefit the client; shall specify behavioral goals and objectives being sought for each client; shall state how the goals and objectives are to be achieved in the Service Agency placement; and shall state how the parent(s), guardian(s), and where possible, grandparents or other extended family members will be involved in the Individual Program Plan to assist in preventing or controlling the client's alleged delinquent behavior or alleged conduct indicating a need for supervision as defined in the Texas Family Code.

D. Copies of the original IPP and the periodic reviews are to be maintained by the Service Agency and the County Placement Officer.

E. The Service Agency shall provide each child's Probation Officer with a written report of the child's progress on a monthly basis.

F. If a child in placement at the Service Agency makes an unauthorized departure, becomes seriously ill, or is involved in an incident of a serious nature, the Service Agency shall notify the child's Probation Officer and the County Placement Officer immediately and ensure that parents and proper authorities, including the Texas Department of Human Services, are notified.

G. The County reserves the right to terminate the child's placement at the Service Agency at its discretion. The Service Agency must not release a child to any person or agency other than the County without the express consent of the County.

H. The County must approve the child's participation in any furloughs, home visits, or extended agency trips.

I. Unless otherwise stipulated by the County, the child may visit freely with parents and relatives at the home in accordance with established Service Agency policies.

J. Suspected or alleged cases of child abuse must be immediately reported to the County Placement Officer and the Department of Human Services.

III. EXAMINATION OF PROGRAM AND RECORDS

A. The Service Agency agrees that it will permit the County to examine and evaluate its program of services provided under the terms of this Contract and to review County client records. This examination and evaluation of the program will include unscheduled site visitations, observation of programs in operation, interviews, and the administration of questionnaires to the staff of the Service Agency and the client.

B. The Service Agency shall provide to the County such descriptive information on contracted clients as requested on forms provided by the County.

C. The Service Agency agrees to maintain and make available for inspection, audit, or reproduction by an authorized representative of Fort Bend County JPD and the State of Texas books, documents and other evidence pertaining to the cost and expenses of this Contract, hereinafter called the Records.

D. The Service Agency agrees to maintain these Records for three (3) years after final payment or until the State-approved audit has been made and all questions therefrom are resolved.

IV. FEE ASSESSMENT

A. Clients or their families shall not be assessed fees for services by the Service Agency unless arrangements are specified by the Court. This does not preclude reasonable attempts to seek voluntary contribution from families of County clients for donations of clothing, personal articles, and funds to assist in supporting a youth's rehabilitation.

B. If a client is eligible for fiscal support from another state agency or organization, the Service Agency shall ensure that the Fort Bend County JPD is not charged for such fiscal support for which the client is otherwise eligible.

V. EQUAL OPPORTUNITY

Services shall be provided by the Service Agency in compliance with the Civil Rights Act of 1964. The Service Agency will not discriminate against any employee, applicant for employment, or client because of race, religion, color, sex, national origin, age, or handicapped condition.

The Service Agency will take affirmative action to ensure that applicants are employed, and that the employees are treated during employment without regard to their race, religion, color, sex, national origin, age, or handicapped condition.

VI. OFFICIALS NOT TO BENEFIT

No officer, member or employee of Fort Bend County JPD, and no member of its governing body, and no other public official of the governing body of the locality or localities in which the project is situated or being carried out who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of this project shall participate in any decision relating to this Contract which affects his personal interest or have any personal or pecuniary interest, direct or indirect, in this Contract or the proceeds thereof.

VII. DEFAULT

The Fort Bend County JPD may, by written notice of default to the Service Agency, terminate the whole or any part of this contract in any one of the following circumstances:

(1) if the Service Agency fails to perform the work called for by this Contract within the time specified herein or any extension thereof; or

(2) if the Service Agency fails to perform any of the other provisions of this Contract, or so fails to prosecute the work as to endanger performance of this Contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of ten (10) days (or such extension as authorized by Fort Bend County JPD in writing) after receiving notice of default.

VIII. TERMINATION

A. This Contract may be terminated by either party by giving ten (10) days' written notice to the other party hereto of the intention to terminate.

B. Termination of the Client's residence with or receipt of services from the Service Agency shall occur only after notifying the County Placement Officer of the causes and with sufficient lead time of at least ten (10) days to allow alternate placement or referral for service.

C. The decision of the terminating party shall be final and conclusive unless within thirty (30) days from the date of receipt and of a written copy of the decision, the nonterminating party mails or otherwise furnishes to the terminating party a written appeal addressed to the Criminal Justice Division. The decision of the Criminal Justice Division or its authorized representative shall be final and conclusive absent a showing of fraud, caprice, arbitrariness, or gross error implying bad faith, in some court of competent jurisdiction.

IX. LAW AND VENUE

In any legal action arising under this contract, the laws of Texas shall apply and venue shall be in Fort Bend County.

X. CONTRACT PERIOD

The Contract period will begin on the date of execution of this instrument and will terminate on the 31st day of December, 1993.

TEXAS JUVENILE PROBATION COMMISSION
FY'92 MONITORING SUMMARY
FORT BEND COUNTY

2. The department received referrals in calendar year 1991 at a rate of 5% of the county juvenile population (i.e. the 1,367 referrals proportionately equaled 5% of the juvenile aged population). This compares favorably to a state-wide referral rate of 5.9% of the state juvenile aged population. Of the 1367 referrals made to the department in 1991 only 8.5% of the referrals had previously been referred during the year, while state-wide 31.7% of the referrals for 1991 were previously referred during the year. This "re-referral" rate may indicate more successful supervision and diversion of juvenile offenders by the department than is apparent within the state average. This could be significant in light of the fact that Fort Bend County received a larger percentage of referrals for felony offenses (39.3%) than the state average (33.7%).

CONCLUDING STATEMENTS

The juvenile board and commissioners court should be commended for making provisions for adequate office space and detention facilities. The department should be commended for managing an increasing referral rate (with larger percentages of delinquent/felony offenders) in such a way as to keep the rate of commitment to Texas Youth Commission significantly below the state average. The department should also be commended for brokering services to juveniles and their families as well as proactively developing additional services such as The First Offender Program, CINS Program, Literacy Program, The Juvenile Court Volunteers Program, The TDC Outreach Program, the risk/needs assessment process for each juvenile supervised, as well as a menu of psychological/mental health services to detained juveniles.

Re: 1993 Transportation Improvement Plan

Dear Commissioners:

The Fort Bend Mobility Committee (FBMC) was created in September, 1992, in response to the need for a long-range, county-wide mobility plan, and the necessity to seek federal and state transportation funds with a unified effort.

Since September, the FBMC, with representatives of the cities, chambers of commerce, developers, and elected officials of the county, state and federal government, has become more educated on new criteria for highway funding and what is needed for favorable consideration of each entities' projects. What is being presented to you today is a list of some 60 projects that will be submitted with your approval to the Texas Department of Transportation and the Transportation Policy Council of the Houston/Galveston Area Council.

When this project was undertaken, we were presented with a June deadline for submittal; therefore, there was time for the technical committee (comprised of Sam Kruse of Brown and Gay Engineers, Jeff Ross of Pate Engineers, Rick Liesse and Paul Lippke of Lichliter/Jameson, and David Gornet of Turner, Collie & Braden) to work with the cities and county to identify specific ways to forward their projects in the HGAC's three-year plan TIP or TxDoT's ten-year project development plan. However, because of new funding mechanisms, we were notified in mid-December that our new deadline for submittal was February 1st. Regretfully, even though this is our best effort given the time constraints, much work remains to be done.

It is important to understand that this is not the end of the project but the beginning. This project list is a living document that will

continue to be referred to, revised, and massaged for the next TIP and PDP in January, 1994, and for future transportation improvement plans.

The Fort Bend Mobility Committee was first created in response to learning that expansion of U.S. 59 from Beltway 8 on into Fort Bend was not even slated for the TxDoT ten-year project development plan much less HGAC's three-year transportation improvement plan. It was this problem that alarmed concerned citizens, government, and business interests and resulted in this effort.

The FBMC is greatly concerned with mobility for the entire county and surrounding areas. We are unanimous in our support for the widening of U.S. 59 from the Beltway to, ultimately, Highway 36 Bypass. This project deserves our utmost attention for several reasons:

o U.S. 59 is the export lifeline from the Houston Ship Channel to Mexico.

o Due to the steady influx of business and population into Fort Bend, the need for increased traffic capacity is essential to the continued growth and success of the County.

o This Freeway is the cog on which all other arteries in Fort Bend depend for efficiency.

We would certainly hope the Court would endorse the entire transportation plan with special emphasis on U.S. 59 as the number ONE priority. We welcome and encourage any questions, concerns and input you can offer with regard to the project list.

Thank you for your consideration.

Sincerely,

Bill Hartman
